

Winning the Championship Flight at the Labor Day Golf Tournament were Durwood Neville, 1st; Norman Rousselot, 2nd and Doyle Morgan, 3rd. This was a three-way tie with Neville making birdies on the first two playoff holes.

Web Elliott, Robert Vernor, and the Rev. Lea Roy Aldwell were winners of first, second and third places in the 2nd Flight at the annual Labor Day Tournament at Sonora Golf course.

Bob Teaff placed first in the third flight, followed by E. L. Harrell, second and Gene Martin in third place.

First Flight winners at the Labor Day Tournament were Earl Johnson who placed second; Dr. Wayne Herrman, third and Clayton Hamilton, first place. John Bell was medalist with a 69.

WORKING HARD TO CHEER THE BRONCOS ON TO VICTORY against Coahoma Friday night will be these five Sonora High School girls shown here when they attended the 1971 SMU cheerleader school. Sporting dresses in the school colors of red and white are, left to right, Marilyn Morgan, Pat Mooney, head

cheerleader June Alexander, Ruth Ella Wallace and Jessie McCutchen. The Broncos open season play with this game to be played at Bronco Stadium at 8 p. m. Head coach Bill Scoggins said the team should be at full strength having encountered no serious injuries in pre-season practice play.

## New Method "Updates" Bank

The First National Bank is in the process of changing their internal bookkeeping methods—a process that began back in April, 1961. Exhibiting considerable far-sightedness, officers of the bank at that time assigned account numbers to customers with the anticipation of making this change when the time came, keeping step with some of the largest banks in the United States.

One of the few banks in the area in the position to change to what is called Data Processing Demand Department Accounting due to the long range planning, the new program will be put into practice about October 1, according to Clayton Hamilton, vice president of the bank.

The bank has been using the process on savings accounts and Certificate of Deposit accounts for somewhat over a year, Hamilton said. The new process will not be too noticeable to customers, since it is primarily internal, he added; however, some of the changes evident will include three main changeovers.

Number 1—Monthly statements will have a new style

and shape, being much more compact. At the bottom of the statement there will be a summary of the months activity, that is, the number of checks paid and total amount, the number of deposits made and total amount of deposits and the customers average balance

### Jerry Henderson Receives Bronze Star Medal

Army Specialist Four Jerry L. Henderson, whose wife, Linda, lives here, recently received the Bronze Star medal in Vietnam. He is a son of J. W. Henderson of Del Rio. He was presented the Bronze Star medal for distinguishing himself through meritorious service in connection with military operations against hostile forces in Vietnam. The medal, adopted in 1944, recognizes outstanding achievement. Spec. Henderson received the award while assigned as a petroleum storage specialist with the 512th Quartermaster Company near Long Binh.

along with an activity charge if applicable to the account.

On the back of the statement, the reconciled form will be given.

Number 2—One of the biggest changes perhaps noticeable to customers might possibly be the gradual disappearance of "counter checks". All checks will have MICR coding on them, such as the current personalized checks. Coded checks and coded deposits will be available at the bank, Hamilton said.

Number 3—All personal accounts will be closed the 27th of each month and statements will be mailed to customers then, creating another major change in the current system. Commercial accounts will be closed the last business day of each month and those persons carrying this type of account will receive statements after this date.

Hamilton said that most banks will eventually be swamped with paper work and for this reason, plus the exorbitant cost of new bookkeeping machines, it was deemed advisable for the local bank to change to the

new accounting process. He said that daily handling of items has increased from 1500 in 1971 to over 4,000 per day.

All accounts will be handled on Burroughs B-500 computer machines instead of ordinary bookkeeping machines. The service is available in two ways—one, by armored car and the other by a direct line to the computer processing. The bank has chosen the armored car method and items are photographed before leaving the bank.

The armored car service handles paper work only and items that leave here at 3 p. m. close of the business day for the bank, are back by 8 a. m., giving much faster, efficient service than the old methods of bookkeeping where the activity of a customer's account for a certain day was not readily available until the following day around noon.

Hamilton said bank officers are especially pleased with the procedure and feel that it will increase efficiency within the system without any anticipated increase in service charges to customers.

## Broncos Engage Bulldogs

All skills, offensively and defensively acquired by the Broncos in scrimmage play against McCamey and Iraan, will be put to test tomorrow night when they meet the Coahoma Bulldogs in Bronco Stadium at 8 p. m.

The opening game of the season finds head coach Bill Scoggins expecting the game to be rough. He says he has lots of respect for coach Bernie Hagins and the Bulldogs because Coahoma doesn't like to be

beaten—especially by Class A Sonora.

Coach Scoggins says the team looks sharper and has shown considerable improvement since the McCamey scrimmage. In scrimmage with Iraan last week, he reported the team looked good with Joe Eustace and Joe Gutierrez showing a great deal of improvement. He was enthusiastic with his praise for Mark Rousselot and felt that he did a fine job at quarterback.

The team members are in

good shape with the exception of a few bruises and possibly John Beckham, who has a bad ankle and might not see action in the Friday night game.

