SIXTY-NINTH YEAR

The Devil's River News-Sonora, Texas, Thursday, January 8, 1959

FOURTEENTH WEEK

CHAMBER OF COMMERCE COMMENTS

By Buzzie Stokes
1959 is only one week old and it has already set some records. It reports weather as low as 25 below, which is a Texas record. It is also the coldest first week in history. This is all fine provided the weather man knows when spring comes.

We have issued each member a 1959 membership plaque. This plaque should be posted in a prominent place for it indicates your progressive, cooperative spirit. We have also distributed several hundred decals for windshields, bumpers and windows. It pays to advertise.

Most of you know that a new postoffice is to be erected on the old Methodist Church lot and must realize that this is going to really shake up Sonora. People have walked to the P.O. in Sonora nearly 70 years. This change is going to effect the traffic on Oak Street, from the Methodist Church to Concho Street. It has been suggested that now would be a good time to consider widening this street for that one block.

One of the most important privileges you have is that of voting and to do so you must register as a bona fide voter by paying a poll tax and January is the month. Be sure, don't gripe unless you pay your poll tax and then vote. This country is one of the few spots on the earth where that privilege can be exercised.

FAT STOCK SHOW, January 24, is a date to remember. Some 80 students will exhibit their year's work at this show and will offer for sale one lamb each. Sutton County has produced some of the best 4-H Club teams in the Nation and while so doing have turned out dozens of boys and girls better equipped to meet the problems of agriculture today. Your support of this show and sale is urged.

We see by the papers where our Uncle Sam is some \$12 billion in the red and where the State of Texas is some \$10 million likewise, current deficit please. It does cost to become a Santa Claus. This makes us proud of our own county and city governing boards. Both are in excellent financial condition with both giving more services to their citizenship each year. The trick is hard headed business operation. Most County Commissioners draw big salaries monthly, Sutton County's draw

\$50.00, at their own request. Most City officials draw nice salaries, Sonora's draw none, at their own request.

The Tourist business or highway traffic is one of Sonora's most important cash crops. This last season has been a good one in spite of the fact that parties, east and west of us, are attempting turn traffic around Sonora. There is competition between highway routes as well as between firms, cities, states and nations. Being located on one of the Transcontinental highways brings problems but brings many times more opportunities for local business concerns. Lets do all we can to keep the flow of traffic coming our way. It is the big difference.

Your Chamber of Commerce is starting the year off with 133 members and we haven't had a membership drive yet. Our goal is 200 during 1959. Our cash reserve fund is growing nicely and enthusiasm has never been higher. Every day we see new opportunities to serve. This institution is 100% owned and operated by the people of Sutton County. Its success depends largely upon your cooperation, so, let's all go to work, together.

Rev. Doyle Morton Named Head Of Trust Fund Council

The Rev. Doyle W. Morton will serve as chairman of the Advisory Committee of the Sutton County Educational Trust for 1959 with the Rev. Allan Guthrie as vice-chairman. Mr. Morton, pastor of the First Methodist Church and Mr. Guthrie, minister of the Church of the Good Shepherd, were elected by acclamation at the committee's meeting Monday, December 29, at the Parish House.

Applications for loans to Sutton County students have been received and loans granted for the spring semester to Billy Scott, student at Southwestern Seminary in Fort Worth, Nancy Lee Hart at Southwestern University in Georgetown, and Carlos Loeffler at Texas Technological College in Lubbock.

Deductions That Cut Your Tax Bill

(This is one of a series of articles on federal income tax filing. The articles are based on information provided by the American Institute of Certified Public Accountants and the Texas Society of Certified Public Accountants, in cooperation with the Internal Revenue Service.)

THE big question facing the small taxpayer at this time is whether to itemize deductions or take the standard deduction.

Before you give up and file a "short" form, take the time to add up the family expenses that could be deducted. If the deductions that could be itemized total more than 10 per cent of your adjusted gross income, it will pay you to file a "long" Form 1040.

