## Little League

### Patrons' Meeting Scheduled March 29

An organizational meeting of officers and parents of the Sonora Little League will be held at the First National Bank at 7:30 Thursday night, March 29, according to Oliver Wuest, league director. Officers will be elected and plans made for the coming baseball season.

Wuest said that work has already begun on preparing the field for the season with Carl J. Cahill, Inc. having furnished black dirt and leveled the playing field.

He also urged again that all boys who have not turned in their uniforms from last year do so at once. These uniforms are a major expense and their re-

## Rodney Davis Nominee For Top TSC Honor

Rodney Davis, son of Mr. and Mrs. W. L. (Tom) Davis of Sonora, was nominated last week as All-Tarleton Boy at Tarleton State College, Stephenville. The title is the highest personal tribute that can be paid to a TSC student.

Davis, a junior history major at Tarleton, holds the rank of Major in the ROTC and is vice-president of the Student Council.

## Eldorado Is Relays Champion, Three Records Fall, One Equalled

Mr. and Mrs. Ed Mears of Menard, Mr. and Mrs. Roy Spiller of Junction and Col. and Mrs. R. H. Augustinus of San Angelo were Fling Ding guests of Mr. and Mrs. J. M. Vander Stucken.

Mr. and Mrs. James E. Nugent and Bob Sieker, all of Kerrville, attended the Fling Ding.

Outdistancing the field, Ruben Castillo finishes in first place in the 880-yard run at the Sonora Relays. Ruben's time for the half-mile event was 2:07.3.

Three new records were set and one old record tied in the Saturday running of the Sonora Relays. Eldorado took championship honors in the eighth annual event. Crane was second and Sonora third.

Edwin Hall of Eden set new marks in two events, the Shot Put and Discus. He added more than two feet to the shot distance, heaving 52' 6" to break the former record of 50' 4" set by Sidney Kothmann of Menard in 1960; and threw the discus a whopping 159' 7" to top by more than ten feet the former record of 149' 1" set by Jerry Jacobson of Iraan in 1958.

Charles Peek of Crane shaved three tenths of a second off the existing 180-yard low hurdle time of 20.1, running the event in 19.8. The old record has been set by Phinney of Coahoma in 1957. Big Lake's Mike Holmes tied the 9.8 time for the 100-yard dash set by David Green of Richland Springs in 1957.

## Grass Fire Tuesday Burns 200 Acres On Schwiening, Allison Ranches

Approximately 200 acres of rangeland were seared by fire Tuesday afternoon, March 20, with Sonora Volunteer Firemen and ranchers fighting the blaze which was fanned by a high west wind. Acreage was on the Alfred Schwiening and Lea Allison ranches.

Claud H. Prater, Sonora tucker, reported the fire which broke out on the north side of U.S. 290 about ten miles east of Sonora. Fire Chief Lee Patrick reported that the blaze had spread from one of three small grass fires which originated in the borrow ditches of the highway. Exact cause has not been determined as yet.

Firemen and ranchers manned fire trucks and livestock sprayers for more than three hours before the fire was finally brought under control. The high wind hampered control of the fire and spread the blaze across both a fire break and a caliche road, before being extinguished some three and a half hours after its discovery.

Patrick expressed great satisfaction with the manner in which ranchmen and firemen were able to work cooperatively with local equipment and ranch sprayers. He urged ranchers to inspect their sprayers now so that any damage due to cold weather may be detected and re-

## Devil's River Philosopher Claims Tourist Business Is Fine Until All Other States Get In On It

Editor's Note: The Devil's River Philosopher on his bitterweed ranch on Devil's River takes a backward look at the tourist business, his letter this week reveals.

Dear editor:  
 I read the other day that a state official said Texas isn't getting all the tourist dollars it ought to and more effort ought to be spent getting more people to visit us, that not only is the state worth seeing but tourists leave a lot of money around when they come through.

