PRICE TEN CENTS

CINDERS

By John T. King

Clint Langford passes along the information that a breed of sheep from Finland, noted for producing multiple births, has just arrived in the United States and is in quarantine at Clifton, N. J.

The U. S. Department of Agriculture has brought the sheep in from a flock introduced into Ireland in 1966 at the Agriculture Institute.

Finnish Landrace sheep usually produce an average of two to four lambs per lambing in contrast to the one or two born to American domestic breeds, and individuals sometimes produce six to seven at one time.

The sheep are now raised mainly for mutton, and mature ewes average 100 to 130 pounds. The white-faced sheep are accustomed to cold climates but could be utilized in Texas. Hopes are that Texas can receive some of the prolific sheep for crossbreeding to see how the breed can be used within the state, according to Langford.

Publisher Don Fanetti has been spoofing the public for more than 20 years in his St. Louis weekly, the Bugle. A few choice bits follow:

The cake baking contest of the Globe's Modern Living Show is over and several of the judges are recovering nicely in various hospitals throughout our city. With the chaos now brought under control by order of the governor, Gus Kyle and Sid Salomon of the St. Louis Blues Hockey Club have been declared the winners with something they call "Almonde Blue". Judges explained it was something like a large hockey puck, not quite done.

Knut Schneider, main gear at Blue Trash Company, was in a bad mood when he filled out his income tax return last week. There is a box on the return which says DO NOT WRITE IN THIS SPACE. Knut smeared chicken fat right in the middle of that box. He figures if he can't write in that space nobody else is gonna write in it either.

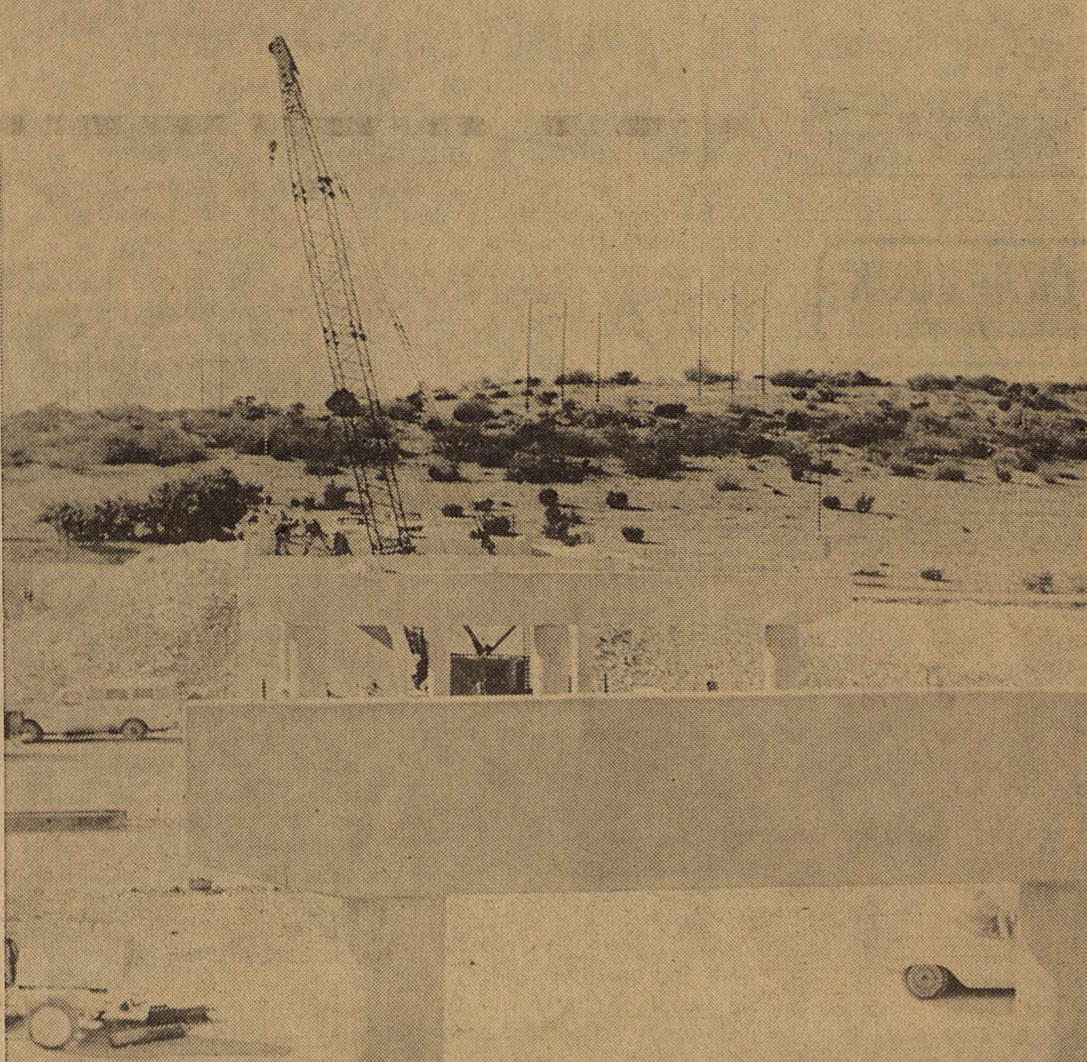

From the poet's corner comes this:

What is so rare
As a day in May?
It's a Hawk,
Classified I-A

From the column on "Advice on all problems in life, love, and learning—"

Dear Iben: I am having some difficulty in my English class. How would you punctuate the following sentence: "Entirely naked the buxom blonde ignoring the crowd ran naked down the road?" Signed Al Glasser.

Dear Al Glasser: "I'd make a dash after the blonde."

LIFTING THE FIRST 95-foot 60,000 pound pre-stressed concrete beam into position took place Thursday on the north-south frontage road overpass just west of Sonora. By Tuesday twelve of the 95-foot spans and six 40-foot spans were in place with completion scheduled

for Thursday. Beams are placed six abreast and will support a continuous slab of concrete. Pouring of this slab is scheduled for March and completion of the Interstate Highway 10 overpass is expected near the first of May.

Commissioners Give Jubilee Funds To Sutton County Historical Society

Sutton County Historical Society representatives met briefly with county commissioners Monday. Funds in the amount of \$2,713.23, left over from Sonora's Diamond Jubilee and put into a savings account, were given to the society to make repairs on the museum site. Mrs. Bryan Hunt recently gave the Miers home to the society for the location of the museum.

Representing the Historical Society at the commissioners meeting were Mrs. Ben Cusenbary,

Stewarts To Move To Whitney

Mrs. James Stewart has resigned from the position she has held in Central Elementary School as third grade teacher for the past 15 years. Mrs. Stewart has taught in public schools for 31 years. The Stewarts will move to Whitney, where they plan to build a home on the property they own on the lake there. Their two children, James, who is attending Tarleton College, and Mrs. Peter (Sara) Bretsky Jr., are both graduates of Sonora High School.

Mrs. Norm Rousselet, and Joe Brown Ross.

A retirement plan for county employees was discussed at length by the commissioners and Judge J. W. Elliott.

County maintenance foreman, E. L. Harrell, told the court that several county roads, cattle guards and fences were being torn down by oil field equipment trucks. He proposed the county should require over-weight and over-length permits for such trucks.

Bonds were approved Monday for Herman Moore, sheriff; J. Estes Adams and Preston Love, commissioners, Lucille Hutcherson, county treasurer, and Jerry Surrley, county attorney. R. M. McCarver's bond for county surveyor was also approved until the next general election. Commissioners approved request

by Mrs. Lottie Adkins to purchase a new typewriter for use in the sheriff's office.

