Published in Sonora, Texas, Capital of Stockmen's Paradise

SEVENTY-THIRD YEAR

The Devil's River News-Sonora, Texas, Thursday, February 21, 1963

TWENTY-THIRD WEEK

Odds And Ends

L. W. Elliott principal Troy Selzer pretty well summed up the feelings of lots of us in this message:

"When the fire alarm sounded last Thursday for the fire at the Cerda house, another alarm sounded in the hearts of the people of Sonora. They realized this was a time to forget wealth or poverty, race or creed, and start working together as one.

"A plea went out for one in need, and this was answered at once. Sonora gave, as only Sonora can give. They didn't say, 'If you need me, call,' but, 'Here is what I have. May I give more?'"

"Isn't it wonderful to live in a community where we can count on our neighbors to help when we are in need?"

"The Cerda family received many gifts. There was furniture, stoves, cooking utensils, dishes, food, clothing and many other items too numerous to name. There was not an attempt made to keep a list or try to send thank you notes, because we know you had your just reward when you gave to those in need.

"To the people who gave their time, money and goods, may the blessings of the Lord be yours, because you truly are following His teachings by being your brother's keeper."

Dr. Browne Speaker At District Cancer Society Meeting

Dr. Charles F. Browne was one of the principal speakers at the February 12 meeting of District Four of the Texas Cancer Society. Dr. Browne, a state director at large, spoke on the educational value of the annual Cancer Crusade. Invocation was by the Rev. Bob Brackney, pastor of the First Baptist Church.

Other Sonorans attending the San Angelo meeting were Mrs. W. B. McMillan, Crusade chairman; Mrs. Joe Hull, local unit secretary; Mrs. Dock Rape, service chairman, and Mrs. Alvis Johnson, local president.

PUBLIC SCHOOL WEEK TO BE MARCH 4-8 IN SONORA

"Plans are being worked out for the observance of Public School Week in Sonora March 4-8," said Doyle Morgan, local chairman.

Public School Week was founded in 1950 and launched for the single purpose of advancing the general interest of public schools.

Public School Week in Texas is March 4-8. During this period, parents are encouraged to visit the public schools. And all citizens are urged to recognize the tremendous importance of our system of education.

All problems confronting our public schools are problems that may not be solved for years to come or even met without the active cooperation of every public spirited citizen.

The local Board of Education, school superintendent, principals and teachers extend a special invitation to all to visit your school during Public School Week.

LIONS ROAR

San Angelo pharmacist Truman Brown spoke on responsible citizenship before the luncheon meeting of Sonora Lions Club on February 19 at the Methodist Church.

Mrs. Homer Jordan, Jr., Executive Secretary of the San Angelo Heart Association, was here on behalf of the heart fund drive. Dr. Charles F. Browne showed a film on hypertension and answered questions directed from the audience.

A Lions committee was named for a dinner to be given during the speech meet set up for March 1 and 2 at Sonora High School. E. B. Keng was named chairman to be assisted by Leon Neely, Jimmy Harris, Dorsey Carroll, Bobby Granger, Lee Patrick, the Rev. Jake Billingsley, C. W. Taylor, Cullen Luttrell and male faculty members. President Jack Kerbow presided.

Three guests from San Angelo attended the luncheon meeting: Bob Miller, Chuck Giles and M. R. Howerton.

CONFERENCE SLATED

A circuit conference for Missouri Synod Lutheran pastors and teachers will be held Friday at 3:00 p.m. at Hope Lutheran Church.

Bob Nevill, center left, signed a pre-enrollment agreement with Rice University last week. The 210-pound Sonora High School senior, who this year won All-District and All-State honors at guard will play freshman football for the Owls. Assistant Coach Nick Lanza expressed enthusiasm at Bob's decision to enter Rice, describing him as "one of our best line prospects." Bob's parents, Mr. and Mrs. Tom Nevill, are at right.

February Rains Show .52 To Over Inch; Penetration Varied From 3 To 5 Inches

The first appreciable rain for 1963 covered a wide area of West Texas Monday. Rainfall was general in Sutton County, but varied from .52 at Sonora to over an inch near Fort Terrett.

The rain fell very slowly, and all soaked into the soil. Moisture penetration varied from 3 to 5 inches. With continued warm weather it will start annual weed and Texas wintergrass growth, but more rain will be needed very soon.

Representative rainfall reports collected by E. B. Keng, Soil Conservation Service, included Ed Shurley .68; Vestel Askew .60; Harold Friess 1.00; Joe Logan .75; Dorothy Baker 1.00; J. A. Cauthorn ranch .81; Dunbar ranch 1.00; Lawrence Finklea 1.30; George Brockman .84 and Sears Sentell 1.20.

16th Annual Speech Tourney Scheduled Here March 1 And 2

Students from 12 high schools in all parts of the state will begin arriving in Sonora Thursday to compete in Sonora High School's 16th Annual Invitational Speech Tournament to be held March 1 and 2.

High schools with entries in the meet include Menard, Junction, San Angelo Central, Del Rio, New Braunfels, Knippa, Goida, Denton High, Andrews, Alice, Eldorado, Denton Lab School and host Sonora. Some 250 students are expected to be entered in one or more divisions of the tournament.

Boys' and girls' events will be held in debate, prose reading, humorous declamation, extemporaneous speaking, poetry reading, junior declamation, persuasive speaking, dramatic interpretation, after dinner speaking, Bible reading and impromptu speaking. A contest for duet acting is also scheduled.

One-act plays will be presented by three schools beginning at 6:30 Friday evening at the high school auditorium with the public invited. Denton will present scenes from "The Miracle Worker", Alice High's production will be "The Wonder Hat", and Sonora's entry will be scenes from "Pygmalion".

Judges for the annual event are being contacted by a committee composed of John R. Tedford, Jr., the Rev. Doyle W. Morton and Smith Neal.

Students from Sonora High School participating in the meet will include Diana Black, Cindy Galbreath, Carla Whitworth, Dick McMillan, John David Fields, Dick Hardgrave, Andy Moore, Gil Allison, Alice Lee Duncan, Kay Shurley, Peggy Lynn Grobe, Jo Ann Lowe, Gary McGilvray, Ray Glascock, Jimmy Wilson, Corky Fields, Robert Kelley, Pam Jones, Mary Davis, Betty Jack Cooper, Nancy Prugel, John Paul

Broncs Second In 7-AA Cage Race

Sonora High School's Bronco Cagers ended their first Class AA basketball season with second place honors after taking a 61-43 win over Alpine there last Friday night and losing 58-47 to Crane, district champions, in Crane Tuesday night.

In Friday night's game, the Broncs took an early lead over the Bucks and were never seriously threatened. Primo Gonzales paced Sonora with 18. Joe Granada hit 22 for the losers.

Sonora freshmen downed their Alpine counterparts 35-26. Details of the Crane game were not available at press time.

SCOUT SERVICE SUNDAY

Scout services will be held at 7:00 p.m., Sunday February 24 at the Sonora Methodist Church.

