SIXTH WEEK

Mrs. Thelma Espy Dies Sunday In Houston Burial Services Held Here Tuesday

Funeral services for Mrs. Thelma Turney Espy were held Tuesday afternoon, November 11, at the First Methodist Church here with the Rev. Allan Guthrie, pastor of the Church of the Good Shepherd, officiating. Mrs. Espy died Sunday night, November 9, in Methodist Hospital, Houston, where she was a patient.

She was a native of Sonora where she was born June 12, 1899, and was the daughter of the late Mr. and Mrs. V. J. Turney, pioneer ranch people. She was married to Thomas H. Espy, September 20, 1919. He preceded her in death in 1952.

A Presbyterian, Mrs. Espy was a charter member of the Church of the Good Shepherd, and was active in church affairs. At the

time of her death she was a member of the church's building committee.

Survivors include a son, Harold T. Espy of Tow; two granddaughters, Allison and Gayle Espy of Abilene; one brother, Paul Turney of Sonora and a sister, Mrs. J. S. Glasscock of Sonora.

Burial was in Sonora Cemetery under the direction of Ratliff-Kerbow Funeral Home.

Pallbearers were Granville Barker, Mack Cauthorn, Bryan Hunt, Frank Bond, George H. Neill, George E. Allison of San Angelo, J. M. Vander Stucken, W. R. Cusenbary, W. B. McMillan, Joe B. Ross, Fred T. Earwood and John Fields.

Joe Berger, 70, Prominent Ranchman Dies At Home Here Monday Afternoon

Joe Berger

Funeral services for Joe Berger, 70, Austrian-born Sonora ranchman, were held Wednesday afternoon, November 12, at the First Methodist Church with the Rev. Doyle W. Morton, pastor, officiating assisted by the Rev. J. E. Eldridge.

Born May 2, 1888 in Cross Petersdorf, Austria, Mr. Berger came to Sonora in June 1907 at the request of his uncle, the late Fred Berger. He received his first citizenship papers in 1910 and in 1912 his final citizenship papers were issued.

During his first seven years in Sonora, he worked as a carpenter, then bought a half interest in the Sonora Lumber Company. In 1914 he sold out to the West Texas Lumber Company but remained on as manager until his enlistment in the U. S. Army in 1918. He saw service in France and was discharged from the Infantry in 1919.

He was married to the former Miss Velma Mittel of Sonora July 14, 1922, and the couple made their home on the Berger ranch until his partial retirement several years ago.

A Mason for over 30 years, Mr. Berger served the chapter here as Worshipful Master in 1917. He was also a member of the Order of the Eastern Star. He was a member of the Methodist Church and served as steward and was a trustee at the time of his death. He was a charter member of the Lions Club, a past vice-president of the local American Legion post, a former member of the executive committee of the Boy Scouts, and was a school board member for eight years.

In 1957, Mr. Berger made available to the City of Sonora land for the construction of the Sonora Municipal Airport. At the dedication of the airport October 19, 1958, the name was designated as Joe Berger Field.

Palbearers for church services were Bryan Hunt, Fred T. Earwood, George H. Neill, John A. Ward, Jr., Joe Hull, G. A. Wynn, Joe M. Vander Stucken, Frank Bond, and A. Ray Baker of San Angelo.

Honorary pallbearers were Ed C. Mayfield, L. W. Elliott, Arthur Simmons, Paul Turney, Sam Hull, B. M. Halbert, Rip Ward, W. L. Davis and G. H. Davis.

Masonic graveside services were held at Sonora Cemetery. Pallbearers were A. E. Prugel, Alvis Johnson, Joe Logan, O. L. Richardson, Sr., S. M. Loeffler, P. J. Taylor, Edgar Shurley, and Clayton Puckett of Fort Stockton.

Ratliff-Kerbow Funeral Home was in charge of arrangements.

Mr. Berger is survived by his wife and one son, Wilfred Berger of Sonora, and two grandsons, Chris and Larry Joe Berger.

