The Devil's River News-Sonora, Texas, Thursday, July 11, 1963

FORTY-THIRD WEEK

Special Range Field Day Held At Experiment Station Tuesday

A special range field day was held Tuesday, July 9, at the Sonora Experiment Station, sponsored jointly by the Texas Section, American Society of Range Management, and the Texas Agricultural Experiment Station. Following registration at nine o'clock Tuesday morning, and a welcome address by Dr. W. T. Hardy, station superintendent, visitors heard a discussion on "Plant Reaction to Various Intensities of Use," by Dr. C. L. Lein-

weber, head of the Texas A. and M. College Department of Range and Forestry. The morning program concluded with a discussion on "Underground Water and Its Relationship to Varying Plant Cover on Watersheds" by Walter G. Knisel, USDA agricultural engineer of Riesel.

After a "Dutch-treat" barbecue lunch served by the Sutton County 4-H Club, Dr. Walter W. Thames, A. and M. plant pathologist, spoke on "Nematodes in Relation to Plant Health and Grazing Use".

Alice Lee Duncan Gets Scholarship To Sam Houston

Alice Lee Duncan, a May graduate of Sonora High School, has been awarded a music scholarship from Sam Houston State Teachers College in Huntsville.

In high school, Alice Lee participated in the Sonora Bronco Band and the high school choir. She won district and regional honors in both ensemble and solo clarinet work and held various offices with the band.

At Sam Houston State she plans to participate in the Marching and Concert Bands, the Symphony Orchestra, the Grand Chorus, and the Woodwind Choir.

Alice Lee plans to major in music education at Sam Houston. She is the daughter of Mr. and Mrs. Earl Duncan of Sonora.

Indians Lasso Sonora Colts 7-6

The Sonora Colts continued their losing streak with a 7-6 defeat at the hands of the Balingier Indians there last Sunday afternoon. Abby was the losing pitcher.

The Colts will play an Ozona team here at Allison Field at two o'clock Sunday afternoon, July 14.

Little League All-Stars Named To Meet Ozona Here July 22

Fourteen members of the Sonora Little League All-Star Team have been named by managers and officials of the League to play in post-season games in the area. Also selected were five boys to be replacements.

Named to the team were Ricardo Perez, Jr., Richard Cox, Mitch Trainer, Jessie Martinez, Mike Watson, Erasmo Lumbieras, David Wuest, Thurston McCutchen, Howard Minyard, Jess David Cook, Dick Hamilton, Sammy Bernea, Bill Green and Israel Sanchez.

Replacements will be Billy Wayne Smith, Sandy Ingram, Barry Black, Al Elliott and Robert Mata.

Bobby Joe Granger and Jimmy Hugh Harris will manage the team assisted by other managers. Team practice began Saturday, July 6, and practices for the All-Stars are scheduled every day until the first game.

The first game of the area competition will see Sonora meet the Ozona All-Stars at Little League Park here on Monday night, July 22. Winner of this Area II competition will meet

THREE SONORA SCOUTS TO MAKE CANADIAN TRIP

Three Sonora Boy Scouts will leave San Angelo Sunday for a three-week trip to Canada. The Canadian trip will include a canoe and pack trip into the wilderness area.

Making the trip will be Bill Elliott, son of Mr. and Mrs. Marion Elliott; Dick Hardgrave, son of Mr. and Mrs. R. L. Hardgrave, and Robert Kelley, son of Mr. and Mrs. Robert Kelley, Jr.

LIONS ROAR

Walter B. Satterfield, Presbyterian Seminary student serving as summer supply for the Church of the Good Shepherd here, was main speaker at the Tuesday, July 9, luncheon meeting of the Sonora Downtown Lions Club. Satterfield, formerly with the U. S. State Department in Germany, spoke and showed slides of Berlin and the divided Germanies.

One guest, Jim Bob Seale of Gainesville, was present. Frank Potmesil won the program pot.

The luncheon was served by the Women's Society of Christian Service of the First Methodist Church.

New Sales Tax Regulations Explained For Retail Merchants

Representative James E. (Jim) Nugent last week furnished material clarifying changes in the State Sales and Use Tax for merchants. Principal parts of House Bill 106 which became law July 1, 1963 are: (1) A re-write of the sales tax along the lines proposed to clarify and simplify the statute and to net some \$16 million of additional revenue during the next biennium; (2) A re-write of the motor vehicle sales tax to levy the tax at two percent of the trading difference instead of 1.5 percent of the gross price to net some \$6 million in the next biennium; (3) A one-year extension of the corporation franchise surtax to produce \$11 million during the next fiscal year.

Now exempt from sales tax are the following sales: vending machine sales of less than 25 cents; sales of less than 25 cents where such sales produce 50 percent or more of the seller's gross; farm work animals and feed for them; herbicides, defoliants and desiccants; all fertilizer; insulin sold without a prescription; parts for prosthetic devices (artificial limbs); drugs dispensed or prescribed by physicians; drugs dispensed or prescribed by veterinarians; church meals sold at church functions; all meals sold at elementary and secondary schools during the school day; repair and replacement parts incorporated into goods taken in trade and intended for ultimate resale at retail; certain property transfers in which the seller retains a joint or undivided interest.

Now taxable but formerly exempt are these items: clothing selling for less than \$10.00; take-

out sales by restaurants. The new law also clarifies these exemptions: (1) makes clear that sales of less than 25 cents are not exempt except in certain carefully defined and restricted hardship cases and make it clear that several items purchased together constitute one sale under the bracket system; (2) makes clear that sales of

Cash Prizes Announced For Opening Day Rodeo Parade

Boy Scouts Successful Bidders On Bus Ask Assistance On Financing Payment

Sonora's Boy Scouts of America, Troop 19, offered the successful bid on the Sonora Independent School District's 54-

J. R. Reese, 80, Buried Here Friday, July 5

Funeral services for J. R. Reese, 80, a resident of Sonora for 25 years, were held Friday afternoon, July 5, at the First Baptist Church here with the Rev. Bob W. Brackney, pastor, officiating. Reese, a retired ranch worker, died at Hudsph Memorial Hospital Wednesday, July 3, after a brief illness.

