Quarter Horse Show Set Saturday

The annual Sonora Junior Quarter Horse Show, sponsored by Sutton County 4-H, will be held Saturday at the Sonora Park Association Race Track. The show is open to all 4-H members and FFA members in Texas.

The show opens at 9 a. m. with Sparks Rust of Del Rio, judging the halter classes. Performance classes will immediately follow the halter classes.

Entry fee is \$5 and contestants must have passed ninth birthday, must be enrolled in public school and must not be 19 years of age.

Ribbons will be awarded for six placings in halter classes and for six placings in performance classes.

Trophies will be given to first place horses in each halter class and a trophy will be awarded to the high point horse of the show.

Other trophies include those to be awarded to first place winner in performance classes and to the champion showman. Awards will be presented at the conclusion of each event.

Performance covers Western Pleasure; Pole Bending; Barrel Race and Break-Away Roping.

Show officials include Birl Davis, Billie Galbreath, Gene Shurley, Louis Powers, Mrs. Louis Powers, Mrs. Bill Stewart and Bill Whitehead.

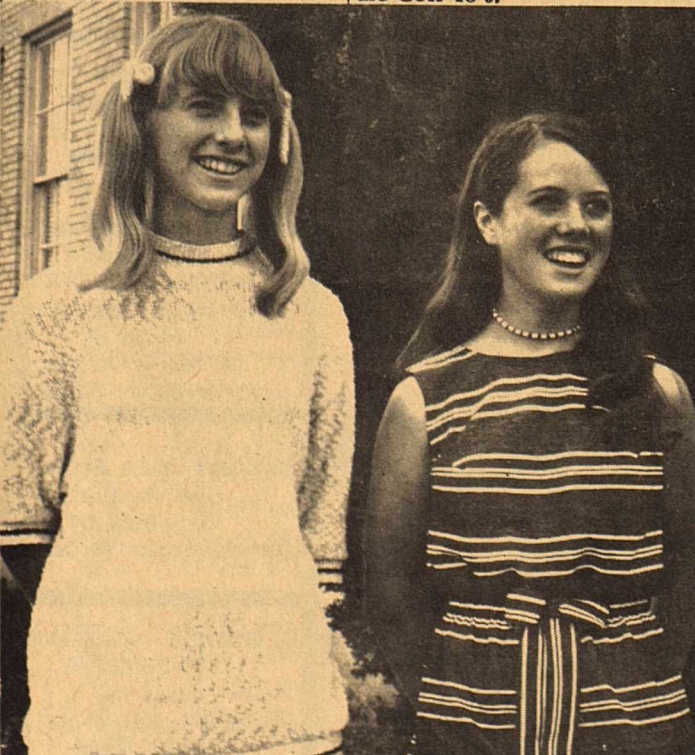

Mrs. Mickey Powers will serve as secretary; Mrs. Jimmy Powers, announcer; ring stewards are R. W. Wallace, Hoot Nix and Jack Baker; Timers, Dennis Dunnam, Bud Whitehead and Mickey Powers. Presenting the awards will be Miss June Alexander, Sutton County 4-H Sweetheart.

Piano Students Perform Skillfully

Janice Nance, daughter of Mr. and Mrs. Cleveland Nance, was given international rating and was admitted to the Critics Circle when students of Mrs. A. C. Elliott participated in National Piano Guild Auditions at the Massie Clubhouse Friday and Saturday in San Angelo. She played a complete Bach program.

Susan Dunnam, daughter of Mr. and Mrs. Dennis Dunnam and Martha Elliott, daughter of Mr. and Mrs. Marlon Elliott, both played six complete Sonatas and were also given international ratings.

Ten other students participating in the guild program were chosen to the City Wide Circle of music and also made national ratings.

