Susan Dunnam, Preston Love 4-H Gold Star Award Winners

The Annual Sutton County 4-H Achievement Party and 4-H Ball was held at the Sutton County 4-H Center Monday with 4-H members, leaders and friends of 4-H honored for their outstanding contributions to the Sutton County 4-H program during the past year.

Winners of the Gold Star Awards, which are presented to the outstanding 4-H girl and the outstanding 4-H boy in each county by the Texas Agricultural Extension Service, were Susan Dunnam, 17 year old daughter of Mr. and Mrs. Dennis Dunnam, and Preston Love, Jr., 15 year old son of Mr. and Mrs. Preston O. Love, Sr.

Susan has been a member of the Sutton County 4-H Club for the past eight years and has compiled an outstanding record in the market lamb feeding program. She has exhibited four champions in the market lamb show and exhibited the high gaining market lamb in 1976. She has excelled in showmanship and has encouraged younger 4-H members to participate in the 4-H market lamb feeding program.

Susan is a member of the National Honor Society and has been active in girls sports. She is assistant pianist at the First Baptist Church.

Preston Love, Jr. has been a member of the Sutton County 4-H Club for three years and is vice-president of the club. He has participated in market lamb feeding, the 4-H rifle program, wool, mohair and livestock judging.

Preston's outstanding honors include being a member of the third place State 4-H wool and mohair judging team and the second place wool judging team in the National 4-H wool judging contest where he was the third high individual.

He attended the State 4-H Congress in Austin and the District 4-H Leadership Camp at Leakey.

Preston is a junior leader in wool, mohair, and livestock judging and is active in sports in school.

Susan Schwiening, 17 year old daughter of Mr. and Mrs. Corky Schwiening was the winner of the 1976 "Fred T. Earwood Memorial Trophy". This award is presented by an anonymous donor to a senior 4-H member who has an outstanding 4-H record and who has encouraged other boys and girls to participate in the Sutton County 4-H program. Susan has been a 4-H member for eight years and is president of the Sutton County 4-H Club. She is a member of the County and District 4-H Council and is a junior leader for range, grass, wool and mohair judging.

Susan has been a member of five state champion judging teams and was a member of the 1975 national champion 4-H wool judging team. She was the second high individual in the national

4-H wool judging contest and the high individual in the state 4-H range judging contest. Her projects have included breeding sheep, Angora goats, Market lambs, foods and clothing. She has won many honors at local and major shows.

Tammy Van Hoozer, 14 year old daughter of Mr. and Mrs. Calvin Van Hoozer, received the 1976 "Billy Gillit Memorial Award" which is presented to the outstanding junior member of the Sutton County 4-H Club each year. The purpose of this award is to encourage junior boys and girls to participate in 4-H work. Tammy has been a member of the 4-H Club for six years. She has participated in food, clothing and market lamb projects. Her activities have included wool, mohair, grass, range and livestock judging.

Outstanding honors include being the high individual in the district 13 grass judging contest, being a member of the junior state champion range judging team, exhibiting two first place lambs in the market lamb show, winning the showmanship trophy in the 1976 livestock show, winning first in the county dress revue and the county food show.

Mrs. Rex Anne Friess, secretary of the Sutton County 4-H Leaders Assn., was presented a spur pin by the Sutton County 4-H Club for being the outstanding woman 4-H leader in Sutton County for 1976. Ms. Friess has been a member of the leaders association for five years and has served on the executive committee, the foods committee, the recreation committee and other special committees. She has also furnished transportation for 4-H members to many area and district 4-H events and has assisted in grading papers at these events.

Mr. Joe Bill Averitt, Range Conservationist with the Soil Conservation Service and a member of the Sutton County 4-H Leaders Assn. for the past two years, was presented a 4-H spur clip for being the outstanding man 4-H leader for 1976. He has served as a leader for range and grass judging, rifle and photography. Teams that he has assisted in coaching have won the junior state range judging contest; the district grass judging contest and many other area range and grass judging events. Joe Bill has supervised 4-H members on many judging trips, has completed a

photography leaders training course at the State 4-H Center and has represented the county 4-H Leaders Association at the District Leaders Association meeting.

The Sonora Research Station was presented a plaque for being the outstanding contributor to 4-H work in Sutton County for 1976. Beginning in 1949 the station has furnished breeding sheep and Angora goats for judging practice for Sutton County 4-H members. They have also hosted the district 4-H range judging contest and their personnel have helped set up many other 4-H range and grass judging contests. Many of the top placing lambs at the annual Sutton County 4-H Livestock Show each year are bred by the Sonora Research Station. The 4-H Club has also been able to raise several thousand dollars for the 4-H fund over the years by serving the barbecues at the various field days held at the Station.

Pam Powers and John David Cook were presented special awards for being the 1976-77 "4-H Sweetheart and 4-H Beau" and honored at the 4-H Ball following the achievement party. The music for the 4-H Ball was furnished by the "Country Corporation Band" from Robert Lee.

Mr. Turney Friess, president of the 4-H Leaders Association, recognized 4-H members and their leaders for completing 267 4-H projects and activities during the 1975-76 year.

