CINDERS Golf Championship Crown Stays Here for First Time

By John T. King

Congratulations to Sonora Motor Co. and Joe Hull on the new paint job. It's about time for the whole town to get into a Clean-up, Paint-Up, Fix-Up campaign, and it's good to see the way Joe and others have already started.

Sonora Lions Club voted \$35 toward the Sunken Garden fund. Your contribution of money or plants will be greatly received. Mrs. J. T. Sellman, the Chamber of Commerce, or the DRN office will receive plants or the First National Bank will credit deposits.

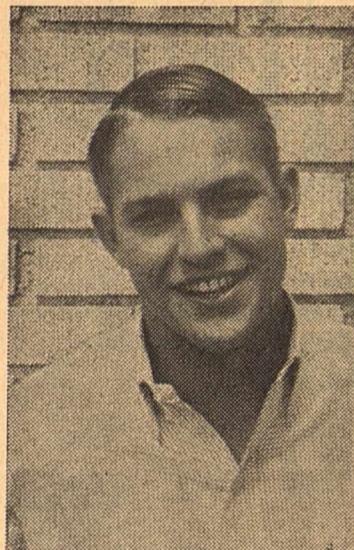

If records were kept, Lions Club broom salesmen with the highest total sales might well be Bob Teaff. He concentrated on the business houses and on one product—brooms. And he sold not just one but bundles of six at a time.

But take care, Bob is now selling membership in the Chamber of Commerce. If you don't want to join you'd better stay on the other side of the street when he's around.

"Kill out all the rattlesnakes" typically, this filled the "remarks column" in one of the questionnaires sent out annually by the Texas Parks and Wildlife Department to determine hunter success as a basis for future game management planning.

The anonymous challenger was among the thousands participating

EDDIE HOWELL

Howell Receives Scholarship

by Gary McGilvray
Eddie Howell, Sonora's do-everything football player, has received a full scholarship to play football at Southwest Texas State College in San Marcos.

Howell played on both offense and defense for the Broncos, and because of his excellent play, he was unanimous all-district choice at the linebacking spot. He also was selected as all-district half-back on offense.

He was named to the All-west Texas squad of football players and then was listed on two polls on the All-state roster. The Fort Worth Star-Telegram selected him as an All-state honorable mention half-back, and the Associated Press placed him on its third team All-State squad.

Howell, who has lettered in football all four years at Sonora High School, had what was perhaps his best season in gaining over 700 yards rushing, over 300 yards pass receiving, and scoring 92 points during the season.

Howell will probably be used on both the offense and defense with the Southwest Texas football team.

Junior Track Team Grabs First Place At Eldorado Meet

4-H Judges Capture Top Honors

The Sonora Junior High track team took first place in overall total points at the track meet in Eldorado last week. Eldorado won second place in overall total points.

Richard Gonzales, Dwayne Davis,

Ernesto Lumbreiras and Robert Mata ran the 440-yard relay in 49.8,

and Gonzales took third place in

100-yard low hurdles with time of

13.4.

Berry Blake and David Wuest made 40 ft. 2½ inches in shot put, while Lumbreiras tallied 15 feet 8 inches in broad jump. Discus throwing by Wuest and Blake reached 120 feet 5 inches and Lupe Espinosa won 4th place in 660-yard run. Wayne Doyle took second in 100-yard dash in 11.2.

The 880-yard relay team, composed of Wuest, Davis, Lumbreiras and Mata got second place with a time of 146.8.

The team goes to the track meet in Big Lake Thursday, April 7.

63 Voters Re-elect Three City Officials

The three members of the City Commission were returned to office in a light vote Tuesday.

A. E. Prugel was re-elected mayor with 61 votes, and W. B. McMillan and Fred Earwood, incumbent commissioners, received 61 and 63 votes respectively.

Sixty-four ballots were cast with one disqualified because both ballot and stub were placed in the same box.

MAUNDY THURSDAY SERVICE SET AT HOPE LUTHERAN

Special communion services are planned for Maundy Thursday at Hope Lutheran Church, states the Rev. Arno Melz, pastor.

The special services will be held at 7:30 p.m. April 7.

Cook Is High Point Man

Track Squad Garners Win At Iraan's Cactus Relays

by Gary McGilvray

The Sonora Bronco track squad placed in almost every event to pile up 108 points—enough to win the 10th annual Cactus Relays held at Iraan last Saturday.

Laney Cook was named the high-point man of the meet as he tied the record of 15.1 in the 120-yard high hurdles, finished second to Ben Perez in the 180-yard lows, won the broad jump with a leap of 20 feet, ¾ inches, and ran a leg on the Bronco mile relay team.

Noe Chavez, Sonora's only pole vaulter, cleared 13 feet to set a new record in that event and add 10 points to the Broncos' score.

Eddie Howell also did a fine job for Sonora as he placed second in the 100-yard dash, second in the broad jump, and ran a leg on both the sprint and mile relays.

Ed Lee Renfro placed fourth in the 100-yard dash, and in the field events Mike Wuest threw the discus 150 feet to place and also took a fourth place in the shot put.

In the relays, Sonora held third behind Eldorado and Ozona in the 440-yard relay and second behind Eldorado in the mile relay. This track meet was perhaps a

preview to the District 8-A track meet to be held in Ozona April 9. All the strong track teams of the district competed in the Cactus Relays.

The final team totals of the meet were as follows:

Bond Election Okayed

A bond election asking \$450,000 was set for April 26 by the school board at a special meeting Monday night, April 4.

More than 130 persons signed the petitions circulated by the school board asking for the bond election. Twenty signatures were all that were needed.

The regular monthly meeting of the club is scheduled to begin with a luncheon at 12 noon. The program, entitled "Our Talented Children," will feature the Woman's Club annual art show.

