PRICE—TEN CENTS

CINDERS

by John T. King

For most of Sonora's youngsters, the official closing of summer will be signaled August 26 by the ringing of the first school bell.

In days past, when a majority of our people lived in rural areas and scattered small towns, then a bell often rang in the typical one room schoolhouse calling youngsters from the dusty lanes, the pastures, and the swimming holes. They came to resume, often with considerable reluctance, the regimentation of school hours and the traditional pursuit of at least a passing proficiency in the 3 r's.

School bells of today carry a far different message and challenge to the nation's present generation of young people. The store of man's knowledge is increasing so rapidly that no one can estimate what may hold 10 or 20 years from now. In such a world, the schoolroom has become, not a place of dull drudgery, but a vital and broadening bridge of understanding and knowledge spanning the present range of man's accomplishments and offering the young people of today the capacity to build a future beyond our present imagination.

Our young people have a new enthusiasm for education, and this is our greatest national asset. But, they must learn of our heritage and the roots of our freedom, as well as the wonders of our technical accomplishment and capacity. As they return to school Monday, they deserve all the encouragement and opportunity which we can give them.

Evaristo Gonzales Services Held Here

Evaristo Gonzales, 56, died in McKnight Hospital in Carlsbad August 14, 1968. He was born in Mexico November 18, 1912, and had lived in Sonora since 1925. Mr. Gonzales was employed on the Hillary Phillips ranch.

He married the former Virginia Galindo in 1925. Services for Mr. Gonzales were held in St. Ann's Catholic Church with the Rev. Michael Fernandez officiating. Burial was at Sonora Cemetery. Ratliff-Kerbow Funeral Home was in charge of arrangements.

Survivors include his wife, two daughters, Mrs. Julio Samaniego, and Mrs. Rudolph Guajardo of Fort Worth, three sons, Mike Gonzales, Bronte; Sam Gonzales, Plainview; and Ismeal Gonzales of the United States Air Force. Survivors also include 7 grandchildren and 4 great-grandchildren.

MRS. MATTIE (Aunt Pat) Morris is shown in her yard at the Ranch Experiment Station. Aunt Pat observed her birthday August 8—probably spending most of the day working among the flowers in this "show-place" garden area.

"GRANDMA MERRIMAN and "MAMA TURNEY" were as busy chattering as a couple of magpies when they got together recently at Grandma's house for a short visit. As girlhood

friends, they had lots of reminiscing to do. They had not visited each other since Sonora's Diamond Jubilee celebration held in August of 1965.

Birthdays for Three "Little Ladies" Add Up to Many Years

By Dee Nevill

Three of Sutton County's "little old ladies" observe their birthdays this month, and their combined ages total well over 250 years. "Little old ladies" in this case is really not just a figure of speech. All three are small, not one of them would deny being a senior citizen (though each one is very young at heart), and each is very definitely a "lady."

MRS. ROBERT MORRIS

Mrs. Mattie (Aunt Pat) Morris was born August 8, 1880, in Leon County, near Buffalo. Though she has lived in the county fewer years than Mrs. Frank (Mama) Turney and Mrs. O. E. (Grandma) Merriman, she has had a very colorful life during her residency here.

She first came to Sutton County in 1924 after her husband, Robert, died. They had two children—a daughter, Robbie, and a son, T. A. He died in 1935 on the Harvey Walker ranch in Sutton County. Aunt Pat moved to the Ranch Experiment Station with her daughter, who first taught school at the station, later taking over the office and secretarial work there.

When the late W. H. Dameron was superintendent at the station, he convinced Aunt Pat she needed to run the boarding house for visiting professional men who came from nearly every country in the world to study and observe various methods being conducted at

the station. For Aunt Pat, this type of work was very rewarding, since she was (and is) an excellent cook. Also, she is an interesting and intelligent conversationalist, so the important visitors were people she thoroughly enjoyed knowing.

During the twelve years she operated the boarding house, there were usually ten or twelve guests daily, though once she had 52 men who "came to dinner."

Aunt Pat is still very active and spends most of her time in the beautiful yard where she loves to grow flowers and vegetables.

She spends some of her time in a wheel chair, as she gets around faster that way to take care of cooking, churning and housework that she still likes to do.

MRS. FRANK TURNEY

Mama Turney observed her birthday August 20, just five days before Grandma. They were girlhood pals and schoolmates. At this particular time when pictures were made they had not seen each other since Sonora's Diamond Jubilee, although they live only a block from one another. They were as gay and laughed as much as a couple of teenage girls would today. They had great fun reminiscing, especially when Mama Turney reminded Grandma that she was known as the "belle" of the town.

"Lillie," Mama Turney said, "had the prettiest dresses and was the best dancer in town. Lilly Reynolds made her clothes and she really made her some beautiful ones."

