CINDERS

By John T. King

What do you know about football rules? Sharpen your pencil, put on your thinking helmet, and test your skill on these questions taken from the National Association of Collegiate Commissioners Football Examination.

- True or False—
1. A sole leather guard on the wrist to protect an injury is permissible if covered with soft padding at least one half inch thick.
 2. The jerseys worn by both teams are so alike that the Referee rules insufficient contrast. The home team must change jerseys.
 3. The size of corner flags is prescribed.
 4. Before the ball can be declared ready-for-play by the Referee, it is snapped to Player 1. Team A who fumbles and the ball is recovered by Player 1, Team B. Ruling: B's ball if B so elects.
- These are only 4 of the 125 questions on the exam. Referees must take the test yearly to be eligible to referee high school games.
- Our thanks to John Bell for giving us the examination and the officials answers: 1. False, 2. True, 3. True, 4. False.

With only four days until the Lions Benefit Auction Sale it might be well to consider what YOU plan to give. If you've been putting off giving livestock or merchandise until the last minute, you succeeded. Now how about some fast action to make this the biggest year yet. Then plan to be there Tuesday for the actual fund raising when Lem Jones' dancing words change merchandise into cold cash to carry Sonora's civic activities for another year.

Still unpromised but highly possible is that some of the money raised will be earmarked for a new swimming pool for Sonora.

Mr. and Mrs. Hondo Crouch, who live on a ranch between Fredericksburg and Comfort, have built a rock home that's identical in early every detail with old German houses that were erected many generations ago in the Hill Country.

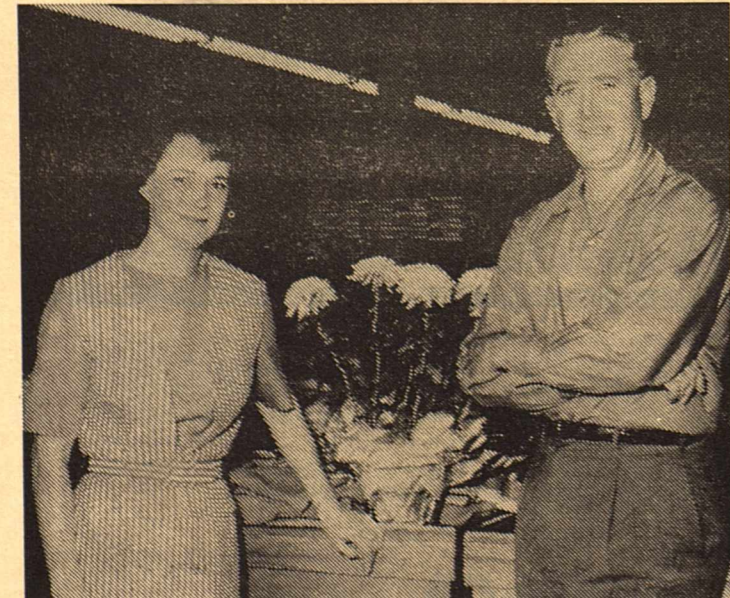

Their barn even has a sod roof. "I planted wheat on it once," Crouch says. "Made a crop. Then I put it in the soil bank. Now I get paid for not planting wheat on my barn roof."

George Dolan,
Fort Worth Star Telegram.

Rain for the month 2.22; for the year 12.84.

Jo and J. W. Neville, owners of Neville's Department Store, will have their grand opening Thursday, Friday, and Saturday. Door prizes, a drawing, and refreshments are part of their open-house plans.

SONORA GROCERY—where is it, or where was it? Can some of our well-informed readers tell us about this picture and where it was taken? Scratch your heads and think back, but don't be surprised if you come up with a wrong answer.

Golden Cranes And Mason's Punchers Each Keep Perfect Records Of 3 Wins

Most of the seven teams remaining on the Broncos football schedule have found 1963 a rough season on the gridiron. Only Mason and Crane have spotless records of three wins.

The Big Lake Owls will meet Sonora's Broncos tomorrow night with a 1 win, 1 loss record. They dropped their first game to Merfa in a nip and tuck battle that ended with the score 18 to 12. The Owls had a total of 276 yards gained on offense, 251 yards rushing and 25 passing.

The following week Big Lake slipped past McCamey's Badgers 20-14. The victory was sparked by quarterback Walter Horton's touchdown passing and fullback Wayne Luxton's point-winning drives on the ground.

Ozona with a 1-1 record rested last week.

The powerful Mason Punchers

walloped Junction 44-0 last Friday night for their third win of the year. While scoring 80 points, the Punchers have allowed their opponents only a miserly total of 8 in their first three games.

McCamey's defeat at the hands of Big Lake gave them two losses and one win.

Alpine racked up 35 points last week to push themselves into the win column after losing their first two games this season.

Putting a 35-0 whammy on Rankin, the Golden Cranes of Crane added one more to their perfect string of three wins last week.

And the Stanton Buffaloes have a perfect record of two ties, no wins, and no losses. They tied their first game with merkel 0-0, and last Friday they battled Coahoma to a 6-6 deadlock.

Lions, PTA Hear Discussion On New Teaching Techniques Tuesday

Since the Russians launched their first satellite, our educational system has been in a period of transition summarized Rex Lowe at the annual Lions-PTA barbecue Tuesday night.

Lowe said that the next few years will see further changes in educational procedures.

Doyle Morgan summarized the techniques of programmed instruction, a new system of teaching used here during the summer. He explained that the algebra course he taught with the new system used five books to teach students Algebra I.

He said that several of his pupils completed the course in five weeks. But he stressed that just as different people run 100 yards in different lengths of time, so students learn various subjects with varying speed.

Ralph Finklea reviewed a non-grade teaching system that has been proposed for schools. Use of this practice would place students into groups consisting of three levels. Students would complete the work necessary for passing to another group at their own speed. This would take away the stigma associated with failing and allow more flexibility for fast learners.

Clay Cade showed a teaching innovation soon to be required in grade school math teaching. The technique used a series of squares with numbers inside to show the relationship between numbers. Cade said that the concept was the same as former math teaching methods but the presentation was changed to teach the why of math.

About 250 people attended the

Lem Jones To Be Auctioneer At Big Lions Sale Tuesday

A free barbecue and a night of entertainment are in store for Sonorans who attended the 29th annual Lions Auction at the 4-H Club Center Tuesday night, October 1, at 6 p.m.

Lem Jones will be the auctioneer for the Lions' main fund-raising event of the year. H. V. Stokes reported that merchandise is coming in slowly. In 1962 merchandise contributed brought \$4,327 on the auction block.

Clint Langford said that merchandise to be donated should be brought to Leon Neely for storage in the old Howell Grocery. Livestock donations should be brought to Sonora Locker Plant

for slaughter or to the 4-H Center by 4 p.m. the day of the sale. He stressed that livestock usually brought a better price when it had been slaughtered and that the Lions bore that cost.

