Mayer Announces Candidacy For Congress

Edwin S. Mayer, Jr., San Angelo ranchman, has announced his candidacy for the office of U. S. Congressman from the 21st Congressional District. Mayer is a candidate on the Republican ticket.

Mayer is a native West Texan, the son of Mr. and Mrs. Edwin S. Mayer of San Angelo, and the grandson of the late Mr. and Mrs. Sol Mayer, pioneer West Texans.

He is married to the former Miss Billie Blackburn of Seymour and the father of two sons, Steve and Ernie. He attended San Angelo schools and is a graduate of The Principia, St. Louis, Missouri. He attended Texas A. and M. College and served with the U. S. Army in Germany during World War II.

Mayer is the brother of Ralph P. Mayer and Mrs. Norman W. Rousselot, both of Sonora.

In announcing his candidacy, Mayer said: "The time has come when we can no longer depend upon the so-called Conservative Democrats in Congress. The fallacy of the argument that a Conservative Democrat can be effective in Congress is borne out in the very first roll call vote taken in the House this year. Every single Democrat voted for the 100 percent A.D.A. liberal John McCormack for Speaker of the House, and this insured the continuation of the most liberal members of the House as chairmen of key committees such as education and labor, judiciary, government operations, and public works, all headed by men with 100 percent A.D.A. voting records.

"The incumbent for this office has explained that it is the custom for the majority party to organize the House, but it is a strange custom that leads a man to vote us further down the road to Socialism.

8th Annual Sonora Relays Scheduled Here Saturday

Sawyer To Head Band Parents Club

Edwin Sawyer was elected president of the Bronco Band Parents Club at its regular meeting at the band hall Tuesday night, March 13. Sawyer succeeds out-going president Leon Neely. Max Hardegree was elected vice-president to succeed Roy Cooper and Mrs. Max Hardegree secretary to replace Mrs. Melvin Glasscock. Harold Scheetz will succeed Mrs. W. J. Thompson as treasurer.

The organization voted to buy two new bass horns for the band and to join with the Boy Scouts in purchasing cold drink dispensing machines for use in the concession stand.

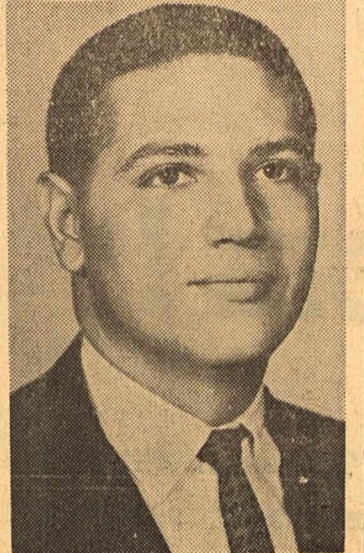

Mrs. L. E. Skains and Buck and Mrs. Jim McLaughlin and Patricia were in Galveston last weekend where Buck had a medical check-up.

"I am for a return to constitutional government. I am for getting the federal government out of private business and competition with private enterprise. I am for getting out of the United Nations, and kicking the United Nations out of the United States.

"I will not be responsible to nor dependent upon anyone except the voters of this district, and I will do whatever is best for the people of this district so that they may maintain freedom of speech, freedom of religion and the right to own and keep their own private property."

Jack M. White To Preach Sunday For Presbyterians

Jack Myers White, second-year student at the Austin Presbyterian Theological Seminary in Austin, will be guest pastor at the Church of the Good Shepherd for the morning services and at

Jack White

the Roosevelt Presbyterian Church for the evening services.

White is a native of Richmond, Virginia, and received a Bachelor of Arts degree from King College. He studied for one semester at the University of Virginia Law School. While in college he was a student minister, a member of the Symphonic Choir, and was on the college newspaper and yearbook staffs.

He is married to the former Miss Mary Lou Sydnor of Winchester, Virginia.

White is experienced in Sunday Church School teaching and choir work. He has been a church camp counselor for two summers at Camp Hanover.

As a member of the Lakeside Presbyterian Church in Richmond, White is under the care and sponsorship of the Hanover Presbytery during his study for the ministry.

Mr. and Mrs. A. E. Prugel and Susan were in Brownwood Sunday. Prugel attended a Lions meeting and Susan visited with Linda White who formerly lived in Sonora.

Mr. and Mrs. Ford Allen spent several days this week in Kingsland on business.

Broncs Fourth At Ozona Relays

Sonora High School's track and field team scored a total of 73 points to place fourth in the annual Ozona Relays held Saturday, March 10.

Again this year the Broncs are strongest in distance events and weak in field events. Bobby Castillo ran first in the mile run with a time of 5:10, brother Ruben Castillo outdistanced the field in the 880-yard run with teammate Tino Noriega close behind him. Ruben's time was 2:10.

