THIRTY-NINTH WEEK

Odds And Ends

In case you're wondering how plans for the gala opening of The Caverns of Sonora are coming along, here's the latest:

Reception of the news from newspapers, radio and television stations has been overwhelming. Pictures of the cave and its beauties have been televised over San Angelo's KCTV, San Antonio's WOAI-TV. They have been shown or will be shortly over WBAP-TV, Fort Worth and KPRC-TV, Houston.

Articles have appeared in the Standard-Times from time to time. Last Sunday's Fort Worth Star-Telegram carried a five-column illustrated story. The Houston Chronicle has material and photos in hand.

In short-everyone is not only interested, they're excited! This is a big thing and the gentlemen of the press in Texas realize it.

-oae-

Another step (and a giant step at that) toward publicizing our tourist attraction has been taken by the Highway Department. Several thousand brochures on the cave, illustrated with pictures and maps, are being placed in all points of entry into Texas to be distributed to out-of-state visitors who stop for information.

The Texas Highway Department realizes this is a big thing!

-oae-

Now-the Chamber of Commerce has several thousand postcards in color with three outstanding photos of scenes in the cave. Each person in Sonora can be a walking pressagent just by mailing a few of these postcard to friends, relatives, acquaintances. Everyone who's ever seen a picture of the cavern wants to see the real thing.