P-TA Offers Flags For Sonorans Use

Mrs. Bennie McIntyre announces that the P-TA has flags for sale to business houses and other interested persons.

Mrs. McIntyre said the organization hopes to promote patriotism and obtain funds to pay for the three flags ordered for the High School.

Flag sizes are 12x18 for \$2, or 24x36 for \$5. Both size flags include staffs and holders, and can be bought from Mrs. McIntyre, Mrs. Calvin VanHoozer or Mrs. Charles Howard.

Mark, Scott Jacoby, Tony Renfro Exhibit Top Lambs In 4-H Show

Sutton County 4H held the 22nd annual Livestock Show Saturday, January 11. Leading in most of

the lamb division honors were the Jacoby brothers, Mark and Scott, and Tony Renfro.

TS&GRA To Hold Quarterly Meeting Here February 1

Howard B. Boswell, executive director of the Texas Water Development Board in Austin, will give the keynote address at the winter quarterly meeting of the Texas Sheep and Goat Raisers' Association. Sonora is the host city for the February 1 meeting.

Boswell is a native of Comanche County. He was graduated from DeLeon High School, Texas A&M University and did graduate work at Colorado State University, Iowa State College and Texas A&M. He taught school, was a superintendent of schools and worked with the Soil Conservation Service at Vernon.

In February, 1962, he was appointed Executive Secretary to the Texas Water Development Board, serving as Board Secretary and administrator of the \$200 million Water Development Fund.

Texas voters increased the Fund to \$400 million in 1966 and expanded its use to permit the Board to construct water treatment and water transmission facilities. In January of 1968, Boswell was appointed executive director of the Board. He will discuss the proposed new water plan for Texas.

The one-day TS&GRA session will be at Sonora High School. Registration will start at 8 a.m. Committee meetings will be at 9 a.m. with the general session beginning at 10:45 a.m. Committee reports will be given after lunch. Sutton County directors will act as hosts.

TS&GRA Woman's Auxiliary will have an executive board meeting at 9 a.m. They will have a coffee at 9:30 a.m., followed by the ladies general meeting at 11 a.m.

Royal Named Crusade Chairman For Cancer Society In Texas

Darrell Royal, famed coach of The University of Texas Longhorns, tackles a new challenge this season. He will head the 1969 Crusade for the American Cancer Society in Texas.

Mrs. Alvis Johnson is the local county crusade chairman.

Mark Jacoby had the champion pen of finewool lambs. Mark Jacoby won honors with his champion pen of crossbreds, reserve champion pen of finewool lambs, and had reserve champion finewool lamb. Renfro had the champion crossbred lamb and reserve champion pen of crossbred lambs. Roger Langford exhibited the reserve champion crossbred lamb.

"The lamb carcass show held here for the first time this year, had entries so uniform that judges

found it difficult to place any one over the other", said County Agent, D. C. Langford. All entries were of high quality and met the requirements so well that any one of the ten carcasses in each division could have been selected, he added. First National Bank sponsored the carcass competition, and they awarded trophies and prizes for the event.

Claire Langford won first in the finewool carcass, and Tryon Fields placed first in the crossbred lamb division. Roger Langford had the reserve champion in the finewool carcass and Debbie Howard had reserve champion in the crossbred competition. She also exhibited the reserve champion registered breed-

ing sheep. Champion breeding sheep was shown by Susanne Schwiening, who also had the champion Angora buck, champion pen of three bucks and reserve champion doe.

John Marin Beckham exhibited the champion doe and also the reserve champion buck and reserve champion pen of bucks. Melinda Earwood had reserve champion doe and champion pen of three does.

John David Cook was named junior winner in showmanship and Scott Jacoby took senior honors.

Ruthie Wallace exhibited the champion beef heifer in the show, and Elba Adams Jr., exhibited the reserve champion.

Mrs. H. L. Galbreath Dies Jan. 8, 1969

Mrs. H. L. (Lillian Louise) Galbreath, died January 8, 1969, in Shannon Hospital of San Angelo, after an illness.

Mrs. Galbreath, mother of Bobbie Galbreath of Ozona, and William L. Galbreath, was born November 7, 1896 in Mason.

Services were held at 3 p.m. January 9, in First Baptist Church of Eldorado with burial in Eldorado Cemetery directed by Ratliff-Kerbow Funeral Home.

Other survivors include five grandchildren. Mrs. John (Cindy) Murrell, and Miss Debbie Galbreath of Georgetown; Billy Bob and Linda Galbreath of Ozona, and Maggie Galbreath. A brother, Herbert Graf of Eldorado also survives Mrs. Galbreath.

Aliens Required To Give Addresses

All aliens in the United States, with few exceptions, must report their addresses during the month of January, according to John W. Holland of the United States Immigration and Naturalization Service.

Information furnished by an alien in making his annual address report to the Government is confidential.

Forms on which to submit the reports are available at any Post Office or office of the Immigration and Naturalization Service. Persons who are unable to pick up a form because of illness, or other reasons, may have a relative or friend obtain a card for them.

The card should be returned to one of these offices.

Parents or guardians of aliens under fourteen years of age submit reports for such children.

Hobbs Man Killed In Crash Here

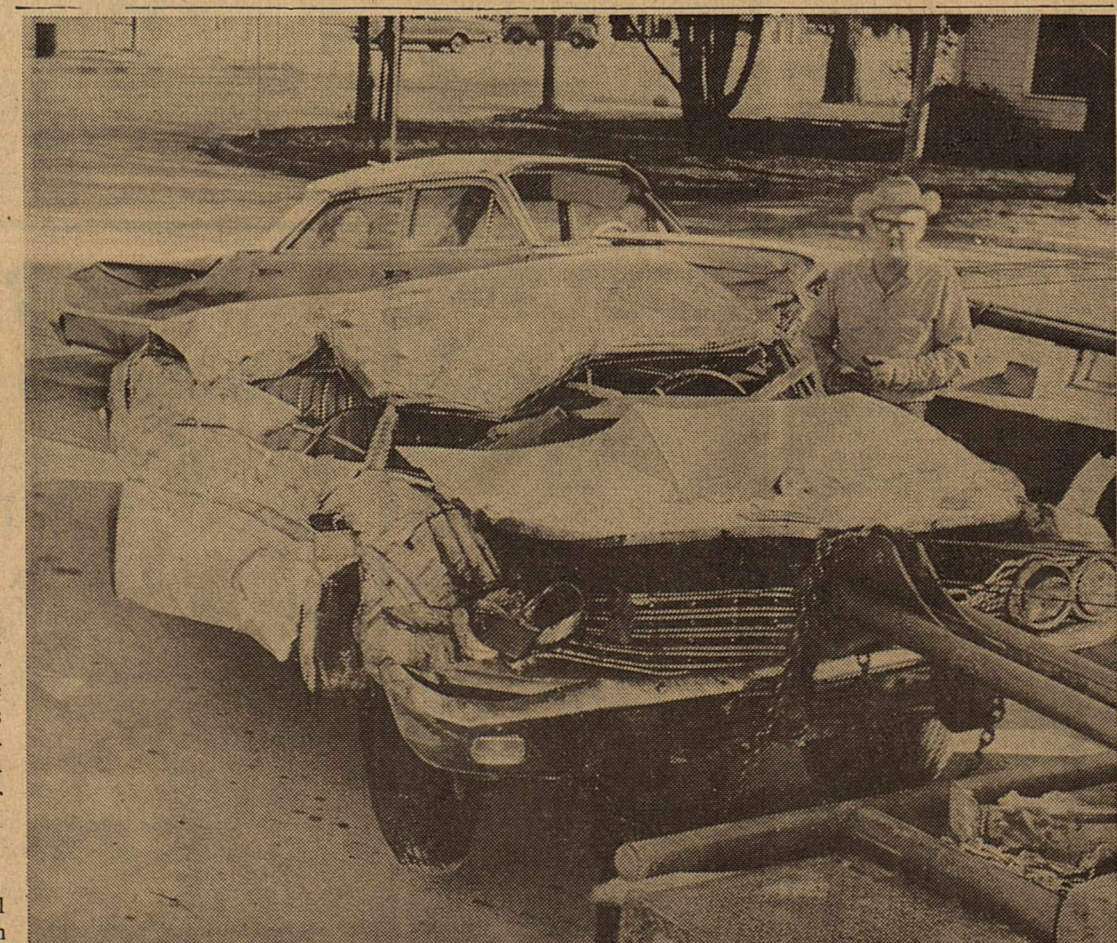

Carl Owen Brewster, 33, of Hobbs, New Mexico, was killed January 12, 1969, in a one-car accident 17.6 miles west of here on U. S. Highway 290.