Other 4-H Awards included:

Achievement Awards: Julie Harris, Clay Friess, Bret Johnson and Mark Van Hoozer.

Tommy "Hoss Fly" Atchison of Stanton will provide amusement at the Sonora AJRA and Open Junior Rodeo to be held October 15, 16, and 17 at the Sonora Park Arena. 8 p.m., performances will be held both Friday and Saturday nights with a 2 p.m., performance scheduled for Sunday afternoon.

More Rain!

Slow, drenching rains began falling over Sonora and Sutton County during the early morning hours Monday, placing the county under flash flood warnings until 9:30 p.m.

Less than three inches of recorded rains fell Monday, but on top of the near 12 inches that fell during September, runoff caused the Dry Devil's River to run bank full by late Monday. The low water crossing on Lowrey Draw at Water Street was also off limits to passing motorists.

Despite repeated warnings issued by the San Angelo Weather Bureau, no actual flood damage was reported.

Services Held Tuesday For Rex R. Merriman

Funeral services were held Tuesday at 3:30 p.m., for Rex Russell Merriman, a lifetime resident of Sonora. Services were held in the Church of the Good Shepherd with burial in Sonora Cemetery.

Mr. Merriman died Sunday night in Shannon Hospital of San Angelo after a long illness.

Born June 5, 1922, he married Doris McCausland March 15, 1947 in Sonora. He owned and operated a service station in Sonora for many years before his retirement. He was a veteran of World War II, serving in the Air Force during that time.

He is survived by his wife, Doris; and two sisters, Mrs. Wanda Burrow of Midland and Mrs. Louis Voigt of San

Antonio. Serving as pallbearers were Larry Hill of Del Rio, Harold Saunders of Kerrville, Dr. C.F. Browne, Earl Johnson, Clayton Hamilton and Sam Dunn.

City Hears Request For Grant Funding

Mrs. Elvira Hoquin, Mrs. Hershel Davenport and Mrs. Bobby Kinard met with City of Sonora Aldermen Monday representing the Sutton Senior Center in the application for Community Development Block Grant funds should the grant be approved.

Mrs. Holquin, who is the senior advisory council representative of our area, says that the 1970 census showed a total of 510 persons living in our community who are over 60 years of age. These persons are in need of a referral center, according to Mrs. Holquin, instead of the one time a week meeting that is presently held in the homemaking department of the old Elliott School building.

Council agreed that if the grant is approved for the city, some of the funding should be used in the manner applied for by Mrs. Holquin.

J.T. Simpler also ap-

peared before the council with a request for local drainage correction adjacent to the J&V Mobile Home Park.

Council approved the opening of a street near Thorp's Laundry that will be access to a warehouse to be used by Raymond Morgan for a distributorship. The street is to be named by the council at a later date.

Also approved by the council was uniforms for city employees. These uniforms will be provided at the city's expense to outside employees only.

Universal Tank and Iron Works' bid of \$106,700.00 was accepted by the council for a city water storage tank.

4.35 acres of land owned by Bob Nevill, along with a portion of the North Frontage of IH 10, was annexed into the city limits at Nevill's request.

Appearing before the council was A.W. Saunders who told council

members that a leak in a sewage drain on property leased by him had caused contamination to his man-made lake, killing all his fish. Council members agreed to Saunders' proposal that he be paid \$100 for damages.

Two sewer farm sites were discussed by the council. One of the sites is located on the Rip Ward property and the other on property belonging to Bill Shurley. No action was taken on either proposal until Aldermen could look into both proposals more closely.

Some discussion was held regarding group insurance plans and Nevill was asked to look into other avenues of insurance for employees.

Attending the meeting were Mayor Norman Rouselot; Aldermen Hershel Davenport, Doyle Morgan, Lemuel Lopez and James Trainer; city secretary, Pat Robbins, and Nevill.

Boosters Giving Away Rifle

The Bronco Booster Club will be giving away a Savage Model 99, 308 Rifle at the Sonora/Crane game November 5.

There will also be a football, autographed by the Broncos, given away at the Sonora/Kermit game October 29.

Purchasers of a ticket are eligible for both prizes. Tickets may be purchased from any Booster Club member or at the games for \$1.

NOTICE

The Bronco Band Boosters will hold a meeting Wednesday, October 13 at the band hall at 8 p.m. Parents of band students are urged to attend this very important meeting.

County Commissioners Meeting

County Extension Agents serving this area of Texas covered by District 13 of the Texas Agricultural Extension Service visited the Texas A&M University Agricultural Research and Extension Center in Uvalde recently for an predator management.

Fred Campbell's Wool and Mohair Report

The prices paid for Australian wool this week were up slightly as compared to last week's sales. At auction last week 98,000 bales, amounting to approximately 30 million pounds, were sold. This week slightly less was offered.

The overall market trend continues its slow upward

move with the prices paid the highest since September 1974.

Very little activity is noted in the United States. Mills continue to operate at maximum capacity, although distant orders are not coming as briskly as during the past few weeks. Plant capacity is booked to mid-1977, however.

Remaining domestic wools are in very low supply with only about 10 percent of the 1976 clip unsold. Most of this supply is in only about six warehouses in the U.S. with ours being one of them.

