The public is invited to attend the activities which will begin with a free barbecue luncheon at noon, and followed by various shoots which will include a running deer target, lucky shoot, novelty shoot, pistol shoot and trap shoot.

Junction Eagles Fall Before Broncos Friday Night By Score Of 46-7

Maintaining their perfect record for the 1956 season, the Sonora Broncos romped over the Junction Eagles by a score of 46 to 7 Friday night on the Eagles' home field.

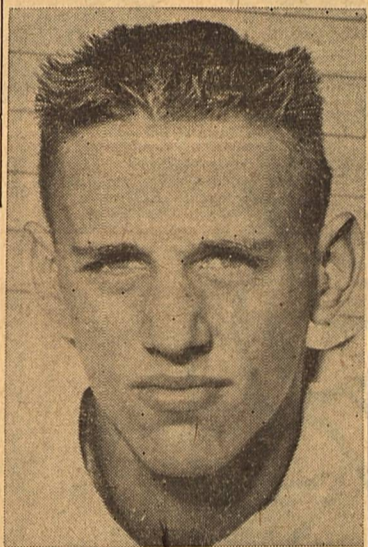

The first Bronco touchdown came early in the first quarter when Johnson culminated a 41-yard drive with a 19-yard run across the Eagles goal line. Johnson's try for extra point was no good and the score stood at 6 to 0 when the Eagles put on a drive

Wall and Galindo alternated in the honor spot to bring the ball to the Eagle 10 from which point Johnson carried over and converted to bring the score to 20 to 7.

The Junction team was in possession of the ball on their own 36 when, shortly before the half, they lost the ball on a fumble and the Bronco drive began again, ending with a 14-yard pass from Johnson to Wall which was good for a touchdown. Johnson again converted and at half-time the score board read 27 for the Broncos to the Eagles 7.

The third quarter was scoreless but the fourth saw the Sonora team complete a drive begun in the third with a 21 yard sprint by George Johnson which racked up another seven, bringing the score to 34 to 7.

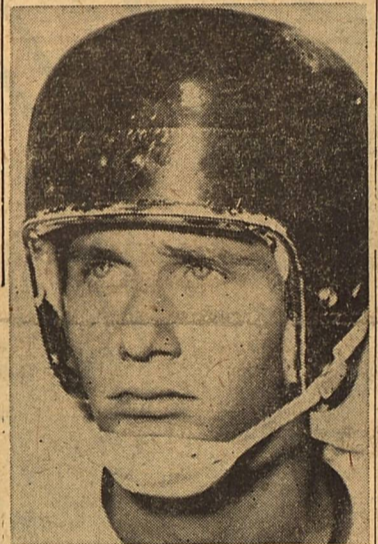

The Eagles fumbled the ensuing kickoff on their own 20. From that point Johnson passed to Ratliff for the touchdown and the score read 40 to 7.

Freddy Fields displayed some good running ability in Friday night's game with the Junction Eagles.

in which back Bert Mansfield ran 36 yards for the Eagles' only touchdown. Eagle Schoolcraft converted and the Junction team led 7 to 6.

It was a short-lived lead, though, which the Broncos quickly overcame with a series of runs

Another newcomer to varsity ball is Butch Baker who proved what he can do in the backfield.

The evening's final score came as Alan Wall did the honors on a 29 yard run climaxing a 58-yard push by the Broncos.

Seeing service on the offense was Freddy Fields who showed his speed in two runs during the third quarter.

Statistics: First downs: Sonora 14, Junction 10; Yards passing: Sonora 35; Passes completed: Sonora 5 out of 12, Junction, 1 out of 6; Passes intercepted: Sonora, none, Junction, three; Fumbles lost: Sonora 3, Junction 4; Penalties: Sonora, 1 for 15, Junction, 2 for 30; Punts: Sonora none, Junction three for an average of 29.5 yards.

G. H. Hall and Carolyn attended the Texas vs Rice football game in Austin last weekend. They were guests of Mr. and Mrs. Albert Ward.

A TRIBUTE TO SONORA'S YOUNGSTERS

This will make our proud parents even prouder.

As 'The Devil' was ready to roll, yesterday, Deputy Sheriff Oscar Groff came by the office with this message. "Never have I ever seen better behaved youngsters and teen-agers at Halloween-time. The kids are to be congratulated. I'm all for them."

