## Deer, Turkey Lure Hunters For Opening Day Nov. 12

The annual influx of hunters will hit Sonora this weekend for what promises to be the start of one of the best big game hunting seasons in Sutton County.

Hunters from all over the state will be challenged by the bountiful deer and turkey in the area. The Texas Parks and Wildlife Department predicts some 500,000 hunters will pursue the estimated 2,500,000 deer population during the

big game season throughout the state.

Bob Johnson, manager of the Sonora Chamber of Commerce, predicts a harvest of over 10,000 deer in the county and a hunting income for the season in excess of one million dollars. He based his estimate on last season's harvest of about 8,000 legal deer taken in Sutton County.

Hunters will have a bag limit of two bucks plus a bonus antler-

less deer in many counties, including Sutton, and a limit of two turkey gobblers or two bearded hens.

Local deer hunters may be faced with the minor problem of increased foliage due to the abundant rainfall this season. With adequate food and water the deer tend to stay in a relatively small area rather than ranging over a large area in search of food and water.

rections, locations, prices, availability of doe permits and vacancies on the various leases in the county.

The chamber office has sent out almost 3,000 copies of lists naming available day and season leases. At this time there are 18 ranches offering season leases and 20 open for day hunting. Lists will be placed in many of the Sonora service stations, motels and other business establishments catering to hunters.

Johnson added that information for hunters will be available at the Chamber of Commerce office. He will have on hand maps, di-

rections, locations, prices, availability of doe permits and vacancies on the various leases in the county. The chamber office has sent out almost 3,000 copies of lists naming available day and season leases. At this time there are 18 ranches offering season leases and 20 open for day hunting. Lists will be placed in many of the Sonora service stations, motels and other business establishments catering to hunters.

DEER HUNTERS will converge on Sonora for the opening day of hunting season November 12. But even deer hunting is sometimes a tiresome pastime. This mighty hunter, Bob Teaff

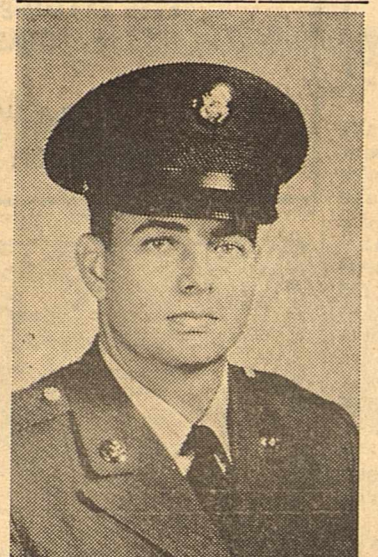

armed with his rifle and bayonet seems to have put himself to sleep with music from his transistor radio. Old Buck seems to enjoy it too.

## CINDERS

Friday is a holiday which deserves a greater observance than it usually receives.

Friday is Veteran's Day, a day formerly known as Armistice Day, which commemorated the armistice ending World War I. "the war to end all wars", as it was referred to then.

In the new light of the Second World War the term "Armistice Day" dimmed into the shadows of the new war and with the increase of new veterans became Veterans Day... a day to honor all of the men and women who served in the uniform of their country in both conflicts.

DAVID E. MCCARVER

### McCarver Finishes Army Basic Training

On a day like Friday it is difficult to determine just what sort of "observance" would be appropriate, in that we are engaged in another conflict in Southeast Asia.

A good way might be to say to your friends who have sons and daughters in the service, "I am proud of, and thankful for, what your son is doing", and decide in your own mind that our veterans, past and future, cannot be thanked enough for their dedication to our principles.

Army Pvt. David E. McCarver, son of Mr. and Mrs. R. M. McCarver has completed basic training at Fort Polk, La., and has been attached to the Naval School of music near Norfolk, Va.

McCarver is married to the former Mary Ann Gage. She is now teaching school in the San Angelo school system and plans to join her husband in the near future.

## \$136,561 Settlement Accepted by Sonora

A \$136,561 settlement between the highway department and the City of Sonora for land, easement, and damages was agreed upon Tuesday in connection with the routing of Interstate 10 north of Sonora through the 25,298 acres of land upon which are now located the airport and golf club.