George Robinson was fifth in the 220-yard dash, Primo Gonzales second in the 440-yard dash and Augustin Chavez fifth in the mile.

In relay events Sonora ran second in both the mile relay and the 440-yard relay.

Eldorado scored highest team points to win the tourney, second was Junction and host, Ozona third. Other teams participating were Sanderson, Iraan, Big Lake, Robert Lee, Eden and Sterling City.

The eighth annual Sonora Relays will get underway here at one o'clock Saturday afternoon, March 17, with 15 schools definitely committed to be in attendance. Preliminaries in both track and field events are scheduled for Saturday afternoon with field finals to be held in the afternoon also. Track finals are slated for Saturday night beginning at seven o'clock.

Events to be held this year include 440-yard relay, 880-yard run, 120-yard high hurdles; 100-yard dash, 440-yard dash, 880-yard relay, 180-yard low hurdles, 220-yard dash, mile run, mile relay, shot put, high jump, discus, broad jump and pole vault.

Accepting the invitation to participate are Ozona, Junction, Eldorado, Big Lake, Crane, McCamey, Alpine, Eden, Rocksprings, Robert Lee, Iraan, Sanderson, Mason and San Angelo's sophomore team.

Only one record fell in last year's meet with Eldorado's Jim Runge running the 440-yard dash in 51.6 to slice the former record of 51.8 set by Preston Love of Sonora in 1956.

Records in the various events are as follows: 440-yard relay, 45 seconds, set by Cavaness, Tomlinson, Mansfield and Cox of

Junction in 1958; 880-yard run, 2:01.9, set by Valles of Sanderson in 1960; 120-yard hurdles, 14.8, set by Joe Renfro of Sonora in 1955; 100-yard dash, 9.8, set by Green of Richland Springs in 1957; 440-yard dash, 51.8 set by Jim Runge of Eldorado in 1961; 880-yard relay, 1:34.3 set by Mansfield, Tomlinson, Bowers and Fox of Junction in 1958; 180-yard low hurdles, 20.1, set by Phinney of Coahoma in 1957.

Also 220-yard dash, 21.7, set by Green of Richland Springs in 1957; Mile run, 4:42.3, set by Reiser of Eldorado in 1960; Mile relay, 4:34.2, set by Mittel, Runge, Waldren and Sanford of Eldorado in 1959; Shot Put, 50' 4", set by Kothmann of Mason in 1960; High jump, 6' 2", set by Spiser of Eden and Nunley of Brackettville in 1958; Discus, 149' 1", set by Jacobson of Iraan in 1958; Broad jump, 21' 1", set by Cavaness of Junction in 1958; Pole Vault, 12' 3", set by Pete Badillo of Sonora in 1956.

Defending champions are the Ozona Lions and the Sonora Broncs.

Bad weather has slowed down workouts for all teams in the area but indications are that at least one record will fall in this year's meet.

Red Cross Fund Drive Moving Slowly; Less Than Half Of 1962 Quota Raised

The Sutton County Red Cross fund drive is lagging behind its goal of \$828, Mrs. Nelson Stubblefield, drive chairman, said this week. Receipts as of Wednesday had totaled only \$120, Mrs. Stubble-

field said. She stated that she plans a more extensive canvass as soon as the weather permits.

Contributions to the Red Cross are tax deductible and may be made to Mrs. Stubblefield or to anyone at the First National Bank.

Mr. and Mrs. E. L. Harrell, Gary and Karen spent Saturday and Sunday night at Lake Nasworthy.

The annual Sonora Lions Club broom and mop sale will be held next Tuesday afternoon, March 20. The new West Side Lions Club will hold its first broom sale on the same day.

The broom sale is held each year to help sell products made by the blind at several Texas "Lighthouses". The articles are of top quality and are sold at reasonable prices. One fourth of the proceeds from the sale will remain with the local Clubs to aid blind or near-blind persons in Sonora.

On Tuesday afternoon teams of local Lions will drop their work, fill pickups with brooms, mops, mats, brushes, ironing board covers, pot holders and other items, and become door to door salesmen in Sonora.

The reception of this program has always been very fine in Sonora, and the cooperation is sincerely appreciated. Vice-President Jack Kerbow of the Sonora Downtown Club, and Isael Prez of the West Side Lions Club will be in charge of the two sales.

Ruth Ella Wallace Little Miss Wool Michelle Rousselot Is Alternate

Ruth Ella Wallace, five-year-old daughter of Mr. and Mrs. Gene Wallace, was selected as Little Miss Wool of Sonora to represent Sonora in the National Miss Wool Pageant to be held in San Angelo Coliseum Saturday, April 7. Named alternate was Michelle Rousselot, also five, the daughter of Mr. and Mrs. Norman W. Rousselot.