This year will see a new twist to the auction. Beginning at 6:30 the auction will be carried over KCKG and special items will be offered to the radio audience. Sonorans unable to attend may bid on these items by calling 2-5514.

Rex Lowe, president of the Lions Club, invites all Sonorans to participate in this evening, staged for the benefit of many worthwhile Sonora projects and filled with fun for all.

Ike's Average 50% Mike Hitting 63%

The Devil, obliged to help Ike and Mike whenever possible, has decided to throw out ties when counting percentages.

IKE
"Since our average is a miserable 50 per cent, we're going out on a limb and taking Ballinger in a whopping upset over Mason, and Eldorado to squeak by Menard because of the home-field advantage."

- Predictions for the coming week's games:
- Sonora 21, Big Lake 14
 - Menard 14, Eldorado 20
 - Ballinger 14, Mason 7
 - Winters 6, Albany 21
 - Alpine 7, Rankin 21
 - SMU 14, Michigan 0
 - Stanford U 7, Oregon 20
 - TCU 7, Florida State 10
 - UCLA 0, Penn State 21
 - Lamar Tech 7, ACC 0

- MIKE**
Five right out of eight—63%
- Sonora 7, Big Lake 14
 - Menard 19, Eldorado 21
 - Ballinger 12, Mason 21
 - Winters 7, Albany 20
 - Alpine 0, Rankin 14
 - SMU 7, Michigan 14
 - Stanford U 14, Oregon 7
 - TCU 14, Florida State 0
 - UCLA 0, Penn State 21
 - Lamar Tech 7, ACC 14

COLTS TAKE OZONA

The Sonora Colts, Junior High team, won last Thursday's game with Ozona 6 to 2. The "B" team lost their game 14 to 0.

Both the Colts and the "B" team will go to Eldorado September 26 for games beginning at 5:30 and 7 p.m.

barbecue at the elementary school cafeteria. Mrs. Myrtle Bridge's room won the attendance count.

Sonora, Menard Deadlock; Broncos Meet Owls Friday

By Dick McMillan

The Menard Yellowjackets fought from behind time and time again here Friday night and tied the Sonora Broncos 19-19 in a hard-fought grid battle.

The Broncos opened up the scoring when quarterback Bill Elliott found speedy wingback Tino Noriega for a 51-yard touchdown pass. Elliott booted the extra point and the Broncos led, 7-0. Just a few minutes later, Elliott again hit Noriega behind the Menard defenders for only twenty seconds left touchdown. Elliott's kick was blocked and Sonora led, 13-0.

With only twenty second left in the half, Menard quarterback Ricky Powell scampered three yards around left end for a Menard touchdown. John Williamson's kick was good, and the halftime score was Sonora 13, Menard 7.

Midway through the third quarter Gil Trainer recovered a fumble at the Menard twenty-

five, and the Broncos scored in short order with Ruben Castillo banging over from the one. Elliott's pass to Trainer for the extra points was no good.

Menard then caught fire and began to move. Sonora fumbled at the ten and Menard recovered. On the first play James Wood bolted ten yards for the touchdown. The extra point kick was no good.

Late in the fourth quarter Menard recovered another Sonora fumble at the 42. On a slow, sustained drive Menard crossed the goal line again as Powell swept left end for three yards. A host of Broncos, led by Noriega, blocked Williamson's try for point and the game ended a 19-19 tie.

BIG LAKE

Tomorrow night the Broncos travel to Big Lake to play the Big Lake Owls. The Owls lost their opening game to Marfa but last week defeated McCamey of District 7-AA 20-14.

This twisted wreckage burrowing under trees is all that remained of the single-engine plane that crashed and killed two Midland residents Friday night. The pilot, David H. Cole, radioed the Junction airport shortly before the crash

saying that his control panel lights had gone out. A Civil Aeronautics Board investigator likened this to spinning a person around several times in a dark room and releasing him. Searchers found the wreckage Saturday at 6:15 p.m.

EASTERN STAR MEETING HELD TUESDAY NIGHT AT THE MASONIC LODGE

The Sonora Chapter of the Order of the Eastern Star had its regular meeting at the Masonic Lodge Tuesday evening, September 17, at 7:45.

Mrs. Joe Nance, Worthy Matron, presided at the business meeting. Mrs. David Shurley and Mrs. Frank French served sandwiches, cookies, and coffee.

The Eastern Star meets the third Tuesday evening of each month at 7:45 at the Masonic Lodge.

Two Killed Friday In Airplane Crash

The crash of a Piper Comanche private airplane Friday night took the lives of David Harold

Cole, 40 and Mary Jane Farrell, 36, both of Midland. The couple were on their way from Midland to San Antonio when the plane lost its control panel lights 32 miles east of Sonora.

Screwworm Cases Found This Week

For the first time since June 14, cases of screwworm infestations have been reported in Sutton County. Cases were discovered this week on the W. F. Berger-O'Leary ranch and at the Experiment Station, according to D. C. Langford, County Agent.

Screwworm infestations were found in two rams Friday on the Berger ranch, which is 29 miles west of Sonora.

At the Experiment Station a ram was discovered infested with screwworms.

Langford and Pat Clifton of the Texas Animal Health Commission reported one other case this week, a so-called imported case. Screwworms were discovered at the Experiment Station in an Angora goat transported from Alpine by truck.

"Conditions are perfect for screwworms," Langford says. Eradication officials warn that these September rains usually herald the beginning of fall increases in screwworms.

Langford and Clifton both urge ranchers to spray while shearing and to dope all shearing cuts. Livestock should be checked for worms while they are being worked.

Clifton requests that ranchmen report all cases of livestock infested with worms—regardless of the type of worms. Samples should be taken to him. He may be contacted at the Twin Oaks Motel.

Cole, a prominent Midland roofing contractor, radioed the Junction airport Friday shortly before the plane dug into a hill on the Leonard Gibbs Ranch at an estimated speed of 180 to 200 mph. The plane was not found until 6:15 p.m. Saturday.

Nolan Gibbs, son of the ranch owner, found the wreckage when he topped a hill about 2 miles from the Gibbs ranch house. The wreckage was scattered over a 130-yard area, the motor and front landing gear 70 yards from the main fuselage.

Gibbs told officers that he and his family heard a noise and noticed the windows rattle, but thought the cause was a sonic boom.

Jack Martin Sykes, small son of the Wesley Sykes, saw a flash but heard no blast.

About 20 men, including Herman Moore, sheriff; Les Strawn, and Joe Willie of the Highway Patrol; Nolan Johnson, game warden; and L. H. Purvis, Texas Ranger, conducted the search. Also on hand were Federal Aviation Agency and Civil Aeronautics Board investigators.

