BOVINA, TEXAS

VOL. VII, NO. 15

WHITTLIN'

BY DOLPH MOTEN

We don't think it's possible for you to win the grand prize in Bovina Businesses Cotton Bowl Football Contest . . . if you haven't been entering up to now. There are some 130 contestants who have so great a lead on you now that it would be impossible to catch up with all of them. So just forget it. Don't try to win now . . . unless you need the weekly prize money.

There are eight weeks left in the contest. If you hit a perfect score all of those weeks you would come up with a total of 80. That won't, we venture to predict, be enough total points to win the expense paid trip for two to the Cotton Bowl.

Erith Hawkins, last year's winner, earned the trip with a score of 98, a percentage something over 75. That's pretty good over a 13-week period when you count ties wrong and still figure them in the percentage.

Professional predictors of football games throw ties out don't count them on their worst record. That helps their percentage. In the contest here, we don't give the contestant the benefit of tie games.

Reason we don't is that it's possible to pick a tie. If that happens, the particular contestant is entitled to that additional point, if he's right. Therefore, it has to be wrong if contestants pick a winner and the game ends in a tie.

Because five people are tied right now for the grand prize, it's probably an opportune time for us to bring up how the winner is determined should the contest end in a dead lock.

THE TIEBREAKER SCORE WILL BE USED FOR ALL 13 WEEKS OF THE CONTEST.

Some people have come up with the mistaken idea that duplicate prizes will be awarded. We can assure you that such will not be the case.

That, after all, is what the tiebreaker score is for. And if the tiebreaker score results still leaves two or more contestants tied for the grand prize, a coin will be flipped or straws drawn or cards cut or something will be done to determine the winner.

The five contestants who are tied for the lead are still running four points behind the pace that Hawkins was setting this time last year. At end of five weeks of play, Hawkins had a total of 44. Of course, he played pretty rough in last year's contest. A little rougher than really you're supposed to. There were fewer ties last year too.

Hawkins is using different strategy in his attempt to repeat as contest winner this year. He's of the opinion that there is too much pressure on the leader, especially if that contestant jumps out front early in the contest. He believes it's better to kinda pace yourself back in the background, let others have the glory of being in front, and then make your move late in the game.

That may be what he believes or he may be telling us that because he is presently four points off the pace. He says those four points back is just right. He hasn't told us when he plans to make his move for the front yet. However, we strongly suspect he will make said move, if at all, the first week he's lucky enough to pick more winners than anyone else.

One disadvantage to being in front, we'll admit, is that the leader is almost forced to go along with the favorites each week. Needless to say the favorites don't always win. When they don't, that gives the contestants who are a few points behind and shooting for the upsets an opportunity to catch up. The contest can get real involved. At least one individual we know of has dropped out this year because, "I'm going to quit worrying myself sick over something that doesn't mean any more than that does."

We do hate to lose contestants because the contest is too good. But we guess there are disadvantages to almost all situations.

Not because we're nice, but
(Continued on page 6)

AT FRIONA FRIDAY NIGHT

Ponies, Chiefs Play In Parmer Co. Battle

Coach Hallie Gee's Bovina Mustangs, sporting a 3-1-1 record at season's midway point, take on the Class AA Friona Chiefs there Friday night at 8 p.m.

The Chiefs are expected to unleash more than two years' worth of frustration at the Mustangs—it's been that long since they won a football game.

However, the game will probably be rated a toss-up, Bovina would get the favorite's nod on

the basis of comparative scores but Friona is two notches higher than the Mustangs in classification and that is usually a highly-important factor.

Another disadvantage for the Mustangs is the fact that they will, in all probability, be playing without Jerry Frazier, star halfback who is the team's leading scorer and groundgainer and is one of leading scorers in the area. Frazier suffered a shoulder separation in last week's

game with Meadow. He was slated to see a specialist in Amarillo this week in regard to when he will be able to play again. His coaches feel, however, that it will be at least a week of more before he will be able to return to action.

On the bright side of the ledger sheet, however, is the fact that Don Cumpston, regular quarterback who has been out the past two ball games with a concussion, will be ready to play.

Cumpston's return is expected to strengthen Bovina's passing attack. His favorite receivers are expected to be Ends Mac Glasscock and Philip Lloyd and Halfback Pat O'Brien.

Aside from Frazier, Gee says his troops are in good shape except for about the normal amount of bruises which can be expected at mid-season.

Weight is not expected to be a factor in the game, though the Mustangs might possibly have a slight edge in this department. Friona has good speed, Coach Gee reports. "They're probably the fastest team we've played so far this year."

"Friona is just about as hungry for a win as a team can get," Gee points out, and that coupled with the natural rivalry which exists because the two schools are only 12 miles apart "will make them really after us."

Friona lost last week to a district-mate of Bovina, Happy's Cowboys. The Cowboys are rated over the Mustangs and managed to slip by Friona by only a four point, 24-20 margin. However, Bovina played Farwell Steers off their feet before taking an 18-14 whipping while Farwell plastered Friona, 39-0, in the season opener for both teams.

Friona has improved a great extent since the first game of the season, Coach Gee points out. "You can look at the outcome of the Chiefs' game with Happy and tell that," he says.

Replacing the injured Frazier in Bovina's offensive backfield will be Dennie Johnston, 145-pound sophomore. Johnston returned to action just last week after being out all season with a broken leg.

He has about the same speed as Frazier, but is not as big

as Frazier and thus not as hard a runner. Too, he doesn't have the experience which Frazier has.

Johnston replacing Frazier and Cumpston returning to quarterback are expected to be the only changes in the Mustang line-up. Ken Horn and David Anderson, who have handled quarterbacking duties in Cumpston's absence, will see defensive duty and will be ready

(Continued on page 6)

UP QUARTER OF MILLION

Bank Deposits Show Increase

A healthy economy is a growing community was reason given for an increase in deposits at First National Bank of Bovina this week by Warren Embree, bank president.

Deposits were up by almost a quarter of a million dollars at the bank's call September 28 over the same time a year ago. Deposits on September 27 of last year totaled \$1,158,350.56 as compared with \$1,405,580.33 for this year for an increase of \$247,229.77.

Loans, too, showed an increase. They were up from \$672,173.40 in '61 to \$973,632.13 this year.

Bank officials hope to hit the \$2 million mark after this year's crops are in and feel that there is a good chance to do

so. Slightly more than \$500,000.00 in increase from present time would make the \$2 million mark a reality.

The bank's official statement of condition appears on an inside page of this issue of The Blade.

Dedication of Hall Planned

New Parish Hall of St. Ann's Catholic Church will be dedicated in services Sunday afternoon at 5.

Officiating at the dedication will be The Right Reverend Monsignor Peter Morsch, dean of the Plainview Deanery.

The blessing will be followed by benediction. Then a social with cake, pie and coffee being served will be held in the hall, a spokesman for the church announces.

A supper for the visiting clergy will be served by ladies of St. Ann's Society at the Rectory.

Seale Bringing Campaign Here

Jack Seale, Republican candidate for congressman from this district, will bring his campaign to Bovina Monday. Seale, who is presently mayor of Amarillo, will speak at a luncheon at Bovina Restaurant Monday at noon.

Following the luncheon, Seale will visit on the streets of Bovina, according to his plans.

This will be second appearance of Seale here during the campaign.

All Bovina supporters of Seale are invited to attend the luncheon.

Kenneth Precure of Lazbuddie is Seale's Parmer County campaign manager.

HORN, REA, VICKERS WEEKLY WINNERS

Five Tied For Lead In Football Contest

Competition was fierce in Bovina Businesses Cotton Bowl Football Contest last week.

With the five college games coming out with the favorites winning and only one upset in the high school slate, a total of 35 people of the 123 entry blanks

turned in got nine or 10 of 10 correct answers—more than ever before in history of the contest which is now in its third year.

Last week allowed four contestants to jump into a first place tie for the grand prize

with Mrs. Patsy Sherrill. Prior to last week's contest, Mrs. Sherrill was out front all by herself. The four who pulled into a first place tie were all in second place last week. They are Larry Webb, John Wilson, James Lawlis and Tom Bonds.

They each have 40 points out of a possible 50 for a percentage of 800.

First place weekly prize money winner last week was Ken Horn. He collected \$5 for naming 10 of 10 correct winners and being only seven points off on the tiebreaker score.

Mrs. Bess Rea took second place and \$3 as she named 10 winners and was eight points off on her guess of the score of the Bovina-Meadow game.

Winning \$1 third place money was Charles Vickers with 10 right and nine points off on the score.

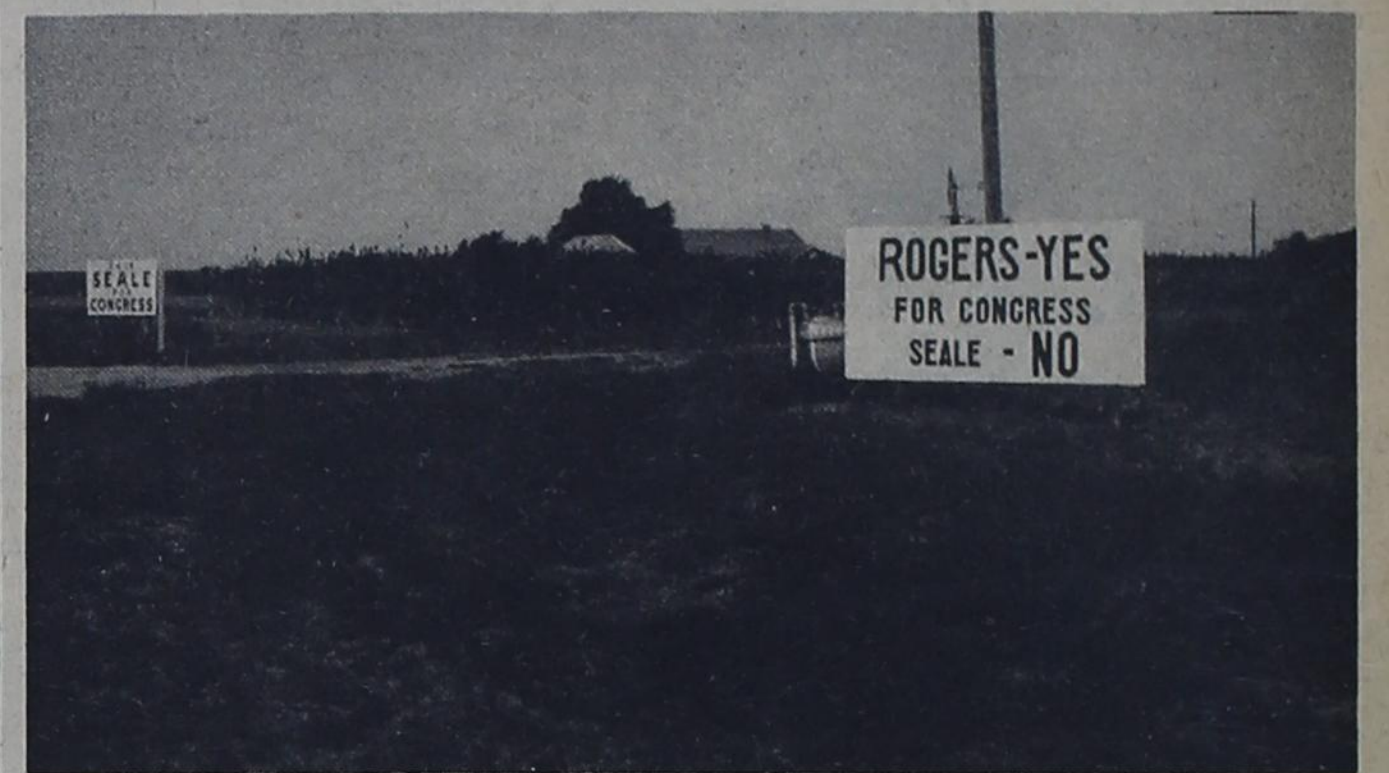

This is fifth consecutive week for Mrs. Sherrill to be in first place—or tied for it—in the race for the grand prize, an expense-paid trip for two to the Cotton Bowl. Wilson has been tied for first place four of the five weeks. The other three are newcomers to the lead position.

