SIXTY FIFTH YEAR

Sonora, Texas, Friday, May 13, 1955

THIRTY-FIRST WEEK

... Sonora

... again ...

Around Town - Cactus Oil Company started work on their new service station Wednesday at 290 and Main. ... Lt. James T. Hunt left Wednesday for two years duty with the Army. Lt. Hunt's first station is Fort Eustice, Virginia. ... The Negro School has a new flag and pole. ... Today is the only Friday the Thirteenth in 1955 so watch out! ... Fifty-one persons watched Swaps take the Derby Saturday at the Home Hardware TV. ... And a big hats off to the city and schools for their wonderful help to the Little League. It's this spirit of helpfulness that makes Sonora the kind of town it is, and the money couldn't be invested in anything better.

Don't forget the ball game May 22 at Allison Field, benefit of the Cancer Crusade. Sonora will play the San Angelo Plowboys. Admission is 50 cents.

Alonso Pope, government trapper from Lubbock, ended a source of loss to local ranchmen last Thursday, when he tracked and shot (in her den) a female coyote thought to have killed between \$6 and \$7,000 worth of lambs and sheep in the northwestern part of the county.

Pope tracked the coyote to her den, filled the entrance with rocks and came to Sonora for help. After the animal was killed, nine pups were found and these were brought to town by Andrew Moore.

According to Jack Neill, the nine pups, multiplying at compound interest, would have resulted in 128 coyotes being turned loose on ranchmen within two years.

From the Sixth Grade News published at the Elementary School:-

The Boy Scouts are going to the Air Base in Del Rio on the afternoon of Friday 13th. While there they will see an air show, swim, attend the air base theater, mess hall, and become full fledged air force cadets.

The boys going from the sixth grade are: Johnny Fields, Jack Baker, Jimmy Cahill, Adrain McCoy, Mack Mayhew, and Jimmy Doran.

The sixth grade is proud to announce that six of its members have been chosen by Mr. Bradley to join the high school band. These members are Betty Chapman, Nancy Reed, Jo Bess Vander Stucken, Daon Locklin, Dorothy Harris, and Carolyn Hall.

## Girl Scouts Receive Awards

The Girl Scout Troop 3 met for a court of awards Monday night at the Scout Hall, under the leadership of Mrs. Armer Earwood and Mrs. Wesley Young.

The table was covered with a green cloth and centered with a log and 13 candles representing the promise and laws. Roses and honeysuckle were arranged around the candles. Cookies and punch were served.

Mrs. Wesley Young and Nova Crawford received their scout pins and world pins. All girls in Troop 3 received the Sonora badge and the Troop Craft purple pansy. Joyce Chapman received badges for cooking, animal raising, interior decoration, magic carpet, basketry, house keeper, games, and cyclist. Claire Jones received badges for cooking, dairying, animal raiser, dancer, swimming, interior decoration, basketry, photography and cyclist. Jotty Young received badges for cooking, swimming, dancer, interior decoration, basketry, photography, child care, and cyclist. Earline Smith received badges for cooking and animal raiser, swimming, neelcraft, interior decoration, magic carpet, basketry, cyclist and first aid. She also received her 5 year pin. Velma Jo Luxton received a badge in cooking. Nova Crawford received badges in games, interior decoration, magic carpet and basketry. Norma Maxey received badges in animal raising, basketry and first aid.

The girls displayed some of their work in first aid kits and baskets. They presented Mrs. Earwood, leader, with a gift and Mrs. Young, assistant leader, with a corsage. Mrs. Earwood presented each of the girls with a girl scout bracelet.

## Misses Turney, Ross Named Top Students

Rose Alice Turney, daughter of Mr. and Mrs. Lin Turney, was named valedictorian, and Betsy Ross, daughter of Mr. and Mrs. Joe Brown Ross, was named salutatorian of the Senior Class of 1955 this week. Miss Turney had a four-year high school scholastic average of 92.82, and Miss Ross had an average of 91.60.

Baccalaureate service will be held Sunday night, May 22 at 8 o'clock on the lawn of the Elementary School. Joe Foy, San Angelo attorney, will be the main speaker. The Rev. W. H. Marshall will give the invocation and benediction.

Commencement exercises will be held Monday night at 8 o'clock on the lawn of the Elementary School. The invocation will be given by the Rev. Julian Hartig, OFM, and the benediction by the Rev. J. E. Eldridge. Speakers at the commencement include Rose Alice Turney, Betsy Ross and Albert Ward, president of the senior class.

## Sonora Students Win Titles At State Meet

Betsy Ross, Shannon Ratliff and Robert Hardegrave, Sonora high school students, won state titles at the interscholastic league meet last week in Austin.

Miss Ross, a senior, successfully defended her state Class B tennis singles championship, defeating Merle Overgoner of Hallettsville in the finals, 6-2, 6-2. She won her semi-finals match last Saturday morning, outlasting Venice Kolodziejczyk of Nordheim 6-1, 6-0.

Ratliff won top honors in Conference B declamation and Hardegrave won in Class A boys extemp speech.

Martha Valliant, who played in the Sonora one-act play entry, "Judge Lynch" was named to the all-star cast in Conference B one-act play competition in Austin.

Mrs. A. E. Newton was in San Angelo Tuesday night to assist in the organization of a Wesleyan Service Guild at Day Memorial Methodist Church.

