SIXTY FIFTH YEAR

Sonora, Texas, Friday, July 22, 1955

FORTY-FIRST WEEK

Kemal Akoz, and Nurettin Utkanlar get a good look at some Texas fine wool. Showing the fleeces is Fred T. Earwood who demonstrated local wool marketing preparation and practices to the visitors from Turkey.

Turkish visitors to Sonora and Sutton County are introduced to native grasses in the grass plot at the Sonora Wool and Mohair Co. warehouse. SCS technician E. B. Keng and County Agent D. C. Langford are shown above with Kemal Akoz and Nurettin Utkanlar.

NEXT WEEK IN SONORA

FRIDAY, JULY 22
8:00 Fidelis Class, Lum Hefflin residence.
7:30 Little League: Tigers vs. Cubs.
SATURDAY, JULY 23
4-H Parents Club Cake Sale.
SUNDAY, JULY 24
8:00 Mules vs Magnolia, Gwinfield, San Angelo.
MONDAY, JULY 25
7:30 Business Women's Circle, Baptist Church.
7:30 Little League: Yanks vs. Giants.
TUESDAY, JULY 26
12:00 Lions Club, Methodist Church Basement.
7:30 Pony League.
WEDNESDAY, JULY 27
9:30 WMU, A. C. Elliott residence.
7:30 Little League: Cubs vs. Giants.
7:45 Fire Wives Auxiliary, Fire House.
8:00 Volunteer Fire Department, Fire House.
Attend Some Church Sunday!

SERVICES HELD FOR MRS. L. C. MATHIS

Funeral services for Mrs. L. C. Mathis, 78, wife of the late Rev. L. C. Mathis, former minister of the First Methodist Church of Sonora, were held at the First Methodist Church in Hamilton, July 20. Burial was in Roselawn Cemetery, San Antonio.
Mrs. Mathis died July 18, in Arlington.
Members of her family from Sonora who attended the funeral were Mr. and Mrs. G. H. Davis and Mrs. Davis' sister, Miss L. C. Mathis of Coalinga, California.

SERVICES IN CENTER POINT FOR SONORAN'S BROTHER

Funeral services for Fred Vaughn, 83, of Center Point, were held at the Center Point Methodist Church, July 11.
Vaughn, brother of Mrs. Robert Rees, died in Austin, July 11.
He is survived by his wife, daughter, Mrs. Tarpon Mayfield of Austin, two sons, Roy Vaughn of Barlora and Frederick Vaughn of Houston.

4-H Sets Dates For Show, Camp

Date for the Annual Sutton County Livestock Show was set for January 21, 1956 at Thursday night's 4-H Club meeting. Date for the Annual Achievement Banquet was tentatively set for December 3, 1956.

Dates for district and county 4-H camps were also announced at the meeting. District camp will be held at Scott Able 4-H Club Camp in the Sacramento Mountains west of Artesia, New Mexico, August 19, 20, 21 and 22. The County camp will be held July 31 to August 3 at a site to be determined. Fishing, swimming and just plain fun will be featured at the county camp to effect an intensive year of work with 4-H feeding demonstrations, judging contests, etc., according to D. C. Langford.

4-H boys interested in attending either or both of these camps are urged to leave their names at the County Agent's office as soon as possible.

At their meeting, 4-H members planning to feed lambs this fall were urged to begin making arrangements with ranchers for their lambs due to the fact that some lambs already are beginning to move out of the country.

CITY COMMISSION WILL CONSIDER BUDGET AT MEETING, AUGUST 1

The City Commission of the City of Sonora will meet at seven-thirty Monday night August 1 to consider the budget for the fiscal year which begins October 1, 1955.

The public is invited to be present and to participate in this meeting.

TWO INJURED IN AUTO CRASH SUNDAY

Two Ozona men were injured, one seriously, Sunday night when their car in which they were riding, a 1954 Buick, overturned three time 16 miles south of Sonora on U.S. 27.

The driver of the car, Bernie Adwell, 35, remained in a serious condition at Lillian M. Hudspeth Memorial Hospital Wednesday. Hulén Easterwood, 24, a passenger in the automobile suffered minor cuts and bruises.

Results From Last Week's Little League

Wednesday, July 13. The Cubs won over the Giants 14 to 13 in seven innings of play. Cub pitchers Carlos Badillo and Gene West struck out 14 and walked seven. For the Cubs Jamie Cervantes and Badillo hit two-baggers. Singles were by Cervantes (2), West, Sammy Sosa, Juan Ramos and Joe Favela.

Pitching for the Giants, Roland Moore and Jimmy Smith allowed seven walks and struck out seven Cubs. Smith hit two homers and Bobby Sosa, Richard Noriega, Moore and Smith doubled. Noriega singled twice.

Services For J. S. Holman Held Monday

Funeral services for J. S. (Jap) Holman, 66, long-time resident of Sutton County, were held at four o'clock Monday from the First Methodist Church with the Rev. J. E. Eldridge, pastor of the First Baptist Church, officiating.

Born in Kimble County, June 20, 1889, Mr. Holman came to Sutton County with his father, the late W.T.O. Holman, in 1901, and had made his home in the county ever since.

In 1915, Mr. Holman was married to the former Miss Nell Smith, who survives him, and entered the ranching business.

A member of the Methodist Church, he was well-known for his many charitable works.

Mr. Holman was a noted breeder of fine horses.

Survivors include his wife; his mother, Mrs. W.T.O. Holman; two brothers, Archie Holman and Homer Holman of Del Rio; two sisters, Miss Clyde Holman and Mrs. Irma Stanley of Del Rio; and several nieces and nephews.

Pallbearers were James D. Trainer, Reggie Trainer, Charles Howard and Eddie F. Smith, all of Sonora; Sam Jones, Jr., and Arthur Smith of Eldorado; and W. H. Allen and J. R. Changala of Del Rio, all nephews.

Interment was in Sonora Cemetery.

The Lions Roar

At their regular Tuesday luncheon meeting at the Methodist Church, local Lions heard Turkish visitors to Sonora, Kemal Akoz and Nurettin Utkanlar describe their year in the United States. Akoz and Utkanlar came to America in September of 1954 and have spent the past nine months studying at Montana State College in Bozeman, Montana. After completion of the school term, the two veterinarians spent some time at the United States Sheep Breeding Laboratories at Dubois, Idaho. From Idaho they traveled through New Mexico to Texas where their tour will include observation of sheep and goat ranching methods in the San Angelo, Sonora, Kerrville and College Station Areas.

The visitors stated that they have been overwhelmed by the hospitality of the American people. They will return to Turkey by plane September 1.

Following the talk by the Turkish guests, Lion Prugel reported on a trip to the Lions Crippled Children's Camp at Kerrville. Lions Prugel and Smith and their wives made this trip on an invitation extended by the District Lions officers to meet the new President of Lions International, Humberto Valenzuela of Santiago, Chile. Valenzuela spoke to the guests through an interpreter, saying that he was amazed and deeply moved at what Lions were accomplishing for these crippled children and at a cost of only twenty-five cents per Lion per month. Valenzuela was presented with a carved wooden plaque of Texas photographed by children attending the camp during its current session.

Lion Valenzuela is an industrial leader in his native Chile where he is president of various steel companies and president of the Chilean banking system.

At the conclusion of Lion Prugel's talk, Lion E. B. Keng made a brief talk on the recent rains in the country. Keng stressed that it is not how much rain that falls but how much is retained that evaluates a rainfall.

According to Keng, rains varied from one and one-half to eight inches in the county, with everyone getting some. Penetrations varied from two and one-half to thirty inches, depending on ground cover and rate of fall.

Concluding the program, Lion W. R. Cusenbary spoke briefly on the constitution and by-laws of the organization.

Luncheon was served by members of the Sonora Music Club.

CHARLES LAMB IS NEW BASKETBALL COACH

Charles Lamb, formerly of Penelope, will be Sonora High School's new basketball coach. Lamb is a graduate of Oglesby High School where he participated in football, basketball and track. He holds both BS. and M.S. degrees from Baylor University. Lamb and his wife will move to Sonora about August 15 from Pendleton where Lamb coached basketball last year.

\$2 Million Rain Covers County

Sutton County's first general rain in several years has been conservatively evaluated at two million dollars by George H. Neill, president of The First National Bank of this city. This estimate considers increased weights of livestock, greater per pound values resulting directly from the rains, as well as projected savings in feed this coming fall and winter.