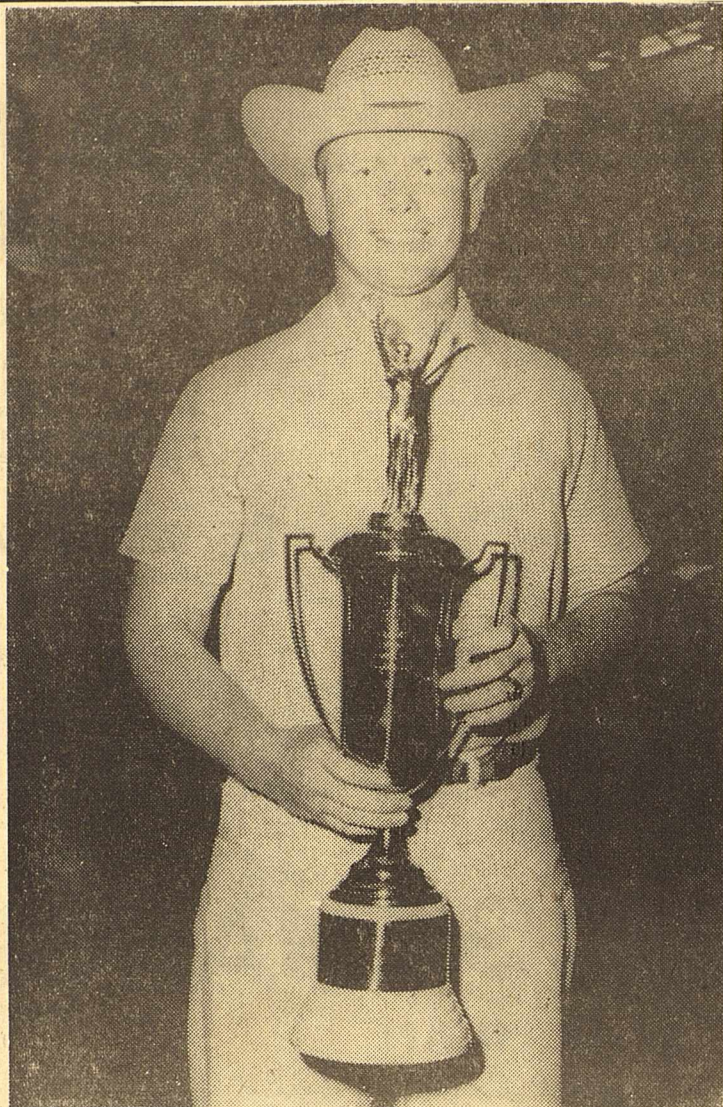

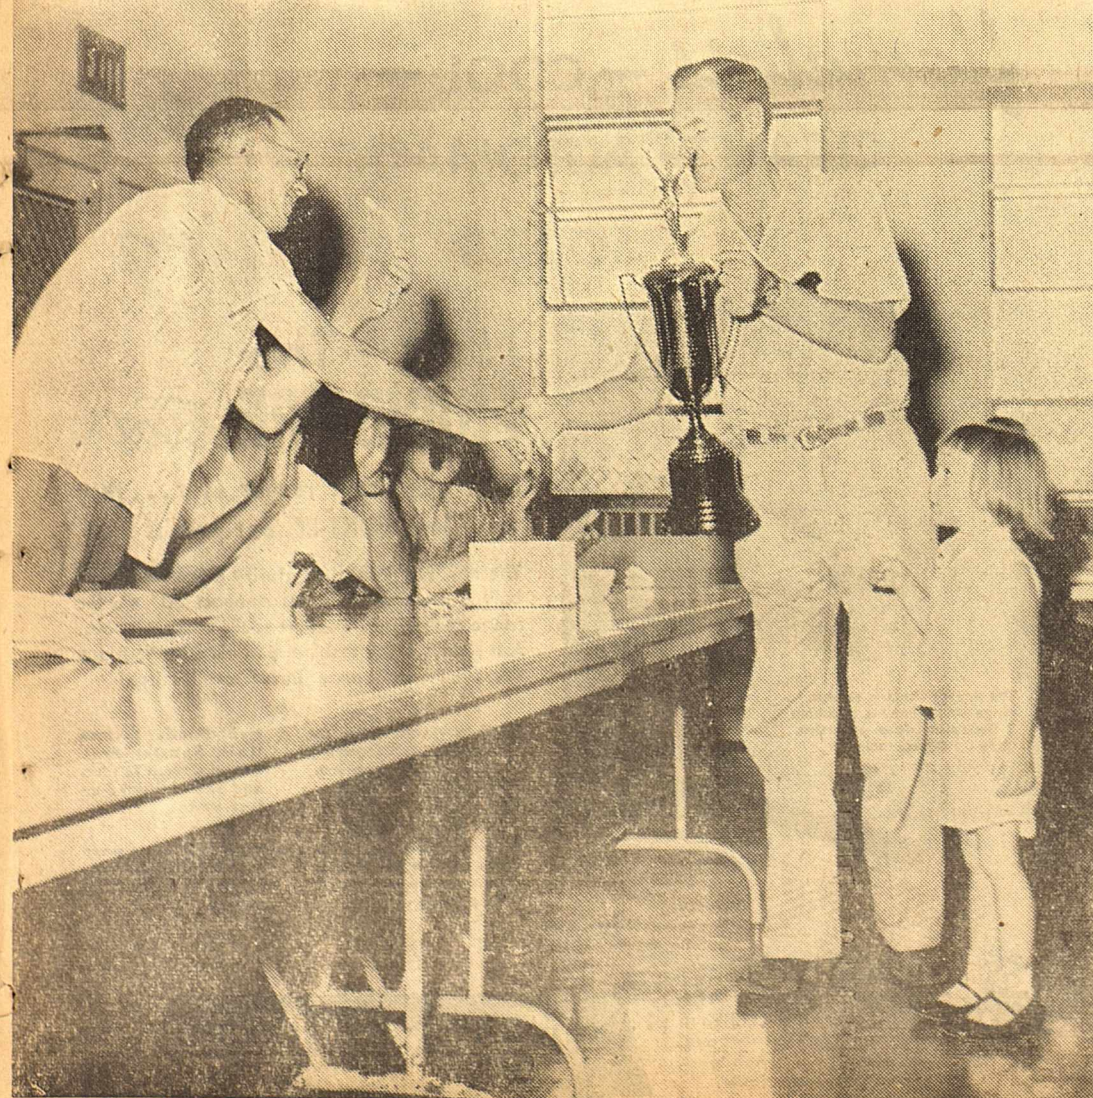

If 100 people mailed 100 postcards each, we'd have 10,000 enthusiasts for the Caverns of Sonora. Let's start a mail campaign that will put Sonora and its Cavern on every map in the country.

