

Line Coach... DENNIE HAYS

Hopkins-Hays Mark 100th Win During Tenure As Sonora High School Coaches

Menard's loss to the Sonora Broncos Friday night, helped to establish a phenomenal record for head coach Jerry Hopkins and line coach Dennie Hays.

Hopkins, who came here from Cameron in 1960, and Hays who came the same year from Edna, have just won their one hundredth game as coaches of the Sonora Broncos since that year.

In winning 100 games in the ten year period, they have lost 23 games and tied two. The two coaches have seen the Broncos advance to state finals three times, winning the state championship twice.

SONORA VS MENARD

By KAY KERBOW
The Broncos opened their district season with a bang as they trounced Menard by a 50-0 tally in Bronco stadium Friday night. The Sonora defense proved their worth as they held the Yellowjackets scoreless and contained the Jackets offensive unit to only four first downs and a total yardage of 57 yards.

Meanwhile the Broncos offensive unit rolled up 50 points and 523 yards, the yardage coming mostly from a crushing ground attack led by backs Milton Noel, Scott Jacoby and James Noel. The Broncos showed

ed their offensive depth when seven different ball carriers scored TDs.

The Broncos took the first Menard punt and in four plays pushed the pigskin across for the first score. Milton Noel pushed across from the 2 for the TD and Mike Taylor put the conversion through and the Broncos led 7-0.

The second Sonora score came on a 45 yard scramble by halfback Jacoby and a gain Taylor's kick was accurate to give the Broncos a 14-0 lead. Late in the first quarter Arnold Samaniego, in at a half-back position, raced 40 yards for the six pointer and Taylor

again converted, making the margin 21-0 at the end of the first quarter.

The second quarter scoring started off when Eddie Sutton ran a quarterback sneak over from the one and Taylor widened the gap to 28-0 with his PAT. The quarter ended spectacularly when reserve quarterback Mark Rousselot threw a 64 yard bomb to J. Noel and took a commanding 34-0 to the field house.

SECOND HALF

The third quarter went scoreless as various substitutions were made for the Broncos, but the fourth quarter began with a touchdown by reserve quarterback-halfback Jimmy Cade on a four yard plunge. Reserve fullback Tryon Fields took the ball across the stripe for the 2 point conversion.

Near the end of the game halfback Sammy Perez charged 26 yards to tally the Broncos final touchdown and again Fields powered over for the two points and the game ended 50-0.

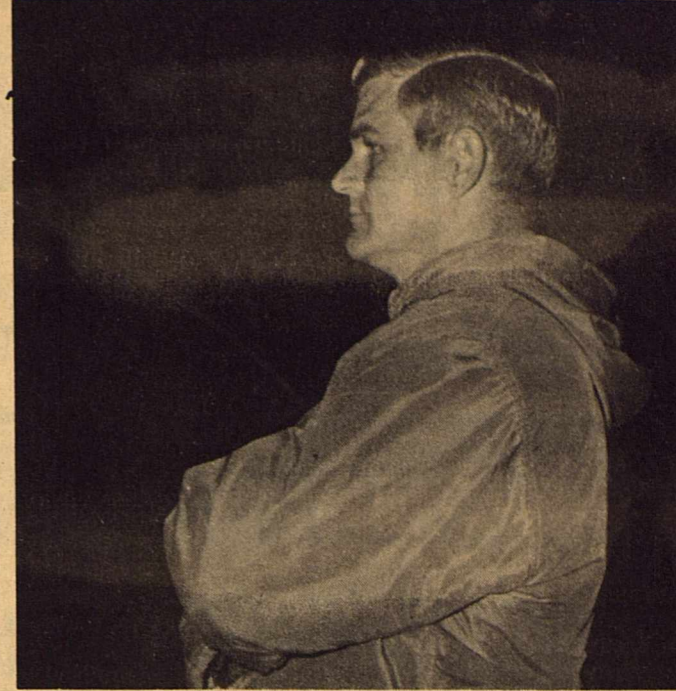

The Bronco defensive unit showed their skills as the out-manned Menard offense could not get on the scoreboard. In fact, the defense of the Big Reds was never threatened throughout the game.

The enter varsity squad got in on the game, and credit is due every player.

The Broncos travel to Bangs tomorrow night to take on the Bangs Dragons. The Dragons lost a 6-0 game to Robert Lee in their first district game. The only other game in district 9-A was a 10-0 surprise upset of the Mason Punchers by the Eldorado Eagles.

STATISTICS

Head Coach... JERRY HOPKINS

Eighth Graders Take 5th Win 42-20

The Eighth grade beat Junction last week by a score of 42-20, for their fifth win of the season.

The Colts took the ball on the 50-yard line and moved it down the field until Gabriel Espinosa ran it in for the TD.

Colts Go Over Junction 34-8

by MIKE STREET

The Sonora Colts won their third game in a row last Thursday, when they won over Junction 34-8. The Colts tied the first game 6-6 with Ozona.

Frank Gallegos opened up the scoring with a 30-yard run. Gallegos then ran for the extra points. The first quarter ended with the score 8-0.

The next score was set up on a 58-yard reverse by David Snodgrass. Gallegos then added six more to the Sonora total. The try for extra points was no good.

The half ended with the score 14-0 in favor of Sonora.

On Junction's kickoff, Gallegos returned it sixty yards for another touchdown. The extra points were no good. Sonora recovered their on-side kick.

A pass from Hector Perez to Gallegos added six more points. The try for extra points failed.

Sonora again recovered their on-side kick. A pass from Perez to Mike Street set up Sonora's next touchdown. A pass from Perez to Gallegos put six more on the scoreboard. The extra points were good as Perez passed to Street.

The Colts second defense took over and a 55-yard reverse made Junction's only touchdown of the game. The try for extra points was good, and the game ended with the score 34-8.

The Colts play Big Lake October 29 here in the Bronco Stadium.

Sarah Allison, Scott Jacoby 4-H Gold Star Recipients

The annual Sutton County 4-H Achievement Program was held at the Sutton County 4H Center, Tuesday, where outstanding 4H members, 4H leaders and friends of 4H were honored for their contributions to the 4H program in Sutton County.

Reagan Brown, Texas A&M University Extension Sociologist, was the speaker.

Sarah Allison, 15-year-old daughter of Mr. and Mrs. Lea Allison, received the Gold Star Award for being the outstanding 4H girl in Sutton County for 1970. Sarah has been a member of the county club for five years.

