Wuest, Teaff, Howell Make All-West Texas

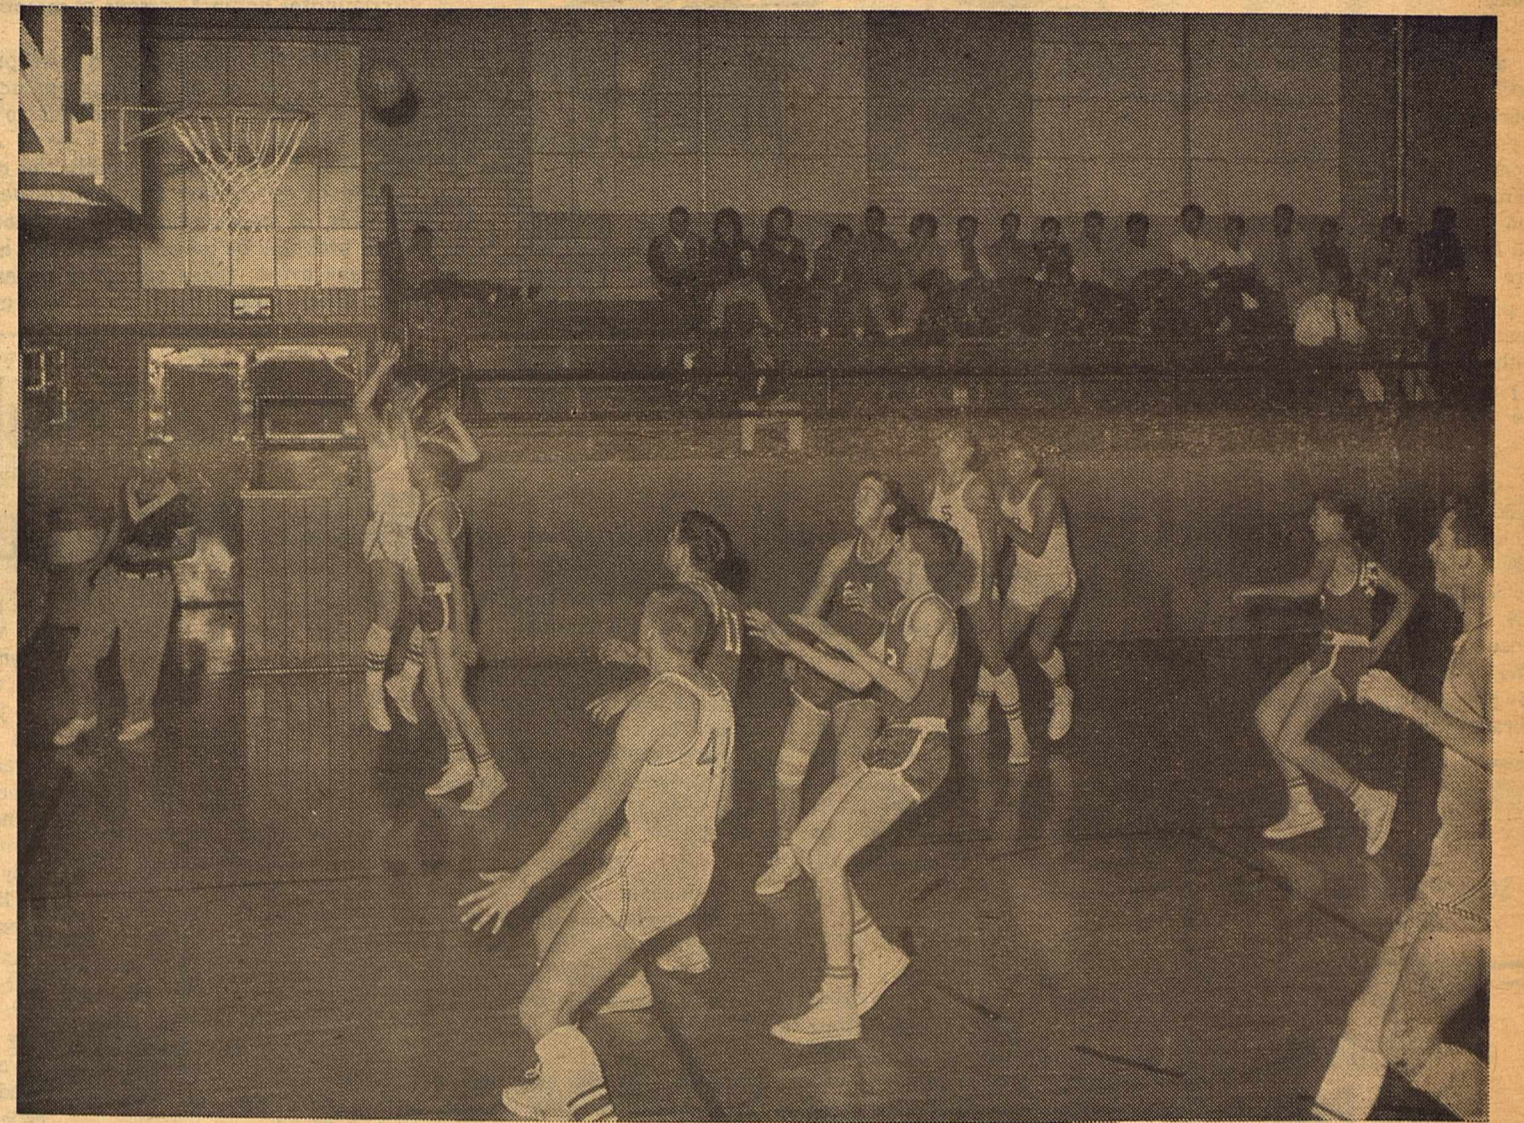

by Gary McGilvray

Three Sonora Bronco football players were selected by West Texas sports writers for the Class A All-West Texas football squad.

The Broncos were Mike Wuest as end, Carl Teaff as guard, and Eddie Howell as halfback.

Wuest not only was selected because he was an excellent end but also because of his kicking abilities as he averaged 41.2 yards a punt and kicked 19 of 21 extra points along with one field goal.

Teaff did a tremendous job for the Broncos all season long on both offense and defense and was praised very highly by Coahoma's Coach Dykes for his efforts in the

(41), Bill Glasscock (5), Laney Cook (3), and Grady Roe in the right foreground. The Broncos won the contest by a final score of 68 to 23.

Broncos Nab BCD Tournament Title

by Gary McGilvray
Sonora added to its collection of trophies when the Bronco basketball squad captured the first annual Christmas Holidays Basketball Tournament held in the San Angelo Coliseum by the Board of City Development December 30 as they defeated Christoval by a score of 64-47 in the championship game.

In the game the Broncos came from behind after Christoval jumped out to an early 6-point lead. Mike Wuest and Laney Cook got

most of the 64 points as they tallied 23 points each to pace the Broncos to their fourth consecutive win.

After the unfavorable first quarter the Broncos settled down to take the halftime lead with a 31-20 score over Christoval.

Sonora had little or no trouble in getting into the championship contest with a 65-40 first-round win over Sterling City and a 59-37 victory over the Mason Pioneers.

Every Bronco got into the scored column in the game against Sterling City with Noel Chavez

leading the Sonora club with 10 points. Next the Broncos bopped Mason with a second easy victory. This time Cook was the leading scorer with 20 points followed closely by Wuest with 15 and Grady Roe with 12.

Cook and Wuest were both made all-tournament selections while Bobby Menchaca of Christoval was named the most valuable player of the tournament.

In rounding out the rest of the tournament, Mason took third place by defeating Forsan, 65-50. Bronte won consolation with a 54-51 victory over the Eldorado Eagles, and Miles finished in seventh place after defeating Sterling City.