The big news this week has been the sales at Del Rio. Both warehouses offered a total of 900,000 pounds of fall and lamb wools. Prices paid were in the following ranges:

Fall Wool-Point free, .95-1.02; Fall Wool-Not paint free, .88-.93; Lamb Wool, .83-.86.

MOHAIR

The mohair market is generally unsettled at this time. The drop in price at the past South African sale on September 21 was followed by a sudden halt of buying in Texas. The economic crisis being faced in England as evidenced by the drop in the value of the British Pound to a record low has brought about uncertainty as to the future of the mohair market. There seems no doubt that we have seen the high prices of the season. Many of the buyers have been taken out of the market with their companies developing a wait and see attitude.

The next sale in Port Elizabeth is Tuesday, October 5. It is generally believed that trading on some basis will be re-established in Texas following that sale.

Toxic Plant and Materials Meeting Scheduled Oct. 11

Dr. John Reagor, toxicologist with the Texas Diagnostic Laboratory at College Station will be the featured speaker at a Toxic plant and materials meeting which will be held at the Sutton County 4-H Center at 2 p.m., Monday, October 11. He will discuss the services available at the diagnostic laboratories and the diagnosis of toxic plants and materials most commonly encountered in the Edwards Plateau.

Dr. John Fields, Sonora veterinarian, will give an introduction to the toxic plants and materials that have caused problems in this area.

A toxic plant herbarium will be displayed and discussed by Dr. Bob Ragsdale and George Sultemeier, Extension Range Specialist.

Management techniques to minimize toxic plant problems will be discussed by Dr. Robert Steger, Extension Range Specialist and Dr. Leo B. Merrill, Sonora Research Station, will moderate a panel discussion of all program participants.

Bob Caruthers, Edwards Plateau S&WCD Director

and Extension Range Committee member, will serve as Master of Ceremonies.

Coffee drinking will start at 1:45 p.m., at the 4-H Center and the program will begin promptly at 2 p.m.

All ranchers, oil company representatives and other interested people are invited to attend.

CF Drive Reported

Mrs. Maxine Holt, chairperson for the Cystic Fibrosis drive in the county, reported that approximately \$750 has been collected to date.

Mrs. Holt extends her appreciation to the Petrotts who worked to make the drive a success, and to the many townspeople who made donations.

Shelter Dedicated

Dedication of the new Troop Shelter at Girl Scout Camp Dixie Allison near Fort McKavett preceded the regular Board of Directors meeting September 25th. Construction of the building and work at the camp have continued throughout the summer.

First Class Scouts recognized at the dedication ceremony included eleven members of the Menard Troop 83.

Richard Callahan of Del Rio, Council Camping Chairman, presented a plaque to be hung in the recently completed Shelter reading "Dedicated to the use of Girl Scouts."

Arch Black of San Angelo, Council president, recognized the efforts of interested citizens in providing a camping site and improving it for the use of Girl Scout troops. Recognized were the Sam Allison family of Sonora who donated the property, Ray Rabun of the Menard Lumber Company who built the shelter, and Mrs. U.E. Rogers and Mrs. Sam Hinkle of Menard who have given their support and time to the project.

CONSERVE AND SAVE ON ELECTRIC COOKING

★ For best results, use flat bottom utensils with tight fitting covers. Utensils of medium or heavy weight aluminum conduct heat faster, transfer heat evenly and respond quickly to temperature changes.

★ Match the utensil to the size of the unit. Use 8 inch units for large utensils. Use 6 inch units for small to average sized pans.

★ Use high setting for a quick start for any surface cooking, or to boil water quickly. When cooking temperature is reached, switch to a lower setting.

★ Do not pre-heat the oven for roasting or broiling, but do pre-heat the oven to the temperature given in the recipe for baking.

ESA Holds Monthly Social

The Kappa Gamma Chapter 8 Epsilon Sigma Alpha International met September 19 for a monthly social, this month being a covered dish supper entitled "A Pot Of Gold". The meeting was held at the fellowship hall of the Hope Lutheran Church.

Attending were Messrs. and Mmes. Bob French, Billy Martin, Jim Miles, John Reppond, John Young, and Ms. Carol Mitchell and Ms. Kay Story.

Representing the organization at the March of Dimes training seminar in Dallas this week are president Linda Young and educational director Pam

Martin. The month old local chapter of ESA, an international service sorority anticipates that their participation in the March of Dimes campaign will be the beginning of a long and lasting involvement in the community and the world.

The international philanthropic project is of aid to the handicapped, mainly St. Jude's Hospital. The local chapter is encouraged to support its own benevolent, charitable, or civic enterprises.

UP TO DATE WITH THE CADETTES
By Tonya Ridgway

On the week of September 29 the Cadettes of Troop 79 met at the Scout Hut. On this day we elected officers for the troop. The officers whom were elected were Lisa Jackson as refreshment Chairman, Shonna Marsh as patrol Leader, Debbie Parrish as treasury and 2nd delegate, and Donna Marsh as 1st delegate.

Alternates for 1st and 2nd delegates were Sandy Peterson and Tonya Ridgway, and also Tonya Ridgway as secretary and reporter.