Funeral services were held Monday in Ranger for Miss Farrell and Tuesday in Lubbock for Cole.

New luxury styling to match its total performance gives a bright, new look to the lineup of Ford cars for 1964. The top-selling Ford Galaxie 500 Series offers three distinctive new roof lines including the 4-door sedan (top photo). Five engines and four transmissions are offered including the Cruise-O-Matic Dual Range three-speed automatic transmission now available with all engines up to 390 cubic inches displacement. The full Ford Galaxie line for 1964 includes 16 models with 2- and 4-door sedans, hardtops, convertibles and station wagons (bottom photo). The completely restyled cars will appear in Ford dealer showrooms September 27.

R. S. TEAFF OIL COMPANY

1964 SUPER TORQUE FORD

Strongest, smoothest, steadiest car in its field—by hundreds of pounds... More steel in frame and suspensions... Unique suspension lets wheels move backward as well as up and down to flatten bumps... Distinctive new rooflines.

1964 FAIRLANE

Unique combination of family-size room, sports car feel and modest price... Optional 289-cubic-inch V-8 so lively it was adapted for famous Cobra sports car... Five engine choices, six transmission choices, eight different models.

1964 FALCON

All new except the economy that made Falcon famous... Falcon's Six still holds all-time Mobil Economy Run record for Sixes or Eights... Plush ride ever built into a compact car... 14 models—plus 3 extra-duty wagons.

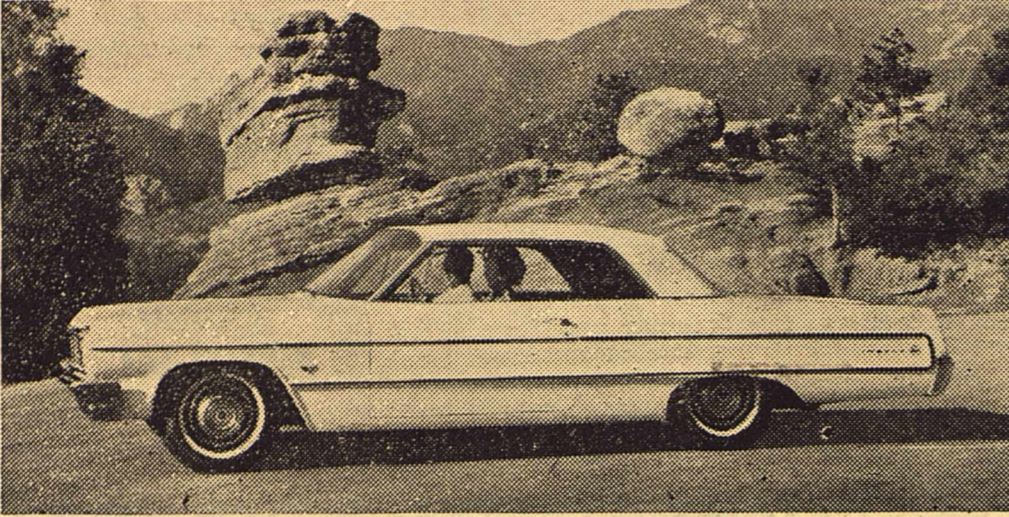

The '64s from Ford are here: The Year of the Test Drive starts today!

Ford cars have changed. Only a test drive can tell you how much. Races and rallies, economy runs, braking and acceleration tests have bred into our 1964 models the kind of total performance you just can't create on the test track alone. They are hard-muscled, fast-moving, sure-footed. Open competition helped make them that way. They offer you substantially more car than anything at their price. You don't have to take our word for it. We're willing to rest our case on our cars.

TRY TOTAL PERFORMANCE FOR A CHANGE!

200 Million Motor Vehicles

The current year is shaping into one of the biggest, if not the biggest, in automotive history. Less than two months ago auto producers passed a major milestone. By late July more new cars had rolled off the assembly lines than in any previous model year, even topping the 7.1 million turned out in the record-shattering 1955. This was the second "first" in a matter of months.

In December, 1962, the 200 millionth motor vehicle—including trucks and buses—produced by the American automobile industry was driven out of an assembly plant.

It took more than half a century to produce the first 100 million. It took exactly 14 years, from 1948, to double the figure.

The pioneers would be awed if confronted with the figures on the industry they started and its impact on the American economy.

What, for instance, would the Duryea brothers, who built and operated the first successful

American gasoline automobile in 1893, have thought if they had known that by 1962 total wholesale value of new motor vehicles in one year would amount to \$15 billion? Even their farsightedness hardly could have envisioned that in less than seven decades the production of motor vehicles would become a bulwark of the economy.

Recently, as an example, the U. S. Bureau of Public Roads noted that during 1962 a total of 61.4 billion gallons of motor fuel were consumed in this country, 4.2 per cent more than in 1961.

The Bureau did not translate that figure into jobs in the oil fields, refineries and service stations, but it doesn't require much imagination to figure out how benefits of highway transportation spread through the whole population.

All signs point to continued growth in the American economy with the highway transportation industry maintaining its role as a major contributor.

Expect great things from Chevrolet again—for '64

Today...Jet-smooth Luxury '64 CHEVROLET

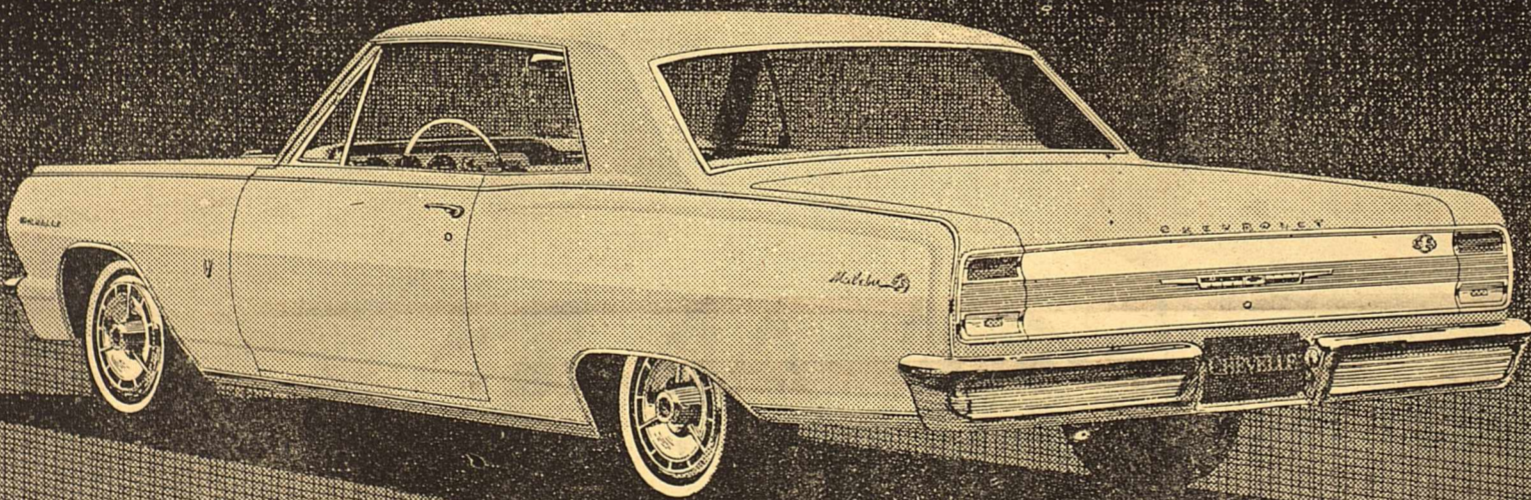

'64 Chevrolet Impala Sport Sedan—one of 15 Jet-smooth luxury Chevrolets.

