Broncos Begin District Play Friday Following Fifth Win Of Season

The Sonora Broncos have now won all five of their non-district games with Fridays 21-12 defeat of the Rankin Red Devils. Rain for the area hampered playing conditions for the game. The footing was bad and the

City Cracks Down On Delinquent Utility Accounts

At the meeting Monday of Mayor Norman Rousselet, city commissioners W.B. McMillan and Walter Pope, III the motion was made and passed that a new policy be adopted in regards to delinquent utility accounts.

As of September 15, almost \$28,000 in delinquent accounts was due the city.

In the policy adopted at the meeting, persons whose accounts are 60 days past due, will be notified that monthly accounts must be kept current and ten percent of account in arrears payable along with current bill. Mayor Rousselet pointed out this is not a declining ten percent, but ten percent of the original delinquent bill, adding that accounts now in arrears should be cleared within ten months.

The cutoff will become effective in November, the commission voted.

Lions Given Data On Local Hospital

Robert Vernor, administrator of Lillian M. Hudspeth Memorial Hospital, reviewed the history and operation of the facility at the Downtown Lions Club Tuesday.

Most of the money for the hospital was left by the will of the late Roy Hudspeth, local ranchman. Completed in July of 1951 at a cost of \$478,378, the money came from private funds with the exception of a \$150,000 Hill-Burton grant.

A 12,000 acre ranch was also left to help support the hospital. A 39-bed nursing home wing was constructed from \$230,000 accumulated funds, and opened September 1970.

The hospital offers, in addition to inpatient care, —laboratory facilities, xray, surgery, obstetrics and a functioning emergency room. The emergency room had 736 visits in 1970.

Since January 1, 1971, 406 patients have been admitted to the hospital for an average stay of 5.6 days each, or 2093 days of patient care. This patient load is down somewhat because Sonora now has only one local physician.

The hospital employs 30 full time employees and the nursing home 17. Total payroll for the first six months of 1971 was \$94,000. Three full time registered nurses are available and two work part time. Eight Licensed Vocational Nurses also assist.

An approved LVN training school is sponsored by the hospital with five LVN's now in training. The hospital is approved for both Medicare and Medicaid programs.

Area Ranchman To View "Exotic" Cattle Monday

Several breed of "exotic" cattle will be seen here Monday when a tour of area and local ranches will be made. The tour begins at 9 a.m. at the Sonora Veterinary Clinic.

Breeds of cattle represented will include Simmental, Hereford, Limousin, Charolais, Angus, Beefmaster and Brown Swiss.

The noon meal will be served at the Robert Allison ranch on the Ozona highway at a cost of \$1 per plate.

J.P. Smith, western states fieldman for American Breeders Service will talk briefly on artificial insemination and beef production. The tour is open to all interested persons.

ball was slick. During the first quarter the Bronco defense allowed the Red Devils no first downs. The Sonora offense moved the ball well but three good drives were stopped with fumbles recovered by Rankin.

On the first play of the second quarter, the Red Devils fumbled the ball back to the Broncos on their 37 yard line. Runs by Steve Street, Tryon Fields and Milton Noel moved the ball deep into Rankin's end of the field where Mark Rousselet scored from 1 yard out. Henry Mata's kick was good giving Sonora a 7-0 lead midway in the second quarter.

The Red Devils came back with a drive of their own. Starting on their 22 yard line they moved 78 yards on runs and passes by quarterback Jack Campbell. The six pointer came on a 6 yard run by Campbell but a two point attempt failed and Sonora retained a 7-6 lead at the half.

SECOND HALF
Early in the third period Rankin moved down to Sonora's 7 yard line. The Sonora defensive unit led by Noel and Fields rose to the occasion and held on downs on the 12 yard line.

With the goal line 88 yards away the Bronco offensive unit would not be stopped. With a 3 and 6 situation, Noel carried 22 yards to the Sonora 40. Two plays later Steve Street went 44 yards around his left end for Sonora's second TD. Mata made it 14-6 with 25 seconds remaining in the third quarter.

Midway in the last quarter Rick Street stopped a Rankin drive by intercepting a Campbell pass on his own 40 yard line and carrying it 60 yards for Sonora's final touchdown. Mata again kicked the extra point making the score 21-6.

Rankin set up a final touchdown drive by intercepting a Sonora pass and moved the ball to the Sonora 2 yard line where Campbell scored. The two point attempt failed and with 1 minute and 35 seconds left in the final period the score was 21-12.

An on-side kick by Rankin was covered by Joe Eustace and Sonora ran out the clock.

Attend Rail Hearing!

Over 70 years ago, a man named Arthur Stilwell gave birth to an idea and a dream. Thirty-two years later, July 1, 1930, his dream was realized in the form of cold, hard steel lying between San Angelo and Sonora. In 1930 the Orient, a railroad company, laid the last track of rail to connect Sonora with San Angelo. Thus ended a hard struggle that was fought by many Sonorans as well as San Angelenos to link the two cities together—now the abandonment of the railroad is being considered.

AT LAST!!! THE TRAIN HAD ARRIVED. Throngs of happy people welcomed the first train to Sonora.

JAMES BUCHANAN, Sonora High School speech Outstanding Speech Teacher in Texas at a banquet teacher, reflects on the honors he has won during held in the Rice Hotel in Houston, and attended his first two years of teaching. He was named by approximately 250 persons.

City Department Heads Named Temporarily

At a special called meeting of the city commission September 28, the resignation of Jimmy H. Harris as city manager was accepted. Pending the appointment of a city manager, various city employees were named as heads of different

V. F. W. Post Elects Officers

Sonora V.F.W. Post 4395 completed an election of officers Monday. Those elected were Willard Roper, Senior Vice Commander; Pete Gomez, Junior Vice Commander; Earl Johnson, Adjutant; Leopoldo Cervantes, three year trustee; Robert Mooney, two year trustee and Carl Hard, one year trustee.

The senior and junior vice commander elections were required by recent vacating of these posts by the incumbents.