So are we Oscar. We would also like to express our appreciation to the School and City Officials as well as the SHS Student Council for their wholehearted efforts in staging another successful Halloween Carnival.

Final Rites For Mrs. W. J. Haines Here Thursday

Funeral services for Mrs. Rena James Haines, 64, who died at her home here Wednesday, October 31, were held in the Church of Christ at three o'clock Thursday afternoon, November 1, with T. R. Chappell performing the rites assisted by J.E.L. Harrison, Minister. Burial was in Sonora cemetery with Ratliff Funeral Home in charge of arrangements.

Born September 25, 1892 in Goliad, Texas, Rena James Hanley, married W. J. Haines December 26, 1915, in Lohn, Texas. She came to Sonora with her family in 1942.

Survivors include her husband; one daughter, Mrs. Dayton Capps of Sonora; three sons, Bill J. Haines of Lebanon, Mo., Chris Haines and Charles Lee Haines, both of Sonora, two brothers, Will Hanley of Fullerton, California, Charles Hanley of Bangs, Texas; five sisters, Mrs. Susie Gay of Lebanon, Mo., Mrs. Ella Allison of Ingleside, Texas, Mrs. Lutean Teague of Paris, Arkansas, Mrs. Oweta Davis of Carlsbad, New Mexico, and Kate Mullens of Eden, Texas; seven grandchildren.

Pallbearers were Wayland Stubblefield of Weslaco, Pat Jungk of Ozona, Dennis Fisher, Boyd Lovelace, John Eaton, Oscar Drennan, Dutch Kiser, O. E. Merriman, all of Sonora and Carlos Capps of Piney Top.

One Way Street Designated On East Of School

Traffic on the street east of the school will be directed one-way from eight o'clock in the morning until 4:30 in the afternoon, R. M. McCarver, manager of city utilities, has announced. McCarver said the move was made in an effort to reduce hazards to school children during school hours. Observing the one-way traffic pattern should accomplish at least part of the overall program of increased pedestrian safety needed to assure protection of Sonora children.

Neville, Baker Named Leaders Of Explorers

Sonora's Explorer Scouts met Wednesday, October 24 and elected John Ed Neville and Butch Baker leaders.

Explorers attending the meeting were Roger Fawcett, Freddy Fields, Wallace Anthony, Dewey Shroyer, Rodney Davis, Johnny McClelland, Paschal Allison, John Ed Neville and Butch Baker. The next meeting will be held November 7.

City May Set Up New Speed Zones In Areas Near School Campuses

The Sonora City Commission sat in regular session Tuesday afternoon, October 30. Principal subject of discussion was the advisability of setting up speed zones within the limits of the

Mrs. Duke Wilson, Mrs. B. H. Cusenbary, Mrs. J. A. Letsinger and Mrs. Herbert Fields pointed out the need for speed zones on Highway 290 near the school to make these crossings safe for children on their way to and from school. It was further noted that of 13 towns in our area, Sonora is the only town without such zones. The area around L. W. Elliott School was named as most need of zoning.

At present the speed limit within the city is 30 miles per hour and in order to make lower speed limit zones enforceable it

Most ranchmen say that if it will just rain they will be glad to take the bitter with the sweet.

Woman's Club Will Furnish Voters With Services Election Day

Taking an active part in getting voters to the polls, the Sonora Woman's Club is offering transportation and baby-sitting services to voters desiring them.

The 952 holders of poll taxes or exemptions have been contacted by club members and reminded of the all-important voting date. These services are offered by the club as they join with other Federated Women's Clubs in an effort to "Get Out The Vote".

Persons who will want either transportation or baby-sitting services are requested to contact Mrs. L. E. Johnson, Sr., Mrs. W. R. Cusenbary, Mrs. E. E. Sawyer Mrs. J. F. Howell or Miss Annella Stites.

Broncos Meet Yellowjackets In Menard For 3rd District Contest

The Sonora Broncos travel to Menard tonight for their third conference game of the 1956 season. The Broncos will meet the Yellowjackets who spent last weekend resting up to take on the Sonora team.

Still a contender in the district race with a record of one win (Junction) to their conference credit, the Yellowjackets have spoiled the Broncos' hopes for the 6-A title more than once.