Mrs. Turney, the daughter of Mr. and Mrs. Sid Stephenson, was born at Fort McKavett in the post hospital August 20, 1880. Her father was a soldier stationed at the fort until it was closed. The family then moved to Junction for a while before moving to Sonora when Mrs. Turney was nine years old.

She married Frank Turney and their first home was in Juno. They had eight children, three of whom are still living. They are Lin, Gladys, and Mildred.

Vitality and zest for living are still very much evident in this peppy little woman who does much of her yard work along with cooking, canning and keeping house. She is indeed a remarkable person and is one who never criticizes the young people. She calls herself "a modern old lady," but no one could think of her as being old at all. Though she grew up in a day and age when she said it took two days to go to Juno, she thinks today's mode of travel is wonderful. "Just think," she said, "I can fly across country in much less time than I could go to

cooking!

It would take a book to relate all the exciting experiences of their day and age and a lot more time than just an afternoon, besides Mama Turney couldn't sit still that long—she had to get back to the fig preserves she was cooking!

Paralytic Polio Case Calls For Mass Immunization

Local doctors report a confirmed case of acute paralytic poliomyelitis in Sonora the past week. Doctors advise that all children over the age of two months should be immunized. Since this disease primarily strikes children and pregnant women, all persons in

this category should take the serum and all persons under the age of 50 are recommended for the vaccine, according to a local doctor.

Children and adults who have had the serum in the past should check with their physicians to see if booster doses are needed. First booster injection within two years of the original series and a second booster four years after the first is usually recommended.

Doctors advise that there will be a mass immunization program at 1 p.m. Sunday, August 25, at the Central Elementary School. All unvaccinated persons are urged

to be present. Special attention should be given all pre-school and school children.

Touch Calling Service Introduced In Sonora Area by General Telephone

New ultra modern Touch Calling telephones with push buttons are being introduced in General Telephone's Sonora exchange, it has been announced by Jack Goss, San Angelo division manager. Sonora will be the third exchange in the Southwest Company to be offered Touch Calling. These phones were introduced in Guymon, Okla., and Idalou, Texas earlier this summer.

Touch Calling service will be available only to customers with individual and two party service, and there will be an additional monthly charge for the service, Goss said.

The new instruments have a totally new appearance and make it possible for customers to reach seven-digit numbers much more quickly than with the traditional dial telephone. Studies also show fewer "dialing" errors result from use of push buttons.

Initially, the desk, Starlite (R) and wall compact telephones will be equipped with push buttons instead of dials.

Customers with the new Touch Calling telephones will hear a dial tone which is distinctly different from the one on conventional telephones. They will hear a series of musical notes as they depress the buttons to reach another number.

Providing this service to customers in Guymon, Idalou and Sonora requires the addition of special equipment to central existing office facilities. The compatibility of the equipment permits the company to phase Touch Calling into residential or business customers to have both Touch Calling telephones and conventional telephones.

Because Guymon, Idalou and Sonora are the first installations in the Southwest Company, detailed

Hough Resigns As Deputy Sheriff

James Hough, Sutton County deputy sheriff, has resigned after five years of service to attend the Texas Highway Patrolman School in Austin for an 18-week course, starting August 27. After completion of the school, he will be assigned to duties as a Texas Highway Patrolman. According to Hough, this could be anywhere in the state.

Hough has been active in the Cub Scouts here and served as pack master last year. He also is an active member of the Elks and helped with the Little League Program.

Mrs. Hough and children, Tommy, Bruce and Joe, will reside in Kerrville while he is in Austin.

Jose Lopez Degree Candidate

Jose Eliel Lopez, son of Mr. and Mrs. Santos Lopez, is one of the University of Texas students who is a candidate for a bachelor's degree in the College of Arts and Sciences at the close of the summer session.

Art Club Plans Bake Sale

Sonora Art Club has scheduled a bake sale for 9 a.m. Monday, August 26, in the old Sonora Gas building downtown. Mrs. E. B. Keng, chairman of the finance committee announces the club will have cakes, pies, cookies, and other items for sale.

City Tax Rate Lowered

Members of the city council, Mayor A. E. Prugel, and commissioners W. B. McMillan, and Mrs. T. K. Nevill, in a special meeting August 19, set the tax rate for the year 1968 at \$1.25 per \$100 valuation. This is a reduction of ten cents from the old rate, with no raise in the valuation.

The city has had increased revenue from the sale of land this year and council felt that taxpayers should share in the added revenue by voting for a tax reduction at a time when most cities are finding it necessary to raise taxes.

In other action a study was made of the proposed budget for the coming fiscal year, and council members approved and adopted a budget.