He was born March 10, 1883 at Sabinal, Texas and came to Sonora in 1938. He worked on various ranches in the county, and last worked for the late Vernon Hamilton.

He is survived by his wife, the former Cindie Havens.

Pallbearers were Jimmy R. Harris, Pete Harris, Birl Davis and Cleveland Nance.

Burial was in Sonora Cemetery under direction of Ratliff-Kerbow Funeral Home.

passenger bus offered for sale this summer. The bus will be painted, the seats re-done and all necessary repairs done to put the vehicle in top condition for use.

Present plans call for the Scouts to make the vehicle available to any non-political civic organization for trips and outings. It is hoped that the bus, which will accommodate 54 youngsters or 36 adults, will be of real service in this line.

Leaders of the Scouts stated Tuesday that they are in hopes other organizations will be interested in helping defray cost of purchase and repairs to the bus. This is expected to amount to a total of about \$600.00.

Any contributions toward this end may be made to Herbert Fields, Reggie Trainer or Marion Elliott.

MRS. CRITES' SCHOOLMATE REUNITED HERE LAST WEEK

Mrs. Betty Carter of Houston was a visitor last week in the home of Mrs. Pearl Crites. Mrs. Carter and Mrs. Crites, both of whom are in their 80's were schoolmates all through their school years in McCary School in Karnes County.

After graduation each went her way and the two hadn't met since until Mrs. Carter's visit.

Interest continues to build in the expanded opening parade for the fourth annual Sonora Junior Rodeo scheduled to begin here Thursday, July 18. Bill Stewart, who has been in charge of parade arrangements, said Tuesday that cash prizes will be awarded the best entries in five categories.

The best all-round entry will receive \$25.00, the most original \$20.00, most comical \$20.00, best entry by a child aged 12 or under \$15.00, best aged 12 to 18, \$15.00. It is also hoped that ribbons will be received in time for distribution. Entries may be called in to the Devil's River News.

The parade will begin at the court house at four o'clock Thursday afternoon and continue down Main Street, turn on U. S. Highway 290 and continue to the Sonora Park.

First rodeo performance, ap-

proved by the American Junior Rodeo Association and conducted under its rules and regulations, will get underway at eight o'clock Thursday night and continue through Saturday night. Races at the 4-H Center will be held following the Friday and Saturday night rodeos. Loyd Mitchell's Rocksprings Playboys will furnish music Friday night and Adolph Hoffner and his Wranglers on Saturday night.

Entries must be in the hands of Louis Powers, rodeo chairman for the Sonora Park and Horse Show Association which sponsors the event, by Monday, July 15. Events will include bull riding, tie-down calf roping, barrel racing, pole bending, ribbon roping and steer riding. Contestants will compete in boys' and girls' divisions for ages 12 and under, ages 13-16, and ages 16-19.

Ranchmen Should Be Watchful For New Poisonous Weeds Growing

Ranchmen in the Edwards Plateau Soil Conservation District should be particularly alert to any strange and unusual plants. New plants may be valuable, but they will most likely be harmful or poisonous.

Going from East to West in Texas an inch of annual rainfall is lost each 20 miles. Sonora is about on the dividing line between "semi arid" and "sub humid" rainfall conditions, and fluctuation in the plant community are common.

In the dryer area west of Sonora Nature nourishes a number of undesirable and several im-

portant poisonous plants-suited to thrive in dry climates. During extended dry periods-or man-made droughts caused by continuous overgrazing-there is a tendency for plants from a more arid climate to become established.

Burrograss, for example, is a near worthless, sod forming grass common to the Trans Pecos area. During recent years burrograss has moved eastward rapidly. It is now abundant around Ozona, and has been found on a number of ranches in the Edwards Plateau SCD. Ranchmen should know this grass, and eradicate it when a trace shows up. It will spread rapidly during dry times, and when once established much time and money will be necessary to eradicate it.

Poisonous plants may be found and eradicated early. Some 10-12 years ago Joe B. Ross noticed a strange plant in the roadway east of Sonora. It was a poisonous plant from the Pecos area, called African Rue. Though the plant has not spread from the original discovery area, it continues to hang on despite efforts to eradicate it.

Last week another poisonous plant common to the Trans Pecos area was found along the roadside in southwest Sutton County. The plant was cudweed paper-flower-sometimes called paper daisy or yellow weed. Only a few plants were present, and these were pulled and burned.

Had early ranchmen known the poisonous bitterweed and pulled the first ones to enter the area, millions of dollars would have been saved to ranchmen. Soil Conservation Service personnel will be glad to identify any plants which ranchmen suspect are new and possibly harmful.

Scotch Foursome Tournament Well Attended Here On 4th

Richard Perez Wins \$50 Drawing Another Due Sat.

Richard Perez held the lucky ticket which won for him \$50.00 in Sonora Bonus Cash Drawing Saturday, July 6.

Another \$50.00 will be given away by participating merchants at the next drawing scheduled for three o'clock Saturday, July 13, in front of the First National Bank. The Bonus Dollar promotion is a project of the retail sales and promotion committee of the Sonora Chamber of Commerce.

Vicki and Carol Gay Hardgrave have been visiting in Beville with the Rev. and Mrs. Doyle W. Morton and Carolyn.

