THIRTIETH WEEK

## Annual Ram Progeny Test Field Day Scheduled April 26 At Substation 14

Sutton County sheep producers are invited to attend a special field day at the Ranch Experiment Station near here Wednesday, April 26, D. C. Langford, county agricultural agent announced.

The Ranch Experiment Station field day comes at the close of the current ram performance testing program. Visitors will hear reports from tests involving 191 rams. Offspring were fed in sire groups of four, and evaluated for nine different characteristics

including rate of gain, body conformation, clean fleece weight, staple length and fiber diameter.

Other highlights of the program will include presentations of latest research developments in disease control, range management and bitterweed control. Lunch will be provided at a nominal charge by the Sutton County 4H Club. At the conclusion of the program, visitors will have an opportunity to tour the pastures and station facilities.

## Community Golf Club Being Formed; To Lease Land From City For Links

At a meeting held Monday afternoon at the Fire Station, plans were laid for formation of a community golf club. Present plans call for the club to lease land for a proposed nine-hole golf course from the City of Sonora. The course will be open to the public.

The proposed golf course will fill a very present need in Sonora and surrounding area where many golfers have previously not had a links available.

More than 40 members have already been signed up, several of them being from Eldorado. Membership fees will be \$25.00 per year which includes one-half of green fees. A \$50.00 yearly fee will include all green fees.

The club years will start upon completion of the course.

Named as temporary officers to serve for a period of 30 days were G. C. (Son) Allison, president; R. S. Teaff, vice-president, and Harold Scherz treasurer.

Members will be signed up during the next month and a membership meeting held at the end of that time.

## SONORA BAND TO COMPETE IN ABILENE REGIONAL MEET

The Sonora High School Bronco Band will be one of 58 bands to compete in various divisions of the Region II University Interscholastic League band and orchestra concert and sight reading contest in Abilene April 27-29.

The band will complete in concert work, involving the whole band, and in sight reading.

Competing against Sonora in Class A will be Albany, Cross Plains, Early of Brownwood, Eldorado, Junction, Mason, Merkel, Ozona, Roscoe, Rotan and Santa Anna.

## Herman M. Thiers Buried Friday At Roosevelt

Funeral services for Herman M. Thiers, 73 Roosevelt grocer and service station operator, were held at Roosevelt Presbyterian Church Friday afternoon, April 14. Thiers died in the Junction hospital Thursday.

Thiers lived in Sutton County prior to moving to Roosevelt in 1941.

He is survived by his wife; two daughters, Mrs. Bill Barker of Luling and Mrs. Hazel Hollmig of Roosevelt; one son, T. C. Thiers of Roosevelt; one sister, Mrs. W. C. Joy of Roosevelt; two brothers, Otto and Harry Thiers, both of Roosevelt; four grandchildren and two great-grandchildren.

## JOHNNY McCLELLAND INJURED IN ACCIDENT

Johnny McClelland is recuperating at Hudspeth Memorial Hospital here from injuries suffered in an accident on U.S. Highway 277 eight miles north of Eldorado Friday.

The accident occurred when McClelland, an employee of the State Highway Department, fell from the truck on which he was riding. Wheels of the truck passed over one leg. He suffered several bruises but no fractures.

## Officer Slate Nominated By Lions Committee

Sonora Lions heard the report of the nominating committee on a slate of officers for the coming club year at their Tuesday luncheon meeting at the First Methodist Church this week. Harold Scherz, chairman, gave the report for the committee which is composed of all past presidents of the club.

Nominated for office were E. B. Keng for president; Jack Kerbow for first vice-president; Rex W. Lowe for second vice-president; D. C. Langford for Lion Tamer; C. M. Chamberlain for Tail Twister, and A. E. Prugel for secretary-treasurer. Election will be held Tuesday, May 2.

Nominated for terms as directors of the organization were G. H. Davis, Leon Neely and Bill Stewart. They were nominated for the positions now held by Thomas B. Thorp, Frank P. Bond and Jo W. Hardgrave. Hold over directors are Herbert Fields, Jerry N. Shurley and Albert C. Ward.

H. V. (Buzzie) Stokes outlined current plans for a golf course. Dr. Tom Hunter of San Angelo, director at large of the American Cancer Society, spoke to the group and showed slides. Visitors present were Dr. Hunter and Joe Luttrell, Freddie Fields and Tryon Fields.

## BAND TO FIESTA

The Sonora High School Bronco Band will leave Saturday for San Antonio where they will participate in the Fiesta Flambeau parade Saturday night.

Miss Patti Jo Shaw, Miss Wool of America for 1961, and the twenty candidates for the 1962 title paid a visit Wednesday to this wool producing area of Texas. Their West Texas escorts accompanied them on the visit which included a tour of the newly discovered Caverns of Sonora, watching sheep being shorn on the R. A. Halbert Ranch, and a chuckwagon supper.