Chevrolet was luxurious before, but you should see it now. With smart new styling, the '64 Chevrolet looks even longer (but isn't). There's even a whole new series this year—the Impala Super Sports—with front bucket seats as standard equipment. (The new Impalas and Bel Airs are more luxurious,

too. Even the lowest priced Biscaynes have new foam-cushioned seats front and rear and are fully carpeted.) Of course, you expect more than just luxury from Chevrolet. A choice of 16 power teams, for instance—a 6 and six V8's up to 425 hp (optional at extra cost). And quieter transmissions. Jet-smooth

ride with Full Coil suspension. Flush-and-dry rocker panels, Delcotron generator, self-adjusting brakes and other low-upkeep features. If you've ever wondered how luxurious Chevrolet could get—with all the extra-cost options there are to choose from—that seems to be entirely up to you.

Take your first look at the first CHEVELLE!

CHEVELLE! by Chevrolet

New Chevelle Malibu Super Sport Coupe—one of 11 models in three great series.

You've never seen anything like this totally new line of cars before. Chevelle is new in everything but Chevrolet quality. Chevelle is a good foot shorter than the big cars, so it parks easily. Yet the interior dimensions of its Body by Fisher provide a generous amount of head, leg and shoulder room. (Chevelle's trunk is big and roomy, too.) The ride is surprisingly smooth with a rugged coil spring at all

four wheels. And not so surprisingly for Chevrolet, the new Chevelle offers a choice of engines ranging from an economical 120-hp 6 to a 220-hp V8 (optional at extra cost.) Choose the Chevelle you like best from the three series—the Malibu Super Sport, the Malibu and the 300 Series, eleven models in all—at your Chevrolet dealer's. (Like this good-looking Malibu Super Sport, maybe?)

Dick Hardgrave received Boy Scouting's God and Country Award in a presentation ceremony held during morning services at the First Methodist Church Sunday, September 15. In the ceremony, Sonora Boy Scouts led the congregation in the Pledge of Allegiance, and the Rev. Allen G. Roe, pastor of the First Methodist Church, reviewed the significance of the award. The Scout earns the award by fulfilling 31 requirements outside his regular Scouting program with his minister serving as the instructor, counselor, and examiner. Pictured here are Dick's parents, Mr. and Mrs. R. L. Hardgrave, and Scoutmaster Herbert Fields (right) admiring the award.

PLEDGE SORORITY

Francine Fields, daughter of Mrs. W. J. Fields, Jr., and Betty Jack Cooper, daughter of Mrs. Pat Cooper, have pledged Kappa Kappa Gamma sorority. They are freshmen at Texas Christian University.

PROMOTIONS PLANNED FOR THIS SUNDAY AT METHODIST CHURCH

George Wallace, General Superintendent of the First Methodist Church School, announces that Promotion Sunday will be held next Sunday morning. All the departments of the Church School will assemble in the sanctuary at 9:45, and after brief services the pupils will be shown to their new classes.

Mrs. C. M. Epps, Chairman of the Commission on Education, urges full attendance for the promotion activities.

The First Methodist Church is also planning for a series of services by Dr. Robert E. Goodrich, Jr., October 13 through 16. The Rev. Allen G. Roe, pastor, invites other churches to the

Foster Ranch Site Of Barbecue Party

Mr. and Mrs. Jessie White and Mrs. Myrtle Gassett, all of Thornton, and Mr. and Mrs. Bee White of Prescott, Arizona, were honored recently with a barbecue dinner at the ranch home of Mr. and Mrs. Ross Foster near Pumpville. Bee White is the son of Wes White of Sonora, and Jessie White and Mrs. Gassett are his cousins.

Hosting the dinner were Mr. and Mrs. Foster, Mr. and Mrs. Ross Boston, and Mr. and Mrs. Wesley White.

Served at the dinner were covered dishes brought by the relatives, goat barbecued by Miss Virgie Franks.

About 60 people were present. Attending from Sonora were Mr. and Mrs. A. C. Parker, Mrs. Jim

services by Dr. Goodrich, pastor of the First Methodist Church of Dallas for many years.

FALL FESTIVAL SLATED IN SAN ANGELO BY SACRED HEART SCHOOL

This year's annual Fall Festival for the benefit of the Sacred Heart Catholic Junior High School in San Angelo, will be held on Thursday, October 10, in the Sacred Heart Cafeteria and Gym, according to an announcement by Father Irvin Gehring, OFM, Pastor.

Although the Fall Festival is being held much earlier this year, the same type of activities are planned, including a gigantic

Farris, Mrs. Lillie Smith, Mr. and Mrs. Charlie Farris, and Mrs. J. W. Glasscock and family.

MRS. REES ENTERTAINS THURSDAY BRIDGE CLUB

The Thursday Bridge Club met last week at the home of Mrs. Robert Rees. She served a fruit plate.

Mrs. R. B. Kelley won high score for members, and Mrs. Belle Steen won guests. The slam prize went to Mrs. A. W. Await. Mrs. Karen Peterson won the prize for low score. Members present were Mmes.

turkey and home-made sausage supper from 5 pm until 8 pm, carnival-type activities and games, booths with fancy work, mystery boxes, home-made sausage, dolls, etc.

Kelley, Await, Peterson, O. G. Babcock, Rose Inorp, T. W. Sandherr, Maysie Brown, C. E. Stites and Lee Labenske.

Guests attending were Mrs. Steen and Mrs. Juliet Driskell.

Delta Kappa Gamma Meeting Held Sat.

The Gamma Phi Chapter of the Delta Kappa Gamma Society met in the Homemaking Cottage Saturday afternoon.

Mrs. Andrew Moore and Mrs. Autrey Bridges gave reports of the State meeting. Mrs. Randolph Harris of Del Rio was in charge of the program. She gave a talk on "New Frontiers for Women in Religious and Service Areas."