Refreshments this week were furnished by Shonna and Donna Marsh. In the near future the Cadettes will be having a carwash at the Shell Station. This will be held on October 9. We are also planning a Bake Sale for October 16. This is to help raise money for a trip to Six-Flags on October 23.

GOOD PSYCHOLOGY

Among the greatest things parents can give their children, most psychologists agree, are themselves. They recommend parents be available to their children whenever they're needed.

...Brady Suffers 21-14 Defeat Broncos Stand 5-0 For Season

By Don Holdridge
Had some all-knowing spirit descended on Sonora before the beginning of the 1976 grid campaign and told the citizens the Broncos would still be undefeated halfway thru the season, most would have probably laughed—except for one. That one, of course, was Bronco head coach Bill Bundy. Bundy, who describes himself as an eternal optimist, said, "I honestly felt these boys had the potential to be a good football team—I really believed they would be 5-0."

And undefeated they are, but not before quarterback Ira Rout and the Brady Bulldogs gave the locals their biggest scare of the season, 21-14. Although the Bulldogs did manage a slight edge statistically, three scoring aeri-als from the quarter-back John Elliott and a staunch Bronco defense that forced fumbles inside their own 10-yard line, kept the Brady scoring machine in check. The Broncos, after forc-

ing Brady to punt, started their first drive on their own yard line.

Scampers by Johnny Creek, Garry Jones and Zeke Gamez moved the ball into Bulldog territory at the 44. Then, with the game still three minutes young, Elliott connected with split end Gregg Parker behind the Brady secondary for the first Bronco tally. John David Cook's PAT sailed between the goalposts for a 7-0 lead.

Mike Jones' booming kickoff was downed in the end zone, and Brady was forced to start from their own 20. A 24-yard keeper by Rout covered most of the ground to midfield

where the defensive unit stiffened, forcing Brady to punt.

The Bronco offense floundered the next three plays, but Elliott's 43-yard punt was bobbled and Dan Lawson recovered on the Brady 44. Eight plays later Elliott found Creek on a play-action pass, and the junior fullback rumbled into the end zone. Cook's boot split the uprights for a 14-0 margin, and the Broncos appeared to have another breather.

Brady was undaunted by the Bronco score, however. Again having to start on their own 20 following Jones' kick, they charged quickly downfield, chewing up large chunks of the gridiron every play. The

Bulldogs moved all the way to the Bronco 18 before being forced back and giving up the ball on downs on the 25.

The Central Texas defenders hit Manuel Lopez as he was trying to pull in Elliott's lateral and the errant pigskin tumbled back to the 19-yard line before Brady recovered.

Phillip Peterson jitter-bugged through the Bronco defenders for an 11-yard gain and Rout rambled the remaining distance to the goal line. Roddie Grubbs' PAT kick wobbled but still cut the visitor's deficit to seven points.

The Bronco offense lost ground after Garry Jones' 37-yard kickoff return and again were forced to punt.

The Bulldogs drove on the Red-and-White defense, but were stymied on the five-yard line when Clay Hicks recovered Chris Jones' fumble.

The hosts took only nine plays to cover 71 yards on their second possession of the second half with Elliott hitting Craig Parker for the last 34 yards. Cook's successful PAT gave the Broncos a slightly more comfortable 21-7 edge.

The Bulldogs came right back with Peterson's 10-yard sprint capping a seven-play, 69-yard drive. Grubbs' kick was true and the Bronco lead was again cut to seven.

Aided by a roughing the kicker penalty, Brady put on a time-consuming 12-play drive in the fourth period that carried to the Bronco five-yard stripe. The Bronco defenders stripped Jones of the ball behind the line of scrimmage and Scott Brasher recovered on the eight.

The Broncos were only able to move 16 yards, but Elliott's 48-yard punt appeared to have the locals out of jeopardy until Danny Barrera squirted through several would-be tacklers, leaving Brady only 56 yards from paydirt.

With slightly over a minute left on the clock, most teams would have posed little threat to score, but Brady's speed advantage over Sonora gave them the opportunity to score from anywhere on the field. A burst by Jones garnered ten yards and another Brady first down. Peterson picked up three more yards before Larry Jones batted down Rout's pass on the next play.

Peterson was stopped for a yard loss, and facing fourth down and eight yards to go, Routt dropped back to go for broke. A strong rush routed the Brady signal caller and

Sonora Elementary News

Something new and exciting has been added to kindergarten this year. For the first time kindergarten is being included in the physical education program. Every morning at 9:20 and 9:40 two of the kindergarten classes are taught P.E. by Miss Hamilton and Mr. Russell. We are experiencing many new things - one of which is "cooking". Some of us have finger painted with instant pudding, some of us have popped corn, some have made "Miss Muffet's Delight," a dip that we ate on crackers. In the near future we are expecting to make our own tortillas.

During October we plan to complete our "Myself Books" and make our own jack-o-lanterns. We also plan to learn the safe and happy way to celebrate Halloween.

Some of us have watched tadpoles turn into frogs and what happens to cocoons.

Our new playground has been a great delight to each of us and we want to thank those responsible for getting the equipment and setting it.