1968, hopefully longer. He said the payment was fair for the existing golf facilities but that there would be expenses involved in the new course that were not incurred on the old course. "Number nine, possibly number eight with some work, will be the only holes left that can be used in the new layout," he said.

A. E. Prugel, mayor, said that the city commissioners hoped the figure would cover the cost of acquisition of new facilities and moving of buildings, but he said the budget would be a tight one.

Lea Roy Aldwell, president of the Sonora Golf Club, said use of the present facilities had been promised the club until January,

Prugel said the City hoped to start relocating the airport after the first of the year. Since the line of approach will be different, all new paving and lighting will have to be built. Included in the work will be moving the fence between the airport and golf course, moving water lines, gas tanks and the hanger, and constructing a new entrance gate, paving the road to the hanger, and extending electricity.

MICHAEL WAYNE SIMS

### Michael Sims Moved To Base In Japan

Seaman Apprentice Michael Wayne Sims, son of Mrs. Thelma Sims, has been transferred from San Diego, California to Japan. He will be serving aboard the U.S.S. St. Francis River, an amphibious landing ship.

He will leave from San Francisco to join his ship on November 18. Sims has just completed boot camp.

Sims is a 1966 graduate of Sonora High School.

## Voters Favor Tower Over Carr

Sutton County voters turned out Tuesday to elect their favorite candidates for public office and decide on the 16 proposed amendments to the State Constitution.

In the hotly-contested race for U. S. Senator, Sutton County voters favored incumbent Republican, John Tower over Democratic candidate, Waggoner Carr by a margin of 295-235.

In the race for Governor, voters in the county chose to keep Democratic Governor, John Connally. Connally received 393 votes followed by 153 for Republican candidate, T. E. Kennerly, with 2 votes for Constitution Party candidate, Tommy Gillespie, and two votes for Bard A. Logan, the Conservative Party's candidate.

Other state offices carrying in Sutton County were Preston Smith for Lt. Governor, Crawford Martin for Attorney General, John White for Commissioner of Agriculture and Jerry Sadler for Commissioner of the General Land Office.

Other important offices in the state, voted on by county voters were Robert Calvert, Chief Justice of the Supreme Court of Texas Jack Onion, Judge of the Court of Criminal Appeals; O. C. Fisher, Congressman, 21st Congressional District; Dorsey B. Hardeman, State Senator of the 25th Senatorial

District and Charles Sherrill, 112th Judicial District Judge.

Locally, Sutton County voters chose J. W. Elliott, County Judge; Erma Lee Turner, District and County Clerk; E. Lucille Hutcherson, County Treasurer and Alfred Cooper, Justice of the Peace, Precinct 1.

Collier Shurley, was elected Commissioner of Precinct 2 and R. L. Hardgrave, Commissioner of Precinct 4. Jerry N. Shurley was elected County Attorney.

Of the 16 amendments on the ballot, all carried in Sutton County except Proposals Four and Five. Proposal Four would have increased the terms of office of directors of conservation and reclamation districts and Proposal Five would

have authorized provisions for retirement, disability and death benefits to county employees.

Statewide voting was comparable with the voting locally except for the proposed amendments. All 16 were approved on a state-wide basis.

### Horse Sale Today

The first horse sale conducted at the Sonora Livestock Exchange Company will be held today at 1 p.m. according to one of the owners, Sam E. Jones.

Topping the list of horses to be sold are 30 horses belonging to Cleve Jones, sired by Dixie Pocco of conservation and reclamation districts and Proposal Five would

## Bronco Win Makes It Eight In Row With 63-15 Score Over Sanderson

Bronco gridders wrapped-up their eighth season and sixth conference win against the Sanderson Eagles in a 63-15 scoring fiesta Friday in Sonora.

Statistics for the game are misleading in that they are not indicative of the final score. Many of the long gainers and touchdowns made by the Broncos came on kick-off returns, punt returns and pass interceptions.

The Bronco scoring machine got started on the first play from scrimmage on a ramble by Ed Lee Renfro. The well-drilled Sanderson extra point defensive team blocked Laney Cook's kick. The Eagles excelled throughout the game in being able to rush Bronco kickers.

After the following kick-off, the Eagles inability to get the ball moving forced them to punt with long yardage needed for the first down. Renfro was on the receiving end of the kick and moved the ball 60 yards for the second Bronco score.

