Trinidad Ramirez, Local Businessman, Robbed and Assaulted Tuesday Evening

Sammie Robinson is being held in the Mason County jail in connection with a series of incidents in Ozona, Sonora, Fort Terrett, Junction, London, Mason and

The Negro youth driving a 1962 Buick was involved in a traffic mishap when he ran over a guard

rail in Ozona late Tuesday afternoon. Local officers received a call about a stolen car with California license, and about the same time they received a call from the Holiday Host that Trinidad Ramirez, local businessman, had been robbed and as-

Believing that Ramirez had been assaulted just minutes before, the officers began an intense search of the area around the motel and eastern edge of Sonora. Ramirez reported a Negro man demanded his wallet and pickup keys while he was feeding his hogs in a pen on the east

side of town. After the man discovered Ramirez had very little money and being unable to start the pickup it is pressumed the man then hit Ramirez on the

During this time the officers. again, received a call that a man in a brown Buick had stopped for gas at the Fort Terrett station and driven off without paying for the gas. Shortly after this Junction officers called to report a hit and run accident there.

The car the man was driving was found a short time later at London, where a 1967 Chevrolet

was reported missing. This car was later found wrecked about three miles east of Mason. In or near Mason a 1965 Buick was stolen. The man was finally caught driving a Pontiac in Llano.

Ramirez is recovering after being taken to Hudspeth Hospital

and having stitches taken in his head from being hit in the head with a cedar stave. He also had numerous bruises.

Sonorans will have new Christmas decorations this yuletide season if the efforts of Jimmy Harris, city manager, succeed.

Harris appeared before members of the County Commissioners Court at their regular meeting Monday with samples of decorations he had received along with many estimates on the most attractive and economical way to decorate the city of Sonora. Harris was seeking assistance from the county in purchasing the long-needed decora-

The estimated cost submitted by Harris was \$1150.00. Samples of decorations brought to commissioners court were, greenery with all red lights which would be strung across street intersections and pole decorations for all poles along Main Street. A large tree of the same design, also to be lighted with red lights, would be placed on the courthouse lawn.

Harris said if the new decorations are not purchased, Sonora will not be decorated this year as the old decorations are worn out and are a fire hazard. Last year the strings of lights were shorted out several times and at one time fell into the street.

The old decorations, an eyesore to the city for several years. were originally purchased through efforts of local businessmen. They have far outlived their usefulness and now deserve to be replaced norans proud to take their holiday visitors downtown to, "see the beautiful way our town has been decorated."

Berger Sheep Win At State Fair

In the Delaine-Merino sheep show at the Pan-American Livestock Exposition at the State Fair of Texas in Dallas, Chris Berger had several placings.

Berger had the Reserve Champion Ewe, won first and second in the ram lamb division, first place in the pen of three ram lambs, placed third and fourth with his yearling rams.

Berger also placed second and third with his ewe lambs, first in the pen of three ewe lambs. second with his yearling ewe, second with his pen of three yearling ewes and was second place winner with Exhibitor's Flock.

IH 10 REST AREAS

The Texas Highway Commission has approved the development of seven roadside rest areas in various sections of the State. Sutton County will have new rest area facilities on IH 10 6.2 miles west of Sonora. Another rest area is to be constructed in Kimble County 3.7 miles southeast of Junction on IH 10.

the oldest landmarks in Sonora, the fire alarm, and call guests is going to be torn down. A crew from Del Rio is to do the work by hand in order to salvage as much of the material as possible from the old building.

The McDonald Hotel was built in the early 1890's for F. M. Wyatt and was originally known as the Commercial Hotel.

To preserve some of the feeling of the hotel the old bell was given to the Historical Society of Sutton County. The bell started at the ranch with the McDonalds and was used to call the family and workers to meals. They moved the bell to town with them when they purchased the hotel and it became more than just a call to meals.

At one time the fire truck as well as the bell were stationed on the front porch of the Hotel. During this time the bell was

and visitors to meals.

