

Aldermen Approve New City Map

by Wes Burnett

Sonora City Aldermen tackled a busy agenda at their regular meeting Monday, September 13, including the approval of the new city map.

The September 1976 map will be recorded with the county and up-dated information will be used to help with the census to be conducted in the near future.

Aldermen rejected an offer to buy 1.3 acres of land for \$20,000, where a water main runs to an unused water stand.

The city government approved the placement of stop signs at the corner of Martin and Orient and Martin and Mesquite to discourage fast-moving traffic in the area.

A lengthy discussion was held concerning the problems of locating a satisfactory land fill and

sewage treatment facility. Available land sites have been priced beyond the approved limits set by the Texas Water Quality Control Board and negotiations will be continued with land owners.

Aldermen took up the issue of parking on the northeast side of Prospect near the high school and voted to approve an ordinance for no parking between the hours of 8 a.m. and 4 p.m. on Prospect between College and 1st Street. The new law will take effect when the signs are in place.

City Manager Bob Nevill informed aldermen that the Corps of Engineers will conduct a reconnaissance survey of Sonora to determine the need for a complete flood zone study.

The survey should be completed in two months. Several aldermen expressed that the current

HUD (Housing and Urban Development) flood zone map is not accurate and makes it difficult for property owners to secure adequate flood insurance and forces others to buy unneeded insurance.

The Corps of Engineers survey may lead to an improvement of identification of flood zones.

In other matters the alderman approved three zoning requests, discussed the proposed consolidation of sheriff and police departments and set September 29 as the date for opening of bids for the water storage tank.

Nevill also explained to the alderman the various federal funds available through the community development block grants.

A public meeting on this subject will be held at a later date, to be announced two weeks in advance.

Punt, Pass and Kick Contest Saturday

Sonora youngsters, ages eight to 13, have a chance this Saturday to "show their stuff" in the annual Punt, Pass and Kick Competition, sponsored by Sonora Motor Co. and Ford.

Ray Jones is chairman of the event, and has announced that competition will start at 2 p.m., at the stadium.

Registration forms are available at Sonora Motor Co. and will also be issued at the stadium.

It's a long road from Sonora to the national finals, but who knows, one of our own young athletes may be flying to Houston or New Orleans and hear

the announcer's introduction: "And from Sonora, Texas....."

Paint Mart To Open September 20

Another new business is opening up in Sonora -- Vargas Paint Mart.

Owner of the store, Felipe Vargas, says that he will feature two lines of paint and will open its doors Monday, September 20.

The Paint Mart is located at 112 Plum across from Thorp's Lan-Dry.

Baptist Church To Burn Note

First Baptist Church will hold a note burning during their Sunday morning worship service. This will symbolize the retirement of \$30,000 indebtedness on the church educational building. The note was retired August 23.

At 2 p.m., Sunday afternoon, a dedication of the building will be held in the fellowship hall. Following the service will be an open house. The Rev. J. C. Hancock urges all persons who have not seen the building to come and enjoy refreshments.

Mason Tickets On Sale

Reserved seat and student tickets for the Mason - Sonora football game are on sale at the high school office according to Dr. Elroy Otte, high school principal.

The cost of the reserved seats are \$2.25 each, and student tickets are \$1.00. Tickets will be on sale until 3 p.m., Friday at which time all unsold tickets will be returned to Mason.

Student tickets will not be on sale at the game, \$2 for general admissions, and reserved tickets will be sold at the gate. Consequently, students can save \$1 by purchasing tickets before 3 p.m., Friday at the high school office.

Burt Named Nursing Home Head

Francis Burt, former owner and publisher of the Junction Eagle, has been named administrator of the Lillian M. Hudspeth Nursing Home. He recently completed his year-long required administrator-in-training at Leisure Lodge of Junction.

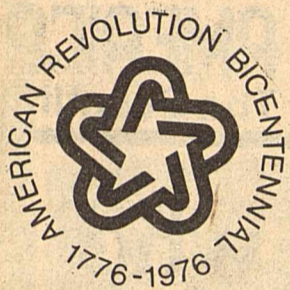

He assumed duties here September 1.

Holder of a Bachelor of Journalism degree with high honors from the University of Texas in Austin, Burt worked in the business office of newspapers in Dallas, Austin and Grand Prairie before buying and operating the Eagle for 17 years.

He served four years as an independent publishers' representative for eight trade papers, traveling in four southwestern states.

Burt was the first director of the Kimble County Community Action Center and secretary-manager of the Kimble County Chamber of Commerce for three years.

He has been a long-time officer in the Presbyterian Church.

County Okays Contract, Adopts New Budget

Members of the County Commissioners Court met Monday and heard a request from Leo Merrill of the Texas A&M Research Center for some type of speed regulations within the compound of the station. County Judge Web Elliott and the commissioners were in agreement that since the roads within the compound are not under county maintenance they did not consider it as a county road and that the station was free to control traffic in any way they saw fit.

Two representatives of the firm of Thomas Y. Pickett met with commissioners in regard to renewal of a contract for the apportionment of oil and gas properties in the county. One representative told the court that the number of wells in the county had grown from 457 in the year 1974 to 837 at the present time. The contract which called for renewal of a two year span was executed and signed at the meeting.

Lester Shroyer appeared before the commission

with a request to take back the property used for Cedar Hills School and Fort Terrett Lodge. Since the property is no longer in use except as a polling place, Shroyer felt that he would like to restore the building to some extent if the court would convey the property back to him. The property was donated for use by Shroyer's parents in 1916.

The Court decided that Shroyer's request would be granted as soon as he could obtain a quitclaim from Fort Terrett Lodge and with the stipulation

that it may still be used as a polling place as long as the need arises. Conveyance will be made to the Shroyer heirs.

The budget for the 1977 year was adopted and approved with the tax rate to remain the same as last year.

A special meeting has been set by the commissioners court for September 29 regarding the re-apportionment of the county's voting precincts.

Commissioners attending the meeting were Bill Wade, Preston Love, Elba Adams and Philip Jacoby.

Local Unemployment Rate Told

Sonora City Manager Bob Nevill told city aldermen at their regular meeting Monday that the city has an unemployment rate of 3.4 percent.

"Last month's unemployment rate puts us way below the national average of 6 percent," Nevill added.

This is good news for Sonora, even though the low unemployment rate disqualifies the city for a share in the 1977 Federal Grant for Public Works Employment.

"Our unemployment rate for the past four months has averaged four percent," Nevill said.

Mr. and Mrs. Ed Martinez and Mr. and Mrs. Joe Lane were among the many Band Boosters working in the concession stand the past week. Parents of band students prepare and serve foods in the stand at all in-town games. The stand proceeds go toward band activities.

Youth Football Begins Saturday

First games of the Youth Football League will be played here Saturday morning at the football field behind the Bronco dressing room.

Beginning at 9:30 a.m., the Cowboys will be pitted against the Vikings. Following completion of that game the Chiefs will compete against the Raiders.

Members of all teams are youngsters under 13 years of age who are in Sonora Elementary School.

Making up the Viking roster are Pascual Castillo, Santiago Gonzales, Ronnie Pollard, Devoe Smith, Timmy Doan, Johnny Snyder, Rene Porras, J. Thomas, Houston Powers, Marney Sorenson, Sonny Dean, Joe Noriega, David Love, Edward Minaree, Russell Ethridge, Jeff Tidwell, John Merrill, Rodney Webb, Abel Sanchez and Wayford Tyler. Head

coach of that team is Luther Creek, assisted by Jeff Doan and David Ford.

