Broncos Capture Third Place Honors In Big Lake Tourney Last Weekend

Sonora High School's basketball team won the third place trophy in the Big Lake invitational tournament held at Reagan County High School gymnasium last weekend. The host school won championship, Brady High Schools second and Lake View High School of San Angelo, fourth.

Sonora's Primo Gonzales was named to the All-Tournament Team, scoring a total of 71 points in the four games Sonora played. Other named to the honor team were Jerry Hilton of Del Rio, Mike Holmes of Big Lake, Harold Anderson and Bubba Harris of Brady, Mike McBride of Marhart, Pat Kvapil of Miles, Philip Thompson of Crane, H. K. Elrod of Forsan and Joy Probert of Lake View.

The Broncos got off to a grueling start, playing two games on Friday. In the morning game, the Broncos downed the Wink Wildcats 51 to 46. Sonora scored 14 points in the first quarter to the Wildcats' 9 and maintained a 27 to 18 lead at the half. However, in the third period, Wink blasted back, scoring 18 points to the Broncos' 6 to lead 36-33. The Broncos rallied in the final quarter, scoring 18 points to Wink's 10 for the final 51-46 tally. Primo Gonzales was high point man for Sonora with 20, Bill Elliott had 10 and Johnny Glascock and Tino Noriega 8 each. Wink's Jenkins paced the losers with 13.

Friday afternoon the Broncos scored their second win, defeating Christoval 55 to 49. The two teams were tied 15-15 at the end of the first quarter but the Broncos scored 17 points to take the lead which they never lost. Gonzales again led the scoring with 24 points. Noriega had 12 and Glascock 8. Bivins was high point man for Christoval with 23.

In the semifinals the Sonora team suffered its only loss to the tournament, this a 63-47 loss to the champion Big Lake cagers. Big Lake took the lead in the first quarter and at half-time the

score was 30-21. In the final quarter the Broncos made a valiant effort, scoring 19 points but were unable to overtake the Owls. Gonzales had 15 points for the Broncos and Glascock 9. Adams led the Owls with 21.

Vying for third place against the Lake View Chiefs, the Broncos played what was perhaps their closest game of the tournament. The first quarter saw the Sonora team leading 17-14 and the two teams tied 25-25 at the half. Sonora scored 14 points in the third period to lead 39-25 and another 19 in the final quarter to tally the 58-50 victory. Gonzales again paced the Broncos with 23 points, Noriega had 18 and Nevill 12. Probst of Lake View was high for the Indians with 22.

The Broncos next game is Friday night, January 11, in Mason with the freshman game slated for 6:30 and the varsity game for eight o'clock. Next home game is Tuesday, January 15 with Big Lake.

Ranchers Reminded Doe Permits Due By February 1

Ranchmen are reminded that Friday, February 1, is the deadline for turning in doe permits to the local representatives of the Texas Game and Fish Commission.

Permits may be turned in to Calvin Van Hoozer or may be left at the Chamber of Commerce office. Ranchmen desiring to mail in their permits may address them to Van Hoozer at Post Office Box 132, Sonora, Texas.

Mr. and Mrs. Leo Bishop of Rocksprings were Sonora visitors Tuesday.

Mrs. Curt Schwiening is visiting in Fort Worth with her son, Curt Schwiening, Jr.

Music Club Movie Tells Story Of Opera Composer

The Sonora Music Club met at the La Vista Theatre this past Tuesday evening for the viewing of "Magnificent Melody."

Mrs. R. Q. Harris, Mrs. Herbert Fields and Mrs. W. L. Davis were hostesses. Popcorn and cokes were served to approximately 30 members and guests in attendance.

"Magnificent Melody" reportedly lived up to its name in plot and music, according to members. The filmed story of Pietro Mascagnia and his writing of the score of "Cavalleria Rusticana" was brought here by the Music Club and presented through the courtesy of H. D. Brown Theatres.

Doc Scott Builds Smoked Turkeys Into Nationwide Order Business

From picking turkey feathers for a customer to marketing 2,500 smoked turkeys annually is the success story of the local food locker, which now ships to New York, Washington, D. C., New Jersey, California and any point on the map as requested.

The smoked turkey business began in Sonora just five years ago, when Doc Scott agreed to dress some turkeys. Through trial and experiment, he came through with the thriving business of today. Scott buys all of his turkeys locally. They are all of the baby-beef variety. Smok-

Annual Conservation Essay Contest Announced By Edwards Plateau SCD

The annual conservation essay contest for students will again be sponsored by supervisors of the Edwards Plateau Soil Conservation District. The supervisors were joined in the awards by the Sonora Wool and Mohair Company, which enabled a separate contest to be set up for Junior High and Elementary school students.

The subject for the 1963 essay contest is "Conservation—A Way of Life". All local essays will be completed by February 8, judged for local prizes, and the best essays sent to Fort Worth to compete in a statewide contest.

The State winner will receive \$200 cash, and 50 trophies and pins will be awarded to near winners. Sonora has had two State

PTA Dads Hear Panel Discussion On Disaster - Civil Defense Tuesday

How much radiation can people take? What are the effects? What local preparations are being made to detect and combat fall-out effects? These were timely questions directed to the Dads of the PTA panel this past Monday night in Central Elementary School cafeteria.