SONORA HIGH SCHOOL will be represented at the girls' State track meet to be held in Abilene this weekend by these two girls—Carol Gay Hardgrave and Karen Hemphill. Carol Gay qualified for this meet in the 220 yard dash and Karen will carry the SHS flag in the 880 yard run. Hardgrave ran third in the 220 yard regional race as did Hemphill in the 880 yard run. Hardgrave's best time is under 28 flat, while Hemphill manages to stay under 2:40 with her best time. Both girls have the ability to make the finals and place well in the meet if their legs can stay healthy, said coach Ray Mason. Both are nursing strained muscles. SHS was represented last year at state by an 880 relay and two individuals. The 880 relay composed of Carol Hardgrave, Lesa Whitehead, Becky Tittle and Vickie Hardgrave received a fourth place in the relay while V. Hardgrave won fifth in the 220 yard dash and C. Hardgrave received third in broad jump.

Low Bids Received On School Building

Bid offers on the wooden structures at L. W. Elliott School were opened at the Monday night meeting of the Board of Trustees for Sonora Independent School District. Only three bids were received. B. J. Johns bid \$100 on building #2; Gene Gonzales bid \$150 on building #2 and \$75 on building #3. Stanley Mayfield bid \$151.75 on building #1 and \$187.50 on building #2.

Mayfield's bids on the two buildings were accepted, but the bid on building number three was rejected as being too low. The board voted to call

Scott Jacoby Banquet Honoree

Scott Jacoby, son of Mr. and Mrs. Philip Jacoby, was chosen as a regional winner in the 1971 Texas Conservation Awards Program.

His essay covering the theme this year of "Our Natural Environment: Preserve and Protect It" was judged first place winner here and placed first in the regional contest. The Area II region is comprised of fifty-two counties.

Jacoby was honored at the Regional II Awards dinner held in Del Rio Civic Center last night, where he was presented a trophy. The Del Rio Soil and Water Conservation District #224 were hosts for the dinner.

Attending the awards dinner with young Jacoby were his father and his brother, Mark, as well as W. B. McMillan, chairman of the board of directors of Edwards Plateau Soil Conservation District, and directors Edwin Sawyer and George Brockman. E. B. Keng, SCS technician, also attended the banquet.

Colt 45's Baseball

Sonora Colt 45's defeated Winters in a baseball game Sunday, by a score of 7-3. Beto Patlan was the winning pitcher, going all the way for the Colt 45's.

for bids again on this structure in the near future.

All trustee members were present for the night meeting which was held in order that members of the advisory committee could meet with the board. Those committee members present were Israel Perez, Manuel Paredes and Teo Castro.

Board members voted to require removal of the buildings from the school premises within 45 days.

OTHER BUSINESS
--Accounts payable in the amount of \$5,253.77 were approved for payment. The resig-

nations of Mr. and Mrs. Grosse Mohler were accepted by the board.

Quarterly Report O.K'd By County

In a brief meeting Monday, the county commission approved the quarterly report of the Sutton County Treasurer, E. Lucille Hutcherson, and organized as an Equalization Board to meet May 24, at 9 a. m.

Monthly bills were approved for payment. Commissioners Estes Adams, R. L. Hardgraves, Preston Love and Collier Shurley were present, along with County Judge J. W. Elliott and County Clerk, Erma Lee Turner.

Recreation Club Sold To H. Moore

The Sonora Recreation Club, local domino and pool hall, was sold to Herman Moore by Earl Duncan, who has operated the business for the past several years.

Moore's son, Larry Bob, a recent graduate of Abilene Christian College, will operate the business at this time. The business will be open until 10 p. m. weekdays and until 11 p. m. Saturdays, Moore said. Moore, Sutton County sheriff, said it is hoped youths will take advantage of the hours the club will be open and use it as a recreation center during the summer months.

Mike Gosney To Dean's List

Michael C. Gosney, son of Mr. and Mrs. Billy C. Gosney, has been named a distinguished student in veterinary medicine at Texas A&M University, announced Dean Alvin A. Price.

Gosney is a first-year student in the College of Veterinary Medicine professional program. Distinguished student status is awarded students who earned a 3.25 or better grade point ratio out of a possible 4.0 during the spring trimester.