Back in the game for the 'Jackets will be Vaughn, the fast-paced back who has been out of play for the past several games while suffering a fractured col-

lar-bone.

Starters for the Yellowjackets were not available at press time

Offensive starters for the Broncos will be Ratliff and Love at ends; Smith and Ibarra at tackles; Adams and Neville, guards; Anthony at center, and the offensive backs will be Johnson, Vasquez, Galindo and Wall.

Defensive starters include Neville, Smith, Love, Adams, Vasquez and Johnson plus Gonzales and Chavez at guard, Fish at tackle and Soso and Garrett in the backfield.

Castro is not likely to see service due to a knee injury.

Go way, boy, you bother me, thought as he outdistances his opponents to hit pay dirt against the Eagles on their home field Friday night.

Showers Early Tuesday Morning Leave Moisture As Norther Passes

Shower clouds early Tuesday morning left moisture ranging from 1.40 on the Joe Logan ranch to only .10 on the John Cauthorn ranch. Practically every ranch in the area received showers, and rainfall from 1.50 to 2.50 inches was reported from Ozona and Eldorado.

Rainfall reports collected by E. B. Keng, SCS, revealed the following amounts: Sonora Wool Warehouse .28; Thelma Espy .35; Herbert Fields .35; Jack Turney .30; Tom Davis .80 to 1.00; Robert Pluffer .40; E. S. Mayer .50; Fred Earwood .25; J. O. Mills .50; John I King .75; Ben Cusenbary .30 to .40; Arthur Simmons .75; Frank Bond .60; R. A. Halbert .60; Leonard Gibbs .40; J. A. Cauthorn .25; Edwin Sawyer .40; J. V. Alley .45; George Brockman .37; Moore and Neill (Thorp) .70 to .90; Sears Sentell .85; Gene Shurley .40.

Millions of grass and weed seedlings have germinated since the rains of two weeks ago, and the Tuesday shower was well timed to give the young seedlings a new lease on life. With another few weeks of frost-free weather, and adequate moisture, the grass seedlings can become established well enough to live through the winter.

A heavy stand of bitterweed has germinated along with the desirable weeds and grasses. A wet winter, combined with the tremendous amount of drought-bared soil, could produce a record bitterweed crop. Most ranchmen realize, however, that some cover and litter must be grown to hold water and grow grass. Enough moisture to produce good bitterweed will also produce some good grasses and weeds.

25 Champ Ropers Here This Weekend For Rope Meet

Preparations are complete for the matched roping contest to be held here Saturday and Sunday afternoons. All entries are complete and contestants will begin arriving today for the event in which each man will rope four calves daily.

Twenty-five of the nation's top ropers have entered. They include: John D. Hollyman, Corona, New Mexico; Earl Teague, Camp

Wood; Lloyd Mitchell, Rockspings; Troy Fort and Olin Young, Lovington, New Mexico; Jimmy Cooper and Tuffy Cooper, Monument, New Mexico; George Epperson, Cherokee; Toots Mansfield, Big Spring; Sonny Davis Kenna, New Mexico; J. D. Armstrong, Big Lake; Jess Goodspeed, Watumka, Oklahoma; Lee Cockrell, Pampa; Buddy Neal, Van Horn.

Bud Smith, James Leonard, Clifton Lowry, Jim Bob Altizer and Johnny Leonard, Del Rio; Jack Riggs, Dryden; Bill Teague, Crane, and Lanham Riley, Fort Worth.

Ropings will begin at 1:30 each afternoon and an extra scheduled attraction for this year's event will be the ladies' barrle race, open to all entries for a fee of \$10.00.

Ropers will vie for a purse of \$2,500.00. Members of the Sonora Park and Horse Show Association, the sponsoring organization, expect a good crowd. Admission will be \$1.50 for adults and 50 cents for children.

SHE KNOWS... IT'S FEEDING TIME!

This cow's telling you something you probably know... it's time to start feeding. Grass is brown, tough, and doesn't have much food value. If her owner wants her to drop a husky calf come spring, then he'd better start supplementing her range.

She'd like Purina Range Checkers. They're easy to feed, tasty, contain a variety of proteins and carbohydrates and carry vitamins and minerals that the tough grass doesn't have. Cows must have these materials to build the unborn calves.

Next time you're in town, drop in and let us tell you more about Purina Range Checkers. They're proved right, made right, priced right.