Ralph J. Finklea, principal, moderated the panel made up of Boyd W. Lovelace, E. B. Keng and Charles F. Browne, M.D., Sutton County Health Officer.

It was stressed that the family unit is the responsible one in disaster-civil defense, which is organized jointly in Texas. E. B. Keng demonstrated three instruments used for detecting and measuring radioactivity. It was brought out that Sonora is one of the safest areas due to remoteness and favorable prevailing winds, but that the greatest danger may come from lack of organization and panic from the

influx of out-of-town visitors. This was demonstrated during the recent Cuban situation, when people flocked in to examine the caverns and this reported "safe" section. Space is still available in the non-growing habitable part of the Caverns.

It was announced the headquarters of the local civil defense-disaster activity is in the basement of the Sutton County Courthouse, which has the best rating for building safety in this area.

Questions were directed to the panel from the audience in this informative session that ran overtime due to interest, in spite of other meetings in the offing.

Mrs. Doyle Morgan's Fourth-fifth Grade won the banner for having the most dads in attendance.

Pie and coffee was served. Pies were furnished through the hostesses. Continued To Back Page

Sutton County has compiled a record of three consecutive years free from fatal highway accidents, according to figures released by the San Angelo Sub-District of the Texas Department of Public Safety. Sutton County is the only county in the sub-district with a record of no rural fatal traffic accidents for any of the years 1960 through 1962.

December 1962 was also free of accidents in which any persons were injured although four accidents involving property damage in the amount of \$1,865.00 were recorded. Area-wide, eight persons were killed in six fatal accidents and another 42 persons injured in 23 accidents. Another 50 accidents in-

involved \$48,348.00 in property damage.

The year's end found Sutton County reporting 20 persons injured in 13 accidents as compared to 24 persons injured in 16 accidents in 1961. In 1962 \$29,565.00 in property damage was suffered in 15 accidents while 1961's property damage amounted to only \$16,070.00 in eight accidents.

The San Angelo-Sub-District reported a total of 789 accidents in 1962 as compared to 870 in 1961. Forty-four persons were killed in 38 accidents and an additional 425 persons injured in 233 accidents. 518 accidents involved property damage in the amount of \$659,563.00 during 1962.

Scott Jacoby Shows Grand Champion At Odessa Livestock Show Last Week

Scott Jacoby, son of Mr. and Mrs. Philip Jacoby, exhibited the Grand Champion Fat Lamb at the Odessa Livestock Show held there last week. Scott also showed the first place medium weight lamb and the 10th and 15th place heavy weight lambs.

The Sutton County 4-H Club won top honors for its pen of five lambs.

Other placings in the Odessa show were: Ray Glascock, second place heavy weight lamb; Royce Mears, third medium

weight lamb; Mark Jacoby, fourth and 15th place heavy weight lambs; and Martha Love, 16th and 17th medium weight lambs.

Attending the show were Martha Love, Scott Jacoby, Mark Jacoby, Ray Glascock, and Royce Mears. Parents accompanying them included Edges Glascock, Mr. and Mrs. Preston Love and Mr. and Mrs. Philip Jacoby.

St. John's Names New Vestrymen

St. John's Episcopal Church held election of parish officers and a luncheon this past Sunday at noon.

Vestrymen elected for three-year terms are: George Barrow, Armr Earwood and W. B. McMillan. Officers of the women's work are: Mrs. W. J. Fields, Jr., president; Mrs. Raymond Morgan, vice-president; and Mrs. Lawrence Finklea, secretary-treasurer.

The Rev. James C. Billingsley, rector, appointed W. B. McMillan senior warden.

54 Changes Made In Listings Of Sutton Businesses

During the past year 54 changes were made in the Dun and Bradstreet reference book listings of Sutton County businesses, according to A. J. Hemp-hill, district manager of the company's Fort Worth office.

The changes included 15 names added, 14 names deleted and 25 changes in the ratings of continuing businesses.

Sutton County changes are about even with the rest of the country where a change of business significance is counted about every five seconds.

Trophies, Medallions, Ribbons Ready For Sutton's 16th Livestock Show

Joe Bryan Donaho To Preach Sunday

Joe Bryan Donaho, senior student at Austin Presbyterian Theological Seminary in Austin, will be guest pastor at the Sonora and Roosevelt Presbyterian Churches Sunday, January 13. He will preach at the eleven o'clock morning service in the Good Shepherd here and the seven o'clock evening service in the Roosevelt Presbyterian Church.

Donaho received a bachelor of arts degree from Texas Christian University in 1960. He was a member of the English Club, the Chapel Choir, the Greek Council of Chaplains and Sigma Alpha Epsilon fraternity. He is married to the former Miss Kay Ferguson of Palestine. Donaho has his church membership in the First Presbyterian Church of Bryan.

Members of the Sutton County 4-H Club will be competing for 14 trophies and two medallions to be awarded champion and grand champion animals in the club's 16th annual Livestock Show to be held here Saturday, January 19.