The contest, with five entries, was held at the Tuesday, March 13, luncheon meeting of the Sonora Lions Club at the fellowship hall of the First Methodist Church. Three judges, all from San Angelo, were guests of the club.

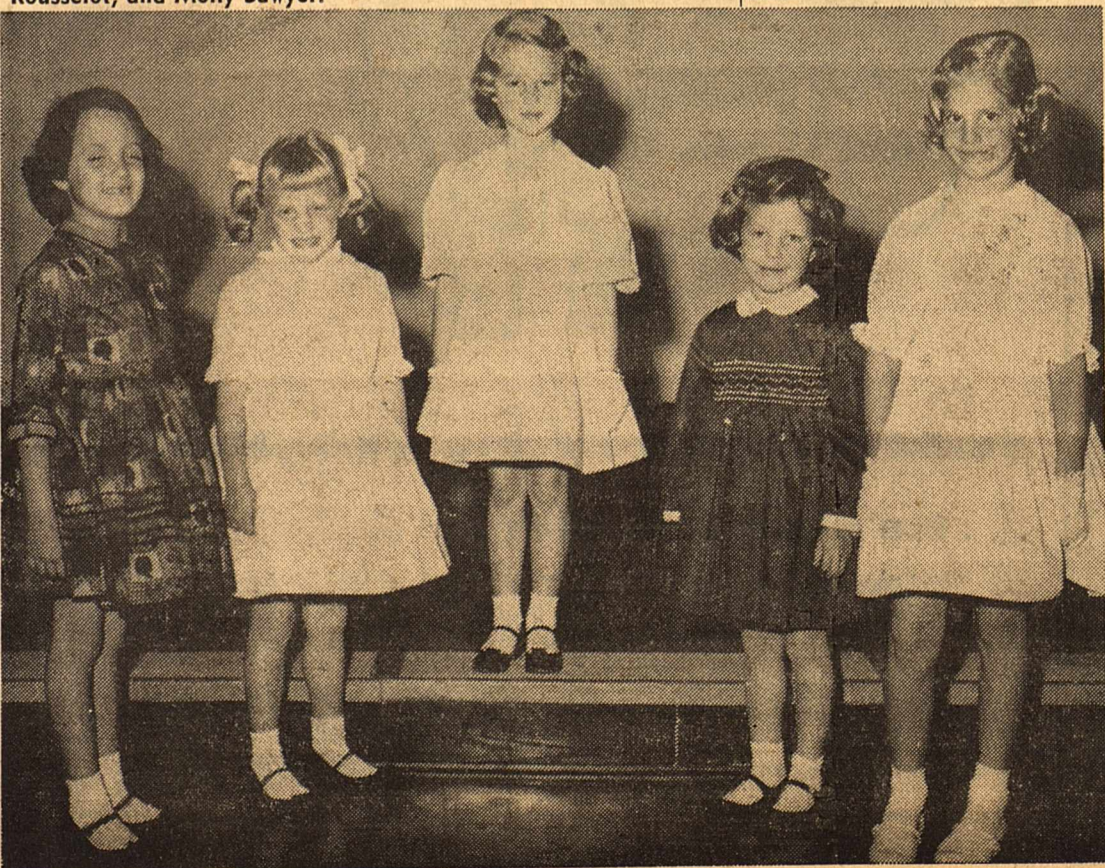

The candidates were Molly Sawyer, five, daughter of Mr. and Mrs. Edwin Sawyer; Claire Langford, five, daughter of Mr. and Mrs. D. C. Langford; Derry

Lynn Shurley, six, daughter of Mr. and Mrs. David D. Shurley, Ruthie and Michelle. They modeled for the judges and were interviewed.

Ten Little Miss Wools will appear in the Pageant with the 20 nominees for Miss Wool of America. They will be presented wearing woolen coats and may appear in another scene modeling other woolen clothing.

Cities to be represented are Big Lake, Brady, Ballinger, Eden, Eldorado, Menard, Ozona, San Angelo, Sterling City and Sonora.

Candidates for Little Miss Wool of Sonora were presented at Lions Club Tuesday, March 13. They posed following the contest, left to right, Derry Lynn Shurley, Claire Langford, Little Miss Wool Ruthie Wallace, Little Miss Wool Alternate Michelle Rousselot, and Molly Sawyer.

Screwworm Eradication Funds Still Coming In - But Quota Not Met

Total funds raised for Sutton County's contribution to the Southwest Animal Health Foundation for use in the Texas screwworm eradication program now total some \$29,420.65. This is still over \$500.00 shy of the county's goal of \$30,000.00.

HIGH LIGHTS AND SIDELIGHTS FROM THE STATE CAPITOL

By Vern Sanford
Texas Press Association

Although the Texas Youth Council lost its fight for a legislative appropriation of \$100,000 to add more officers to its Juvenile Parole System, it just won a battle for the benefit of orphans in state institutions.

