## Mayer Gubernational Campaign In Swing As Sutton County Candidate Takes Stump

The campaign of Edwin S. Mayer, Republican Candidate for Governor is getting into full swing. Mayer has appointed Mrs. Charles F. Browne to serve as a member of his advisory or steering committee. Many people in Sonora have been asking how they could contribute to this campaign. Mayer's campaign

Contributions may be sent directly there or sent to Mrs. Browne. Since we in West Texas all know Edwin S. Mayer, he is spending most of his time in other parts of the state where he is not so well acquainted. However, he is available for talks anywhere. In short, Ed Mayer: Has Platform—Will Talk!

The American Heritage Foundation and the Advertising Council are conducting an educational program through all media of communication, persuading the American people not only to register and vote on an informed basis but also to contribute to the political party and candidates of their choice. The slogan of "Don't pass the buck, give a buck" should be headed by every American. Political campaigns are very expensive to conduct, and if the people will contribute even in a small way to the party and candidate of their choice, politics will be taken out of the hands of the few and conducted by every citizen as it should be.

Candidate Mayer

headquarters is at 1005 Throckmorton, Fort Worth 2, Texas.

## Broncos Bow To Ozona Lions 13-0 After Three Scoreless Quarters

The Sonora Broncos lost their conference opener here Friday night when the Ozona Lions, defending champions, utilized two breaks in the final five minutes of the game to break a scoreless tie and take a 13 to 0 victory.

The Broncos played what was undoubtedly their best football of the season, holding the much-touted Lions and forcing them to kick five times.

The Sonora team surprisingly surpassed the Lions in passing with Galindo completing four of 12 attempts, one to Potmesil and three to Castillo. Castillo also intercepted a pass off the arm of

Lion Sutton. Statistics: First downs, Sonora 8, Ozona 12; Yards rushing, Sonora 100, Ozona 217; Yards passing, Sonora 40, Ozona 19; Continued To Back Page

## Gas - Oil Bring \$8 Million Into Sutton In 12 Months

\$8,149,400.00 sounds pretty important—and that is how much was spent in Sutton County in the past year by the natural gas and oil industries.

That \$8 million figure is as accurate an estimate as can be made and includes leases and bonuses, drilling, rights-of-way, pavements to allied industries and services.

Something over 35 million cubic feet of gas is carried out of the county daily—an impressive enough figure but actually

not even indicative of the county's potential.

Those who know call it "very little" and say that the next 12 months will see no great expansion in the amount of gas to be passed because distribution systems west of here are not adequate to handle our gas production.

As soon as West Coast facilities have been expended, wells in the county will be at full production. Thirty-three wells are

now tied into gathering lines and drilling activity in the county is at an all time high.

This is only the beginning—long term plans call for extensions of existing gathering systems south into Val Verde and east into the San Antonio vicinity.

We are a major gas production reserve and now the Sonora gas field is considered the greatest single gas producing area in the 14-county Texas Railroad Commission District 7-C.

## BOOKS NEEDED FOR USE AT JUNIOR HIGH

Books are urgently needed for the library of the new Junior high department of the public schools here. Especially needed are reference books, classics, biographies, and novels suitable for eighth grade reading.

Anyone having books which they would like to give or anyone desiring to assist in filling a suggested reading list is asked to contact Mrs. A. E. Prugel, Mrs. Joe Turner or Mrs. Bill Fields.

## Sonora Gun Club Plans Shoot Sunday

The Sonora Gun Club will hold a gun shoot and barbecue at the club's range on the Stanley Mayfield ranch west of Sonora Sunday, October 26. The shoot will get underway at 12:30 with barbecue lunch served.

Everyone interested is invited to attend.