Judge of the collection of children's artwork will be Franklin E. Walker, San Angelo artist and art critic.

The show will be open to the public from 3:30 until 6:30 p.m.

Humble Receives 4 Safety Awards

Humble Oil and Refining Company received four first-place 1965 industrial safety awards at the 27th annual Texas Safety Conference in Dallas March 29. The awards represented the best accident frequency rate in drilling operations of 200,000 to 1,000,000 man hours worked for the year and the best accident frequency in exploration, marketing, and natural gas operations of 1,000,000 to 3,000,000 hours worked for the year.

LloydBrown Gets Award

Army Specialist Four Lloyd J. Brown was awarded the Purple Heart Medal March 21 while serving with the 1st Infantry Division in Viet Nam.

Specialist Brown was presented the award for wounds received in action in February near the Michelin Plantation.

A driver in Company B 2nd Battalion of the division's 18th Infantry, Brown entered the Army in June 1965 and arrived overseas in July.

He was graduated from Sonora High School in 1960.

Incumbents Stay On School Board

Incumbent school board members, George Wallace and Bob Teaff, were re-elected without opposition at the school board election here April 2.

Seventy-four votes were cast with no write-ins.

Choo-Choo Steals Top Honors Sunday At San Angelo Kennel Club Dog Show

Mrs. Bill Stewart's smooth-haired male dachshund, Choo-Choo, won first place in best of breed, first in the female dachshund class, best hound, and best dog of the show awards at the San Angelo Kennel Club show held Sunday at the National Guard Armory Building in San Angelo. Billie Ann Stewart placed third in the 13-15 year-old junior showmanship ring.

Judges of the match were Mrs. Mary Killingsworth and Mrs. Myrtle Puet of Roswell, N. M. Chief ring steward was C. V. Harwood and assistant ring steward was Sam E. Jones.

Charlie Howell's male basset, None-Yo, placed second in male basset class and third in open puppy class.

Sejan Smooch Yat-Sen, owned by Mrs. Sam E. Jones, won best of breed in Pekingese and first in male Pekingese class. Sejan Minnie Loo Loochie placed first in female Pekingese and second in best of breed.

Mrs. Charles Howard's Sejan Barney Yat-Sen placed second in

the female Dalmatian class, first in best of breed and second place in the non-sporting group.

Nancy Hawkins' female basset won second in the female basset class and fourth in the open puppy class and Nancy placed fourth in the 12-15 year-old junior showmanship ring.

Deral Moody's Dalmatian placed

first in the female Dalmatian class, first in best of breed and second place in the non-sporting group.

The boys are planning to work in the garden as a scout project.

Money has been donated recently to the garden fund by the Downtown Lions Club, Mrs. Allen G. Roe, Mrs. Vestel Askew, and Mrs. Robert Halbert.

The bond proposal was accompanied by a proposal to give the board authority to raise taxes to amortize the indebtedness.

The bond election will be held at the courthouse.

Army Specialist Four Lloyd J. Brown was awarded the Purple Heart Medal March 21 while serving with the 1st Infantry Division in Viet Nam.

Specialist Brown was presented the award for wounds received in action in February near the Michelin Plantation.

A driver in Company B 2nd Battalion of the division's 18th Infantry, Brown entered the Army in June 1965 and arrived overseas in July.

He was graduated from Sonora High School in 1960.

FAMILY POT LUCK
BY HELEN HALE

Dessert Witchery
Peach Melba is a dessert made for a famous singer. It consists of a peach half filled with ice cream, then covered with raspberries.

Should you like, make Peach Melba ice cream using a vanilla ice cream as a base, then adding the fruits, crushed peaches and raspberries (red).

If you like chocolate and peanut butter, why not put them in a sauce? Two and one-half squares of chocolate mixed with one-half cup milk are cooked until chocolate melts. Then add three-fourths cup of brown sugar, one-half teaspoon vanilla and one-fourth cup of crunchy peanut butter. Serve over ice cream.

Mix together frozen, thawed rhubarb with frozen or fresh sweetened strawberries, fill purchased dessert shells and top with whipped cream for a seasonal dessert.

Making prune whip? Use a pureed youngsters prunes from the grocery shelf to make it quickly. Serve with a sauce of softened New York ice cream.

Helen's Favorite:
Hot Lima Bean Salad
(4 servings)
1 package (10 ounces)
frozen lima beans
1/2 cup chopped celery
2 slices bacon
2 teaspoons white vinegar
4 teaspoons brown sugar
1/4 cup catsup
1 tablespoon piccalilli
relish
1/4 teaspoon salt
1/8 teaspoon pepper
1 cup French dressing

Combine beans and celery. Cook according to package directions. Fry bacon until crisp, crumble and set aside. To bacon fat, add vinegar, sugar, catsup, relish, salt and pepper. Add beans and celery, then dressing. Heat and serve with crumbled bacon on top.

BEER—A big boost to the economy!

The brewing industry each year contributes over 1.4 billion dollars in federal, state and local excise taxes. Wages and salaries in the brewing industry account for almost 500 million dollars, and the purchase of packaging materials from other industries runs over 550 million. So next time you enjoy a cool, refreshing brew after hard work or play, remember—BEER is good in more ways than one!

CANCER COMMUNICATION

April is Cancer Control Month by Presidential proclamation. During this month the American Cancer Society is seeking funds for important programs of research, education and service. It is also seeking something even more important for the immediate present—to communicate.

It would be just as appropriate to designate April as Cancer Communication Month. Why? As a distinguished health officer said recently: "If someone invented a drug that would cure half the present cases of cancer, the excitement would be beyond belief. We have such a drug: It is communication."