Two contestants are just one point behind the leaders with a score of 39 each. They are Neil Smith and Emmett Tabor.

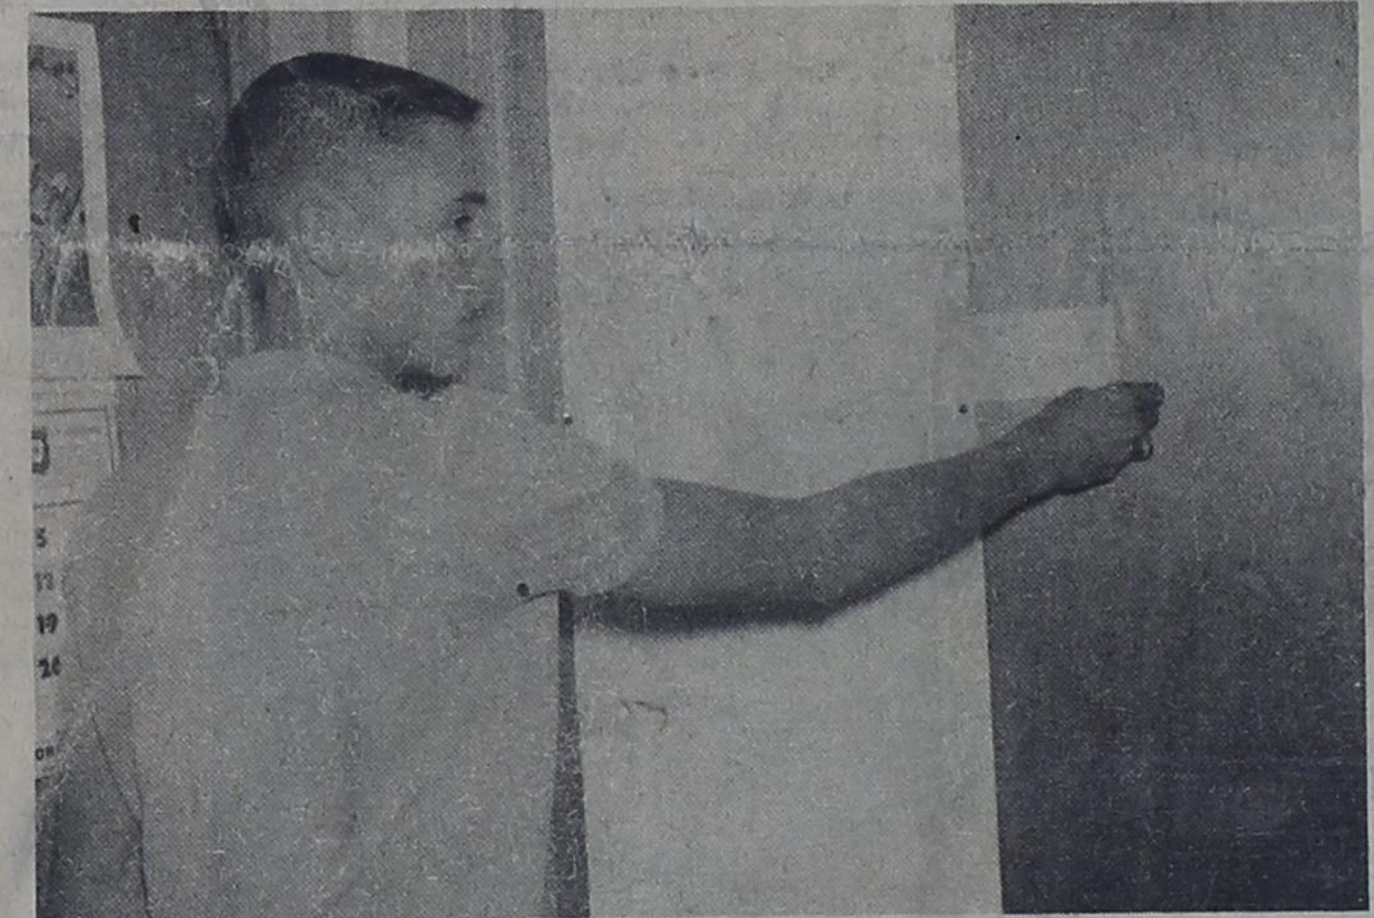

Trailing two points off the pace and threatening the leaders with 38 points each are Billy Whitecotton, Ovid Lawlis, Jeanne Kerby, Glenn Hromas, Bill Ellis of Friona and Harry J. Charles.

Three points back with 37 are Allen Cumpston, Rex Cumpston, Buck Ellison, Leon Grissom, Pat Kunselman, Malcolm Kennedy, Mrs. Billy Malcom of Tulia, Bill Read, Glenden Sudderth and Melvin Terry.

Contestants last week who finished just out of the money with nine of 10 winners were Charles Hawkins, Ovid Lawlis, Webb, James Lawlis, Hugh Horn, Mrs. Glenn Hromas, Whitecotton, Ed Hutto, Robert Donald Taylor, Connie O'Brien, Robert Taylor, Rex Cumpston, Kennedy, Randy Jones, Al Kerby, Allen Cumpston, Boyd Gilreath, Tabor, Carl Rea, Sudderth, Charles, Mike Barraza,
(Continued on page 6)

NEIGHBORLY DISAGREEMENT? -- Motorists going west from Bovina on Pleasant Hill Farm to-Market Road can get a brief lesson in American politics from these two signs. They're both in regard to the race for congressman from this district. Candidates are Walter Rogers of Pampa, Democratic incumbent, and Jack Seale, Amarillo Republican. Sign at left proclaims "JACK SEALE FOR CONGRESS." Lettering on one at right, which is just across the road from the Seale sign, is visible.

WEEKLY WINNER -- Ken Horn, member of Bovina Mustang football squad, reaches for \$5 first place check in front of chart in Blade office which lists standing of all contestants. Horn named 10 of 10 correct winners last week and was closer on tiebreaker score than other two who also had two right. Also naming 10 winners were Mrs. Carl Rea and Charles Vickers. This is sixth week of the 13-week contest.

NO SERIOUS INJURY

Grain Truck, Train Collide

An employee of Bovina Wheat Growers escaped serious injury Tuesday morning when the grain

truck he was driving was struck by a train at east crossing in Bovina.

Receiving apparently only a bruised leg in the accident was Candelario Alamello.

He was hauling milo from the elevator across the tracks to be dumped in open storage east of town.

The train which struck the '52 model truck was east bound and was moving at an estimated speed of less than 20 miles per hour.

Alamello was attempting to cross the tracks from the south. He had waited for a west-bound freight to clear the tracks and pulled onto the tracks when that train had cleared. The east-bound freight struck the truck on left front fender knocking the vehicle off the track.

Signal lights and bell were working at time of the accident, Dean Hastings, Santa Fe agent, reports.

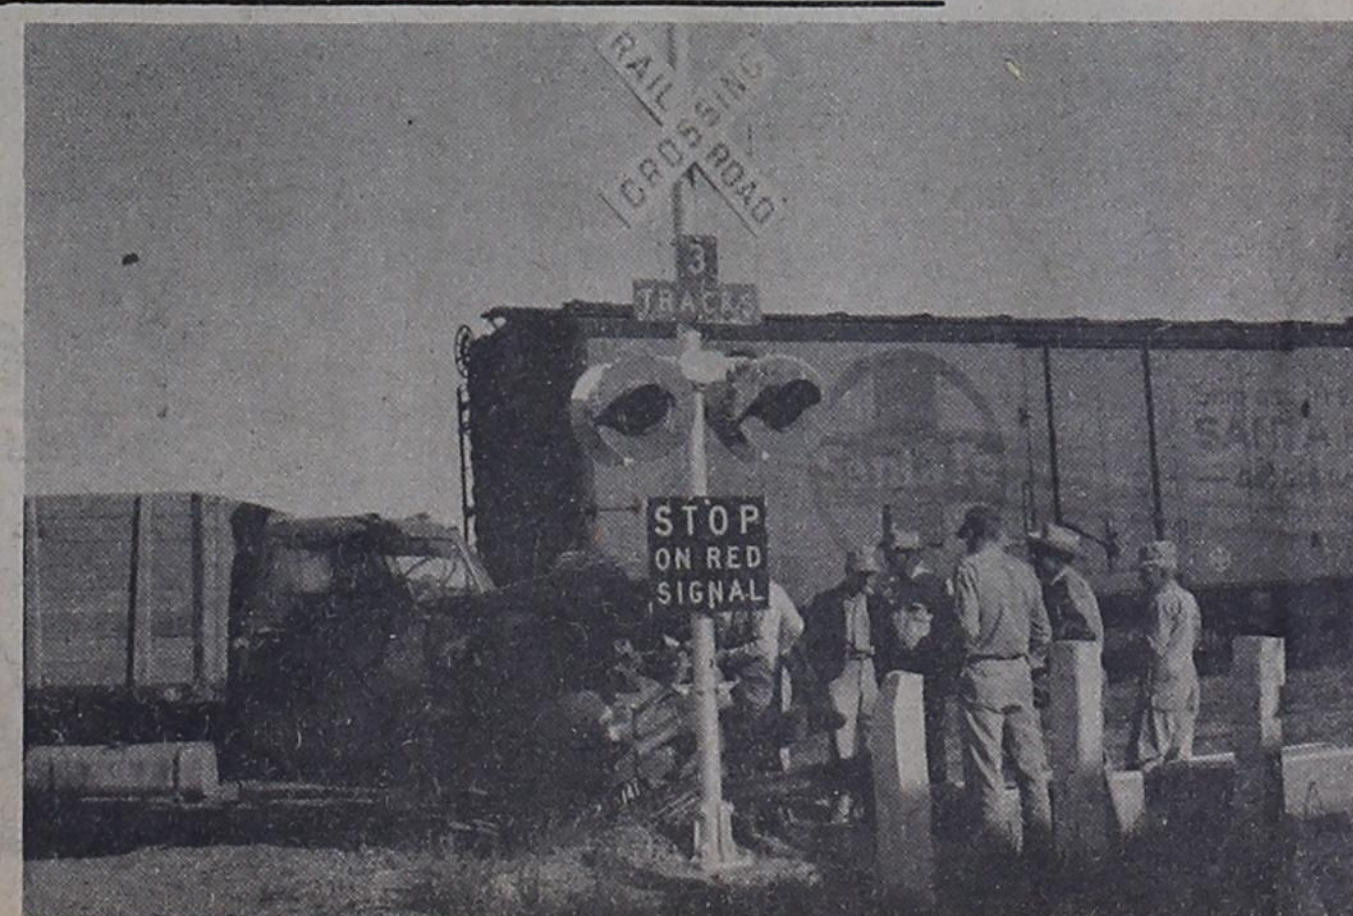

The truck is owned by Wheat Growers.

