TWENTY-FIFTH WEEK

## Annual Lions Wool, Mohair Show Scheduled For June 22-23 This Year

Dates for the 23rd annual Wool and Mohair Show have been set, according to County Agent D. C. Langford. This year's show is scheduled for June 22 and 23 with all entries due in the warehouse of the Sonora Wool and Mohair Company by five o'clock on Tuesday, June 21.

The show, sponsored by the Sonora Lions Club, is an all-Texas show for 4-H Clubs, PFA chapters and adult producers. It features junior wool, mohair,

range, sheep and goat judging. Purpose of the show is to encourage a thorough knowledge of range vegetation, to encourage production of profitable livestock, to encourage profitable production and preparation of wool and mohair and to sponsor a type of club work applicable to the ranching area.

Members of the show committee are Fred T. Earwood, chairman, Joe M. VanderStucken, Edwin Sawyer and Bryan Hunt.

## Range Conservationists From 3 States Hold Conference At Experiment Station

A group of range conservationists from Texas, Oklahoma and New Mexico spent March 15 and 16 talking "shop" at the Ranch Experiment Station near Sonora.

Range experiments being conducted by Leo B. Merrill were studied, and the group discussed range condition classes, combinations of livestock classes, range utilization and related subjects. The relation of deer to the range management problem was also discussed.

Attending the conference from Texas A. & M. College were Dr. R. A. Darrow, Charlie Wallmo, Don Huss, Richard Davis, Pete Hildebrand, Bob Ragsdale, and G. O. Hoffman. Paul Marion and Gene Hughes were present from the Spur Experiment Station. Dub Waldrop represented the new range experimental sub-station at Throckmorton.

Other Texans attending included T. A. Booker, State Game Commission, Kerrville; Tom Allen, TAES Poison Plant Laboratory, Marfa; Cecil Meador, American Chemical Company; J. E. "Spud" Tatum, Vocational Agriculture instructor, Rocksp-rings; Clinton Langford, County

Agent, Sonora; and John Hunter, Texas Technological College, Lubbock.

Soil Conservation Service technicians present were Rudy Pederson and J. L. Richmond, San Angelo; Bob Scott, Ozona; and E. B. Keng, Sonora.

Pat McIlvain and Marvin Shoup were present from the Woodward, Oklahoma, Station. John Norris and Kenneth Valentine represented New Mexico A. & M. College, Las Cruces.

The group saw some outstanding experimental range work on the Sonora Station. Results of 12 years study of yearlong grazing with straight classes of goats, sheep and cattle, and combinations of cattle, sheep and goats at rates of 16, 32, and 48 animal units per section were observed.

Some of the most striking improvement has been made on a four pasture deferred rotation grazing system. A combination of cattle, sheep and goats at the rate of 32 animal units per section was used. These pastures have made continuous improvement in condition, and Merrill is planning to increase the stocking rate to 40 animal units per section for further observation.

## Mrs. D. L. Locklin, Lifetime Resident, Buried Wednesday

Funeral services for Mrs. D. L. Locklin, 50, were held Wednesday morning, March 23, at the First Methodist Church here with the Rev. Doyle W. Morton, pastor, and the Rev. Lawrence K. Brown of San Angelo officiating. Mrs. Locklin died at Hudspeth Memorial Hospital Monday afternoon, March 21, after an illness of several months.

Born Iris Inez Chalk in Sonora August 31, 1909 Mrs. Locklin had lived in Sutton County all her life. She was a member of the Methodist Church and the local chapter of the Order of the Eastern Star.

She is survived by her husband; her step-mother, Mrs. Euna Chalk of Del Rio; one son, Connie Mack Locklin, a student at the University of Texas; one daughter, Mrs. Jerry Larremore of Odessa; one brother, George D. Chalk of Sonora; two half-brothers, R. H. Chalk and Jesse Chalk, both of Del Rio, and an aunt, Mrs. Rose Thorp of Sonora.

Pallbearers were H. P. Largent of Ballinger, and Herbert Fields, Joe Hull, R. C. Vickers, Edwin Sawyer, Roy Cooper, J. M. VanderStucken and S. M. Loeffler.

