Darn, Dang, Durn, 26-8!

The Sonora Broncos were just not able to contain a strong and determined Mason Puncher team Friday night and suffered their first district defeat since 1964. Mason scored six points in the first quarter, 14 points in the second and six points in the last, while Sonora's eight points only came in the second period.

Mason thrilled the home fans on their second possession of the evening with a 63-yard touchdown drive. Geistweidt passed the final 35 yards to Tim Ziriaz. The extra point failed and Mason lead 6-0 with five minutes left in the quarter.

On their next possession Sonora fumbled and Mason recovered on the Bronco 42-yard line. Bill Mitchell intercepted a Geistweidt pass to

give the Broncos another chance from their own 38, but the offense just couldn't get it going and had to punt.

On the first play of the second quarter Mitchell intercepted his second pass but three plays later the Punchers covered another fumble and had a first and ten on the Sonora 20.

The Punchers moved down to the 12 and Carlton Eckert scored from there. Geistweidt passed to Eckert for two points and a 14-0 lead only 2½ minutes into the second quarter.

The Broncos took the ensuing kickoff and from their own 35 rolled up five first downs on their way to the only Bronco TD of the night. Bruce Kerbow carried seven times during the drive and scored from three yards out. Rousselot

passed to Jimmy Galindo for two points making the score 20-8 with 20 seconds left in the half.

Good defense, fumbles and penalties stopped the offensive efforts of both teams until early in the last quarter. Mason took over on their own 15 and marched 85 yards rolling up seven first downs and using all but two minutes, 45 seconds of the playing time. The touchdown came on a 15-yard run by Eckert making the final score 26-8.

Community Thanksgiving Services Sunday

The traditional Community Thanksgiving service will be held at 7:30 p.m. Sunday, November 19 at the First Baptist Church.

This service is provided by the Sonora Ministerial Alliance and all of the members of the Alliance will be assisting in the service.

The Rev. Ray Garnett, pastor of Primera Baptista Church will be the preacher.

This service is an opportunity for the people of Sonora to gather together as a community to give thanks to the Lord for all of the many good things which have been provided for us over the past year, said members of the Alliance.

The offering which will be received at this service will be used to provide a Bible and stand for the Chapel which has been added to our Hudspeith Memorial Hospital.

Participating in the service will be John Tedford, organist; Warren Hemphill, special music and the Rev. Homer Akers, the Rev. Ray Nations, the Rev. John Weston, the Rev. Fr. Michael Fernandez, the Rev. Clifton Hancock, and the Rev. Mr. Garnett.

