

A few Sonora Volunteer Firemen were on hand last week to look over the new pre-connect fire truck recently purchased for the local fire department. The truck is designed for rural fires as it carries its own 750 gallon water supply and is ready for immediate use upon arrival. Although it was primarily designed for rural use, it will be used for city fires as well. The truck, which was a county-city venture, cost \$3500 with an additional cost of \$1400 for special equipment. These figures represent only half of the actual cost as the Texas Forestry Service takes surplus products and converts them into fire equipment, making it available for approximately half the cost. Firemen pictured are Bob Neville, Gene West, Cullen Luttrell, Louis Olenick, Carl Teaff, Tim Thorp, James McLaughlin, Rick Shanks and Sammy Odom.

Sonora Motor Co. Sale Finalized

Effective November 14, Sonora Motor Company, Sonora's local Ford dealership and oldest locally owned business, became the property of Durwood Neville, after being in the Hull family for 55 years.

Neville will carry a full line of Ford cars and trucks and was receiving new automobiles Monday and expecting more daily. A full service repair department will also be available in the near future.

As new stock begins to arrive in more abundance, Neville, in behalf of Sonora Motor Company, will host an open house and grand opening.

Joe Hull, who began his 48th year in the same business this month, will retire and attend his ranching business.

The building housing the motor company, located at

the corner of Concho and Oak Streets was completed in 1920 by Sam Hull and Fred Hull, who were partners in the Ford business at that time. Joe Hull, son of Fred, bought into the business in the early 1940's.

Mr. Roy Flores has recently been hired by the Sonora Police Department, as a patrolman. Flores served as a deputy sheriff with the Tom Green County Sheriff's Department the past seven years, and is from San Angelo.

SONORANS WIN AT DUPLICATE BRIDGE

Fred Adkins and Mrs. Lottie Puckett were winners in both sessions at the Angora Bridge Club Tournaments held November 8 in Ricksprings. They placed second north-south in the charity club game and third north-south in the membership game and were tied for fifth overall in the afternoon session.

Churches Plan Special Thanksgiving Services

A Thanksgiving Community Service will be held at 7 p.m., Sunday, November 23 at the First Methodist Church. The community service is being sponsored by the Sonora Ministerial Alliance.

Mr. Jim Miles, pastor of the Presbyterian Church of the Good Shepherd, will be the guest speaker with other members of the alliance participating in the program.

A special offering will be taken at the service with proceeds going to a special project of the ministerial alliance and to the Sonora Welfare Fund.

Members of all churches are urged to attend.

OTHER SPECIAL SERVICES

Hope Lutheran Church will hold a special Thanksgiving service Thursday, November 27 at 10 a.m. The church extends a cordial invitation to the entire community to attend. Special music will be rendered for the occasion.

Members of the First Baptist Church will hold a

Thanksgiving supper in the newly constructed fellowship hall Sunday night prior to the community services. The supper will begin at 5:30 p.m.

Ozona Bazaar To Be Held November 25

The Annual Ozona Woman's League Gift Bazaar will be held Tuesday, November 25 from 4 until 6 p.m., at the Crockett County Auditorium.

League members make all items offered for sale at the event. There will be a variety of items to choose from in various booths; Christmas, children, garden, miscellaneous and food. A drawing for an original photographic landscape by Mrs. Charles Black, will be held prior to the opening of the bazaar.

Bronco J.V. Claims 6-0 Victory

By Bob Granger

The Sonora Bronco Junior Varsity closed out their 1975 season Thursday night when they traveled to Crane and squeezed by the Crane J.V. by a score of 6-0. The victory left the J.V. Broncos with a 5 win, 2 loss record for the season.