Boy Scout Troop 19 and Cub Pack 19 will attend in uniform and will help conduct the services. All parents, Cubs, Scouts and the public are invited.

Next Week In Sonora

Thursday, February 21, 7:30 p.m. Dee Ora Lodge, Masonic Hall.
Friday, February 22, 2:30 p.m., Baptist Fidelis Class, meets with Mrs. W. D. Valliant.
7:00 p.m., Baptist Gleaners Class, Mrs. Rip Ward's home.
Sunday, February 24, HEART SUNDAY FUND DRIVE-in city limits, in afternoon.
Go to church today.
7:00 p.m., Scout Services, Methodist Church.
Monday, February 25, 2:30 p.m., Garden Club, Mrs. Dantes Reiley.
Tuesday, February 26, 12 noon, Lions Club, Methodist Church.
7:30 p.m., Boy Scout meeting, Scout Hall.
Wednesday, February 27, 9:30 a.m., Women's Missionary Union, Baptist Church.
7:00 p.m., 4-H meeting, all 4-H members, 4-H Center.
7:30 p.m., Volunteer Fire Department, Fire Hall.
Thursday, February 28, 7:30 p.m., World Missionary Study, Baptist Church.
(Please call your meeting notices in by Tuesday p.m.)

ROSS TO RECEIVE AWARD

Forty-two Firestone tire dealers will receive awards for ten or more years' service during the month of February. The group's total service equals 695 years. Joe B. Ross of Sonora is one of 17 dealers who will receive ten-year Firestone awards.

Heart Sunday, February 24 is the one day in the year that citizens are solicited directly for funds to support the American Heart Association and its affiliates. This is a voluntary agency that pioneered the way in the heart research field.

Thanks to new knowledge: *Most heart attack victims now recover from first attacks and return to their jobs.

*Strokes are no longer hopeless.

*New drugs and therapy reduce or prevent invalidism.

*Rheumatic fever and rheumatic heart disease are now preventable.

*High blood pressure can be

controlled and organ damage reduced.

*Many heart defects, once hopeless, are now surgically correctible.

Yet heart and blood vessel disease is still this nation's Number One health problem, accounting for more death than all other causes combined. The cause and prevention of hardening of the arteries and high blood pressure are still mysteries to be unraveled. The speed with which this is accomplished depends, in part, on individual voluntary contributions to a voluntary agency, not government-supported at any level.

Screwworm Specimens Now On Decrease But Ranchers Should Stay On Look Out

The number of screwworm specimens being received by the Southwest Screwworm Eradication Program's survey data center has decreased sharply during recent weeks and more than 50 percent are being identified as

non-screwworms. While this is good news, program officials are keeping their fingers crossed that this is not the "lull before the storm."

Only four of the 15 specimens submitted during the week of February 3-9 were found to be screwworms. This was the lowest number of confirmed infestations since the program began only a year ago. Officials agree this is indeed cause for rejoicing, but warn livestock producers not to be lulled into a false sense of security that the eradication job has been completed.

Special vigilance is now necessary to insure that a screwworm case is not permitted to go undetected and untreated. One screwworm case going undetected now could cause hundreds of infestations within a few weeks and could undo all that has been accomplished during the past year through sterile fly release and cold weather.

One screwworm fly lays an average of 400 eggs. If half of the hatched eggs are females and all are allowed to complete their reproductive function, within 3 generations there is a potential of over 16 million screwworm flies. This goes to show what one fertile fly can do to the program.

Just reporting screwworm infestation is not enough; samples must be received to determine that the case is a screwworm infestation. Many of the maggots which are very similar in appearance and characteristics to the screwworm actually feed on dead tissue, while the screwworm feeds on live tissue.

Pearl Brewing Company paid \$500.00 to young Roger Langford, son of Mr. and Mrs. D. C. Langford of Sonora, for his reserve champion finewool lamb at the San Antonio Livestock Exposition auction sale Friday, February 15. Shown here with Roger is H. J. Eickenroht, Jr., Pearl's field sales manager.

Sabin Polio Inoculation Of Public To Be Held If Citizens Desire

Depends On Public Interest

A poll is now being conducted to determine if the citizens of Sutton County are interested in receiving mass polio inoculation by use of Sabin oral vaccine. If returns in the poll indicate that 50 percent of persons not now immunized to polio are interested in the proposed mass immunization, a program will be initiated in the immediate future.

The first in the projected three-step immunization program would be held Sunday afternoon, March 3, at Central Elementary School. There will be no charge for the vaccine but contributions may be made at the time of inoculation.

All health authorities are advising use of the Sabin vaccine which is administered in three doses. A mass program had been scheduled locally for early last fall but was canceled when polio incidence increased and the program was being scrutinized.

Now that the value of the Sabin oral dosage has been proven, health authorities recommend its use since no "boosters" are necessary. Persons who have received Salk injections should also have the Sabin vaccine since it affords an additional five percent protection from polio.

Prompt answers in the ballot

are needed since the program must be set up immediately in order to insure immunization before summer polio season. The poll is being conducted through local schools and through the Devil's River News.

Please fill out the ballot printed here and mail to Box 1068 or leave at the News Office.

YOUR MINISTER SAYS

By Rev. Bob Brackney, Pastor
First Baptist Church

Heavenly Places On Earth
"But God being rich in mercy, for his great love wherewith he loved us, quickened us together with Christ Jesus and raised us

up with him and made us to set with him in the heavenly places in Christ Jesus."—Ephesians 2:4-6.

Christians may have foretastes of heaven before they get there, for God in his great mercy has provided "heavenly places" on

earth. These are for those who have been raised from the death of sin into a new life of righteousness and fellowship with God in Jesus. There is a heavenly place for every repentant soul in his first love of Jesus and the joy of his salvation. One of the happiest experiences of life is our first experience of saving grace and the fellowship of our Savior into which it has brought us. A heavenly place on earth is to be in Christ's presence and lead another to that saving grace you possess in Christ Jesus.

There are heavenly places in our private life, in our home life, in our church life, and in our business life if we will only discover them. There are heavenly

places always "in Christ Jesus". It takes Jesus to make heaven for us hereafter and heavenly places for us here. And whenever we bring our hearts and lives into fellowship with Jesus and realize his spiritual presence, there we have a heavenly place with all its spiritual blessings.

Let us get acquainted with the heavenly places on earth; they will sweeten and ennoble our lives and make us better prepared for the heavenly place Jesus has gone to prepare for us who know him in fullness of salvation.

Fisher Blaims Cuban Threat On Dilly - Dallying

By O. C. Fisher, Congressman
THE CUBAN SITUATION has worsened since last October. While all available evidence indicates there are no known offensive missiles remaining on the island, and the IL-28 bombers have been removed, the fact remains that the Soviets have been steadily building up ground strength, including a supply of defensive-type missiles. And they have become more dominant and more solidly entrenched in the political sense.