The quartermaster position is held by Salome Perez and A. W. Saunders, Sr. is the Post Commander.

departments. Sam Odom was named as head of the electric plant; Stewart Slatton, electrical lines department; Gene West, street, water, sewerage and garbage department and Mrs. J. L. Robbins will be in charge of the office force.

In the Monday meeting of the city commission, Odom met with the commission to request installation of a drinking fountain at the light plant, and the request was approved. He also recommended the purchase of a compressor for a gasoline engine, and it was approved.

Darcy Carroll, fire chief, presented his annual report to the commission. He requested installation of flasher lights on two city fire trucks in accordance with the change in traffic rules and regulations recently enacted into law. The commission voted approval.

In other city business, the need for roof repair and renovating the interior of the City Hall was noted. Workmen will be contacted and a cost estimate obtained before definite action is taken.

A petition with approximately 40 signatures was presented to the commission requesting sewerage and additional water lines in the Sinaloa addition.

The commission declined to take action at present, noting the city is obligated to complete work in the IH10 vicinity and other areas presently.

A contract for \$375 was awarded to Gabriel Mata for fencing in the airport buildings area. The 3/8-mile fencing project by Mata is currently underway with the city furnishing all materials. The present entrance to the airport will be moved when IH10 construction is more nearly complete.

A \$100 advertising space in the school yearbook was approved.

Harris in a brief meeting with the commission reported that 23 blocks of paving was finished during the summer of 1970, with all work completed with the exception of a second coat on the Glen Chadwick roadway. He recommended that the city purchase two small and two large control breakers for use on 7200-volt lines, adding that in his opinion this would bring the electrical distribution system into good shape.

Accounts in the amount of \$3,201.63 were approved for payment.

School Trustees Congratulate James Buchanan

School board trustees extended congratulatory greetings Monday to James Buchanan, who was named outstanding speech teacher in Texas last week in Houston.

In a relatively short meeting, the board approved payment of bills in the amount of \$24,883.48. They approved January 14, 1972 as an inservice training date for teachers.

Board members approved the purchase of a drinking fountain for the cafeteria and approved the Preliminary Foundation Program Application for 1971-72.

In other board action, some discussion was held in regards to the abandoned Elliott school, with a recommendation from board member R.S. Teaff for the school to sell lots adjacent to the closed school. No definite action was taken until a meeting can be arranged with city officials as to the feasibility of obtaining sewer, water lines, etc.

Attending the meeting were Teaff, Armer Earwood, Bill Tittle, George Wallace, W.L. Morris, Mrs. Walter Pope, III, Ken McAllister, superintendent of schools, and Carroll King, business manager.

Buchanan Named Top Speech Teacher

James Buchanan, high school speech teacher, was named as outstanding speech teacher of the year in Texas at an awards dinner at the Rice Hotel in Houston, Friday, October 8.

He was named by the Texas Speech Communications Association to the honor post from speech and drama teachers in Texas from colleges, high school and junior high school departments.

Buchanan was one of four

Sonoran's Brother Dies In Austin

Mr. T. C. Wynn, 66, and a brother of George Wynn, died at his home in Austin, October 9, 1971. He had suffered a heart attack and had been hospitalized several weeks prior to his death.

He was born October 18, 1905. Burial was in Austin Cemetery October 11.

Other survivors include his wife and two daughters, Mrs. Gene Doughtie of Austin and Mrs. Judy Anderson of San Antonio.

nominees selected, with the other three nominees selected from 4-A schools in El Paso, Dallas and Houston. Teachers were selected on the basis of four recommendations and by a personal interview with the judges, who were composed of college speech and drama teachers.

Buchanan in his personal interview with the judges, said they were especially impressed with students in Sonora High School and the interest shown in the community in the speech department. The judges noted particularly that the school has 20 percent of the high school enrollment participating in the speech department. They were also impressed with the well-rounded students, who not only are active in speech, but also engage in athletics, 4-H club work and most other school and community activities.

He will represent Texas to compete for the Teacher of the Year award at the Southern Speech Communications Association meeting in San Antonio in April.

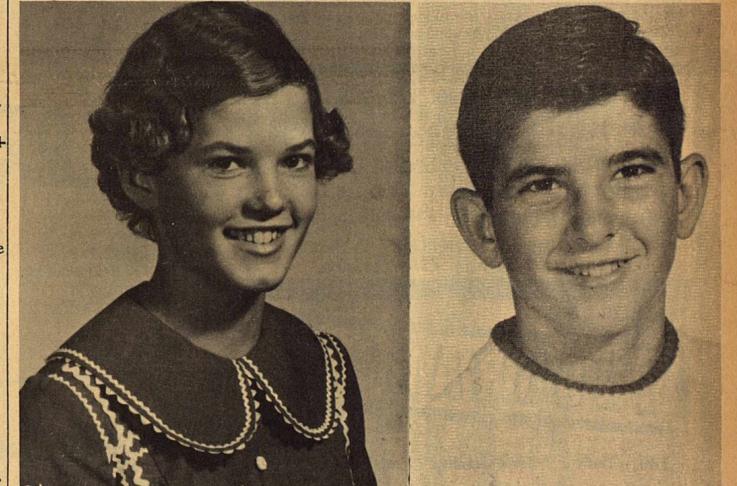

He is a native of Odessa, a

1970 graduate of Angelo State University of San Angelo, and is in his second year as teacher in the local school. The play, "The Madwoman of Chalfior", directed by Buchanan won first place in state competition in April in Austin.

Vocational Nurse Graduation Rites Scheduled Oct. 21

Graduation ceremonies for the students of the Lillian M. Hudspeth Memorial Hospital Vocational Nurse Program will be held Thursday, October 21, 1971 at 7:30 p.m. in the Parish Hall of St. John's Episcopal Church. Speaker for the evening will be the Rev. Ray Nations.