### Wool Price To Be Continued Until November 1

The U. S. Department of Agriculture has announced that the present minimum selling price for wool owned by the Commodity Credit Corporation will be continued until November 1, according to a wire received by R. W. Hodge, president, Texas Sheep and Goat Raisers' Association.

"This is a policy that we and the National Wool Growers Association have been working for since it was announced that the Defense Department would not use any of these wools for use in manufacture and storing of cloth" Hodge added.

"It is hoped that this announcement will tend to help the wool market in general as the 1955 clip is now moving into the warehouses in Texas. These CCC wools have been hanging over the market and naturally depress it."

Penrose B. Metcalfe, vice-president of the National Wool Growers Association and a past president of TS&GRA, spent considerable time in Washington in April with other officers of the National Wool Growers Association on this problem, Hodge said.

### Notary Public Refiling Dates Announced

All notary public commissions expire June 1, 1955. Persons holding notary public commissions who desire to be reappointed must qualify by filing an oath and bond with the county clerk between June 1 and June 10 of this year. Individual notices will be mailed out May 23.

Any person who is not now a notary public and who desires to be, may qualify by being at least 21 years old and a resident of this county. Such persons must apply at the clerk's office before May 23.

## Volunteer Council Planned To Encourage McKnight Patients

Forty-eight percent of the patients at McKnight Tuberculosis Hospital are leaving before recovery. These people, bearing a dangerously contagious disease, are returning to their homes in their community to endanger every man, woman and child with whom they come in contact. To raise the morale, provide recreation and training facilities, and offer personalized comfort and attention to insure that patients remain hospitalized until cure is affected, the McKnight Area Volunteer Council is being organized.

Tuberculosis patients of 166 counties of Central and West Texas, are being served by McKnight Sanatorium near San Angelo.

The first goal of the council, discouraging the infected patients from returning to society prematurely, may be accomplished

Sacramento, Calif., May 1 (SC) A Rambouillet Ram fleece entered by Eddie Smith, 4-H Club boy from Sutton County, Sonora, Texas, captured the coveted Grand Championship at the 23rd Annual California Wool Show which opened at the State Fairgrounds here today.

Along with the top award, which takes the Sheraton-Palace Hotel \$1,500 solid silver perpetual trophy, the 4-H boy brought further honors to his club by making the Grand Slam. His entry also took "Best Ram Fleece in Show" and "Most Valuable Fleece From Manufactures View."

In the 23-year history of the show, the championship trophy has been won by an out-of-state entry but twice, both times by Sutton County, Texas exhibitors. Last year's winner was Edgar Glasscock.

Richard G. Jones, Fresno County Farm Advisor and director of the show, declared that this show was the largest in many years and was significant in that there were fleeces entered from Texas, Colorado, Nevada, as well as California, and competition was the stiffest ever encountered.

Other Sutton County winners in the show included Connie Locklin who won two second places, two thirds and two fourths. Locklin was also breeder of the registered Rambouillet ram, whose fleece won the grand championship.

The first place Rambouillet ewe fleece was also from a Locklin bred ewe, which was the champion ewe at the Dallas, Houston and Kerrville shows.

Edgar Glasscock, who won the championship last year, placed fifth in the market class fine-wool ewe class and also won a fourth with another fleece.

Other ribbons won by Smith include third, market class fine-wool fleece; fifth, Rambouillet ewe; fourth, Rambouillet ram; and first, Rambouillet ewe.

Mr. and Mrs. F. L. McKinney are spending a few days in San Antonio this week.

### Light Rainfall Measured Here

Light but very welcome rains fell over most of Sutton County early Tuesday morning. Rains varied from none in the southeastern part of the county to one inch on the Bobby Martin ranch 30 miles southwest of Sonora.

The Sonora Wool and Mohair Company recorded .76 early Tuesday, and an additional 10 points late Tuesday evening. "The rainfall around Sonora was the hard shower variety, and much of it was lost by runoff," said E. B. Keng of the Soil Conservation Service. It will produce some growth in low places and on pastures where enough old grass remained to trap the raindrops. On denuded areas it will help keep the grass roots alive for the next rain.

Moisture penetration checks made Tuesday showed an average penetration of about two inches on rangeland with little or no grass. Moisture soaked four to five inches deep where a fair cover of old grass remained.

On the Edwards Plateau trial area at the Herbert Fields ranch the 60 points of rain penetrated from 8 to 12 inches in the pits, and from one to two inches on the untreated areas. Grass seed recently planted on the pitted area should have enough moisture to germinate the seed and sustain the young plants for several weeks.

Though only .60 of an inch of rain fell, the runoff and soil loss from bare, unpitted rangeland was very heavy. Keng said. The pitted area held all of the rain falling on it plus some additional runoff from adjacent areas.

Rainfall reports gathered from ranchmen on the Tuesday morning rain included the following: Bobby Martin, 1 inch; John Cauthorn, .70; Cleve Jones, .20; R. W. Turney, .20; Edgar Shurley, .62; Wesley Sawyer, .80; Gene Shurley, .40; Alice Jones (Home ranch), .10; (Six Mile), .60; Experiment Station, .10; Frank Bond, .50; Sam Logan, .50; Travis Glasscock, .50; Jim Cauthorn, .25; Paul Turney, .10; Wool House, .38; Bryan Hunt (Home ranch), .61; Rip Ward, .75; V. J. Glasscock, .61; L. E. Johnson, .35; Duke Wilson (Bryson), .50; Ben Cusenbary, .10; Tom Davis, .43; Ed Shurley (Byrd), .41; G. H. Davis, .75; W. F. Berger, .60; Clyde Hill, .25; Alvis Johnson, .70; George Brockman, .10; Edwin Mayer, .40; Mack Cauthorn, .30; Dan Cauthorn, .25; Thelma Espy, .10; Edwin Sawyer, .70; Aldwell ranch, .70; and Virgil Cauthorn (June), .75.