Merchants Issue Profit Sharing Customer Coupons

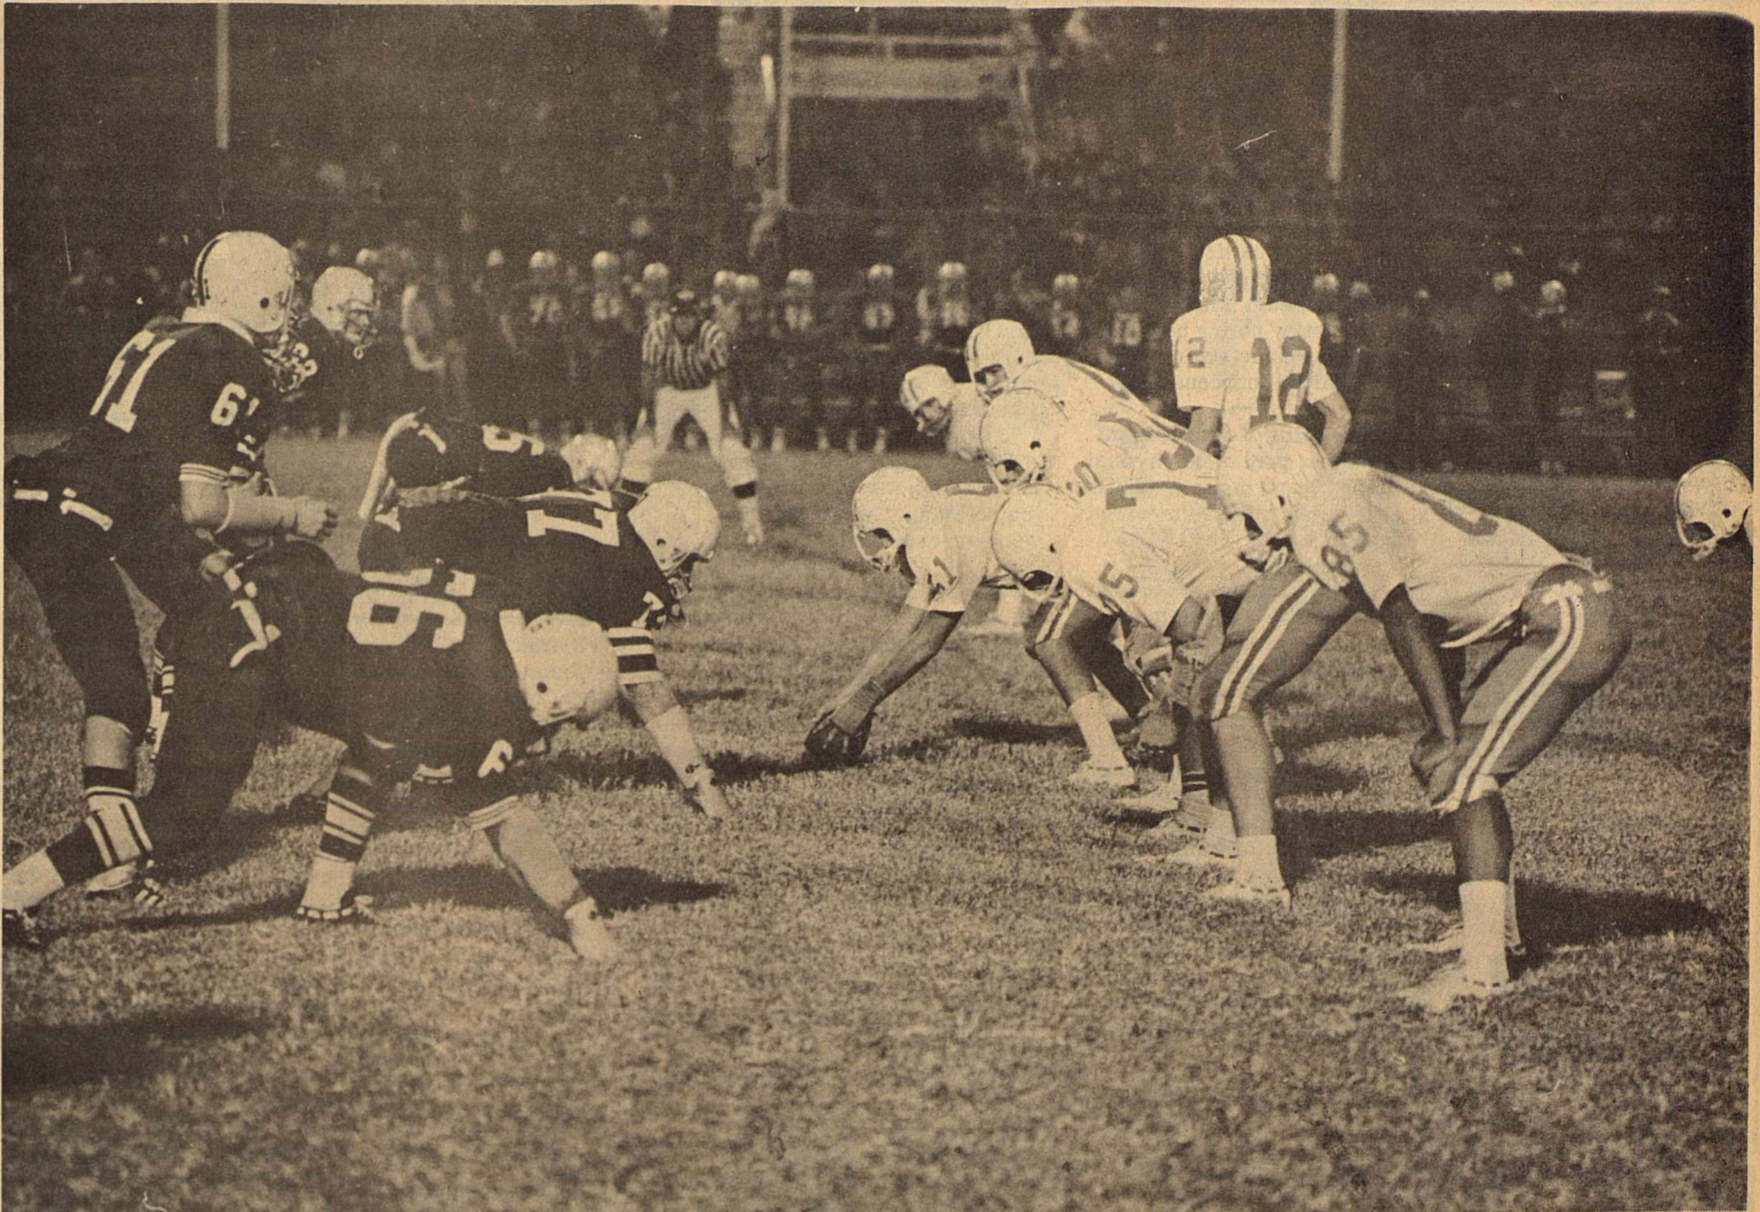

Several local merchants are again issuing profit-sharing coupons to their customers as an added incentive for all to shop at home.

Tickets are given for each dollar of merchandise bought or paid on account. Those merchants participating in the prize offerings are The Ratliff Store, Barrow Jewelry & Sporting Goods, First National Bank, Neville's Department Store, Westerman Drug, Home Hardware & Furniture and C.G. Morrison Store.

The first drawing will be held Saturday afternoon, December 2, and two \$75 prizes will be awarded. Two \$100 prizes will be offered at the second drawing to be held December 9; the third drawing, December 16, two \$175 prizes. The final drawing planned for December 23, will find two lucky persons winning prizes totaling \$350 each.

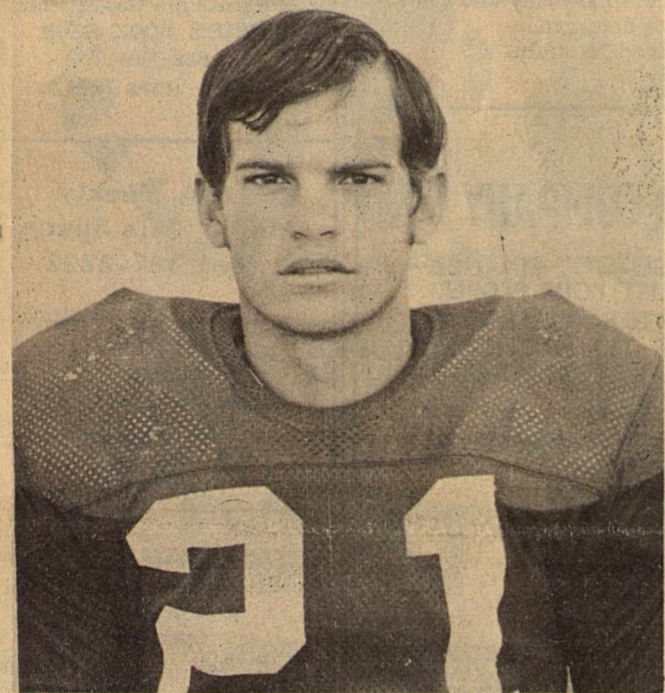

A total of \$1400 in merchandise is being offered by the participating merchants, which includes savings bonds from the First National Bank.

CITY GARBAGE COLLECTION
City Manager Alex Binford reminds Sonorans that the city office will be closed Thursday and Friday for Thanksgiving holidays. The city garbage collection trucks will double up Wednesday, so Binford says those persons who normally have pick up Thursdays will have this service Wednesday if they put garbage out for collection.

SONORA BRONCOS MEET THE ELDORADO EAGLES this Friday night at 7:30 p.m. at the Bronco Stadium after being defeated by the Mason Punchers last Friday in Mason by a score of 26-8. The loss came as a disappointment to the Broncos

but their outstanding record for winning performances will probably remain a record for sometime. The Bronco Band will be performing in Brownwood Saturday morning, hoping to advance towards the second "Sweepstakes" title for Sonora.

