SIXTY SIXTH YEAR

Sonora, Texas, Friday, November 18, 1955

SIXTH WEEK

ODDS & ENDS

We were pleased to read in the San Angelo Standard-Times a very nice article on Carl Cahill. We are proud of all the things Carl has accomplished and wish him continuing good fortune. That goes for Wanda and the kids, too.

Again along the line of congratulation - a hat full of them to the Joe Turners on the arrival of their new son. We haven't had a cigar from Joe yet, but we're still waiting.

Another of Sonora's young people has received national recognition, this time in the field of dramatics. Martha Jean Valliant has been invited by the Cape Cod Players to apply for membership in their theatre group. The theatre, located in Massachusetts, is the oldest of the apprentice-system groups and is one of the best. Only forty apprentices are accepted each year and come from all parts of the United States. If accepted, Martha will serve one year as an apprentice with the possibility of playing minor parts during her second year. From then on, the possibilities are unlimited. Many of today's Broadway and Hollywood stars got their starts with the Cape Cod Players.

We know Martha's parents, Mr. and Mrs. Roy Valliant, are proud of their daughter - they've every right to be.

A story for those contemplating a diet:

A very fat man asked the doctor to prescribe for a complaint, which he declared was sleeping with his mouth open.

"Sir," said the doctor, "your disease is incurable. Your skin is too short, so that when you shut your eyes your mouth opens."

Wouldn't it be fine if all those who point a finger would hold out a hand instead?

ATTENDS SERVICES FOR NEPHEW IN ST LOUIS

Dick Morrison returned Wednesday of last week from St. Louis, Missouri, where he attended funeral services for his nephew, David K. Morrison, 12-year-old son of Major and Mrs. F. B. Morrison, Jr., of Kinross, Michigan.

David was killed instantly in a bicycle accident near his home on November 3.

High School Play Monday Night

FOR STUDENT COUNCIL

The play, "Take Care of My Little Girl" will be presented by the students of Sonora High School Monday evening, November 21, at 7:30 p.m.

"Take Care of My Little Girl" is a story of college and sorority life. It is dramatized by Anne Coulter Martens from a novel by Peggy Goodin and is the story on which an important movie was based.

Featured in the cast are Nancy Hunt as Elizabeth; Martha Mittel as Becky; Barbara Chalk as Adelaide; Ann Morris as Mother Apple; Yvonne Davis as Mrs. Bellows; Jan Keng as Merry; Lennie Mayhew as Marge; Martha Jean Valliant as Casey; Tommy Espy as Dallas; Russ Chalk as Sam; Handsome Ellingson as Chad; and Donnie Letsinger as Joe.

At the dress rehearsal held Wednesday night, one was particularly impressed with the excellent job of casting. Yvonne Davis does a swell job of portraying Mrs. Bellows, as does Tommy Espy as Dallas, and Martha Jean Valliant as Casey.

This play represents many hours of hard work, and come Monday night, Sonorans are going to enjoy two hours of wonderful entertainment.

Mohair Sells At 90c And \$1.26 1/2

C. J. Webre, buyer for Forte, Dupree and Sawyer of Boston last week bought from Sonora Wool and Mohair Co. about 369,000 pounds of mohair. Prices paid were 90 cents for adult hair and \$1.26 1/2 for kid hair.

Turkish Vet Here This Week

Dr. Resit Sonmez, professor in animal husbandry and sheep and wool production at the University of Ankara is in Sonora this week to observe the Sutton County livestock program.

Dr. Resit will work with Dr. W. T. Hardy of the Experiment Station and County Agent D. C. Langford.

On Dr. Resit's itinerary will be observation of disease control and vaccine-soremouth, bluetongue, and other research programs in disease control. He will become acquainted with range management practices with sheep and goats and will look over the ram progeny testing at Sub-station 14.

He will be shown the local wool and mohair improvement program with emphasis on sheep and goat breeding, range management and other phases of the program.

Dr. Resit will visit an outstanding ranch to observe selection and breeding programs and conservation practices being used to obtain maximum production, and will study sorting, grading and marketing program of the Sonora Wool and Mohair Warehouse.

LIONS ROAR

At their regular Tuesday luncheon meeting at the Methodist Church, Lions enjoyed a program arranged by Lion Herman Moore. Guest speaker was Joe A. Perry, of San Angelo, district safety officer for the Texas Department of Public Safety, who gave a brief talk on traffic safety.