Espy-Vander Stucken, .40; J. A. Ward, Jr., .65; Sam Allison, .30; Miers Savell, .50; Lea Allison, .25; Devers Valliant, .95; Bill Fields, .60; Charlie Hull, .20; Brushy Top, .75; Miss Nettie Word, .15; Dee Word, .50; and Mrs. Luella O'Leary, .50.

### LT. JOHN ALLEN WARD LEAVING AIR FORCE

First Lieutenant John Allen Ward, USAF, received word last week his resignation from the Air Force has been accepted, and he and Mrs. Ward are expected home here this week. Lt. Ward, a jet interceptor pilot stationed at Duluth, Minn. AFB, Northern Defense Command, was a member of the regular Air Force, and served four years before resigning. Members of the Air Force Reserve may serve shorter periods, but are then placed on inactive status, subject to recall.

After a visit here with his parents, Mr. and Mrs. J. A. Ward, Jr., Lt. and Mrs. Ward will move to Austin, where he will enter the University of Texas law school.

Mr. and Mrs. Glenn Hayden and daughter, Debby, of Llano spent Mother's Day with her parents, Mr. and Mrs. W. R. Drennan.

Miss Betty Mills spent the weekend in Del Rio the guest of Mr. and Mrs. E. S. Woullard.

### Cancer Drive Tops \$500

About \$500 of Sutton County's Cancer Drive quota of \$750 has been received so far, according to Mrs. Alvis Johnson, drive chairman.

Mrs. Johnson said arrangements have been made to incorporate memorial gifts into the crusade. J. W. Elliott has been appointed chairman of the memorial bequest committee, and will mail cards to families of persons in whose memory gifts are made.

Officers in this year's organization are: Dr. Charles F. Browne, medical crusade chairman; Mrs. Alvis Johnson, crusade chairman; Mrs. Dan Cauthorn, vice-chairman; Harold Scherz, treasurer; Mrs. Joe Hull, secretary; Mrs. J. F. Howell, women's organizations; Joe M. Vander Stucken and the Rev. W. H. Marshall, men's organizations; E. A. Brodhead, school organizations.

FIRE SATURDAY

Sonora's volunteer firemen were called out at 5:30 o'clock Saturday afternoon when the Sonora-San Angelo bus caught fire at the local station. The engine had evidently become overheated and caught fire, buckling the plates at the rear of the bus and causing extensive damage to the engine itself.

Mrs. J. A. Cauthorn and Mrs. Rip Ward spent Mother's Day in Del Rio with Mrs. Cauthorn's mother, Mrs. G. C. Earwood.

Mrs. J. B. Wright, who underwent surgery of Hudspeth Memorial Hospital Saturday, has been released and is resting at home.

Mrs. Joe Berger and Mrs. Charlie Hull spent last weekend in San Antonio the guests of Mrs. Hull's son-in-law and daughter, Mr. and Mrs. Bill McDonald.

Mr. and Mrs. Jack Pfister spent Mother's Day with his mother, Mrs. Beulah Priester.

Mr. and Mrs. Loyd McMullen visited with Mrs. McCullen's parents, Mr. and Mrs. S. E. Bollard of Oglesby, over the weekend.

Mr. and Mrs. J. W. Neville spent the weekend in Anson visiting his parents, Mr. and Mrs. John Neville.

Mrs. R. V. Cook is in San Angelo this week visiting her parents, Mr. and Mrs. J. W. Turner.

Mrs. Margaret Dungan and son, Jon Barton, of Odessa were weekend guests of Mr. and Mrs. R. L. Hallum.

Mrs. Robert Rees spent last weekend in Big Lake visiting her son and his family, Mr. and Mrs. Horace Rees.

### Field Day Guests Hear Idaho Speaker

"Improvement can be made rapidly in an individual flock by selecting for highly heritable traits," Dr. Clair E. Terrell told a group of 150 ranchmen at Ram Progeny Test Field Day at the Sonora Experiment Station Saturday.

Dr. Terrell, acting director of the United States Western Sheep Breeding Laboratory, Dubois, Idaho, included in highly heritable traits such points as staple length of wool, increased wool production, skin fold, fleshing qualities and body conformation. He added that gains within the flock are cumulative and may be considered capital gains.

Considered one of today's outstanding research geneticists, Dr. Terrell went to Idaho in 1946 after receiving his doctorate from the University of Missouri.

Dr. Terrell suggested that ranchmen select according to their particular range conditions, with the most important factor being "to work for a small number of traits of economic importance which can be improved rapidly because of their high heritability."

"Economic valuetimes heritability is a good formula to use when evaluating a particular trait," Dr. Terrell stated.

Following a barbecue dinner prepared by local 4-H boys, the program marked the conclusion of the seventh annual ram progeny test at the station.

The Rev. W. H. Marshall, pastor of the First Methodist Church, gave the invocation, and Dr. W. T. Hardy, station superintendent, gave the welcoming address. Introduction of Dr. Terrell was made by Dr. R. E. Patterson, vice-director of extension work, A. & M. College System.