Presentation of diplomas will be made by Charles F. Browne, M.D., and presentation of school pins will be by Robert Vernor, administrator, and Mary L. Ford, R.N., instructor. Graduating students are Mrs. Inez Baldwin, Mrs. Lila D. Cook, Miss Neria Galindo, Mrs. Doris Hull and Miss Vicki Santos.

CORA POPE

BILL FINKLEA

Bill Finklea, Cora Pope 4-H Gold Star Honorees

Winners of the Gold Star awards at the annual Sutton County 4-H Achievement Program at the 4-H Center Tuesday were Cora Pope and Bill Finklea.

Miss Pope is the 15-year-old daughter of Mr. and Mrs. Walter Pope, III, and Finklea is the 15-year-old son of Mr. and Mrs. Lawrence Finklea.

Miss Janet Pope, president of the Sutton County club, served as mistress of ceremonies and was assisted by other junior and adult leaders. Outstanding 4-H members, leaders and friends of 4-H were honored for their contributions to the program in Sutton County.

The younger Miss Pope has been a member of the Sutton county club for six years. She is 4-H reporter and a member of the Sutton County 4-H council. She has participated in breeding sheep, fat lamb and range projects. She placed second in district with her sheep and wool record in 1971. Cora has been a member of winning 4-H grass judging teams at the Houston Fat Stock Show, San Angelo Fat Stock Show and other district and area grass judging contests.

She has also been a member of the State 4-H champion junior and senior range judging teams, the state champion wool and mohair judging team, the overall high junior and senior judging teams at the Sonora Wool and Mohair Show and the National Champion 4-H wool judging team. Cora is a junior leader for wool, mohair, plant and range judging.

Finklea has been a member of the Sutton county club for six years also. He is 4-H parliamentarian and is a member of the county and district 4-H council.

Bill has participated in Angora goat and horse projects. He has won several honors at the county, Kerrville and San Angelo shows with his Angora goats. He has been a member

Janet Pope, Marsha Finklea Memorial Trophy Winners

Miss Janet Pope, 17-year-old daughter of Mr. and Mrs. Walter Pope III, was named winner of the "Fred T. Earwood Memorial Award Trophy" at the annual Sutton County 4-H Achievement banquet Tuesday night. The trophy is presented to the outstanding 4-H club member in the county each year.

Miss Pope is the first 4-H girl to win this award which serves as a memorial to the late Mr. Earwood for his many contributions to 4-H, the ranching industry and the local area.

Janet is president of the 4-H club and co-chairman of the District 6 4-H Council. She has won first place in the State 4-H Range Record Book competition in 1969 and first place in the State 4-H Conservation Record Book competition in 1970 which included a trip to the National Congress in Chicago.

She has participated in breeding sheep, fat lamb, range and horse projects. She has won

of the State Champion 4-H junior and senior range judging teams, the state champion 4-H grass judging team, the state champion 4-H senior wool and mohair judging team, the overall high junior and senior judging teams at the Sonora Wool and Mohair Show and the National Champion 4-H wool

judging honors won by Janet include—state champion junior and senior range judging team, state champion 4-H grass judging team, state champion 4-H wool and mohair judging team, high team plant judging, Houston Fat Stock Show, high team plant judging, San Angelo Fat Stock Show and National champion 4-H wool judging team.

She was the high individual girl in the 1967 Houston plant judging contest and the National champion 4-H wool judge in 1971.

Miss Pope was the 1969 Gold Star Award winner for Sutton County and serves as a coach for younger members in their judging activities.

The Devil's River News

Published in Sonora, Texas - "The Capital of the Stockman's Paradise"

Editorials-Features-Columns

The most effective single force in building a good community is a good newspaper.

"Grassroots Opinion"

RANDOLPH, IOWA, ENTERPRISE: "And, speaking of words, isn't it strange how the meaning of some words has changed through the years. Back in Mark Twain's day, the meaning of 'square' was one of the best in our language. . . Then, somehow that good, honest word got bent all out of shape and its meaning twisted. Now, the word, 'square' means 'a man who never learned to get away with it. A Joe who volunteers when he doesn't have to. A guy who gets his kicks from trying to do something better than anyone else. A dummy who gets so lost in his work that he has to be reminded to go home. He doesn't fit too well in the current crop of angle-players, corner-cutters, sharp-shooters and goof-offs. He doesn't want to fly and pay later. He's burdened with old-fashioned ideas of honesty, loyalty, courage and thrift.' If you're called 'square' now you don't know whether you're a pretty good guy or just a plain boob!"

STARBUCK, MINN., TIMES: "Why is it? A man wakes up in the morning after sleeping on an advertised blanket, in an advertised pajamas. He will bathe in an advertised tub, wash with advertised soap, shave with an advertised razor, drink advertised coffee after his advertised juice, cereal and toast (toasted in his advertised toaster), put on advertised clothes and an advertised hat. He will ride to work in an advertised car, sit at an advertised desk, smoke advertised cigarettes and write with an advertised pen. Yet this man hesitates to advertise, saying that advertising does not

pay. Finally, when his unadvertised business goes under he will then advertise it for sale." LENNOX, S. D., INDEPENDENT: "Apparently the delegates to the United Nations, or the governments they represent, are still very dollar conscious and are willing to endure most anything for the assurance that Uncle Sap will keep on pouring money into that debating society. When a recent vote was taken to decide whether or not to move the U.N. headquarters from New York City to some other location--most likely another country--the vote was two to one in favor of leaving it where it is. This, in spite of the fact that nearly all the delegates confessed that New York City is congested, dirty, dangerous and very nearly intolerable. They know that if the headquarters is moved to another country, the U.S. will probably lose interest in the United Nations and cut its support. Well, it seems to us that more than a few Americans have already lost interest and confidence in the U.N. and would just as soon see it moved to Siberia."

COMSTOCK, NEBR., NEWS: "As I understand it, we were an underdeveloped country 180 years ago, with a population of three million. While we were underdeveloped, some of the now underdeveloped countries were then developed. Now that they are underdeveloped, we are becoming underdeveloped helping those underdeveloped countries become developed again. When we finally become underdeveloped and the underdeveloped nations are developed, I wonder if they will come to our aid?"

