Last Minute Drive Gives Broncos Win

The Sonora Broncos made it three in a row with their 24-20 win over the determined Reagan County Owls Friday night in Bronco Stadium.

The Broncos scored with three minutes left in the first quarter. Mark Rousselot scored from one yard out ending a 43-yard drive. Henry Mata kicked true for the extra point, and gave the Broncos a 7-0 lead.

The Owls took the kickoff after the TD, and after five first downs the quarter ended with Big Lake on the Bronco five yard line with a first down. The Bronco defense came through with a fine effort and gave the offense the ball on their own ten yard line. The

Broncos were held on downs and a good punt gave the Owls possession on their own 33.

After five first downs the one yard scoring play by Owl quarterback Ken Stout was set up by a 25-yard run by running back John Smith. The PAT was no good, and the Broncos held on to a slim 7-6 lead.

Sonora's Tryon Fields returned the kickoff to his own 47-yard line and Rousselot hit his tight end, Jimmy Galindo, for 15 yards. Steve Street thrilled the fans with a 34-yard touchdown scamper. Mata made good the conversion, giving the Broncos a 14-6 halftime lead.

SECOND HALF

With two minutes left in the third quarter the Owls' Smith skirted his left end for 23 yards and 6 points, then caught Stout's pass on the conversion for 2 points, making the score 14-14.

Bruce Kerbow ended the quarter with a 40-yard, up the middle run. With a first down on the Owl's 15-yard line, the Broncos set up three points, off the toe of Mata, and once more were leading 17-14.

Big Lake took the kickoff and rolled up five first downs, but a pass interception by Eddie Alexander halted the drive.

On the next play the Broncos fumbled and Big Lake recovered the ball on the Sonora 21.

Four plays later Owl John Hickman scored from nine yards out, but the PAT was blocked. The score stood—Owls, 20, Broncos, 17.

Sonora ran the kickoff back to their own 45-yard line. Rousselot kept to the Big Lake 35, but a penalty brought the ball back to mid-field.

Rousselot kept the ball for a second time and carried for 30 yards to the 20. After four more plays the Broncos moved to the five-yard line. With all coaches and fans on the Bronco side of the field screaming, "TIME OUT," the team calmly huddled, called their play, and Kerbow scored the winning TD, with 27-seconds remaining on the clock. Mata's kick made the final score 24-20.

The entire Bronco team should be congratulated for their efforts in this hard fought victory.

Other committee chairmen and members will be appointed later.

Coming 4-H events include the 4-H achievement program, October 17; the shearing of all 4-H market lambs, October 28; the District 7 Gold Star Banquet in San Angelo, November 8; and

GLENNA CHADWICK, TWIRLER, with the Sonora High School Band, performs happily with the band members during halftime ceremonies at the Big Lake Owls-Sonora Broncos game Friday night. Fans were treated to an exciting evening as the Broncos scored in the final moments of the game, leading the Owls 24-20 when time ran out. Fans can look forward to another exciting game and halftime activities Friday as the Broncos meet the Ozona Lions at Bronco Stadium at 8 p. m.

Highway Offices Set Open House

In conjunction with Texas Highway Week, scheduled September 24-30, all three highway offices in this area will observe the occasion by holding open house Friday, September 29, 1 to 5 p. m.

The public is invited to tour the various maintenance buildings and offices, according to Cullen Luttrell, Texas Highway Department foreman.

"Highways Help People" has been adopted as the theme of this year's Texas Highway Week.

In taking stock of the highway system as it now exists in the Lone Star state and the rest of the country, the American motorist has a lot to be grateful for. What was just a dream 10 years ago, being able to drive coast-to-coast without a stop light, is now nearly a reality.

The Interstate system, built in a single decade through an all-out mobilization of the nation's technology and resources for the greatest peacetime project ever undertaken, is a beautiful system.

According to the Texas Good Road Association it's safe, too, at least twice as safe as any highways built in the past.

The tire industry points out that the proper care of tires is one of the best ways to insure safe driving. Tire experts emphasize that correct inflation and size are the most im-

portant factors in determining the life and performance of tires.

Industry engineers urge adherence to the auto manufacturers' specifications on tire size and inflation pressure recommendations. The vehicle owner's manual lists approved tire sizes and inflation pressures, and most late model cars have this information printed on a label attached to the car's doorposts.

