SONORA BRONCOS DEFEATED THE DE LEON BEARCATS by a score of 47-0 to win the bi-district crown in Brady last Friday night. The team travels to Abilene Friday where they will meet the Nocona Indians in regional playoff. Game time is 7:30 p. m.

at Pete Shotwell Stadium. Charter buses will carry some of the fans to the game, while others will travel in privately owned automobiles. The winner of this game will advance to quarter-final playoff in Class A State football playing.

Broncos Roll To Regional

The Sonora Broncos won the bi-district game over the De Leon Bearcats by the very decisive score of 47-0, making them eligible for regional. Bronco captains Milton Noel, Gene Trainer and Richard Bernal won the toss and elected to receive. This got things underway at 7:30 p. m. in Brady Stadium before packed stands. The Broncos used 2 1/2 minutes of playing time to light the scoreboard for the first time. The TD came on a 57-yard scamper by Noel who followed

good blocking around right end for the run. Henry Mata's kick was wide of the mark. With their first possession of the evening, the Bearcats carried down to the Bronco 35-yard line. The Bronco defense held them to a fourth and 22. On the attempted punt a bad snap from center and a strong rush from the Bronco defense gave Sonora the ball on the De Leon 35. After three first downs Mark Rousselot traveled the last yard on a keeper. Mata made good his kick and with

four minutes 15 seconds left in the first quarter, Sonora led 13-0. The quarter ended with Sonora holding and taking over on downs on their own 12-yard line. This was to be De Leon's deepest penetration of the night. After five first downs Rousselot passed to Noel from 15 yards out for the Broncos third TD. Mata made good the conversion attempt. Just before the half ended Rousselot passed to Steve Street

for thirty yards then to Tryon Fields for the final 5 yards and a TD. Mata's PAT was good and the Broncos carried a 27-0 halftime lead to the dressing room. **SECOND HALF** After the second half kickoff fumbles stopped the offensive threat of both teams. The only score of the third quarter came with two minutes left in the quarter. The counter play worked like it was on the drawing board and Fields dashed 50 yards for the TD. The quarter ended with the score 33-0. Early in the fourth quarter the Bronco defense completely stopped De Leon and a Bearcat back fumbled into the end zone. Gene Thompson covered the ball for six points and Mata kicked for one. Sonora's final touchdown came when Freddy Virgen climaxed a 68 yard drive by the Bronco second unit. The PAT was good and the final score, 47-0.

Score by quarters:

	1	2	3	4
Sonora	13	14	6	14
De Leon	0	0	0	0

STATISTICS:

SONORA	DE LEON
22	first downs 7
268	yds. rushing 8
110	yds. passing 44
0	fumbles lost 2
2-40	punts 3-27
3-25	penalties 3-15

STORES CLOSE THANKSGIVING
 All businesses in the downtown area will be closed for Thanksgiving. The City Hall will be closed both Thursday and Friday.

Bronco Band Wins A First In Marching

Sonora High School Bronco Band reached a first division rating in Brady Saturday in the Region VII University Interscholastic League marching and twirling contest. The band, directed by John Butterfield, was one of six schools reaching first division ratings at the meet out of 34 schools participating.

The band was awarded a marching trophy for the first place win. Director Butterfield praised the band members for their efforts and the outstanding performance rendered at the meet.

U. I. L. competition for bands is divided into three parts—marching, concert and sight reading. The concert and sight reading competition will be held in Ballinger in the spring. Bands that win first in all three qualify for sweepstakes honors.

Butterfield said that as far as he can determine it has been sometime since the Sonora band attained first place honors. The last plaque displayed at the school was awarded to the band for U. I. L. competition in April, 1951. The Sonora Bronco band then won 16 division one ratings for Class B bands at Regional Interscholastic League Music

Festival in Brownwood. Contests in concert playing, sight reading and marching were conducted at the festival. Sonora placed in Division II in sight reading and Division I in marching, but won 16 first division ratings including individual awards. H. R. Hay was band director.

Other schools reaching first division rating at the Brady meet November 20, included Lampasas High School, the lone first division rater in Class AAA; Brady and Winters High Schools won first ratings in Class AA and Sonora, Eldorado and Menard all three won first places for Class A schools.

Judges were Billy Harrell, Hondo; J. W. King, Canyon and Fred Prentice of Wichita Falls. Contest chairman was James Mallow of Brady and executive secretary was Lynn Low of Cisco.

This is Butterfield's second year as director of the high school band.

Broncos To Meet Nocona Friday In Abilene

The Sonora Broncos will meet the Nocona Indians in the regional playoff game Friday night, November 26, at 8 p. m. in Pete Shotwell Stadium in Abilene. Tickets are \$2.50 for adults and \$1 for students.

According to Coach Bill Scoggins the highly rated Indians like to run the ball but do have an adequate passing game also. Their offensive and defensive line averages 180 pounds and are sound blockers and tacklers. They have two outstanding backs.

The quarterback is a quick, hard runner and likes the option play. Their best runner is a 6'3", 190-pound tailback who runs the hundred in 9.8.