Attorney General Will Wilson turned over the deed to a \$200,000 Bell County ranch along with a check for \$12,446 to Dr. James A. Turman, Youth Council director. Presentation represent-

ed the outcome of a four-year court battle. Heirs of the late Mrs. Parrie Haynes contested her passing the property to the state.

Dr. Turman said the orphans of Texas will receive all benefits from the 4,160-acre ranch on the Lampasas River. It will be used as a summer camp and activity center for orphan's homes. Youth Council will raise cattle, pigs and sheep there to help feed the thousands of children in its care.

HEARINGS SHOCK TUR-

MAN—Speaker of the House James A. Turman, candidate for lieutenant governor and former educator, expressed concern about the House Textbook committee, which he appointed.

Turman was shocked when he heard that a witness in an Amarillo textbook hearing alleged that Rep. Ronald Roberts of the committee was a "communist."

"I am afraid the committee members have been too nice and open about letting any one appear to talk about any sort of censorship," Turman said. He is worried about the committee getting too far astray of its goal of studying the textbook situation in Texas.

In an Independence Day address at Washington-on-the-Brazos, he advocated the teaching of Texas history in all grade levels, and declared, "I think it is a mistake—a sad mistake—for our educational system in Texas to relegate our great state's history into a sort of grammar school fairytale."

The speaker may be tempted or forced to touch on the subject again Wednesday when he is honored guest at the Public Schools' Week celebration in Jasper, Texas.

SPACE AGE SEMINAR—Vice President Lyndon B. Johnson, head of the National Aeronautics and Space Administration, came to town to tell a congregation of high school counselors how the move into space will affect American youth.

The Vice President's talk was the highlight of a two-day conference at the University of Texas which featured a NASA exhibit of space vehicles and a talk on "Space Satellites" by NASA representative Dr. Robert Krebs.

VAST ROADWORK UNDERWAY—In keeping with its claim that Texas leads the nation in highway building, the State Highway Commission issued orders to proceed with \$18,000,000 worth of road building, planning and repairs throughout the state.

Biggest assignment was an okay to purchase right-of-way on three projects on Interstate Loop 635 in Dallas County at a cost of about \$6,410,000. The Commission also authorized the right-of-way on a 1.4-mile section of Interstate Highway 10 in Harris County for \$2,500,000. Original estimate was only \$600,000.

Other expensive items included: Purchase of \$1,900,000 worth of right-of-way on U.S. 90 in Bexar County; plans for development of U.S. 290 out of Houston at a starting cost of \$2,810,000; \$797,000 to repair freeze damage in the Abilene district; a \$680,000 right-of-way okay for a two-mile segment in San Antonio and \$477,800 for relocation of U.S. 59 around Wharton and El Campo.

SUNDAY NO EXCEPTION—Just because April 15 will fall on a Sunday this year, drivers won't be allowed to put off auto inspection until the following day. Col. Homer Garrison, Jr., director of

Artificial Reef Will Be Marked By Lighted Buoy

The artificial, car-body, reef established off the coast near Freeport in May, 1959, by the Game and Fish Commission, will soon be marked with a permanent lighted buoy, according to Bob Singleton, director of Region IV. The buoy has been around for some time, but before it could be anchored over the reef, Hurricane Carla roared in and damaged it beyond use.

As soon as repairs are completed and weather permits, it will be positioned over the reef with a 5,000-pound cement an-

chor. A temporary buoy once marked the 600 weighted car bodies, but was soon destroyed by storms.

The reef, located 7.3 miles, 113 (magnetic) from the Freeport Channel bell buoy, and only 1/2 mile northeast of the southeast lump (The Rocks), was designed to attract reef fishes, chiefly red snapper. Numerous fishermen have reported some fish catches, after locating the reef with sonar or depth recorders.

It is possible, said Singleton, that the reef may have been

covered with sand stirred up by Carla, destroying some of its fish appeal. Two recent attempts by skin divers to inspect the car bodies failed because of muddy water near the bottom.

As soon as conditions permit, drivers will survey the condition of the artificial "attraction" and make their report. Once the permanent marker is securely anchored over the structure, boats without fathometers can locate it and take advantage of the fish concentration below.

Thank you, Texas Newspapers!

For 20 years, Texas newspapers have been giving the government free space in which to advertise U. S. Savings Bonds.

You've seen the ads: you save more than money with U. S. Savings Bonds. Those ads have sold an impressive number of bonds in Texas, bonds that have helped, and are helping, your government defend freedom at a precarious moment in history, when freedom is in desperate need of defending.

When you buy these bonds you serve well the cause of liberty. You enable your country to build up her own defenses without doing damage to her economy. You insure the future for this and succeeding generations.

The space occupied by the ads that sold those bonds was donated to your government — and that means to you — by the newspapers of Texas.