Here is a list of the more important items to watch for while you compile the list of family deductions:

Interest on Loans — The interest you paid on loans is deductible. This includes any mortgage, automobile, appliance, home improvement or personal loans you may have had. Interest on installment purchases is also deductible. Evidence, such as a statement from the seller, should be obtained to show the amount of interest that you paid during the year.

State and Local Taxes — Most taxes, other than federal taxes, are deductible. These include, state and local real estate, personal property, income, retail sales, gasoline and poll taxes. You can deduct auto license fees, but not auto inspection fees. If you don't have an exact record of some of these taxes, you can make a reasonable estimate.

Charitable Contributions — Gifts to charitable, religious, educational, scientific or literary organizations are deductible. Generally, these contributions are deductible up to 20 per cent (in some cases 30 per cent) of your adjusted gross income. In adding up your donations, don't overlook the old clothes, toys, books or furniture you may have

contributed to a local charity or church. The fair market value of these gifts is deductible.

Medical and Dental Expenses — Unless you or your wife has reached the age of 65, your medical expenses are deductible only to the extent that they exceed 3 per cent of your adjusted gross income. Include in your medical deduction the cost of doctor, nursing, dentist's X-rays, and hospital services. You may also deduct premiums for health, accident and medical insurance.

Casualty Losses — You are entitled to deduct your uninsured home losses from fire, theft or storm. Damage to an automobile is deductible if the accident was due to faulty driving but not negligence on your part.

Child Care Expenses — Widowed, divorced or legally separated taxpayers, and in some cases any taxpayer, who must pay for the care of a dependent, while they work can deduct up to \$600 of this expense. Check carefully the requirements in the official instruction book before claiming a "baby-sitter" deduction.

Miscellaneous Deductions — If you had certain expenses in connection with your employment (other than travel and reimbursed expenses), you may claim them as miscellaneous deductions. Examples would be tools, uniforms, union dues and employment agency fees. "Periodic" alimony or separate maintenance payments ordered by the court are also deductible under this heading.

MOD Kicked Off At Lions Meeting; \$4,000 Goal Set

Odds And Ends

The Department of Journalism and Graphic Arts of the University of Houston sends us monthly their column called "Frontier News Flashes" taken from Texas newspapers 100 years ago. It is a fascinating thing to look back over happenings in those days and enlightening to read some of the advertisements which appeared in the 1859 newspapers.

-oae-

From an Austin paper of January 11, 1859:

"We conversed recently with Mr. S. T. White, from Ohio, with his family, was on his way to Burnet county to select a home. He assures us that California will not compare with Texas, as regards stock-growing or agriculture. He proposes to establish a sheep-ranch, and has with him some of the finest imported sheep we have ever seen. One noble Leicester Buck, a ewe and two lambs, were purchased in Canada for one thousand dollars. The others, of the Cotswold breed, were equally fine. While in town this morning, he exchanged two of his flock for one hundred ewes, valued at four hundred dollars. With such stock, the business must be profitable."

-oae-

It must be!

-oae-

From the Southern Intelligencer

"My Lady's Page" is the pretty name given to a neat and very convenient contrivance, just imported for looping up ladies' dresses, in order to secure them from contact with the dirt while walking through the streets, on rainy days especially. It is composed of elastic silk cord, with a jet hook, and admirably serves its purpose."

-oae-

Interested, Ladies?

March Of Dimes Funds To Assist In Step-Up Studies Of Viruses

March of Dimes funds in 1959 will be used for breaking new medical scientific ground in the history-making virus research program of the National Foundation.

In fact, the virus research program already is the largest of its kind in existence.

Scientists under National Foundation grants have made some of the most creative medical advances of our time. They have blazed new trails not only in the fields of polio and polio prevention but also in the whole realm of medical knowledge.

Among these scientific milestones are: important breakthroughs in knowledge of encephalitis (sleeping sickness); important data on how insects transmit disease to man; the first successful method of growing polio virus in nonnervous tissue, without which the Salk vaccine could not have been created; discovery of a whole group of heretofore unknown viruses, called ECHO viruses, some of which are harmful to man; basic facts about the nature of viruses, normal and abnormal cells and nucleic acid, which has been called the "automatic pilot of life."