She has been active in range, grass, wool, mohair, sheep and goat judging and horse projects. Outstanding honors achieved include being a member of the 4H State Champion Teams in junior range judging and senior grass judging. She was also a member of the first place girls' grass judging team at the Houston Fat Stock Show and the first place 4H grass judging team at the San Angelo Fat Stock Show.

Sarah was the high individual of the 1970 State 4H Grass Judging contest with a perfect score and junior overall high individual of the Sonora Wool and Mohair Show judging contest in 1969.

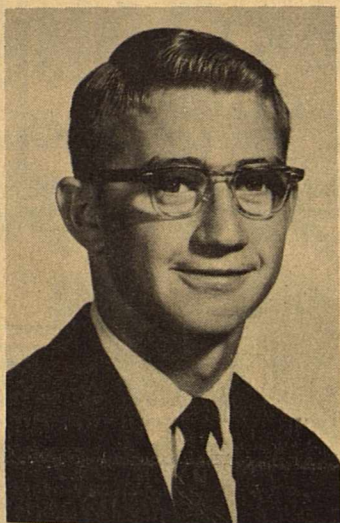

She has also served as a junior 4H leader, is a member of the Student Council and is currently reporter of the Sutton County 4H club.

Scott Jacoby, 17-year-old son of Mr. and Mrs. Phillip Jacoby, received the Gold Star Award for boys. He has been a 4H member for nine years. Scott's projects include the production, fitting and showing of Rambouillet breeding sheep, market lambs and wool. His judging activities have included grass, range, wool, mohair and livestock judging.

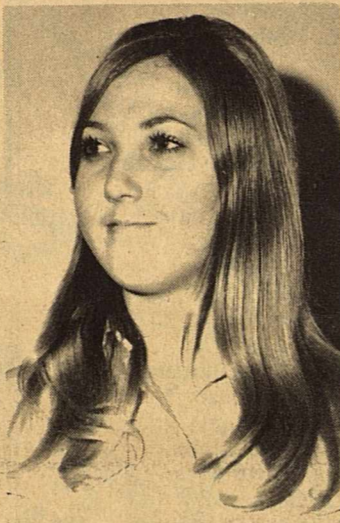

Outstanding team honors won by Scott include being a member of the overall high junior judging team at the Sonora Wool and Mohair Show, the state champion 4H junior range judging team, second place state 4H wool and mohair team and first place junior 4H District grass judging team.

Individual honors include being second overall high individual two times of the junior judging contest at the Sonora Wool and Mohair Show, high individual in Junior 4H District grass judging, and second high individual in Senior 4H District Livestock judging. Scott has exhibited many top placing lambs at the local and major shows including the Grand Champion Fat Lamb of the Sand Hills Show in Odessa.

Leadership is where Scott has excelled, according to those closely associated with him. He has been a junior leader for judging and fat lamb projects; has been elected to many offices in 4H including president of both junior and senior 4H clubs; he has been president of his class three times; is president of the Student Council, is president of the National Honor Society and is a member of the District 6 4H Council.

SCOTT JACOBY

SARAH ALLISON

OTHER AWARDS PRESENTED
Other awards presented to individuals at the banquet included:

Outstanding 4H mother—Mrs. Jodie Finklea.
Outstanding 4H father—J. D. Cook.
Outstanding 4H Contributor—Mrs. Mary Earwood.
4H Sweetheart—Miss June Alexander.

4H Beau—Scott Jacoby.
Achievement Awards were earned by Eddie Alexander, Larry Finklea, Susan Schwenning and Mike Stewart.
Horse Awards winners included Billie Ann Stewart, Maggie Galbreath and Scott Shurley.
Agricultural Awards went to John D. Cook, Mark Hemphill, Cora Pope and Lindsey Hicks.
Leadership merits included

Roger Langford, Joe Wallace, Sarah Allison and Janet Pope.

Conservation awards were earned by Bill Finklea, Sheila Alexander, Vicki Hardgrave and Marsha Finklea.

Acknowledgment in public speaking were awarded to Will Wallace, Rutie Wallace, Dennis Dunnam and Alan Harris.

Other awards included: Citizenship: Randy Gillit and Jane Wallace.

District Record Book Awards: Senior conservation, Janet Pope, first; Senior horse, Glen Davis, first; Junior sheep and wool, Cora Pope, first and Beef, Elba Adams, Jr.

Eight 4H members received Nathan's Jewelers outstanding feeder awards and received Angora goat feeder medals. Nine were recipients of awards in Lamb feeding. Nathan's Jewelers awarded thirty-one medals designated as 4H Judging Awards.

Forty 4H members received completion certificates for completing their 4H judging activities and for turning in record books on their 4H projects.

Cancer Society Meets October 15

The Sutton County Cancer Society met in the home of Mrs. Joe Hull October 15 with Mrs. Alvis Johnson, presiding.

A statistic report was given praising Sutton County for its work in the cancer crusade. Statistics revealed that Sutton County reaches 34% of its population, averaging 64¢ per person, while the State reaches only 8% of the people. Sutton County has exceeded its allotment for the past seventeen years, according to the report.

Coffee, cake and sandwiches were served to attending members and guests.

Berger Delaines Sweep State Fair

At the Pan-American livestock exposition at the State Fair in Dallas, Chris Berger swept the Delaine-Merino sheep division in showing the Reserve Champion Ram, Champion Ewe and Reserve Champion Ewe.

He also won first and second place in Class 14, ram lamb; first place awards in pen of three ram lambs, ewe lamb, pen of three ewe lambs and yearling ewe.

Boosters Plan Pancake Supper

Members of the Bronco Booster Club plan to sponsor a pancake supper at the school cafeteria, Friday, October 30, before the Sonora-Mason game.

Glen Richardson, president of the club, says everyone is invited to come between 5 and 6:45 p.m., and eat all the pancakes one can hold for \$1.

Proceeds will be used for Booster club uses, such as, the purchasing of film, etc.

R. Langford L. Finklea Share Memorial Trophies

Roger Langford, 17-year-old son of Mr. and Mrs. D. C. Langford, received the Fred Earwood Memorial Trophy at the annual achievement program for 4H members Tuesday night.

This trophy is presented to a senior 4H member each year to encourage 4H members to develop leadership qualities and to in turn encourage other Sutton County youth to participate in the local 4H program.