The George McDonald family settled on a ranch southeast of Sonora about 1890. The Mc-Donalds leased ranch land from the State of Texas in the vicinity of the present Hunt and Wallace ranches. This part of the county was known as Lost Lake country

In 1896 Mr. and Mrs. McDonald bought the Hotel and moved to town. At that time Sonora had very few businesses and three or four saloons. The settlement was in the process of becoming a town at this time.

Many notables have stayed in in the Hotel in the past, including Mr. and Mrs. William Jennings Bryan, Senator Joseph Welden Bailey and Tom Waggner as well as most of the governors of the State prior to W. Lee O'

After the death of Mr. McDon-The fire truck fund has almost ald, Mrs. McDonald continued to run the hotel until her death in 1956. The hotel was then leased for a few years. It was finally closed November 6, 1963. After

in developing Sonora and Sutton County, by being the center of activity, seeing births and also deaths, the hotel will now become past history. The trees being gentle reminders of what once stood on that ground.

Sonora May Soon Be In Need Of Local Ambulance Service

ator, Darcy Carroll appeared before County Commissioners and County Judge, J. W. Elliott, at their regular meeting Monday. Carroll told the commissioners court the ambulance service for Sonora was showing only a very small profit, not enough to encourage he and his partner, Louis Olenick, to continue maintaining the ambulance for Sonora. Profit in over a year's period was less than \$45.00.

Carroll and Lester Byer purchased the ambulance from Jack Kerbow March 13, 1968. Kerbow had been operating the service in connection with Ratliff Kerbow Funeral Home. Later in the year Byer sold his half interest to Louis Olenick, local employee of the Texas Highway Department.

According to facts given by Carroll at the commissioners meeting Monday, the ambulance service has not shown enough profit to cover operating expenses and upkeep of the ambulance. Most accident victims, Carroll stated, are from out of town and the ambulance expenses are very rarely collected. A number of his patrons are covered by Medicare,

Fire Department Answers Questions On Needs In Grass Fire Fighting

To the interested citizens of

Sutton County: This is in response to the

many questions asked concerning our proposal to buy new equipment for the Fire Department. We have a committee of three

to decide what is needed for a more efficient department. They are Fire Chief Cullen Luttrell. 1st Assistant Fire Chief E. L. Harrell, and 2nd Assistant Chief and Fire Marshal Darcy Carroll We have talked to several different companies in an effort to make a better decision on the needs for our department.

We propose buying two new trucks comparable in size to the two-ton Chevrolet we now have. Each truck needs a 500 gallon tank with 30-gallon per minute pump, all new hoses and reels. These two trucks, properly equipped, would allow us to take the old 1937 model Ford truck completely out of service.

By doing many necessary repairs on the 1951 Model Power Wagon, it can be taken out of regular service and put on as a stand-by unit to be used if fire should break out in another area of the town or county. This would give us the same number of trucks on active service as we have had in the past and would put us in good shape for several

We have reasonably close estimates on the cost of the proposed equipment. We feel that we can buy and equip these necessary units for the \$15,000.00 goal that has been set. A complete list of equipment and cost estimates may be obtained from any one of the above committee. They will be happy to discuss or explain any question which might arise.

Don't forget that about 95 percent of the fires in town or in the country are put out with these

pumper units. This is a chance not just for the ranchman, but any interested citizen to help to have a better Fire Department.

Remember, your protection depends on what we have to work with. We can only work with what you give us. Thank You.

> The Equipment Committee Sonora Fire Department

More IH-10 **Opened**

Highway 10 will be opened to traffic this week, possibly Thursday. Some work remains to be done on the guard fence and asphalt shoulders prior to final acceptance of the project by the Texas Highway Department.

With the completion of this 7.2 mile project, approximately 27 miles of Interstate divided highway will be open between Sonora and Ozona.

Local Traffic desiring access to properties to the north of the divided Interstate 10 should proceed north over the bridge and west along existing U.S. 290.

Those desiring access to lands south of the divided highway should turn left and proceed west on the new frontage road.

No entry onto or exit from the divided portion of the highway is permitted between the connection immediately west of town and the Caverns Road interchange.

School Board Policies Approved

The School Board policies were or abusive language, unexcused San Angelo and Ken McAllister, approved with the addition of a new amendment on Suspension or Expelling Student for Cause at the regular meeting of the board Monday.