Ray Jones, Randy Hill and Tony Renfro lead the Chiefs as coaches. Members of that team are Cody Childress, Rudolfo Sepeda, Chris Reynolds, Terry Vickers, Monty Waters, John Mitchell, Douglas Mounce, Tony Graza, Drew Wallace, Ruben Garza, Dan Garza, Jimmy Vaughn, Rickey Redding, Edward Mata, Rodney Jones, John Ponsetti, Rodney Wright, Victor Fuentes, Wayne Hill, Doug Martin and Perry Wayne Brickley.

The Cowboys roster is made up of Wendell Yarborough, Joe Shannon, Mike Mitchell, Manuel Perez, Edistino Perez, Tino Martinez, Kevin West, John Martinez, Brett Swyter, Jeff Brittain, Jerry Jimenez, Rickey Mesa, Michael Poloczek, Roy Hulsey, Esau Ramirez, Chad Stewart, Mark York, Gayle Underwood and Gary Underwood. James Blackman and Tommy Valliant are coaches of the team.

Coaching the Raider team are Alex Castro, Ben Montgomery and Jerry Kemp. Members of that team are David Chandler, Espy Whitehead, Phillip Kemp, Eddie Vallejo, Jeff Barton, Michael Barton, Justin Ryan, Bill Ryan, Fermin Sanchez, Ismael Sanchez, Gorado Villereal, Matt Favila, Robert Mittel, David Noriega, Rickey Shanklin, Larry Jennings, Joe Will Ross, John Dale Hodnett, John Woodall, Phillip Vargas and Tommy Mills.

Broncos Trounce Bearcats 42-6

by Don Holdridge

Sonora	Ballinger	
19	1st Downs	8
295	Yds. Rushing	59
93	Yds. Passing	37
388	Tot. Ydg.	96
5-9	Passes, Comp.-Att.	3-13
1	Fumbles Lost	4
111	Penalties	13
5-40	Punts-Avg.	7-30
1	Int. By	0

A thundering herd of Red Hosses stampeded into Ballinger Friday night, and before heading for their home pasture, thoroughly trampled the Bearcats on their own turf, 42-6.

Although the Sonora first string spent only about half the game on the field, it was more than enough for the hapless hosts as the Bronco substitutes continued the rout.

Quarterback John Elliott crossed the end zone stripe early in the first quarter for the Broncos on a 30 yard ramble. The PAT failed.

Less than two minutes later Garry Jones took a handoff on the Ballinger 45-yard line and swept around right end for the second Sonora tally. The extra point kick was good. The 13-0 lead proved to be all the Broncos needed.

Jones, the games' leading ground gainer with 87 yards on 13 carries, nearly equaled the entire Ballinger offensive output.

The Bearcats could manage only 59 yards rushing, 37 passing and eight first downs, due mainly to the swarming Bronco defense.

The awesome Sonora offense nearly short circuited the Ballinger score-

board in the second quarter, scoring two TD's and a safety in less than two minutes.

The first came on a 40 yard aerial from Elliott to split end Gregg Parker. With John David Cook's PAT sailing through the uprights, the Broncos led 20-0.

A fumble recovery by defensive end Mark Hemphill less than a minute later, set up Tony Mathews' 18 yard touchdown romp.

On the Broncos' kickoff a Bearcat player fielded the pigskin on the three-yard line, stepped back

into his own end zone and downed the ball.

The safety gave the Broncos a commanding 29-0 lead as the first half gun sounded, and everyone in the crowd realized for all practical purposes the game was over.

Gracious hosts as they were, Ballinger allowed their guests to rack up two more tallies in the third period.

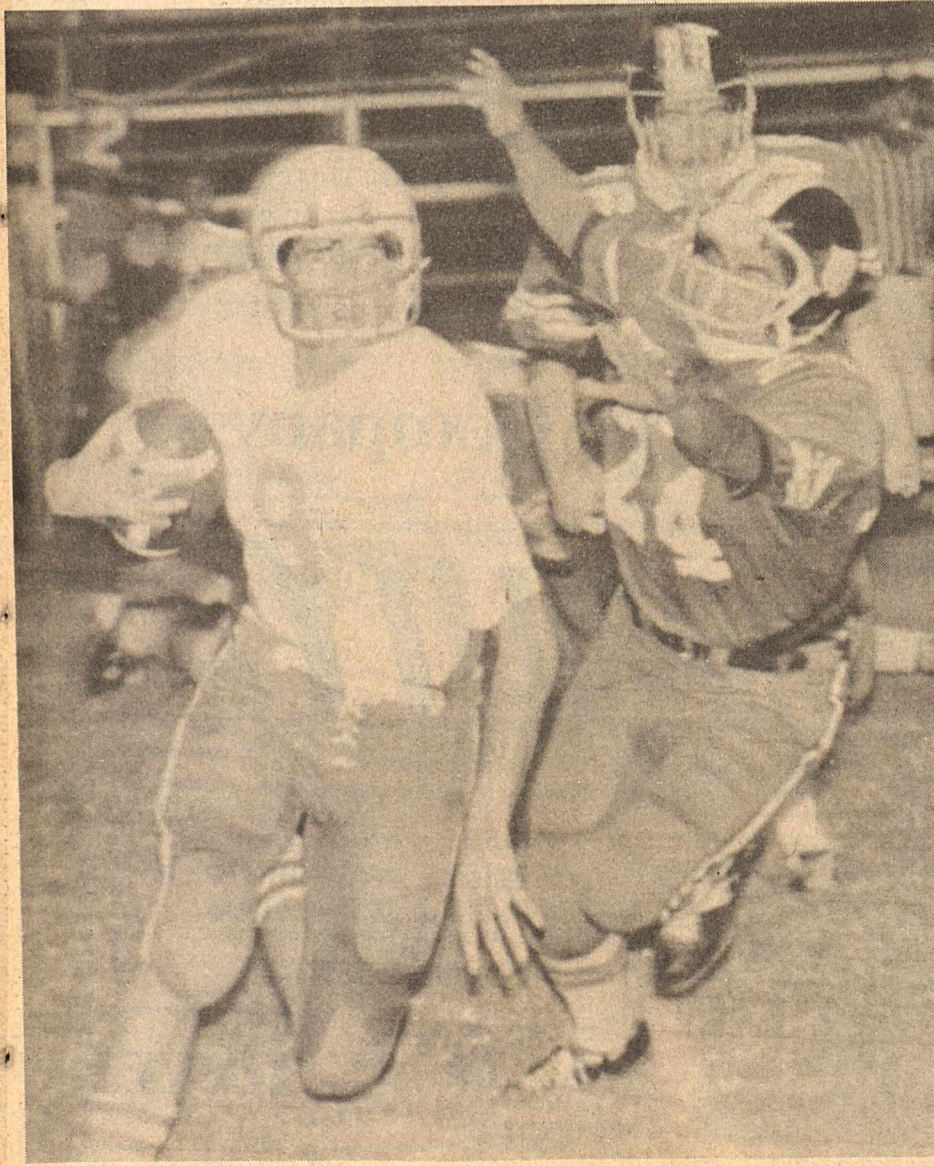

The first came on a 76 yard drive culminated by fullback Johnny Creek's four yard burst.