The trophy honors the memory of the late Mr. Fred Earwood for his many years of leadership in the ranching industry in Sutton County, and for his encouragement of youth to participate in educational programs related to conservation and livestock production. The trophy was presented to the Sutton County 4H club by an anonymous donor.

Roger has participated in judging and lamb projects for nine years. Outstanding honors won include being a member of the junior and senior overall high judging teams at the Sonora Wool and Mohair Show; member of the junior 4H State Champion range team; a member of the senior state 4H Champion grass and range teams; member of the National

Champion 4H Wool team; second high individual in senior State 4H grass judging; State Champion Senior 4H wool judge and State Champion Senior 4H range judge.

He has exhibited lambs that won many honors at the County and major shows including the Reserve Champion finewool lamb and the Champion cross-bred carcass lamb at the San Antonio show. Other honors include being selected as one of

five outstanding range campers at the 1969 Texas Section Range Camp at Junction. Roger was the boy's Gold Star award winner in 1969.

He has served as a junior leader in fat lamb projects, range, grass, wool and mohair judging and has continued his active leadership in these activities throughout his nine years in 4H. He has served as vice president of both the senior and junior 4H clubs.

BILLY GILLIT MEMORIAL

Larry Finklea, son of Mr. and Mrs. Lawrence Finklea, received the Billy Gillit Memorial Award which is presented to the outstanding junior 4H member by Mrs. Anna Rose Gillit and Ray Glasscock. This trophy honors the memory of the late Mr. Billy Gillit, husband of Mrs. Anna Rose Gillit, and is presented to encourage junior 4H members to participate in all phases of 4H work.

Larry has been in 4H for four years and has participated in Angora goat projects, range, grass, wool and mohair judging. Larry has exhibited prize winning commercial goats at San Angelo and Kerrville. Outstanding honors won include being a

member of the first place 4H District grass judging team; the 3rd place State junior 4H Wool and Mohair team; the 2nd place State junior 4H range team; and the first place overall high junior team at the Sonora Wool and Mohair Show. His outstanding achievement during 1970 was winning the junior overall high individual award in the 1970 Sonora Wool and Mohair Show.

Spring Forward Fall Backward

Those persons who happen to be up at 2 a.m. Sunday, may run their clocks back an hour as daylight saving time is over for another six months, at least.

Of course, for those who normally go to bed before 2 a.m. the clock could be run back an hour before retiring. Failure to do so, could create some mix-ups.

Remember—Spring Forward—Fall Backward!

Sonorans Open New Businesses

Two new businesses have opened in Sonora in the past two weeks. Bill Fish, formerly with a local feed store, has begun operating Bill Fish Liquid Feed Company, and the business is located in the Mat Adams building on Crockett Street.

Hank Hull, son of Mr. and Mrs. Joe Hull, has purchased the butane truck business from the Clyde Bricker estate, and is delivering butane gas to local and area patrons. His office is located in the Sonora Motor Company building.

IT WAS BUSINESS AS USUAL Monday morning at Westerman Drug, even though the large plate glass window was broken and some merchandise scattered when a 1964 Chevrolet crashed into the store front. It was reported that the drivers of two cars, the Chevrolet, and a 1963 Thunderbird, were presumably en-

gaged in racing on Concho Avenue, heading north. It is assumed that the driver of the Chevrolet skidded into the curb when the Thunderbird collided with the rear end of the Chevrolet. The accident occurred about 2 a.m. Monday. Occupants of both cars escaped without any serious injuries.

Editorials-Features-Columns

The most effective single force in building a good community is a good newspaper.

Sleep On ... You Have Everything To Lose

Bill Gibbons, Editor of the "Gaffney (South Carolina) Ledger" burned up the keys on his typewriter recently, going after the so-called "silent American". Wrote he, (in part), and re-printed here from the Fort Stockton Pioneer:

"Sleep on, silent American. Turn your ears away from the clamor of the mob in the street, the thunder of artillery shell in a Cambodian jungle, the wail of a starving child. Sleep on, silent American. If tomorrow's headlines frighten you, just don't look."

"Sleep on, silent American. Don't worry about the student protestors who are commanding administration buildings and bombing banks and exalting false gods."

"Sleep on, silent American. Say nothing, do nothing—and the problems of this nation may vanish. Don't be intimidated by your children. Tell your toddler to go to his room and play with his toys, but not bother you. Your eight-year-old has books and games and a color TV in his room. It's not necessary for you to go into his room to hear his prayers. Let him entertain himself."

"Sleep on, silent American. Tell your teen-

ager to go have himself a good time. Throw him the car keys and give him a ten-dollar bill. But don't ask him where he is going. That would be a violation of his privacy and an infringement on his rights. Never ask him who his heroes are. Don't require him to work and earn his own money."

"Sleep on, silent American. Do not bestir yourself to go to the polls on election day. Politics is a mess anyway. Never be seen with your hand over your heart and resist the urge to put an American Flag on your lawn. Applaud nudity in the theatre and pornography on the newsstands; this is the New Morality, haven't you heard?"

"Sleep on, silent American. Go to the golf course on Sunday morning; you've worked hard all week and deserve a little time off to relax. Of course, you might drop the kids off at Sunday School and give them a quarter to drop into the collection plate. Lie back in the hammock of complacency and inhale the amnesia of indifference."

"Sleep on, silent American. You have everything to lose."

Largest coral formation in the world is the Great Barrier Reef which is 1,350 miles long.

A Bishop Looks at Life CIVILIZATION

By Everett H. Jones, Retired Bishop of the Episcopal Church

One of the frightening questions that is sometimes asked in the midst of modern turmoil and confusion is this: Are we at the end of civilization as we have known it?

There is tremendous wisdom on what our civilization is and how it is preserved in a series of thirteen television scripts produced in England in 1969 and now being shown over education television in this country. They are also embodied in a book entitled "Civilization" recently published. The author of the book and the narrator of the films is Kenneth Clark, distinguished British art critic, professor and author.

Clark makes clear that civilization is fragile and can be destroyed. This almost happened after the fall of the Roman Empire, due to a combination of fear, exhaustion and boredom. Only the patient and determined efforts of a few sur-

viving Christian colonies enabled the heritage of the past to be preserved.

This authority has valuable reminders for us on what it takes to save civilization. He puts first a modicum of material prosperity—at least enough to provide a little leisure.

"But far more," he writes, "it requires confidence—confidence in the society in which one lives, belief in its philosophy, belief in its laws, and confidence—confidence in one's own mental powers. . . . vigor, energy, vitality: all the great civilizations have had a weight of energy behind them."