Some of these discoveries have an importance to medical science comparable to atomic energy's importance to physics. National Foundation research grantees have received world recognition

with Nobel prizes. Their explorations have pushed medical science ahead with giant strides.

Over \$34,000,000 has been authorized by the National Foundation for research since 1938. Current virus projects include exploring the damage inflicted on the unborn children of mothers attacked by newly discovered viruses; the possibility of viruses as causes of arthritis; and effects of epidemics of the new viral agents that swept two states in 1957.

The theme for this January's March of Dimes is "Toward Greater Victories." The organization that made prevention of paralytic polio possible now is ready to begin attacks on other crippling diseases. Initial new goals are arthritis and birth defects. In these and other areas the role of the virus will be explored. At the same time scientists will attempt to find out about latest viruses that may be responsible for illness and disability many years after they first enter the body.

The National Foundation has reached a stage in virology where the chemical composition and structure of the virus is well enough known for the virus to be taken apart and for viruses to be used as tools to discover how cells act, grow and reproduce. Much of what science can do today in a virus laboratory is the result of research sponsored in the past by the March of Dimes.

Sonoran's Father Buried In Christoval

Funeral services for Bob Musick, 87, who died Sunday in Big Spring, were held Wednesday in Johnson's Funeral Chapel in San Angelo with the Rev. James L. Christensen, pastor of First Christian Church officiating. Burial was in Bob Musick Ranch Cemetery near Christoval.

Born near Waco January 5, 1871, Mr. Musick had been a resident of Christoval for 77 years.

He is survived by one son; two daughters, including Mrs. Lawrence Nichols of Sonora; one brother; eight grandchildren and four great-grandchildren.

A 2/C Jack Johnson Stationed At Ozona

Airman 2nd Class Jack B. Johnson, son of Cliff Johnson of Sonora, has reported for duty at the 732nd Aircraft Control and Warning Squadron, Ozona Air Force Station, Texas in the 33rd Air Defense Division.

Airman Johnson who graduated from Sonora High School and entered the Air Force in 1955 is a Wire Maintenance man in the 732nd ACW Squadron, a position he previously held in the 790th ACW Squadron at Kirksville, Mo. The 33rd Air Defense Division, of which the 732nd squadron is a subordinate unit, is responsible for the aerial defense of Oklahoma, Texas, Arkansas and Louisiana.

Miss Jamie Trainer left Friday for Phoenix after spending the holidays with relatives here and in San Angelo.

Services Held For Father Of A. E. Lowe

Funeral services for R. S. Lowe were held in the Funeral Chapel in Burnet and burial was in South Park Cemetery in Houston.

Born August 5, 1887 in Vincent, Alabama, Mr. Lowe died in Burnet January 3.

He is survived by his wife; one daughter; three sons, including A. E. (Shelly) Lowe of Sonora.

Philip Jacoby Is New Member Of County School Board

Philip Jacoby was named to the Sutton County School Board Monday morning with the board meeting in special session. Jacoby succeeds R. L. Hardgrave who relinquished his seat on the board upon being elected to the County Commission.

Other members of the board are County Judge J. W. Elliott, Herbert Fields, Edwin Sawyer, W. B. McMillan and Stanton Bundy.

Mrs. Hi Eastland spent the holidays in Del Rio visiting Mr. and Mrs. Bryan Newby and Dr. Hi Eastland Newby.

The Rev. and Mrs. Aubrey Loeffler and family of Corpus Christie were in Sonora last week the guests of his parents, Mr. and Mrs. S. M. Loeffler.

M. R. Styles, head of the West Texas office of the National Foundation for Infantile Paralysis, Odessa, described the Foundation's expanded program for 1959 to members of the Sonora Lions Club Tuesday.

Formerly devoted to control and treatment of polio only, the Foundation will add this year similar research into rheumatoid arthritis and birth defects. For this reason, each county is doubling its normal quota in an effort to provide funds for this research.