The main address was followed by an auction of forty of the tested rams. Top-selling ram was raised by John Williams of Eldorado and went to V. I. Pierce of Ozona for \$330. Miles Pierce, Alpine ranchman, sold two rams to Jim Ad Harwick, Ozona, for \$100 each. El Branch of Rankin bought a top ram from John Williams for \$200. Guest speaker, Dr. Terrell, will take several Texas rams back to Idaho. Outstanding among his purchases was a Williams ram bought for \$200.

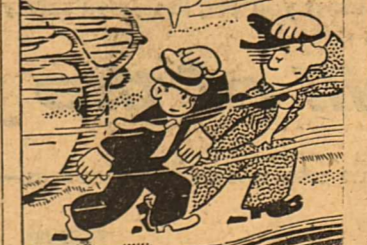

Dr. Hardy introduced the following co-operators who participated in this year's ram test: Pat Rose, Jr., Del Rio; R. Q. Landers, Menard; W. L. Davis, Sonora; John Williams, Eldorado; Miles Pierce, Alpine; Leo and Rod Richardson, Iraan; H. C. Noelke, Sheffield; Ed Branch Rankin; Connie Mack Locklin, Sonora; Morris Bradford, Menard; L. A. Nordan, Boerne; Oscar Carpenter for Sub-Station 14; Dr. Tom Watkins for the A. & M. System; Dr. Bruce Warwick for Bluebonnet Farm, McGregor, Tex.

Others introduced by Dr. Hardy included Dr. R. E. Patterson, vice-director of extension work from College Station; R. W. Hodge, Del Rio, president, Texas Sheep and Goat Raisers Association; R. O. Sheffield, President, American Rambouillet Breeders Association; Elmer Kelton, farm and ranch editor of the San Angelo Standard-Times; Hiram Phillips, editor of the Sheep and Goat Raiser Magazine; and Bill Reynolds, farm and ranch editor for Radio Station WOAI, San Antonio.

Mr. and Mrs. Jack Pfister spent Mother's Day with his mother, Mrs. Beulah Priester.

A new ball park, complete with lights, grandstands, home run fence and all the trimmings was made possible Monday night when the city council met.

Voting unanimously and with the recommendation of R. M. McCarter, superintendent of utilities, the council agreed to:

1. Furnish the city park near the swimming pool as a Little League baseball park.

2. Donate the transformers for lights, donate the wiring and the labor for installing the lights.

3. Buy poles, fixtures and bulbs, install them and bill them to the Little League, the city to be reimbursed by game receipts. The city's only requirement here is that a few citizens volunteer to underwrite cost of poles, fixtures and bulbs in case game receipts are insufficient.

The Sonora Public Schools agreed for the league to use the portable grandstands purchased last year for the McCamey game.

According to Thomas B. Thorp, league commissioner, who met with the council Monday night, it is also planned to build a home run fence and pay for it by selling advertising.

In announcing the city's decision, Mayor Alfred Schwiening said: "The future of Sonora lies in its youth. It will always be the city's policy to do all it can within reason to promote the interests of youth. Commissioners Hightower and Joy and Mr. McCarter join me in this statement."

Thorp said he was "very happy" over the situation and wanted to thank the city, especially McCarter, for "the wonderful cooperation we have always received from the city."

"I also want to thank the schools for the help we have received, and the public in general, who financed our uniforms and equipment last year."

Thorp said boys will meet at the old field Saturday afternoon at 5:30 o'clock to be assigned to teams.

Team managers will include: TIGERS - James D. Trainer, assisted by Bill Tittle; CUBS - Leon Neely, assisted by Reginald Trainer; GIANTS - John Bell, assisted by Tommy Smith; YANKS - Melvin Glasscock assisted by Shannon Ratliff.

Little League officers are Thorp, president; Mrs. Frank Mayhew, vice-president; Bill Smith, secretary and treasurer. Officers and team managers are directors.

Thorp also announced that a group insurance policy will be taken out on all boys playing this year.

### Junior-Senior Banquet, Dance Held Monday

Members of the senior class of the Sonora High School were honored at a banquet Monday before the annual spring all-school formal.

Hosts were members of the junior class assisted by the room mother, and class sponsors. Included as guest were the school trustees, high school faculty and room mothers.

A Mardi Gras theme was carried out in the decorations. Pastel colors in streamers, balloons, balls and figurines were used about the room.

The invocation was given by Rus Chalk and the welcome by Carlos Loeffler. Albert Ward gave the response. Ruth Drennan, Cynthia Hall, Cherby Turney, Wanda Sue Mackey and Frank Joe Potmeski were also on the program.

The Little John Beecher orchestra provided the music for the dance with Sue Morris and John Beecher as featured vocalists.

### Personals

Mr. and Mrs. S. E. Jones, Jr., Pamela and Taylor of Eldorado spent mother's day with Mrs. Jones's parents, Mr. and Mrs. H. L. Taylor.

Mr. and Mrs. Tom Ratliff spent the weekend in Austin attending the Interscholastic League Meet.

Mr. and Mrs. Herman Smith were the guests of his parents, Mr. and Mrs. E. A. Smith of Nevada over the weekend.

The Hospital Auxiliary will meet in the basement of the Methodist Church at 3 o'clock on Monday 16, for the installation of officers. All members are urged to attend.