A called meeting has been set for Thursday at 8 a.m. for the purpose of considering purchase of two new pickups for use in the electrical and water departments. Normally the council meets on the first Monday in the month but as Labor Day will be a holiday for city employees, the next meeting has been set for September 9, the second Monday in September.

The city has had increased revenue from the sale of land this year and council felt that taxpayers should share in the added revenue by voting for a tax reduction at a time when most cities are finding it necessary to raise taxes.

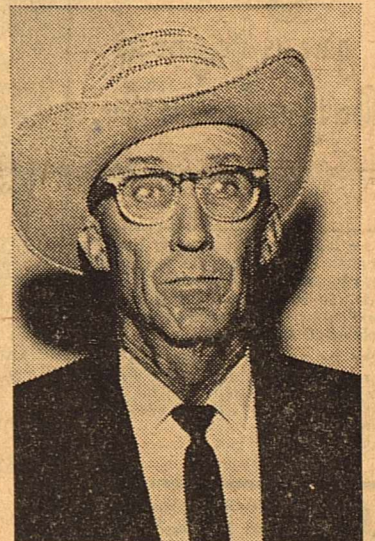

D.P.S. Office Closes for Week

The department of public safety drivers license office, will be closed for a week beginning August 26 and will not reopen until September 3, according to Mrs. Donald Jones, drivers license clerk.

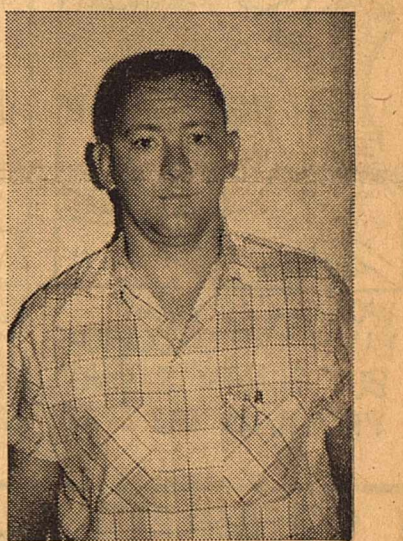

Wilson's Vacation With Relatives

Mr. and Mrs. Neil Wilson have gone on an extended vacation to visit relatives of Mr. Wilson. They will visit in Kansas, Iowa, Illinois and Wisconsin before returning home in October.

Mrs. Wilson is the former Mary Schwiening, daughter of Mr. and Mrs. Alfred Schwiening.

CULLEN LUTTRELL, left, foreman for Texas State Highway Department in Sutton County, is currently serving as fire chief of the local fire department. Darcy Carroll, with Texaco, was recently appointed fire marshal. Both men are long-time members of the volunteer Sonora fire department.

City's Adoption of Fire Ordinance Assures Community Better Protection

An advisory fire marshal ordinance as recommended by the Fire Insurance Division of Austin, was adopted recently by the city commission. Adoption of the ordinance assures residents of a lower key rate schedule when compliance with the ordinance is carried out. All cities as well as most smaller communities have adopted ordinances for the protection of property owners and residents.

The office of fire marshal is being filled by Darcy Carroll and Cullen Luttrell is serving as fire chief.

Carroll as fire marshal has the responsibility of investigating the cause, origin and circumstances of every fire occurring within the city, together with keeping a record of all facts, statistics and circumstances, including the origin of fires and the amount of the loss.

It is also the duty of the fire marshal and he has the right at all reasonable hours, to enter into any building or premises for the purpose of examination for any improper or dangerous hazard. The fire marshal will advise the owner of any condition which he considers to be dangerous and make suggestions as to the correction of the conditions.

One violation of good fire prevention rules occurring here is that combustible and inflammable materials and refuse is stored behind some of the buildings in cardboard containers.

At the end of each month Carroll will report to the State Fire Marshal all existing hazardous con-

ditions, together with a separate report on each fire in the city during the month.

Luttrell and Carroll, along with other firemen in the city, are performing a public service in the community working for the safety of the residents.

Kenny Porter Wins Bronze Star Award

Spec. 4 Kenny Porter, grandson of Mr. and Mrs. Jim Perry, recently was awarded the Bronze Star medal for heroism, for his military actions last February while on duty with the 9th Infantry Division in Vietnam.

Porter, despite intense fire from the enemy, charged an intractable bunker and destroyed it with hand grenades and rifle fire, enabling medical helicopters to evacuate the wounded of the beleaguered company.

The commendation says that "Porter's personal bravery and his devotion to duty are in keeping with the highest traditions of the military service, and reflect great credit upon himself and his outfit."

Porter has been in Vietnam since October 2, 1967. He received part of his high school training in Tularosa, New Mexico, having attended there during his sophomore year. Porter graduated from Reserve, New Mexico High School in 1966 and attended the Alamogordo Branch of NMSU.