The area of heaviest rain extended from western Crockett County to Gillespie County and Mitchell County to Uvalde County.

U.S. Highway 277 from Sonora to Del Rio was closed Monday due to high water in the draws south of Sonora. The Eldorado-Mertzon road was also impassable at that time. U. S. 90 west of Del Rio is still closed to traffic because of high water in the Pecos. Traffic on 90 is being routed over U.S. 290 through Sonora until such time as repairs to the temporary bridge over the Pecos can be completed.

Heaviest rain reported in Sutton County was a six-inch soaker which fell on the Jim Cauthorn ranch 21 miles south of Sonora. Other rains reported are:

Wilfred Berger, 4.00; Rip Ward, 3.10; Woolhouse, 3.88; Mrs. Sawyer, Eagle Well, 2.50 to 4.00; Annella Stites, 5.40; Mills Ranch, 1.60; Ed Mayfield, 37 miles east,

4.50; Mayfield Whitehouse Ranch, 3.40; Jim Cauthorn, 6.00; Leonard Gibbs, 2.32; Sears Sentell, 1.60.

Mrs. R. M. McCarver, 3.11; Ed Shurley, 1.45; Bill Wade, 2.50; Edwin Sawyer, 3.15; Aldwell ranch, 3.00; Duke Wilson, 3.15; Sol Kelley, 3.20; Gene Shurley, 3.00; Harold Friess, 3.50; W. B. McMillan, Mann Hdg., 2.60; Gene

Wallace, 3.10; Dave Locklin 1.75; Paul Turney, 2.40; Ben Cusenbary, 2.75; Frank Bond, 4.00; Herbert Fields, 3.40 to 6.00 W.L. Davis, 1.60; Fred Earwood, 2.40; Miers Savell, 2.30; Hospital ranch, 2.20; W. B. McMillan, Edwards Co., 2.50; W. B. McMillan, 2.00; Alvis Johnson, 4.20; John Fields, 4.40; Bill Fields, 4.30 and Miss Nettie Word, 3.00.

The lake bed on the Alfred Schwiening, Sr. ranch was almost filled by Monday's rain which dropped 2.60 inches-the largest rain to fall there since 1949.

CAKE SALE SATURDAY FOR COUNTY 4-H FUNDS

In a joint meeting with the 4-H Club, Sutton County 4-H Parents Club voted to hold a baked food sale Saturday July 23, at Sonora Appliance Store. Funds raised by the sale will be used to carry on the 4-H Club program in Sutton County.

HARDY AND ROSS NAMED OUTSTANDING STUDENTS

July—(Spl)—Tyree D. Hardy and Joe David Ross of Sonora have been named distinguished students for the spring semester at Texas A. & M. College. A distinguished student must have a grade point ratio of 2.25 or better.

White Sox Take Dodgers In Pony League Play

This week's Pony League play resulted in victory for the White Sox over the Dodgers Tuesday night. The White Sox scored 8 hits from 27 times at bat while the Dodgers scored 10 hits from 31 times at the plate. Allen Wall hit a pair of home runs for the White Sox and Ben Castillo and Carlos Ortega hit homers for the Dodgers.

Ranger Killed In Car Accident

Clarence Nordyke, Texas Ranger serving this district, was killed instantly Monday morning when his car hit a bridge and overturned about four miles east of Mertzon.

Nordyke was returning to Ozona from San Angelo when the accident occurred during a heavy rain.

RECEIVES EYE INJURY

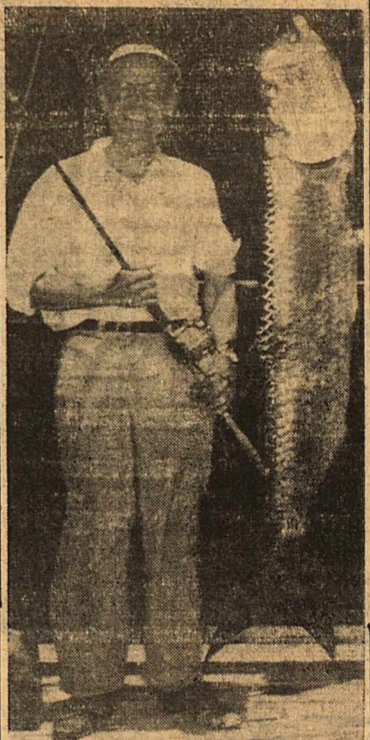

Roy Patterson, employed on the Lillian M. Hudspeth Hospital ranch, suffered injury to his right eye Thursday morning when a piece of steel penetrated the eye.

After receiving treatment locally, Patterson was taken to San Angelo and San Antonio where he underwent surgery for removal of the steel particle Saturday.

Mr. and Mrs. Fowler Stucke of McCamey and Mr. and Mrs. John McMann of Odessa were weekend guests of Mr. and Mrs. Jim Pharis on the Eagle Well Ranch.

LUCKY ANGLER-The Rev. W. H. Marshall, pastor of the First Methodist Church of Sonora,

beams a smile as he poses with the large tarpon he landed here July 6. Caught from a boat near the north jetty, the silver king measured five and a half feet and weighed 68 pounds. It was the pastor's first tarpon and by far his largest fish. He landed the fish after a 20-minute battle.

Mr. Marshall, who is on a 30-day vacation from his pastorate at Sonora, was fishing with his son, Charlie Marshall, when he hooked the tarpon. He and Mrs. Marshall recently concluded a visit with their son and his family here. Aransas Pass Progress.

Jurors Being Selected For Bingham Trial

Jury members were still being selected Wednesday in Port Stockton to hear the trial of Leonard L. Bingham, 24, confessed slayer of Mrs. Jo Ethel Lambert.

Witnesses called to testify once a panel is selected are Lawrence Nicholas, H. E. Moore, Clay Puckett, Dr. J. F. Howell, W. C. Bicker, Bill Gotman, Lester McDonald, Katie MacDonald, Gloria Kerbow, Robert L. Nolen, Leonard L. Bingham, Donald L. Behrens, Mrs. Billie Smith, Boyd Lovelace, and Jack Kerbow.

SUBSCRIBE TO THE NEWS

Sonora Youngsters To Receive Second Polio Shots Tuesday

Sonora first and second grade students will receive the second in the series of Salk-anti-polio vaccine injections Tuesday, July 26. This announcement was made by County Health Officer Dr. J. F. Howell following his receipt of information that Sutton County's allotment of the vaccine would be available in Austin the first part

of the week. Students of Central Elementary School will receive their shots at 9:30 Tuesday morning and students of L. W. Elliott will receive injections at one-thirty Tuesday afternoon.

Parents are asked to have eligible children at the schools at the prescribed times.

ODDS & ENDS

Value of the rain which fell this week was estimated by George H. Neill at \$2,000,000 in Sutton County alone. From this overwhelming information we have drawn the following conclusion: The rain dropped in the pocket of every man, woman and child in the county, 3,764 souls according to the 1950 census, exactly-\$538.90!

Now, ladies, don't get us wrong—we do not advocate going out and spending your \$538.90 on mink coats, Dior gowns or gold-plated bath tubs. Neither do we advise the children to invest heavily in Davy Crockett stock-in-trade.

What then? Sit back and count every dollar of it (and the extra 90 cents) for the rest of the week and Sunday show up in church with a smile and a prayer of thanksgiving.

As a result of Monday's rain, Lowrey Draw got a little out of hand Monday night and traffic on Water Street was diverted. Flares were left out all night to warn of water over the crossing.

Many, many of our rain reports were incomplete this week due to so many rural phone lines being incapacitated. We are anxious to hear the totals on these reports.

Adding to the freshly-spring-cleaned look about town following Monday's soaker is the Santa Fe Station which has just received a new roof and fresh paint.

This week's Devil is in the mail a day earlier than usual. This we planned in order that we might move into our new location in time to get next week's paper out on schedule. Early publication was accomplished through co-operation of our contributors and we here express our appreciation to them.

The new abode of the Devil certainly looks the part right now but we hope in a matter of days to have a home which will be no disgrace to its neighbors on Main Street.

OIL NEWS

El Paso Natural Gas Co. of Jal, N. M. No. 1 R. M. Thompson, in 2-HIHE&WT, assured 1 1/2 mile north extension to Sonora (Canyon sand) gas field of Sutton County, 10 miles north of Sonora, flowed 5,160,000 cubic feet of gas in unreported time.