Mr. Brewster's body was found about 10 a.m. Sunday by Elmer Haire of Ozona. According to Department of Public Safety investigating officers, the man's car had been traveling east on Highway 290, ran off the roadway, traveled 298 feet before smashing into a bridge railing on the right side.

The car then veered to the left, hit a guard rail, and ran off the side, traveling 148 feet. It was apparently a total loss after rolling one complete time, and coming to a rest on its top. Officers said the man probably died instantly.

Sutton County deputy sheriff Pryce Taylor and DPS officers William L. Hill and Bill Webster investigated the crash.

Ratliff-Kerbow Funeral Home sent the body to Clements Funeral Home in Burnet.

THIS ONE CAR ACCIDENT about 18 miles west of Sonora took the life of Carl Owen Brewster, 33, of Hobbs, New Mexico. A second accident Sunday injured four young men when the car belonging to Robert Luna overturned

5 miles out on the Bond road after failing to negotiate a curve. Enrique Gamez suffered a broken shoulder in the accident. Other occupants of the car were uninjured. Buster Shroyer's Wrecker Service handled both wrecked cars.

JOHN MARTIN BECKHAM (center) exhibits the reserve champion pen of three Angora bucks. Breeder of the animals was Curt Schwiening. 201 animals were entered in the 4-H Livestock Show and Sale when the annual event was held January 11 at the 4-H Center.

Mrs. J. Stewart Submits Resignation At January 13 School Board Meeting

Board members accepted the resignation of Mrs. James Stewart as third grade teacher, a position she has held for the past fifteen years. Mrs. Stewart submitted her resignation to the Board and superintendent of schools, Ralph J. Finklea, at the meeting January 13.

In recognition of her long years of service in Sonora Schools and for accumulated sick leave over a period of the past several years, the Board voted a \$300 bonus for Mrs. Stewart. Finklea said the school does not have a replacement for Mrs. Stewart at this time.

Sam Bean New Teacher

Board members were introduced to Sam Bean, new teacher in the high school. Bean, who attended Angelo State College, majored in government and minored in history. He formerly lived in Rankin, where he graduated from high school. He and his wife, Christine, have moved here, and Mrs. Bean will assist in the superintendent's office with the clerical work.

Other Business Conducted

Finklea discussed with the Board members the report of the Governor's committee on public school education in regards to the effect recommendations will have on the

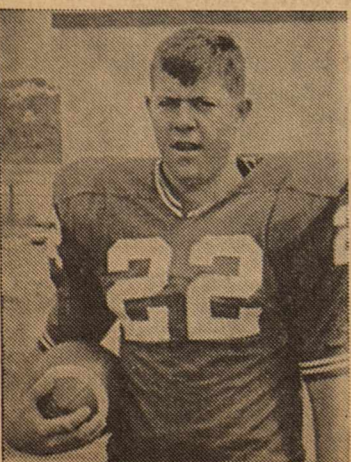

local schools and property evaluation for school tax purposes. Problems encountered in securing teachers for smaller towns were discussed, such as, wages, entertainment, housing, et cetera. The Board will study the report and consider recommendations at a future meeting.

The superintendent reported that total receipts from the football playoff games amounted to \$9300. He also asked the Board for approval to formulate plans for construction of rest rooms at the football field, and to build a ramp by the steps leading to the stadium seats. Board members approved these requests.

A Calendar Of Fact And Opinion

"The average American wastes 20 percent of the gasoline he puts in the family car because he drives ineffectively," notes "Timely Items," published by the Public Service Company of Colorado. "To get the most out of your gas, check your tires pressure regularly. Underinflated tires can waste half a gallon of gas out of every 20 you buy. Have your motor tuned every 5,000 to 8,000 miles. Faulty spark plugs alone can cut your gas mileage 10 percent. Avoid repeated, unnecessary braking; nothing burns fuel faster. Because of this, as well as plain safety-sense, leave an adequate distance between yourself and the car you are following. Be sure your car filter clean. An engine needs at

least 9,000 gallons of filtered air for every gallon of gas consumed. Steady your driving. Drivers who race their motors at stop lights, perform jackrabbit starts and race around corners are being uneconomical as well as dangerous.

Eating tangerines is the best remedy for relief from a cold, researchers at North Carolina's Clemson University advise, as stated in CRIPSCO NEWS published by the Central Illinois Public Service Company. An effective decongestant has been discovered in the fruit, and 8 to 12 ounces of the juice will provide the medically prescribed dosage. This does not mean an artificially colored, flavored, sweetened, vitaminized drink with no real fruit content.

The Interstate Highway System, when completed, will be the longest interconnected super highway network in the world. Construction of the 41,000 mile federal system is now almost two-thirds completed. About 26,000 miles, or 4 percent of the system, are open to traffic, and construction is underway on an additional 6,000 miles.

Following too close accounts for hundreds of accidents each year. According to the Portland, Oregon, Traffic Safety Commission, rear-end collisions occur when the road surfaces are wet and slippery. Leave an extra car's length or two for a safety margin, and it will keep you from running into trouble.

Economist George Hagedorn, vice president of the National Association of Manufacturers, observed, "The phrase 'controlled economy' has a bad connection in the lexicon of practically every responsible person. That includes both those in and out of power in Washington. Practically no one has any thing good to say about wage and price controls, for example—We hope that the new Administration, when it takes office, will be bolder in its thinking than the present Administration is as it prepares to leave. Surely that will be the time to abandon the defeatist attitude which assumes the country is inescapably trapped in the control network it has set up for itself."

The Pharmaceutical Manufacturers Association states, "the average American spend less than one fifth as much for life-saving, health-giving drugs as he does for recreation or for liquor and tobacco."

Sutton County has had at least three days of slow, steady precipitation that has made everybody happy.

Who's Who With Bronco Seniors: We expect a red-head (Tommye Thorp in this case) to be one of the quietest in a boisterous class. The Seniors boast an "All American" red head center for the football team of Sonora high school.

Date Loaf - my favorite recipe by Margaret Sandherr: 3 cups sugar, 1 c. milk, 2 tbs. butter, 1 c. pecans, 1 pkg. dates, 1 tsp. corn syrup. Cook sugar, milk and dates until the mixture forms a medium hard ball. Add butter and beat until cool. Add pecans. Put on damp cloth and make into loaf. Fold cloth around it and leave until hard.

At the LaVista Theatre - "Sing You Sinners" with Bing Crosby and Fred MacMurray.

R. A. Halbert, Sutton County ranchman, was in Plainview Friday of last week, where he had gone to superintend the shipping of four

double-deck loads of lambs to market.

January 14, 1949
Ervin Willman is recovering from a broken ankle received Monday when he stepped off the bed of a truck.

