## Annual Red Cross Drive Underway With This Year's Quota Set For \$829

The Sutton County Chapter of the American Red Cross began its annual fund raising drive on Wednesday, March 1, according to Mrs. Nelson Stubblefield, drive chairman. Sutton County's quota for 1961 is \$829.00, Mrs. Stubblefield said. The drive will continue through the month of March. Persons may make their contribution to Mrs. Stubblefield at the First National Bank or to Miss Nann Karnes.

## Four Candidates For School Board Election Scheduled For April 1

Saturday, April 1, has been set as the date for election of two members of the Board of Trustees of the Sonora Independent School District. Candidates for the two vacancies are L. P. Bloodworth, Jr., Mrs. Herbert Fields, Bill Morris and Robert Pfluger. The four seek the seats vacated by Mrs. J. M. VanderStucken and Frank P. Bond. Neither of the incumbents filed for re-election. Other members of the board are R. S. Teaff, Harold Friess, Gene Shurley, Armer Earwood and Mrs. Alice S. Jones.

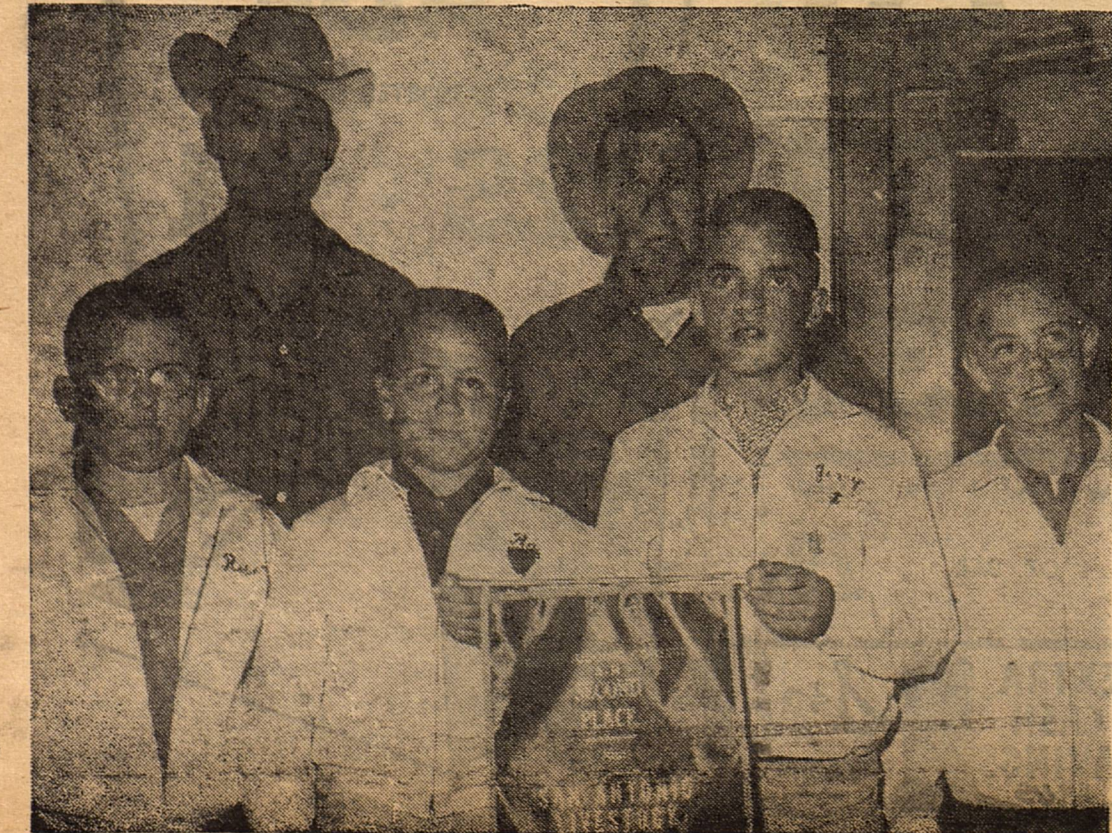

## Responsibility For Schools Rest With Local Board Of Trustees

The Federal Constitution delegates the responsibility for educating our young people to the several states and these, in turn, delegate their responsibility to local district. The Sonora District is known as an independent school district and is one of 31 county-wide districts in Texas. Local voters elect a seven-member board to administer the school. Each member's term is for three years, two members' terms expiring each year. Every third year, three members are elected. Sonora can be proud of the quality and nature of its boards down through the years. They have been composed of sound thinking men and women whose primary interest has been good schools. They have developed sound policies and exercised astute judgement in the selection of administrators to administer the schools. Such board members and such policies have contributed greatly to a fine, stable educational system.