This made sense, but then the next day I read where another state was making the same plea, then the article went on to list the amount of revenue several other states report they get from tourist dollars.

Now I'm no mathematician, but if Texas pulls a hundred thousand visitors from Oklahoma, and then that state pulls a hundred thousand from Texas, it looks to me like the net gain will stay about what it was before the tourists left home, although filling station people in both states won't agree.

If all 50 states are going to in-

crease their wealth by increasing their tourist business, each one pulling visitors from all the others, it looks to me like it'll wind with about the same total revenue every state had to start with.

For example, if Oregon pulls a million tourists from Texas, and Texas pulls a million from Oregon, or New York gets a million from California and vice versa, or any other combination you want to name, won't this be about like everybody in Sonora trying to each other's laundry?

Understand, I don't blame the states for trying to pick up some tourist money, every state I ever heard of needs more revenue, and the people will strike out, but I hope no state is looking to me to help them out. Frankly, I ain't going. I intend to stay right here on this bitterweed ranch and see it on television.

Yours faithfully,  
 J. A.

## Fish Kill On Inks Dam Is Estimated Good

Biologists estimate that the selective fish kill performed on Inks Lake in Central Texas, March 1, was an average to good kill. Information based on a net sample after the treatment, and shoreline counts, indicate that about 60 percent of the fish removed consisted of shad, 24 percent were drum, and only 3 percent were game fish, primarily catfish, white bass and crappie.

Gary Wood, biologist in charge of the project, reported the first

## No Extension On Deadline For Vehicle Stickers

Col. Homer Garrison, Jr., Director of the Texas Department of Public Safety, announced today there will be no extension of the April 15 deadline for inspection of all motor vehicles in Texas.

"The April 15 deadline this year falls on a Sunday, a day when most inspection stations are closed," Garrison noted. "We are not asking these stations to remain open on that day, and, under the law, there can be no extension of the deadline."

He said approximately 2,000,000 vehicles in the state remain to be inspected during the remaining 10 weeks of the 1962 inspection period. He urged motorists to get their inspection stickers early, pointing out that as the deadline approaches waiting lines will begin forming.

"We would like to point out that the purpose of motor vehicle inspection is to discover any defect that might become a link in a chain of events leading to an accident," the DPS Director said.

night's netting showed that approximately 85 percent of the lake's shad were eliminated during the kill. Most game fish affected by the rotenone treatment were channel cats from 8 to 12 inches in length.

No drum were taken in the nets; however, since this species is difficult to catch in nets, it's impossible to estimate accurately the percentage of drum removed. Nevertheless, biologists feel certain that the drum population in Inks was greatly reduced.

About 43 percent of the net take was channel catfish. All

Among out-of-town Fling Ding guests were Mr. and Mrs. E. G. Cauble, Jr. of Big Lake.

Mr. and Mrs. Curt Schwiening had visiting them last weekend their daughter Aline of Austin and their son Curt, Jr., a student at Sul Ross State College.

Mr. and Mrs. Ford Allen were in Austin several days this week on a business trip.

Mr. and Mrs. John Lockett of Junction were Fling Ding guests of Mr. and Mrs. Nolan W. Johnson.

"It is encouraging to note that since the inspection program began in 1951, vehicles having a defect that was a causative factor in fatal accidents decreased from 13 per cent to three per cent."

Under the law, persons operating vehicles without the 1962 inspection sticker on and after April 16 are subject to arrest. Authority to enforce the provisions of the Texas Motor Vehicle Inspection Act is vested in the patrolmen of the Department of Public Safety, Sheriffs and their deputies, and city policemen.

other game fish ratios netted were about as expected, very favorable.

The small lake had been lowered to about half capacity at the time of the kill, primarily for vegetation control. Since a regular survey on the lake over a two year period pointed out a need for a selective shad kill, biologists took advantage of the situation by treating the lake in the half-full stage. Most of the two weeks prior to the kill were used taking lake measurements, collecting and testing equipment, and planning the work.