Coach Scoggins says the game should be interesting and he is

### L. M. Hospital Auxiliary Plans Membership Drive

The Lillian M. Hudspeth Hospital Auxiliary has scheduled a coffee at the home of Mrs. Louie Trainer, Monday, September 13, from 10 to 11:30 a. m. The main purpose of the coffee is to obtain additional members and to explain the organization to anyone who is interested, said Mrs. Charles F. Browne, president of the organization.

Sixteen women are presently holding membership in the auxiliary, but many more are needed to assist in the work with patients. Since last October 20, members have contributed 683 hours of volunteer work, and Mrs. Browne says the work is very much appreciated by the patients as well as the staff.

The membership is also open to men and any who might be interested in joining are invited to attend the coffee and discussion. Ideas which might improve the work of the auxiliary are welcomed, Mrs. Browne said, and she and Mrs. Trainer, vice president, are particularly urging interested persons to join the auxiliary and help with this important work in the community.

especially looking forward to it since it will be his first time to see the team in actual play.

The probable starting lineup as released by Scoggins includes Eustace at center; Tim Cole and Mike Dillard, guards; Gene Trainer and Rick Hill at tackle spots; Bruce Kerbow, split end; Richard Bernal and Bruce Baldwin, alternating at tight end position; Rousselot, quarterback; Milton Noel at fullback; Steve Street at left halfback and Tryon Fields at right halfback.

### Mrs. Maria Flores Final Rites Held Sunday Morning

Mrs. Maria Flores, 68, died at 2:30 a. m. September 4, 1971, at Lillian M. Hudspeth Memorial Hospital.

Services were held at 11 a. m. Sunday at St. Ann's Catholic Church with the Rev. Michael Fernandez officiating. Burial was in Sonora Cemetery directed by Ratliff-Kerbow Funeral Home.

Mrs. Flores was born October 21, 1902 in Del Rio, where she was married in 1921 to Candelario Flores, who preceded her in death. The family moved here in 1939.

Survivors include four sons, Gustavo Flores of San Angelo, Jesus Flores of San Antonio, Joe Flores of Santa Clara, Calif., and Claudio Flores; two daughters, Mrs. Francisca Virgen of Seaside, Calif., and Mrs. Josephine Gonzales; one sister, Carolino Trevino of Plainview; 25 grandchildren and four great-grandchildren.

### Muscular Dystrophy Campaign Set

Some 35 volunteers will conduct a house-to-house march to collect funds to support research on progressive muscular dystrophy here Tuesday, Sept. 14. Coach Bill Scoggins has volunteered to serve as Campaign and Canister chairman and Warren C. Hemphill of the First National Bank is serving as Campaign Treasurer.

Muscular Dystrophy is presently an incurable, slowly progressive and usually fatal disease which afflicts about 200,000 in the nation. About two thirds

of these are children. In their case average life expectancy is about twelve years after the onset of the disease.

A research breakthrough by scientists at the Muscular Dystrophy Associations of America Research Center, the Institute for Muscle Disease, has provided, for the first time, a successful treatment for hereditary muscular dystrophy in experimental animals.

The march is one of a number of special campaigns being conducted throughout the nation in effort to provide funds for making within the shortest possible time, the sometimes difficult transition from successful treatment of experimental animals to a both safe and successful treatment for human patients. The timely achievement of this goal is of particularly urgency from the standpoint of Texas muscular dystrophy patients, in the later stages of the disease.

### Lions Set Annual Sale

The annual Lions Club auction sale will be held September 28, with Lem Jones of Glendale, Arizona to dispense the sale items.

Club president Leo B. Merrill announced the principal committees to help with the sale. Other Lions will also be called upon to assist.

Local merchandise solicitation will be under the sponsorship of Lions Hershel Davenport, Joe Lane, Doyle Morgan and Darcy Carroll.

Livestock soliciting committee will include George Brockman, George Wallace, J. D. Cook and Dick Morrison.

Ranchmen are urged to start picking out goats for the sale. They may be delivered live to the Branding Iron Smokehouse on any butchering days before September 28.