The Scotch Foursome of Clayton Hamilton, Bobby Joe Granger, Donnie Letsinger and Jack Mund took top honors in the first flight of the Thursday, July 4, golf tournament held at the local course. The foursome shot a ten under par 62 on the 18 holes. The runner-up slot was the team of J. W. Neville, Jo Hardgrave, Lee Patrick and Bob Painter. This team actually tied with the foursome of Thomas B. Thorp, Curtis Nicholas, Carrol (Patch) Cochran and Wallas W. Renfro but shot a 31 in a nine-hole playoff to take the runner-up prize.

In the second flight the team of Sam E. Jones, Jr., Herman Walker and Bill Tittle was first with a 75. In runner-up spot was the threesome of Louis Davis, Jack Browning of Van Horn, and Ed H. Grobe.

Still No Cases Of Screwworms In Sutton County

Sutton County remains free of screwworm cases, according to County Agent D. C. Langford. The county is now in its fourth week as a screwworm-free area and only seven cases have been reported in the county during 1963.

However, Langford warns, it is advisable for ranchmen to remain aware of the constant possibility of the incidence of screwworms and to keep a close watch on stock. Any worm infestations should be treated at once with an effective medicant, wounds kept clear of worms and larva specimens turned in immediately to D. C. Bruce or Pat Clifton at Twin Oaks Motel.

Local G. I. Forum Sends Delegates To State Meeting

Delegates and members of the American GI Forum, Sonora unit, attended the organization's state convention in San Angelo last week. Representing the local unit as delegates were Mr. and Mrs. Juan Bautista, Mr. and Mrs. Rafael Gonzales, Mr. and Mrs. Isael Perez and Mr. and Mrs. Pedro Galindo, Jr.

Alma Sanchez, local Queen, was the Sonora representative for District GI Forum Queen.

Luis Perez, Jr. was named the recipient of a scholarship from the local Forum. Perez, high ranking boy graduate of the class of 1963, was selected to receive the scholarship on the basis of his activity in the Junior GI

MIERS HORSE WINNER AT RUIDOSO DOWNS JULY 6

Star Pippin, a two-year-old owned by W. L. Miers of Sonora, was winner in the third race at Ruidoso Downs Saturday, July 6. Time in the 400-yard event for two-year-olds only was 21.3 seconds.

Running second was Three Leo, owned by Louis M. Pearce, Jr. of Houston, and Skip Straw, owned by Howell Lewis of Dell City, was in third place.

Gorum, his high school scholastic average, his leadership abilities and good citizenship.

Four International Students To Visit Here Next Weekend July 19

Four international students at the University of Texas will be guests of the congregation of the Church of the Good Shepherd, Presbyterian U.S., the weekend of July 19.

According to Walter B. Satterfield, summer supply at the church, the four will be selected from a list of five names. The five include:

Shogo Igucho of Kokurashi, Japan, a graduate student at the University. Igucho, a Buddhist, attended Kyoto University in his native country before com-

ing to the University. He is studying medieval German.

Miss Aleya Rouchdy of Cairo, Egypt, also a graduate student is a Moslem. A former student at the American University in Caro, Miss Rouchdy is a student of government and political science.

Heinz-Eric Meyer of Bogota, Colombia is a chemical engineering student. A Lutheran, he formerly studied at the University of the Andes.

Dmitrios Tassios of Athens,

Greece, is working toward a masters degree in chemistry. A former student at the National Technological University of Athens, Tassios is a member of the Greek Orthodox Church.

Jambu Nathan of Trichinopoly, India is also a graduate student. A Hindu, Nathan is a chemical engineering student.

Weekend plans for the group include a barbecue, attending the Junior Rodeo and dance, visits in the homes of members of the congregation and a tour of the Caverns of Sonora.

A weekly public service feature from
the Texas State Department of Health

Accent on Health

J.E. PEAVY, M.D., Commissioner of Health

"Pedodontics" is a big word with a simple meaning—the care and treatment of children's teeth. A major part of pedodontics is preventive dentistry, and preventive dentistry for the very young is the one great hope for a realistic solution to our dental woes.

If a child's teeth are properly cared for up to age 15, a strong foundation has been laid for minimizing dental troubles in later years.

At about 6 months of age the four front teeth—two upper and two lower—begin to peek out. These front teeth are incisors, the cutting teeth. By age 7 to 11 months, four more teeth, upper and lower, start to come in. These are the lateral incisors at either side of the central teeth.

Then Mother Nature wisely skips a few spaces in order to properly shape the jaw. In 12 to 16 months, the back teeth or molars, come in. Then the cuspids show to fill in the space between. At about 24 months, the second molars come in.

Up to this point all teeth which have erupted are primary teeth, and although temporary they are vital. They help shape the face, help the youngster learn to speak distinctly, help him nutritionally and must serve the child until he is 12.

While all this has been going on, the permanent teeth are slowly developing in the jaw bone so they can come forth at the proper time.

The first permanent teeth to erupt are molars—sometimes called "six-year" molars simply because they emerge at about age 6. Because they do not replace the first teeth but come in just behind them, these molars tend to confuse parents who think they are also temporary teeth.

This error can lead to unfortunate consequences. Since the "six-year" molars are permanent teeth, they will not be replaced if lost.

Family dentists strongly emphasize the importance of watching for the six-year molars. They are important to the structure of the mouth. The manner in which they interlock with their opposite teeth will determine the eventual shape of the jaw, facial contour and regularity of alignment of other teeth.

Because of their importance, these first permanent teeth are often referred to as the "key-

stone of the dental arch." The strength or weakness of adult dental health—barring loss of teeth through accidents—can invariably be traced to habits of preventive dentistry learned or left unlearned in childhood. And when it comes to preventive dentistry, the pedodontist is a child's best friend.

YEARS AGO

April 13, 1912

The Sonora boys play ball in Eldorado today. Here's wishing them luck.

-1912-

The dining room of the Commercial Hotel was the scene of pleasure Monday night. An impromptu hop participated in by about 10 couples being the occasion. The Uvalde band furnished the music.