The medallions, presented by the Texas Sheep and Goat Raisers' Association will be awarded the Grand Champion Fat Lamb and the Grand Champion Registered Ram exhibited in the show.

Trophies will be presented by local and out-of-town businesses in the following divisions:

Grand Champion Fat Steer by First National Bank of Sonora; Champion Crossbred Lamb by The Ruth Shurley Jewelry; Champion Finewood Supply by Sonora Feed and Supply; Grand Champion Fat Lamb, Nathan's Jewelry; Grand Champion Registered Ewe, Burrus Feed Mills; Grand Champion Registered Ram, Stockmen's Feed Company; Grand Champion Pen of Three Fat Lambs, Humble Oil and Re-

fining Company, Marion Elliott, agent; Grand Champion Commercial Sheep, Evans Footway;

Grand Champion Pen of Three Commercial Ewe Lambs, Sonora Wool and Mohair Company; Showmanship, Federal Land Bank Association of Sonora; Glascock Production Award, Edgar Glascock; Champion Quarter Horse Filly Colt, Sonora Park Association; Champion Quarter Horse Stud Colt, Sonora Park Association; Grand Champion Quarter Horse, Mr. and Mrs. L. P. Bloodworth, Jr.

Ribbons are presented by the Sonora Lions Club.

The show will begin at eight o'clock Saturday morning with sifting of lambs and showing of breeding sheep. Fat lambs will show at 9:30 and steers at 1:30 in the afternoon. The Quarter Horse show will be held at 2:30.

The free barbecue, ordinarily held at noon, will be served at six o'clock Saturday evening and will be followed by the auction sale and presentation of awards.

US Mails Bring Happy Ending To Young Romance

The U.S. Mails moved slower than pony express this past week for two young people in Sonora.

Bobby Shotwell, age 16, and Julia Hands, aged 17, had complied with the necessary preliminaries for getting a marriage license except parental consent in a notarized form. The important paper arrived Tuesday in an airmail letter from Mr. and Mrs. Burt Hands of Hereford.

The wedding was performed Tuesday evening by the Rev. Bob Brackney in the home of the groom's parents, Mr. and Mrs. Thomas W. Shotwell on the Herbert Fields Ranch. The young couple left immediately for Paint Rock, where the groom is employed.

THE WOMEN' PAGE

Congratulations To These New Parents

Mr. and Mrs. Paul F. Law of San Antonio have announced the birth of a daughter, Judith Neill, at Nix Hospital in San Antonio Saturday, December 22, and weighing six pounds, one ounce at birth.

Welcoming the new sister is one brother, David, aged 20 months.

Grandparents are Mr. and Mrs. George H. (Jack) Neill of Sonora and Mr. and Mrs. A. B. Law of Georgetown.

James Earl Clark, weighing in initially at five pounds and nine ounces, was born at Lillian M. Hudspeth Memorial Hospital on December 19 to Mr. and Mrs. Bob Clark.

The father is home on a 30-day emergency leave from Midway Island, where he is stationed with the United States Navy.

Mr. and Mrs. Earl Clark, formerly of Sonora, now of Coleman, are the paternal grandparents. The grandfather was formerly a Sutton County deputy

La Diabla

By Lindy Groda

Know what flair is? Ruth Shurley tells of a hat designer, who presented a customer with one of his originals. The customer asked the price. The reply, "Forty dollars."

"Forty dollars! Why, it's nothing but a bunch of ribbon."

"Madam," the designer slowly, deliberately pulled some threads, letting the dis-entwined ribbon fall into the woman's lap. "Madam, the ribbon is free."

Did you know that Dr. Hardy and his wife, Alice, went to Big Spring High School with Cecil Westernman; and they have all remained good friends through the years? Did you know that the Rev. Bob Brackney used to be an advertising man on a daily? Did you know that the Rev. Arno Melz, Lutheran minister, is said by many to resemble Father Godfrey, who used to be a priest here? Most of you know by now that Pat Billingsley (Mrs. James C.) and Pat Merrill (Mrs. Leo) knew each other as children, but did you know that Jake Billingsley and my husband were born on different sides of the Brazos River about the same time, later went to school in adjoining Pasadena and La Porte, but never met until now?"

Lifted from the Bronco: Did you know that the devil who backed into a lawnmower went into a liquor store afterward, because he heard they retailed spirits? In the same issue, two boys were returning from Sunday School. One said, "Do you believe all that devil stuff?"

"Naw," said the other, "it's just like Santa Claus. He's really your old man."

Did you know the devil is called the father of the liar in John 8:44? "Depart from me, ye cursed, into everlasting fire, prepared for the devil and his angels," in Matthew 25:41 explains how long. But, how long is ever? Simple . . . until you remember that forever was commanded for the Passover and other ordinances. Christ is, of course, our

Duo-Pianists Slated For Feb. Woman's Club Meet

Passover. Does forever mean forever? How everlasting is everlasting? Long enough. Long enough and then some, we'll bet.