Miss Wool and the 20 aspirants for the title arrived by bus from San Angelo, where the new representative of the wool industry will be crowned Saturday night.

The 21 beauties made a brief stop on the school campus where they were introduced to assembled students.

There followed a visit to the Halbert Ranch, ten miles east of Sonora where the girls watched sheep being shorn. It was the first time for several of the contestants to watch shearing which is now in full swing in this wool-producing area. Prajediz Abila and his crew of shearers demonstrated actual shearing and preparation of fleeces for market.

At the Caverns of Sonora the group made a tour of the 60

million year old cave, considered by cave experts to be the world's most beautiful. In a brief trip into a portion of the cavern not yet open to the public, Gayle Hudgens, New Mexico candidate, took a swim in the crystal-clear pond which gives the cavern's Lake Room its name—wearing a wool bathing suit, of course.

A chuckwagon supper, featuring barbecued lamb and Mexican "pan" are skillet bread, was served at the picnic ground outside the cavern by the Sonora Chamber of Commerce following the cavern tour.

## Top Racing Scheduled For 2 Weekends Here

Racing fans in this area of Texas will enjoy two weekends of top quality racing beginning Saturday, April 29. Quarter Horse Futurities will be featured this year for the third time and six races will be run daily.

The race meet is held each year under the regulations of the Texas Racing Circuit of which the Sonora Park and Horse Show Association, sponsoring organization, is a member. Other member towns include Brady, Junction, Fredericksburg, Boerne and New Braunfels.

Futurity trials will be held

Saturday and Sunday, April 29 and 30, and the Quarter Horse Futurity Finals are slated for Saturday, May 6. The Futurity Purse will be approximately \$10,000.

Fifty-four futurity eligibles are entered in the event representing six states. Entries are registered from Wyoming, Colorado, New Mexico, Arkansas, Oklahoma and Texas. All available stalls have been reserved and many applications had to be rejected.

The Sonora Thoroughbred Derby and the Sutton County Derby are scheduled for Sunday, May 7. At least \$100 will be added in

each race of the four-day event with \$200 to be added in each of the two derbies.

In number of entries and quality of horses entered, this will be the largest and finest race meet in Sonora history.

Much work has been done in preparing and improving the track facilities for the meet. A new tier of boxes has been erected in front of the grandstand and the paddock has been moved to the north side of the grandstand.

Wesley C. Young is head steward and chairman of the track committee. Duke Wilson is association president.

## "TV Spectacular" Scheduled At High School Friday Night

### SHS Scientist And Teacher To Attend Symposium

An outstanding science student of Sonora High School and his science instructor will attend the Texas Nuclear Science Symposium for High Schools to be held at the University of Texas June 11-14. The three-day symposium is being sponsored by the Texas Atomic Energy Research Foundation and the University of Texas, with all expenses being paid by West Texas Utilities Company. Superintendent Rex W. Lowe received notice this week that Sonora High School is one of ten high schools which has been selected by the University of Texas to attend the symposium and be the guests of West Texas Utilities Company. All of the science students and instructors will be housed in Kinsolving Dormitory and the Christian Faith and Life Community on the University campus, and will eat together at Kinsolving Dormitory.

The Texas Nuclear Science Symposium will bring together students and teachers who are vitally interested in the scientific frontiers which have been opened by twentieth century discoveries in nuclear science. The three-day program is planned to supply basic information about nuclear science and the interrelated fields of modern mathematics, radio chemistry and nuclear physics. It will also give teachers and students the opportunity to discuss aspects of nuclear science with well-qualified scientists from several fields.

The Girls' Athletic Association of Sonora High School will present "TV Spectacular", a variety talent show in five parts at the high school auditorium Friday night, April 21. A cast of about 60 persons, all local talent, will take part in the show which begins at 7:30.

The five parts of the "Spectacular" will be "Grand Ole Opry", "Mexico City", "Showdown At Okay Saloon", "Hill-billy Wedding", and "The Old South". They will include instrumental music, songs, dancing and comedy skits.

Admission to the two hour show will be 75 cents for adults, 50 cents for high school and junior high students and 25 cents for grade school children. Proceeds will go to the high school athletic fund. Miss Wanda Shelnett is directing the program.

### News Want Ads Bring Results

News want ads which have been opened by twentieth century discoveries in nuclear science. The three-day program is planned to supply basic information about nuclear science and the interrelated fields of modern mathematics, radio chemistry and nuclear physics. It will also give teachers and students the opportunity to discuss aspects of nuclear science with well-qualified scientists from several fields.