-1912-

The Sonora Postoffice opened its Postal Saving Bank department Friday. No run was made for the office until the mail was distributed.

-1912-

E. E. Sawyer, banker and ex stockman, has donated two lights for the Sonora Club Hall. They will be here for the 26th.

-1912-

According to the Calendar Spring is Here and 'tis House Cleaning Time. Nothing adds more to the attractiveness and comfort of the home than its floor coverings and draperies and we are fully prepared to furnish them at normal prices.

We have just received our new stock of matting, linoleum, curtain materials, etc., which we would be glad to show you.

Armstrongs printed linoleum, tiling and floral patterns, fresh stock, 2 yards wide-per square yard 75 cents.

Armstrongs' genuine inlaid linoleum, tiling, patterns, fresh stock, 2 yards wide-per sq. yd. \$1.50). Japanese and Chinese matting—plain and fancy—full yard wide, fresh stock-per yard 35 cents.

Genuine Fibre Matting—fancy patterns, full yard wide—fresh stock—per yard 35 cents. A beautiful line of "Colonial Draperies"—Ecrú scrim, stencil borders—40 inches wide-per yard 25 cents. Plain and fancy scrims and swisses 36 to 42 inches wide, per yard - 15 cents to 40 cents

We also carry a good line of win-

IN TEXAS BEER IS A NATURAL

From nature's light grain comes sparkling, light beer... Texas' traditional beverage of moderation—it's light, sparkling, delicious.

And naturally, the brewing industry in Texas considers it noteworthy that it contributes more than twenty million dollars to the state in excise taxes each year plus additional millions in licenses and permit fees. These millions of dollars help support our public schools, farm roads, old age pensions, teacher retirement funds and help needy children and blind citizens.

THE TEEN SCENE

By Mary Davis

Next week is the week of the Junior Rodeo and things will surely be popping then. Everyone is getting pretty excited about the goings on.

It sure is nice to see the drive in screen up again. The town seems to be more alive at night now. Sarah and Eddie Sawyer left for Maine last week and won't be back until nearly time for school to start again. Wanda Cole is down in Liberty Hill visiting July Carlile and

getting into all kinds of mischief. Knowing Wanda, the Carlile home will be in quite an uproar what with two girls plotting schemes and giggling all the time. Another new boy moved into town. He lives in Junior Schwenning's old house and goes by the name of Dick Means. Dick is from Carlsbad, New Mexico and wonders if there are teenagers in Sonora. Dick, who will be a freshman next year, hasn't met many of kids around town yet.

Dorothy Jackson of San Antonio has been visiting the Davis clan. Speaking of a house in an uproar, the confusion there is pure bedlam. Three teen-aged girls in one house can cause quite a lot of confusion. Ask Louis Davis.

Ann McKinney has been visiting friends in Lufkin.

We heard comments that the bulls that were at the rodeo in Rocksprings were pretty rough characters. Heard also that Tom Ed Glasscock managed to do fairly well on staying one. Jean Keese of Llano has been visiting Kathryn Adams for the past week.

Joyce Ann Hearn decided to spend this week at home after having spent time in both San Antonio and San Angelo.

Tea Glasscock was home for the weekend and the Fourth of July holiday.

Irma Gonzales has returned from a week's vacation to Monterrey, Mexico.

MRS. RENFRO ENTERTAINS TWICE TUESDAY CLUB

Mrs. W. W. Renfro was hostess to a swimming party and luncheon for members and guests of the Twice Tuesday Club at her ranch home this week.

Mrs. D. C. Langford held high score, Mrs. James Hunt won the slam prize, Mrs. Jerry N. Shurley the deuce prize, and Mrs. Bill Tittle bingoed.

Others present, all club members, were Meses. Tommy Smith, Nolan W. Johnson, Cleveland Nance and Clayton Hamilton.

MRS. HAMBY ENTERTAINS IDLE HOUR CLUB TUESDAY

Summer garden flowers in pastel shades decorated the Woman's Club building Tuesday afternoon when Mrs. J. F. Hamby was hostess to members and guests of the Idle Hour Club.

At the end of play Mrs. George A. Wynn held high score for guests and Mrs. Ella Wallace for club members. Mrs. Charles G. Davis was second high and bingo prizes went to Mrs. E. E. Sawyer for guests and Mrs. Sterling Baker for club members.

Refreshments of ice cream and cake were served those mentioned and Meses. R. G. Nance, Ed H. Grobe, Rip Ward, W. H. Dameron, Ed C. Mayfield, Libb Wallace, R. W. Wallace, J. F. Howell, Belle Steen, Joe Brown Ross and W. R. Cusenbary.

ATTEND CHURCH SUNDAY

MRS. TURNEY HOSTESS TO JUST US CLUB MONDAY

Mrs. Paul Turney entertained members and guests of the Just Us Club at her home Monday afternoon, July 8. Arrangements of zinnias were used in decorating and refreshments of lime sherbet, pineapple cake and iced tea were served.

Mrs. E. B. Keng won the guest prize, Mrs. E. E. Sawyer was high member and Mrs. Rip Ward won at bingo.

Attending were those named and Meses. J. F. Howell, Alice S. Jones, Ed C. Mayfield, Libb Wallace and George A. Wynn.

WESLEYAN GUILD HAS ANNUAL FAMILY PICNIC

The Wesleyan Service Guild of the First Methodist Church held its annual picnic Monday evening, July 8, at the recreation area of the Sonora Memorial Golf Course.

Approximately 60 were present including members, their husbands and children.

CARD OF THANKS

I want to thank my many friends who have been so thoughtful to send cards and letters while I am hospitalized in San Antonio. They do make the days cheerful. Just keep them coming.

Mrs. R. A. Halbert.