Refreshments were served by Mrs. James Wilson, Mrs. Bill McGilvray, Mrs. Andrew Moore, Mrs. Terrell Love, and Mrs. Randolph Harris to 27 members.

Other Sonora members present were Mrs. Bill Gosney, Mrs. Dennie Hays, Mrs. Edgar Glasscock, and Miss Margaret Schwiening.

The Devil's Workshop

An Idle Mind Column

By Della King

This week's football contest was a close one with no entries showing more than 14 correct. Most got nine or ten right. The One Cent Special Consolation Award this week goes to L. J. Finklea whose guessing average was 35 per cent, only a few points below the score of those omniscient forecasters, Ike and Mike.

From a recent column of a weekly newspaper: "When we first saw teenagers wearing them around we wondered if they had gotten into their younger brother's Erector set, but the girls think nothing of wearing this superstructure everywhere." What is it? Why of course, the carefully engineered arrangement of brush rollers and colored picks that crowns the girls at least once a week nowadays.

We females seem willing to try almost anything for beauty or fashion. Remember when we would sit wired like a switchboard or a modern-day electronic computer getting a permanent? We will sit complacently while our heads are adorned with tissue paper, rages, metal clips, cotton, transparent tape, cardboard cylinders, plastic rollers, brush rollers, or metal rollers. Men don't know what they are missing!

Devil's River Philosopher Tells Why Sec. Of Agriculture Is Not A Farmer

Editor's Note: The Devil's River Philosopher on his bitter-wood ranch on Devil's River apparently is not a candidate for Secretary of Agriculture. We don't believe anybody suggested him.

Dear editor:
I was talking with a man in town the other day and he had been reading an article in a big magazine about the mistakes it claimed the Secretary of Agriculture has been making and he

wanted to know why they don't ever appoint a farmer to the job. The Secretary we got now, he said, used to be a governor; the one before that was a church official. "Why don't they ever appoint a farmer to run the nation's farming business?" he demanded. "They bring in somebody who doesn't know much about farming and expect him to succeed." I didn't go into details in answering him, as I figured he

was a normal man and a lot more interested in his opinions than mine, but I can tell you the answer. The answer is that a farmer has more sense than to take the job.

Any farmer know that regardless of who the Secretary of Agriculture is, two years after he's been in office he's head over heels in trouble. When you've got a job tackling a problem that can't be solved, the only man willing to take it on is somebody who doesn't know it. Being Secretary of Agriculture is the worst job on earth, outside maybe of trying to solve a neighbor's family squabble. You pass a law requiring the President to name only a farmer as Secretary of Agriculture, and you'll find more farmers moving to town than you ever dreamed of. Oh I know you get to tour the world while you're in office, but that's the worst way I know to get a trip abroad, and it doesn't do any good—when you get back the farm problem is in the same mess it was before you left. But don't misunderstand me. We've got to have a Secretary of Agriculture and a lot of farm

legislation to administer. The at. The only thing worse than last thing a farmer wants is to farming and not making any farm without having somebody money is farming and not making in Washington to point his finger any money and not having any- body in Washington to put the blame on. Yours faithfully, J. A.

More merchandise has been added to our sale tables this third week of our moving sale. If you've bought previously come and see the new additions. If you haven't come in yet, don't miss this rare chance to buy quality merchandise at half price.

SONORA, TEXAS

THE TEEN SCENE

by Mary Davis

The classes in high school have finally gotten the room-mother situation straightened out—after much debate in some cases, and a great deal of confusion as to who could and who couldn't be a room mother, how many mothers, and who was one last year. Mrs. Tommie Smith, Mrs. T. C. McCutchen, Mrs. Jack Raye, and Mrs. L. P. Bloodworth are to be room mothers for the freshman class. The sophomores elected Mrs. Edwin Sawyer, Mrs. Jerry Shurley, Mrs. Robert Kelley, and Mrs. Ted Letsinger to be their room mothers. Junior room mothers, and the mothers that will be the busiest what with the Spring Formal and all, will be Mrs. Lee Fawcett, Mrs. Armer Earwood, Mrs. Leroy Whitworth, Mrs. Sammie Espy, and Mrs. Damon Davis. The seniors will have Mrs. S. E. Jones, Jr., Mrs. James D. Trainer, Mrs. Carl Cahill, and Mrs. John McClelland. The sponsors of the individual classes are the same as last year's, except those that sponsored last year's seniors, now sponsor freshmen. Senior sponsors are Mr. Morgan, Mr. Steed, Mrs. Prugel, and Mr. Hopkins. Mr. Wuest, Mr. Snodgrass, and Mrs. Dameron are junior sponsors. Mr. Probst, Mr. Neal and Miss Abernathy are sponsors for the sophomores. The freshman sponsors are Mr. Boyd, Mr. Hays, Mr. Painter and Mrs. Wilson. The Band Club elected officers Monday. President is Joe Lopez, vice-president is Juan Carlos Gonzales, and secretary-treasurer is Carla Whitworth. Dr. No-Yong Park presented a speech at a special assembly Monday afternoon. He is from the Southern Assembly Group that presents programs to schools that desire them throughout the year. SHS has asked for four of them. Dr. Park's speech warned the students that now is the time to prepare for tomorrow, because tomorrow we will be the leaders. He said that today, the Communists own half the population of the world and that if we are not careful, they will soon own all of it. He made everyone feel very proud of his heritage and made us realize how precious it is. His speech was very entertaining and quite humorous in places. * * * Hey all chemistry students, what political figure are teenagers supporting when they wear sweat shirts reading All H2O? YOUR MINISTER SAYS

Rev. Arno Melz, Pastor
Hope Lutheran Church

Proverbs 5:21, "For the ways of man are before the eyes of the Lord, and He pondereth his goings."

We laugh as we hear of the ostrich which supposedly buries its head in the sand when it is frightened. We are amused that the bird tries to hide, and feels safe with only its head hidden. Such action looks very foolish to people.

In our own way we are rather foolish at times ourselves. Perhaps you have become aware of people trying to hide their sins. Children are more apt to be mean if the parent or teacher turns his back. Teenagers will drive out into the country at night for private parties to get away from the watchful eye of parents and friends. Adults will travel to other towns so they can be more care free in their activities.

We all have shortcomings, many of which we will try to hide. If these shortcomings are discovered we try to rationalize enough to excuse our behaviour.

YOLANDA CERVANTES, daughter of Mr. and Mrs. Polo Cervantes of Sonora, was elected 1963 Queen of the Sonora Roping Club. She received the title at the roping meet held by the club at Sonora Park on September 15. Miss Cervantes is a senior at Rocksprings High School.

-GREEN NEWS-

by Monica Davis

Wednesday, the eighteenth, the ladies held their monthly meet. Louise Morriss, Dorothy Ratliff, and Elizabeth Neill were hostesses.

