Dr. David Owensby Medical Clinic **Sets Up Practice**

Dr. David E. Owensby, a graduate of the University of Alabama, has set up his practice in Sonora in a portion of the newly completed doctor's clinic, adjacent to the hospital.

The doctor comes from Ventura, California, where he practiced medicine for five of his twenty-three years as a physician. Dr. R. M. Owensby, Ozona physician, is one of the doctor's two brothers that are also in the medical profession.

Coming to Sonora with Dr. Owensby is his wife, Mary, who works in the office.

The couple are parents of seven children and have three grandchildren.

Confirmed At Halbert Ranch

Sutton County's fourth screwworm case of 1975 was found in the navel of a calf by the R. A. Halbert Ranch, September 3.

With fall calving, sheep shearing and Angora goat shearing in progress, there is threat of a major screwworm outbreak in the county unless ranchers practice all of the preventive measures possible.

All sheep and goats should be treated for shearing cuts and should be sprayed out of the shearing pen. All baby calves should be checked regularly for fly blows and possible infestations. All rams that are in the pasture with ewes during fall breeding should be watched closely and have their heads treated in case of wounds caused by fighting or horn flys.

All cases of worms should be reported to the Mission Screwworm Laboratory at once so that the release of sterile flies may be made in the shortest possible time.

Open House Set

The new medical building, housing the offices of Dr. Charles F. Browne and Dr. David Owensby, will hold open house on Sunday, September 21 from 2-4:30 p.m. Everyone is invited to attend and take a tour of the offices and medical facilities. The Lillian M. Hudspeth Hospital Board is sponsoring the open house.

Beef Cattle Health Clinic Scheduled

A Beef Cattle Health Clinic, sponsored by the Sutton County Extension Beef Cattle Committee and Sonora veterinarians, will be held at the 4-H Center Tuesday, September 30 at 3 p.m.

The Clinic will feature a slide set presentation and general discussion of beef cattle diseases. Dr. Gene Cope, Extension Veterinarian of Amarillo, will be in charge of the presentation.

Other subjects of interest will include the control of internal and external parasites of beef cattle, plants poisonous to beef cattle, and industrial toxicants related to beef cattle production.

A panel discussion featuring Beef Cattle Health Problems of Importance to Sutton County, will conclude the program. Panel members will include local veterinarians, as well as other program participants.

Dr. A. L. Hoermann, Extension Beef Specialist rom Ilvalde will coordinate the program. All area beef cattle producers and other interested persons are invited to attend. The program will be concluded by 6 p.m.

performance Junction's against Ozona the previous week was regarded as poor, but the Eagles came to Sonora and proved they were a good football team and fought the Broncos fiercely before going down in defeat.

The Broncos took the opening kickoff and moved the ball well as they marched from their 43 yard line down to the Eagle 35 before fumbling with Junction recovering.

After each team exchanged possession of the ball a couple of times, the Broncos punted from their own 25 yard line and Junction returned to the Bronco 38. From this point the Eagles mounted their most serious scoring threat of the game. In four plays the Eagles moved to the Bronco four yard line and on a fourth and three situation fumbled where the Broncos recovered and took

Late in the second quarter the fumble bug struck the Broncos again as they coughed up the ball to give the Eagles another golden opportunity on the Sonora 21. The Bronco defense again rose to the occasion and stopped the Eagles in four straight plays and enabled the Bronco offense to take over on their 20 yard line. From this point the Broncos used the passing arm of John Elliott and good blocking by the line to move the ball to the Junction 11 yard line where John David Cook booted a perfect 21 yard field goal with 40 seconds left in the first half to send Sonora in front 3-0. On Junction's first posses-

sion of the second half, the Eagles fumbled for the first time in the game and Sonora recovered on the Eagle 27 yard line. Again a stout Eagle defense allowed the Broncos to gain only 14 yards in six plays to the 13 yard line. It was time for Cook to do his thing again as the cool Junior placed another 3 points

Robbie Hard intercepted a D. E. Club Junction aerial on the Junction 32 yard line. The Elects Officers Broncos again were stopped by the Eagle defense at their own 18 yard line. Cook tried to put another 3 points on the board but the kick was blocked.

Late in the fourth quarter Junction intercepted a Sonora pass on the Eagle 30 yard line and came to life in a hurry as they quickly moved to the Sonora 40 yard line. Here misfortune struck again as the Bronco defense forced a fumble on the 49 yard line and the Broncos took over. With 45 seconds left in the game, Junction took over on their own 20 yard line after a Sonora punt. On the first play, a long pass try was intercepted by Jeff Doan on the Bronco 47 yard line to end any chance the Eagles had of scoring.

