# Ranching Industry Loses Leader With Death Of Fred T. Earwood

Fred Thomas Earwood, Sutton County ranchman and president of Sonora Wool and Mohair Co., died November 18, 1968, in his home apparently of a heart attack. Mr. Earwood was born April 13, 1894, in Kimble County. His parents were George Clyde Earwood and Annie J. Putman Earwood, pioneer Edwards County ranch people.

Mr. Earwood married Mary Armer of Hillsboro, New Mexico, November 1, 1920, in El Paso, and she survives him. A son, Armer, also survives him as do three grandchildren, Mrs. Calvin Berry, Melinda, and Edward, and a great-grandchild. Other survivors include his sisters, Mrs. C. R. Word, Mrs. B. E. Wilson, Mrs. Marye Pass, Mrs. Gilbert Marshall, all of Del Rio, and Mrs. J. A. Cauthorn of two brothers, Raymond Earwood of San Antonio, and Lloyd Earwood.

Mr. Earwood was president and manager of Sonora Wool and Mohair Company which opened in the early part of 1930. The structure soon replaced the courthouse as

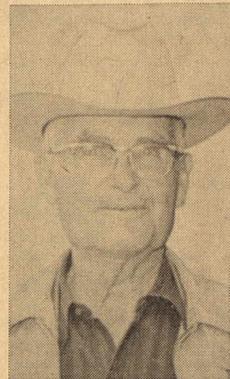

center of activities, and is still used today for many large gatherings. One such annual event is the annual Sonora Wool and Mohair Show and the National 4-H Wool Judging Contest. Mr. Earwood was a great believer in 4-H club work for the nation's youth, and annually turned over the wool house for the 4-H contests. He once said, "It's imperative that we make the greatest effort possible to boost wool and mohair so that it will be more competitive with synthetic fibers. This is one way to do it."

He felt that such shows went a long way toward helping 4-Hers and other ranch youth make improvements in wool and mohair, and added, "they learn how to produce a better product, and a better product is the only way sheep and goat producers can continue to stay in business."

Mr. Earwood was a practitioner of soil, water, and range conservation, and believed that ranchmen should not deplete ranges of natural cover. He was chairman of board of supervisors of Edwards Plateau Soil and Water Conservation and had served as supervisor since 1948 when the district was created.

He was optimistic about the future of mohair, and the search for more uses for fibers. In his operation of ranches in Edwards and Sutton Counties, he was recognized as one of the top authorities on sheep and Angora goats in the Southwest.

He has served as president of the Texas Wool and Mohair Warehousemen's Association, president of the Old Orient Railway of Texas and president of the Texas Sheep and Goat Raisers Association. He was a member of the American Sheep Producers Council, Mohair Council of America and other wool and mohair organizations. He was a

FRED T. EARWOOD

trustee of the National Wool Growers Company.

Mr. Earwood was appointed to the City Council to succeed Commissioner A. B. Hightower who resigned. He was elected to the council in April, 1962, and served six more years. He also managed the Lillian M. Hudspeth Hospital ranch.

Mr. Earwood was named to receive one of the Texas Agriculture Agents Association's "Men of the Year in Texas Agriculture" awards

in 1965.

Services were held November 20, at 2:30 p.m. at St. John's Episcopal Church with the Rev. Norman Griffith officiating.

Pallbearers were Fred E. Fields of Austin, Charles Schreiner III of Kerrville, W. B. McMillan, James Hunt, E. B. Keng, Edwin Sawyer, Vestel Askew, and Stanley Mayfield.

Named as honorary pallbearers were Marcus Auld of Kerrville, J. Lee Foster of Houston, Virgil Cauthorn of Del Rio, Dan Cauthorn, Bryan Hunt, and Sam Allison.

**Noe Chavez On Varsity at NMSU**

New Mexico State University's freshmen football team members have made a perfect record for the season, defeating the freshmen teams from the University of Texas at El Paso, University of Arizona and University of Mexico.

They have scored 162 points to their opponent's 33. Playing with the team is Noe Chavez, called the "Sonora Speedster", by his teammates.

Chavez won a starting berth on the freshmen team, and has been added to the varsity roster as well. He has caught 4 passes from his split end position, four of which were touchdowns. In total yardage Chavez has averaged 25.3 yards a catch. Chavez played here during his high school days.