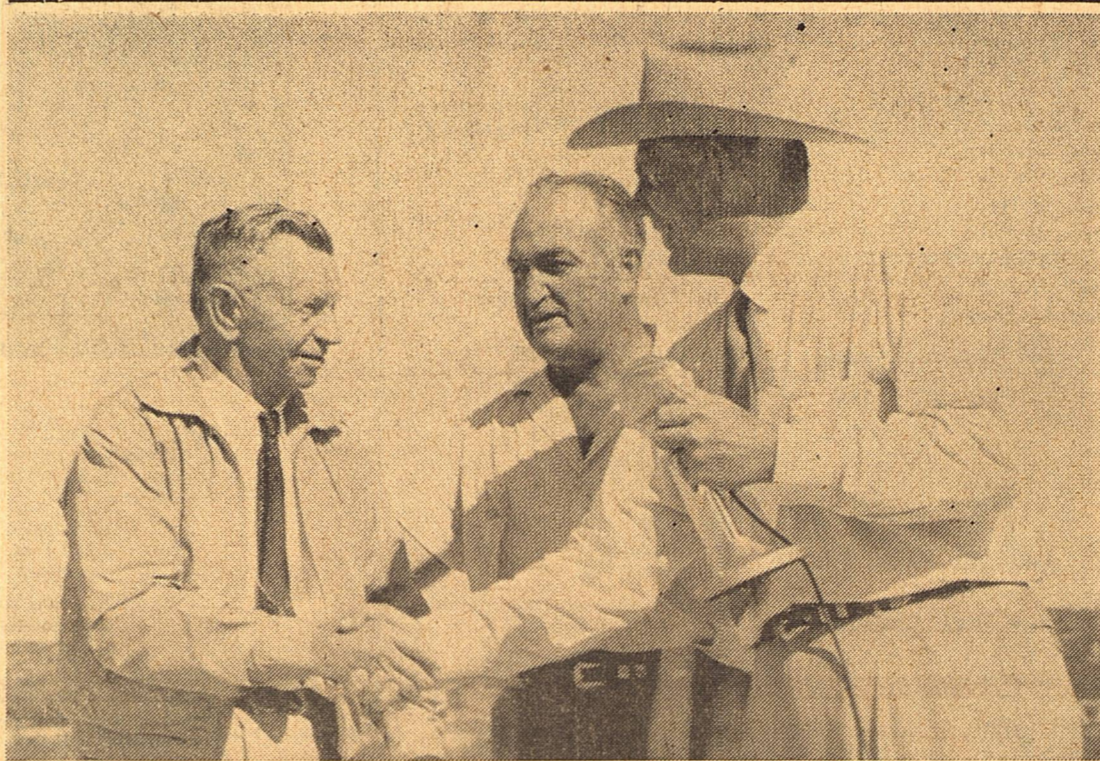

## Shelby Glenn Gets 12 Years For Armed Robbery

Shelby Glenn, 18, of Dallas was sentenced to 12 years in the state penitentiary at Huntsville by District Judge Jim C. Langdon here Wednesday. Glenn pleaded guilty to a charge of armed robbery for which he was arrested here two weeks ago after a four-hour manhunt in which law officials fought from all over the area took part.

Glenn, who must face assault charges in Dallas, was given ten days in which to request a new trial. However, he waived the ten days and asked to begin his sentence immediately.

He was released to Sutton County Sheriff Wess Hill who will deliver him to Huntsville to begin serving his sentence.

# LOCAL C of C ORGANIZED AT TOWN MEET MONDAY

NOTICE—The Elliott PTA will have hot tamales for sale at the Elliott School Tuesday, October 28, at 6 p.m.

Master of Ceremonies Gay Copeland is shown thanking Joe Berger for making possible the City's new Airport while Airport Committee Chairman Vestel Askew looks on. The Airport is located on a tract of land which the City of Sonora purchased from Berger.

## Services Held For Sonoran's Mother

Funeral services for Mrs. Lige Cutbirth, 82, who died in the home of her daughter, Mrs. Jeff Haynie in Abilene Tuesday, were held Thursday morning in Baird at the Wylie Funeral Home. Burial was in Bell Plains near Cross Plains.

Mrs. Cutbirth suffered a broken hip in a fall at her home in Odessa last summer and had been ill since then. She is survived by five daughters including Mrs. John A. Ward of Sonora; two sons; twelve grandchildren and three great-grandchildren.

## Odds And Ends

The only way we can describe the Broncos' game against the Lions last week is "real heads-up ball". Joe Turner and his boys demonstrated team work, fair play, determination and general good all-around sportsmanship.

We'd like to congratulate the Broncs on their showing and pay special tribute to these all-stars: Wallace Anthony, Johnny McClelland, Jerry Potmesil, Bobby Joe Smith, Doroteo Castro, George Caldwell, Luther Chalk, Sam Galindo, Eddie Sosa, Ben

## Elliott School Sets Halloween Carney--Queen Coronation For Tuesday, Oct. 28

L. W. Elliott Elementary School will hold its annual Halloween Carnival at the school at seven o'clock Tuesday night, October 28. Coronation of the school's Halloween Queen will highlight the evening's entertainment and a program will be staged in honor of the Queen.

Candidates for Queen and their escorts are as follows: Pre-first grade, Teddy Bernal and Samuel Perez; first grade, Paula Badillo and Roberto Solas; first and second grade, Norma

Jean Gonzales and Richard Perez; second Estela Santos and Gilbert Chavez; third, Lilia Perez and Victor Fuente; fourth, Andrea Reyna and Sammy Duran; fifth, Diane Estrada and Arturo Gandar; fifth, Lydia Bautista and Mario Sanchez; sixth, Elsa Martinez and Dennis Chavez; seventh, Carmen Ortega and Samuel Mata; seventh, Margaret Castilleja and Jamie Flores.

Pablo Romero will be crown bearer and Lilia Romero flower girl.