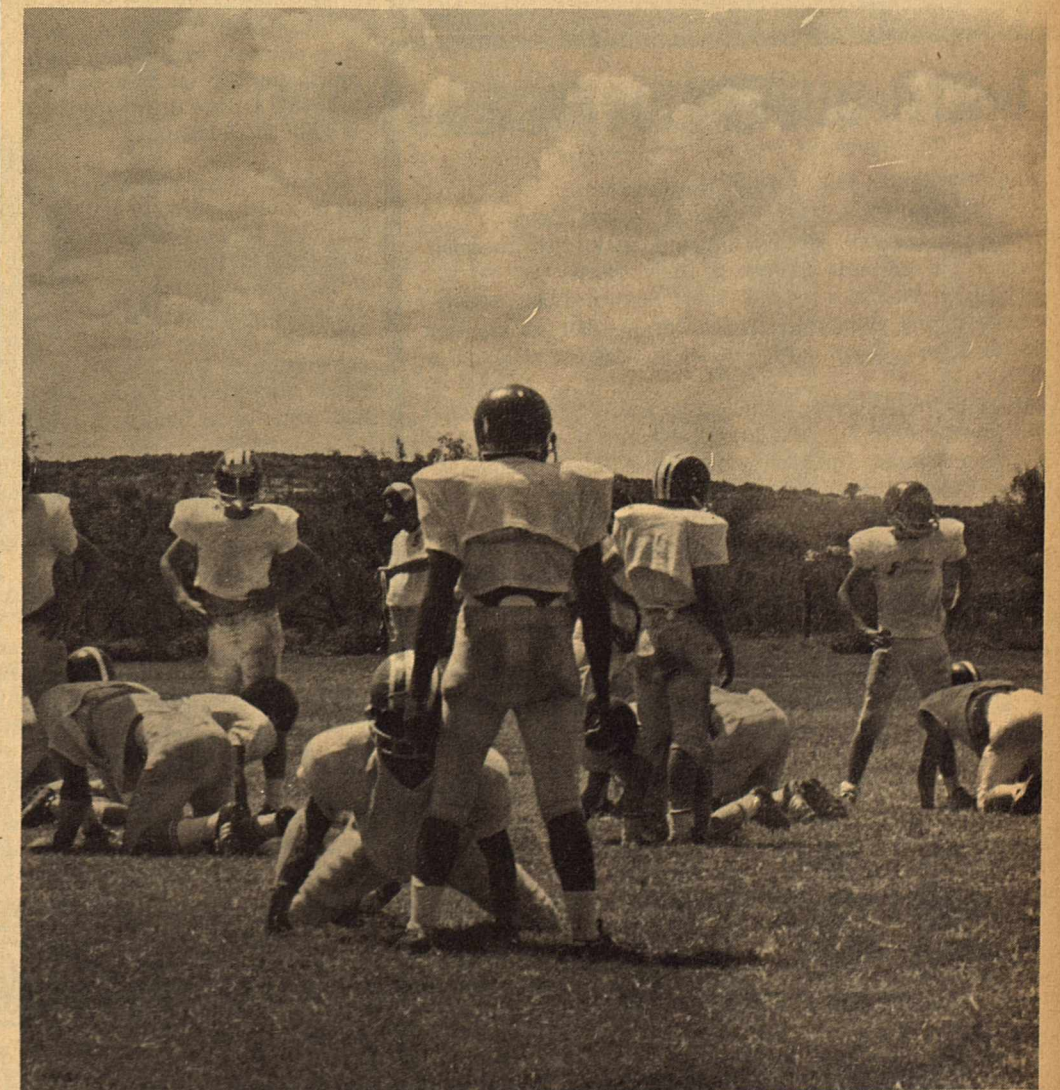

Out-of-town merchandise solicitation will be handled by Jimmy Hugh Harris, Norm Rousselot, Jamie Parker and George Brockman.

Planning the meal and serving the 200 or more people expected will be James Alexander, chairman, assisted by Larry Hill, M. R. Cavaness, Gene West, Clay Cade, Joe Stewart and Bill Means.

Assisting Colonel Lem Jones in the auction ring will be Herbert Fields, Lin Hicks and Jimmy H. Harris.

Bookkeepers will be E. B. Keng, the Rev. and Mrs. Lea Roy Aldwell and Warren Hemphill.

The annual auction sale is the only fund raising activity carried out by the Sonora Lions Club. The splendid support of this sale by the community has enabled the club to sponsor many worthwhile projects over the years.

SONORA BRONCOS 'B' TEAM SQUAD engage in work-out under the watchful eyes of coaches Jerry Phillips and Jerry Horn. In scrimmage play against Iraan last Friday, the team scored two touchdowns to their opponents one. The 'B' team meets Junction tonight (Thursday) at Junction at 7:30. Seventy-five boys are out for football in high school this year.

## Editorials-Features-Columns

The most effective single force in building a good community is a good newspaper.

### "Grassroots Opinion"

DAYTON, OHIO, BEAVERCREEK NEWS: "In our younger days we had the impression that 'reform' was some sort of socially acceptable change in manners or morals. This old preconception puts us into a philosophical tailspin when we encounter the term 'tax reform' Frequently reiterated is the adage, 'Nothing is sure but death and taxes.' If this be true, then what room is there for any advantage in reform? We suspect that taxes will be ever with us, and that we will be paying them in some form, no matter how. Another term that puzzles us is 'quality education'. We have always thought that 'quality' is an adjective requiring an adverbial modifier to give it any significance. Are we talking about high quality, medium quality or low quality? In this world of trite phrases and clichés, some definition of terms might help."

ST. MARYS, PA., PRESS: "Years ago a man started a business and kept a simple set of books. About the most important thing for him to know (was) that he was making enough profit to pay himself and hired help a decent wage and still be able to have some money left to re-invest and improve his business location and expand into more and better lines of merchandise or products. Today a person in a similar position has to hire an expert just to make out the reports that the state and federal government demand for taxes, etc. The ordinary person would lose his mind trying it. . . . Yes this is a free country, but we are gradually losing our freedoms."

