THIRTY-FIFTH WEEK

W. L. (Tom) Davis, right, receives the grand champion trophy of the Brownwood Wool Show from Bill Noll of Boerne. Davis won with a Rambouillet fleece. He also showed the champion Rambouillet fleece and was runnerup for premier exhibitor. Photo courtesy Brownwood Bulletin.

W. L. (Tom) Davis, Chris Berger "Steal" Brownwood Wool Show May 17 And 18

W. L. (Tom) Davis and Chris Berger took seven of the nine top awards in the wool show held in conjunction with the Purebred Sheep Breeders Association of Texas show and sale in Brownwood last week. Davis showed the grand champion fleece, a 15-pound fleece from an aged Rambouillet ram. Chris showed the reserve champion fleece, an 11 3/4 pound fleece from a yearling Delaine ewe. He was also named Premier Exhibitor of the show, with Davis named runner-up. Davis showed the first and third place aged ram fleeces, the second and third place yearling ram, first and second aged ewe, first yearling ewe and Champion and Reserve Champion fleeces in the Rambouillet division.

Chris, exhibiting in the Delaine division, showed the first and third place aged ram, second yearling ram, first and second aged ewe, first and second yearling ram, first and second aged ewe, first and second yearling ewe and Champion fleeces. In the commercial or range division he exhibited the first and second place aged ram, first and second aged ewe, first yearling ewe, and Champion and Reserve Champion fleeces. He also showed the first place group of five fleeces by one exhibitor.

Ray Glasscock, showing in the commercial division, showed the second and third yearling ewe fleeces.

Chris Berger, right, shows his parents, Mr. and Mrs. W. F. Berger, his share of trophies and plaques won last week at the Brownwood Wool Show. The 4-H Clubber showed the champion commercial and Delaine fleeces, best group of five fleeces, reserve champion fleece of the show and was named premier exhibitor. J. M. Weymouth, Former Sonoran, Buried Wednesday

Funeral services for J. M. (Jim) Weymouth, 44, were held Wednesday morning at St. Andrew's Episcopal Church in Amarillo. Weymouth died Tuesday morning, May 23, in an Amarillo hospital after an illness of several months.

He and his family had lived in Sonora for about two years before leaving here in 1958 for Ardmore, Oklahoma.

Survivors include his wife, one son, Sandy, and one daughter, Susie, all of Amarillo.

Burial was in Llano Cemetery.

REV. LOIRY ATTENDING SOUTHERN BAPTIST MEET

The Rev. Alvin Loiry, pastor of the First Baptist Church, left this week for St. Louis, Missouri, where he will attend the annual Southern Baptist Convention. During Mr. Loiry's absence the pulpit will be filled by Dr. Nat Tracy of Howard Payne College and Dr. Clyde Hurst of Hardin-Simmons University.

Mrs. Loiry and their daughters, Margaret and Jane, will accompany Mr. Loiry and they will visit relatives in Ohio and North Carolina before returning home.

PVT. LARRY WEATHERFORD TRAINING IN KANSAS

Army Pvt. Larry A. Weatherford, son of Mrs. Martha E. Stanley of Sonora, is receiving eight weeks of advanced individual training with the First Division at Fort Riley, Kansas. The training is scheduled to end June 24.

Weatherford is being trained in the duties and responsibilities of an armor intelligence specialist. He entered the Army last February and received basic training at Fort Hood, Texas.

Vicki Archer To Receive BA Degree

Vicki Archer, daughter of Mr. and Mrs. Lester Archer of Sonora, will receive the degree of Bachelor of Arts in English from Texas Women's University Sunday, morning and commencement at 10:30 in the TWU auditorium.

John A. Guinn, TWU president, will be principal speaker.

Mrs. R. V. Cook left Wednesday for Cisco where she will spend two weeks visiting with her daughter and family, Mr. and Mrs. Joe Turner, Margaret Alice, Vicki Jo and Laddie.

Rains From Trace To Over 2 Inches Fall On Sutton Friday And Tuesday

Funeral Services Held Wednesday For Mrs. Annie Sharp, Longtime Resident

Funeral services for Mrs. Annie Sharp, 78, were held Wednesday afternoon, May 24, at the First Methodist Church with the Rev. Doyle W. Morton, pastor, officiating. Mrs. Sharp, a long time resident of Sonora, died at her home here Monday, May 22. She had been in ill health since suffering a heart attack February 22.

Born Annie Stokes at Red Rock, Bastrop County, June 9, 1882, she came to Sonora with her parents, the late Mr. and Mrs. S. H. Stokes, in 1889. She was married to Harry Q. Sharp May 14, 1902. He died July 31, 1960.

Mrs. Sharp was a member of the Methodist Church and held a Life Membership in the Women's Society of Christian Service.

She is survived by four sons, Walter Sharp of Houston, H. C. (Jack) Sharp of Monahans, Lt. Col. Savell Lea Sharp of Randolph Air Force Base, and Jackie Sharp of Sonora; one daughter, Mrs. George Caldwell, Jr. of Lockhart; two brothers, H. V. (Buzzie) Stokes and M. M. Stokes, both of Sonora; four sisters, Mrs. W. A. Ezall of Barnhart, Mrs. Allen Cash of San Angelo, and Mrs. Laura Trainer and Mrs. W. E. McClelland, both of Sonora, and two grandchildren, George Caldwell III of Lockhart and Kathy Sharp of Sonora.

Spotted showers to good rains fell in the Sonora area on Friday, May 20, and again on Tuesday, May 23. Most of the showers were local in nature and rainfall varied from a bare trace to over 2.00 inches.