### Student Council Officers Named For Coming Year

Johnny Morris was named president of the Sonora High School Student Council in elections held at the school last week. Johnny will head the council for the school year 1961-62. Others officers elected were Douglas Woods, vice-president; Mary John Espy, secretary, and Margaret Loiry, treasurer.

Other candidates for the offices were Preston Neely and Bob Neely for president; Calvin Berry and Kay Shurley for vice-president; Sarah Sawyer, Elaine Mears and Sondra Nix for secretary; and Jimmy Wilson and Ann McKinney for treasurer.

### C. M. LOCKLIN DESIGNS NEW YORK INTERIORS

Connie Mack Locklin, son of Dave L. Locklin of Sonora who is a specialist in interior architecture is completing work on the Chase Manhattan Bank in New York City. Locklin will soon begin work on a suite of offices for David Rockefeller.

## Ranchmen To Meet Tuesday May 2 With Attorney On Rural Phones

All Sutton County rural phone subscribers are urged to attend a meeting at 7:30 Tuesday night, May 2, at the 4H Club Center. At this time Joe H. Foy of San

Angelo, attorney representing the rural subscribers, will report on his findings since the last meeting of the group.

Foy has indicated that he looks for rural subscribers to continue

to receive telephone service. This meeting is vitally important to all persons in Sutton County and everyone is urged to attend.

## Devil's River Philosopher Says Space Travel, Like Riding A Bicycle, May Lose Its Novelty

Editor's Note: The Devil's River Philosopher on his bitter-weed ranch on Devil's River calms his concern about the Russians' space flight, in his letter this week.

Dear editor:  
I was out here on this bitter-weed ranch the other afternoon looking up at the sky and a neighbor stopped and asked: "What're you doing, looking for a Russian traveling through space?"

I told him nope, just looking for clouds.

Everybody I know has been excited, and a little concerned, about the Russians' getting the first man into space, and it is an achievement, but I have a notion that the Russians, who threw their hats in the air when they heard they were first in space, spent the next few minutes looking for them on the ground, as

hats spring from the products of the earth, not from space.

You will notice that man, when he goes into space, has to carry his own earth-produced oxygen with him, whereas I've already got all the oxygen I need completely free any place I want to go on this ranch.

My point is, outer space may be interesting to look at the first trip or two out, but it could get mighty boring in the long run.

And as for our being behind the Russians in space, it's true, but I'll tell you, I believe we can catch up and I believe we will. In the final analysis, a new scien-

## IN THE YEAR OF

August 31, 1895

Jess Mayfield has rented James Gillespie's place and will move his family to town to send the children to school.

F. M. Wyatt left for Kerrville Thursday to meet his daughter Miss Janie who has been visiting in different portions of the state for several months.

The trustees of the Baker-Martin school in Precinct No. 4 have secured the services of Prof. Edwin Martin of Kerrville for the coming session.

The Sonora Public School opens on Monday, September 2nd at 9 o'clock A.M. Have the children ready to begin on the first day for the benefit of all concerned. C. C. Lemen is secretary of the school board and if you have any children over or under the scholastic age to send to school it will be necessary to see him.

September 7, 1895

### Office Supplies At News Office

tific feat is impossible to get a monopoly on. You can't keep a secret very long. Everybody's got laboratories these days. It's sort of like the secret of the bicycle. One country at one time no doubt had the bicycle first, but once the idea was discovered, bicycles turned up all over.

The United States sooner or later will be sending men through space too, and this generation won't be over before we start having traffic collisions up there too, but I have a notion the novelty will wear off and traveling through space may wind up like a man I know who saved up his money and traveled around the world. He said the trip was interesting, but the best sight he saw was the look of home when he got back. And you've got to remember this man was on the earth's surface, not going around it 150 miles up where you don't meet any new people and your main pastime is wondering if there's a leak in your oxygen hose.

Yours faithfully,  
J. A.

The eclipse of the moon in its various stages, was witnessed by many of Sonora's citizens in various stages Tuesday night.

Nearly all the hogs have been taken from town. It is to be hoped that the few remaining will also be sold or sent away. The little one gains by having hogs in town is lost by depreciated town property and discomfort.

Sonora's public school opened Monday morning with 140 pupils in their places, which was a remarkably good showing for the first day. Prof. Stevenson, Mrs. Rountree and Miss Thornton the teachers were at their posts and everything is working smoothly. The demand for rams this season promises to be better than for three years.

**WANTED**  
a home in 1981

Kids just naturally grow up... and they do it fast. The kids the age of the little girl in our picture will be wanting a home in 1981. We hope she has a home (run by electricity, of course) in 1981 and that her home life is a happy one. We also hope she has something else as well—a strong, free nation—where she has a right to get ahead under her own steam and will always be secure!