This is a big thing-let's do something about it.

THREE SONORA RECRUITS TRANSFERRED TO FT. HOOD

Recruits Loyd Brown, Paul Lippmans and Roland Drennan have been transferred from Fort Carson, Colorado, to Fort Hood, Texas where they will receive basic training.

Trophy for the Grand Champion Bag of Wool at last week's Sonora Wool and Mohair Show went to Armer F. Earwood, Sutton County ranchman. Earwood also received the trophy for the Grand Champion Wool Fleece exhibited by his daughter, Elsie, who was absent. Daughter Melinda looks on as Herbert Fields makes the presentation.

Back in the winner's circle at the Wool Show was Dr. Joe David Ross who won the Grand Championship for his mohair fleece in the adult division. Ross, a former Sutton County 4-H'er, was a familiar sight among the junior competitors during his 4-H days.

Explorer Scouts Spend Saturday June 25 Aiding in Caverns Of Sonora Development

Several members of the Sonora Explorer Scout Post spent a strenuous but enjoyable five hours at the Sonora Caverns Saturday morning.

With Explorers forming a human chain or relay team, several tons of caliche was bucketed from the surface to some 1,500 feet in the rear of the cavern for use on newly constructed trails. Lumber was also transported underground to bridge an area in the new and beautiful part of the cave.

A barbecue dinner was served the group at noon by Buzzie Stokes, Manager of the Chamber of Commerce. Stokes, in turn, was assisted by Francine Fields,

Patsy Garrett and Nannette Stokes. Five hours of "bucketing" caliche into the caverns made the group especially appreciative of the fine food. Mrs. Louie Papadakas contributed a fine cake and a cold watermelon for dessert.

Explorer Scouts who provided a needed service to the Cavern management Saturday included Richard McCoy, Bill White, Bill McClelland, George Roberson, Gene McCarver, Billy McGregor, and Preston Neely. Adults assisting included George Love, Cullen Luttrell and E. B. Keng.

Following the noon meal the Scouts were taken on a guided tour of the Caverns by Jim Papadiakis and Jack Burch, owners.

Mr. and Mrs. Roy Coker and Teddy had as their guests Sunday Mr. and Mrs. Ward N. Hardeman of Austin.

Community Cooperation Results In Flood Dam Site 13 Irrigation

Irrigation of vegetation on Site 13, located on the Hunt-Neill ranch near the hospital, was completed this week.

Although the structure has received only an inch of rainfall since it was planted in March, a fairly good stand of grass is surviving. The irrigation was an effort to help the grass cover become established.

The irrigation turned out to be

a cooperative venture involving many individuals and agencies. Sam Allison provided the irrigation pipe. The City of Sonora supplied the irrigation water at a nominal cost, and the Sonora Volunteer Fire Department furnished a pumper truck to develop sufficient pressure for irrigation.

Bryan Hunt and George H. Neill permitted the necessary traffic for the enterprise, and F.

L. McKinney kept the books and paid the labor required to do the work. Sutton County paid for watering the structure but will be reimbursed by the Soil Conservation Service.

Rainfall is badly needed to facilitate establishment of vegetation on the three structures seeded to grass. The other two structures cannot be irrigated because water is not available.

Minimum Wage Hike Attacked By O. C. Fisher

By Congressman O. C. Fisher

THE DRIVE FOR pre-convention adjournment began in earnest last week, with early and late sessions of both the House and Senate getting under way. Foreign aid, minimum wage increase and expansion, a medicare bill, topped the agendas. The House-approved Diablo Dam bill was being pushed in the Senate by Senator Johnson, with likelihood of early approval in that body.