Mrs. H. V. Stokes returned home last weekend after visiting relatives and friends in Lampasas and Brady.

THE WOMEN'S PAGE

Betty Jack Cooper Sonora Contestant In Fort Stockton Water Carnival

Betty Jack Cooper, daughter of Mrs. Pat Cooper, will be Sonora's representative to the 26th Annual Fort Stockton Water Carnival this week. Betty Jack is a candidate for the title of Miss Southwest and her trip is sponsored by the Sonora Chamber of Commerce.

The Miss Southwest contest, for ages 18 through 22, is re-

stricted to girls who do not live in Fort Stockton. All contestants will be judged on poise, personality, carriage, and outward beauty.

Some 100 girls are expected to compete for the title of Miss Southwest as well as for Miss Fort Stockton and Junior Miss Fort Stockton.

YOUR MINISTER SAYS

By Walter B. Satterfield, Summer Supply, Church of the Good Shepherd, Presbyterian U. S.

Scripture Reading: Galatians 5:1-20.

Early in 1945, just as the ravages of war seemed to be at an end, the Nazi secret police executed a man in prison in Berlin. This man was an unassuming Lutheran pastor named Dietrich Bonhoeffer, who had risked his life in attempts to overthrow the Hitler machine. He was captured, and spent nearly two years in an old jailhouse on the outskirts of Berlin. From prison, he wrote a number of letters to his young friends, some of whom were also ministers. They were torn between loyalty to their native Germany and hatred of the atrocities of Nazism.

Bonhoeffer's letter, collected in English as "Prisoner for God", represent some of the deepest devotional writings of modern

times. This man gave up freedom and comfort in order to LIVE his faith in Christ Jesus. The theme of his life was discipleship. This discipleship cost him his life.

The letters of Dietrich Bonhoeffer are engagingly similar to the letters of the Apostle Paul. Both write out of a life of total service to their Lord—and both from prison. Both showed by their lives that even if the cost of discipleship is high, it is ONLY through that discipleship that Christ "is formed" in the hearts of men.

St. Paul, in his letter to the Christians in Galatia, urges that these new Christians put aside all the things on the outer edges of Christianity and concentrate on the ONE thing that Christ Himself taught: that to follow Him means to be a servant of all. To serve the Right is almost always costly. It will certainly cost YOUR WHOLE LIFE. Christ expects nothing less.

Congratulations To These New Parents

Mr. and Mrs. Jerry M. Orren of Houston are the parents of a seven pound daughter born Tuesday, July 9, in a Houston hospital.

Grandparents are Mr. and Mrs. Santos Lopez of Sonora and Mr. and Mrs. Pat Orren of Odessa.

PERSONALS

Mr. and Mrs. Cashes W. Taylor and grandsons Keith, Frank, Kevin and Billie Cash spent the July 4 weekend at Silver Creek Lake near Buchanan Dam. They were guests of their son-in-law and daughter, Mr. and Mrs. Royce Regeon, at their cabin there. They were accompanied home Sunday by their granddaughters, Nanetta and Resa. Mrs. Eula Regeon also returned with them and is visiting with her son, W. K. Regeon, and friends.

Mr. and Mrs. George H. Neill have returned from a trip to San Antonio where they visited with their daughters and families, Mr. and Mrs. Richard Cooper and Mr. and Mrs. Paul Law. Elizabeth Jane Cooper accompanied her grandparents home for a visit.

Mrs. W. C. Walters spent last weekend in San Antonio. She will leave Friday for Colorado Springs, Colorado where she will be a guest of Dr. Clem Kennedy and will attend the Colorado Springs antique show.

Mr. and Mrs. Clayton Bray of Dallas visited last weekend with Mrs. Bray's mother, Mrs. Sam Hull.

Lee W. McLauri of Amarillo spent the Fourth of July holiday here visiting friends and fishing Devil's River.

Corvair 700 Club Coupe

The hardest part about parking a Corvair is finding a nickel

That may be a slight overstatement, but such jauntiness comes easily when you're a Corvair owner. And you can usually back it up—as easily as you can back up a Corvair. You'll find yourself doing that occasionally, if only to adjust the brakes—they're self-adjusting. That's all there is to it, and that's a good example of how delightfully easy Corvair is to own, drive and maintain.

But since we began by talking about driving, let's stick with that awhile. A large factor in the fun of driving a Corvair is the location of its engine in

the rear. Why the rear? It gives Corvair extra traction on any road surface. It provides a nearly flat floor for more useable interior space. Best of all, it produces steering so light, so responsive, you wonder why no other American-made car thought of it.

Corvair's engine is also air cooled, we might add, which means there's no antifreeze or water for you to add. Ever.

All that pleasure from something so practical almost makes you think Corvair is unique among American cars. Which isn't surprising, because it is!

Exchanging News

McCAMEY—A number of coyote drives have been held lately at the various ranches. On Saturday, June 22, a coyote on the J. B. Ratliff ranch was killed. This ranch is located on the old Girvin highway. Other recent drives were held at the Lyles Ranch and at the Glass and Everett Ranch on the Crane highway. "McCamey News".

BRONTE—Two men driving a Mercury automobile registered in the name of O. B. Southard of Lubbock were injured last Saturday night when the car went out of control at the Y, nine miles north of Bronte.

Deputy Sheriff Jess Parker said the car, coming from the direction of Abilene on the highway, hit the center dividing island at the approach to the traffic circle, and went out of control, turning over several times. The occupants were thrown from the car. "Bronte Enterprise".

JUNCTION—Bids for material and labor for 16,198 square yards of street surfacing will be opened, read and considered by City officials at eight p.m. July 8.

All of the streets in the project will be prepared except for the final blading when the bid is let, according to Mayor Aubrey Fife. "Junction Eagle."