## Teachers, Schools Work With More Than 50 School Organizations And Projects

Teachers are among the most diligent workers in our community and most are highly active in contributing to a richer and fuller community life, not only for our youth but for adults as well. They are members of local churches, service clubs, lodges, welfare groups and other organizations which permeate every phase of community life. A local staff member is required to be on duty by eight o'clock in the morning and may not leave until at least 3:30 in the afternoon. Most are on duty long before and long after the designated hours. Teachers sponsor and work with over 50 organizations and projects with students in the local schools. These include football, basketball, track, volleyball, tennis, choral club, science club, FHA, GAA, Lettermen's Club, Library Club, National Honor Society, Industrial Arts Club, Speech Club, National Thespian Society, Student Council, Bronco paper, Bronco yearbook, Band Club, Freshman, Sophomore, Junior and Senior Classes, Halloween Carnival, after-football game dances, Junior-Senior Banquet, Christmas dance, Sonora Relays, Sonora Speech Meet, Senior trip, band concert, band banquet and dance, weekly assembly. In Interscholastic League they coach contestants in declamation, slide rule, typing, spelling, ready-writing, poetry reading, shorthand, number sense, extemporaneous speaking and one act play.

In the elementary schools teachers work with assembly programs, Student Councils, Valentine coronations, Halloween Carnivals, PTA activities, curriculum meetings, scheduled twice yearly parent-teacher conferences and spring objective tests.

Second place honors in the San Antonio Livestock Show's grass judging contest were won by the Sutton County 4-H Club's junior team pictured here. Members of the team are left to right, Robert Brown, Ray Glasscock, Jerry Shurley, Jr. and Chris Berger. County Agent D. C. Langford and team coach Edgar Glasscock are at the rear.

# 14th High School Speech Meet To Be Held Here March 10 & 11

### PROFESSIONAL STATUS OF FACULTY MEMBERS

Something to be proud of in our local school system is the fact that 100 percent of the instructional staff have degrees. Eleven of these have Master's degrees and 15 teachers have indicated they will be going to colleges this coming summer to continue work toward a Master's degree.

## Homer Guest, 58, Former Resident, Buried Monday

Funeral services for Homer Guest, 58, were held Monday afternoon, February 27, at the First Baptist Church here with the Rev. Alvin L. Loiry, pastor, officiating.

Guest died at his home in Andrews Saturday, February 25.

A resident of Andrews for the past three years, Guest was born November 12, 1902 in Sutton County, the son of early day county residents. He was an oil field worker.

Survivors include two sons, Forrest Guest of Andrews and William C. Guest of Jal, New Mexico; one daughter, Miss Clara Dell Guest of Lovington, New Mexico; one brother, Tom Guest of Sonora, and one sister, Mrs. Bob Wilson, also of Sonora.

Pallbearers were T. K. Nevill, Jim Marchbanks, Dan Cauthorn, Giles Hill, Mat Adams and Bailey Renfroe.

Burial was in Sonora Cemetery under direction of Ratliff-Kerbow Funeral Home.

### CIRCUS TO PLAY SONORA

R. T. Bullock, general representative for the Sterling Brothers Circus Tuesday announced the coming of the first circus to Sonora in a number of years. The date has been set for Friday, March 24 or Saturday, March 25, with two performances at three o'clock in the afternoon and eight o'clock in the evening.

The show will be held on the Johnson Show Grounds on Highway 1691.

Preparations are underway for Sonora High School's 14th annual Speech Meet to be held Friday, March 10 and Saturday, March 11. Schools which have expressed an interest in participating in this year's meet are Eldorado, Menard, Central of San Angelo, Denton, Permian of Odessa, Tivy of Kerrville, William

## Improvements Made At Cemetery

Extensive work has recently been done on roadway, paths and parking facilities at the Sonora Cemetery. Labor and equipment was furnished by the County Road Department and Dock Simmons contributed chat.