FHA Emergency Loans Available

Emergency Loans are now available from Farmers Home Administration, to farmers and ranchers who need funds to enable them to continue their operations. The interest rate on loans made during May will be 4-7/8%. Funds may be used to finance annual operating expenses or to replace or repair damage that was a result of the drought.

Farmers and ranchers are eligible for these funds if they have sustained a loss due to the extended dry period.

Applications for loans in Crockett, Irion, Reagan, Schleicher, Sterling, Sutton and Tom Green Counties should be made at the San Angelo Farmers Home Administration office in the 7 West Twohig Building, Room 510. Locally, applications may also be obtained from the ASCS Office.

Swimming Pool To Open Soon

At the city commission meeting Monday, it was voted to turn the operation of the city swimming pool over to Oliver Wuest again this summer. The pool is to be opened no later than May 29, with a possibility it will be in operation the weekend of May 22.

The commission approved purchase of ten street light poles and fixtures, and accounts payable in the amount of \$6,673.84 were approved for payment.

The second reading of the ordinance whereby property purchased by Southern Sun Corporation for annexation into the city limits, was held. City commission had asked for a traffic stop light to be installed at Highway 290 and US Hwy 277 intersection, but the State Highway Department reported that an insufficient amount of traffic movement indicated the placement of a signal light unnecessary.

Students playing in the recital include Janice Nance, Martha Elliott, Susan Dunnam, Prissy Cook, Emily Elliott, Marsha Finklea, Flaire Lane, Marche Lane, Ree Dine Hill, Pattie Merrill, Lucy Morriss, Denise Neal, Ruthie Perez and Debbie Howard, all students of Mrs. Elliott.

Four students under the tutelage of Mrs. Hancock to be presented in recital include Keila Phillips, Tracey Taylor, Suzanne Renfro and Natalie Redman.

Local 4-H's Winners In Area Competition

Seven Sutton County 4-H Club members participated in the wool and mohair judging contest at Brownwood May 8.

Mark Hemphill was fourth high in wool judging, high individual in mohair judging and the overall high individual in wool and mohair judging in the novice division. Randy Gillitt also participated in the novice division.

John David Cook was the high individual in wool judging and the overall high individual in wool and mohair judging in the junior division. Marsha Finklea placed third in mohair judging in the junior division. Other members of the junior team which placed second in the contest, were Larry Finklea and Susan Schwiening.

Bill Finklea placed third in wool judging, fourth in mohair judging and was the fourth overall high individual in the senior division of the contest.

Teams from Sonora, Bandera, San Angelo, San Saba and Brady participated in the contests.

In the wool show, Sutton County exhibitors won the following places—Rick Street, 2nd place Delaine aged ram; Debbie Howard, 1st and 2nd Rambouillet yearling ewes; DuRay Smith, 3rd and 4th Rambouillet yearling ewes and Susan Schwiening, 5th place Rambouillet yearling ewe.

Edgar Glasscock and County Agent D. C. Langford attended the wool show with the 4-H members. Corky Schwiening is coach of the wool and mohair judging teams.

GRADUATES HONORED

Members of the 1971 graduating class were honored Sunday night at a barbecue at the Bob Teaff home. Hosts and hostesses were Mr. and Mrs. Teaff, Mr. and Mrs. Bill Tittle, Mr. and Mrs. Pete Thompson, and Mr. and Mrs. Gene Shurley.

The guests of honor at the barbecue were Trouba Teaff, Scott Shurley, Becky Tittle, Bill and Sam Thompson, graduating seniors.

Other guests were high school teachers and school board members.

In senior grass judging, Sutton 4-H placed first with a score of 1066; Crockett 4-H placed second with a score of 1010; Ozona F.F.A. #1 placed third with a score of 640; Ozona F.F.A. #2 placed fourth with 468 and Midland 4-H placed fifth with 334.