We thought you'd like to know.

"The public-spirited newspapers of Texas have made an important contribution to the well-being of this country,"

says Ed Gossett, Co-Chairman of the Texas State Savings Bond Committee.

"We are happy to salute the generous newspapers of this State. They have done their part, and more, in giving the public an understanding of the importance of Savings Bonds — to individual buyers, and to the cause of freedom. And they have certainly made this Committee's job easier."

"SELLING" SONORA SINCE 1890

School Board Adopts New Textbooks Discusses Raised Educational Cost Hike

Several new textbooks were adopted by the board of education of the Sonora Independent School District at its March meeting Monday afternoon. Books adopted, all recommended by the local textbook committee, are geography books for the fourth, fifth and sixth grades; American histories for eighth grade and high school; music books for grades seven and eight, high school general science and high school world history.

The board also discussed the effects of the action taken by the State Board of Education in increasing the local fund assignments of 117 counties in Texas. The school board and local administration were surprised to learn that Sutton County taxpayers will be faced with a 8.6 percent hike in local fund assignment, from \$32,900 to \$37,582, or an almost \$5,000 increase.

State actuaries have determined that the cost of operating a minimum program of education in Texas next year will amount to \$98,900,000. Through what is called an economic index, Sutton County's share to be raised by local taxes has been set at \$37,582. The economic index is re-computed each year, and the computation is based on a three-year average of the factors involved. This means that the data for the earliest year are removed from the three-year average each time the index is computed, and the data for the most recent

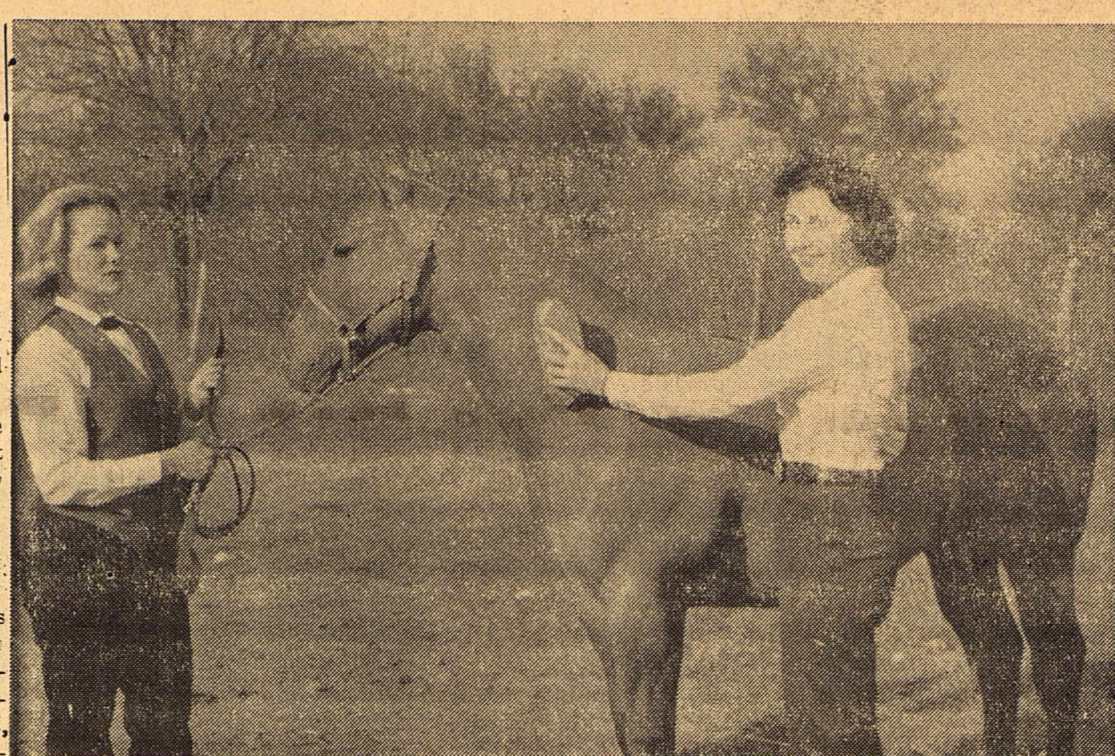

available year are included to replace the year that is removed.

Three general factors influence the index: County Assessed Valuation; Scholastic Population; and Income Total.

Scholastic Population has little effect on the final index since it is weighted by 8. They County Assessed Valuation is weighted by 20. The Income Total has the greatest influence since this factor is weighted by 72. Income Total for a particular county is determined from the following items: value added by manufacturing, value of minerals produced, value of agricultural products, and pay rolls from retail, wholesale and service establishments.

