## Street Paving and Property Building Needed in Sonora

Sutton County Citizen Since 1889--  
G. W. Morris--Guest of Club  
On Ninetieth Birthday

Curb-to-curb paving of Sonora streets was named Tuesday noon by W. E. Calwell, Sonora business man, as the community improvement most needed in the county seat of Sutton county.

Mr. Caldwell's statement was made in a talk at the Lions Club in which he outlined a number of improvements which would make a better town of Sonora. Among the things he named as being desirable and worth while in the Sonora community were:

Tree planting and yard beautification; construction of a swimming pool and children's playground; painting of property to make the general appearance of the town better; building of sidewalks; removing of unsightly buildings which detract.

Mr. Caldwell expressed the opinion that the paving of forty to fifty blocks of Sonora streets would eliminate the growing of weeds along street gutters, would make motoring more pleasant and would aid from a health standpoint by eliminating dust as it rises from Sonora's unpaved streets at present.

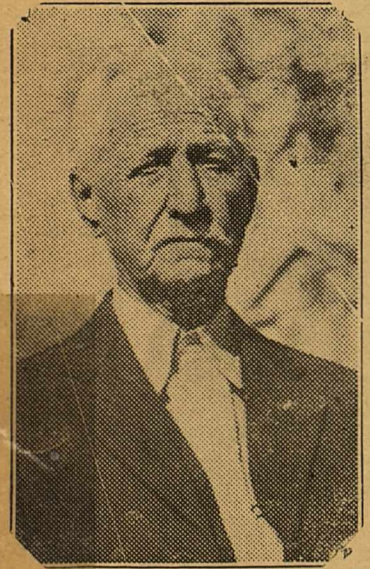

The 4-year-old Federal Housing Act, and various points relating to it, was explained by C. P. Alfrey who told of the varied benefits the property owner secures by building new property or improving old with the aid of money secured from a lending institution approved by the federal agency.

"FHA is not discouraging by its inspections and requirements," Mr. Alfrey declared, "for it can easily be shown that whatever it requires is merely to assure substantial building of the right type."

A report was made of the placing of lights at the stock pens, the cost of fixtures being borne by the club. A statement for \$5 for electrical work in the postoffice lobby was approved.

W. H. Dameron, vice-president, was in charge at the luncheon. The president, Dr. Joel Shelton, announced that at next week's luncheon

## Nonagenarian

An honored guests at the Lions Club luncheon Tuesday noon was G. W. Morris, Sutton county pioneer who is believed to be the oldest person in Sutton county. Mr. Morris was introduced as "one who has added a title today."

It was explained that he was a "49-er" (49 years a Sutton county resident) until Tuesday and that day added the title of nonagenarian i.e. one who is ninety years or more of age.

Mr. Morris' ninetieth birthday was Tuesday. When introduced and asked if he was a public speaker he replied:

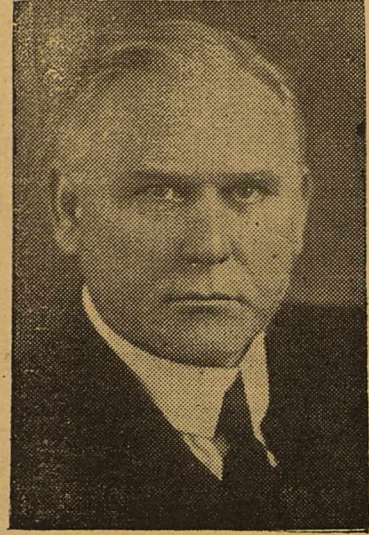

"Yes, I am very fond of public speaking--by someone other than myself."

eon committee chairmen would be expected to report of their work or work that they expect to do.

Guests were: C. C. Frederick, Houston; Frederick B. Iseley, San Angelo; Collier Shurley, Ernest Caraway, A. W. Awalt, McClain Lattimore.

Mr. Caraway told of the work of Broncho football players and reminded of the game with Robert Lee here at three o'clock Saturday.

## BAPTIST LEADER BEGINS 42ND YEAR IN THE MINISTRY

Described Sunday as "gray, devout Dr. George W. Truett, spiritual leader of 12,500,000 Baptists," the famed clergyman who is pastor of the First Baptist Church in Dallas Sunday began his forty-second year as a minister. He is president of the Baptist World Alliance.

Dr. Truett, seventy-one years old, in his youth wanted to be a lawyer. His entrance into the ministry was by chance, he told a congregation of 4,200 Sunday morning.

The Sunday morning service was interpreted for a large group of people who belong to a class for those who are deaf. Mrs. W. O. Barton, Dallas, is in charge of the group and "told" them what the church leader was saying in his message that launched him on another year of service.

## BRONCHOS PLAY FIRST 1938 GAME SATURDAY

Opposition for Sonora football players Saturday at three o'clock on the athletic field gridiron will be supplied by the Robert Lee high school team.

Intensive work with the boys of the squad has been done by Ernest Caraway, coach, since the opening of school and particularly this week when several plays were given the boys to master before the Saturday tilt.

Mr. Caraway said Thursday night that the tentative Saturday afternoon line-up for the Sonora eleven would be:

Left End ..... Cartwright  
Left Tackle ..... Andrews  
Left Guard ..... Morris, Leon  
Center ..... Thorp  
Right Guard ..... Drsikell  
Right Tackle ..... Taylor  
Right End ..... Bricker  
Left Halfback ..... Archer  
Right Halfback ..... Trainer  
Fullback ..... Higgins  
Quarterback ..... Ory or Richardson

## Residence Begun On Ranch Near Sonora

New Frame Home Will Be Built Near Site of One Destroyed

Construction work was started this week on a 5-room frame residence on the 6-Mile Ranch of the E. E. Sawyer Estate.

The house replaces one that was destroyed by fire the night of June 28. Occupying the house at that time were Mr. and Mrs. D. A. Purcell who are now living on the 12-Mile Ranch of the Sawyers.

The new property, which will be built close to the location of the old one, will have five rooms and bath as well as a large front porch and a screened porch at the back of the house. It will have concrete foundation and is expected to cost in the neighborhood of \$3,250.

It is believed that the house will be completed and ready for occupancy in about six weeks.

Baby to Mr. and Mrs. Schilling  
A baby boy weighing eight pounds was born Wednesday to Mr. and Mrs. August Schilling, who live on the Sol Mayer Ranch. The baby has been named Walter.

Son to Mr. and Mrs. Adams  
A son weighing eight pounds was born Wednesday to Mr. and Mrs. Elba Adams, who live near Camp Allison.