EDEN—Spotted rains have dotted the area this week with Eden getting its share of each passing shower. Weatherman G. H. Spiser recorded 1.64 inches for the period with .96 gauged Tuesday and .68 Wednesday.

Some points in the county are reported to have been side-swiped with only traces of rain for the two-day period. "Eden Echo".

ROCKSPRINGS—A small concrete building will be constructed by the State Game and Fish Commission at the site of the Rocksprings Television Cable Company tower in Rocksprings to house a new radio system for game wardens. The house will be built in the near future on the property of the Rocksprings and Nueces Canyon Telephone Company.

This will be a part of state-wide network, which will conform with regulations of the Federal Communications Commission. This system of modern communications will make it possible for any warden in the state to be in contact with other wardens, whether in their home or in mobile units.

OZONA—Harper and Row, New York publishers, announce the scheduled publication in February 1964 of "The Ozona Story" by Allan R. Bosworth, an "old Ozona boy" whose entertaining and altogether delightful "New Country", a story of the Bosworth family in the early west setting, much of it centering around Ozona.

Bosworth spent several weeks here and in parts of Texas doing research for his "Ozona Story" and the announced publication, exclusive this week with The Ozona Stockman, heralds another triumph for Ozona and for Allie Bosworth, whose whimsical and captivating style of writing has brought fame to himself and widespread publicity to his home town. "Ozona Stockman".

FORT STOCKTON—A temporary problem of water shortage Sunday led city officials to issue an appeal for voluntary rationing until the new water line to Belding is completed.

Citizens have been asked not to water lawns until further notice. Service stations have been asked to eliminate washing driveways, and watering of parks and school grounds has been eliminated. "Fort Stockton Pioneer".

BIG LAKE—Clinton Parsons, 14, and his younger brother, six-year-old Branden, who own and operate a snow cone stand at 804 Ninth Street, were losers of about \$12 to a thief last week. This money represented a week's take at their place of business which is located on the lot adjoining their home. "Big Lake Wildcat".

Mr. and Mrs. R. S. Teaff have been in San Diego, California where they visited in the home of Teaff's brother, Mr. and Mrs. Perry Teaff and children.

Devil's River Philosopher Says Unrest In The Country Running Far Deeper Than He Realized

Editor's Note: The Devil's River Philosopher on his bitter-weed ranch on Devil's River reports on a new phase of unrest in the country, his letter this week reveals.

I knew there was unrest in all sections of the nation but I didn't know how deep and how far it had gone until I read a small item in a newspaper last night which a neighbor had wrapped some vegetables in he'd brought me, a favor I'll return if anything ever volunteers to grow in my garden. You can't tell, something might come up on its own.

According to it, a judge in some state, I forget which, fined a lawyer \$100 for being 15 minutes late to court.

This is revolutionary. It strikes at the heart of the whole system of jurisprudence. Everything has exploded this summer.

I had thought that if there was any right imbedded in the American system which was completely beyond challenge and incapable of ever being charged, it was the right of a lawyer to never be ready when court opens.

I had thought that the Constitution itself set forth the fundamental principle of the law that the more jurors and the more witnesses called on a given case

and the more time the lawyers had to prepare, the more likely some lawyer is to argue he's not quite ready and the case should be held over till the next term of court or till next Monday at least or if he can't do any better till 2:30 this afternoon instead of 9 this morning.

But for a judge to fly in the face of history and fine a lawyer \$100 for being 15 minutes late in arriving at what likely could be a postponement anyway, only indicates how deep-running the feeling of revolt and overthrow of customs has become. Enforced in all the courts of the land, it could help reduce the national debt.

I tell you, if President Kennedy hears of this, he'll be back at his desk after his European trip realizing this country is seething with more change than he had suspected.

You can fine a prospective juror if he's not sitting in court and sitting and sitting when the time comes to start a case, but the idea that all the lawyers should be ready is so un-heard-of and so contrary to tradition that it's practically preposterous.

Believe me, I'll be glad when this summer is over and things can level off.

Yours faithfully,
J. A.

HIGH LIGHTS AND SIDELIGHTS FROM THE STATE CAPITOL

By Vern Sanford
Texas Press Association

County tax assessor-collectors are meeting here to try to untangle the poll tax puzzle.

It seems that the Legislature created a snarl which will hit the county tax assessor-collectors about October 1. That's the date when people begin paying poll taxes and getting exemption certificates.

In a special election on November 9, voters will decide whether or not they want to repeal the poll tax as a prerequisite to voting.

If they repeal it, a new law will go into effect, setting up a 25c registration fee.

To make matters more complicated, the November 9 vote really would not repeal the poll tax. In theory, it still would be due and payable. But not many are expected to pay the tax if the voting privilege is removed from it.

If the tax assessor-collectors solve their problem this fall, by waiting until after November 9 to fill out and mail poll tax receipts, they may face another crisis in the spring. This because 36 states already have passed a proposed amendment to the U. S. Constitution outlawing the poll tax as a requirement for voting for president, vice-president, U.S. senators and congressmen.

In January, Arizona and South Dakota legislatures will meet and if they pass the amendment, it could be carried to law. In that event, a provision by the Texas Legislature would set up a system by which voters would apply to their harrassed county tax assessor-collectors for special registration certificates—at no charge—to vote on races involving only federal offices.

POOL HALLS GET NEW STATUS — Townspeople who have had trouble in the past trying to set curfews on pool halls, because the pool parlors were illegal, can look to one bright side of a law that will become effective on August 23.

City governments then will be able to set curfews because on

that date the pool halls will become legal operations in Texas.

REDISTRICTING SUIT SET—Talk of a special legislative session perked up as a federal court in Harris County set a September 23 hearing of a Republican-sponsored congressional redistricting lawsuit.