"Do we have to hold up our puny shields before God's Truth?" was a recent statement from a local pulpit. Be ready to give an answer for the hope that's in you, but the Word is its own sword of the Spirit. It needs no real defense except use. Sometimes, our opinions need defense, not use. Mine do. The same speaker, which was Presbyterian seminary student, John Otey, said something else about "God's Word written large in human flesh across the pages of History." We miss our egghead (humpty-dumpty on our part) discussions with John.

This column sounds like all questions. There is an answer here, called KCKG, which does answer a real need in this community. Radio is having an uphill climb even in the large cities, and our hat is off to Albert and Cynthia Ward for bringing the broadcast business home. We ask, and receive and forget to say, "thank you" when Albert runs speeches, music and things we request. This is "thanks" for the next dozen weeks, when KCKG will be carrying one of our favorite speakers, George Bailey on the "Herald of Truth" each Sunday at 4:05 pm. We heard him at Lions-PTA last fall and found him humorous and inspiring.

Radio and newspapers, competitors in advertising and news, often fight, but nobody seems to fight in Sonora. As an ex-broadcast press agent, we've had our troubles along that line. We've also listened to, seen and written up more than our share of radio personalities. We pick Corky Fields as the most promising young radio voice we've heard in a long time. This boy is sound business. My little boy used to say, "Mama, are you telling the truth or are you promoting?" It's a good feeling to say something, because you want to. It's good to write fact, instead of fiction that's supposed to sound like it.

BIRTHDAY PARTY HONORS MELINDA EARWOOD DEC. 27

Mrs. Armer Earwood entertained with a party for her daughter, Melinda, the afternoon of December 27, her sixth birthday.

Red and white streamers with balloons hung from the chandelier, carrying out a circus theme. The cake, decorated as a carousel, was served with pink lemonade. Clown hats, clown ruffs and whistles were favors for the young guests as follows: Karen-Kemper, Debbie Howard, Cathy Ward, Patty Brackney, Edward Earwood and Frank Brown.

Mothers attending were Mrs. Charles Howard and Mrs. Albert Ward. Elsie Earwood assisted in serving and directing games.

Scanning The Movies This Week

Would you kill for love, for hate, for mercy? Woman doctor Susan Hayward does the latter in "I THANK A FOOL". But who is thanking whom? There's the woman who would kill for love . . . the wife who would give her life for love . . . and the husband who decided to look elsewhere. Peter Finch is the prosecutor who hounds Susan straight into prison. Does society have mercy on a mercy killer? Diane Cilento and Cyril Cusack help answer the interrogation in this story.

Susan Hayward and Peter Finch in a scene from "I Thank a Fool," dramatic story of a woman doctor who has been sent to prison for a "mercy killing" and subsequently becomes involved with the prosecutor who had hounded her. The Metro-Goldwyn-Mayer picture, in CinemaScope and color, is based on Audrey Erskine Lindop's best-seller novel.

"MURDER SHE SAID" . . . mercilessly . . . follows the mercy killing story this week in Sonora. It stars Margaret Rutherford and Arthur Kennedy.

Murder is not murder if done in large number to the roll of drums with flags waving . . . or words to that effect . . . was the way somebody or other described it. "THE 300 SPARTANS" did not say it, but they lived it as they defended the mountain pass of Thermopylae against a Persian army of five million in 480 B.C. The star in this picture, Sir Ralph Richardson says

of this battle, which has been compared to World War II's D-Day: "This was a turning point in history, one of those happily infrequent moments when the forces of freedom square off for a showdown with totalitarianism. And in both cases the armies of tyranny had the upper hand."

When the city-state of Sparta is warned, the Greek rulers all assemble. Majority opinion favors unconditional surrender to the Persians. But King Leonidas of Sparta declares he will check the Emperor of Persia, Xerxes, until the Greeks are mobilized. The Greeks lost, of course, but inspired by Spartan defense they united to later defeat Xerxes, whose Bible name was Ahasuerus. And the history of the world was written . . . as it was by D-Day, the A-bomb and the absence of Spartan drive in 1963 A.D. Richard Egan, Diane Baker, Barry Coe, David Farrar and Anna Synodinou star in "THE 300 SPARTANS".

Would you be shocked or pleased, or both, to know that the gutsiest motion picture ever made is coming to Sonora? We've heard lots of Hollywood claims in our day, but this one is the gutsiest! And it might be at that with Jackie Gleason in the cast of "REQUIEM FOR A HEAVYWEIGHT." It's written by Rod Sterling and produced by David Susskind. You might almost say it is the "televisionist" picture ever produced, except this is a moving movie column . . . and we are sticking to "gutsie".

Formal Dance Honors Daughters

Mr. and Mrs. Edwin Sawyer and Dr. and Mrs. Charles F. Browne entertained at the 4-H Center on December 23 with a formal dance for their daughters, Jane Sawyer and Brenda Browne. Guests were the Sixth and Seventh Grades of Central Elementary School and the Browne's house guest, Jamie Lois Taylor, daughter of Mr. and Mrs. Noble Taylor of Del Rio.

Cookies, sandwiches and punch were refreshments. Holiday decorations decked the hall. Judges for one of the season's most lively and competitive dance contests were Mr. and Mrs. Norman Rousselot, Mrs. Vestal Askew and L. P. Bloodworth.