## Broncos Travel To Junction For Grid Battle Friday Night

Castillo, Alfred Sykes, Gene Brodhead, Jimmy Smith, Armando Reyna, Johnny Fields, Jerry Baldwin, Bobby Sosa and Vicente Garza.

At the airport opening Sunday, as stunt man Frank Price took off in his bi-plane, a small child was heard exclaiming excitedly, "Look, Daddy! There goes that sandwich airplane!"

The Sonora Broncos will travel to Junction Friday night to meet Junction High School's Eagles. The Broncos go into the game as favorites to win, having lost only three games in a seven-game schedule to date. The Eagles have lost six of their seven games played this season.

In pre-conference play the Eagles downed Eden 20 to 14 in the season opener and since has lost games with Llano, Mason,

Eighty-two businessmen, ranchers and other interested persons were present Monday night to organize the Sonora Chamber of Commerce. Meeting in the elementary school auditorium, members heard H. V. (Buzzie) Stokes explain the functions and aims of a local chamber. Stokes emphasized that as a city grows, its opportunities and problems also grow and that a chamber should work to help solve the problems and take advantage of the opportunities.

Sixty-Six firms and individuals signed membership cards at the meeting.

G. C. (Son) Allison was elected temporary chairman and members present elected a slate of eleven directors to serve terms of one and two years. The directors will meet within ten days to elect a president and a vice-president.

A slate of 16 nominees was made up of nominations from the floor. Of these the following directors were elected by secret ballot:

James Theodore Hunt, Cecil Westerman, Dr. Charles F. Browne, Stanton Bundy, Edwin Sawyer, Jerry N. Shurley, Marion Elliott, G. C. (Son) Allison, Carl J. Cahill, Gay Copeland and Wesley C. Young.

More Than \$600 Pledged  
Indications are that the chamber will be supported by a dues total in excess of \$600 monthly. Of this, \$250.00 will go toward the salary of a manager and the remainder will be used to cover cost of rent, office expense, and other incidental costs of maintaining a chamber.

Membership Open  
Membership application blanks are available at the News Office for all individuals or firms desiring to join the chamber.

## Last Week's Scores

Scores in the football games featured in last week's football contest were as follows:

Ozona 13 over Sonora 0; Menard 18 over Junction 14; Big Lake 22 over Eldorado 6; Denver City 8 over McCamey 0; Jal N. Mex. 40 over Marfa 12.  
Robert Lee 20 over Hermleigh 6; Texas 24 over Arkansas 6; Baylor 26 over Texas Tech 7;

Mississippi 24 over Hardin-Simmons 0; Oklahoma State 7 over University of Houston 0.