A small area northeast of Sonora has had 6 to 8 inches of rainfall since April 28, but many ranchmen have had less than one inch. Tuesday's rainfall was torrential in nature, and was accompanied by light hail in some areas.

Where rainfall has been adequate native grasses are making rapid growth. Moisture was badly needed to stimulate growth of mesquite brush, where aerial spraying is contemplated within the next few days. Deep winter moisture has produced a good cover of leaves, and spraying conditions are considered to be average.

Rainfall reports collected by E. B. Keng, Soil Conservation Service include the following amounts for the May 20 rain:

Edwin Sawyer 1.70; L. P. Bloodworth 1.50; Harold Schwiening 2.30; Clara Allison 1.00; Lin Micks 1.50; Annette Stites 1.10; Tom Davis 1.30; Bob Hardgrave .70; Edgar Glasscock 1.80; Edgar Shurley (Hdq.) 1.29; Byrd Ranch 2.00; Travis Glasscock 1.70; Moore and Neill (Thorpe) 1.10; Sonora .98; Cleve Jones 1.00; Bryan Hunt (Hdq.) .80; Joe Logan 1.00; Herbert Fields 1.15.

Tuesday's rains included Sonora .61; Page Bros. 1.50; James and Nancy Hunt 1.50; Herbert Fields .64; V. J. Glasscock .50; W. R. Cusenbary 2.00; Cleve Jones .80; J. W. Sykes 1.00; Alfred Schwiening 1.50; Frank Bond 1.25; Joe Logan 2.25; Edgar Glasscock .50; Travis Glasscock .90; Experiment Station 1.23; Bryan Hunt (Hdq.) .80; Hattie Epps 2.30; and Harold Friess .60.

FRANK JOE POTMESIL RECEIVES SERMON AWARD

Frank Joe Potmesil, son of Frank Potmesil of Sonora, received Howard Payne College's high achievement award in sermon last week in Brownwood. The awards were presented last week to students who had recorded high achievements in academic divisions during the year.

Stores To Close All Day Tuesday For Memorial Day

Business houses in Sonora will be closed all day Tuesday, May 30, in observance of Memorial Day. The bank will remain open.

The Memorial Day holiday is one of six holidays observed each year by Sonora merchants. The others are Labor Day, Thanksgiving, Christmas Day, New Year's Day and July Fourth.

Lions Roar

A film supplied by Congressman O. C. Fisher was shown to members of the Sonora Lions Club at their regular Tuesday luncheon meeting at the First Methodist Church this week. The film showed the Communist-instigated student riots against the Un-American Activities Committee in California.

Guests present were Lion Henry Guthrie of San Angelo and Clarence Self, Robert Brown and Frankie SoRelle.

Jim Martin Joins Martin Plumbing

John A. Martin, Jr. has announced that his son, Jim Martin is now associated with him in his plumbing business. Jim Martin, his wife and daughter have moved here from Hale Center where they formerly made their home.

J & S Motors Receives Award

J & S Motors, Sonora automobile dealership, was this week presented an Award of Merit for their contribution to traffic safety through the lending of an automobile for driver training purposes to Sonora High School.

The Award was given by the Texas Automobile Dealers Association, statewide association of factory authorized new car and truck dealers. Members of TADA have for the past 12 years loaned motor vehicles to high schools and 4H Clubs for "behind the wheel" driver education. Dealers loan vehicles without charge as a public service in the interest of training our youth to become better drivers.

41 Graduates Get Diplomas At Exercises Monday Night

Commencement exercises for the 41 members of the Senior Class of Sonora High School were held on the campus lawn at eight o'clock Monday evening, May 22. Herman E. Moore, Jr., class president, presided over the exercises.

Mrs. W. T. Hardy played the processional and recessional marches. A girls' quartette composed of Gerry Mayfield, Nanette Stokes, Patsy Garrett and Mary Adele Wilson sang "Just For Old Time's Sake".

Jimmy Cahill gave the salutatory and Jo Bess VanderStucken delivered the valedictory address. E. B. Keng, president of the Sonora Lions Club, presented National Honor Society Awards.

Workers in each of the 53 counties served by Boys' Ranch of West Texas will conduct a drive to raise a special quota of funds to meet current and coming special financial needs of the Ranch.

There are now 55 boys at the Ranch, including 37 under 12 years of age. Food, clothing, shelter and personal supervision alone cost about \$3.18 per boy per day.

Two Sonorans To Receive Degrees From Texas Tech

Two Sonora students will be among the 111 seniors to receive the degree of Bachelor of Science in agriculture from Texas Technological College, Lubbock. Commencement exercises will be held May 29 at which time more than 900 will be graduated as the college's Class of 1961.

Receiving the B.S. degree will be Harold Turney Friess, agronomy major, and Carlos Witt Loeffler, animal husbandry major.

The Ranch is under financial pressure to give these youngsters an adequate home and education, but has managed to increase its occupancy and quality of its services through donations by generous West Texans. But the Ranch is also under pressure to extend its services to an even larger number of boys.

Construction of Three Rivers Dam, whose lake will lie very close to the Ranch's southern boundary, now necessitates construction of new dormitories for the boys. Plans are being made to build two permanent-type dormitories housing 32 boys each. The Ranch has granted the government an easement covering the site of the present dormitory, an area where overnight occupancy will be prohibited when the new lake is completed.

Construction of the new quarters will necessitate raising funds beyond those expected from such sources as regular contributions, memorial contributions and donations of livestock for the Annual Roundup Sale scheduled this year through the month of August.

Contributions may be made to J. M. VanderStucken, first vice-president of the Ranch.