We had the initiative last Fall; we do not have it now. When the blockade was on we could call the shots, but we seem to have lost that advantage. In short, we have lost the psychological leverage we enjoyed during Khrushchev's ignominious retreat from his brazen missile build-up.

But we have dilly-dallied. Now there are 18,000 Soviets in Cuba. Last October we were in a position to demand that they be cleared out. We had the initiative, and we had free world support. Today there is more risk.

But regardless of risk, our objective should be to rid Cuba of this threat to our security, and with the minimum of delay. Time is running against us. Khrushchev should be told in no uncertain terms that this is OUR part of the world; that the Cuban threat must be removed; that we will tolerate no Soviet build-up there. And then take whatever steps are needed to regain the initiative and follow through.

Home Accidents On Rise In Texas

The Texas Safety Association today urged Texans to put safety "first" in the home to stop an apparent increase in fatalities and injuries from accidents.

Preliminary accident reports for the past month show that home accidents are taking a high toll and that the public will have to become more safety conscious to stop this needless loss of lives.

Reports indicate that approximately 200 persons died and another estimated 1,800 were injured in home accidents in January. Fires, falls and poisonings from gases and vapors accounted for the majority of the fatalities.

The first three months of the year are the most dangerous time around the home. Last year, the fatality toll for this period was 444 persons; but, this year, with the January fatality toll at approximately 200 persons, accidental deaths during the first three months of 1963 could be considerably higher.

Fires continue to cause most of the home fatalities during the first month of each year and of the recently reported fire fatalities and injuries many were caused by improper maintenance and use of heating equipment and unsafe practices.

Slippery steps and walks, plus bathtub accidents, caused many of the injuries from falls; and poor ventilation of homes was the contributing factor involved in poisonings from gases and vapors.

The apparent rise in home accidents has been partially attributed to unusually bad weather conditions, but safety experts figure nine out of ten accidents of this nature can be prevented by observing home safety rules.

All combustibles should be stored away from furnaces, heaters and cook stoves to prevent fire.

Portable heaters, often used during extremely cold weather, should be placed well away from curtains, towel racks and bed clothing. Wet clothing should

NOW SEE WHAT'S NEW AT YOUR CHEVROLET DEALER'S

Four kinds of sport—all super
Want to make spring come in a hurry? Just pick a new car with whatever you hanker for in performance and sporty trimmings—like bucket seats, 4-speed shift*, lots of horses—and start driving it now. Chevy's got a lot of sport in four entirely different kinds of cars.

First, the Jet-smooth Impala Super Sport with your choice of 7 different engines that range up to 425 hp and that include the popular Turbo-Fire 409* with 340 hp for the ultimate in smooth, responsive driving in modern traffic. Optional equipment, including Comfortilt steering wheel* that adjusts to your convenience, makes it as super a sport as you'd like.

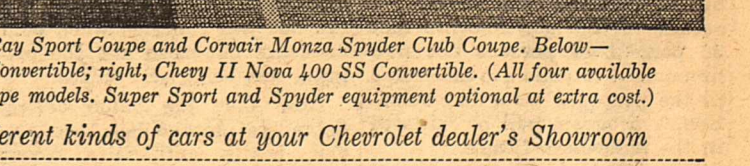

There's the Chevy II Nova, also available in an SS version. Special instrument cluster. Front buckets. All-vinyl trim. Distinctive SS identification. Fourteen-inch wheels and tires* with full wheel disks. Three-speed shift or Powerglide* with floor-mounted shift console.

Or the Corvair Monza Spyder with complete instrumentation, special identification, and an air-cooled Turbocharged Six.

And for a real wallop, see the stunning Corvette Sting Ray, winner of the "Car Life" 1963 Award for Engineering Excellence.

All told, four beautiful convertibles, four handsome coupes. You'll get a four-barrel kick just looking them over—and a whole lot more fun out of driving one!

*Optional at extra cost.

Top—Corvette Sting Ray Sport Coupe and Corvair Monza Spyder Club Coupe. Below—left, Chevrolet Impala SS Convertible; right, Chevy II Nova 400 SS Convertible. (All four available in both convertible and coupe models. Super Sport and Spyder equipment optional at extra cost.)

1911 CADILLAC

IN THE YEAR OF

February 18, 1911
THE MINSTRELLY
 Sonora has indeed right to be proud of the young people of Sonora who appeared on the stage Tuesday night and of the management of Mrs. L. H. Rogers. The theatrical or minstrel was the occasion for showing much talent, beauty and manliness,

grace and agility of 19 of Sonora's boys and girls.
 The entertainment consisted of some colored work, songs, dances, choruses, etc. that would have been a credit to a greater Sonora.
 Part I.
 "Whitesmith" was the opening chorus. 2. "Roses bring dreams of you", Miss Ida Aldwell; 3. "Every body is a pickin on me", Marion Stokes; 4. "Because you are you", Miss Mary Smith; 5. "Everyone was meant for some-

one", Bart DeWitt; 6. "I won't be back till August", Lea Aldwell; 1. "Glow Worm", Mrs. Blakeney.

Part II.
 1. "Don't you think it's time to marry?", Miss Mary Smith and Lea Aldwell; 2. "Googie, Googie, OO", Miss Ida Aldwell and Part DeWitt; 3. "Der Fadder" for mine", "Misses Jewel Decker and Ruby Bridge; 4. "Life is a Seesaw", Miss Ruth Whitecotton and Roy Aldwell assisted by chorus; 5. "Hello Miss Lizzie Green", Miss Jessie Smith and Charlie Evans assisted by chorus.

Those taking part in this excellent performance were Mrs. J. B. Blakeney, Mrs. G. M. McDonald, Misses Blossie Evans, Ida Aldwell, Jewel Decker, Ruth Whitecotton, Jessie Smith, Ruth Bridge, Mary Smith, Pearl Parkerson, Messrs. Bart DeWitt, Lea Aldwell, Marion Stokes, Lem Johnson, Charlie Evans, Wallace Keese, Ica Adams, Louis Alverson, Roy Aldwell.
 Miss Phillips played the accomplishments most pleasingly.

We have not been informed as to the amount collected.

1911
 Miss Edna Wheat is at Pecos City awaiting her baggage and from there will go to Deming, New Mexico to make her home with her brother Gus. Mrs. Ed Mayfield who was in Sonora Tuesday said: "Gus says send the Devil to him at Deming, N. Mex."

1911
 Bug Dunbar and Tom Sandhere were in from the Dunbar ranch Tuesday, trading.

1911
 S. E. Hollmig recently of Brady was in Sonora Tuesday. He is a brother-in-law to Quince Adams and has come to stay.

1911
 The petition sent from Sonora to Governor Colquett asking him to approve the Wolf Bounty bill was probably the largest ever sent over an inland town telephone in Texas. As an illustration Sonora's was 175; Ozona's 60; San Angelo's 100. And Ozona's and Sonora's got off a

HIGH LIGHTS AND SIDELIGHTS FROM THE STATE CAPITOL

By Verr Sanford
 Texas Press Association
 According to a description given the House Appropriations Committee relative to the governor's mansion, it's in bad shape. Howard Rose, executive assistant to Gov. John Connally, says:

"On the north side, the mansion is settling so much, there is a gap of several inches between the floor and the bottom of the front door." He added, "There are cracks in the wall and

ceiling; a good deal of furniture needs re-stuffing; and the stove won't work right four days in a row."