According to witnesses, Alamello apparently saw the train before it struck the truck but

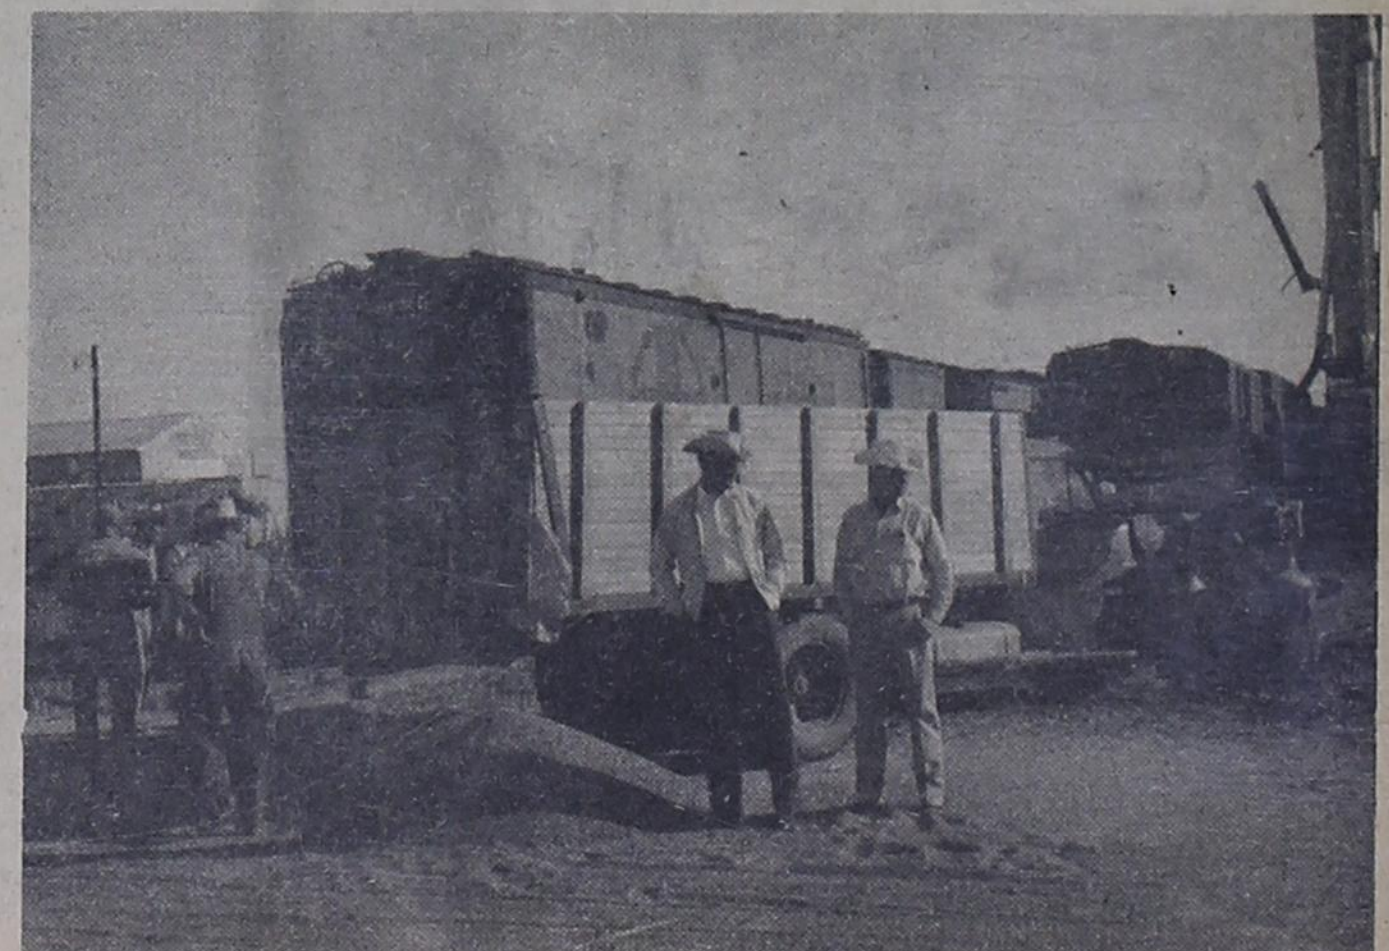

he was unable to move the vehicle off the tracks in time to avoid the collision.

Weather by Willie

Ain't it purty? Looks like a change this weekend, at least threatening.
--Willie

WRECK -- Spectators are shown viewing demolished truck which was struck by a train at east crossing in Bovina Tuesday morning.

WASTED GRAIN? -- Deputy Henry Minter and Highway Maintenance Foreman Lloyd Killough are shown at rear of grain truck which was struck by a train here Tuesday morning.

SEASON'S THIRD WIN

Mustangs Maul Meek Meadow

The Bovina Blade
 Second-Class Privileges Authorized at Bovina, Texas, Published At Bovina, Texas, Every Wednesday.
 Dolph Moten Publisher & Editor
 Sue Moten Women's News

Bovina's Mustangs racked up their third win in five starts during 1962 season here Friday night as they took an easy 31-8 win over Meadow Broncos.

Mustangs completely dominated the non-district clash, but it could prove to be a costly victory to them -- Star Halfback Jerry Frazier, the team's leading scorer, suffered a shoulder separation midway through the third quarter and

will be lost to the team indefinitely.

Mustangs racked up 19 points in first half before the Bulldogs were able to push across their line TD. Bovina added two more six-pointers just for insurance in final quarter.

The maroon and white defense stubbornly held Meadow to a scant 23 yards rushing and allowed only 49 more passing to give the visitors a total yardage figure of 72. The Mustangs,

however, gobbled up 220 yards on the ground and added 81 more through the air for their 301 total as they accumulated their highest point total of the five-game old season.

Bovina got its scoring machine in gear on last play of first quarter.

After bogging down first two times they had the ball, Mustangs set the scoring drive in motion after putting a Meadow punt in play on the Meadow 40.

They covered the distance in six plays in spite of being penalized 20 yards enroute. Long gainers in the drive were two passes from Quarterback David Anderson to End Mac Glasscock for a total of 23 yards and Frazier's 20-yard scoring jaunt.

Billy J. Charles, recently developed extra point kicker for the squad, missed his placement for the point after.

Second touchdown came minutes later as Tackle Dickie Clayton recovered a Bronco fumble--one of five the visitors lost during the game--on Meadow's 29.

On first play from that point, Quarterback Ken Horn passed long down the east side of the field to Halfback Pat O'Brien, who was all by himself, for the score. Charles' placement was again wide of its mark to leave score 12-0.

The third score was even quicker in coming about. Meadow fumbled on first play following kickoff and Mustangs took possession on Meadow's 31.

O'Brien made six, Anderson passed to Glasscock for 10 and Frazier sped the remaining 15 yards to score standing up.

Third time was charm for Kicker Charles as his placement sailed squarely through the uprights to boost the score to 19-0.

The Broncos got their touchdown just before the half. They recovered a Mustang fumble on the Bovina 26 and scored in four

plays. A pass play was good for 15 yards and then pass interference ruled against the Mustangs gave Meadow the ball on the one. Quarterback Bill Sturdivant plunged over from there.

A fake kick-pass worked for the extra points for Meadow with John Blake throwing to Jerry Hester. That boosted score to 19-8 and that's way it stayed until the final stanza.

Mustang defense continued to hold Meadow in check during third period and Bovina was unable to get rolling until late in the 12-minute session.

The fourth Bovina touchdown was set up late in the third quarter when an alert Mustang pounced on a Bronco fumble on Meadow's 21.

Johnston got four to the nine before a five-yard penalty shoved the ball back to the 14. Kelso got 10 on the next play and then went through middle for the score to complete the scoring at 31-8.