Two minutes later the Broncos recovered a fumbled lateral on the

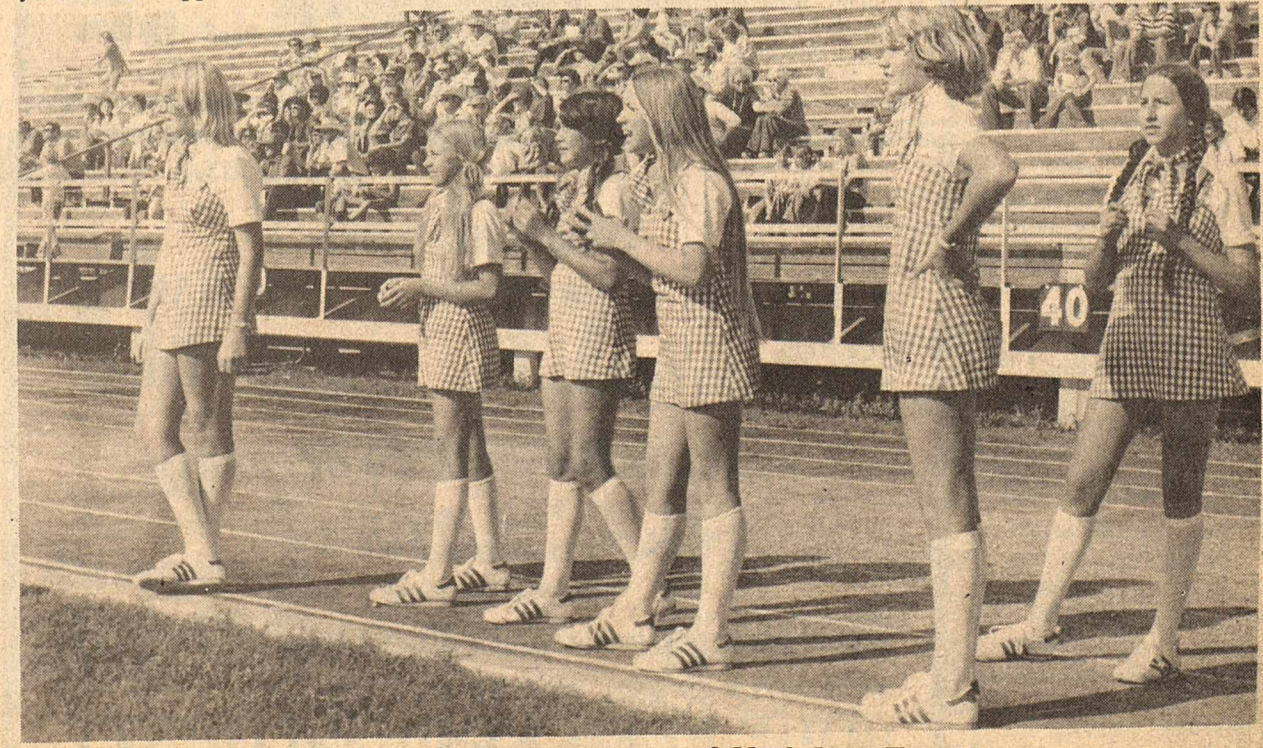

Ballinger 20. Parker capped the short series with a one yard plunge. The PAT failed, but the Red and White led 42-0.

Penalties hampered any Bronco scoring threats in the fourth stanza and set up the lone Ballinger score in the closing minutes as quarterback Alan Richey rolled five yards into the end zone. The PAT was unsuccessful.

The contest left Ballinger at 0-2 on the season and upped the Sonora record to 2-0 as they prepare to travel to Mason Friday night.

Bronco quarterback John Elliott breaks around right end for another gainer in last Friday's rout of Ballinger. Coach Bill Bundy praised the Bronco offensive line for its excellent blocking which gave the backs plenty of room to maneuver. [Photo courtesy Ballinger Ledger]

Leading the cheering section for the seventh and eighth grade football teams are Shelley Hughes, Tracey Day, Sandi Wright, Trina Powers, Beth Bartz

and March Lane. These teams will play Big Lake today [Thursday] with the first game beginning at 5:30 p.m. Support your junior high teams and their leaders. Attend the game.

Fred Campbell's Wool and Mohair Report

Wool prices were firm to strong in South Africa, New Zealand and Australia although coarser types in Australia showed some weakness. New auction seasons are getting under way in those countries as they are just now shearing their spring clips.

Reports indicate some sluggishness in sales of yarn in Japan, the U.S. and Europe, although combing companies are booked to capacity through the end of the year. It is believed that with the end of the vacation season new businesses into 1977 can be better evaluated.

In Texas there is little activity in the wool market due to the earliness in the fall season and the lack of offerings.

Scattered sales of lamb wools in the 70-75c occasionally up to 80c range are reported and fall wools generally 90-95c. Our warehouse sold a limited amount of eight months wool for 88 to 93c this past week. We also sold our accumulation of tags, about 30,000 pounds, for 47 5/8 cents by bid on Thursday. We will take bids on 12 months Blackface wools next week. Off-type wools are selling stronger as the supply of these types is more limited.

Long fine wools are in fairly good supply from Australia. However the severe drought in Australia, where these wools are grown, and good combing business has caused a slight firmness in the price of these types. Bids by U.S. companies remain the same as they have been since early in the spring. Most local buyers are using the same limits they had six months ago.

Mohair: It is estimated that 75-80 percent of the Texas mohair is now sold. The most recent sales are from Uvalde where a sale was held last Thursday. Of 253,000 pounds offered, 170,000 pounds were sold. Prices paid were: Fall adult - 3.05-3.17; Fall yearling - 3.45-3.76; Super graded yearling - 4.00; Fall kid - 4.52.

The South African mohair season started September 7. Based on prices paid in their auction, Texas mohair is selling very well. Due to limited supplies of mohair, a continued strong market is expected.

from HISTORY'S SCRAPBOOK

DATES AND EVENTS FROM YESTERYEARS

September 22, 1966
An apparent heart attack claimed the life of P.J. (Pink) Taylor September 16. Funeral services were held at First Methodist Church.

Spirited trading under the gavel of auctioneer Lem Jones brought the Downtown Lions Club a total of \$4,759.50 at the annual Lions Auction.

Neville's Department Store is expanding into its next door building, which will be used for their ladies' wear department.

Bronco Band majorettes for the 1966-67 school year are Shelley Morris, Janet Johnson, Linda McBride, Kaye Ellis, Elida Chavez and Sandra Adamson. Lilia Perez is the drum majorette.

Mr. and Mrs. Joe David Ross are the parents of a son, Joe William, born in San Angelo.

September 21, 1956
Mr. and Mrs. R.C. Vicars announced this week that they have sold the Sonora Drug Company to Glen Hay, effective October 1.

Fielding a remarkably well-balanced team for an early-season encounter, the Sonora Broncos tamed the Wink Wildcats Saturday by a score of 53-6.

Mr. and Mrs. Joe Nance announce the birth of a daughter, Melinda Denise, born September 13 in Hudspeth Hospital.

Lea Allison was named

chairman of the ASC Committee for 1956-57.

September 27, 1946
Funeral services were held Friday at the Methodist Church for Mrs. Martha Frances Logan, 93, a resident of Sutton County for almost half a century.

In a clean, hard-fought hour of football described by many fans as being one of the best games ever witnessed here--a game which saw two offensive minded teams batter each other for a total of 32 first downs and scores--the Eden Bulldogs were muzzled by the Sonora Broncos 25-13 Friday night at the local stadium.