"Civilization means something more than energy and will and creative power. . . a sense of permanence. The wanderers and the invaders were in a continual state of flux—it didn't occur to them to build stone houses or to write books. Civilized man must feel that he belongs somewhere in space and time, that he consciously looks forward and looks back."

At the end of his survey Clark has this much hope to offer: "What western man has achieved in the last thousand years has often come after setbacks and deviations at least as destructive as those of our own time. Western civilization has been a series of rebirths. Surely this should give us confidence in ourselves."

Mike Wuest Guallardian Nominee

Mike Wuest was one of seventy nine students nominated by campus organizations to represent them as Guallardians at Southwest Texas State University at San Marcos. Winners will be presented at the Homecoming activities November 6 and 7. Nominees are considered on the basis of scholarship, participation in extra-curricular activities, friendliness, character and school spirit.

S. B. Roberts of Abilene spudded in a well on the George S. Allison ranch last Monday.

Allen Emory, Jr. of Emory and Conant of Boston bought the remaining 325,000 pounds of fall clip wool from the Sonora Wool and Mohair Co. Tuesday at 30 cents a pound.

Mr. and Mrs. Tom Bond and son, Tommy, of Rankin, were here over the weekend visiting with friends and relatives.

LaVista Theatre was damaged to the extent of \$150 by a fire which broke out in the projection room Wednesday night at the close of the show.

THE SEASONS by Local Talent

In the spring the creeks have running noses
The little rabbits are running too
The hills and vales are covered with posies.
And everyone is here but you!
In the fall the sheeps have running noses,
And walnut leaves are turning red,
The morning breaks my frozen toeses
I wish that I could stay in bed,
When my nose is frozen solid,
And I hear that ringing bell,
I think of the delightful summer
'Cause I'm cold as the devil!

OCTOBER 20, 1950
Carlos Loeffler won first place at the State Fair Thursday with his Angus calf.

Joe Brown Ross won 17 prizes at the State Fair with his group of 10 C-type Angoras.

R. A. Halbert, breeder of Polled Herefords, showed both the champion bull and the champion female of the Polled Hereford Show at the Dallas State Fair.

Alice Lee Duncan was honored with a party on her sixth birthday by her mother, Mrs. Earl Duncan.

Mrs. Ben Cusenbary spent last weekend in Lubbock.

Harold Friess and Paul Turney were in Corpus Christi last week on business.

Mr. and Mrs. W. A. Glasscock are parents of a daughter, Bonnie, who was born here.

C. T. Jones is receiving more calves today. He will get about 1,500 to 2,000 Hereford calves here at the end of the month. He got about 150 Hereford calves from the McKnight estate for 31 cents a pound.

OCTOBER 20, 1960
Sonora Broncos took their seventh straight victory of the season by downing the Ozona Lions 25 to 8 here Friday night. The game was a close one all the way with the Broncos turning their finest performance of the year. A total of 2,272 tickets were sold for the game.

Showers of considerably less than drought breaking proportions fell over the Sonora area during the past several days.

The Wallas Renfro family virtually walked off with all prizes in the Go-Kart derby held recently in Big Lake. Renfro, his wife, and his son, Ed Lee, walked off with 15 of 21 starts in the racing events and the family won a total of seven trophies.

Mr. and Mrs. Joe T. Friess of Alpine were Sunday visitors in the homes of their parents.

Halloween Queen candidates were named by high school students and they are: Debra

Cooper, freshmen; Betty Jack Cooper, sophomore; Barbara Wright, junior and Nanette Stokes, senior class.

YEARS PAST
November 19, 1894. . . The Sonora country is the hunters paradise this year. Bear, deer, antelope, Mexican lions, wild cats, badgers, fox and small game of all kinds are in abundance. The lakes are covered with duck and every thicket full of plover and quail.

September 1, 1894. . . C. F. Adams and Oscar Clark were out bird hunting Saturday and bagged 82 plover.

. . . The boys have been at work on the Rocksprings road this week. The worst place in all this road is the hill between R. H. Wyatt's and C. T. Turney's and no ordinary road work will put it in a passable condition. The commissioners court should make an appropriation for this work or receive suggestions as to a different route. The work done this week is a great improvement.

September 8, 1894. . . Sonora school will begin Sept. 10 and will continue for nine months, if it is possible to raise a sufficient supplement to the public fund. The public fund will run the school about seven months.

You may not have a fine voice but think of the advantage of being able to read the music and turn the leaves while your best girl is playing on the piano. Professor Million will teach you to do this. (ADV.)

April 28, 1894. . . To the Clerk of the Weather: We like the samples you have sent us recently and would be pleased if you fill our order for one inch of rain, once a week until further notice. Will remit promptly each week on receipt of the rain. Yours hopefully, WEST TEXAS.

May 15, 1894. . . The spring clip of wool is so light that at ten cents a pound the grower will not realize any more for it than he did last fall's clip at seven cents a pound.

May 12, 1894. . . Joe Parker came in from Adams' ranch in Edwards County Friday where he had his sheep shorn. They sheared four pounds a head. He also reports that the entire country is covered with water a foot deep.

May 5, 1894. . . It has been raining for two days steadily. It is still at it, and it is a root soaker and gully washer.

Cooper, freshmen; Betty Jack Cooper, sophomore; Barbara Wright, junior and Nanette Stokes, senior class.

Cooper, freshmen; Betty Jack Cooper, sophomore; Barbara Wright, junior and Nanette Stokes, senior class.

Computers Are Amateurs At Prying Into The Private Lives Of People

Editor's note: The Devil's River Philosopher on his bitterweed ranch on Dry Devil's River examines the computer age this week, we suppose.

Dear editor:

I don't know about the rest of you but I've never understood what goes on inside a computer, oh I know it can figure out at what angle and what speed to fire a rocket from the earth to land at a given spot on the moon but hasn't been able to figure out how to get a letter from Dallas to Sonora on time, but exactly how it works is something I leave to the scientists.

What got me started on this was an article I read in a newspaper last night about an international conference of 400 lawyers called in Brussels to examine the effect of computers on human beings.

According to them, the computer can become "a horrifying tool for prying into the affairs of the individual." They said it can become "a threat to the individual and his private life due to the great mass of information about private lives that can be assembled and called up instantaneously."

I think those lawyers are get-

ting excited over nothing. What I mean is, information about private lives has been stored up in some human brains long before computers were even dreamed of, and most of the time it has been released not only instantaneously but repeatedly.