Nocona will bring a 8-3 record to this regional contest having lost their first three games by a combined total of 14 points.

Rainfall Report

Reported by E.B. KENG
 Light showers played tag in the Sonora area Monday, and the clouds were cleared away with a spring-type thundershower Monday night. Light hail and brief, but heavy rain accompanied the unusual thunder and lightning.

Rainfall was very light to around 1 inch. Joe Logan reported water standing and about an inch of rain on the south part of his ranch. Vestel Askew received .28 before the Monday night shower, and Nolen Gibbs reported .60 at mid-afternoon Monday. Rainfall in Sonora was reported at up to .40.

Though moisture was light, it will be very beneficial to young winter weeds. Excellent deep moisture is available. John Mittel reported that Texas bluebonnets have made unusual growth, and his sheep and deer are working on them.

THANKSGIVING

Every nation has its cherished customs and traditions. Some go back to the beginning of Christianity or even further. Some are of more recent origin such as Thanksgiving which had its inception in what is now the United States when a small band of pilgrims, newly landed on the hostile shores of New England, gave thanks for the mere fact of being alive. The first winter for the Pilgrims was hard. They had labored long and hard to build a village and plant crops. Hunger, illness and death were almost too much during those first long winter months. After leaving home and plenty, they suddenly found themselves in this strange land, with only cares and no friends except the few Indians they had learned to love.

Then came the spring. The ground was broken, the Indians gave them corn to plant and after months of hard work came at last the harvest.

After this first Thanksgiving others followed always with emphasis on washing and giving thanks to God. Later games were included in the observance. These always came after the church services and the feast.

How very different these first Thanksgiving Day feasts were from today.

Thanksgiving offers firm reassurance of the continuity and stability of all that is good and wholesome in U. S. life today. As family and friends gather together to share the repast of Thanksgiving, we perhaps should pause to recall the purpose of that first day of thanks participated in by a handful of pilgrims centuries ago. That purpose is an expression of simple appreciation for the fact of survival. . . . of being alive.

Lutherans Plan Special Services Thursday Morning

Hope Lutheran Church will conduct its annual Thanksgiving worship service Thursday (today) at 10:20 a. m. The Rev. A. B. Wagner, pastor, will speak on the subject: "Give Us This Day Our Daily Bread". Everyone in the community is cordially invited, according to the Rev. Mr. Wagner.

Hope Lutheran Church will conduct its annual Thanksgiving worship service Thursday (today) at 10:20 a. m. The Rev. A. B. Wagner, pastor, will speak on the subject: "Give Us This Day Our Daily Bread". Everyone in the community is cordially invited, according to the Rev. Mr. Wagner.

It is obvious that this nine-year-old fourth grade student of Corpus Christi Wilson school knows what she has to be thankful for. . . she is the daughter of Mr. and Mrs. David L. Smith and granddaughter of. . . .

The following was written as an assignment in Beth Smith's language class: "My grandfather is one of the most unusual characters you could ever meet. He stands just under six feet tall in size six boots. He has green eyes that light up when he is happy. His black hair is graying now, but you would never notice that because it's almost always covered by a western style Stetson hat. His usual dress is a pair of kaki (sic) pants and a long sleeve work shirt.

He was born and raised in Sutton County, Texas, and has ranched their (sic) all his life. Born in the year 1900, he is now 71 years old and still rides horseback and ranches.

He has always been full of fun. Once on a dare he rode his horse into the newspaper office and out again. He attended Military School in San Antonio, Texas. He and his roommate were forever marching off demerits for one

Local Agent Named To State Committee

Doyle Morgan of the Morgan & Hunt Insurance has been appointed a member of the membership Agency Contact Committee and a Regional Chairman of TAAIA Region #9 by Josh R. Morris, Jr., CPCU, president of the Texas Association of Insurance Agents. Morgan will be involved in the discussion and formulation of positions to be taken by the state organization on a variety of technical and highly important insurance matters concerning public interest.

There are more than 2,300 members of the Texas Association of Insurance Agents and 88% of all agents belonging to any agents association in the State of Texas are members of the TAAIA.

JOHN BUTTERFIELD, BAND DIRECTOR, proudly displays the trophy presented to the Sonora High School Band at the University Interscholastic League meet held in Brady, November 20. The band placed first in

marching and will compete in the spring in Ballinger in concert playing and sight reading. It has been several years since the high school band received a 'first' rating.

Trainer, Noel And Dillard Named To Offensive-Defensive 9-A Teams

The Sonora Broncos dominated district 9-A first team selection released Tuesday by the various coaches in the district. Three Broncos, Gene Trainer, Milton Noel and Mike Dillard were named to both the offensive and defensive first teams. Both Trainer and Bobby McDonald of Mason, were chosen unanimously to the offensive first unit.

Other Broncos named to the offensive first team were Richard Bernal and Steve Street. Others named to the defensive first team were Frank Taylor, Tryon Fields and Rick Street.

Players and positions of the offensive first team include: Split end, McDonald; left tackle, Len Mertz, Eldorado; left guard, Dillard; center, Donnie Mauldin, Robert Lee; right guard, Gary Danford of Eldorado; right tackle, Trainer; right end, Bernal; quarterback Ted Geistweid of Mason; fullback, Noel and half backs, Carleton Eckert of Mason and S. Street.