Effective this week, C.T. Jones has acquired a half interest in the trucking business operated under the name of Jake Merck.

Mrs. Amey Wilson honored her daughter, LaVerne, on her twelfth birthday Monday.

63 Years Ago
As soon as the school house bonds are sold, the present board of trustees intend to make a park of the grounds, plant trees, fence the property, equip with water, and in other ways make the Sonora School the most attractive in the in the western part of the state.

Mrs. Joe Turner and daughter, Miss Bertha, visited in San Angelo this week where Miss Bertha was treated for her eyes.

Miss Mattie, daughter of Mr. and Mrs. R.H. Martin, has gone to San Angelo to attend the Covenant school.

Amor Whitehead left Saturday for Chicago where he will take a law course at the University.

From Your Chamber of Commerce

by Dee Nevill

All the rain we have enjoyed lately has confused the birds...seen Saturday was a cattle egret. The small, white bird, which resembles a miniature crane, probably lost its way while migrating with a flock. Robbie Morris, who has been a bird watcher for years, readily identified the egret that is normally found on the Texas coast and in swampy areas particularly in the Carolinas and other Southern states.

Women of St. John's will be holding a rummage sale September 17 and 18 from 9 to 5 at the Parish Hall. Much useful clothing apparel and miscellaneous household items will be offered. The women ask that contributors mark clothing as to size and articles may be brought any time this week to the Parish Hall.

Sheets of rain descended last Tuesday night just about the time most folks were dressing to attend the Chamber of Commerce banquet. Fifty hopeful souls came out despite the downpour and were treated to a great evening. Bill Harle performed notably as M.C., and our speaker was very humorous. A vote of thanks to all who helped make the banquet a success. Our president, Dr. Joe Andrews, and directors were helpful...Ron Cox set up

tables. Rosemary Mathews was in charge of decorations and John Tedford was responsible for food catering and all sold tickets. We thank Catherine Terry for providing piano music, graciously accepting our plea for help on such short notice. Ken Braden did a bang up job of getting Griffith as speaker and being responsible for his delivery and return to Dallas. Thanks folks!

Dr. Charles F. Browne and his wife, Maxine, were honored with a reception Sunday in appreciation of his thirty years service to our community. Last week was also the first anniversary of the arrival of Dr. David Owensby and his 'silent' though charming wife, Mary. They have also been a real asset to our town despite the ribbing Dr. Owensby took at the Chamber banquet from our speaker. However, Dr. Owensby was quick to reply that didn't concern him...he isn't the type M.D. that Griffith mentioned! Seriously, Happy Anniversary Browns and Owensbys...we'll be glad to have you around many more years.

Perry Brothers have leased space from Tommy Thorp in the new building which is presently just under construction on land owned by Thorp. It is located on US Hwy. 277

North and is adjacent to Dairy Mart and Country Fried Chicken and Fish. We are most pleased to report that Ethelda and L. E. (Coon) Holland will be returning to Sonora sometime after January 1. Ethelda will be employed in the new Perry store. She has been working the past ten years for the company in Coleman, however, both she and Coon are Sonora natives. Plans now are that the firm will open for business sometime during early January.

The annual hunting party will be coming up in the very near future. Discussion of initial plans for the big party were held Tuesday night.

ICA met Thursday night and decided to again sell a Herford bull to be donated by George Wallace. Several halves of beeves will be offered along with smoked turkeys, and a one-day Barbado hunt on the Dick Street ranch. Add these to all the other items donated as door prizes and this is an event you must attend.

Bank president Jack Neill is tired of his cooking...however we are pleased to report that Elizabeth, who had surgery in San Antonio, is doing fine and should be returning home Wednesday. Sam Crites is in ICU at a Bryan Hospital. He is the father of Mrs. Bob Granger who works for

Rucker Acme Tool. Rex Merriman is reported to be in an improved condition at a San Angelo hospital. Our prayers for the sick and their families.

We welcome Mrs. Leo Neal, mother of Mrs. George Wallace, to Sonora. She has moved into her new home on Hudspeth and comes here from Greenville.

It's true...the first liar doesn't have a chance. When we remarked about crowded living conditions in Sonora, an Ozonan told us...why, it's so crowded in Ozona folks are even living in pup tents'...being the first liar, we held it to mobile homes here!

July Bond Sales Told

July sales of Series E and H United States Savings Bonds in Sutton County were reported today by County Bond Chairman George H. Neill. Sales for the seven-month period totaled \$19,552 for 78 percent of the 1976 sales goal of \$25,000.00.

Texas sales during the month amounted to \$22,909,105, while sales for the first seven months of 1976 totaled \$162,475,938 with 60 percent of the yearly sales goal of \$272.4 million achieved.

How does an annuity work? How does it affect life insurance?

Annuities and life insurance have functions which are directly opposite. Life insurance protects the beneficiaries while the annuity provides income to the insured. Literally, an annuity means an amount payable at regular intervals. It is a guarantee between a life insurance company and an individual, using assigned rates and mortality tables, whereby the company agrees to pay a specified income to the annuitant. Effectively, there is an annuity built into every life insurance policy...with settlement options in which you may take the cash value of the policy at the time of retirement as an annuity...receiving a monthly income for life.

This ad is for people who didn't read the last ad about holding down their gas bills, and wish they had.

(Please, read it this time.)

We all have to face facts: the days of cheap energy are over. Gas bills have been going up. That's why we've been telling our customers how to hold their bills to a minimum.

A lot of people are already using gas more wisely. If you are one of them, read on just in case you've missed a tip or two.

If you are not one of them, this is the time to start. Here's how:

Get out of hot water. Hot water is one of the biggest and most expensive energy users in the home. A shorter, not-quite-so-hot shower helps save money. A dripping hot-water faucet is a bandit.

The same is true in the kitchen and laundry room. Wash only full loads in the dishwasher. Wash and dry only full loads of clothes. Don't overdry. It makes clothes harsh and stiff and wastes fuel.

Speaking of the kitchen, you can save gas by planning oven meals around dishes that can be cooked at the same temperature. When using top burners, tailor the flame to fit the pan.

Get your house in order. Make sure you have six inches of insulation in the attic. And check regularly to make sure it hasn't settled. Make sure your exterior walls are insulated. Check the weather stripping around doors and windows, and make sure they stay closed when the heating or air conditioning is on.

No single one of these tips will save you an immense amount of money, but each one helps a little. Add all those little savings up, and it could make a big difference.

GOOD PSYCHOLOGY

Industrial psychologists recommend that business people try to let those who work for them know they're always available for conferences.

Petro-etts News

The Petro-etts met at the home of Mrs. Jean Hughes August 31 with Mrs. Maxine Holt, presiding over the business meeting.

The club will host a coffee today, (Thursday) for all persons new in the area. The coffee will be at the home of Mrs. Suzie Maddux.

Bob Granger spoke to the group on the Sonora Youth Football League and the Petro-etts donated \$500 to the organization.

Members of the club will collect monies for the Cystic Fibrosis drive.

Girl Scout News

by Wanda Halford
Sonora Neighborhood Girl Scout leaders held their first meeting September 9 at the Scout House.