Sutton County team members were Cora Pope, high individual; Sheila Alexander, 2nd high individual and Bill Finklea, 6th high individual.

Sheila, who is a junior 4-H member, moved up to the senior division to judge grass so that the Sutton County 4-H would be represented by a senior team. Her score of 370 would have been high in the junior grass contest.

In junior grass judging Sutton 4-H #1 placed first with a score of 794; Crockett 4-H placed second with 449; Sutton 4-H #2, third with 327; Pecos 4-H, fourth with 314, and Midland 4-H placed fifth with a score of 251.

Tom Peaslee Honored For Poetry

Two poems by Tom Peaslee, senior history, drama and education major at Southwestern University from Georgetown, will appear in two poetry anthologies soon to be released.

"The Poet" has been selected by the board of judges of National Poetry Press to be published in the "Annual Anthology of College Poetry." A second poem, "Nature", will be featured in "New Poetry", a volume scheduled by Palmer Publishing Company for early May.

Peaslee is president and founder of The Southwestern University Poetry Society, newly formed organization for students and individuals from the Georgetown community interested in the enjoyment of poetry.

Most recently, he has been named to "The International Who's Who in Poetry" from London, England, and several of his poems will be featured in their volume of poetry, "The Annual Anthology of Poetry: International Who's Who."

Peaslee is a member of "The Poetry Society of Virginia" which recently awarded him "The Masson Sonnet Award" in poetry for his poem, "Poetic Comedy." In addition, he is a member of the Poetry Society of Texas and the Poetry Society of America.

He is the husband of the former Miss Debbie Galbreath, and the son-in-law of Mr. and Mrs. W. L. Galbreath. His new book of poetry, "Poetic Emotion", is dedicated to the Galbreaths, and is to be published by The Follett Publishing Company in the winter of 1972.

Rainfall

by E. B. KENG

Unsettled weather set the pattern in the Sonora area during the past few days. A thunderstorm cut a diagonal path through Sutton County Thursday night, May 6, with generally light rains reported.

The storm entered the county near the southwest corner where the Morriss(Nicks) ranch reported 2.10 inches. Sonora received .48 and the Bob Hardgrave ranch 1.00. Other representative reports included Sam Kames, 1.50; Jerry Johnson, 1.10; and Edwin Sawyer, .75 to 2.00. Light hail accompanied the Sonora shower but damage was negligible.

The shower path was narrow, with the Sawyer Eagle Well ranch receiving no rain. Geo. Brockman, .19; and the Harrison ranch, .15 to .25. On the north side W. L. Davis measured .20 and John Mittel measured .20.

Showers accompanied by heavy lightning were again common around the area Tuesday morning, but rainfall was very spotty and generally light. Jerry Johnson reported .50 to 2.00; Thomas Morriss, .70; James Hunt, .50 (Edwards Co.); Leonard Gibbs, .25, and Bill Stewart, .30.

LITTERING IS EXPENSIVE

Two million dollars—the amount spent each year to clean up after Texas' wayfaring litterbugs—could go a long way toward building a new state hospital, or a school for the mentally retarded, or restoring decaying historic buildings.

A recent story by Associated Press writer Garth Jones reported that in addition to the \$2 million spent annually to remove litter from Texas' highways, another \$500,000 is spent to repair damage caused by vandals along the road.

Who throws all this litter on the highway? Those out-of-state tourists that Texas has spent thousands of dollars attracting?

No. According to state highway department surveys, most litter is tossed by local people—thoughtless and irresponsible citizens who gripe constantly about high taxes.

A nationwide survey of litter along interstate highways and primary road systems in 29 states showed 59 percent of all litter was paper or paper products. About 15 percent consisted of cans with three fourths of them being beer cans; 6 percent were bottles; 6 percent were plastic articles; and 13 percent were miscellaneous items ranging from diapers to dentures.

Highway workers can tell some bizarre stories about litterbugs in Texas. For ex-

ample, a maintenance man in the Abilene district was felled by a gourd thrown from a passing car.