Broncs Add Victory To String

by Gary McGilvray

The Sonora Broncos stretched their winning streak to five in a row and for the first time this season are ahead in the victory column with six wins and five losses after defeating the Ozona Lions by a score of 59 to 37. The game was played last Tuesday night in the Sonora gymnasium.

This was the second time the two teams had met this year with Ozona winning the first contest by a close score of 59-53. It was a different story this time, however.

The Broncos took charge from the start as they opened up a first quarter lead of 7 points and never relinquished that lead throughout the entire game.

Rebounding by the Sonora squad was one of the major factors in the victory as the Broncos almost completely controlled the boards. The Broncos hit better than 65 per cent of their shots in the first half along with shooting almost 100 per cent from the free throw line.

In shooting, the home team was led by Mike Wuest with 18 points. Three other Broncos also scored in the double figures: Eddie Howell had 14 points, Carl Teaff scored 11, and Laney Cook had 10. Win Saunders led the Lions in the scoring column with 16 points.

Score By Quarters

	1st	2nd	3rd	4th	Total
Sonora	16	22	8	13	59
Ozona	9	9	10	9	37

The Sonora "B" team also won their game which preceded the varsity contest. The final score was Sonora, 52, Ozona, 39. Thurston McCutchen paced the Sonora scoring attack with 16 points while Ernest Vargas led Ozona with 9.

Carl Teaff Named To All-State Spot

by Gary McGilvray
Not since Sonora's do-everything halfback, George Johnson, made the All-State football squad almost a decade ago has any other Sonora Bronco been able to claim that honor. That is, not until now.

Carl Teaff, a 179-pound senior tackle, was selected for the Class A All-State football team which is chosen annually by the Associated Press.

Steed Cites Value Of March of Dimes

"I believe there is nothing more important than making sure every baby born in this county has the best chance to develop into a normal, healthy person.

"That's why I'm working to see that we have a successful drive here this January," declared Lacy Steed, 1966 chairman of the March of Dimes campaign to fight birth defects.

"It's not enough just to be 62 24 against birth defects," concluded Steed. "We must be for babies who survive, for babies who survive normally, and for the best possible care of babies who are born defective."

Patrick said that neither Mr. or Mrs. Archer were injured in the explosion and that little damage was done to the exterior of the home. The furniture, however, was badly burned in the living room and scorched in the other rooms of the home.

Explosion Damages Archers' Furniture, Wilson Rent House

A gas explosion ignited by a fire somewhere in the house damaged extensively the furniture of the Duard Archers, reported Lee Patrick, Sonora fire chief, concerning a fire in the Duke Wilson's rent house shortly after midnight Sunday.

Patrick said that neither Mr. or Mrs. Archer were injured in the explosion and that little damage was done to the exterior of the home. The furniture, however, was badly burned in the living room and scorched in the other rooms of the home.

MRS. LUCILLE HUCHERSON has announced her candidacy for reelection as county treasurer. She said that she would appreciate the support of Sonorans in the May 7, Democratic primary.

DON'T LOSE YOUR VOTE

The suit filed in Austin by the U.S. Department of Justice has created great confusion as to whether or not a person will need a poll tax in order to vote in the coming elections in 1966. In the suit, the Justice Department charges that the requirement of a receipt for the payment of poll tax in order for a person to vote discriminates against persons of minority groups and is therefore invalid. The suit was brought in a test precinct in Austin, wherein no minority groups actually resided. Arguments were presented to a three-judge Federal Court in the City of Austin on December 1, 1965, and actually the arguments seemed to go against the Justice Department. However, no decision has been forthcoming, and it will probably be a while before one is reached. In any event, there are other cases in point from other jurisdictions which are already at

the Supreme Court level and may be governing on the issues once a decision is reached. In the meantime, the laws of the State of Texas keep operating without hindrance. The State laws require that anyone desiring to vote in the elections in 1966 must have paid his state poll tax on or before January 31 of 1966. It is not likely that a final decision will be reached before that date, and it is therefore quite possible that the deadline could pass and subsequently the court hold that the poll tax was not discriminatory. Anyone who had relied on the strength of the Justice Department case and not paid his poll tax would be left without any sort of registration for the election year 1966. Therefore — pay your poll tax.