# CINDERS

by John T. King

The Capital of the Stockman's Paradise was shocked Monday to learn of the death of Fred T. Earwood. Possibly more than any other man, Mr. Fred spent his life learning about wool and mohair, developing desirable characteristics in these natural animal fibers, and marketing these products for the best possible price.

Mr. Fred will be greatly missed by both the youth and adults of the community and by the wool and mohair industry, but the knowledge he acquired and practices he observed and encouraged as a rancher and businessman will long live as a benefit to those closely associated with ranching.

Sharon Mittel said she was waked the other night by the family of dogs that sleeps in the house. When she finally got up to let the dog out it stopped its noise, but a dog outside began to bark. Finally Sharon realized something was wrong and woke her husband, John. He investigated outside and found a third dog belonging to the family had fallen into a tank and couldn't get out. The cold, wet, exhausted dog was hanging onto a pipe in the tank with his claws, and more than likely would have soon drowned had it not been for the helpful barking of his friends, the other two dogs who brought help.

The newspaper headline writer condenses the essence of a news story into a few short words aimed at attracting a reader, but often in the rush of production a second meaning slips by unnoticed. Note the following example from a California newspaper:

**Mrs. Robertson Is Head of Committee For Chest Display**

And another one: **MANY ANTIQUES AT D.A.R. MEETING**

From an award-winning Missouri newspaper comes:

**NEW ORLEANS POLICE WARM STRIP TEASER**

Hollywood citizens were startled to read:

**EGG-LAYING CONTEST WON BY LOCAL MAN**

Even if two headlines sound okay independently, they may take on a different meaning when placed side by side:

**55 ROOSTERS STOLEN FROM STATE FARM CHURCH CLUB WILL HOLD CHICKEN SUPPER**

**HISTORICAL SOCIETY TO MEET**

Sutton County Historical Society members will hold a meeting Friday, November 22, at 9:30 a.m. in the Historical Society building.

Mr. Ben Cusenbary urges all members to be present, and anyone who is interested, for the important meeting. Organization and needs of the group will be discussed at this time.

FULLBACK KERRY JOY (33) comes in to lend a hand to Ed Lee Renfro (22) as Renfro heads a touchdown drive in the Junction game Friday night. Joy led the offense in the first half by grinding out 124 yards on 29 carries. Renfro

sparked both touchdown drives in the second half of the game. Final score of the game was 20-0 with Sonora winning the district, and the right to meet Rankin in bi-district play at 7:30 p.m. Friday in Rankin.

# Broncos Have 4th District Title In Four Years By Final 20-0 Win

Sonora Broncos became the sole possessor of the 3-A district title by defeating the Junction Eagles in Junction Friday night. The Broncos had possession of the ball 75 percent of the time and had long, time consuming drives. Final score was 20-0 enabling the Broncos to move down the road leading to State.

Sonora Broncos will face Rankin in their bi-district bout. The Devils and Broncos met once before in a pre-season game with Sonora trouncing Rankin 30-6.

Bi-district game will be played in Rankin, since the last time Rankin went to the play-offs and met Sonora, the game was played on the Broncos home field.

Kerry Joy led the offense in the

first half by grinding out 124 yards on 29 carries from his fullback position. Quarterback David Wuest kept the Junction offense guessing by mixing different passing patterns with the Broncos strong running attack. End Erasmo Lumbrales was on the receiving end of most of Wuest's passes.

The first quarter was a defensive battle with only one long drive by either team. This drive began on the first series of downs for the Sonora team. A long 30-yard pass from Wuest to fullback Robert Mata kept the drive going. However, the Broncos were forced to give up the ball after a fourth down attempt failed.

Halfway through the second quarter Sonora Broncos again drove

down the field. This time the Junction defense could not stop the Broncos potent offense. Joy climaxed the 70-yard drive with a three yard plunge and the first touchdown of the game.

Ed Renfro sparked both touchdown drives in the second half of the game. Renfro scampered 18 yards on one drive and was on the end of a 30-yard Wuest pass on the final touchdown drive of the night.

Wuest intercepted an Eagle pass to set up the Broncos on the Eagle 31 yard line. A few minutes later Wuest ran a keeper and scored from two yards out, putting the Broncos in front by a 14-0 margin.