In another case, a highway worker near Ozona found a shoe box neatly tied with string and labeled, "This is the remains of Grandma _____, whose last wish was to have her remains scattered over the Catalina Mountains." The local sheriff took charge of the package, fortunately.

THE DEVIL'S RIVER PHILOSOPHER SEZ...

He Has Never Tapped A Phone But Has Listened In On A Party Line

Editor's note: The Dry Devil's Philosopheronhis bitterweed ranch on Dry Devils' River looks at the telephone tapping controversy this week.

Dear editor:
Reports on tapping telephones, bugging offices, and other forms of eavesdropping have been showing up in every newspaper that turns up out here and I have given some thought to the situation.

As I understand it, some Congressmen are up in arms claiming their phones have been tapped and they want it stopped.

I have not listened in on any Congressional phone conversations but I have heard lots of Congressmen on television and sometimes it seems to me tapping their phones would be going to a lot of trouble for the returns you'd get.

While it is not considered phone-tapping, I have listened in on an 8-family party line

and I can tell you right now there are far more interesting ways to spend your time. Unless you're interested in cake recipes and your neighbor's in-laws, it's hardly worth the trouble of lifting the hook off the receiver. I guess the worst job you could give an F. B. I. agent would be listening in on a party line eight hours at a stretch.

As for bugs, I understand you can stick one of those on a wall in a room and it'll pick up everything said and broadcast it to a receiver in a car a block away. I know a man who lives in an apartment building in a city and he says what he's looking for is a bug that'll blot out everything yelled in the adjoining apartments, and that goes for rock-playing phonographs and violin pupils.

Almost on the same subject, I knew a combination station agent and telegraph operator in a small town once who called up a woman and told her she had a telegram and since it was raining would it be all right for him just to read it to her.

"Don't you dare open my telegram!" she shouted.

I don't know whether the F. B. I. looked into this or not. Yours faithfully, J. A.

LOW BIDS From Page 1

--A new teacher, William C. Coffey, was approved for employment. He was hired as a bookkeeping, typing, shorthand and math teacher.

--Upgrading of the cafeteria is planned with bids to be called for in the near future for a dishwasher and additional refrigeration.

--Some discussion was held in regards to the \$50 monthly allowance to Max Hardegee, school maintenance employee, for gasoline and upkeep of private vehicle used by him at the school. No definite action was taken since Hardegee has been using a school vehicle for the past several weeks, board members noted.

--Six lots owned by James Hunt were offered for sale to the school for the purpose of a parking area for use of fans attending football games. The area has been used for the past several years as a parking area. Following considerable discussion, the board members voted to offer Hunt \$1200 for the six lots.

--Superintendent of schools, Ken McAllister, said a new immunization law recently passed requires that all children must present a certificate from their doctor showing the student has received red measles, diphtheria, german measles and smallpox vaccination in accordance with the new law, before the student can be enrolled this fall.

--In other board action the board authorized Carroll King to start necessary proceedings for the collection of delinquent taxes.

BOARD OF EQUALIZATION

The Board of Equalization composed of W. L. Galbreath, Nelson Stubblefield and Philip Jacoby will meet May 24 at 3 p. m. at the courthouse. King meeting with the board, stated letters are going out this week to taxpayers where adjustments are being planned on taxable property.

PLAY PRESENTED

The award winning play "The Madwoman of Chailor" was presented Monday night in the high school auditorium. Directed by James Buchanan, outstanding performances were given by the cast members. The setting was especially impressive with all cast members dressed in shades of black to grey and white. The black and white decor was used in stage props also.

TEEN SCENE

It's that time again—the time for addressing and mailing invitations and most of all, it's the time for senior parties and gifts! You should be receiving invitations through the mail very soon now, much to your pleasure (?).

It seems that there is always controversy over whom to send invitations. As a general rule, teachers will not receive them nor will seniors. This is done to allow the teachers and seniors to purchase gifts for those whom they choose. If this was not done, they might receive an invitation from every SHS senior. However, some seniors will send invitations to teachers and fellow seniors because it is their wish.