Explorer Scouts Plan Turkey Shoot, Barbecue Saturday

A turkey shoot and barbecue will be held at the Sonora Gun Club Range beginning at ten o'clock Saturday morning, November 15.

All proceeds of the shoot and barbecue will go to the Explorer Scouts funds for proposed trip to Yellowstone Park next summer.

A large crowd is expected as hunters will begin arriving for the opening of deer and turkey season. Wide publicity has been given the event and enthusiasts from all over area are expected to attend.

Funeral Services Held Saturday For Rev. Cliff M. Epps

Funeral services for the Rev. Cliff Moore Epps, 73, were held in the Methodist Church Saturday afternoon with the Rev. Doyle Morton conducting the ceremony. Burial was in the Sonora Cemetery with Ratliff-Kerbow Funeral Home directing.

A retired Methodist pastor, the Rev. Epps died Thursday afternoon, November 6, in Christoval after a prolonged illness.

Born June 29, 1885, in Christiana, Tenn. he had served church in Tennessee and Texas before his retirement. Texas churches served include Kerrville, Colorado City, and Midland. He married Miss Hattie Beatrice Cusenbary June 26, 1929.

Survivors include his wife of Sonora; two daughters, Mrs. Francis Schlueter and Mrs. Rebecca Vicars of Slaton; three sons, Cliff Moore Epps, Jr., of Big Spring, Lawrence Epps of Lake Jackson and Benny Rex Epps of the U. S. Navy; a brother, Charlie Epps of Nashville, Tenn., and three grandchildren.

LIONS, C of C TO SPONSOR PUBLIC MEETING TUESDAY

The Sonora Lions Club and the Sonora Chamber of Commerce are sponsoring a public meeting at the auditorium of Central Elementary School at 7:30 Tuesday night, November 18, to discuss the possibility of locating a home for retired persons here.

The Rev. Thomas W. Brabham, D. D., executive secretary of the Methodist Church's Board of Hospital and Homes, Southwest Texas Conference will be the speaker. Mr. Brabham will explain the Methodist Church's program of locating retirement homes in centrally located towns in various areas of the state.

At the meeting, Mr. Brabham is expected to outline the cooperative plan under which such homes are established. The homes now being built consist of 40 units and construction cost is approximately \$300,000. The Church's requirements from cities include a hospital, good transportation facilities, hotel and motel facilities and 20 acres of land for a building site.

Lions President Hillman D. Brown and Chamber of Commerce President Edwin Sawyer join in urging everyone to attend this meeting which is vitally important to Sonora.

To Award Prize For Season's Heaviest Deer

A 12 gauge Savage pump shotgun with poly choke is the prize being offered by Forworth-Galbraith Lumber Company to the heaviest legal whitetail deer of the season.

According to W. J. Thompson, yard manager, hunters must register at the store before they are eligible to enter their deer.

Junior High Colts End Perfect Season With 46-20 Victory Over Big Lake

By Mike Ellis

Coach Ken Cleveland's undefeated Junior High Colts rolled to a crushing 46-20 victory over the Big Lake Junior High Owlets here last Thursday night.

It was the final game of the season for the Colts and gave them a record of seven wins, no losses and no ties. The Colts tallied 236 points during the season for a better than a point-a-minute clip for the year and held their opponents to 72 markers, mostly made against the third and fourth strings.

Playing without their ace quarterback Carlos Badillo, who broke his thumb on his passing hand in practice Tuesday, the Colts' fired up offensive unit raced to a 32-0 halftime lead with fullback Nelson Guajardo tallying three markers. Others tallies were made by Bobby Castillo, Calvin Berry and Julio Samaniego. Samaniego pulled the most exciting play of the clash with a 75-yard broken field touchdown gallop with a Big Lake kickoff in the third quarter.