Sutton County's first taste of winter arrived Monday in the form of a freezing rain driven by a chilling north wind.

Temperatures went down to the high twenties and most communications were out.

Mr. and Mrs. C. C. Smith and Fred Adkins returned from a twelve day visit to Cedartown, Georgia, where they visited relatives.

Mrs. Nelson Stubblefield, recent bride, was honored with a gift tea at the Sonora Woman's Club by Mrs. Raymond Morgan and Mrs. Tommy Thorp.

Bright scarlet jackets, emblazoned with a large S, were awarded football players, coaches and pep squad leaders Tuesday afternoon at an assembly program at the high school.

January 15, 1959
Joe F. Logan, chairman of Local Board No. 110, was presented a certificate for ten year's service with the draft board.

Jerry Shurley was appointed as county attorney for Sutton County by the commissioners court. Shurley fills the vacancy created by the election of the office of judge by former county attorney J. W. (Web) Elliott.

The Rev. Lea Roy Aldwell will be ordained to the sacred order of priests of the Episcopal Church in special ceremony January 19, at St. Mary's Church in Eldorado.

Herbert Fields Jr. tried his hand at trapping, and Corky caught a 15 1/2 pound half-grown bobcat at the Fields ranch.

Jo Bess VanderStucken was selected first clarinetist in the regional band contest in Abilene. Also named as trombonist was Gene McCarver.

65 Years Ago
The Fancy Dress Ball on the 17th of March was a grand success as we stated last week. The proceeds amounted to nearly \$40 which goes to the Cemetery Association. The floor was perfect, the music fine, the bright costumes and characters represented by the attendants made the scene very beautiful and the most enjoyable event of the kind ever given here. A few of those in costume were—
Mrs. James Hagerland, Ireland; Sophie VanderStucken, Scotland; Joanna Stokes, the Klondike; Fleeta Franklin, the Devil's River News; Blanche Stephenson, Folly; Lottie and Lena Stephenson, the twin sisters;

Sol Mayer and Felix VanderStucken, the dominoes; W. L. Reynolds, silver bug; Mode Glasscock, clown; Tom Savell, Standard; Bob Smith, Turk; A. B. Hutcherson, Devil's River News; Bozzie Milam, gold bug; Mike Murphy, Colonial Costume; and Chris Harwell, Spanish General.

Sonorans At Angelo State College
Several Sonorans are attending Angelo State College during the fall and spring semesters. Among those students from here who are enrolled at the college are Guy W. Askew, Ernest Barrera, J. V. Cook, Mrs. Armer Earwood, Vicki Hodges, Bill Karnes, and Martha Love, Angie Neil Moore, Joseph Noah Moore, Benjamin A. Perez, Johnny Ramos, Robert Ramos, Georganne Schwiening, and Janice Sutton.

A Parson's Eye-View of Sonora
By The Rev. ROSS T. WELCH

I did not get to see all of the lamb show, but the divisions judged while I was present won very high praise from County Agent Alan Turner, from Menard, who did the judging. Without exception, he rated the top animals in each class very high.

I went out to the 4H barn on Monday and watched the ranking of the lambs that were later to be butchered. Even a casual observer could see that the three judges were sweating a bit, because they realized their placings would be weighed in the balances after the carcasses were dressed.

Sure enough, they missed pretty badly. I am not critical, I would not have wanted to step into the judges' boots. But I noticed in both classes the top carcasses had been rated seventh or eighth on foot by men who were supposed to know. Which means, more than anything else, that all the lambs were good.

This certainly does not detract from the careful grooming and showmanship of the boys who had their lambs judged first on foot—Tony Renfro and the Jacoby brothers; but it certainly must have made Tryon Fields and Claire and Roger Langford feel better about their efforts to produce top-ranking lambs.

It was fun to sit in the bidders seat one time, though I was using Joe Brown Ross' money, and even though I bought nothing. After his recent bout with his ulcers Joe Brown discovered at his morning visit that he was too weak to make it back for the auction and asked me to sit in for him.

The green outdoor-indoor carpeting was nice. It was much easier to get in and get up again than the deep sand. Also the sheep and lambs looked much better against a background of green. But it DID take some doing to keep it clean. The boys who mopped the brooms and shovels reminded me of the boys in the circus who have to keep the arena clean while the horses are performing.

I witnessed the basketball games last week against Ozona. The first two were pretty one-sided. But the varsity game was very exciting. Even though the Broncos lost by one point, it was something of a moral victory.

Even though our boys have not completely adapted to the distinctly different style play basketball requires over the game they played up until Christmas, they demonstrated that they have caught up rapidly.

As compared to football, the season for basketball is very short, and is well nigh on them when the Broncos got started. If they keep improving, as rapidly as they have the past three weeks, we

might even win district—something that is practically unheard of in Sonora basketball history.

Dickie Street declares that Sonora won the district basketball crown one year when he played. "And that isn't ancient history," he maintains. "It happened since World War II."

Jerry Phillips told the Lions Club Tuesday that he would gladly sacrifice his basketball chances every year to win the State in football, and I think he was sincere. But he sounds like the kind of fellow who can and will change the basketball fortunes of Sonora, given a fair break.

My wife is having a hen party as this is being written and I am having to act as 'cat sitter'. Our Siamese-Burmese has a mean streak. He likes to lie in waiting and attack the visitors as they come in. He usually strikes at their feet and legs, and it might spoil the party if some of the ladies were wearing their best hose.

So I picked up 'Siambur' and brought him to my office. Now having been out in the cold all morning, it seems he would relish a spot on my couch in front of a nice warm heater. But he spent the first fifteen minutes striding up and down, jumping on top of the highest furniture and protesting in general.

He thought he was being punished. One time I made the mistake of dropping my hand beside my chair—and he attacked it viciously, leaving bloody scratches. I do not know how anyone could ever learn to like a cat with such a terrible temper.

I think it must be something like a woman who is married to an alcoholic. When he is under the influence, he can be mean and irritating, and she will vow over and over again that she is going to get a divorce.

But when he sobers up, he is so humble and pathetic—she always reminds herself that she took him "for better or worse." So she tries again.

Siambur can be sweet and loving—nothing mushy understand—but, if one of his own family respects his prerogatives, and he is in the mood to be generous, he will let you pet him and will sleep on your feet. But he has a very low tolerance level for most strangers, and there is no telling when he may turn on his own family with tooth and nail.

Frances is threatening to have him de-clawed; but we understand it is a bloody operation—and it sounds like an expensive one—requiring hospital care in San Angelo, so we postponed the day.

I looked after the Menzies boys the other day while Joan was at the Woman's Club meeting, but they were angels compared to Siambur. Does anyone want a half-Siamese, half-Burmese cat—?

No, you can't have him. He is now reclining on my couch in pure contentment—as kittenish as a cat could be.

I never have occasion to visit another burial ground but what it makes me prouder of our Sonora Cemetery. This community must continually express its gratitude to G. W. Kisselburg, whose labor of love has made our burial ground a place of beauty.

This is the season for an annual malady—income tax headache. I figured my own for a good many years and got by with it. I thought then—if I could just hire someone to do it, my headaches would all be over.

Finally the situation became sufficiently complicated, I turned it over to my brother who is a C. P. A. But it is no little task getting everything ready to submit to him. And they say everything is going up.

I read an article the other day which stated that on an average income, it requires a raise of about \$300 a year to keep abreast of inflation.

It appears that the situation is so serious that the one-family farm or ranch operation is about to become impossible. If this ever happens it will be a sad day in the American way of life.

Jimmy Lott, our Westerman Drug pharmacist whom I knew back in the early fifties in McCamey, is confined because of a bad vertebra in his spinal column. Here's hoping for him a speedy recovery.