The new amendment states that a student may be suspended for three days or expelled for the remainder of the semester for committing a felony or misdemeanor as defined in the penal laws, fighting, incorrigible conduct, disruptive loitering or picketing, violation of school vehicle parking and safety regulations, disruptive dress or appearance, destruction of school property, use of alcoholic beverages, smoking where not permitted, vulgar absences from school, gambling, or any other rules and regulations listed in the student handbook, board policies, or administrative guidelines.

The student must receive a proper hearing and must be informed of the charges and be allowed to answer them before any official action may be taken. School principals Bob McMinn,

Clay Cade and Bill Gosney made their annual reports to the executive board. Members present were Gene Shurley, Bob Teaff, Bill Morriss, George Wallace and

Attending the open monthly meeting of the Board of Trustees were Web Elliott, C. O. Hall,

superintendent of Sonora Schools. The Board will raise liability in-

surance on all vehicles to meet the state law which will go into effect January 1. Also the Board approved the

order on a new 54 passenger bus next year. Bid openings were also set for the old school bus. The members heard the reports on the football gates receipts and

the enrollment from McAllister. Permission was granted to order school furniture as necessary or as the budget permits. The junior high will soon have book lockers, this is said to preferable over the present storage of books in student desks.

THE DEVIL'S RIVER PHILOSOPHER SEZ He Comes Up With Ideas To Increase **Income Of Professional Sports**

er Philosopher on his bitterweed ranch on Dry Devil's River gets over into the field of sports this week. We're not sure he should.

Dear editar: I don't usually have anything to say about sports, it's too serious a field for me, I stick with Congress, farming, international affairs, metropolitian incompetence and things like that, but like a good many million other people I've been watching professional football on television and near the end of a game the other

Sunday a sudden thought hit me. The score was 17 to 21, the home team had the ball and the 17 points and needed a touchdown to win, a field goal wouldn't do it, but there were only 31 seconds left and the team had no times-out left.

The quarterback successfully and the receivers stepping out of bounds to stop the clock, the fans were all standing up and roaring and the announcer was straining his voice, but it was just too far to the goal line and time ran out. A few more plays and they might have made it.

Now here's a situation the owners and players of professional football are overlooking, when you remember it's a cash deal all the way around for everybody on unlimited financial possibilities. both sides.

Why couldn't the team that's

Editor's note: The Devil's Riv- behind with 30 seconds to go stop the clock and offer the other team say \$50,000 for two more minutes of playing time? It'd be an offer hard to turn down, what with the players all having fam-

> Where'd they get the money? Where's the fan who wouldn't give a dollar to see his team get one more chance to win? Just pass a hat and out of 75,000 people in the stadium, 50,000 will kick in immediately with a dollar apiece, some even more.

If the team then got the drive going again but needed a few more times-out to conserve the extra 2 minutes, why couldn't it buy a few at say \$5,000 apiece? I understand a team is allowed 3 times-out in each half, but how many games have you seen when a few more in the closing seconds might make the difference between winning and losing? Professional football could increase its income thousands of dollars a season just by selling additional times-out at \$5,000 a throw, not to mention the larger amounts from selling extra time near the end of a cliff-hanger.

Come to think of it, couldn't a baseball team buy an extra inning when it's behind 3 to 2 in the ninth? Say, this thing has Your faithfully,

A Bishop Looks at Life A Double Life

By Everett H. Jones, Retired Bishop of the Episcopal Church

It is not cutomary for a Christian minister to recommend to people that they live "a double life". Yet there is a sense in which such a life is the one effective secret for meeting the problems we all face today.

I refer to the fact that Chris-

tians have been called "people who are in the world but not of it." Christ himself gave the best demonstration of this two-way There is a growing consensus among religious people that we need to be deeply involved in the life of the world around us. We need to make our faith in God relevant to the here and now. We need to put love into action in terms of the needs of our fellow men-for food, housing, education, medical care. We need to make clear, both by word and deed, that God is no respecter of persons; He is equally concerned with the needs of all His children, regardless of their race

But there is also a deep sense in which we need to alternate between such involvement and the practice of reflection, a creative escape into communion with God and awareness of His purpose for the world and for us. We cannot see our way clearly or have we the strength we need without this alternation. We

need to keep a balance between the horizontal and the vertical dimensions of religion.