Burial was in Sonora Cemetery with Eastern Star graveside rites. All arrangements were under the direction of Ratliff-Kerbow Funeral Home.

## Services For Mrs. J. T. McClelland Held Tuesday

Funeral services for Mrs. J. T. McClelland, 76, long time Sonora resident, were held Tuesday afternoon, March 22, at the First Methodist Church here with the Rev. Doyle W. Morton, pastor, officiating.

Mrs. McClelland died Monday, March 21, in a Menard hospital where she had been a patient for two months. Born Minnie Lee Chitty in Louisiana September 2, 1882, she was married to the late John T. McClelland in Center, Texas in 1900. They moved to Sonora in 1914.

Survivors include two sons, W. E. McClelland and John R. McClelland, both of Sonora; one daughter, Mrs. Henry Decker of Sonora; five sisters, Mrs. Carl Kinchen of Dallas, Mrs. Walter Honea of Fort Worth, Mrs. O. C. Barker of Madill, Oklahoma, Mrs. Dee Heston of Keene, and Mrs. Allie Buck of Houston; five grandchildren and one great-granddaughter.

Pallbearers were Lea Allison, Louie Trainer, Libb Wallace, Henry Greenhill, A. W. Awalt, and Granville Barker.

Burial was in Sonora Cemetery. All arrangements were under direction of Ratliff-Kerbow Funeral Home.

## Former Sonoran's Mother Buried In Gonzales

Funeral services were held in a Gonzales funeral home Monday afternoon, March 21, for Mrs. Maggie Chenaut, 65, who died at her home in Fort Johnson, New York Wednesday, March 16.

Survivors include two sons, Tommy Chenaut of McCamey and Arnold Chenaut of Houston; two daughters, Mrs. Margaret Daniel of San Antonio and Mrs. Weesie McDado of New York; six grandchildren and two great-grandchildren.

## March 31 Deadline For Wool Sales Under '59 Program

March 31 is the final date for selling wool under the 1959 wool incentive payment program. The marketing year for the 1959 program began April 1, 1959 and ends March 31, 1960.

Applications for such payments must be turned in to the local ASC office by April 30. Applications must carry proof of sale.

Producers selling unshorn lambs should get a sales receipt showing the weight of lambs sold and signed by the buyer. Purchasers of unshorn lambs are to report all purchases when filing application for incentive. Sales documents must show number of head, weight and price per pound.

Payment rate on wool will be announced next month and payments will be made during the summer.

Mrs. Marie K. Ellis, ASC office manager, says that the Washington office has advised her that since it appears there will be no mohair payments for the 1959 marketing year, growers need not file applications for mohair payment. Should such payments be required, additional time will be provided for the filing of applications.

## License Plate Sales Still Slow

Only slightly more than half of the vehicles in Sutton County have been registered for 1960, Mrs. Zilpha Wheelis, chief office deputy in the Sheriff's Department, said Tuesday.

Of the 1,000 passenger cars to be registered, only 525 have done so, Mrs. Wheelis said. In other classifications, 171 of the 300 commercial truck licenses have been sold and 129 of the 200 farm trucks.

Deadline for purchasing and attaching the new black and white license plates is Thursday, March 31.

Mrs. Wheelis reminds vehicle owners to bring their 1959 registration receipts and their certificates of title in order to expedite registration.

Mr. and Mrs. John A. Ward, Jr., spent last weekend in Abilene and Sweetwater. They were met in Abilene by their son and daughter-in-law Mr. and Mrs. John Allen Ward of Dallas, and attended the Haney-Hall wedding in which their son was an attendant.

Major Leroy Zunker, commanding officer at Ozona Radar Station, was guest speaker at this week's meeting of the Sonora Lions Club. Major Zunker

spoke on the nation's radar defense network and showed a film on "The Dew Line Story" which illustrated the intensiveness of our defense set-up.