A third touchdown came late in the third period when Renfro went

over from about 5 yards out on an end sweep. Jesso Cook's pass interception set up this final touchdown drive.

Renfro and Wuest each had an extra point kick.

Junction's offense couldn't get moving against a strong defensive Bronco line. The Eagles were never any deeper in Bronco territory than the 30-yard line.

As the gun went off, Sonora clinched a fourth consecutive district title with a 20-0 win over Junction.

## ATTEND ZONE MEETING

Doyle Morgan, A. E. Prugel and Norman Rousselot attended a Lions club zone meeting in Big Lake Tuesday.

## Rankin - Sonora Football Tickets Now Available

General admission tickets to the bi-district football game between the Sonora Broncos and the Rankin Red Devils are now on sale at all school offices, according to Ralph J. Finklea, superintendent.

In addition to being available at Central, Elliott, high school and the superintendent's office, tickets will be sold by students at First National Bank Thursday afternoon and Friday, according to Finklea. Adult tickets are \$1.50, and student admission is 75c. School will dismiss at 2:30 Friday so that students will have time to make the trip to Rankin by game time, 7:30. Finklea said the winner of this game would play the victor in the Aspermont-Coahoma game set for Saturday night.

JANE SAWYER, daughter of Mr. and Mrs. Edwin Sawyer, was elected football sweetheart by the Broncos. She was presented a gift by Thurston McCutchen on behalf of the team during the pep rally ceremonies preceding the Junction football game. Jane is a senior in high school and a cheerleader.

## James C. Hancock Takes Pastorship Baptist Church

The Rev. James Clifton Hancock assumed duties as pastor of First Baptist Church, November 20. The Rev. Mr. and Mrs. Hancock and their daughter, Pamela Dianne, moved here from Mason, where he was pastor of the First Baptist Church. Pamela is a sophomore in high school.

A graduate of Roby High School, the Rev. Mr. Hancock attended Hardin Simmons University and received a B. A. degree from that institution in 1950. In 1953 he graduated from Southwestern Baptist Theological Seminary in Ft. Worth.

As a student pastor he served Rowden Baptist Church in Callahan County, and while attending seminary he was pastor of North Crossbeck Baptist Church at Quanah.

He has served churches in Eldorado, Houston, Sanderson, and Mason before coming to Sonora. He was chairman of the executive board, Chocho Valley Association for three years; vice president and president of Houston Baptist Pastors' Conference, serving one year in each office; chairman of Evangelism in Big Bend Association from 1964 to 1966, and moderator, Brady Association.

The Rev. Hancock has also served on State Convention Boards to name trustees for Baptist Memorial Hospital of Houston and East Texas Baptist College of Marshall.

He is also a member of the Lions Club and Eldorado Masonic Lodge No. 890.

First Baptist Church has been without a pastor since the Rev. Rodney C. Dowdy moved to Meadow, August 1.

### Tax Trend Effects All Individuals

Kicking about taxes has always been a favorite pastime of U. S. citizens. But, even as they kick, they pay willingly. That is why the tax collection system from the federal level down to the smallest community has worked. By and large, the people acknowledge the necessity of taxes and cooperate to the best of their ability with the taxing authorities. Of late, however, the tone of the grumbling against taxes has taken on more serious notes. Many are beginning to wonder how far the taxpayers can be pushed without impairing the voluntarism that makes any tax system work.

The ingenious devices for collecting more taxes without seeming to raise tax rates are becoming major irritants. As the rules get tighter, the irritation grows and the policing problem of the tax collector becomes more burdensome. Even in the face of a war

emergency, the latest federal increase encountered insurmountable opposition until a provision for a \$6 billion cut in federal spending was included in the law. Now it appears that the cut in spending may well prove illusory. A lot of people are going to feel that the government did not keep its end of the bargain.

An interesting case history of what can happen in a country when taxes reach levels that the people will no longer support is provided by Great Britain. In Britain, it is possible, under the graduated tax structure of that country, to owe the government more than 100 per cent of your income—if you are in one of the higher income brackets. A leading British actor has remarked, "Unless I move out of Britain, I am told I shall be paying 26 shillings on the pound in income tax." There are 20 shillings to the pound. A practical effect of the British tax system is to drive the most creative and productive citizens out of the country. They are becoming expatriots.