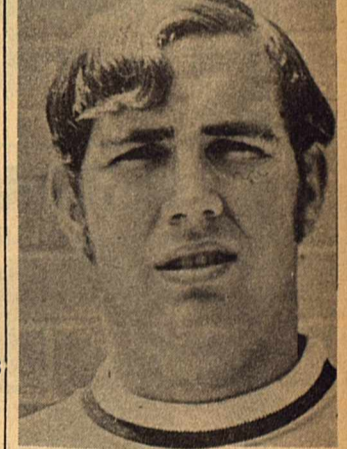

Players and positions of the defensive first team include: Ends, Dillard and Danford of Eldorado; interior linemen, Walter Hahn of Mason, Frank Taylor and Trainer; line backers, Tim Zivix of Mason and Noel and Tryon Fields; corner backs, Ricky Griffin of Eldorado and Rick Street; defensive half backs, McDonald of Mason and Timmy Farris of Eldorado.

Named to the offensive second team were split end, Bruce Kerbow; left tackle, Mike McWilliam of Menard; left guard, Mike Conley of Robert Lee; center, Robert Harper of Bangs; right guard, Alex Costilla of Robert Lee; right tackle, Frank Box of Robert Lee; tight end, Ziriak of Mason; quarterback, Mark Rousselot; fullback, Bobby Mumford of Robert Lee and half backs Rae Leifeste of Mason and Archie Nixon of Eldorado.

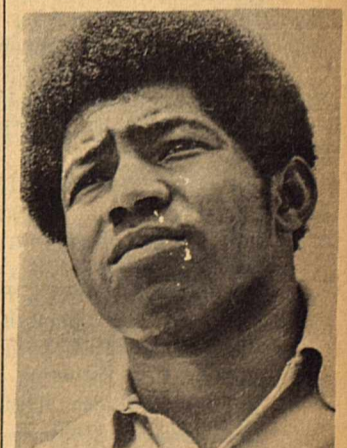

Defensive Second Team: ends, Mumford of Robert Lee and Armando Martinez of Mason; interior linemen, Troy Martin of Mason, Box of Robert Lee and Ray Loyd of Eldorado; line backers, Mike Manting of Eldorado, Butch Armstrong of Menard and Robert Harper of Bangs; corner backs, Terry

Newton of Bangs and Wade Richardson and defensive half backs, Johnny Wolfe of Robert Lee and Eckert of Mason.

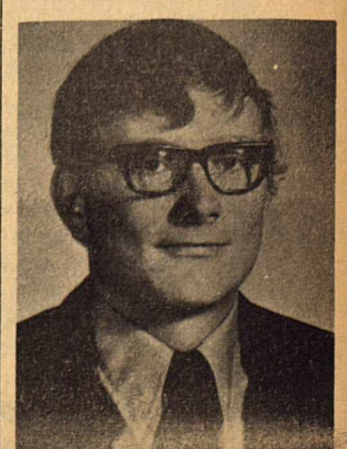

Broncos receiving honorable mention included Rick Hill, left tackle; Joe Eustace, center; Gene Thompson, right guard; half back, Fields, and named to honorable mention, defensive, Hill, end.

The most effective single force in building a good community is a good newspaper.

THANKSGIVING

Go, placidly amid the noise and haste and remember what peace there may be in silence. As far as possible without surrender be on good terms with all persons. Speak your truth quietly and clearly; and listen to others, even the dull and ignorant; they too have their story. Avoid loud and aggressive persons, they are vexations to the spirit.

If you compare yourself with others, you may become vain and bitter; for always there will be greater and lesser persons than yourself. Enjoy your achievements as well as your plans. Keep interested in your own career, however humble; it is a real possession in the changing fortunes of time.

Exercise caution in your business affairs; for the world is full of trickery. But let this not blind you to what virtue there is; many persons strive for high ideals; and everywhere life is full of heroism. Be yourself. Especially, do not feign affection, neither be cynical about love; for in the face of all aridity and disenchantment it is prenasal as the grass.

Take kindly the counsel of the years, gracefully surrendering the things of youth. Nature strength of spirit to shield you in sudden misfortune. But do not distress yourself with imaginings. Many fears are born of fatigue and loneliness. Beyond a wholesome discipline, be gentle with yourself. You are a child of the universe, no less than the trees and the stars; you have a right to be here. And whether or not it is clear to you, no doubt the universe is unfolding as it should.

Therefore, be at peace with God, whatever you conceive Him to be, and whatever your labors and aspirations, in the noisy confusion of life keep peace with your soul. With all its sham, drudgery and broken dreams, it is still a beautiful world. Be careful. Strive to be happy.

THE DEVIL'S RIVER PHILOSOPHER SEZ... He Has Answer To Housewives' Vexing Problem On Detergents

Editor's note: The Devil's River Philosopher on his bitter-wood ranch on Dry Devil's River tackles the detergent problem this week in his own peculiar way.