Working with Girl Scouts this year will be Jeanne Jackson and Elaine Donaldson, 1st grade; Susie Ramirez and Vickie Necessary, 1st and 2nd grade; Kathy Payne, 1st and 2nd; Jean Hughes, Alice Cox and Cissy Nevill, 3rd grade; Dee Dee Doran will have 4th grade; Shirley Ryan will work with 5th and 6th graders; Barbara French will have Cadettes and Wanda Halford is neighborhood chairman.

Some of the activities for the coming year will be Father-Daughter box supper, parent pot luck supper, Brownie Halloween party, field trips, improving the scout house and helping in the community on service projects.

Basic training in San Angelo on September 22 was attended by Jean Hughes, Kathy Payne, Susie Ramirez, Vickie Necessary and Wanda Halford.

Age level training will be held October 12 in Eldorado at the Memorial building. All leaders have been asked to attend.

Mrs. Sharon Willman, field advisor from Menard, met with leaders, and helped replenish notebooks. She also answered questions new leaders had to ask.

This year the El Camino Girl Scout Council will be selling cookies by taking orders and then delivering later. This is a new method for the council, but has been successful in other councils.

Troops will start meetings this week. If your girl hasn't been contacted, call Wanda Halford at 387-2147 so your daughter can be placed in a troop. We have some troops that can't take any more girls. If we need to we will start another troop. Last year we had 137 girl scouts registered.

All leaders were present at the neighborhood meeting.

Meetings are held the first Thursday of each month. The next meeting is October 7, 1976 at the Scout House.

ELECT Joe Mike Egan
District Attorney,
216th Judicial District

Joe Mike Egan

You often ask which political party I belong to. (I'm a Republican). While a plenty fair question in every way, this is not a question about **job performance**. The measure of a D.A.'s job performance is a blend of (1)his level of **competence as a lawyer**; and (2) how much of a **hard worker** he is. If elected, I will treat the office as a **full time job** and **give it my best**. Whether my best, as **measured above**, is the **best available to you** is a question you might want to direct some attention to.

After a little thought any one of us would see difficulties in getting elected on a **WRITE-IN** vote. For one thing, almost everyone has learned how to make an **X**. Simply from knowing that you have been able to **read** this far, however, makes it appear a safe bet that you **also know how to WRITE**. More seriously, and as you know, this **WRITE-IN** is asking extra effort of you.

A final word -- if you haven't already, **START DOING YOUR THINKING NOW**. Predicting the future from the past, the couple of weeks immediately before the election will be pretty well cluttered up with a media and signboard blitz from the different candidates. No matter how well-intentional, this creates risk of causing the unprepared voter to cast his lot November 2nd with the name he had heard most recently and often. With your thinking done and **YOUR MIND MADE UP REASONABLY IN ADVANCE*** all this can go sailing harmlessly over your head.

Kappa Gamma Meeting Held

Kappa Gamma Chapter of Epsilon Sigma Alpha met Monday night with twelve members present. Glenda Short, philanthropic committee chairman, presented ideas for several community wide projects.

The ways and means committee decided to host a hunter's ball November 19 at the 4-H Center. Tickets will be \$5 per person at the door. Proceeds from the dance will go to finance local and national charities.

A .270 Remington rifle model 700 will be given away that night. The rifle will be on display at Tedford's Jewelry. Tickets may be purchased there or from any ESA member. A Pot of Gold supper will be held Sunday at 7:30 p.m.

Mrs. Sandy Brooks and Mrs. Judy Miles were named hostesses for the October 4 business meeting.

Miss Quick To Wed Gene Thompson

The engagement of Miss Jeanette Quick and Gene Thompson has been announced by her parents, Mr. and Mrs. R.C. Quick of Sonora. Parents of the prospective bridegroom are Mr. and Mrs. Pete Thompson, also of Sonora. The wedding date has been set for October 2 in the First United Methodist Church of Sonora.

Schwertner, Campbell Engagement Announced

Mr. and Mrs. Elo Schwertner of San Angelo announce the engagement of their daughter, DeAnna Lynn, to Scott Campbell, also of San Angelo. A wedding date of November 30 has been chosen.

Miss Schwertner graduated from Lake View High School in 1973 and is presently a junior student at Angelo State University where she is majoring in distributive education and business. She is a member of Mamselles and co-editor of the college yearbook. During her high school years at Lake View she was Chiefette drill leader, class editor of the yearbook and voted most

friendly girl. She is presently employed as personnel secretary at San Angelo Standard Times.

Her fiance attended school in Paint Rock and is a 1972 graduate of Sonora High School. Now attending Angelo State University, he is majoring in journalism and has been a staff member of the Ram Page and Rambouillet Yearbook. He was on the yearbook staff at Sonora High School for two years, a member of the FFA and played two years of high school football.

Campbell is presently a photographer for the San Angelo Standard Times and was photographer for the Devil's River News during his high school years.

Band Booster's News

Band boosters to bring sandwiches for the 7th and

8th grade games against Big Lake are Mooney, Elliott, Hollmig, Barton, Mobley, Merrill, Earwood and Dominguez. Each of the named boosters are to bring two dozen sandwiches.

Two dozen cupcakes are to be brought by Carroll, Gomez, Mittel, L. Johnson and G. Wallace. Parents are asked to have their items in the concession stand by 5 p.m.

SEND THE KIDS TO MARKET

New labeling procedures on packaged foods, which list the nutrients of the product, make the task of providing a well balanced diet much easier; however, what is lacking is a better understanding of NUTRITION on the part of the purchasers.

Results from a study headed by Dr. Robert E. Shank (Prof. of Preventative Medicine at Washington U. in St. Louis) show that almost two thirds of housewives interviewed by his group, had scant knowledge of nutritive requirements. They bought and prepared food for their families simply on the basis of pleasing taste rather than meeting health needs. Curiously, their children, at least those attending school, knew more about Nutrition than the parents.

Since inadequate diets are contributory to a host of diseases, maybe one way to keep the family healthy is to let the kids do the shopping.

A complete line of dietary aids and nutritional supplements may be found at BRONCO PHARMACY, 116 N.W. Concho PHONE: 387-3534.

Broncos To Face Stiff Competition Friday

by Kay Holdridge
"The Mason team is by far the best team we've faced so far this year,"

said Bronco head coach Bill Bundy in reference to the Bronco's upcoming game with the Mason

Punchers. "We will have to improve as much between the Ballinger and Mason games as we did between the Coleman and Ballinger games in order to beat Mason," theorized Bundy.

Mason beat San Saba 36-6 in their second outing of the season after losing a close game to a strong Llano squad.

Bundy referred to Mason as the biggest, most powerful team we've faced as of yet this season. The line averages 190 pounds and the offensive line supports a 190 pound fullback plus several other talented runners.

Bundy analyzed that the game would be won at the line of scrimmage and victory or defeat would be in the hands of the Bronco

linemen.