## Burial Rites For Mrs. John Wilson Scheduled Today

Funeral services for Mrs. John Wilson, 71, will be held at four o'clock Thursday afternoon, March 24, at the First Methodist Church here. Mrs. Wilson died Wednesday in a Menard hospital following a long illness.

Born Julia Crowford at Kerrville July 12, 1888, Mrs. Wilson was married to John Wilson in Menard in 1910. They made their home in Menard until 1948 when they moved to Sonora.

Mrs. Wilson is survived by her husband; three daughters, Mrs. John Fields of Sonora and Mrs. C. W. Cates and Mrs. George Ory, both of Odessa; 13 grandchildren and 13 great-grandchildren.

Burial will be in Sonora Cemetery under the direction of Ratliff-Kerbow Funeral Home.

## Ozona Cops Sonora Relays; Broncs Take Distance Contests

Pre-meet favorite Ozona retained their championship of the Sonora Relays last weekend by scoring 111½ points. Mason High copped the second spot with 92 points and Sonora ranked third with 72. Stanton was fourth with 62 points and Eldorado and Junction tied for fifth with 52 3/4 each. Twenty-one schools were represented in this year's meet.

Three new records were set with Kothmann of Mason raising the distance in the shot put to 50' 4". This was three inches farther than the old distance of 50' 1" set by Young of Ozona in 1958. Balles of Sanderson shaved the time in the 880-yard run from 2:07.9 to 2:01.9 Adams of Ackerly held the old record, setting it in last year's event. Resor of Eldorado cut the mile record from the 4:49.8 he set last year to 4:42.3.

Complete results follow: Medley Relay: 1st, Ozona; 2nd, Mason; 3rd, Rochelle; 4th, Sonora; 5th, Eldorado. Time: 1:40.0. 100-yard Dash: 1st, Schuch of Mason; 2nd, Doran of Ozona; 3rd, Roberts of Bula; 4th, Newman of Stanton; 5th, Ellis of Menard; 6th, Capes of Menard. Time: 10 seconds flat.

880-yard run: 1st, Balles of Sanderson; 2nd, Resor of Eldorado; 3rd, Gonzales of Sonora; 4th, Thomas of Alpine; 5th,

Sonora's Alfred Bermea is caught by the camera as he competed in last weekend's Sonora Relays. The old record of 6' 2" was not even in danger Saturday as the winning height was 5' 6".

Chavez of Sonora; 6th, Magill of Stanton; 5th, Archer of Sonora; 6th, Jones of Southland. Distance: 50' 4".

Mile Mixed Medley: 1st, Sonora (Ben Castillo, Julio Samaniego, George Roberson, Ram Castillo); 2nd, Rochelle; 3rd, Mason; 4th, Ozona; 5th, Sanderson; 6th, Junction. Time: 3:41.8.

220-yard dash: 1st, Roberts of Bula; 2nd, Donaldson of Stanton; 3rd, Ellis of Menard; 4th, Love of Big Lake; 5th, Jones of Southland; 6th, Green of Richland Springs. Time: 22.7.

Mile run: 1st, Resor of Eldorado; 2nd, Garcia of Sonora; 3rd, Gomez of Sonora; 4th, Melcher of Southland; 5th, Church of Stanton; 6th, Bland of Eden. Time: 4:42.3.

Mile Relay: 1st, Sonora (Roberson, Samaniego, B. Castillo, R. Castillo); 2nd, Eldorado; 3rd, Sanderson; 4th, Junction; 5th, Stanton; 6th, Southland. Time: 3:41.9.

Shot: 1st, Kothmann of Mason; 2nd, Leggett of Menard; 3rd, Brewer of Stanton; 4th, Polson

## Sonora Firemen Busy Last Week; Church, School, Home; Grass Fires

Sonora firemen answered five calls during the past week in one of the busiest periods in several months. Two of the calls came Wednesday, the first to the Church of the Good Shepherd where welders accidentally set fire to the fiber and paper wrapping on interior beams. Only damage was to one beam and smoke damage to sheet rock.

The fire was quickly extinguished by workmen.

Wednesday afternoon, wiring above the stage in the auditorium of the high school building caught fire. Damage was confined to wiring and conduits in the auditorium.