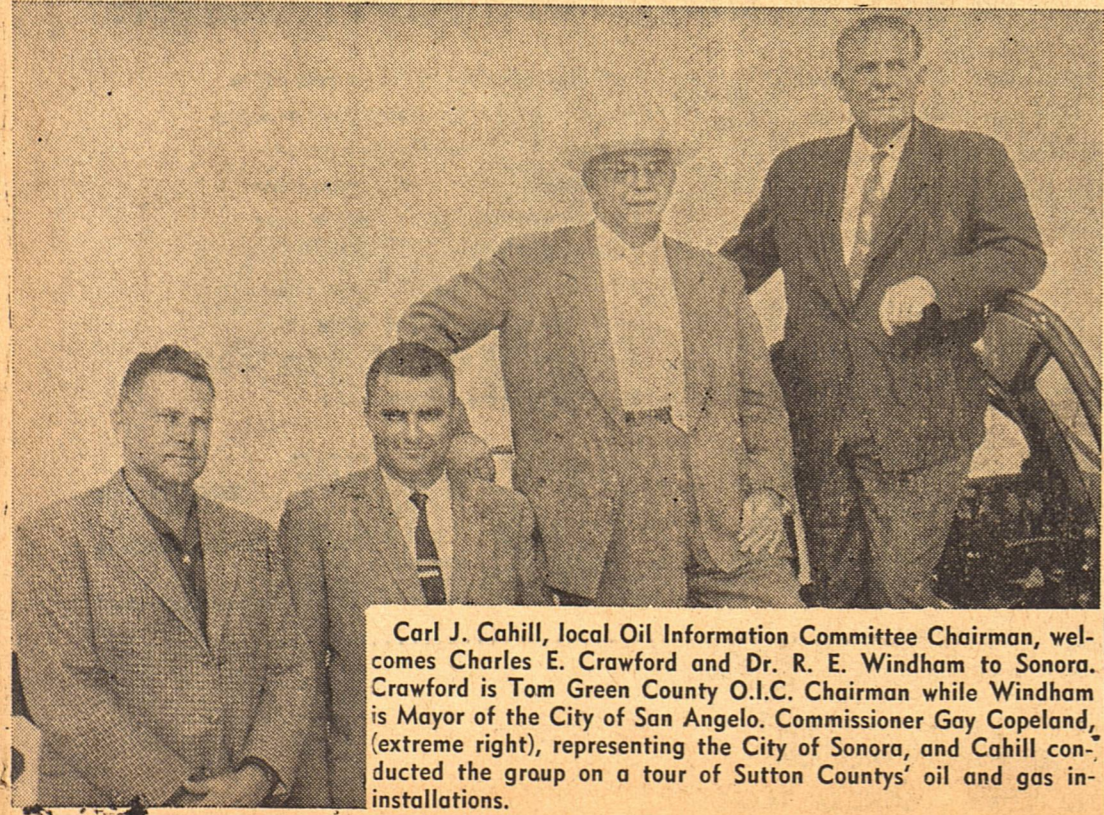

Rice 13 over SMU 7; TCU 24 over Texas A. & M. 8; Tennessee 14 over Alabama 7; Eden 26 over May 0; Rocksprings 16 over Sanderson 14.

Garden City 18 over Sterling City 8; Dilley 8 over Carrizo Springs 0; Georgia Tech 7 and Auburn 7 (tie); Notre Dame 9 over Duke 7; North Texas State 12.

Over 2,000 persons witnessed fly.

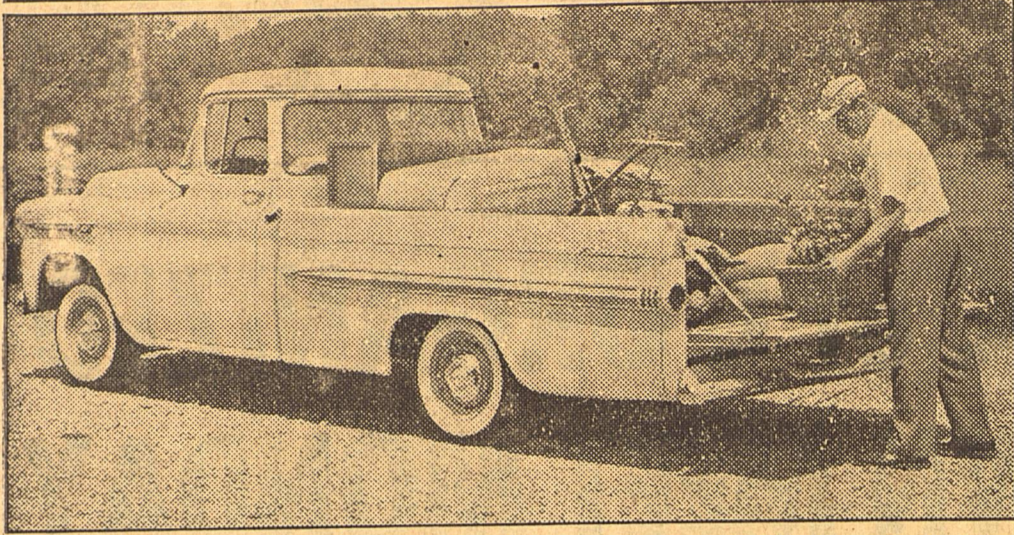

Frank Price of Waco, one of the nation's top stunt men, gave an exhibition of precision acrobatics and Alvin Miller of San Angelo demonstrated airplane spraying and stunt flying. Another feature was a maximum ascent and descent flight with the pilot climbing to 7,000 feet and descending in four minutes, 15 seconds.

More than 70 planes flew in for the event and major makes of civilian planes were on exhibit.

Carl J. Cahill, local Oil Information Committee Chairman, welcomes Charles E. Crawford and Dr. R. E. Windham to Sonora. Crawford is Tom Green County O.I.C. Chairman while Windham is Mayor of the City of San Angelo. Commissioner Gay Copeland, (extreme right), representing the City of Sonora, and Cahill conducted the group on a tour of Sutton County's oil and gas installations.

Fuel Economy Accented in  
**1959 CHEVROLET PICKUP TRUCK**

Better fuel economy, new two-toning and larger brakes are among improvements in the 1959 Chevrolet Fleetside pickup, one of 133 truck models in the company's new line. An economy six engine gives up to 10 per cent better fuel mileage, with higher torque at normal speeds. A further economy carburetor-rear axle option is available on six-cylinder half-ton models.

**Man in the making**

You watch your bright-haired boy turn in a twinkling from rowdy horseplay to tender cherishing of an injured bird.

How humbly proud you are of such evidence that your son is growing—in all directions!

And how you want for him a world where there are no barriers to his development as a free and independent American.

There are many ways you can help assure this sort of world for him. One very important way is to be on the watch for ideas that could deprive him of his right to freedom and independence.

The idea, for instance, that "government should run such and such a business, a service, an institution." Even though it has been shown that the more things government runs, the less freedom there is for the individual.