One in each 16 children born has a birth defect, Styles said, and there are 600 types of birth defects. Under the expanded Foundation program, aid would be available for such handicapped children through age 18.

A scholarship program will be offered locally for the first time in 1959 with scholarship funds to be administered locally. The scholarships will be available in the amount of \$500.00 per year for a four-year period for students studying medicine, physical therapy or occupational therapy.

Sutton County's goal for 1959 will be \$4,000.00 according to Herman Smith, chairman of the local Chapter of the Foundation. This goal, Smith said, will help to assure a stepped-up program of research, study and treatment of all three phases of the Foundation's fight against polio, rheumatoid arthritis and birth defects.

MICHAEL WUEST KILLS FIRST BUCK DEC. 31

Michael Wuest, 11-year-old son of Mr. and Mrs. Oliver Wuest, wound up a season of deer hunting by killing a nine-point whitetail buck on the last days of the season. Mike's buck dressed 108 pounds.

Goodwill Group From Stock Show To Arrive With Invitation Wednesday

A goodwill group from the San Antonio Stock Show will arrive in Sonora Wednesday, January 14 at 10:30 a.m. to extend a personal invitation to the tenth anniversary Stock Show and Rodeo.

The group will arrive here by bus and will offer western entertainment and extend to the city a beautiful printed invitation to attend the 1959 San Antonio Livestock Exposition.

This year the San Antonio Show will be held February 13-22 at the Joe Freeman Coliseum and will star Dale Robertson, known to millions of television viewers for his roles as Jim Hardie in Tales of Wells Fargo.

The group will be met at the Y by Sheriff Wess Hill who will lead the bus into town. Following disembarkation from the bus, the master of ceremonies will give a salutation to Sonora and introduce the band which will play a medley of tunes.

City Commissioner Gay Copeland will welcome the group on behalf of the city and an official of the stock show will respond.

The official invitation will be read and presented to Edwin Sawyer, president of the Sonora Chamber of Commerce. Following further music by the band and vocalist, the group will depart.

County Judge, Commissioners Sworn In January 2

Don Cooper had as his guests recently Roger Nieman and John Berry, both of Fort Stockton.

WESTERN MOTEL GIVEN DUNCAN HINES LISTING

The Western Motel has received national recognition in the 1959 edition of "Duncan Hines Lodging for a Night" just off the press.

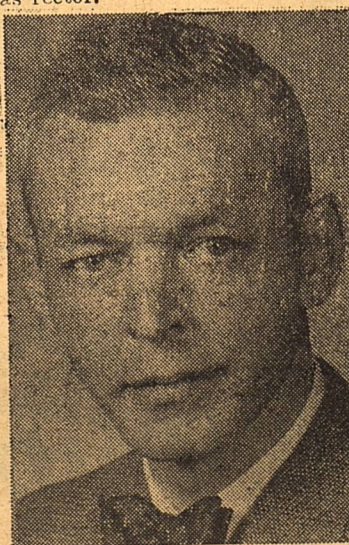

The Western is included among 4,500 selected lodging establishments in North America.

Sutton County officials were sworn in Friday, January 2, at the courthouse by County Clerk F. L. McKinney. New officers taking the oath of office were County Judge J. W. (Web) Elliott and County Commissioners, Travis E. Glascock, Robert L. Hardgrave and Collier Shurley.

Justice of the Peace Alfred Cooper, who was re-elected in the November general election, also

was sworn in by McKinney. County Surveyor Harold C. Saunders, Sr., will take the oath of office later. McKinney was sworn in by Mrs. Joe Neal Smith, Notary Public.

The new County Commission, with Aldie Garrett whose term does not expire until 1960, will meet in their first session of the year Monday, January 12, at which time remaining officials will be sworn in and all bonds approved.