Three tables of bridge were played, and those playing were Cynthia Ward, Mildred Nance, Jeannette Walker, Louise Morriss, Phil Bond, Mary Jean Hamilton, Velma Berger, Libby Jo Lowe, Marjorie Hardgrave, Christine Morris, Clara Lloyd Scherz, and Phoebe Kelley. Winners for high and second high

were Phoebe Kelley and Christine Morris.

Golfers had lots of fun too. They were Pauline Thompson, Lunetta Morgan, Monica Davis, Wanda Cahill, Ernestine Hext, Dorothy Ratliff, Jerry Tittle, Marilyn Bloodworth, Sammy Jean Espy, Bobby Fawcett, Betty Renfro, Billie Smith, Jane Cavaness, Joyce Meyer, and Libby Lowe. Libby really got with it as she played both bridge and golf. Winners were low net, Monica Davis, low putt, Jane Cavaness, and Jane also won low gross for the third time which entitles her to keep that trophy.

We have really had a busy week. Committees have been named for the various needs of the club. These committees are BRIDGE, chairman Christine Morriss with Clara Lloyd Scherz and Velma Berger to assist her; GOLF, chairman Ernestine Hext with Wanda Cahill and Marilyn Bloodworth assisting her; TELEPHONE, chairman Mildred Nance with assistants Joyce Kemper, Ora Granger, and Jackie Hopkins; MEMBERSHIP,

chairman Mary Jean Hamilton helped by Billie Smith and Dorothy Ratliff; FINANCE, Libby Lowe is chairman and Mary Barrow, Annabelle Wuest, Jo Neville, and Pauline Thompson are her helpers; BUILDING, Bobby Fawcett is chairman and Sammy Jean Espy will assist her.

Son Allison is calling the annual meeting on October 2 at 7:30 at the Court House. The purpose of the meeting is to elect six new directors. There will be five carry-overs. The directors will elect a president, vice-president, secretary, and treasurer.

Son also tells me there is to be a team tournament on the nineteenth of October. Sounds like lots of fun, and the weather will be cooler. Sure hope all of you will join in the fun.

Sunday was a beautiful day and many, many golfers thought likewise. There were over sixty golfers; some of them were playing better than they ever had—

and then there was Jo Hardgrave—five balls and fourteen strokes on number six—never mind tho' Jo, we understand that in spite of the bad luck, you still won the match.

As I told you last week, Jack Hext donated the oil to kill those pesky mesquite bushes. Some of the men have really been after it this past week too, but there are still three or four more afternoons of spraying needing to be done. Workers this past week

were W. J. Thompson, Louis Davis, Raymond Morgan, Doyle Morgan, Lee Fawcett, Patch Cochran, Shelley Lowe, J. W. Neville, Bob Snodgrass, Clayton Hamilton and Ed Grobe.