An estimated one-half of all cases of cancer could be cured by finding them soon enough and "doing for them what we already know how to do." However, only one-third are being saved, largely be-

cause the individual does not go to his doctor in time for early diagnosis.

The problem of eliminating the gap between one-third and one-half—of adding 95,000 lives to the 190,000 now saved each year—is difficult. It is a problem of communication and motivation. Too often we are unable to persuade people to act in their own health interest—to present themselves in time for early diagnosis and treatment of cancer. At minimum, this means a health checkup at least once a year.

During April, volunteers of the American Cancer Society will be calling on you. They will ask for funds to support life-saving programs in cancer control. They will urge you to have a health checkup now—if you have not already had one—and to do so every year.

We urge you to do both.

THE EASTER DOGWOOD

The legend of the dogwood tree illustrates the promise of forgiveness and renewal of life which the Easter season holds for us.

According to the story (as printed in "The Open Door"), at the time of the crucifixion, the dogwood had been the size of the oak and other forest trees. So firm and strong was the tree that it was chosen as the timber for the Cross.

To be used for such a cruel purpose greatly distressed the tree, and Our Lord, nailed upon it, sensed this, and in his gentle pity for all sorrow

and suffering said to it:

"Because of your regret and pity for my suffering, never again shall the dogwood tree grow large enough to be used as a cross. Henceforth, it shall be slender and bent and twisted, and its blossoms shall be in the form of a cross."

"Two long and two short petals. And in the center of the outer edge of each petal there will be nail prints, brown with rust and stained with red, and in the center of the flower will be a crown of thorns, and all who see it will remember."

Carla Whitworth Is Honorary Pledge In Pi Delta Kappa

Carla Whitworth has been initiated into Pi Kappa Delta, national forensics honorary fraternity, at North Texas State University. Daughter of Mr. and Mrs. Leroy Whitworth, she is a freshman speech and drama major. A 1963 graduate of Sonora High School, Miss Whitworth is also a member of the Debate Club.

J. A. Makes Big Error, Listens To 2 Experts

Editor's note: The Devil's Philosopher on his bitterend ranch on we ought to hem her in now.

What I'd like to see the Senate Committee do now is come up with a man who is an expert on China experts.

When you get two experts coming to exactly opposite views, you're about where you were before you tuned in.

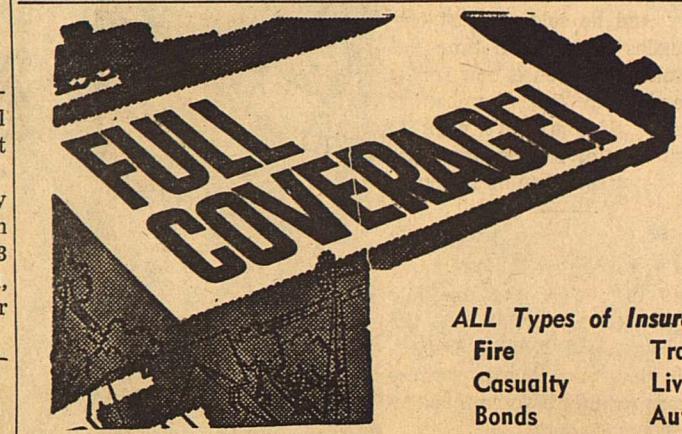

But by all means be sure to tell the committee to come up with just one expert on the experts. If it gets two, and they disagree, the thing could go on all spring and summer, with one set of experts disagreeing on the expertise of the previous experts, until finally about everybody is used up and they get down to me, and I don't mind saying it wouldn't take an expert to find out how little I know about Red China. I don't even know what's happening at the court house in Sutton County.

Therefore when I read that two experts on China were going to appear before a Senate Committee on television, I dropped what I was doing, I don't remember what it was, and tuned in.

One expert said we ought to recognize Red China now and let her in the United Nations, that it'll be years before she is far enough advanced to threaten anybody with nuclear bombs. The other expert said no, we shouldn't recognize China, that she'll be delivering

TEEN SCENE

by Margaret Bundy

This past week has been a full one for most of the kids in Sonora. The district literary meet was held in Eldorado Thursday and Friday. The results from the ready-writing contest Thursday are not in yet. Friday, two different groups went over.

Of those who went Friday morning, Jim Fish won a first place in Number Sense, Debbie Galbreath and Mike Gosney won second places in Persuasive Speaking. Friday afternoon Gary McGilvray won a first in Poetry Reading, Margaret Bundy won a third in Poetry Reading. Grady Roe won a second in Prose Reading, Cindy Lambert won a third in Prose Reading, and Jimmy Cade won second in Junior Declamation.

Franklin Glasscock was in Sonora during the weekend. Junior Seydler from Uvalde was here visiting Jackie Cargill.

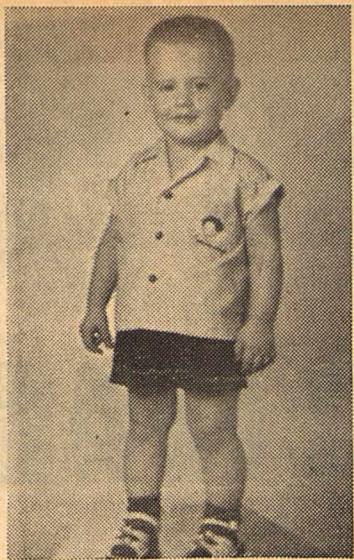

Prissy Howell and Bill Glasscock were in Ozona Saturday at the spring formal there. Robert Kelley, Grady Roe, and Eddie Sawyer were in Angelo for the spring formal there Friday.

The 4-H grass judging team went to Odessa Saturday. It seems that they really stacked up the places there. The team won first place. Kaye Ellis won first high individual; Cee Wee Johnson won second high individual, and Susan Allison tied for third high individual.