The Rev. Clay T. Puckett

Former "Devil" Editor To Be Ordained Into Priesthood In Corpus Christi

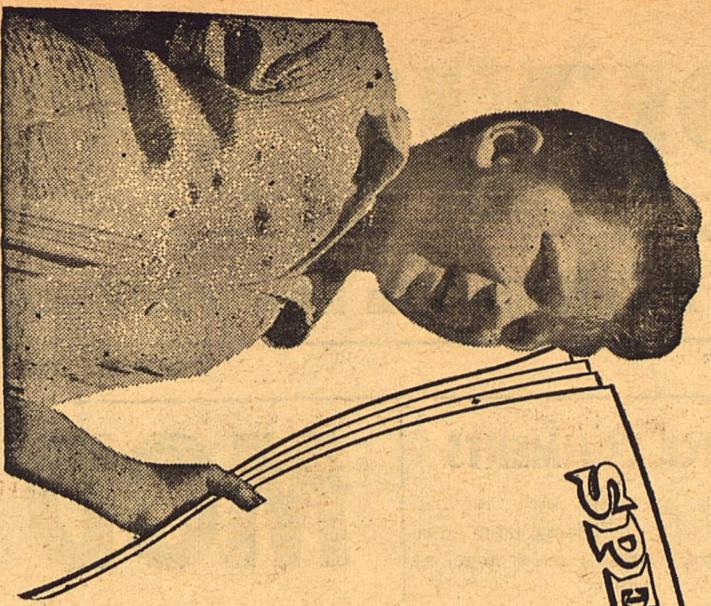

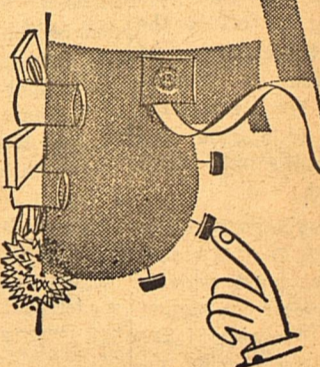

The Rev. Clay T. Puckett will be ordained to the sacred order of priests of the Episcopal Church in special ceremonies to be held Wednesday evening, January 14, at St. Thomas Episcopal Church in Corpus Christi.

The Right Reverend Everett Holland Jones, D.D., Bishop of West Texas, will ordain the Rev. Puckett into the priesthood.

The Rev. Puckett former editor and publisher of The Devil's River News, entered Virginia Theological Seminary in September 1955 and following his graduation in May 1958 was ordained into the order of deacons at St. John's Episcopal Church here last July. He was assigned to St. Thomas Church as deacon-in-charge and will remain there

The Devil's River News

Congratulations To These New Parents

Lt. and Mrs. Billy Bryan Savell are the parents of a son, Billy Bryan, Jr., who was born Tuesday, January 6, at Hudspeth Memorial Hospital and weighed 7 pounds and 2½ ounces. Lt. Savell, who will be in Iceland for another 4½ months, was unable to be here to welcome the arrival of his son. Grandparents are Mr. and Mrs. Miers Savell and Mr. and Mrs. Leo Bishop, all of Sonora. Mr. and Mrs. Buck Bishop of Rocksprings are his great-grandparents.

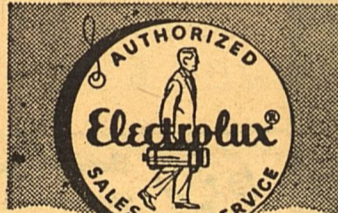

MRS. CRITES ENTERTAINS TUESDAY NIGHT CLUB

Mrs. W. O. Crites entertained the Tuesday Night Bridge Club in her home this week. She served a salad and dessert plate with coffee.

Mrs. Arthur Carroll won high score prize, Mrs. Louie Trainer won the slam prize and Mrs. Ernest McClelland won the bingo prize.

Others who attended included Mmes. John Bell, Henry Decker, Earl Duncan, L. E. Johnson, Sr., L. E. Johnson, Jr., R. G. Nance, Belle Steen, P. J. Taylor and R. C. Vicars.

Attending the funeral services for Bob Musick with Mr. and Mrs. Lawrence Nichols were Mr. and Mrs. Fred Nichols, Rev. and Mrs. W. L. Brown and Johnie, Mr. and Mrs. Alfred Cooper, Mr. and Mrs. Gene Lightfoot, Mr. and Mrs. Jim Perry and Mrs. M. C. Scott.