## Masons' New Sonora Home Expected To Be Reality Soon

Two-Story Tile and Stucco Lodge Building Result of Members' Work Through the Years

A landmark in Sonora many years--the building used by Dee Ora Lodge No. 715 Ancient Free and Accepted Masons--will soon give way to progress in the form of a stucco-tile lodge building on the site where for so many years the frame building has stood.

Blueprints for final approval by the lodge's building committee and other members are expected here this week and bids will be sought soon afterward, with construction completed about sixty days after it is begun.

Complete Facilities Specified  
The 2-story structure, built of tile and stucco with concrete foundation, piers and girders, will have a recreation room for the 114 lodge members and Order of the Eastern Star members on the lower floor. A kitchen will also be located there.

The second floor will have a large lodge hall and two ante rooms. Rest room facilities will be provided on each of the two floors of the building.

Entrance to the building, occupying an area 33½ feet by 62 feet, will be on the highway side, with the front resembling somewhat that of the Church of Christ building nearby. Steel casement windows will be used and the roof will be a steel span, arch type, with sheeting and tar and gravel covering.

Historic Building Used Now

A portion of the frame building which will be replaced is probably the oldest construction in Sonora, it having been moved from the Wentworth settlement, early-day town near Sonora. That portion was added to quite a few years ago.

Construction work and ultimate completion will be the culmination (Continued on page 8)

## City Commission To Ask WPA'S Help in Paving Streets

Asphalt Type of Surfacing Would Be Placed On Blocks Where Owners Ordered

Possibility of the paving of sixty to ninety-two blocks in Sonora is furthered by authorization a few days ago by the city of the preparation of an application for Works Progress Administration assistance in doing the work.

Administration assistance in doing the work.  
James K. Avera of San Angelo has been hired at a cost of \$75 to prepare a "Project Proposal" for submission to the federal agency giving all information of work that it is desired to do.

W. C. Gilmore, mayor, said Thursday that it is not known at what price curb-to-curb paving with WPA assistance could be done but that it is believed that it would not exceed 70 cents per lineal foot for the property owner on each side of the street.

Expense of the work, including paving, gutter and curbing, would be borne by the property owner, the federal agency and the city. Blocks would be paved where property owners agreed to pay the set price. Money for the work would have to be in escrow before work could be started.

The roadway would be of inverted asphalt, hot type, such as is used in this section in highway construction.

Mr. Gilmore said that it is not expected that authority will be secured for the ninety-two blocks that is asked but it is thought that as much as sixty blocks will be authorized if the application is successful in any degree.

The San Angelo man employed by the city has an associate to aid him in the work of collecting data and preparing it for the Works Progress Administration. Surveying of the city and detailed planning of blocks where work would be done is proposed by him at a cost of \$15 per day and necessary expenses.

Rena Glen Shurley, valedictorian of the 1938 high school class, will be a freshman at the University. A general cultural course will be taken by Rena Shurley.

Both Rena Glen and Cathryn will be freshmen.

The Sonora community this year has the distinction of having three seniors at A. and M. College. All are graduates of Sonora high school.

Joseph Logan, son of Mr. and Mrs. Joe F. Logan, Lem Eriel Johnson, son of Mr. and Mrs. L. E. Johnson, and Marvin Smith, son of Mrs. Velma Shurley, are the three. All went Tuesday in Johnson's car. (Note from Mrs. Johnson: "Throw your dirty clothes in the corner this week, Lem Eriel; you left your laundry bag here.")

Kenneth Babcock, a junior at the University of Texas, will continue his studies in geology. He is a son of Mr. and Mrs. O. G. Babcock.

Accompanying Babcock to the university was J. T. Shurley, son of Mr. and Mrs. Ira Shurley. He will be a senior and will be "loaded down," as he expresses it, with science courses which are designed to prepare him for the field of medicine. This summer he has completed a correspondence course in advanced German, taking the final examination in Sonora Saturday.

## BULLETIN

A telegram at 1 p. m. today stated that the Public Works Administration had allotted \$26,590 for assistance in building a gymnasium, 4-room school building and improvements on the school plant in Sonora. The message, as the NEWS was ready for the press, was from Senator Tom Connally.

## Sutton Man Better Now

Considerably improved is W. J. Fields, Sutton county ranchman, who has been seriously ill in an Austin hospital. He has been removed from the hospital and is again at his mother's home.

## MINISTER WILL BEGIN SPECIAL SERMON SERIES

A series of sermons on "The Church" will be given by the Rev. R. C. Brinkley, pastor of the Baptist Church, who will deliver the first one--"The Church--Her Relationship to Christ"--Sunday night.

The evening service will begin at 7:30 rather than at eight o'clock as has been the custom during the summer.

Sunday morning the Reverend Mr. Brinkley's subject will be "Under His Wings." Special musical numbers for the service are being

arranged, the Reverend Mr. Brinkley said this week.

## TWO SERVICES SUNDAY AT METHODIST CHURCH HERE

"The Man Who Said He Would Not," was announced this week by the Rev. R. F. Davis, pastor of the Methodist Church, as his Sunday morning subject September 18.

Sunday School convenes at 9:45 with classes for children and adults of the various age groups. In the evening--at 7:30--the Reverend Mr. Davis' subject will be--"The Chosen."

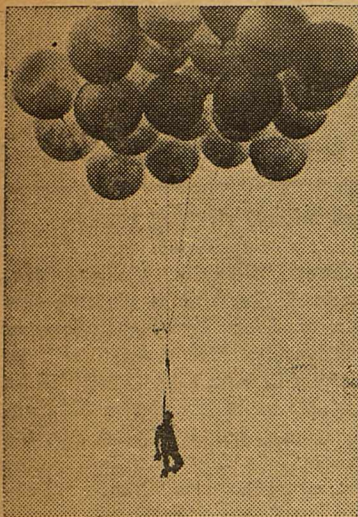

A cordial invitation is extended to all to attend the services.

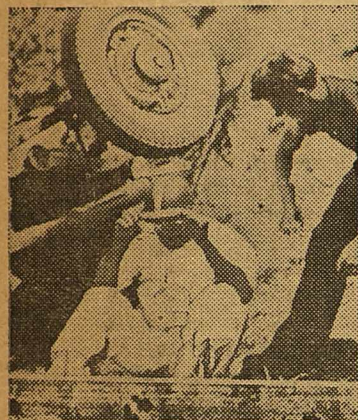

## A Bit Rough

*but it's a living!*

FURNISHING THRILLS FOR THOUSANDS IS THE JOB OF THESE GENTLEMEN. SOMETIMES THE THRILLS ARE A LITTLE TOO REALISTIC FOR COMFORT.