ATTEND MEETING OF CLASSROOM TEACHERS

A. T. Barrett, Jessie Jabour, Ralph Finklea and Milby Sexton attended the meeting of Classroom Teachers Association in conjunction with the Texas Educational Agency in Austin Saturday. The meeting was held in Hogg Auditorium and various groups met on the University campus for discussions and reports on the latest changes in curriculum.

C of C Directors To Meet Tonight

A called meeting of the directors of the Sonora Chamber of Commerce has been scheduled for seven o'clock tonight in the new office building of Cahill Construction Co., according to Edwin Sawyer, chamber president.

The meeting was called for the following purposes: to authorize the payment of bills; to discuss a permanent office location and the employment of an office secretary; to appoint a committee for the purpose of completing the charter membership drive; to discuss the possibility of securing for Sonora the \$300,000 non-denominational retirement home sponsored by the Methodist Church; to endeavor to locate housing, office space and land suitable for equipment yards to be used by businesses related to oil and gas production; to explore the possibility of constructing housing to be financed by a locally owned stock Co.; and to lay plans for a membership meeting at which active committees will be appointed.

President Edwin Sawyer invites interested Chamber members to any and all directors' meetings.

Mr. and Mrs. Dick Morrison, Joe and Janet spent last weekend in Fort Worth and Denton visiting relatives.

Explorer Scouts Have Expedition To Kincaid Cave Last Saturday

The Explorer Scouts of Post 19, Sonora, went on an exploring expedition last Saturday to the Kincaid Cave 30 miles south of Ozona.

Led by veteran Mills Tandy of Ozona, president of the Ozona Grotto of the State Spelunkers Association, the six Explorer Scouts spent most of the day following the various passages in the cave to their endings.

To enter the cave, the Scouts, each equipped with a safety rope, eased down a wire ladder 45 feet to the bottom of the cave. Since the cave was completely dark, their way was lighted by head lights on the steel helmets worn by each boy—an absolute requirement in cave exploration.

Breaking up into two groups the boys climbed over and under the different formations in the cave "to see what was on the

other side." Much of the exploration was done by crawling into tunnels which often opened into larger rooms.

At lunch time the boys climbed back up the wire ladder and ate a snack lunch. After lunch they descended the cliff into the cave by use of a rope harness to gain experience in cave exploration. The Scouts found the cave to be beautiful with many unusual formations. They expressed much enthusiasm over the expedition and hope to explore another cave in the near future.

Boys making the trip were George Roberson, Bill Kames, Richard McCoy, Adrian McCoy, Bill McClelland and Joe Wess Hill. The Rev. Allan Guthrie of the Church of the Good Shepherd, which sponsors the Explorer Post, accompanied the boys on the trip.

Authorization Received For New Post Office Building Here

Postmaster General Arthur E. Summerfield announced today that a new air-conditioned Post Office has been authorized for Sonora.

This announcement, the Postmaster General advised, coincides with the optioning by Post Office Department regional officials of a site meeting Departmental requirements as to cost, area, location. The optional site is owned by the City of Sonora, and Mr. and Mrs. Joe M. Vander Stucken and Mr. and Mrs. E. F. Vander Stucken, Jr., of Princeton, N. J.

The new postal facility will be constructed under the Post Office Department's Commercial Leasing Program, which utilizes the resources and investment funds of private enterprise to obtain needed postal buildings.

The site option will be transferred to the successful bidder, who will purchase the land, and

then will construct the building to Post Office Department specifications and lease it to the Department on a long-term basis, with lease renewal options running up to 10 years.

"More than 2,500 new Post Offices have been built since 1953 under the Post Office Department's Commercial Leasing Program," Summerfield said. Because these postal buildings remain under private ownership while leased to the Federal Government, the lessor pays local real estate taxes.

"Furthermore, because the buildings are constructed with private investment funds, capital outlays by the Post Office Department are limited substantially to those for Post Office furniture and equipment."

The present lease contract expires August 1959 and it is presumed that the new building will be ready for occupancy by that time.