November and December are the worst months for traffic accidents, according to Perry, who quoted traffic deaths in 1954 at 2,431 for Texas alone. There were only two death-free days on Texas highways last year, Perry said.

Chief cause of traffic accidents is speed with driving while intoxicated ranking second.

Perry told of two new highway laws now in effect. The first makes it illegal to follow a car without dimming lights. The second permits pickups to maintain passenger-car speed unless carrying a cargo of more than 1,500 pounds.

Following a brief question and answer period, Lions witnessed and participated in a demonstration of machine measuring stopping distance and time. Driving at a speed of 30 miles per hour, the device times driver's reaction, stopping time and stopping distance. Lion Lee Patrick had a reaction distance of 17 feet, 8 inches; a stopping distance of 40 feet, 10 inches for a total driving distance of 58 feet, 6 inches before the car came to a complete stop.

Lion Herbert Fields had a reaction distance of 23 feet, 4 inches, and a stopping distance of 41 feet for a total of 64 feet, 4 inches.

During the business meeting, E. A. Brodhead presented a membership key to Bobby Joe Granger for his work in increasing membership.

Lions and their guests, Dr. Som Nez of Turkey and Dr. J. D. Hoover of Vernon, Texas, were served by members of the Music Club.

SS REPRESENTATIVE TO BE HERE FRIDAY

A representative of the San Angelo Social Security District office will be in Sonora in the County Judge's Office, Friday morning November 18, at nine o'clock to give personal service to claimants and other inquirers.

CORRECTION

In the November 3 issue of The Devil's River News, an account of a party erroneously stated that Mrs. Sam Logan was the honoree. They party honored both Mr. and Mrs. Logan.

About Christmas Seal Children

A boy and girl with rosy cheeks and happy smiles express the spirit of the Christmas Seal Sale in the simplest, most direct way. These are our children as we would have them - "healthy, secure, bursting with joy and eager to share it" - in the words of the artist who designed the 1955 Christmas Seals, Jean Simpson.

These are our heirs. The world we pass on to them can be better than our world. It can be much worse. Faced with the gigantic forces of destruction unleashed by science, many feel that the future is beyond our control. We dare not promise our children a better world, because we feel helpless to do anything about it.

But along with destructive forces, modern science has developed and will go on developing much that is constructive. The power of medicine to heal and to prevent disease is beyond the dreams of our forefathers. We can give this legacy to our children.

Altizer Takes Top Money In Meet

Jim Bob Altizer of Del Rio took top money of \$1,096 in Saturday and Sunday's matched roping at the Sonora Fair Grounds. Buddy Groff of Bandera won second money of \$822 and Toots Mansfield of Big Spring took third place and \$548.

Times for the three top winners were 120.3 for Altizer, 124.4 for Groff and 132.7 for Mansfield.

Troy Fort of Lovington, New Mexico, won \$270 for best time on both days. Fort tied a calf in 10 second Sunday and his Saturday time was 11 seconds.

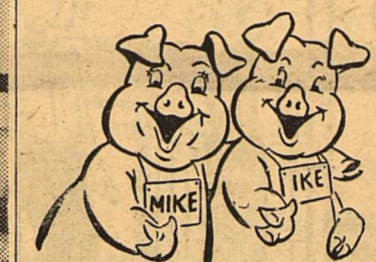

In the matched roping, Groff took top spot by tying six calves in 91.1. Bill Teague took second with 105.4.

Tops in the \$10 Jackpot were Groff, 10.9; Rex Beck of Valera, 11.3 and George Epperson of Cherokee, 11.4.

Daily totals for the ropers were: Saturday: Sonny Davis, \$2.0; Troy Fort, \$6.9; Jim Bob Altizer, \$3.7; Doyle Riley, no total; Tuffy Cooper, \$0.4; Jonny Leonard, no total; Jess Goodspeed, \$9.8; Dan Taylor, \$8.0; John Holloman, \$5.6; Earl Teague, \$4.1; Cliff Lowrey, \$13.1; James Leonard, \$7.5; Jack Riggs, \$15.8; Buddy Groff, \$9.6; Toots Mansfield, \$2.4; Loyd Mitchell, \$3.0; Rex Beck, \$11.2; George Epperson, \$10.6; Ray Wharton, \$12.6; Don McLaughlin, \$7.4; Bill Teague, \$8.9.