I never have heard of a town that didn't have some people who could give you down to the last detail a full report on the private lives of 90 percent of the population, and they were working on the other 10 percent.

I'm not saying it is always 100 percent accurate, but when it comes to finding out and storing up a great mass of information about private lives, the amount of detail they have assembled—computers a computer ten to one, and they can be switched on any time of the day or night without electricity. In fact, if they aren't switched on, they turn themselves on automatically.

Those lawyers ought to realize that a computer can't hold a candle to people when it comes to finding out what other people are doing privately.

Yours faithfully,
J. A.

A LOOK AT CAPITOL HILL WITH Dick Gill YOUR CONGRESSMAN

FOR THE '70s AND BEYOND

The latest official records now show that the North Vietnamese and Viet Cong forces acknowledge holding 457 American prisoners of war in Southeast Asia, some for as long as 6 1/2 years.

The 457 are known prisoners. In addition, 1,090 Americans are listed as missing, including some thought to be alive and in enemy hands. Hanoi, of course, makes no mention of these men and refuses to answer any Red Cross queries about their fate. Of the 457 known prisoners, 376 are held in North Vietnam, 78 in South Vietnam and 3 in Laos, according to the Pentagon.

As I noted in my Oct. 7 telegram to President Nixon, following his latest peace proposal: "Once again, you have struck to the heart of the agonizing situation in Vietnam and in all of Indochina. I am particularly concerned with the final key point of your peace plan—the immediate release of all prisoners. For too long American POW's and MIAs have been relegated to the position of forgotten men."

"This one single accomplishment—the release of all U.S. POW's and a complete accounting of our MIAs would be a major step forward. You have again my admiration and respect and my heartfelt best wishes for the success of your courageous efforts to end the bitter Vietnam war."

TEEN SCENE

By KAY KERBOW

The Sonora Broncos opened district with a bang as they smashed the Menard Yellow-jackets by a 40-20 blast. The entire varsity got in on the action, either defensively or offensively. Five Broncos scored proving the versatility of each player.

Those scoring were Scott Jacoby, Jimmy Cade, Eddie Sutton, Sammy Perez and James Noel. Tryon Fields chalked up points as he took across two 2-point conversions. Special recognition goes to Ladd Turner who has been moved up to varsity. Way to go, freshman!

As everyone knows the Broncos go to Bangs to play the Dragons tomorrow night. It's a long way to Bangs, but a true Bronco fan will make the trip if there's any way possible. Good luck, Big Reds!

As I'm sure the entire school has heard, Eldorado beat Mason 10-0 in a surprising upset. That means that both the Eagles and the Punchers will be after SHS. But we all know that the Broncos are #1, and we'll convince both Mason and Eldorado of that fact after we beat 'em good.

It's not going to be easy and it'll take every player's best efforts and every student and townspeople support to do it, but when it's all over, the Broncos will prove once and all—Broncos #1!

will be both 'B' and 'A' games. —SHS—
 All students join with me, I'm sure, in extending their best wishes to Kelly Sentell and Beth Davis. Both girls were involved in a one-car accident ten miles out of Menard. Beth received minor bruises and scratches, and was not seriously injured. She was moved from the Menard hospital to Hudspeh Memorial Hospital Monday morning, and she is doing fine.

Kelly wasn't as lucky as she received a three-fractured pelvic bone, and has had to remain in the Menard hospital. She is expected to remain out of school for about six weeks. SHS wishes both of them the very best.

—SHS—
 Vickie Bennett left the ranks of SHS to return to Dallas. However, she hopes to come back before summer and again be a member of SHS.

Vickie, even though she has lived here a short while, was a friend to all and her presence will be missed... especially by a certain freshman boy. Vickie has said that she'll be here for the Mason game if there's any possible way, so until then—SHS says, "see you later, Vickie."

—SHS—
 A school paper has been started and will be published bi-monthly. It will be handed out tomorrow, Friday.

Saundra Mounce is the editor-in-chief. Suggestions will be greatly appreciated—helpful suggestions, that is! A box will be placed in Mr. Buchanan's room for song dedications and "what-ifs" to be placed in. A reminder—all of these will be read and censored by the co-sponsors, so think about what you suggest before you put it in the box.

Canoists Plan Seven-Day Trip Rio Grand Area

A seven-day Sierra Club canoe trip through the Rio Grande canyon country east of Big Bend National Park was announced by tour leader Bob Burleson of Temple.

Seventeen canoists from Texas, two from California, and two from New Mexico will make the trip, limited by the Sierra Club to "properly equipped and capable paddlers in good physical condition."

The lonely stretch of the Rio Grande that the group will cover is the least-known wilderness area in Texas. No paved roads reach the river and there are no bridges or vehicle crossings in the area.

Canoists will cover between 12 and 25 miles of river each day, depending upon weather and the amount of time spent exploring side canyons along the Rio Grande.

The Sierra Club is dedicated to exploring, enjoying, and preserving scenic resources of the United States and its forests, waters, wildlife, and wilderness. Twenty-one chapters of the club in the United States participate in local conservation activities. National headquarters are located in San Francisco.

Just Arrived

Mr. and Mrs. Tommy Lin Turney of San Angelo are parent of a son, Tommy Lin, Jr., who was born October 13 in a San Angelo hospital. The baby weighed 10 pounds, 2 ounces.

Maternal grandparents are Mr. and Mrs. Valton Chapel of San Angelo, and Mr. White of San Angelo is the great-grandfather.

Paternal grandparents are Mr. and Mrs. Lin Turney of San Angelo, and Mrs. Frank Turney is the great-grandmother.

Did You Know?

Now is the time to fertilize your lawn with 15 - 20 pounds of fertilizer per 1000 square feet. Any time is a good time to buy fresh vegetables at SAUNDERS GARDEN, next to the football field. adv.

Coffee Break

by Shirley Hill

Received a letter from Mrs. Turk Martin Friday and would like to share it with all my readers.

"Since my husband's, Turk or Jim Martin, accident May 12, 1970, we have received a tremendous amount of cards and letters.
 Turk, our girls, Cheryl and Tami, and myself want to thank each and everyone who took the time to send these cards and letters. I read each one to Turk and he enjoyed them. Each card that was sent, I showed to him and read the notes inside.

Some think cards and letters seem like such a little bit to do for someone. When one is completely paralyzed, there are very few things you can do to even smile about. For Turk, mail time has been the highlight of the day. So, we say 'thank you' again to the very thoughtful people of Sonora and the surrounding towns!