Things started slowly for both teams in the early part of the game as neither team was able to sustain possession of the ball. Late in the first quarter the Sonora offense began to click as the Broncos drove from their own 41 yard line in seven plays to light up the scoreboard for the only time during the game. The big play in the drive was a 32 yard gallop by Scott Allison to the Crane eleven yard line. On the first play of the second quarter, Juan Castillo banged in from three yards out to give the Broncos a 6-0 lead which they never relinquished. Olson's try for the point after was no good.

The stout Bronco defense kept the Crane offense completely in check the first half as they allowed only 39

yards offense.

In the second half, Crane came out of the dressing room and got things rolling as their defense and punting game kept the Sonora offense bottled up the entire second half.

Late in the fourth quarter Crane began a long drive from their own 33 yard line. After driving to the Bronco 24 yard line, the Broncos were assessed a 12 yard penalty that set Crane up on the Sonora twelve yard line. However, the Sonora defense rose to the occasion and gave the ball back to the Bronco offense four plays later on their own seven yard line. From this point the Bronco offense was able to run out the remaining 3:20 seconds and come home with a hard earned 6-0 victory.

Two Calif. Men Charged With Drug Possession

Two suspects are confined in Sutton County Jail, charged with possession of marijuana. Steven James Herbert and Franklin Walker Batcher, both members of the armed services and stationed in California, have been charged with the offense and bond has been set by Judge W. T. Hardy at \$3,000.

Apprehension of the offenders came following a call from Schleicher County law officials regarding a car bearing California license plates that was seen driving in circles across their football field. The license plate number of the vehicle was reported to local law officials.

When the two men were arrested they were found to be in possession of marijuana and later charged for that offense.

SAVINGS BOND SALES FIGURES RELEASED

In releasing Treasury figures, County Bond Chairman George H. Neill, announced that sales of Series E and H United States Savings Bonds in Sutton County during September totaled \$784. Sales for the nine-month period were \$10,516 for 53 percent of the yearly sales goal of \$20,000.

Broncos Defeat Badgers In Final District Game

By Bob Granger

The Sonora Broncos exploded their keg of dynamite Friday night in Bronco stadium, blasting past a good McCamey team by a score of 44-13, to close out their season. The win assured the Broncos of staying out of the 7-AA cellar as McCamey dropped to the bottom with a 0-4 district record.

After receiving the opening kickoff, the Broncos were unable to move and punted to the McCamey 31 yard line. It looked like it was going to be a long night for the Broncos as McCamey's gifted back Clifton Pettis broke for 25 yards on the first play. Ten plays later Pettis romped in from nine yards out and Hicks added the PAT to put the Badgers on top 7-0.

Sonora quickly retaliated as Garry Jones returned the ensuing kickoff to the McCamey 37 yard line. Four plays later Jones broke for 26 yards for a Bronco TD and John David Cook added the PAT to knot the score at 7-7 with four minutes left in the first quarter.

A short time later the Broncos took over on their own 42 yard line and mixed good passing and running to move the ball to the McCamey 13 yard line. From here freshman back Manuel Lopez broke through the middle, was hit and fumbled into the end zone where Bronco Robbie Hard fell on the ball for a Bronco TD. Again Cook added the PAT to send Sonora ahead 14-7.

Trying to make a quick comeback McCamey tried a third down pass which was intercepted by Hard on the McCamey 40 and returned to the Badger eight. Two plays later Jones burst into the Badger end zone to give the Broncos their third TD in less than five minutes. Cook again added the PAT to bring the score to 21-7.

Shortly before the end of the first half, the Broncos took over on downs on the McCamey 25 yard line. After three plays brought up a fourth down, Cook stepped back and booted a 38 yard field goal to send the teams to the dressing room at halftime with Sonora ahead 24-7.

McCamey started the second half with a bang as they drove to the Sonora six yard

line, but a tough Sonora defense held and Sonora took over on downs.

Still trying desperately to get back in the game, the Badgers were driving at the Bronco 34 yard line. Quarterback Greg Hicks tried to pass but was intercepted by Jeff Doan on the Bronco ten yard line. Doan raced down the sidelines behind a wall of blocking to the Badger three yard line. John Elliott punched across for the fourth Sonora TD and Cook added the PAT to bring the score to 31-7 with 11:25 left in the game.