Sunday: Davis, no total; Fort, \$3.4; Altizer, \$6.6; Riley, no total; Cooper, \$3.1; Jonny Leonard, no total; Goodspeed, \$10.3; Taylor, \$9.5; Holloman, \$7.7; E. Teague, \$8.8; Lowrey, \$8.8; James Leonard, \$7.4; Riggs, \$8.7; Groff, \$4.8; Mansfield, \$7.0; Mitchell, \$9.4; Beck, \$7.0; Epperson, no total; Wharton, \$9.0; B. Teague, \$7.5.

The ropers and spectators remarked on the efficient manner in which the event was run and the participating ropers expressed a desire to see it become an annual affair, saying they would welcome the chance to return to Sonora any time.

EXPLORER POST MET WED. AT PARSHI HOUSE

The first regular meeting of the Explorers Post was held in the Parish House Wednesday, November 9.

Attending this meeting were Russ Chalk, Butch Baker, John Ed Neville, Roger Fawcett, Jerry Baldwin, Wallace Anthony, Rodney Davis and Freddie Fields.

Several projects of development were discussed, and it was voted by the members that a week-end fishing trip would be planned for December.

The Post adviser and assistant adviser, Harry Walter and George Hamilton hope that several Sonora people will attend the next regular meeting which will be held December 7.

Mr. and Mrs. W. F. Gibbs of Fort Worth spent last weekend with Mr. and Mrs. Libb Wallace.

Meat High In 1955 Faun Costs \$352.00

Game Warden Nolan Johnson filed charges against three San Angelo hunters Monday night for "possession of faun".

The case was disposed of in the J.P. Court with T. E. Woodfin, J. T. Nelson and J. D. Eckert paying fines totaling \$352., and having their hunting licenses revoked for one year.

Johnson reminds hunters that deer must be tagged as soon as they are killed.

THANKSGIVING CANTATA AT METHODIST CHURCH

The Baptist choir of Eldorado, under the direction of Lavell Meckel, will present a Thanksgiving cantata at the First Methodist Church here Sunday evening at seven o'clock.

The choir presented an Easter cantata here two years ago which was greatly enjoyed by those attending. Everyone is invited to attend.

Looking Through The Windows Of Life

By W. H. Marshall

In yesterday's San Angelo paper I read the following: "The President of the nation's second largest general medical organization said today a renewed religious consciousness among doctors has inspired beneficent changes in medicine." Dr. R. L. Sanders of Memphis, president of the Southern medical Assn. (SMA), declared that during the last ten years, the hands of events both without and within the profession has aroused us from our concentration upon science along and startled us into the realization that there other values which must be preserved. Saying that, among other things doctors are "discovering" what "that transcendent quality

which we call humanitarianism," Sanders told the SMA convention. "I like to think, so Dr. Sanders goes on to say," that the present awakening in medicine is a part of the spiritual awakening which has become everywhere apparent within recent years. "No longer is religion a matter of indifference to the vast majority of people, it is a powerful guiding force in their daily lives." This is Dr. Sanders speaking and not a minister. We human beings are created spiritual beings as well as physical. We make the one grand mistake when we think we can live satisfied and happy lives without religion and God. If we are satisfied to live

without religion and without God we cast our vote against our homes, our schools, our children, and God's Church. This we cannot do without paying a price of fearful consequences somewhere down life's way. We need to have it drummed into our hearts that no created child of God can afford to say "No" to the God who created him. Your choice? Yes, but one always must face the choices he makes. And just because we do not have to face them each day, we should not forget that, face them we will SOME DAY. What are we to think of ourselves, working, doing, spending for life and the comforts of life the few years we live on earth and, ignoring our immortality, giving no thought or time to the fact that we live on through a vast eternity that is not measured by time. Let us be plain: Are you and I so dumb as to make that mistake? However, I am glad God leaves it up to us to make our choices, good, or bad. If we fail to contribute something of the real meaning or life,

to life, than we have lived largely for nothing.

Mr. and Mrs. Edwin Mayer and sons, Steve and Ernie, of Bluff Dale were the guests of his parents, Mr. and Mrs. E. S. Mayer, for a few days this week.

THEY GO RIGHT ON FEED....

Because They Were Taught To Eat Palatable Purina Omolene And Beef Chow

When calves are weaned, they're often set back because they haven't learned to eat dry feeds. Lots of ranchers lick this problem with Purina Omolene and Beef Chow. Calves really relish it. Start feeding several weeks before calves are weaned, and they never miss their mothers.