**Nov. 15 Deadline
For Applications
To NROTC Program**

High School seniors and graduates have only until November 15 to apply for the Navy's Reserve Officer Training Corps. Applicants will take the nationwide competitive examination on

December 13 as the first step toward an appointment as midshipman. Designed to supplement the officer output of the Naval Academy, the NROTC program makes it possible for a young man to earn a regular commission while studying at the civilian college of his choice which has an NROTC unit. All tuition, fees and books are furnished by the Navy, and the student receives an annual retainer of \$600

for four years. During the summers the student goes on training cruises to many parts of the world. After completing the usual four year college course, he is commissioned in the Regular Navy or Marine Corps and goes on active duty as a prospective career officer with the Navy. High school seniors and graduates between the ages of 17 and 21 may apply for the NROTC aptitude test.

rial building, but of a people who said to be" In God the Father and in the Lord Jesus Christ". And that they were ensamples to ALL BELIEVERS. This was certainly a prosperous Church, although there is nothing said regarding their financial position, no reference to their "Annual Balance Sheet".

Their FAITH IN GOD was known everywhere and the INFLUENCE of their missionary enthusiasm, in sounding forth the Word of God, had been felt throughout Macedonia and Greece. They honoured Christ as the Head of the Church, and they were honoured by Him in doing things worthy of His great Name. This is what the Church should do. This is what every Church true to the word of God is; and this is what every Christian should be—an encouraging example to others.

HOSPITAL AUXILIARY MEETS MONDAY MORNING

The Hospital Auxiliary met Monday morning for their regular monthly meeting in the home of Dr. and Mrs. J. F. Howell. Arrangements of mums in fall colors were featured in the decorating plan.

Mrs. Howell, president, gave the meditation on "To Do Good to Others is to be of Service to God." Mrs. Mae B. Sawyer led the opening prayer.

Committee chairmen made reports as follows; Project committee reported that a TV set would be installed in the hospital this week; Memorial committee reported memorials given for Mrs. Lige Cutbirth by Mr. and Mrs. R. C. Vicars, Mr. and Mrs. L. E. Johnson, Sr., Mr. and Mrs. R. A. Halbert; for the Rev. C. M. Epps by Mr. and Mrs. R. A. Halbert; Membership committee reported three new members. Other commendable reports were given by the sewing, visitation, flower and magazine committees.

In closing the Lord's Prayer was repeated in unison and Mrs. Howell served refreshments during a social hour. Attending were Meses. R. A. Halbert, George Phillips, Dan Cauthorn, C. W. Taylor, L. E. Johnson, Sr., Alvis Johnson, Mae B. Sawyer, J. E. Eldridge and A. W. Awalt.

GA'S MEET TUESDAY

Ellen Bolt presided during the G.A. meeting held in the Baptist Church Tuesday. The opening prayer was led by Linda Harris and Dorothy Harris, Alta Lee McKenzie and Linda Harris led the Allegiance, Star Ideals and Watchword.

A program was conducted and the meeting was closed with a prayer. Refreshments were served during the social hour.

CARD OF THANKS

I am truly grateful to the good friends who remembered me and did so much for me and my family during my recent illness and stay in the hospital. Especially do I thank Dr. Browne, the other doctors, nurses and the deeds of kindness and thought-hospital staff for their manyfulness.

Mae Chappell.

CARD OF THANKS

For the true and brotherly love shown us by so many of our friends and neighbors during our recent loss, we take this way of saying we are extremely grateful.

The family of the Rev. Clift Moore Epps.

THE DEVIL'S RIVER NEWS

available, still the man who gets the furthest ahead generally is the one who works the hardest, with the longest hours.

That's where science breaks down. However, it's where I take over.

After years of studying the problem, I know how to lighten the work on a ranch. It's simple. Just skip about half of what you're supposed to do. Understanding, of course, that this is for the well-run ranch. On mine, I skip about three-fourths.

Yours faithfully,
J. A.