Taking of Golden Eagles Authorized

L. Udall has authorized the taking of golden eagles without permit to seasonally protect domestic livestock during the period from December 15, 1965, through June 15, 1966, in 32 West Texas counties, including Sutton County. Permission to take golden eagles is granted only where absolutely necessary to protect livestock, and the permission applies only to owners of livestock and their agents. Golden eagles may be taken by any suitable means except through the use of poisons or aircraft, authorities state. Golden eagles or any parts thereof taken pursuant to this authorization may not be possessed, purchased, sold, traded, bartered, or offered for sale, trade or barter. Largest room in Carlsbad Caverns has a floor area of 14 acres. The authorization to take eagles applies to the counties of El Paso, Jeff Davis, Brewster, Val Verde, Uvalde, Kerr, Edwards, Crockett, Ward, Upton, Hudspeth, Presidio, Terrell, Kinney, Bandera, Kimble, Sutton, Pecos, Culberson, Real, Sterling, Glasscock, Reagan, Irion, Tom Green, Coke, Schleicher, Crane, Burnet, McCullough, Blanco, and San Saba. This area contains the greater part of the Texas sheep and goat industry and is also used by wintering golden eagles. The length of the period during which taking without permit is allowed covers the lambing and kidding seasons in these west Texas counties.

J. A. Has Trouble With What New Year Holds

Editor's note: The Devil's River Philosopher on his bitterweed ranch on Dry Devil's River takes a look at 1966, but we're not sure he has his glasses on. Dear editor: A couple of days after Christmas, when I was figuring up how much it cost, you know some people are always referring to Washington as Santa Claus and they're right—the government has cut income taxes and raised Social Security taxes, just the way the Christmas-gift business works—at any rate, a neighbor of mine out here stopped me and said, "Well, how does the new year look to you?" "I can't see it from here," I told him. Anybody who claims he can see over into next week not to mention next year, has already forgotten what happened last month. I don't know what it was, but it didn't happen like he figured it would. Predicting next year is like predicting next month's weather, and I have a notion that if man, and

Texas Credit Unit Declares Dividend

The Texas Production Credit Association has declared a 5 per cent dividend on all Class A and Class B stock, payable early in January, 1966, on all stock of record Dec. 31, 1965, reported Phil H. Lane, manager of the association, recently. He stated that there are many stockholders in the Sonora trading area, and this dividend will bring a sizeable amount to the local people. The Texas PCA specializes in agricultural loans and is owned by ranchers and farmers of West Texas, Lane said. They have loaned approximately \$12,000,000.00 during the past year, he added. The dividend helps to reduce the cost of money to its borrowers, which is already at the very low figure of 6 per cent simple interest, according to Lane. Mr. and Mrs. Frank E. Leonard and sons, Al, Frankie, and Jim of Lubbock visited with Mr. and Mrs. John A. Martin during the Christmas holidays. Mrs. Leonard is the daughter of the Martins.