Edwards Plateau Soil Conservation District News

By E. B. Keng
Soil Conservation Service

Ranchmen with cultivated land should carefully consider participating in the Soil Bank or conservation reserve program.

Under this new program most Sutton County ranchmen will be eligible to receive an annual payment of \$11 per acre, plus approximately 80 percent of the cost of the land to native grass. The land cannot be grazed, or seed harvested, during the five year or longer term of the soil bank contract.

Long time rainfall records, accentuated by the current seven year drought, indicate that this area is very subject to long dry periods. In addition to the cost of planting, cultivating and harvesting a crop each year, cultivated land is often subject to severe wind and water erosion.

The safest, and many people think the most profitable, use of cultivated land is to grow a good cover of native grass. Drought resistant native grasses will live through the short droughts, and if properly managed, will recover quickly from the long droughts.

The soil bank program offers ranchmen financial assistance in establishing grass, plus an incentive payment for deferring use of the grass during the contract.

Each year in October—particularly along the Del Rio highway—mesquite trees become covered with small dying branches.

A close examination of the branches will reveal a small ring or girdle cut through the bark and completely around each limb. The girdling wood borer then deposits eggs under the bark in the soon-to-die branch. The eggs hatch young borer larvae which live in the dead wood until the following September or October, when they emerge as mature adults.

The borers have been present for many years, but only in recent years have they become numerous enough to cause substantial damage to many mesquite trees.

Mrs. Sara Schwiening attended Grand Chapter, O.E.S. in Fort Worth last week, Monday through Thursday.

Junction Eagle — Teenagers of the town will be "on the town" Saturday evening Nov. 3, collecting pennies, dimes and quarters-whatever you give goes for CROP.

This is the Halloween "trick or treat" but there will be no tricks and the treats they ask for will not be for themselves but for the children and young people of the world's poverty stricken lands.

Fort Stockton Pioneer — Pecos County farmers are approximately halfway through harvesting a bountiful nine and one-half million dollar cotton crop, far above anything turned out in this county previously.

Ginning reports through Oct. 18 showed seven cotton gins in the county roaring at a record pace with 26,461 bales ginned. Estimates place the total today at 28,000 or more bales.

Bronte Enterprise — After last week's good rains, we were blessed Wednesday with a good sandstorm. These Bronte sandstorms still can't hold a candle to what we used to have in Muleshoe though.

Menard News — It's time for the pecans to be

afalling, but around these parts, the crop is apt to be a bit short.

Paul Martin has a good illustration of what happened to the pecan crop this year. Last spring he examined his trees and found them loaded with young pecans. On one small limb of one tree he counted 36 pecans. A few days later came the hail. He counted the pecans on the same limb again and found only four.

But the four pecans were pretty badly battered, and only one survived to maturity. "And that one," Martin says, "is a repple."

TEXAS DEMOCRATS FOR EISENHOWER

W. R. "BOB" SMITH, CHAIRMAN

HERE'S HOW

- At the top of the Democratic Party column, strike out the names of Adlai E. Stevenson and Estes Kefauver.
- Leave the rest of the Democratic Party column as it is.
- At the top of the Republican Party column, leave the names of Dwight D. Eisenhower and Richard M. Nixon.
- Strike out the rest of the Republican Party column.
- Strike out all other columns on the ballot.

You are a free Texan... You can vote any way you like. Regardless of what you may have heard, it is perfectly legal to split your ticket if you want to, just as it is legal to vote the Democratic ticket straight, or the Republican ticket straight. Purpose of the ballot is to determine what the people want. And if you want to vote for Eisenhower and Nixon — then cast the rest of your ballot for the Democratic nominees — that is your privilege. Don't let anyone tell you otherwise! BY LAW YOUR VOTE MUST BE COUNTED.

Brodhead Speaks To Lions Club On Amendment 4

Speaking to members of the Lions Club Tuesday, Superintendent of Schools E. A. Brodhead urged the passage of proposed Amendment to the Texas Constitution which appears fourth in the list of proposed amendments to be voted on in the general election next Tuesday.

This proposed amendment would, if passed, enable teachers to contribute up to 6% of their salaries into a teachers' retirement fund so that after 30 years of service to their profession they would be enabled to retire with an income of 45% of their average earnings.