Prizes were awarded to the following winners. Straight twist: Ed Lee Renfro and Terry Trainer. Waltz contest: Linda McBride and John K. Wilson tied with Mike Redmon and Gail Espy. Jitter Bug: Gail Espy and Guy Askew. Group Twist: Ed Lee Renfro, Dick Hamilton, J. V. Cook, Mike Watson, Shelly Morriss, Dale Selzer, Howard Minyard and Donna Parks. Free-for-all Twist: Jamie Lois Taylor and Guy Askew; Howard Minyard and Donna Parks.

St. John's Party At Fields Home Honors New Rector

The annual St. John's party was held the evening of December 27 in the home of Mrs. W. J. Fields, Jr. The annual party, held in honor of the patron saint of the local Episcopal Church was this year combined with an open house for Rev. and Mrs. James C. Billingsley.

Mrs. W. B. McMillan, Mrs. Fred E. Fields and Mrs. Marie K. Ellis assisted in serving. The serving table was covered with a pink Christmas cloth. Pink poinsettias in a silver and crystal epergne and pink candles formed the table arrangement.

About 75 people called during the evening, including the former rector, the Rev. Alanson Brown and Mrs. Brown, now of Wichita Falls.

Motorists Urged To Shop Early For Vehicle Stickers

Col. Homer Garrison, Jr., Director of the Texas Department of Public Safety, today urged Texas automobile owners to "do their shopping early" this year to reduce the last minute rush for inspection stickers.

All vehicles coming under the provisions of the Texas Vehicle Inspection Act must secure the 1963 inspection sticker by April 15, 1963. After that date, vehicles not displaying the new inspection sticker will be operating in violation of the law and the operators of those vehicles

will be subject to arrest, Garrison said.

He reported that approximately one half of the inspection period has expired and about one fourth of the vehicles in the state have been inspected. Unless the number of inspections is increased appreciably soon, he added, long waiting lines will be forming at inspection stations as the April 15 deadline approaches.

"There are approximately 5,000 authorized inspection stations in the State and they are ready and capable of handling the inspection of all vehicles without delay if the owners of uninspected vehicles do not wait until the last few days before the deadline," Garrison said.

Mr. and Mrs. John R. Tedford were in San Antonio this week for a few days.

ATTEND CHURCH SUNDAY

Governor-elect John Connally has picked seven men to fill key appointments in his administration. Oldest of the seven is Crawford Martin of Hillsboro, who will be Secretary of State. And he is only a year older than the 44-year-old future governor.

Youngest appointee, 27-year-old Larry Temple of Austin, will be an administrative assistant. Teamed with Temple are 32-year-old Bill Fowler of Dallas, 38-year-old Frank Miskell of Austin, and 34-year-old Scott P. Sayers of Fort Worth.

Howard Rose, 32-year-old Mid-

land attorney, will be Connally's executive assistant.

Bill Cobb, 38, will be budget director. He's an Austinite.

Two of the appointees are carry-overs from the Daniel administration, to some degree. Martin served as state senator from Hillsboro for 14 years—through 1962. Cobb was chief examiner for the Legislative Budget Board from 1951 until 1962, when he became assistant executive director of the Texas Industrial Commission.

Fowler, Miskell and Sayers worked on Connally's staff while he was campaigning for governor.

BOARD REPLACEMENTS ANNOUNCED—Governor Price Daniel made numerous gubernatorial appointments at term's end. He has stated he will make no more appointments unless death creates a vacancy.

He named Milton Potts of Livingston, manager of the San Houston Electric Cooperative for the past 22 years, to the Texas Water Development Board, and he reappointed Marvin Shurbert of Petersburg to that board.

Daniel also appointed: Dan Melton, Lufkin insurance man, to the Neches River Conservation District board; Fred Mercer of Silvertown and Arville Setliff of Turkey to the Upper Red River Flood Control board.

Jack Douthitt of Sterling City, Dale Leddy of San Angelo and I. T. Youngblood of Bronte were reappointed to the Upper Colorado River Authority; J. W. Mullins of Coleman and Isaac S. Pate of Voss were named to the Central Colorado River Authority, and O. L. Cheaney of Santa Anna reappointed.

Mrs. James P. Hart of Austin (wife of the former chancellor of the University of Texas), W. R. Beaumier of Lufkin, and Vann

M. Kennedy of Corpus Christi were named to the Texas State Historical Survey Committee.

TURMAN SEEKS POST—James A. Turman, who ran for lieutenant-governor last year and lost, wants to return to his favorite field—education.

The 35-year-old Speaker of the House quickly advanced in the field of education before he became a legislator eight years ago. He earned a doctorate in education, then became assistant professor of education and assistant to the president at Texas Woman's University.

He has asked the Texas Commission on Higher Education to consider him a candidate for its post of executive director.

SCHOOL FUND STILL GROWING—The Permanent School Fund, that provided more than \$21,000,000 of non-tax money for use in public schools in 1962, now consists of investments totaling more than \$477,000,000.

Furthermore, it should continue to grow, since the current rate of return on corporate securities, treasury bonds and municipal bonds has increased from 3.38 per cent to 3.51 per cent.