## TSGRA Directors To Meet March 23-24 In San Angelo

C. G. Scruggs of Dallas, president of the Southwest Animal Health Research Foundation, will be the featured speaker at a leg-of-lamb luncheon highlighting the spring quarterly meeting of directors of the Texas Sheep and Goat Raisers' Association in San Angelo Saturday, March 24. Registration begins at ten o'clock Friday morning at the Hotel Cactus, headquarters for the two-day meeting. The screwworm control program and the Kennedy admini-

stration's proposed common market program (reduction of tariffs) to offset the anticipated effects of the European Common Market are to be given priority at the meeting. Committee meetings are set for two o'clock and four o'clock Friday afternoon and the general session is to be held at 9:30 Saturday morning.

E. G. Cauble, Jr. of Big Lake, association president, is anxious for a good attendance since this will be the first opportunity for many members and directors to see the new headquarters home of the association.

Members of the Auxiliary, of which Mrs. James Baggett of Ozona is president, will also meet Friday and Saturday with a full program scheduled.

## Cancer Education Program Chairman Announces Plans

Mrs. J. F. Howell, chairman of the education committee of the Sonora Unit of the American Cancer Society, announced this week the cancer education program which her committee has scheduled for the remainder of March and the first part of April. A concentrated effort is being made to emphasize the importance of knowledge in the prevention and early detection of cancer.

Two films were shown to high school students Monday, March 19. Doyle W. Morgan, a member of the committee, was in charge of these films. One, "To Smoke or Not To Smoke" was shown the entire student body and another, "Breast Self-Examination" was shown for junior and senior girls.

Morgan also showed the film on smoking at the Tuesday, March 20, meeting of the Sonora Lions Club.

Future plans include a lecture by Dr. Joe L. Cornelison of San Angelo on Thursday, March 29. The lecture is open to all women of the community and will be held at the Woman's Club building at three o'clock.

On Tuesday, April 3, Dr. R. M. Cavaness, president of San Angelo College, will speak at the Sonora Parent-Teacher Association. A member of the District Education committee, Dr. Cavaness will speak on the importance of cancer education.

## First Baptist To Hold Revival March 25-April 1

The First Baptist Church will hold a revival meeting Sunday, March 25, through Sunday, April 1, according to the Rev. Alvin Loiry, pastor. Dr. Milton Bradford, pastor of the First Baptist Church of Del Rio, will be the Evangelist and Mr. Edwin Peoples, assistant pastor of the First Baptist Church of Waynesville, Missouri will be song director. Dr. Bradford and Mr. Peoples were here together in the spring of 1960 for a revival at the church.

Special emphasis services scheduled during the week include a Men's Brotherhood breakfast at seven o'clock Thursday morning, March 29, and a Youth Emphasis service at 7:30 Friday evening, March 30.

The revival will begin with the 7:30 evening service Sunday, March 25, and conclude with the eleven o'clock service Sunday morning, April. Services will be held daily at ten o'clock each morning and 7:30 each evening.

The Rev. Alvin Loiry, pastor, extends a cordial invitation to the entire community to attend.

Troy Selzer, also a member of the local committee, will show two films at the Tuesday evening, April 3, meeting of the L. W. Elliott, PTA.

## YOUR MINISTER SAYS

By Rev. Alanson Brown, rector St. John's Episcopal Church

Why is money such a problem to people? We either don't have enough (we think), or it appears others have too much. Really, nobody has too much because no how much anybody has, I am sure the need is felt for more. My observations tell me that the more resources one has, the more obligations one assumes. So we are neither rich or poor but just relatively poor!!!

The difficulty is still there, however, that as a man I am in charge of getting some money together and my wife is irresponsibly in charge of spending it!!! It's like trying to fill up a feed sack with a large hole in it.