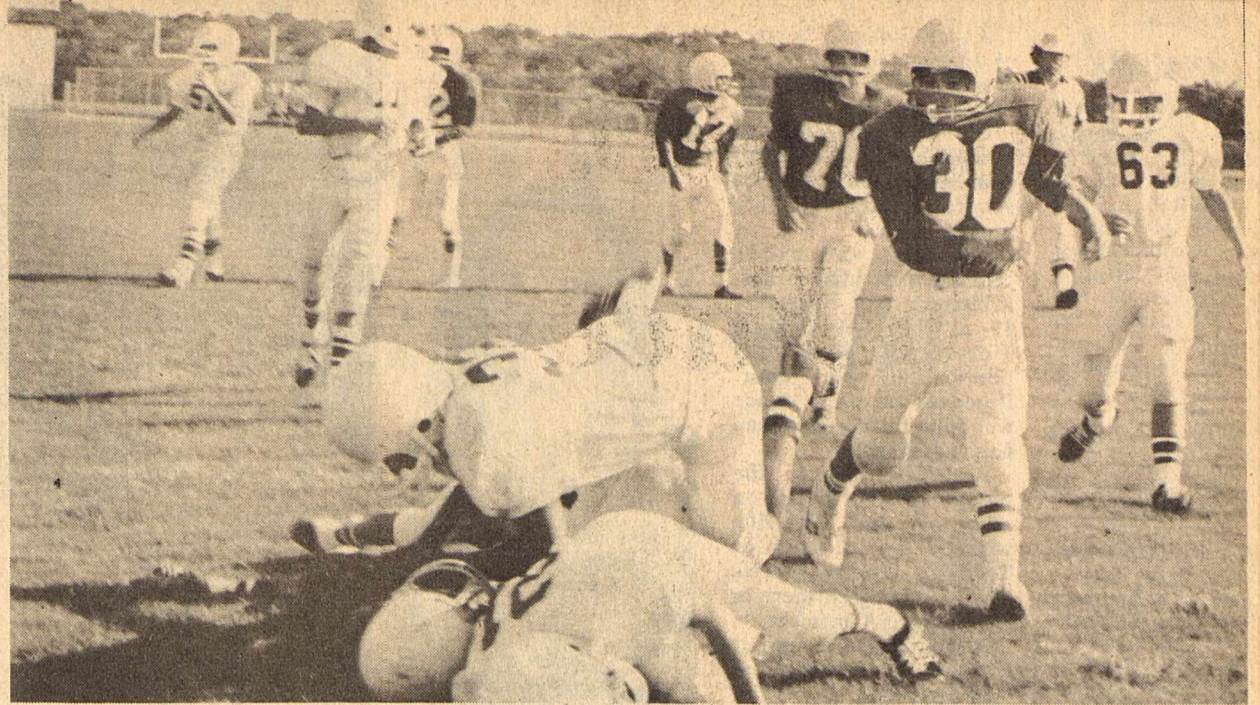

"What the Punchers lack in finesse they make up for in physical strength. We're in for a good ol' country football game," stated Bundy.

The game begins at 8 p.m., in Mason tomorrow evening.

In the game against Ballinger last week, Bundy cited play execution and offensive line control as the biggest improvements the Broncos have made. Jimmy Black, Bo Carroll and Larry Jones had outstanding blocking performances. "They are as good a set of blockers on one side of the line as I have had while I've been in Sonora," said Bundy.

Other outstanding players were John Elliott, Garry Jones, Johnny Creek, Tony Mathews, and Chip Savell.

Bundy stated that the Broncos still need to improve their tackling and blocking. He also said that the kicking game was strong and needed to remain so.

Seventh grade Colts were victorious to the tune of 16-6 over the Rankin seventh grade when they hosted that team last week at Bronco Stadium. The eighth

graders also won over the Rankin team by a score of 14-6. These two teams will host Big Lake here tonight [Thursday] at 5:30 p.m.

Police Reports

A calculator was reported by a student to have been stolen at the

high school. It was later returned following an investigation. The theft occurred September 7.

On September 8 at 1:35 a.m., an accident occurred at the intersection of West 2nd and Crockett when Dee Turman missed a turn and struck a post. The vehicle came to rest in the culvert.

At 11:35 a.m., September 9, Officer Jerry Kemp took a five year old burn victim to the hospital. The victim, Michael Edward Bentley of Dallas, was burned when he spilled a thermos of coffee on his chest, causing him second degree burns.

An unidentified person reported two suspicious characters at the local landfill on September 11. The two were junk dealers from San Angelo and local officers asked them to leave the area.

The desk clerk at a local motel notified police September 11 at 8 p.m., that a subject was there claiming to have been beaten and robbed. The incident occurred approximately 1 1/2 miles east of the city.

At 3 a.m., on that day, a Plum Street resident requested the assistance of an officer in regard to an intoxicated man at her home. Officers classified the matter as domestic and it was settled with no arrests.

CHILD FIND

Do you know of a handicapped child between the ages of 3-21—who is not in school?

Texas now provides a free public education for EVERY child.

CHILD FIND is looking for these handicapped children. They may be mentally retarded, learning disabled, emotionally disturbed, or health impaired.

And when we find them, they'll be given services fitting their own personal needs.

Teen Scene

by Lorie Olson

The Junior Varsity travels to Big Lake Thursday so be sure and support them for the first game of their season.

-SHS-

The library will be the setting for the second annual Book Fair to be held October 5, 6, and 7.

Miss Beauchamp is sponsoring the affair to raise money for new library books. By the way, if you have not seen the library lately, go by and peak in.

Miss Beauchamp has done a tremendous job making the library more comfortable and supplying new books for the students' enjoyment.

-SHS-

Congratulations to the Broncos for an overwhelming victory over the Ballinger Bearcats. This victory was a well deserved one, and obviously it couldn't have been any other way!

-SHS-

We have a delightful new addition to the cheerleaders...a mascot, Peggy Lynch. The object of having the mascot is to boost the Bronco spirit and it's working quite well from the reaction of the crowd. Peggy is attired as a Bronco in an all white long sleeve jump suit, gloves and tail.

-SHS-

The GAA's elected officers the previous year enabling them to get right down to business. Their president is Jane Wallace, and aiding her as vice-president is Peggy Lynch. Doris Hearn was voted secretary-treasurer. This organization is one of the most active in Sonora High. Its all girl membership works to support the cheerleaders and to send them to cheerleading school by selling programs at football games and by various other means. Mrs. Kordzik is the hard-working sponsor for these girls.

-SHS-

This year the Future Teachers of America (FTA) have started a voluntary teachers aid program for Elementary school. In this program, sponsored by Mrs. Wilson, club members will aid the Elementary teachers in grading papers, instructing students, and helping out with any other activities. The aids will receive a 3-unit credit for completing a full year as a teacher's aid.

-SHS-

Senior portraits were taken the 7th of September. High School pictures along with Senior cap and gown photographs were taken the 8th. This year the company decided on a new money saving policy. Students desiring the picture packets must have paid for them before having their pictures taken. This was done in order to cut down on the printing of unwanted pictures.

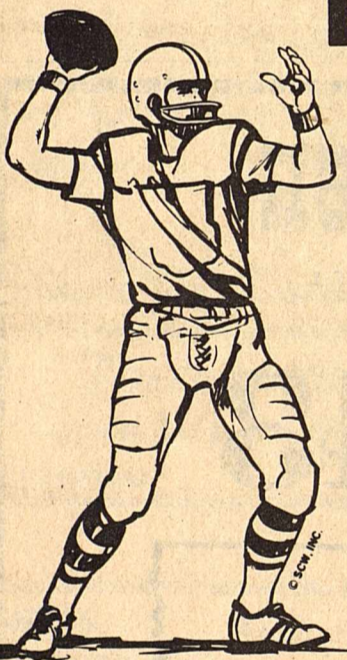

-SHS-

Class officers were elected the second week of school: Seniors--President, Tony Mathews; vice-president, Larry Jones; secretary, Debbie Crownover; and treasurer, Brenda Boyd.

Juniors -- President, Kelly Carta; vice-president, Brenda Bartz; and secretary-treasurer, Terri Simpler.