STEPHEN, MINN., MESSENGER: "With one strike after another hitting almost everybody in

the country—who is really winning? Nobody! What has been gained? Only ninety-four cents a month, after inflation has taken its bite, according to statistics issued by the Department of Labor (and who should know better?). In spite of incessant demands for more, more, more, the average union factory worker's buying power remains status quo, simply because the second that wages go up, so do prices. It's a constant pattern. And in the long run, nobody wins out. Unless you consider 94 cents a month big money. And at that, it's only temporary."

CHICAGO, ILL., NORTH LOOP NEWS: "I have seen the welfare system corrupt thousands, making beggars of once proud and industrious people. I have seen otherwise proud citizens shun the responsibility of caring for aged parents and shift the burden to public aid. I've seen precinct captains help people get on the welfare rolls and then threaten to get them off if they don't 'vote right'. The welfare system is not the 'American Way'—it must be drastically revised or abolished altogether."

PETERSBURG, TEXAS, POST: "A survey released by the Bureau of Advertising reveals that youths (14-25) use newspapers for news and information as much as their elders. They absorb advertising as well as the editorial content. As they grow up they read newspapers more, watch television less; more responsible and mature young people are most likely to read the newspaper on any given day. The study re-affirmed that 'the more highly educated, the doers and achievers have always shown the greatest orientation to print.'"

### The Devil's River Philosopher Sez... If Airlines Losing Money On Big Politicians They Need To Catch On

Editor's note: The Dry Devil's River Philosopher on his bitter-wed ranch on Dry Devil's River sounds about half-way serious this week.

Dear editor:  
Every time somebody gets taken advantage of, somebody wants to pass a law to stop it, and it was with amazement I read an article in a newspaper last night that Congress is considering a law to keep airlines and telephone companies from losing money by prohibiting them from extending unsecured credit to political candidates. The reason is that the airlines are stuck with more than 2

million dollars in unpaid debts by political candidates and their campaign organizations, and the telephone companies have nearly \$400,000 in similar unpaid bills.

The article pointed out that the debts cross both political party lines, and in addition to the Democratic and Republican National Committees, debtors include Richard Nixon, Hubert Humphrey, the late Robert Kennedy and Eugene McCarthy, the unpaid debts running into the thousands of dollars.

So, Congress is considering passing a law protecting the airlines and telephone companies by prohibiting them from extending credit to candidates.

We've got so many laws now I don't guess one more will hurt anything, but it's too bad the airlines and telephone companies aren't smart enough to catch on like newspapers did years ago.

It didn't take newspapers more than one political campaign 50 years ago to find out the most uncollectable debt on earth is one owed by a defeated candidate.

They sized up the situation, and instead of rushing to Congress to get a law passed preventing them from giving credit to political candidates, each newspaper just set up a simple rule: All Political Advertising Is Cash In Advance.

Of course, this eliminated a lot of jobs by bureaucrats combing the country to make sure no newspaper was risking losing money by letting candidates charge their advertising bills, but anybody with any confidence in Washington knows they probably got jobs with some other bureau.

In time, the big airlines and telephone companies may get as smart about human nature and bad debts as The Devil's River News and The Dallas Morning News.  
Yours faithfully,  
J. A.

### from HISTORY'S SCRAPBOOK DATES AND EVENTS FROM YESTERYEARS

SEPTEMBER 14, 1961  
Hurricane Carla ripped and roared her way across Texas this week and probably aroused more interest as news than any one event since the Korean conflict, at least as far as Texans are concerned.

At the end of the second week of classes at the Sonora Public Schools, superintendent Rex W. Lowe reported total enrollment down slightly over one percent compared to last year's enrollment. Total number of students enrolled numbered 882.

Mrs. Frank Reed and Clara Margaret Schwiening accompanied Nancy Reed to Denton Sunday. Nancy has reported to Texas Women's University as a freshman. Mrs. Reed and Clara Margaret were accompanied home by Jean Ellen.

Herman Moore, Jr., son of Mr. and Mrs. Herman Moore, left Saturday for Abilene where he will attend Abilene Christian College.

SEPTEMBER, 1951  
The city commission has appointed Jessie Green Barton as traffic officer, effective today. Barton will be responsible for enforcing city traffic ordinances which cover speeding, observation of stop signs, observation of caution signals, double parking, etc.

The Ratliff Store officially opens today in its new home, a handsome single story concrete tile building at the corner of Concho and Main.

George Barrow attended the jewelry show in Dallas last week.

Mr. and Mrs. Artie Joy were in San Antonio last week.

Emma Jo Richardson enrolled in San Angelo Business College.

S. H. Allison sold the last of his Herefords this week to C. T. Jones. Allison recently bought 70 Angus heifers from Walton Kothman of Menard at \$166 per head.