Sunday morning firemen were called to the residence of Mrs. Juanita Sanchez where three mat-

tresses had caught fire. Damage there was only to bedding and some slight damage to the interior.

Sunday afternoon a grass fire on the hillside across from the school was extinguished and shortly afterward firemen were called to the southern part of the county where a range fire destroyed an estimated half-section of grassland on the G. T. Rode, Lee Foster and Sears Sentell ranches. Cause of the fire which evidently originated on the Rode ranch is not known. Greatest fire loss was on the Foster ranch.

Here's a "fish story" that has to be believed. Jeff and Billy Lambert really and truly caught just about more fish than they could handle on a recent trip to Don Martin Lake. For two days the fish just weren't biting but they bit the third day! The Lamberts asked up 125 (count 'em) black bass-and that's going to call for lots of ketchup!

Mr. and Mrs. Sears Sentell and Kelly Sue spent last weekend in Snyder visiting their parents, Mr. and Mrs. John Sentell and Mr. and Mrs. Henry Kelly.

For example, I was glancing over a paper last night which I hauled off and bought when I was in town earlier in the day, that's right, I bought it, and read a headline that absolutely buffaloeed me.

The headline said: "Khrushchev Postpones Paris Visit Due To Flu."

Well, at first I thought maybe there was an epidemic of flu in Paris and Khrushchev was waiting for it to clear up and grinning at the French for being so backward, but when I read the article, I discovered it meant Khrushchev himself had the flu.

That floored me. You mean to say the Russians have common ailments just like the rest of the human race? I had been led to believe the Russians were immune to all disease, all feeling. All they had to do was tell a bunch of scientists to whip a given problem by the first of next month, and it was automatically whipped. Want a guided missile capable of hitting a pin point 5,000 miles away? All Khrushchev had to say was, Build it, and a month later they had one, which blasted off perfectly the first time it was fired. Need half a million soldiers ready in the morning to "protect Hungary from the Hungarians? Just order them up, and by sunrise they are. Need 20,000 more scientists? Just tell the Russian schools to produce them by the end of the semester.

But this idea that the tireless Khrushchev, who knows everything, can come down with the common flu, the same as you and me, throws me for a loss. It makes a man begin to doubt that Russian science has the answer for everything, and makes him suspect that maybe somewhere back in the dark interior of that big country there are abandoned nose cones and pieces of rockets that fizzled out the first few dozen times they were put on the launching pad.

The idea that a dictator can have the flu is positively ridiculous, but still a little encouraging.

Yours faithfully,  
J. A.

### CHAMBER OF COMMERCE COMMENTS

GREETINGS, this beautiful spring day (Tuesday). With our deep season in the ground a little moisture along should make this a wonderful year. For your information we have just gone through the coldest winter on record, most places, and on record is a long, long time. But this is SPRING, 1960 vintage.

FIRST, we would like to congratulate the Lions Broom Sale committee. They busted the record, selling \$1,371.00 blind made merchandise. Can you think of

a better project than selling useful articles made by blind people? The local Club retained \$345.00 of this gross to be used in local sight conservation programs.

ALSO- We congratulate Joe B. Ross for building a dining room large enough and equipped to feed parties of half a hundred and more. The Gulf Restaurant is being enlarged by this dining area being constructed. Heretofore the only places in Sonora to feed large groups were the Elementary School Cafeteria and

various Churches.

NEXT- The Speech Meet is over and a very successful event, very worthwhile. Our organization had the privilege of feeding the participants, judges and others, some 375. We wish to thank a lot of folks for helping and for contributing the lambs and kids.

Now, the next big event facing the people of Sonora is the spring race meet. REMEMBER this is the only recognized Quarter Horse race meet in Texas. By having the Quarter Horse Futurity in connection with our regular race meet we pull 'em all.

PROGRAMME, will run something like this: Saturday morning 9:00 A. M.-West Texas approved Quarter Horse Halter Futurity. 10:30-West Texas Quarter Horse Assn. membership meeting, Elementary Cafeteria. Luncheon, 12:30. Race Meet, 2:00 P.M. including trials for Futurity. Sunday, 2:00, race meet, including trials for Futurity.