NEWSPAPERS growing with America

from HISTORY'S SCRAPBOOK DATES AND EVENTS FROM YESTERYEARS

OCTOBER 12, 1961 Leading the cheering section for the Sonora Junior High Colts this year are five eighth-grade girls and their mascot. The girls are Janet Johnson, Susan Allison, Barbara Sterling, Leta Fay Meador, head cheerleader Nola Scoles and mascot, Cha Cha Allison.

Torrential rains fell in the Sonora area Monday with small cloudbursts up to 7 inches reported. Heaviest rainfall apparently fell around Brushy Top. Sonora football fans witnessed one of the most exciting games in West Texas schoolboy ball Friday night as the Broncos squeaked by the Rankin Red Devils 21 to 20.

Fred Bernea, son of Mr. and Mrs. Alfred Bernea, is attending junior college in Houston. Candace Cauthorn, Mary John Espy, Sondra Nicks and Debra Cooper sang for a reunion of World War I veterans in Junction last weekend. The quartet accompanied by Mrs. James Wilson, pianist, sang a medley of World War I songs.

OCTOBER 12, 1951 Miss Emma Jo Richardson and Mrs. Jack Sharp spent the weekend as guests of their parents. They are enrolled in a business school in San Angelo.

Mr. and Mrs. D. C. Langford, Mr. and Mrs. Andre Truden, Dr. and Mrs. Joe B. Logan and Glen Richardson attended the Texas A&M-Oklahoma A&M football game.

Mrs. DeWitt Lancaster honored her son, Ray D., on his seventh birthday with a party.

The milk situation looked pretty bad for a while Tuesday. The Gandy milk truck overturned near Huldale, scattering milk and ice cream along the road. No one was hurt and a fresh supply of milk was soon on the way from San Angelo.

Visiting in the home of Mr. and Mrs. Web Elliott this week were Mr. and Mrs. J. N. Owen and son, Jim, and Mr. and Mrs. Frank Fain of Livingston.

The Foxworth-Galbraith Lumber Company is celebrating its 50th anniversary over three states this week. The company was founded in 1901 at Dahlart.

The small but well-conditioned Sonora Broncos defeated a much larger squad of San Angelo Kittens by a score of 18-13 Friday in Bronco Stadium.

OCTOBER, 1941 Ethel Mae Alley was honored on her twelfth birthday with a party Monday by her mother, Mrs. J. V. Alley at her home. Games and dancing were en-

joyed and Carolyn Johnson won the prize in bingo. Cake and punch were served.

Miss Louise Briscoe attended the Dallas Fair over the weekend.

The Bronco Band mothers, Mrs. Libb Wallace and Mrs. J. D. Wallace honored the band, pep squad and football boys with a dance Saturday night at the gymnasium.

Mrs. George E. Smith entertained with a party Thursday at her home honoring her daughter, Beverly, on her ninth birthday anniversary.

Mrs. Mark H. Leverett, Sixth District president, and Mrs. Emory Cushing, district international relations chairman, both of Menard, were guest speakers Saturday afternoon when the Sonora Woman's Club opened its 25th year with a tea.

Reginald Trainer and Leon Morris left Monday to visit in Georgetown, Austin and Fort Worth.

Mr. and Mrs. A. T. Carroll and son, Darcey, were in Brady last weekend visiting relatives.

81 YEARS AGO Misses Ollie Gurley of Ozona and May Callahan accompanied by Hon. D. B. Cusenbary called at the Retreat Tuesday.

W. J. Fields, another well-to-do cattleman was in Sonora Friday. He has 500 steers that average 960 pounds that he will ship this fall.

This week has been dark, cold, cloudy, dismal and muddy. But let us tell you something you don't know.

C. G. Cooper has secured a fine well of water at the Taylor box in Crockett county. Up to this time it has been deemed impossible to obtain water at that point.

John Rae bought for Rae & Grinnell 32 bucks from Kenedy and Roberts.

George Allison, sheep, horse and cattle raiser of the Stockman's Paradise was in Sonora Thursday. He sold 10 bucks to F. M. Sanders at \$10.

Cal Huffman and Wm. Veck, Jr. leading society gentlemen of San Angelo, were in Sonora Monday. Messrs. Veck and Huffman were delighted with Sonora and will probably invest.

We are sincerely appreciative of the many nice things the women of W. S. C. S., Woman's Club, women of St. John's and the Methodist Adult Bible class have done for us. Your interest and help have meant much to us.

Mrs. Buster Jennings Mrs. C. W. West, Sr. 1c6

He Can't Understand Why Europeans Are So Upset Over Falling Dollar

Editor's note: The Devil's River Philosopher on his bitter-weed ranch on Dry Devils River discusses the monetary system this week, mainly from the theoretical side, of course. Dear editor:

There's no way around it, the people in Europe are a bunch of sissies.

According to an article I read last night in a newspaper that turned up in my mail box by mistake—the new postal service hasn't, as some feared, abandoned all the fine traditions of the old one—all countries in Europe are biting their finger nails and losing sleep over the value of the American dollar. It's going down.

As a result, everybody is selling dollars, refusing to take dollars from tourists, and generally demanding that something be done before all Europe panics.

Clearly, they are a bunch of sissies. Why, the value of the dollar has been going down for years in the United States and I haven't found anybody yet who has refused to take one. Everybody I know would like to have a lot more of them.

In fact, it takes a lot more of them to pay two dollars for a dollars worth of groceries.

Of course, the monetary system is one of the things I and possibly some others, say three-fourths of Congress and all economists, have never been able to understand, and it may be that the value of the dollar hasn't gone down, just the price of things has gone up.

Which ever way it is and regardless of whether the dollar is worth 100 cents or 48 cents, I have never seen a man yet who, makes no difference what shape his back was in, wouldn't if he saw one lying on the street bend over and pick it up. I know a banker who dislocated a hip bending over to pick up a quarter.