Texas' 58th Legislature tried to set a formula for congressional redistricting. But a token bill died in the final minutes of the session. Some who opposed it said they would rather let the federal courts settle the matter. Others said they would rather meet in a special session than leave it to federal judges.

State Democratic Chairman Eugene Locke of Austin has asked the court to dismiss the GOP Suit.

VETERANS LAND BRINGS \$\$\$\$—Land Commissioner Jerry Sadler said the sale of 82 tracts of forfeited veterans land (totaling 2,223 acres) was "gratifying", since it brought in more than the state's original investment plus taxes paid since forfeiture.

The block of tracts in Lavala, Maverick and Hidalgo counties brought \$211,753.84. This included \$155,001 for an 886-acre unit in Zavala County, which Grady Claude Hogue of Cisco won after some spirited bidding.

TIGHT LITTLE ISLAND—State Highway Department has discovered an island of Mexico in the heart of El Paso.

Highway department claims that there is a quarter-mile section on U. S. Highway 80 in El Paso where you can drive through Texas and see Old Mexico with one eye and and New Mexico with the other eye.

Department says Cordova Island became a Mexican oasis in the Texas city of El Paso under the Guadalupe Hidalgo Treaty of 1848. Treaty provided that artificial changes in the Rio Grande's course would not affect Cordova Island's boundary. Now that the meandering river has changed its course the Island is surrounded by American soil.

SPECIAL

CARD OF THANKS
For the true brotherly love shown by so many of our friends and neighbors during my recent loss, I take this way of saying I am extremely grateful.
Mrs. J. R. Reese.

CARD OF THANKS
For loving help and sympathy shown us during the years of our mother's illness and at the time of our loss, we would like to express our gratitude. We were indeed comforted and strengthened by your kindnesses.
The family of Mrs. J. D. Lowrey.

CARD OF THANKS
I want to thank each of the people who were so thoughtful during my two months stay in the hospital in Houston, for all the nice cards and letters I received. They were such a help to keep me cheerful and made my stay seem shorter.
Sincerely,
Reams G. Cox and all my family. 1 to 43.

LEGAL NOTICES

NO. 241
STATE OF TEXAS
COUNTY OF SUTTON
IN THE COUNTY COURT OF SUTTON COUNTY, TEXAS.

IN RE: ESTATE OF LILLIAN BELL GLASSCOCK, A PERSON OF UNSOUND MIND.
NOTICE OF APPLICATION FOR AUTHORITY TO EXECUTE AN OIL, GAS AND MINERAL LEASE ON REAL ESTATE OF SAID WARD.

TO ALL PERSONS INTERESTED IN THE ESTATE OF LILLIAN BELL GLASSCOCK, A PERSON OF UNSOUND MIND:

Notice is hereby given that I, H. E. Glasscock, Guardian of the Estate of Lillian Bell Glasscock, a person of unsound mind, did on the 5th day of July, 1963, file my sworn application in the above entitled and numbered cause for an order of the County Judge of Sutton County, Texas, authorizing me as Guardian of the Estate of Lillian Bell Glasscock, a person of unsound mind, to make an oil, gas and mineral lease on such terms as the Court may order and direct on the said ward's full mineral interest in the hereinafter described land situated in Sutton County, Texas, to-wit:

Tract 1: All of Section 29, Abstract 557, Certificate 76, Block IJ, TC Railway Company Survey, SAVE AND EXCEPT the West 480 acres thereof, and containing 160 acres, more or less.

Tract 2: All of Section 30, Abstract 1620, Certificate 76, Block IJ, TC Railway Company Survey, SAVE AND EXCEPT the West 480 acres thereof, and containing 160 acres, more or less.

Tract 3: All of Section 32, Abstract 1517, Certificate 84, Block IJ, TC Railway Company Survey, containing 640 acres, more or less.

Tract 4: All of Section 33, Abstract 561, Certificate 85, Block IJ, TC Railway Company Survey, containing 640 acres, more or less.

Said application will be heard by the County Judge of Sutton County, Texas, in the County Courtroom in the Courthouse of Sutton County, Texas, in the City of Sonora, Texas, on the 22nd day of July, 1963, at 10:00 o'clock A.M.

Dated this 5th day of July, 1963.
H. E. Glasscock
Guardian of the Estate of Lillian Bell Glasscock, a person of unsound mind.

PARAMOUNT COOLERS

installed FREE in your home for as little as - **6.90** A MONTH

- COOLS—Nature's air conditioning—with pump and blower on, fresh air is washed, filtered, and cooled to provide complete summer comfort.
- VENTILATES—With blower only, fresh outdoor air is circulated for year 'round ventilation.
- FILTERS THE AIR—Patented No-Clog Sta-Fresh Filters remove dust, pollen, and other impurities when cooling or ventilating.
- CONTROL OF AIR DIRECTION—Air Flo Grilles allow instant selection of concentrated or diffused cooling or ventilating.
- CONTROL OF COOLING—VENTILATING—Optional cooling or ventilating is immediately available with individual push button controls.
- PATENTED ALL WEATHER CONTROL—You can close and lock your window without removing cooler—shuts out dust, rain, icy winds, cold drafts, and illegal entry. (Prowlers)
- PATENTED "NO-CLOG" FILTER SCREENS—large, coarse mesh screen on the outside eliminates clogging from dust, dirt and foreign matter.
- PATENTED "GRIP-LOCK" FILTER HOLDERS—Positively locks filters in place eliminating filter sagging, loss of efficiency and danger of water being drawn into the blower.
- PATENTED "FREE-FLO" WATER TROUGH WITH VISIBLE OUTSIDE ADJUSTMENT—permits easy leveling of water trough while cooler is in operation, assuring uniform water distribution.

electric and gas utility service is exempt to manufacturers, miners and farmers but that all other commercial usage is taxable; (3) makes clear that natural gas is exempt except for specified use at the burner-tip; (4) makes clear that the sale of an entire business is exempt; (5) makes clear that use tax exemption for repair and replacement parts of common carriers applies only to an actual vehicle and not to the entire company or to a pipe line; (6) clarifies language exempting certain materials used in manufacturing.