Buster Shroyer Buys Tract Of City Owned Land

A bid of \$12,000 from Melvin (Buster) Shroyer on Tract 5 of city-owned land adjacent to IH10 and on US Hwy 277, was accepted in a special meeting Friday when members of the city commission opened bids on the land. Shroyer says he plans to erect a liquor and grocery store on the site. The land is located close to the Charles Graves property.

A bid of \$4,175 per acre on 3.295 acres, known as Tract 2, was received from Ken Braden of Braden Motor Company, and a bid of \$18,450 from Jack Trainer on Tract 1, containing 4.268 was received. Both bids were rejected at this time.

The commission will hold the next regularly scheduled meeting Thursday, October 5 at the City Hall instead of the first Monday in October. Interested parties are advised that the commission will consider offers on any available tracts of land at any of the scheduled meetings.

Present at the meeting last week were Mayor Norman Rousselot, commissioners Walter Pope and Mrs. T. K. Nevill, City Manager Alex Binford, City Secretary, Pat Robbins, and Joe David Ross, who was present for the bid openings.

Inside Parking At Football Field To Be Limited

Parking inside the football field during home games is to be considerably curtailed, according to superintendent of schools, Ken McAllister. The inside parking for patrons will be limited to those who are ill or crippled, and for school buses only. Persons wishing to park automobiles inside the field during a game are requested to contact high school principal, James Pollard, prior to game time.

Only those persons obtaining clearance for inside parking from Pollard will be permitted to enter the gate in an automobile. Out-of-town schools expected here for football games have been notified of the ruling, McAllister said.

The necessity of enacting the rule was created due to excessive drinking of alcoholic beverages by some persons, resulting in a hazard to fans and participants from broken glass found in grass alongside the field.

McAllister emphasized that only those persons with proper valid excuses will be admitted through the gate for inside parking, and fans are asked to cooperate with the school in this effort.

"For Pete's Sake" Showing Set Sat. At Primera Baptist

"For Pete's Sake!", a film credited as "unique in its capacity to reach out to meet the problems of people, will be shown Saturday, September 30 at Primera Baptist Church, Chestnut and Santa Clara streets announced the Rev. Ray Garnett, pastor of the church.

The full-length comedy-drama, filmed in brilliant Eastmancolor by World Wide Pictures, will be shown once beginning at 8 p. m. and is open to the public at no admission charge.

Filmed entirely on location in Denver and the Colorado Rockies, "For Pete's Sake!" is the story of Pete Harper, a family man and service station owner, who is knocked flat by un-

Extension Agent At-Large To Serve 4-H And Others

The Texas Agricultural Extension Service has announced that Mrs. Cap (Jean) Holland of San Angelo, will serve as County Extension Agent at-Large in Sutton County.

Mrs. Holland said she will be here several times a month to organize and promote the Home Economics phase of 4-H. She will also be available to answer questions dealing with the field of Home Economics, and will be here to serve the general public in phases of Home Economics.

Mrs. Holland, who made her first official visit here Monday, plans to return Wednesday, October 11. She is trying to

start a Food and Nutrition Project for any boy or girl in the county who is interested. Additional information on the program may be obtained by

Civil Service Takes Applications For Guard Positions

The United States Civil Service Commission is accepting applications for Detention Guard positions for future vacancies in Marfa and El Paso. Competition for these positions is restricted by law to persons entitled to veterans preference. The starting salary is \$6,544 per year. Application forms and additional information may be obtained from the Federal Job Information Center in the El Paso National Bank Building Arcade, 411 North Stanton Street, in El Paso, or by telephone.

Texas residents, outside of El Paso, can call, toll-free, 800-592-7000.

Detention guards perform work in connection with the detention, custody, surveillance, protection, care, treatment, discipline, and orderly conduct of wards of the Government or prisoners (alien or other).

Sonoran's Mother Mrs. Henry Kelley Dies In Snyder

Mrs. Henry Kelley, 71, died September 22, 1972, in Cogdell Memorial Hospital at Snyder. Survivors include her daughter, Mrs. Sears Sentell.

Mrs. Kelley was a resident of Scurry County all her life and was born February 27, 1901, in that county. She was a lifetime member of the First Baptist Church, and a former member of the Alturian Club.