YOU REAP WHAT YOU SOW, AN' YOU SEW WHAT YOU RIP.

THE DEVIL'S RIVER PHILOSOPHER SEZ . . .

He Started The Year Off By Trying To Adjust To The High Cost of Things

Editor's note: The Dry Devil's River Philosopher on his bitter-weed ranch on Dry Devil's River gets the new year underway along about the same lines he managed last year, his letter this week indicates.

Dear editor:
To get my mind off some December bills that ran a lot higher than I'd figured—I know a nicker tractor bolt now costs a quarter, but it takes time to get used to it—I pulled out a newspaper I'd been saving and hadn't read far before I ran into an article that made me feel a little better.

According to it, I'm not the only one having trouble adjusting to high costs, Australia is in the same boat.

Five years ago, it seems, Australia ordered two dozen American jet fighter-bombers at 4 million dollars each. By the time they were ready for delivery the other day the cost was up to 10 million each.

Instead of 96 million dollars, the bill now comes to 240 million, and if you've ever bought anything, makes no difference whether it's a tractor bolt or a fighter-bomber, you know when the bill arrives at two and a half times what you'd figured, you're in no mood to laugh.

The Australians though are going to have to come on in to the modern age. Look at it this way: in 1950 an American rancher could sell 10 calves and buy a new pick-up truck. Today he has to sell 20 calves to buy a pick-up truck.

The Australians are simply going to have to realize that while five years ago they could buy a fighter-bomber for say 2 million kangaroos, today it takes 5 million kangaroos. Me and Australia are going to have to raise more calves and kangaroos if we want to hold our own.

Ten years ago a doctor's fee for delivering a baby was \$50 to \$100. Today it's anywhere from \$250 to \$1,000.

This is not to say that babies, bolts, or fighter-bombers are worth more today, they just come higher.

Yours faithfully,
J. A.

Delinquent taxes are subject to penalty and interest, and it is greatly to your interest to take care of taxes BEFORE the FEBRUARY 1 DEADLINE!

DELINQUENT TAXES

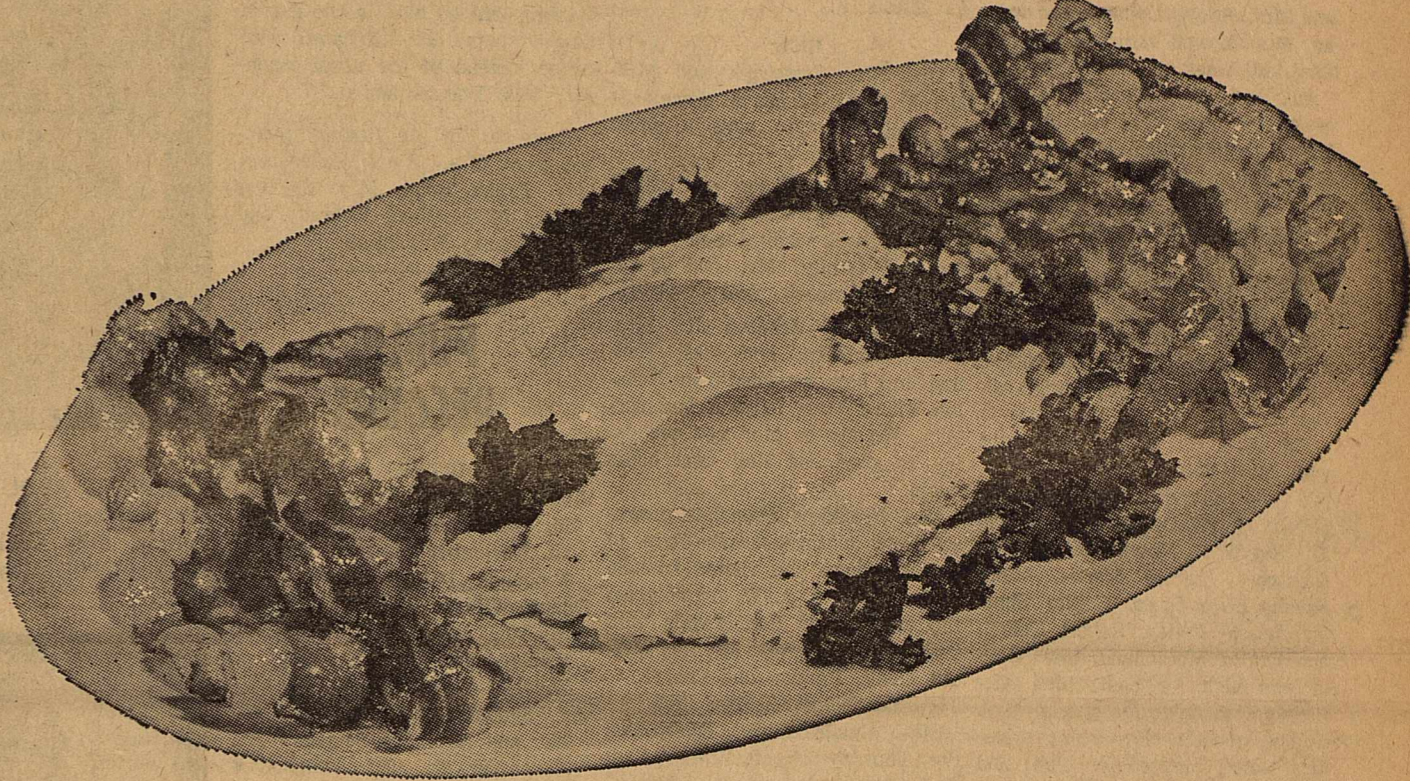

We still have some delinquent taxes on our books and those owing such taxes are urged to come in and see about them.

According to law, delinquent taxes are a valid lien against any estate property and in case of a sale of property, must be satisfied. In other words, you could not give valid title to your place if there were any unpaid taxes against it.

Phone News to Hazel McClelland, 387-2513

Mr. and Mrs. Grant Newell and children have returned home to Cincinnati, after spending several days with his mother, Mrs. Eulah Newell. They accompanied Mrs. Newell to Oklahoma, where they visited her daughter and family, Mr. and Mrs. Jimmy Denman and family. Mrs. Newell returned home this last week.

Mr. and Mrs. Thomas Driskell of Austin were here for the holidays visiting his grandmother, Mrs. Juliet Driskell. While they were here, they attended several parties and dances. They were also guests at the Country Club at Menard. Mrs. Driskell is the former Janie Letsinger.

Mrs. Jack Wardlaw was in San Angelo Monday, and also visited with her mother in Christoval. **Just Us Club**

The Just Us Bridge Club met with Mrs. Bob Vickers January 6. Pie and coffee were served to Mmes. G. H. Davis, Cleve Jones Jr., Rip Ward, Howard Kirby, Sim Glasscock, James Morris, Miers Savell, Belle Steen, Collier Shurley, Lottie Kelley, Robert Kelley, and Ernest McClelland. Mrs. Davis won high for club; Mrs. McClelland won high for guests; Mrs. Kelley won the low score prize; Mrs. Jones binged for club, and Mrs. Steen binged for guests.

HMC
Mr. and Mrs. David Shurley and children spent several days in Sonora before Christmas visiting his parents, Mr. and Mrs. Collier Shurley. Then the Collier Shurleys spent Christmas with the David Shurleys in Odessa.

Mr. and Mrs. G. H. Davis spent Christmas in Houston with their daughter, and family. Their grandsons returned home with them for several days.