If you looked in on the first grade children and their teachers you would find them busy with the yearly Reading Readiness Program. This phase of the program helps the children review known facts and also prepares them for a good beginning in the reading program.

Children pass through several stages in becoming an efficient reader. The first stage is that of increased interest in the printed word and what it means. From this stage the child will progress in his reading skills to a point of increased independent reading, this is our goal. However, it is recognized that not all children progress at a uniform rate in acquiring readiness for reading, or in learning to read.

Some children require guidance for a much longer period than others in various phases of reading. For this reason, the first graders are participating in a reading program which has been designed to meet their particular needs.

Second grade students began the school year with a study unit on ranching. They worked hard writing stories, drawing pictures, viewing films, and, on Friday, September 24, culminated their activities with a field trip to the Friess ranch 16 miles south of Sonora. By 9:00 a.m. Friday, 108 children had boarded two school buses driven by Harold Miller, elementary principal, and Bill Fort, curriculum director and were on their way to the country. They were accompanied by two parents, Mrs. Woodall and Mrs. Faircloth whose help was appreciated.

Upon arrival at the ranch the children were greeted by Joe Friess who demonstrated for everyone the use of dogs in working sheep. The children were then divided into two groups.

Group one was headed by Turney Friess who demonstrated the correct way to load and fire a muzzle-loading rifle. Mr. Friess then took the group to a windmill where he explained how it worked and why it was important to ranchers.

Group two was led by

Joe Friess who demonstrated for the children the use of a cutting chute, the proper way to saddle and shoe a horse, and the "art" of branding cattle. Harold Friess then showed the children the proper way to shear a goat.

For lunch the children congregated in the Friess yard for sandwiches, with drinks provided by Mrs. Harold Friess.

The second grade teachers feel that the trip was a great success and wish to thank everyone who helped make it so. Over-all feelings concerning the trip might be summed up by one secondgrader, who excitedly exclaimed, "I loved everything, especially, when Mr. Friess shaved the goat".

Kappa Gamma Meets

Kappa Gamma, chapter of Sigma Alpha, met Monday night at the Presbyterian Church with eleven members present. A very interesting educational program was presented by Pat Francis of the National Foundation of the March of Dimes.

Linda Young presided over the business discussion. Hostesses were Judy Miles, Kay Story and Gay Brooks.

Future activities were discussed. There is to be a "Golden Oldies" sock hop October 23 in the home of Mr. and Mrs. Dennis Hughes. Also in November there is to be a rifle given away. The rifle will be given away November 19 at the "Deer Hunter's Ball" - Theme: Silver and Gold for Charity. A band, "The Country Classics", has been engaged for this dance and tickets will be on sale at the door.

J. V. Racks Up 36 Points To Win Over Ozona Lions

The Sonora Bronco J.V. racked up their third win of the season Thursday night in the Bronco Stadium as they blasted past the Ozona J.V. - 36-6.

The Broncos put 29 points on the scoreboard in the half to completely dominate the Lions, offensively and defensively.

The Broncos struck quickly in the game as Ozona fumbled on their first play from scrimmage and the Broncos recovered on the Lion 33 yard line.

On the second play, tailback Jimmy Waters bolted into the end zone from 30 yards out with only 43 seconds gone in the first quarter. QB R.B. Alexander passed to wingback Eddie Favila for a two point conversion and the Broncos had a 8-0

lead.

On the second offensive series for the Broncos, the Broncos mounted a five play, 65 yard march to notch the second Bronco TD. Waters scored again from seven yards out with 4:42 left in the first quarter and John Bautista added the PAT to increase the Bronco lead to 15-0.

On the last play of the first quarter, the Lions intercepted a Bronco Aerial on the Bronco 45 yard line. A stiff Bronco defense held and forced the Lions to punt from the Bronco 41 yard line. Waters spotted a wall of Bronco blockers on the right sideline and raced 85 yards for the third Bronco TD. Bautista coolly booted the PAT and the Broncos found themselves with a 22-0 lead.

Midway thru the second quarter, the Broncos fell on a Lion fumble on their 35 yard line. Five plays later, tailback Cody Savell romped in for the final five yards to notch the fourth Bronco TD of the first half. Reliable Bautista booted his third PAT of the game and the Broncos left the field at halftime leading 29-0.

The Broncos took the second half kickoff and took seven plays to march 50 yards for another Bronco TD. Fullback Joey Kirby found a huge hole in the right side of his offensive line and scooted 27 yards to paydirt, with 6:38 left in the third quarter. Bautista completed the Sonora scoring for the night as he booted the PAT and the scoreboard showed Sonora on top 36-0.

With 8:55 left in the

game, the Lions held the Broncos on their 17 yard line. After moving the ball to the Lion 28 yard line, QB Shane Fenton spotted end Joe Robelos on a hook pattern and Robelos shook off two Bronco defenders and galloped 72 yards to put the Lions on the scoreboard. The PAT try was not good.

Late in the game, the Lions drove to the Bronco three yard line but a tough Sonora defense did not yield any more yardage and the Lions were unable to score, as the game ended with Sonora on top, 36-6.

The Bronco J.V. will travel to Kerrville this Thursday, October 7 to battle the Kerrville High School J.V. at 7 p.m.