They're ready to go right on feed.

CADILLAC for 1956

Top to bottom—Eldorado Seville, Sedan de Ville, Sixty Special

Presenting the Most Inspiring Motor Cars the World Has Ever Seen!

You are looking at three of the most magnificent and inspiring creations ever to issue from the drawing boards of Cadillac's designers and engineers.

These spectacular new Cadillacs—in company with the other Cadillac models for 1956—introduce a standard of automotive excellence that will find no counterpart on the highways of the world.

Where, for instance, could you find anything to match them for beauty and elegance? Their long, low, sweeping lines . . . their jewel-like grille and rear-fender designs . . . their brilliant new color combinations . . . their sparkling highlights of chrome and gold . . . all combine to create a beauty that is truly unique.

Where could you find anything to equal them in luxury? Inside are fabrics of rare richness and pattern . . .

and features of comfort and convenience that will delight even the most experienced Cadillac owner.

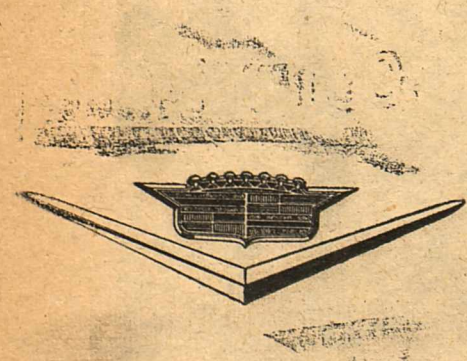

And where could you find anything to rival them in performance? There's a completely redesigned Cadillac engine developing 285 and 305 horsepower . . . a new, controlled-coupling Hydra-Matic Drive . . . and advanced Cadillac Power Steering and Power Braking.

This extraordinary new Cadillac beauty . . . and this brilliant new Cadillac luxury . . . and this dynamic new Cadillac performance . . . have been interpreted in four separate series and in nine individual body styles.

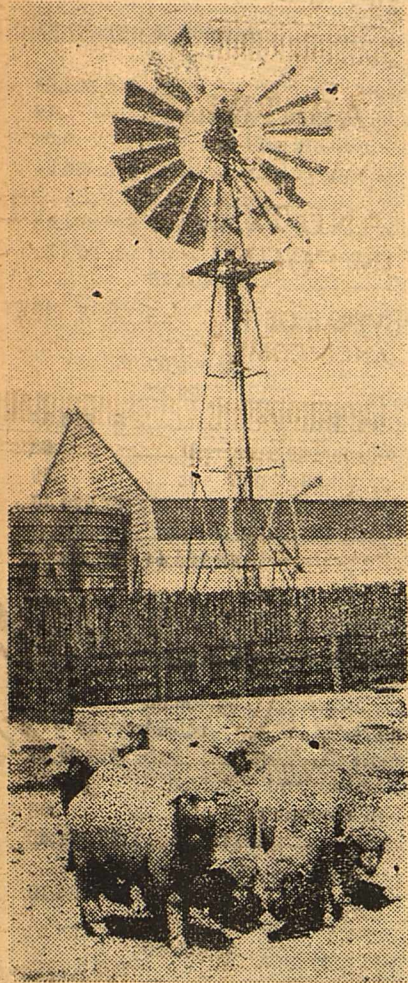

We sincerely urge you to stop in for a personal inspection and demonstration at your earliest convenience.

We know you will agree that, in every way, they are the most inspiring motor cars the world has ever seen!

Best Buick yet

When better automobiles are built Buick will build them

IT COMES upon the heels of the most successful Buick in history—and beats it on every score.

In shimmering steel and solid sinew, it's Buick for 1956—and there's never been anything like it for pure automobile.

You get a good hint of what we mean when you take in its sweep-ahead styling—from the air-splitting prow of its V-front grille to the robust rake of its canted rear profile.

You get an even better hint when you open the doors and see the dazzle there.

But it's when you put this beauty to the city streets and the open highways that you learn the best of it.

For here is performance without parallel. A new advance in Variable Pitch Dynaflo* goes airplanes one better—steps up your getaway in normal driving without switching the pitch. But when you do need that

extra surge, it's there *instantly*—and in extra abundance.