High School Principal Doyle Morgan certified the class which was presented by Superintendent of Schools Rex W. Lowe. Armer F. Earwood, president of the school board, awarded diplomas. Johnny Morris gave the invocation and Douglas Wood the benediction.

Class officers are Herman E. Moore, Jr., president; Jimmy Cahill, vice-president; Nanette Stokes, secretary, and Barbara Gatlin, treasurer.

Receiving diplomas were: Nancy Anthony, Jack Baker, Odilia Baltazar, Oscar Bermea, Gloria Bolt, Jimmy Cahill, Sam Caldwell, Rojelio Carranza, Ram Castillo, Everado Castro, Johnny Fields, Steve Fish, Joe Garcia, Patsy Garrett, Barbara Gatlin, Melvin Allen Glasscock, Roxie Mae Glasscock, Gloria Gonzales, Mary Gonzales, Sarah Lu Hardy, Dorothy Harris, Lonnie Healderson, Janie Fay Hill, Charlie Howell, Annette Johnson, Jo Addah Johnson, Israel Leija, Gene McCarver, Jo Ann McReynolds, Gerry Mayfield, Mack Mayhew, Herman Moore, Nancy Reed, Curt Schwiening, Charlie Smith, Bobby Sosa, Linda Spraggins, Nanette Stokes, Jo Bess VanderStucken, Gene West and Mary Wilson.

CONTEST FOR HOME ECONOMISTS—Incoming president of the Texas Home Economics Association, Dr. Willa Vaughn Tinsley, second from left, Dean, School of Home Economics, Texas Technological College, Lubbock, and Miss Louise Mason of Texas A & M College, right, retiring THEA president, learn details of the Texas Beef Council's fifth annual recipe contest from Elizabeth Reed, second from right, and Billie Roberts, left, members of the Texas Beef Council's editorial staff. The contest was launched at the THEA annual meeting in Houston last week.

Devil's River Philosopher Says Long-Range Rockets Are Easier To Solve Than Long-Range Farm Plan

Editor's Note: The Devil's River Philosopher on his bitter-weed ranch on Devil's River discusses steer hides and space, among other things, in his letter this week.

Dear editor:
I was using the margin of a newspaper to do some figuring on last night, what I was figuring was how many cow hides it takes to buy a pair of shoes, on account of I had a prime Jersey steer butchered the other day and discovered the hide which weighed 32 pounds brought \$2.56, which is 8 cents a pound, and based on a pair of \$20 shoes, that's eight hides to pay for one pair, and while I have never made a pair of shoes, I don't believe it'd take that much leather, even for a size 12. In fact, I glanced down at my feet, or rather out, as I had them propped up at the time, and I calculated a careful worker ought to get three or four pairs out of one steer hide, and by that time my figures had run off the margin and into a news article and to get my mind off the lack of parity in steer hides and shoes I read it.

According to the Secretary of Agriculture Freeman told Congress a "successful long-range farm program is more important to this nation than putting a

man in space." Now I agree with him 100 per cent, but what Mr. Freeman is ignoring is that putting a man in space, as hard as it is, is a lot easier than solving the farm problem.

A successful long-range rocket missile, as complicated as it is, is child's play compared with a successful long-range farm program.

With missiles and other space exploits, you're prepared for a number of failures before you get on target, but attacking the farm problem is the only endeavor man has ever undertaken without any hope of permanent success at all.

Some people keep wondering what space exploration is all about, what we're going to find out there that's worth anything, but they miss the point entirely.

The purpose of exploring space is to get our minds off the problems of earth. Space can be whipped, but the earth can't.

Personally, I'm not interested in learning how to guide a rocket around the earth with me in it, but I believe it'd be easier than figuring out a successful long-range farm program. I'm glad I don't have either job. Which job you want?

Yours faithfully,
J. A.

Federal Aid To Education Rapped By Fisher

By Congressman O. C. Fisher

A FEDERAL AID TO EDUCATION BILL appears likely to be approved at this session of the Congress. President Kennedy in a special message to Congress asked for a \$5.6 billion program in the next five years. The Senate is now debating the issue. A House committee has approved a bill, and it will soon be debated.

This raises two major issues: First, is this federal intervention necessary, and, secondly, will it likely lead to federal control?

It is claimed by proponents that 600,000 classrooms are needed in the next 10 years. Opponents answer by pointing out that 69,000 classrooms have been built in the next 10 years—without federal aid.

It is contended that school expenditures must double in the next 10 years. Can this be done without federal aid? The fact is that state and local outlays for support of schools have increased 2½ times since 1950.

It is maintained that teachers' salaries must increase. But without federal assistance such salaries have increased 72% since 1950.

It is also claimed that the pupil-teacher ratio must be reduced. The fact is that the pupil-teacher ratio has dropped from 27-1 to 22-1 since 1938.

Thus, it appears very clearly that without Uncle Sam's help the states and local communities have been doing very well in financing their schools, and can be expected to continue to do so.

If the Federal government begins a program of subsidizing teachers' salaries and classroom construction, naturally less effort will be made to meet the problem locally. And, just as sure as night follows the day, once begun, a federal aid program will lead eventually to federal control. It will come in the form of riders attached to appropriation bills in the future.

Dr. and Mrs. Thomas Brewster of San Angelo and Mrs. Joe Roberson of Louisville, Kentucky, were overnight guests of Mrs. Harva Cooper and Betty Jack, Tuesday night of last week.

John Allen Ward III of Philadelphia, Pennsylvania, spent last weekend here with his parents, Mr. and Mrs. John A. Ward, Jr.