Congratulations to the 7th grade Colts and Coach Dale Ethridge on their defeat of Ozona 18-0 in Ozona Thursday afternoon.

The eighth grade Colts were held to a scoreless 0-0 tie by the Ozona Cubs Thursday afternoon. The Colts will have a chance to avenge this tie on October 2 when the Cubs visit Sonora.

The Sonora Junior Varsity suffered a tough blow in Mertzon Thursday night when their quarterback, R.B. Alexander, suffered an injury to his right leg. He will be sidelined for some time. Manuel Lopez suffered a hip pointer in the contest also, but shouldn't be out of action too long. The J.V. will travel to Big Lake this Thursday night to do battle with the Reagan County J.V. at 8:00 p.m. in Owl Stadium. -----

The Harris Grid Rating system doesn't rate any of the 7-AA clubs very high at this point of the season. Last week's rating had Crane rated 43rd, Reagan County 65th, Ozona 79th, Sonora 82nd, and McCamey 136th. Ozona will probably make quite a jump in the ratings this week as they smacked Eldorado 61-8 last week.

If you need your Bronco spirit aroused, attend the pep rally at the Bronco Gym this Friday afternoon and let the Bronco Band, cheerleaders and twirlers get you in the mood for the "Big Game" Friday night against Mason.

***** The Bronco Band put on a good performance Friday night at halftime and was very entertaining. There is nothing like good band music at a football game to arouse the spirit. Continue your good work in backing the Broncos and providing excellent halftime entertainment.

***** It looks like another tough opponent for the Broncos as they entertain the Mason Cowpunchers at Bronco Stadium Friday night. Mason is always physically strong and mentally ready to play Sonora, and always plays good, tough, sound football. Let's hope we can stop that three

Several people have asked that the school crosswalk patrol be started again. This is a wonderful thing, and we do need it very much For this project to work we need your help. If you could assist us one day a week or be a part-time helper we would appreciate it.

Also, there have to be some rules. 1. Don't let your children out across the street in the middle of the block and don't call them across to you. Teach them to use the crosswalks.

- 2. Don't speed through the 15 MPH zone.
- 3. No "U" turns around the school.
- 4. Don't park in the school bus loading zone.
- 5. Don't double park in order to pick up children. 6. Please stop for red flags and stay stopped until we clear the crosswalks.

THE DEVIL'S RIVER PHILOSOPHER SEZ.....

Government Has Gone Too Far, It's Now Imitating Business

Editor's note: The Devil's River Philosopher on his bitterweed ranch on the Dry Devil's River thinks he has discovered something new about the government, his letter this week indicates.

Dear editor: People are always talking about government meddling in business, which is different from business meddling in government, but I have discovered an altogether new side to this situation.

According to articles I've been reading in the papers, the U. S. Postal Service is planning on raising the price of mailing a letter from 10 cents to 13 cents. Of course there's nothing

new about that, the first class rate has been going up steadily for the past few years -- a classic example of inflation: while the quality of the letters hasn't gone up, the cost of sending them has -- but what is new about the rate increase is the timing. The report is that the rate will go up in December, just

ahead of Christmas. Remember what happened this past summer just ahead of the Fourth of July holidays when everybody and his kids had trips all planned? The oil companies raised the price of gasoline 3 cents.

With shrewd timing, the Postal Service plans to raise the price of stamps 3 cents just ahead of the big Christmas card season.

I'll tell you, it's one thing for government to interfere with business, but when it starts imitating business, that's something else.

Who does the government think it is, anyway? Does it

the other night while he was reporting on a teachers' strike in Chicago. "Instead of being in the class room this first day of school, the kids are instead on the streets,"

You can blame the schools for a lot of things these days and in many cases be right about it, but if the half-million or so Chicago kids are either in school or on the streets, something could be remarked about the parents. That is, it could except for the fact the word "chore" has been abolished from the English language. Yours faithfully,

Police Reports

A minor traffic accident occured September 10 at the 1000 block of Glasscock. Billy W. Ivey of Sonora was driver of the vehicle that struck a parked car.

In the early morning hours of September 11 a Haley Transport employee reported a car turned over on U. S. 277. Highway Patrol officials were notified.

At 10:20 p.m., on September 12 city police answered a call to a Glasscock Street residence where a disturbance was taking place. No charges were filed.

At 11:20 p.m., police investigated another disturbance at a local lounge parking lot. When police arrived, subjects had left the scene.