Several college kids were home for the weekend. Among these were Barbara Trees, Jack Hearn, Judy Lancaster, John David Fields, and Tommy Doc Raye. Tommy Doc was home to celebrate his 20th birthday—he's really an old man now!

We have a new student at SHS. Don West moved here from Carlsbad. We are glad to have you here, Don.

The track team won the Iraan tournament. Eddie Howell placed second in the 100-yard dash, and will pass as quickly as these past second place in the broad jump five here's hopin'!

A LITTLE ANGEL—or anyway that is what is printed on the pocket of the rompers worn by this week's Mr. X. Nowadays he is a junior about 6 feet, one inch tall with brown hair and eyes.

Laney Cook placed first in the 120-yard low hurdles, first in the broad jump, and second in the 100-yard low hurdles. Noe Chavez placed first in the pole vault and set a new record. Ben Perez placed first in the 100-yard low hurdles. Mike Wuest placed second in the discus and fourth in the shot put. Ed Lee Renfro placed fourth in the 100-yard dash. Sonora placed second in the mile relay and third in the 440-yard relay.

Bryan Grelle is home from the Army for a few days. He will be here until the 14th of April, when he will go to Fort Gordon.

The golf team went to Ozona Friday afternoon to practice for the tournament there on April 13. Those who went are Mike Wuest, Gary McGilvray, Gary Hardgrave, Chris Berger and Dick Hamilton.

The Easter holidays brought an end to the fifth six-weeks period. Only one more to go! Maybe it will pass as quickly as these past second place in the broad jump five here's hopin'!

Cecil Westerman Would Like To Be Your Pharmacist

Your Chamber Of Commerce

by Bob Johnson, manager

In the interest of keeping the community informed about its plans and activities, the Chamber of Commerce will take advantage of the publisher's invitation to use space in the "Devil" to tell the story. We want you, the public, to know what the Chamber of Commerce is, what its purpose is, how it functions, what progress it is making and how the individual citizen fits into the picture.

This weekly column in the future shall be used to report on plans, programs, progress and activities; however, this initial effort will be devoted to a discussion of the basic principles and concepts upon which the Chamber of Commerce is founded.

The first Chamber of Commerce in America was formed by a small group of independent merchants whose purpose it was to promote the commercial and industrial interest of the city through organized and coordinated effort. It elected its own governing body, sustained itself financially through membership dues and was non-partisan, non-sectional, and non-sectarian in its activities. Its membership was open to anyone interested in the commercial and industrial development of the city.

The underlying principles and concepts have not changed in today's Chamber of Commerce. We believe even more strongly today that organized and coordinated effort will produce the surest and quickest results. The governing body of today's Chamber of Commerce, the board of directors, is elected by the membership, and its activities are financed by the investment of its members in the form of monthly dues. The Chamber of Commerce is non-partisan, non-sectional, and non-sectarian in its activities and it will not lend its influence to the election or appointment of any candidate for any political office.

The purpose of today's Chamber of Commerce has changed. Initially the purpose was to promote the commercial and industrial interests of the city and for this reason membership was confined to merchants and industrialists. Today the purpose of the Chamber of Commerce has been expanded to include promotion of the agricultural, civic and general interests of the entire community and membership is open to anyone who is interested in improving the economic, social and spiritual well being of everyone in the community.

"Your Chamber of Commerce consists of 106 members who have elected ten members to serve on the board of directors. The directors have elected a president, a vice-president and a treasurer from their own number. This is your governing body, the group that will provide the leadership in the future activities of the Chamber of Commerce. But, leadership and the services of a single paid employee are not enough.

The board of directors can develop a program of work and have the manager accomplish a myriad of clerical, administrative and other types of chores but without aggressive thorough and complete committee work, less than 25 percent of the required work can be accomplished.

From the leadership of the community the board will select chairmen for each of several committees to be formed. The president and the chairmen will select others to serve on the committees, and the board will provide specific guidance to each committee for use in planning its activities. The

AMA News

Risk of Tetanus Is Increasing

With the coming of spring and a return to gardening and other out-of-door activities, the risk of tetanus increases.

Tetanus—commonly known as lockjaw—need not happen. By means of immunization, tetanus is almost entirely preventable.

The tetanus spores can be found in the cultivated soils of most areas of the United States. They can be picked up by plants or animals, and introduced into the victim's body by something as inconsequential as the scratch of a thorn or an insect bite.

Should I live to be a million years old as a human being, with the spirit bound by the chains of the human body and mind, even this million years would not be time enough for me to express my gratitude to my Higher Power for all He has given me. For without Him, I have NOTHING and AM NOTHING!

While millions of babies and members of the armed forces have been inoculated against tetanus, the fact remains that about three-fourths of the adult population is lacking in immunity. The protection offered by immunization wears off after a few years and must be re-established by booster shots, which most people fail to get.

Once they enter the body, tetanus spores "hatch" into microscopic bacteria, which begin to multiply. In the process they liberate one of the deadliest of all poisons which attacks the nerve centers, causing convulsions and muscle spasms—some so severe that victims have been known to fracture a vertebra.

Protection by immunization should be started early—one and a half to two months after birth—for the scrapes and falls of childhood offer tetanus many opportunities. In children, as well as adults, immunity is initiated by a series of three shots, spaced over eight weeks, and followed by a booster dose within six to twelve months. Immunity is maintained by boosters every five years.

He gave me birth in this potentially great and powerful nation, this so-called Land of the Free. Yet, this country is bound in chains, like Gulliver in his travels—millions of tiny chains of selfishness—the chains of the wrong choices we make when we choose for SELF instead of for GOD.