Mr. and Mrs. S. M. Loeffler attended the Rev. J. W. Witt family reunion held at Gonzales last week.

Earl Johnson, stationed at Corpus Christi Air School, was home last weekend visiting his parents, Mr. and Mrs. E. E. Johnson and friends.

SEPTEMBER 5, 1941  
In answer to reports of a whooping cough epidemic in Sonora, Dr. J. Franklin Howell, city and county health officer, stated that a child must have had the disease prior to eight weeks ago in order to go to school. That is, if the child has ever had the disease, he must have had it before July 3. This requirement is in accordance with state health regulations.

Mr. and Mrs. Seth Lancaster, Mr. and Mrs. Preston Prater and Frances Lancaster spent Sunday on the Llano River.

Mrs. Jap Holman was in town from the ranch Friday.

Nine West Texans have served as sheriffs of Schleicher County since it was first organized in 1901. Of that number, four are now deceased—Brice Dabney, who served by appointment, Dan Murrain, Jim Craig and August Lueddecke. H. J. Y. Mills of Del Rio was first sheriff of the county.

Web Elliott is working in the

Corner Drug Store this week. Mr. and Mrs. Charley Hull are driving a new Ford.

51 YEARS AGO  
Mrs. E. Webb and daughters and Mrs. F. A. Moody were here Monday from their ranch homes in Edwards County. The ladies came up to attend the Lyceum and do some shopping.

Alfred Sykes and son Jack who ranches in the eastern part of Sutton County were here Monday on business.

E. E. Sawyer and Sol Kelley left for Del Rio Wednesday for the celebration. They will also visit in Old Mexico before returning.

Joe Parker and Will Adams took in the celebration at Del Rio this week.

Mr. and Mrs. Howard Peters of Rocksprings were here Sunday and accompanied Mrs. C. A. Trainer to San Angelo to consult a physician. Mrs. Peters is well remembered in Sonora as Miss Edith Trainer, the popular operator at Central.

Bub Baker was here this week from the ranch in Schleicher County and what he saw rested him very materially.

Mrs. Frank Turney returned last week from Del Rio where she visited her sister Mrs. Bob Caution.

Mrs. R. K. James left for Dallas Monday to visit her son E. C. De Bire and take in the Fair.

When it's time to face the music it helps to have a song in your heart.

### Non-Discrimination

"Southwest Texas Electric Cooperative, Inc. has filed with the Federal Government a Compliance Assurance in which it assures the Rural Electrification Administration that it will comply fully with all requirements of Title VI of the Civil Rights Act of 1964 and the Rules and Regulations of the Department of the Agriculture issued thereunder, to the end that no person in the United States shall, on the ground of race, color, or national origin, be excluded from participation in, be denied the benefits of, or be otherwise subjected to discrimination in the conduct of its program and the operation of its facilities. Under this Assurance, this organization is committed not to discriminate against any person on the ground of race, color or national origin in its policies and practices relating to treatment of beneficiaries and participants including rates, conditions and extension of service, use of any of its facilities, attendance at and participation in any meetings of beneficiaries and participants or the exercise of any rights of such beneficiaries and participants in the conduct of the operations of this organization.

"Any person who believes himself, or any specific class of individuals, to be subjected by this organization to discrimination prohibited by Title VI of the Act and the Rules and Regulations issued thereunder may, by himself or a representative, file with the Secretary of Agriculture, the Rural Electrification Administration or this organization, or all, a written complaint. Identity of complainants will be kept confidential except to the extent necessary to carry out the purposes of the Rules and Regulations." —Adv. —

# Green News

The team of Jo Neville, Jo-an Nicholas and Monica Durrusel walked off with top honors at the Ladies Tournament held this past weekend.

Second place was won by Sammie Espy, Peggy Elliott and Martha Black.

Third place winners were Peggy Sharp, Muriel Brown and Martha Black.

-GN-

We had seventeen women to participate—lacked one golfer to come out even, so Martha's score helped two teams to win.

Carl Cahill came to our rescue with a grader and knocked down the tall weeds that had claimed innumerable golf balls. Thanks, Carl!

## ACCENT ON HEALTH

"Pedodontics" is a big word with a simple meaning—the care and treatment of children's teeth. A major part of pedodontics is preventive dentistry, and preventive dentistry for the very young is one great hope for a realistic solution to our dental woes.

If a child's teeth are properly cared for up to age 15, a strong foundation has been laid for minimizing dental troubles in later years.

At about six months of age the four front teeth—two upper and two lower—begin to peek out. These front teeth are incisors at either side of the central teeth.

Then Mother Nature wisely skips a few spaces in order to properly shape the jaw. In 12 to 16 months, the back teeth or molars, come in. These are the lateral incisors at either side of the central teeth.

Then the cuspids show to fill in the space between. At about 24 months the second molars come in.

Up to this point all teeth which have erupted are primary teeth, and although temporary they are vital. They help shape the face, help the youngster learn to speak distinctly, and help him nutritionally.