Sophomores -- President, Billy Bob Galbreath; vice-president, Pat Street; and secretary - treasurer, Carol Brandon.

Freshmen -- President, Nora Galindo; vice-president, Peter Gomez; and secretary-treasurer, Eddy Favila.

Broncos Travel To Mason Friday To Face a Tough Puncher Team

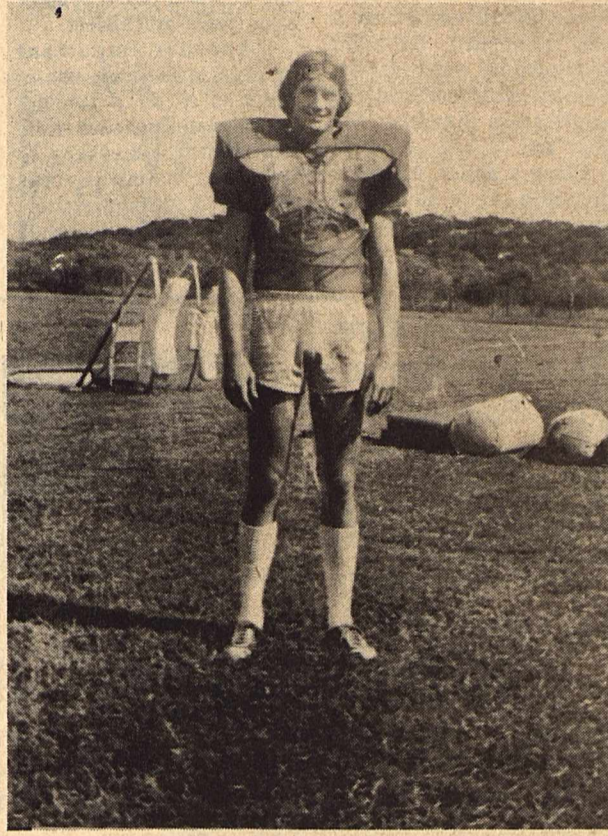

Donald Patton

Donald Patton is another coach of the varsity team and also assists with the track team. Donald came here along with head coach Bundy three years ago. His wife Marsha, teaches in Sonora Elementary and the couple has two children, Shanna and Amy.

Billy Bob Galbreath

Sophomore student Billy Bob Galbreath wears number 7 for the Broncos. He plays wingback on the offense and rover on the defense. Weighing in at 140 pounds, Billy Bob has proved in the past two games to be a great asset to the Bronco team. His parents are Margaret Galbreath and Mr. and Mrs. Don Lawson.

Clay B. Hicks

Number 72, Clay Hicks, is a senior Bronco this year and plays tackle on offense and end on defense. He weighs 170 pounds and in the game against Coleman intercepted a pass, scoring a TD for the local team. Clay is the son of Mr. and Mrs. Lin Hicks.

Mike Jones

Mike Jones, another sophomore for the Broncos, wears number 85 this year. He plays end on offense and linebacker on the defensive team. Mike weighs 171 pounds and is the son of Mr. and Mrs. Ray Jones.

Wise Water Use Keeps

With hot summer weather at hand, the home gardener needs to check his watering methods to keep the water bill down. "First, check the methods of application," advises Everett Janne, landscape horticulturist for the Texas Agricultural Extension Service. "There is no need to apply water any faster than the soil will soak it up. Sandy type soils will usually take water almost as fast as it can be applied, but tight soils take up water slowly. Select the method of application that best fits your soil." Using a mulch wherever possible also saves on water usage, says the horticulturist. A good

mulch conserves moisture, prevents compaction, keeps soil temperature lower and reduces the weed population. Since organic mulches tend to decompose or sometimes wash away, they should be checked frequently and replaced where necessary. While night-time watering increases the chance for plant diseases, it does allow for more efficient use of water since evaporation rates are lowest. "Another important practice in the wise use of water is to do a thorough job of watering each time it becomes necessary to irrigate," emphasizes Janne. "A through watering at 7-to-10-day intervals encourages deep root

The Water Bill Down

penetration and full use of available soil moisture. Just because plants wilt during the heat of the day doesn't mean the soil is dry. Test the soil's

moisture content with a soil probe or stake to moisture stress, especially during hot, windy weather. Just use this precious resource as efficiently as

possible, reminds Janne. determine if the soil is dry rather than depending on the appearance of plants." Regardless of the size of the water bill, don't stop watering completely as plants can die due to

Public Notice

Southwestern Bell, in accordance with the rules of the Public Utility Commission of Texas, hereby gives notice of the company's intent to implement a new schedule of telephone rates in Texas effective October 7, 1976.

It is expected that the requested rate schedule will furnish an 18 percent increase in the company's intrastate gross revenues.

A complete copy of the new rate schedule is on file with the Public Utility Commission at Austin, Texas, and with each affected municipality, and is available for inspection in each of the company's public business offices in Texas.

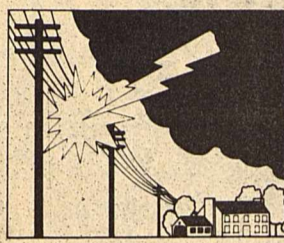

Southwestern Bell

How dare we offer you five years protection of your GOULDS submersible pump against

LIGHTNING?

Because Goulds submersible pumps are equipped with Franklin Electric Super-Stainless motors — the only kind that have built-in lightning protection! The SubSurance Protection Plan is available with a new Goulds submersible from us — to protect your pump for five years against the common enemies of long pump life... corrosion, internal abrasion and even lightning. Goulds submersibles are built for long life — we can back it up with SubSurance.

SYMBOL OF NOBILITY

The bald eagle, a noble bird, emblem of America. And yet it was not the choice of Benjamin Franklin, one of our wisest patriots.

To emphasize the differences between the world's first democracy and the warlike, aristocratic powers of Europe, Franklin chose the docile turkey, so common to America—instead of a bird of prey—to symbolize the United States.

But the eagle, long a sign of courage, freedom and power, caught the fancy of Franklin's fellow patriots gathered at Philadelphia in 1787.

To them "noble" meant more than hereditary rank. Noble also meant "an exalted moral character, admirable in conception, stately"—all qualities epitomizing the democratic experiment called the United States.

And to this day the United States strives to retain that noble character symbolized by its emblem, embodied by its spiritual heritage.

AVISO PUBLICO

RESUMEN DE LAS ENMIENDAS PROPUESTAS A LA CONSTITUCION ELECION GENERAL DEL 2 DE NOVIEMBRE DE 1976

NUMERO UNO EN LA BOLETA (S.J.R. 49)
Revocando Secciones 49-d and 49-d-1 del Artículo III de la Constitución de Tejas, S.J.R. 49 enmienda Sección 49-c del Artículo III de la Constitución de Tejas para disponer y autorizar \$400 millones adicionales de bonos para el desarrollo de agua en Tejas que se puede emitir a la aprobación de dos terceras partes de los miembros de cada cámara de la Legislatura para tales fines de desarrollo del agua que la Legislatura pueda prescribir.
La enmienda contiene prohibición específica contra el uso de fondos del estado para el desarrollo de recursos acuáticos del Rio Mississippi y también requiere que antes de que pueda encargarse de cualquier proyecto particular para el desarrollo de agua que requiere un gasto de mas de \$35 millones de producto de los bonos, debe de ser aprobado por resolución de la Legislatura.

boleta es lo siguiente: "La enmienda constitucional autorizando un incremento de \$400 millones de la cantidad de Bonos del Desarrollo de Agua en Tejas que podrán emitirse al ser aprobada por dos terceras partes de la legislatura; enmendando y consolidando disposiciones de Secciones 49-c, 49-d, y 49-d-1 del Artículo III de la Constitución de Tejas; y revocando Secciones 49-d y 49-d-1 del Artículo III de la Constitución de Tejas."