Superintendent of Schools Rex W. Lowe, in an effort to effect a reduction in the share assigned to this county, received an analysis of the data used in computing the economic index. The increase in agricultural income caused the major portion of the increase in the index—raising it from .035 to .038. The 1959 Federal Census of Agriculture shows that Sutton County had 3.9 percent of the income in Crop Reporting District 7. The 1954 Census showed that the county had only 2.9 percent of the district income. This increase is the primary reason for the State's raising the index figure.

The Board also discussed the possibility that the Average Daily Attendance may drop this year because of decreased enrollment. Along with the expected

Mrs. Robert W. Allen

Robert W. Allens At Home In California Following Detroit Rites February 17

Miss Jerry Sue Argo, daughter of Mr. and Mrs. William Argo

of Detroit, Michigan, became the bride of Robert W. Allen, son of Mr. and Mrs. Ford Allen of Sonora, Saturday evening, February 17. Trinity Evangelical United Brethren Church of Detroit was the scene of the wedding with the Rev. Taylor, pastor, officiating.

Given in marriage by her father, the bride was gowned in white Chantilly lace over white satin designed with a bateau neckline accented with scallops of the lace. The fitted bodice was accented by the bouffant tiered skirt which terminated in a chapel train. Tapered sleeves ended in points over the hands. Her fingertip length veil of illusion fell from a coronet of seed pearls. She carried a bouquet of white carnations and lilies-of-the-valley centered with a red orchid.

Mrs. Lynn Hotia of East Detroit was matron of Honor and Miss Beverly Kearney of Lomita, California was bridesmaid. Their full-skirted street-length dresses of red velvet fashioned with fitted bodices, scoop necklines and three-quarter length sleeves. They wore white fur bandeaus and carried white fur cuffs with corsages of red carnations.

William Fenn of New York City was best man and ushers were Bill Argo, brother of the bride, and John Alexander, both of Detroit.

Mrs. Allen is a graduate of Lincoln High School in Detroit. She is a former dance instructor and American Airlines stewardess.

Her husband is a graduate of Sonora schools. He served five years as a pilot with the U. S. Air Force and attended Rice Institute in Houston.

After a wedding trip to Acapulco, Mexico, Mr. and Mrs. Allen are at home in Lomita, California where he is a pilot for American Airlines.

Mrs. Eldridge To Head Hospital Auxiliary

Mrs. J. E. Eldridge will serve as president of the Lillian M. Hudspeth Memorial Hospital Auxiliary for the next organization year. Mrs. Eldridge was elected at the Auxiliary's March meeting held Monday afternoon, March 12, at the home of Mrs. Robert Halbert. Others elected were Mrs. J. B. Renfro, vice-president; Mrs. A. W. Awalt, secretary; Mrs. L. E. Johnson, Sr., treasurer; Mrs. C. A. Tyler, historian; Mrs. O. G. Babcock, parliamentarian; Mrs. C. M. Epp, auditor, and Mrs. Alvis Johnson, corresponding secretary.

The treasurer reported \$93.55 in the general fund and \$559.00 in the memorial fund. The magazine committee and sewing committee reported work done since the last meeting.

Thirteen members were present.

Mrs. Rousselot Re-elected Music Club President

Mrs. Norman W. Rousselot was re-elected president of the Sonora Music Club at its meeting at the Woman's Club building last Thursday night. Named to serve with Mrs. Rousselot for next year were Mrs. Oliver Wuest and Mrs. Louie Trainer, vice-presidents; Mrs. Leo B. Merrill, recording secretary; Mrs. J. A. Letsinger, corresponding secretary; Mrs. Marie K. Ellis, treasurer; Mrs. J. L. Steed, parliamentarian; Mrs. Jym Adamson, historian, and Mrs. O. G. Babcock, reporter.

J. L. Steed, band director and public school teacher of instrumental music, presented a program featuring some of his flute and clarinet students, with Mrs. James Wilson and John Tedford as accompanists. Those playing were Mickey Hardegree, Janie Letsinger, Alice Lee Duncan and Bonnie McKinney.

Mrs. David Shurley, first vice-president, presided over the business meeting in the absence of Mrs. Rousselot. Mrs. Robert Kel-

Girl Scouts, Brownies Slate Annual Banquet

Sonora Girl Scouts and Brownies will be hostesses to their parents and other guests at the annual Scout banquet to be held at 6:30 Thursday evening, March 29, at the school cafeteria.

Devil's River Philosopher Takes A Look At Educational System And Then Backs Off In Fright

Editor's Note: The Devil's River Philosopher on his bitter-weed ranch on Devil's River looks at education this week, but not for long.

I'll admit before I get started that some people will say a rancher hasn't got any business trying to solve the educational problem when he can't even solve the agricultural problem, but actually the very time to switch to some other problem is when you can't handle your own.

I read in a newspaper last night that educators have been looking closely at the educational system in this country and in a meeting in Chicago the other day an expert from the U.S. Office of Education said the traditional 12 years of public education should be increased to 14.