Tuesday Night Bridge Club
Mrs. Cleve Jones Jr., entertained the Tuesday Night Bridge Club at her home January 7. A dinner was served. Attending were Mmes. R. A. Halbert, Vestel Askew, Louie Trainer, George Barrow, Bob Vickers, Bill Fields, Leo Merrill, W. O. Crites, Ernest McClelland,

Jubilee Film Seen by Clubwomen

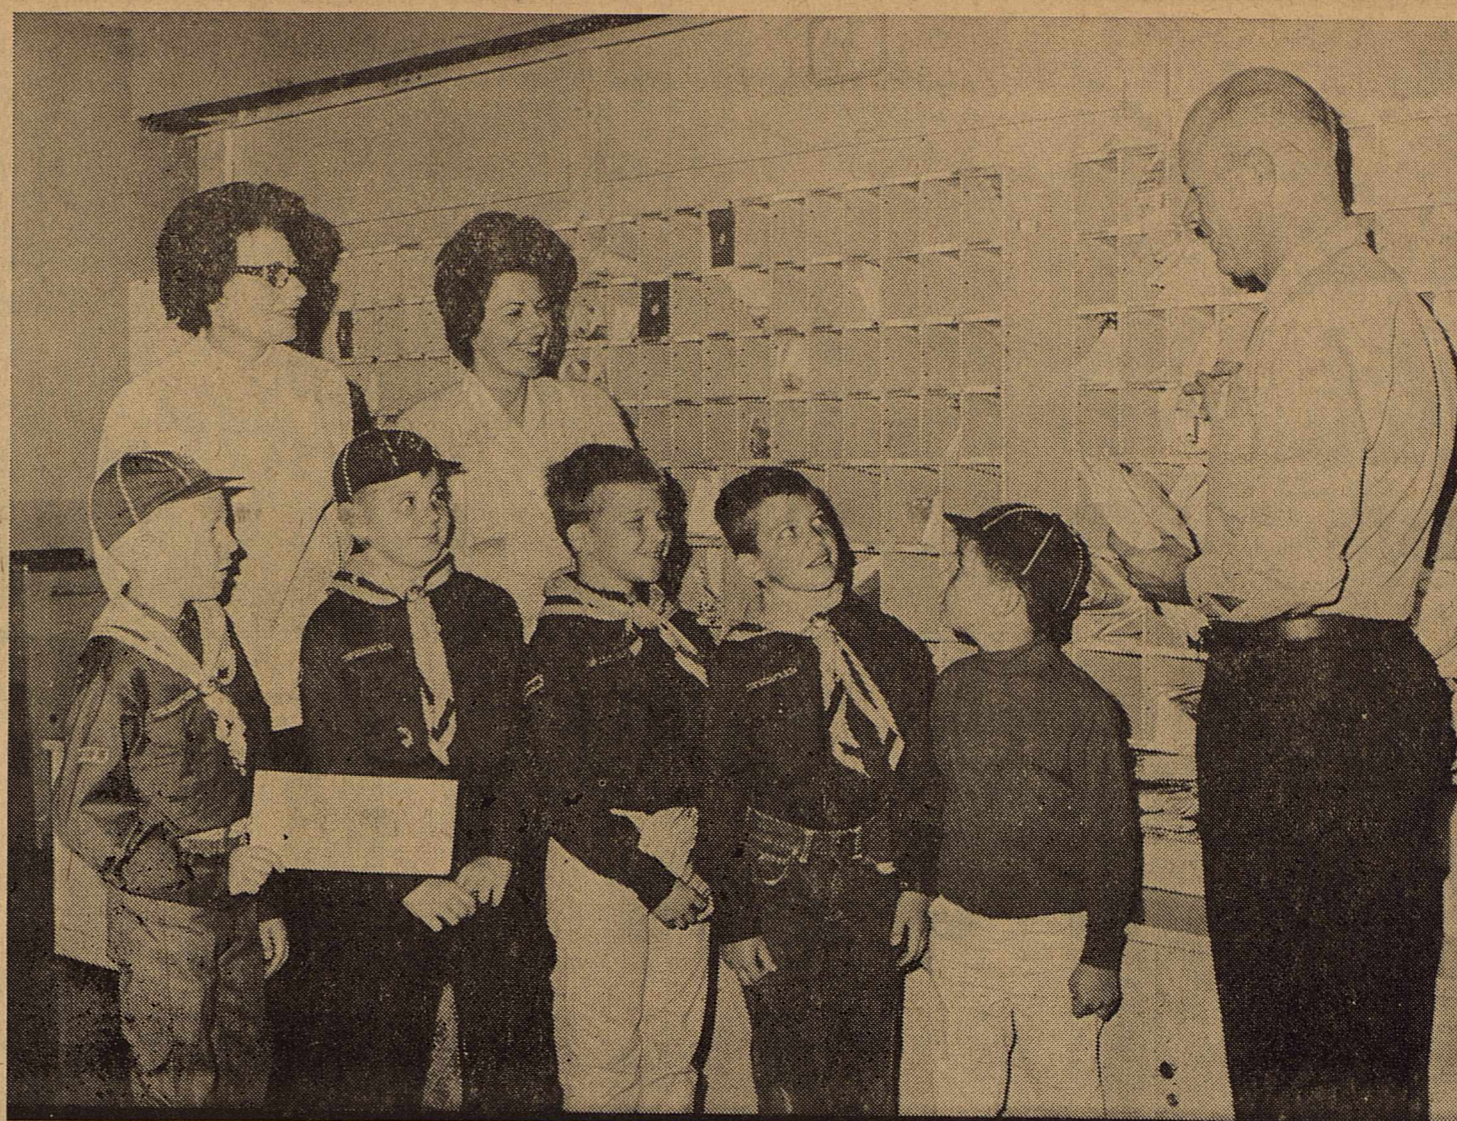

The Sonora Woman's Club met January 9 at the clubhouse and saw films of Sonora's Diamond Jubilee which was held August, 1965.

A museum committee was appointed to work with Sutton County Historical Society. Committee members are Mrs. James Hunt, chairman, Mrs. Joe David Ross, and Mrs. George Brockman.

Mrs. Sam Allison was elected a new member of the club.

Mrs. George Barrow announced that the February meeting will feature a book review by Mrs. Albert Ward. Mrs. Ward will review the book, "Tell No Man" by Adella Rogers St. John. The meeting will be held in the Edwin Sawyer home at 9:30 a.m. with coffee instead of the usual luncheon, Mrs. Barrow added.

Hostesses for the January meeting were Mrs. Rex Cusenbary, Mrs. Frank Bond, Mrs. Sterling Baker, Mrs. Albert Everett, and Mrs. George Brockman.

LEARNING ABOUT THE MAIL are these cub scouts led by den mothers Mrs. Billy Wright Taylor and Mrs. Billy Frank Turney. Billy Cash Taylor, Zack Turney, Chase Snodgrass, Stephen Nail, along with a Midland visitor, Louis Robertson,

receive information about the postal system from James Trainer. Cubs not able to make the tour included Robert Harris, Mark McDonald and Pat Kennedy. These Cubs, members of Den 2, meet in the Turney home Saturdays at 9:30 a.m.

Things are beginning to settle down as school life has finally gotten back to the same old routine. Students are already looking forward to the speech meet to be held February 28. This provides students with a day of freedom from classes. Speech meet, Easter, and the annual teacher's meeting are the only holidays this semester.

Speech students have a heavy schedule ahead of them starting with a trip to Alice. They will leave January 30 and will compete January 31 and February 1. After a weeks rest they will journey to Brownwood to compete February 7. The Sonora speech meet is scheduled for February 28 and will continue through March 1.

Several dances are on the list of the activities beginning with a mixer intended to get everyone acquainted. A western dance completes the program. For some of the contestants, this will be their first western dance and probably their last.