## Chris Berger Tops At Houston Delaine Show

Chris Berger, son of Mr. and Mrs. W. F. Berger, showed one champion animal and one reserve champion in the Open Delaine division of the Houston Stock Show last week. Chris showed the Champion Delaine Ewe and the Reserve Champion Ram.

He also exhibited five first-place animals, two second-place, four third-place and three fourth-place. Chris's show flock will compete in the Junior Show Thursday, March 2.

## Fling Ding Saturday Night

The Fling Ding Club of Sonora will hold its annual dance at the warehouse of Sonora Wool and Mohair Company from nine o'clock until one Saturday evening, March 4. Furnishing music for this year's dance is Shep Fields and his orchestra.

Fields has recently filled engagements in Houston and Dallas where his orchestra accompanied Miss Judy Garland on her personal appearance tour.

## Sutton Bond Sales 6.5% 1961 Quota,

At close of business January 31, 6.5 percent of the total 1961 sales goal for Sutton County was achieved, according to announcement made by George H. (Jack) Neill, chairman of the Sutton County Savings Bonds Commit-

tee. Registrations will begin Thursday night and continue early Friday. Individual events, both preliminaries and finals will be held Friday; one act plays will be presented in the high school auditorium Friday night. Debate is scheduled for Saturday, beginning at 8:30, with preliminaries and finals to be held on Saturday.

To climax the meet, the traditional barbecue will be held in the school cafeteria Saturday night with the Sonora Chamber of Commerce as host organization. Immediately after the meal, after-dinner finalists will be heard and awards presented in the Central Elementary School auditorium. A dance at the 4H Center will follow the awarding of medals.

The Parent-Teachers Association is in charge of housing for this year's contestants and those who would like to house sponsors, boys or girls may call Mrs. Herbert Fields.

Judges are being solicited by Jo Bess VanderStucken, Kay Shurley and speech teacher Smith Neal. Those who have judged in previous years or those who have never judged but are interested in doing so are requested to call the high school office or Smith Neal. Events in this year's meet will be debate, oratorical declamation, extemporaneous speaking, senior poetry reading, junior poetry reading, original oratory, dramatic interpretation, duet acting, after-dinner speaking, Bible reading, impromptu speaking, and limited-entry one act play. There will be boys' and girls' divisions in all events except duet acting

and one act play. Approximately 225 guests are expected to be in town for the meet. There will be about 260 participating students including Sonora students.

Committee heads for the meet will be:

Transportation, Charlie Howell and Dennie L. Hays; Dance, Gerry Mayfield, Doyle Morgan and Clyde Greer; Dance decorations, Patsy Garrett, Morgan and Greer; Dance clean-up, Dick McMillan, Morgan and Greer; Registration, Mary Wilson and Smith Neal; Ballots, Barbara Gatlin and Mrs. W. H. Dameron; Mixer, Douglas Wood and Bob McMinn; Props, Mike Evans, Preston Neely and Smith Neal; Barbecue, Chamber of Commerce; Signs, Sarah Lu Hardy and Bob McMinn; Judges and timekeepers, Jo Bess VanderStucken and Smith Neal.

# Tunnel Boring Machine To Drill Caverns Exit Tunnel

Negotiations were completed Tuesday between the Caverns of Sonora and Hugh B. Williams Manufacturing Co. of Dallas for excavation of a 400-foot tunnel. This tunnel will permit opening this year of the spectacular Dia-

mond Room Passage, considered one of the more beautiful portions of the cavern.

The Williams Manufacturing Co., a subsidiary of Hughes Tool Co., has pioneered development of a 100-inch rock tunnel boring machine. The machine, a working model, has been tested in Canada, Colorado and the Fort Worth-Dallas area of Texas in various types of rock formations. Its use here will provide the manufacturers with an opportunity to observe the machine's efficiency in drilling greater distances.

High B. Williams and his chief engineer, Floy Allen, both of Dallas, flew to Sonora Tuesday of this week to examine rock

formations and conditions under which the machine will be working. Both men expressed their confidence in the machine's capabilities for the project.

The machine is constructed in the form of a 100-inch steel pipe 14 feet long. The drilling head is mounted with 30 roller bits and works at a speed of six and one-half revolutions per minute under thrust pressures of about 500,000 pounds. The drilling head is powered by three 25-horsepower electric motors and is self-propelling. Performance of the machine in local limestone formations is expected to be from three to five feet per hour.