Flow was from open hole between 5,298-5 to 5,615 feet which had been fractured with 3,000 gallons. The project is bottomed at 5,615 feet. Testing continued.

Union 1 Schwiening, bottomed at 4,353 feet, loosening drillpipe. Dunningan Tool and Supply Co. and Prince Brothers and J. W. Gehle, wildcat in 3-6-TWANG, 15 miles east of Sonora, plugged and abandoned, total depth was not available. Elevation is 2,344.60 feet.

El Paso 1 Thompson, bottomed at 5,915 feet, taking a calculated potential.

Joe Renfro

Donald Fuqua

George Wright

George Wright, Joe Renfro and Donald Fuqua, May graduates of Sonora High School and Bronco lettermen, have announced plans to attend the colleges of their choices.

Wright, named on the all-state team for 1955, an honor student and leader in school activities, has signed to attend the University of Tennessee on an athletic scholarship.

Renfro has signed a similar agreement with Texas Technological College where he will concentrate on track and high and low hurdles.

Fuqua plans to attend Southern Methodist University where he will play football.

Gordon R. Wartenbach, communications technician third class, USN, son of Mr. and Mrs. Wallace Wartenbach of Sonora, is serving at the U.S. Naval Communication Facility here.

Before entering the Navy in April 1953, he was graduated from Mason High School and was employed by the Brady Aviation Corporation.

Heart O' The Hills Camp for Junior Girls, located 16 miles west of Kerrville, opened its fifth term on July 6 with girls from 6 to 13 years of age enjoying four wonderful weeks of summer camping. The girls will participate in such activities as swimming, horseback riding, outdoor camping, arts and crafts, dramatics, dance, and sports of all kinds.

Among the girls attending camp from Sonora is Joe Addah Johnson, daughter of Mr. and Mrs. J. E. Johnson, Jr.

IT'S THE LAW in Texas

A public service lecture of the State Bar of Texas

RIGHTS AND LIABILITIES
Rights can be assigned but liabilities can't. Or, to state it another way, ordinarily you can sell or convey what you own, but you can't free yourself from your debts by getting somebody else to promise to pay them.

The usual application of this is obvious. If I borrow \$100 from you and promise to pay it back, I can't release myself from liability to you for the \$100 by getting my neighbor to promise to pay it for me. True, he may become bound to pay it also, but I am also liable, unless you, as creditor, agree to release me and substitute him as debtor.

This simple principle, when involved in a more complicated contract, is sometimes lost sight of. For instance, Adams sells his house to Brown under a contract which calls for monthly payments of \$100. After making payments for about three years, Brown decides he wants to sell to Carver who is willing to pay him the amount of his property interest (his equity) and to assume and pay the remaining \$100 monthly payments as they become due.

Now Brown ordinarily can assign his interest in the contract to Carver with or without the consent of Adams (unless the contract calls for the consent of the vendor). He can do this because it is a property right which he owns.

But because Carver has assumed and agreed to pay the remaining balance owned on the Adams contract, Brown isn't released from liability even though Carver has also become liable. The only one who can release him is Adams. Brown can't without Adams' permission, erase his name from the contract and make a stranger to the contract the only one liable under it. Adams has the right to hold Brown to his original promise.

Your Health

Some people react to the pressure of modern life like a stick of soft pine reacts to a wood rasp. You probably recall days when an unexpected event, an accident or a brush with the boss, tied your stomach in a knot. You were suffering, the State Health Department says, from one of the more common forms of indigestion: nervous tension and excitement.

The stomach, the experts say, is largely controlled by the involuntary nervous system. You get keyed up, your stomach over-secreted, and you feel the pain.

Actually, the Department points out, there are many directly traceable causes of indigestion. Lack of sleep and exercise, improper diet, and similar artificial conditions can bring it on.

You've heard the old saw about man's meat being another man's poison? It's literally true. Even healthful and nutritious foods may rub you wrong. They contain organic acids which could upset the balance of your particular stomach.

Your favorite fruit may contain malic-acid, oxalic-acid, or citric acid. One or more of these may give trouble, causing ungentlemanly or unlady-like belching.

Or the degree of ripeness of a fruit or vegetable may cause fermentation in the stomach, bringing on unpleasant results.

Condiments or strongly flavored foods are other causes of indigestion. They often cause the stomach to secrete too much hydrochloric acid. In normal people the stomach neutralizes what it over-secreted, but people with ulcers suffer painful "indigestion."

Greasy foods are particularly troublesome to people with malfunctioning gall bladders or liver

diseases.

Tannic-acid can be found in 8 of the most commonly used hot drinks. And here's the last straw: Even water, if you drink lots of it, may start your stomach churning out its digestive juices.

In any case of indigestion, frequently taking baking soda to relieve it is a mistake, health men agree. The temporary relief may cause some sufferers to "play down" symptoms of a serious ailment, thereby causing him to prolong medical attention.

Ask your grocer to order lamb.

No wonder this Hardtop is the HIT OF THE YEAR!

IT'S 4-DOOR HANDY —and priced for action!

This one you'll just have to see. It's a beauty. It's a brand-new kind of car. It's a Buick Riviera with four doors. And to top it all—it's a SPECIAL—the lowest-priced of all Buick Series.

Know what that means? It means you can have the newest hit in hardtops—the most advanced new body design yet—and you can have it in the price range of America's smaller cars.

It means you can have a steel-roofed car with the long, low, sweeping sportiness of a convertible—with no center posts in the side window areas—and with two separate doors to the rear.

And you can have all this hardtop beauty with sedan comfort and convenience at the easy-to-take modest extra cost of a 4-door model over a 2-door model.

But if you think that's all—listen: This gleaming grace of automobile is a Buick through and through—a '55 Buick, from the hottest-selling line of Buicks in all history.

So here you have the soft, firm steadiness of Buick's all-coil-spring ride and torque-tube stability. Here you have Buick brawn, Buick solidity, Buick handling ease, Buick styling and visibility and interior luxury.

And here you have the lift and life of vigorous new V8 power of record might—and coupled to the spectacular performance of Buick's Variable Pitch Dynaflo.*

Why wait a day longer—when you can come in right now and try the first true hardtop with the extra comfort, room and convenience of a full-sized 4-door sedan?

Drop in tomorrow, first thing—for a look at the price, and an idea of the whopping-big trade-in deal our huge sales volume permits us to make.

*Variable Pitch Dynaflo is the only Dynaflo Buick builds today. It is standard on ROADMASTER, optional at modest extra cost on other Series.

NOW-Biggest Trade-in Deals ever on the Biggest-Selling Buicks in History! Come in and see!

QUESTIONS AND ANSWERS FROM VETERANS ADMINISTRATION

Q - Are there any conditions at all under which a Korea veteran could draw GI unemployment pay and GI training allowances at the same time? I understand that normally the dual payments are prohibited by law.

A - There are two exceptions to the law barring simultaneous receipt of both payments. Korean

veterans taking GI correspondence courses, as well as those in school less than half-time, may be eligible for GI unemployment allowances at the same time as they are drawing GI training allowances.

Q - I want to apply for disability compensation but, since I do not live near a VA office, I cannot pick up an application form. Could I apply merely by writing VA a letter and describing all the facts in my case?

A - Yes. Your letter will be considered as an "informal claim." VA will send you a formal application which you must fill out and return. The date of your filing will be the date of your original letter, so long as VA receives the formal application within one year.

Q - I am planning to buy a house with a GI loan. Is it absolutely necessary to have the property appraised?

A - Yes. Appraisal is required by law, in order to protect you. The law requires that the purchase price be no more than the "reasonable value" as determined by proper appraisal made by an appraiser designated by the VA.