He said the reason is that 12 years is not long enough to prepare a boy or girl for modern life, even if they're going on to college.

"The present 12-year program of elementary and secondary education is not strong enough for an era in which the body of man's knowledge doubles every 15 years," he explained.

I have been thinking this over and have come to the conclusion that this expert is wrong. The

way I figure it, if the body of man's knowledge doubles every 15 years, a 14-year school period is far too short. If a boy learned everything there was to know in 14 years, the year after he graduated he'd still have it to do all over again, as the body of knowledge would have doubled by then. Even if he stayed in school all his life and made 100 on every subject on every report card, he couldn't keep up and would die a comparatively ignorant man.

Also, if total knowledge doubles every 15 years, what about the teachers? If they don't stay in school themselves full time, 12 months a year, no time out for teaching, every 15 years they're 100 percent behind.

And also, when you consider the fact that knowledge is mounting up even on Saturdays and Sundays and during summers when kids aren't even in school, you can see it's impossible for anybody to ever be truly educated for longer than possibly ten or fifteen minutes at a time.

In the future, I think I will stick with solving the ranch problem.

Yours faithfully,
J. A.

I Give You Texas

By Boyce House

I like "corn."
Most people do.
What is "corn"? It's just sentiment and humor that are based on fundamental ideals, memories and hopes.

Liking what a few condescendingly call "corn" means that you are genuine.
Breakfast, dinner and supper are "corny" but nobody has been able to devise a satisfactory substitute for them.

When Italy was under the dictatorship of black-shirted, black-hearted Mussolini, Il Duce was in Naples one day, incognito, and he attended a picture show. A news reel was flashed on the screen and there was Mussolini reviewing the troops. Everyone else in the theatre arose and saluted the dictator. He didn't know what to do. To remain seated was to show disrespect to the ruler of Italy; to arise would be the height of egotism. His better nature, for once, triumphed; he remained seated. The scene changed and all took their seats. The man next to Mussolini leaned over in the darkness and said, "That's the way we all feel about the blankety-blank but we don't have the courage that you have!"

I like "corn" and have the nerve to say so. Nearly everybody else likes it too, if they would just own up.
Should some Pharisee happen to read this and feel inclined to jeer from the heights of his intellectual superiority, let him remember the first night of one of Shaw's plays. At the final

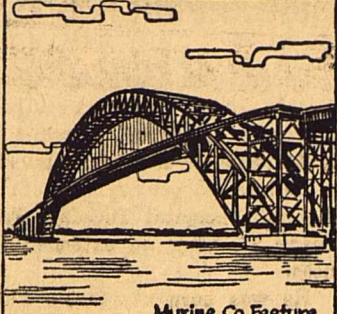

curtain, the audience cheered and cheered; then shouted, "Author! Author!" The pink-whiskered playwright appeared and was given an ovation. Just as the applause subsided, however, someone gave a lusty "Boo!" Shaw smiled and said, "I agree with you; but who are you and I to hold out against all these other people?"

According to the Ph. D.'s, anything that the plain folks like is "corny." By that standard, Dickens was corny; so were Mark Twain, Will Rogers and Abraham Lincoln—yes, and Homer chanting the Iliad to a crowd on the street and Shakespeare writing plays for working people to watch in the yards of inns.

Just enroll me with Twain and Rogers, Lincoln and Homer and Shakespeare; I'm not proud.
We folks who like genuine sentiment and homespun humor are like that troupe of strolling players who arrived, broke, in a West Texas town and, just before curtain time, the leading man peeped out at the audience. "How is it?" another actor asked. The star replied, "It's the biggest crowd we've had yet—but we've got 'em out-numbered."
We've got the highbrows out-numbered.

Buyer's guide to America's most complete car selection!

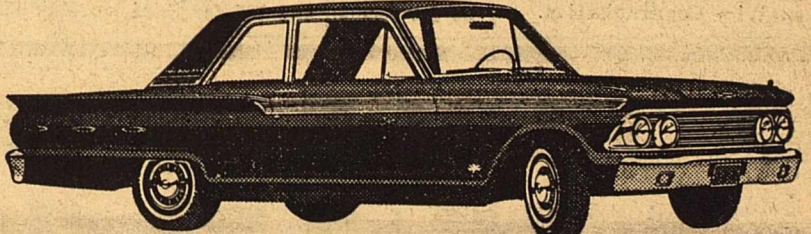

Whatever you're looking for in a car, look to the long Ford line. These are the cars with the features of the future that put you years ahead now... dollars ahead when you trade!