Investor-owned companies, like West Texas Utilities Company, are working hard to see that this little girl's "wants" come true in 1981. Each year, WTU spends thousands of dollars and uses thousands of man-hours planning ahead to be sure we can supply the ever increasing demands for electric energy. In a private enterprise nation, this is our job! We are going to do a good job for our little girl.

### AT HOME TODAY

In our little girl's home today, she can enjoy electric living at a very economical cost. For instance—the average family, served by WTU, can cook a complete meal for less than 3¢ with a modern electric range. If you are not using an electric range, you owe it to your "little girl" to investigate this modern method of cooking today.

## To Friends And Patrons Of PARK INN CAFE

We have purchased the Park Inn from Alton and Iva Hightower and have assumed management. We will continue to conduct the Park Inn in the manner which has made it a West Texas tradition. Complete redecoration will be started after the conclusion of the race meets.

Mrs. Alice Adams, formerly of Van Horn, will manage the cafe with our assistance. We extend a cordial invitation to ranchmen to continue to make Park Inn your headquarters in Sonora.

Mr. and Mrs. W. A. Humphreys

Our sincerest appreciation to the many customers who have given us their patronage over past years. It has been a great pleasure to serve you. The friendships made during these years will always be cherished. We hope you will continue to patronize Park Inn under its new management.

We extend best wishes to Mr. and Mrs. Humphreys and Mrs. Adams in their new business.

Alton and Iva Hightower

## Russia Breaking

## Travel Records,

## Says O. C. Fisher

By Congressman O. C. Fisher

WITH BOTH HOUSE AND SENATE inactive the past week, New Frontier legislation is on tap for this week and the tempo is due to be stepped up in the weeks immediately ahead. The Senate has tackled the minimum wage bill, and a conference committee of both House and Senate members will work out a compromise. Then it will be up to each body to accept or disapprove the version reported.

**THE RUSSIANS HAVE MADE** a big, do about their spaceman, who spun around the earth a couple of times at 17,000 miles per hour. It was indeed a great and spectacular achievement, but its significance should be considered in proper perspective. Russia is breaking all travel records. Our Communist went into orbit—and 3 million others got out through West Germany.

The simple fact is that the Soviets started their missile program six or eight years before we did. Practically nothing was done in that field during the

## No One Immune

## To Poison Oak

It is a sad thing to disillusion those who cherish the myth of their "immunity" to poison ivy or oak or sumac, but the season of prevalence of these toxic plants is fast approaching, and forewarned is forearmed.

Botanical scientists say it is doubtful that anyone is absolutely immune to their poisonous substance. More and more authorities agree that susceptibility is a mere matter of degree, varying with the condition of the individual, the condition of the plant, and the circumstances of exposure.

Texas has its fair share of the 100-plus plants and plant products known to be capable of causing sometimes severe skin irritations. Among them are the parsnip, lady-slipper, cultivated primrose (especially when in flower), lily bulbs and stalks, stinging nettle, and vanilla beans.

But by far the most common cause of plant dermatitis in Texas and elsewhere in the United States is poison ivy, known to botanists by the tongue-twisting name of *Rhus toxicodendron*. A cousin—poison sumac, by name—is common to the swampy regions of eastern Texas, and can sometime produce severe reactions.

For all practical purposes, poison ivy and poison oak the same thing. Poison oak is simply any poison ivy that grows as a bush rather than a vine.

Poison ivy is an unusually inconsistent species of plant. Besides growing as a bush and a vine, the size of its berries and outline of its leaves often vary widely. Its leaves are characteristically egg-shaped and pointed, but the edges may be smooth and unbroken or saw-toothed. Moreover, these variations might occur on a single plant, or the leaves on an entire plant may be similar.

But in one matter, poison ivy is almost invariably consistent—its leaves practically always grow in clusters of three.

Most researchers agree that actual physical contact with the plant juice either directly or indirectly is necessary before the poisoning agent can cause the typical blisters and skin inflammation.

Thus ivy poisoning is best prevented by learning to recognize the plant and avoiding it. And, of course, it is always prudent to wear protective clothing such as leggings and gloves when going into areas where poison plants are known to flourish. Once exposed, immediate washing with laundry soap and water helps to remove the resin.