Meet director, Lois Dolan, said any student wishing to participate in this meet should contact her. Every school is limited to three boys and three girls in each separate event. She urges each interested pupil to begin work on his selections as competition will be extremely rough.

SHS
The towns entered this year include Knippa, Water Valley, Alice, Denton, Seminole, Eldorado, Andrews, San Angelo, Big Lake, Menard, Mason, Eden, and Ft. Stockton. Mason and Eden are new participants because of their entrance in district 8-A.

Categories for this year's meet

Hospital Auxiliary Meets January 13

The Hudspeth Hospital Auxiliary met at the Woman's Club building January 13 with Mrs. Alvis Johnson, president, presiding.

Mrs. Tom Davis read the hospital prayer, and Mrs. Johnson gave the treasurer's report. She reported a balance of \$121.59 in the general fund; \$488.01 in the memorial fund, and \$27.71 in the scholarship fund. Mrs. John Fields project chairman, reported that the examining table ordered for use at the Hospital should arrive in two weeks.

A party and banquet planned for the Auxiliary at the December meeting was canceled, out of respect to the memory of Mr. Fred Earwood, longtime manager of the Hospital Ranch.

The Auxiliary voted to subscribe to leaflets from "The Foundation for Christian Living", and a donation of \$5 was sent with a request for a regular packet of fifteen leaflets to be used at the Hospital.

Mrs. Robert Hardgrave, program chairman, gave an interpretation of a sermon by Dr. Norman Vincent Peal. Subject topic was "Prescription for Happiness."

The Auxiliary plans to meet February 10 for a covered dish luncheon, and to use the time to recondition, repair and evaluate the accumulation of records and materials belonging to them.

Adventures in ADVERTISING

The story of P. K. Wrigley and

THE LOCOMOTIVE

One day P. K. Wrigley was riding on a train with a friend and the conversation turned to the chewing gum business. The friend, who had an eye for saving a penny, suggested now that

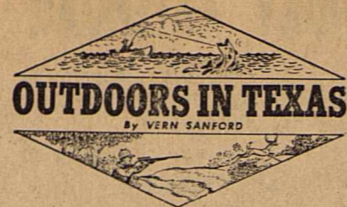

Wrigley chewing gum was so well known and had such a large distribution that it might be wise to dispense with the advertising, save that expense and make that much additional profit.

"I could ask the conductor of this train the same question," replied the financial genius, "This train is now going 60 miles per hour, so why not disconnect the engine? Advertising in merchandising is what a locomotive is to a train. It is the power which keeps it going."

January is the in-between month for many sportsmen. It is the month that ends game hunting, and brings enough bad weather to scare off fair-weather fishermen.

It is a bare month. Christmas bills must be paid. There are inventory sales and other "distracting" things like parties, which sometime tend to keep even a die-in-the-wool outdoorsman from the field or stream.

Nevertheless, for those who can and do make it, January offers promise and fulfillment. Deer and duck season are out of the way. It's the short end of the goose season, and in most of the state, the short end of the quail season.

But within driving distance of most everyone there is some good quail hunting.

And of course all the shooting resorts still are in full swing. They offer quail pheasant and also chukar.

Don't Forget The Crows
 Also for those who like to shoot, and have a few shells left, we highly recommend crow shooting. January is a wonderful month to shoot crows, those black rascals that prey on bird eggs and destroy crops.

During January the crows bunch up. They have favorite spots in creek bottoms where they roost by the thousands. During the day they invade the cultivated fields in herds and prey on foodstuffs that provide the livelihood for our game birds.

Fishing also can be very good in January. You can call your shots in Texas. For deep-sea fishing off the Texas coast there is no better time—especially for the big red snapper.

Snapper Fishing Fine
 About half the time, in January, the weather is good enough to get out on those snapper boats from Freeport, Galveston or the Corpus area. Success is even more certain on the southern tip around Port Isabel and South Padre Island.

Many Texas farmers get in some good salt water fishing during January. They drive their pickup trucks to the coast, usually to Freeport, then go out on a party boat. At the end of the day they return to the dock with hundreds of pounds of large red snapper. These they take back home for the deep freeze. This gives them a good supply of salt fish that will last for several months.

Some real sporty fishing in Texas in January is for white bass, or sandies, as they are known in North Texas.
 By January the whites have started schooling and moving up the lakes to the mouth of fresh streams. They start working in Falcon Lake in mid-November. By the first of December they were hitting heavy on the Highland Lakes in Central Texas and in January they are causing fever to rise in fishermen on Whitney, Texoma, and Possum Kingdom.

EXPANDING FILES offer convenient and economical storage for letters, bills, bank statements. Less than an inch thick, these accordion-styled files expand to over 17 inches. \$2.80 and \$2.65 at the Devil's River News. tf19

Texas Department Of Agriculture Sponsors Program For Consumers

A new market development and promotion program was put into year-around action in November by the Texas Department of Agriculture, John C. White, Commissioner announced.

The program was given the name "TAP", for Texas Agricultural Products, and had its focus set for creating an awareness on the part of the consuming public that practically every food product known to the housewife is grown or processed in Texas.

To launch the program, Texans were introduced to the TAP symbol in November and December, 1968, by way of roadside billboards, radio, and television announcements, and newspaper articles. The TAP insignia pictured at the top, shows a stylized outline of Texas in which the letters T, A, and P are boldly placed. Around this center, a rectangular border fits to complete the design that reminds the viewer of the face of a ranch-type branding iron. The first billboard is reproduced on the other side of this insert.

After the November-December kick-off for the program, individual commodities are to be featured through all communications media on a schedule which generally follows their seasonally oriented ac-

tivity. The Agriculture Department has worked out plans to feature fresh fruits and vegetables and nuts in January and February, 1969; red meats in March and April; May and June will feature poultry and dairy products; July and August, cereal grains; and natural fibers cotton, wool and mohair are to be spotlighted in September and October.

P-TA To Promote Patriotism
 by Mrs. Bennie McIntyre

At the last P-TA meeting, principal David Williams led the discussion of a panel of five high school students. The students were Austin Stockton, Shelley Morriss, Rita Kniffen, Al Elliott, and Kari Eustace. They talked on various problems of today, but patriotism brought the greatest response.

The students pointed out that although we have no draft card burners or "hippies", that patriotism was at a low in Sonora. It was pointed out that at many of our ball games, people continue to talk during the National Anthem.

Students expressed a great desire for an American flag for use at the football field, so they could have a flag ceremony at games. They already had a flag pole, but no one had put it up. It was also pointed out that the auditorium flags were in great need of replacement.

Mr. Williams agreed to set aside a week in the near future to promote patriotism in Sonora. The students will write essays and have various programs. Some of the essays will be printed in the Devil's River News.

The P-TA decided to replace the auditorium flags, erect the flag pole at the football field and buy a flag for use there. They will also sell flags to business houses and to the people of Sonora to promote patriotism and to obtain the funds to pay for the three flags for the high school.

Equal to the Front Page . . .