Midway in the fourth quarter, the Badgers drove 37 yards in six plays to score. The two point try for the extra point was no good and the score stood at 31-13 with 6:25 left in the game.

A McCamey fumble was recovered by Clay Hicks on the McCamey 17 yard line and Elliott hit Cook on a 15 yard scoring play. Cook added the PAT to mount the score to 38-13.

The last Bronco score came when Hicks intercepted a pass and rambled 28 yards for the last Bronco TD to

finalize the score at 44-13.

Thanksgiving Closings Told

Businesses in the downtown area will observe Thanksgiving Thursday, November 27 by closing so that their employees may have a holiday. Also closing will be First National Bank and the post office.

Branding Iron Smokehouse will close all day. Whitworth's Drive In will close from 11:30 to 4 p.m. and will remain open other hours.

All offices at the county courthouse, the City Hall and the Devil's River News, will close both Thursday and Friday.

Sonoran's Mother Dies In Junction

Mrs. Tom Wilson, mother of Elmer Wilson of Sonora, died in Kimble County Hospital November 9. Funeral services were held November 11 in Hodges-Fife Chapel with burial in Coppe-ras Cemetery.

Mrs. Wilson was born Cora Carolina Liefeste October 31, 1888 in Mason. She married Tom Wilson 63 years ago. She was a member of the Church of Christ and had lived in Junction twenty years after moving here from a ranch in Sutton County.

Other survivors include her husband; one granddaughter, Mrs. Reed (Barbara) Jennings and three great-grandsons.

Pallbearers were Damon Evans, Ripp Martin, Wesley Sykes, Nolas Gilliam, Bob Ragsdale, and Cody Cardwell.

SUZANNE ALLEY IMPROVING

17-year-old Suzanne Alley, who is confined in Hudspeith Hospital, is showing much improvement and should be up in a wheel chair after two more weeks of bed rest. Suzanne was injured when a horse fell on her October 18.

A.H.A. Board Holds Meeting

The Board of Directors of the Sutton County Division of the American Heart Association met recently and accepted the resignation of Mrs. Hershel Davenport, chairperson of the Heart Fund Campaign.

Also at the meeting a report was given on the results of the Blood Pressure Clinic conducted November 1. The report stated that there were one hundred and thirty persons checked at the clinic. Mrs. J. F. Howell, president of the local chapter, expressed appreciation to committee members, Mmes. Ava Perez, Fay Dunnam, Johnnie Mormon, Elizabeth Sanchez, Shala Cavaness and Irene Gomez, for their services during the time of the Halloween Carnival.

A report was also given by Mrs. Howell concerning the regional workshop she attended in San Angelo November 8 for the purpose of training heart campaign leaders. She stressed the need for a chairperson for the 1976 Heart Fund Campaign.

A program meeting for the general public will be held in January. More details on the program will be made public at a later date.

Sonora Broncos finished out their season Friday night with a galloping win of 44-13 over the McCamey Badgers,

bringing the Broncos to a third place standing in their district. Crane was first in district play with 4 wins and no losses.

Krueger Tells Rule Changes On Nursing Homes
Federally supported Medicaid nursing home patients now will be allowed up to 18 days a year to visit relatives or friends, according to information released today by Congressman Bob Krueger. Such visits formerly were limited to three days at a time, six a quarter, and 18 a year.
From now on, Krueger explained, the only restriction will be 18 days annually, with the Federal Government paying its share of the cost of the nursing home bed during the patient's absence.
"Patients were initially being asked to pay for the nights they were not staying in a nursing home," Krueger said, "which, in effect, discourages people from getting out to see their friends and families. We should encourage this type of activity," he continued, "since it not only is therapeutic, but provides a sense of dignity to people who need and deserve it."
According to John A. Svahn, Acting Administrator of HEW's Social and Rehabilitation Service, the Medicaid

nursing home leave policy was eased in response to comments from Congress, State officials, and the general public.
"I was glad to see the bureaucracy respond to public pressure," Krueger added. "This was a good example of a bad rule which unduly infringed on the rights of decency, privacy, and mobility of average citizens."
People once grew leeks on their roofs to ward off lightning and similar evils which could cause leaks in their roofs.