Two major administrative and compliance changes will apply to local merchants. These are: (1) Grocers selling over \$100,000 a year may compute

their taxable sales by assuming that their sales of taxable goods bear the same relationship to their total sales as their purchases of taxable goods bear to their total purchases or grocers selling less than \$100,000 a year may assume that 15 percent of their sales are taxable and make their returns on that basis.

(2) In instances where the Comptroller feels that State revenues are in danger, he may require the retailer to post acceptable security as a condition to securing or retaining a sales tax permit.

Mr. and Mrs. J. A. Letsinger, Janie and Al had as weekend guests the Letsingers' son and his wife, Mr. and Mrs. Jerry Baldwin of San Marcos.

Highway Deaths In Sutton County Up Over Last Year

Figures compiled by the Texas Department of Public Safety show Sutton County has had one traffic fatality during the month of June. It was the second highway death of the year for Sutton County which had three death-free years.

For the month of June, records show this county to have had a total of four highway accidents with two persons injured and damages amounting to \$3,553.00. For the San Angelo Sub-District, a total of 89 accidents were reported with seven persons killed and another 35 injured. Damages in the amount of \$53,692.00 were sustained.

During the first six months of 1963, Sutton County has had a total of 20 accidents as compared to ten for the same period in 1962. Thirteen persons have been injured as compared to ten at the same period last year and property damage this year has been \$13,976.00 against \$15,470.00 in 1962.

For the Sub-District this year to date, 20 persons have been killed as compared to 16 in 1962. Total accidents have been 426 this year and 314 last. 9 total of 192 persons have been injured, nine under the total of 201 for the same period last year. Property damage in the area has increased from \$255,367.00 for the first six months of 1962 to \$279,240.00 for the comparable period this year.

Jesus Urias Observes 76th Birthday July 3

Jesus Urias observed his 76th birthday at his home here Wednesday, July 3, with all of his children present. Urias was born July 3, 1887 in Brackettville and moved to Sonora in 1897, at the age of ten.

He was an employee of the First National Bank here for almost 50 years, beginning his work there in 1912 and remaining until his retirement in 1960. Urias and his wife, the former Leocadia Telles were married April 29, 1923 in the First Baptist Church in Del Rio and have four children. The children are Leo Urias, Mrs. Billy Gonzales and Mrs. Flavio de la Garza, all of Sonora, and Mrs. B. M. Galindo of San Antonio.

Also present for the birthday celebration were the Urias' nine grandchildren: Becky, Cynthia, Loida and Wilma Jo Urias; Edna and Mrs. Gonzales, Rosie de la Garza and Bobby and Cecilia Ann Galindo.

-GREEN NEWS-

By Monica Davis

The second annual Fourth of July tournament is a thing of the past now—but it was one of those pleasant days we will long remember. A lot of fun was had by all, contestants and spectators, in the Scotch Foursome Tournament... and that barbecue supper, in the cool of the evening, was the yummiest. We know everyone is looking forward to the next one.

Winner of the first flight, with a ten under par 62, was the team of Clayton Hamilton, Donnie Letsinger, Jack Mund and Bobby Granger.

Tied for second place at 64 were the teams of J. W. Nevill, Jo Hardgrave, Bob Painter and Lee Patrick vs Patch Cochran, Wallas Renfro, Tommy Thorp and Curtis Nicholas. In a nine-hole play-off the team of Nevill, Hardgrave, Painter and Patrick won with a five under par 31. The gallery on the playoff looked like "Arnie's Army". The main difference was the free advice given on every shot... we don't think the pros would have put up with it.

In the second flight the team of Sam Jones, Herman Walker and Bill Tittle won with a 75. Second, with 77, was the team of Ed Grobe, Jack Browning and

Mr. and Mrs. W. W. Renfro, Ed Lee, Tony and Suzanne will leave Saturday on a vacation trip to Colorado.

Mrs. Violet Morrow of San Angelo visited this week with her sister and brother-in-law, Mr. and Mrs. J. F. Hamby.

Mr. and Mrs. Felton Jones of San Angelo visited here last week. Jones is a former superintendent of Sonora schools.

ATTEND CHURCH SUNDAY

Louis Davis.

We had 36 entries: six four-man teams in the first flight and four three-man teams in the second.

The Auxiliary had the refreshment stands—one at the Club House and one down between Number Four and Number Five tee box. Along about the middle of the afternoon a whirlwind came by on Number Four and Jo Neville and Marilyn Bloodworth gave out a yell for help as their dollar bills were blowing away. Some of the gents were chasing after them, but ol' L. P. was really doing some sprinting as a bill blew clear across the highway to Number One green. He rescued the bill and was awarded a nice, long, cool glass of refreshment for his efforts.

The ladies liked the idea of the Scotch Tournament so well that they are hoping to have one of their own soon. The men also seemed to like it better than any of the others we have had.

Right after the tournament, and just before supper, many guests enjoyed the putting green. In fact, it was enjoyed so much that it is thought we will have nine holes instead of the five we now have; and possibly put lights in so it can be used after dark.

Last week Bill Tittle was elected by the Board of Directors to replace Raymond Morgan, who resigned for business reasons, as Vice-President of the club. We regret losing Raymond, but we know Bill will do a good job. Louis Davis was selected to fill in the vacancy on the board.

Out of town golfers this week included Don Nelson and son of Kingsville; W. L. McDonald and Glen Biggs of Abilene; Katherine Dickerson of Marlin; J. M. Reyenga of Eldorado and Jack Browning of Van Horn.