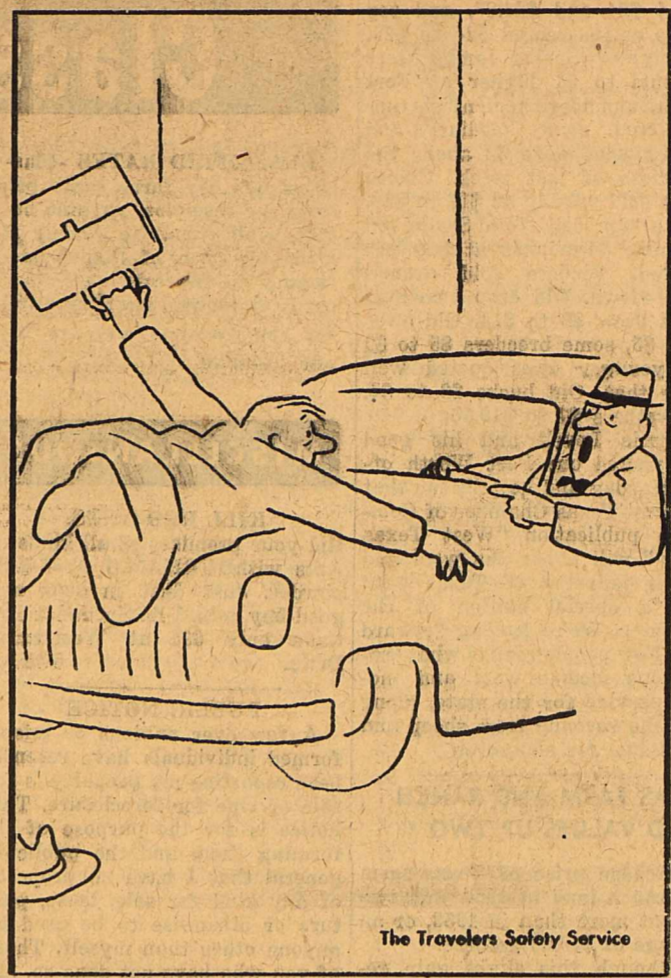

Q - I am going to college under the Korean GI Bill. Will I receive my GI training allowances during the summer vacation months, when I am not in school?

A - No. The GI training allowances will not be paid during the summer vacation months when you are not actually in training.

AS TRAFFIC BOOMS TRAGEDY LOOMS

Now's the time when vacationing Americans take to the wheel. And as vacation travel booms, traffic accidents also boom.

This disconcerting fact was pointed out by E. C. McFadden of Dallas, Vice-President of Employers' Casualty Company and President of the Texas Safety Association, the Department of Public Safety in cooperation with the National Safety Council. Slogan of the program is: "Drive to Arrive Alive-Slow Down and Live!"

"Traffic accidents start a sharp upward climb in July," McFadden said, "and they continue to rise throughout August, marking the happy vacation months with grief and destruction."

McFadden said that it is entirely unnecessary for the increase in motor travel to result in a corresponding increase in traffic deaths. In his opinion, motorists could cut the traffic accident toll greatly if they would plan their trips carefully, then drive courteously and intelligently when they're on the road.

He listed the following six rules as "musts" for a safe motor trip:

1. Plan your trip so that you have plenty of time to reach your destination and return, without speeding or driving when fatigued.
2. Learn driving regulations of the states you expect to travel through before you start on your trip.
3. If you drive, don't drink; if you drink, don't drive.
4. Watch for and heed all road signs and speed limits.
5. Have your car (and trailer, if you are going to use one) completely safety checked so that you are sure everything is in first class condition mechanically.
6. Load Your car carefully so that luggage and equipment do not interfere with vision, will not shift dangerously in an emergency.

"And," said McFadden, "here are a couple of good slogans to keep in mind every minute you're on the road: 'Drive to Arrive Alive-Slow Down and Live,' and, 'Make Courtesy Your Code of the Road.'"

Mr. and Mrs. Billy Hayden and son, Riekey Don, of Junction City, Kansas have been visiting her parents, Mr. and Mrs. W. R. Drennan.

Sgt. Oscar Drennan was separated from the Air Force, July 2, at Fort Bliss in Fort Worth. He is at home with his parents, Mr. and Mrs. W. R. Drennan.