Dear editor:

After following the news recently about detergents I have come to the conclusion that the way of the ecologist is hard.

As you know, housewives, after being convinced that regular detergents coming out of their washing machines were putting too much phosphate into the streams and lakes of the nation, decided, on the advice of the authorities, to switch to non-phosphate brands which quickly appeared on the market.

Now the Surgeon General has reversed the advice and says the new-style detergents have too much caustic in them and are therefore unsafe, particularly for children. In fact, he says the housewives should go back to the phosphate detergents for the time being until something better is found. I don't know what this does to ecology but it sure saves two-thirds of daytime television.

However, I got to thinking. Was everybody's clothes dingy before automatic washing machines were invented? Was everybody ashamed to hang his clothes out to dry where neighbors could sneer at them? You mean every President before the last four was inaugurated with a dirty collar?

Of course not. While the Surgeon General wrings his hands over having to choose between phosphate detergents and caustic detergents, why doesn't somebody tell him how clothes used to be washed?

The answer to the problem is homemade soap, made from hog fat.

If the professional ecologists are on the ball they'll come out with a campaign for a hog in everybody's backyard and four washpots in every block.

This will solve the soap problem.

Of course, it'll give rise to some other problems, particularly in the summer with a strong breeze wafting over the hog pen, but that's not my problem.

Nowadays, all people want is a solution to the immediate problem. The fact that the solution creates more problems than the problem is beside the point and offers a challenge for more solutions. The men who invented the atom bomb all won prizes, but there are even bigger prizes waiting for those who can think up something to do about it.

Yours faithfully,
J. A.

Bridal Shower Honors Bride-Elect

A bridal shower honoring Miss Arcelia Sanchez was given Sunday at the Commercial Cafe Dining Room.

A white lace tablecloth covered the serving table and a centerpiece of white chrysanthemums and red carnations were used. The bride elect's chosen colors of red and white were also used in the favors of small white bells with red ribbon presented to each guest.

Sandwiches, cake and punch were served to guests. Registering the guests were Miss Sylvia Juran, Miss Leticia Galindo and Miss Edna Gandar.

Hostesses for the party were Mmes. Ben Castilleja, Jr., Robert Duran, Pedro Galindo, Jr., Celestino Gandar, Alfredo Perez and Sam Perez.

TEEN SCENE

By Carol Weston

The marching Bronco band performed Saturday morning in Brady and won a first place trophy, the first in over twenty years. The band, led on the field by Kathy Hardegree, received a first-place rating from each of the three judges for their outstanding performance. The 56-member band was one of six bands out of 30 to make a '1' Saturday, and one of three from the 15 Class 'A' bands.

Mr. Butterfield, along with the entire band, wishes to express their appreciation for the great amount of support from the speech and athletic departments, student body, faculty and members of the community in their preparation for this great accomplishment for Sonora High.

A number of girls also performed their twirling routines before judges in Brady Saturday.

Becki Hard and Glenn Chadwick received first-place medals.

Cindy Cavaness, Janice Nance, Faye Dale Noel, Patricia Carroll and Melissa and Laura Gibbs were the others, all of whom received second-place ratings.

Bronco Bandmen of the week: The Marching Broncos.

The girls' basketball teams played Comstock here last Tuesday with the 'A' score ending as 36 to 24 in their favor and our 'B' team scoring a victory.

Both teams will play Ozona here next Tuesday, November 30, beginning at 6:30. The girls will travel to Rocksprings for the Rocksprings Tournament next Thursday, Friday and Saturday, December 2-4.

The 7th and 8th grade boys will play Big Lake here next Thursday, December 2, beginning at 6.

Tryon Fields, according to several sources, seemed to show even more than his usual spirit and ability Friday evening. Could there have been factors other than the De Leon competition causing this? It was suggested by an anonymous party that the School Board provide a certain guest of Ruth Shurley's from Maria, with tickets for the remainder of the games, due to the effect her presence seems to have on a certain member of the team.

The comedy "A Company of Wayward Saints" was presented Monday by the Speech and Drama Department with over 300 persons attending. This proved to be another of the departments enjoyable and outstanding performances.

The Broncos thoroughly crushed the De Leon Bearcats last Friday for the Bi-District title, the game ending with a score of 47-0. The boys played one of their best games so far, both offensively and defensively. There was a really good defensive effort on the part of all

the boys and several outstanding members on the offense, Mark Rousselot called a great game, and Milton Noel, Tryon Fields and Steve Street all played a fine offensive game.

In the third quarter, the coaches were able to begin playing some of the other boys. All of the second and third unit players did a good job and were able to stand up well against the Bearcats.

The boys are now awaiting the next game with expectation and anticipation, and the coaches have been very pleased with their preparation and attitude the past week.

Nocona's ball club is a little different than that of De Leon. The coaches feel that they have their momentum going strong and are tougher than De Leon, both mentally and physically. The game should be very interesting.

Coach Scoggins feels that if the boys get ready and play as they have in the past, they can beat Nocona. He is looking forward to a really fine effort from the boys and feels that they will be ready to meet the challenge.