The late Winfred Ernest Garrison (clergyman, author and editor) wrote some words that are good for us to remember: "The sky is high past all imag-

A child can touch the place where it begins.

But sight, imagination and mathematics placed end to end Can never reach the top.

At the bottom, in a thin strip of variable weather. Clouds, winds and lightenings

threaten, bluster, flash. But the deep sky, the real sky, is never stormy.

My sky is not his negligible sediment of clouds. This film of murk,

This agitated curtain of unrest Draping the door that leads to illimitable quiet.

My sky is the depth where stars move silently In the peace of the presence of

Therefore, I shall not be troubled by what the world may do

Because it can do nothing that matters."

Miss Pearl Lee Ory.

Amid political overtones, both the White House and Congress keep raising the proposed ante. With 25 million SS beneficiaries involved, President Nixon early this year called for a 7 percent increase, effective next April 1. Recently he upped that to 10 per-

That prompted House Democratic leader Carl Albert to call for a 15 percent rise, effective next January 1. House Republican leader Gerald Ford said it should be at least 10 percent,

perhaps more, effective January Not to be outdone, Assistant Democratic Leader Hale Boggs then called for a boost of at least 15 percent by December 1. And then along came Republican Wm. Cramer of Florida, an announced candidate for U.S. Senate, who joined the 15 percent—January 1

crowd. Few of them ever mention the tax increase that will be necessary. President Nixon asked that the taxable wage ceiling be upped from \$7,800 to \$8,400 by 1972 and that the graduated scheduled tax increase be accelerated. Eventually the total tax on earnings, levied on both employers and employees, would jump to 11.8 percent. And then there is the tax to pay for Medicare.

Cut dollar size zucchini in very thin slices, dip in milk, dredge with flour, fry in deep fat. Drain on a paper towel, season with salt, pepper, and paprika.

Roast and bake mean the same

thing today-cooking by dry heat

in the oven. However, roast is

usually applied to meats.

MR. AND MRS. MARIO ROMERO were married in the home of her parents, Mr. and Mrs. Joe Espinosa, Saturday. She is the former Margarita Salcedo Espinosa. He is the son of Mr. and Mrs. Willie Romero. Alfred Cooper, justice of the peace, performed the ceremony.

BAND NEWS

Gordon Schultz, played a number of popular pieces at the corral before the game. At half time they entertained with a 70 piece marching band.

The opening prayer was led by twirler, Kathy Morgan. Boy Scouts, Sam and Gene Thompson, Tryon Fields, Bob Brockman, and Greg Everett raised the flag. The 85 piece band played "The Star Spangled Banner", our School Song, "Blues in the Night", "Cabaret", "Blaze of Brass", and "King Size".

At half time our marching band approached the audience in an angle march playing "Ringling Brothers Grand Entry". In the center of the field they did a concert formation with lights out, while Lesa Whitehead, drum major, and twirlers Kathy Morgan, Molly Morriss, Kathy Hardegree, and Selma Stubblefield did a special twirling routine with fire ba-

Annual Crop Canvas Project Planned

Plans for the annual CROP form of such items as agriculproject in Sonora are underway, according to the Rev. Stuart Firnhaber, spokesman for the Ministerial Alliance. Uniting in the project will be the youth groups of seven churches in this community. It is expected that some forty junior and senior high students will take part.

CROP is the Hunger Appeal of Church World Service which collects farm commodities and cash through volunteer workers, for the overseas relief and rehabilitation programs of churches. Gifts to CROP are put to use under church supervision strictly on the basis of need.

Halloween has come to mean CROP and a time of Christian sharing to the young people of Texas. It has come to be a time of collecting for others in a Christian ministry of compassion when hunger threatens over two-thirds of the world's population.

Contributions received through this youth effort of concern will be used to help provide for the handling and distribution of government donated foods of the Food For Peace program as well as to provide assistance in the

TS&GRA To Meet In San Angelo

Joe York Jr., of Bracketsville, TS&GRA president stated that state government in general and how it affects the average ranchman's role, will highlight discussion at the fall quarterly meeting of the Texas Sheep and Goat Raisers' Association October 20-21 in San Angelo. State Senator Pete Snelson of Midland will keynote the two-day session.