HOW TO INVEST TEN MILLION DOLLARS
These recent photographs show construction progress on the new generating station at Oak Creek Lake, and some of the massive equipment to be used in it. Huge size of the equipment can be seen by comparison with the flat cars which transported it.

Symbol of the Future

Any way you look at it, an investment of \$10 million in future growth is evidence that we are convinced this growth is coming.

The new generating station at Oak Creek Lake—costing in excess of that figure—is showing rapid construction progress.

But it is only one phase of WTU's long range expansion plans. Still another such station is on the drawing boards, as well as major additions to our transmission and distribution system.

This is the way we are preparing for coming growth in our service area—from the Red River to the Rio Grande. It is a SYMBOL OF THE FUTURE in the Center of the Southwest.

YOUR MINISTER SAYS

By Dole W. Morton

The Apostle Paul wrote to his young friend, Timothy, saying "Do not neglect the gift you have." I Timothy 4:14. This is good advice for young and old alike. As students face vacations they might be reminded of these words. Certainly those who are graduating will want to keep "the gifts they have". We, as adults, would do well to remember that we have wasted some of our opportunities and try to make the most of those opportunities and try to make the most of those opportunities at hand.

Our world is one that demands the best use of our talents. It is

not enough to drift through the world of today. God has given us abilities, but we must not neglect these "gifts" lest we lose them. Just as the athlete must train to keep his body fit, so we must "train" ourselves in other fields of activity. We should seek to be alert to God's great truths about us. We should dedicate each talent to God. We should find our lives into God's way. Let us hear and apply to our own lives the words of the Apostle Paul, "Do not neglect the gift you have."

It sets up a schedule of "service charges" that are not to be considered interest.

Whatever the outcome, hopes for passing a loan bill that will satisfy interested groups are nil. If charges are low, the bill will be criticized for "putting loan companies out of business so poor people can't borrow money." If rates are high, it "legalizes the sharks."

DRIVER LAW TIGHTENED—House passed on second reading a bill that would put more pressure on drivers who do not carry liability insurance or have the means to pay for an accident.

Reps. Ben Lewis of Dallas and Robert Fairchild of Center, sponsors, pointed out that only about 60 per cent of Texas drivers carry insurance.

Among provisions of the proposed bill is one that would cause a driver to lose his license if convicted of two moving traffic violations within a year and he did not carry insurance.

HIGH LIGHTS AND SIDELIGHTS FROM THE STATE CAPITOL

By Vern Sanford
Texas Press Association

Legislature goes into the final stretch of the regular session with the possibility of a photo finish.

Individual lawmakers alternated between hope and despair about the prospect of getting all-around agreement on a tax plan by May 29. Many expressed fear of home district criticism if matters are allowed to drag through the summer, as happened in 1959.

In the final, chips-down stage, it looked like a Governor vs. Legislature battle. A majority of both houses has gone on record for tax plans which have a fairly general 2 per cent sales tax as the major revenue source. Gov. Price Daniel says, in effect, that he doesn't want to be hard to live with but he isn't about to back down now on his 25-year anti-sales tax stand.

Senators re-worked the two major tax bills sent them by the House—the 2 per cent sales tax and the all-purpose "loop-hole bill"—into a combination package. In the package was a 2 per cent sales tax on items of 25 cents and more with exemptions on food, drugs, etc., an

increase in the natural gas production tax from 7 per cent to 8 per cent, and a hike in the corporate franchise tax. They also jacked up the driver's license fee from \$2 to \$3.

Senate sponsors estimate that it would raise \$327,000,000 in the next two years.

Sen. A. M. Aikin, Jr. of Paris made an effort to get the senate to substitute a bill favored by the governor that would limit new general sales taxes to items costing \$10 or more. It would have levied selective taxes on motor tools and appliances, building materials, stock sales, restaurant meals, etc.

Senate turned down the governor's substitute, 17 to 14, then gave final passage to its own bill, 19 to 12.

LOAN BILL DELAYED—Tax matters delayed Senate progress on legislation to regulate the small loan industry.

A re-worked version of the loan bill passed by the House was prepared by a special subcommittee of the Senate State Affairs Committee. In general, the Senate subcommittee's bill appears to allow for higher charges on smaller loans and lower charges on larger loans.

TEXAS WILL HAVE A NEW U.S. SENATOR because:

TEXANS WANT . . . A VOICE AND A VOTE IN WASHINGTON. John Tower has demonstrated that he will stand up and speak up for the Texas viewpoint. He is absolutely free of political obligation to anyone. He has no influence whatsoever with "Lyndon and Mister Sam" . . . they have none with him either!!!

TEXANS DO NOT WANT . . . A "RUBBER STAMP" FOR THE NEW FRONTIER. In 1957, Blakley voted with Lyndon Johnson 100% of the time and with Jack Kennedy 89% of the time. Last fall he endorsed the Kennedy-Johnson ticket and the socialistic platform of the New Frontier. He is clearly a captive of the administration without a voice or a vote of his own.

John TOWER FIRST CHOICE OF TEXAS VOTERS!!

**Heavy Candle Bug Infestation Here
Results in Research By Extension Service**

By D. C. Langford

Many people in this area have reported heavy infestations of moths during recent weeks that have done considerable damage to drapes, walls and other interior furnishings of homes and other buildings. It is believed that these are the same moths that were sent to Washington last year from this area for positive identification and the scientific name is *Chorizagnotis inconcinna*.