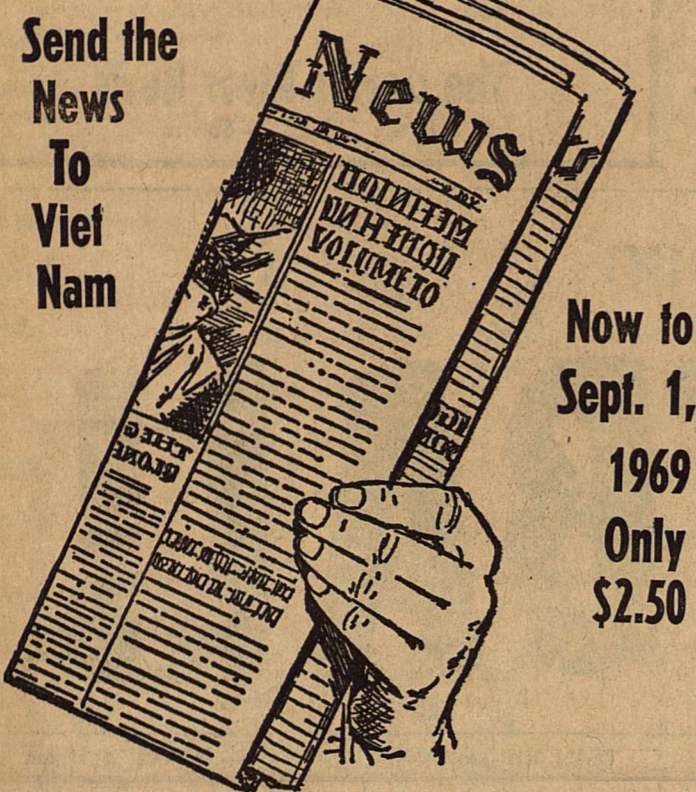

That's what studies have shown about the Classified page! Yes, the number of readers who read the "want ads" on the Classified page is equal to the number of readers of the front page. Don't you yourself look at the classified ads every issue? If you are one of the few who doesn't, you are missing both news and opportunity.

Service and News

The classified page provides both. The service of who has what for sale, rent or trade, for how much and where. The news that all advertising carries . . . about products, services, bargains. Just reading the classifieds is fun, and informative. We feel sure you must be a classified page reader . . . keep it up. But if you are one of the few who isn't, try it . . . this issue!

O. L. Richardson, Jr.
Degree Candidate

O. L. Richardson, Jr. of Sonora, is one of the record 920 students applying for mid-term graduation at Texas A&M University, announced Registrar H. L. Heaton.

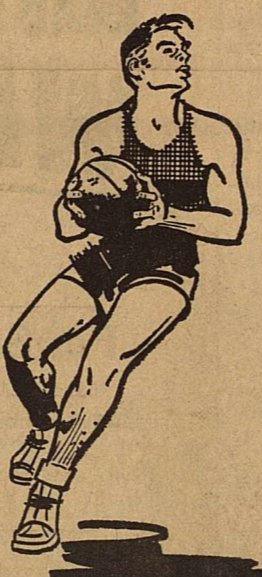

Richardson is seeking a Master's degree in animal breeding.

Commencement exercises will be conducted January 18.

Heaton said 520 students have filed for baccalaureate degrees, 291 for master's degrees and 109 for doctorates.

Snips, Quips, And Lifts

by Lottie Lee Baker

—An informal survey shows that what most people wanted for Christmas was two more weeks to prepare for it.

—Woman eyeing fur coat: "I'm allergic to mink. I get sick every time I see another woman wearing one."

—POETIC LICENSE PLATES: Apple grower: ADAM 8-1; Soldier: HUP 2-3-4; Astronaut: 5-4-3-2-1; Yes Man: ME 2.

—A pinch of probably is worth a pound of perhaps.

—No one ever regarded the first of January with indifference.

—Wife to husband as they approach PTA meeting: "Certainly I'm going to ask a question. Why

do you think I had my hair done?"

—Science is sure making great strides on all fronts. So far this winter we haven't heard a soul complain of a cold. Everyone we know who has been sick has a virus.

—Father to teenager: "What kind of 'in' crowd do you travel with-in doubt, in debt, or in trouble?"

—Fame is a vapor, popularity an accident, riches take wings. Only one thing endures — character.

—One owl to another: "How many times must I tell you — it's whooo, not whommm!"

—RUMOR: The News service of the weak.

—From a Kentucky newspaper's society report on a New Year's Eve party: "The room was vividly decorated with red noses."

—People don't plan to fail — they just fail to plan.

—In Tellicherry, India, the post-office uses a cancelling stamp that reads: "Correct addressing—What a blessing, saves us guessing."

—The thicker the skull, the more transparent the mind.

A LIFT FOR THE WEEK ... It is a mistake to look too far ahead. Only one link in the chain of destiny can be handled at a time.

OUR NEWSLETTER

by O. C. Fisher

The opening session of the 91st Congress was marked by the seating of Adam Powell in the House and the election of two liberals as assistant leaders of both parties in the Senate. House Democrats did manage to defeat a move by a group of liberal-radicals to take over the Speakership.

By a powerful coalition of Republicans and liberal Democrats, Harlem's Powell was easily re-seated by a majority of 253 to 160. This action was taken despite the fact that two years ago a special committee of 9, after a hearing, found that Powell had misappropriated \$40,000 of federal funds, and other documented derelictions. Up to this time not one dime of this has been repaid to the government.

In seating the Harlemithe the other day, there was a requirement that he pay \$25,000—to be gradually deducted from his monthly salary. But court action by Powell's attorneys is anticipated, designed to prevent this payment, with the outcome very much in doubt.

Texans in the House were divided, with 8 voting to seat Powell and 14 of us voting against seating him. One Texan was neutral on the issue, and simply voted "present".

As I see it, Powell's status

and eligibility have not been changed one bit since we voted to deny him a seat in the House two years ago. And offering him a seat for \$25,000 is not a good way to run a railroad.

The Senate Hassle saw Senator Russell Long (who is a moderate conservative on most issues) dumped by young Ed. Kennedy, who is identified with the liberal-radical element in the Senate. It was a 5-vote margin of victory for the Senate liberals.

At the same time, Senate Republicans, by a 3-vote margin, picked Senator Hugh Scott of Pennsylvania, a steadfast liberal, as assistant Republican leader. He defeated Senator Roman Hruska of Nebraska, a conservative.

Thus, the first session of the

91st Congress has begun its work, marked by a rather unimpressive series of actions, the implications of which can be determined only by future developments. We can only hope for the best.

SCOTCH STRAPPING TAPE—140 lb. pull strength. Like a ribbon of steel. For heavy banding, sealing, mending. Sticks instantly at a touch, super-strong, won't break like twine. Won't stretch. 1/2"x360". 79 cents at the Devil's River News.

JOB ENVELOPES—Here's a specialized item with many uses, 9x10 inch 28 lb. brown kraft envelope is just right for filing letters and records. (The Devil's River News uses them to keep job printing records.) They are open end and thumb cut for easy access. Only 5 cents each or \$4 per 100 at the Devil's River News.

fascinating fishes

"Seel seel" Amy cries, using one of her new-found words. Her voice trembles with wonder, and suddenly the fish Bob brought her become more than ordinary. They're magical creatures, slashing through the water with a flick of their tails, golden gleams of fascination.

How thrilling is a baby's world—changing, growing. Every day brings a new experience, some added lore to shape the growing personality.

Bob and I know how important these days are in Amy's development. Her acquaintance with the world now will affect her life greatly. That's why we take her to church every Sunday. We want her to learn of God's love from earliest remembrance.

God is the light of the world. His Church offers you and your family the opportunity to make His presence a joyous reality in your lives.

You Can MAKE HAY in the Winter

These long winter days and evenings are just right to make hay in the way of fixing up around the home or ranch. Take time this winter and wile away those indoor hours with hammer, saw and nails — or paint up for spring and summer. You'll be glad then that you did now!

Looking Back . . .

By Sonora Motor Co.

Gather round for a friendly game of cards (note the guns). If your old car or pickup has just about seen its last day you should investigate ownership of one of our new 1969 Fords. Prices won't be going down any time

soon, but you'll find our prices are rock bottom here. Visit our showroom and test drive the new Fords. Then ask for details on how easy it is to own a new, more comfortable model. Sonora Motor Co., Joe Hull.