Talking Satellite Ups Space Pounds By Over Four Tons

The air force's talking satellite has proved that the United States can match—and even excel—Russia in throwing its weight around.

The Atlas has boosted the total weight of American satellites launched to more than 8,900 pounds—more than twice the weight of Russia's three Sputniks put together.

The four-ton Atlas, which blasted off from Cape Canaveral on December 18, is a far cry from America's first satellites, which Soviet Premier Nikita S. Khrushchev dubbed "oranges".

The Army's Explorer I, which was launched last January, weighed 30.8 pounds. The tiny Vanguard I, which followed in March, weighed a mere 3 and a quarter pounds.

The United States now has 8,870 pounds of earth satellites whirling around the globe, including Explorers I and IV and

LOCAL NEWS BRIEFS

Dr. and Mrs. J. F. Howell, Jr. and son of Detroit, Mich. arrived Friday for a visit with his parents. Dr. and Mrs. J. F. Howell and Charlie. They will visit Mrs. Howell's parents, Mr. and Mrs. H. W. Smith in Big Spring next week.

YOUR MINISTER SAYS

By Rev. Allan Guthrie
 "If we live in the Spirit, let us also walk in the Spirit" (Galatians 5:25)
 There is a story told at St. Francis of Assisi concerning a day when he invited a young novice to go with him on a preaching expedition through the town. They walked through the streets for a long time and returned without having said a word. "But," said the young man, puzzled and bewildered, "I thought we were going to preach." "We have preached," replied St. Francis. "We were

observed as we walked. They marked us as we went. It was thus we preached."
 What St. Francis taught that day has meaning for all Christians. If we walk in the Spirit, our lives give continual evidence of the fact without a word being spoken. We show by what we are Whom we serve. If we walk with kindness, and graciousness, manifesting generosity and gentleness, then we are of Christ's Spirit. How we walk this day marks us in the eyes of our fellow men.

YEARS PAST

Friday, January 8, 1932

Dr. I. B. Boughton arrived in Sonora Monday to assume his duties as veterinarian in research work at the Ranch Experiment Station 25 miles south of town. He will be associated with Dr. W. T. Hardy, who has been at the station for the last few years.
 Dr. Boughton came here from Columbus, Ohio, where he had been doing work in the University of Ohio. Prior to that time he was for seven years engaged in work on the Island of Haiti. He is now connected with the Texas Agricultural Experiment Station.

His work at the station will consist largely of experimentation in cases of soremouth, sheep fever, swell head in sheep, parasitic troubles, and the effects of bitterweed poisoning.

Dr. Boughton is married and has three children. His family is now in France, but is expected to join him here in April.

1932
 Mr. and Mrs. Russell Long and son, Joe Richard, returned this week from Concord, where they spent the holidays.

Miss Marietta Sessions, of Brady, left Thursday for her home, after spending the holidays visiting her cousin, Miss Harva Jones, at the Cleve Jones ranch home.

1932

Bids On Post Office Building For Sonora Due To Be Opened February 20, 1959

Bids are solicited, to be received in the office of V. E. Bell, Real Estate Office, at P. O. Box 1386, Lubbock, Texas not later than February 20, 1959, to furnish leased space suitable for postal purposes for a rental with renewal options as the bidder shall offer.

Enclosed net space of 3,139 square feet is desired.

Platform space of 216 square feet is desired.

Driveway, parking, and maneuvering area of 4,074 square feet is desired.

Area of 1,200 square feet is desired for off-street parking.

Important factors include location, good daylight and ventilation, accessibility to rear or side entrance for mails, service considerations, economic factors, and overall operating costs.

Construction Requirements For Leased Post Office Facilities, and form of Bid (Agreement To Lease), form of Post Office Department Lease, and additional information may be obtained from the undersigned or the local postmaster.

Bidders must submit with the bid a plot plan showing location, land dimensions, and location of buildings hereon, adjoining ground, if any, for light areas, driveways and parking areas, abutting streets and alleys and widths thereof together with a diagram of the interior space offered, showing dimensions, offsets, doors, windows, etc.