Truman administration. The gap is now practically closed, and we are now ahead of them in some areas of missile development. As President Kennedy pointed

out, the Commies under dictatorship can concentrate their energies, money and resources behind anything, to the neglect of everything else—if they choose. Thus, they will spend billions to achieve a "first" for propaganda use,

while remaining woefully unconcerned about low standards of living, jammed up housing conditions, and shortages of every description. In 1957 the Soviets fired their sputnik into orbit—a first. They

practically broke their necks to be "first". But today, now that the dust has settled, what do we have? The Commies have one sputnik in orbit today—we have 22! We have scientific purposes to achieve, and we proceed in an

orderly pace. But the Soviets, goaded by a basic inferiority complex, feel they have to be "first", at any cost, to prove they are not inferior after all. Anyhow, we have plenty of time to get our astronauts into space, and contribute many times in the future to man's conquest of the unknown. But we must move firmly and speedily, because there can be military as well as scientific meaning to this penetration of space business.

## Second Home And Garden Tour Sponsored By Woman's Club

More than 75 persons attended the Sonora Woman's Club tour of homes and gardens last Thursday afternoon. Divided into two groups, they visited six homes in those of Mrs. Pat Cooper, Mr. and Mrs. J. W. Elliott, Mrs. Alice S. Jones, Mr. and Mrs. Bill Morris, Mrs. C. E. Stites and Mr. and Mrs. Norman W. Rousselot.

At the home of Mrs. Cooper, which she has only recently moved, the house was featured in its entirety. The house is decorated in shades of green and finishing are traditional. Here floral arrangements were displayed in all parts of the house.

The living room of the Elliott home is decorated in champagne

with accents of green and red and furnished in 18th century period. An arrangement of ranunculus, anemones, Dutch iris, and pansies in a crystal epergne was placed on the coffee table.

Bedrooms in Mrs. Jones's home were the featured attractions. The rooms are in shades of blue and furnished in French Provincial and early American styles. Arrangements of spring garden flowers were used in these rooms. The dining table was set for formal dining with a Madeira cloth and silver candelabra. The centerpiece was an arrangement of lilacs, bridal wreath, French lilacs and tulips in a silver bowl.

The Morris's family room is

## FIELD DAY TO BE HELD AT BARNHART MAY 1

Response and production of livestock obtained by various grazing methods and carrying capacities will be the topic of discussion at the Texas Ranchers' Field Day to be held at nine o'clock, May 1 at the Texas Range Station located between Barnhart and Ozona.

The program will feature an all-day field trip and discussion showing the production and responses of livestock and forage on a rotational grazing system and a continuous grazing system.

Production figures will be given on the amount of grain, percent calf crop, percent lamb crop and wool production obtained from various systems and carrying capacities.

Other features on the program will be progress reports on control of bitterweed and prickly pear, range fertilization, root-planting and reseeding trials.

Participating in the Field Day will be Dr. W. T. Hardy, Fred R. Campbell, and Dr. L. B. Merrill, all of Sonora.

All those interested are urged to attend. Lunch will be available.

Mrs. Gwyn Glimp and children Guy and Mary Gail of Uvalde spent last weekend here visiting Mrs. Glimp's parents, Mr. and Mrs. Henry Wyatt.

son's bathroom. The bathroom of the master bedroom was decorated with spring flowers in a milk glass vase and the guest bath had an arrangement of white iris in a brass and marble soale.

Tea was served at the Rousselot home at the close of the tour.

DIAL 22951

SONORA, TEXAS

Junction, Texas  
April 17, 1961

Dear Mr. Goatman:  
On next Wednesday, April 26th, we here at Ranchers Commission Company in Junction, are having our Annual Spring Stocker Goat Sale. This will be the Nations top sale as far as quality stocker goats are concerned.

As you probably know this is the first time in the history of the industry that premiums have been awarded on commercial goats in load lots. We are giving \$75.00, \$50.00, and \$25.00 respectively, on the 1st, 2nd, and 3rd place loads, minimum of 75 head per load. We will also award banners and ribbons to both buyers and sellers of the winning loads, these awards are creating a lot of interest among goat men, you can bet that every goat man that is able will be here, to either buy, sell, look, talk goats, and visit. We hope to start the judging at 8:00 A.M. We were very fortunate in securing Carlton Godbold, Robert Love, and Roy Bratton to serve as our judges.

A partial list of our consigners include the following: Martin Etheridge, Kemper, 925 yr. muttons, (these were featured in a study in the April issue, Sheep and Goat Raiser, "Oats and Goats") Stanton Bundy, sonora 700 yr. muttons, extra big and good, shorn March 1st, Cowser and Molesworth, 1,800 yr. muttons, 200 twos, very good, shorn March 12th, all Kimble County goats, Melvin Camp, 250 yr. 150 twos, these were raised by the LP Ranch near Boerne, the A and M Extension Service has been using this herd as a demonstration flock, very good, shorn February 24th, 300 straight 3's from the Merlin Davis Ranch, Edwards County, extra good, shorn March 15th, big top left on, 150, 1, 2 and 3 year old nannies raised by Mrs. Ona Rolston, shorn in February, top quality, 100 mixed yr. raised by Jack Gardner, Roosevelt, very good, February shorn, 100 yr. nannies, straight Pfluger breeding, these are consigned by Bud Wright, are just like the ones that brought \$19.00 to \$20.00 at the Golden Opportunity doe sale last July, February shorn, 100 extra choice yr. muttons from the Perry Guthrie ranch, Perry bought these to get the nannies, if they are good enough for him, they will suit anybody, 50 yr. muttons from Ervin Brown, good, big 500, 3, 4, 5 yr. old muttons from the J. F. Johnson ranch, good.