The root of the problem really is not money. The problem is man himself and his use of money. We should always ask ourselves if we see money as an end in itself or as a means to an ample living!!! If we see money as an end in itself, then we are probably more interested in money as a mark of status and power. However, money is

cold comfort in times of stress and suffering. We cannot buy friendship and love; these are bought by spending our energy in friendship and love of others.

The tight-wad is a tight-wad no matter how much money he has. The man who is generous is generous no matter how much money he has. A man who handles money well is a man who has entered deeply into the knowledge of what it is to be a man and, I think, most likely a man who knows God in Christ. Only as a man dwells in Christ is he able to come to terms with himself and, incidentally, with money!!!

## San Angelo Doctor To Speak March 29 On Cancer

The Education Committee of the Sonora Unit of the American Cancer Society will present Dr. Joe L. Cornelison of San Angelo at the Sonora Woman's Club building at three o'clock Thursday afternoon, March 29.

Dr. Cornelison will speak to the women of Sonora and Sutton County on "Cancer of the Female". A specialist in the field of women's diseases, gynecology and obstetrics, Dr. Cornelison is currently associated with Doctor's Clinic in San Angelo. He is well qualified to act as speaker and consultant, having had a number of years in his field of practice.

Mrs. J. F. Howell, chairman of the Education Committee, is requesting presidents of all women's groups to keep this date open and to urge their members to use this time to become more informed along this line of health care. She also stressed that the meeting is open to all women of the community and is being sponsored jointly by the Sonora Woman's Club and the Lillian M. Hudspeth Memorial Hospital Auxiliary.

Mr. and Mrs. Bill Lee of Kerrville were here Friday for the Fling Ding.

## Miss Nelda Hammett, John Ed Nevill Married In Carlsbad Ceremony March 13

Miss Nelda Hammett, daughter of Morris Hammett and Mrs. John Millman of Carlsbad, New Mexico, became the bride of John Ed Nevill, son of Mr. and Mrs. T. K. Nevill of Sonora Tuesday evening, March 13. Bethel Baptist Church of Carlsbad was the

scene of the ceremony which was read by the Rev. Ben Moffitt, pastor.

The bride wore a white suit and carried a colonial bouquet of pink carnations. Miss Lorna Austin and Donnie Letsinger, both of Carlsbad, were the only attendants.

Following the ceremony a reception was held in the home of Mr. and Mrs. Walter Allen, uncle and aunt of the bride. The bride's table was laid with a lace cloth over pink net and centered with an arrangement of pink carnations flanked by pink candles.

Mrs. Nevill is a 1959 graduate of Carlsbad High School and has been employed by a Carlsbad drug company since her graduation. Her husband is a 1958 graduate of Sonora High School and attended Texas Christian University in Fort Worth.

The couple is at home in San Diego, California, where Nevill is stationed with the United States Navy.

Mrs. T. K. Nevill, Mrs. Rena Trainer and Bob Nevill attended the ceremony.

**HIGH LIGHTS AND SIDELIGHTS FROM THE STATE CAPITOL**

By Vern Sanford  
Texas Press Association  
Capital newspapermen quizzed candidates for lieutenant governor at a Sigma Delta Chi dinner and found wide variety in the answers.

At a prior meeting the professional journalism society had quizzed the gubernatorial candidates.

Big news of the session was the unanimous opposition to legalizing pari-mutuel betting on horse races. Texas voters will have an opportunity to express their own views on this subject at the May 5 primaries.

Rep. V. E. "Red" Berry of San Antonio got this issue listed on both the Democratic and Republican primary ballots by presenting both political party headquarters with petitions signed by more than 200,000 persons. Petition asked the legislature to give the people an opportunity to vote on pari-mutuel betting.

Further questions to the candidates at the newsmen's dinner revealed diverse opinions on repeal of the poll tax as a prerequisite for voting. Four favored repeal; two opposed it. Senator Preston Smith and Bill Hayes were the opponents.