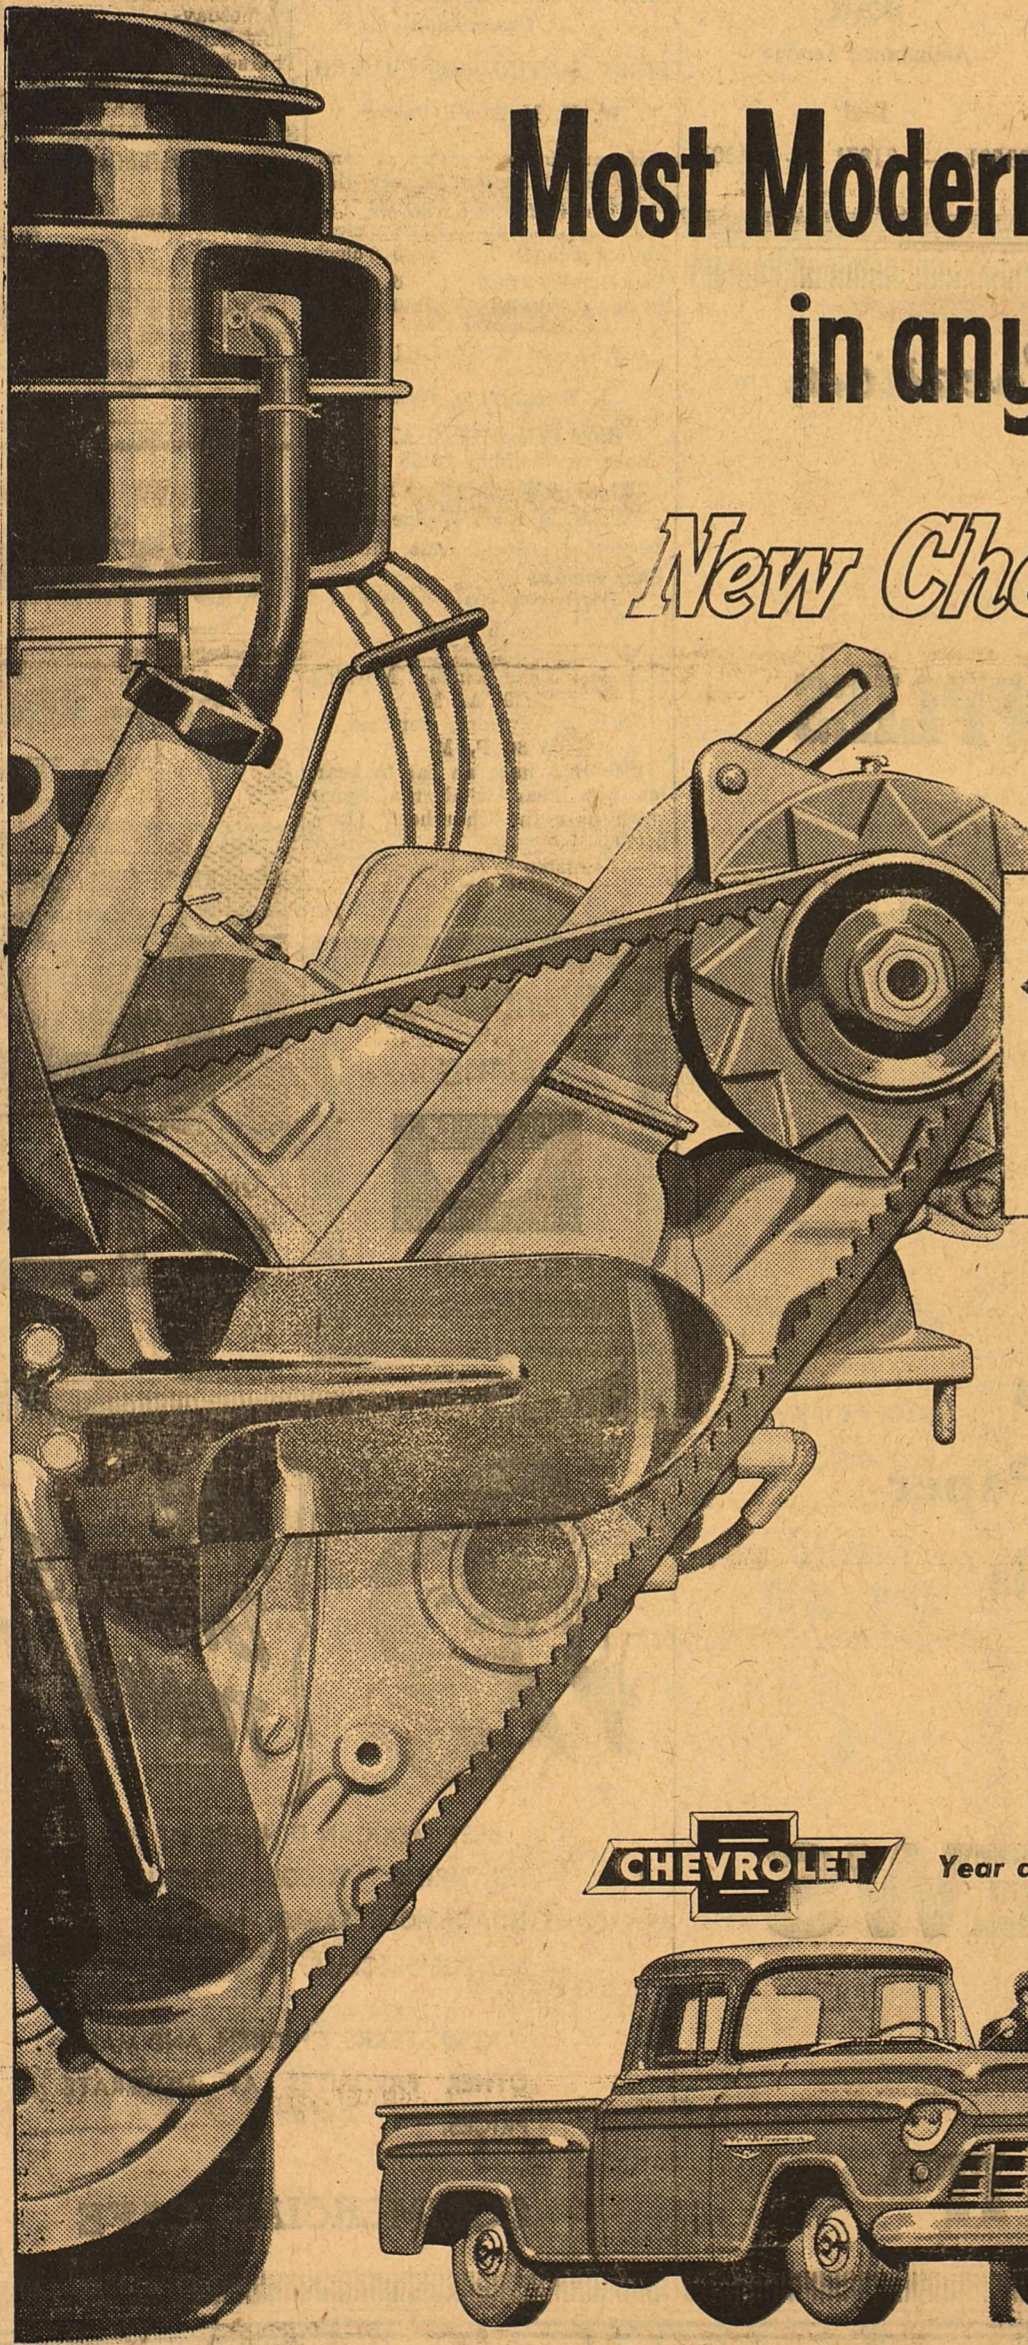

Mrs. Harold Evans and children, Michael, J. T. and Melissa of Albuquerque, New Mexico, are visiting Mrs. Evans' mother, Mrs. C. A. Tyler.

Dick Hardgrave has returned from San Angelo where he spent a week with his grandparents, Mr. and Mrs. E. J. Hardgrave.

Most Modern, Shortest Stroke V8's* in any leading truck!

New Chevrolet Task-Force Trucks

Here's the measure of a truly modern V8 engine—Chevrolet's advanced oversquare design. It means less friction... longer engine life!

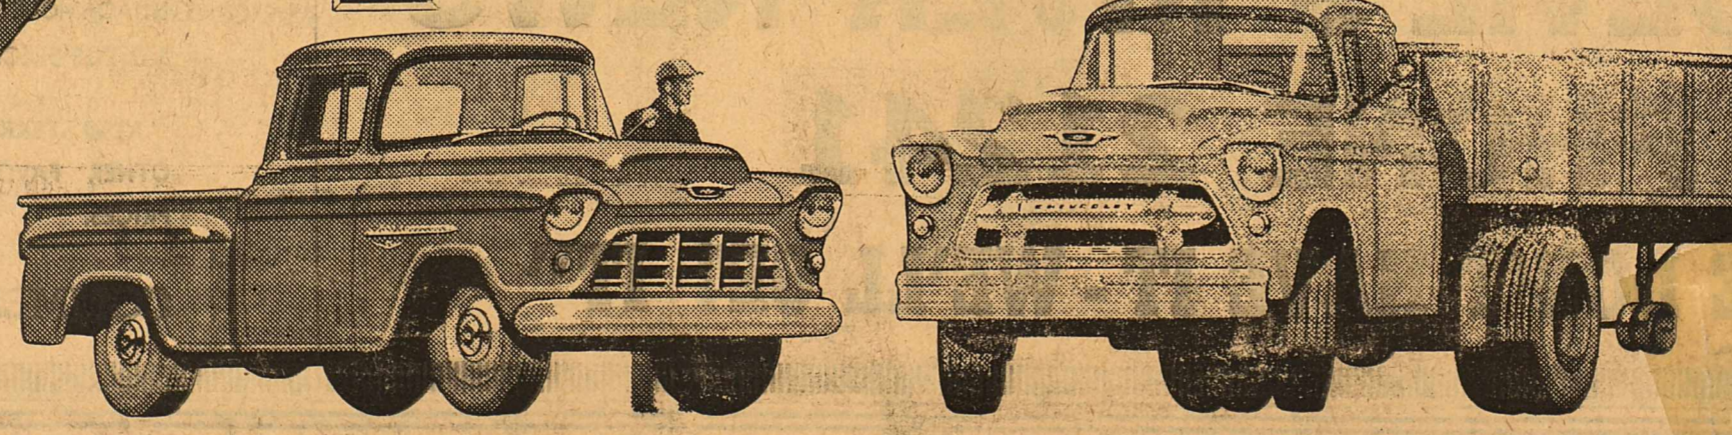

Here are more dollar-saving reasons why new Chevrolet trucks offer you the most modern V8's* your money can buy!

- MODERN 12-VOLT ELECTRICAL SYSTEM**
You get double the punch for quicker starting (up to 30 percent faster cranking speed) and a hotter, fatter spark for more efficient ignition.
- GAS-SAVING HIGH-COMPRESSION RATIO**
With a high 7.5 to 1 compression ratio, Chevrolet's new V8 truck engines squeeze extra power—and work—out of every tankful of gas.
- EXTRA-HIGH POWER PER POUND**
Since these V8's deliver high power per pound of engine weight, more of the power is actually available for hauling.

- ADVANCED AIRCRAFT-TYPE VALVES**
Valves function independently, as in modern aircraft engines. Valve action is more positive at all speeds for finer, smoother performance.
- FLOATING OIL INTAKE... FULL-PRESSURE LUBRICATION**
New floating oil intake selects the cleanest oil for engine lubrication. Full-pressure lubrication system provides positive protection for vital engine parts... extends engine life.

*V8 standard in the new L.C.F. models, an extra-cost option in all others except Forward-Control models.

LET'S TALK LIVESTOCK
BY TED GOULDY

Fort Worth—The smallest Monday offerings of cattle and sheep since early in the year appeared at Fort Worth this week, with less than 40 percent of the normal numbers of cattle and calves on hand. The reason was some good showers and good rains in many parts of the territory.

The situation enabled salesmen to press for and get better prices on all cattle and sheep.

Cows, slaughter calves and most stockers were 50 cents higher and many calves tacked on 50 cents to \$1 per hundred advanced. Fat cattle also sold better, and two loads of steers topped at \$23.25, the best price is about 90 days here for the class. Bulls were stronger.

Comparative prices showed: Slaughter steers and yearlings \$10 to \$23.25; slaughter cows \$6.50 to \$12.50; bulls \$10 to \$14.50 slaughter calves \$9 to \$19; stocker steer calves \$15 to \$20.50; stocker steer yearlings \$14 to \$19.50; replacement cows \$12 down.

The Texas Hereford Association has announced two Fall feeder calf shows and sales to be held at Fort Worth. First one will be September 16. The second will be October 21.

Their first sale an outstanding success with 1,670 calves sold for a gross of \$153,628.72. Nearly a \$92 average. Market observers reported the reason for the higher average on Angus calves was due to the improved market in the interval between them and that fewer small calves and plain kinds were entered among the

blacks.