TWO FORMER SONORA BRONCO ACES, Kerry Joy and Ed Lee Renfro, have been turning in good performances for the Sul Ross Lobos. Joy, a freshman, scored both Lobo touchdowns when Sul Ross met East Texas State University. In eight games, Renfro has rushed 86 times for 250 yards and has caught two passes for 63 yards while Joy, seeing action in only half as many games, has rushed 37 times for 135 yards. The Lobos met Southwest Texas State in Del Rio, Friday night and were defeated 13-0; however, Joy was leading rusher for Sul Ross with 52 yards on 14 carries. Sul Ross meets ASU this weekend in San Angelo to close out the season. Joy is the son of Mr. and Mrs. John Wesley Joy and Renfro is the son of Mr. and Mrs. Wallas Renfro.

County Commission Plans Special Meeting To Discuss County Road Paving

A delegation of ranchers met with the county commission Monday asking them to consider paving some roads within the county. Attending the meeting as representatives were W. L. Morris, Lin Hicks, James Hunt, Norman Rousselot, W.R. Cusenbary and Willie Miers. The commission has called a special meeting Monday at 9 a.m. to consider

road work proposals since they were unable to reach a definite plan of action in the November 13 meeting.

The commission also plans to discuss laying of pipe lines along county roads at the special called meeting November 20.

In other business before the commission, the election returns were canvassed; bills payable approved and an agreement with El Paso Natural Gas for laying of pipe lines over county roads approved.

Commissioners Preston Love, R. L. Hardgrave, Collier Shurley and Estes Adams were at the meeting along with County Judge J. W. Elliott, County Clerk Erma L. Turner and County Road Superintendent E. L. Harrell.

Please Mail Early

The United States Postal Service is reminding everyone that packages for Christmas delivery should be mailed by December 10. They are also asking postal patrons to mail cards and letters by December 15.

Be sure to include Zip Code in your return address.

Sutton County Gives Nod To Nixon As 1007 Ballots Cast Here In Election

Sutton Countians followed the national trend and voted overwhelmingly for a Republican president and Senator, although voters in the county are predominantly Democrat. The Nixon-Agnew ticket received 705 votes with McGovern-Shriver receiving 246. Senator John Tower enjoyed a majority with 513 votes in comparison to Sanders 353. Flores Amaya, of the Raza Unida party had a total of 41 votes.

The turnout of voters was above average with 1007 ballots being cast. Voting absentee were 102 persons; 561 votes were polled in Precinct 1; 299 in Precinct 2; 25 in Precinct 3 and 20 in Precinct 4.

Considerable interest had been building up locally with a write-in campaign being staged. Deputy Sheriff A. P. (Pryce) Taylor was elected to the office with 572 votes, and write-in candidate L. H. Purvis receiving 385.

In other races, Congressman O. C. Fisher received a strong vote of confidence with 753 in comparison to his Republican opponent, Doug Harlan's 139. Fisher returns as the Representative of the 21st Congressional District, the office he has held for a number of years.

Voters in this county also supported Dolph Briscoe strongly in his race for Governor on the Democratic ticket with a total of 646. However, Henry C. (Hank) Grover, the Republican candidate received a surprising 195 votes with Ramsey Muniz, Raza Unida party, receiving 115.

In other State races in the November 7 General Election, voting was as follows:

Deacon-Elects To Be Ordained

Three new deacon-elects will be ordained Sunday at the First Baptist Church with the Rev. Taylor Henley of San Angelo bringing the ordination message.

Those men to be ordained are Joe Neil Smith, Joe Lane and Jamie Parker.

Following the morning ordination service, an all-church dinner will be held at the church. The Rev. Clifton Hancock, pastor of the church, announced that everyone is invited to attend.

Teacher Workshop Set

Region XV personnel will hold a Career Education Workshop at the elementary school Friday. The teacher workshop is sponsored by Region XV Education Center of San Angelo, with Sonora hosting the workshop beginning at 8:30 a.m. for the registration.

Hope Lutheran Sets Special Service

Hope Lutheran Church, Second Street, will conduct its annual Thanksgiving service Thursday, Thanksgiving day, at 8:30 a.m. The pastor, Rev. A. B. Wagner, will speak on the subject: "America, Give Thanks!"

The membership of Hope Lutheran extends a cordial invitation to all the people of the community.

The announcement was made by superintendent of schools, Ken McAllister, at the Monday night meeting of members of the Board of Trustees of Sonora Independent School District.

OTHER BUSINESS

With all members of the Board present and with W. L. Morris, president, presiding, the board approved the 5% salary increase for non-professional personnel, effective as of November 1.

Two members of the advisory committee, Ernest Castro and Pete Gomez, were present for the meeting, along with Norman Rousselot, who was representing the Booster Club. Rousselot, on behalf of the club, requested the board's assistance in paying for filming of the football games this year. No action was taken pending final figures on the

cost of the project. Carroll King, business manager, reported that a total of \$117,000 in school taxes has been collected during the September-November period. The board authorized King to make final payment of \$22,248, balance due on the new buildings.

PARKING SITUATION

Some discussion was held in regards to the parking situation during the early morning when students are brought to school, and in the afternoon when they are picked up.

Drivers are reminded that all children should leave and enter automobiles from the right side of the street in order to avoid crossing over which creates a hazard to the child from moving vehicles.

EVALUATION POLICY

The board adopted the following evaluation policy as suggested by Standard 6, Principal III, TEA Bulletin 560:

1. Evaluation will be on an annual basis, to be completed one month prior to election of personnel.
2. The superintendent will be evaluated by the Board of Trustees.
3. The superintendent will evaluate the principals and teachers (if the occasion arises or is needed.)
4. The principals evaluate the teachers that are responsible to the principal.
5. The evaluation forms to be placed in a personnel file in the superintendent's office and be available only to those persons approved by the school board and superintendent.
6. Inservice and professional growth activities will be planned, arranged, and scheduled to aid in eliminating any deficiencies that are noted.

Jack Hearn Family Opens Feed Store

Jack Hearn and his sons, Jack Hearn, Jr. and Allen ("Hoot") Hearn opened a feed company Wednesday to be called H & H Feed and Trucking Company.