In the past 25 years, the Fund has earned more than \$162,000,000 in interest through investments made by the State Board of Education.

RETURN OF DIGNITY—Speaker-elect Byron Tunnell of Tyler said he's going to restore dignity to the House, where legislation frequently resembles a trading boom at the New York Stock Exchange.

He warned legislators that they can no longer have secretaries work at their desks, and relatives will not be allowed to sit with them, except on very special occasions.

Cakes, Candles, Commemorations Light March of Dimes 25th Year

Throughout the nation this month, candles will be lit on birthday cakes to symbolize the 25th anniversary of the March of Dimes.

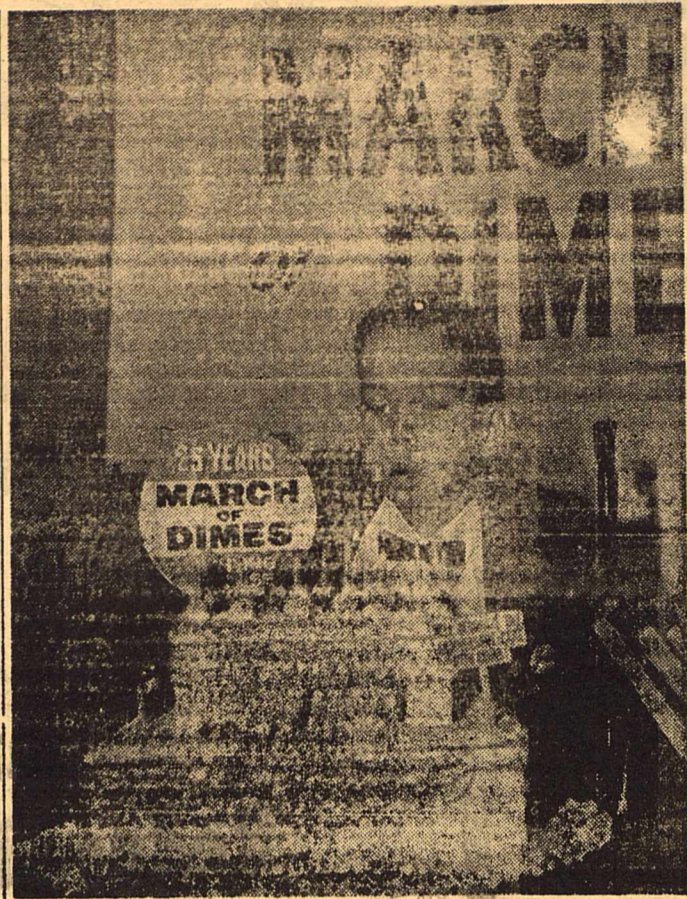

The cakes will range from real ones of conventional size to monster, multi-tiered models as much as 12 feet in height and 10 feet in diameter—the approximate dimensions of the one to be erected in New York City's famed Times Square. Guests at anniversary events around the country, where cakes will be of more modest proportions, will be invited to decorate them with coins for the March of Dimes.

Many "parties" commemorating a quarter of a century of disease fighting will be held at special treatment centers for birth defects, arthritis and polio which March of Dimes contributions are financing today in more than 40 cities across the U.S. Other gatherings will be held in county chapter offices of The National Foundation March of Dimes, in the homes of volunteers and elsewhere.

In many instances, guests at these campaign "kickoffs" will include governors or their wives, mayors and outstanding authorities in health fields. Other guests will be Americans of all ages who received March of Dimes aid during and after polio epidemics and outbreaks. Also present will be children and adolescents with birth defects or arthritis who have been treated at these March of Dimes centers.

To raise the millions required every year for patient aid and research in birth defects, arthritis and polio, each March of Dimes campaign is carefully planned many months ahead. There are millions of contribution envelopes and coin collectors to be distributed around the nation; hundreds of thousands of posters to be erected in every hamlet, town and city; two million volunteers to be organized for the Mothers' March (the climax to the campaign at the end of January), and March of Dimes films to exhibit to explain the work of the voluntary health organization.

Arrangements must be completed for the visit in January of the National March of Dimes

Jimmy Boggess, 3, of Coy, Ark., the 1963 National March of Dimes Child, blows out candles on birthday cake symbolizing first 25 years of aid to the crippled by the health organization.

Child—who this year is Jimmy Boggess, 3, Coy, Ark.—with President Kennedy at the White House and with various Senators and Congressmen and other dignitaries as well as with personalities of the stage, screen and television.

Special events for the March of Dimes are staged in all the big cities, many lesser ones and in some small towns. These include March of Dimes bowling tournaments, with "roll-offs" to select a national man or woman champion, fashion shows, auctions, telegrams, Coffee Days, Tag Days and street sales, neighborhood bread sales, air-lifts and a long list of sports activities.

The theme of this 25th Anniversary March of Dimes,

which is "Give for the Life of a Child," will be stressed in all these special events, and the story told of the first 25 years of the organization. Highlights of that story are:

Patients aided, 338,000; expended for the medical care program, \$385,500,000; for scientific research, \$73,600,000; and for professional education, \$38,000,000.