While all this has been going on, the permanent teeth are slowly developing in the jaw bone so they can come forth at the proper time.

The first permanent teeth to erupt are molars—sometimes called "six-year" molars simply because they emerge at about age 6. Because they do not replace the first teeth but come in just behind them, these molars tend to confuse parents who think they are also temporary teeth.

This error can lead to unfortunate consequences. Since the "six-year" molars are permanent teeth, they will not be replaced if lost.

Family dentists strongly emphasize the importance of watching for the six-year molars. They are important to the structure of the mouth. The manner in which they interlock with their opposing teeth will determine the eventual shape of the jaw, facial contour and regularity of alignment of other teeth.

Because of their importance, these first permanent teeth are often referred to as the "keystone of the dental arch".

The strength or weakness of adult dental health—barring loss of teeth through accidents—can invariably be traced to habits of preventive dentistry learned or left unlearned in childhood. And when it comes to preventive dentistry, the pedodontist is a child's best friend.

Longest recorded period for which a person has voluntarily deprived himself of sleep has been 276 hours.

MRS. M. E. NICHOLAS of Ozona, District Director of District Four of the American Cancer Society and Mrs. Santos Lopez display the society's symbol—the Sword of Hope—during meetings at the Shamrock Hilton in Houston. Mrs. Lopez represented Sutton County at the 2-day educational meeting. Sutton County has a prominent place on the society's honor roll for exceeding its crusade goal for the 18th consecutive year. Dr. Charles F. Browne and Mrs. Alvis Johnson are crusade chairmen.

## Mrs. C. R. Sutton Party Honoree

Pre-nuptial parties honoring Mrs. Claude R. Sutton III, nee Miss Brenda Browne, included a brunch in the Joseph Vander Stucken home August 27. Miscellaneous kitchen items were presented to the honoree. Hostesses for the party were Mrs. Vander Stucken, Miss Jan Vander Stucken and Mrs. Frank Bond.

A shower for Mrs. Sutton the afternoon of August 27 was given in the Norman Rousselot home. Gifts for the bath were presented to the honoree and hostesses were Mrs. Rousselot, Mrs. Oliver Wuest and Mrs. James Hunt.

## Band News

The Band Booster concession stand will be open for business at Friday night's varsity game against Coahoma. Mr. and Mrs. Nolan Gibbs are chairmen and working with them will be Mr. and Mrs. Lester Byer, Mr. and Mrs. Frutoso Chavarria, Mr. and Mrs. E. P. Carroll, Mr. and Mrs. Jessie Favilla, Mr. and Mrs. Oscar Galindo, Mr. and Mrs. M. L. Dovenbarger and Mrs. Santos Hernandez.

Sandwiches are being donated by the Galindos, Byers and Chavarrias. Donating cupcakes are the Carrolls, Favillas and Dovenbargers. These boosters are asked to be at the stand by 6 p.m.

"Everyone was so helpful last year, making it a profitable one for our projects. The band is larger this year, so we look forward to further projects to help the band. The football team looks like its planning another great year—we're all ready to get going," said Hershel Davenport, Bronco Band Booster club president.

**BRIDGES CAN HAPPEN!**

Not all bridges are built. When the sea pounds its relentless waves against a wall of rock . . . when the icy crust of a glacier spans a mountain chasm . . . when a giant of the forest falls across a stream . . . bridges simply happen.

Here perhaps is the parable of God's kind of engineering. Seemingly there are no calculations, no blueprints, no construction equipment. But results man can behold with awe and reverence.

Yet some men are so wrapped up in their human projects they simply forget that God accomplishes anything . . . until their errors begin to show . . . their bridges start to crumble. Then they need Someone to stop the collapse.

It makes better sense to work with God in all that we build — and in all that happens. The Church has been man's greatest source of help across the span of centuries.

**LEGAL NOTICE**

**NOTICE TO PUBLIC  
 A BILL TO BE ENTITLED**  
**AN ACT** relating to the recording and re-recording of livestock brands and marks; and declaring an emergency: **BE IT ENACTED BY THE LEGISLATURE OF THE STATE OF TEXAS:**  
**Section 1. (a)** This Act shall apply to every county in this State. In all the counties each owner of any livestock mentioned in Chapter 1 of Title 121 of the Revised Civil Statutes of 1925 shall within six months after this Act takes effect have his mark and brand for such stock recorded in the office of the county clerk of the county. These owners shall record the marks and brands whether the brands and marks have been previously recorded or not.  
**(b)** The owner shall have the right to have his mark and brand recorded in his name who according to the present records of the county first recorded the brand and mark in the county, or in event it can not be ascertained from the records who first recorded the brand and mark in the county, then the person who has been using such mark and brand the longest shall have the right to have the brand and mark recorded in his name.  
**(c)** After the expiration of six months from the effective date of September 1, 1971 of this Act, all records of marks and brands now in existence in the County shall no longer have any force or effect and after the expiration of six months from the date of September 1, 1971, only the records made after this Act takes effect shall be examined or considered in recording marks and brands in the county.  
**Sec. 2.** All Brands and marks registered under the provisions of this Act shall be re-registered every 10 years in the manner prescribed in Section 1 of this Act.  
 Erma Lee Turner, County Clerk  
 Sutton County, Texas 4c52

COOKING AND SERVING the fired chicken supper to the crowd of golfers at the annual Labor Day Golf Tournament at the Sonora Golf course Monday, were L. P. Bloodworth, W. B. McMillan and Milton Cavaness.