The cost to taxpayers would amount to only \$4,500,000.00 per year, or only 50 cents per Texan per year, a sum so small as to be almost negligible.

"School progress," Brodhead said, "is no stronger than the individual teacher, and in order to attract the 4,000 new teachers needed annually in Texas alone, teachers should be assured an adequate retirement plan."

Texas A. & M. Vs Arkansas On TV

A live telecast will be the feature of Humble Oil & Refining Co.'s football coverage this Saturday. In addition, five Southwestern Conference games will be broadcast.

The Texas A. & M.-Arkansas game will be televised from College Station with Kern Tips and Alec Chesser describing the play-by-play and color. Telecast time is 8:00 p.m. over WOAI-TV, San Antonio and KTXL-TV, San Angelo.

The Texas A. & M.-Arkansas game will also be broadcast. Jerry Doggett and Coit Butler will bring the game beginning at 7:50 p.m. over KGKL, San Angelo-960.

The TCU-Baylor game will be broadcast from Fort Worth with Ves Box and Eddie Hill in the press box to describe the action and color. Radio time is 1:50 p.m. over KGKL, San Angelo-960.

THE MIGHTY CHRYSLER FOR 1957

Here's the glamorous, low-priced 1957 Chrysler Windsor V-8

Announcing the most glamorous car in a generation!

You never looked or felt as good in anything before!

Other cars have changed models . . . this one changes motoring. Look at its rich, racy lines . . . at the long, low silhouette . . . at the dramatic upswEEP of the rear fenders that plume back from the waist like the wake of a hydroplane. It's a streak of a car with the elegance of the boulevard and the spirit of the speedway.

Get into this car, drive it into traffic or out on the open highway and you enter a new domain of travel. In the 1957 Chrysler, with its new Torsion-Aire Ride, motion has a new "feel". And wait till you toe the throttle. A new Pushbutton TorqueFlite Transmission teams with a mighty airplane-type V-8 engine, developing up to 325 horsepower, to give you a new high-velocity getaway, matchless passing power when you need it.

Come in this week and visit our showrooms. See and drive the most completely new car of the year!

Torsion-Aire Ride pours the road under you!

Try Chrysler's new Torsion-Aire Ride and you'll think some of the laws of gravity, motion and inertia have been suspended in your favor. No more rock and roll. No more pitch when you stop. Chrysler's new torque rod suspension and lower center of gravity give you a brand new ground-skimming "feel" of the road. The wheels ride the contours . . . but you don't. The road just pours under you.

Music Club Convention Thursday Will Offer Varied Musical Programs

Members of the Sonora Music Club will be hosts to the 30th Convention of the Sixth District Federation of Music Clubs November 8, 9, and 10, with representatives of the clubs comprising the district federation attending.

Mrs. E. S. Mayer, chairman of the executive board will be hostess to a meeting of the board in her home Thursday evening, November 8, and to a dinner honoring District President, Mrs. Ellie Locks of Brownwood. Guests at the dinner will include Mrs. O. G. Satterlee, president of the Texas Federation; Mrs. Ina Wooten Jones, president of the Lone Star Region; and executive board members; also, local club officers and chairmen. Mrs. Louie Trainer will serve as toastmistress. Charles Ray Baker pianist and soloist with the San Angelo Symphony, will present a musical program.

Delegates will register and be guests at a coffee to be held in the elementary school auditorium at nine o'clock Friday morning, November 9. Mrs. E. E. Sawyer will be chairman for the coffee. Mrs. James Wilson for registration, and Mrs. Myrtle Sellman for luncheon tickets.

The convention will open at ten o'clock with Mrs. E. S. Mayer presiding. Mrs. S. M. Loeffler will lead the group in singing "The Star Spangled Banner" with Mrs. W. T. Hardy as accompanist. Mrs. B. H. Cusenbary will lead the Salute to the Flag and Reverend W. H. Marshall will give the invocation. E. A. Brodhead will welcome the group to Sonora and Mrs. Alfred Schwiening, Jr., local president will give the club's welcome. Mrs. R. E. Coleman of San

aba will respond for the guest organizations. Mrs. Locks will preside at the business session. Mrs. Satterlee will be speaker at the luncheon to be held Friday noon. Mrs. E. E. Sawyer will give the invocation and Mrs. Maxine Ellingson will present a vocal solo. Mrs. Trainer is chairman for the luncheon.