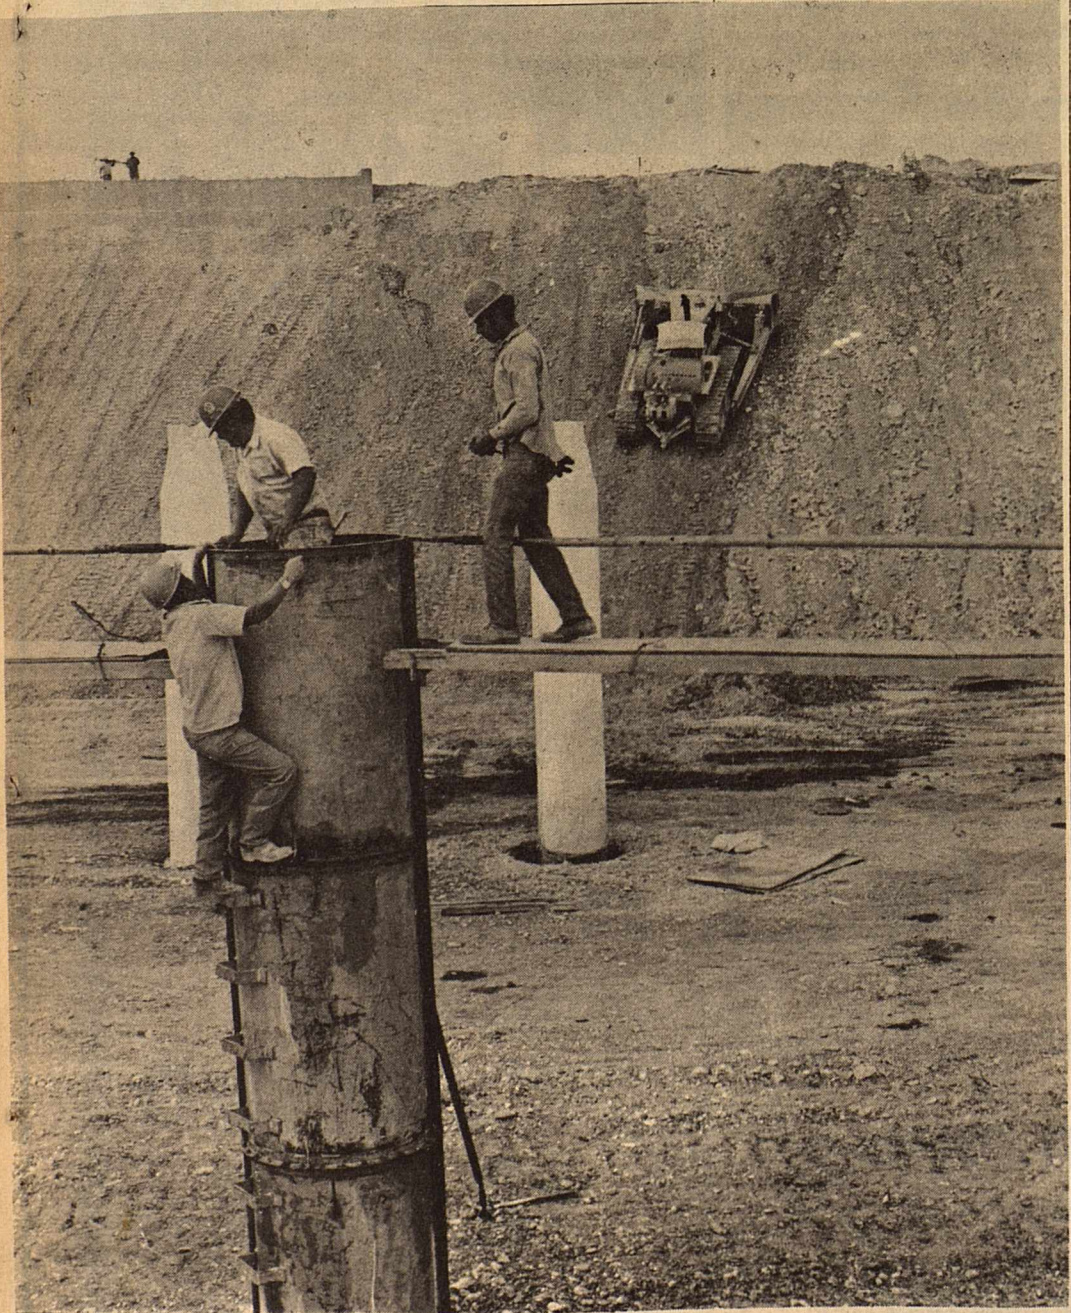

She married Henry Kelley in Snyder, December 26, 1920. He died March 10, 1972.