**TEEN SCENE**  
 By Carol Weston

The Broncos played in Iraan last Friday and once again came home victorious, with our 'B' team scoring two touchdowns to their one, and the varsity four touchdowns while Iraan made none.

The whole team showed a good deal of improvement over last week, especially the offensive line. Coach Scoggins felt that Bruce Baldwin and Bruce Kerbow both caught the ball nicely and that Mark Rousselot threw very well. Rick and Steve Street also excelled against Iraan, while all of the boys ran well.

All in all, Coach Scoggins said, the scrimmage showed that the team as a whole has improved in many areas and quite a few individuals are showing improvement since the game with McCamey. He feels that the boys are coming along really well, but that they still need lots of work and that if they make as much improvement this week as they did week before, he will be very pleased.

—SHS—  
 The 7th, 8th and 'B' teams will be traveling to Junction Thursday with the 7th grade playing at 5 p.m., the 8th at 6:30 and the 'B' team around 7:30 p.m.

The varsity will be playing Coahoma Friday night at 8 at the Bronco Stadium with a Victory Dance sponsored by the cheerleaders at the Parish Hall directly afterwards.

—SHS—  
 Class meetings were held last Tuesday for the purpose of nominating officers and class mothers. These nominees were voted on in home-room Wednesday, runoffs were held Thursday and results were announced Friday.

Officers for the Freshman class are— president, Alan Harris; co-vice presidents, Paul Browne and Juan Perez; secretary, Margaret Black; treasurer, Melinda Earwood; boy representative, Tom David Hernandez and girl representative, Maggie Galbreath.

Sophomore officers elected were—president, Jack Sykes; vice president, Molly Sawyer; secretary, Cora Poe; treasurer, Michelle Rousselot; boy representative, Mark Wilkerson and girl representative, Karen Hemphill.

Junior officers are—president, Teddy Coker; vice president, John Weston; secretary, Theresa Mooney; treasurer, Terry Mitchell; boy representative, Bobby Samaniego and girl representative, Glenna Chadwick.

**\$1,750 in Bonds For Top Ten 4-H Livestock Judges**

Ten U.S. Savings Bonds valued at \$1,750 top the awards offered participants in the 1971 4-H Livestock Judging Contest. Scheduled in late November, teams of young judges are being selected in elimination events across the country.

Livestock judging is a part of the Sutton County 4-H program. Boys and girls interested in judging livestock should contact Gene Wallace or County Agent D. C. Langford.

The bonds, provided by Elanco Products Company, a division of Eli Lilly and Company, Indianapolis, for the third year, recognize the ten young highest scoring judges at the event to be held on the opening day of the International Live Stock Exposition in Chicago.

The bonds range in value at maturity from \$500 for 1st place; \$400 for 2nd; \$300 for 3rd; \$200 for 4th; \$100 for 5th and \$50 for 6th through 10th.

Teams from about 30 states are expected to judge classes of beef, sheep and swine, and give oral reasons for their placings.

Last years top team honors went to Minnesota for the second year in a row. The team scored 1,662 out of 1,800 possible.

Among other awards to be presented winning 1971 judges at an awards luncheon Nov. 27 are four wristwatches donated by Elgin Watch, Elgin National Industries, Inc.

The International Live Stock Exposition, host for the luncheon, also provides trophies to the winning team members.

**Hwy. Commission Approves Sutton Road Work**

The Texas Highway Commission has approved the expenditure of \$51,300 for improvement of farm to market roads and state highway in Sutton County during 1972.

District Engineer J. A. Snell of San Angelo said that 30.7 miles of asphalt seal coat work on various farm to market roads in Sutton County have been authorized under the annual program.

Work will be under the supervision of James R. Evans, maintenance engineer, and is part of the Highway Commission's Farm to Market Road Improvement Program for 1972.

## Coffee Break

by Shirley Hill

### MIRACLE DRUGS—

A psychology professor recommends six pills for greater health and happiness: Pill #1. Be honest with yourself. Deception is never more harmful than when you kid yourself; Pill #2. Give old age a kick. "People grow old," said General MacArthur, "only by deserting their ideals"; Pill #3. Don't let worries dominate you. They're your most insidious enemy; Pill #4. Live a day at a time and you'll eliminate most of yesterday's and tomorrow's worries; Pill #5. Think happy. A man is what he thinks; Pill #6. Laugh. A sense of humor is indispensable to happiness.