Mrs. S. M. Loeffler will lead group singing of hymns with Mrs. W. T. Hardy and Mrs. E. S. Mayer as accompanists for the afternoon program. Friday evening a concert of college student groups from Abilene, Eastland, Ranger, Cisco and Brownwood will be presented at the elementary school auditorium with everyone invited to attend. Mrs. A. E. Prugel is chairman for this event.

Saturday, November 10, has been designated as Junior Music Club Day with Mrs. G. H. Davis chairman. Mrs. Locks will open the convention and the Rev. Alanson Brown will give the invocation. Rex Lowe, principal of Central Elementary School, will deliver the welcoming address and Mrs. Schwiening will greet the delegates.

A. C. Hart, director of the Sonora Bronco Band, will lead the group in singing, accompanied by Mrs. J. M. Lea.

A box luncheon will be served in the cafeteria and a short period will be spent in rehearsal for the mass choral program to be presented at two o'clock Saturday afternoon.

Correct lubrication, thorough inspection, and a check on tires, radiator, windshield wipers and fan belt can help keep your vacation care-free.

BILL SMITH'S STATION

Tex Says He's No Expert But He Believes Ike Is

The other night a bunch of us were sitting around in the drug store after the football game, drinking coffee and talking. You know how it is after a game in a small town, especially after the home team loses. Nearly every man in the crowd had a theory as to why we didn't win the game. Most of them, of course, blamed the coach. I couldn't help remembering that before we consolidated the county schools we didn't even have enough boys to make up a football team. And these same football experts who were saying what Rockne or Bud Wilkinson would have done, up until a few years ago they didn't know a football from a watermelon.

But that's the way it is in a small town (and in big ones, too, I understand). I guess there's no real harm done, although sometimes it's pretty rough on the coach.

I guess we have a right, in this free country, to be self-appointed experts in any line we want to pick out. It seems to me that most people choose either football or politics.

Take this presidential election coming up next Tuesday: During the last few weeks I have heard so many stories and theories from so many different political experts that I nearly get confused sometimes. I have to stop and think that the fellow who is talking probably doesn't know any more about it than I do, and that helps me keep straightened out.

In fact, I guess I have had my mind made up all along. To make no bones about it, I like Ike. He's a man you can always look up to and respect—the kind of

man you'd be proud to point out to any person, from any country on the face of the globe, and say: "That's our President!"

About Adlai, now, I'm not so sure. Of course, if he was elected, he would be my President, too, and I would hope he'd do a lot better than most people around here seem to think he would. This is something I don't think we need to worry about, because from all I can hear and read, Ike is going to win it again.

It seems to me that if Adlai ever had a chance around here, he threw it away when he came out with that H-bomb business. Now, the folks in our town don't know much about H-bombs, except that they don't want any personal dealings with them. Our scientific knowledge of H-bombs is about on a par with our football knowledge, I reckon. But we do know one thing: We don't want some misguided, inexperienced fellow fooling around with our national defense. When it comes to trusting what Bulganin says or what Eisenhower says, I'll take Ike. So will the rest of the country, if I don't miss my guess.

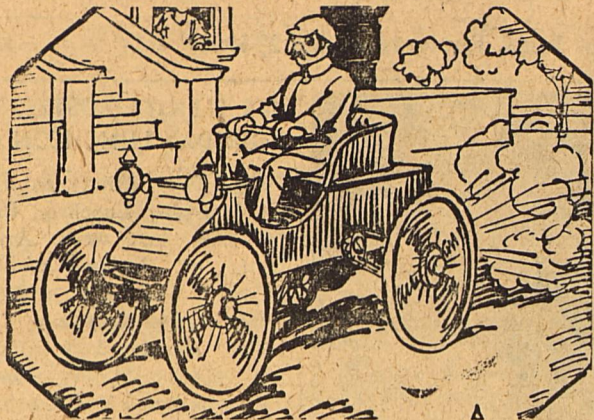

Just before we broke up the other night Doc Brown came into the drug store, and somebody asked him: "Hey, Doc, how's Ike doin'?" Doc said: "Well, it's a busy campaign for the medical profession. Last week Ike went and got his heart examined; and I understand that this week Adlai is going to get his head examined."