This test will help tell you whether our Touch-Calling phone* is the thing for you. First, cut out the push-button panel in this ad. Then cover up your dial. Now what are you missing? Just an old-fashioned dial that's probably had you going round in circles for years. On the other hand, consider what you're gaining. Time is the most important thing. You can punch

out your numbers in half the time it takes to dial them. Accuracy is another thing. The simplicity of buttons practically eliminates getting wrong numbers due to mistakes. And, since Touch-Calling uses musical electronic tones to transmit your number you get a little entertainment before you talk. What you get later is your own business.

Hospital Auxiliary News

By Jan VanderStucken

The Lillian M. Hudspeth Auxiliary met in the conference room of the nursing home with 17 members attending. Mrs. Maxine Browne, president, called the meeting to order and Mrs. A. B. Wagner led the group in prayer.

Members decided that the auxiliary will meet at 3 p.m. Hershel Davenport, chairman of the Lion's Club eye bank, showed the auxiliary a film on that subject and distributed literature explaining its function.

Mr. and Mrs. Leon Parks are donating Thanksgiving dinners to residents of the nursing home and the auxiliary voted to send them a letter of thanks. A punch bowl set was donated by Jan VanderStucken and a cutwork tablecloth was donated by Velma Hunt.

Refreshments were served by hostesses Mrs. Hershel Davenport, Mrs. Ruby Brotherton and Mrs. J. Wray Campbell.

New Arrival

Mr. and Mrs. Joseph R. Necessary are parents of a son, Billy Burke, born November 11 at Ozona Hospital. He weighed 9 pounds.

He is welcomed by a sister, Jennifer, two years old.

A Bishop Looks at Life

by Everett H. Jones, Retired Bishop of Episcopal Church

How Show It? As Thanksgiving Day comes again a good question to think about is: "If we are genuinely thankful to God, what are some of the ways in which we can show it?"

The first obvious answer is: "We can tell Him so. This can be done daily, even hourly, and it can be done anywhere. It can be done amid household duties or in the midst of a business meeting or while driving a car. Just as we never tire of hearing expressions of love and gratitude from our children, so God never tires of hearing such expressions from us."

There is much to be said, also, for at least a weekly overflow of a grateful heart in God's own house, the church. Usually the presence of other grateful people and all the holy associations of the place make it easier to remember just how many blessings we have.

A second answer is: "We can put gratitude into action." A famous thanksgiving prayer contains this petition: "that we show forth thy praise not only with our lips, but in our lives, by giving up our selves to thy service." There is something shallow and unsatisfying about gratitude that does not

go beyond words. A part of adventurous Christian living is to think out at least one new way each day to do an act of loving service, not out of duty or obligation, but in sheer gratitude.

Still another answer is: "We can trust God." If we mean it when we speak of God as "our Help in ages past," we shall quickly add "our Hope for years to come." There is something radically inconsistent about praising God for all He has done in our lives and then allowing ourselves to be filled with fear and anxiety about the future - as though His goodness had suddenly come to an end.

The greatest result of living in a continuous state of thankfulness is a sense of inner peace and security. We have the assurance that God will never forsake us, and that He will give us strength equal to whatever we are called to face.

If your blankets are badly worn, you can cut out the bad spots and combine what's left to make one big blanket, which can now be used for the warm interlining of a quilt cover.

Nightingale of the playroom.