Soon after this picture of Al Mingalone, newsreel cameraman, hanging like a gondola from a cluster of balloons over Old Orchard country club, was made, the anchor rope broke, and Mingalone, who had gone aloft for some novel shots of golfers and traffic beneath him, started on a thrilling 13-mile sky ride. Well-placed shots by rescuers in pursuit of the drifting photographer finally punctured several balloons, and Mingalone came down in a cornfield unhurt.

Just a few minor scratches were all that Crash Waller netted in the spectacular "flip" of his racing car while going at high speed in the final races held at Lakewood Park. Here "Crash" is shown removing his goggles after climbing out from beneath the wrecked racer.

Tot Presnell, the Dodger rookie knuckle-baller, is stretchered out on the diamond after being hit by a line drive off the bat of Ival Goodman, Reds outfielder. The Dodger hurler had to be carried off the field on a stretcher. Dodger teammates surround the injured player at Eb-betts field.

### Tick-Tock of 125 Clocks Make Home Lively Place

CLEVELAND.—When Charles S. Mills has time on his hands he goes out and buys another clock. He already has 125 clocks in his home, all in running order.

Mills, an automobile mechanic and machinist, started with an old square mantle clock, bought for a dime. He took it apart and put it together and it ran smoothly.

Soon he had 50 clocks. His hobby absorbed all his spare time and money.

"I broke up 75 old clocks and kept the works—and I gave away 50 clocks before I cut my eyeteeth," Mills said.

"When I come home from work I go into my clockroom. Sometimes I start them all going at once. It takes an hour and a half."

His clocks' ages range from 65 to 170 years. It is at the even hour that he is happiest. At this time the cuckoo cuckoo, the chimes chime, the grandfather clock booms forth and the Swiss musicbox clocks tinkle melodiously.

### Indians of 1300 Lived In Apartment Houses

CANYON, TEXAS.—The first apartment houses on record in the Panhandle of Texas have been excavated on Antelope creek, northeast of Amarillo, officials of the West Texas State Teachers college have disclosed.

Indian dwelling ruins, inhabited, apparently about 1300 A. D., have been found in the Antelope creek area.

## Twenty Pupils at Cedar Hill School

Mrs. Earl Adams Instructor at Llano River Institution

With all of the grades represented, scholastic work is well under way at Cedar Hill School, in Sutton county, which this year is being taught by Mrs. Earl Adams of the Camp Allison community.

English pupils of Mrs. Adams have written the following notes regarding their school:

The twenty pupils this year in our school are:

Arnold Ahrens, Carl Adams, Jesse Adams, Herbert Ahrens, Milton Ahens, Johnie Dwyer, Carrel Garrett, Ernest Milton, Melvin Milton, W. G. Milton,

Raymond Shroyer, James Edward Tims, Margaret Adams, Betty Jim Benton, Della Mae Dwyer, Dorothy Bell Milton, Rosa Lee Milton, Addie Miller, Emma Gean Miller, Josie Miller.

We have several pupils more than last year. Each grade from the first through the eighth is represented. Basketball and softball may be played because of the larger boys and girls and teams are to be organized soon.

A new well with a pump is an appreciated improvement this year. Before the pupils had to carry water from a spring across the river. It's mighty easy now just to pump fresh water when it is needed.

Among our first absentees were Arnold, Herbert and Milton Ahrens. They were in San Antonio the first two days and didn't get back until Tuesday night, Wednesday during the English class they told of their trip and made all of us want to make a trip there sometime.

Carl Garrett was absent Friday as his family is moving to a new ranch and his help was needed.

"Perfect Attendance" certificates are to be given at the end of school to those neither absent nor tardy during the year. We hope there will be many certificates given.

## SONORANS HOME FROM TRIP TO LARGE CITY IN OHIO

More than 3200 miles was driven by Mr. and Mrs. J. W. Duckett who returned Friday from a trip to Springfield, Ohio, where they visited relatives.

While in the Ohio city M. S. Duckett suffered a knee cap injury when she stepped in a hole. She is improving slowly from the effects of the injury.

The Ducketts were accompanied home by Mrs. Myrtle Forbeck, a sister of Mr. Duckett. Her home is in Springfield.

According to Mr. Duckett motor car drivers in Missouri show more consideration for other drives than do those of any of the other states they traveled. On the entire trip only one automobile wreck was seen. It was near Caruthersville, Missouri.

## NYA Aiding Texans in 202 Institutions

Help in Securing Education Given By Federal Agency

Austin, Sept. 14.—Young people all over Texas in need of assistance to continue their education are being provided opportunity to go to work at their own school or college as the National Youth Administration has begun approving institutions for participation in the 1938-39 Student Aid Program.

J. C. Kellam, state director of the NYA, announced Saturday that 50 colleges and universities and 152 high schools had already submitted applications and been approved for participation in the Student Aid Program.

"As soon as correct applications are received, we are acting upon them in order that students in need of assistance may go to work as soon as possible," Mr. Kellam said. "More than 16,000 needy Texas boys and girls will work part-time on NYA jobs in over 2,100 Texas schools and colleges this year when all approvals are made."

Students working part-time under the College Aid Program may earn an average wage of \$15 a month, while students employed under the School Aid Program may earn not more than \$6 a month. School officials select the students on a basis of need, assign them to practical and desirable employment and supervise their part-time work.

Fifteen hundred secondary schools recommended by county committees of local school officials have been furnished NYA application forms. College application forms have been mailed to 85 Texas colleges and universities that are non-profit making and bona fide educational institutions.

## SEPTEMBER, 1933

September 15, 1933, ended fifteen depression years of Prohibition. Fifteen years during which our federal, state, county and city governments were deprived of millions of dollars in revenue; during which thousands of people were deprived of employment and during which untold numbers of farmers, merchants and manufacturers were deprived of the huge and fertile market reopened on this date by Texas' great and growing brewing industry.

## SEPTEMBER, 1938

With the return of beer, law-abiding men rebuilt the brewing industry. Rehabilitation of plants, installation of machinery, large scale purchases of materials gave business recovery its first real stimulus.

Beer taxes and license fees netted Texas alone almost 12 million dollars since September, 1933\*, 3/4 of which goes for Old Age Assistance, 1/4 for Public Schools. This is exclusive of approximately twenty-seven millions\*

for federal revenue beer tax. Over thirty-five thousand Texans are employed at the present time in brewing and dispensing beer in the Lone Star State. Increased business for the farmer, merchant and manufacturer shows that the brewing of beer has given an important stimulus to many of Texas' industries. The San Antonio Brewing Association is proud of its large contribution to these factors in Texas' progress. Especially is it proud, on the Fifth Anniversary of its return, to make PEARL, Texas' Own Beer, available for your social and home enjoyment. PEARL Beer has that "Extra Something" that makes it a Winner with taste-wise Texans everywhere. Every time you say, "Bottle of PEARL please," you'll find that THE REASON IS IN THE BOTTLE!