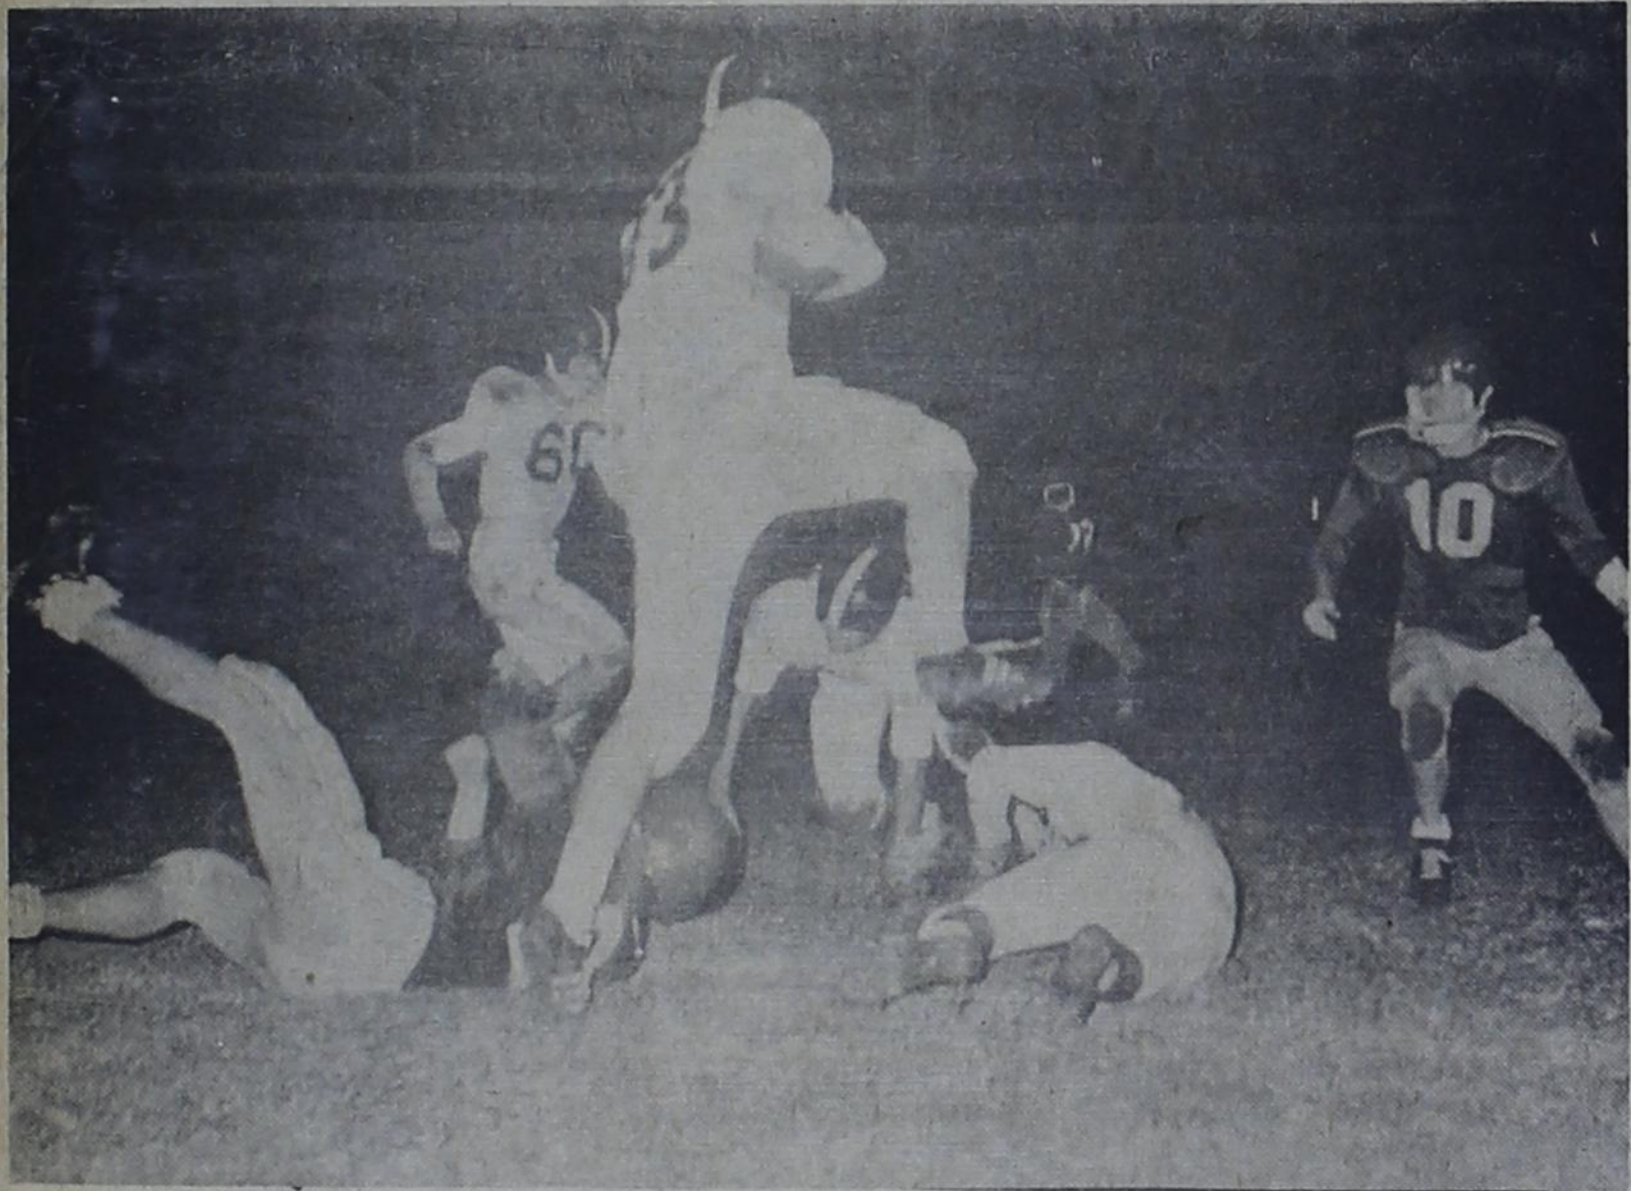

Bovina subs were banging on the door of paydirt, however, as time ran out. They had the ball on the one-yard line.

Though he didn't play after being injured in third period, Frazier was the game's leading ballcarrier as he picked up a total of 88 yards in 13 tries. Kelso made 80 yards in 14 attempts. O'Brien carried seven times for 30 yards and Johnston had 27 yards gained in four trips to round out leading Bovina ballcarriers.

A crowd of some 500 people was on hand to witness the game which was played in good weather but on a slightly slick field which hampered the action to some extent.

Halfback Jerry Frazier, No. 32, bounds across one would-be tackler and evades another as he's on his way for Mustangs' first touchdown against Meadow.

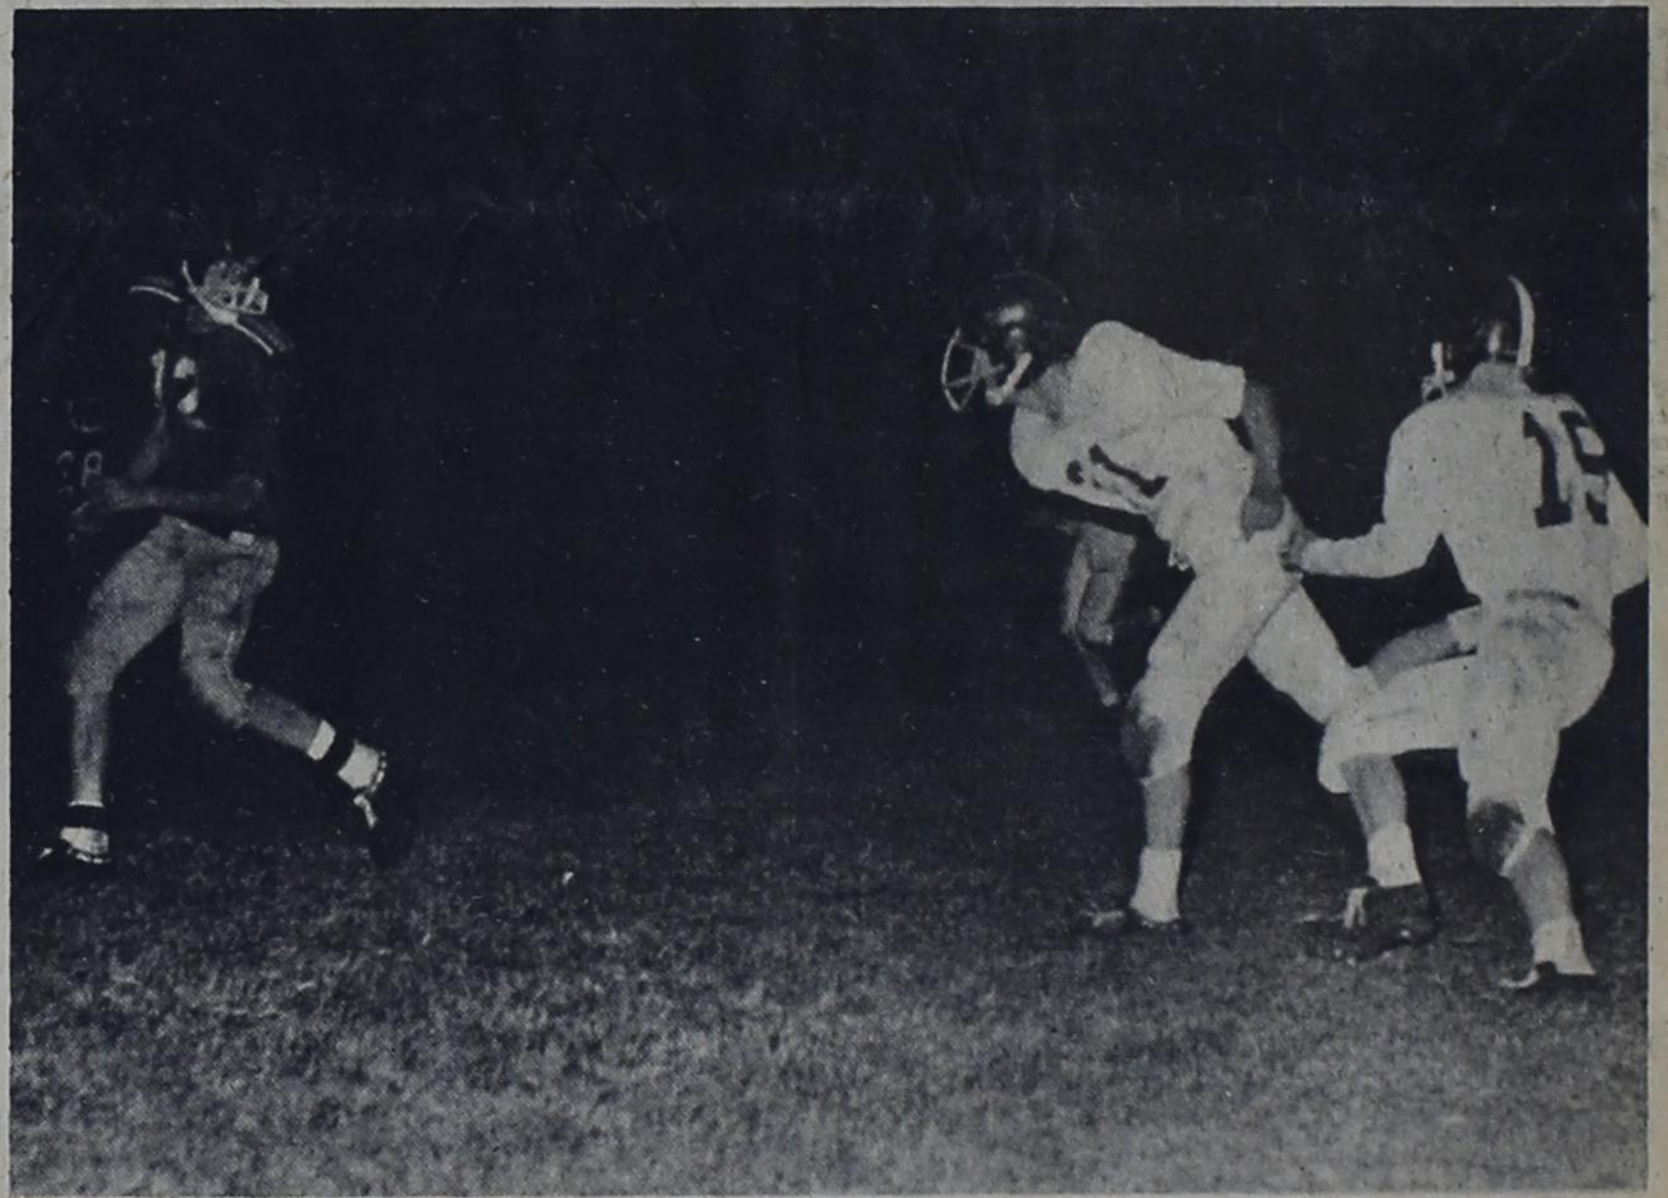

High-stepping Fullback Tally Kelso is shown gaining ground against a shattered Meadow defense, No. 60 at Kelso's left is Guard Delbert Morris.