Ever notice how often it is the occupations or professions of SERVICE TO OTHERS that excite the imagination of our children? We should learn something from that!

Boys and girls see themselves as amateur adults. Through their imagination they often show us the world they would like to live in.

Their hopes can become a reality if we support our churches with our faith and our families. After all, it was the Founder of Christianity who insisted that He came not to be ministered unto, but to minister.

Dollars & Good Sense
by William J. Martin
Special Consultant to AVCO FINANCIAL SERVICES
Second incomes have many effects on families. In recent columns, I've been discussing some of the problems that can result. Today though, I'd like to discuss one of the hidden benefits.
In many situations, the second income is the wives' income. Where this is the case, some thought should be given to using that income to develop a credit history in the wife's name only.
Married women have traditionally had difficulty establishing credit in their own names. This often goes unnoticed until the woman is widowed or divorced and then finds trouble getting credit because she has none already established.
So, once the wife takes a job, it's a good idea for her to maintain separate checking and savings accounts in her own name.
The next step in establishing credit is applying for it. First try for a bank or department store credit card. If you are unsuccessful, try an installment purchase at a store.
Once you have established a good payment record, you should have no trouble getting regular credit at most places of business.
Once you are earning an income of your own, see to it that you get the credit you deserve. It may pay off later.

THE DEVIL'S RIVER PHILOSOPHER SEZ..... He Works Out A Plan For Safe Presidential Visit To Populace

Editor's note: The Devil's River Philosopher on his bitterweed ranch on the Dry Devil's River comes up with a suggestion this week. He may even be serious.

Dear editor:
Now that things have quieted down and all the big city columnists have said all they can think of about the dangers to a President as he travels around the country, I have assembled a few thoughts.

As I understand it, Presidents claim they have to travel around the country to get the feel of things, to find out what people are thinking, and the danger of some nut shooting at them is just one of the hazards of the office.

But there's another and a lot safer and cheaper way of doing it. Like it is, the President gets in Air Force One, which I understand costs \$3,000 an hour to operate, and flies to a distant city. Behind his plane is another plane carrying reporters and camera crews, behind that another carrying his bullet-proof limousine and 30 or 40 Secret Service men, and ahead of all of them, for all I know, is another plane making sure the entourage doesn't hit any whooping cranes or bald eagles. Prior to this of course another plane has brought a load of Secret Service people to scout the city, line up every local policeman available to guard the procession's route after the planes land, and, when they don't forget it, check the city's stop-lights.
After the President has delivered his speech at some hotel, he comes out and starts shaking hands with the people pressing against the rope barriers or the steel fence. His conversation with the people consists of saying "Hello. Glad to see you," or "How are you?" with no chance for you really to tell him how you are. He doesn't know whether you have lumbago or a suggestion on

time being.
If, as some pundits claim, television exposure is really what a President is after, I think the networks would be tickled to set up their cameras in the White House. Be a lot cheaper than sending them all over the nation.
For one-twentieth of what the present system is costing, with all the assassination dangers eliminated, the President can sit in the Oval Office or around his swimming pool and find out what the people are thinking. You might be working up a list of people from here who ought to go.
Yours faithfully,
J. A.

We would like to express our sincere appreciation to all our many friends and business associates who have made our many years of service in Sonora Motor Company a success and a pleasure.
We will continue to make our home, as always, in Sonora, and will look forward to seeing all our customers from time to time.

Tips for Your
DISHWASHER

- Clean the filter screen often. A clogged filter can reduce the efficiency of your dishwasher.
- Use only detergents manufactured specifically for dishwashers. A wetting agent helps prevent water spots on glasses and silverware.
- A dishwasher will usually hold a whole day's dishes. It takes as much hot water and energy to wash 1 dish as it does a full load. Stack your dishes out of sight in your dishwasher and wait until you have a full load to turn it on.

fine furniture cabinets for kitchens & elsewhere. This is Town Classical. The nicest thing that's happened to kitchen cabinetry since the hinge. It's solid oak with reversible panel doors and a rich patina finish. It won't warp, stain, or cost you a lot of money. And it's easy and economical to install.
Not surprisingly, these fine furniture cabinets are also finding their way into other parts of the house. Like the den or even the living room. Wherever you might be needing fine cabinets. Why not come see us and Town Classical oak as soon as you can? You'll be glad.