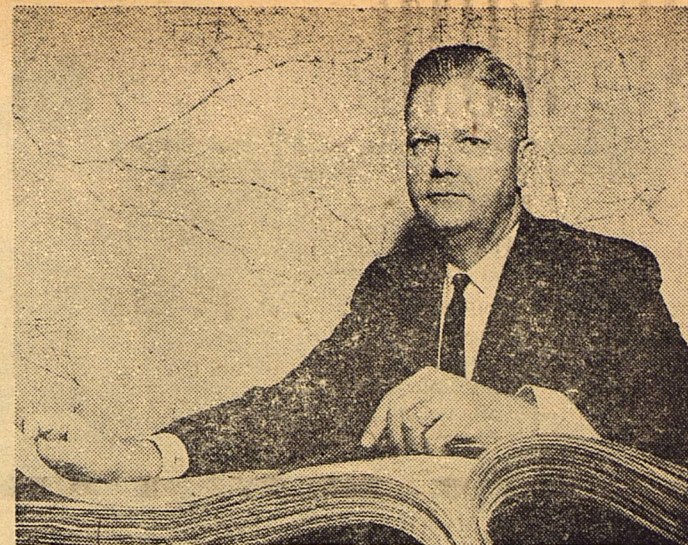

The control of moths is very difficult. Home owners should make sure that all window screens, facings, etc are tight so

that moths cannot get in the house. All vents and other openings that might permit moths to enter buildings should be checked to see that they are moth-proof.

Spraying residual type sprays such as matahion and DDT have not proven effective in the control of moths when infestations are heavy. When moths get into the home it is suggested that the homeowner buy an insecticide in one of the pressurized containers containing pyrethrins. This insecticide has a short residual and must contact the moth in order to kill it but you get a quick knockdown of moths

Monday evening guests of Mr. and Mrs. J. M. Vander Stucken, Jan and Jo Bess were Mrs. VanderStucken's mother, Mrs. Ed Mears, her brother, Ed L. Mears, Miss Annie Lou Mears, Herbert Mears, Sr. and Herbert H. Mears, Jr., all of Menard; her sister, Mrs. Roy Spiller of Junction, and her niece, Mrs. Bill Tatum of Gatesville. They attended Jo Bess's graduation from high school.

Wesdon H. Newton, assistant Extension Entomologist, was in Sonora last week to check on the Candle Bug problem and to try to find out something about the feeding and breeding habits of the moth. It is hoped that more effective means of control of the moth can be developed as a result of these studies.

PETRY REAPPOINTED—Herbert C. Petry, Jr. of Carrizo Springs, first man ever to receive two consecutive six-year appointments to the Texas Highway Commission, studies future plans for Texas highways after his reappointment by the Governor was confirmed by the Texas Senate. During the six years Petry has served on the Commission (since 1955) the Texas Highway System has undergone the greatest period of growth and development in its history.

MRS. HARRIS TO PRESENT STUDENTS IN RECITAL

Piano and organ pupils of Mrs. R. Q. Harris, Jr., will be presented in recital at eight o'clock Saturday evening, May 27, at the First Methodist Church in Eldorado.

Students who will appear are Mary John Espy, Mrs. Ruth Leiper, Steve Rhodes, Margot Martinez, Aida Mancias, and Stan, Margaret, Dick and Lucy Bundy, all of Sonora; Tabitha Martinez, Connie Sue Speck, Maggie Lew Stockton, Gordon Schrank, Kathy Kinser, Ruth Parker and Mike Hale, all of Eldorado.

Punch Party Honors Seniors Sunday Evening

Members of the graduating class of Sonora High School were honored with a punch party at the home of Dr. and Mrs. J. F. Howell following the baccalaureate sermon Sunday evening. Co-hostesses with the Howells were Dr. and Mrs. W. T. Hardy and Mr. and Mrs. Herbert Fields.

The lawn was decorated with colored patio lights and arrangements of cut flowers. The serving table was covered with a lace cloth and centered with a miniature graduate couple in caps and gowns banked with roses. Mrs. W. H. Dameron, class sponsor, served punch from a crystal bowl.

Special guests were the high school faculty, teachers of Central Elementary school, and senior and junior room representatives, their husbands and wives. Approximately 100 attended.

MRS. BERGER ENTERTAINS THURSDAY BRIDGE CLUB

Mrs. Joe Berger entertained members and guests of the Thursday Bridge Club at her home last week.

Mrs. Laura Trainer held high score for club members and Mrs. O. L. Richardson, Sr. for guests. Mrs. C. E. Stites won at bingo and Mrs. R. V. Cook wwon consolation.

Refreshments of a sandwich and dessert plate and iced tea were served those named and Mmes. O. G. Babcock, Lee Labenske, R. B. Kelley, Robert Rees, Rose Thorp, A. W. Awalt, Karen Peterson and Collier Shurley.

All-School Dance Honors Graduates Monday Evening

The 1961 graduates of Sonora High School were honored at an all school dance held at the J. M. VanderStucken home following commencement exercises Monday evening, May 22. Hosts were parents of members of the senior class.

Music for dancing was provided by Johnny Dutton and his Western Stringillies.

Punch and cookies were served from a table laid with a green cloth and centered with a basket of mixed cut flowers.

Approximately 250 attended. Following the dance, Mr. and Mrs. Duke Wilson and Mr. and Mrs. L. E. Johnson, Jr. were hosts to a breakfast for seniors at the Big Tree Restaurant.

MRS. LANGFORD HOSTESS TO TWICE TUESDAY CLUB

Mrs. D. C. Langford was hostess to members and guests of the Twice Tuesday Bridge Club at the Gulf Restaurant this week. Caladiums were used in decorating and a dessert plate was served.

Mrs. John R. Tedford, Jr. held high score for guests and Mrs. Jerry N. Shurley for club members. Mrs. George Brockman won the traveling prize and bingo prizes went to Mrs. Ed Grobe for guests and Mrs. Tommy Smith for members.