"Also," says Rose, "we have only one coffee table in the house. If you don't want to hold your coffee cup, you either put it on the floor or balance it on your knee. In the Green Room, there are no pictures. And we don't have eight complete sets of silver."

This prompted Appropriations Committee Chairman Bill Heatly of Paducah to comment "I know we've spent between \$100,000 and \$125,000 in the last six years."
 Governor Connally has not requested any money for major repairs. He is asking for \$32,872 for each of the next two years to operate the mansion, including \$5,000 for utilities; \$1,500 for telephone expenses; and \$2,200 for "other supplies."

DELEGATIONS ORGANIZED—Texas' two largest delegations in the 58th Legislature have organized for the purpose of working closely together "for better representation" of their regions.
 An 80-member East Texas delegation elected Rep. John Allen of Longview as chairman.

About 30 West Texas legislators chose Rep. Richard C. Slack of Pecos as their leader.

BUDGET TRIMMED—Meanwhile, the current Game and Fish Commission ran into trouble with the Legislative Budget Board. Commission's executive secretary, Howard Dodgen, requested that during 1963 it be allowed to spend the \$9,199,000 it will have available.

But the budget board recommended a biennial appropriation of \$3,662,000 less than the agency requested.

POISON'S DANGERS CITED—Dr. Irwin L. Sawyer, Jr. of San Antonio, director of the State Veterinary Medicine Association, appeared before the House Committee on Criminal Jurisprudence in favor of a bill by Rep. Howard Green, Fort Worth, to banish thallium pesticides from the market.
 Dr. Sawyer described thallium as a heavy metal, which is colorless, odorless and tasteless in sulfate form.

"When mixed, thallium merely waits for a rat, a man, a child or a pet," he stated.
 One reason it's so dangerous

is that reaction to its poison may be delayed as long as 48 hours. Then it's too late for an antidote. "It's even hard to detect in post-mortem examination," said Sawyer.

DEFICIT DOWN—Deficit in the State General Revenue Fund was reduced in some two weeks from more than \$60,000,000 to \$35,401,125, according to report by State Treasurer Jesse James.

CRIME SPIRALS UPWARD—Texas' increase in major crimes during 1962 outstripped the population increase, according to Col. Homer Garrison, Jr., director of the Department of Public Safety.

By Lindy Groda

It's raining cats and dogs in Sonora. It even snowed some of same last week. And it's all because of Hillman Brown's cat-dog picture contest. Students, do not miss this opportunity for recognition of your photography, sketching or painting talents. Or you may just clip an unusual picture of a cat or dog.

The prizes are attractive, but whether you win, lose or "draw" you should enter. No one wakes up overnight an artist with the camera or brush. There is something strong and enviable about a decisive pencil or brush stroke or a photo that tells a story.

It is said that competition has been taken out of the schools. It's true in the ultra "progressive" schools. It is not true in Sonora, where right now a speech meet, writing contest and the Woman's and Music Club melodrama are being staged. Get in them, students, not to win everytime, but purely to get your feet wet.

An Oklahoma University writing instructor once said there is more writing talent in students than there is will to develop it. This country is not an "idea" desert at all, but it is a vast, sandy expanse of waste in idea expression. I wish every Sonora student would have the courage to get as "far out" as he cares to, within the bounds of good taste. Faculty and parental supervision comes in here.

There is no cause for us to keep crying out about sameness, triteness, that we are a raceless, faceless, shapeless people, when there is so much opportunity for self-expression right here in this little town.

We used to laugh a lot around a CBS radio-TV station I worked with. The woman's director and various females took to rather too much glamor around the black Italian marble building, which was a monument to one executive wife's bad taste. The marble had its effect. Overglamor followed, and it became funnier as time went on at the oldest station in proper ole Virginia. Temperaments ran rampant. Most of us forgot a successful man's outlook on this. "Be temperamental as you like. Make it five percent temper and 95 percent mental."

This was the scene, when a wholesome young kid just out of the University of North Carolina came to work there. Some female in the place had dressed him down soundly about his work,

THE WOMEN' PAGE

Music Club Meets At Trainer Home

Mmes. David Shurley, Frank French, S. M. Loeffler and Louie Trainer were hostesses in the latter's home to the Sonora Music Club members Friday, February 15.

Production of the melodrama, "Lily, the Drunkard's Daughter," was discussed. Two roles are left to be filled in "Lily" scheduled for spring production with the Woman's Club.

Mrs. George Barrow and Mrs. Oliver Wuest reviewed two chapters of "One Hundred Years of Music In America." Mrs. Norman Rousselot gave a program of piano music, correlated with the study.

MRS. LABENSKE HOSTESS TO PASTIME CLUB THURS.

Mrs. Lee Labenske was hostess to the Pastime 42 Club in the home of her daughter, Mrs. John Cauthorn, on February 14.

Three guests present were Mmes. A. W. Awalt, Karen Peterson and Maysie Brown. Members present were Mmes. O. G. Babcock, B. W. Hutcherson, R. B. Kelley, Tom Sandherr, C. E. Stites, Rose Thorp and J. A. Cauthorn.

Cake and ice cream were served with coffee.

And he came muttering to me, "Everybody in this place is running around with French poodles under their arms and sky blue mist under their eyes. This bunch of Broadway rejects!"

And, kids, what I'm trying to say is be good Sonora material with the opportunities that are right here. Temperament, or a poodle, not even too much sky blue mist under your eyes will ever take the place of slowly building one or two talents and sprinkling your life with some good reading. You won't stretch your mind much with the best sellers or even the so-called American classics by Dreiser, Sinclair Lewis or Hemingway. I don't believe in banning or book burning. The Creator allows atheism, communism, sensualism, realism, existentialism, but he allows man a choice about feeding his mind and spending his time. You can't start too young to be selective. And if you live all of life's experiences by studying His Word, you won't have so much to un-learn.

Art is not beatnik futility. Half of it is making a better mark every day. Then one day you reap an idenfinable dividend when people say to you, "I like what you write," (or paint, sketch, or sing, play or what you catch with your searching camera lens).

So try for the try-outs. Sonora is full of them.

MRS. HALBERT ENTERTAINS JUST US CLUB MONDAY

Mrs. R. A. Halbert entertained members and guests of the Just Us Club with a dessert-bridge in her home the afternoon of February 18.

Members present were Mrs. J. S. Glasscock who held high club, Mrs. Leo B. Merrill who held second high club score, Mrs. J. F. Howell who won bingo prize, and Mmes. Alice Jones, Paul Turney, Mae B. Sawyer, C. A. Tyler, Ed Mayfield, Rip Ward and Libb Wallace.