Top Hereford feeder calves scored \$24 and \$24.25, and top Angus calves scored \$24 to \$25. Slaughter Spring lambs were 50 cents to \$1 higher at Fort Worth, and more lenient sorting considered some medium and lower grades were \$2 above the low close of last week. Choice lambs sold readily at \$17 to \$18, with a top load from Sanderson weighing 84 pounds at \$20 per hundred. Feeders sold around \$13.50 down. Old crop yearlings lambs drew \$8 to \$14. Old ewes \$4 to \$5, some breeders \$5 to \$9 and younger ewes quoted well above that. Old bucks \$3 to \$4. Old wethers \$7 to \$10.50.

Jimmie Lovell and his good wife visited our Fort Worth office Monday and he tells me that the West Texas Chamber of Commerce publication "West Texas Today" will honor the wool and mohair industry of Texas soon with a special edition of the magazine. We're looking forward to it. Few people realize what tremendous income wool and mohair provide for the state, along with the revenue from sheep and goats sold for slaughter.

TEXAS FARM AND RANCH LAND VALUES UP TWO %

Purchase price of Texas farm and ranch land in 1954 was two percent more than in 1953, or an average of \$70.20 an acre.

Although this slight gain represented a new price level, the number of sales dropped to the lowest level since 1940 and the acreage transferred was the smallest in land market record history.

"Continued drought, decreases in agricultural prices, acreage allotments and 'tight' holdings of land tended to depress land market activity," William G. Adkins, agricultural economist at Texas A. & M. College, explained. Fewer Veterans Land Board purchases and modifications of that program helped push the sales

THE DEVIL'S RIVER NEWS

Sonora, Texas, Friday, July 22, 1955

**Congratulations
To These
NEW PARENTS**

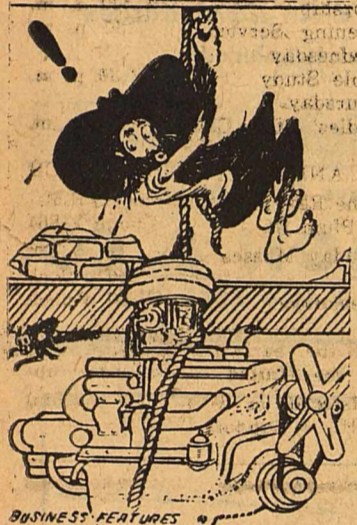

Mr. and Mrs. Cleveland Nance are the parents of a daughter, Janice Sue, born at Lillian M. Hudspeth Memorial Hospital, July 20. The baby weighed 5 pounds and 9 3/4 ounces. Grandparents are Mrs. Mildred Zimmerman of Menard and Mr. and Mrs. R. G. Nance.

**VALLIANT REUNION
AT BRADY SATURDAY**

Mrs. R. V. Kelley, Mr. and Mrs. R. B. Kelley and Bobby, Mr. and Mrs. Clarence Valliant, Edward and Don, and Arch Valliant attended the Valliant family reunion at Brady last Saturday. 79 members of the family were present.

Mr. and Mrs. Bill Ray and daughter, Kim, of Lubbock visited relatives in Sonora and San Angelo, during the weekend.

**MRS. STITES HOSTESS
TO PASTIME 42 CLUB**

Mrs. C. E. Stites was hostess to the Pastime 42 Club at her home last week. Arrangements of mixed garden flowers were used to decorate the party rooms. Mrs. Joe Berger won the high club score and Mrs. Nellie Allen won the high guest score. Ice cream and cake were served to Mesdames E. V. Kelley, Lee Labenske, O. G. Babcock, J. W. Trainer, Ella Wallace, J. A. Cauthorn, Berger and Allen.

**BIRTHDAY PARTY FOR
EVELYN JANE LOWE**

Mrs. A. E. Lowe honored her daughter, Evelyn Jane, on her third birthday with a party Wednesday, July 13. Appropriate games were played and small books were given as favors. Punch, ice cream and cake were served.

Those attending were Joe Ray, John K. Wilson, Mitch Trainer, Jane Sawyer, Richard Davis, Mitzl Friend, Dicky and Norma Gayle Hamilton, Libb Mills Wallace, Lee Chastain, Susanne Davis and Jo Ann Lowe. Mesdames Libb Wallace, James Wilson, R. W. Wallace, Eula Regeon, Spot Friend, Clayton Hamilton, Gene Wallace, Daymond Davis and Miss Roberta Buhrkuhl.

**METHODISTS TO HAVE
GUEST MINISTER SUNDAY**

B. L. Jackson of San Angelo will conduct services at the First Methodist Church Sunday during the absence of the Rev. W. H. Marshall. Jackson, a lay reader, is head of the San Angelo Welfare Organization.

**ANNUAL REUNION HELD
AT CEDAR HILL JULY 16**

The Cedar Hill annual reunion which was held at Camp Allison, July 16, was attended by 203 ex-students and guests. Ross Goodall and Herman Thiers of Roosevelt barbecued meat for dinner and supper, and Johnnie Martin's Melody Boys furnished music for dancing.

**GIFT TEA HONORS
MR. AND MRS. W. K. REGEON**

A gift tea, honoring Mr. and Mrs. W. K. Regeon, was given at the Baptist Church Saturday night. Hosts were Messrs and Mesdames Carl Cahill, J. A. Cauthorn, W. L. Davis, R. W. Dronnan, Lamar Fuqua, Pat Lyles, Wallace Pepper, Cashes Taylor and Rip Ward.

Miss Roberta Buhrkuhl of Springdale, Arkansas registered guests, Mrs. J. E. Eldridge, Mrs. Tom White, Mrs. A. E. Lowe and Mrs. James Wilson alternated at the serving table.

The table was centered with an arrangement of mixed summer flowers. Summer flowers were also banked around the punch bowl and used for decorating the room.

Johanie Martin's Melody Boys presented music during the evening.

Cpl. Jessie W. Powell, Jr., who has recently returned from Guam, has been visiting his mother, Mrs. Dora Mae Powell, and her brother, Walter Newton, for the past month. His next station will be Camp Walters, Mineral Wells.

Mrs. Eula Regeon had as guests last weekend, Mr. and Mrs. Claude Chadwick, of Anson.

Mrs. M. A. Michael of Los Angeles was the guest of Mrs. C. E. Stites during the weekend. Mrs. Michael was formerly Miss Minnie Palmer and a resident of Sonora about 40 years ago. She enjoyed visiting with old friends and noting the changes that had been made in the town.

Mr. and Mrs. Arthur Carroll and Darcy have returned from a week's visit in San Antonio, Galveston and Houston. In Houston they visited their mothers, Mrs. Ernest Carroll and Mrs. T. H. Sanders among other relatives.

Bill Whittemore of Newton, Kansas, is visiting his sisters and their families, Mrs. Maxine Ellingson and Mr. and Mrs. Roy Cooper.

Mr. and Mrs. Billy Savell of Waco spent last week in Sonora with their parents, Mr. and Mrs. Miers Savell and Mr. and Mrs. Leo Bishop.

**CLUB 13 MEETS
WITH MRS. GROBE**

Mrs. Ed Grobe was hostess to Club 13 at her home last Thursday afternoon.

Mixed summer flowers were used for decorating and a desert plate and tea were served.

Mrs. Gene Wallace won the high club score, Mrs. J. F. Hamby won the high guest score, Mrs. S. M. Kerbow won the slam prize and Mrs. Andre Truden won the bingo prize.

Those who attended were Mesdames Leroy Whitworth, R. W. Wallace, James D. Trainer, A. E. Lowe, Harold Scherz, Sam Logan, Max Hardegree, Gene Wallace, Kerbow, Hamby and Truden.

Miss Vicki Savell has completed her summer course at Baylor University, Waco, and is at home with her parents, Mr. and Mrs. Miers Savell.

Mr. and Mrs. Jack Stockley, Johnnie and Mary of Quemada, visited Mrs. Stockley's brother-in-law and sister, Mr. and Mrs. Paul Turney, this week.

Mrs. George D. Wallace and son, Joe, left Monday for Greenville, where they will visit her parents, Mr. and Mrs. Leo Neal.

Mr. and Mrs. Harold Friess and sons left Tuesday for a few days visit in Dallas. They will also visit his parents, Mr. and Mrs. C. T. Friess of Rochelle.