Devil's River Philosopher Advises The Experts On How To Lighten The Grueling Work Load On A Ranch

Editor's Note: The Devil's River Philosopher on his bitter-weed ranch on Devil's River tackles the problem of the small ranch this week. Tackling a problem of course is not solving it. Dear editor:

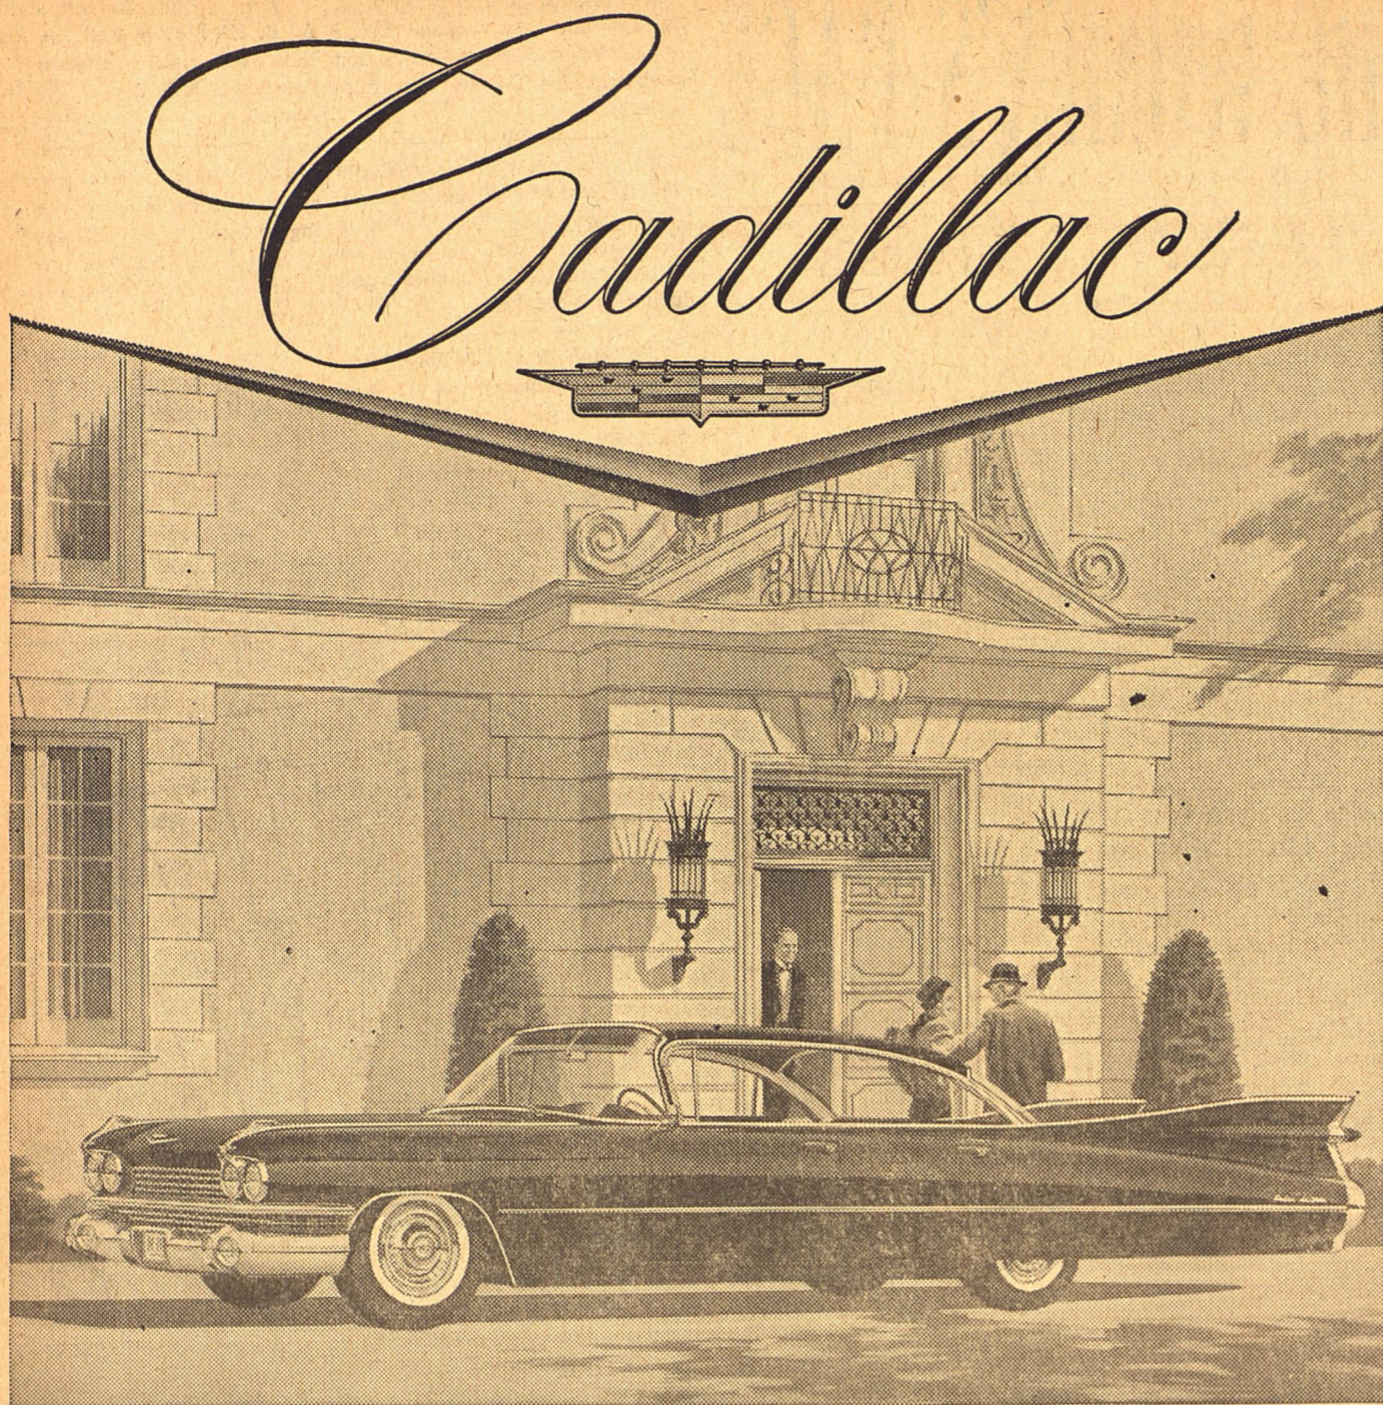

There has been a lot of discussion in the newspapers the past year over the plight of the small farmer and rancher and lots of experts have been worrying about him. They're afraid he'll get discouraged and have to give up ranching and move to town.

As a result, a lot of thinking has been going on about the problem, and I was reading in an article last night where some experts studying the matter have decided one way to keep the rancher on the ranch is to make his work lighter. For example, they said, ranchers ought to use their brains and figure out short cuts for themselves, and they threw in a suggestion of their own as a starter. "Why not, they said, 'put cows up on a platform so the milker can milk them as he stands? This would save a lot of stooping.'"

The main trouble with this is that I doubt if it takes any more work to stoop to milk a cow than it does to reach to build a platform for them to stand on, not to mention getting the feed up there to them twice a day. Personally, if I was milking a bunch of cows, which I'm not, and was opposed to stooping, I'd come out in favor of longer-legged cows or shorter-legged men.

The trouble with using brains and science to lighten the load of ranching is that this works up to a certain point, but it generally stops at the barn door.

Science is wonderful, but I've noticed that in the most modern business, with every labor-saving device known to man, or on the most modern ranch, with every scientific improvement

Motorism's New Measurement of Greatness!