Europeans ought to calm down and latch on to all the dollars they can.

As the saying goes, a bird in the hand is worth two in the bush, but you'd better not let the Environmentalists hear you say this.

Personally, I've got confidence in the dollar. It's still worth 100 cents. Unfortunately though a cent is just worth half a penny. That's where the trouble is.

Yours faithfully, J. A.

TEEN SCENE

By Carol Weston

Mr. James Buchanan attended a convention of the Texas Speech Teachers Association last Thursday, Friday and Saturday in Houston. He was chosen from a group of four teachers, the others coming from 3 and 4-A schools, to be recognized as the 1971-72 Texas Speech Teacher of the Year.

The committee was made up of a number of college speech teachers from Texas, and their decision was based on letters of commendation and an interview conducted during the convention. Everyone wishes to congratulate Mr. Buchanan for his award and what is another example of Sonora's No. 1 rating.

This year's Library Club officers were elected last week and are as follows: president, Mike Dillard; vice president, Richard Bemal; secretary-treasurer, Maria Hernandez and reporter, Frank Taylor.

The 'B' team and Junior High teams played Ozona last Thursday. Their 8th grade was able to overcome ours 14-6. Their 7th graders topped ours 20 to 0, and our 'B' team crushed theirs with a score of 24 to 0.

The three teams will all be playing Junction at the home field beginning at 5 p. m. Thursday. Everyone turn out to support them as they chalk

up more victories for Sonora.

Band members of the week are Jack Sykes and Johnny Gonzales.

Due to the weather Friday night the band was not able to make their presentation of this year's band sweetheart. The announcement will be made at the Pep Rally this Friday.

The Broncos stomped the Rankin Red Devils last Friday with a score of 21 to 12, to bring them to a 5-0 non-district record.

All of the boys played a really fine game, except for a few fumbles and penalties. Other than that the Broncos played very solidly and were able to move the ball a good bit. Steve Street made 118 yards rushing, Milton Noel 100 yards, and Mark Rousselot 35 yards. The interior line and secondary both did well and all of the boys played well defensively, although they broke down a little on occasion.

Due to the weather the Broncos probably didn't play as hard as they could have, but the coaches are very pleased with their performance and the outcome of the game.

The Broncos will be playing Menard there this Friday beginning at 7:30. Everyone come out to support them as they begin district competition.

THE LILLIAN M. HUDSPETH MEMORIAL hospital auxiliary met Monday at the Charles F. Browne home where they were entertained with a luncheon held on the patio. Mrs. Browne, assisted by Dr. Browne and Joseph Vander Stucken, presented certificates for volunteer service to members. Robert Vemor, administrator of the hospital, spoke to the group of 27 persons. New members of the auxiliary are Mrs. Lila Heman-

dez, Mrs. Lois Young, Mr. and Mrs. Dick Black, Mrs. Mary Ann Roper, Vander Stucken, Mr. and Mrs. Jack Neill, Vemor, Mrs. Lillian McAllison and Mrs. Bill Morris. The project committee composed of Mrs. Collier Shurley, Mrs. R. A. Halbert, Mrs. Joseph Vander Stucken and Mrs. Thomas Morris reported the donation of two sterilized fleeces to the hospital.

St. John's Church Plans Consecration Services Sunday

The Rt. Rev. Harold C. Gosnell, bishop of West Texas will consecrate St. John's Episcopal Church at 8 p. m. Sunday, October 17. There will be a dinner at 6:30 p. m. for the membership and honored guests, and the service of consecration will begin at 8. Honored guests will include past rectors of St. John's and other clergy from the Diocese of West Texas.

The consecration of an Episcopal Church is a beautiful and moving service and anyone who wishes to may attend, said the Rev. Mr. Ray Nations, rector of St. John's.

The service will open with the consecration and will be followed by a celebration of the holy communion with Bishop Gosnell as the celebrant. The Rev. Mr. Nations will preach the sermon, and the past rectors of St. John's will assist Bishop Gosnell in the communion service.

Honored guests include the Rev. Norman E. Griffith of Beaumont; the Rev. Rollin S. Polk of Beeville; the Rev. Jake Billingsley, Jr. of Austin; the Rev. Alanson Brown of Wichita Falls; the Rev. Stanley F. Hauser of San Antonio and the Rev. Evans H. Moreland of Amarillo.

'B' Broncos Blast Ozona

A slight drizzle last Thursday night made footing slippery and ball handling unreliable as the 'B' team pushed by Ozona 24-0.

First scoring came on a pass to Juan Perez, with the extra point carried in by Paul Browne. Another touchdown came on a pass from Browne to Albert DeHoyas. David Wallace carried the ball for the extra

Sheep And Goat Producers Plan Meeting Today

Sutton County sheep and goat producers are invited to a meeting at 2 p. m. today (Thursday) at the 4-H Center in an announcement made by R. A. Halbert.

Purpose of the meeting is to discuss a recommendation made by the Texas Sheep and Goat Raisers' Predatory Animal and Livestock Theft Committee. They are asking that the directors of the TS&GRA initiate proceedings to hold a referendum for marketing deductions, with the funds to be used for an accelerated predator control program.

Halbert said that Bill Sims, TS&GRA executive secretary, will be on hand to answer questions and explain the proposed recommendation further. Halbert is chairman of the group.

A Bishop Looks at Life Rating For Sermons

By Everett H. Jones, Retired Bishop of the Episcopal Church

A Baptist pastor in Pocatello, Idaho, Rev. Wilbur Rees, has come up with the idea that preachers should announce in advance sermon ratings comparable to those used for motion pictures.

"This would be a great help when one is deciding whether or not to get out of bed on Sunday morning," says Rev. Mr. Rees.

His proposed code is as follows: "G" -- Generally acceptable to everyone. Full of inoffensive, puerile platitudes such as "Go into all the world and smile." "What the world needs is brotherhood and motherhood." This sermon is usually described by the congregation as "wonderful" or "Marvelous".