THEN, on Saturday May 7th a lot of big doing will be going on. First, the election, an all day affair, but to break the monotony a race meet will begin at 2:00 P.M. and in this will be the finals for the Futurity, for a purse of over \$5,000.00. 7:00 P.M. finals in state wide race meet will be announced. There are very few dead-heats in this race so somebody must lose. We wish the

winners much luck for they are going to need it in these razzle-dazzle times. But whether or no, there will be a race meet Sunday afternoon, 2:00 to conclude the 1960 Spring Race Meet, Sonora, Texas, U.S.A.

CONGRATS: To the people of San Angelo. Their Three-River Dam is in the bag. What a project and how many hundred hours of sweat and work it took? If every community would stick by its guns, as San Angelo citizenry did in this case, many useful projects could be put over. It takes perseverance and intestinal fortitude. M. D. Bryant and his workers didn't give up. This Lake will do Sonora no harm.

QUESTIONS: The Sonora Chamber of Commerce office is a sounding board, after a fashion, for it is to us many people address questions. These questions we do not attempt to answer. Remember the old saying, "Ask me no questions and I'll tell you no lies." But you would be surprised at some of these questions and from whom.

Of late most of the questions have to do with peddlers, solicitors and house to house salesmen. We will agree that we have had an epidemic of them this past few weeks, we suppose the cold drove them out of their normal habitats. We'll say every housewife in Sonora has from three

to five a day at her door. One housewife asks, "When, oh when do we do our house work, our cooking? Who ever invented doorbells, anyhow?"

Now they are peddling milk, door to door. If it isn't a milk salesman, who sells eggs, etc, all handled by tax paying local merchants, it's a photographer, a magazine salesman, a solicitor or a worthwhile organization that probably doesn't exist, a tree trimmer or a local person walking her legs off raising money for truly very worthy causes, all in all leaving the housewife, sadder, wiser and often broker.

NOW, here are a few questions we get, in person, by phone and by mail: "What is it worth to trim a tree?" "What is a good photograph worth, who pockets the difference?" "Why not buy your magazines from Sonora High School Band boys and girls?" "Why should I buy these peddlers beer?" "How many thousand dollars are taken from Sonorans annually by fake solicitors?" "Why doesn't somebody investigate these people, to protect the innocent?"

A number of laides have asked, "Why not get smart, organize a Community Chest, know what we are doing, then do it?"

HEAD COUNT- April 1st is the date and it will last three weeks. Not only shine up your own nose for the count but be

sure your neighbor is counted. The Census taker is coming. This is another job we do not want. And this year it is not a nose counting ordeal but one rather comprehensive.

Mrs. Lois Young and her crew of twelve have three weeks in which to count every individual in Schleicher, Sutton and Edwards County besides all the other information they must collect and process.

Your CC is offering a \$50.00 saving bond to the person or persons guessing the nearest to Sonora's official tabulation. Remember, Sinaloa is not in the City as are not a few other full fledged citizens. Rules: Ballot boxes will be placed in the CC office, the Sonora Drug and the Westernman Drug. Voting will begin April 1st and will end April 20th. Only one guess per person, nobody barred. This contest is to arouse interest in the count and to stimulate a full count. It is important that every person calling Sonora home be counted, including persons who claim no other home. STAND UP AND BE COUNTED FOLKS.

QUICKIES: 82 Boy Scouts and leaders to spend the nite here July 15th, coming from Dothan, Ala. and enroute to National Jamboree at Colorado Springs. Many more expected. Major Leroy Zunker, Commanding Officer, Radar Base, Ozona, spoke

to the Lions on Tuesday and brought a new film on the warning program. The Lions are to have lunch at the base soon and have an inspection tour. Boswell Const. Co. of Albuquerque is moving in to begin work on two dams. WATCH for animals that might have RABIES. The woods are full of them. Several cattle lost in Sutton recently. Jack Kerbow and Dan Cauthorn are at war with the Skunk family. Jack leads with 11 in his yard. LETS DON'T TAKE A CHANCE.