The Broncos will play the Indians for the Regional title in Abilene Friday evening at 8 p.m. Tickets are on sale at the High School office and Foodway at \$1.00 for students and \$2.50 for adults.

Woman's Club To Meet Dec. 2

Sonora Woman's Club members will emphasize "Christmas with our youth" when they meet Thursday, December 2, at the Woman's Clubhouse.

The program theme is "Spiritual Enrichment Day" and hostesses for the 12:30 meeting are Mmes. J. D. Balch, Carl Cahill, Darcy Carroll, C. T. Jones III and George Brockman.

Coffee Break

by Shirley Hill

Thanksgiving—symbol of plenty—is probably the most eagerly awaited, most lastingly remembered, most purely American day of the year.

It is that time of year when families join together in thanks and rejoicing. A time when the best of American's traditions are brought forth and enjoyed.

However Thanksgiving is more than an autumn holiday. It is more than turkey and dressing and pumpkin pie. Thanksgiving is the day for all of us to stop and think seriously and hard about the things we take for granted every day. It is a day to take stock of our advantages, our assets—and to be thankful that they are so many and so great.

Remember this Thanksgiving Day to stop and give thanks for this bountiful land of ours and the freedom it permits. Thanksgiving is not celebrated worldwide but only in America.

To all the readers from the staff at the 'Devil' A VERY HAPPY THANKSGIVING!

The Angora Bridge Club in Rocksprings has invited area bridge players to their Thanksgiving Bridge Tournament to be held Saturday, November 27,

Mr. and Mrs. Tommy Glasscock announce the birth of their daughter, Michelle Raye, born October 29, 1971. The baby weighed 6 pounds 4 ounces. Grandparents are Mr. and Mrs. Walter Pfeiffer of Boerne and Mr. and Mrs. Melvin Glasscock. The great-grandparents are Mrs. Alma Pfeiffer and Mrs. Rudolph Schwarz both of Boerne and Mrs. Dollye Glasscock.

at 1:30 p.m. in the Park Building.

Visiting Mrs. J. L. Brotherton are her sisters, Kate Gibson of Farmersville and Mr. and Mrs. Lee Roy Moore of Dallas.

Mr. and Mrs. Johnny McClelland and Trey are spending the week with his parents, Mr. and Mrs. John McClelland.

Dr. and Mrs. J. F. Howell, Jr. Jack, Clem, Lesley and Smith arrived Wednesday to spend the Thanksgiving weekend with his mother, Mrs. J. F. Howell, Sr. Dr. Howell, Jack and Clem plan to attend the regional game in Abilene.

The Gleaners Sunday School class of First Baptist Church was hosted November 16 at the home of Mrs. Nolan Johnson. Mrs. Johnson and Mrs. Cleve-land Nance were hostesses. Pecan pie, tea and coffee were served. Mrs. Rip Ward, class president, presented a devotional entitled "The Listen-

er", and secret pal gifts were exchanged.

Those attending were Mmes. Roger Spencer, Sam Stewart, Philip Cooper, J. W. Sutton, Erma Lee Turner, Clifton Hancock, John Butterfield, Vernon Humphreys, and Mmes. Donald Wright, Lou DuBoise, Charles Preston, Jamie Parker, Bill Johns, Joe Neil Smith, Lester Byer and Bobby Kinard.

A. Z. Joy, son of Mr. and Mrs. Artie Joy, is in the Holy Cross Hospital, Room 205, 1041 East 1st, Salt Lake City, Utah 84102. He is recovering from hip surgery and his parents said they knew he would enjoy hearing from his friends in Sonora.

Mrs. Byerl (Mona) Dillard is in Shannon Hospital in San Angelo recovering from surgery. According to her son, Mike, she will be able to return home in a few days.

Mrs. Santana (Lupe) Noriega had her tonsils out Friday in the Eldorado Hospital. Lupe is home and recovering rapidly.

In July following the long rainy season we reported a few

trains in the area blooming. One of those reports was from Mrs. C. W. West, Sr., who lives on Kisselburg Street. Mrs. West called last week to report those late blooms are now ripe apples.

There were several ex-Sonorans attending the Sonora-De Leon game Friday night in Brady. A few of those were Mr. and Mrs. L. E. Holland, Sr. of Coleman, Mr. and Mrs. Leor Neely of Llano, Mr. and Mrs. Bob McMinn of Killeen and Mr. and Mrs. Terry Erwin, who now reside in De Leon.

Mr. and Mrs. Jack Raye attended funeral services held for her brother, Mr. Roy Raymond Norrid in Tulsa, Oklahoma, last Saturday. Accompanying them on the trip was Mrs. Raye's sister, Mrs. R. C. Rainwater and Mr. Rainwater of Snyder.

Mr. and Mrs. James Alexander hosted members and guests of the 7 at 7 Bridge Club at their home Saturday night.

Pumpkin pie and ice cream were served to Rev. and Mrs. John Weston, Mr. and Mrs. Clint Langford, Mr. and Mrs. Gene Martin, Mr. and Mrs. Jimmy Harris, Mr. and Mrs. Joe Neil Smith and Mr. and Mrs. Jamie Parker.