"M" -- For more mature congregations. At times this sermon even makes the Gospel relevant to today, in subtle ways of course. It may even contain mild suggestions for change. This sermon is often described as "challenging" or "Thought provoking", even though no one intends to take

any action or change any attitudes.

"R" -- Definitely restricted to those who are not upset by truth. This sermon "tells it like it is." It is very threatening to the comfortable. It is most often described as "disturbing" or "controversial." It usually indicates that the preacher has an outside source of income.

"X" -- Positively limited to those who can handle explosive ideas. This sermon really "socks it to 'em". It is the kind of sermon that landed Jeremiah in the well, got Amos run out of town, and set things up for the stoning of Stephen. It also caused John the Baptist to lose his head. It is always described as "shocking" or "in very poor taste." The minister who preaches this sermon had better have his suitcase packed, and be sure that his life insurance is paid up.

Hospital Notes

Patients receiving treatment at Hudspeth Memorial Hospital during the period from Tuesday, October 5, through Monday, October 11, include the following:

- Ida Hill, Eldorado
- W. O. Alexander, Eldorado
- Elizabeth Hoover, Ozona
- Elizabeth Tisdale
- Margaret McCalmont
- Linda Evans
- Margaret Schwiening
- Ann Nations
- Simon Garza, Ozona
- Wallace Wartenbach
- William Whitten, Corpus Christi
- Stella Munoz, Ozona
- Stella Lloyd, Richmond, Va.
- Robert Brown

*Patients released during the same period.

FRANK ADKINS SONORA

Firemen's Corner

by YVONNE CARROLL

At the Hill County District Firemen's Convention in Coleman, October 9, the Sonora firemen won the man miles travel trophy and third place in the 6-man pumper race.

Darcy Carroll, fire chief-fire marshal, attended the commissioners October 10 meeting and submitted the annual report on fires, losses and fire prevention activities for the period from October 1970 through October 1971.

Where was the fire? Monday at 4:30 p. m. a truck fire was turned in to the fire station. An oil truck overturned and caught fire close to Station B.

Episcopal Rector To Head Cub Scout Pack 19

At its meeting Monday in St. John's Episcopal Church Parish Hall, VFW Memorial Post 4395 voted to sponsor Cub Scout Pack 19. This will be co-sponsored with Ruth Shurley's Sunday school class from the First United Methodist Church.

The Rev. Ray Nations, chaplain of the VFW post, was recently selected to be cubmaster of Cub Scout Pack 19. The Rev. Mr. Nations says he is looking forward to an active cub scout program here this year.

The Cub Scout program is open to boys between the ages of 8 and 11, and any boy who wishes to find out more about the program may contact the Rev. Mr. Nations at 387-2955 or one of the den mothers, Mrs. Virgil Maurer, 387-2415 and Mrs. Reed Jennings, 387-3396.

Ozona Rolls Over 7th Grade Colts

Ozona 7th graders came here to play last Thursday and rolled over the Colts by a score of 20-0.

In the first half the Colt defense contained the Lions and allowed only one touchdown. However, the Colts were unable to hold back the determined Lions who added 12 more points before the game ended.

Former Resident Dies In Bryan

Funeral services were held for Mr. Louis L. Stuart, 74, in Bryan. His parents, the late Mr. and Mrs. Arthur Stuart, were early-day Sutton County ranchmen.

The Stuarts lived here during the 1940's, then moved to El-dorado, and finally to Bryan, where he owned and operated Stuart Hardware Store in College Station for several years. He was also office manager for Beard Transfer and Storage Company when he died.

He was a member of the Brazos Union Lodge No. 129 AF&AM. He was a member and had served on the official board of the First United Methodist Church in Bryan.

Survivors include his wife, Fay; one son, L. Lynn Stuart of Bryan; one brother, Henry T. Stuart of Cotulla and two grandchildren.

Thomas A. Edison was granted more than 1,000 United States patents.

WESLEY RICHARDSON (44) grinds out yardage while Broncos RICHARD BERNAL (81) and RICK STREET (20) are close by. After a rainy day, ball handling was treacherous with slippery

footing. Sonora chalked up their fifth win of the season handing the Rankin Red Devils a 21-12 defeat.

Eighth Graders Lose To Ozona

by M. STREET & L. ROGERS
Ozona came back with 14 points in the last half of the game last Thursday between Ozona and the 8th graders, to beat Sonora 14-6.

A pass from Hector Perez to Frank Gallegos scored Sonora's TD. The two point conversion failed.

The third quarter ran out before Ozona could score.

In the fourth quarter Ozona made a touchdown on the one yard plunge. The conversion was good as Ozona ran wide.

After Ozona regained possession of the ball, they drove in for another TD, but the conversion failed.

Time ran out before Sonora could score, and the game ended 14-8.

Sonora will meet Junction tonight (Thursday) in Sonora.

The first half ended in a defensive battle as the score remained 6-0. Late in the third quarter, Ozona blocked a punt and took possession of the ball.

Spell Quiz
Correct Answer is: **marquee**

Time To Get Ready For Archery

With the special archery season opening October 1 in most counties under the regulatory authority of the Texas Parks and

Wildlife Department, bowhunters should be sharpening both their shooting eyes and their broadheads.

Archers who planned to hunt in the Edwards Plateau had until October 14 to get ready. The "1971-72 Texas Hunting Guide" should be checked.

Practice is important to bowhunters, since Texas deer aren't very large targets to begin with, and vital spots are even smaller targets. Archers should practice with arrows exactly the same weight and spine (stiffness) as the arrows with which they will hunt.

Cardboard cutouts of deer make good targets for hunting practice. These targets can be moved so the archer can shoot at them from various angles and shooting positions. Hunters should concentrate on hitting the heart and lung area and should be able to do so consistently at 40 yards before they shoot at a live animal.