Seniors will leave Friday at 6 a. m. for Landa Park, New Braunfels. They plan to spend the day swimming, bicycling, paddle boating, and getting in to who knows what. The sponsors, Mrs. Wilson, Mrs. Powers and Coach Phillips along with Mr. Pollard, will accompany the group to the park.

I hope the teachers can swim because I have a feeling they're going to have to! Mrs. Wilson informed me that she sinks like a rock. Oh, well, just one less Spanish teacher won't matter! Glub! Glub! I hope Mr. Pollard is a fast swimmer, because he may need to stay away from a group of dunking seniors!

They will leave the park late in the afternoon and be treated to a steak supper. They also receive around ten dollars to spend as they like.

Carol Hardgrave and Karen Hemphill will represent SHS in the girls state track meet in Abilene this weekend. Carol will compete in the 220 yard dash and Karen will run the 880 yard dash. Good luck to both of them!

The boys track team participated in the state meet last weekend in Austin. The sprint relay (Wesley Richardson, Steve Street, James Noel and Mike Taylor) ran a 43.5, their best time ever and placed seventh. However, a bungled handoff between the third and anchor leg lost valuable time.

Taylor said that with a good handoff for the bad one could have probably given the Broncos a place in the top four. Bruce Kerbow ran a 15.3 for a seventh in the 120 high hurdles but came back and received a 2nd place in the 330 yard intermediate hurdles in his best time of 39.5.

Kerbow was clocked the same time as the winner but failed to lean over the line before the winner did. Looks as if he is a better distance runner than a sprinter. Must have good lungs—right, Jessie?

The cheerleaders for the 1971-72 season include Pat Mooney, Jessie McCutchen, Marilyn Morgan, Ruthie Wallace, and head cheerleader, June Alexander. Alternate will be Karen Hemphill. Should

be good cheerleaders next year because you'll sure be able to hear them from a long way off!!

An awards day assembly was held today at 3 for the purpose of awarding medals to those who excel in each subject. This has become an annual award with its purpose being to recognize outstanding individuals in each class but not overall. This enables more to be recognized. The awards are not necessarily based on grades but on attitudes and interest in a certain subject.

FIREMEN'S CORNER

by YVONNE CARROLL
Where was the fire? Thursday, May 6, at 9:50 p. m. a trailer house belonging to Mr. and Mrs. James Floyd caught fire and was a complete loss. Mr. and Mrs. Douglas Woods were renting the trailer at the time of the fire. Three trucks were in operation for approximately 25 minutes.

387-2424
The fire department has requested that spectators do not go to the scene of the fire until after the fire is extinguished

because it hampers the work of the firemen and restricts operations.

387-2424
The number 387-2424 is an emergency number. Persons wanting to know the whereabouts of a fire should call one of the firemen's homes and not 387-2424 because this rings in 15 homes and ties up the emergency number. The department notifies individuals when their property is on fire or in danger of catching fire.

"He was so excited, we couldn't play anymore", said young Will Wallace after Lindsey Paul Hicks made his hole in one on number two the other day. Paul Browne was with the two and was just as excited as they were, and who wouldn't be! Congratulations, Lindsey!

Well, our lady golfers did it again. Five Auxiliary members went to Del Rio last Saturday to that big tournament they have every year, and four came back winners. Sammy Espy won second low net with a 73 in the Championship Flight. She also won the prize for the longest drive. Ernestine Hext won first with a 71 in the First Flight, and Bobby Fawcett won second with 75.

Marilyn Bloodworth won second with 76 in the Second Flight. Marilyn also won the putting contest held the night before.

Wanda Cahill went along, but she had duck pond troubles. Wanda, I really know how you felt, but have had a fantastic season, and I know you will have more.