The Devil's River News

Something for Nothing . . .

One of the reasons often cited for the current wave of strife and discontent in the United States is that people have been led to expect too much, too soon in the way of material gains.

activity of the nation or not. This is a tall order, but some believe it can be accomplished within the framework of a capitalistic, free enterprise system.

doesn't exist and couldn't exist in a work-oriented culture." A liberal democratic member of Congress corroborates the labor leader's opinion in these words with reference to his constituency.

Whatever the reasons, a great many people, as typified by the Poor People's March on Washington, are bluntly demanding a larger cut of the economic pie without too great a regard as to how they get it.

Conservative economist, Mr. Milton Friedman of the University of Chicago has long advocated what he calls a negative income tax under which the government would supplement the incomes of persons when their earnings fell below a certain point rather than subject them to an income tax.

The American people have always been noted for their generosity, but there is no getting around the fact that today the American family, the wage earner, the businessman, the working housewife, all of us are highly aware of the burdensome and growing costs of government.

CLASSIC GUIDELINES
The God who gave us life, gave us liberty at the same time.
-THOMAS JEFFERSON

WORKIN' IS WHAT BUYS THE GROCERIES BUT PLAYIN' IS WHAT PROVIDES THE SPICE.

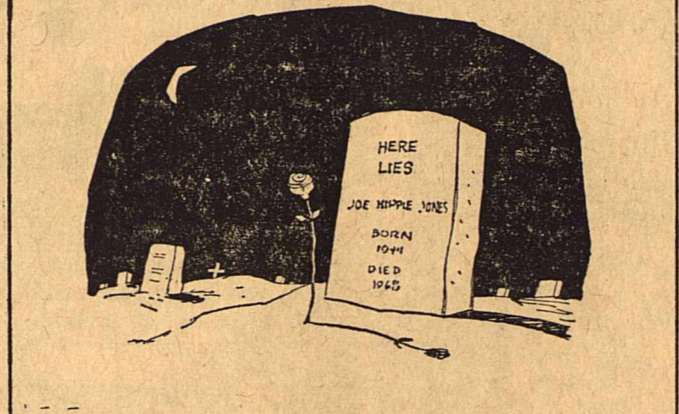

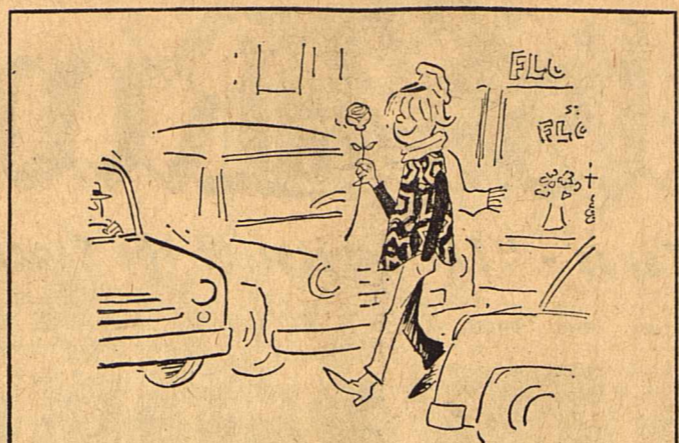

We see it all around us. People treat freedom as though it were a gift that privileged people bestow upon those who are less fortunate.

from HISTORY'S SCRAPBOOK DATES AND EVENTS FROM YESTERYEARS

August 21, 1958 Sonorans are particularly interested in the run-off race for the associate justice of the Supreme Court as Robert W. Hamilton is a candidate for election.