THE DEVIL'S RIVER NEWS

Sonora, Texas, Friday, May 13, 1955

A great New England preacher once promised to fill the pulpit of a country church on a certain Sunday. That Sunday New England was held in the grip of a blizzard. Roads were almost impassable. The preacher thought to

himself, "There is no use in my going out to that church. No one will come out through such a storm. There will be nobody to preach to." But, being a conscientious man, he went. Setting out on his journey quite early, he was finally able to make his way on horseback through the snowdrifts, and arrived a few minutes before the time of worship. Stabling his horse in a shed behind the church, he entered the deserted building, built a fire, and on the hour the service was to begin, one man entered the church and sat down at the back. The preacher wondered whether or not he should go ahead with the service in the presence of a congregation of one. Finally, he announced the hymn, and the occupant of the pew and the occupant of the pulpit sang it together. The preacher prayed, another hymn was sung, and the service proceeded just as if the church had been filled with worshippers. At the close of his message the minister pronounced the benediction, intending to speak to his "congregation" afterwards; but when he had spoken the final "Amen" and opened his eyes, the man was gone.

Twenty years late out in Ohio a stranger came up to the New England minister. "Do you remember me?" he said. "You and I spent an hour and a half together alone in a blizzard twenty years ago. I was saved that day under your preaching of the Gospel. Now, I also am a preacher, and within this state there are a half-dozen men standing in pulpits who were saved under my

QUESTIONS AND ANSWERS FROM VETERANS ADMINISTRATION

Q - I am planning to attend a tax-supported State College under the Korean GI Bill. The school charges no tuition to residents of the state. As a Korean GI student, will I be required to pay anything?

A - The law gives the school the right to charge you an amount not in excess of the cost of teaching personnel and instructional supplies, up to a maximum of \$10 a month for a full-time course.

Q - I entered the armed forces after February 1, 1955, so, following my discharge, I will be considered a "peacetime veteran." If I am disabled in service, would it be possible for me, as a "peacetime veteran," to get disability compensation at a wartime rate?

A - Normally, peacetime veterans receive disability compensation at peacetime rates, which are 80 percent of the wartime scale. However, if your disability were to result from extra-hazardous service, such as simulated warfare, you might be entitled to wartime rates.

Q - A friend of mine reported for active military duty as a result of a draft call. Within 20 days he was released from service because of personal hardship. Would he have 120-day free insurance coverage, even though he didn't serve 31 days or more? And would he be eligible to take out GI term insurance within the 120-day period?

ministry. All this has come because you were faithful in witnessing when the testimony must have seemed to you of little value."

While the follower of Christ is not responsible for the results which his testimony produces, he is responsible to live a life that will prove the truth of his words. As followers of Christ we must live like people who have met a risen Savior. Unless there is in your life something of the sweetness which characterizes the Saviour, something of His humility and gentleness and long-suffering and mercy, you cannot be very well acquainted with Him. You cannot know Him in the power of His resurrection life without a newness of life yourself, and your works lend weight to you witness.

A - So long as he was ordered to active duty for a period of 31 days or more, he would be entitled to the 120-day free coverage and to the GI term insurance. In his case, it would not be necessary from him actually to have served 31 days or more.

for the price of a smaller car!

(Come in and check it!)

YOU certainly can throw out your chest and call this strapping big Buick yours.

Because—as any comparison shows—the dollar difference between this brawny beauty and the well-known smaller cars is now virtually erased.

So if you've been holding back, thinking a Buick was out of reach—let yourself go. You can afford a Buick if you can afford any new car—and the price tag we'll show you proves it.

**Buick Sales Are Soaring To New Best-Seller Highs**

That's a major reason for the phenomenal success of Buick today. So much so, that production and sales are hitting new peaks to move Buick more firmly into the tight circle of America's best sellers.

And a companion reason for this soaring popularity is Buick's full line of cars to give you a choice in any price class—the bedrock-priced SPECIAL, the high-powered CENTURY, the extra-roomy SUPER, and the custom-built ROADMASTER.

But pure and simple, it's all the automobile you get for your money that's winning so many new owners to Buick.

It's the extra pride you feel, the extra room you enjoy, the extra comfort you get, the extra safety

you sense—from Buick styling, Buick size, Buick ride-engineering, Buick solidity of structure.

It's the extra lift and snap and ginger you get from Buick high-compression V8 power—and the fun and thrill of bossing such eager might.

As we said—if you can afford any new car, you can afford a Buick—even with the spectacular performance of Variable Pitch Dynaflo† at modest extra cost.

So why settle for anything less than a Buick? Drop in on us, take the wheel, press that pedal, and see for yourself what a whale of an automobile—and a whale of a buy—today's Buick really is.

†Dynaflo Drive is standard on Roadmaster, optional at extra cost on other Series

**DID YOU KNOW—**

- that the Buick SPECIAL is priced below any other car of 188 horsepower and 122-inch wheelbase?
- that the Buick SPECIAL is priced below some models of the three well-known smaller cars?
- that the Buick SPECIAL gives you more pounds of automobile than any other car at its low price?

## LET'S TALK LIVESTOCK

BY  
**TED GOULDY**

Fort Worth—Last Monday the nation's 12 major markets reported close to 125,000 cattle and calves. This was about 20,000 more than a year ago the same date, and 10,000 ahead of a week earlier. It was the signal for renewed pressure on prices across the nation.