Guests present included Mrs. W. H. Brown of Maxfield, Maine, Mrs. L. E. Johnson, Mrs. Belle Steen, Mrs. Joe Brown Ross, Mrs. Sterling Baker who held high guest score, Mrs. Collier Shurley who held second

VALENTINE BANQUET HELD AT BAPTIST CHURCH FEB. 13

"Let's know, be and do something" were three little verbs of advice given by the Rev. A. C. Huff of the Carlsbad Baptist Church in an address to about 50 young people and sponsors at a Sweetheart Banquet at the Sonora Baptist Church on the evening of February 13.

Jerry Hopkins was master of ceremonies. The Rev. Bob Brackney presented the sweetheart and beau: Miss Janie Letsinger, daughter of Mr. and Mrs. Ted Letsinger and Johnny Merck, son of Mr. and Mrs. Jake Merck.

Gifts bearers were Patti Brackney and Rhonda Hopkins. Special music was brought by a vocal trio consisting of Misses Patricia McLaughlin, Sheryl McKenzie and Janice McKenzie. Special guests were Mrs. A. C. Huff and Mrs. Carl Finger of South Carolina. Smith Neal gave the invocation.

high, Mrs. R. G. Nance who won bingo and Mrs. Ben Cusenbary who also won a bingo prize. Cut prizes were given at each table.

Rev. and Mrs. W. H. Marshall To Observe 50th Wedding Anniversary

The Rev. and Mrs. W. H. Marshall of Aransas Pass will celebrate their 50th wedding anniversary Sunday, February 24. A reception honoring them will be held at the First Methodist Church in Aransas Pass with Mr. and Mrs. Charlie H. Marshall as hosts.

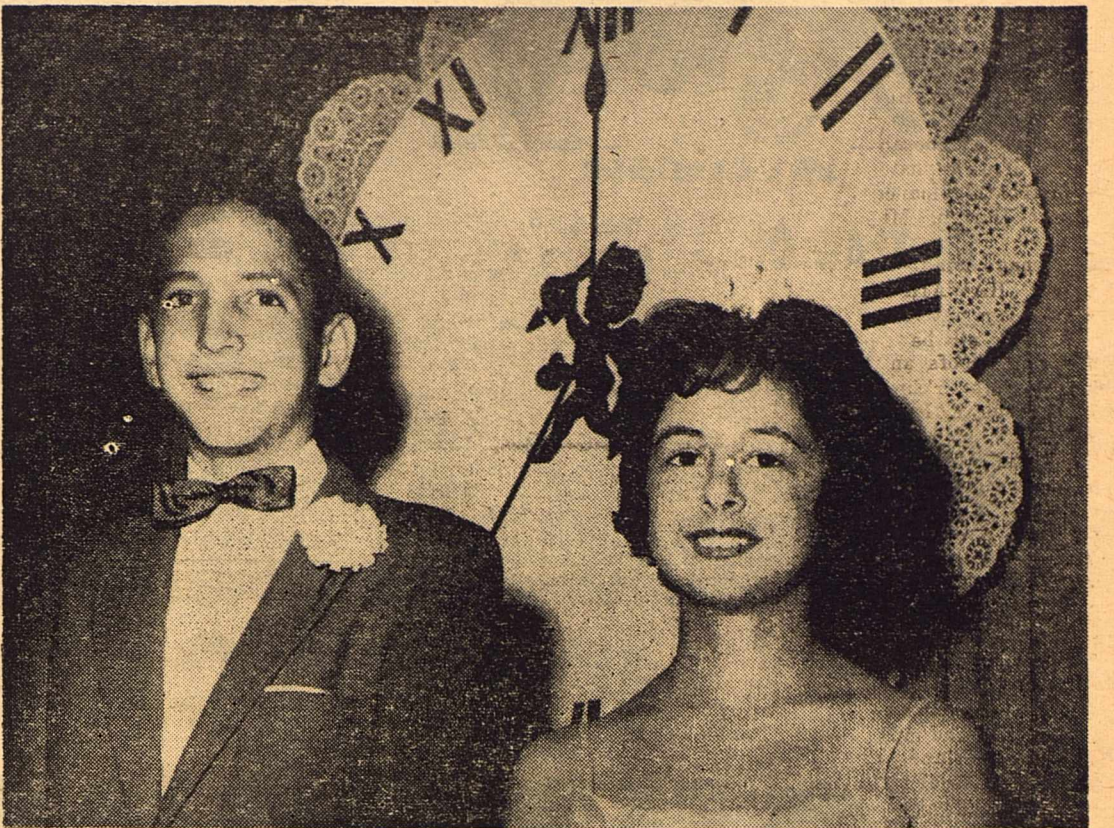

The Rev. and Mrs. Marshall made their home in Sonora for several years when he was pastor of the local Methodist Church.

The couple have three children, Mrs. George Shoup of Carlsbad, New Mexico, Mrs. Edwin Eardley of Carrizo Springs and

Charlie Marshall of Aransas Pass. There are six grandchildren.

Both Rev. and Mrs. Marshall are natives of Karnes County and were married in Karnes City on February 26, 1913. Mrs. Marshall is the former Miss Rosa Cornelia Newberry. Rev. Marshall, a retired Methodist minister, went into the ministry in 1922 and retired in 1960 from the First Methodist Church in San Benito. Since retiring they have made their home in Aransas Pass.

Linda McBride, J. V. Cook Reign At Central's Valentine Pageant

Linda Ann McBride and J. V. Cook, seventh grade students at Central Elementary School, reigned as King and Queen of Hearts at the annual Valentine Pageant at the school Thursday evening, February 14. Linda is the daughter of Mr. and Mrs. Vestel Askew. J. V.'s parents are Mr. and Mrs. Vernon T. Cook.

Linda Ann McBride and J. V. Cook reigned as Queen and King of Hearts at Central Elementary Schools' Annual Valentine Pageant here February 14. Linda is the daughter of Mr. and Mrs. Vestel Askew. J. V.'s parents are Mr. and Mrs. Vernon T. Cook, both are seventh grade students. Photo by Finklea.

J. V. crowned Linda with a crown carried by Seco Mayfield. Princesses and their escorts formed the Court. They were: Nancy Jo Smith and Bob Whitehead, Cora Pope and Bill Finklea,

Susan Scott and Jack Martin Sykes, Cindy Cavanaugh and David Mathis, Donna Cooper and Wesley Richardson, Marilyn Morgan and Rick Street, Molly Morriss and Mike Dillard, Kay Kerbow and Roger Langford, Kathy Morgan and Ted Fish, Kay Archet and Jess David Cook, Shelley Morriss and Dale Selzer and Gail Espy and Steven Whitworth.

Ruthie Wallace as the Little Girl, Jack Bricker as the Page Boy and Debbie Galbreath as the Spirit of Good Will introduced characters in "The Magic Story Book", written by Mrs. Ruth E. White and directed by Mrs. W. T. Hardy, Mrs. J. L. Steed and Mrs. White. The school chorus sang as a background for the animated stories. Included were "The Wonderful World of Christopher Robin", "The Coming of Spring", "The Wizard of Oz", "Alice in Wonderland", "Uncle Remus", "Snow White and the Seven Dwarves", "The Legend of Hiawatha", "Robin Hood" and "Raggedy Ann".