Winning high were the Westons; high club, Parkers; bingo, Langfords and the traveling prize went to the Harrises.

ABUNDANCE

Jesus said, "I am come that they might have life, and that they might have it more abundantly."

Now it is a tribute to the intelligence of men that no one thinks He was talking about the material abundance we enjoy today. Everybody knows He was talking about something else.

But what else? What could Christ add to your possessions? What can He give men that might account for the logical distinction we readily make between a life of abundance and the abundant life?

Himself! That's it. That's all. Precisely what He said: "I am come that..."

To know Him and to know the meaning His Life has for our lives is to discover the abundant life!

Does your family use the Church as faithfully as the market?

Guess Who?

A Bishop Looks at Life Let Us Give Thanks

By Everett H. Jones, Retired Bishop of the Episcopal Church

One of the best ways for an individual to make Thanksgiving real is for him to write his own thankful prayer, in his own way and in his own words. Here is my own effort to do just that:

Dear God, the best thing You have done for us Your children is to let us know Yourself. I thank You for all the ways in which You have done this: in the order and plan of Your creation, in the Bible, in Christ, in the Church, in all those, great and small, who have witnessed to Your love and power in their lives. Truly You have given us a precious heritage!

You have been good to us in this country. We have received blessings far beyond our merit. We are thankful for the American Dream even though it has sometimes turned into a nightmare. We are grateful for the goals we set for ourselves almost 200 years ago; we believe they were Your goals for us. We are thankful that despite the many ways we have disappointed You we can come back in humility and penitence and make a new beginning.

You have been good to us in the lavish bounty of the earth and the seas; they continue to nourish us despite our wanton neglect and abuse. Forgive us our desecration, and make us better stewards of these priceless gifts.

You have been good to bless us with the excitement and joy of all things beautiful. We see new revelations of Your love in every flower and tree, in the quickening power of art and music, in great books, and in all forms of creative work.

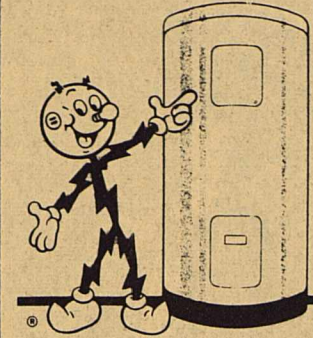

You have been good to allow us continual new discoveries of the mysteries of Your universe. We rejoice that we can think Your thoughts after You. Especially do we thank You for those insights which have meant relief from human suffering and the elimination of many diseases.

You have been good to us, and particularly to me personally, in human terms. I have been surrounded by love of family and friends from infancy. There have been those at every state of life who have believed in me even when I did not believe in myself. I am grateful that my life has been entangled with other lives; they have ministered to me as I have tried to minister

to them.

For these, and all Your other countless blessings, I praise Your Holy Name, O Lord my God!

LEGAL NOTICE

NOTICE TO BIDDERS

Notice is hereby given of the intention of the Commissioners' Court of Bee County, Texas, to lease for mineral development purposes the following described lands, owned by Bee County, Texas, to-wit:

Being 1425 acres of land situated in Sutton County, Texas, being originally in Crockett County, Texas, known as Survey No. 8 on the waters of Devil's River and being the same land patented to Bee County, Texas, by the State of Texas, by Patent No. 208, Vol. 23, and dated April 3, 1880; said Patent being of record in Vol. 17, page 362 of the Deed Records of Sutton County, Texas, to which reference is here made for a more complete description of the land.

Specifications for leasing of said property may be obtained from the office of the County Judge, Bee County, Texas.

The Commissioners' Court of Bee County will receive and consider bids for such mineral leases at the Commissioners' Courtroom, Courthouse, Beeville, Bee County, Texas, on the 13th day of December, 1971, at 11 o'clock A.M.

Bee County reserves the right to reject any and all bids and to waive formalities.

By order of Commissioners' Court, Bee County, Texas, 11/8/71. 3c11

Death Valley is the lowest point on the continent.

Devil's River News

Every generation has a responsibility to look out for the needs of the next generation.

Let's hope we can pass on the earth to the next generation in about the same shape we found it. With rich, fertile soil. Clean water. Clean air. And abundant natural resources.

At Lone Star, we know the earth's resources are there for us to use. But not to use up.

That's why we're continuing our search for natural gas even though we already have a good supply for this generation's needs. We want to make absolutely sure the next generation has the energy they'll need.

We're drilling the world's deepest well at the Anadarko Basin in Oklahoma, 23,000 feet beneath the surface of the earth. If

may have one of the richest gas reserves in the nation.

This land has been good to us. Let's make sure it's good to our children.

SOME OF THE BAND MEMBERS were caught by photographer Scott Campbell just after they returned from Brady where they won a '1' rating in marching. Band members stayed overnight in Brady after the De Leon - Sonora game in order to participate in the U.I.L. competition Saturday. Kathy Hardegree is drum major and twirlers are Glenn Chadwick, Selma Nelle Stubblefield, Vicki Turner and Cindy Cavaness.