When you hear people talking like that, point out that when you take independence away from anybody, you undermine the freedom of everybody.

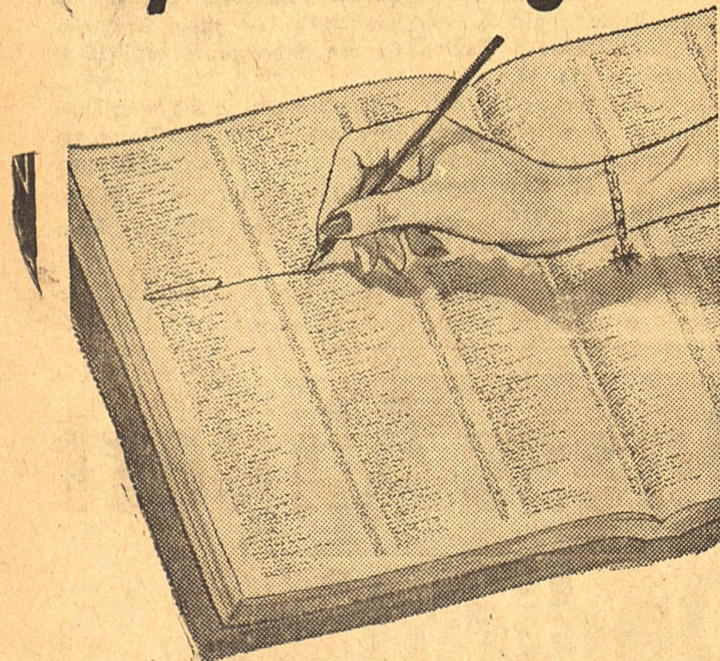

Very much aware of this threat are the independent electric companies, because government already runs part of the electric business. And powerful people are pressing government to take over more.

## Devil's River Philosopher Worried Over Contaminating The Moon With Radiation, Germs, And Bitterweed

Editor's note: The Devil's River Philosopher on his bitterweed ranch on Devil's River claims to be worried this week, but we doubt it.

Dear editor:  
In all this excitement over trying to get a rocket to the moon, most people seem to be concentrating on the sheer fact of getting one there, while some of us deeper thinkers have been concentrating on other aspects of the matter. There's no point in rushing into space or a ranching year without first doing some heavy thinking.

I read the other day where a scientist, is deeply concerned about man's contaminating the moon with radiation and possible disease germs, and he wants the explorers to go easy on this. Maybe circle the moon, but don't land.

I don't know anything about germs, except they're the biggest friend a doctor has in explaining some forms of virus sickness he can't explain otherwise, but germs aren't the only thing we ought to be worrying about when it come to contaminating the moon or any of the other planets.

Take bitterweed. The last thing man wants to do, if he's planning on colonizing the moon, is get bitterweed grass started up there, not to mention all sorts of weeds, mosquitoes, ants, chiggers, wasps, motor scooters, etc.

Also, some scientists are worried about the effect the impact of a rocket may have on the moon if one hits it, and one is liable to if they keep shooting in that direction. It's sort of like a woman who talks all the time. Sooner or later she's bound to say something accurate.

But it's not the shock of a rocket hitting the moon that concerns me. As I see it, if we reach it, sooner or later we'll land some people there, and then later on somebody will want to bring in a car, and if we get as many as two up there, they're bound sooner or later to hit head-on. If the moon can't stand sudden impacts, it's doomed.

In fact, come to think of it, if we want to avoid contaminating the moon completely, we'd better not land any people there at all. Yours faithfully,  
J. A.

## BISHOP KENNEDY TO SPEAK AT ST. PETER'S, KERRVILLE

The work of the Episcopal Church in the Pacific and Far East will be discussed Friday, October 24, at 6:30 p.m. in St. Peter's Episcopal Church, Kerrville, Texas by the Rt. Rev. Harry S. Kennedy, D.D., S.T.D., bishop of the Missionary District of Honolulu.

Bishop Kennedy, considered one of the most colorful bishops in the Episcopal Church, will speak here and at ten other churches in the South Texas area as guest of the Diocese of West Texas on the annual Bishop's Tour, October 19-28.

Bishop Kennedy is in charge of the largest geographical expanse of territory in the American Church. The District now includes—besides Hawaii—American Samoa, Okinawa, Formosa, Midway, Wake and Guam. In addition, as military bishop of the Armed Forces in the Pacific, Bishop Kennedy visits Midway, Wake, Guam, the Philippines, Okinawa, Japan, and Korea.

## Range Conservation Day To Be Held Here Saturday For Southwest Texas Ranchmen

Southwest Texas ranchers are expected to turn out in great number for a Range Conservation Day at Sonora on Saturday, October 25, starting at nine o'clock. The group will gather at the Courthouse according to Jack M. Fletcher, who will act as Master of Ceremonies for the tour. Fletcher is Chairman of the Texas Section, American Society of Range Management who is sponsoring the field day in cooperation with a group of Sonora ranchers and the Texas Range Experiment Station.