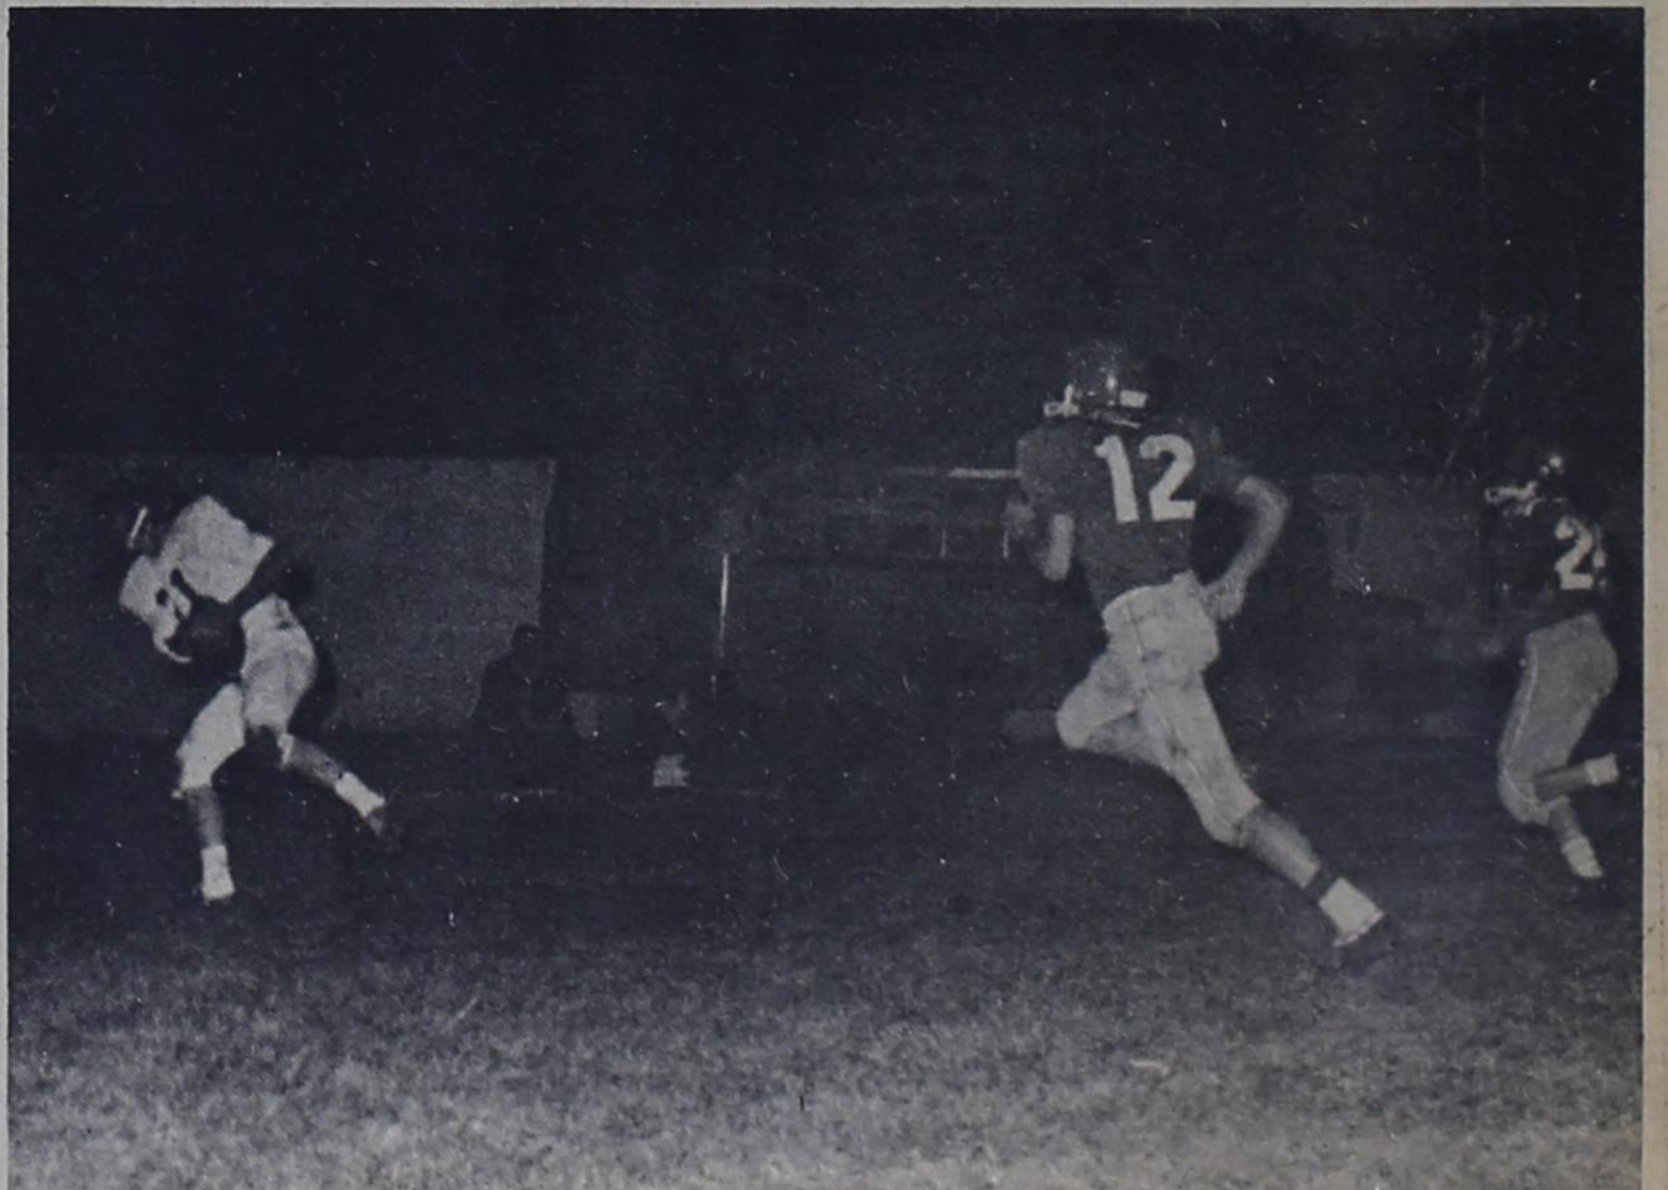

Billy J. Charles, newly-developed Mustang extra point kicker, is shown getting off his successful attempt Friday night. Holding the ball for Charles is Quarterback Ken Horn.

PHOTOS BY D. R. BUSHELL

David Anderson, No. 19, Mustang defensive halfback, is shown during his runback of an intercepted Meadow aerial. Anderson gathered in the ball near midfield and returned it to Meadow's 13. Leading interference is Mac Glasscock, No. 81.

Mustang Halfback Pat O'Brien is shown all by himself in the endzone as he gathered in a Ken Horn pass for a touchdown against Meadow.

WEDNESDAY, OCTOBER 10, 1962

AT REGULAR MEETING--

Chamber Directors Discuss Survey

Bovina Chamber of Commerce and Agriculture directors, meeting in regular session Thursday morning, discussed having Doane's Agricultural Service make a community survey here.

The survey would aid in information in regard to using natural resources to best advantage.

Cost for the service would be \$3200 for the community. Roy Crawford reported, The directors discussed calling a public meeting to discuss the survey. Decision was made to delay action for two weeks and then decide whether such a project should be brought before the public.

Directors also voted their support on a local basis of oral polio vaccine program. Chamber manager Jack McCracken was asked to write a letter to a area medical association pledging the group's support to the program.

Also, McCracken was asked to write a letter to Santa Fe headquarters requesting that railroad crossings in Bovina be left open as much as possible during the current harvest season.

Directors agreed to pay expenses of Charlie Jefferson, county commissioner from this precinct, on recent trip to Brady to inspect a watershed project there.

Also discussed was cable TV

service for the community. Friona Cable TV is interested in expanding its service to include Bovina. It was reported at the meeting. The franchise for such a service is now held by Otho Hammonds of Bovina and that service still has three months to run, according to a report given at the meeting. Thus no decision was made in regard to the cable TV service.

Bedford Caldwell, chamber president, presided at the meeting which was in City Drug.

Quilting Club Has Luncheon

Quilting club was feted with a covered dish luncheon Thursday at the home of Mrs. J. E. Owens.

Following luncheon the group spent the afternoon quilting for hostess.

Attending were Mrs. H. D. Bradshaw, Mrs. Levi Johnson, Mrs. John Purvis, Mrs. Lloyd Killough, Mrs. C. P. Warren, Mrs. Tom Griffith Mrs. W. J. Parker and Mrs. J. R. Caldwell.

Thrifty Club Plans Dinner

Mrs. L. M. Grissom entertained Thrifty Club at her home Monday afternoon.

Plans were made for annual Thanksgiving dinner November 12 at the home of Mrs. J. D. Stevens.

During the afternoon the group worked on cup towels and embroider work for hostess.

Attending were Mrs. G. A. Bandy, Mrs. H. D. Bradshaw, Mrs. C. R. Brandon, Mrs. J. D. Stevens, Mrs. P. O. Dixon, Mrs. E. M. Ware, Mrs. Wilbur Charles and Miss Lola Grissom.

Following the meeting refreshments of punch and cake were served by hostess.

Slate Program On American Art

Slide Lectures of American Art will be program presented at Bovina Woman's Club Tuesday afternoon at Woman's Club House.

Mrs. Jesse Walling will give a survey of American painting and Mrs. H. D. Bradshaw will present a dissertation on American textiles.

Hosting the meeting will be Mrs. H. L. Ivy and Mrs. Reagan Looney.

Hospitalized

F. S. Pounds is hospitalized at Parmer County Community Hospital in Friona with influenza. He is reported to be improving.

Visit Garissons

Visiting in the home of Mr. and Mrs. L. M. Grissom over the weekend were their daughter and family, Mr. and Mrs. Bill Crume of Lubbock and their son and family, Mr. and Mrs. C. W. Grissom of Tiaban, N.M. and Mr. and Mrs. Leon Grissom and family.

Paula Kay Kerby

Plan November Wedding

Mr. and Mrs. A. L. Kerby of Bovina announce the engagement and approaching marriage of their daughter, Paula Kay, to Joe Neal Tarter, son of Archie L. Tarter of Lazbuddie. Vows will be exchanged Thursday November 22, at 10 a.m. at First Baptist Church in Bovina. Immediately following a reception will be held in Fellowship Hall of the church. Friends of the couple are cordially invited. Formal invitations will not be sent to local residents.

Pep Club Breakfast Success

Breakfast was served to approximately 120 persons Saturday morning at Kidnap Breakfast at Homemaking Cottage, according to Mrs. Patsy Sitton pep club sponsor.

Proceeds from the breakfast will be used for an end of season party for members of football team and also expenses of part of cheer leaders uniforms. \$41. was contributed Saturday at breakfast.

Breakfast started at 5:30 a.m. and lasted until 9:00 a.m. with coffee and rolls being served to guests.

Weslaco Man Is Injured

Jesus Garza, of Weslaco, was uninjured Sunday when the truck he was driving overturned on a dirt road seven miles north-east of Bovina.

Garza, who was riding alone, overturned the unloaded truck about 6:30 p.m., according to resident Highway Patrolman Carroll Parker.

He said Garza told him he was trying to adjust his mirror when he lost control of the truck.

Junior Girls Host Party

Approximately 30 youngsters were entertained with a skating party last Wednesday afternoon at Farwell.

Junior girls of Methodist Church hosted the social for junior boys due to loss in attendance contest.

Following skating refreshments of sandwiches, cookies and Cokes were served to the group.

Sponsoring the party were Mrs. A. M. Wilson, Mrs. Warren Morton, Mrs. Leon Grissom, Mrs. R. E. Wilson and Mrs. Durward Beil.

A. G. White At Home

A. G. White was released from Parmer County Community Hospital in Friona Monday morning and is reported to be in good condition.

McCracken Now SCS Director

Jack McCracken has been named to Parmer County Soil Conservation Service board of supervisors.

McCracken replaces Dean McCallum from this zone, which includes the school district. McCallum, recently submitted his resignation to the board. McCallum had two years remaining on his five-year term. There are five members on the county board from different areas of the county.

Mrs. Edens Hosts Dorcas Circle

Mrs. C. O. Edens hosted a luncheon for members of Dorcas Circle Wednesday at Methodist parsonage.

Presenting the program on book of Acts were Mrs. Earl Richards, Mrs. T. J. Hopingardner, Mrs. Lloyd Battey, Mrs. I. W. Quickel and Mrs. Mable Newberry.

Following the program the group had a short business session in which they set a date for planning the church Bazar. The group will meet Saturday November 17.

Others present were Mrs. L. C. Moore, Mrs. Billie Sudderth and Miss Ellen Reminsider.

Mrs. Langford Sponsors Party

A Dresden painting party has been scheduled Thursday at Pleasant Hill Community Center.

Mrs. Leon Langford is sponsoring the party. Those wishing to attend are asked to bring a sack lunch according to Mrs. Langford.