I could name a lot more but these ad cost like crazy. I have seen most of these goats and personally guarantee you will like them. All consignments will be sorted and sold so anyone can buy any number they want. Consigners do not have to enter their goats in the show, and can sell any number they wish, from one head up.

Hope you can be with us, Yours for better goats.  
Sincerely,  
Lem Jones

## MRS. ALLISON ENTERTAINS THURSDAY LUNCHEON CLUB

Mrs. Lea Allison was hostess to members and guests of the Thursday Luncheon Club at her home last week.

Prizes were awarded to Mrs. Duard Archer for high score, Mrs. John A. Ward, Jr. for second high, Mrs. W. B. McMillan for bingo and Mrs. Edwin Sawyer for slam.

Others present were Mmes. Vestel Askew, Frank P. Bond, Charles F. Brown, Gay Copeland, Lee Fawcett, W. J. Fields, Jr., Bryan Hunt, Duke Wilson, Norman W. Rousset, James T. Hunt, Sears Sentell and Katherine Linthicum.

Mrs. Maudie Doran of Tallahassee, Florida is visiting here with relatives and friends.

## Mrs. B. R. Epps, Recent Bride, Honored At Tea

Mrs. Clift M. Epps honored her daughter in law, Mrs. Benjamin R. Epps of San Angelo, at a tea Saturday afternoon. Guests were received by the hostess, the honoree, and Mrs. Don Kenner of San Angelo, mother of the honoree.

Mrs. Albert C. Ward and Mrs. Jimmy H. Harris presided at the guest register.

The refreshment table was covered with a white Italian cut-work cloth and centered with an arrangement of white and yellow Spanish iris and yellow columbine in a silver bowl. Mrs. E. E. Sawyer, Mrs. Leo B. Merrill, Mrs. W. H. Dameron, Mrs. Frank P. Bond, Mrs. E. L. Hardgrave, Mrs. Doyle W. Morton, Mrs. Bryan Hunt and Mrs. John A. Ward, Jr., alternated at the punch bowl.

Other members of the house party were Mrs. Charles L. Cusenbary of Dover, Delaware, Mrs. Milton Schlueter and Mrs. James Vickers of Slaton, and Mmes. A. E. Prugel, Vestel Askew, W. R. Cusenbary, and B. H. Cusenbary.

About 60 guests registered during the afternoon.

## HOWELLS HOSTS TO WEDNESDAY NIGHT CLUB

Dr. and Mrs. J. F. Howell were hosts to the Wednesday Night Supper Club at their home last week.

High score prizes were awarded to Mrs. W. T. Hardy and B. H. Cusenbary. Mrs. W. H. Dameron and Joe B. Ross won second high. Mrs. Joe B. Ross won the traveling prize and bingo was won by Mrs. B. H. Cusenbary and Bryan Hunt.

Spring flowers were used in decorating and a turkey dinner was served to Messrs. and Mmes. B. H. Cusenbary, Joe B. Ross, Bryan Hunt, and Frank P. Bond, Dr. and Mrs. W. T. Hardy, Mrs. W. H. Dameron, Johnny Fields, Sarah Lu Hardy, Mary Wilson and Charlie Howell.

## Music Club Hears Judy Hext Play Modern Music

Judy Hext, young Eldorado pianist, was guest artist at the Thursday evening meeting of the Sonora Music Club at the home of Mrs. Katherine Linthicum. Miss Hext played a program of modern music which included selections from the compositions of J. S. Bach, George Gershwin and Thornhill.

Mrs. George A. Barrow and Mrs. Edwin S. Mayer reported on the convention of Texas Federated Music Clubs in Edinburg. Mrs. David Shurley led singing of the hymn of the month with Mrs. R. Q. Harris, Jr. as accompanist.

Mrs. Herman Smith and Mrs. C. A. Tyler were co-hostesses with Mrs. Linthicum for the social hour. Chrysanthemums were used in decorating the refreshment table at which iced punch and a dessert plate were served.

Guests were Miss Hext, her mother, Mrs. Jack Hext, and Miss Sharon Harris.