Yours truly,
Tex

Prof. T. A. Williams had a most enjoyable outing in company with B. M. Halbert, G. P. Hill and Sam Hull. Mr. Williams has the honor of bringing in the first deer of the season. It was a ten pointer and the professor will have it mounted.

J. O. Rountree of Plainview and daughter, Miss Cora, are in Sonora on a visit. They are accompanied by Ed Doneway, a merchant of plainview. Judge Rountree and Mr. Doneway are on a hunting trip.

Mrs. James Hagerlund and Miss Carra Karnes returned Thursday from a ten days visit to the Dallas and San Angelo fairs. The attraction at both places were practically the same although more extensive of

course at Dallas.

Mrs. James Cornell and Miss Aldwell entertained at the Aldwell residence Saturday in honor of Mrs. Bart DeWitt.

Mrs. Alice Alexander and children left for Bastrop to spend the winter with the grandmother and family.

Misses Clara and Dollie Allison returned Thursday from attending the fair in Dallas.

Mr. and Mrs. E. E. Sawyer returned last week from their summer home in Maine. Mrs. Sawyer likes Sonora so well that Mr. Sawyer has the plans perfected for the erection of a two story modern dwelling on Prospect Avenue between the W. A. Glasscock and E. S. Briant residences. It is estimated that it will cost about \$4,000. The lot is being prepared for the building and construction will commence about the 20th.

Mrs. S. C. Potter and son, A. C. Fambrough, left for Georgia last week on a visit.

C. B. Wardlaw returned Wednesday from a visit to his parents in Ballinger. His family accompanied him.

John McCleary dressed himself up within an inch of his life Tuesday night and hied away to Dallas fair to take in the sights of the big city and mingle with the crowd.

R. E. Taylor, whose ranch is 10 miles south of Sonora, returned Monday from Oregon where he purchased 75 head of registered Angora goats. The bunch consist-

ed of 57 nannies, 12 kids and 10 bucks.

Joe Turney, who has less cattle on his ranch than since he was a boy, was in town Tuesday from the Beaver Lake ranch visiting his family. Joe says he is going to control the varment trappers in his pasture this year.

Miss Estelle McDonald and brother Arthur attended the fair in San Angelo this week.

Mr. and Mrs. Bud Ellis of Menard were visiting in Sonora last Saturday.

Mr. and Mrs. D. B. Cusenbary, Miss Cusenbary and Ben Cusenbary visited in San Angelo this week.

HALLOWEEN PARTY - Mrs. Charles Evans entertained the Senior League with a phantom party Friday night. There was a large crowd present the invited guests meeting at Mrs. D. Word's home and marching to the Dr. A. J. Smith residence where old time Halloween games were played.

Suddenly you know how modern a range should be—

IT'S RANGE CHANGE SALE TIME!

flame-fast gas ranges alone offer 4 times less fuel cost!

Sally, this is Jane... I'm so upset. Our electric bill has really jumped since we got our new electric range.

Jane, our gas bill is one of the lowest-cost conveniences we have! Why don't you switch to gas at less than 1/4 the cost!

EXCITING NEW FEATURES

- Cook-Saver Automatic Top Burner Control
- Built-In Rotisserie
- Simmer Flame
- Automatic Clock-Controlled Oven

But of course! Smart Southwest Moderns know that cooking with gas is the most economical way to cook. It costs less than 1/4 as much to use as electric cooking. This means: If you can cook on an electric range for \$2.20 a month—you can do the same amount of cooking with gas for less than 55¢ a month. (Or a savings of \$19.80 a year!) What's more, an automatic gas range costs less to buy, less to install, and less to operate and maintain. No wonder smart women say truly modern cooking is cooking with flame-fast gas.

SAFEST COOKING EVER! American Gas Association seal assures reliability. Fire insurance statistics prove gas is safer!

- Pushed freight price concession for Texas farmers.

SOIL BANK PAYMENTS

- A practical approach to farm needs and a means for conserving vital soil resources.
- This year's payments to reach \$211,000,000; \$23 1/2 million coming to Texas.
- Due to increase next year.

PRICE-DEPRESSING SURPLUSES CUT

- Drastically reduced \$9 billion surpluses piled up under Fair Deal policies.
- For example, virtually all cottonseed oil stocks gone; all surplus rice sold.
- Foreign markets expanded by 11%.
- Accelerated research for new uses and markets; budget for this expanded by \$45,000,000.