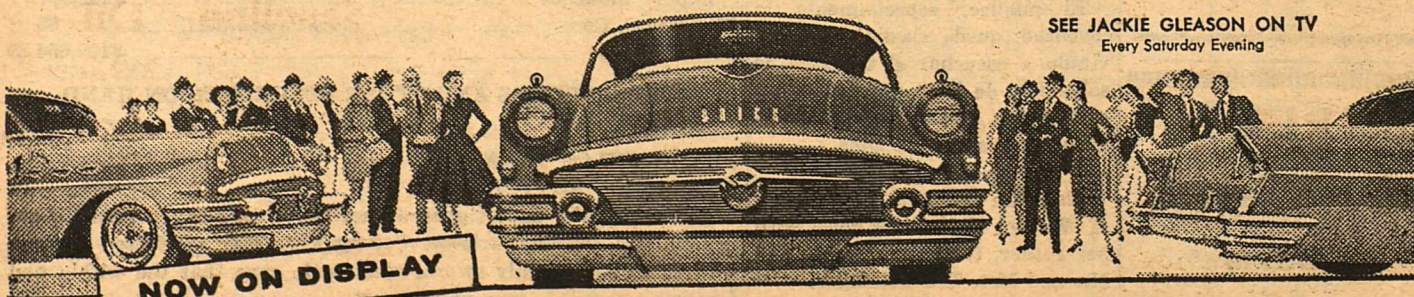

The might of big 322-cubic-inch V8 engines in every Series brings new record high power to all Buicks—ROADMASTER, SUPER, CENTURY, and the bedrock-priced SPECIAL. And to handle such dynamic driving power, the whole rear end has been endowed with extra brawn and heft and solidity.

We could spread before you an acre of blueprints on the engineering gems that spark the spectacular performance and ride and handling and roadability of these great Buicks for 1956.

But you can get the full and magnificent story right now, at our showroom, in a face-to-face meeting with the best Buick yet—now on display, and setting a dazzling new pattern for 1956.

*New Advanced Variable Pitch Dynaflo is the only Dynaflo Buick builds today. It is standard on Roadmaster, Super and Century—optional at modest extra cost on the Special.

Edwards Plateau Soil Conservation District News

By E. B. Keng
Soil Conservation Service

Supervisors of the Edwards their regular monthly meeting, Plateau SCD, met Wednesday in with all present. The group re-

ected Joe B. Ross chairman and Edwin Sawyer secretary for the coming year. Conservation plans were approved on the Holman Estate and Mack Cauthorn ranches. The board expressed hope that conservation plans could be worked out with the remaining 15-20 ranchers and become the first District in the United States to work every farmer or rancher in a District. The board reviewed colored slides of conservation work done in the District during the past year.

Tom Davis has fenced a small area, about one-half acre, near one of his windmills for another grass patch. Tom plans to water this area with overflow from the stratag tank. He also ran lines this week to pile brush on the contour. The brush was cabled about two years ago, and the grass has grown up in it. The brush will now be piled on bare ground, on the contour, to hold water and soil and grow more grass.

Ranch roads, aided and abetted by the current drought, frequently cause serious erosion problems. Water concentrating in roads changes direction and is weaned from areas on which it should spread.

Small dumps of dirt across roads can frequently be used advantageously to "kick" water out, and cause it to spread on the slope below. Many ranchers have moved roads from deeply rutted, gullied areas to higher ground. The old roads should be well brushed to help nature provide a quick cover of grass to halt washing. New roads should be built on contour as nearly as is possible, and should be laid out on gravelly soil rather than on deep, erosive soil.

Jack Megason and Otis Carry Soil Conservation Service Employees being assigned to South Texas spent Wednesday studying conservation practices in the Edwards Plateau SCD. They visited the District Trial Area, Harold Friess ranch and the Experiment Station.

Mr. and Mrs. Sidney Awalt and children, Randy and Cheryl, are spending this week with his parents, Mr. and Mrs. A. W. Awalt, before leaving for their new home at 1516 Evelyn Ave. in San Angelo. Awalt has been connected with the Highway Department in the engineering division for several years and has been transferred to the San Angelo division.

"All things come of Thee..."

To many people, one of the most attractive aspects of the Episcopal Church is its tolerant attitude. To some, this tolerance is referred to as being "liberal about sin."

That's not true.

True to the belief of the primitive Christian Church — the Episcopal Church holds and teaches that all things are given to us by God for our use — that sin is not in the thing itself, but in the misuse of the things God has given us.