## MRS. WALLACE HOSTESS TO CLUB 13 THURSDAY

Mrs. Gene Wallace entertained members and guests of Club 13 at her ranch home last Thursday afternoon. Spring flowers were used in decorating and refreshments of a shrimp salad and iced tea and coffee were served.

Prized went to Mrs. Lawrence Finklea for high guest, Mrs. A. E. Lowe for high member, Mrs. Ed Grobe for slam, and Mrs. Louis Wardlaw and Mrs. Cecil Westerman for bingo.

Guests present were Mmes. James Hunt, Lin Hicks, Norman W. Rousset, George D. Wallace, Lawrence Finklea, Louis Wardlaw and Bill Morriss.

Members attending were Mmes. Rex W. Lowe, Carl J. Cahill, Ed Grobe, Glen Richardson, Harold Scherz, R. W. Wallace, Leroy Whitworth, A. E. Lowe and Cecil Westerman.

# DEVIL'S RIVER NEWS

**YOUR  
MINISTER  
SAYS**

By Rev. Allan Guthrie their trespasses against them, "God was in Christ, reconciling and entrusting to us the work of the world to himself, not counting reconciliation." (II Corinthians

5:19). The heart of the gospel is to be found in this great verse of Paul, "God was in Christ. . . This is the greatest news which any man has ever heard. The Creator of the universe, the Source from which we come, has made Himself known. The mystery of our existence is enlightened. When we see God in Jesus Christ, we know that the last fact about our world is not chance, not power, but purpose and love. We know also that the last fact about our lives is not tragic failure, but a redemptive mercy which reconciles and makes us whole again. We have two ultimate choices in this matter of faith. We either believe the universe and human existence are the product of chance or of purpose. The good news of Christian faith is the conviction that the purpose which undergirds the universe was made known when God embodied Himself in Jesus Christ.

## Improved Protection for Farm Engines HUBLELUBE HD

New improved HumbleLube HD gives farm engines the extra protection they need.

**HOT WEATHER PROTECTION**— When engines labor under heavy loads at high temperatures, HumbleLube HD stays tough and full-bodied—strengthened by a special anti-wear additive.

**COLD WEATHER PROTECTION**— in freezing cold, HumbleLube HD flows freely to give quick starts and instant lubrication.

**ANTI-SLUDGE PROTECTION**— detergents in HumbleLube HD prevent sludge buildup and ring zone deposits.

Call me for HUBLELUBE HD, or HUBLELUBE HDX, and for other top quality products for your farm or ranch—

**CHAMBER OF COMMERCE COMMENTS**

**HOSES:** Right now a lot of Sutton County people would like to see what kind of mudders these fine race horses are. Running in the rain wouldn't be bad these times. A lot of work is going on at the Sonora Park. The paddocks have been moved to the north side of the grand stand and under the direction of Bustie Halbert this change is being made something to brag about. The races are April 29-30 and May 6-7, 1961.

**GOLF:** The Sonora Golf Assn. has been formed with some 40 members to date. The plan is to organize, put some money in the bank, work out plans for the land and a course and much sooner having play on the course than otherwise. There is no more wholesome, healthful and dignified game than golf, for all age groups.

**REMEMBER, A CHECK UP AND A CHECK.** This is Cancer Crusade month, remember, now is the time for the check and the check up should be soon. The chance to lick Cancer is as good as it was to lick polio. Don't give up, give.

**HOMES:** Mr. and Mrs. Dick Black have bought Dutch Kiser home and are making some ad-

justments before moving. Mr. and Mrs. Clyde Hill have bought the Dr. Joe B. Logan home and have occupied it. Other home deals are pending.

**CAVE NEWS:** The attendance at the Caverns of Sonora on weekends continue good. Last Sunday visitors from nine states, other than Texas, registered. The big job at the Caverns this past week has been painting. A paint has been found that will dry in high humidity, so all pipe and lumber installations are being painted. Planning for a tunnel or elevator is still going on.

**BEAUTIFY:** The surroundings at the State Highway Department headquarters is being landscaped and will make quite some attraction when complete. The building program is finished, the clean up is going on and then the landscaping will be carried on.

**SHEARING:** Sheep shearing is going on full blast over this section and we hope most ranchmen save a bag or a few fleeces for the Wool Show. We do raise good wool and know how to put it up. It pays to advertise so bring in a bag or a few fleeces to the largest wool show in the United States. June 13, 14, 15, 1961.

**LITTLE LEAGUE:** The fences

**24 Students  
On Honor Roll  
At High School**

Twenty-four students at Sonora High School have been named to the honor roll for the fourth six-week period.