The American motorist has long since adopted his own technique for judging the year's automotive offerings.

He simply looks to the new Cadillac car to discover motordom's fullest measure of all that is new and good and wonderful.

And never before has Cadillac placed such a high standard on the world's motor cars as it has for 1959.

For the new "car of cars" has introduced a whole new concept of what an automobile can do and be... and how it should look and act.

To the eye alone, it is a revelation. Elegant, majestic, substantial, poised—it has brought a new magic and splendor to the world of motion.

Its Fleetwood interiors are miracles of advanced design.

Appointments are beautiful beyond imagination... and its fabrics and leathers are unbelievably luxurious.

The 1959 Cadillac is equally inspiring from behind the wheel. Its spectacular new engine, its advanced transmission and its new ease of ride and handling make every journey the most glorious distance between any two points.

These Cadillac advancements have been interpreted in thirteen body styles—including a new Eldorado Brougham.

So if you contemplate the purchase of any motor car in the coming year, you owe yourself an early visit with this newest of Cadillacs.

Sixty minutes in the showroom and on the highway will give you a full understanding of the new way to measure greatness in a motor car.

The majestic new Cadillac for 1959 is now on display—inspect and drive it today!

TOMBSTONE TERRITORY

Before World War I Fairy Soap was the largest seller on the American market. Mother used it as a beauty aid. Junior used it in the bath tub. Sister used it to shampoo her hair. And father used it to wash that portion of his face which wasn't covered with mustache and mutton chops. In magazines, on bill boards and in newspapers, you would see advertisements of Fairy Soap.

During the first great war the demand for Fairy Soap was so great that the manufacturers dropped their huge advertising program with an eye to making a bigger profit. They figured Fairy Soap was so well known it would carry itself. They were wrong. Other far sighted soap manufacturers stepped in with appealing advertising campaigns and took over the market. Fairy Soap was never able to come back and today lies in the graveyard alongside the Gold Dust Twins, Saint Jacobs Oil, Melon's Baby Food, Dolly Varden Chocolates, Omar cigarettes, Maxwell automobiles and many other products that died a natural economic death due to lack of advertising.

**First Commercial Grass Seed
Leaves County For Processing**

By E. B. Keng
Agricultural history for the Sonora area was made last week when Alvis Johnson harvested 17,145 pounds of grass seed from 130 acres of former cropland.

The large truckload of seed was moved to a Uvalde seed cleaning plant, where it should yield 10-12,000 pounds of clean seed with a market value between 10 and 20 thousand dollars. Uvalde sources reported the seed harvest to be the largest ever received at the plant from a single operator.

The grass was predominantly sideoats grama, but part of it was a mixture of sideoats, blue grama, blue panic, KR bluestem, buffgrass and Johnsongrass. The mixed grass will be suitable for seeding pitted and root-plowed rangeland.

The fields were seeded in April 1957. A heavy stand of weeds were controlled by mowing in 1957, and by spraying in the spring of 1958. With good summer and early fall moisture the grass thickened to a solid stand, resembling a good field crop in October.

NOTICE

The Airport zoning Committee will meet at seven o'clock Wednesday night, November 19, at the Sutton County Courthouse.

Purpose of the committee is to set up zoning regulations which will maintain a safety area within bounds of the municipal airport.

Members of the committee are F. L. McKinney, G. M. Owens and W. M. Elliott.

All persons having business with the committee are invited to be present.

Alvis Johnson has harvest of 17,145 pounds of grass seed from 130 acres of former cropland on his Sutton County ranch. Harvesting was done by C. C. Smith of Uvalde who used two 14-foot self-propelled combines. The seed was taken to Uvalde for re-cleaning and sacking.

Johnson plans to apply 300 pounds of fertilizer per acre and shred the old stubble to a height of four inches next March. Weeds will be controlled by spraying with 2-4-d. With normal moisture a crop of seed should be harvested next June and a second harvest is not desired.