Your friends, Turk, Margaret, Cheryl and Tami
 P.S. Turk's address is: Mr. Turk Martin, VA Hospital, 7th & Bellflower Blvd., Ward D-1, Bed 32, Long Beach, California 90804

"NOT GUILTY"
 A pastor entering a class

while the lesson was in progress asked: "Who broke down the walls of Jericho?" A boy answered, "Not me, Sir". The pastor turned to the teacher and asked: "Is this the usual behavior in this class?" The teacher answered: "This boy is honest and I believe him. I really don't believe he did it."

Leaving the room, the pastor sought out a leading officer of the church and explained what had happened. His reply was, "I have known that boy and that teacher for years, and I don't think either of them could do such a thing."

By this time the pastor was heartsick and reported the incident to the Christian Education Committee. They said: "We see no point in making an issue out of this thing. Let us pay the bill for the damage to the walls and charge it to upkeep. Our insurance may even cover it."

The above was submitted by Ray Garnett, who hopes everyone will get a laugh out of this bit of humor, sad as it may be that some of our Christians are as ignorant of the great Bible truths.

—SKH—
 Mrs. Bill Whitehead and Mrs. Dorothy Taylor spent the weekend at San Marcos visiting their daughter and granddaugh-

ter, Lesa. They also visited with Mrs. Taylor's daughter, Mrs. Sam Jones (Betty) of Austin.

Mrs. Juliet Driskell and Mrs. Muriel Hamilton had as visitors last week, their brother, Hal S. Holland of San Antonio. Also visiting was Mrs. Driskell's son, Lt. Col. Claude Driskell of Colorado Springs, Colorado.

Mrs. E. B. Keng is out of the hospital and reports from E. B. are good. Martha is now visiting with her mother in Purlmea.

Mr. and Mrs. Tom Nevill visited last weekend with their sons and families, Mr. and Mrs. John Ed Nevill, April, Kellar and Glenn of Eastland, and Mr. and Mrs. Bob Nevill and Heather of Arlington.

Tom Trainer is here visiting with his parents, Mr. and Mrs. Jack Trainer, and his brother, Gene, after completing six months training with the National Guard.

MONDAY NIGHT CLUB

Mrs. W. T. Black entertained members of the Monday Night Bridge Club at her home October 19 with supper and bridge. Members present were Mmes. W. H. Hill, Clayton Hamilton, Joe Neil Smith, Horace Hill, Albert Ward, Wayne Herrmann and Miss Vivian Mearns. Miss Mearns won high; Mrs.

Herrmann, traveling and Mrs. Ward won the bingo prize.

WEDNESDAY COUPLES CLUB
 Mr. and Mrs. Clay Cade hosted the Wednesday Couples Club last week. High club prize was won by Mr. and Mrs. Nolan Johnson, and Mr. and Mrs. Jimmy Harris won guest high.

The traveling prize went to Mr. and Mrs. Bill Gosney. Bingo was won by Mr. and Mrs. Wallas Renfro and Mr. and Mrs. Joe Lane.

GROUP TOURS AGGIE LAND
 Last week five couples from Sonora went to A&M to tour the campus and attend the Tech-A&M football game. They were Mr. and Mrs. Bill Gosney, Mr. and Mrs. Lin Hicks and sons, Mr. and Mrs. Clay Cade and sons, Mr. and Mrs. Dub Wallace and Mr. and Mrs. Glen Richardson and sons.

Mike Gosney and Mike Richardson conducted a guided tour through the animal science department and the cyclotron building.

The highlight of the trip for the young men was seeing Governor Preston Smith and visiting with the A&M football team.

Tarantulas have no sense of hearing.

THE WORLD GOD MADE

Teach them the wonder of its foliage, the panorama of its seasons, the mystery of ever-renewing life.

Teach them the world God made.

But teach them, too, the God who made the world... the majesty of His Power, the purity of His Holiness... the tenderness of His Love.

Teach them the Christ through Whom our Creator revealed His heart to mankind.

There is no greater tragedy than to cherish a book, but not understand its Author.

*Patients dismissed during the same period.

Green News

By Jo & Monica

Ann Herrmann and Martha Black recently played in a Ladies Golf Tournament in Big Lake. They had a good, windy time.

Only 7 girls were out last Wednesday but there was much

golf played. So many "contests" going that even the winner still doesn't know "how she won".

Web and John Webster came out for a relaxing game. "When your own kid beats you, how can it be relaxing?" asks Web.

Sammie, Jane, Chicken and Jo played six holes of golf Sunday before the rain ran them to the Club House where Francis had a roaring fire going for wet golfers.

Carol Ratliff, Jack Hext and two other golfers from Eldorado didn't give up. "A small down-pour doesn't stop real golfers", they exclaimed, as they crowded around the fireplace. Francis, Lee Patrick, Ed Grobe and Wayne Herrmann played golf early and were just "slightly soaked".

Dominos and Spite and Malice were played. It is time for the bridge players to start their "winter games". Everyone should enjoy the cozy club house, watch TV, or play their favorite games.

Did you know that we have thirty-one paid Auxiliary members? There are others who haven't been able to attend the luncheons and pay their dues. We are striving to get forty members so you who haven't joined, do so.

You are missing delicious food, a lot of work (at times) and good fellowship.

Mixed foursome Sunday. Registration 1 p.m. at club house. Play begins at 1:30 p.m.

Homemakers Nutrition Recipes

(Editor's note: This is seventh in a series of recipes presented by Mrs. A. E. Prugel, home-making teacher, as a guide to homemakers in preparing low cost, nutritious foods.)

ROLLED WHEAT
Rolled Wheat preparation is similar to rolled oats. A good source of the B vitamins which gives you a feeling of well-being, it also furnished iron and other minerals in one's diet and gives an interesting nut-like flavor to foods. It can be substituted for rolled oats in breads and used as an extender for meat loaves and meat patties. Here are 3 recipes incorporating rolled wheat.

ROLLED WHEAT PANCAKES
2 tablespoons fat; 2 eggs, 1/4 c. milk; 1 cup cooked rolled wheat; 1/2 cup flour; 2 teaspoons baking powder; 1 tablespoon sugar

Melt fat in fry pan. Beat eggs. Add milk and melted fat to beaten eggs. Stir into rolled wheat and mix well. Mix together flour, baking powder and sugar and add to rolled wheat mixture. Stir just enough to mix. Pour batter by spoonful onto heated pan. Cook pancakes about 3 minutes on each side or until they are well browned. Makes about 12 pancakes.