How Much Money Does It Take To Live

How much money does it take to live? For an urban U. S. family of four living on an intermediate budget, it costs an estimated \$10,664 in Spring, 1970, reports Bonnie Fowler, Extension home management specialist. For a family of four on a lower budget, the cost was \$6,960, compared to \$15,511 for a family living on a higher budget.

These figures, based on the Bureau of Labor statistics, are for an urban family of four with two children, a boy aged 13 and a girl, aged 8, in which the homemaker is not employed.

Living costs vary widely among various regions and cities, continues Mrs. Fowler. For example, the costs are generally lower in small cities and in southern parts of the United States. In non-metropolitan areas of the south, living costs for the urban fam-

ily of four on an intermediate budget averaged \$9,862. The national average was \$10,664. According to the estimates, the family spent approximately 23 percent of their income for food, 23.4 percent on housing and 10.7 percent on clothing and personal care. Transportation accounted for 8.6 percent, while 5.3 percent went for medical care, and 18 percent was spent on taxes. All other spending, including gifts and contributions, occupational expenses and life insurance, totaled 11 percent.

Turkey Leftovers

There's good flavor in every part of a turkey--from breast to back--plus countless ways for preparation, reminds Sally Springer, Extension foods and nutrition specialist.

Here are some ideas for various parts:

Turkey bones, bits and skin--stock or bouillon; turkey stock--soups, jellied consommé, sauces or casseroles; sliced turkey--cold and hot plates, sandwiches, casseroles; turkey pieces--(chunks or cubes)--stews, pies, casseroles, creamed turkey, salads, speciality dishes (curry, chow mein, spaghetti); ground turkey--sandwiches, spreads, hash, croquettes and timbals, loaves, cutlets, mock birds, mousses, turkey burgers; turkey liver--salads, sandwiches, spreads, stuffing, gravy; turkey giblets--sauces, gravies, stuffing.

Lone Star, Coastal States To Merge

Lone Star Gas Company and Coastal States Gas Producing Company have entered into an agreement adopting procedures and conditions for conducting further studies and discussions in an attempt to negotiate the terms of a merger, it was announced recently by W. C. McCord, President of Lone Star. The companies have submitted a joint presentation to the Antitrust Division of the Department of Justice under its Business Review Procedure requesting its view of the merger.

Additional studies provided for by the agreement will not be made unless the Department of Justice indicates it has no present intention of challenging the transaction. Otherwise, Coastal States is prohibited under the agreement from acquiring control of or a substantial stock interest in Lone Star for a period of five years.

 Jan. 27-28, Iraan Tournament

FORMER SONORA ACE DAVID WUEST set two Southwest Texas State University records November 13 against Sul Ross. Wuest's 48-yard field goal broke the school mark of 47 yards set by his brother, Mike, in 1969, and young Wuest has kicked for 53 points this season, surpassing the mark of 48 set by David Morrison in 1967. Southwest Texas shares the Lone Star Conference title with Howard Payne of Brownwood. Wuest's parents are Coach and Mrs. Oliver Wuest.

V.F.W. News

by ALAN SAUNDERS
 The local big game hunters were put down by two sub-teen boys at the V. F. W. turkey shoot Sunday. Gregg Tedford, 11-year-old son of Mr. and Mrs. John Tedford, was the first person to win a turkey. Using a deer rifle, he broke a light bulb at 100 yards with his second shot. More big game hunters shot and missed. The next to win a turkey was Craig Cooper, age 10, son of Mr. and Mrs. Phillip Cooper.

Other successful shots were: Kenneth Teutsch of Houston, 2 turkeys; Jack Wardlaw; Wayne McKay (pistol); Jerry Balch, 2 turkeys (1 pistol); Larry Luckett, 2 turkeys; Turney Friess, 2 turkeys and Wade Stokes.

The best shot of the day was Luckett with two turkeys with two shots. A lot of fun was had shooting at the shotgun target but no winners.

Due to the interest shown in the shoot, the V. F. W. is considering another shoot the Sunday before Christmas and making it an annual program. The V. F. W. members wish to thank all who helped make the shoot a success.

Former Resident Bill Scott Named Boss Of The Year

A former Sonoran and graduate of the local high school in the '50's has been named "boss of the year" by the Lone Star Chapter of the American Business Women's Association in Waco. Bill Scott, son of Mr. and Mrs. M. C. "Doc" Scott, former residents who now live in San Angelo, was cited for his involvement in Baylor University programs, a Waco Baptist Church, Baylor Camp and various youth retreats.

Scott is director of Word Travel International, a division of Word Inc., and he coordinated group tours which specialize in searching for insight into Christian leadership.

A Sonora native, he graduated in 1957 from Baylor University, where he received a degree in economics. He earned a bachelor of divinity degree from Southwestern Baptist Seminary.

CARD OF THANKS

To all of you who extended your sympathy in so many ways to us at the loss of my mother, Mrs. Margaret McCalmont, we are grateful. We are also grateful to Dr. Browne and the nurses at the hospital for the fine care they were able to give my mother.