He gave me friends, dear ones, from which I have turned aside from time to time in my desertion of them as well as my God. He gave me two wonderful marriages and two lovely daughters which I deserved since I thought myself to be so clever and charming!

He gave me this human body and mind with the possibility and capability of growth in each. He gave me the ability, the chance, and the right to choose between good and evil—the choice—the great freedom.

Protection by immunization should be started early—one and a half to two months after birth—for the scrapes and falls of childhood offer tetanus many opportunities. In children, as well as adults, immunity is initiated by a series of three shots, spaced over eight weeks, and followed by a booster dose within six to twelve months. Immunity is maintained by boosters every five years.

He gave me the wonder and beauty of His earth and sky: the birds that sing so beautifully in spring; the flowers that gaily spring out of the warm soil in complete abandon toward the glory of GOD; the animals that so gracefully scamper through their domains both day and night; the trees and shrubs that point toward the sky and silently say, "Look up and worship your Maker!"; the serenity and calm of the heavens at night bejeweled by uncounted stars and often lighted so softly by the glowing radiance of the dead planet Moon; the unbelievable colors of the rainbow flung across the sky in promise of peace after the storm; the royal majesty of the sun as it travels above us in its journey, ever furnishing us with its light that we may see and its warmth that we may grow; the oceans and lakes whose waves and ripples ever applaud their Creator; the grandeur of the mountains; the timelessness of the desert; the flooding protest of the mighty rivers and the time of their serene meanderings on toward the oceans; the soothing rains and gentle breezes bringing relief to the feverish dry skin of earth—a proof of GOD'S ability to soothe the fevers of the soul—rot of His children—all this, and much more, for which I have to be grateful.

Once again, I look at you and me, GOD'S highest creation on this earth. I see these hands that can serve not only me but you as well; these feet and legs that carry me on my journey through life;

working committees thus formed will be the backbone of the Chamber of Commerce. They will be responsible for detailed planning and actions required to bring about the desired improvements in their areas and will receive full credit for their accomplishments.

The activities of the Chamber of Commerce result in benefits to everyone in the community, and it needs the full support of the entire community. You may be asked to serve on a committee even though you are not a member. If this happens, please remember that membership dues are absolutely necessary to provide the necessary finances but equally important in getting the job done is manpower—manpower to accomplish the committee job. Inspiration, leadership and money would be of little use to the Chamber of Commerce if there was no manpower to use it.

The Chamber of Commerce does not belong to its members alone. It belongs to the community and, in all that it does, it is working for the betterment of the entire community. It will pre-plan its activities to insure maximum benefits for all and will implement its plans in an organized and coordinated manner. It asks in return that you support it to the best of your ability.

Any parent can testify to that. A family's needs grow as it grows. Even the bare necessities get more numerous and more expensive. What if every purchase had to be paid for in cash, in full, before your family could start using it?

Today most people use charge accounts for budgeting and for convenience. Good credit is important to you and easy to enjoy. Just see that you pay as agreed—promptly when due, in correct amounts—and your local credit bureau records will reflect your integrity.

Furthermore, if you should move to any city across the nation, you would want credit there.

No problem: your credit history is quickly available to the local credit bureau through its professional affiliation with the Associated Credit Bureaus of America, Inc.

GRATITUDE

(Editor's note: During this Easter season one Sutton Countian has expressed a deep feeling of gratitude in the following article. The writer's name has been omitted on request.)

Should I live to be a million years old as a human being, with the spirit bound by the chains of the human body and mind, even this million years would not be time enough for me to express my gratitude to my Higher Power for all He has given me. For without Him, I have NOTHING and AM NOTHING!

He gave me this human body and mind with the possibility and capability of growth in each. He gave me the ability, the chance, and the right to choose between good and evil—the choice—the great freedom.

Protection by immunization should be started early—one and a half to two months after birth—for the scrapes and falls of childhood offer tetanus many opportunities. In children, as well as adults, immunity is initiated by a series of three shots, spaced over eight weeks, and followed by a booster dose within six to twelve months. Immunity is maintained by boosters every five years.

SONORA—Home of the Caverns of Sonora, A Study of Sculpture in Color

this body with its intricate blood, muscle, and nervous systems controlled by this brain—a machine so fabulous in construction that it puts to shame the computers, the IBM's, made by man.

These eyes that for so long looked out on all things, yet were blind, oh, so blind! These ears that heard so much yet listened so little to that which is real—TRUTH! This voice that spoke so often, yet said nothing because the words were from the lips out and not from the heart! This heart that performs its normal function of pumping the blood along its course to maintain life, yet pumped out very little compassion, understanding, and love for a long time since it circulated only for self!

So today, I am so grateful and thankful because NOW these ears are beginning to hear, these eyes are seeing the light, these lips are trying to carry the message, and this heart, with every beat, is beginning to pump out feelings of compassion, understanding, and love for my fellowman and my GOD.

Indeed, time is too short on earth and language is too poverty-stricken in words, for me to tell you of my gratitude at this time of the approaching resurrection, this week, I find a deeper and truer acceptance of GOD'S greatest gift—**a quality of the soul—impossible to express in words, but a song of the heart!** Truly, a resurrection! Is it yours, too?

George Wright To Be Athletic Director, Football Coach at Spearman High School

George Wright is changing positions from grid and track coach at Roswell, N. M., to football coach and athletic director at Spearman High School, 87 miles north of Amarillo.

Wright says he has enjoyed his year at Goddard in Roswell, but a \$1,400 annual increase in salary, a lighter classroom load, the athletic director's position and improved salaries for assistants is responsible for the move.

In Roswell, as a first year head coach in the first year of a new school's operation, Wright faced a number of problems, including lack of size, depth and experience for the grid and track squads.