Boring is expected to begin before March 15.

## County Accepts 11th Of 13 Flood Protection Structures

## Two Local Stores Burglarized Last Week

The eleventh of thirteen flood prevention structures was completed last week and accepted by Sutton County. Site 1 on the R. D. Johnson ranch should be completed within two weeks, and the final structure is scheduled in April.

Seeding of four earth covered structures on Dry Devil's River was started this week. A heavy seeding rate of drought resistant grasses-sidecoats and blue grama, KR and Caucasian bluestem,

plains bristlegrass and green sprangletop will be used. In addition, four bales of Texas wintergrass hay will be spread to furnish a winter growing grass.

Prairie hay, at the rate of 5,000 pounds per acre, will be used as a hay mulch to prevent erosion and furnish protection for the young plants. Structures on the G. H. Davis, Pearl Martin, Ben Mittel and R. D. Johnson ranches will be seeded.

### AN EDITORIAL

## An Unchanging Need

The need for the public school never changes, but times and conditions may change or require to be changed methods and practices of public education. This is inherent with anything that grows, for growth is the result of change.

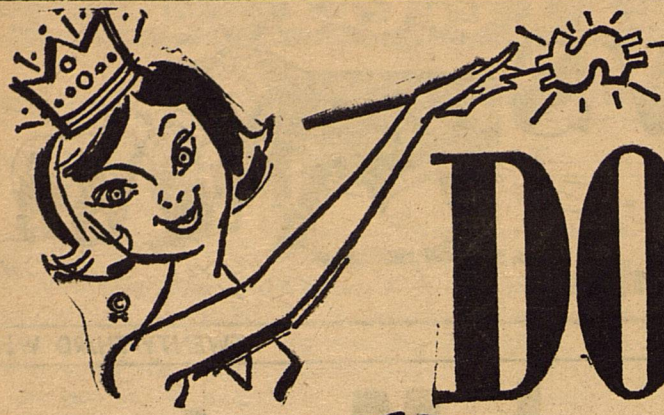

Our Texas public schools were created 107 years ago. In 1854 the first law was passed establishing the public school.

It is a healthy thing in our democratic way of life to have intelligent understanding of the important functions of our basic institutions. This is especially true of the schools. The initiative and resourcefulness and the wisdom and leadership that our schools are inculcating in the

youth of today are the answer of the problems of citizenship in the years ahead.

Yes, "bring me men to match my mountains." That is the need of our time and must come from the public schools—schools that are strong in virtues required for building strong men and women.

We can be assured of this and do our part in understanding and helping the public schools to fulfill their great obligation to our times by being a participant in the annual Public Schools Week, March 6 through March 10, 1961. Schools will hold open house; accept their hospitality, and you will enjoy the experience of going back to school—if but for a day.

## YEARS PAST

May 25, 1895

Reports from the Juno district is very unfavorable since the rain. The water was standing eight feet deep at G. F. Lings place and there is fear that R. W. Prosser's place on the river may have been washed away.

The fourth of July is near at hand and Sonora will of course celebrate.

The "Church Workers" of the Episcopal church are requested to meet at the residence of Mrs. John Hagerlund, on Saturday June 1st, at 4 o'clock.

Over 210 shares of stock in the Sonora National Bank has been subscribed.

The general rain ordered has arrived. All the water holes in the country are full. The mail has been delayed and no country in the West has more water at present, than the Sonora country.

June 1, 1895

There will be a meeting at the court house Tuesday night to make arrangements for the celebration of the fourth of July. Everybody should attend.

If you want stock in the Sonora National Bank you had better make application at once.

J. M. Cusenbary has opened a fruit, confectionery and ice cream parlor next to the post office.

The post master general has granted the petition asking for a mail route from Sonora to Junction City twice a week. Bids will be received up to June the 8th for the carrying of said mail. Particulars may be obtained at the post office.

Ben Robertson and John Hall were in town Thursday from down the draw and tell remark-

## I Give You Texas

By Boyce House

I count it one of the great blessings of life that the newspapermen of Texas have bestowed their friendship upon me.

One time, though, one editor got mad; he blamed me for something that I had nothing to do with and I would have explained this to him if the opportunity had only been given. But he wrote a fiery article in which he declared, "Boyce House lost Fort Worth a million dollars on Casa Manana"—(referring to the Centennial celebration of 1936 and also the following season).