NUMERO DOS EN LA BOLETA (H.J.R. 99)
H.J.R. 99 propone una enmienda a la Constitución de Tejas para aumentar de \$100 millones hasta \$200 millones la cantidad principal agregada de bonos para el desarrollo de agua en Tejas que se puede emitir y que están en circulación por el Texas Water Development Board para proveer donaciones y préstamos para la mejoría de la calidad de agua como establecido por la Legislatura. La fraseología de la enmienda propuesta como aparecerá en la boleta es lo siguiente: "Una enmienda constitucional para incrementar desde \$100 millones hasta \$200 millones la cantidad de Bonos de Desarrollo de Agua en Tejas que podrán ser emitidos con el propósito de mejorar la calidad del agua."

La fraseología de la enmienda propuesta como aparecerá en la boleta es lo siguiente: "Una enmienda constitucional para incrementar desde \$100 millones hasta \$200 millones la cantidad de Bonos de Desarrollo de Agua en Tejas que podrán ser emitidos con el propósito de mejorar la calidad del agua."

PUBLIC NOTICE

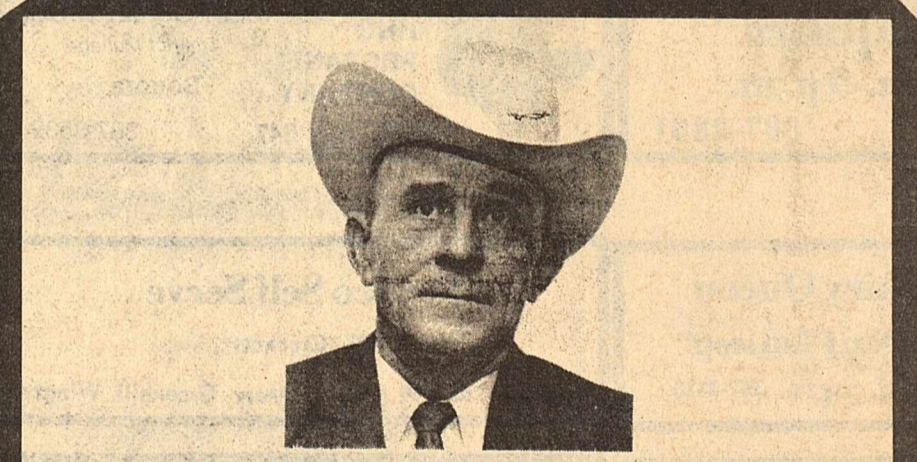

SUMMARY OF PROPOSED CONSTITUTIONAL AMENDMENTS GENERAL ELECTION NOV. 2, 1976

NUMBER ONE ON THE BALLOT (S.J.R. 49)
Repealing Sections 49-d and 49-d-1 of Article III of the Texas Constitution, S.J.R. 49 amends Section 49-c of Article III of the Texas Constitution to provide for and authorize an additional \$400 million in Texas water development bonds that may be issued on approval of two-thirds of the members of each house of the Legislature for such water development purposes as the Legislature may prescribe.
The amendment contains a specific prohibition against the use of state funds for the development of water resources from the Mississippi River and also requires that before any single water development project may be undertaken requiring the expenditure of more than \$35 million in bond proceeds, it must be approved by resolution of the Legislature.
The amendment removes the constitutional requirement that certain revenues must be used to retire water development and water quality enhancement bonds and removes the constitutional interest rate limit on such bonds.
The wording of the proposed amendment as it will appear on the ballot is as follows:

"The constitutional amendment authorizing an increase of \$400 million in the amount of Texas Water Development Bonds that may be issued on approval of two-thirds of the legislature; amending and consolidating provisions of Sections 49-c, 49-d and 49-d-1 of Article III of the Texas Constitution; and repealing Sections 49-d and 49-d-1 of the Texas Constitution."

NUMBER TWO ON THE BALLOT (H.J.R. 99)
H.J.R. 99 proposes an amendment to the Texas Constitution to increase from \$100 million to \$200 million the aggregate principle amount of Texas water development bonds which may be issued and outstanding by the Texas Water Development Board to provide grants and loans for water quality enhancement purposes as established by the Legislature.
The wording of the proposed amendment as it will appear on the ballot is as follows:
"A constitutional amendment to increase from \$100 million to \$200 million the amount of Texas Water Development Bonds that may be issued for water quality enhancement purposes."

"The wording of the proposed amendment as it will appear on the ballot is as follows:
"A constitutional amendment to increase from \$100 million to \$200 million the amount of Texas Water Development Bonds that may be issued for water quality enhancement purposes."

Due to my own earnest desire and the urging of a host of friends, I have decided to publicly announce my intention to be a write-in candidate for the office of Sheriff, Tax Assessor/Collector of Sutton County in the November 2nd General Election.

My decision on a write-in campaign came about after finding that many of the voters of Sutton County had been misinformed on the possibilities of some of the radical changes proposed and uninformed on the probabilities should these changes be attempted.

If elected to the office, I promise continued, around the clock service to the people with a three (3) man Sheriff's Department, including myself.

Your vote and support will be appreciated.

On Sunday members of the Lillian M. Hudspeth Hospital and Nursing Home Auxiliaries were hosts to a reception honoring Dr. and Mrs. Charles F. Browne for thirty years of service to the community.

Dr. Browne and his wife Maxine came to Sonora in September of 1946 to begin what has become thirty years of hard work and undying devotion to Sonorans as well as those from surrounding communities.

That thirty years ago the Brownes met with several local citizens who were trying to interest another doctor to locate here and work with the late Dr. J.F. Howell.

Our Dr. Browne was born in Missouri, but the family lived in various towns and states as his father was engaged in the building industry. A grad-

uate of Clayton New Mexico High School, Dr. Browne graduated from Texas Tech University and attended the University of Texas Medical School at Galveston where he completed work for a medical degree.

During World War II he served for five years in the medical corps and was commanding officer of the American's portable surgical hospital in Formosa. He was later sent to India and Burma in command of convoys that went over the Burma Road.

His wife, formerly Maxine Reeder, first met him as a patient. He worked in a building next to a laboratory where she was employed.

The Brownes are parents of three children, Mrs. Brenda Browne Sutton, of Rocksprings, Charles F. Browne, Jr., of San Angelo, and Paul of Lubbock.

FINKLEAS PLEDGE SORORITIES

Marsha and Larry Finklea both pledged sororities at the University of Texas where they are freshmen students. Marsha pledged to Phi Beta Phi and Larry to Phi Gamma Delta. Parents of the two Sonora High School graduates are Mr. and Mrs. Lawrence Finklea.

from the Gift World of Gorham

Colorful, Realistic, Porcelain Birds...

Delicately poised birds, perfectly recreated in fine porcelain, are designed to grace your home or present as a thoughtful gift. All of these porcelain birds are musical with nostalgic strains of a favorite melody. These marvelous bird sculptures are treasures enjoyed by both giver and receiver. See our complete selection soon.