So, to the Episcopalian, there is as much sin in any intemperance — overeating, for instance — as there is in overdrinking or any other indulgence. The moral ethics of the Bible are of prime importance in the church's teaching. But, the church refuses to be the conscience of its members. It expects each to develop a Christian conscience and a sense of individual responsibility which will use God's gifts as He would have us use them.

The offertory sentence used each Sunday in Episcopal Churches, beginning, "All things come of Thee..." is a constant reminder that God has given us all things and that it is our Christian responsibility to use them wisely and temperately.

Join us in worshipping God in the Episcopal Church near you. Today!

The booklet "What Does the Episcopal Church Stand For?" will tell you more about this great church and how it may help you. Send for your copy. No obligation.

43 YEARS AGO

A. H. Nathan left for San Antonio and Austin Saturday. He expects to be home about Monday. Mrs. Roy Aldwell returned home Tuesday from a brief visit to San Angelo. Mr. and Mrs. J. L. Davis have returned from an extended visit to Mineral Wells. Mrs. J. C. Pierson entertained the ladies of the Episcopal Guild Tuesday. L. J. Wardlaw was one of the

Sonora attorneys practicing before the Federal Court in San Angelo this week. A. Meckel, S. E. Gilbert, and G. G. Stephenson of Sonora were jurors in attendance on Federal Court at San Angelo this week. Sonora will soon be confronted with the building of additional class rooms at the public school. The work being done by the faculty this session is pleasingly satisfactory and there are about 250 pupils in daily attendance. It has been suggested that probably the Hon. A. M. Kennady could get for Sonora a special act for the Independent School District which would take in more territory and enable the community to build the additional rooms needed and be able to better maintain the efficiency of the school. The legislature meets January and Sonora's business men and school patrons should be thinking about the matter. The county special tax of 27 1/2 cents on the \$100 valuation was

divided as follows: Four cents to create sinking fund to pay off Court House bonds; 2 1/2 cents to pay off Jail bonds and 21 cents to create fund for road building purposes. Mrs. A. F. Bellows entertained the 42 Club Friday evening. Born on Tuesday, October 22, 1912 to Mr. and Mrs. Auther Simmons, a girl. The Baptist Ladies Aid Society met with Mrs. M. M. Parkerson Wednesday afternoon. Mrs. S. C. Potter and son, A. C. Fambrough, have returned from a visit to Killen. M. L. Gressett, bookkeeper at the First National Bank is visiting his wife and baby in Lampasas this week. Mr. and Mrs. R. H. Martin were among the Sonora people visiting in San Angelo this week. They returned home Thursday. The County Clerk is authorized to pay \$1.50 for wild cat scalps and for wolves according to the oath of trapper. The Commissioners Court is complying with the law estimated the population of Sutton County at 2,772, 2,064 of which belong in precinct No. 1, of which Sonora is the center. Mrs. Mary LeMin, sister of Mrs. Thomas Bond, has returned from an extended visit to London, Paris and Vienna. Mrs. LeMin will visit her sister, Mrs. Duncan, at Sanderson before returning to the Bond ranch. J. J. North, B. M. Halbert, John A. Ward, R. W. Davis, Lee Merck of Sonora, Al Bell, Jay Montague of San Angelo return-

ed Saturday from a good outing and successful hunt in the Trans Pecos country. Oscar Appelt, who has a good ranch about 26 miles south east of Sonora, was in town Monday. He is having his ranch house painted and repapered. Mr. and Mrs. N. J. Wardlaw of Ballinger are on their way here to visit their sons, L. J. and C. B. Wardlaw. For Sale - I offer my house and lot situated in Sonora at a reasonable price for cash, if purchased at once. For further particulars, address Mrs. D. B. Woodruff. Mrs. J. A. Ogden was in from the ranch Friday visiting her children.

For Sale - At a bargain - New Racine hack and double set of harness. -J.J. North. B. F. Bellows, the Sonora lumber dealer and contractor, left for San Angelo Wednesday to give his personal supervision to the selection of lumber, doors, sash, etc. for a residence he has contracted to build for a popular young Sonora man. Mr. Bellows intends doing his best on this residence and hopes to show of what he is capable. John Crase of San Angelo is assisting during the rush at the Surprise Tailoring Establishment. Suit and skirt hangers, also Kirk cleaning fluid for kid gloves for sale at the Sonora Pantorium. W. A. Thomason who ranches northeast of Sonora on the Orient right-of-way, was in Sonora Friday for supplies.