Conservation . . . A Way Of Life

CONSERVATION . . . A WAY OF LIFE High School 2nd Place By Jimmy Wilson

When the first settlers came to America, it was a land of boundless opportunity. Climate, geographical location, and soil were ideal for crop production. Trees and forests were endless and game was plentiful.

But what about today? The soil has been mistreated, forests have been cut, and game has been killed out. Can this once rich and beautiful land provide for the millions of people living on it?

Wetting once said "Everyone who wishes to eat three times a day should take a very personal interest in the land and how it is used". Thus the land cannot provide unless it is conserved. Preceding generations have treated it badly, so we must rebuild the land. We must make conservation a way of life.

There are two main parts to conservation of our natural resources. They are soil and water conservation and forest and wildlife conservation. "The real purpose of intelligent conservation is simply to guard against willful waste so that future generations need not be handicapped by woeful want", says Hammond. We must think of the generations to come and act now to conserve our resources.

Three main things cause loss of soil: erosion, leaching, and soil exhaustion. Erosion is the removal of soil, usually by wind or water. Leaching is the loss of soluble minerals by running water, but it is not necessarily the loss of soil. Soil exhaustion

is the depletion of soil minerals as a result of overproduction or not rotating crops.

Our soil may be conserved by planting wind breaks, contour farming, strip cropping, terracing, gully control, crop rotation, and application of lime and fertilizer. Franklin D. Roosevelt put well the need for conservation when he said, "The history of every nation is eventually written in the way in which it cares for its soil". The nations who care for their soil live in prosperity, while those who do not, live in poverty.

Water conservation depends directly on soil conservation, plus forests. Trees greatly help hold water. Water can also be controlled by dams, which also provide irrigation and recreational facilities.

It took several generations to remove our great forests and wildlife resources. It will probably take many more to replace them. The destructions of forests are fires, insects, diseases, careless lumbering and weather. National forests are one good means of protecting our forests. They also serve as a source of timber, game preserves, grabbing areas, and recreational facilities.

Game management includes not only the increase in numbers of birds and mammals, but provision of cover and a food supply as well. Wildlife is important for food, fur, and sport, and game preserves are our best way of protecting our wildlife.

CONSERVATION . . . A WAY OF LIFE 2nd Place Jr. High By Margaret Bundy

To me this subject means that conservation should be a way of living, a habit built into our everyday life. You and I know what little good it would do if we conserved our natural resources only when we thought about it.

There is a story about an old woman who saved everything. After she died, her daughter, going through the boxes in the attic, found an old shoe box labeled "Pieces of string too small to use".

I can imagine how rich the soil all over the world would be, how much more petroleum, clean water and forests we would have today if we saved like that old woman did.

Erosion is our principal means of losing our good soil. If we do not keep a covering over the soil, wind blows over it and sweeps it away, or water washes the soil away. Only the rich top soil will usually blow or wash away. After it is gone, what is left? Only the poor soil, with no minerals with which to cover it in order to conserve what top soil will form over many years.

On the earth, we have as much water as we had when the earth was made. Then why need we conserve water, we wonder. We

Congratulations To These New Parents

Clay O'Bryan Johnson was born January 15 to Ensign and Mrs. Robert Johnson of Pensacola, Florida. The new arrival bears each of his grandfathers' names. Maternal grandparents are the former publisher of the Devil's River News, the Rev. and Mrs. Clay T. Puckett of McAllen. Mr. and Mrs. O'Bryan Johnson of Austin are paternal grandparents.

have very little good drinking water. The ocean water contains salt, so we cannot drink it. We are polluting our fresh-water streams and rivers with factory wastes. If we do not conserve what is left of our good clean water, what will we drink?

We must conserve our natural resources to have future life. We are robbing and ruining the soil by taking minerals from the soil and not replacing them. We are ruining the water by polluting it. We are using more and more petroleum every day and we have no way to replace it. We must conserve our natural resources for our descendants in the years to come.

MRS. WALLACE HOSTESS TO CLUB 13 THURSDAY

Mrs. Gene Wallace entertained Club 13 with a morning bridge on February 14.

Red carnations and red hearts formed the valentine centerpiece. A salad plate was served.

Mrs. James Hunt held high guest score; Mrs. Rex Lowe, high club. Mrs. Ed Grobe won slam prize and bingo prizes went to Mmes. George Wallace and Cecil Westerman.

Mmes. Bill Morriss, Norman Rousselot and Jimmy Hugh Harris were guests. Members present were Mmes. Glen Richardson, R.W. Wallace, A.E. Lowe, J. W. Neville, Carl Cahill, Harold Scherz, Gene Shurley and Lin Hicks.

Garden Club To Meet Monday

Mrs. Dantes Reiley will entertain the Sonora Garden Club in a regular meeting February 25 at 2:30 p.m. in her home.

Mrs. Lawrence Callen will speak on "Growth and Culture of Iris." Election of 1963 officers will be held, according to current president, Mrs. Charles F. Browne. A constitution and by-laws is ready for discussion and voting upon, also.

SCALE WATCHING IS AN EXCELLENT HABIT

Prescription Pharmacists

A scale in every home might be very beneficial to personal health, for weight is an excellent guide to future well-being—and should be watched carefully.

There is no short-cut to weight control. With each person, it is an individual problem, and subject to personal discipline.

Normal living and eating are likely the keys to health. If over-weight or under-weight, see your Doctor. He is the one qualified to determine the necessity and prescribe for such treatment.

Only with his guidance should you engage in any weight control project.

Westerman Drug

Scanning The Movies This Week

Your reservations are made for a mid-winter vacation at the Royal Hawaiian Hotel on Waikiki Beach. You'll be in good company with Deborah Walley, irrepressible, irresistible Gidget in a surfboard romance with singer James Darren. Michael Callan dances in as the third angle of the teenage triangle in "GIDGET GOES HAWAIIAN." This is a laughing matter.

It will all be over but the shouting, woofs and meows this Friday night, February 22, when Walt Disney's "LADY AND THE TRAMP" closes. Your entry blank and cat-dog clipping sketch or photo must be turned in at one of the H. D. Brown theatres or in the mail. Awards of theatre passes and some shiny silver dollars will be presented at the Sunday afternoon matinee when Warner Bros. "GAY PURR-EE" premiers in Sonora, February 24.

"GAY PURR-EE" provides color and animation for the youngsters. The music and voices of Judy Garland, Red Buttons and Robert Goulet (singing star from Broadway's "Camelot") will appeal to adults. There are clever art techniques in this tuneful, toe-tapping treat. And if Paris wasn't just this way in the gay '90's it should have been when the country cats went to town and outwitted a slick, sleek city cat. You'll agree, when you see "GAY PURR-EE".