Sanderson again was unable to gain any yardage and gave up the ball on downs following the Sonora kick-off. Bronco and Noe Chavez took a 20-yard aerial from Laney Cook for the third Bronco touchdown, still early in the first quarter of play. Again the alert Eagle defensive team blocked Cook's extra point try.

For the fourth Bronco tally, quarterback Cook chose to move the team on the ground. With the drive starting on the Sonora 40-

yard line, the Broncos moved the ball to the Sanderson 25 on a series of short gainers. At the 25 in a 63-15 scoring fiesta Friday in Sonora.

Starting in the second quarter of play, Coach Jerry Hopkins, took out many players in the first string lineup. The second stringers proved their worth with Richard Perez scoring the first touchdown

### CROP Collection Totals \$197.50

The annual Halloween CROP (Christian Rural Overseas Program) collection by 38 local young people netted \$197.57. Last year's total was approximately \$140.

Young people from the area church groups collected Sunday, October 30.

A Halloween party and dinner was given to the youths at First Methodist Church by WSCS and the Wesleyan Service Guild after the collection.

The Rev. George Stewart said the amount collected was much more than last year's contributions and that he thanked the local people on behalf of all the churches for their generosity.

of the second quarter. After a drive starting from the midfield stripe under the command of David Wuest, Perez took the ball over from the 25-yard line. Wuest's extra point kick was successful.

The sixth Sonora score of the game came on a punt return by David Wuest. He returned the Sanderson kick from the Eagle 37-yard line to pay dirt. His two-point conversion attempt was good to raise the score to 39-0.

Another Bronco score in the first half came with J. V. Cook doing the honors in the quarterback slot. He connected with an aerial to end Tom Trainer covering 40 yards for the score.

Trainer's unbelievable over-the-shoulder catch brought the Broncos fans to their feet. Again Wuest kicked the extra point to make the score 46-0 at the end of the half.

Seldom does a lineman get a chance at paydirt, but Bud Smith proved it could be done. On the opening kick-off of the second half, Sanderson tried to gain possession of the ball with an on-side kick. Smith snagged the ball and rushed through the surprised Eagle defense for a 60-yard scoring jaunt. Wuest kicked through the uprights for another Bronco extra point to make the score 53-0.

Early in the fourth quarter, the Broncos, with Wuest at the quarterback helm scored their last

touchdown of the game. Wuest tossed a 30-yard pass to Robert Mata near the end zone for the score and then added the extra point with his gifted kicking toe.

Sanderson got on the scoreboard after a long sustained drive which ended in a 10-yard scoring run by halfback Glenn Haynes. Their kick was good to give them their first seven points.

Sonora wrapped up their scoring game with a 20-yard field goal kicked by David Wuest.

The last score of the ballgame went to Sanderson after a hard 60-yard drive. Roman Gonzales pushed the ball over from the 40-yard line on a driving run. Their two-point conversion by Ernie Ayers closed the football game with a score of 63-15.

Next week the Broncos travel to Iraan for their last game of the regular season. Post season scheduling of games leading up to the Class A championship have not been scheduled.

## Wildlife Party Bags 350 Crowd

"Just stock your land heavily with sheep if you want to get rid of the deer," Dr. Leo Merrill told an audience of about 350 at the annual pre-season hunting party.

Merrill showed slides of range conditions on pastures at the Experiment Station and described how stocking with sheep, goats, cattle, and a combination of the three animals effected deer. In order of destructiveness he listed sheep, goats, and then cattle. But he said a heavy combination of cattle and goats would drive out deer. He said light grazing caused deer to build up to the carrying capacity of the land.

Norel Wallace, information and education officer of the State Parks and Wildlife Department, noted that a drop from 82 to 68 percent in the fawn crop indicated the county deer population was reaching near saturation. He estimated the number in the county to be one per seven acres, or about 130,000.

Bob Johnson, Chamber of Commerce manager, said that hunting contributed \$1 million annually to Sutton County economy. In outlining the chamber's hunting program, he said the first weekend of the season was almost booked

to capacity and the second weekend and Thanksgiving were about 75 percent full.

He said the trend for many sportsmen was from season leases to day hunting. He displayed a board designed to help sportsmen find hunting.