"Wright met the challenge with determination," states Carl Moreland in an article in the Roswell Record, "instilling a 'never say die' attitude in his teams that won the admiration of the community's football fans last season. Although the squad wound up with a 1-7-2 mark, Wright's successes numbered more than the record a son.

He presently holds two degrees and has 30 hours toward his doctorate in education. He also holds teaching and administrative certificates in Texas, New Mexico and Tennessee. He has had several articles published by the Texas Coach Magazine and The Athletic Journal and has written articles for several Texas newspapers.

Wright is married to the former Mary Ann Cook of Gainesville, Fla. The couple has two daughters and

numbered more than the record a son.

GREEN NEWS

by Lunetta Morgan

March came in like a lion; so women golfers following their husbands and getting some pointers.

The Men's 1966 Invitational Tournament is a thing of the past. On Saturday there were 52 teams registered for the partnership play. For the match play, there was only room for ten Sonora players. This speaks well of Sonora, because the out-of-town golfers enjoy our hospitality.

Saturday night some 160 people went through the chow line and consumed 180 pounds of meat and 20 pounds of beans. How does one figure how much to fix without running out?

L. P. may not be an avid golfer, but he sure can bar-b-que. Thanks. And while we are passing out roses, we want to thank Lee Patrick, Hut Moore and Wallas Renfro. These men help the women get things in order. Men are just handier with a saw and hammer than women are.

It was nice to welcome Pauline Luttrell to the working bunch.

Such a small world. Buddy Sulles of Alpine played Saturday. He married the former Margaret Alice Turner and they have a small daughter, Lori Ann.

Dominoes and "Clubs" maybe the ruination of golf. It seems of late, the men can hardly wait to get in from playing golf so they can play dominoes. The women have this card game going that only takes three to play, and the total score is ten. Sounds easy—it isn't. It has taken as many as 43 hands to go out.

This does not pertain to golf, but have you all noticed Mrs. Sam Hull's purple wisteria. It almost makes one feel as good as sinking a long putt.

Another date to mark on the golfing calendar: May 3, Kerrville.

Pure torture: The first sunburn of the season, especially from the top of one's shoes to the bottom of one's slacks.

Mrs. Jerry Hopkins Entertains 7-11 Club

Mrs. Jerry Hopkins entertained the 7-11 club in her home Monday night, April 4.

The Easter theme was carried out in the decorations, and cake and coffee were served to Mmes. Ralph Finklea, Albert Ward, John Tedford, Albert Everett, Lacy Steed, Wallas Renfro, Doyle Morgan, Warren Hemphill, Clay Cade, Bill Gosney, and Norman Rousselet, who was accompanied by her guest, Mrs. Lowell Cain of Silver City, N. M.

Mrs. Gosney won high club and Mrs. Rousselet received high guest prize. Mrs. Renfro won traveling prize, and Mrs. Steed bingoed.

Hospital Auxiliary Sets Film Showing

The Hospital Auxiliary will meet Monday, April 11, at the fellowship hall of the Methodist Church at 3 p.m.

The program, under the direction of Mrs. W. J. Fields Jr., will feature a film explaining the relationship of doctor and minister to patient. Entitled, "The One Who Heals," it was produced by the American Medical Association.

The meeting is open to the public and doctors and ministers are especially urged to attend.

Mrs. Ernest Conn and Kathy Hardge are spending the weekend in San Angelo with Mrs. D. L. Yantis.

WTU NOTEBOOK-PATTERNS FOR PROGRESS

The Area Development Department - a WTU community service

WHY WTU HAS AN AREA DEVELOPMENT DEPARTMENT

- As a service organization, we have a basic responsibility to assist the communities we serve to grow and develop to their full potentials and capabilities.
- We have one basic product to sell — electricity — the area we operate in must grow if we are to grow.
- We have an investment in each community we serve, we are anchored in that community — unlike other companies which can move their plants and equipment elsewhere.

WHAT THIS DEPARTMENT IS ORGANIZED TO DO

- Assist in the planning of community development and improvement programs and in making community audits, surveys and analyses.
- Assist in forming industrial foundations and districts, in selecting plant sites, and advising on planning.
- Assist in preparing statistical data, advertising material, and in organizing and training industrial teams.
- In industrial development, we prepare market analyses for prospects, make detailed studies on factors affecting plant site location, and make personal calls on prospects for the communities.
- Conduct an active program of direct mail and personal calls on industries that might locate in our service area.

THE LOCAL WTU MANAGER — HIS VALUE TO YOU

- As a local businessman, along with others in the community, he is interested in its growth and development.
- He devotes his time and services on community programs and projects.
- He is YOUR contact with WTU.

- Ask your WTU local manager for additional information and services available.

Prepared by Area Development Department, West Texas Utilities.

WTU Stockholders Re-elect Directors

At the annual stockholders meeting of West Texas Utilities Company held Mar. 29 in the company's general offices at Abilene, members of the Board of Directors were re-elected.

After the stockholders meeting, the annual meeting of the board of directors was held and officers of the company were re-elected, with Glen D. Churchill being promoted from assistant controller to controller.

A native of Centralia, Ill., Churchill is a graduate of Texas A&M University. He was employed as an accountant by Arthur Anderson & Co. in 1956 and joined West Texas Utilities Company in 1964. He was elected assistant controller in June, 1965.

Re-elected as directors were Arch D. Batjer, R. W. Hardy, E. L. Harwell, J. C. Hunter Jr., John A. Hutchison, R. E. Kennedy, J. F. Longley, W. G. Swenson, and C. L. Young, all of Abilene, and M. D. Bryant and Armistead D. Rust of San Angelo.