RESULTS OF THIS PROGRAM have begun to show. For the first time in a generation farm income has begun to move upward without war... now 7% above last year and still increasing. (Remember, 85% of the drop was under policies of the Democrat farm bill.)

The Texas Rangers, scourge of the western badmen for more than a century, last week received new mounts which are said to be the fastest police pursuit cars on the nation's highways.

Fourteen of the Rangers, including Col. Homer Garrison, Director, Department of Public Safety, Chief R. A. (Bob) Crow-

der, and Captain Gully Cowser, took delivery of the specially-built police pursuit cars with 255 horsepower engines.

The trunk compartment of the Dodge D-500 Texan is more than six feet wide and provides all the space necessary for the saddles, armament, and assorted equip-

ment each Ranger must carry in his line of duty.

The Rangers still pack pearl handed revolvers, wear high heeled boots and big hats, and ride horses: for O.e Paint has not been put out to pasture, but is transported in trailers behind these new patrol cars.

From where I sit... by Joe Marsh

Fastest "News Service" in Town!

Had a frantic wire from Washington yesterday—saying that the local Congressman was making a surprise visit and a short speech. Could I get the word around fast?

No time for a special edition of the *Clarion*, so I turned to the fastest "news service" in town... Windy Taylor. He spent an hour mobilizing his Lodge and Court House cronies—all pretty fair talkers—and the rest is history. Biggest turnout ever.

As a newspaperman, I hate to admit it—but facts are facts. The Windys of this world aren't only quicker news spreaders

than our paper... they've even got better circulation.

From where I sit, some of us would rather talk than eat, while others are close-mouthed... just as some of us like coffee and others prefer a glass of beer. There's a lot to be said for both attitudes. But if you go in for gab—don't talk against someone just because you don't happen to agree with him on some question of personal choice. Use your own "good censorship."

Looking Through The Windows Of Life

By W. H. Marshall

Irwin Edman said, "The gift of gaiety may itself be the greatest good fortune, and the most serious step toward maturity."

Gaiety does seem to play a good part in the make up of many people. The fellow who takes himself too seriously usually finds it hard to get along with people, especially if they don't do as he thinks they should.

He thinks of himself as a sort of a god toward whom his fellow man should bend his will. He is hard in his judgement of others, but ignorant of his own shortcomings. He is immature in his thinking, and for that reason, immature in his judgement of others and events.

No man can ever come up to the ideal standard. And no man can climb to greatness on the faults of other men. So, it would seem to me that many of us try to use childish and foolish ways to be noticed and to make our demands. If you will notice people have a way of respecting what is right and standing by the man who tries to do right. For that reason, no man need fear to stand by his best judgement of what he knows to be right.

In the long run, wrong can never defeat right. A lie is never the truth. There are certain fundamentals in our world and God put them there. One is the fundamental of truth. Jesus said, "I am the Truth."

Nations today, some of them, are trying to run their government on false hoods and lies. Russia, it would seem, is about to be seen for what she is. A BIG LIE. Are we to be taken in by the Big Lie? Many youth today are being thus taken in. They are being told that this and the other thing is the right thing to do. Even communities fall to the Big Lie, especially if they think there is a chance to make some easy money for charity. Can a community gamble away her moral and spiritual values for any consideration? I would think not if she values her children and her youth as worthy of moral and spiritual consideration.

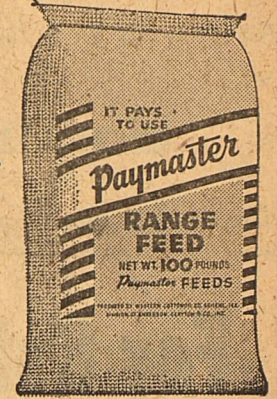

You see, gaiety plays a large part in all of our lives for good or evil.

Soberness is not easy to come by. Good judgement is lacking in much of our thinking. All over our land there are people who even use their religion as a social barometer. Gaiety rushes in to push aside what in sober judgement one knows to be right.

The future for many of us will bring us to a fearful judgement of our acts and our ways. Wrong doing may wear a beautiful face but in the background there is the soul's graveyard and crossbones. What dupes some people can be and still think they are smart.

Gaiety, O YOU POOR DARING!