Brandon ROTC Unit Commander

Ramey Joel Brandon, son of Mr. and Mrs. C. R. Brandon of Bovina, has been named one of 12 company commanders in Army ROTC at Texas Tech. Brandon is a senior accounting major. He is a member of the Tech Accounting Society and is a pitcher on the school's baseball team.

He is a 1959 graduate of Bovina High School.

Women Attend Anton Meeting

Several women of First Baptist Church attended an associational meeting of Llanos Altos association at Anton Thursday evening.

Preceding the meeting a dinner was held at First Baptist Church at Anton.

Attending from Bovina were Mrs. Don Murphy, Mrs. John Ferguson, Mrs. Ovid Lawlis, Mrs. Keith Garner and Mrs. Charles Vickers.

Farewell Party Fetes Gooch's

Mr. and Mrs. J. W. Gooch were feted with a farewell party Wednesday evening following services in fellowship hall of First Baptist Church.

The serving table was laid with an ecru lace cloth over orange and centered with an autumn arrangement of flowers. Refreshments of punch and cake were served from a silver and crystal appointed table. Mrs. Henry Minter presided at the punch bowl.

Several gifts were presented the honorees who are moving to Floydada where he will assume a position with the highway department.

Approximately 60 people attended the party.

Sudderth Boy Released Sunday

Del Ray Sudderth, one-year-old son of Mr. and Mrs. Glendon Sudderth, was hospitalized Friday at Memorial Hospital in Clovis. He was released Sunday and is reported to improved.

There are over 5,000,000 alcoholics in the U.S., one out of every 21 adults.

Blade Sawdust by SUE MOTEN

Wonder how many presidents have ever been liked all the while they were in office?

Have decided that the best way to be the most popular man is to be elected to that esteemed office. Can remember everyone jawing about Ike being a knucklehead and now they are calling Kennedy the same thing, different word, same connotation. The thing that is so remarkable is that no one has any suggestions except get another man in office then immediately after that happens the same thing happens again. People tell me that the public loved F. D. R., but still have my doubts that he wasn't cussed and discussed just as much as anyone else who has to make decisions, as he sees fit for a nation instead of how several million petty people think it should be.

Wonder when the designers are going to invent true fall clothes. Early in the morning one could easily don a pair of slacks, sweater and coat and by the middle of the day shorts, sleeveless blouses and sandals are in order. Looks like there should be a costume to fit a day of this nature but so far we haven't run across any.

Was listening to a dissertation on the American husband during the World Series and football-opens the other day and this is what he was described as. A two eyed monster, with said eyes glued to TV watching baseball and ears plugged into a transistor radio listening to a national football game. Can picture this creature as that long forgotten "purple people eater."

Also the comment that was made was this listener couldn't remember whether Whitey Ford made a 75 yard run or if a Greenbay packer slid into home safe. Think this would lead to a great deal of confusion.

In Hospital

Mrs. Minnie McCutchan is hospitalized at Parmer County Community Hospital in Friona and is reported to be in serious condition. She was admitted last Tuesday and is not allowed visitors.

KIDNAP BREAKFAST -- Shown here is a part of the crowd which participated in a kidnap breakfast Saturday morning at homemaking cottage for benefit of Bovina High pep squad. Invitations to the breakfast were extended by pep squad members making early morning calls at homes of those who were "kidnapped" for the breakfast.

Mrs. Murphy Has WMU Program

Mrs. Don Murphy was in charge of Royal Service program for W. M. U. Tuesday morning at First Baptist Church.

"Labor together with God" was title of program. Also on

Church Classes Have Social

Hammonds Class of Methodist Church and Friendship class combined their socials last Thursday evening with a salad supper at church fellowship hall.

Following the supper the groups played forty-two and visited.

Attending were Mr. and Mrs. Earl Stevenson, Mr. and Mrs. Bedford Caldwell, Mr. and Mrs. Gene Ezell, Mr. and Mrs. Rouel Barron, Mr. and Mrs. Warren Morton, Mr. and Mrs. Billie Sudderth, Mr. and Mrs. R. E. Wilson, Mr. and Mrs. Loyd Nabors, Mr. and Mrs. J. T. Hammonds, Mrs. Jimmy Charles, Mr. and Mrs. Leon Ware, Mr. and Mrs. Jimmy Ware, Mr. and Mrs. Vernon Willard, Mr. and Mrs. Charles Thompson and Mr. and Mrs. Jimmy Clements.

Hosting the party were Mr. and Mrs. D. R. Bushnell and Mr. and Mrs. Durward Bell.

You cannot help the wage earner by pulling down the wage payer. --Abraham Lincoln

Home From Germany

Denry Bates returned home following a two year stay in Glenhausen, Germany. He was in the 48th Infantry.

Following a visit with Mrs. Mattie Queen, he will make his home in Fort Worth.

Re-Elect WALTER ROGERS Congressman

Experience-Mature Judgement-Seniority
Re-Election Of **WALTER ROGERS** As Congressman From This, The 18th Congressional District, Is Highly Important To Economy Of Our Great Area.

A Vote For **WALTER ROGERS** Is A Vote-For America For Texas-And For This Area!

This Advertisement Paid For By Bovina-Area Friends Of Walter Rogers

LOOK AT THE RECORD!

AGRICULTURE

- Spearheaded opposition to International Sugar Trusts. Fought for and gained increased sugar beet production, making possible construction of a sugar processing plant in the Panhandle.
- Championed the cause of the American Farmer that he not be penalized for being the best farmer the world has ever known. . . . his markets must not be allowed to collapse, to the ruin of the family-size farm, and neither should they be depressed by crushing surpluses.
- Continued to seek Congressional adoption of a sensible farm program which includes these points - increased role of the farmer in writing legislation, genuine alternatives in farm program referendums, and freedom from bureaucratic harassment and scandalous discriminatory practices.
- Fought for the right of appeal from arbitrary decisions by USDA Bureaucrats to be established in the courts.
- Fought for passage of the Canadian River Dam to provide adequate water for industrial and agricultural expansion of our area.

Contest Rules

1. There are 10 high school and/or college football games listed in ads on this page.
2. Pick the team you think will win in each game and place the WINNER'S NAME beside same advertiser's name in the contest entry blank at bottom right of this ad.
3. Pick the score of the tie breaker game and place your guess in the appropriate blanks on the entry. The tie breaker game will not count on your won-lost record. It will be used only in case of a tie.
4. Winners will be named by the Monday following the contest deadline each Friday and they will be named by Saturday, if possible. Cash prizes of \$5 for first, \$3 for second, and third prize of \$1 will be awarded.
5. Tabulations of individual entrants will be kept all season and at the end of the season a grand prize winner will be named. Grand prize winner will receive two free tickets to Cotton Bowl games plus hotel, food and traveling expenses to Dallas and the January 2, 1962 football classic.
6. There is nothing to buy. No requirements other than to bring the entry blank, filled out, to The Blade office by 5 p. m. Friday of each week.
7. Only one entry blank may be submitted per individual. If more than one blank is submitted by an individual, all will be disqualified.
8. Tabulations will be available for public inspection. Members of Blade staff will serve as judges for contest.
9. Everyone, except employees of this newspaper and their families, is eligible to enter.

BEE GEE FOR THE FARMER IT'S JUST DANDY - THRIFTY, PRACTICAL AND HANDY GAS POWER AND HEAT!

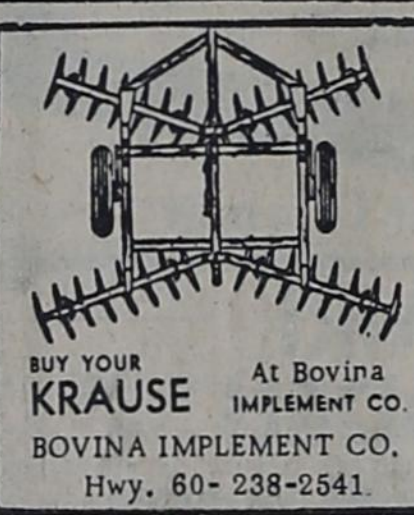

PHILGAS CHARLES OIL CO. PHILLIPS 66 JOBBER Pho. 238-4321 - Bovina

Whittlin' -- because we have several subscribers who are supporters of the Texas Tech Red Raiders and we're afraid they won't renew said subscriptions if we brag too much about Texas A&M's spectacular comeback from behind win in the game between the two teams Saturday night at College Station, we won't make mention of it here. The Aggies were favored, we'll admit, and probably should have won by a larger margin than they did so that wasn't really important part. That important part was the spectacular way in which they did win it. . . with 19 seconds left to play and on a kickoff return of 102 yards. The play was, we think, the most spectacular we've ever seen or heard. Life wouldn't have been worth living for two weeks or more for us if Tech had beaten the Aggies so we felt like we had a lot riding with that sophomore halfback on his 102 yard run. Anyway, we won't mention the game. Red Raider fans are all right, especially those who are Blade subscribers! See, critics, we can do it! Not one word have we written about politics. And we're going to quit for this week before we do . . .

Ponies-- to spell him on offense. Cumpton, who was a regular linebacker prior to his injury, is not expected to play on defense this week. In addition to the losses to Farwell and Happy, Friona has been clobbered by Plains, 51-0, and Portales, 27-0. They also lost a 24-12 decision to Sudan. Mustangs will be out to tack Loss No. 6 of the season their winless Farmer County neighbors.

Five Tied-- John Wilson, Ricky Kunselman, Ruby Wilson, Neil Smith, Sonny Gentry, A. M. Wilson, M. H. Carson, Wess Smith, Bonds, and Bobbie McFarland. In addition to the three who named 10 winners and the 32 who named nine right, 41 correctly identified eight, 24 had seven right, 12 had six, seven had five, one had four and one three. Two entries were ruled out because they were both submitted by one individual. Sponsors of the contest are Three-Way Chemical Co., Bovina Dairy Freeze, Oklahoma Lane Gin, Bovina Wheat Growers, Inc., Charles Oil Co., Bovina Gin Co., Cicero Smith Home Center, Sherley Grain Co., Farmer County Farm Supply and Bonds Oil Co. This week's contest appears on an inside page. The beginning of health is sleep --Irish