George Brockman was elected president and Lawrence Finklea, vice president Bill Stewart, secretary and Clint Langford, treasurer of the Edwards Plateau Game and Wildlife Association.

Vestel Askew was named the outstanding conservation ranchman in a presentation by Fred Earwood, chairman of the Edwards Plateau Soil Conservation District.

Dr. W. A. Belcher of Brackettville outlined the Texas Animal Health Commission's brucellosis and screwworm programs for the county.

Winners of door prizes included O. G. Babcock, Mrs. Leo Merrill, Mrs. Avery, Mrs. Curt Schwiening, Freeman Mears, Lawrence Elliott, R. A. Halbert, Mrs. Thomas Morris, and Mary Barrow. Jimmy Harris was in charge of the Lions club opening ceremony and Norman Rousselet, president of the game and wildlife association, was master of ceremonies.

**"Cooperation Necessary" - Hoover**

THERE HAS BEEN much "wailing and gnashing of teeth" in some law enforcement circles lately in response to developments in the criminal law, particularly confessions, interrogations, search and seizure, and various rights of the accused.

Historically, American courts have assumed the responsibility of assuring that governmental power is not misused to injure the rights of individual citizens. Our courts are now committed to exercising supervisory control over law enforcement through the exclusionary theory whereby evidence obtained in violation of certain rules cannot be used in a criminal trial.

Various courts have been roundly criticized for recent decisions which some reviewers say reflect an unjustified and unprecedented concern for the lawbreaker for illogical, shortsighted judicial policies which in effect legislate new laws to the detriment of society.

They have been charged with handcuffing law enforcement by requiring impossible procedures which, it is said, will insure the release of the guilty while destroying the morale of the officer.

In reply, some critics of police declare that unless we have tight, restrictive control of law enforcement, police lawlessness will result. The extremes of both views tend to cloud the fact that the police and the courts should have a common objective: to develop and maintain a system of administering criminal justice which is fair, impartial, and effective. All will agree that this is an exceedingly difficult and complex task.

There is little to be gained from just shouting protests and criticisms, but there is much to be gained from throwing our full resources and energies into training a professional law enforcement corps to be effective within the framework

of current rules of law and evidence.

We, as citizens, expect the business and technical segments of our society to keep abreast of the latest developments in their respective areas and to conduct research to foster progress. The law enforcement profession, dedicated to the preservation of America's basic freedoms, certainly cannot exempt itself from a similar demand from other citizens. A continuing, comprehensive research and training program, with a conscientious application of the knowledge gained therefrom, is the key to properly discharging our responsibilities to the people and the Nation.

Increased professional police training is no longer a desirable goal, no longer a matter of choice for United States law enforcement. It is an absolute necessity.

**DEVIL'S RIVER PHILOSOPHER SEZ:**

**Teachers Behind Times**

Editor's note: The Devil's River Philosopher on his bitterweed ranch on Dry Devil's River may get himself into hot water, the latter part of his letter this week indicates. That's his worry.

Dear editor:

I went for three days last week without finding a newspaper around this bitterweed ranch and finally gave up and went into town and bought a copy, and now discover I may be further behind the times than I realized.

According to one item on an inside page a college professor discussing the great strides he claims man has made in the past few years said "if you haven't been back to school in the last 10

years you're already behind the times."

I don't know what school he was talking about, but I have a notion you can pick out any college you want to and find therein professors who've been to school all their lives and are still behind the times.

Actually, of course, I don't know what being behind the times means.

While it is true there are dozens of countries on this earth I don't know anything about, never even heard of, you've got to remember on the other hand they've never heard of me either. It all comes down to who's times you're behind, or whose clock you're watching.

I have a notion that if a man sets out to keep abreast of the times all over the world, he'll wind up knowing something about nearly everything but not very much about anything. On the other hand, you can know not very much about anything and nothing about the rest of the world. I've tried it, and it works.

To change the subject, I've been reading about those women in cities picketing the grocery stores over high prices. Since they're carrying their signs anyway, how much you reckon they'd rent the back of their placards to carry a message from us farmers objecting to the low prices we get? Why couldn't one picket sign do two jobs at the same time?

However, if any of those women boil over and want to see me about this, tell them you don't know how to get in touch with me.