Mr. and Mrs. George H. Neill and Jane attended funeral services for Mrs. Neill's aunt, Mrs. Tom Gullett, in Austin, Wednesday.

Ask your grocer to order lamb.

**ANNELLA STITES HOSTESS
TO WEDNESDAY BRIDGE**

Miss Annella Stites entertained the Wednesday Bridge Club at her home last week.

The party rooms were decorated with mixed arrangements of garden flowers. Lemon sherbet and caked were served.

Mrs. Edwin Sawyer and Mrs. Edwin Mayer won the high score prizes, Mrs. Louie Trainer won the slam prize and Mrs. Gay Copeland won the bingo prize. Table prizes were won by Mrs. C. T. Jones, Jr., Mrs. Joseph Logan, Mrs. Henry Greenhill and Mrs. Harold Friess.

Attending were Mesdames A. C. Hudson, Rip Ward, Hillman Brown, R. B. Kelley, Harold Schwingen, Charles F. Browne, C. D. McCade, George H. Neill, Lea Allison, Carra Simmons, Copeland, Friess, Greenhill, Logan, Jones, Sawyer, Mayer and Trainer.

**RAISE YOUR OWN
FISHING BAIT!**

Ever plan a fishing trip only to have it squelched because there was no bait? That's typical fisherman's luck, all right, but the "no bait" part of this story has a simple remedy.

An ordinary wash tub filled with the proper soil and buried in the ground should yield from 3,000 to 5,000 fishworms a year, says R. E. Callender, Extension wildlife management specialist. The tub or other bed should rise three or four inches above ground level.

"Fifty to 100 worms are enough to start a tub-sized worm bed," says Callender. English redworms or "redwigglers" are preferred by most pole-and-cork experts. They are very active, prolific and reproduce throughout the year.

Moisture and soil are "key" considerations in a productive worm bed. A fine clay loam containing lots of humus or well decomposed organic matter is ideal. Locate the bed in the shade and moisten with water every week or two, or more often during the summer months if needed.

To provide needed drainage, the specialist suggests cutting a two inch hole in the bottom of the container and covering it with a patch of fine copper screen wire. Don't disturb the worms too often, Callender cautions. Two such tubs would allow the use of worms from one while the other is left undisturbed.

As for food, worms feed on the soil from which they digest organic matter, both animal and vegetable. The leaves of celery, cabbage, lettuce, turnips and other vegetable are readily taken by the worms when small amounts are worked into the topsoil. A mixture of one part kitchen fat and two or three parts of corn meal also makes an excellent ration.

Mrs. Roy Cooper and Debra, and Billy Bob Ellingson accompanied by Bill Whittemore, arrived Monday from Newton, Kansas where they had been visiting Mr. and Mrs. J. S. Whittemore.

Mr. and Mrs. George H. Neill have returned from Cuero, where they visited Mrs. Neill's sister, Miss Bertha Harris. Miss Harris accompanied them home.

Miss L. C. Mathis of Coalinga, California is visiting her brother-in-law, and sister, Mr. and Mrs. G. H. Davis.

Soil Conservation District News

Prepared by Local SCS Personnel
News of Edwards Plateau Soil Conservation District

Grass growing rains of drought-easing proportions blanketed Sutton and adjoining counties during the past few days. Wide variations of moisture from approximately 1.50 inches at Sonora to 6.00 inches at the J. A. Cauthorn ranch were splashed out Monday

morning to climax several days of scattered showers.

This was the first rain in several years which covered the entire Edwards Plateau SCD at one time. Moisture penetration varied more widely than rainfall. Moisture penetration holes dug on bare valley rangeland which had received 5-8 inches of rainfall since Thursday, showed dry soil at only 3 inches deep. Rangeland with grass cover soaked water to a depth of 12 to 30 inches. "It's the rain you keep that counts."

The Edwards Plateau trial area on the Fields ranch received 1.05 inches Thursday; .09 inch Friday; .35 inch Saturday, and 2.00 inches Monday, for a total of 3.49. This will insure survival and establishment of a good stand of grass on the pitted area. Some buffgrass is beginning to seed, and other grasses are growing rapidly.

The long awaited rains will give most ranchmen an opportunity to shift livestock and rest pastures. Rapid progress toward covering the bare spots can be made in rested pastures during short periods of six to eight weeks. Additional rain will, of course, be needed to insure continued grass growth.

Newly pitted valley land on ranches owned by Mrs. Thomas Espy and Alvis Johnson soaked up good moisture that would have otherwise been lost. Mrs. Espy received 2.60 and reported that practically none of it was lost from the pitted area. The stored moisture will produce a quick cover of weeds, and grass plants still alive on the area will make very rapid growth.

Lt. Col and Mrs. Robert D. Johnson and son of Paris, France, and Col. Johnson's father, Samuel Johnson, of San Antonio visited this week with Col. Johnson's sister, Mrs. Emerald Smith, and his uncles, Elmo and Alvis Johnson. They were enroute to Quantico, Va. where Col Johnson will be stationed.

Mr. and Mrs. R. L. Hallum, Mrs. Margaret Dungan and Jon Barton Dungan, left last week on a tour of the northwestern states and Canada. They plan to be gone two weeks.

Mr. and Mrs. Billy Galbraith, and daughters, Cindy and Debra are spending their vacation in New Mexico and southern Colorado.

Mrs. Tom Sandherr has returned from a visit to relatives in Pumpville and Carta Valley

Mr. and Mrs. E. B. Tipton, Jr. and daughters, Hilde and Carol, of Dallas are visiting in the home of her parents, Mr. and Mrs. O. G. Babcock.

Mrs. B. D. Hayden of Junction City, Kansas is the guests of her parents, Mr. and Mrs. R. W. Drennan.

and George Reynolds were in town for a few days, during the holidays. The Messrs Reynolds were greatly pleased with our western celebration.

Mr. and Mrs. Wade Barbee of Eldorado, were the guests of Mr. and Mrs. W. L. Aldwell, Wednesday.

Austin, Texas, July 15- the 1912 and 1913 State advalorem tax rate will be 10c on the \$100 property value. The school tax rate will stand at 16 2/3 cents.

These figures were fixed by the State automatic tax board at its regular meeting today.

The tax for general revenue represents a decrease of 2 1/2 cents from last year, the 1911 and 1912 rate being 12 1/2 cents.

For Sale Cheap—A good \$150 buggy and \$30 set of harness for sale cheap. See J. A. Hagerland.

Mr. and Mrs. Wilburn Miers of Devil's River were the guests of Mr. and Mrs. Theo Savell this week.

Will Wilkerson was in from the T-Half Circle ranch several days this week, taking in the races and dances.

Tom Paull of Coleman was in Sonora this week with about 100 head of bucks raised by Fred Beck of Coleman. J. A. Ward of Sonora bought them at p.t. and will sell them at a bargain.

Asa Robertson of Ozona was one of the old timers who had a good time in Sonora this week.

Bob Peacock was a pleasant visitor in Sonora for a few days this week.

John Ammonds of Del Rio was in Sonora a few days this week. He wants to lease his pasture near Comstock.

Mr. and Mrs. Jap Brannon of Robert Lee were the guests of Mr. and Mrs. H. P. Cooper a few days this week.

Mr. and Mrs. Ira Word and children who are ranching near Comstock, were visiting friends and relatives in Sonora this week.

E. Webb, who recently purchased the Parkerson ranch in Edwards County, was a business visitor in Sonora a few days this week.

Will Gurley of Del Rio was in Sonora this week. Will had a fine horse with him which he sold to Ozona parties for \$300.

Dan Casbeer of Ozona came over Wednesday to see how his race mare was doing and to renew old acquaintances.

Mr. and Mrs. T. L. Drisdale, who ranches near Juno, were pleasant visitors in Sonora this week.

Miss Ethel Fletcher of Kansas City is visiting Mr. and Mrs. H. H. Sparks.

John Bryden, who ranches about 12 miles west of Sonora, was in town Monday trading.

Will and Dillard Eabb of Langtry were in Sonora taking in the races this week.

The Democratic executive committee appointed R. W. Davis, R. E. Taylor, W. B. Adams, Claude Stites, and W. D. Wallace presiding officers of the election to be held July 27, 1912, in precincts, 1, 2, 3, 4, and 5 respectively.