They will operate in the store formerly occupied by Sonora Feed Company.

The Hearn's who have been in the livestock hauling business for a number of years will maintain the trucking business along with the sale of name brand feeds and supplies.

COLD, DAMP WEATHER MOVED this year's Halloween Carnival indoors to the school, but it didn't seem to dampen the spirits of the witches and goblins who showed up for the judging at

the elementary school auditorium. A group of the contestants are shown here on the stage as the judges prepared to select the funniest, most original and spookiest.

CALENDAR OF FACT AND OPINION

According to "The Spotlight", published by Field Enterprises Educational Corporation, "... children have eyes, ears, noses, and muscles, and... they like to use them. The charm and vitality of direct experiences, of knowledge by acquaintance, are well illustrated in an article published by Edward Vernon in the British Weekly. He asked children to prepare an answer to the question, "What are the loveliest things you know, persons not counted?" Here are some of these children's answers:

The scrunch of dry leaves when you walk through them; looking into deep clear water; the taste of strawberries; smoke rising; rain on your cheeks. We could learn something very important by noting how little children see the world with a questioning, innocent eye.

U.S. companies are searching intensively for women executives to fill top management positions—including key seats on Boards of Directors—a national executive search firm reported. But the rising demand for qualified women far exceeds the available supply. Companies conscientiously searching for women to fill offices in their executive suites—and in their Board rooms—are ready to acknowledge that women can realistically bring valuable talents, a new balance, and wider perspective to the world of corporate management.

According to Tax Foundation, Inc. study, payroll in 1970 for

all government was \$111 billion; \$48 billion federal, \$18 billion state and \$45 billion local. The study also indicates that government had more people on its payrolls than the total of workers in all of the wholesale and retail trades, plus agriculture, forestry and fisheries.

"Don't believe the world owes you a living; the world owes you nothing—it was here first." - Robert Jones Burdette.

Well-used safety belts three to ten years old may fail to meet federal standards due to breakage of the webbing at anchor and buckle. The National Bureau of Standards advises that belts weakened by repeated adjustments and the passage of time should be replaced.

"If you smirk or shrug your shoulders when environment cleanup or pollution is mentioned, you're making a large mistake," according to "M News", published by Monongahela Power Company.

"Authorities on environmental improvements agree that if most people would cooperate in following suggestions which have been proposed, major gains would result. Here are some tips you may wish to follow: Make your garbage compact. Flatten cans, boxes, etc. to conserve space, and cut down the volume of waste. Do not litter. This is the easiest pollution to stop. Wash and reuse plastic bags and containers. Conserve materials rather than throwing them away. Try to buy good quality, long-lasting toys. Broken toys add to disposal problems. Use ammonia, toilet-bowl cleaners and chlorine bleach with care. Mixing them can cause dangerous gases to escape. Conserve water. Run it only as you need it when brushing the teeth, shaving, washing hair or dishes."

WARNING TO HUNTERS

Texas has a law on its books which makes it a felony to carry prohibited weapons such as firearms of any type or character, or a knife with a blade of more than five and a half inches in length into any place where alcoholic beverages are "sold or consumed." Penalty is five years in the penitentiary.

This law also provides that all licensed premises must display a sign warning all patrons of the existence of the statute.

Particular attention is being called to this law since liquor, as well as beer has now become legalized in many areas of the state.

So, if you want to stop for a cool one, or a six-pack, while enroute to that hunting site, leave that gun (unloaded) in the car. Don't even think of taking it inside a beer tavern or any place serving or selling liquor of any kind.

And treat the deer-skinning knife or other long blade with the same respect. The scabbard is legal, but what's in it is not.

THE DEVIL'S RIVER PHILOSOPHER SEZ....

He Claims The Cost-of-Living Experts Must Have Over-Looked Him Last Month

Editor's note: The Dry Devils Philosopher on his bitterweed ranch on Dry Devils River looks into some statistics this week.

Dear editor:
Every once in a while you pick up a paper and read that the cost of living index for such and such a month has gone up 3 tenths of 1 percent or some such figure and the experts then tell you whether this is an improvement or not and go into detail about what

caused the rise.
But what I haven't been able to figure out is where they get the figures.

It's sort of like a public opinion poll. Nobody knows anybody who has ever been polled.

What I mean is, are those cost-of-living experts talking to enough people?

Say they report that it cost 3 tenths of 1 percent more to live in October than it did in September. That may look scientific on paper but it sure leaves out the blown gasket on my car on October 4, the breakdown on my television set on October 6, the new tire I had to buy on October 10, the extra company I had to feed on October 14, the hole that showed up in one of my shoes on October 20, the dented fender on October 25.

I don't care what the index shows, 3 tenths of 1 percent won't cover me for the month of October, although to keep the national figure in line I'd be willing to settle for that.

If my cost of living jumped 50 percent in October, but the national rise was just those 3 tenths of 1 percent, then clearly somebody somewhere must have had a 50 percent drop to offset me.

I will give a set of worn-out tires and a pair of run-down shoes to anybody who can locate that man.
Yours faithfully,
J. A.