Yours faithfully,  
J. A.

**A Parson's Eye View of Sonora**

Bang! Bang! Every hunting season produces its share of tall tales. We shall be looking forward to see what tall tales this season will produce in our area. Who will get his season limit the first fifteen minutes after the season opens? Who will wait until the last day to hunt and still kill his limit?

The "female deer" to quote a phrase from the "Sound of Music" used to enjoy an advantage when the annual deer slaughter started, but with all the doe permits being issued now, there is little advantage to being antlerless.

For the next few weeks, no one would want to trade places with one of the "hunted". And the sad part is that the hunters are sometimes the victims.

One sad side effect of the hunting season, they tell me, is that the churches are practically unmanned. This might have some justification in areas where men have to travel long distances to hunt. But any native who cannot get his quota without hunting on Sunday does not deserve to hunt.

As for landowners saying they have to be with their hunters; the hunters tell me they had rather be left alone. The owners might do their hunters more good by going to church and saying a prayer for the safety of their hunters.

Having lost my hunter-readers; let us change the subject.

If it seems far to go to Iraan this week, just think how far you may have to travel next week to see the Broncos play.

It seems that the championship is still undecided in that district which lies between here and Southern New Mexico and could even end in a three-way tie.

If it is that difficult to select a representative from the district, we cannot believe they have a very strong contender for advancement to regional play.

One problem will be to keep our boys in proper condition mentally as well as physically to really put out when the going gets tough as it will.

It is time to start some advance notice of our Community Thanks-

Bronco Band members, Freddie Gandar and Pete Martinez accompanied Charles W. Brown, band director, to the Region VII Southern District band concert in Brady, Saturday.

Brown was one of several guest conductors on the concert program.

iving Service, scheduled at the Baptist Church, Wednesday night, November 23. This parson has been asked to bring the Thanksgiving Message; and he accepted on one condition, that Mrs. Dowdy do the worship center.

Her husband agreed for her. If she stands behind his promise, anyone who will take a brief time off to come to God's house to say "Thank you" will have something beautiful to look upon, whether or not he hears anything worth while. And who is there among us who can say he does not have any reasons for saying a special "Thank you!" this year?

Someone who has been in the community a good many years shrugged his shoulders and said, "Nobody will attend." Do you see why preachers get pessimistic and down in the mouth?

This is the season when nearly every outside lighting fixture is buzzing with wasps on warm afternoons. Unfortunately they hatch out inside buildings as well as outside. This happens in class rooms...and in church.

Little boys...in particular...are so conditioned that the sight of a wasp practicing landings on someone's head is a source...not of a smile...but of outright laughter.

This preacher had such an experience in the middle of Sunday's sermon—with the expected result from the little boys but he managed not to become panic stricken while the wasp was sitting on his head fanning his brow. He was totally unaware of the psychological warfare that was engaging the mind of his school-teacher-wife and several of her homeroom pupils who happened to be sitting down front.

The previous week when a wasp had turned up in her classroom, the boys had wanted to start a free-for-all battle with the intruder. (We have heard of adults who wrecked their cars when a yellow-jacket flew into the car with them.)

In the interest of discipline, Mrs. Welch told her home room pupils that if a wasp came near them and they would ignore it, it would go away and not sting them. Fortunately for both teachers and pupils the preacher passed the test Sunday without batting an eyelash. When he reached home his wife explained her look of consternation and said how proud she was of the wasp for not stinging, as she had said he wouldn't.

Now that the Thursday-night

football season is over, how about organizing a once-a-month Thursday night bowling league? The Young Adult Sunday School Class of the Methodist Church is ready to sponsor such a league.

A nursery would be opened at the church on bowling nights for pre-school children. They also suggested taking picnic suppers and eating as they bowl. This way they could have an early league and return home before it is late. Bowling is a good sport for all ages, all kinds of weather and for persons of varying degrees of ability. Anyone who is interested in

becoming a member of such a league please call Mrs. Sydonia Wilson at 2-6241. Put down the Devil and do it right now before you forget. One or two house guests can easily be accommodated. But this weekend we face the possibility of having twelve to fifteen young people from San Antonio and we are delighted since we can expand into the church house.