—SKH—

Visiting with Mr. and Mrs. Jack Raye over the weekend were Mr. and Mrs. Carmac Neeley and Mr. and Mrs. Pascal Neeley and children of Carlsbad, N.M., and Mr. and Mrs. James Neeley of Houston. Also visiting the Rayes over the weekend were their daughter, Nedra, and Chris Hawkins of Austin.

Mr. and Mrs. Don Jones who were transferred by the Highway Department some months ago have moved back to Sonora.

Visiting Mrs. Frank "Mama" Turney on her birthday were her children, Mr. and Mrs. Lin Turney of San Angelo, and Mr. and Mrs. Jake Merck. Other visitors were her grandchildren, Mr. and Mrs. Gene Turney of San Angelo, and Mr. and Mrs. John Merck and Rachel.

Mr. and Mrs. Lloyd Brown and daughter, Windy Lynn, visited his parents, Mr. and Mrs. Jack Raye and his brother and family, Mr. and Mrs. Buddy Brown over the weekend. Lloyd, who was formerly stationed in Missouri was on his way to an army base in Arizona, where he has been transferred.

Labor Day weekend guests of Mr. and Mrs. George Phillips were their children, Mrs. Bud Glasscock of Mexico, Mr. and Mrs. Thomas Gibson and Ashley of McAllen, and Mr. and Mrs. Harold Bryson, Melissa, Dennis, Bryan and Anita of Midland.

—SKH—

Fishing on the Pecos River this weekend were Mr. and Mrs. Rayford Hull, Sammy Odom, Buddy Brown and Mr. and Mrs. Lloyd Brown.

Visiting with Mr. and Mrs. Jack Trainer and Gene during the holiday weekend were their son, Mr. and Mrs. Jack Trainer, Jr. of Houston and Mr. and Mrs. Fred Trainer of Pasadena. They spent the weekend at Amistad Lake.

Mr. and Mrs. Jerry Phillips and children visited Mr. and Mrs. Grosse Mohler and family in Seguin over the weekend. Mr. and Mrs. A. C. Hudson spent the weekend in New Braunfels and San Marcos. Their son, Joe R. Lancaster, met them there for the weekend.

Visiting Mrs. Sim Glasscock recently was her daughter, Mrs. Russell Oliver of Van Horn.

Mrs. Harold Saunders had as visitors over the weekend her sons and families, Mr. and Mrs. Harold Saunders and Kay of Kerrville and Richard Saunders and daughter, Jamie of Wichita, Kansas. They attended the wedding Saturday afternoon in Ozona of Winn Saunders. Winn is the son of Alan Saunders.

Mrs. Gene Wallace is reported to be recovering rapidly from surgery. She is in Shannon Hospital in San Angelo. Everyone has missed Nell in the jewelry store lately.

Visiting Mr. and Mrs. Dutch Kiser and Mr. and Mrs. Louis Powers recently was Mr. and Mrs. H. C. Kiser of Houston and Mrs. Bess Harris of Fort Stockton.

—SKH—

Bill McClelland of Lubbock was a recent visitor in the home of his parents, Mr. and Mrs. W. E. McClelland. This past weekend the McClellands visited their daughter and family, Mr. and Mrs. George Thompson and family in Sweetwater.

Mrs. Gwen Wardlaw is visiting her sister, Blanche Blackwell, in El Paso. Miss Ann McKinney, former Sonoran, now of Houston, visited with Mr. and Mrs. Jack David Wardlaw and other friends over the holidays.

Mr. and Mrs. Glen Swafford and children visited her parents, Mr. and Mrs. Harold Garrett recently.

Miss Jan McClelland was here visiting her parents, Mr. and Mrs. John McClelland last weekend.

Paul Firnhaber was here over the weekend visiting Matt Davenport and Mr. and Mrs. Hershel Davenport. He is a student at Texas Lutheran College at Seguin. His parents, the Rev. and Mrs. Stuart Firnhaber, now live in Omaha. The Firnhabers lived here when the Rev. Mr. Firnhaber was pastor of Hope Lutheran Church.

Looking Back . . .

. . . by Sonora Motor Co.

A STREET SCENE IN THE 1920's shows that parking space was not always plentiful, even then. The big oak at right still stands, but pavement has replaced the dirt street. First National Bank is shown to occupy the building where the ASCS is now located.

BETTER

BANKING...

ELECTRONICALLY!

We think you're worth something very special! That's why we have converted all checking accounts, savings and certificates of deposit to electronic data processing.

For years we handled and sorted thousands and thousands of checks and deposit slips by hand. Our people who did this were exceptional in their ability to perform such tedious work with a minimum of errors.

However, as our workload increased, it became more difficult to get this job done quickly and accurately by hand. Therefore the move to the computer. It can do in minutes the tedious jobs that previously took hours and hours by human hand and eye.

Electronic data processing (DDA) will enable us to establish a greater economy of operation. Simply stated, if we can hold down the cost of operation, service charges can remain at their present levels. Electronic data processing will enable us to give you even better service . . . faster . . . at the present costs.

If you have any questions, please ask our officers. They'll be pleased to have the opportunity of talking with you.