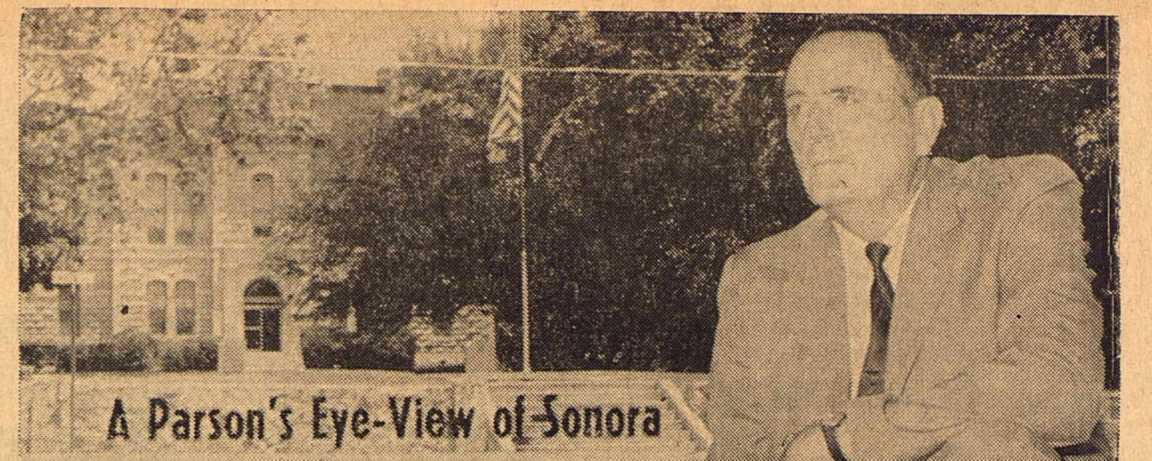

August 19, 1938 When Sonora ball players bow their necks against a tough adversary things happen. Sunday afternoon those "things" consisted of twenty one innings of hard fought baseball playing rather than the sixteen which had been scheduled between the Sonora and San Angelo teams.

August 20, 1948 L. B. Merrill, range botanist at the ranch experiment station, said several tests were run during 1946-1947 on spraying liveoak and mesquite brush with 2, 4-D.

65 Years Ago M. B. Atkinson, the sheepman from four miles below Sonora was in town Thursday. He reports that things are flourishing out his way.

Political Announcements State and Federal Offices. \$25.00 (The above price includes one write-up of not more than 250 words and the publication of candidate's name weekly in this column.)

Spell Quiz Which of the Following is Spelled Correctly? ostentatous ostentatious ostentatios (Meaning: Pretentious.) See Classified Page for Correct Answer.

A Parson's Eye-View of Sonora

I have spent a week in Connecticut. It was great seeing my youngest daughter and her husband and getting to spoil my grandson all I wanted.

table of eating before you go. My wife made an heroic effort and delivered me in flight.

T. C. Bassham reports that he has invested in a ten-acre California-style ranch just this side of Ingram. He ought to make Herman a good customer when he starts improving his place.

But I immediately inherited my Texas-born hosts' dislike for Yankee. I was in the suburb of New Haven, best known for its famous university, Yale, where my son-in-law is a graduate student.

Mrs. R. V. Cook, without whose services the Methodist Church and the Lions Club would find it hard to function, was badly bruised in a fall on the church steps Sunday morning.

It is a wonderful privilege having laymen who can step into one's pulpit in his absence and deliver messages that reflect honor to themselves and are inspiring to the congregation.

I enjoyed the shrimp dinners. Where we got three or four large shrimp on a dinner, they serve you fifteen or twenty small ones. They are sweet and delicious.

This (Monday) morning she reports no broken bones but movement is a painful procedure. She was expecting to supervise the Lions luncheon Tuesday.

My sincere thanks to Pat Reardon, Si Loeffler and Doyle Morgan.

I decided to prepare a Texas style dinner for my kids, I had a hard time finding pinto beans. Southern influences are beginning to creep into New England, however.

Incidentally, this might be an appropriate place for a bouquet: Most of the local Lions scarcely realize how much better off they are, food-wise, than are the members of most social service clubs.

Every year at our family reunion we have a talent show when members of the younger generation demonstrate their abilities. This year a three-year-old stole the show.

A close friend in my dislikes and at times it was the first, was the warm, humid, 'smoggy' weather. If a little cool front blew in, my grandson would sleep the clock around, only waking for his meals.

Our information is that the operation installing a heart pace regulator for Mrs. Libb Wallace was entirely successful and the patient is doing well. She has been removed from intensive care and placed in her private room.

His training has also banished any sense of self-consciousness before an audience—even of his kindergarten. He is a perfect little ham. Everybody loved him.

Corriedale sheep for ranchmen of this section have been arranged for by W. J. Fields, Jr., who expects the animals to arrive here Saturday.

Is it good to have the Herman Smiths up from Kerrville for a brief visit. Herman told me over a cup of coffee this morning that he is enjoying the FBI Country where, according to his figure, fourteen per cent of the people are retired.

Is it possible that it is school-time again? Faculty meetings begin today (if you get your paper on Thursday) and the faculty picnic is tomorrow (Friday) evening. Classes start on Monday, and it will not be long until the football season is in full swing.

PUBLIC NOTICE Proposed CONSTITUTIONAL AMENDMENT NUMBER TWELVE ON THE BALLOT (SJR14) SENATE JOINT RESOLUTION No. 14 proposing an amendment to Article III, Constitution of the State of Texas.