—GN—
Tuesday of last week, six of the gals went to Angelo for a Partnership Tournament. Wanda and Ernestine won the First Flight, while Rose Doyle and Eddie Mae Kinser won the Third Flight.

Sammy and Lucille weren't so lucky that time, but like Wanda, they have really played up there this season, and I know they'll be bringing back more goodies as the season progresses.

THEY SHALL BEAT THEIR SWORDS...
Of all the pictures of our senior class trip to New York City, this is everybody's favorite. Not just because the kids like Tom and Donna, but because it says something. Clearer than a thousands words, it shouts our interest in anything that speaks of peace among nations. And not just nations—we pray that within our country men of every color, age and interest can learn to build and work together to make a brighter future. Sure, we're young and idealistic and have a lot to learn. That's why it's important for our parents and teachers and leaders to have good, strong values and to live by them. My parents do. To them the Church is the backbone of our country and Christianity the key to the future. That's why they go to church each week and take us with them.

LETTER TO THE EDITOR

Dear Editor:
 Our family thoroughly enjoyed the presentation by Mr. Butterfield of his three outstanding bands, and by Mr. Pollard of a really first class choral group. Sonora can be justifiably proud of the High School athletic achievements, but no less proud of its music department. And it was really refreshing to see a group of today's youth present a piece like "Duty, Honor, Country". There was no doubt in our minds and hearts that it was a sincere presentation. So, thanks go to Mr. Butterfield, Mr. Pollard, and all those wonderful people, Mr. and Mrs. Bill Means

A Bishop Looks At Life

BANGKOK HOLIDAY
 By Everett H. Jones, Retired Bishop of the Episcopal Church

Bangkok, Thailand—The thing every visitor wants to do in this city is to see "the floating market" on the klongs (or canals). In the early morning skillfully-piloted small boats, usually operated by women, deliver everything from fruit and vegetables to fresh meat and plucked chickens to the waterside homes.
 We were warned that our arrival here coincided with the gayest of Thailand's festivals called "Songkran," or the "water-throwing" celebration. We didn't realize just what this could mean until we entered the klong in our small motor boat. There we found hundreds of boys and girls, released from school for the three-day holiday, lined up on either side and in the water to give us a proper greeting. Not only did they throw water from various containers but they had small plastic water-filled bags which they pelted us from all sides. We ended up completely soaked, and it would have been worse but for the skill of our guide who would quickly lower a curtain to protect us when he saw a particularly threatening group just ahead.
 Of course it was all done in fun amid shouting and laughter, and fortunately the warm Bangkok air soon dried us out. The water-throwing was not limited to the canals but took place in homes, offices, hotels and on the street.
 Actually, "Songkran" means the beginning of a new year and has religious significance as a time of spiritual cleansing. Until 1941 Thailand celebrated New Year's at this time in April, but it now observes January 1 as in Western countries. It is similar to our Easter in that young and old dress in new clothing, and visit their temples to make offerings. It is also a time for family gatherings and for paying respect to older people.
 It all seemed strange and a little childish until I began to think of certain customs of our own. Apparently it is a universal tendency to observe even the holiest days at different levels. There is a fun side to our greatest festivals of Christmas and Easter. There is a fun side (Halloween) to the serious meaning of All Saints' Day. (For some of us, as well as for some people here, the fun side is all that is recognized.)
 All this is not so incongruous when we remember that faith is the prelude to genuine fun. All vital worship includes an element of celebration, one result of which is the capacity for childlike joy.

TIPS FOR OUTDOORSMEN

by Vern Sanford

CATCHING CRAPPIE
 The crappie is an early spawner and is not affected by cold water as much as the bass. However, the best place to catch them in the early spring is where the sun is warming the water.

REDUCE STATIC
 If you are getting too much static from your auto radio while trailering your boat, blame static electricity. Source is the trailer's wheels and axles. Static can be minimized by grounding the axle and frame with a short heavy wire or chain.

COMPRESSION CHECKERS
 Outboard mechanics now are finding compression testers used by auto mechanics are handy for checking outboard motors when the electric starting system is heavy enough to provide a uniform velocity.