Ranch manager Harold Schwiening will conduct the group on a tour of the Allison Ranch. In early summer a pasture was rootplowed and seeded with a blue grama, blue panic and sorghum alnum grass mixture with a small acreage also cultipacked.

Next stop will be the Mack Cauthorn Ranch where ten variations of treatment have been applied to a 132-acre pasture. This acreage was rootplowed and seeded in late May and June with a good stand of grass being realized. However, the rootplowing destroyed a good stand of forbs

which were heavily infested with false chinchbugs. The stand of seedlings were soon destroyed by the insects. On August 25 studies to explore means of getting grass where stands have not been obtained on rootplowed pastures were initiated. Various seeding techniques as well as different methods of cultipacking for moisture conservation were tried. Results to date are excellent and this promises to be one of the highlights of the day's tour.

A noon barbecue will be served at the Texas Range Experiment Station with Mack Cauthorn, Harold Schwiening, G. T. Rode, and H. R. Murphy of San Antonio as hosts.

Leo B. Merrill will conduct the group on an afternoon tour of the station to observe a system of rotational deferment on native pastures. The group will also see results of rootplowing, ripping and seeding on a 68-acre low stony hill site. Culti-packing following rootplowing was also applied on a deep valley site. Twenty native grasses as well as blue panic was seeded on this range.

## WSG MEETS MONDAY FOR COURSE OF STUDY

The Wesleyan Service Guild met in regular session Monday night at the Methodist Church with Mrs. Earl Duncan presiding.

The program consisted of a study course, in four parts, entitled "Concerns of a Continent." Mrs. Ruth Newton, assisted by Mrs. Doyle Morton and Mrs. E. A. Broadhead, conducted the first of the series and a film was shown relative to the study. Mrs. Jack Thomas sang "America" accompanied by Mrs. James Wilson.

After the short business session a social hour was enjoyed and cookies and coffee were served to 23 ladies by the hostesses, Mrs. Carl Cahill, Mrs. Maysie Brown and Mrs. Theo Cahill.

## MRS. TAYLOR ENTERTAINS TUESDAY NIGHT CLUB

Mrs. P. J. Taylor entertained the Tuesday Night Bridge Club in her home this week. Fall arrangements were featured in the decorating scheme and a dessert course with coffee was served.

High score prizes went to Mrs. Ernest McClelland and Mrs. George Wynn. Mrs. John Bell won second high score prize and Mrs. W. O. Crites won at bingo.

Others who attended included Meses. R. A. Halbert, Henry Decker, L. E. Johnson, Sr., L. E. Johnson, Jr., R. G. Nance, Belle Steen, Louie Trainer, R. C. Vicars, Arthur Carroll, Collier Shurley and Ruby Dameron.

## Annual Carnival Set For November 1

The annual Halloween Carnival will be held here Saturday night, November 1, with the traditional crowning of the Halloween Queen highlighting the evening.

Classes and clubs will sponsor booths and shows. A dance will be held following the carnival's close.

Candidates for Queen are: Jo Ann Leavey, Senior; Claire Jones, Junior; Sarah Lou Hardy, Sophomore; and Sandra Nicks, Freshman.

Mrs. W. L. Renfro of San Angelo is in Sonora this week visiting her son and family, Mr. and Mrs. W. W. Renfro, Ed Lee, Tony and Suzanne Maye.

## 4-Club Council Named Last Week

By Jack Baker  
Officers of the Sutton County 4-H Club and the Parents Club met at the Courthouse Wednesday night, October 14, to form a local council for the 4-H Club. The council will plan a program of 4-H events for the year.

Named to the council were Preston Love, Herbert Fields, Mrs. Marie K. Ellis, Harold Friess, Mrs. Dorothy Baker and Mrs. V. J. Glasscock from the parents club and Tommy Love, Claire Jones, Gene Broadhead, Jack Baker, and James Nix from the 4-H group.

The annual 4-H Field Day was scheduled for November 8 at the C. T. Jones ranch and the yearly achievement banquet set for December 20 at the school cafeteria with Dr. L. E. Harris of San Angelo as guest speaker.

It was also voted to send two members to the leadership camp at Brackettville this year.

## Adventures in ADVERTISING

The story of P. K. Wrigley and

## THE LOCOMOTIVE

One day P. K. Wrigley was riding on a train with a friend and the conversation turned to the chewing gum business. The friend, who had an eye for saving a penny, suggested now that

Wrigley chewing gum was so well known and had such a large distribution that it might be wise to dispense with the advertising, save that expense and make that much additional profit.

"I could ask the conductor of this train the same question," replied the financial genius, "This train is now going 60 miles per hour, so why not disconnect the engine? Advertising in merchandising is what a locomotive is to a train. It is the power which keeps it going."