Frank Galloway, who ranches on Devil's River, was taking in the sights in Sonora this week.

Mr. and Mrs. Ed Mears and Miss Annie Lou Mears of Menard were in Sonora this week enjoying themselves.

CATTLE NEED CALCIUM

If no legumes are included in a fattening ration for cattle, there may be a deficiency of calcium in the feed. This element is needed, according to U.D. Thompson, extension animal husbandman, because it contributes to the animal's bone development.

It is most important in rations for young animals.

Calcium may be supplied in many forms, such as pulverized limestone, oystershell, or calcium carbonate. One ounce of calcium in the daily ration in any of the forms should make up for any calcium deficiency due to the absence of legumes, Thompson suggests.

Another valuable calcium supplement mentioned by the specialist is steamed bonemeal. This contains both calcium and phosphorus, and it can be fed free choice in a box next to the salt-box, with some covering to protect it from the weather.

Nothing measures up to WOOL. Make your next suit MOHAIR.

FOWL TICKS MEAN POULTRY WEIGHT LOSS

Poultry heavily infested with fowl ticks becomes unthrifty and may lose weight during the summer months if proper control measures are not followed.

Also commonly known as blue bugs and chicken ticks, these blood sucking insects pose a problem for turkey and chicken raisers during July, August and September, says Ben E. Wormeli, extension poultry specialist.

They hide in cracks and crevices of the poultry house during the day and appear at night to suck blood of poultry. On the range ticks repose under the bark of fence posts and trees and in old lumber.

"It's easier to discover the ticks by looking for masses of them in cracks and under loose planks in the poultry house," Wormeli says. "Usually you don't know they are around until the flock shows marked symptoms of attack."

A spray containing .5 percent lindane, toxaphene or chlordane is recommended for fowl tick control. A small power or hand sprayer is effective in making application.

Apply the spray to the roosts and interior of poultry houses and coups. Pay particular attention, Wormeli adds, to cacks, crevices, fence posts and trees where ticks may be hiding. Repeated treatments may be necessary.

Personal Notes

Staf-Sgt. and Mrs. Clay Odum, who have been stationed at Memphis, Tenn., are spending their thirty day leave with their parents, Mr. and Mrs. Bob Odum. They are enroute to El Toro, California their new station.

Dee Word, who recently underwent surgery at the Dr. Wright Clinic in Houston, is recovering at the home of his daughter, Mrs. Clinton Blaylock in Houston.

MARKET NEWS LINGO CAN BE HELPFUL

The complicated lingo used in daily livestock marketing reports can vastly increase the efficiency of a farmer's operation if it's interpreted correctly.

Farmers are faced with such problems as what to produce and how much. When this should be sold, and where? Market news can help them decide. The U.S. Department of Agriculture spends more than \$10,000,000 annually to obtain market news for general public use.

Livestock producers who have been in the business long enough can remember when the only source of market information was the incomplete and conflicting reports of trade groups.

Today market news is accurate, timely and usable.

Here are the interpretations of market terms:

"Market stronger" means prices are advancing.

"Market firm" means prices are holding or are a shade higher.

"Market steady" means no immediate change.

"Market dull" means an inactive market.

"Market weaker" means price declines are general.

"Demand slow" means buyers are just looking.

"Demand good" means buyers have confidence in present prices.

"Supplies heavy" means the market is over-supplied and prices are weakening.

Robert Hardgrave returned Sunday from Boulder, Colo., where he attended a four weeks high school speech course at the University of Colo. He was elected president of a group of forty students from sixteen states.

Mrs. Manila Trainer has returned from a visit to her son-in-law and daughter, Lt. Col. and Mrs. A. F. Moffitt and her son, Sanford Trainer, of Arlington, Va. Mrs. Foffitt and children, Al and Cathy, accompanied her.

AMERICA'S NEW RAILROAD

Santa Fe

Quarter-mile lengths of welded steel rail curve around a foothill like wire cable.

Not a "clickety-clack" in a carload

It's Santa Fe's new continuous welded rail... Fewer joints mean a smoother ride for you

An occasional little click—that's all you'll hear of the old "clickety-clack" as you glide over stretches of new continuous welded rail on the Santa Fe.

And these stretches will be growing longer and more frequent on Santa Fe. For we're laying more all the time—103 miles of it this year.

In fact, we're using a new electric welding process (for the first time by an American railroad) to help bring Santa Fe's new smoother ride to more people, more goods.

But that's only part of the story. Just as a railroad is no better than its track, track itself is no better than what's underneath it—the roadbed, the ties, the ballast. So we've been busy

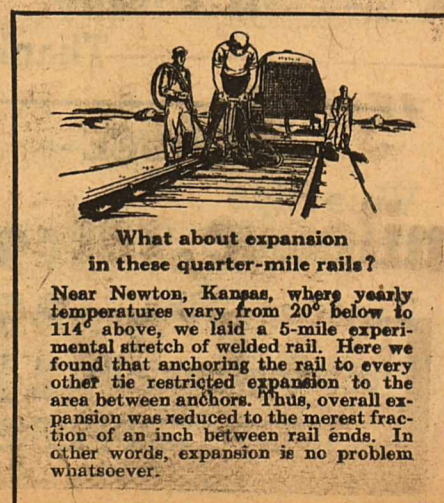

with new improvements here, too.

For instance, our own specially-devised ballast "dry cleaner." This unique machine cleans our ballast, keeps it more resilient so the track lies flat and even.

And today we're replacing old ties with longer and stronger new ones—specially treated to stay strong and sturdy for 30 years and more.

Day after day, something new is being done to make "America's New Railroad" even newer and better. Santa Fe is spending many millions of earned dollars every year for new roadway and new equipment. And not one penny comes from the taxes you pay.

SANTA FE SYSTEM LINES

What about expansion in these quarter-mile rails?

Near Newton, Kansas, where yearly temperatures vary from 20° below to 114° above, we laid a 5-mile experimental stretch of welded rail. Here we found that anchoring the rail to every other tie restricted expansion to the area between anchors. Thus, overall expansion was reduced to the merest fraction of an inch between rail ends. In other words, expansion is no problem whatsoever.

SILAGE FILLS THE BILL FOR LIVESTOCK RAISERS

Next to pasture, silage is the cheapest source of succulent feed for livestock, says C. H. Bates, extension farm management specialist.

And it's filling the bill for many Texas producers.

"No other method of storing forage is as economical as the unfilled trench type silo," says Bates. Recent studies indicate that such a silo of 200-ton capacity can be constructed and maintained for 93 cents for each ton of material ensiled.

Silage, Bates continues, provides an excellent source of vitamins and minerals essential to maintenance and growth of livestock. Chances of loss from rodents, fire or weather is negligible and are other silage advantages.

It may be put up in seasons not suited to hay production. And it can be "self-fed," eliminating practically all labor costs in feeding.

Specialized equipment, however, is required for an efficient harvest and silo-filling operation. Field cutters for chopping the material from row or broadcast stands usually are available to farmers on a custom job basis at costs of about \$1 an acre.

A sizable labor crew also is needed for harvest of silage, but Bates says many farmers work out this problem with a labor and equipment exchange agreement with neighbors.

MAKE FARMING SAFE

The week July 24-30 should be for every Texan on and off the farm a practice period in prevention of accidents. The period has been designated as Texas and National Farm Safety Week.

The Texas Farm and Ranch Safety Committee believes that accidents on farms do not occur because farmers and their families are more careless than other citizens. But with excess work and fatigue they often neglect necessary precautions in working with power equipment and edged tools, and in keeping in good repair articles which are used frequently.

Prevention of accidents has a deeper importance than merely keeping people fit to do their work. The waste of human lives, the pain and sometimes permanent crippling resulting from accidents, and the disruption to family life when a member is injured are of even greater consequence.

The distressing thing, points out the committee, is that so large a part of accidents which are happening daily could be avoided by caution and common sense safeguards.

Hazards to life and limb in homes and farm buildings are many and obvious, a systematic check will reveal them, and knowledge of them is an urge to remove them. Falls cause more injuries in the home than any other type of accident. Looking before stepping could reduce such accidents, suggests the safety committee.

Finally, the Committee suggests that these seven days should take on special significance. It is time that farmers and their families and neighbors pooled their efforts toward making their industry as safe as any other in the nation. And as stated in the theme for Safety Week... "Your Safety is in Your Hands."