Guests present were Mmes. Tedford, Brockman, Grobe, Frank P. Bond, A. E. Lowe, Gene Wallace, Jerry Hopkins, Harold Scherz, Bill Morriss, Gene Shurley and James Hunt.

Club members attending were Mmes. Jerry Shurley, Tommy Smith, Clayton Hamilton, George Wallace, Nolan W. Johnson, W. A. McCoy, David Shurley, Norman W. Rousselot and Louis Wardlaw.

LOCAL NEWS BRIEFS

Mr. and Mrs. Cashes W. Taylor spent Monday night and Tuesday with Mrs. Sarah McKee who had major surgery at Clinic Hospital in San Angelo. Taylor reported that his sister stood the operation and is expected to be in the hospital for about two weeks. She is in room 106.

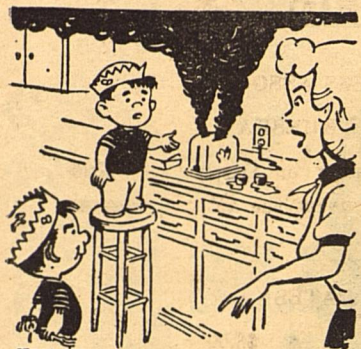

Mr. and Mrs. S. M. Loeffler will spend Sunday and Monday in Lubbock where they will attend the graduation of their son, Carlos, from Texas Tech.

Mrs. W. H. Hill is spending two weeks at Fort Hood with her husband, Pvt. W. H. Hill.

Dr. and Mrs. Thomas Brewster of San Angelo and Mrs. Joe Roberson of Louisville, Kentucky, were overnight guests of Mrs. Harva Cooper and Betty Jack, Tuesday night of last week.

AHEAD of its time

that's the NEW AERMOTOR SUBMERSIBLE PUMP

- Stronger Than Ever
- Quieter Than Ever
- More Gallons Per Dollar Than Ever

It's as up-to-date as tomorrow's newspaper. Aermotor's new Model "S" Submersible handles deep wells down to 600 feet. Its maximum capacity now ranges to 1900 gallons of water per hour. With new pump parts molded from the miracle plastics of DuPont and Borg-Warner, these 18 models are now running ahead of comparable brass pumps when it comes to lighter weight, quieter operation and economical performance. Fully automatic operation. You sit back and relax. Pump never loses prime, never freezes, never needs oiling. Easy to install on 4-inch diameter and larger wells. Come in and ask us about the new Aermotor sub today...

Fishermen Lie! Not To Pattern Biologists Find

Are fishermen predictable? Do they lie in a particular pattern? These are two big questions confronting biologists on the Texas coast.

In the constant effort to check fishing potentials against actual harvest, Game and Fish Commission biologists conduct creel censuses throughout the year.

They'll check a fisherman at his boat and ask him how many fish he caught. Then perhaps a few hours later they will run into the same fisherman again, perhaps this time on the docks or in some other location.

Again, they'll ask him how many fish he caught and their sizes. Invariably they get a different answer.

"We can pretty well predict the fish, after taking net samples and applying ordinary math," says Howard Lee, director of the Rockport Marine Laboratory. "Now our big problem is to learn the pattern of fish stories. If we can ever figure that out, then we can correlate rather accurate information concerning supply and harvest."