**TAKE-DOWN DAY**

That's what we call the day after election, when we try to take down every political sign which we put up in the city. Forgive us if we missed one or two. Or better still, call it to our attention, and we'll have it out of sight in no time!

What you feel is as new as what you see—thanks to all the fresh thinking that's gone into the way it rides, steers, stops and looks after your safety.

It's got a remarkable new road feel—beginning with a ride so hushed and gentle you'll feel like calling this the '67 Chevrolet. The steering is as much as 10% easier. And you'll find the stopping smoother, too.

We put safety features on top of safety features. For example, an energy-absorbing steering wheel atop the new GM-developed energy-absorbing steering column. A dual master cylinder brake system with warning light. And seat belts front and rear with pushbutton buckles. All standard, to be sure.

And there's a new SS 427 performance package—complete with 335-

hp Turbo-Jet V8 and flat-cornering suspension. You can order it for either the Impala Super Sport Coupe or Convertible.

Of course, there are all sorts of new custom features you can add, too, such as tape or FM stereo. But if you find so much that's new a bit too much to remember—drop down to your dealer's and take a drive. It'll all become unforgettable.

Everything new that could happen...happened! Now at your Chevrolet dealer's.

Say! Did you all see the new band sweetheart crowned Friday night? Janet Johnson received the honor this year. There are only four seniors in the band this year. Janet Johnson, Kaye Ellis, Ellie Chavez and Pete Martinez were honored for their years of participation in band activities. James Height from Eldorado was in Sonora visiting, Friday and Sunday. Yvonne Young was in San Angelo Saturday. It seems that picnics are getting pretty popular around Sonora. Saturday afternoon, Al Letsinger, Robert Brown, Tom Trainer, J. V. Cook, Laney Cook, Nedra Raye, Yvonne Young, Linda McCutcher, CeeWee Johnson, Gary Hardgrave and Jimmy Trainer all spent the afternoon at "Six-Mile" eating and having a big time.

ler went to Kerrville Saturday to get Baby (Jackie's cat.) More college kids were home this weekend more, and more, and more! Some of these were Jack Hearn, Joyce Hearn, Joe Moore, Dick McClelland, Susan Allison, Bill Chadwick, Bill McClelland, Dick Hearn, Bill Glasscock, Erwin Seydler and Ray Glasscock. A lot of kids from Eldorado have been in Sonora lately. Among those were David Meador, Dwight McDonald, Ricky Jones, Susan Hill, Munroe Dacy, Ronnie Free and Lonnie Gibson. It looks like all of Eldorado is moving to Sonora! Our last district football game is Friday, in Iraan. See you there!

### Miss Johnson, Jack Wardlaw Married In Double Ring Ceremony Saturday

Miss Jessie Lem Johnson and Jack David Wardlaw exchanged wedding vows Saturday, in the home of the bride's mother, Mrs. Lem Eriel Johnson. Jack David Wardlaw is the son of Mrs. Jack David Wardlaw. The Rev. Ross Welch, pastor of First Methodist Church officiated in the morning double ring ceremony. The bride was given in marriage by her uncle, Mack Cauthorn. She wore a white brocade satin suit with a veiled white satin hat. Her flowers were white, bridal rosebuds mounted on a bible. Bridesmaids were her sister, Janet Johnson and Cecilia Young, Matron of honor was another sister of the bride, Mrs. Jack Graves of Austin. Serving the bridegroom as best man was Gil Trainer. ### ATTENTION FOOTBALL FANS

It seems almost certain that Sonora Broncos will go into bi-district football competition, . . . and we hope all the way to state. KCKG is trying to determine whether to schedule play-by-play broadcasts. If we do, games close enough for most fans to attend would be aired by delayed tape recording . . . games so far away that most people would be unable to attend would be scheduled live.

BUT . . . we need evidence for prospective sponsors if you, the football fans, DO, INDEED WANT TO HEAR THE BROADCASTS. If you would like us to schedule play-by-play broadcasts of the Sonora games in the playoffs, let us know. Write a card or letter giving your opinion to RADIO STATION KCKG, SONORA, TEXAS.