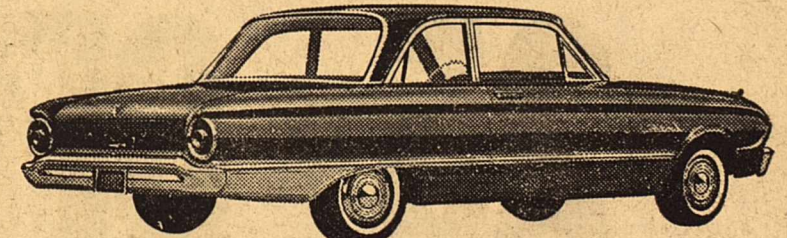

LUXURY UNLIMITED... This is Thunderbird—unique in all the world. First of the trim-size luxury cars, Thunderbird is for the man who insists on the ultimate—in luxury, in performance, in distinction. Four gleaming editions: Landau, Hardtop, Convertible, Sports Roadster.

TOP PERFORMER... Galaxie is the undisputed styling and performance leader of the full-size cars. Available with a 405-hp Thunderbird V-8 (coupled to a four-speed stick shift), Galaxie will outperform America's costliest cars. Seven models including the stylish Sunliner.

A NEW KIND OF CAR—WITH THE WORLD'S NEWEST V-8... Take your choice of two all-new Challenger V-8's. (They're all snap, sparkle and smoothness!) Stretch your legs, don't worry about your hat—Fairlane's full-size. Quality's high. Price is low—below many compacts. Five exciting models.

AMERICA'S BEST SELLING COMPACT... Its name is Falcon—and it's the lowest-priced* six-passenger car on the American road. There are five models, exclusive of wagons. Choose the new 170 Special Six engine, or improved version of the Six that broke all records in the '61 Mobilgas Economy Run. *Based on a comparison of manufacturers' suggested retail list prices, including taxes.

THIRTEEN WAGONS FROM AMERICA'S STATION WAGON SPECIALISTS... The finest wagon collection assembled under one roof. Five full-sized Ford wagons... and eight Falcons, including three big, new Club Wagons that are priced below many standard compact wagons.

Albert Luckie, Sonoran's Brother, Buried March 1

Funeral services for Albert Luckie, 70, of Ingram were held Thursday afternoon, March 1 at a Kerrville funeral home. Luckie, a retired carpenter, died in a Kerrville hospital Tuesday, February 27, after an extended illness.

He was born at Marble Falls April 12, 1891 and had lived in Ingram for the past 15 years. He was a member of the Baptist Church.

He is survived by two sons, Lowell Luckie and Sidney Luckie, both of Kerrville; one brother, Jim Luckie of Sonora; and two sisters, Mrs. M. A. McKinney of San Angelo and Mrs. Dock Statt of Three Rivers.

Burial was in Center Point Cemetery.

Saunders Casting Subject Of Kansas Article

Richard Saunders, owner and operator of Saunders Castings, Inc. of Wichita, Kansas, was the subject of an article in a recent issue of the "Boeing Plane Talk", published in Wichita by the Military Systems Division of Boeing Aircraft Company.

Describing an aluminum casting poured for Boeing by Saunders' firm, the article read in part: "As aluminum castings go, this one was big, big in two ways. It was the heaviest ever bought by Boeing-Wichita, and the heaviest ever made by the Wichita firm that manufactured it."

"The casting, after some finishing and assembly processes will become a worktable for use in the Minuteman production program in Seattle.

"It weighed 410 pounds, was 37 inches in diameter and about eight inches thick. The underside of the casting has a spoke-like appearance, to provide strength and keep weight at a minimum. Solid, it would have weighed almost as much more.

"To Dick Saunders, whose Saunders Castings, Inc., turned out the weighty product, it was even heavier. Gross weight, before excess metal needed in the making was trimmed, totaled 645 pounds.

"Saunders said it was the most metal his firm had ever poured to make a single casting."

Saunders is the son of Mrs. H. C. Saunders, Sr. and the late Mr. Saunders.

Fling Ding Scheduled Friday, March 16 With Ralph Marterie And Orchestra

Ralph Marterie, who brings his word-renowned orchestra to the Sonora Fling Ding on Friday, March 16, is more constantly on tour than any other big-name orchestra in the business. Playdates follow each other so fast, it can be said that his hot trumpet never gets a chance to cool down.

Fling Ding members and their guests will have the opportunity to dance to Marterie's much-in-demand music at the Sonora Wool House at the annual club dance scheduled for Friday night, March 16.

Since 1954 only big name

bands have had the unique experience of furnishing music for the Fling Ding. They have included Blue Barron, Tex Beneke, Charlie Spivak, Jimmy Dorsey, Skinnay Ennis, Russ Morgan, Jan Garber, Shep Fields and this year's Ralph Marterie.

Jim Decker is receiving treatment in the Veterans' Hospital.

Mary Wilson, a student at Southern Methodist University, spent the weekend here with her parents and sister, Mr. and Mrs. Duke Wilson and Nancy.