"CASH McCALL" was a bright, romantic best seller a few years ago. It was brought to the screen with the same financial empire building story window-dressed with what passes for love by the moviemakers. James Garner is in the title role with Natalie Wood, a lovely accompaniment. Nina Foch and Dean Jagger are in the cast. This is the same story, that has been written and filmed over and over to prove that all businessmen who succeed are "SOB's". So

School Board Vote Scheduled April 6

At their regular monthly meeting at the administration office of Sonora Public Schools, members of the board of trustees called a school board election for Saturday, April 6. At that time two board members will be elected to succeed R. S. Teaff and Harold Friess, whose terms expire this year.

Names of candidates for the offices may be filed at the office of Superintendent of Schools Rex W. Lowe. Final filing date is Wednesday, March 6.

Absentee voting will begin 20 days prior to the date of the election and continue until three days prior to the election. Voting will be at the county courthouse.

Fires are unknown in the forests of the Amazon region because the wood does not burn easily.

many of these stories "The Hucksters," "What Make Sammy Run," "Man in Gray Flannel Suit" and others were written and filmed to prove that the free enterprise, capitalistic system is rotten and should be replaced by equality absolute . . . where all men are brothers . . . with no Father. All who will should see this picture to resent the slant. Wonder who did put the cash in "Cash McCall"?

"THE VAMPIRE AND THE BALLERINA" appropriately follows "Cash McCall." A vampire queen feeds on the lifeblood of men, as a 2,000-year-old legend comes to life. It all happens when a company of beautiful young dancers are stranded in a lonely mountain village. Helen Remy stars with Marie Luis Rolando, Walter Brandi, Tina Glirani, Isarco Ravaioli and John Turner. Wonder what plain John does in this one besides compete with all those spellings on the marquee?

Just time left to enter. Cat and dog contest ends Feb. 22.

Isabel Chavarria Crowned Sweetheart Of L. W. Elliott School February 14

Miss Isabel Chavarria of the L. W. Elliott Sixth Grade was crowned Sweetheart of the school and presented with a pin in the auditorium on February 14 at 12:30 p.m.

The Seventh Grade candidate, Miss Beatrice Esquivel, was presented with the runner-up pin. They were the winners in the all-school vote.

Students of the Sixth and Seventh Grades with sponsors, Mrs. Dennie Hays and Mrs. Edgar Glasscock, presented the valentine program. "Cookie Valentine" was the title of a play enacted.

"Famous February on Parade" was a skit presented with choral groups and readings. The reader for the skit and announcer for the entire program was Robert

Ramos. Alex Castro gave a poem about Thomas Edison. Gloria Gonzales recited "The Village Blacksmith." Sylvia Duran was Susan B. Anthony, and Becky Urias was a Valentine on famous February. A quartet twist was performed by Robert Ramos, Sylvia Duran, Richard Perez and Lelia Perez. A total of approximately 50 students participated in the valentine program.

The lowest denomination coin in England is the farthing—one fourth of a penny.

Zachary Taylor, twelfth President of the United States, was a second cousin of the fourth president, James Madison.

Sonora Cubs See Magic Act At Blue And Gold Banquet February 19

Cub Scout Troop 19 held its annual Blue and Gold Banquet in the Central Elementary cafeteria the evening of February 19.

Truitt McClung, principal of Lee Junior High School, San An-

geio, did a magic act. Troop Chairman George Wallace and Cubmaster J. W. Sutton presided over the meeting attended by 112 Cubs, parents and friends.

Special guests were Mr. and Mrs. Joe Brown Ross, the Rev. Doyle W. Morton and Ralph Finklea.

Each Den Mother and her Cubs were responsible for table decorations. Mrs. Robert Pfluger's den carried out a birthday theme with a large hatbox with a candle forming a cake. Mrs. Glen Richardson had individual pictures of the boys and each Cub mother wore her son's picture. Mrs. S. E. Jones' den centered their table with a styrofoam Scout with a large Den 6 flag. Blue and gold crowns were given

to the Cub mothers with identification badges. Mrs. H. V. Humphreys' den carried out the space theme with a large blue and gold rocket. Place cards were dragon writing, that formed the name and unfolded into a dragon, an intricate writing accomplished by the Den Mother and her cubs with finger nail scissors. Mrs. Byerl Dillard's den carried out the Indian theme with a teepee as a centerpiece and the same theme in the placecards and decorations.

Den 3 was awarded the attendance trophy. Awards Chairman Sam E. Jones presented awards in the darkened auditorium, where the boys formed the Friendship Circle around the stage fire.

First state to abolish capital punishment was Michigan, in 1847.

On July 18, 1938, Douglas Corrigan landed in Dublin on his "wrong way" flight.

Devil's River Philosopher Amazed To Learn Government Requires Some Businesses To Make A Profit

Editor's Note: The Devil's River Philosopher on his bitter-weed ranch on Devil's River may be misinterpreting a law, but we aren't prepared to say. Dear editor:

Up to now, I haven't paid too much attention to Congress' struggle to change the tax laws this year, figuring it would take its time and anyway what it has done is not as bad as what it could do.

But I read an article last night that has bowled me over and I'm coming out for some immediate changes. According to it, a Texas millionaire who owns a professional football team at Dallas has been satisfied to let the team lose an enormous amount of money for the past three years, just taking it off his income tax. But under an Internal Revenue Service law, he has only one more year to go, and if the team doesn't show a profit, he has to call it a hobby and go back and pay the taxes written off as losses the last three years.

This is a serious matter. You mean to say if I lose money four years in a row on this bitter-weed ranch the government will call my ranching a hobby and make me go back and pay income taxes on something I didn't make? Say I lost money four years in a row raising goats, you mean to say the government could claim I was raising goats

as a hobby? This is the first time I ever knew there was a law requiring a man to make a profit. If enforcement of this thing spreads, it'll throw agriculture into a tailspin, not to say the penitentiary.

Up to now, ranching was one of the few occupations where a man could lose money every year and still stay in business, and I'm appealing to you to use your influence to get Congress to repeal this law at once. Doesn't Washington know I've had a

Prison Commitments Rise During 1962

Eight contractors, three ministers, five school teachers, one dentist, one lawyer and a shoemaker, were among the occupations listed by the 5,608 inmates received in the Texas Department of Correction during 1962.

According to the Department of Correction's annual report, persons entering the prison system during 1962 listed a total of 63 separate skilled or professional occupations.

Dr. George Beto, Director of the Department of Corrections, said, "It is a sad commentary on our times that more than one-third of the inmates coming to prison last year were listed in the 'miscellaneous occupation', or in other words, no prior work or employment history or adequate means of earning a livelihood."

The report from the prison records office shows that six counties in the State sentenced 40 percent, or 2,641 of the total number of persons, to prison. Harris County led all other counties with a total commitments to prison of 893 persons. The other five counties, in order of commitment, are Dallas, with 747; Bexar, with 346; Tarrant, 293; Travis, 192; and El Paso with 170.