Basil O'Connor, president of The National Foundation March of Dimes, referred in a recent speech to the 25th anniversary of the health agency. "Most certainly we take pride in our past 25 years, and we rejoice. But deep down we really think of that quarter of a century as only the spring-board for our future."

Devil's River Philosopher Works Out A New System Of Telephone Numbers For The Entire World

Editor's Note: The Devil's River Philosopher on his bitter-weed ranch on Devil's River is worrying about a problem this week that so far hadn't bothered us.

Dear editor:

It has long been my theory that if the world keeps on acquiring more scientific knowledge and stacking up more history, the time will come when there'll be too much of the stuff for the human mind to master. A boy will have to go to school 65 years in order to learn enough to face the world the last few years of his life.

This theory has been underscored by an article I read in a newspaper yesterday afternoon which fell out of a car on the road near my house sometime New Year's Eve and which was only partly torn by broken glass. According to it, the telephone company has about run out of ordinary numbers for telephone listings, and instead of having to memorize two letters and five numbers, some subscribers now have to memorize seven numbers, if they want to dial home.

This is explained by the fact the number of telephones is increasing by leaps and bounds. In

fact, the number of phones in the world has doubled since 1951, and it's getting worse as more and more people are born. The United States alone has over 70 million, or 40 telephones per 100 persons. Russians have only 2 telephones for every 100 people, which is all right as they're generally afraid to talk over those.

But what I started out to do was figure out a solution for the telephone company. As I understand it, since there are only 26 letters in the English alphabet and there aren't many phones in China, the combinations of prefixes, using letters, is limited, and the possibilities have about been exhausted, hence the use of seven numbers, with the alphabet dropped altogether.

The solution to this problem is simple. Just start with the number 1 and keep going, with people having bigger and bigger numbers until the last man with a phone winds up with something like 123456789000000000000000.

You have no idea how much peace of mind a man could get with a telephone number like 123456789000000000000000. Yours faithfully, J. A.

Aliens Reminded They Must Register During January

J. W. Holland of the United States Immigration and Naturalization Service again reminds all aliens to report their addresses during January.

Cards with which to make the reports are available at the Post Offices and offices of the Immigration and Naturalization Service throughout the country. The reports must be submitted to one of those offices.

Parents or guardians submit reports for alien children under 14 years of age.

All aliens are urged to report before the end of January as willful failure to do so may lead to serious penalties.

What are you saving for tomorrow... besides money?

Any American who's read his history books knows it takes more than money to make the future secure. It takes freedom, too.

Just consider, for example, how little your saved-up dollars would be worth without the freedom to spend them as you wish. Consider how little the costly education you hope to give your child would be worth without his freedom to put it to use.

These are reasons why so many Americans are buying U.S. Savings Bonds today. Each dollar you invest in a Bond comes back to you 33 1/3% larger at maturity—but it does more. It also goes to work for your country. Bond dollars all together—yours and everybody's—make a tremendous and important fund Uncle Sam can use to stand for freedom all over the world.

With U.S. Savings Bonds, you save money—and the freedom to enjoy it, too. Good reason to buy some soon—and regularly, from now on.

The communists hope to overtake us economically. One way we can stay in front is to stay strong financially—individually and as a nation.

You won't find it printed on a Savings Bond, but one of its big benefits is the strengthening of freedom itself.

Keep freedom in your future with U.S. SAVINGS BONDS

GROWTH

All the facts, all the figures indicate that the Southwest continues to be one of the fastest growing regions in the Nation.

Since our service area is the Center of the Southwest, we consider this to be the most vital factor in our planning for 1963.

As your local tax-paying partner in the economic development of this community, we are ambitiously continuing to promote its business and industrial advantages.

For ourselves, our plans are designed not only to keep pace with area growth, but to stay ahead of it; to work with you and for you in developing GROWTH UNLIMITED.

-GREEN NEWS-

By Betty Jones

The Auxiliary Golf and Bridge Club luncheon is the third Wednesday of each month. Reminded myself about this today. The Golf Auxiliary will meet January 16. Hostesses for luncheon and bridge are Barbara (Mrs. Armer) Earwood, Billie (Mrs. Clarence) Cockrell and Jane (Mrs. Milton) Cavaness. Golf chairmen are Betty (Mrs. Bill) Stewart, Sammie Jean Espy and Bobby (Mrs. Lee) Pawcett. And guess I had better tell you that it has been Betty who "really" reports Ladies' tournament scores and I turn them in. Refuse to tell you the other "reporters" for Green News. Now, this should "add" to your next golf game, wondering if your golf partner is interested in what you say or how you play.

-GN-

Sunday afternoon golfers: Coaches Bob Painter, Bob Snodgrass, Dannie Hays and Jerry Hopkins. By the way, we admired Jerry's Christmas golf gifts—golf cart and bag. Dennis said they had walked 18 holes and played nine. His favorite fairway is the air strip because he gets to play it so often after teeing off on Number One. His comment on his golf game: "I'm leaving."

-GN-

Golfing family: The Clayton Hamiltons. Let's see, Clayton is one of the group which has the 375 time revolving trophy. While he is competing for the trophy chances are that Mary Jean will be out with the ladies since her favorite Christmas gift was a golf cart, clubs and bag.