Some 300 sheep and goat men are expected to gather at headquarters in the El Patio Motor Hotel. Registration will begin at 10 a.m., Monday, October 20 at the El Patio and all committees will meet there. General session will start at 9 a.m. October 21 in the main auditorium on the Angelo State University campus.

Legal Notice

Notice is hereby given that application has been made to the Savings and Loan Commissioner of the State of Texas for the approval of a Mobile Facility for First Savings and Loan Association. San Angelo, Texas, such Mobile Facility to operate at the following locations:

Menard, Menard County, Texas Ozona, Crockett County, Texas Robert Lee, Coke County, Texas Sonora, Sutton County, Texas Sterling City, Sterling County,

A hearing will be held on the application at 9:30 a.m. on the 27th day of January 1970, at the John Reagan State Office Bldg.,

If no written notice of intention to appear in person or by attorney to protest said application is received by the Savings and Loan Commissioner from one or more persons on or before Jannary 17 1970 the hearing will be dispensed with unless otherwise ordered by the Savings and Loan Commissioner.

tural tools and seeds. Last year the local youth collected some \$200 for CROP and helped others throughout the state of Texas to collect over \$70,000 for th program. These amounts helped CROP provide almost 10 million pounds of food and self-help materials.

Sunday, October 26, from 3 to 5 p.m., teams of young people from the churches of the community will go door-to-door soliciting contributions for CROP. The guide for giving this year is "Give the cost of a meal".

Doran Appointed To Council

Speaker Gus Mutscher has announced the appointment of Representative Hilary B. Doran, Jr., of Del Rio to the Texas Legislative Council

The Council members determine policy and direct the work of the legislative service agency and are appointed by the presiding officers of the two houses.

Representative Doran is serving his second term as a member of the House of Representatives of the 65th District.

In announcing Doran's appointment, Speaker Mutscher said, "This young legislative leader brings enthusiasm and capability to the Council, and he will be a real asset to the work of this important legislative service ag-

Miers Museum To **Have State Marker**

The Historical Society of Sutton County held their monthly meeting in the Miers Home Museum,

two State markers. One of the markers will be placed at the Museum with the history of the house on it. The location of the other will be announced at a

The members also voted to screen the two porches with celo glass, Mrs. Bryan Hunt told the society that she would have the front porch painted.

There are 127 charter members of the society and anyone interested may still purchase a Charter membership. The Historical Society is for everyone in Sutton County interested in preserving the history of the city and county and not necessarily for people who were born here.

In Lubbock last Thursday to attend the freshman game between Arkansas and Tech were Mr. and Mrs. Wallas Renfro, Mr. and Mrs. Joe Stroube, Mr. and Mrs. Stanley Mayfield, Edgar Glasscock, Mrs. Anna Rose Gillit, and Mr. and Mrs. Billy Green. The Arkansas Shoats defeated the Texas Tech Picadors 23-22 with Ed Lee Renfro scoring one touchdown for the Picador team

Largest Dispersion Of Registered Angus Cattle Ever Held October 20-21-22

At the E. H. Chandler Ranch, Sutherland Springs, Texas (25 mi. S.E. of San Antonio, Tex., on Hwy. 87)

The E. H. Chandler herd of registered Angus cattle must be dispersed because the ranch has been sold. This largest auction sale of registered Angus ever held will offer over 1,800 lots. An unequalled opportunity for commercial and F-1 breeders to buy purebred registered Angus at bargain prices. These are range bred, strictly grass cattle, born and raised to do a job on grass. 150 cows sell bred to 3/4 Brangus bulls. Calves will be eligible for Brangus registry.

SPECIAL NOTICE: Any total purchase of \$10,000 or more by one individual buyer will be delivered free if arrangements are made with the sale manager.

For further information and catalogs contact:

8th Grade Colts Slap Ozona Cubs

The Ozona Cubs came to town last Thursday only to be defeated by the high-spirited Colts 24-6.