In noting the trend of taxes and their effects on the country, the highest respected London Times declared editorially that the high tax on Britain's elite "is probably the single most important obstacle to long-term industrial growth in this country." The British film industry, for example, has been an important source of dollar income to Britain, yet now top producers are cutting film output as a result of excessive taxes. One producer says: "For the last eight or nine years, I have never brought into Britain less than \$2 million. But I could have brought in twice as much by doing two films where I now do only one. Doing a second film just isn't worth it — I might make half a million pounds but I'd keep only 4,000 pounds."

British businessmen are reacting to high taxes in a similar manner. By one means or another, they are denying tax collectors the ben-

### THE DEVIL'S RIVER PHILOSOPHER SEZ . . . He Has A New Slant On The High Cost Of Running For Public Office

Editor's note: The Dry Devil's Philosopher on his bitterweed ranch on Dry Devil's adds a final note to the recent campaigns.

Sifting through a stack of newspapers printed before the election and dumped in a ditch near my house I was looking for something to read besides out-dated campaign oratory and yesterday's claims of victory that didn't pan out when I ran across an article on the costs of running for office.

According to it, the politicians, from the local level to the White House, spend around \$300,000,000 running for office this year.

Now a lot of people say that's too much, that it doesn't make sense to spend say a million dollars seeking a job that pays \$25,000 a year, or 20 million for a job that pays \$100,000.

But take \$300,000,000. It sounds like a lot of money, but did you know that if the 200 million people in this country all went out to dinner tonight and ate \$1.50 worth apiece, not including the tip, it'd amount to \$300,000,000?

Show me the candidate that's not worth at least \$150 running for office is sort of like raising children. It used to be that there was a profit in a kid, he made a good ranch hand free of charge from sun-up to sun-down from the time he was 3 till he got big enough to catch on and pick up and move to the city.

The Rev. Norman Griffith, rector of St. John's Episcopal Parish, will be the preacher and the service will be held in the First United Methodist Church. Members of all churches which do not sponsor a Thanksgiving eve worship service are invited to attend.

Choir rehearsal for the Christmas Program will follow the worship service.

There was certainly a large crowd at Junction last Friday to see our Broncos take undisputed possession of the District Championship.

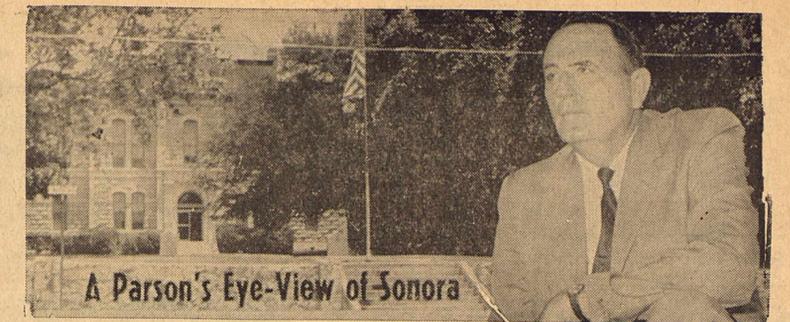

Our boys must have been well coached against the type of offensive plays the Eagles run. Our defensive team deserves a lot of credit. About the only way the Eagles could get the ball into our end of the field was to kick it there. They did not score a first down the first half.

Their offense lacked variety and imagination. They seemed to rely on one play most of the time until they began throwing a few desperation passes late in the game.

There will probably be a crowd at Rankin tomorrow night to see the bi-district game also. I suppose you noticed how Rankin ran over Sanderson last week.

BY THE REV. ROSS T. WELCH

In the death of Fred Earwood Sutton County has lost one of its finest citizens, measured by almost any standard I can mention. The wool and mohair industry has lost one of its ablest leaders. Anyone who knew him would testify that he has lost one of his most respected friends.

My residence in Sonora has been too short for me to make any proper assessment of the worth of this man to his community and all I know of him is common knowledge to most every citizen in Sonora. When death comes so unexpectedly to a community leader, it is natural, I think for the survivors to stop and wonder how the community will fare after the loss of such outstanding leadership.

I remember hearing how Mr. Earwood has been one of the persons most responsible for the operation of the Hudspeth Hospital Ranch as a public trust. At the same time he was the person most responsible for the upgrading of the livestock on the ranch.