Historical Society Meeting, Supper

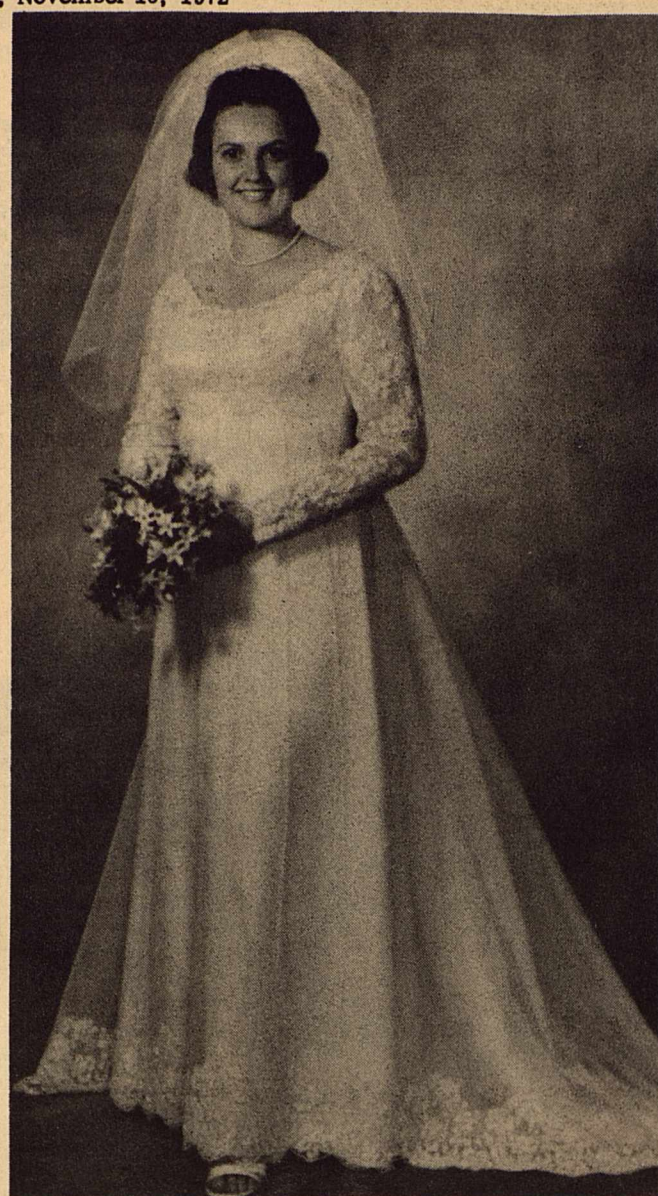

Former Governor of Texas Coke Stevenson spoke on "Pioneer Days at Wentworth" at the Sunday night supper for members of Sutton County Historical Society. Stevenson was introduced by Bryan Hunt.

The invocation was given by the Rev. Homer Akers, and Mrs. Ben Cusenbary welcomed the 80 persons attending. Six members of the local Brownie troop of the Girls Scouts of America sang "Smile" and gave the Brownie pledge and the pledge of allegiance. Leaders Mrs. Calvin Van Hoozer and Mrs. James Stinson accompanied the girls.

Mrs. Homer Akers led the guests in singing of "America" accompanied by Mrs. John Weston at the piano.

Following the evening meal, which was planned by Mrs. Norman Rousset and Mrs. James Hunt, Dr. W. T. Hardy dedicated the Wentworth marker.

The program closed with the benediction by the Rev. A. B. Wagner, Lutheran minister.

Mrs. James Brooks ... nee Miss Shelley Morriss

Morriss, Brooks Wedding Rites Held November 11

Wedding vows were exchanged Saturday, November 11, 1972, at 7 p.m. by Miss Shelley Louise Morriss and James Dargan Brooks, Jr. of Marshall. Parents of the couple are Mr. and Mrs. W. L. Morriss and Dr. and Mrs. J. Dargan Brooks of Marshall.

The ceremony was held at the First Baptist Church with the Rev. Clifton Hancock, pastor of the church, officiating at the double ring rites.

The bride, given in marriage by her father, chose a gown of ivory silk-organza. Pearled peau d'ange lace formed the bodice with its sabbina neckline and traditional sleeves. Pearls in vertical rope designs accented the A-line skirt. Peau d'ange lace banded the skirt hem and train. Her shoulder length veil of illusion was attached to a Juliet cap.

The bride's flowers were a bouquet of butterfly orchids, yellow sweetheart roses, purple statis and cascades of English ivy.

The church was decorated with a center arch of blue votive candles and green foliage, flanked by sunburst arrangements of white and orchid chrysanthemums, purple statis and yellow pom mums. Blue votive candles and foliage were used as aisle markers.

Joe Lane sang "Wedding Prayer" accompanied by John Tedford, organist.

Miss Molly Morriss served her sister as maid of honor and bridesmaids were her sister, Miss Lucy Morriss, Miss Jane Sawyer and Miss Mindy Morriss of Uvalde. Mrs. Tim Edwards of Waco was matron of honor. The attendants wore voile dresses of blue and orchid floral print, empire style, and carried blue votive candles, surrounded by purple statis, yellow mums and cascades of English ivy with grape clusters.

Jeffrey Brooks of Marshall, served his brother as best man and groomsmen were Joey Brooks, the bridegroom's brother, Robert Stecher of Waxahachie, Greg McLaughlin and Grey Pierson, both of Waco and Steve Morriss of Uvalde, served as usher.

Serving as candlelighters were Cliff McMullan of Ozona, and Jonathan Brooks, brother of the bridegroom, of Marshall.

The bride's mother wore a gown of coral chiffon, and the mother of the bridegroom wore a gown of green chiffon with lace bodice.

A reception was held at the home of the bride following the ceremony. The bride's table was centered with a silver epergne of mixed flowers, flanked by a silver punch bowl and the wedding cake. The tiered cake was topped with fresh flowers in a basket which had been used on the bride's parents' wedding cake.

The bride's grandmothers, Mrs. Lowell Hankins of Rocksprings, and Mrs. Thomas Morriss, presided at the registry table.

The bridegroom's table held a copper samovar and choco-

late wedding ring cake, centered with a large candle and grape clusters.

In the houseparty were Mesdames Claud Erwin and J. O. Hankins of Rocksprings; Tommy Morriss, Uvalde; John Leavell, Kerrville; Arthur Ullrich, San Antonio; W. Miller and T. S. Williams, Dallas; Bob Ward, Terrell; David Pendleton, Lubbock; Stuart Williams of Abilene, and

Mesdames Preston Joy and Terry Kines, San Angelo; Frank McMullan, Jr. and Brent Johnson, Ozona. Also serving were Misses Kay McMullan of Ozona, Ann Morriss of Uvalde, Linda Gunter, Cheryl Collie, Kay Willingham, Katrina Newhard, Judy Bragdon and Gaye Moye, all of Waco.

After a wedding trip to San Antonio, the couple will be at home in Waco, where both are senior students at Baylor University.

Mrs. Brooks was valedictorian of her graduating class at Sonora High School. At Baylor she is a member of Alpha Chi honorary scholastic fraternity and named to the dean's list. Her husband attended Jena High School in Jena, Louisiana, and is a graduate of University High School in Waco. He is also a graduate of Baylor University and will enter Baylor graduate school in January.