Services were held at the First Baptist Church September 23, at 4 p. m. with the Rev. W. Ken Andress and the Rev. Leslie Kelley, officiating. Burial was in Snyder Cemetery.

Other survivors include two brothers, Frank Wilson of Snyder and Emmitt Wilson of Moab, Utah. She is also survived by a granddaughter, Mrs. Randall (Kelley Sue) Robbins of San Angelo.

AT THE TURN OF THE CENTURY, there were only 150 miles of paved roads in this country, and the remaining thoroughfares were plagued by ruts, dust and mud. We have come a long way since those pioneering days as the motorized vehicle has become the most popular means of transportation. As we observe Highway Week, American socie-

ty is now geared to fast-paced traveling. Many of the big interstate highways span the nation now and here workmen are working on a bridge that will span US Highway 277, connecting IH10... the big super highway that is remotely removed from the early-day, dust filled roadways of yesteryears.

POLITICS AND PROGRESS

No matter what has taken place in politics, living standards in the U.S. have followed a rising curve for 200 years. This could now change.

Expanded well-being is no longer automatic, and political and economic programs of aspiring officeholders can have a direct bearing on what kind of a country we are to live in. The reason for the changing relationship between politics and national well-being can be boiled down to one word—energy.

The head of the American

Petroleum Institute said recently: "For the first time in our history, the United States is no longer a land of plenty with regard to most natural resources. This is true of iron ore and copper. It is true of gold, silver and other hard minerals. It is especially true of proved reserves of oil and natural gas. As a nation, we... are no longer self-sufficient in energy. In fact, we face an energy supply crisis of acute dimensions." He stated: "...there is more oil and gas still remaining to be found in the U.S. than we have... used in the entire time-span of our country."

The oil industry authority believes government policies should be directed toward achieving "An economic climate that will attract investment funds to energy-related industries; Recognition of the importance of energy and energy-based technology as the basis for solving our social, environmental and urban... problems; A sensible approach to energy-resource development; Greater emphasis on efficient use of energy; More realistic pricing for natural gas..."

America has reached a stage in history where there is a direct correlation between government policies and future national well-being. No longer is progress automatic, and without sufficient energy to power it, there will be none at all. —Industrial News Review

THE DEVIL'S RIVER PHILOSOPHER SEZ.....

He Admits He's Baffled By The Plight Of The Newspaper Readers In Saigon

Editor's note: The Dry Devil's Philosopher on his bitterweed ranch on Dry Devil's River confuses the Vietnam problem some more this week.

Dear editor:
Like everybody else in this country I suppose, I never have quiet understood Vietnam, and after reading an article in a newspaper last night I am now wondering if Vietnam understands Vietnam.

According to it, there are 45, that's right, 45, daily news-

papers published in Saigon. You take a man trying to keep up with what's going on and give him 45 different newspapers to read every morning and he's bound to be late for work, if he gets there at all.

The article didn't mention it, but there's bound to be a lot of people in Saigon who never get the whole picture, or a lot of people with the blind staggers. The optometry business ought to be good.

Of course, even if a man read all 45 papers, that's no guarantee he'd get the whole picture. He could still be misinformed. In America we're a lot more efficient. If you're going to be inadequately informed, why do it on 45 dailies when one will do the job just as well? That way, you can ruin your eyes on television.

But if you think the readers in Saigon have problems, consider the plight of the publishers. President Thieu, according to this same article, recently issued an order requiring the publishers of all 45 newspapers to each put up a deposit of 20 million piastres, about \$47,000 to cover possible future fines for violating the government's new press code. You violate the code if you publish something "detrimental to the national security and public order."

I don't believe that code would work in the United States, especially the latter part. You tell the newspapers they can't publish anything detrimental to the public order and you can see how many blank pages they'd have. If the present Presidential race for example isn't detrimental to the public order, I don't know what is. About all the news the papers would have left are birthday parties and weddings, and some of those would skirt the borderline.

Yours faithfully,
J.A.

Is Now The Time To Buy Land?

Acquiring that farm might seem more practical with financing through the Federal Land Bank. Land is easier to pay off when costs are amortized over extra years with a long-term Land Bank Loan. Your total cost of borrowing, too, can be less. Ask us for help: We know land values; we will inspect the property. We will then try to make a loan that meets your exact needs.

BAND NEWS

This Thursday, September 28, the 8th grade and Junior varsity games will begin at 6 p.m. Sandwiches for the game will be donated by Mr. and Mrs. Marion Elliott, Mr. and Mrs. Arturo Trevino, Mr. and Mrs.