Those making all A's were Freshmen Tommy Raye, Larry Bob Moore and Debra Cooper; Sophomores Jessie Lem Johnson, Frances Crawford and Luis Perez; Seniors Jo Addah Johnson, Mary Wilson, Nanette Stokes, Jo Bess VanderStucken, Nancy Reed and Gerry Mayfield.

Listed as making all A's and B were Freshmen John Paul Friess, Diana Cahill, Joyce Hearn and Dick McMillan; Sophomores Francine Fields, Candace Cauthorn, Ray D. Lancaster, Nancy Prugel and Ann McKinney; Juniors Mike Ellis and Shirley Crawford, and Senior Jimmy Cahill.

**April 30 Deadline  
To Apply For  
Wool Incentive**

Deadline for filing and signing 1960 shorn wool and unshorn lamb applications for incentive payments is April 30, 1961, according to Mrs. Marie K. Ellis, Sutton County ASC office manager. Mrs. Ellis says all sales documents received in the office for shorn wool and unshorn lambs sold in the marketing year from April 1, 1960 to March 31, 1961 are now ready for producers' signatures.

Those producers who have not turned in their sales documents are reminded that these must be in the original. In case of loss, the copy obtained from the buyer must be certified by the buyer as true and correct.

Information necessary for application includes purchases of lambs; date of purchase, number of head and weight of any unshorn lambs previously purchased; purchases of any wool removed in the first shearing of lambs

at the Little League Park is being painted and readied for the opening. Al Baker of Wimberley is doing the work. Baker is from Hollywood where he spent his life in the movie and television world. He is an artist in designing fake fronts for westerns.

**MARGARET ALICE TURNER  
HEAD CISCO CHEERLEADER**

Margaret Alice Turner, daughter of Mr. and Mrs. Joe Turner, formerly of Sonora, has been named head cheerleader at Cisco High School. She and other cheerleaders will attend a cheerleader school at Southern Methodist University in August.

Margaret Alice is the granddaughter of Mrs. R. V. Cook of Sonora.

Kay Kiser will attend the seventh annual West Texas Utilities Women's Institute in Abilene Friday.

Bob Seiker of Kerrville was a Sunday guest of Mr. and Mrs. Stanley B. Mayfield, Gerry and Seco.

The Rev. Allan Guthrie has returned home after a ten day stay in Austin where he did some advanced work at the Austin Presbyterian Theological Seminary.

Pvt. Ralph D. Copeland is visiting here with his parents, Mr. and Mrs. Gay Copeland.

Mr. and Mrs. Jack Mann of Austin were Sonora visitors last week.

Mrs. Ed C. Mayfield has returned from a trip to Houston.

purchase unshorn by applicant on or after April 1, 1965; cost of transportation of wool if carried by common carrier; handling charges, grading or scouring charges and commission on wool; counties in which sheep and lambs were pastured.

Payment rates will be announced the latter part of June and incentive payments made after July 1, 1961.

**Fisher Favors  
Leaving UN If  
Red China Admitted**

By Congressman O. C. Fisher IF RED CHINA is admitted to the United Nations next Fall, what will the United States do about it? That question is being raised, and properly so. A few years ago only the Communist bloc voted to admit the Chinese Reds. But last year the vote was only 42 to 34, with 22 abstentions, opposing admission. It's now hinted that even Britain and Brazil may join Norway, Denmark, Ireland the other non-Communist lands in favoring the seating of Peiking. A two-thirds vote is required to let them in and turn the Free Chinese of Formosa out.

The UN charter says an applicant must be "peace-loving". If the Red Chinese can qualify, in view of their recent record, then it is evident that the United Nations is a farce. Red aggression in Korea, their genocide in Tibet, their never-ending threat of force against Formosa; their incursions in India, and their subversions in places like Laos, should be convincing.

If a known tyrant and warmonger like Red China is admitted to the UN, that is at least supposed to be composed of people seeking peaceful solutions, then in my opinion the United States should get out of it.

The Rev. Alanson Brown attended a clerical conference in San Antonio last week. He was accompanied home by Mike Ellis who attended an acolyte's convention.

Why is the Ford Galaxie  
head and shoulders  
above all the imitators?

'61 Ford Galaxie is available with the Ford 292 V-8 that won the low-price V-8 class in the Mobilgas Economy Run with 21.3 mpg!

Because it's beautifully built to take care of itself!

We're tickled to see so many other cars latching on to the styling trend started by Galaxie. But they can't copy that Thunderbird roofline—any more than they can match Galaxie's Thunderbird steering and handling.

What's more, Galaxie is the fine car built to cut your operating costs. For example, you can go 30,000 miles without a lubrication. And when you compare price, you find that Galaxie costs several hundred dollars less than some cars that give you less. Challenging statement? We're here to prove it—today.