This accusation disturbed me. In the first place, Billy Rose was the producer; I was only the publicity director. In the second place, the show was not put on to make money but to publicize Fort Worth and keep Dallas, as the scene of the official State Centennial, from getting all the limelight. (You don't give a party to make money but to entertain your friends.) In the third place, if the money spent with the stores and hotels by the thousands of visitors was taken into account and if the world-

able stories of the high water. Nothing definite has been heard from Prosser's Baker's or further down the river.

Mr. and Mrs. Calvin Howell, Eddy, Prissy and Jimmy spent Sunday in Ballinger visiting with relatives and friends.

Claire Jones, a student at the University of Texas, spent last weekend here with her mother and brother, Mrs. Alice S. Jones and Cleve T.

## Office Supplies At News Office

wide attention the city received was considered, Fort Worth made several million dollars.

But (thought I) even if the accusation had been correct, not many people have ever lost a million dollars. A few hundred dollars or even several thousand dollars, yes—but not a million dollars!

Another thing, if I had lost a million dollars, I had been smart enough to lose somebody else's million, and not my own.

So I wrote a letter to the editor and would up with, "Thank you for the compliment." (But of course I didn't mail it.)

And, incidentally, the next time we met, he invited me to dinner.

My Uncle Tavie told me when I was a small boy, that he could speak Chinese so I asked for a sample. He said, "No tickie—no washie."

DO YOU NEED SOMEONE WHILE THE BABYS ASLEEP, WHILE YOU GO INTO TOWN, AN APPOINTMENT TO KEEP?

DO YOU EVER NEED ANY ERRANDS RUN, OR SOMETHING DONE, THAT YOU CAN'T GET DONE?

DO YOU NEED ANY HELP WITH A CERTAIN TASK? THEN WHY DON'T YOU PICK THE PHONE AND ASK,

## TEXAS LAWYERS Col. John S. (Rip) Ford, Soldier - Statesman

"Just a few kind words . . ."

While John Salmon Ford was a regimental adjutant during the Mexican War a regular duty was to issue official death notices. He began each message, "Rest in Peace." When battles became hot, thick and fast, he shortened this to "R.I.P." and acquired a lasting nickname.

This kindly-spoken gentleman was highly accomplished and versatile. South Carolinian by birth (1815), Rip crowded an incredible number of activities into his 82 years of life. As a soldier, three wars: the Texas Revolution, Mexican and Civil Wars. As a statesman: Mayor, Congressman under the Republic, State Senator, Member of the Secession, National Democratic and Constitutional conventions. Between times Rip had practiced medicine, edited three different newspapers, explored and mapped the Ford-Neighbors Trail between San Antonio and El Paso. All this—and three years with the Rangers, stationed between the Nueces and the Rio Grande, where the Indians were usually looking for a fight. One historian commented that Rip always discharged his duties with "tactful moderation." In later years Col. Ford enjoyed writing reminiscences and historical articles, about history he had helped to make. He was adding a few kind words when he died in San Antonio in 1897.

As Texas lawmen made this a better place to live, industry and commerce were playing their part, too. And one industry, brewing, has always provided enjoyment as well as employment and revenues for communities. In Texas—"Beer Belongs." Brewers, wholesalers, retailers and the United States Brewers Foundation are working constantly in cooperation with today's lawmen, to assure the sale of beer and ale under pleasant, orderly conditions.

WE RESERVE THE RIGHT TO LIMIT QUANTITIES

YOUR  
MINISTER  
SAYS

By Rev. Alanson Brown  
The churches that follow the traditional church year are now observing the season of Lent. Lent is the forty days preceding the great Christian Festival of Easter when each year we re-

mind ourselves that Jesus did not end his life in the grave but by the Power of his Holy Father God was re-created and given the place of honor in Heaven.

The fact that we must remember, however, is that Jesus did not attain the resurrection until first He suffered the pain and death of the Cross.

As men we are always trying to find an easy way. There is none! The Christian Way is the Way of the Cross. Each of our lives is lived in the shadow of Christ. There is no escaping the suffering and pain of mortal life.

Let us not think, therefore, that we can avoid the Cross and find any joy in the new life of Easter. The makers of steel and fine metals use fire to give the metal its best characteristics. So we are refined and made more perfect by the fires of living which include pain, anguish and despair as well as joy, peace and satisfaction.