**Collecting Driftwood**

**This Man's Unique Hobby**  
 RANGELEY LAKES, MAINE.—Collecting driftwood and fallen limbs and stumps that resemble animals in shape is the unique hobby of Harry F. Allen, brother of former Gov. Frank G. Allen of Massachusetts.

These pieces of wood have been fashioned into their strange shapes by the forces of nature—the waves, the rains, the blasts of winter, and the withering rays of the summer sun.

As one approaches Allen's cottage he is greeted by an alligator poking its head over a boulder. The alligator is of wood. On the piazza, a fine buck deer of wood can be seen.

Inside, other wooden images include a reptile with what appears to be the leg of another animal in its mouth. Some clever touches of paint on some of the specimens make them more life-like.

On one wall there is a strange looking creature which a small card informs is the Gyastictus or Cave Canis. "Lives on fish or trouser seats. Dangerous when angered," the sign reads.

In other parts of the room there are a seal with a metal ring around its neck, a lizard on a mantelpiece, an eagle above a doorway, a Rocky mountain goat, chin whiskers and all.

**Floating Post Office for Sailors on Great Lakes**

DETROIT.—The federal government's only "floating post office" has started its forty-third year of service on the Great Lakes. This sea-going postal substation is a mail boat equipped to give all the services of a land post office to crew members and passengers of boats cruising the lakes. It has a postal savings department, can cash or issue money orders, and maintains a parcel post department.

For men who ply between ports all summer, it functions as the only tie between them and their wives and families. Many sailors find its parcel post service a happy solution to the laundry problem. This seaman's substation handles about 2,000,000 pieces of mail a season.

**Grape Vine Grows Peaches in Bunches**

WELLINGTON, OHIO.—A wild grape vine that grows peaches in bunches has been discovered by John Hilliker, music store proprietor here.

The clusters of the strange fruit look exactly like bunches of grapes except that the fruit is covered with the usual peach fuzz and is not as nearly spherical as the grape. The bunches of peaches are much larger than bunches of grapes which are growing on the same vine.

The center of the peach is hard and contains what appears to be a developing peach stone. The grape vine which bears the hybrids spans a scrawny-looking peach tree and Hilliker believes this made cross pollination possible.

The walls are concrete masonry painted white. Floors are concrete slabs over cinder fill. The roof is of asphalt shingles. All rooms are good-sized with cross-ventilation and well planned for privacy.

**Feeding Out Lambs Advised By Nisbet**

Former Sonoran Writes of the 1938 Sheep Situation

College Station, Aug. 24.—"The approaching season offers an opportunity to Texas farmers and ranchmen in feeding out lambs," according to W. R. Nisbet, animal husbandman of the Texas A. and M. College Extension Service, who bases his belief on U. S. Bureau of Agricultural Economics figures.

"The last lamb season was unprofitable for most feeders," Nisbet declared. "A year ago they were busy contracting lambs on the range but this year they are largely absent. Experience shows that the time to make profit thru feeding operations is to buy feeder lambs on a depressed market."

The largest lamb crop since '31 has been reported and range conditions have been well above average throughout the 13 western states, while the volume of fat lambs through the spring and summer has been sufficient to make mutton about the cheapest meat on the market, Nisbet said. Wool, which plays a big role in determining lamb prices, reached the lowest price this summer since 1935.

Though the 1938 lamb crop is large the rate of slaughter has and will continue to be above normal. The fed lamb season of 1938-

39 will likely not involve as many lambs as the size of the crop would indicate. The outlook for an improvement in the wool market is good, the reports are.

"The spread between the cost of feeder lambs and the market for fat lambs should be good, and feeds suitable for fattening lambs will be produced in abundance in Texas this year," the animal husbandman pointed out.

"Alfalfa hay and grain, such as milo or corn, is the standard lamb-fattening ration. High quality silage plus grain and cottonseed meal can be marketed successfully through lambs," he said. "Fattening a lamb means the sale of approximately 300 pounds of feed."

Practical suggestions on all phases of lamb feeding can be obtained from county agricultural agents.

Small opportunities are often the beginning of great enterprises.—Demosthenes.

**Former Sonora Lady Buried Here Friday**

Mrs. Bud Parker Died at Pecos County Home Thursday

A resident of Sonora until about six years ago, Mrs. Bud Parker of Fort Stockton was buried here Friday afternoon.

Mrs. Parker and her husband lived in Sutton county until about six years ago. While here he was employed by H. P. Allison. They moved to San Angelo and later to Pecos county where they were living on the Lea Aldwell ranch, fifteen miles northeast of Fort Stockton. Mr. Parker was ranch manager.

Mrs. Parker, thirty-eight years old, died Thursday afternoon as a result of the effects of a cerebral hemorrhage. She was a member of the Baptist Church in the Pecos county town. Besides her husband she is survived by three children—Travis, Winna Gene and Hub—the latter of whom was named for the late Dr. H. K. Hinde of San Angelo.

Pallbearers at the funeral here were:

W. L. Davis, Russell Payne of Fort Stockton, William Allison, B. W. Hutcherson, L. E. Johnson, Cal Johnson of Barnhart, Ray Wiloughby of Eldorado, Lum Heflin.

A service was conducted in Fort Stockton by the Rev. S. F. Marsh, pastor of the Baptist Church, Friday before the funeral party began their trip to Sutton county.

**Montana Bucks On Sutton County Ranch**

Virgil Powell Gets Stud Animals From Northwestern Breeders

Thirty-one more stud bucks were received a few days ago by Virgil Powell, Sutton county ranchman, and were placed on the Powell place here.

The animals are of Williams and Pauly and Deer Lodge breeding and were shipped here from Deer Lodge, Montana. All are good smooth animals with good quality staple wool.

Recently Mr. Powell received a stud buck from the University of California farm at Davis, Cal.

Tuesday morning Mr. Powell shipped a double deck load of old ewes to Henry Rockhold at Helena, Mo. The price paid by the Missouri buyer was \$3.50 per head for solid mouth animals and \$2 per head for broken mouth and spreader animals.

Mrs. Rose Thorp, Miss Zella Lee Thorp, Miss Ches Thorp, Mrs. D. L. Locklin and Mrs. George D. Chalk spent Saturday in San Angelo.

Initiation's Over!

If the staff writer of one large
city daily paper in Texas has it
correctly the spectacle at the Dem-
ocratic state convention in Beau-
mont was indeed one that would
incite a feeling of pity for the
governor-nominate of the party.