If the hunters' broadheads aren't sharp enough to shave with, they aren't sharp enough to hunt with. While a bullet kills by the force of impact, an arrow kills by internal hemorrhage, and the sharper the arrow is, the more tissue will be damaged as the arrow passes through.

Clothing which will break up the silhouette of the bowhunter is essential for a successful hunt. This is why many bowhunters prefer camouflaged clothing, including grease paint for the face. To eliminate human smell, some hunters put their hunting clothes in an airtight box with some apples.

Bowhunters have a wide selection of equipment available to them, but to keep from running afoul of the law, the equipment must meet certain specifications. The bow must be able to shoot a broadhead hunting arrow 130 yards. The arrows must have hunting points not less than seven-eighths of an inch and not more than one-and-a-half inches wide.

The arrows must have the name and address of the user on them in some non-water-soluble media. Using poisoned, drugged or explosive arrows is illegal.

Soy beans impart the characteristic flavor to Worcestershire sauce.

miracle fabrics were made for an all-electric laundry

- New permanent-press fabrics need help to do their stuff. For instance, most polyester fabrics will wash out ready to wear... without ironing. But only if you have used the proper cycle in an automatic washer and if the clothes tumble dry in a clothes dryer.
- Delicate new fabrics need delicate treatment... treatment they get in modern, electric laundry equipment. Even tough material, like towels and work clothes, finish better... with less wrinkles... fluffier... Softer.
 - And, it stands to reason that clothes washed and dried indoors by clean, electric laundry equipment last longer. No dust, soot or smoke. No wind tears or sun bleaching.
 - An electric laundry pampers you and your clothes. Visit your electric appliance dealer today and see the great clothes-saving features on the new electric clothes dryers and automatic washers.

Ray Siegmund, District 6 Extension Agent of Fort Stockton, who has supervised Extension and 4-H work in Sutton County for more than 15 years was presented an award of appreciation by the local club and the local 4-H Parents Club. Sutton County was transferred to Extension District 7 October 1, and is now under the supervision of Allen Turner, District 7 Extension Agent.

JANET POPE — From Page 1

daughter of Mr. and Mrs. Lawrence Finklea was presented

the "Billy Gillit Memorial Award" for being the outstanding junior member of the Sutton County 4-H club for 1971.

Marsha has participated in Angora goat projects, range judging, grass judging, wool and mohair judging. She has won many awards with her Angora goats at the Sutton County 4-H, Kerrville and San Angelo shows. Marsha has been a member of the State champion junior 4-H range team, the state champion junior wool and mohair team, the over-all high junior team in the Sonora Wool and Mohair Show and first place grass judging team at the District 6 4-H contest.

Draft Calls Issued

Two registrants of Selective Service Local Board #110 are being called for the November induction as announced by Colonel Melvin N. Glantz, the State Director.

Pre-induction physical examinations have been ordered for 18 men from the local board.

Glantz said he had been advised by the Director, Dr. Curtis Tarr, that the random sequence number 125 would be the RSN cut-off for 1971 for men in the first priority group. Tarr advised that all men in a class available for service who have been found qualified mentally, physically and morally with 1971 RSN's of 125 or below can expect to receive an induction order.

If men in the first priority group with RSN's up to 125 are not ordered for induction in 1971, they will be placed in the extended priority group and will be inducted in the first three months of 1972 ahead of men in the 1972 year group (born in 1952).

LEGAL NOTICE

NOTICE TO BIDDERS:

Notice is hereby given that the Commissioners' Court of Sutton County, Texas, will receive bids at the office of the County Judge of Sutton County, until 9 o'clock a. m. on November 8, 1971, for furnishing said County with the following:

One new tandem drive motor grader with the following specifications:

Diesel engine with minimum 125 flywheel HP and Cu inch displacement to be no less than 600 Cu inch

Double disc oil type clutch 12 foot mechanical shiftdisc moldboard

Transmission with a minimum of six speeds forward and two speeds in reverse

Hydraulic steering booster Fully enclosed cab with cab heater

Equipped with six 13:00 x 24 tube type 12 ply rating tires Total weight to be no more than 25,000 pounds

The Court shall have the right to reject any and all bids.

Notice is also given that it is the intention of said County to issue time warrants for the payment of all or a part of the contract price of said equipment, said time warrants not to exceed Twenty Eight Thousand Dollars in total amount, and to bear interest at the rate of six per centum per annum and to mature in one to seven years from date of issue.

J. W. Elliott, County Judge 2c6

County Tax Bills Mailed Out

City tax statements were mailed out sometime after September 15, and now the county tax statements are in the mail. School tax statements were mailed before Sept. 1.

County and state taxes, as well as city and school, are due by January 31. Penalty and interest charges are started beginning February 1.

However, taxpayers get a small break with the county and state taxes. They may take advantage of discounts on tax payments. The discount allowed is 3 percent on taxes paid in October, 2 percent for

November payment and 1 percent for December.

The new statements being mailed out by the county this year have the discount neatly figured, showing amount due if paid in October, November or December.

The city does not offer discount payments.

STEVE STREET (23) and JOE EUSTACE (50) are on the way to moving the ball down into Rankin's territory for a touchdown in Friday night's game with the Red Devils. Sonora took the lead in the second quarter with a 7-0 score, and retained a 7-6 lead

at the end of the half. Final score of the game found the Broncos leading 21-12. Sonora meets Menard Friday in Menard for the first district game of the season.

THE TEXAS HIGHWAY DEPARTMENT COLUMBUS DAY TOURNAMENT was held at the local golf club. Thirty-seven golfers from Sonora, San Angelo, Ballinger, Bronte, Ozona and Sterling City participated. About 100 persons enjoyed a barbecue supper following the tournament. Winning teams were: first place, Jack Adkins, Robert Harris of San Angelo, Junior Brown of San Angelo

and Bob McWilliams. Second place winners were Mrs. Jack H. Sharp, James Alexander, Sam Harvey and Bob Robinson of San Angelo. Third place winners were Winston Koeath of Ozona, Frank Jordan, San Angelo, Sid Awalt of San Angelo and Milton Cavaness.