YOUR MINISTER SAYS

by the Rev. Rodney C. Dowdy pastor, First Baptist Church
 Genesis 1:1 "In the beginning God created the heaven and the earth."
 The beginning of time and things started with God. Not only the beginning of time and things started with God, but Man began with God. "So God created man in his own image, in the image of God created he him; male and female created he them." (Gen. 1:27) Man has a wonderful beginning with God.
 Man was created by God, in the image of God, and man is expected to return to God. Man was endowed with the capacity to fellowship with God. In this initial chapter of God's wonderful book it is recorded that God commissioned the first man Adam to have dominion over all other of God's creation. Also man was privileged to not only hear the voice of God, but God came in the cool of the day to fellowship with Adam. (Gen. 3:8)
 Since man is the choicest of God's creations and man has a soul, heart, and mind, God expects the highest from man. Since this week is the beginning of the New Year, now is the time for every one to try the hardest to be the best person possible. A good start is important in running the race of life in 1966.
 Man has conquered nearly all the elements of this world. We are on the threshold of outer space. We have overcome all of the other creations of God, but we have not conquered ourself. The only way we can be victorious in life is to be right with God, our creator. In these strenuous days in which we live let us remember what Jesus said "It is written, That man shall not live by bread alone, but by every word of God." (Luke 4:4) We must not only continue fellowship with God, but also reserve special times for daily fellowship with Him.

Aliens To Report Addresses This Month

J. W. Holland of the United States Immigration and Naturalization Service stated that the period within which aliens must report their addresses in at hand. The month of January has been set for the address reporting period. All aliens in the United States, with few exceptions, must report their addresses to the Government during that period.

Holland said that forms with which to make the report will be available to all Post Offices and offices of the Immigration and Naturalization Service during the month of January.

He urges all aliens to comply with the reporting requirements, as willful failure to do so may lead to serious consequences.

As late as 1900, the cylinder press of a print shop at Gimbloux, Belgium was operated by a hugh wooden wheel, set up outside the shop, turned by a large dog walking a treadmill inside the wheel's circumference.

Teen Scene

By Margaret Bundy

Everyone is back in school again, after the holidays. Now we are all dreading mid-term tests next week.

Almost all of the college kids were home during the holidays. Some who were home included Gil Trainer, Sarah Sawyer, Preston Neely, Dick McMillan, Corky Fields, Sarah Lu Hardy, Diana Cahill, Carol Hopf, Bill McClelland, Carla Whitworth, Cleve T. Jones, Cissy Young, Tommy Doc Raye, Joyce Hearn, Jack Hearn, Jack David Wardlaw, John David Fields, Cindy Galbreath, Peggy Grobe, Diana Black, Dick Hardgave, Larry Bob Moore, Jimmy Wilson, Francine Fields, Mary John Espy, Betty Jack Cooper, Barbara Trees, and Rande Fawcett.

We all want to congratulate the boys who made the All-West Texas football team. Mike Wuest made the team as end, Carl Teaff as guard, and Eddie Howell as back. The boys who made honorable mention were Brent Johnson, Bert Bloodworth, Laney Cook, and Ed Lee Renfro. Coach Hopkins received the honor of being named as third for the West Texas coach of the Year.

Quite a few people were visiting in Sonora over the holidays. Brenda Den was visiting Mr. and Mrs. Hay. Vivian Smith stayed with Tomye Lynn Smith about a week. Gail Espy had Debbie Brooks from Abilene as a guest. Robert Kelly had Kelly Smith of Dallas visiting him. Sarah Johnson was visiting Cee Wee Johnson. Jackie Cargill had Erwin Sehdler, Edward Lee Joy and Hoy Smith of Junction were over visiting Georgeanne Schwiening and Sandra Crawford. Marty Coston was visiting Robert Brown. Staying with Justine Fields were Judy Allison and Martha Hemphill. Gail Strout

and Nancy Darby of San Angelo were in Sonora.

While several kids came to Sonora, several others left Sonora for the holidays. Cathy Moffitt went to Louisiana. Marty Scoggins went to El Paso and to Abilene. Jackie Cargill went to Bryan. Janie Letsinger, Robert Kelly, Kelly Smith, and Eddie Sawyer went to the dance in Menard. Corky Fields, Jimmy Wilson, Irene Davis, and Carol Hopf went to the Juno Dance. Frankie SoRelle of Rotan, was in town for Christmas. Everybody was sure happy to see him. Janice Dunn was here too. Some of the other kids who used to live here who came back over the holidays were Ann McKinney and John Adams.