ROLLED WHEAT BREAD
1 cup rolled wheat; 3 cups flour; 1/2 cup powdered milk; 1 1/4 cups water (lukewarm); 1 package yeast; 2 tablespoons sugar; 2 teaspoons salt; 2 tablespoons fat (lard or any other shortening)

Add yeast to lukewarm water. Mix together all the dry ingredients. Add the water with the yeast to the dry ingredients. Beat until smooth. Add enough flour to make a smooth dough that is soft but not sticky. Enough flour has been added when the dough cleans the bowl. Turn the dough out on a floured board. Knead the dough to the count of 100. Grease the bowl. Place dough in bowl, cover with soft towel and allow to rise until double in bulk. Takes about an hour. Place dough on floured board. Divide the dough into two portions. Cover with a towel and allow to rest about 10 minutes. The dough will be easy to handle after the rest period. Shape the dough into loaves, rolls or coffee cake. Allow the loaves or rolls to rise until double in size.

Bake at 350 degrees for 35 to 40 minutes or until golden brown. The bread is done when

it shrinks from the sides of the pan and sounds hollow when thumped lightly. Remove the bread from pans immediately and cool.

NO KNEAD WHEAT BREAD
1 cup rolled wheat; 1/2 cup molasses; 1/3 cup fat; 1 tablespoon salt; 1 1/2 cups lukewarm water; 2 packages dry yeast; 1/2 cup warm water; 2 eggs, beaten; 1 cup seedless raisins; 5 1/2 cups flour (approximately)

Combine all dry ingredients. Soften dry yeast in 1/2 cup warm water. Combine beaten egg, molasses, fat, salt and raisins. Gradually add the flour mixture and mix until well blended. Place dough in greased bowl and cover. Place in refrigerator at least 2 hours. When dough is chilled, shape into loaves.

Place in greased loaf pans. Cover. Let rise in warm place until double in bulk, about 2 hours. Bake in 350 degree oven about 45 minutes. Note: This dough makes good muffins.

Oldest stained glass in the world represents the Prophets. It is in a window of the cathedral of Augsburg, Bavaria, Germany.

Analyses Of The Seven Proposed Amendments

General election day, November 3, Texas voters will face a heavier than usual responsibility. In addition to casting ballots for the candidate of their choice, they will also be voting for or against seven proposed amendments to the Texas Constitution. Some of these have the potential for far-reaching effects.

To aid voters in understanding of the proposed amendments, the Texas Legislative Council of the 61st Legislature of Texas has prepared "Analyses of Proposed Constitutional Amendments." This publication gives background information on each of the seven measures and cites arguments "for" and "against" each of them.

From the information provided by the Council, the Texas Agricultural Extension Service has prepared a series of articles on the seven amendments to inform the general public on the issues they will consider November 3.

PROPOSED AMENDMENT NUMBER 1—relates to the removal, retirement, or censure of justices, judges, and justices of the peace under prescribed circumstances.

"The proposed amendment was drawn to enlarge the jurisdiction of the State Judicial Qualifications Commission and to enlarge its powers on censure and removal from office of all state and local justices, judges, and justices of the peace whose conduct is deemed inconsistent with the proper performance of the duties of the court," according to the Texas Legislative Council.

The following argument FOR is taken directly from the analyses made by the Texas Legislative Council:

"1. Every judge is charged with the equitable enforcement of law. The responsibilities of the judges of lower courts are no less sacred than those of the justices of the appellate courts; therefore, they should be answerable to the same rules dealing with retirement, removal from office, and public censure or private reprimand."

The following argument AGAINST is taken directly from the analyses made by the Texas Legislative Council:

"1. Except in rare instances, the judges named in Subsection (b) are elected by the people and therefore answerable to the people at the polls. Therefore, the expansion of the article is unwarranted. Increasing the power and scope of the commission might also lead to 'witch hunts', and such action could subsequently discourage qualified persons from seeking election to the bench."

PROPOSED AMENDMENT NUMBER 2—would authorize the legislature to enact a mixed beverage law regulating the sale of mixed alcoholic beverages on a local option basis.

The following arguments FOR are taken directly from the Texas Legislative Council analyses:

"1. The proposed amendment is not a wet-and-dry issue because the sale of alcohol has already been sanctioned by a majority of the residents of the state; also, a non-binding referendum during the 1968 primary elections resulted in a 40,000-vote margin for mixed beverages out of a total vote of 1.4 million."

"2. The proposed amendment would not force mixed drinks on any locality since it requires that any mixed-drink law be on a local option election basis."

"3. Adoption of the proposed amendment and passage of subsequent enabling legislation would lead to stricter control of liquor sales to minors, and end to the subterfuge of private

clubs, a decrease in alcohol consumption, a reduced crime rate, and fewer traffic accidents.

The following arguments AGAINST are taken from the same publication:

"1. The proposed amendment would make alcoholic beverages more readily available."

"2. The proposed amendment would lead to an increase in crime and in traffic deaths."

"3. Although enabling legislation for the proposed amendment could be designed to raise new revenue through the taxation of mixed beverages, this revenue would be negligible in comparison with resulting problems such as broken homes, juvenile delinquency, drunk-driving, criminal assaults, and other crimes."

PROPOSED AMENDMENT NUMBER 3—which would authorize the legislature to provide by law for the establishment of a uniform method of assessment of ranch, farm, and forest lands based upon the capability of the lands to support the raising of livestock or to produce farm and forest crops.

The following arguments FOR are taken directly from the analyses made by the Texas Legislative Council:

"1. Farm real estate taxes per acre have increased by more than 22 percent, according to data compiled by the Economic Research Service of the United States Department of Agriculture, and there is a need for the tax relief for owners of such property which the proposed amendment would authorize."

"2. The constitutional amendment approved by the voters in 1966 has not provided tax relief urgently needed by farmers and ranchers who use agricultural purposes land which has greatly increased in value due to its potential use for other purposes, such as urban development. The proposed amendment would enable the legislature to provide such relief."