Candidates present at the meeting were Senators Preston Smith, Jarrard Secrest, Crawford Martin and Robert Baker, all democrats, and Bill Hayes and Kellis Dibrell, republicans. Speaker James A. Turman, the seventh candidate, was absent.

Former Lt. Gov. Ben Ramsey moderated the discussion. He closed the session with a comment that most people underestimate the importance of the job of lieutenant governor. Because all state policy is made by the Legislature, the lieutenant governor is of prime importance. He presides over the Senate, names the Senate committees, and decides which committees will handle bills. Thus he has almost absolute control over the course of legislation—which is state policymaking.

POLL LISTS HIGH—It seems like there's a record number of candidates running for state and national office this year. There also appears to be a record number of potential voters.

A recent count showed 2,373,857 Texans paid poll taxes or filed for exemptions this year. That's 218,212 more eligible voters than last year.

With 15 county totals still due at the State Comptroller's office, including some big cities, the list may exceed the record-setting 2,594,254 who paid to go to the polls in the 1960 presidential election.

All poll-tax payers who show up at the May 5 primaries will answer the big question: Do they want to keep the poll tax as a voting requirement?

Their answers on primary tickets of both parties should be a representative decision on the long-battled subject.

Attorney General Rules-Angelina County Attorney Dan Brazil asked Attorney General Will a man become precinct chairman who is elected in a May primary can take office immediately.

He was told that even though a man become precinct chairman without a run-off, he must wait until the Saturday after his county run-off election before he assumes his new duties.

**PERSONALS**

Mr. and Mrs. Duard Archer of San Angelo were in town for the Fling Ding.

Among those from San Angelo attending the Fling Ding were Mr. and Mrs. Al Sledge, Mr. and Mrs. Woodrow Herbert, Mr. and Mrs. Bubba Brown, Mr. and Mrs. Blake Duncan, Mr. and Mrs. George E. Allison, Tom Wallace and Miss Carole Cottingham, Mr. and Mrs. Donald Goss, Mr. and Mrs. Dave Barrett, Ernest G. Woodward and Mrs. Allan Guthrie, Mr. and Mrs. E. Y. Murphy and G. C. Magruder.

Mr. and Mrs. Buster Dooley of Brackettville were among the guests at the Fling Ding Friday night.

Mr. and Mrs. John Morgan Davis of Rocksprings were among those attending the Fling Ding dance Friday night.

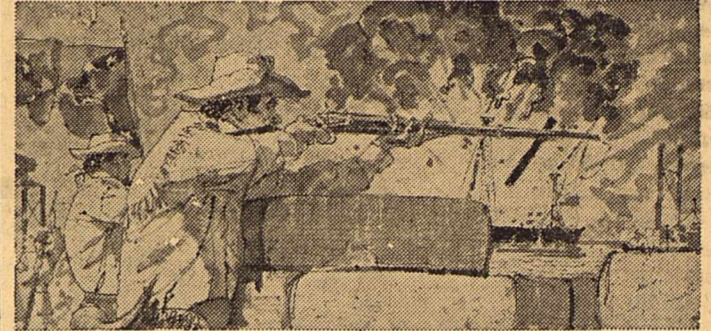

**Office Supplies At News Office**

Attorney general also ruled that the "banking escheat" law calls for bankers to advertise for missing depositors in May of this year.

He also interpreted the criminal code to read that a justice of the peace cannot collect a \$4 trial fee if the case at hand is dismissed.