Nearly half of the persons received in prison in 1962 were married. The records show that 49 percent were married, 16 percent divorced, and 34 percent single. Less than one percent were widowed.

Less than five percent or 226 of those received in prison last year, were female. The number of males received in prison was 5,382.

Six of the persons received in prison in 1962 were more than 70 years of age, and 2,356 or 42 percent were between the ages of 17 and 25.

Forty-four percent, or 2,486 persons received in prison in 1962, were Baptist; 1,297 were Catholic; and 343 were Methodist. Only 414, or less than five percent of those received, indicated no religious denomination or preference.

There was an increase in the number of white persons committed to prison. In 1962, 57 percent received were white 30 percent Negro, and 13 percent Latin American.

Inmates received in 1962 are from a total of 47 states (including two from Alaska) and nine foreign countries. More than 4,000 are natives of Texas.

One of every three persons was committed for the offense of burglary. Sixteen percent were sentenced for forgery and passing, and 17 percent were sentenced for theft. Two hundred and fifty-two were committed for murder, and 393 for robbery or for robbery by assault. One man was sentenced to prison for horse theft.

The prison population January was 12,203, or an increase of 313 over the previous year's total.

Twins Ask 'Not-at-Homes' to Mail Heart Gifts

JUMBO-SIZED ENVELOPE is shown by Michele and Patricia Gane, 8-year-old identical twins of Aidan, Pa., reminding you to mail in your Heart Fund gift if you were not home when a neighbor paid a Heart Sunday visit to your home. Patricia, right, was restored to robust health by heart surgery.

During the War of 1812, Stephen Girard, Philadelphia Banker, assumed an entire Government loan of \$5,000,000.

good year when I can show a smaller loss than the year before?

You set out to tell a rancher he has to make a profit or be taxed for his losses and the bottom will fall out of agriculture. In the mean time, while Con-

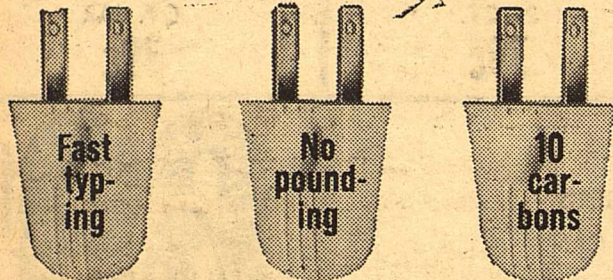

The Devil's River News-Sonora, Texas, Thursday, February 21, 1963

gress is getting around to changing this rule, the least Washington can do is to double my government checks, just to keep me inside the law. I'll go along with

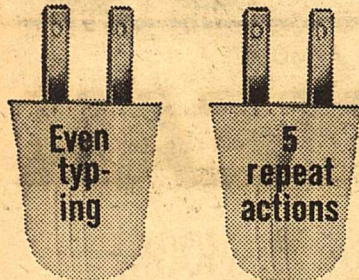

such an arrangement, and Congress can take its time on the other part.

Yours faithfully,
J. A.

MIDLAND BOY SCOUTS HOLD CAMP AT CAVERNS

"Sunday School under the Sky" was the order of the day on

February 17, when Boy Scout Troop No. 153 of Midland camped out at Sonora Caverns this past weekend.

The 21 boys ranging from 11

on up visited the Caverns Saturday afternoon, cooked out, slept under the stars and "sleeked up" for a study-worship period early Sunday morning. This was all accomplished under the direction of Wood Badge Scoutmaster James A. Wakefield, Midland surveyor. The troop is sponsored by the First Christian Church, Midland.

Sutton County Exhibitors Take Top Honors In San Antonio Wool And Mohair Show

Sutton County exhibitors made practically a clean sweep of honors of the Wool and Mohair Shows held in conjunction with the San Antonio Livestock Show. W. L. (Tom) Davis copped the majority of honors in the Open Wool Show, exhibiting the Champion Rambouillet fleece, Champion Fleece of Purebred Exhibit, Champion Fleece of Open Show, Grand Champion Fleece of Show, and Championship Group of Five Fleeces by One Breeder. Fred T. Earwood showed the Champion Range Fleece and Re-

serve Champion Fleece of Show. The first place Group of Eight Fleeces was exhibited by Sutton County producers.

Placings in the Open Show were as follows:

Rambouillet: Aged Ram Fleece, 1 and 6 Tom Davis, 2. Philip Jacoby; Aged Ewe, 1. George E. (Bud) Smith; Yearling Ewe, 3. and 5. Bud Smith; 4. Tom Davis. Delaine Yearling Ewe, 2 and 3, Chris Berger.

Finewool: Aged Ram, 1 Fred T. Earwood; Aged Ewe, 1 Ray Glascock, 2 and 3 Mayer and Rousselot; Yearling Ewe, 2 Mayer and Rousselot, 3 and 4 Tom Davis.

In the Junior Wool Show Dick McMillan exhibited the Champion Range Fleece. Chris Berger showed the Champion Delaine Fleece, the Champion Purebred Fleece and Grand Champion of Show. Sutton County 4-H had the first place County Group of five Fleeces.

Junior Show placings were: Rambouillet: Yearling ram, 1 and 3 Jim Fish; Yearling Ewe, 3 Tom Glascock.

Delaine: Aged ram, 3 and 5, Chris Berger; Yearling ram, 1 and 4, Chris Berger; Aged ewe, 1 and 2, Chris Berger; Yearling ewe, 1 and 2, Chris Berger.

Finewool: Aged ewe, 1 Jerry Shurley, Jr., 2 and 5 Chris Berger, 3 and 4 Ray Glascock, 6 Dick McMillan; Yearling ewe, 2 Dick McMillan, 3 and 4 Ray Glascock; Aged ram, 1 Dick McMillan, 2 and 3 Ray Glascock, 4 John Paul Friess, 5 and 6 Chris Berger; Yearling ram, 1 and 3 Dick McMillan, 2 Mark Shurley.

In the Open Mohair Show, W. L. (Tom) Davis showed the fourth and sixth place range aged doe fleeces and Jo Addah Johnson the fifth place range aged doe fleece.

In the Junior Mohair Show placings were as follows:

Registered doe kid, 2 and 3 Jessie Lem Johnson, 4 Janet Johnson; Registered Buck Kid, 2 Janet Johnson, 4 and 6 Jessie Lem Johnson; Range doe kid, Jessie Lem Johnson.

Religious Survey Re-Scheduled For Sunday, March 3

Due to bad weather, new dates had to be set up for the religious survey to be conducted in Sonora city limit by members of the First Baptist Church. The survey is to be taken from Sunday, February 24 to Sunday, March 3.

Information gathered will be shared with all of the denominations.

Golf Club House To Go On Course

Members of the Sonora Memorial Golf Club, voted by mail ballot, cast a 59-15 vote in favor of placing the proposed club building near the present pro-shop on the course proper.

The ladies' auxiliary group has proposed to purchase a building to be moved. The J. D. Lowrey Estate had offered to give the auxiliary a tract of land adjoining the golf course for the building.