Unversed in politics, O'Daniel is
believed to have made one of the
worst possible errors by having
endorsed certain candidates before
the last election. Advised or not ad-
vised, he is believed to have made
a "boner" that will affect his po-
litical career no end.

In Beaumont he was ignored at
one time to the point that he was
not allowed to speak and was the
target of ridicule from misguided,
unruly party members.

It is to be hoped that the gov-
ernor-nominate will learn quickly
"his way about" and that he will
learn to oppose valiantly the pro-
fessional politicians with whom he
must deal. The same men he op-
posed so vigorously throughout the
summer will need to be opposed
firmly and vigorously while the
Fort Worth business man is chief
executive of the largest state.

Teachers
Honored at
Parties This Week

Members of the executive board
of the Parent-Teacher Association
were hosts Friday night at the
clubhouse of the Sonora Woman's
Club, when they entertained with
a reception, naming teachers as
the honored guests.

Various games and contests were
played, and the following program
was given:

Two songs—"Sylvia" by Speaks
and "A Banjo Song" by Horner,
sung by Miss Marie Watkins, pi-
ano accompaniment by Miss Ger-
trude Babcock; "Will You Remem-
ber" by Romberg, a saxophone
solo, by Miss Leeta Mae Garrett;
"In the Garden of Tomorrow" by
Deppen, sung by Boyd Caffey;
"Rhapsody in C Major" by Dohn-
onyi, played by Miss Elizabeth
Caldwell; "Play to Me Gypsy," a
duet, sung by Miss Watkins and
Mr. Caffey; "Caprice Vennois" by
Kreisler, sung by Preston C.
Lightfoot and Miss Rena McQuary.

Sandwiches, cookies and punch
were served, and Mrs. Vernon
Hamilton presided at the punch
bowl.

Those in charge of the recep-
tion were:

Preston C. Lightfoot and Mes-
dames J. Franklin Howell, H. L.
Taylor, O. L. Richardson, V. F.
Hamilton, H. C. Atchison, George
H. Neill, O. G. Babcock.

Monday night members of the
high school faculty entertained the
other teachers with a picnic and
swimming party at the ranch home
of Mr. and Mrs. C. E. Stites.

Guests other than the teachers
were Mr. and Mrs. C. E. Stites,
Mr. and Mrs. Irving Willman and
daughter, Patsy, Mr. and Mrs.
Robert Rees.

Miss Trainer

Friday Evening

Carrying out a color plan of yel-
low and white, Miss Emma Ses-
sions was hostess Friday night
when she entertained for Miss
Cathryn Trainer, who left yester-
day to attend the University of
of Texas.

Yellow zennias added a pleasing
note to the party.

Guests were:
Misses Kathryn Brown, Jo Ann
Marion, Sue Glasscock, Wynona
Hutcherson, Joe Nell Miers, Mar-
garet Fay Smith, Elizabeth Elliott,
Lillie Marie Smith, Katha Lea
Keene, Harva Jones;

Mesdames Batts Friend, Ray-
mond Morgan, C. T. Jones.

Miss Brown won high score, and
Miss Trainer also received a gift.
An ice course was served with
white cake squares, which were
topped with a yellow "T."

Luncheon
Saturday For
Miss Ealen White

Complimenting Miss Ealen
White, who was married yesterday
in Austin to Clayton Bray, Mrs.
E. F. Vander Stucken was hostess
Friday at a luncheon.

White and blue, the bride's
chosen colors, were accented in the
floral decorations and in the
luncheon plate. White asters and
small blue flowers were used in
the dining room and living room.

Guests were:
Misses Ealen White, Addah

Little Stories

By
The DREAMER

WHAT DO YOU THINK?
Sunday afternoon, with nothing
to do, and to while away a few
moments pick up the telephone di-
rectory—anywhere you happen to
be—and notice the similarity of
names as compared to those of
your home town.

We did this one rainy afternoon
while visiting in Pecatonica, Ill.
To our surprise we found exactly
twenty-seven very familiar names;
like Smith and Jones, the Wallaces,
Wilsons and Hamiltons, the Low-
ries (only spelled with an ie in-
stead of ey); the Johnsons and
Reeces—just like being at home.

Imagine our surprise when we
ran across the name Joe Berger.
The next morning we tried to
catch up with Mr. Berger, but did
not get to meet him. Outside of be-
ing hard to find . . . we wanted to
know if he was as fine and whole-
some, and as good a citizen as
"our Joe."

## Miss Simmons and Mr. Brown Married Sunday

Miss Muriel Simmons became the bride of Hillman Brown Sunday morning at nine o'clock at a ceremony read by the Rev. R. F. Davis, at the ranch home of her parents, Mr. and Mrs. Auther Simmons.

The home was decorated with pink and white gladioli and small chrysanthemums.

The bride entered with her uncle, Fred Simmons, and was attended by her sister, Mrs. Joe Hull.

MRS. HILLMAN BROWN

Sam Logan of Brackettville attended Mr. Brown as best man. As the bride and bridegroom entered, Mrs. Batts Friend played Mendelssohn's Wedding March, and during the ceremony, she played "Love's Old Sweet Song."

Miss Simmons, a graduate of Sonora high school, attended Southwestern College at Georgetown, Howard Payne at Brownwood, and a business school in San Antonio. She is employed by H. C. Atchison, county agent.

Mr. Brown, son of Mrs. Maysie Brown, is also a graduate of Sonora high school and attended Schreiner Institute at Kerrville and Texas Technological College, Lubbock. He was formerly employed in South Texas but is now an employee of Joe Oberkamp, Ozona.

After the wedding a reception was held for the couple and guests. The two-tier wedding cake was served by Miss Zella Lee Thorp; Mrs. John R. McClelland of Texon poured coffee. The dining room table was laid in a lace tablecloth, centered with a bowl of pink and white flowers.

Guests were: Mr. and Mrs. Auther Simmons, Dock Simmons, Robert Allen Simmons, Mrs. Maysie Brown, Mrs. Joe Hull and son, Rayford Lee, Mr. and Mrs. John R. McClelland of Texon.

Mr. and Mrs. Batts Friend, Miss Zella Lee Thorp, Miss Mary Louise Gardner of San Angelo, Mr. and Mrs. Fred Simmons, Mr. and Mrs. Sam Logan, Louie Trainer, Dewitt Lancaster.

Immediately after the reception Mr. and Mrs. Brown left on a wedding trip to New Mexico. They will be at home at one of the apartments of Mr. Brown's mother after next week.