Chicago reported cattle 50 cents to \$1.50 lower. Kansas City chalked up losses of 50 cents to \$1 per hundred. It was the same story at all points. Here at Fort Worth grainfed cattle were scarce and pretty close to steady, but the rank and file cattle and calves averaged 50 cents to \$1 lower, some spots more and some spots less.

In livestock circles this happens every year, usually in June. However, the season governs the "June Break". An early season such as this one sees the break in cattle prices come early, and in a "late" season, sometimes the break comes in July or later.

Usually the "June Break" comes soon after the first interval of high temperature and burning Summer winds, which

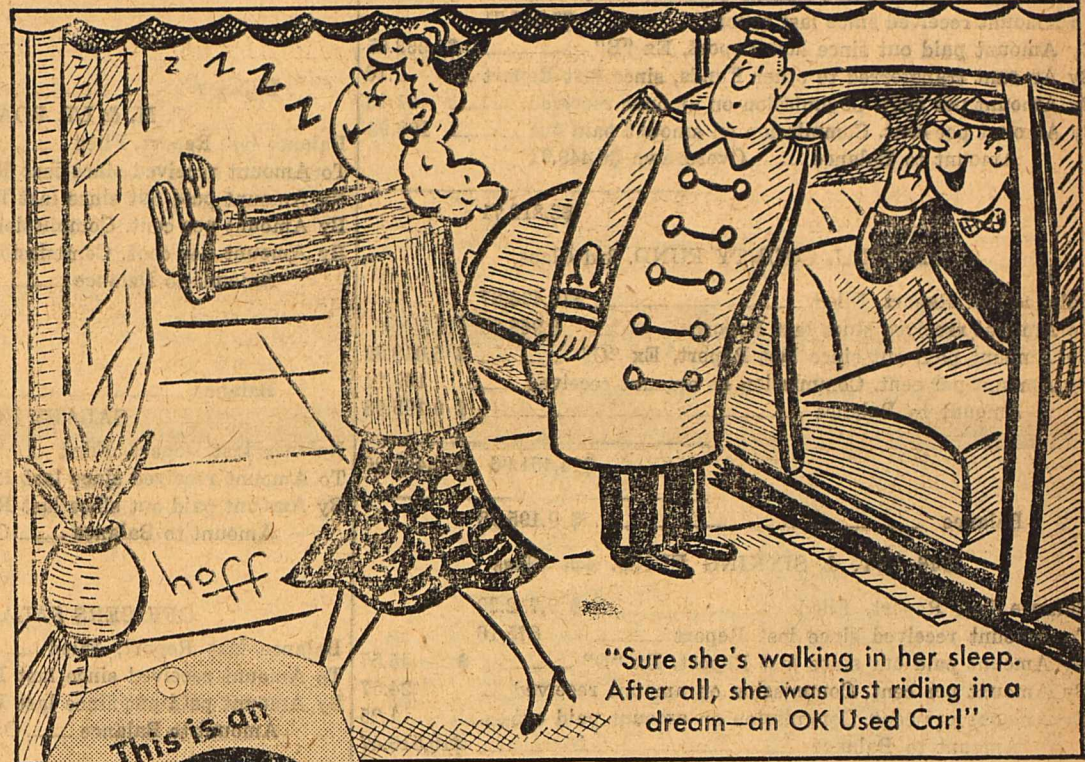

sear pastures. Cows \$6 to \$13; bulls \$9 to \$13.50; slaughter calves \$9 to \$21; stocker calves and yearlings \$13 to \$21; heifer mates \$3 to 5 under stocker steers.

Top hogs at Fort Worth Monday sold at \$17.50 and \$17.75. This was 25 to 50 cents up, but sows were weak to \$1 lower. Sows topped at \$13.50, but some heavy weight sows sold down to \$10 and \$11—new low for the current season on that kind here.

Prices of Spring laws were weak to 50 cents lower, some spots \$1 off at Fort Worth Monday. Shorn old crop lambs closed mostly 50 cents to \$1 off. Many Spring lambs are definitely shrinking and showing loss of bloom now. Top fat lambs \$20 to \$21, fat shorn old crop lambs topped at \$15 to \$15.25. Old ewes \$3 to \$4. Feeder old crop mixed feeder and fat lambs sold at \$23.50 down; and feeder Spring lambs sold around \$14 to \$16, with packers still paying more than feeders on most of these kinds.

Mrs. B. C. McGilvray had as weekend guests her brother-in-law and sister, Mr. and Mrs. G. N. Chaffin of Athens and her son-in-law and daughter and their children, Mr. and Mrs. Word Sherrill, Linda and Martha Kay of Uvalde.

## 6 reasons why you'll love to cook with flame-fast GAS on a really modern Gas-O-Matic range!

- 1 **Automatic Clock Controls!** Ovens, broilers, even top burners turn themselves off. No temperature guessing. Set-forget!
- 2 **Easy to Clean!** Non-clog life-time burners wash like a dish. A damp cloth keeps porcelain range surfaces spotless, gleaming.
- 3 **Smokeless Closed-Door Broiling!** Gas flame consumes smoke, greasy vapors rising from cooking food, keeps kitchen clean.
- 4 **Hypo-Jet Pilots!** Newly designed pilot lights for each burner. Tiny points of instant flame. Range top is always cool to touch.
- 5 **Bake, Broil at Same Time!** Only flame-fast gas lets you bake and broil at the same time! Vented for fresh air circulation.
- 6 **So Very Economical!** Costs 4 times less to use than non-flame, artificial fuels almost everywhere in Lone Star Land!