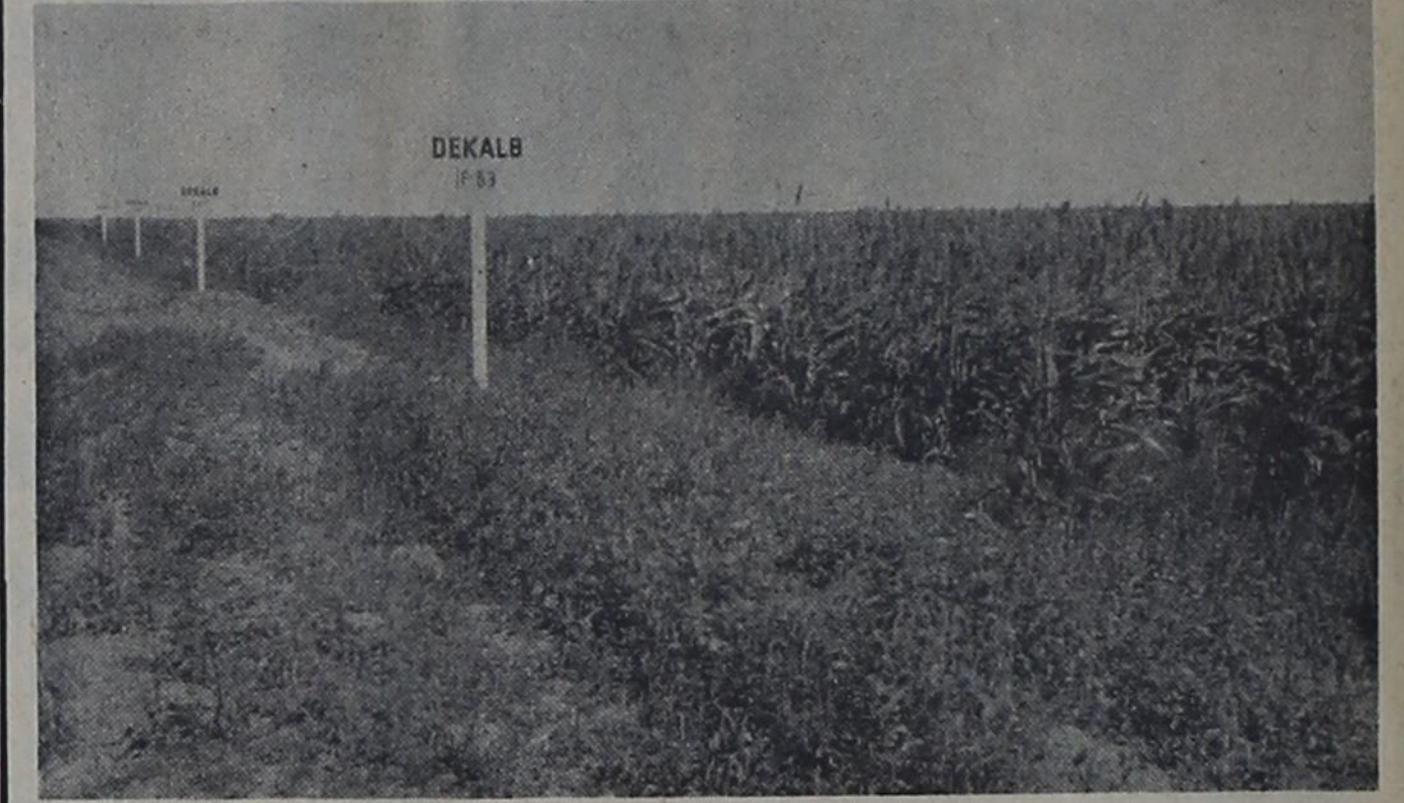

See, critics, we can do it! Not one word have we written about politics. And we're going to quit for this week before we do . . .

Officials See Possibilities Of Area Watershed Project

More than 50 persons connected with the Running Water Draw watershed project got a first-hand look last week at what could be done in this area in connection with Running Water Draw.

Several Farmer County officials were among those who were treated to a tour of the Brady Creek Watershed in Central Texas.

About a dozen Farmer County residents interested in the project were among the 54 persons who were flown to Brady to see the watershed project there, courtesy of the city of Plainview. They were joined there by another carload of county residents, who drove down.

After being treated to a steak luncheon by Radio Station KVOP, Plainview and Station KNEI, Brady, the group was taken by bus and car to see

highlights of the Brady Creek Watershed, which is nearing completion after about 10 years of work.

The group was taken to the final phase of the project, Brady Lake, which will be the largest multi-purpose reservoir to be a part of a watershed program in Texas--and perhaps the entire nation when it is completed.

The lake and the 41 other structures will have a combined total water storage of 179,153 acre feet, covering 13,401 surface acres at maximum level. More than nine million cubic yards of earth fill are being required for the embankments of the dams.

Supervisors of the San Saba-Brade SCD say that completion of the Brady Creek project will put Brady and McCulloch County ten or more years ahead of most communities in providing for conservation and beneficial use of their water resources.

In addition to the agricultural benefits, the program will provide, the addition of Brady Lake

will give the City of Brady sure flood protection.

Brady knows what it is like to experience a flood. In 1938

alone, a flood brought damages amounting to \$2,226,282 in Brady and in the watershed.

The Brady officials pledged their help to the West Texas group in getting their project underway. The Running Water Draw is of prime concern to Plainview, which sponsored last week's trip. Any time the draw floods, the city of Plainview receives the brunt of the damage.

Counties affected by the project are Curry (New Mexico), Farmer, Lamb, Castro and Hale.

The area project calls for a series of 11 structures to be built on the draw between Clo-

vis and Plainview. Under this setup, Farmer County would have three structures.

Besides the benefits as far as soil and water conservation are concerned, the possibility of recreation facilities for Farmer County is one thing that interests local officials.

The first step for the area-wide project is to verify co-sponsors for the program, so that application may be made to the State Soil Conservation Board of Directors. This board must give its approval before the planning can start.

GETTING UNDERWAY Is the hand harvest of cotton in Farmer County. Many fields are becoming snow-white, and pre-frost harvesting becomes more intensified each day.

Fall Fashions Described At Personal Charm Program

Latest fall fashions were described and shown to 30 homemakers and teenage girls in a special county-wide "Personal Charm" program presented by Miss Little Musil, Farmer County Home Demonstration Agent, held Thursday, September 27 at the Oklahoma Lane Community Center.

Several necklaces, pins, collars, over skirts, gloves, hat, shoes, and belts were used to changer a basic dress from casual wear to very dressy occasions. A jumper dress was worn with a blouse for casual wear and later changed for party or banquet wear with jewelry or a lace jacket.

Miss Musil also demonstrated how to walk, sit, and stand to better wear the basic garments.

Following the illustrated program most of the group from Bailey and Farmer Counties practiced putting on and pulling off a full-length coat.

WITH THE COUNTY AGENT

DERYL COKER

Not near enough farmers are picking up backtags at my office to keep Farmer County a Modified Certified Brucellosis-Free County. If you are planning on selling any female cat-

tle over three years of age it definitely will be to your advantage to place a backtag on them if they are going to market.

This is how the backtag works: When cattle are loaded at your farm the backtags are placed on the back of the animal, at which time you send in a card telling the number of cattle tagged and their numbers. If any of these animals are slaughtered within 14 days and is negative you will be credited as being a participant.

Over a three year period we must test at least 15 per cent of the breeding cattle in the county to keep our county qualified. Every farmer or rancher that participates will not be called

upon to retest at the end of three years. We know that our animals are clean now, so no one should be afraid to place these backtags on the backs of their cattle.

All slaughter plants have been advised to collect blood samples and after the blood sample is collected it will be sent to the state office and analyzed and then you will be notified as to the results. Even though you did come up with a reactor it will be to your advantage to know about it.

By backtagging your slaughter cattle you can assure the Brucellosis-Free status of your herd and help re-certify our county without additional farm or ranch test, except in known affected herds.

This will save you time and money and help maintain our area's modified certified status with less work and contribute to eradication of the disease.

We have a plentiful supply of the backtags and glue available in our office, so let's everyone make it a point to participate.

It won't belong until we will be harvesting cotton. Getting the cotton to the ginning good condition can mean a great deal of the farmers.

From now on we will probably be having heavy dews every night and stripping wet cotton can cost you \$10 a bale or more. Let's try to hold up until the sun is well out and the cotton has dried before we strip. If we can stay out of the fields until 10:30 a.m., it will be a big advantage to you and to your ginner.

Also, if you are stripping cotton and have a trailer or two full, it would be to your advantage to put a tarp over the trailer, especially if there is a chance for rain.

Seedlings Are Available For Farm Windbreaks

Farmers and ranchers who plan to plant windbreaks this year can pick up applications for tree seedlings from their County Agricultural Agent, or by writing to the Texas Forest Service, College Station.

Windbreak species available this year are: Austrian and ponderosa pine, black locust, catalpa, Chinese elm, cottonwood, buffaloberry, mulberry, red cedar, multiflora rose, sycamore, Russian olive, euonymus and Osage orange. Black walnut stratified seeds are available also.

The seedlings are sold only for windbreaks and prevention of soil erosion. No order for less than a total of 100 trees will be accepted.

Windbreak planting guides are available free of charge from the County Agent and from the Texas Forest Service, College Station.

HD Agent's Notes

BY MISS ETTIE MUSIL

Are you still paying for your home or are you thinking about buying a new home? If so, you may be able to save quite a lot of money by paying close attention to the interest paid and the number of years for the repayment.

For example, on a \$12,000 mortgage at four and a half per cent interest for 15 years, you will have to make payments totaling \$19,224. The same loan for 30 years will cost you

\$27,302.40. Suppose you are able to get a loan only at six per cent interest. The \$12,000 loan for 15 years will cost \$20,928. If it takes you 35 years to pay it out, it will cost you \$35,040.60.

Note the saving of \$15,816 of the four and a half per cent loan for 15 years compared to the six per cent loan for 30 years. When you are shopping for a home check the total cost of the different mortgages available to you. It can mean money in your pocket. How much will your home actually cost?

We have an excellent publication in our office that should be of help to you in buying by credit. Just call or write us, or come by the office at the Courthouse in Farwell for a free copy of "Using Consumer Credit - A Tool or A Trap?"

The median age of people in our county is 23.8 years of age. The average age of the farmers in the county is 36 years. According to the 1960 U. S. Census of Population we have 32.1 per cent of our population between 20 to 44 years old. This young population in Parmer County involves many families buying or paying for new homes. Consumer credit is an important business transaction, too.

Credit can be a useful tool. If used wisely, credit may enable the family to attain more quickly and easily some of its major goals. It may permit the purchase of furnishings and equipment when the family is young and needs are greatest. It will also allow the family to enjoy the goods as it pays for them.

Credit can serve as a convenience. This is especially true of charge accounts and service credit given by doctors,

dentists, oil companies, public utilities, and paper boys. One can establish a credit rating that becomes a great value in getting credit when an emergency arises.

Of course, there are a number of cautions in using credit. When a person signs a credit contract, he mortgages his future income. In other words your income is spent before you get it. The use of too much credit will lower the level of living.

Research shows that people usually buy more when they do not have to pay cash. They may become careless occasionally about what they buy since it is easier to return charged goods than cash purchases.

Goods bought at a store with charge accounts are usually more expensive because of the costs of investigating each person's credit rating and of keeping records of payments. This cost of credit is hidden, although included in the price of the goods bought. As we mentioned in the payments of loans of homes here is an increase in the cost due to the interest of the loan.

By all means, know the dollar and cents cost of credit. Many have found that it is important to get acquainted with the lenders before the need for credit arises.

If income is irregular, as farm families often are, do not commit yourself to regular payments. Get credit from a source whose responsibility, integrity, and fairness is well known. Then read and understand the terms of the contract before you sign.

Especially for irregular income, do not use maximum credit capacity except in a crisis. Keep everyday credit totals well within safe limits, leaving a margin for emergencies.

For more information, get a free copy of the bulletin "Using Consumer Credit". It should help you to make wise choice of credit.

SOIL CONSERVATION DISTRICT NEWS

Are we using our irrigation water wisely? As we approach the end of another irrigation season we all should think about this question and make preparation to assure that water will be used properly in the next irrigation season.

With the weakening of our water supply and increasing cost of pumping, it is very important that we take another look at our irrigation systems to see that best use is being made to produce crops efficiently and to conserve water.

Before starting irrigation

wells this year it would be wise to consider the following points concerning your system:

1. What type of soil do you have? Will it take water fast or slow? If the soil takes water slow the run length may be increased. If it takes water fast the length of run needs to be shortened.
2. Is the slope of the land gentle or steep? On gentle sloping land water may be run further without danger of losing water or soil. On steeper slopes water cannot be run as far without some means of checking to prevent tailwater and erosion.
3. How long should each set be? On tighter soils usually from 12 to 24 hour sets are desirable, while on lighter soils six to 12 hour sets should be used.
4. How much water should be applied each irrigation? Three to four inches every 10 to 15 days is a pretty good rule.