On Monday, September 15 a Dallas Finance Company notified the police department that a mobile home belonging to the company had been stripped of all furniture, drapes, etc. The theft is presently under investigation.

A minor traffic accident occured Monday afternoon at the corner of Chestnut and Glasscock. No injuries were involved and no report was filed. Officer Joe Fincher was the investigating officer.

Eight citations were issued during the week for speeding, no motorcycle license, failure to control speed to avoid accident, and no operator's license.

Juliett Driskell Celebrates 90th Birthday

Mrs. Juliett Driskell, a resident of Lillian M. Hudspeth Nursing Home, celebrated her 90th birthday last Thursday. Friends and acquaintances were on hand during the day for the event.

Mrs. Driskell was born September 12, 1885 in a log cabin that was located on her grandfather's ranch 30 miles northwest of Junction. She taught school for six years in Junction and met Mr. Driskell during that tenure. He was then employed at the Texas Experiment Station.

Following their wedding in 1915, the couple moved to Sonora where Mrs. Driskell taught school four years.

She has been a resident at the local nursing home for the past several years following a car accident. She did, prior to her last illness, go and spend some time with her sister, Mrs. Muriel Hamilton, in her home.

Mrs. Driskell has two of her favorite things at the nursing home with her....a rocking chair that was a wedding gift, and a walking cane she affectionately calls 'Lazy Susan''. The cane is a souvenir of the civil war and belonged to her grandfather who served with General Sam Houston.

Mrs. Driskell has one son, Claude Thomas Driskell, who now lives in Sonora in the Driskell family home after retiring from the Air Force. She is also a grandmother four times and has one great-grandchild.

Mrs. Crawford Hosts Auxiliary

Mrs. Ronnie Crawford hosted members of the Firemen's Auxiliary at the fire hall September 9. A business meeting was held and members discussed the upcoming convention to be held in Brownwood October

Following the business meeting 42 was played. Mrs. Carl Teaff won high, Mrs. Mollie Hite, 84, and Mrs.

Other auxiliary members attending were Mmes. James Blackman, Sammy Odom, Vernon Humphreys, Joe Renfroe and Bill Jolly.

CONSTITUTIONAL AMENDMENTS

PROPOSITION NO. 1 ON THE BALLOT

Revising the separation of powers, legislative and executive provisions of the Texas Constitution. Article II, Separation of Powers, is amended to:

Provide that the powers of government of the State of Texas are divided among three distinct branches: legislative, executive, and judicial. Except as otherwise authorized by the constitution, members of one branch may not exercise any power properly attached to either of the

Article III, The Legislature, is amended to:

others.

Continue the present structure of the legislature consisting of a senate with 31 members and a house of representatives with 150 members. The present organization and procedure of the legislature are con-tinued except that the provision allowing closed executive sessions of the senate is omitted. Provisions on the conflict of interest of members of the legislature are continued, as is the governor's power to veto bills or line items in appropriation bills. The article provides for single-member senatorial, representative, and congressional districts. A compensation commission is created to recommend the compensation and allowances to be received by members of the legislature. The legislative compensation, set by law, may not exceed this recommendation and does not take effect until after an intervening general election. The article provides for annual sessions of 140 days in odd-numbered years and 90 days in evennumbered years, and a veto session of 15 days upon request of threefifths of the membership of each house. The legislature may meet in organizational sessions

The governor is authorized to designate chairmen of state boards, and to remove gubernatorial appointees to state agencies for cause unless the removal is vetoed by the senate. The article mandates the legislature to provide a new governorelect an appropriation so the governor-elect may organize an office prior to inauguration, and permits the legislature to grant powers of fiscal control to the governor. All governmental agencies, with several exceptions, have a life of not more than ten years unless extended by the legislature, and, at the regular session held in odd-numbered years, the governor shall submit to the legislature a report on the organization and

PROPOSITION NO. 2 ON THE BALLOT

Revising the judiciary provisions of the Texas Constitution. Article V. The Judiciary

amended to: Establish a unified judicial system consisting of the supreme court, court of appeals, district courts, and circuit courts. Existing county courts and county judges are continued until otherwise provided by law. All judges (except municipal judges), district attorneys and district clerks must be elected by the people. The supreme court and the court of criminal appeals are merged into a single court of last resort, and this supreme court is authorized to provide for efficient administration of the judicial system and to balance case loads. Individual rights for a trial by jury and appeal by the accused are continued. The state is granted the right to appeal in criminal cases in limited circumstances, and the legislature is permitted to establish methods of appeal to the courts from decisions of state agen-