### Sonora Seniors Eligible For GM Scholarships

Senior students at Sonora High School are eligible to compete for more than 100 four-year college scholarships offered by General Motors under its National Scholarship Plan, according to A. T. Barrett, principal.

The competition is open to high school seniors who are United States citizens and who plan to take the College Entrance Board examination for admission to colleges of their choice, or who arrange to take the examination in order to compete for a GM award. There is at least one GM award in each state and more than 50 winners chosen at large. Seniors awarded scholarships under the plan may attend any college or university of their choice and pursue any course of study.

Selection of award winners in the GM National Plan is made by a group of leading educators representing various parts of the country.

### Congratulations These New Parents

Mr. and Mrs. Jessie Gomez announce the arrival of twin sons, Jessie Jr., and John Anthony, who were born Thursday, October 9, at Hudspeth Memorial Hospital. Jessie Jr. weighs 3 pounds and 3 ounces and John Anthony weighs 4 pounds and 8 ounces.

They have one sister, Dianne, and their grandparents are Mr. and Mrs. Juan Gomez. Mr. and Mrs. Tomasa Virgen and Salome Perez are their great-grandparents.

Mr. and Mrs. Robert Kelley had as their guests during the weekend, Mr. and Mrs. Louis Tisdale and children of Fort McKavett.

Mrs. Hut Moore and Mrs. Mary Johnson attended the circus in San Angelo Wednesday night accompanied by Joe Moore, Gary McGilvray, Michael Wuest and Lawrence Holland.

Full details of the competition, including registration dates for examination, are available in Barrett's office.

### Resuscitator To Be On Exhibit At Bank Here Beginning Saturday

The Sonora Volunteer Fire Department will have on exhibit for public interest a portable resuscitator. The resuscitator can be viewed at the First National Bank this weekend, and the pub-

licoma and polio. It is also valuable as an emergency device for patients who need oxygen such as heart attack sufferers.

The equipment is used in such instances as smoke suffocation, drowning, gas poisoning, electric shock, drug poisoning, carbon

monoxide, brain tumors, alcoholic is invited to see it at first hand.

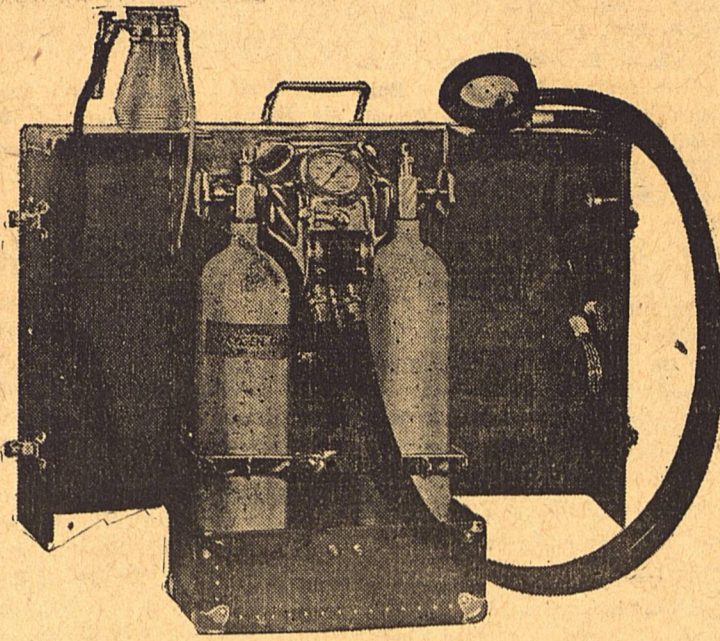

The resuscitator can be designed to give inhalation to two patients and aspirate a third all

at once and can be administered to a patient 25 to 50 feet away from the apparatus. The instrument can be used on small babies, to children and adults alike by the means of a pressure selector.

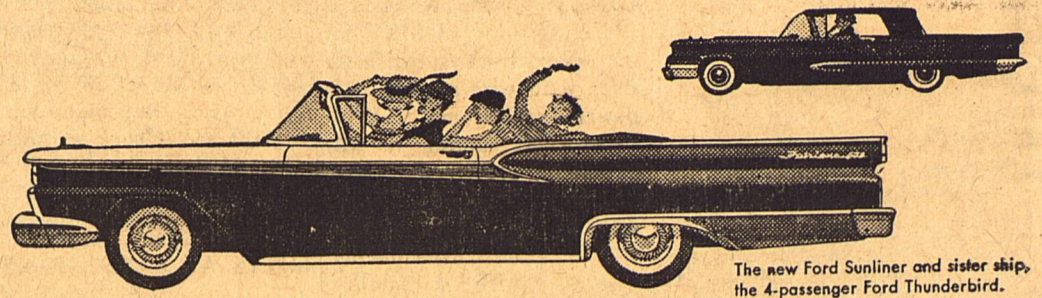

The unit is simple to operate

and the only material it uses is oxygen. If sufficient interest is shown, Fire Chief Lee Patrick would be willing to try to raise funds for its purchase.