LAFF OF THE WEEK

"That under-seat heater you installed is giving me a bit of trouble."

From where I sit... by Joe Marsh Seen Monk's "Better Half"? Monk McCarthy's latest creation has the town talking again. You can see it parked in front of Monk's auto repair shop on Maple. Remember last year Monk cut two cars in half, and put their front ends together? You couldn't tell if the thing was coming or going. Sure attracted attention. Now Monk's taken Tog Morgan's old sedan and completely restored one half of it. One side is as good as new, the other looks like - well, Tog's old car. "Sort of a before-and-after demonstration," Monk told me, "shows folks the kind of work I do." From where I sit, some of Monk's ideas may look a little wild sometimes... but I wouldn't want to tell him how to run his business any more than I'd like him to tell me what beverage to enjoy. He always keeps a hot pot of tea in his garage - I'd rather have a cold glass of beer - but respect for each other's opinion is "auto"-matic with us both. Joe Marsh

Of course it's ELECTRIC When the winter evenings lengthen And the cold begins to strengthen Then you start to pile the bedclothes on at night. As their numbers grow excessive Then the weight becomes oppressive And you toss and turn until the morning light, What you need, friend, I'm emphatic is a BLANKET AUTOMATIC set a dial... that is all you'll have to do, You'll stay warm and snug and cozy Life will be a lot more rosy And you'll slumber like a baby all night through. Deer Hunting Is Child's Play In Sutton County

Deer hunting in Sutton County is child's play—so plentiful is the white-tail in these parts that fathers and grandfathers wait only long enough for the children to grow large enough to reach the trigger before taking them out for their first buck.

Shown here with their first deer are: Curt Schwiening, Jr., at age eight; John Stanley Hamby at age nine; Mary Wilson at age seven; Nancy Wilson at age eight; Freddie Fields at age eight; and Tyree Hardy with one of two deer he killed at age 13.

It's really so simple, that an adult can, like Jim Hugh Richardson, kill two with a pocket knife. To prove our point—the first

first deer of this season was brought in by seven-year-old Joe Moore. All Photos by Lovelace.

CONGRESS has passed an act directly affecting two groups of Americans! Young men—17 to 18½ years of age—who are facing a future military obligation; and men who already have served 1, 2, 3 or more years of active duty and have been separated since August 9, 1955.

YOUNG MEN, according to provisions of the Reserve Forces Act of 1955, may become draft deferred by enlisting in the Army Reserve for eight years. Only six months of that enlistment must be spent on active duty training—after completion of high school.

MEN WHO HAVE SERVED on active duty can complete their Ready Reserve obligation by serving satisfactorily one year with an active Army Reserve unit. Any remaining military obligation will be completed in the Standby Reserve in which participation in reserve training is not required.

IN EITHER CASE, it's a sure way to THE RIGHT DIRECTION—for YOU—for YOUR COUNTRY. For full information about the two new active reserve programs, contact:

Dear Broncos,

As we approach the last game of the 1955 football season, your boosters would like to express their appreciation to you for a season highlighted by sportsmanship, fairplay and teamwork.

Our hats are off to Coach Joe Turner for his emphasis on scholarship, behavior, cooperation, honesty, integrity, obedience to authority, control of emotion, proper health habits and conduct. These traits have earned for Joe and the Broncos the respect of our opponents and our community.

It's been a successful year for all—"its not the score that counts, but how you play the game."

Sincerely,

The Bronco Boosters

Christmas Seal Days Set By Governor Shivers

GREETINGS: Tuberculosis is a communicable disease which spreads from person to person. It can invade any home at any time. Modern methods of treatment have steadily reduced its death toll. Nevertheless, tuberculosis claimed the lives of 910 Texans last year and newly reported cases numbered 8,704. Its economic cost remains a heavy burden to the taxpayers of our State. The work of the Texas Tuberculosis Association and its affiliated local organizations is aimed at preventing the spread of tuberculosis, to help bring an end to the economic loss and personal tragedy caused by this disease. Once each year the public is asked to support their efforts through the sale of Christmas Seals. Therefore, I, as Governor of the State of Texas, do hereby designate the period November 14th day of November, 1955, December 24, 1955, as CHRISTMAS SEAL DAYS in Texas, and