A correct legal description of the entire ground

to be leased must accompany the bid.

Bidders may also submit photographs of their property and its surroundings if they so desire. If new construction or major remodeling is proposed, a drawing of the front elevation shall accompany the bid. If an existing building, photographs of the front elevation shall accompany the bid.

The Postmaster General holds an assignable land option of 9,000 square feet, located at Southwest corner of Water and Oak Streets; it is requested that all bidding be confined to this site. All of Lots 18, 19, 20, and 21, Block E, Original Town, being a rectangular tract of land 100 feet wide by 90 feet deep. The price of the land will be \$5,750.00, and it is owned by two different parties.

The lease will be for a term of ten (10) years, with two consecutive five (5) year renewal options.

Any award made under this advertisement will be made to that responsible bidder whose bid is most advantageous to the Government, price and other factors considered. The Post Office Department reserves the right to negotiate further with bidders for better terms, or to secure offers on suitable properties, in addition to those submitted in response to the advertisement. The Post Office Department reserves the right, after the closing date, to reject any or all bids, or to negotiate with bidders for other desirable modifications in the proposals.

Devil's River Philosopher Feels There's A Solution To Nearly Every Problem Except People

Editor's Note: The Devil's River Philosopher on his bitter-weed ranch on Devil's River takes another look at the new year this week. Can't tell what he sees. Dear editor:

During the first week in January of this new year I have been reading predictions from the experts

and have come to the conclusion they all make one serious mistake that undercuts the value of their prophecies. It's easy for example to predict that man will conquer space, that he'll perfect a guided missile so powerful it'll circle the earth and hit him in the back of the head if he doesn't duck, that he'll per-

fect an automobile that doesn't need oiling and a frying pan that doesn't require grease, and such similar mechanical things. In fact, there's probably not a single thing mechanical that man can't finally figure out, except maybe the need for cleaning water troughs or maybe perpetual motion, although the latter may be around, at least the earth keeps moving in orbit without any visible engine, but where the experts make a mistake is in trying to predict a solution for people. There's not any.

You take Sec. Dulles. The more he files, and the faster he gets there the more problems he runs into without any solutions. The world isn't any worse today than it was 50 years ago, it's just better reported. You can see what alert journalism had led us into. There were just as many problems 100 years ago as there are now, and if we'd known about them we'd have thrown up our hands in the face of them just as fast as we do now.

And the reason there's not any solution to people is that they're too much like you and me. We keep changing. A man's problem can be solved today, and it may last a week, or a month, or a year, but that doesn't mean it's solved forever. As long as there are people in the world, there are going to be problems without any answers at hand, as anybody who ever was a member of a family knows. Most people expect nations to get along better than families.

I know also that there are people who say it's problems that make life interesting, and that's right, except that there are some problems that make life a whole lot more interesting than others, but lots of times there aren't enough of these kinds to go around. Just because a man's got problems man solves, the supply drunk with happiness.

Consequently, I predict that in 1959, regardless of how many problems man solves, the supply of unsolved ones will still be about the same. But I don't blame him for seeking new problems. I've got some old ones myself I haven't been able to figure out, and had just as soon change the subject.

Yours faithfully,
 J. A.

Happy Birthday

LEGAL NOTICES

CONTRACTORS' NOTICE OF TEXAS HIGHWAY CONSTRUCTION

Sealed proposals for constructing 2.243 miles of Grading, Structures, Flexible Base and Asphaltic Concrete Pavement from Approx. 3 Mi. So. of Sonora to near Edwards Co. line (Sections) on Highway No. U.S. 277, covered by F 379 (4), in Sutton County, will be received at the Highway Department, Austin, until 9:00 A.M., January 16, 1959, and then publicly opened and read.

This is a "Public Works" Project, as defined in House Bill No. 54 of the 43rd Legislature of the State of Texas and House Bill No. 115 of the 44th Legislature of the State of Texas, and as such is subject to the provisions

of said House Bills. No provisions herein are intended to be in conflict with the provisions of said Acts.