## Sutton People Get Special Invitation

G. W. Logans Get Invitation To Be Honor Guests of Fair

One of the Texas couples invited to the "Golden Wedding Day" program of the State Fair of Texas in Dallas next month is Mr. and Mrs. G. W. Logan, parents of Joe F. Logan, Sutton county ranchman with whom they make their home.

The Logans recently celebrated their sixty-fourth wedding anniversary. Mrs. Logan is 85 and her husband 84.

Invitation to the couple has been sent by Otto Herold, president of the State Fair of Texas, who announced that Saturday, October 22, has been designated "Golden Wedding Day." Couples throughout Texas and the Southwest will be invited to participate in the celebration.

In addition to those celebrating their golden wedding days this year, the invitation will be extended also to those couples who are celebrating anniversaries of more than fifty years of married life.

Complete plans for the day have not been worked out, but each couple invited to participate will be mailed passes to the Golden Jubilee Fair, at which time a complete program will be announced.

## Gift Shower Thursday in Honor of Mrs. Clayton Bray

Pink and white flowers made a pretty setting for the gift shower Thursday afternoon of last week when Miss Addah Miers and Mrs. Stella Keene entertained for Miss Ealen White at the clubhouse of the Sonora Woman's Club.

Receiving the guests with the hostesses and honoree were Mrs. Sam R. Hull and Miss Harva Jones. Mrs. Lloyd Earwood was at the guest book and Miss Ada Steen, Mrs. J. A. Ward, Jr., and Mrs. Joe M. Vander Stucken directed the guests to the refreshment table which was laid in Italian embroidered linen. Mrs. N. B. Wilson and Mrs. E. F. Vander Stucken presided at the tea table. Pink and white was used in table decorations.

Tap dances and readings were given by Elizabeth Taylor, who was accompanied by Mrs. Robert W. Jacobs. Katha Lea Keene sang "By the Waters of Minnetonka" by Lieurance, and Miss Marie Watkins sang "At Dawning" by Cadman, and "Oh, Fair, Oh, Sweet and Holy" by Cantor. Piano selections were played by Mrs. E. D. Shurley, Mrs. T. J. Haynie and Miss Gertrude Babcock.

Others registering were: Misses Thelma Rees, Elizabeth Caldwell, Sally Wardlaw, Nann Karnes, Alice Karnes, Alice Sawyer, Mary Sue Blanton, Mildred Labenske, Margaret Hull, Jean Saunders, Emma Sessions, Dorothy Penick, Mesdames S. H. Allison, A. G.

## Miss Thorp's Engagement To Mr. Kirby Announced

To announce the approaching marriage of her daughter, Ches, to Howard Clay Kirby, Mrs. Rose Thorp was hostess Monday night at five tables of bridge and forty-two. Assisting Mrs. Thorp were Mrs. Dave Locklin, Mrs. George D. Chalk and Miss Zella Lee Thorp. Bachelor buttons and golden glow were used in decorating for the party.

Misses Margaret Hull, Ruth Freeman, Dorothy Penick, Alice Sawyer, Bobbie Halbert; Mesdames George Trainer, Sr., G. G. Stephenson, J. W. Trainer, J. D. Wallace, L. M. Roueche, Libb Wallace, E. E. Sawyer, Batts Friend, J. T. Penick, Jesse G. Barton, Wirt Stephenson, James W. Williamson.

Mrs. Wirt Stephenson won high score at bridge. Miss Thorp was presented a gift of silver.

A sandwich plate was served. Plate favors were wedding announcements with the words "Ches and Howard, September 17," written on them.

Several parties have been planned for Miss Thorp.

## Bridge Club Entertained By Mrs. J. A. Cauthorn

Entertaining members and guests of the Just-Us Club, Mrs. J. A. Cauthorn was hostess Monday afternoon at her ranch home.

Colors of blue and yellow were emphasized and golden glow was used for floral decorations.

After several games of bidge a refreshment plate of fried chicken, peas in potato shell, congealed salad, olives and "baked Alaska," was served.

Mrs. E. D. Shurley won high club score and Mrs. W. L. Davis won high guest. Cut award was presented Miss Alice Sawyer.

Mrs. Cauthorn's other guests were:

Mesdames Paul Turney, E. E. Sawyer, G. H. Davis, J. Franklin Howell, R. A. Halbert, Rip Ward, Hix Hall, Robert W. Jacobs; Miss Ada Steen, Miss Rena Glen Shurley.

## Marriage of Miss Mary Barnes in Boerne Announced

A ceremony performed in Boerne Sunday, August 21, united Miss Mary Barnes and Raymond Summers of San Antonio in marriage.

Miss Barnes a daughter of Mr. and Mrs. W. R. Barnes, was reared in Sonora and attended school here. She attended St. Theresa's Academy in San Antonio and is also a graduate of a beauty culture school there.

Mr. Summers, a son of Mr. and Mrs. R. H. Summers of Llano, is a graduate of the high school in Llano and of a business institution in San Antonio. He is employed as bookkeeper at the Western Mattress Wholesale Company.

The couple is at home at 308 Marshall, San Antonio.

## Dinner Party at L. W. Elliott Home Tuesday Night

As a compliment to four friends who will leave this week for college, Miss Elizabeth Elliott and her mother, Mrs. L. W. Elliott, entertained with a dinner party Tuesday evening.

Fall flowers were placed in the home to lend a festive note to the occasion.

Honored guests were Misses Cathyn Trainer, Kathryn Brown, Rena Glen Shurley, and Web Elliott.

Others attending were Miss Joe Nell Miers, Edwin Sawyer, Marion Elliott, Wesley Sawyer, Dennis Coates of Ozona.

Favors were given the guests.

### Presidents' Book Tastes Poles Apart, Librarian Reveals

**Wilson Liked Fine Literature; Theodore Roosevelt Most Avid Reader.**

WASHINGTON. — After a busy day in the White House, what does a President like to read? The man in a better position than anyone else to know says that the tastes of the last seven chief executives are as far apart as the poles.

Tom Marshall, dubbed "Librarian of the White House" back in Theodore Roosevelt's administration, has not only catalogued many Presidents' personal libraries, but checked out the books they wanted from the Congressional library. Marshall has just retired after 38 years of service.

Woodrow Wilson "was very careful about his reading—chose only fine literature," while with President Harding, "all was grist that came to his mill—good and bad," the 72-year-old veteran recalled.

An ex-bookbinder with library training, Marshall joined the staff in McKinley's time as a messenger. There were only ten White House employees then. Letters were written in long hand. Tom was alternately doorkeeper, newspaper clipper, social bureau assistant, file clerk and general handy man.