Vikings Head Youth Football League Play

The Youth Football League saw action Saturday morning at Bronco Stadium with the Vikings defeating the Raiders 20-14 and the Cowboys victorious over the Chiefs 14-8.

Midway thru the season the Vikings stand 3-0 for the season, followed by the Cowboys who are 2-1; the Raiders, 1-2, and the Chiefs, 0-3.

All fans are reminded that beginning this week, these teams will play at 4:30 p.m., on Mondays.

On Monday, October 11, the Raiders will meet the Chiefs followed by the Cowboy/Viking game.

Broncos Taking on Another Challenge

By Don Holdridge

The Sonora Broncos will take another challenge to their unblemished record Friday night as they travel south to Burnet for an 8 p.m. contest.

According to coach Bill Bundy, the lake country unit should provide stiff competition for the Broncos.

"They are bigger than Brady," Bundy said "and they have a tremendous fullback."

"He is being recruited by several major colleges," Bundy continued. "He's a real blue chip!"

Burnet has defeated two AA teams, and tied another with their only loss coming because of an apparent case of overconfidence against an inferior squad.

Bundy, although obviously pleased about the win in the thriller against Brady, was not happy with the team's play last Friday. "We had too many mistakes on offense and defense—our execution just wasn't there," Bundy said.

"We were physically prepared for the game," he continued. They didn't show us anything we didn't expect and they did give up the big play in the secondary."

He went on, "Maybe we have been reading the papers too much. We were

mentally flat and that is our (the coaches) fault."

The Bronco mentor cited mental concentration as the biggest problem in the game.

"When you play someone so much bigger and faster, everyone has to do their job on every play or you get burned, and we got burned several times," Bundy said.

Bundy singled out Larry Jones, Gregg Parker and Zeke Gamez as having outstanding games.

"Nearly everyone played well in places, but those three played well consistently throughout the game."

At the beginning of the season the Broncos were buried in the bottom 30 of the Class AA's 217 teams in the Harris Poll. Sonora has now moved up into the top 30 and are the top ranked team in District 7-AA.

The rankings may change after Ozona's 25-0 upset of Seagraves, but Bundy feels the poll rating puts no extra pressure on the Red and White.

"I think we take a lot of pride in the fact that we have moved up so much," Bundy said, "as long as we remember that we're the ones out on the field playing and not the people taking the polls."

7th Grade Colts Edge Ozona 7th Graders 8-0

The seventh grade Colts were able to push over for a touchdown in the third quarter to beat the Ozona Cubs by an 8-0 margin.

Fumbles and hard defensive play by both teams all through the first half kept either team from scoring. Both teams were forced to punt after their first three tries at a first down, despite good runs by Ozona's Tambunga and Sonora's Scott Savell.

With 1:55 to go in the third quarter Sonora managed to score the only touchdown of the ballgame. Ponciano Castillo made a 40 yard run to the Ozona 18 and Savell took the pigskin to the six yard line, sweeping around left end for the touchdown. Castillo converted the two point PAT and Sonora led 8-0.

Savell saved an apparent Ozona touchdown with a crunching tackle on

Ozona's Tambunga. Later, in the same drive, Savell intercepted a stray Cub pass to end Ozona's hope of scoring.

Defensive standouts for the Colts were Savell, Ervey Sepeda, and Joe David Favila.

Both Sonora teams will be in action against Rankin tonight at Red Devil Stadium.

Dee's Notes

by Dee Nevill

Tuesday, October 12 is the date of the Sonora Woman's Club bake sale. Nothing will be sold before 11 a.m. A noon sandwich sale will be available for only \$1.50, including tea or coffee. Proceeds from the sale are to be used for club library expenses.

Congratulations to Gene Thompson and Jeanette Quick who were married Saturday at the First United Methodist Church. Twin Oaks Motel has a powerful new sign, about 4800-hundred candle-power, we hear! It is very attractive -- should really light up West Sonora.

Sonora Park Rodeo committee is sponsoring an AJRA and open Junior Rodeo on October 15, 16, and 17 at the Sonora Park Arena. Performance times will be 8 p.m. on Friday and Saturday, and 2 p.m. on Sunday. Age groups eight and under up to 19 will be participating. Entry blanks are available until October 7 from Mrs. Louis Powers. All proceeds go to the Community Park, and dances are planned for both Friday and Saturday nights. Should be a lot of fun for the young folks.

Calls are coming our way in regards to the annual hunting party, which is to be held Tuesday, November 16 at 6 p.m. at the 4-H Center. The huge event is sponsored by Edwards Plateau Game and Wildlife Association, Downtown Lions, Sonora Chamber of Commerce and Sonora Jaycees. Bill Stewart, overall chairman, is already doing a lot of 'leg work'. Bill is a great organizer and promoter of the hunting party -- the menu sounds exciting -- plus the fabulous door prizes. A letter will be mailed to all landowners about November 1 with details.

Our merchants begin the annual Christmas promotion of local sales November 1 by issuing tickets for each \$1 of merchandise purchased or a \$1-ticket for cash paid on account. It is expected that those merchants who participated last year will do so this year, and drawings will be held first three Saturdays in December, with the fourth drawing Christmas Eve.