Mrs. Nolen Gibbs and Mr. and Mrs. Warren Hemphill. On September 29 our Varsity team will be playing Ozona with game time at 8 p.m. Chairmen for this game will be Mr. and Mrs. Bill Means. Parents assisting the Means in the concession stand will be Mrs. Jim Pollard, Mr. and Mrs. Gene Gonzales, Mr. and Mrs. Natividad Arrendondo, Mr. and Mrs. John W. Joy, Mr. and Mrs. Felipe Leyva, Mr. and Mrs. Byerl Dillard and Milton Cavaness.

Rambouillet Ass'n. Elects Directors

At the 84th annual meeting of The American Rambouillet Sheep Breeders Association held the latter part of August in Salt Lake City, Utah, Fred Campbell was reelected to serve a three year term as Director of District #10. Rodney Davis was elected to serve as an alternate Director to District #10. Campbell, manager of Sonora Wool & Mohair Company, flew to Salt Lake City to attend the meeting.

Donating sandwiches will be the Joys, Pollards and Dillards with the Gonzaleses, Gilleys and Leyvas furnishing the cupcakes. Officers of the band booster club would like to take this opportunity to thank the parents who have been so cooperative in donating food and work time in the concession stand.

MRS. McMILLAN ENTERTAINS Mrs. W.B. McMillan entertained with bridge at her home last week. Those attending were club members Mmes. Joseph VanderStucken, Charles F. Browne, Duke Wilson, Frank Bond, Bill Fields, Vestel Askew, Walter Pope, Bryan Hunt and Edwin Sawyer. Guests of the club were Mmes. Cleve Jones, Jr, James Hunt and Joe Stroubie. Mrs. Browne was high; Mrs. James Hunt, high guest; Mrs. Askew, second high; Mrs. Wilson, travel prize and Mrs. Jones, bingo.

Visiting Mrs. Belle Steen last week were her brother and sister-in-law, Mr. and Mrs. C.D. Crawford of Portland, Oregon. Mr. and Mrs. L.E. Holland of Coleman were here over the weekend visiting. Mrs. Jerry Hopkins and Rhonda were here Friday night to watch the Bronco football game. Recent visitors of the David Pattons were his parents, Mr. and Mrs. Bob Patton of Barksdale, and Mr. and Mrs. Joe Patton of Pearsall. Also visiting the Pattons Sunday were Mr. and Mrs. Bobby W. Hatley of Camp Wood, and Mr. and Mrs. Jimmy Nunley of Rock-springs. Tracey Thompson, daughter of Mr. and Mrs. George Thompson of Sweetwater, and granddaughter of Mr. and Mrs. W.E. McClelland, is out of the hospital and recovering after a fall she sustained while horseback riding. Unless you had paid some years in advance, most subscriptions were due September 1. A number of subscribers have paid for another year, but some have failed to take the time to sit down and write out their check for another year. Better get yours sent in. Cut-off time is just around the corner.

When a man has a brother

A man's got to look after his brother. That's what Timmy said the other day, as he stood beside our baby. And I told him he was right. "You are so much stronger than this tiny, little creature," I said. "From now on, you've got a real responsibility!"

A man does have to look after his brother... especially when that brother is weak. But there are moments, too, when even the strongest man may need a brother. —especially on Worldwide Communion Sunday!

In the eyes of the Church, all men are brothers, just as all men are equally beloved. As long as there is a church near you, you are not alone. You have only to open the door and walk in and you will be at one with your fellow man... and at home with your brothers.

BRONCO STADIUM

WORRIED KAREN?? More than likely she was in the last few minutes of play against the Reagan County Owls Friday night. Sonora Broncos showed the real Sonora "Bronco Power" to come from behind and score a touchdown in the last five minutes of the game to defeat the Owl team by the slim 24 to 20 margin. Remember the game last year against the Ozona Lions when the score was 10 to 8. The Lions will be back Friday night at Bronco Stadium to try and reverse the score. Game time is 8 p. m. and John Butterfield has a treat in store for all Lions and Bronco fans at halftime.

Deer Tags Important This Fall

Tagging the deer is normally the last legal step, but one more simple procedure is required this season of hunters who send parts of their venison in different directions. Recent action by the Texas Parks and Wildlife Commission requires that any portion of the kill given to a fellow hunter

must have a note signed by the hunter making the kill with his name, address, hunting license number and the date and location of the kill.