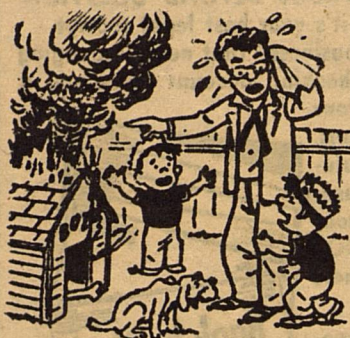

Let us use this time before Easter to examine ourselves and accept life in its wholeness so that we may enjoy the fulness and deep satisfaction of the Resurrection of our Lord!

Dr. Alvis Johnson, Jr. and children Beverly and Craig of Dallas spent last weekend visiting his parents, Mr. and Mrs. Alvis. Dr. Johnson came down to get the shearing underway for his father.

Mrs. Charles E. Shannon Jr., and Matt have returned to their home in Grand Junction, Colorado after a visit of several weeks with her parents Mr. and Mrs. Miers Savell.

**ELDORADO OLDSMOBILE DEALERSHIP CHANGES**

Paul Page and J. D. Huckaby of Eldorado have announced their purchase of Wagley Motors, Oldsmobile dealer in Eldorado. Page and Huckaby, owners and operators of Eagle Chevrolet, will incorporate the Oldsmobile dealership with their regular agency.

The authorized Oldsmobile dealers for Schleicher and Sutton Counties will service and sell all types of Oldsmobile automobiles.

**MRS. SCHERZ ENTERTAINS CLUB 13 THURSDAY**

Members and guests of Club 13 were entertained last Thursday afternoon by Mrs. Harold Scherz. Prizes for high score went to Mrs. Norman W. Rousset for guests and Mrs. J. W. Neville for club members. Mrs. Ed Grobe won the slam prize and Mrs. Allan Guthrie and Mrs. Gene Shurley won at bingo. The traveling prize went to Mrs. Leroy Whitworth.

Refreshments of a dessert plate and coffee were served to Mmes. Carl J. Cahill, Ed Grobe, A. E. Lowe, Rex W. Lowe, J. W. Neville, Gene Shurley, J. Wallace, Cecil Westerman, R. W. Wallace, Leroy Whitworth, James L. Powell, James Hunt, Norman W. Rousset, Robert Pfluger, Bill Morriss, Allan Guthrie and John Cauthorn.

**Office Supplies At News Office**

Mrs. Edgar Shurley was in Dallas last week attending market and visiting with her brother and family, Mr. and Mrs. Edward B. Tipton and children.

**San Angelo Educator Addresses TSTA Banquet Thursday Night**

Robert H. Mayfield of San Angelo, educational consultant for a Lubbock audio-visual company and a former curriculum director for the San Angelo public schools, was guest speaker at the February 23 banquet of the local chapter of the Texas State Teachers' Association. Mayfield, a Methodist lay speaker and formerly listed in "Who's Who in American and International Education", spoke on the subject, "Are We Educating Mice Or Men?"

Mrs. S. A. Bridges, chapter president, presided over the banquet. Special recognition was given Frank P. Bond and Mrs. J. M. VanderStucken, retiring members, for their service as school board members. Mrs. W. R. Cusenbary, a former board member, was also recognized for her service. Other members of the school board and Mrs. Herbert Fields, PTA president, were special guests.

The Rev. Alanson Brown gave the invocation and special music was furnished by the high school clarinet choir composed of Jo Bess VanderStucken, Jo Ann McReynolds, Ronnie Cox, Alice Lee Duncan and Debra Cooper. Mr.

and Mrs. Clyde H. Greer provided a surprising and humorous program on a glimpse into the past of teachers through photographs.

The dinner was prepared under the supervision of Mrs. Muriel Hamilton. Tables were set by members of the eighth grade girls' physical education class and girls from the National Honor Society served.

Committees for the banquet were: Decoration, Mrs. Margaret Green, Mrs. Bill McGilvray and Mrs. Kenneth Cleveland; Program, Mrs. A. E. Prugel, Mrs. H. V. Stokes and Frank Rhoads; Hospitality, Mr. and Mrs. Doyle Morgan, Mr. and Mrs. Ralph Finklea, Mr. and Mrs. Clyde Greer and Mr. and Mrs. Frank Rhoads.