Thanks to all of you,
 Dick and Lois McCalmont 1p

THANKSGIVING

From Page 1

reason or another. My Pawpaw was and still is a very colorful individual." Mrs. C. M. Epps said Thanksgiving to her means a time of family gatherings. This Thanksgiving she said she "suppose we should just be thankful we are not worse off than what we are".

Mrs. J. L. Brotherton, mother of Mrs. C. A. Luckett, who moved here from Greenville said Thanksgiving was just another day to her now. Her sisters made a pre-holiday visit and she said one of them jokingly remarked, "... you should be thankful this Thanksgiving ... at least we will be gone".

E. B. Keng and Hershel Daventport were in agreement with their opinions of Thanksgiving when they said, "probably through the years it has become just another holiday when we have more to eat than we should. It has become just more or less a holiday for the playing of a lot of ball games. Of course, we should remember that it is a day that was originally intended as one in which we should count our blessings.

However, like Christmas it has become more commercialized!"

Fourth grader Linda Smith, daughter of Mr. and Mrs. Joe Neil Smith, when asked, "what does Thanksgiving mean to you?" showed a surprisingly good understanding of what the holiday should mean to us when she replied, "... it is a time to think of things to be thankful for and enjoying the things God has given to us..." Would we not do well to return to the way the Pilgrims celebrated the day?

Real name of the calico bush is mountain laurel.

1971 Termed As Outstanding Range Forage Production For This Area

by E. B. Keng, SCS Technician
 The last half of 1971 will be remembered by most ranchmen as one of the most outstanding periods of range forage production in their lifetime.

Slow, continuing rains the last half of July and on through October were ideal for grass production. More seed of desirable grasses was produced than at any time in the past 25 years—and perhaps since the turn of the century.

Range conservationists continually stress the benefits of deferred grazing or pasture rest, to help native plants regain vigor and production. This was one of the once-in-a-lifetime years when ranges that were moderately or lightly stocked produced so abundantly that they were essentially deferred, even though they were being grazed.

Unfortunately, grazing pressure was so heavy on some rangelands that the value of the unusual rainfall was greatly reduced.

Where native grasses had been severely weakened or killed by overuse, only annual weeds could grow quickly enough to use the extra moisture—and much rainfall was lost as surface runoff.

Ranchmen in the Edwards Plateau soil conservation district have had a rare opportunity to see more of the great potential of their rangelands. Good range management, which must include moderate stocking and systematic rest, will help keep a good ground cover of strong, productive plants. Rainfall will be held on the land and production will be greatly increased, even in dry years.

The 1971 growing season, following several very dry summers, was also very favorable to the establishment of seedling plants. Moderate grazing, with some pasture rest next year will help to insure their survival. The benefits of the unusual summer rainfall should extend over several years.

Fresh Catfish Buffet

SERVED EACH MONDAY EVENING FROM 6:00 TO 9:00 O'CLOCK

With French Fries, Hush Puppies, Onions, Tartar Sauce, Etc.

RESTAURANT HOURS: 5:00 A. M. TO 10:00 P. M.

Looking Back ... by Sonora Motor Co.

FROM A 1935 INTERVIEW WITH SAM HULL: "You asked about the 'Brush' roadster. Surely, we still have it. It was in 1910 we made our trip back home in it. We bought it in San Antonio for \$585. We made it (to Pennsylvania) in about three weeks. Had to tie up a day and a half a couple of times in Tennessee or Kentucky on account of bad roads. No, the Brush wasn't the first car in Sonora. Mr. Sawyer had a Stoddard-Dayton before that. Mrs. Mike Murphy had one of

the early Fords. Felix Vander Stucken, G. W. Stephenson and others had cars of one kind or another." Sam and Fred Hull actually made the trip back to Pennsylvania twice in the Brush. This picture was made in San Antonio in front of the Brush dealer's showroom. Note that the car is chain driven, started with a crank, and winds up backwards. Joe Hull of Sonora Motor Company said the car is on loan to Fort Concho Museum in San Angelo.

steak in 90 seconds!

Yes, with the new electronic ovens, you can cook a steak in 90 seconds. The outstanding feature of the electronic, or micro-wave, oven is its dramatic time-saving capability. With this new appliance, cooking time changes from hours to minutes.

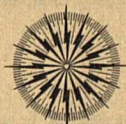

■ Because the cooking is fast, moisture and flavor are retained and there is less food shrinkage.

■ Micro-wave cooking was first introduced in 1954, but many consumers know little about this almost-magical form of cooking. Here's a brief description:

■ Micro-waves are a form of radiant energy like radio waves, light or infra-red heat. Micro-waves bounce, or deflect, off metal surfaces. They heat by penetrating non-metallic surfaces. When this happens, the micro-waves bounce back and forth and heat by causing the food molecules to vibrate against each other.

■ In an electronic range the air and non-metallic cooking utensils transmit energy without producing heat. The metal sides of the oven reflect micro-waves, so the ovens walls remain cool. Food may be prepared in the same utensils in which it is served. Even paper plates, plastic, glass, ceramic or pottery utensils may be used to cook and serve the food.

■ Cooking by micro-waves is here today, and certain to grow in the future. Electronic cooking—just one more way that low-cost electricity will help build a better tomorrow.