The basketball team showed how good they really were by winning the tournament in San Angelo. They beat Sterling City, Mason, and Christoval. The trophy is really something to talk about, and the team is really proud of it! Janie Letsinger, Yvonne Young, Nedra Raye, and Barbara Trees got the scare of their lives the other day when Janie had a wreck. Nobody was hurt, but from the way some of them are talking, you would think that it was a major tragedy—right Yvonne?

Jessie Lem Johnson and some friends were in Dallas at a rodeo. Mike St. Clair was in town with a new car. Dick McMillan got a new car from Santa Claus, too. The kids in "Who's Who" from two weeks ago were Nedra Raye, Kay Archer, Mary Lena Greenhill, Angie Moore, Vera Beth Wade, Susan Prugel, and Terry Trainer. This week's "Who's Who" is a junior girl. She is a little over five feet tall, and has blond hair. The last clue is that she is a cheerleader this year. After the way the basketball team won the tournament in San Angelo, here is wishing them luck to do the same at the Big Lake Tournament Friday and Saturday, and to let them know that we are backing them all the way.

Visiting the Beal Freemans over the Christmas holidays were Mr. and Mrs. Ralph Miller and Glen Howard of Norman, Okla., and Mrs. Nettie Phillips of El Paso.

ENJOYING A DANCE at the Peppermint Ball Dec. 30 at the Sonora Wool House were many Sonora High School students, college students, and out-of-town guests. At right some of the hosts and hostesses and their dates stand in a receiving line to greet guests. They are from left to right Sandra Adamson, Brent Johnson, Trudy Carter of Del Rio, and Mike Wuest. Kaye Ellis, also a hostesses, is at right. The Wool House was decorated in a peppermint theme. Even the buffalo in the upper left of picture was adorned with ribbon on horn and rose in mouth.

attend and support THE CHURCH OF YOUR CHOICE REGULARLY

Even a frown can worry Mother. And when he has a fever — she always fears the worst!

PROBABLY COMING DOWN WITH SOMETHING!

Did you know, Mother, that more children fall victim to *spiritual neglect* than any of the crippling diseases we dread? It has wrecked the fond hopes and bold dreams of hundreds of thousands of parents. Yet it isn't a disease, at all! It is a HESITATION; hesitating to start our child in Church School, hesitating to go with him and worship God, hesitating to discuss at home the need for moral and religious foundation for the whole family. Face it today! Do something about it next Sunday! Choose YOUR church. And make it YOUR church. And through a lifetime of worship and faith it can be for your child . . . HIS church.

THE CHURCH FOR ALL ALL FOR THE CHURCH
The Church is the greatest factor on earth for the building of character and good citizenship. It is a storehouse of spiritual values. Without a strong Church, neither democracy nor civilization can survive. There are four sound reasons why every person should attend services regularly and support the Church. They are: (1) For his own sake. (2) For his children's sake. (3) For the sake of his community and nation. (4) For the sake of the Church itself, which needs his moral and material support. Plan to go to church regularly and read your Bible daily.

Venison Recipe Aids Hunters' Wives

With hunting season over, no doubt many Sonora homemakers find that their freezers are filled to the brim with deer meat of different sizes and cuts. For those of you who are not well versed in the art of deer cuisine, the following is a basic recipe for breaded venison cutlets:

- 1 egg, beaten with 2 T. cold water until smooth
- 1 package crackers, rolled until like meal
- salt
- pepper

Slice venison ham, shoulder, or back strap about 1 inch thick. Season with salt and pepper, and beat well on both sides with coarse side of meat maul until thin as desired. Cut into serving portions. Dip each portion in beaten egg mixture, then coat well on both sides with cracker crumbs. Fry in hot fat until brown on both sides. Have fat hot so breading will not slip off. Cook quickly, so when it is brown on both sides, meat will be done.

Keeps well for delayed meals. Recipe is good also for frying lamb, goat, or veal. Some homemakers have found that the meat will have a more "beefy" taste if it is soaked in sweet milk or soda water before preparing.