Sixty-five TSTA members and guests attended.

Mr. and Mrs. George E. (Bud) Smith and Eddie had as guests last week Bob Davis, James Petty, John Gillespie and Hilton Merritt of Abilene Christian College and their instructor, Frank Churchill. The group was on a field trip to the Experiment Station here.

**LOCAL NEWS BRIEFS**

Mrs. Selma Wyatt is in Odessa visiting with her daughter and family, Mr. and Mrs. Gene Henderson and children.

Mrs. Neil Roueche has been a patient at Hudspeth Memorial Hospital, receiving treatment for minor injuries sustained in a fall last week.

Dr. and Mrs. J. F. Howell will have as their guests this weekend Miss Nancy Smith of Big Spring and Lt. Cleve Puckitte of Dallas.

Weekend guests of Dr. and Mrs. J. F. Howell and Charlie will be the Howells' son and daughter in law, Dr. and Mrs. J. F. Howell, Jr., of Detroit, Michigan, and their daughter and husband, Mr. and Mrs. Jack Allen of Perryton.

Mr. and Mrs. Gene Groom, Diana and Mark, spent last weekend here visiting Mrs. Groom's parents, Mr. and Mrs. John Eaton.

Claire Jones, a student at the University of Texas, spent last weekend here with her mother and brother, Mrs. Alice S. Jones and Cleve T.

## Education In Sutton County One Of Biggest Businesses

By Supt. Of Schools  
Rex W. Lowe  
The education of the youth of

Sutton County is one of the biggest single businesses in the county. At the opening of the 1960-61 scholastic year, the Sonora Independent School District had a total teaching and working force of 58 employees, with monthly payroll of \$20,460.20 and yearly payroll of \$245,522.40.

Teachers comprise the single largest group of employees in the system, adding up to a total of 44, including five administrators. Auxiliary employees total 14.

Total property evaluation of the School District for tax purposes amounts to \$13,202,935.00. Oil, gas, utilities and related properties comprise about 81 percent of this amount with land, cattle, home and businesses making up the remainder. The tax rate as set by the Board of Trustees is \$1.50 per \$100 evaluation with \$1.22 set aside to provide for maintenance and operation and 28 cents designated to retire the bonded indebtedness of the District.

As required by law, the Board adopted a budget this past August in the amount of \$336,221.00. Over \$213,000 was designated for salaries and instructional supplies; over \$47,000 was set aside to retire debt, and the remainder was budgeted for transportation, operation and maintenance of the plant, fixed charges, community services and capital outlay.

Both local taxpayers and the state bear the burden of educating the children of the county. Under a complicated formula of finance the state of Texas contributes somewhat under half the cost of operating the school system. Sonora, like most of the districts in Texas, is designated as a Minimum Foundation School because of a lack of taxable resources. It will receive a total of \$143,407 from the following state sources: Per capita apportionment \$67,160; Salary and operation \$69,224; Transportation \$7,176; Vocation education \$270; Federal aid to science \$1,077; Pre-School (non-English-speaking students) \$500.

Per capita apportionment is automatically set by law at varying annual amounts for each child listed on the census roll. Other amounts are fixed by law with the exception of the amount from the Minimum Foundation Fund which varies from year to year depending upon the Average Daily Attendance (ADA) in the school district. (This is one reason the school usually dismisses in extremely inclement weather). The amount received from the Minimum Foundation Fund is known as salary and operation money and is determined in the following manner:

First, costs are arrived at by figuring the salaries of all the class teacher Units (CTU). (The number of these units is found by dividing 25 into the early ADA. Another cost is determined by multiplying the number of CTU's

by \$400. After costs are determined, receipts are deducted which gives the amount of salary and operation monies. Dollars received from per capita apportionment, transportation, the county available fund and the amount to be raised locally in the district comprise the receipts.

A rather interesting fact is the method by which the state determines the amount to be raised locally in the form of taxation. The total for the entire state of Texas amounts to about one-fifth of the total amount the state must funnel into education and is known as the Economic Index. For this year, it was found that one-fifth of the estimated cost of the Minimum Foundation program is \$73,080.

Sutton County's pro rata share of this amount was set at \$24,116 based upon State and County evaluations, wealth of district, scholastic population, etc. Factors are weighted by state actuaries to arrive at the local fund assignment.