Officers re-elected include C. L. Young, chairman of the board; Roff W. Hardy, president; J. F. Longley, executive vice-president; R. E. Kennedy, vice-president; John A. Hutchison, vice-president; J. C. Crownover, secretary and treasurer; Otey H. Cannon, assistant secretary and assistant treasurer; R. L. Dunwoody, assistant treasurer.

Houston Astro Manager, Grady Hatton Outlines Team's Spring Positions

Manager Grady Hatton leads his still considering carrying three Houston Astros into the final week of the spring training season with a fair idea on what will constitute his opening day roster, but does admit that his pitching staff is still very much undecided as well as his starting first baseman.

"Cutting down to 11 or 12 pitchers is my biggest decision," Hatton said. "We might carry 12 the first 30 days and then cut down to 11 on May 11. The final decisions probably won't be reached until after our games in the Astrodome this weekend."

Hatton outlined his club position by position as follows:

Catching—John Bateman is the current leader for the number one job, with both Ron Brand and Bill Heath backing him up. Hatton is

69 Little League Baseball Players Register for Play During '66 Season

Little League baseball will get underway during April. Team managers, Norman Rousselot and Dickie Street of the Colts, Pete Thompson and James Alexander of the Cardinals, B. J. Johns and J. D. Cook of the Dodgers and Dr. C. F. Browne and Corky Schwiening of the Indians, will draft new members to the four teams April 12 at 7:30 p.m.

All registered players are to meet on the north end of the school yard by the swings at 5:15 p.m. April 15. They will then go to separate diamonds with their managers.

April 20 is the deadline for registration to play Little League, but boys are urged to register before April 12.

New boys registered to play are Gene Trainer, Marvin Shurley, Bobby Ledingham, Carlos Arrendondo, Rudy Gonzales, Ruben Samaniego, Larry Harrel, Eddy Noriega, Juan Castillo, Jimmy Galindo, Doyle Crawford, Elias Gomez, Lindsey Hicks, Ricky Moore, Jackie Ledingham, Albert Bartz, Michael Ricks, William Stewart, Johnny Humphreys, Alan Harris, Dan Richardson, Mark Gilly, Mark Miliken, and Berto Bernal.

Cardinal members are Alberto Ramirez, Larry Berger, Charley Lopez, Gene Thompson, Greg Everett, Joe Espinosa Jr., Jesus Soliz, Glen Davis, Eddie Alexander, Bill Finklea, David Wallace, Larry Cade, Larry Finklea and Dennis Nance.

Colt 45's are Rick Street, Jesse Gutierrez, Steven Street, Mark Rousselot, Tryon Fields, Johnny Gonzales, John Brown, Teddy Coker and Alfredo Virgin Jr.

Dodgers are Tom Green, Henry Perez, Ronnie Baltazar, Rex Taliaferro, Joe Wilson, James Benson, Bobby Samaniego and Jerry Johns.

Indians are John Beckham, Chuck Browne, Felipe Bernal, Humberto Villarreal, Bobby Draper, Bruce Kerbow, Randy Hill, Carey Draper, Randy Wuest, Kevin Halbert, Ricky Hill, Billy Fay, Enrique Mata and Paul Browne.

In addition to team managers the Little League Board is com-

SONORA—Home of the Caverns of Sonora, A Study of Sculpture in Color

Why most employees should file a new Form W-4, Withholding Exemption Certificate, is the subject of a special one-page IRS fact sheet, Document 5642, now available from employers.

The reason for filing a new Form W-4, according to Ellis Campbell Jr., IRS District Director for the Dallas District, is "to enable employers to withhold the correct amount of income tax under the new withholding system that will go into effect May 1."

Under the system established by the recently enacted Tax Adjustment Act of 1966, the withholding tax on wages will be more exact than in the past. Withholding will be based on six graduated rates instead of the present flat rate of 14 percent.

Beginning May 1, the amount of tax withheld will depend on (1) marital status, (2) the number of exemptions claimed on Form W-4 filed with an employer and (3) the amount earned.

"After May 1," Campbell explained, "an employee will be treated as a single person—and thus have more tax withheld unless he files a new Form W-4 indicating he is married. Widows and widowers, too, will be concerned with filing a new Form W-4."

"For withholding purposes they are considered married for two tax years following the death of a husband or wife, but will be treated as single if they do not designate 'married' on their Form W-4."

We have a problem
with our Catalina
we just can't fix.

It looks expensive.

Safety items like front and rear seat belts are standard on every '66 Pontiac.
It looks so expensive that a lot of people don't realize it's priced right down there within reach of most low price buyers. Which sort

of makes you wonder why you should buy a low-priced car when you can buy a high-priced car for the same money. A Pontiac Catalina.

Wide-Track Pontiac Catalina

(A big, powerful Pontiac for less than \$3000*)

*Manufacturer's suggested retail prices for 2- and 4-door sedans and 2- and 4-door hardtops are all less than \$3000. These prices include excise tax and suggested dealer delivery and handling charge. Transportation charges, state and local taxes, accessories and optional equipment additional.

Vance Everett was home over the weekend from the U.S. Naval Air Station in Corpus Christi.

Mr. and Mrs. R. G. Nance visited in Sonora Sunday.

Mrs. Tim McCoy of San Antonio is visiting her parents, Mr. and Mrs. Bill Cartwright. Mrs. Cartwright is in Hudspeth Memorial Hospital.

College Chorus

To Sing April 11 At Ozona Church

Lubbock Christian College's A Cappella Chorus will present a concert of religious music at 7:30 p.m. Monday, April 11, in the Ozona Church of Christ.

Songs for the performance will include "Holy Radiant Light" by Gretchaninett, "Ye Shall Have a Song" by Thompson, "God of Our Fathers" by Warren, and "Nobody Knows the Trouble" by Ringwald.