### YOUR MINISTER SAYS

by The Rev. Arno Melz, Pastor, Hope Lutheran Church

"Be not deceived God is not mocked for whatsoever a man soweth, that shall he also reap. For he that soweth to his flesh shall of the flesh reap corruption but he that soweth to the Spirit shall of the Spirit reap life everlasting." Gal. 6:7,8

This message from God's word brings both a warning and a blessing. To those living only for the pleasures of the world it is a warning. To those who accept Jesus as their savior, and pattern their life after His, it promises a blessing. On the last day each of us will reap either eternal destruction or life everlasting according to what we have sown.

If you sow weed seed you do not expect to reap wheat. If you do not believe in God, hear His word, or turn to Him in prayer, you do not expect to receive His forgiveness. This is not God's fault. He reaches with open arms toward all sinners, but some sinners turn their backs. This is what you are doing when you do not read your Bibles, pray or attend church. Through your stubbornness, neglect or love of worldly pleasures you have sown the seed of the flesh. To you comes the warning, be not deceived, God is not mocked. It is you that will pay the price on judgment day.

To the believer comes the promise you shall reap life everlasting. This promise comes to the believer not because he lives such a good life, but rather because he turns to Jesus for forgiveness. The believer recognizes his weak faith, sees the need to pray and hear God's word. The believer is will-

ing to sacrifice worldly pleasure to hear and keep God's word. This is sowing the spirit.

If you have been living only for the worldly pleasures, and have neglected your spiritual life then heed this warning, be not deceived, God is not mocked. Change your way of living and find time to read, study and hear God's word. Sow of the spirit, take time to pray today. Amen!

### Pastor to Attend Camping Training

The Rev. George R. Stewart, pastor of the Church of the Good Shepherd Presbyterian Church U.S., will attend the National Training Camp for Church Camp Leaders November 8-18 at Camp Gilmont near Longview, Texas.

Stewart and 20 church camping leaders from various denominations throughout the United States have been selected for this special training in primitive camping leadership education.

Stewart is the chairman for the Camp and Conference Committee of the Presbytery of the Southwest and is a member of the American Camping Association. He has been active in organizational, private and church camping as a counselor, instructor, director and administrator for 14 years.

He was a member of the committee that built the facilities selected by the national committee for this National Training Camp at Camp Gilmont. He is at present a member of the committee of the Presbytery of the Southwest that is constructing a new camp at a site near Cloudercroft, New Mexico.

During Stewart's absence the Rev. Richard H. Schmidt, Stated Clerk-Treasurer of the Presbytery of the Southwest from Midland, will lead worship at the church of the Good Shepherd.

JANET JOHNSON — BAND SWEETHEART

## Sonora Girl Named Band Sweetheart

The Sonora High School band crowned their sweetheart during halftime ceremonies Friday.

Recipient of the honor is Janet Johnson, daughter of Mrs. L. E. Johnson, Jr. Miss Johnson is a twirler with the band this year.

Also honored were the senior members of the Bronco band. They

are Pete Martinez, Elie Chavez, Kaye Ellis and Janet Johnson.

A turkey shoot will be held at the rifle range north of the Sonora Golf Club's clubhouse Sunday, November 20 at 1 p.m. The public is invited.

## Bronco Bandmen To Compete In Brady

The Sonora High School marching band has been invited to compete in the Region VII University Interscholastic League's marching contest in Brady, November 15 Sonora will be one of bands marching in the competition.

Separate from the marching contest will be a twirling contest.

Of the 31 bands competing, about 15 of them will be from Class A schools. All will be competing for the coveted Division I rating. The interscholastic League evaluates bands with a grading system based on categories from I to IV. Division I is equivalent to a rating of excellent with no

margin for improvement.

"The factors that influence the judge's decision are based on the quality of the marching band and its ability to perform in the allotted amount of time", emphasized Charles Brown, band director. "Each band must conclude its performance in a minimum of five minutes and a maximum of eight minutes," he added. The contest routines used are those common to halftime shows at football games.

Bronco band is scheduled to march at 4:20 p.m., November 15 with the twirling contest beginning at 10 a.m. The band competition will be held on the Brady football field and the twirling contest will be held on the school grounds.

Sonora twirlers competing in the contest are Linda McBride, Elie Chavez, Janet Johnson, Lilia Perez, Kay Archer and Carol Adamson.