BRIDESMAIDS LUNCHEON

Mrs. J. O. Hankins and Mrs. Claud Erwin of Rocksprings were hostesses to the bridesmaids luncheon at a local restaurant.

REHEARSAL DINNER

A rehearsal dinner was held in the home of Mr. and Mrs. Thomas Morriss, who were hosts with Dr. and Mrs. J. Dargan Brooks and Mr. and Mrs. Tommy Morriss.

IS NOW THE TIME TO BUY LAND?

Acquiring that farm might seem more practical with financing through the Federal Land Bank. Land is easier to pay off when costs are amortized over extra years with a long-term Land Bank Loan. Your total cost of borrowing, too, can be less. Ask us for help: We know land values; we will inspect the property. We will then try to make a loan that meets your exact needs.

Butane Decals Available Dec. 12

A representative from the Comptroller's office will be at the courthouse Tuesday, December 12, from 9 a.m. to 5 p.m. for the purpose of issuing decals for LPG (butane) users in pickups or automobiles.

Each year since the effective date, beginning September 1, 1971, the San Angelo District Office has scheduled representatives to be in different towns and cities within its fifteen county district. According to the statute it is necessary that a representative of the Comptroller's office attach the decal to the vehicle, at which time certain information is required to be shown on the decal.

In the event a user of butane does not obtain the decal from the representative Dec. 12 here, the representative will be at Eldorado, Dec. 11 and at Ozona December 13, or the decal may be obtained from the San Angelo office at 238 West Beuregard.

TEEN SCENE

by CAROL WESTON

The Broncos were defeated 26 to 8 last Friday evening by the Mason Pioneers. Mason has a really good ball club and the Broncos made a number of mistakes which hurt their game.

Earlier injuries and those acquired in Friday's game against Mason proved fatal for the Broncos. Sonora has not taken the District title this year, but the boys will continue to carry on the Sonora football tradition as in the past.

Your presence and support will be welcome as they crush the Eldorado Eagles this Friday. The game will be played in Sonora, beginning at 7:30.

The Junior Varsity Broncos brought their season to an end last Thursday with a victory over the Eldorado Eagles. The 8th grade Colts were

overcome by the Eldorado Eagles by a close margin.

Outstanding Bronco Bandmen of the week are Viola Virgen and Martha Elliott.

The Girls' Varsity Basketball team began its season with a victory of 49 to 40 over Comstock, just a prelude to the long season of victories in store for the girls' varsity and junior varsity. Tuesday the girls met Rocksprings here in two games and next Tuesday will play in Rocksprings in two games, beginning at 6.

The Marching Bronco Band

has been preparing since August for marching contests, at which they will compete this Saturday. The group of 53 band members, twirlers, and drum majorette will be performing a number of precision drills and maneuvers which will be judged by three men on the basis of sound, execution and uniformity.

The Bronco Band will be performing in the new stadium in Brownwood at 11:12 Saturday morning. Last year the group was awarded the title of "Sweepstakes Band", as they received ratings of "one" in each of the marching, concert and sight-reading contests, the first for any band from Sonora.

This weekend in Brownwood the Bronco Band will take the first major step towards the second "Sweepstakes" title for Sonora.

I chose a dependable Frigidaire dryer

Because of these outstanding features:

- Huge 24 square inch opening makes it easier to load and unload... and to see inside.
- Flowing Heat... fast, gentle drying with no hot spots. It surrounds each tumbling piece with even controlled heat. Everything comes out soft and fluffy.
- Permanent Press Care setting helps prevent wrinkles and saves ironing with an automatic cool down period at the end of each cycle.

Visit WTU and pick up your free "Fabric Care" book. It's great! Frigidaire appliances are available at WTU on Reddy Credit—ask for details.

WHAT COSTS LESS NOW THAN IN 1962?

The average cost of a kilowatt hour of electricity used by a residential customer served by WTU costs 15% less NOW than it did ten years ago.

center of life

At our house bedtime reading ranges from the "just so stories" to the encyclopedia, from "Mary Poppins" to the Bible, depending upon Billy's interest.

And always there are the questions. "How high are the stars, Daddy?" "Where did the dinosaurs go?" "Daddy, did Adam love Eve?" "What makes electricity spark?"

How challenging to watch the alert mind of a youngster mature! I know I'll have to keep on my toes with new ideas in every field, if I want answers for Billy as his questions grow more profound.

Of one thing I am confident, the age-old truths of my church and the Bible never change. Integrity, responsibility and the love of God are a source of strength now as in every age. I have no qualms about teaching my son that God's Church is the center of a man's life.

Local Report

Bacon prices took a plunge from levels of a few weeks ago and signal a general decline on pork tags for the first weeks of November.

Mrs. Gwendolyn Clyatt, consumer marketing specialist with the Texas Agricultural Extension Service, Texas A&M University, explained the shift.

"Retail pork prices keep going down gradually as supply increases seasonally.

"Best pork values are found on hams, picnics, bacon, shoulder roasts and steaks, and pork liver."

In other sections of the market this week, the specialist reported the following:
 Fryer chickens remain one of the most economical values in most meat departments.

Frozen turkeys come in a wide range of sizes in most markets, and turkey parts generally offer very good value.

Large size eggs are in greatest supply with Grade A large offering greatest economy and quality for the money.

Fruit and vegetables in good supply at the most economical prices include apples, oranges, bananas, Tokay grapes, cranberries, potatoes and celery.

Also cabbage, sweet potatoes, carrots, dry yellow onions, tomatoes, mustard, collard and tumip greens.

At mostly moderate price levels are eggplant, broccoli, cauliflower and green beans.

NOTICE TO BIDDERS

NOTICE TO BIDDERS FOR FURNISHING EQUIPMENT FOR THE CITY'S ELECTRIC LIGHT AND POWER PLANT

Sealed proposals addressed to the Mayor and City Council of the City of Sonora, Texas, will be received at the office of the City Secretary, City Hall, Sonora, Texas, until 9 o'clock A. M. on the 30th day of November, 1972, for the furnishing of certain equipment for the City's Electric Light and Power Plant, as follows:

(1) Furnish one complete set of cylinder liners, pistons (upper and lower) with rings, adapters, cotter keys, gaskets, and gas valve conversion kit for one 8 cylinder Model 38DD8-1/8 Fairbanks Morse opposed piston dual fuel engine, Serial No. 967918 installed in 1954.