In accordance with the provisions of said Acts.

In accordance with the provisions of said House Bills, the State Highway Commission has ascertained and set forth in the proposal the wage rates, for each craft or type of workman or mechanic needed to execute the work on above named project, now prevailing in the locality in which the work is to be performed, and the Contractor shall pay not less than these wage rates as shown in the proposal for each craft or type of laborer, workman or mechanic employed on this project.

Legal holiday work shall be paid for at the regular governing rates.

Plans and specifications available at the office of Robert A.

Coach A. L. Smith's Sonora High School basketball squad will open the season Friday, Jan. 15, with Eldorado as its opponent. The scene of the battle has not been decided, although Smith hopes to have the game played here.

The following Saturday, Jan. 23, the Broncos will journey to Ozona, to get a taste of indoor playing in the new school gymnasium there.

Smith is developing a strong team, with three veterans out, and with a number of likely candidates. Ory and Archer are forwards, with Ory showing unusual form in practice. Kring is a veteran center. Jesse Barton and Ernest Smith are being developed into guards. A total of 12 men is reporting for practice.

McCulloch, Resident Engineer Sonora, Texas, and Texas Highway Department, Austin. Usual

Summary Of County Agent's Work In Sutton County During Year 1958

By D. C. Langford

During 1958, 300 days were devoted to Extension work in Sutton County by the County agent. Of the total 168 days were devoted to adult work and 132 days to 4-H Club work which shows a considerable increase in adult work over past years.

214 days were devoted to work with sheep, goats and cattle, 34 days to soil and water conservation, 1 day to poultry, 4 days to wildlife management, 7 days to inservice training, 30 days to extension organization, planning and reports, and 10 days to other extension activities.

262 Ranch or Home visits were made, 265 persons visited the office, 720 telephone calls were received, 28 news stories concerning extension work in Sutton County were written and 339 bulletins were distributed.

20 meetings concerning adult extension work attended by 805 people were held or attended by the County Agent.

72 meetings attended by 3,225 persons were held in connection with 4-H Club work.

58 boys and girls participated in the 4-H Club program in 1958 which is a record high for Sutton County.

66 adults are enrolled in the Sutton County 4-H Parents Club which supervises 4-H work in Sutton County.

15,082 miles were traveled in the interest of extension work in Sutton County in 1958 by the County Agent.

Chavira Attorney Files Motion For Rehearing Of Case

A motion for rehearing and argument in the life-term murder conviction of Ernesto Chavira, 29-year-old Sonoran, was filed January 7 with the Court of Criminal Appeals in Austin. In November 1958 the court upheld the conviction of Chavira for the fatal shooting of Louis Martinez of Eldorado.

Chavira is represented by William C. McDonald of San Angelo.

Cage Schedule

Thursday, Jan 8 through Saturday, Jan. 10, Big Lake Tournament.

Friday, Jan 16, Junction, here. Saturday, Jan 17, Lakeview, here.

Tuesday, Jan 20, Iraan, here. Thursday, Jan 22 through Saturday, Jan 24, Ozona Tournament.

Tuesday, Jan. 27, Ozona, there. Friday, Jan 30, Big Lake, there.

Tuesday, Feb. 3, Menard, here. Friday, Feb. 6, Junction, there.

Tuesday, Feb. 10, Iraan, there. Friday, Feb. 13, Ozona, here.

Tuesday, Feb. 17, Big Lake, here. Friday, Feb. 20, Menard, there.

All varsity games will begin at eight o'clock with "B" squad games preceding at 6:30, with the exception of the December 16 and 18 games with Rock-springs and Barnhart when varsity games only are scheduled and will begin at seven o'clock.

Mr. and Mrs. Duard Archer had as guests during last weekend, Mrs. Aubrey Baugh of San Angelo, Mrs. Lillian Crosby of Eldorado and Mrs. Jean Sinclair of Bryan.

Guests in the home of Mr. and Mrs. Wesley Sykes and family during the holidays were Mrs. Sykes's brother and wife, Mr. and Mrs. Albert Martin of Hale Center.