Gas-O-Matic means features like these:

## HIGH EGG PRICES expected by fall

For 5 years, a year of low egg prices has always been followed by a year of high egg prices. Why? Because many folks get discouraged after a low-price year and don't start chicks. The graph tells the story. Average prices are higher in some areas, lower in others, but the down-one-year up-the-next picture is the same everywhere.

**Will you be ready with a full laying house?**  
Let the other fellow quit. We urge all our friends to start a full brooder house to cash in next fall. And start 'em now so you can start getting lots of eggs as soon as prices begin to hit their fall and early winter peak.

Please call or drop in and place your order this week.

Nervous, Tired, Awake Nights?

Don't Feel And Look "Old Before Your Time" Any Longer

If you have that "Always Tired" Feeling, Sleeplessness, Constipation, Digestive Upsets, "False Old Age," Nervousness, Lack-lustre Hair, Loss of Appetite, Bad Breath, Falling Eye-Sight, Dizzy Spells . . .

**STOP SUFFERING**

If you suffer from any of these troubles, try Drag-NOT Tablets because the REAL cause may be weak, iron-poor blood or a system starved for Nature's precious minerals and vitamins. In just one day Drag-NOT Tablets' iron-rich and vitamin-rich elements are in your bloodstream carrying new strength and energy to all parts of your body.

**FREE YOUR BODY**

After a few days you will actually SEE the results. Watch your elimination as Drag-NOT Tablets' non-habit-forming ingredients help bring lazy organs back to work. The black, poisonous waste and impurities will begin to leave your body and you will enjoy wonderful new pep and sleep better than you have for months.

**LOOK AND FEEL YOUNGER**

Not only will you feel younger, but you will LOOK younger; lustre will start returning to your hair, you will relax, your eyes will sparkle and you will again experience the joys of life you thought you had lost.

**HIGH POTENCY**

High-potency Drag-NOT Tablets contain Iron and 4 other minerals, Vitamins B1, B2, B6, B12 and C, PLUS niacinamide, folic acid, calcium pantothenate, desiccated whole liver, natural yeast concentrate and stomach powder. No wonder that people who have taken Drag-NOT Tablets say to their friends, "No matter how long you have suffered nor what drugs or tablets you have taken in the past, try Drag-NOT Tablets."

**43 YEARS AGO**

Mr. and Mrs. Jeff Smith of El-dorado are visiting friends and relatives in Sonora this week.

Born in Sonora on Wednesday, May 15, 1912, to Mr. and Mrs. J. W. Martin, a boy.

Mr. and Mrs. Joe Ross were visiting in Sonora Tuesday from the ranch.

Thelma and Eleanor Fields, daughters of Mr. and Mrs. W. J. Fields, left for San Antonio Thursday to attend summer school

under the instruction of their aunt, Miss Adah Gibbons.

Mrs. J. W. Mayfield, Mrs. W. B. Keese and George Allison, Jr. left for Clifton Thursday on a visit.

Mr. and Mrs. Ira Word of Brewster County are visiting friends and relatives in Sonora this week.

R. J. Ridley and family of Center Point, who have been visiting Joe North and family for some time, left for their home this week.

Married at the Methodist Parsonage in Sonora, on Wednesday, May 15, 1912, Rev. J. D. Worrell officiating, Miss Lillie H. Maddox to James Roy Hudspeth.

The contracting parties are well known and popular with the Sonora people and have many friends. The bride is the daughter of Mr. and Mrs. R. B. Maddox, and her quiet and unassuming disposition has made her much admired.

Roy Hudspeth has extensive ranch interests in this country. After the ceremony at 8 a.m. they left for a trip to Fort Worth, El Paso and possibly California.

**Your Health**

Methods of using the one billion gallons of water being released each day from sewage treatment plants throughout the state will be demonstrated at an all day meeting in Kerrville May 19.

The demonstration is designed to convince water-short cities and farmers that irrigation with effluent is both economical and profitable because:

1. It minimizes stream pollution.
2. It provides moisture and fertilization for growing feed crops.
3. It replenishes underground water supplies.

Some 100 Texas cities or farmers are now putting effluent to beneficial use.

"The possibilities of using treated municipal sewage plant effluent for crop irrigation are

unlimited," say health and soil conservation engineers.

Sponsors of the Kerrville demonstration are Kerrville city officials, the Kerr County Soil Conservation District, and the Texas - State Department of Health.

Highlights of the meeting will be reports from public health and soil conservation experts, and personal experience reports from farmers and stockmen who have profitably used effluent for irrigation.

G. R. Herzik, Jr., chief sanitary engineer at the State Health Department, will cover the public health aspects of effluent irrigation practices.

R. C. Barnes, Jr., soil conservation service engineer from Temple, will detail the requirements for successful irrigation projects.

mittee has sent to the floor for debate. It's probably about the best bill that can be worked out under present circumstances, and has the support of such organizations as the American Legion, Veterans of Foreign Wars, Reserve Officers, and the National Guard—the latter with some reservations.

It is generally recognized that the present reserve program, at least in the Army, is very largely a joke. Some of the trouble arises from the slipshod manner in which the Army managed reserve training, but it has been difficult to enforce a training program on men who have been released from duty.

The new proposal, applicable to post-Korean veterans, makes it possible to recall a man to active duty for 45 days if he persists in refusing any of the alternatives available for reserve training.