Election-year housing legislation was almost sure of approval in Congress. Totalling more than a billion dollars, this proposal faces a probable veto. Actually this measure smacks of budget-busting proportions because it

contains so much that is admittedly non-essential.

THE PRESENT \$1 minimum wage law would be increased to \$1.25 an hour and an additional 4 million employees covered, by pending bills being advanced in both the House and Senate. Even sponsors of this legislation admit this proposal is inflationary, but it is attempted to be justified on other grounds.

Actually, according to many experts, this ambitious expansion of the wage and hour law would not only be inflationary but would put a good many fringe-type employes out of jobs and onto relief rolls. And small businessmen from over the nation indicate that the increase in the minimum will result in screening of employes and thousands being released.

On paper, this attempt to force higher wages sounds good. But in application it would, according to an avalanche of testimony, be harmful to a lot of people and probably result in the actual closing of a good many

crease will mean prosperity because it will require higher wages in many industries. If so, then perhaps the minimum should be upped to \$2 an hour and thereby increase prosperity accordingly.

In the final analysis, under our free enterprise system an employee cannot be paid more than his productive capacity justifies. Otherwise, the business must fail. And while average going wage levels are today rather high, to set a high arbitrary minimum would result in wages above that minimum being inevitably pushed up-and hence the inflation. A man may get an increase only to find that what he buys with it at the store costs more.

All that glitters is not necessarily gold.

title of a comprehensive article in the June issue of Texas Game and Fish magazine, covering the four poisonous snakes found in Texas. The article deals with the habits and life of the high-sounding rattler; the water moccasin; the coral and the copperhead.

The article concerning the rattlers and moccasins was written by Dr. Clarence W. Cottam, director of the Welder Wildlife Foundation. Milliam K. Davis of the S.W. Texas State Teachers College, wrote about the coral and copperhead snakes.

Both men have spent a lifetime in the study of snakes and the part they play in the balance of nature. Each agrees a snake has its place, but each also warns you to "watch your step," when you are in proper habitat for them.

They discuss the habits of each and the potential danger. They tell where the snakes like to live and the things that provoke them to strike.

They describe the characteristics of the snakes, and tell what their poison capacity is. They feel that everyone should know

Nancy Bess Wilson, Don Moore Wed In Candlelight Ceremonies Saturday

Miss Nancy Bess Wilson became the bride of Wesley Don Moore in candlelight ceremonies here Saturday night, June 25, at the First Methodist Church. The Rev. Doyle W. Morton, pastor, officiated.

The bride is the daughter of Mr. and Mrs. Duke Wilson of Sonora. Mr. and Mrs. C. W. Moore of Nolan are parents of the groom.

Given in marriage by her father, the bride wore a gown of pure white silk peau de soie fashioned with long tapered sleeves and a scalloped neckline of lace appliques re-embroidered in mother-of-pearl sequins and seed pearls. Crushed folds of self-fabric accented the elongated waistline. Re-embroidered lace appliques trimmed the front waistline and adorned the flat bustle in back where the full skirt fell into a chapel-length train.

The waist-length veil of tulle was held by a tiara of hand-clipped lace bedewed with seed pearls. She carried a white Prayerbook topped with phalaenopsis orchids with a shower of lily-of-the-valley.

Miss Mary Adele Wilson attended her sister as maid of honor. Her street-length dress of white silk organza featured a scooped neckline in the fitted bodice, a blue cummerbund, and a bouffant skirt. Blue floral embroidery accented the cap sleeves and wide hemline. She wore a bandeau of gardenias and stephanotis and carried a colonial bouquet of blue gardenias and stephanotis.

Bridesmaids were Miss Betty Jack Cooper of Sonora and Misses Kay Cowan of Hillsboro and Ann Kyle of Mesquite, cousins of the bride. Their dresses were identical to that of the honor attendant and they carried colonial bouquets of white gardenias and stephanotis. Mary Gayle Glimp of Uvalde was flower girl. She was dressed in the white organza and carried a blue basket of blue and white flower petals.