PUBLIC NOTICE Proposed CONSTITUTIONAL AMENDMENT NUMBER FOURTEEN ON THE BALLOT (HJR22) BE IT RESOLVED BY THE LEGISLATURE OF THE STATE OF TEXAS: Section 1. That the Constitution of Texas, Article III, be and the same is hereby amended by deleting therefrom Section 18, and substituting in lieu thereof the following:

Carla Whitworth Is Party Honoree

Mrs. Libb Wallace, Herbert Fields, Lee Fawcett, Kenneth Teutsch of Houston, Ervin Willman, Billy Galbreath, Sam Allison, Ed Grobe, John Fields, John Murrell, and Bob Caruthers honored Miss Carla Whitworth with a gift coffee at the home of Mr. and Mrs. Billy Galbreath August 17.

In the receiving line with the honoree were her mother, Mrs. LeRoy Whitworth, and grandmothers, Mrs. Hub Hale and Mrs. C. O. Whitworth of Rocksprings.

The table was laid with a white cloth, and the centerpiece was white chrysanthemums in a silver bowl. Mrs. Ervin Willman served coffee at one end of the table, and at the other end Mrs. Bob Caruthers served punch. Miss Linda Dobbs of Brady registered the guests. The house was decorated with spring flowers. The gifts were displayed in several rooms.

GRADUATE TO TOTAL ELECTRIC LIVING

"With Electric Home Heating—we have fewer colds, no fumes, and walls stay clean"

THE CECIL RICHARDSONS
HAMLIN, TEXAS

"We like total-electric living so well we recommend it to our neighbors," Irene Richardson says. Working conditions are better and her electric appliances save her so much time. She thinks flameless electric heating and cooling is wonderful for her skin problem.

Terry Cecilia, the Richardson's 5-year-old granddaughter, plays comfortably the year 'round and always has plenty of fresh clean clothes. "I use the washer and dryer every day—sometimes several times a day," Irene Richardson says.

The Richardsons cook a lot, burn the lights a lot, and entertain friends, yet find total-electric living economical. "We're very satisfied with it," Mr. Richardson says.

Richardson is manager of the Hamlin Farmers Compress, Irene Richardson is a full-time homemaker, and Terry Cecilia pre-kindergarten age.

1250 Sq. ft. — 3 in family

GREEN NEWS

By Monica Davis

Some of our women golfers were in Ozona Saturday and Sunday for a Ladies Tournament. Bobbie Fawcett and Sammy Espy won a set of woods as first place winners in the first flight. Others attending were Pauline Thompson, Lunetta Morgan, Wanda Cahill, and Ernestine Hext.

It rained like the dickens Sunday morning, and the shot gun play was delayed until 1:30 p.m. It was hot, muddy and steamy by that time, and in order to keep from ruining the greens, they had to take their shoes off to putt — Why, oh why didn't you bring some of that rain back with you? They all agreed they had a wonderful time. Saturday night, a delicious supper was served. It made all of us who weren't able to go quite envious.

GN

There were a couple of new golfers trying their hand at the

game of golf Sunday afternoon. Missy Brown and Becky Tittle were getting lots of advice as to what clubs to use where and when — Finally assured they knew what to use, Muriel asked Missy which club she'd use in the rough. "Oh, I'll just kick the ball out," says Missy.

GN

We have a real new member in our club and we'd like to welcome little Louis Olenick Jr. Hope we get to see him soon.

Langford to Attend Conference

County Agent D. C. Langford will attend the biennial state conference for agricultural extension service employees to be held on the campus of Texas A&M University, August 26-30.

Langford will be out of his office all next week.

Alexanders Host Seven at Seven Bridge Club

Mr. and Mrs. James Alexander hosted the Seven at Seven Bridge Club in their home August 17.

Mr. and Mrs. Clint Langford won the traveling prize; Mr. and Mrs. Bill Savell won high, and Mr. and Mrs. Wayne Herrman were high guests. Mr. and Mrs. Joe Lane won the club bingo prize, and Mr. and Mrs. Milton Cavaness won the guest bingo prize.

Attending the party were Mr. and Mrs. Jack Kerbow, Mr. and Mrs. Joe Neil Smith, Mr. and Mrs. Bill Savell, Mr. and Mrs. Clint Langford, Mr. and Mrs. Dick Street, Mr. and Mrs. Joe Lane, Mr. and Mrs. George Wallace, Dr. and Mrs. Wayne Herrmann, Mr. and Mrs. Milton Cavaness, Mrs. Jodie Minnick of Dimmitt, and Mrs. Charles Shannon of Boulder, Colorado.

Champale. Celebrate nothing with it.

It isn't often you get a chance like this.

You see, Champale® looks, tastes and sparkles like champagne. The proper way to serve it is well-chilled in a champagne glass. That brings out its sparkle, flavor and bouquet.