NUMBERING THE BOAT
 When you need to repair the license numerals on your boat, be sure to clearly separate the letters instead of letting all the characters run together. And they must be at least three inches high.

LAUNCHING WARNING
 When launching your boat on a slanting ramp it is a good idea to chock the wheels of your car. Sometimes a brake will not hold a heavy load, especially where the ramp surface is slick. Best way is to carry in your trunk a couple of pieces of 2 by 4's or four triangular shaped 6 x 6 blocks, or 4 by 4's.

KEY-CHAIN WHISTLE
 If you need something to attach your boat motor keys to, try using one of those little plastic whistles that can be bought in a dime store. They will float and are easily seen. Also, they come in handy at times for signaling purposes.

USE SMOOTH ROD GUIDES
 Check the guides on your fishing rods occasionally. Rods that have been used for a long time frequently wear sharp and are almost like a knife blade in cutting your line, especially when you are hauling in a big fish. Worn line guides should be replaced rather than sanded.

Four months of picnic food is no picnic.

we give you a special low rate for central gas air conditioning during those sweltering summer months. When you need central air cooling the most.

So go ahead. Have central gas cooling installed. And save the picnic food for the great outdoors.

First of all, you'll save in installation costs. Because you just add a cooling unit to your existing central gas heating system. But that's just part of the savings. Gas costs less to use than electricity. And

Lone Star Gas

Get central gas air conditioning and bring back meat and potatoes.

Some days you wouldn't even boil an egg. Let alone cook a meal. But with central gas cooling you can cook a banquet. Without heating up your home.

With central gas air conditioning, it only costs a little to add a lot to your living.

LOOKING BACK... ...BY SONORA MOTOR CO.

W. L. ALDWELL, EARLY CIVIC leader in Sonora, and through whose influence the Santa Fe Railroad was induced to extend the road from San Angelo to Sonora, was unable, due to illness, to participate in the celebrations July 1 and 2, 1930, when the first train was run over the extension. On the first day a number of prominent citizens of this section who worked with Aldwell for the railroad, rode over to his house to say "howdy" to their fellow cowboy and rancher. They include from left to right Fred Berger, T. M. Shoier, "Uncle" Johnnie Johnson, W. J. Fields, Walter Whitehead, Joe Ross, D. Wallace and G. W. Stephenson.

Electricity is a 24 hour a day bargain. It works tirelessly—around the clock—to make your home convenient, comfortable and pleasant. Electricity cooks your meals... heats and cools your home... heats water... freezes and preserves food... washes and dries your clothes... And does it all for pennies a day.

Nothing you buy gives more value and more convenience than low-cost electricity.

MEMBERS OF Mrs. Harva Coopers fourth grade class presented a play entitled "The Five Brothers" last Wednesday at Central Elementary auditorium. The cast dressed in Oriental attire and the scenery and props were made by the cast.

Local 4-H'ers from page 1

#2 team placed fourth with a score of 660 and Pecos 4-H placed fifth with a score of 637.

Sutton 4-H #1 team was composed of Larry Finklea, high individual, Marsha Finklea, second, Sheila Alexander, 3rd and Susan Schwiening, fourth high individual.

The Sutton 4-H #2 team of Lori Olson, who was sixth high individual, Randy Gillit, Renee Rousselot and Julie Carroll, were team members also judging.

Cora Pope judged as an individual in the senior range judging contest and placed second.

Sarah Allison judged in the contest as an ineligible contestant in both range and grass judging. Bill Finklea judged range as an ineligible contestant. Both 4-H members had been disqualified because they had been on winning teams at Ozona last year, but they received special awards for participating.

All of the Sutton 4-H members were gaining experience for the State 4-H range judging contest which will be held at Angelo State University May 29.

Mrs. Lawrence Finklea, Edgar Glasscock and County Agent D. C. Langford, attended the contest with the 4-H members.