-GN-

The James Hunts and Bill Stewarts are proud new owners of Golf Ball Retrievers received

from Les Strawn. Have you seen them? Just adorable.

-GN-

Am a fan of junior golfer Lawrence Holland. Believe we will see the unfolding of a golf pro. From where I sit his smooth swing and concentration show the earmarks of a winner.

-GN-

Speaking of a winner, just read on. Told you about Sammie Jean Espy winning all events in the last ladies tournament. Here is what she won: Ladies' Revolving Handicap Trophy, Medalist Trophy and Putting Trophy. Seems she tied with Ernestine Hext of Eldorado for the Putting Trophy, they had the play-off and—like I said, Sammie Jean won.

-GN-

Trophies and practicing—Pee Wee golfers are practicing for the trophy that Jo (Mrs. J. W.) Neville won. They gave her a badge of honor, though, when one of this set said, "I like Mrs. Neville even if she is a GIRL."

-GN-

Saw Max Hardegree out working on his green this week.

-GN-

Jim Attaway of McCamey will assume duties as manager and pro for the Club Monday, January 14. Highly recommended for this position, Attaway was assistant to pro Bennie Adams at the McCamey Country Club.

In conjunction with this work he was associated with a McCamey motor company. According to Attaway, he will start beginners' and advanced golf lessons next week on Wednesday and Saturday afternoons. Attaway and former manager Arnold Chambers had just finished a round of golf when I talked to them. Chambers said he shot a 35 and certainly wished golfers Les Strawn, J. W. Neville and Lonnie Taylor had been with him when he marked up that score.

Attaway said he really liked our course and it was one of the most attractive he had seen and that it plays good.

-GN-

Golf Club Recreation Area: Did you notice the "cook out" group Sunday afternoon? Those barbecue pits are wonderful. The coffee made in the can smelled and tasted good, too. The bridge and oak trees were perfect settings for the Cowboy and Indian games for Joe Wallace, Cleveland Nance, Scott Shurley, Taylor Jones, Bob Brockman, Roger Langford, Eddie Sutton, Bob and Lesa Whitehead and Debbie Howard. The coffee drinking group were the Charles Howards, Cubby Emdys, Bill Whiteheads and Sammy Joneses. Chocolate cake group: Jan McClelland, Joe Gail Willman and Pam Jones. Sorry you couldn't be there, Diana Cahill. Hope your new crutches are "working better" and the injured ankle is mending.

-GN-

Sunday afternoon twosomes: Red Nance and Jack Mackey, Dr. Charles Browne and Louis Davis.

-GN-

Bill Tittle had trouble keeping his eye on the ball. That's past history now. He has this golf golf tee and I won't give details about it because it might ruin his recent golf success.

-GN-

Monday afternoon twosome: Carl and Wanda Cahill. Louis Davis said he just sold his clubs for seven cents and it was a bargain for him. I didn't ask about his golf game after that statement.

-GN-

Have some more 20's and 30's golf tee and I won't give details next week.

MRS. EVANS COMPLIMENTED WITH PARTY SUNDAY

Mrs. Edgar Glasscock and Mrs. Dorothy Baker were hostesses in the Glasscock home this past Sunday afternoon honoring Mrs. Margie Evans.

A pastel arrangement formed the centerpiece. A white cloth was used. Salad and coffee were served. About 25 guests attended including Mrs. Evans' mother, Mrs. C. A. Tyler.

Mr. and Mrs. Clayton Bray accompanied Mrs. Sam Hull home last week. Mrs. Hull had spent the Christmas holidays in Dallas with the Brays.

Mrs. James C. Van Kirk, a recent graduate of Shannon School of Nursing in San Angelo, left the first of the year to join her husband, who is stationed with the Air Force at Fort George D. Meade, Maryland.

Mrs. Van Kirk nee Mary Templeton is the daughter of Mr. and Mrs. Harry Templeton. She graduated from Sonora High School.

Adjacent to the golf course to the Golf Auxiliary. This land lies between the golf course and the highway maintenance barns. The Auxiliary is most grateful to the Lowrey family for this offer.

FACTS ABOUT CREEP - FEEDING CALVES

A DEVELOPING CALF NEEDS AN INCREASING AMOUNT OF NUTRITION. OFTEN, UNFAVORABLE PASTURE CONDITIONS CUT OFF SUPPLY OF MILK FROM THE MOTHER COW WHEN THE CALF NEEDS IT MOST! CREEP FEEDING HELPS OVERCOME THIS. PURINA CREEP FEEDING DEMONSTRATIONS THROUGHOUT THE UNITED STATES SHOWED THESE BENEFITS FROM CREEP FEEDING PURINA:

1. INCREASED WEIGHT: Creep-fed calves in all areas made extra gains (up to 75 lbs. per calf).
2. UPGRADING: Creep-fed calves graded higher .34% more Choice and Good.
3. COW CONDITION: Extra weight on brood cows when their calves were weaned averaged 44 1/2 pounds. This extra beef was not marketed, but it helped carry cows through the next winter and greatly increased the conception rate.