But it costs only pennies more than beer. And you buy it wherever beer is sold. Which means you can drink it anytime you want to make Something out of Nothing. At a meal. A card game. A Television Watching. A Newspaper Reading. A Corn Popping.

It's a superb mixer, too. We'll send you two free booklets full of mixed-drink and gourmet-food recipes. Just write Champale, Inc., Dept. N-2, Box 2230, Trenton, N.J. 08607.

And if you don't often celebrate Nothing, that's okay. Champale Malt Liquor is also a sparkling way to celebrate Something.

GOING OVER THE CHANGES in show rules concerning the 1969 Sutton County 4-H Show are county agent, Clint Langford and Devil employee, Shirley Hill. A 4-H lamb carcass show will be held in connection with the annual livestock show January 11.

Annual Sutton County Livestock Show Will Feature Lamb Carcass Division

A 4-H lamb carcass show, something new for Sutton County, will be held January 11, 1969, in connection with the annual Sutton County Livestock show. There are few if any counties trying it, according to D. C. Langford, County Agent. The only other shows of this kind have been in Kerrville, a district show, and in an open show in San Antonio. These shows slaughter five animals in each class. The Sutton County show will slaughter ten.

Something practical for area ranch children was the desire of the First National Bank which will sponsor the show. The purpose of the show, Langford said, is to assist in training 4-H members and ranchers to produce a more acceptable lamb for market. This lamb should have a high dressing percentage, have a high percentage of leg and loin, have highly palatable meat, reach correct finish at a desirable weight and age and utilize a minimum amount of feed.

Langford says certain rules must be followed regarding the carcass show. These rules are as follows:

1. There will be two classes of carcass lambs, one for finewool lambs and one for finewool cross lambs.
2. Ten lambs in each class will be placed 1 through 10 on foot, slaughtered, and the carcasses will be placed 1 through 10 based on the carcass evaluation procedures used in the National Meat-Type Lamb Show in San Angelo.
3. Each 4-Club member may enter 1 crossbred and 1 finewool lamb in the carcass classes. (Ewe lambs may show in the carcass and in the local lamb show for the first time in 1969.)
4. Each 4-H Club member who gets a lamb slaughtered may enter one carcass in the regular club lamb sale. The carcasses will be sold by the head on the same basis as the regular sale lambs.
5. If a 4-H member should have two carcass lambs slaughtered, the extra carcass will be sold at market price.
6. The on-foot classes will be judged Monday or Tuesday, January 6 or 7 at 3:45 p.m., at the 4-H Center. James A. Gray, Extension animal husbandman, a specialist, will judge the on-foot lambs and carcasses.
7. Lambs must weigh between 75 and 105 pounds at the weighing before the judging.
8. The backs of lambs must be freshly shorn in the seven day period prior to the on-foot show. It is suggested that lambs be fall shorn if they are to be entered primarily in the carcass show.
9. 4-H members will carry a card with the carcass placing and cut out information on it through the auction ring for the sale of their lamb carcass. This will be presented to the buyer at the sale.
10. The lambs will be slaughtered by the Branding Iron Smokehouse and all of the carcasses will be displayed at the 4-H Center provided a display van is completed at Texas A&M University by show time. The top carcasses will be displayed during the sale if the van is not completed.
11. The exhibitors of the champion finewool and champion crossbred carcasses will receive trophies presented by the First National Bank of Sonora.
12. 4-H members, parents, and guests will be permitted to handle lambs and make their own placings on how they think the carcasses of the lambs place after the on foot judging.

Prize money in the amount of \$300 will be given to winners on foot and carcass lambs. On-foot prizes will be: 1st place, \$10; 2nd, \$8; 3rd, \$6; 4th, \$5; and 5th through 10th, \$3. Prize money for the carcass lambs as follows: 1st place, \$20; 2nd, \$17; 3rd, \$14; 4th, \$10; 5th through 10th, \$7.

Dr. and Mrs. Joe David Ross are parents of a son, David Lee, born August 15, 1968. He weighed 7 pounds, 8 ounces. Maternal grandparents are Mr. and Mrs. Bill Childress of Ozona, and Mr. and Mrs. Joe B. Ross are the paternal grandparents.

NEW ADDITION TO MAIN STREET is Betty Jack's School of Dancing, located downstairs between Labenske Style Shop and Sonora TV. Betty Jack Cooper, daughter of Mrs. Pat Cooper, says that ballet, tap, acrobatics, modern, ballroom, and Hawaiian dancing will be taught. Registration is scheduled for Tuesday, August 27, between 10 a.m. and 4 p.m.

Gillespie County Plans 3-Day Fair

A three-day county fair is planned at Fredericksburg August 23, 24 and 25. The Gillespie County Fair will open with a parade on Friday morning.