Through his sponsorship of the National Wool Judging Show in Sonora and his interest and investment in 4-H work in the area and in many other ways Fred Earwood has been the key man in the improvement of the quality of wool and mohair production in West Texas.

His sound judgment and keen interest in the work of the City Council has done much to make Sonora a desirable place in which to live. I can also testify as to his generosity in support of any project he thought was for the good of the community.

Like the felling of a landmark tree, his going leaves a lonesome place against the sky.

It comes as no surprise the news that John David Fields has been elected to the Blue Key National Honor Fraternity. This is about as high an honor as his fellow students and faculty at Southwestern University could bestow.

It is traditional in the Methodist Church to sponsor a musical program at Christmas time. In John Tedford we feel we have the leadership to put on an outstanding program. But, frankly, our choir is not large enough to do what we would like to do.

We doubt if any of the other church choirs is large enough to produce an outstanding program. So we are inviting all the singers of the community who will work together. Please come to the Methodist Church at 7 o'clock on Wednesday evening. This is your personal invitation.

The traditional Community Service for Thanksgiving sponsored by the Sonora Ministerial Alliance will be Wednesday evening, November 27 at 7 o'clock.

The Rev. Norman Griffith, rector of St. John's Episcopal Parish, will be the preacher and the service will be held in the First United Methodist Church. Members of all churches which do not sponsor a Thanksgiving eve worship service are invited to attend.

There will probably be a crowd at Rankin tomorrow night to see the bi-district game also. I suppose you noticed how Rankin ran over Sanderson last week.

The Broncos posted a win over

the Devils earlier in the season. Our boys are playing better ball than they did at that time (Eldorado excepted) but we can expect super effort from the Rankin Devils.

An abundant deer and turkey harvest is being reported from nearly every ranch we heard from and the season is young. The pre-season snow storm seems to have helped.

The last time Big A was in the hospital at Temple, they told him he would have to come back one more time—then he could come home and go to work. (Don't tell his doctors, but he came home and went to work after his first operation.)

There seem to be quite a few raccoons in the area now, but if you want to hear a good coon story, get Dr. Howell to tell you how many he shot out of one tree.

Tommy Thorp, president of the Booster Club, did some interesting research and came up with the following statistics on the Bronco record of wins and losses since Coaches Jerry Hopkins and Dennis Hays took over the coaching duties for the Sonora Football Team in the fall of 1960. If I copied correctly the record is as follows:

1960—9 wins, 1 loss  
1961—10 wins, 1 loss  
1962—6 wins, 5 losses (This is the

year we advanced to Class AA.)  
1963—5 wins, 3 losses, 2 ties (The only ties in nine years came on successive weekends.)

1964—6 wins, 4 losses  
1965—11 wins, 1 loss  
1966—14 wins, 1 loss  
1967—9 wins, 2 losses  
1968—8 wins, 2 losses (both against high ranking AA teams.)

Total — 78 wins, 19 losses, 2 ties  
Take a look at the last four years and you will see 42 wins against 5 losses. I believe it is also true that we have not lost a district game in the last 27 outings.

If we win the bi-district game against Rankin Friday night, it will mean the Broncos have advanced to the regional play-off four years in succession. It is obvious that our coaches have not been trying to set a win-loss record by the type of opposition they match up in the preliminary games before the district competition begins. It is also obvious that the coaches are more concerned with letting all the boys on the team play rather than trying to score a great many points.

And the very best part, so far as this parson is concerned, is the assurance that our boys are being trained by Christian gentlemen of a high caliber. Good Luck in the play-offs!

The Booster Club now has 200 members, Charlie Howell being the last to enroll.

### Teen Scene

by Kay Kerbow

The Broncos have done it again. They trampled the Junction Eagles to take the district title for the fourth straight year by a score of 20-0. The bi-district game will be with Rankin in Rankin. You beat 'em once, Reds, and you can do it again!

After the Broncos stomp Rankin there is a good possibility that we will face Coahoma in San Angelo. This is the year to break the curse. Right, Reds?

The spirit in school is tremendous and everyone has football fever as can be seen by the great crowds attending the football games. This is going to be another late Christmas for Sonora.

Six week tests are over and everyone is breathing a little easier until the next six weeks comes to an end. Report cards were handed out Wednesday. You parents had better see that your offspring has at least five report cards to be signed, and you'd better not sign your name to anything unless you know what it is!