PRESENTING

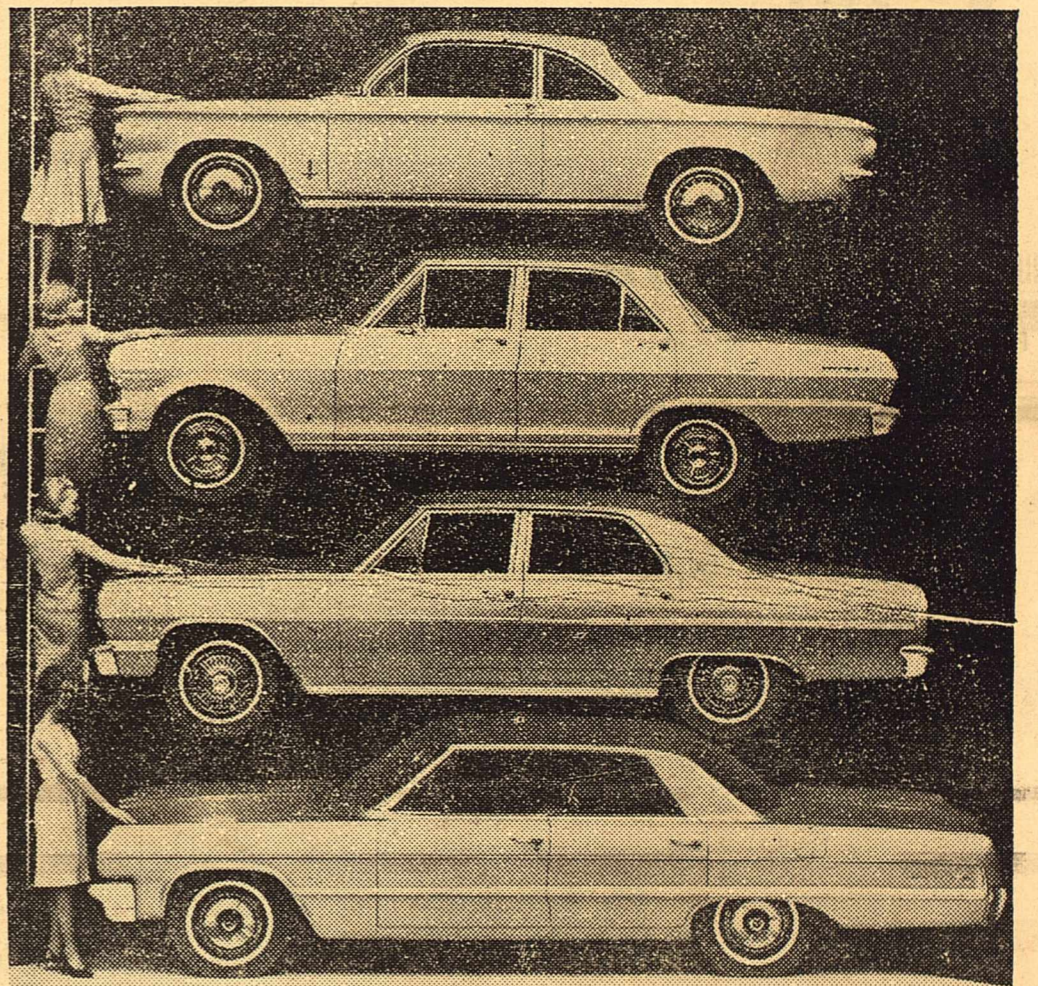

THE NEW '64 Chevrolet

Chevrolet

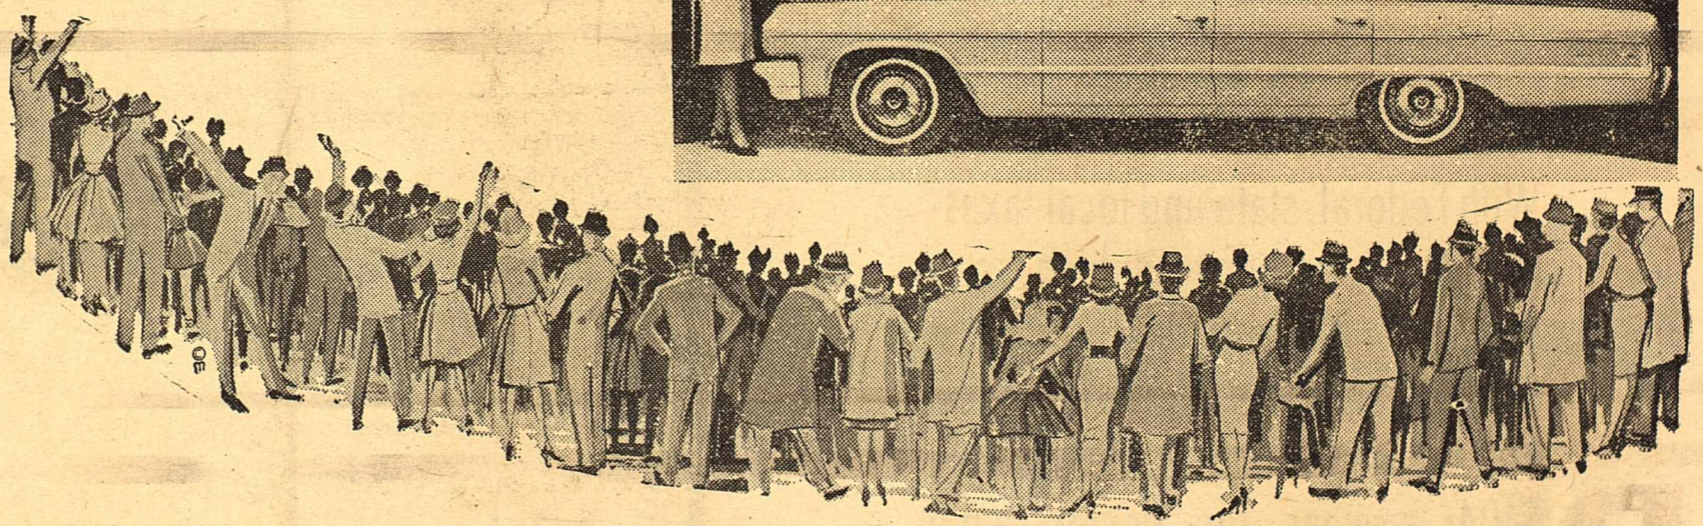

Now On Display

For 1964, the Chevrolet Motor Division will offer a total of 43 models in five separate passenger car lines. Each line is distinguishable by its own styling and wheelbase. Above, reading down: the 108-inch wheelbase Corvair Monza Coupe; 110-inch wheelbase Chevy II Nova 4-Door Sedan; the newest car in the Chevrolet family—the

Chevelle Malibu 4-Door Sedan which has a wheelbase of 115 inches while the Chevrolet Impala Sport Sedan is built on a 119-inch wheelbase. Not shown is the Corvette Sting Ray which sports a 98-inch wheelbase. Chevrolet dealerships will have a representative showing of all models when the new cars are introduced September 26.

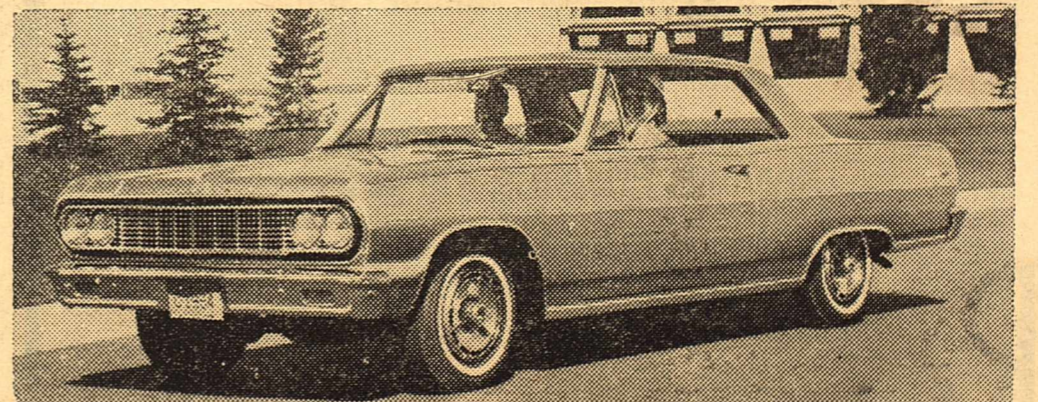

Come In And See
See The '64
Chevrolet
And Enjoy . . .

Free Coffee Donuts

The Chevelle, newest member of the growing Chevrolet family, will be on display Thursday at Elliott Chevrolet Co. Although 16 inches shorter and 2.4 inches narrower than comparable Chevrolet models, the Chevelle has luxury car roominess.

SONORA WOOL & MOHAIR COMPANY

HANDLING TEXAS' FINEST WOOL AND MOHAIR

New Fords Make Friday Debut At Sonora Motor Co.

The new 1964 Fords will be on display at Sonora Motor Company Friday, September 27. Joe Hull, manager, said that coffee and cookies will be served to Friday visitors.

On display will be the Galaxie 500, Fairlane, Falcon and pickup. Total performance in a completely restyled package, with three distinctive new roof lines and a roomier interior is how Hull describes the '64 Ford.

Engine improvements include a strengthened cylinder block, longer-wear bearings, an improved distributor and a more positive lubrication system.

Brakes, steering and suspension systems also have been improved. Smoother ride and better handling are both features that will result in greater driver comfort.

Hopkins Blames Mental Mistakes For Friday's Tie

Mental mistakes—failure to carry out assignments—was what cost Sonora a win over Menard last Friday. Jerry Hopkins, in reconstructing the Sonora-Menard game, told Bronco Boosters that his team was lucky when they played Eldorado, but that the same errors existed in both games.

Hopkins said that mistakes in the Eldorado game left us with a strong side and an unguarded

Elliott To Display New Chevrolets

Beginning Thursday

Elliott Chevrolet Co. will introduce the new 1964 Chevrolet car and pickups Thursday at their showroom in Sonora. Marion Elliott said that visitors will receive door prizes and refreshments.

On display will be the new Chevelle Super Sport, Bel Air and a pickup.

Chevrolet's 1964 line consists of 43 new models in five distinct sizes. This is ten more models than Chevrolet offered in 1963.

The Chevelle, Chevrolet's new line for 1964, embodies a distinctive styling and will be offered in 11 models in three series, the Malibu Super Sport, the Malibu and the 300.

Elliott said extended lubrication again is a feature on all Chevrolets for 1964 and that recommended chassis lubrication is every 6,000 miles or six months and engine oil change each 6,000 miles or 60 days.

side. While Eldorado fatefully chose the strong side by chance, Menard consistently hit the weak or unprotected side.