The groom was attended by Beal Orr of Nolan as best man. Gene Weyerts of San Angelo, Arvel Rotan of Nolan and Mickey Powers of Sonora were groomsmen. Ushers were Dan Carter Cauthorn and Freddy Fields of Sonora and the bride's cousins, Bill Wilson of San Angelo and Kyle Cowan of Hillsboro. Candlelighters were Duke Wilson and Word Wilson of San Angelo, cousins of the bride.

Mrs. W. T. Hardy, organist, played traditional wedding music and accompanied Miss Patsy Garrett, soloist.

A reception was held in the home of the bride's parents following the ceremony. The bride's table was laid with a white linen cloth and centered with the multi-tiered wedding cake. Garlands of smilax and gardenias were twined from the four-branch candleabra at one end of the table to the silver punch bowl at the other end. Mrs. Ruble Glimp of

club members. Mrs. George D. Wallace won the slam prize and Mrs. Norman W. Rousselot won at bingo.

Guests present were Mmes. Dick Black, Leroy Whitworth, Lin Hicks, Gene Shurley and A. E. Lowe.

Members attending were Mmes. D. C. Langford, Bill Tittle, David Shurley, Jerry N. Shurley, Cleveland Nance, W. A. McCoy, Clayton Hamilton, Nolan W. Johnson, Norman W. Rousselot, George D. Wallace and J. W. J. W. Pepper, Jr., won high for Pepper, Jr.

MRS. HULL ENTERTAINS PASTIME CLUB THURSDAY

Guests present were Mmes. Bailey Renfro, Karen Peterson and Auther Simmons. Members attending were Mmes. Joe Berger, R. V. Cook, Lee Labenske, C. E. Stites, Robert Rees, Rose Thorp, Tom Sandherr, Ella Wallace and R. B. Kelley.

Surprise Shower Compliments Yvonne Davis

Miss Yvonne Davis, bride-elect of Victor C. Meitzen, was honored with a surprise bathroom shower Friday evening, June 24, at the home of Mrs. Albert C. Ward. Hostesses were Mrs. Ward and Mrs. Charles Shannon of San Angelo.

Dips, sandwiches and "coke" were served from a table centered with roses and daisies arranged in miniature bathroom fixtures. Gifts were presented in a large clothes hamper to the honoree.

Those attending were Miss Davis, her mother, Mrs. Louis Davis; her grandmother, Mrs. J. T. Penick; Mmes. Jimmy Hugh Harris, Bobby Scott, Clayton Hamilton, Rip Ward and Miers Savell; Misses Sue Greenhill and Alice Lee Daughtrey, and Matt Shanhan.

Robert L. Hardgrave, Jr. Speaks To Lions On Forthcoming Study In Madras, India

Robert L. Hardgrave, a recent graduate of the University of Texas, was guest speaker at this week's meeting of the Sonora Lions Club at the Methodist Church.

Hardgrave spoke on his forthcoming trip to India where he will do a year's graduate study at the University of Madras, on a Rotary International Scholarship received this year. A political science student, Hardgrave said he chose India as a field of study since he felt the nation offered a greater challenge.

His route to the far-eastern country will be made via Japan, Hong Kong and Thailand. Hardgrave will leave Sonora on July 13. The return trip in 1961 will include the European countries.

Lions also heard a letter of appreciation from Emiliano Garcia who underwent eye surgery under the organization's aid to the visually handicapped program. Garcia reported sight restored to one eye.

Other handicapped aid is being extended by the club to Jose Jimenez, son of Mr. and Mrs. Oscar Jimenez, who is attending the Lions Crippled Children Camp at Kerrville. Jose is attending the June 19-July 2 session of the camp.

Herbert Fields, Jr., has returned from Fort Stockton where he spent a week visiting in the home of Mr. and Mrs. Pete Ten Eyck as a guest of their son Stan.