In only four plays the team moved within close scoring distance, and Larry Cade handed the ball off to Bruce Kerbow for the first touchdown. Freddie Virgen and a host of blockers moved across the line for the extra

In the second quarter Henry Mata made a nice 40 yard carry for the second touchdown and the conversion was made by Vir-

Ozona's change of backfield into linemen players made the going a lot tougher and Sonora had to settle for 24-6.

Ozona's lone touchdown was set up by an eighty-eight yard run by Saul Torres. Jack Sykes brought him down after a long exciting run which brought the crowd to their feet. Rick Hunnicutt scored from twelve yards out. Their conversion attempt

Henry Mata threw a swift pass right into the waiting hands of Randy Hill. Ladd Turner and Rex Taliaferro led the line with their

Thursday Sonora will host Junc-

7th Grade Colts **Shut-out Cubs**

By Paul Browne 7th grade Colts shut out

the Ozona Cubs by a score of 54-0. Alan Thorn was kick off man for Sonora and kicked an on-side ball. Behind the strong offensive line Sonora moved on to the goal and their first touchdown. Paul Browne passed to Keith Kniffen who carried it over for the touchdown and handed it off to Gabe Espinosa who made the extra point.

A repeat performance gave the Colts their second touchdown and extra points with Alan Harris setting up the touchdown play. At the end of the first half the Colts

Ozona's offensive offered little opposition as the Colts moved the ball at will. Paul Browne scored the third touchdown and gave the ball to Alan Harris to carry in for the extra points.

Sonora recovered an Ozona fumble and march down field for Albert DeHoyas to make the next touchdown while Browne added the extra points.

Mike Street quarter-backed the 7th reserve squad and they too moved the ball easily. Every player participated in the game and managed to shut-out the Ozona

"B" Team Loses Close Game 6-0

After defeating them in the first game of the season, the "B" team found a fired up group of Lions awaiting them in Ozona.

The Bronco offense moved well during the first half, but a series of fumbles and intercepted passes somehow managed to halt any scoring threat.

Sonora's defense, led by Frank Taylor and Mike Dillard, held the Ozona team to very little yardage until a weak defensive secondary again told its tale. The Lions found their scoring opportunity and took it.

A single pass play from twenty yards out brought the scoring to a halt, leaving the score at 6-0. The "B" team will meet Junction Thursday night in Junction.

Sonora Broncos Nudge Rankin Red Devils In 21 To 20 Victory Friday Night

The Sonora Broncos barely the TD.

squeaked by a tough Rankin team Friday night, defeating the Red Devils 21-20 in a non-district clash here in Sonora.

The Broncos started the scorwhen Kerry Joy penetrated the Rankin line at the twelve and went in for the goal. David Wuest added the extra point.

Rankin came back quickly, with two touchdowns, the first on a six yard run by quarterback Adam Pina. The second was made by Jim Vick from eight yards out. Both PATs were good. At the start of the second half David Wuest brought the score a little closer with a 32 yard field goal.

The last two quarters were tense ones as the Broncos struggled to gain possession of the ball and overtake their opponents. In the third period Vick scored

yard line, but a few minutes later Sonora rebounded with Wuest passing to Joy for 34 yards and

With the score now 20-16, the Broncos got a big break. Wuest's kick went into the end zone and was fumbled for a safety. The Red Devils then kicked off to ing early in the first quarter the Broncos, who drove to within 36 yards of the goal before they were faced with a fourth down and four situation Wuest then clinched the win with his second field goal of the night.

> On their next possession Rankin drove to within scoring distance, but fumbled the ball into the hands of the Sonora defense, and the Broncos waited out the remaining time, winning the

Sonora fullback Kerry Joy was the standout player of the game for the Broncos, gaining well over one hundred yards and scoring

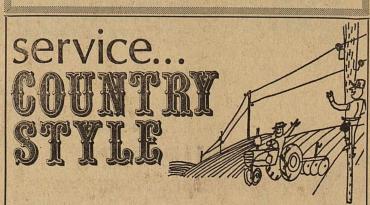

The Broncos travel to Menard again, diving over from the three this Friday night for their first district game with the Yellow