The Eddie Smiths have purchased the home of Ganelle Anderson, and will be moving into their new home in the near future.

Enrollment in the schools continues to rise. Over 1200 students are now in attendance, with 297 of those enrolled in Junior High. The largest increase has come in the Elementary school. Several parents have expressed a desire to encourage our elementary school personnel to open a library. Good reading habits are developed early, and this seems to us to be an important project for the administration to consider.

We express sincere sympathy to the family of Rex Merriman, who died Sunday night in a San Angelo hospital. Next week we will be vacationing in colorful Colorado--therefore, there will not be an issue of the Telegram October 12 (unless someone calls in some news, the October 19 issue might be mighty slim!) The Chamber office will be open next week in the mornings.

Here and There--Maxine and Dave Locklin have been visiting in Gallup, New Mexico, waiting for that grandchild, who made her appearance Monday night. Shirley Elizabeth Ellington weighs 7 pounds, 4 ounces. Violet and Pat Lyles of Jacksonville, were here for the funeral of her nephew, Rex. It was nice to have Mrs. J.F. Howell home from the hospital. Her daughter, Mrs. Jack Allen, has been here for several days but will be returning home soon. Mrs. Jake Merck remains in Shannon Hospital--our prayers for those who are ill.

A sprinkler system out at Community Park site was watering grass seeds

Saturday that were planted for a picnic area, baseball diamond and other recreation spots. Monday's big rains really watered everything! Park work continues and every week improvement is noted. Also out the park way, Eddins Walcher has leased additional land, which has been cleared for tank storage facilities.

Need Exercise? Might join the woman's volleyball players at the old gymnasium on Monday nights at 7:30. Admission is 50c.

For what it's worth..Despite jets, missiles and such, they still haven't invented anything that goes faster than a two-week vacation! See you October 19!

4-H Helps

Youth Grow

4-H, the informal educational program for youth administered by the Texas Agricultural Extension Service of the Texas A&M University System, provides opportunities for the youth to grow physically, mentally and spiritually, points out County Extension agent Clint Langford. That's why the 1976 theme of National 4-H Week October 3-9 is "4-H--Room to Grow."

This theme is appropriate because it focuses on how 4-H programs help youth achieve self-fulfillment. 4-H emphasizes the development of "real life" skills: learning "How to learn" for today and for a lifetime; using one's knowledge to improve the quality of life for self and for others; relating to social, technological, environmental and economic change; and growing thru the pursuit and achievement of self-imposed goals.

These skills are desperately needed in a society that increasingly must cope with problems of apathy, unemployment, crime, deterioration of the family as a social unit, and crises in health and morals. Today's youth need to be involved in meaningful activities that will affect their lives and society for the better, and 4-H can play a key part in this effort, contends Langford.

Through the 4-H program, young people can develop the practical skills and citizenship-leadership abilities that contribute to personal growth and to concern for family, community, nation and world. National 4-H Week is designed to salute all 4-H members, their parents, volunteer leaders, businesses and others who make 4-H a viable, contemporary youth program.

Reports On Public Welfare Fraud

In an effort to provide maximum benefits for qualifying Texas residents in need, the Texas Department of Public Welfare utilizes a fraud investigation unit to eliminate those individuals who are not eligible for state aid.

During a three-month period of October thru December in 1975, the State DPW fraud unit assisted with 80 dispositions totaling \$30,108.70 for offices which are now under the supervision of Region 4, according to figures released by the State Department of Public Welfare.

The dispositions included criminal cases only and involved food stamp and AFDC fraud.

Of the 80 dispositions, 23 cases were actually prosecuted and 23 received convictions. Of the \$30,108.70 in fraud reported, 91.3 percent or \$27,503.18 will eventually be paid back to the government.

Bob Krueger's Weekly Report

ENGLAND LOOKS TO THE UNITED STATES

It seems both ironic and appropriate that this year, exactly 200 years after the colonies declared their independence from England, Great Britain is looking to the United States for leadership and guidance, both in the world community and in their own land. Over the past two hundred years, our relations with England have remained surprisingly stable, amiable and strong. We have found that their experiences have paralleled our in many

ways, so that while we may look to them to see how they have dealt with their past problems, it is also possible for them to look to the United States, the leader of the Western industrial world, for ways to combat the new challenges that they face.

This past week I had the privilege of meeting with England's new Minister for Education and Science, Shirley Williams, to discuss various issues our countries. Also present at the meeting were Congressman Brademas of Indiana, chairman of the Select Committee on Education, Donald Fraser, chairman of the International Organizations Subcommittee of the Foreign Relations Committee, and

House Minority Leader John Rhodes. At that meeting our advice was solicited on a variety of issues, particularly those dealing with education and economic matters. Before assuming her post as Minister for Education and Science, Ms. Williams was the Minister for Incomes Policy and Consumer Protection, so she is understandably interested in the United States economic policy. Last year England experienced inflation far worse than we have known; it at one time reached about 27 1/2%, but has now dropped to a rate of about 12% per year.