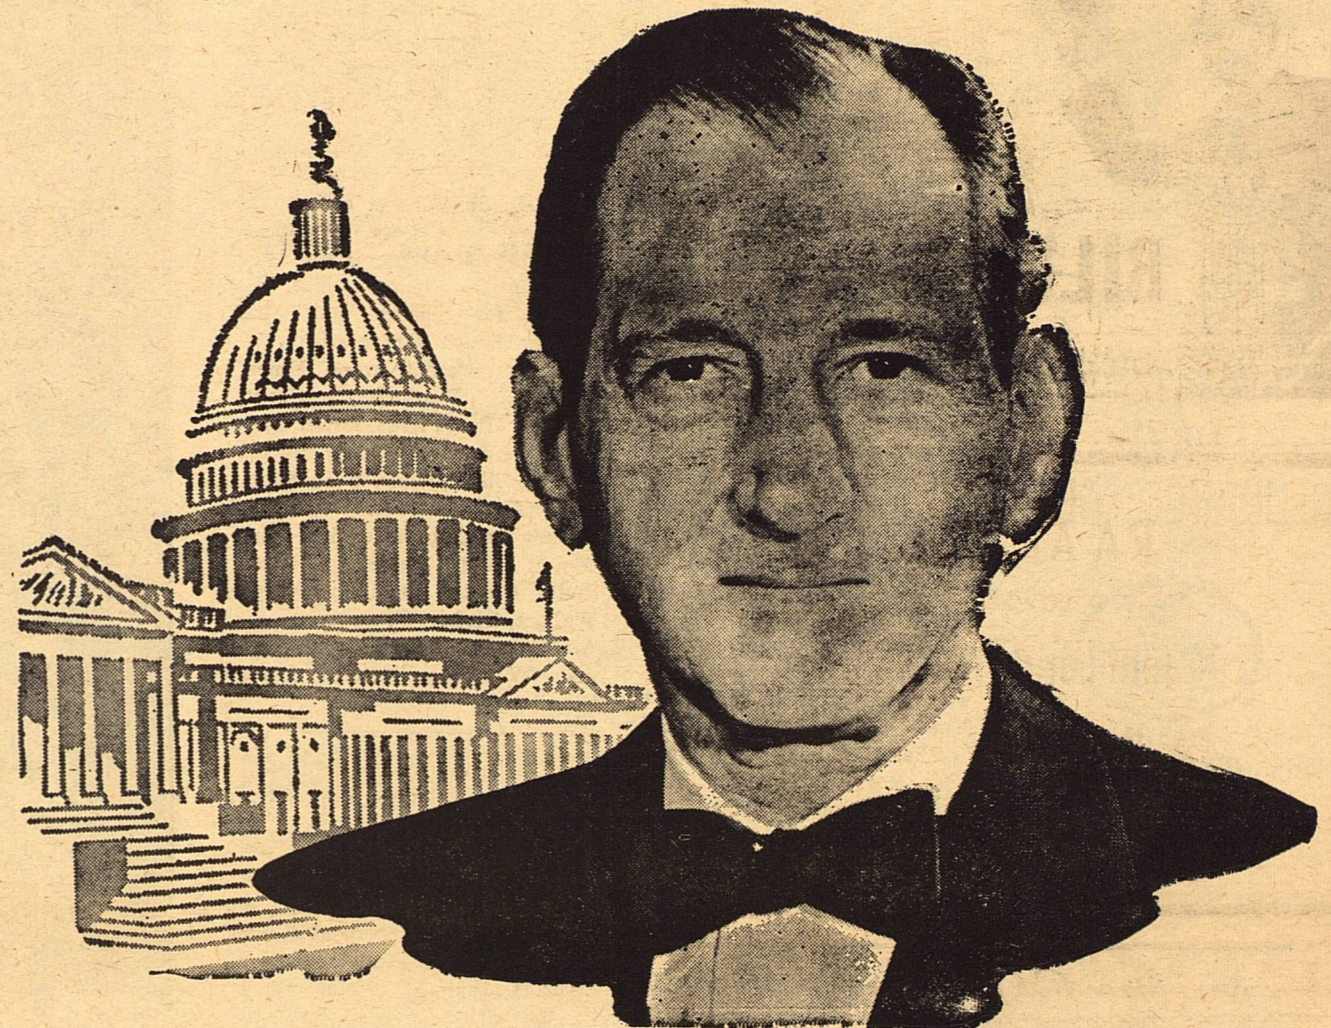

Lee doesn't exactly doubt the fishermen, yet ever since Jonah there have been many almost unbelievable stories. But since the biggest fish always gets away, there's really not any way of knowing the whole story. Anyway, that's the way the biologists look at it.

Mrs. R. V. Cook left Wednesday for Cisco where she will spend two weeks visiting with her daughter and family, Mr. and Mrs. Joe Turner, Margaret Alice, Vicki Jo and Laddie.

Enrique Galindo was charged with speeding 68/55. Pending.
 Norwell Royce Williams was charged with speeding 75/55. Pending.
 James Oran Orr was charged with vagrancy and fine set at \$100.50 plus costs, total \$120.00.
 Leandro Badillo was charged with drunkenness and fine set at \$5.50 plus costs, total \$25.00. Pending.
 Owen George Robbins was charged with failure to appear. Pending.

IN THE YEAR OF

November 10, 1895

Rev. Edward Martin of San Antonio, who will have charge of this district of the Episcopal church, arrived in Sonora Thursday, and will hold services at the Court House on Sunday morning at 11 o'clock and Sunday evening at 7:30 o'clock. It is expected the music at these services will be unusually good and all are invited.

C. C. Lemon sold his domestic supply water works to T. D. Newell this week for \$2,250. Mr. Newell will relay all the pipes of the old system, deep enough to protect them from heat and cold, thus insuring good water all the year around. This trade is an important one for Sonora and Sutton County, as it means the removal of the old system eye sore from the court house square and gives the county full and entire control of the public square. Sonora can now boast of as fine a system of water works as any town in the West.

January 11, 1896

Don't forget the \$500 horse race on Jan. 22nd at Sonora. County Clerk S. H. Stokes moved his residence from West Sonora to the lot east of J.M.G. Baugh's on Popular street. This makes Sam's residence more convenient to the Court house.

Chas. Schreiner, the Kerrville wool commission merchant, has sold all the fall wool consigned to him, 4,000 bags at 6½ to 8 cents a pound. Chris Wyatt, the sheepman, was in Sonora Wednesday.

January 4, 1896

Charlie Adams says he is not going to resign his position of president of the Sonora Jockey Club. He likes the job too well. Tomorrow is H. Q. Kendall's regular appointment to preach in Sonora.

C. G. Lovelace informs us that his Tench fish are doing well, but it will be some time before he will be able to supply the Sonora market. Shade trees should be planted in front of every residence. Strike the iron while its hot and donate or subscribe to the telephone.

WE MAKE NO PROMISES THAT WE CAN'T KEEP. WE DEAL IN HONESTY!

Martin Plumbing PLUMBING-HEATING FIXTURES APPLIANCES 2-281 SONORA, TEX.

Mrs. T. W. Callahan, wife of one of Sonora's most prominent citizens and Mrs. W. H. Cusenbary, wife of Sutton County's Treasurer and Druggist, left for Comanche County, on Monday to attend a wedding and family reunion.

Ira Word and John Allison left for Waco last week, to attend the Baylor College.

Charles F. Adams one of the best informed stockmen in West Texas, who made the first shipment of Devil's River muttons to Chicago in '87 or '88, returned from a trip through Dry Devil's river and the sotol country this week. Mr. Adams says he never at this time of the year saw sheep in better flesh. He is confident that 80 percent of the muttons are in shipping condition. Mr. Adams attributes this condition of affairs to the fine range of last summer and fall the absence of scab. With the prospects for an early spring so encouraging the muttons from the Sonora country should be better and fatter than for the past three years. January 25, 1896

It is not too late to build that big dirt tank. Do the work before lambing and the winds of the next few months will pump water enough to carry you through the calm season and allow for garden purposes as well.