Seniors, a third of the year is already over. Before you know it, school will be out and you'll have to decide what to do with your lives. (Comforting thought??)

The Juniors are already getting that superior attitude. The Junior-Senior banquet will take them down a notch though.

For once, the Freshmen didn't do anything stupid this week. History was made.

Basketball season begins December 3 with Rocksprings to be played here. The B team boys play, as do the girls and boys varsity. This will be the girls debut so everyone support them and the boys too.

SHS  
The band goes to Brady to contest Saturday. I'm sure everyone joins me in wishing you "Good Luck!"

SHS  
See 'ya at the game!

### To Be Thankful

It used to be that a picture like this could only mean harvest time—big orange pumpkins, shiny red apples, colorful stalks of Indian corn. And, of course, a turkey in the pantry.

But what about today? You can buy apples almost any time. Pumpkins are available in a can twelve months of the year. And you can buy a frozen turkey as easily in July as in November.

We Americans take for granted what was a real treat in our parent's time. But in the midst of this material plenty, there is danger of spiritual famine. To keep the proper perspective, to appreciate the gifts of life to the fullest we need the Church and the story it has to tell us.

Maybe you can't be a pioneer—a Pilgrim. But you can follow your forefathers' example at Plymouth that first November. You can utter genuine thanks in the church of your choice.

## Putting you first vaaaarrrrooooooomm keeps us first.

Chevrolet's got a big surprise for the guy who'd buy a sports car if only it had more room. It's the Impala SS 427.

Like all Impalas, it comes with a 119-inch wheelbase, Astro Ventilation and full door-glass styling. Like all Chevy Sportsters, it comes with a beefed-up suspension and

grabby red-stripe wide oval tires. Under the hood, it's more of the same. We tucked in a 427-cubic-inch 390-horsepower Turbo-Jet V8. That means it's the kind of car you can take for a workout even if you're just going to work.

There's driving excitement in these other packages too: Corvette

Stingray, Chevelle SS 396, Camaro SS, Camaro Z/28 and Nova SS. Vaaaarrrrooooooomm! Listen for it at your Chevy dealer's Sports Shop.

Putting you first, keeps us first.

See the Super Sports at your Chevrolet dealer's Sports Department now.

KEVIN TAYLOR killed this 14-point buck on grandfather Cash Taylor's ranch last week and found the trophy weighed 126½ pounds after it had been skinned. A bullet destroyed one side of the 20-inch spread. Kevin is the son of Mr. and Mrs. Billy Wright Taylor.

**GREEN NEWS**

By Monica Davis

It was a pretty, cool, crisp, (actually, hard-down cold) Sunday for the Turkey Tournament. Thirty-two golfers turned out for golf, and eight bridge players played in the bridge tournament. (They stayed cozy and warm.)

**GN**  
Ten turkeys were given for winners. For bridge, Mrs. Winifred Rice was the winner. Two teams tied for first place but the team of Pauline Thompson, George Johnson, Dub Black, and Cullen Luttrell drew for first place while second place was awarded to the team of Ann Hill, Buddy Brown, John McClelland and Tommy Thorp. The door prize was won by Whiskey Hill. Boy oh boy, those Hills are going to have Thanksgiving and Christmas this year.

**GN**  
How about that beautiful fireplace that Francis Archer has built in the Club House—it is built of Tennessee Ledge Stone, and just blends in beautifully with the rest of the decor of the Club House—job well done, Francis!!

**GN**  
The putting green is looking mighty nice. If conditions stay favorable, it looks as if it won't be too long before we can have some putting tournaments.

The Holy Name Society had Communion Sunday November 10. A meeting was held immediately after 7 o'clock Mass. Some of the buildings have been moved, and others are in the process of being moved to make way for the new church.

The newly formed CYO, had Communion Sunday, November 17 at the 10 a.m. Mass. The youth have been busy with catechism classes, social gatherings, and seeing to it that the coffee is ready for breakfast every Sunday after 7 a.m. Mass.

Our Sunday afternoon games are very exciting, and are being well attended. This is the third week for the fun and games, and the big winners of the games to date are, Mrs. Pedro Chavez, Mrs. John Mittel, and Mrs. Torres.