A regular feature of the chorus is the "Sermon in Song," arranged by Joe Godfrey, A Cappella director. The theme of this year's sermon is "Death."

During halftime intermission the men's chorus will perform three numbers. Two other special groups, the women's quintet and the men's quartet, also will sing.

The 50-voice group performs all over Texas and parts of New Mexico during the school year. Ozona is one of the stops on a twelve-day tour.

Mrs. Grant Newell of Cincinnati, is visiting her mother-in-law, Mrs. Eulah Newell, this week.

Mrs. Jack Wardlaw has returned home from a two-week visit in Houston.

Mrs. Mack Cauthorn and Mr. and Mrs. Nelson Stubblefield and Selma Nell were fishing on Clear Creek this week.

Mrs. L. E. Johnson Jr. visited her daughter, Jo Addah, in Austin this last week.

Mr. and Mrs. Billy Bryan Savell and Chip, Cody and Scott visited in Alpine over the weekend.

W. J. Thompson visited his daughter and son-in-law, Mr. and Mrs. Kenneth Stokes and Robbin in Lubbock this weekend.

Mr. Paul Turney and Mrs. Sim Glasscock were in Del Rio this week.

Ten Piano Pupils To Vie for Honors

Ten piano pupils of Mrs. A. C. Elliott have registered as candidates for membership in the National Fraternity of Student Musicians, sponsored by the National Guild of Piano Teachers. Mrs. Elliott is a member of the Guild.

This group of young pianists will take part in the national piano auditions of both elementary and intermediate sections. They will work for district, state and national honors which the guild will confer according to the number of standard classic, romantic and modern pieces which the student can creditably perform in the presence of a noted examiner from another state.

Each student must also show evidence of musicianship by playing scales, cadences, and arpeggios and through sight reading and transposition of a given selection.

Mrs. Elliott's pupils who have registered are as follows: Lesa Joy, Lee Ann Byer, Martha Elliott, Marsha Finklea, Judy Fairchild, Terry Lowe, Mollie Morris, Janice Nance, Suzanne Shurley, and Regina Trainer.

Regina won state honors last year in the guild auditions and this year will try for national honors, as will Janice Nance.

Suzanne and Terry won district honors last year and this year are trying for state honors, as is Mollie Morris.

The other entrants are first year pupils, with the exception of Martha Elliott who also won district honors last year and will be trying for district honors in San Angelo on Saturday, April 30.

The war to end wars will never be fought with guns.

More people are run down by gossip than by autos.

Don't waste \$10 worth of nerve energy on a 10 cent irritation.

BABY TALK SPOKEN HERE

We speak the language of Baby's future. The second most important word is "money." The most important is "savings" . . . your guide to providing a future full of opportunity.

. . . liberal interest rate really speaks volume when it comes to making your savings add up faster. The secret word for success is "steadily." That's how to save to make your money really grow. And the first words are up to you. Come in soon; say, "I want to open a Savings Account!"

ACTORS AND COACHES appeared to be listening carefully as Cordell Parker commented on the one-act plays presented in competition here last week. Assistant professor of speech and drama at Howard Payne College, Parker was judge of the contest among seven area schools.

Pictured behind the speaker's stand is Miss Lois Dolan, Sonora High School drama coach, and seated in the foreground are Sonora students (left to right) Gary McGilvray, Cindy Lambert, Margaret Bundy, Ray Glasscock, and Grady Roe.

Two Firsts Taken At Literary Meet

Two first place winners came home from the district literary meet in Eldorado April 1. Gary McGilvray won first in poetry interpretation and Jim Fish took first in number sense.

Grady Roe won second in boy's prose reading with Cindy Lambert taking third in girl's prose reading.

Debbie Galbreath and Mike Gosney won second places in persuasive speaking and Margaret Bundy took third in poetry interpretation.

First place winners will take part in regional competition at Lubbock April 23. Spelling and ready writing have not yet been judged.

Sonora actors won fourth place in the district one-act play meet held here March 29 with "That's Where The Town's Going."

Cindy Lambert, Margaret Bundy, Gary McGilvray and Ray Glasscock were cast members. Miss Lambert and McGilvray were named to the All-Star cast.

Cinders . . .

in a spot check of the Trans-Pecos deer reported: "GOOD HUNTING."

A card showed one deer bagged during five days hunting on the Fort Hood military reservation and that three quail and five mourning doves also were taken in Dickens county.

Reactions were varied, some hilarious and others demanding.

One hunter who missed out in four days of sport in Presidio county stated: "My own shooting—Just couldn't hit . . . Saw several buck."

Mystery masked a deerless report from Presidio county, with only fifteen does to show for three days hunting. The laconic comment was: "PLEASE HELP ME!"

One sport with a zero on his deer card demanded: "Stop cutting the mesquite . . . down."

A man hunting three days in Culberson county, with a mule deer to his credit, wanted: "More hunters be permitted in area."

Among the successful nimrods, one who got two deer near Sutherland, wrote simply: "Had a wonderful hunt."

A hunter who needed two days in Culberson county to get his mule

A Hollywood film star had had five wives, each of whom had promptly divorced him. He was now declaring his love to the prospective sixth.

"But, I've heard some ugly stories about you," said the girl. "Don't worry about that," replied the star. "They're only old wives' tales."

...from Page 1

in a spot check of the Trans-Pecos deer reported: "GOOD HUNTING."

Likewise, a gunner who needed five days to get a six point buck on the Fort Hood reservation wrote enthusiastically: "I enjoyed my hunt very much."

But the sport with the maximum of self restraint put a zero in the killed column and wrote: "Sir, I don't have much to say but we had three flats, walked a 1,000 miles and didn't see a thing."

Reactions were varied, some hilarious and others demanding.