HUNTING: The Game Department credits Kimble County citizens with a million dollar hunting industry, hunting leases and money spent with local merchants. They give Llano county one and one quarter million. Remember, the hunting season is only for 45 days. We have claimed the hunting industry worth \$120,000.00 to Sutton County. We could be wrong, we hope.

The practice east of us is to lease by the week not by the season. It doubles and quadruples a landowner's income from leases and affects the business men in the same proportion. In this section hunting is truly a part of a ranchman's planned ranching operation. After all, he does furnish the land, water, salt, feed and protection.

Lt. Cusenbary graduated from Sonora High School in 1948. He graduated from the University of Texas in June 1953 and began his career with the Air Force in August of that same year.

Lt. Cusenbary is assigned as a KC 97 aircraft commander with the 11th ARS, Dyess Air Force Base, Texas.

## TSGRA To Meet In Brownwood Saturday March 26

The second quarterly Directors Meeting of the Texas Sheep and Goat Raisers Association will be held in Brownwood Saturday, March 26, Lucius M. Stephens of Lometa, TS&GRA President, has announced. Headquarters for the meeting will be the Hotel Brownwood where registration is scheduled for 12:00-7:00 P.M. Friday and 9:00 A.M.-12:00 noon Saturday.

According to President Stephens, "Important items of business will be brought up for consideration at this meeting and all directors and members are urged to attend." He emphasized that non-members who are wool and mohair growers, and other interested people, are cordially invited to attend the meeting.

The three main committees—General Affairs, Wool and Mohair Marketing, and Livestock—will meet at 10:00 A.M. Saturday morning. Discussions will be on wool and mohair marketing, lamb marketing, predatory animals, livestock theft and other subjects of interest to sheep and goat producers. The main business meeting will convene at 1:30 P.M. Saturday afternoon.

An evening of entertainment has been planned for those who arrive Friday.

Mr. Lee Milling of Lubbock, executive secretary of the Presbytery of the Southwest, was a Sonora visitor Monday.

### April 1 Deadline To Apply For Highway Patrol

Col. Homer Garrison, Jr., director of the Texas Department of Public Safety, today reminded young Texans that April 1 is the deadline for applying for patrolman positions now open in the department.

Examinations will be given young men between 21 and 35 years of age at locations throughout the state during the month of April.

To be eligible a person must have graduated from high school, be of good moral character and in good health. More details may be obtained by writing to the Texas DPS, Box 4087 North Austin Station, Austin, Texas.

Garrison said that persons selected to fill these important positions will receive the very best in police training at the DPS Law Enforcement Academy in Austin.

He said these law enforcement officers not only receive vital training to handle any situation, but are well supervised in their new positions and are given the best in equipment. Young men interested in these good jobs must apply before April 1.

Miss Wilma Elliott of Concord arrived last week for a visit with her brother, L. W. Elliott.

Mr. and Mrs. Steve Preslar of McCamey were Sonora visitors Friday.

Mrs. Maxine Ellingson of San Angelo was a weekend visitor in Sonora.

### Night Hunters Lead Arrests By Wardens

Night hunters kept game wardens busy in February, according to the monthly report of the director of law enforcement of the Game and Fish Commission.

Thirty-five arrests were made for illegal night hunting and headlighting of game animals. At the same time, wardens arrested 37 persons for fishing without a license. A \$2.15 license is required for all persons between 16 and 65 who fish with a rod and reel. This includes saltwater fishing.

Ten hunters found out they couldn't get away with killing deer out of season. Several others were booked for killing ducks, geese, quail, and squirrel after the season closed. In all there were 214 arrests, which brought fines and court costs to \$7,947.29 for the month.

### Traffic Deaths For Last Year Up 5% In Texas

In closing the 1959 traffic statistical books at midnight March 15, the Texas Department of Public Safety reported a five per cent increase in traffic deaths in Texas over the previous year.