PROPOSITION NO. 4 ON THE BALLOT

Revising the education provisions of the Texas Constitution. Article Education, is amended to:

Provide that the Permanent and Available School Funds and the county public school funds are continued for the support of the free public schools. The State Board of Education is retained and the Permanent and Available University Funds are continued for the benefit of The University of Texas and Texas A&M Systems. A new Higher Education Fund for Texas is established for the benefit of colleges and universities outside The University of Texas and Texas A&M Systems. The state ad valorem tax of ten cents on \$100 valuation is continued as the source of revenue for the Fund. The ten cent higher education tax may be changed by law within the ten cent maximum. The legislature may allocate by law a portion of the Higher Education Fund to certain state vocational and technical institutes. The article provides that the public education system must furnish each individual an equal educational opportunity, but a school district may provide local enrichment of educational programs exceeding the level provided by the state consistent with general law. Authority to issue Per-University manent Bonds is continued but the bonds may not exceed 30% of the Permanent University Fund.

The wording of the proposed constitutional amendment as it will appear on the ballot is as

"The constitutional amendment revising the EDUCATION PROVISIONS of the Texas Constitution."

If adopted by the voters, will become effective September 1, 1976, except Article VII, Section 9, which becomes effective January 1, 1979.

PROPOSITION NO. 5 ON THE BALLOT

Revising the finance provisions of the Texas Constitution. Article Finance, amended to:

Provide that state taxes may be levied and collected only by general law and to prohibit any state ad valorem tax on real property or tangible personal property except the ten cent tax provided for in Article VII and a

tax of two cents on the \$100 assessed valuation to provide funds for the State Building Fund. Provides that all real property and tangible personal property must betaxed equally and uniformly in proportion to market value. Existing exemptions from ad valorem taxation are continued. The present dedication of motor fuel taxes for highway purposes and the Available School Fund is retained. The "pay-as-you-go" princi-ple for the operation of state government is retained. Mertzon Hornets Sting Junior Varsity

By Bob Granger

A young team of Sonora J. Broncos traveled to Mertzon Thursday night and treated the Hornets to a real hard hitting brand of football before falling by a score of

The Sonorans battled the Hornets to a 0-0 tie at halftime and kept Mertzon from mounting any serious scoring threat in the first half. The J. V. Broncos recovered a fumble on the Hornet 12 yard line late in the second quarter but on a third down try, Mertzon intercepted a Sonora pass and took over on their own 9 yard line. Again the Hornets had trouble holding on to the ball and on second down Sonora recovered a loose ball on the Hornet 12 yard line. Only five seconds remained as the Broncos tried two plays but were unable to score and left the field with a 0-0 tie at halftime.

Mertzon came roaring back in the second half and the Hornet defense completely stopped the J. V. offense and kept the Broncos in their end of the field the complete second half.

After holding Sonora and forcing them to punt from | 3

their own eight yard line, the Hornets took over on the Bronco 40 yard line on their second possession of the third quarter and in three plays drove to the Sonora 25 yard line. From this point, Rudy Longoria scampered around his left end to send the Hornets in front 6-0 with 6:19 left in the third quarter. The

try for the PAT was no good. In the fourth quarter Sonora was forced to punt from their one yard line and Mertzon took over on the Sonora 30 yard line. Five plays later Arnaldo Acosta blasted in from the seven yard line to end all scoring for the game with 6:22 left in

Although being defeated by score of 12-0, the J. V. defense held the Hornets to only 166 yards total offense. Mike Kinard did a good job of punting to spark the Bronco effort along with a strong showing by the

Local Heart Association Holds Meet

Board of Directors of the Sutton County Division of the American Heart Association met in regular business session September 8 in the home of president, Mrs. J. F.

Mr. Bob Nowlin regional director, was present and explained the new set up and manner in which programs and projects will be conducted in the future.

Dr. Joe Andrews, program chairman, and The Rev. Paul Terry, vice chairman, are in charge and will hold a meeting to complete plans.

Mr. Gene Shurley was introduced as a new member of the Board. Mr. Jerral Whitehead, administrator of the Hudspeth Memorial Hospital, was present and reported that two films from the Heart Association had been furnished to the hospital to be shown to professional personnel.

The Rev. Mr. Terry, community service chairman, reported on the Blood Donor Drive conducted by the Jaycees in August. Thirty Milk persons were screened for blood pressure.

The next meeting will be held October 6 in the office of the Rev. Lea Roy Aldwell at 210 South Concho.