(2) Furnish one dual fuel conversion kit and other necessary parts to convert one 12 cylinder, Model 38DS8-1/8 Spark Fired Opposed Piston Natural Gas Engine to Dual Fuel operations. Engine serial No. 969501 installed in 1960. In addition to above subject parts, a rebuilt UGS Woodward Governor is required.

(3) Furnish one Dual Fuel Conversion Kit and other necessary parts to convert one 6 cylinder, Model 38-DS8-1/8 Spark Fired Opposed Piston Natural Gas Engine to Dual Fuel Operations. Engine serial No. 968851 installed 1957.

(4) Furnish all necessary parts and material to modify air intake and exhaust system on 9 cylinder Model 38TDD8-1/8 Fairbanks Morse Turbo Dual Fuel Engine, Serial No. 38D870034TDFS.

(5) The services of a competent installation engineer satisfactory to the owner shall be provided for 50 days by the contractor to supervise the installation of the equipment. Owner shall furnish 2 men to assist contractor's engineer. Contractor shall operate each engine at load for a sufficient period of time to assure the proper functioning of the equipment, during which time all necessary and desirable adjustments have been made to place equipment in good operating condition.

(6) All special tools required for assembly, adjustment, and maintenance of the equipment furnished shall be supplied to the City by the contractor upon completion of installation. This shall include: complete set of special wrenches, nozzle cleaning kit and other special tools required.

(7) The contractor shall furnish all interconnecting

pipings, valves, fittings, and a day tank for diesel fuel system. All pipe shall be standard black steel pipe with malleable iron screwed fittings.

At the time and place indicated, bids will be publicly opened, read aloud, and referred or retained by the City Secretary for tabulation, checking and evaluation. Final award of the contract is proposed to be made at 10 o'clock A.M. on the 30 day of November, 1972, by the City Council convened at its regular meeting place at the City Hall.

A cashier's check or certified check or acceptable bidder's bond made payable to the City of Sonora, Texas, in an amount of not less than 5% of the bid submitted must accompany each bid as a guarantee that if awarded the contract, the bidder will promptly enter into contract and execute the required performance and payment bonds.

Prior to the submission of any proposal, a bidder shall be expected to inspect the site of the project and become informed as to the nature of the work to be accomplished. Time for completion of the project will be of the essence as these generating units must be operable not later than June 1, 1973. No bid may be withdrawn for a period of 30 calendar days.

Specifications for all parts and materials may be examined free of charge at the office of the City Manager. The City proposes to issue Certificates of Obligation in payment of all or a portion of the contract price and the contractual obligation it will incur. The successful bidder will be required to accept such certificates in payment of all or a portion of the contract price or assign such certificates to the party with whom the city has made provision for the contractor to sell and assign such certificates at their face value (no accrued interest), and each bidder shall be required to elect on his bid for whether he will accept or assign such certificates.

In case of ambiguity or lack of clarity in stating the contract price, the City reserves the right to consider the most advantageous construction thereof or to reject the bid. The City further reserves the right to waive any and all formalities, except time for the submission of proposals shall not be considered a formality.

A Bishop Looks at Life

YOUNG PEOPLE SPEAK

By Everett H. Jones, Retired Bishop of the Episcopal Church

No challenge is greater for those of us in the over-thirty generation than to listen long and carefully to those in the under-thirty generation.

I have tried to do this in recent months and this is what I have been hearing:

"We are persons, not things. We want to be heard, understood and respected—but not manipulated. We are trying to find ourselves, to be ourselves, and we need your help."

"We are not impressed with the world conditions you or our elders are turning over to us. We do not agree with many of your so-called 'values'. We think you have an excessive concern for money, status, clothes, and security. We see too many of you who have

made a good living but not a good life.

"We think the important thing is to enjoy life itself; we believe in being alive in the fullest sense here and now. We believe in expressing our feelings, especially our love. Music (i. e. our kind of music) turns us on. So do many forms of dancing. We believe religion should give greater release to the emotions."

"We often have long conversations about the things we like and believe in, and the things we do not like. We call it 'rapping'. It helps us to clarify our own thinking."

"We see so many people around us who are lonely, neglected and underprivileged that we would like to be involved in helping them. This really interests us more than making money."

For those who take seriously this business of listening to the younger generation I warmly recommend a small and beautiful book by Richard Bach called "Jonathan Livingston Seagull", which has lately become a best-seller. It is an imaginative tale of some young seagulls who discover the thrill of flight for its own sake and not just as a means of collecting food.

When the older birds marvel at the freedom of these young adventurers Jonathan Seagull explains: "They are no more special and gifted and divine than you are, no more than I am. The only difference, the very only one, is that they have begun to understand what they really are and have begun to practice it."

A LIFT FOR THE WEEK
A pinch of today beats a pound of tomorrow.

VETERANS DAY

Veterans Day was observed October 24. The traditional Veterans Day is November 11. This speech to follow, was to have been presented by John M. Weston, senior high school student, to the student assembly October 24, and to the Lions Club. Due to illness the speech was not presented; however, it is still timely and is given here as follows:

"A Tribute To Vietnam Veterans" by John Mark Weston

When someone says the word 'veteran', we automatically think of those men who fought in the World Wars and the Korean conflict; but it doesn't always occur to us to think of those who are veterans of a war that is still taking place now in Asia—The Viet Nam War. You know, we don't really give these Vietnam Veterans adequate attention or recognition. These men have been involved in one of the bloodiest, dirtiest, and most hopeless wars in man's history. The per-

centage of men returning with horrible injuries and disabilities is greater than in any other previous U.S. war, since perhaps the Civil War. Many of the men returning have mental damage and terrible memories which will haunt them the rest of their lives. Then there are those who have forfeited their lives to defend this country and to insure that we will always maintain the freedom and liberty that we enjoy and need.

The only special recognition we give these Vietnam veterans is perhaps on Veteran's Day when we might think to ourselves, "Oh, those poor devils" but what can we actually do for these men to show our gratitude for their services?