Police Reports

Another traffic accident at the intersection of highways 277 and 290 occurred at 4:25 p.m., November 10. Drivers of the vehicles were Lila Hernandez and Francisco D. Mejia.

At 12:25 p.m., on November 11 another minor accident occurred in front of the post office. Autos involved were driven by Juanita H. Brasher and Ethel A. Turney.

Also on that date a 16 year old runaway from Pasadena was picked up by local officers and placed in Sutton County Jail. He was later placed in custody of his father.

November 12 at 3:40 p.m., an accident at the corner of Chestnut and Orient Streets was investigated by local officers. Cleofas Quiroz and Debra M. Dunn were drivers of the vehicles.

Two subjects were arrested November 15 and placed in Sutton County Jail. They were charged with possession of marijuana.

Bronco Sideline Shots

By Bob Granger

It had to be a very gratifying feeling for the Broncos and their coaches to close out the season with such a tremendous display of football as they did Friday night by defeating a good McCamey team 44-13. A lot of McCamey people felt they had a much better ball club than their record indicated. Coach Bill Bundy stated after the game that the key to the big win was "We hit people and let them know what the game is all about." It had to be a great way for the Seniors to close out and encouraging for those that will return next year.

Coach Bob Snodgrass and Don Patton's J.V. Broncos closed the season on a bright note also as they beat Crane 6-0 last week. The outlook for next year's J.V. is bright because of so many freshmen that will be back, plus the addition of some good talent coming up from junior high. Football for the future looks bright at the present time.

Congratulations to Marsha Finklea on being named Football Sweetheart for 1975. Marsha is very deserving of the honor. She is also head cheerleader.

Basketball makes its debut in Sonora Friday night. The J.V. girls, varsity girls, J.V. boys and varsity boys will host Eldorado beginning at 4 p.m., Friday.

Now that football season is over, let's swing our support to the basketball program and support the coaches and players in the same manner as we did in football.

Final standings in District 7-AA football are as follows: Crane, 4 wins 0 losses; Ozona, 3 wins, 1 loss; Reagan County, 2 wins, 2 losses; Sonora, one win, three losses; and McCamey, 0 wins, 4 losses.

Hunters from as far away as Lafayette, La., began pouring into Sutton County last week, in anticipation of the opening of hunting season which began Saturday. These hunters arrived at the Sonora Airport Friday afternoon.

Mule Deer Population Down

by Rodger McKown
TEXAS PARKS & WILDLIFE DEPARTMENT

There is little doubt that mule deer harvest will be down in the Trans-Pecos this year. Population of this species has declined approximately 25 percent from last year in this sprawling, nine-county area that is home to the bulk of the state's mule deer herd.

Reason for the decline was the limited fawn crop in 1974, following a period of almost a year with very little moisture. The number of surviving fawns was just not sufficient to make up for the annual mule deer mortality.

What does this mean for the hunter who plans to take part in this year's Nov. 29 - Dec. 14 mule deer season?

Naturally, it means that fewer of them are going to put venison in the freezer after the season. And it

means that the ones who do, very likely will have to hunt harder than they might have in other years.

The bright side to the picture is that the hunter who is willing to work at it still has a good chance of getting his deer and his chances of getting a trophy are good.

Good winter and spring moisture following the 1974 season left habitat in good condition, an ideal situation for good antler growth. Reports have come in from Parks and Wildlife Department personnel and some far West Texas ranchers that some bucks are carrying tremendous sets of antlers this year.