The note, or the regular tag if the hunter making the bag keeps all of the carcass, must accompany the meat until it reaches its final destination.

Primera Baptist Named As Winner In Progress Report

The Rev. Ray E. Garnett, pastor of Primera Baptist Church has been notified by the Baptist General Convention in Dallas, that the church has been named as State Representative for Category #4. This category includes Latin-American churches and missions.

The churches are judged on Record of Progress notebooks submitted to the board for consideration.

Formal recognition will be given the Primera Baptist Church during the annual meeting of the General Convention of Texas in Abilene, October 31. Each of the four state category representatives will share in the program. The Church of the Year will be named from among the four and presented during the evening session of the convention October 31.

pected problems, but finds the strength to stand up again, to face life anew.

"For Pete's Sake!" has been seen nationwide by over three million persons in theatre premieres, and has been cited by one film critic as "the perfect mixture-it's drama at its boldest, comedy at its liveliest, and action at its liveliest. The show is a family film, not only because it is good family entertainment, but because through its storyline, families can see and feel exactly what is needed to develop deeper understanding and build stronger ties."

The film stars Robert Sampson, who also starred in World Wide's "The Restless Ones". Pippa Scott, as Pete's wife, Marge, is well-known for her Broadway appearances and numerous television roles. John Milford and Sam Groom are both familiar to television audiences.

A cordial invitation is extended to all families of the community by Primera Baptist

and the Rev. Mr. Garnett, who has made arrangements for this special showing of "For Pete's Sake!"

TEEN SCENE

The Broncos defeated Big Lake last Friday evening by a margin of 24 to 20 for Sonora's third victory of the season.

Being up against a really strong ball club, the Broncos made a number of mistakes but, as in the past, were able to recover in time to produce the great effort needed to come back and win the game.

Besides earlier injuries, several boys were sick, causing a change in the lineup from that of the previous week. However every member of the team did a really fine job, especially towards the last of the game, exhibiting once again the great

amount of discipline and poise for which the Broncos are well-known.

This Friday the boys will meet perhaps their strongest opponents so far this season so they will welcome your presence and support as they play Ozona here, beginning at 8.

Beginning this Friday evening only the main gate to the field will be open. Those wishing to park inside the gate during the game due to a handicap must contact Mr. James Poillard prior to the game.

The 7th grade Colts thoroughly crushed Big Lake last Thursday evening with a victory of 22 to 0 over the Owls. Our

8th grade was defeated 38 to 6 in a hard-fought game.

Due to the wet weather last week the Junior Varsity game was cancelled to avoid possible damage to the field before the varsity game Friday.

The Junior Varsity and Junior High will play Eldorado here this Thursday evening in two games beginning at 6:30.

The Spirit Stick was awarded to the Senior class during last week's pep rally and accepted by Teresa Mooney, class secretary.

Outstanding Band Members of the week are Lesa Joy and Becki Hard.

The National Honor Society elected the following officers last week: president, John Weston; vice president, Bruce Kerbow; secretary, Molly Sawyer and treasurer, Karen Hemphill.

THE '73 FORDS ARE HERE.

At 60 mph a '73 Ford LTD rode quieter than an airborne glider.

Quiet is the sound of a well-made car. And the new LTD is well made in every sense of the word. That's why it's so quiet. Outside it has all-new styling. And inside you'll enjoy luxury, comfort and room—with power front disc brakes, power steering and automatic transmission as standard equipment.

THE QUIET 1973 FORD LTD BROUGHAM (shown with optional Deluxe Bumper Group, Convenience Group, deluxe wheel covers, front cornering lamps and whitewall tires).

A '73 Torino rode so smooth, a high wire artist kept balance on a road of 2x4's.

Smooth riding, strong and quiet—the solid mid-size car. You'll appreciate how the new Torino's refined suspension helps to cushion bumps, absorb road vibrations and reduce body sway. You feel solidly in control while you ride in comfort and luxury.

THE SOLID 1973 FORD TORINO BROUGHAM (shown with optional front bumper guards, deluxe wheel covers and whitewall tires).

'73 Pinto: When you get back to basics, you get back to Ford.

When you get back to basics, you get back to Ford: the new Pinto. Every '73 Pinto has rack-and-pinion steering. A solid welded body, electrocoated to fight corrosion. 4-speed transmission—lubed for life. All in all, everything we've learned in seventy years of car making—all the basics—we build into every Pinto Wagon, Runabout and Sedan. That's why it's become America's top selling economy car.