To begin with, we could start by just a little extra courtesy and friendliness towards those who we know are veterans, and letting them know that we appreciate what they have done. Then we could be a little more thoughtful of those in hospitals and rehabilitation centers who are suffering and recovering from injuries and disabilities; and we could support legislation which would provide for greater compensation for these veterans, especially the disabled. We could also

support moves which will make it easier for returning veterans, able-bodied and disabled alike, to find jobs and occupations.

If we wanted to, each of us could think of more ways to help and honor these men. But today, remembering the veterans of Vietnam and all wars, let's honor those of the past and present who are reminders of courage, loyalty, and sacrifice given in the name of God and country.

Let's be thankful for, and more thoughtful of all those men and women who represent for us the highest ideals of freedom, democracy, dignity, and opportunity for America, and therefore, for all men everywhere.

Coffee Break

By Shirley Hill

FOR THE USE OF A DISAPPOINTED CANDIDATE: An article that appeared in the Dallas (Ga.) New Era in 1936 was recently reprinted by the same paper and is presented here in a spirit of service. It purports to quote from an Arkansas political candidate:

"In my campaigning I lost four months and 20 days canvassing; lost 1,360 hours sleep thinking about the election; lost 40 acres of corn and a whole lot of sweet potatoes; lost two front teeth and a whole lot of hair in a personal encounter with an opponent; donated one beef, four shoats and five sheep to barbecues; gave away two pairs of suspenders and five calico dresses; five dolls and 15 baby rattles; kissed 126 babies; kindled 14 kitchen fires; put up eight stoves; cut 495 bundles of fodder; walked 4,065 miles; shook hands 9,080 times; told 10,000 lies and talked enough to make 10,000 volumes; attended 27 revivals, was baptized four times by immersion and twice some other way; contributed \$15 to foreign missions; made love to nine grass widows; got dog bit 39 times, and then lost the election."

We all tasted something Friday night in Mason we, as Sonora football fans, have not tasted in a large number of years—the bitter pill of defeat. We were not prepared for this and I never gave up until the last whistle. I had seen our boys behind before.

But let's all remember we still have another game against Eldorado Friday night—these are the same boys and the same team that has given us the sweet smell of success in the past. Maybe they need our support more now than they have for a long time.

Everyone remember the Thanksgiving service to be held Sunday night at First Baptist Church. The offering collected at this community-wide service will be used to place a Bible and Bible stand at the Chapel under construction at the local hospital.

7 AT 7 BRIDGE CLUB
Mr. and Mrs. James Alexander hosted the 7 at 7 Bridge Club Saturday night at their home. Cherry pie was served.

Those attending were Mr. and Mrs. John Butterfield, Mr. and Mrs. Jimmy H. Harris, Mr. and Mrs. J. T. Hill, Mr. and Mrs. George Wallace, Mr. and Mrs. Dub Black and the Rev. and Mrs. John Weston.

Winning high were the Harises; high guest, the Hills;

travel prize, the Butterfields and bingo, the Wallaces.

42 FUN CLUB
The Thanksgiving theme was carried out by Mr. and Mrs. W. O. Crites when they entertained the 42 Fun Club Thursday night. Pumpkin pie with whipped cream, coffee and tea were served to guests.

Enjoying the evening of 42 were Messrs. and Mmes. S. M. Loeffler, Melvin Hearn, J. B. Wright, Tom Nevill, Ervin Willman, Freeman Mears and Pete Thompson. High score was held by Thompson; the men's bingo prize was won by Wright, and ladies bingo by Mrs. Nevill.

Mrs. Corine Woods spent the weekend in San Antonio. She returned home accompanied by her daughter, Miss Cora Woods, a cousin, Mrs. Carolyn Parker and a niece, Mrs. Mariellen Sheppard. According to Mrs. Woods, she had a very pleasant weekend.

Visiting from Houston, this weekend were Mr. and Mrs. Jack Trainer and Gene. Jack Ramsey of Intratex has returned from Houston where he spent a week visiting his wife, Carol, and their chil-

dren, Tim, Paula, Gary and Chad. He reports that Chad is progressing rapidly this year in school and will probably be able to begin attending a special school for the deaf in the afternoons soon. Chad saw a picture of David Wuest in the Del Rio newspaper, and Jack reports that he was pretty put out because Mark Rouselet's picture wasn't in the paper too. He still remembers the fun he had with David and Mark last summer when he was taking swimming lessons.

Visiting Mrs. A. C. Elliott last weekend were her brother and his wife, Mr. and Mrs. William A. McQuary who are moving to Pleasanton from Vermont. Mr. McQuary has been with the U.S. Health Service for the past 33 years, and now plans to retire in Pleasanton.

All her friends will be glad to know that Mrs. Dick (Carrie) Morrison is home from the hospital and reported to be doing fine.

To the very thoughtful person who sent my husband the sympathy card and the write-up regarding the football game he would like to say thanks among some other things I cannot write in my column.

FIRST BATHTUB in Sutton County was installed about 1893 in the D. B. Cusenbary ranch home. It was a hand-made wooden box lined with sheet copper. Cold water was piped to the tub, but heated water had to be carried to it. W. R.

Cusenbary says he believes it was about 5½ feet long inside and had a drain underneath. Although this picture was taken outdoors, the tub was installed indoors.

buy electric sunshine

When damp winter winds and cold cloudy skies make line-drying impossible, you need "electric sunshine" . . . you need an electric clothes dryer.

With an electric clothes dryer you wash and dry clothes anytime . . . day or night . . . rain or shine . . . without those shivery, winter walks to the clothesline.

What's more, clothes washed and dried indoors in clean, electric laundry equipment last longer. No dust, soot or smoke. No wind tears or sun bleaching.

And, your permanent-press fabrics last longer and stay pressed longer when dried indoors. An electric dryer's gentle "cool down cycle" protects special fabric finishes . . . lets them perform better.

A clothes dryer will stretch your clothes budget, too. You get those dirty clothes out of the clothes basket and back in the closet more quickly.

Treat yourself to the magic of "electric sunshine". Get an electric clothes dryer. See your electric appliance dealer today.