Young men under 19 may, if they desire, volunteer for six months of basic training and then become attached to local reserve units, including the National Guard, for a period of 7½ years.

PRINCETON UNIVERSITY, which predates the Revolution, retains on its campus old Nassau Hall where the Continental Congress once met, and which was frequented by George Washington. I visited the famous campus

the other day to take part in a forum program sponsored by the American Whig-Cliosophic Debating Society. The latter also predates the Revolution and is now headed by Bruce Akers of Ohio. Incidentally, Akers' brother married a daughter of the Sayers Farmers at the Farmer ranch near Junction last summer.

The late Professor Einstein's home is adjacent to the Princeton campus. Contrary to general belief, Einstein was never attached to Princeton. He did his experiments which unlocked many of the secrets of the universe, at a nearby Research foundation, privately funded and endowed.

Speaking of research, did you realize that the \$15 million spent by the Government and private industry to develop hybrid corn now brings in more than \$1 billion a year?

**Congratulations To These NEW PARENTS**

Mr. and Mrs. Leo Snelson are the parents of a daughter, Karen Leah, born May 4, at Lillian M. Hudspeth Memorial Hospital. The baby weighed 5 pounds and 2 ounces. The couple have another daughter, Stephanie, age 2. Grandparents are Mr. and Mrs. J. W. Snelson of Seminole and Mr. and Mrs. Jim Caldwell of Sonora. Mrs. Lydia Farris of Ft. Stockton is the great great grandmother.

**F. D. JONES HEREFORDS TO BE DISPERSED**

One of the better known Hereford herds that has had a marked influence in the improvement of better beef cattle throughout the Southwest will be dispersed this month.

F. D. Jones, owner of Jones Hereford Ranch, Rhome, Texas, is selling his entire herd, consisting of 335 head of registered Herefords, on Friday and Saturday, May 20, 21, at the ranch located 25 miles north of Fort Worth, Texas, on U.S. 81.

The Jones herd has won many honors during the past 15 years on the winnings of his cattle at such shows as Denver, Fort Worth, Dallas, Houston, San Antonio, Amarillo, Shreveport, Albuquerque and Kansas City. The

past year his herd won grand champion bull, reserve champion bull, reserve champion female, as well as 23 first prizes and 22 second prizes at these top shows.

Included in the sale will be the Jones interest in M Zato Commander, the \$50,000 bull in which Jones purchased an interest some time ago from J. P. McNatt, Greenville, Texas. All the cattle that have made the fine record

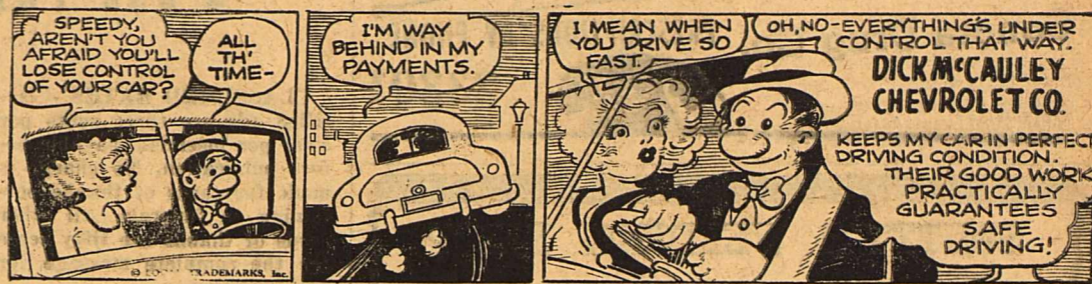

for the Jones ranch will sell, as well as their sires and dams, all of which carry some of the best bloodlines of the Hereford breed.

Mrs. Serena Trainer had as her guests last week her grandson and his family, Mr. and Mrs. Howard Peters, Carolyn and Rickey of El Paso. Peters has just returned from three years in Germany.

**Chevrolet Task-Force Trucks**

Powered by the most modern V8 in any truck...  
**Chevrolet's new Taskmaster V8 engine!**

Chevrolet's great new L.C.F. models bring you all the advantages of a C.O.E.—plus a long list of important new advances you won't find anywhere else!  
For example, the cab is a full seven inches lower than former C.O.E. models. And it has only two steps instead of the usual three for C.O.E.'s. Just think of the time and effort this will save the driver every time he gets in and out of the cab! Also, the low L.C.F. is hand-

somer by far than any C.O.E. ever built! What's more, in an L.C.F. you still get the easy maneuverability of a C.O.E.—plus sturdier frames, new suspensions and many more modern-truck features.  
Inside, the L.C.F.'s new Flight-Ride cab has a level floor with plenty of "stretch-out" leg room and offers the same driver convenience you'll find in all new Chevrolet trucks. The driver has a commanding view of the road—

through the big, broad panoramic windshield.  
Quicker, simpler maintenance is another big advantage offered by Chevrolet's new L.C.F. models. Everything's easier to reach in the roomy engine compartment.  
If you don't get the all-modern advantages offered by the new Task-Force trucks, you're getting an old-fashioned truck and stand to lose money on the job and at trade-in time, too. Come see the most modern trucks of all!

**Shortest Stroke V8 of All!** The new Taskmaster V8—the most modern V8 your money can buy—powers the new L.C.F. has a 12-volt electrical system (twice the "steam" for starting!).

Year after year, America's best selling truck!