Sam Merck the Franks Defeat country cowman, was in Sonora for the races Wednesday.

Mr. and Mrs. J. W. Mayfield were in Sonora Wednesday, from the Lost Lake ranch.

The dance at the court house Wednesday night was most enjoyable. The children stayed at home and the flood was not crowned.

February 1, 1896

Woodmen of the World will meet the first Saturday night on or before the full moon, and the 2nd Saturday night after the full moon in each month. Officers: Consul Commander, J. O. Rountree; Adviser Lieutenant, W. R. Rduicil; Banker, R. C. Dawson; Clerk, J. M. Bell; Physician, H. G. Colson; Escort, E. P. Silliman; Watchman, S. H. Stokes; Sentry, Geo. H. McDonald; Board of Managers: L. N. Halbert, S. H. Stokes, W. Schupbach.

polecats. Trapping pays the ranchman and the trapper.

Tuesday night and Wednesday morning a glorious rain fell in the Sonora country, followed by sunshine. On Wednesday night it was repeated, filling the water holes and running the main draw at Sonora. The sun came out early Thursday morning and the prospects for an early spring were never brighter.

TEXAS WILL HAVE A NEW U.S. SENATOR because:

TEXANS WANT . . .

A COURAGEOUS SPOKESMAN. John Tower, a highly articulate conservative, rallied the support of almost a million Texans who applauded his courage with their votes to back his stand against the liberalism of the "New Frontier." He has captured the fancy of Texas and the nation with the velocity and quality of his campaigning.

TEXANS DO NOT WANT . . .

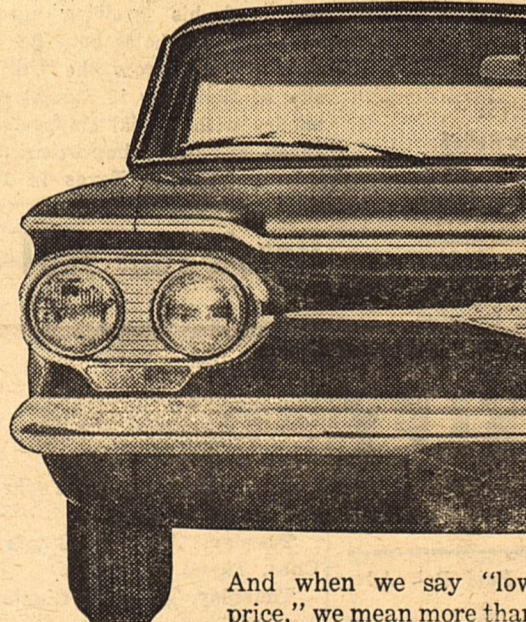

A "PHANTOM" SENATOR. Although twice "appointed" to temporary office, the interim senator failed to win support of the people of Texas when his candidacy was offered in a competitive election. He is seldom present and more seldom heard from in Washington. Many Texans have never seen him or heard him speak.

Pd. Pol. Ad.

John TOWER FIRST CHOICE OF TEXAS VOTERS!!

LOW PRICE IS ONLY HALF THE STORY

(The other—and even more satisfying—half you'll discover the first time you drive a Corvair!)

And when we say "low price," we mean more than merely the pint-sized figure on the window sticker of a new Corvair. You're going to be saving like sixty on gas. And on the antifreeze you won't buy next winter, and the radiator repairs you'll never have to pay for. About the only things Corvair doesn't skimp on are room, smoothness, style and pure driving joy. But that's the other half of the story. Talk to your Chevrolet dealer about it soon!

CORVAIR BY CHEVROLET

James A. Gray, Extension Agent, Receives National Achievement Award

James A. Gray of San Angelo, animal husbandman for the Texas Agricultural Extension Service, was among the 162 U.S. Department of Agriculture employees receiving awards for outstanding achievement in Washington, D. C., Tuesday, May 23. Ceremonies were held in the Sylvan Theatre on the Washington Monument Grounds with Secretary of Agriculture Orville L. Freeman making the presentations.

Gray received the USDA's Superior Service Award and was

as a member of the teaching staff of Texas A. & M. College's Department of Animal Husbandry. He taught courses in sheep and wool production and served in this capacity until January 1, 1949, when he was appointed to the position he now holds.

Starting with only a limited number of demonstrators, Gray planned and perfected the sheep and goat selection program that is now carried on in every sheep

and goat producing county in the state. This program has increased the income for flock owners by as much as six dollars per head.

Gray has developed and demonstrated improved methods of wool preparation which have increased the value of wool from three to five cents per pound. He has directed a strong in-service training program for county agents in all sheep producing counties and training schools for leaders — three to five days in duration — has supplied the leadership needed to make the program effective.

The publications which Gray has authored have won wide acclaim for their ease of reading and understanding. He has used the local newspapers also to spread the information on what was being done under the program. The youth were not for-

Serving Sutton County Since 1900

one of only 14 extension workers in the nation to be so honored. Gray's citation read: "For initiating improved practices carried out through trained leaders and through publications prepared for professional and lay people, that brought about increased income to the Texas sheep and goat industry."

The award winner, well known in Sutton County, is a Texan by adoption. He is a native of Spokane, Washington, but did much of his growing up in Wyoming. He holds both BS and M.S. degrees from the University of Wyoming in animal husbandry with special emphasis on sheep and wool improvement. Gray came to Texas in 1940