Coffee Break

by Shirley Hill

The week of October 10 through 16 is National Newspaper Week and this item that appeared in a Texas Press Bulletin seems to about cover what newspapers mean to all people.

Just What Is A Newspaper?

A newspaper is many things to many people.

To some, it is a reality, a living textbook that records each passing day of world history; to others, it is escape—a refuge of entertainment and relaxation after the day's chores.

To the housewife, it is ideas for new menus and new clothes and sensible buying.

To the mother, suggestions for raising the youngsters.

To the teacher, a homework assignment on current events; to schoolchildren, a notebook item.

To the lonely diner, a companion; around the family supper table, a topic of conversation.

To sports and theater lovers, who and what is playing, when and where.

To athletes and actors, scrapbook material.

To an unknown, it brings fame; to a well-known, it furthers his name.

To the publicity seeker, it is a haven; to the publicity shy, a source of annoyance.

To the seller, it means a quick response; to the buyers, many

selections.

To some, it brings good news; to others, sad tidings.

To friends and neighbors, it tells about promotions, school achievements and who got married, who was born, who died.

To the voter, it is guidance; to a politician, friend or foe.

To opinion searchers, it stimulates thought.

To front porch sitters, it describes life beyond the horizon.

To the immigrant, it is a schoolbook that helps him learn English; to hunters of truth, it translates the customs from which the immigrant fled.

To the living, it is a source of freedom and hope; for the dead, a tribute to their virtues.

—SKH—

Mr. and Mrs. Philip Jacoby, Mr. and Mrs. Clay Cade and Larry Cade visited in Lubbock over the weekend with their sons, Scott and Mark Jacoby and Jimmy Cade. All three boys attend Texas Tech. They attended the Tech-Aggie football game while in Lubbock.

Sidney Awalt of San Angelo visited with his parents, Mr. and Mrs. A. W. Awalt Monday and participated in the Highway Department's Golf Tournament held that day.

Miss Vivian Mears is back at the Sonora Veterinary Clinic for a while. She is filling in for Mrs. Coleen Robbins, who is recovering from surgery in a

Crane Hospital.

Visiting recently with Mr. and Mrs. Pat Jungk and Karla were Mr. and Mrs. T. A. Wagner of Dallas. Mrs. Wagner is Dorothy's aunt.

SONORA DUPLICATE BRIDGE Duplicate bridge was played Monday night in the golf club house with Jan Mobley and Diane Barfield of Eldorado placing first. Second place winners were Mrs. Buddy Brown and Mrs. Hillman Brown and third place winners were Mrs. Lottie Adkins and Fred Adkins.

A bridge tournament is being sponsored by the local group and it will be held Monday, October 18, at 7:30 p. m. at the golf clubhouse. Mrs. L. T. Barber of San Angelo, will be serving as director of the match. Bridge players are invited to participate.

Federal Land Bank Holds Stockholders Meeting Monday

The annual stockholders meeting of the Federal Land Bank Association of Sonora was held in the basement of the First Methodist Church Monday.

Frank Bond, president of the association, welcomed the group, and A. E. Prugel, manager, gave the financial report.

The association, composed of borrowers from Crockett, Schleicher and Sutton counties

has a total net worth of \$1,242,361. Sixteen new loans were closed during the year ending August 31, for a total of \$573,000. Other loans now in process of closing, however, may push the calendar year total to over a million dollars, Prugel said. Outstanding loans of the association total \$9,049,604.

Two directors with expiring terms were reelected—Charles E. Davidson III of Ozona and

Otis Deal of Eldorado. Other directors include Pleas Childress Jr., of Ozona, James T. Williams of Eldorado and Frank Bond.

Following the business meeting E. B. Keng, Soil Conservation Service range conservationist, gave a slide talk on exotic game and other conservation topics.

Drawings for door prizes were held, and the group was served pie and coffee by the association.

Spray Cattle Now For Lice Urges County Agent

County Agricultural Agent D. C. Langford encourages farmers and ranchers to spray their cattle for lice in the fall instead of waiting until they are noticeably infested.

Treating cattle for lice now is effective because of mild weather, shorter hair on cattle and a smaller lice population, explains the county agent. The low population found now is the source of this winter's population.

"Louse control should not be put off until cattle are infested," Langford warns. "By winter the cattle have suffered greatly, and a heavy population of lice is more difficult to control than a light one."

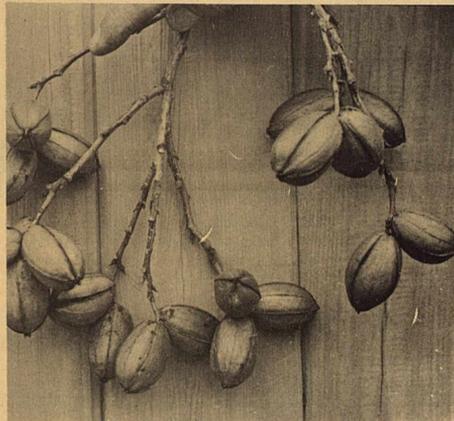

The key point in effective lice control is to make thorough applications. If one animal or even part of an animal is not treated, the lice could be a source of reinfestation for the herd.

Dipping is the most thorough way to treat cattle, but sprays are effective if applied with special attention to the brisket and flanks. The entire body should be wet to the skin. High water pressure and a coarse stream is best for penetrating the hair. Spray at a close range and treat only a few cattle at a time.

Information on the insecticides recommended for louse control is available at the County Extension office.

Before buying insecticides for spraying cattle, read the label on the container completely, urges the county agent. Pay particular attention to warnings and restrictions listed on the label and check on waiting periods, especially if some treated cattle may go to slaughter.

"21 Pecans, Count 'em! TRICK PHOTOGRAPHY?"

NO Just Proper Care

These nuts are from a tree belonging to Johnny Martin at the corner of College and Tayloe, and are under SAUNDERS SPRAYING SERVICE annual tree care plan.