Broncos Trounce Bulldogs

by Gary McGilvray

The Sonora Broncos walked away with an easy victory December 22 as they defeated the Miles Bulldogs by a somewhat lopsided score of 68 to 23.

The Broncos opened up the scoring in the first quarter by dropping in 10 points before Miles even got on the scoreboard which shows the defensive as well as offensive ability of the Broncos.

Sonora, scoring almost at will, played the reserves for most of the second half and they held the Bulldogs to only 15 points while Sonora scored 29.

Almost every Sonora player was able to score during the game with Ben Perez leading the lot with 15 points. He was followed closely by Grady Roe, who netted 13 points. Mike Wuest hit 10 to lead Miles.

Score By Quarters

	1st	2nd	3rd	4th	Total
Sonora	19	20	9	20	68
Miles	2	6	11	4	23

The Bronco "B" team also made good their effort in winning by a score of 73-56. Noe Chavez led the "B" teamers with 22 points. Both the varsity and the "B" team now have records of two wins and five losses.

Episcopal Youth Present Festival Of Lessons, Carols

The St. John's Episcopal Church marked the Christmas season by including the boys and girls of the church in a Sunday service, January 2. The service was a festival of lessons and carols.

Those participating in the first annual presentation of this festival included Melinda Earwood, Paul Browne, Rick Street, John Martin Beckham, Chuck Browne, Steve Street, Patty Merrill, Susan Schwiening, Jane Polk, Edward Earwood, Bob Brockman, Peter Polk, Mike Street, and Pat Street.

The youth of the parish who read the Bible selections included Sandra Adamson, Carol Adamson, Brenda Browne, Guy Askew, Missy Brown, Annette Shroyer, Robert Brown, and Tim Thorp.

Mrs. Charles Browne directed the readings and the portrayals of the Nativity scene, while parents designed the costumes and others were loaned by the Presbyterian Church.

If you're in the market for a new clothes dryer,

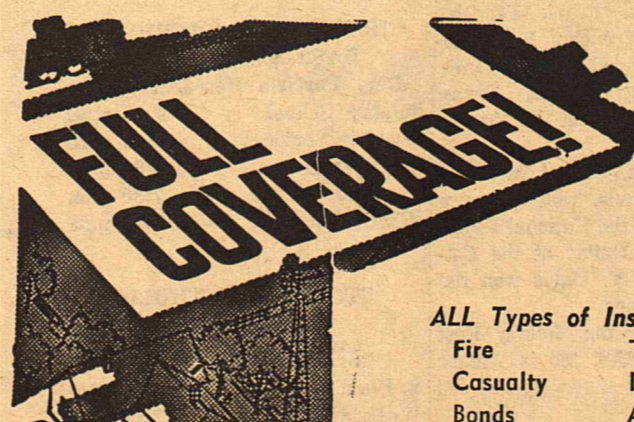

(here's why modern Gas is better than you-know-what)

SAVE MONEY Modern gas dryers are economical. They dry a whole load of laundry for about a penny — which is a lot less than the cost of doing the job electrically. 91 out of 100 self-service laundries use gas dryers! **SAVE CLOTHES** Gas dries gently. Clothes come out soft, sweet-smelling and fluffy — never stiff or yellow. Many gas dryers have special settings and cycles to protect even the daintiest things. So why lug and lift heavy baskets of wet laundry? Why let wind, dust and rain ruin your clothes?

Enjoy the convenience of a modern, automatic dryer — a gas dryer. **SAVE ON REPAIR BILLS** Like all gas equipment, dryers are well built and virtually maintenance-free. Gas is fast, safe and unlike you-know-what, it dries with just a simple burner. There's no complicated, expensive heating element to wear out. Just a simple gas burner, which hardly ever wears out. Now's the time to enjoy price savings, too. See the new gas dryers on sale at all Gas Appliance Dealers and LONE STAR GAS