Col. Homer Garrison, Jr., director of the Texas DPS, released the final 1959 figures today saying there were 111 more motor-cides in 1959 than in 1958. While traffic death increased five per cent, Garrison said, "Driving increased five per cent, thus the death rate—number of deaths per hundred-million miles of driving—remained the same as in 1958, 5.3."

The final count showed 2,453 persons killed in 340,158 traffic accidents during 1959. During the year Texans, aided by thousands of visitors to the state, drove more than 46-billion miles—an all time high in travel on Texas highways. The economic loss resulting from traffic accidents in Texas totaled an estimated \$382,781,000, also a new high.

Garrison said a booklet containing complete statistical information on 1959 motor vehicle traffic accidents in Texas will be released by the department about April 20th.

### Steve Preslar Comments

There have been so many inquiries about the Judge's pay bill which was put through the last Legislature that the writer feels obligated to comment on it. First, let us understand that District Judges are paid by the State of Texas, with some of them drawing additional pay from counties which they serve as Juvenile Judges. The Judge of the 112th District, which includes Pecos, Sutton, Crockett and Upton Counties, is paid \$12,000 per year, plus an additional \$3,000 per year as Juvenile Judge. The facts concerning the pay bill in question are clear and simple and need to be understood by all. Shortly after Price Daniel appointed Hart Johnson to serve as Judge of the 112th District until the next election, the Legislature passed into law a bill permitting the four counties of the 112th District to add to the pay of the Judge of that District any amount up to \$8,500 per annum. This is clearly in addition to the \$12,000 per year State salary, but does not mention the \$3,000 as Juvenile Judge, so that one can not tell from a reading of the bill whether it permits a total pay of \$20,500 or \$23,500.

Steve Preslar, as a candidate for the office of District Judge, has made it clear that he is not seeking the office because of the increased pay permitted, and in addition to taking the position that the present pay is adequate, he believes that one-man bills are waste of the Legislature's time and are not the proper way to fix judges' salaries. To attract good men adequate compensation must be paid, but in doing so the Legislature should set the pay of all judges at the same time, just as it acts (or fails to act) on the pay of all teachers and other groups at the same time. It is argued in some circles that a judge's pay is not a proper subject for comment in a judicial race. The writer disagrees and holds to the position that there should be nothing sacred or taboo about a judge's pay and so far as mentioning it in a political campaign, it would seem to be a proper subject for that because, after all, a political campaign is put on in order that the people can hire a public official of their choice. The people not only do the hiring, but also do the paying, and some of them might just think it is good practice to know how much you are going to pay a man before you hire him. At any rate the bill in question is now a Law and all men are presumed to know the law, so that certainly there should be no secrecy surrounding it.

You be my judge... I ask to be yours  
Steve Preslar

The flavor comes naturally

Oh so pleasing...

Pearl's finer flavor comes naturally from the choicest of ingredients perfectly brewed with pure artesian water in one of the world's most modernly equipped breweries. No wonder it's so pleasing to your taste. Between frames, after the game—or for the finest in refreshment anytime—enjoy sparkling clear Pearl Beer and double your pleasure.

## Immigration Quota

Should Stay As Is,  
Says O. C. Fisher

By Congressman O. C. Fisher  
AN ELECTION-YEAR call for a break-down in our traditional quota method of restricting immigration to this country was made in a special message to Congress last week by President Eisenhower. A similar request was made four years ago. And before that former President Truman called for a vast increase in immigration.

This dramatic action serves to remind us that political leaders will leave no stone unturned in an appeal for minority racial group votes in pivotal areas like New York, Chicago, Detroit, and others. The chances are both major parties will include about the same thing in the platforms when they are drafted this summer.

The President's proposal would allow nearly a half million immigrants to come in annually, and would probably lead to a greater influx. The limit under the quota system at present is 154,000.

As I view this, it is mostly politics. But with so many politicians joining in the clamor it may contain ominous implications. Indeed, once a break-down on restrictions is achieved, America may in the future become a dumping ground for Europe's and Asia's surplus population which in many areas already tax their economies severely. We should retain the present restrictions, and instead of opening the flood gates we would do well to seek means of closing present loopholes in existing laws.