All of these questions point to the need for a conservation plan and a conservation irrigation system. Through management of irrigation water, better crops can be produced at lower cost and for a longer period.

For additional information or any questions you may have concerning this practice contact your local Soil Conservation Service Technicians at Friona, Texas.

Homemakers Invited To Attend Tours

Special tours for the selection of furniture, in cooperation with Home Demonstration clubs in Farmer County, continue this week and next, Parmer County Home Demonstration Agent, Miss Ettie Musil, reminds homemakers.

The tours begin at 9 a.m. at the District Courtroom of the County Courthouse in Farwell. Five furniture stores will be

visited in Clovis and Texico, N. M.

Included in the tour will be learning what to look for in selecting furniture; and what woods give the best service; what finishes are used.

These are education tours designed to help the homemaker in her selection of furniture. The remaining tour schedule is:

Thursday, October 11--women from Friona area; Friday, October 12--Rhea area; Monday, October 15--Black area; Tuesday, October 16--Oklahoma Lane area; and Wednesday, October 17--Lazbuddie area.

NEWS FROM THE FARM BUREAU

BY RAYMOND EULER

It is to be hoped that every farmer will make a detailed study of the administration-passed "Food and Agricultural Act of 1962". Besides finding it interesting, you will also find it perplexing in many details. Farming in 1963 will go on much as it has in 1962. However, there are some very different details included for the year of 1964.

The following example concerns a farm of 1150 acres in the Panhandle. Bill Wedemeyer, Promotion and Research Director of Texas Farm Bureau has prepared this example based on information at hand. There are accompanying comments, but we are just relating the figures arrived at if the farmer in question accepted the minimum acreage reduc-

WELL UNDERWAY in the County is the maize harvest, as sunny weather this week was the signal for hordes of combines to invade the county's ripened grain fields, which will shoot for an all-time production record.

tions necessary for compliance with the program:

It is assumed that the farm has acreage allotments on wheat of 500 and grain sorghum of 400 and 250 acres of temporary pasture. He would be required to retire 100 acres of wheat and 80 acres of grain sorghum, using the minimum requirements for compliance with the program. On the basis of the above he would receive the following payments from the government:

1. Wheat land retirement of \$1,820.00 (100 acres times ten bushels times \$1.82).
 2. Wheat incentive payment of \$1,440.00 (400 acres times 20 bushels times 18¢).
 3. Grain sorghum land retirement payment of \$2,160.00 (80 acres times 1500 lbs. times \$1.80).
 4. Grain sorghum incentive payment of \$1,920.00 (320 acres times USDA's established yield 20 bushels times 30 cents per hundred pounds).
- This is a total of \$7,340.00 direct payment to the farmer of 1150 acres from the government, as you can see. This is very close to \$6.40 per acre for the entire farm, part of which is not being farmed.

Wedemeyer points out that this type of program puts the farmer more completely at the mercy of the government for his income. He also predicts that the 1964 referendum for wheat will be a choice between a complicated multiple price certificate plan or no program at all.

which would probably mean forced approval of the increased complications by desperate producers.

Will you give some time to studying this program? It may be worth while.

CONSIDER THIS: Whoso diggeth a pit shall fall therein; and he that rolleth a stone, it will return upon him. Proverbs 26: 27

An important consideration in the machine harvesting of cotton, explains Fred Elliott, extension cotton specialist, is the use of defoliant or desiccants for preparing the cotton plant for the harvesting process. He suggests that growers contact their local county agent for a copy of the 1962 "Texas Cotton Defoliation Guide" for detailed information.

FOOTSAVING EDUCATION

by James E. Edwards

Do you approve of stretch sox?

A whole size in sox or stockings is a whole inch so a half size is a half inch. That is not a very intelligent remark, but, I want to point out that a half size in sox is equal to 3 half sizes in shoes.

Mothers who would not dream of allowing a child to wear shoes that are a size and a half short will continue to use sox after they are one size too small, (i.e. six half-sizes in shoe sizing).

The stretch sox that we sell are supposed to fit (in sox language) sizes 4-5 1/2, 6-7 1/2, 8-9 1/2. In shoe language, that would be 0-5 1/2, 6-11 1/2, 12-2 1/2.

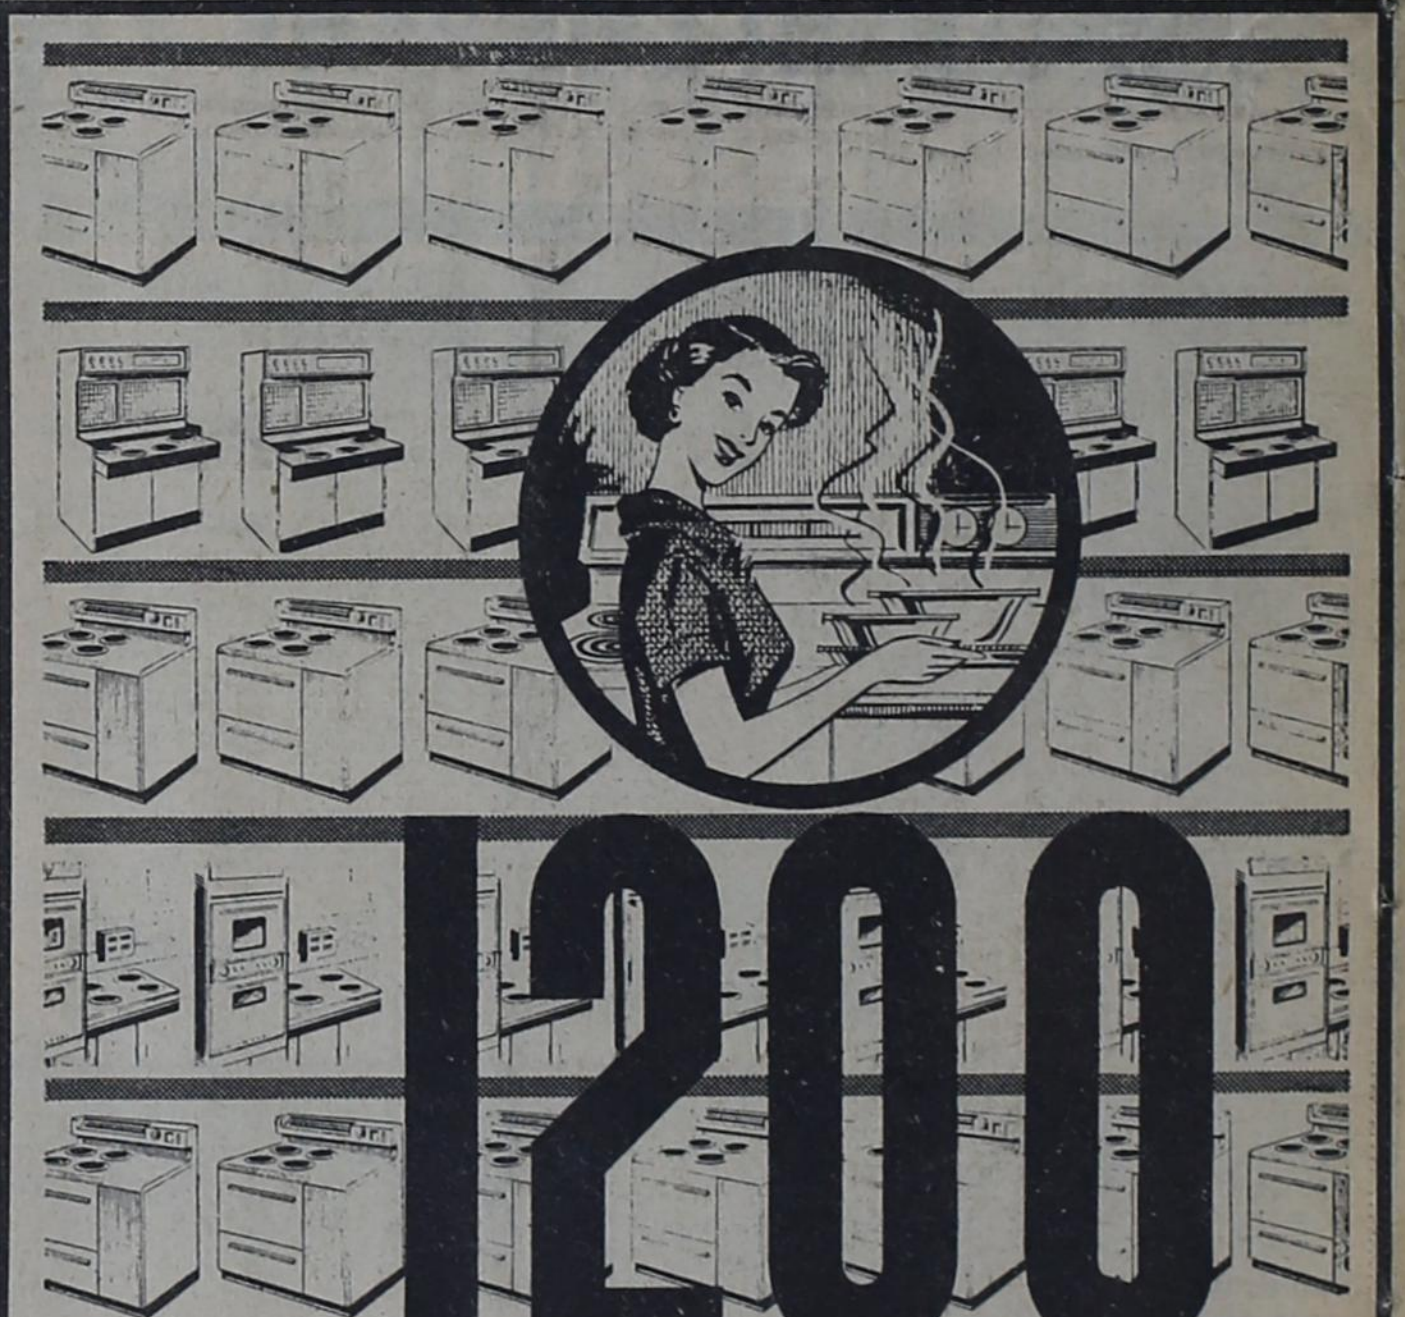

I believe that stretch sox are safe if the child's feet are at the small end of the size range. If the child needs a 7 or 7 1/2 I would not buy a 6-7 1/2, in such cases I recommend cotton sox be used until the child can use the 8-9 1/2 size.

ELECTRIC RANGES—NOT A SINGLE ONE RETURNED

In 1958, Southwestern Public Service Company and participating Reddy Kilowatt dealers offered free wiring and guaranteed satisfaction to electric range buyers. 1,200 electric ranges were sold during the two months the offer was in effect—NOT A SINGLE ELECTRIC RANGE WAS RETURNED . . . the most convincing proof of the superiority of modern electric cooking.

FREE WIRING AND SATISFACTION GUARANTEED

NOW, for the second time, you, as a customer of Southwestern Public Service Company buying an electric range for permanent installation, in a one or two family residence, are offered FREE WIRING and SATISFACTION GUARANTEED when you buy an electric range from a participating Reddy Kilowatt dealer of your choice. If, within 60 days from the date of your purchase, you are not completely satisfied, any money you have paid will be fully refunded—you can't go wrong.