"3. The present system of assessing forest lands for ad valorem tax purposes is inequitable and unrealistic. Timber is not recognized as a 'farm product' exempt from taxation as are other growing crops. Timber is accordingly taxed with, and in addition to, the land. The result is that tree farmers pay an ad valorem tax each year on their land on the current year's "crop" (represented by the growth of the trees), and on the crop product in each prior year since the stand of timber was planted. The tree farmer does not recover any portion of these tax payments until the trees are harvested some 20 to 50 years after they are planted. The proposed amendment would authorize the legislature to provide a fairer system of property valuation for taxation of forest lands."

The following arguments AGAINST are taken directly from the analyses made in the same publication:

"1. Enabling legislation for the proposed amendment has not been passed; therefore, the voter has no idea how far the legislature may go in providing property tax considerations to the owners of farm, ranch, and timber lands."

"2. The proposed amendment could result in a tax ceiling for rural lands while urban Texans would be in a different category."

"3. Lower property valuations resulting from implementation of the proposed constitutional amendment might reduce tax revenues of county, school, and other taxing districts. This could possibly handicap these political subdivisions in performing essential governmental functions and services unless other sources of income are found."

Permanent prints of photographs that have appeared in recent editions of the "Devil" are available in 5x7 or 8x10 sizes. Order in "Devil" office during business hours Monday through Friday (8:00 a.m. to 5 p.m.)

Let's Re-elect OUR CONGRESSMAN

O. C. FISHER
EXPERIENCE—MATURITY
ACHIEVEMENT
(Pd. Pol. Adv.)

Wrinkles are a vicious cycle.

In some dryers the heat that dries your clothes also bakes wrinkles into permanent press. But you can buy a new gas dryer with a permanent press cool-down cycle that turns off the heat and cools off your clothes. That means modern gas dryers won't add wrinkles to your wash and extra ironing to your work load. Because they have a cycle that keeps wrinkles from becoming vicious.

Gas living makes sense

4-H Officers And Leaders Named

Sutton County 4-H program committees, adult officers and 4-H officers have been named for the 1970-71 year.

Gene Wallace, Philip Jacoby and Bill Whitehead were designated leaders. Adult officers include Corky Schwiening, president; Lawrence Finklea, vice president; Patsy Schwiening, secretary; J. D. Cook, treasurer and reporter, Jodie Finklea.

4-H officers are Scott Jacoby, president; Roger Langford, vice president; June Alexander, secretary; Joe Wallace, parliamentarian and Sarah Allison, reporter.

Duties of these officers are to plan the over-all 4-H program for the county.

Chairman of the fat lambs committee is Wallas Renfro with Tony Renfro, chairman of the 4-H group. Duties of the chairman and their committees consist of assisting in the feeding, fitting and showing of fat lambs.

Assisting in the feeding, fitting and showing of breeding sheep and goats was assigned to Lawrence Finklea, chairman, and Joe Wallace, chairman, with committee members.

Elba Adams and Elba Adams, Jr., are chairmen of the committees assisting in the feeding, fitting and showing of cattle.

In charge of 4-H record books are Edgar Glasscock and Janet Pope with their committee members. Their duties consist of training 4-H members in keeping demonstration records and assist 4-H members in the preparation of 4-H records for competition.

Training of teams in livestock, wool, mohair and plant judging finds Gene Wallace and Janet Pope, chairmen, to work with their committees in assisting in training 4-H judging teams

23 High Schoolers Top Students

Twenty-three Sonora High School students were honored for scholastic achievement and named to the first six week honor roll list.

Senior students making the honor roll were Pam Hancock, Carol Gay Hardgrave, Sandra Mounce and Trouba Teaff.

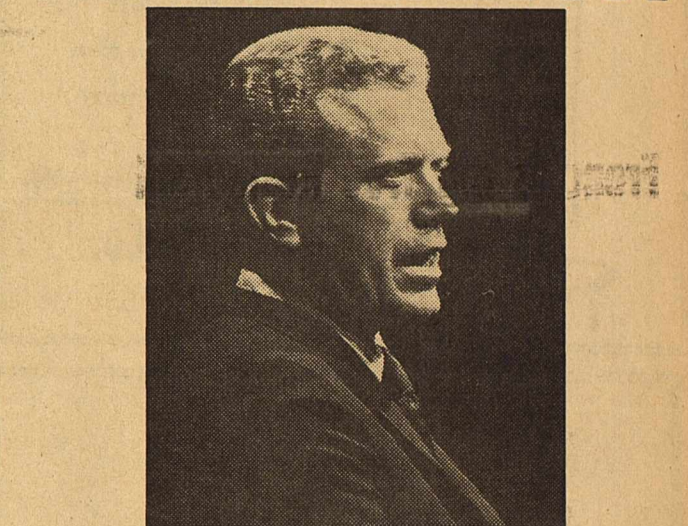

Outstanding juniors on the honor roll included Jean Fimhaber, Jessie McCutchen, Marilyn Morgan, Joe Nance and Rick Steut.

Sophomores named to the honor list were Sarah Allison, Jimmy Galindo, Wade Richardson, Mark Rousselot and John Weston.

Freshmen students on the honor roll were Jim Fimhaber, Karen Hemphill, Bruce Kerbow, Jack Sykes, Carmen San Miguel, David Wallace, Ruthie Wallace, Carol Weston and Cindy Feagin.

Other outstanding students who were named to the merit list included twenty-one seniors, thirty-four juniors, thirty-three sophomores and twenty-six freshmen.

SONORA vs BANGS

BRONCOS DRAGONS

FRIDAY, OCTOBER 23
7:30
BANGS STADIUM

BACK THE BRONCOS
ATTEND ALL THE GAMES

MIKE TAYLOR, 82, latches on to a Menard Yellow jacket at the Friday night game. The Broncos held the Yellowjackets scoreless, as the game ended 50-0 in favor of Sonora. The

game was a district season opener for the Broncos, who travel to Bangs Friday night to meet the Bangs Dragons in the second district tilt.

TRYON FIELDS, 30, playing the fullback position for the Sonora Broncos Friday night contributed four points to the 50-0 score over the Menard Yellowjackets. Fields twice took the ball across after the TD for a two point conversion. Coaches Jerry Hopkins and Dennie Hays were probably two of the more excited spectators at the ball game, as the Broncos rolled along to make

the 100th win for the two coaches as a team and in coaching at Sonora High School. The coaches are to be commended for the exceptional record of 100 wins, 23 losses and 2 ties they have rung up in the ten-year record as coaches of the Broncos. Four district games remain to be played to round out district play for the 1970 football season.

a-vail-a-ble (ə va'lə bəl),
adj. 1. suitable or ready
for use. 2. valid