Horse racing will be the featured afternoon entertainment. Distance races are scheduled for each day.

Exhibits at the fair will include agricultural, field, orchard and garden displays. Livestock entries will feature cattle, sheep, goats and poultry.

Band music will be an each day feature, and night entertainment is booked.

RACKY

Frightened, its wing broken, the bird was clinging to a rail when Tod found it. He brought it home, and "Racky" became its name. Days passed and the bird mended quickly. "Racky's getting well," the six-year old informed me one day. "Will he fly away?" I nodded. "But I want him to stay here! I'll feed him, and let him sleep in his box-house, and take care of him—an' everything!" "But he might want to be with his friends," I said. There was silence as the boy pondered the idea. "All right," he finally said, "I'll let him go. But I bet he'd be happier here with me!" We, too, would be happier if we knew where we belong in the complex pattern of life. God helps us discover ourselves and our place in His universe through His Church. The child didn't know any better. Do you?

St. Ann's Recaps

by Monica Davis

The Holy Name Society had a good turnout for Communion Sunday and monthly meeting on August 11. Final arrangements are being made for the bazaar.

The Society had a big crowd at the picnic on the Llano River. Lots of good food, boating, fishing, and games were on the list for wholesome entertainment.

St. Ann's Bazaar is just two weeks away and the chairman, Juan Bautista, believes they are ready for it. There will be a Mexican Supper on Saturday, August 31, and starting at noon on Sunday, September 1, a barbeque plate will be served. Besides the coronation of the Queen there will be games. There will be a dance each night.

All of the proceeds will go to the St. Ann's building fund for the new church, which we hope will be started early this fall. We invite all our friends and neighbors in the community and surrounding areas to join us in the fun, games, and dancing.

Phone Your News to 387-2222

LILLIAN M. HUDSPETH MEMORIAL HOSPITAL held graduation exercises August 13 for these four women who were recent graduates of the Licensed Vocational Nursing course taught by Mrs. Lolita Branham, R.N. Reading

left to right, Mrs. Phyllis Montgomery, R.N., is shown with the graduates who are Bonnie Lowe, Margaret Martinez, Ann Rogers, and Janet Powell. Last is the instructor, Mrs. Branham.

Exercises Honor Four L.V.N.'s

Graduation exercises for Lillian M. Hudspeth Memorial Hospital's class of L.V.N.'s was held in the Parish Hall August 13. This class of nurses held sixteenth place in grades among several hundred schools of this type in Texas, according to Albert Everett, administrator. At one time nurses from Hudspeth were sixth.

Invocation was given by the Rev.

Stewart Firnhaber, pastor of Hope Lutheran Church. Everett and Mrs. Phyllis Montgomery, R. N. introduced the speakers, J. B. Braum, M.D., and the Rev. Mr. Firnhaber. Awards were presented to Ann Rogers, Margaret Martinez, Janet Powell and Bonnie Lowe by Mrs. Lolita Branham, R. N., who was instructor for the L.V.N. school. A reception honoring the nurses followed the ceremony.

ASCS Election To Be Held Soon

The ACS county committee election will be held soon. Ballots will be mailed to eligible voters about September 6. The voted ballots must be mailed or returned in person by September 18.

The new members whose terms do not expire are W. L. Whitehead and Edwin Sawyer. W. L. Whitehead will serve two more years and Edwin Sawyer will serve one more year. The nominee who gets the most votes will be elected to the vacant position on the committee. The nominee who has the next most votes becomes the first alternate and the one with the next most votes becomes the second alternate.

A slate of nominees will be selected by the present committee and alternates. Others may be added to the slate of nominees by petition if they are found to be eligible and willing to serve if elected.

Petitions must be:

1. Limited to one nominee each.
2. Signed by at least 6 eligible voters in the county. (Eligible voters may sign as many petitions as they desire.)
3. Received at the county office by August 22.

Persons nominated should be (1) currently engaged in the operation of a farm or ranch and (2) well qualified for committee work.

In general a person is eligible to be a county committeeman if he lives in the county in which he is eligible to vote. If a person who is nominated by petition is found to be ineligible, he will be notified and given 15 days in which to appeal to the county committee.

Taylor's In Coleman Sunday

Mrs. Elizabeth Goodwin of Hobbs, New Mexico, Palmer West of Eldorado, and Mr. and Mrs. Cashes Taylor were in Coleman, Sunday to attend the funeral services for Mrs. Goodwin's brother-in-law, W. A. (Bill) Priddy.

Serving America's Farmers: Providers of Plenty

For more than 50 years the Federal Land Bank of Houston has provided DEPENDABLE agricultural real estate loans to Texas farmers and ranchers. LONG TERM, LOW COST loans with a repayment plan geared to meet each individual's requirement.