**Roosevelt I Loved Books.** President McKinley, he said, wasn't much of a reader. "He let Mark Hanna do most of it for him." "But Theodore Roosevelt loved books more than any man I ever saw," he continued. "I've known him to absorb a book's content in an hour and discuss it page by page with the author. But no trash, mind you."

Theodore Roosevelt once took Marshall to Oyster Bay when he moved his library there, the little white mustached man recalled. "He was so devoted to those books that he helped me rip the boards off the boxes down in the basement and carry the books upstairs to the library."

President Taft, Marshall said, "had a legal complex. I honestly believe he never read a book while in office but legal books."

Calvin Coolidge measured up to his reputation as a "very austere man," who had no use for anything frivolous or humorous.

**Roosevelt II Prefers Stamps.** Marshall said he had done little library work during the Hoover and Franklin Roosevelt administrations. "But Hoover read very little—scientific things mostly," he said.

"And I don't see how President Roosevelt has any time to read," Marshall observed. "He's the dullest stamp collector I ever saw—even has them bring them to him in bed."

### Divers Reach 500 Feet Using Synthetic Air

WASHINGTON.—The navy department has revealed that the possible depth to which deep-sea divers can descend safely has been extended to 500 feet by the use of synthetic air.

World record sea dives—to 500 feet under artificial conditions and to more than 400 feet under actual conditions—have been made by navy divers using standard rubber diving suits and a new mixture of helium and oxygen for breathing purposes.

Navy officials said the new synthetic atmosphere is the result of more than 10 years research. They said that the oxygen-helium mixture "considerably advances the art of deep diving" and has no harmful effects upon the diver.

The 500-foot depth was attained by Master Divers J. H. McDonald, Las Animas, Colo., and William Badders, Annapolis, Md., in the Washington navy yard diving tank. Sea conditions were simulated by applying air pressure to the water in the tank equivalent to sea pressure at 500 feet.

### Man Rescued From Bog; Mired to Neck for Week

BELLEVILLE, ONT. — Hugh Jones, 44-year-old farmer, was rescued from a bog in which he had been mired to the neck for six days. Clinging to a log with one arm, Jones was forced to watch searchers pass within a few feet of him. With only his head visible above the muck and prevented from crying out by the pressure of the mud on his chest, he was unable to attract their attention.

The efforts of several men were required to extricate him from the morass. He is suffering from exhaustion and starvation.

### 50,000 Carp Fattened On Corn for Markets

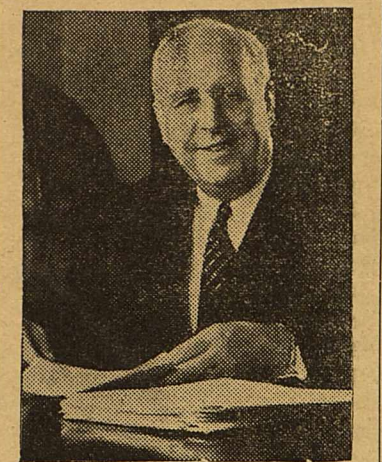

FOND DU LAC, WIS.—The conservation commission put 50,000 carp on a diet of soaked corn to fatten them up for the eastern market. When the last shipment arrived in New York, dealers complained that the fish were too thin. The carp, ranging from 4 to 35 pounds in weight, were seined from Lake Winnebago to protect game fish and kept in land-locked ponds and marshes. They are fed 1,100 pounds of corn daily.

### RUBBER COMPANY OFFICIAL TELLS OF INCREASE IN BUYING POWER

Purchasing power of 447 light car owners in Sutton county has been increased during the past 12 years by \$15,153.30, according to Sonora Motor Co., local Goodyear dealer.

These figures are based on a nation-wide study just completed by P. W. Litchfield, president of The Goodyear Tire & Rubber Co., Akron, Ohio.

"In the United States today there are 15,260,266 individuals who may be identified as a dis-

P. W. LITCHFIELD  
Akron, Ohio

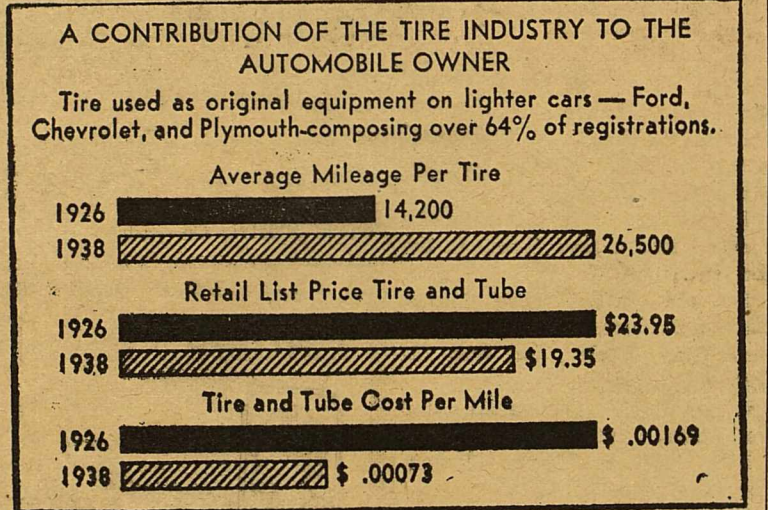

tingent group through their ownership of light automobiles in the Ford, Plymouth and Chevrolet class," Mr. Litchfield said. "They comprise about 64 per cent of the nation's car owners and, taken with their families, account for al-

most one-half the nation's total population. Improvements in product and method made by the tire industry during the past twelve years have brought to each individual in this group today a saving of \$33.90 in his annual tire bill."

that a tire and tube now costs \$19.35 as compared with \$23.95 in 1926; that today's tire gives \$44.78 worth of mileage on the basis of 1926 values, thus reducing the consumer's tire bill by \$25.43 per tire. As an average tire is in service three years, saving for one year is \$8.47 2-3, and on four tires for one year is \$33.90.

#### Billions Released For Use

"The extra spending money accruing to this entire group of car owners reaches the staggering sum of \$517,000,000 a year. Such a sum baffles comprehension. Stated in more understandable terms this sum, a round half-billion dollars, is an avenue, almost 500 miles long, lined on each side with newly-built homes in the \$5,000 class, each with 52 feet of street frontage; 100,000 of these homes, or modern living quarters for all of the people in a city the size of Columbus, Ohio; the total amount expended by our national government during the first 66 years of its existence; the cost of ten or

more super-dreadnaughts for our national defense.

"Under the inspiration of a free competitive system, modern business steadily improves the products which it sells to the public and, in one way or another, constantly decreases the cost of those products to the public. Nowhere in the world is there a people so consistently well served. Nowhere in the world is there such a widespread creation and sharing of new wealth."