**It happened 100 YEARS ago**

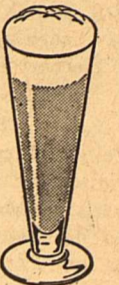

The oldest incorporated trade association in the country, the United States Brewers Association, was organized in 1862 . . . the same year that

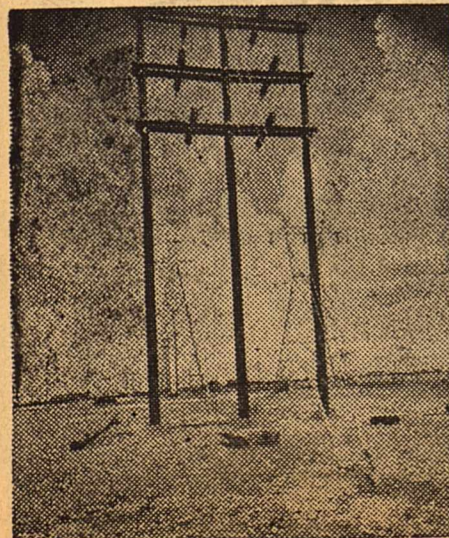

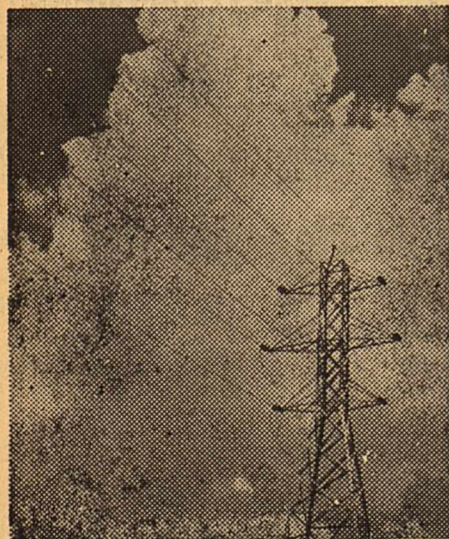

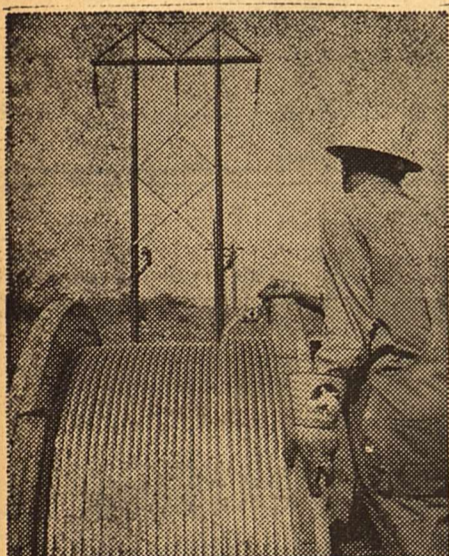

IN TEXAS . . . near Galveston, Confederate General J. B. Magruder piled cotton bales on the decks of little river boats. These famous "cotton clads," manned by the 26th Texas Cavalry, trounced the Federal war fleet then holding Texas' largest port. As the war ships hastily departed, the event was toasted in good Texas-brewed beer.

For then, as now, beer was the traditional beverage of moderation—light, sparkling refreshment that adds a touch of Southwestern hospitality to any occasion. Texans have always enjoyed the good fellowship that goes with every glass.

TODAY, in its centennial year, the United States Brewers Association still works constantly to assure maintenance of high standards of quality and propriety wherever beer and ale are served.

Impala Sport Coupe—here's about everything you'd expect of an expensive car—except the expense.

## the car that gives you more to be happy about (right up through trade-in time)

More car for your money when you buy, more money for your car when you trade! That's our Jet-smooth Chevrolet with rich, comfortable interiors that make you feel kind of pampered. Body by Fisher craftsmanship that pleases the perfectionist in you. Vigorous V8's or a savings-savvy 6 you'll get a kick out of bossing. Space (and how!), grace and a ride so gentle you'll think all the bumps have gone into hiding. Comes trade-in time, you still sit pretty because you're handing over a Chevrolet—which year after year brings a higher resale return than any other full-size car in its field.\* More? Plenty—as your dealer'll happily tick off for you. **JET-SMOOTH CHEVROLET**