Since the citizens of this county actually have chosen to tax themselves at a figure of around \$180,000, considerable local funds are provided for enrichment purposes which reveal in a faraway way the keen interest in maintaining an excellent local school system here.

The school district has a bonded indebtedness (including principal and interest) of \$440,507. The last bond issued will be paid off in 1973. Tax collections usually run around 97 percent but in 1959 amounted to only 93.48 percent. The oil, gas, utilities and related businesses have become increasingly important to the economy of the schools. Nearly 8.7 billion cubic feet of gas were produced in 1959. However, the past year, according to all indications, was considerably less than this and the result may be a lowered evaluation for the district. Still the fact remains that ranching provides the bulk of money raised locally for school purposes.

## Lions Hear Account Of Holy Land Trip

Dr. R. Matthew Lynn, pastor of the First Presbyterian Church of Midland, was guest speaker at Tuesday's luncheon meeting of the Sonora Lions Club at the First Methodist Church. Dr. Lynn, who has conducted a four-day preaching mission for the Church of the Good Shepherd, spoke on his 1958 world tour, with emphasis on his visit to the Holy Land.

Lions President Joe Nance announced that the club will not meet at the Methodist Church next week but will have their noon meal at the school cafeteria in observance of Public School Week. Lions may be served at the cafeteria from 11:30 on.

Guests present were Ray Stroud of Altamont, Illinois and Tom Collins of Kerrville.

## CARD OF THANKS

We are truly grateful to the good friends who did so much for us during Miers' recent illness. May we take this means of saying thank you for the many demonstrations of your friendship and affection. Special thanks to those who sat up with Miers at the hospital and to the doctors and nurses for their untiring attention.

Miers and Bernice Savell.  
1 tp 23.

## Little League Names Officers

president of the Sonora Little League at its annual organizational meeting at the First National Bank Thursday night, February 23. Also named officers were Clayton Hamilton, vice-president, and Oliver Wuest, secretary-treasurer.

Wuest is taking applications to participate from boys aged eight to twelve in the elementary schools and managers will be appointed in the near future.

Opening date for the League baseball season is tentatively set for Tuesday, May 9. This date is a week earlier than in previous years in order to allow players to be ready for the All-Star competition.

It is expected that four teams will comprise the League this year, although the exact number of teams will not be decided until boys have been signed.

Hilde Tipton, daughter of Mr. and Mrs. Edward B. Tipton of Dallas, has successfully undergone surgery in Dallas recently. Hilde is a granddaughter of Mr. and Mrs. O. G. Babcock and a niece of Mrs. Edgar Shurley.

## Church Of Christ To Have Special Services Tonight

A special program is scheduled at the Church of Christ here at seven o'clock Thursday night, March 2. Mr. W. F. Cawyer of Abilene, speaker on the "Herald of Truth" radio and television program sponsored by Highland Church of Christ in Abilene, will be the principal speaker.

A film on the work and progress of the program will be shown. Narrator of the film is Robert Holton, movie star who will portray Christ in the forthcoming production, "The Greatest Story Ever Told."

## License Plate Sales Still Slow Deadline April 1

Only 234 passenger car license plates have been sold as of Wednesday, according to Mrs. Zilpha Wheelis, chief office deputy in the Sheriff and Tax Assessor-Collector's office. More than 1,300 automobiles are expected to be registered and licensed this year. Other license tag sales include 66 farm trucks, 90 commercial trucks, 31 trailers and 11 truck tractors.

Everyone is reminded of the state law which required vehicle owners to present last year's registration receipts and a certificate of title.

Mrs. Wheelis asks the cooperation of county citizens in getting their licenses as early as possible and avoiding the last minute rush.

The Devil's River News-Sonora, Texas, Thursday, March 2, 1961

PROOF

BEYOND QUESTION

A cancelled check is your PROOF BEYOND QUESTION that you have paid a bill . . . it's your best legal receipt.

Every home today is "small business" that needs managing on a business-like basis. A checking account gives you a permanent running record of your family's financial transactions. Often needed! . . . always valuable! . . . an adjunct to a household budget! As receipts, your cancelled checks are PROOF BEYOND QUESTION as vouchers for income tax deductions.

Not only practical, but economical! . . . So don't pay in cash! Don't pay bills twice! For many benefits, open a checking account today!