Boosters saw the filmed Sonora-Menard game at their regular Monday night meeting. They also saw portions of film that coaches and players had seen so many times that parts were scorched from heat. All coaches carefully examine filmed games of the previous week, especially plays that hurt their teams.

Oliver Wuest reported on Big Lake and their recent victory

Grand Opening Set At Neville's

Thurs., Fri. And Sat.

A three-day open house with refreshments and door prizes has been planned by Mr. and Mrs. J. W. Neville to celebrate the opening of the new Neville's Department Store. The grand opening will be held Thursday, Friday, and Saturday, September 26 through 28.

Visitors may register for the prizes any time during the grand opening and refreshments will be served Thursday, Saturday at 5 p.m. the drawing for the prizes will take place.

"We knew that Sonora needed this department store, and when Mr. Joseph decided to close his Sonora store, we decided to open one of our own," said Mrs. Neville.

Mr. and Mrs. Neville have 15 years' experience in the dry goods business in Sonora. They plan to feature quality merchandise at reasonable priced and they are stocking name brands such as Stetson, Resistol, Jantzen, Marja, and Cannon.

Continuing to serve customers in Neville's are Anita Urias and Mozelle Wright, who have each had over ten years' experience as salesladies.

over McCamey after losing to Marfa. Wuest said that Big Lake had changed from a pre-season pushover to a team that would cause Sonora Broncos some trouble. They average 175 on defense and use an I formation.

Sonora will play Big Lake there on Friday.

DEFENSE MEETING
The U. S. Department of Agriculture Defense Training Meeting was held in Del Rio September 18 and 19. Studied were the responsibilities of various agencies for defense and survival.

Representing Sutton County at the meeting were Mrs. Marie Ellis of the Agricultural Stabilization and Conservation Committee and E. B. Keng of the Soil Conservation Service.

Chris Berger Wins For Fourth Time At Abilene Show

For the fourth consecutive year Chris Berger, son of Mr. and Mrs. W. F. Berger, was a Premier Exhibitor at the West Texas Fair in Abilene. He is a member of the Sonora 4-H Club.

In the Open Show, Delaine Division, Chris showed the Champion Ram and the Champion and Reserve Champion Ewes.

In the Junior Show, Delaine Division, he showed the Champion Ram and the Champion and Reserve Champion Ewes.

At last year's West Texas Fair, Chris retired the rotating Delaine trophy after winning it for the third straight year.

Soil Conservation Zone 5 Meeting Scheduled Tuesday

Landowners in Zone 5 of the Edwards Plateau Soil Conservation District are requested to be present at the Sonora Court House at 2 p.m. Tuesday, October 1, to elect a district supervisor, according to E. B. Keng of the Soil Conservation Service.

Zone 5 includes all landowners who own land in the area south of the Bond Road (FM 1689), east of the Del Rio Highway (US 277), and north of the Rock-springs highway (55) in Edwards

Services For Mrs. Merriman Held Monday

Funeral services for Mrs. Billie Crowder Merriman were held Monday afternoon, September 23, at 2 o'clock at Johnson's Funeral Chapel in San Angelo. Dr. John Donahoe, pastor of the First Methodist Church of San Angelo, officiated. Mrs. Merriman died Sunday morning in St. John's Hospital.

She was born January 13, 1909, in Brownwood. She was a resident of Sonora for the last 14 years. For the past several years she owned and operated Billie's Beauty Salon. She was a long-time member of the Methodist Church.

Survivors include a son, Billie B. Crowder of San Angelo; six sisters, Mrs. Dora Dudley and Mrs. M. T. Cotton, both of San Angelo, Mrs. Oza Sanders and Mrs. Jackie Harder, both of Plainview, Mrs. Lone Zumwalt of Austin and Mrs. George Odom of Ballinger; two brothers, Fritz Chaillette of Austin and Dutch Chaillette of Marietta; and three grandchildren.

Interment was in Lawnhaven Memorial Gardens.

Pallbearers were Kenneth Thomas, Ed Taylor, and Kenneth Fry, all of San Angelo; Mac Cotton and Ernest Nelms, both of Brownwood; Lone Zumwalt of Austin; and R. C. Freeman of Amarillo.

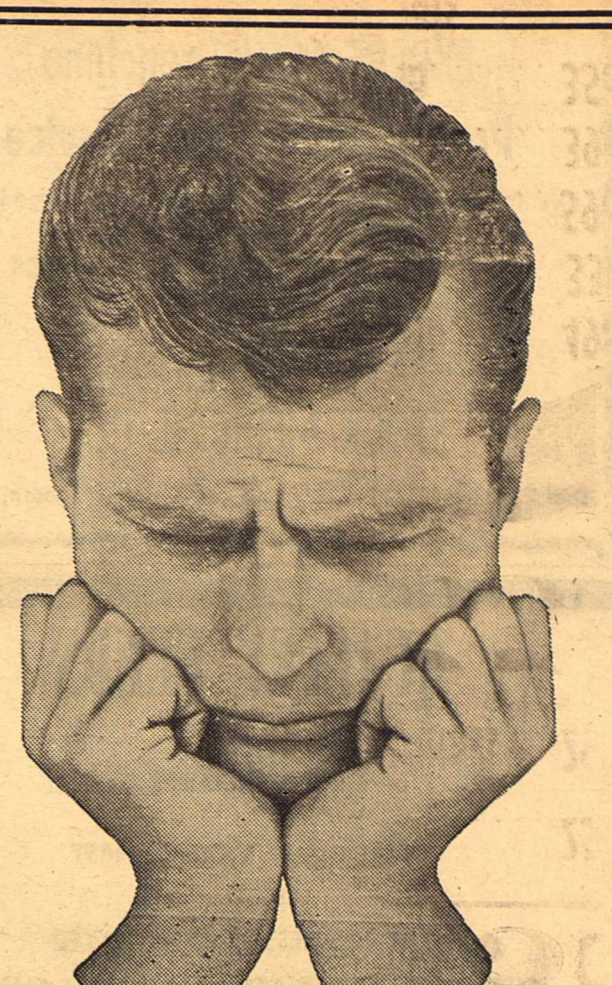

County.

W. B. McMillan is the supervisor currently representing Zone 5. The district is operated by five landowner-supervisors, one of which is elected each year for a five year term.

Only landowners and their wives owning land in Zone 5 are eligible to vote in the election.

Other district supervisors include Fred T. Earwood, Frank Bond, Edwin Sawyer and Joe B. Ross.

WITH TIME RUNNING OUT in the first half last Friday night, Broncos Tino Noriega, Jim Brown, Maxie Delrie, Joe Favala, Arturo Sanchez, and John David Fields push forward attempting to block Menard's point-after-touchdown kick. The kick was good, and at halftime the scoreboard showed Sonora 13, Menard 7.