## Ministerial Alliance Searches For Bible

The search is on in Sutton County for the owner of the oldest Bible, according to the Rev. George Stewart, pastor of the Church of the Good Shepherd, Presbyterian U. S.

As a part of Universal Bible Week the Sonora Ministerial Alliance is sponsoring the Bible contest in conjunction with the 150th anniversary of the American Bible Society.

Stewart said, "We are looking for the earliest published family Bible and the earliest personal copy of the Bible." Prizes will be awarded in both categories. Winners must be willing to display their Bibles during the week of December 4-11.

During this period, the Ministerial Alliance will have a Bible bookstore and display at the offices of the Sonora T. V. Service Company. Bibles of various versions in gift editions will be for sale.

The individual churches are planning observances during Bible Week with emphasis on reading, distribution and use in accordance with their individual liturgy and tradition.

The Rev. George Stewart is the chairman of Universal Bible Week for the Ministerial Alliance and persons interested in participating in the search may contact him.

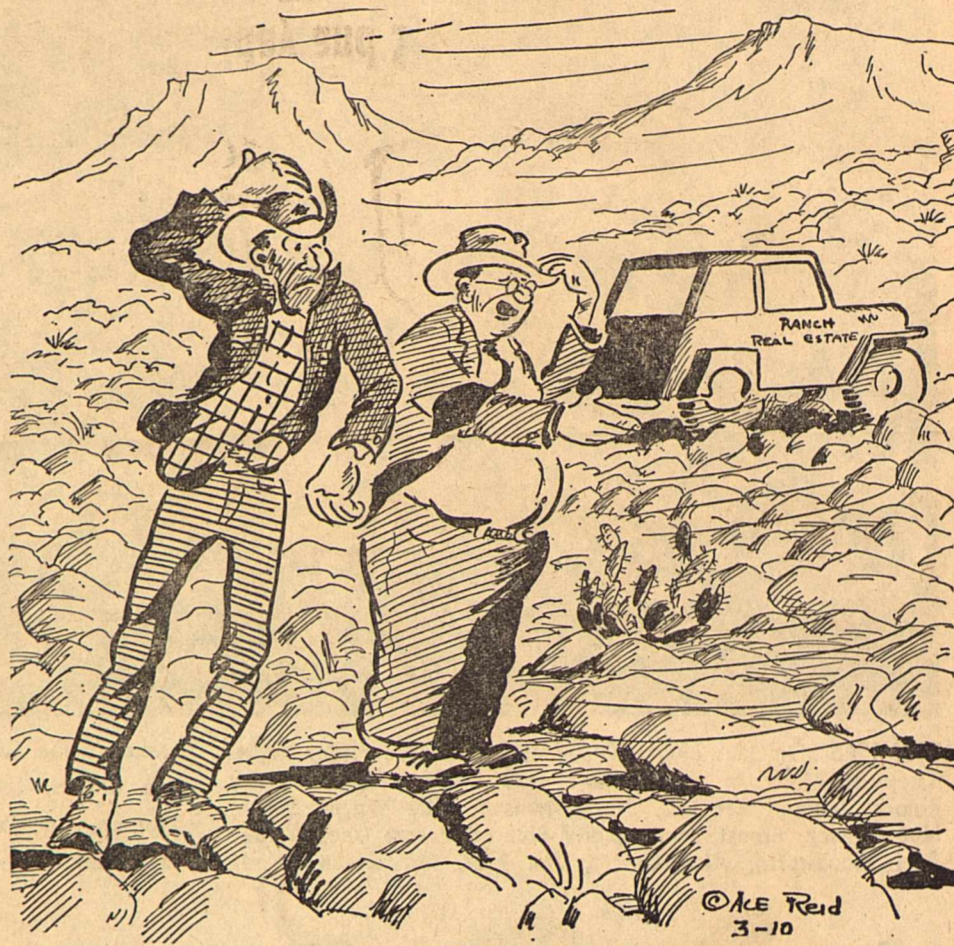

## Fling Ding Members Vote For Lombardo

The Fling Ding Club voted to secure the Guy Lombardo Band for an engagement in Sonora on February 3 or 4.

Fling Ding Club president, Walter Pope called a general membership meeting last week to decide on the band for the annual event. In order to secure the Lombardo band it was necessary to vote on increasing dues for this year only to \$3.