### Oil Company Again To Broadcast Games

First Southwest Gridiron Battles on Air September 24

Houston, Sept. 14.—The Humble Oil & Refining Company today announced that it will bring Texas football fans radio accounts of Southwest Conference games again this season, for the fourth consecutive year.

An ambitious program of broadcasting has been tentatively formulated. Beginning with the first games September 24th, all Conference games and many of the outstanding inter-sectional contests to be played by Conference teams will be broadcast. On several Saturdays, as many as four games are on the tentative schedule of broadcasts, and on two Saturdays, five broadcasts are scheduled.

The Humble Company again emphasizes that its purpose in sponsoring the broadcasts is to render an added service to the company's friends and employees and to stimulate an increased interest in Southwest Conference football. It is hoped that the broadcasts will result in increased attendance at football games. Kern Tips and Cy Leland will again head the list of play-by-play announcers. Other announcers are being selected, and the complete list will be ready for release within a short time.

In connection with the broadcasts, the Humble Company will also again publish the Humble Football News. This attractive, lively football weekly has proved to be extremely popular among Texas followers of the game. Plans for this season include one or more feature stories every week. The Humble Football News will be distributed free by Humble Stations and dealers each Thursday during the football season; the first issue will be in their hands Thursday, September 22nd.

### PENNSYLVANIA MAN NAMED PROFESSOR AT UNIVERSITY

Austin, Sept. 14. — John H. Frederick, since 1923 a member of the staff of the Wharton School of Commerce and Finance at the University of Pennsylvania, has been appointed professor of business administration at the University of Texas.

Dr. Frederick is widely known in the teaching, research and professional field of commerce and finance, and for the past five years has been specializing in teaching marketing courses.

He is the author of five books on various phases of commerce, securities, marketing and sales, co-author of "Regulation of Railway Finance," and author of 68 biographical sketches in the Dictionary of American Biography. He has also published more than 100 articles of various aspects of marketing which have appeared in leading business papers and elsewhere since 1929.

## FRENCH ENGINE TRANSPORTING EX-SERVICE MEN TO WEST COAST

A means of putting forth smoke was all that the queer looking contraption in Sonora Thursday of last week lacked to make it resemble a "sure enough" locomotive tooting down a railway track in France.

The "crew" of the locomotive built around a truck motor and chassis was made up of four members of the Miami Beach, Florida; 40 and 8 organization and their destination was California where they will attend the American Legion national convention. It opens in Los Angeles Monday.

The vehicle, which attracted much attention while the men were having dinner at a Sonora restaurant, was painted white and had decorative work on it to hammer home the story of the palms and warm climate that are part of the Florida make-up. All of the crew but the "engineer" rode in a sort of an observation car which was in the place that the coal car of an

ordinary engine would be expected.

The conveyance boasted a French engine whistle of which there are only two in the United States. A large brass bell clanged merrily as the men took up their journey to the West Coast. Appearing prominently on the side of the "engine" were these signs: "Voiture 492, La Socite 40 Hommes et 8 Cheveaux, Dade County, Florida"; "Miami Beach Year Round Playground."

To the person unlearned in French sufficiently to understand the "40 Hommes et 8 Cheveaux" the men explained that it was "40 men and 8 horses," wording which appears on cars of French railways.

"Railway men" for the time being who were in charge of the iron horse with rubber tires were C. P. Edwards, George Hutton, C. D. Collor and Scott Blair. All but Edwards are of Miami. He lives at Miami Beach.

## Cows, Calves, Bulls Sold By Sonora Men

Shipment From Here, Noelke and Barnhart Recently

Numerous purchases of cattle from people of this section recently were made by C. T. Jones, Sutton ranchman, working with Paul Shirley, buyer.

Among the purchases were: Carload mixed cattle from Miss Clara Allison at average of 4c per pound; carload of mixed cattle from Roy E. Aldwell at \$31 per head; 100 head of cows and calves from S. S. Bundy at \$50 a pair;

Five carloads mixed cattle from Ed Bean, Ozona; four carloads of mixed cattle from George Montgomery, Ozona;

Three carloads of cows and calves from Whitworth of Rock-springs at \$49; four carloads cows and calves and dry cows from Mrs. Jim Holland at about \$50 average for cow and calf.

The men loaded eight cars of stock at Barnhart and Noelke this week. Four registered bulls, 3-year-olds, bought from Bryan Hunt were shipped from Sonora yesterday to a Kansas feeder.

## SUTTON STOCK RAISERS SELL LAMBS AT 5½ CENTS

Five-and-one-half-cent lambs were the order of the week in Sutton county with two men—B. W. Hutcherson and Dee Finley—reporting they had bought 11,500 from three Sutton county individuals and one ranch firm.

Mr. Finley said Thursday that 3,000 mixed Corriedales were secured from Cauthorn Bros. W. E. Glasscock sold the men 1000 head, Ben Meckel, 3,500 head and H. West Evans was the seller of 4,000.

Each of the sellers got 5½ cents a pound. Mr. Finley said. All of the animals have been or will be shipped this week with the possible exception of a portion of the Meckel lot.

## Masons' New Sonora

(Continued from page 1)

of a number of years of dreaming and hoping of the lodge members whose Worshipful Master at this time is Paul Turney, Sutton county ranchman.

In 1933 bids were asked on a building similar to the one that is to be erected. Bids at that time ran from \$5,500 to \$6,800. They were rejected and in the intervening years the organization's building fund has been built up by regular contributions by members. As a result of their efforts through the years the building to be erected now will be constructed practically on a cash basis.

## Sonora Lodge 46 Years Old

A finance committee, appointed for the 1933 work, has "carried on" since first appointed to the task. It is composed of the following men:

R. D. Trainer, Joe F. Logan, Paul Turney, W. J. Fields, Jr., W. C. Gilmore, John Eaton, W. E. Caldwell, C. H. Allen, Dave Locklin, Joe Berger.

The building committee, handling matters relative to the lodge home construction, is composed of three principal officers of the lodge—Paul Turney, Dave Locklin, W. J. Fields, Jr.—who have Joe Berger, John Eaton and W. C. Gilmore working with them.

The Sonora organization, known as Dee Ora Lodge, was chartered December 11, 1891. Officers at present are:

Worshipful Master, Paul Turney; Senior Warden, Dave Locklin; Junior Warden, W. J. Fields, Jr.; Treasurer, R. D. Trainer; Secretary, W. C. Gilmore; Tyler, A. W. Awalt;

Chaplain, the Rev. R. C. Brinkley; Senior Deacon, H. P. Largent; Junior Deacon, Gus Love; Stewards, Collier Shurley, Edwin Sawyer.