The model on display can be purchased for \$620.00.

Advertising doesn't jerk... IT PULLS

"If there is one enterprise on earth that the quitter should let alone, it is advertising. Advertising does not jerk—it pulls. It begins gently at first, but the pull is steady. It increases day by day, year after year, until it exerts an irresistible power."

Mr. and Mrs. T. B. Birthrong, of Animas, New Mexico, are here this week, the guests of their daughter, Mrs. W. A. Miers. They are former Sutton County ranch people and were among the first settlers of this section. Mr. Birthrong is 86 years of age, but his actions are that of a much younger man. They drove to Sonora in their car.

—1930—  
Oscar Vehle and wife, of Menard, were here on business Tuesday. Mr. Vehle is fire chief of Menard, and is also in the bakery business there. He is a brother to Richard Vehle, owner of the Sonora bakery.

**Alvis Johnson Given Lions Club Plaque As Outstanding Conservation Ranchman**

A small group of ranchmen and others inspected progress in range improvement on the Edwards Plateau SCD trial area on the Herbert Fields ranch Tuesday. W. B. McMillan was reelected district supervisor to represent subdivision 5 of the district.

Striking proof as the results of good land management could be seen. The SCD trial area has had sound management during the past four years, including proper range use and periods of rest. All present agreed they had never seen the land look so good as they surveyed the heavy stands of sideoats grama, blue grama, and many kinds of blue stems. Herbert stated that he intended to keep it that way.

The next stop was made on a 37 acre soil bank field on the Alvis Johnson ranch. The group saw a solid stand of sideoats grama with an excellent seed crop. Alvis was selected as the outstanding conservation ranchman in the Edwards Plateau SCD for 1957, and received a

**Ranchers Urged To Attend Talks On Brucellosis**

By D. C. Langford  
There will be a series of six meetings on brucellosis control in Texas, sponsored by the Texas Animal Health Council. This series of meetings is very important as ranchers, veterinarians, friends of livestock producers and members of the legislature exchange ideas, information and procedures to follow to make Texas a certified Brucellosis free state.

All interested ranchers and others are urged to attend one of these meetings.

Speakers on the program will include the following: C. G. Scruggs, Secretary of the Texas Animal Health Council; Dr. L. R. Noyes, Executive Director of the Texas Livestock Sanitary Commission; Dr. J. L. Wilbur, Jr., Veterinarian in Charge of Texas Animal Disease Education; Harold Nelson, Chairman of the Texas Animal Health Council; and C. H. DeVaney, Vice-President of the Texas Farm Bureau.

Ranchers in this area will find most convenient the October 29 meeting at two o'clock at the Scharbauer Hotel in Midland.

In this week's conference play, Ozona plays Big Lake, Sonora plays Junction, while Menard is idle.

plaque presented by the Sonora Lions Club.

The ranch of Bill Fields was next on the program. This ranch has been stocked lightly to restore the natural vegetation and has responded greatly. Most of the ranch is supporting good stands of our better grasses and palatable forbs. Bill has done a great deal in a short time in the way of range improvement. Summer deferment, coupled with pitting and seeding bare areas has resulted in an excellent cover of grasses.

**Swiss Aviation Official Flies In For Opening Of Joe Berger Field**

Alex Peyer, Swiss Bureau of Aviation head says of Joe Berger Field, "We would trade one of our mountains for this airport—but not the Matterhorn!"

Had there been a prize offered Sunday for the person traveling the greatest distance to attend the opening of Joe Berger Field, the winner would unquestionably have been Alex Peyer of Berne, Switzerland.

Peyer, engineer in charge of the materials branch of the Swiss equivalent of our CAA, flew in to include the opening in his 5-week tour of the United States. In America to study our methods of small aircraft manufacture, Peyer had paid visits to Piper, Cessna, Beech, and Lockheed factories as well as the Bell 'Copter plant in Fort Worth. Ed Pyland, Piper representative in Fort Worth, flew Peyer to Sonora.

The Swiss official was most impressed by distances in America. "Switzerland is only 200 miles long" he remarked, "and I flew farther than that today to come to Sonora."

Questioned on civil aviation in Switzerland, Peyer said there are some 400 planes in his country (population about 5 million). These planes are used very little for agriculture or business, he said, but mostly for "fun and tourism." Only about 30% of the pilots on Swiss airliners, he ad-

Pictured here are some of the twelve planes exhibited by manufacturers and dealers at Sunday's opening of the Sonora Municipal Airport. Over seventy planes flew in for the occasion.