One of the most interesting points made by the Minister during her meeting with us was that

the powerful labor movement appears to have moderated its demands somewhat in light of the delicate economic situation in Great Britain. There seems to be a common

desire to maintain a sense of unity in the country which will supersede any economic, ideological, or political battles that may occur. It appears that in England as elsewhere in

the world over the past decade, there has been an absence of strong leadership, resulting in confusion on the part of the citizenry.

EGAN IS EASIER WRITE-IN EGAN

FOR DISTRICT ATTORNEY 216th JUDICIAL DISTRICT

Maybe a write-in really is as hard as they say. It's hard to see why. There couldn't be more than two things to watch out for -- (1) What to write and (2) Where to write it.

Looking first at the WHAT, all that matters is that the election judges be able to tell which candidate you wanted to vote for. Votes for Joe M. Egan, Mike Egan, J.M. Egan, or just plain EGAN, for example, would all do the job. * EGAN IS EASIER.

Turning now to the WHERE, it must appear from your ballot the office for which your vote was cast. I am a candidate for D.A. of the 216th district. My opponents are Brown and Tuck. Write EGAN in the WRITE-IN space exactly in the line with Brown and Tuck.

By the way, the safest way is to make a note of my name and where it goes on the ballot beforehand -- then take your note into the polls November 2nd and copy it.

Thank you,
JOE MIKE EGAN

*Variations in the manner of writing in the candidate's given names or initials, or a misspelling of either a given name or the surname, will not prevent the ballot from being counted as a vote for a write-in candidate where it is evident that the voter intended to vote for that individual. For example, if John E. Smyth is an announced write-in candidate for an office and there is no other candidate for that office with a similar name, write-in votes cast for John Smith, J.E. Smith, J. Smith, John Smyth, J. Smyth, or Even Smith, Smyth, or Smythe without any initial or given name, will be counted for the candidate.

(From the handbook for Election Judges and Clerks, January, 1976, issued by Mark White, Secretary of State.)

8th Graders Victorious Over Ozona's 8th Grade

The eighth grade Colts fumbled seven times losing three to the Ozona Cubs to thwart first half scoring drives. Ronald Berkley fumbled the opening kickoff on the 44 yard line and Ozona had their first break of the ball game, but were unable to score.

On Sonora's second possession, Steven Chandler fumbled the ball away and again Ozona recovered on their own 20 yard line. A stiff Colt defense led by Robert Ponsetti and Cades Pope forced the visitors to punt.

Fumbles and penalties forced the ball to change sides five times during the second quarter and the score at halftime was 0-0.

After forcing Ozona to punt after their first possession, Sonora put together a scoring drive. Berkley ran the punt back to the 25 yard line of the Cubs. Chandler kept the drive alive with an eight yard scamper on fourth down and seven to go.

Aided by a five yard penalty, Sonora had a first and eight on the Ozona nine yard line. Chandler sped around right end for the lone touchdown of the game.

A David Creek to Johnny Doan pass added the two point conversion. The score was 8-0 with 3:30 to go in the third quarter.

The fourth quarter was a defensive battle. Ozona threatened to score but the Colt defense held on a fourth down and two yards to go. As the gun sounded, Sonora was on Ozona's five yard line, but

the Colts didn't need the score to win and were victorious.

Defensive standouts for the Colts were Pope, Ponsetti, Wesley Barton, and Tommy Burch.

Band Booster's News

There will be no in-town games this week, therefore no parents will be called on to work in the concession stand or supply foods. However, there will be a meeting of the Bronco Band Boosters Wednesday, October 13, at the band hall. All parents who have band students are encouraged to attend.

SS Representative Sets Oct. Visit

Garland Gregg, social security representative for the San Angelo Social Security office, has scheduled his October visit to Sonora. He will be at the County Courthouse on Thursday, October 21 from 9 a.m. to 11 a.m. Anyone who wants to file a claim for benefits, get information, or transact other business with the Social Security Administration may contact him at this time.

Each school should initiate a communitywide program to educate the public on principles of good sportsmanship and should encourage good sportsmanship at all times. Booster clubs, service clubs, or other special groups should be urged to solicit the cooperation of spectators.

Newspapers, radio, and television stations can do much to help promote the sportsmanlike conduct of fans and spectators.

Fans should be made familiar with regulations that prohibit the use of alcoholic beverages at high school athletic contests.

Spectators and fans should be informed that the team or school may be punished by the Interscholastic League for offensive behavior of those attending the games.

Victory lines, other than those formed by uniformed drill teams or bands or cheerleaders, should be prohibited.

No one should be allowed inside the fence other than school groups, photographers, and approved handicapped persons.

On October 29, the Future Homemakers of America had an encounter meeting. It was held in the cafeteria at 7 p.m. About 80 FHA members attended the meeting. They were from Eldorado, Big Lake, Big Springs and Sonora.

Special guests were Denise Crenwelge, area secretary, and her sponsor, Mrs. Virginia Martin, both from Big Spring. Ms. Crenwelge explained about encounter and what people in FHA do. Everyone brought their own supper. After the meeting punch and cookies were served.

Speech and Drama Club officers include: president, Bo Carroll; vice-president, Toyah Jones; secretary,

Suzanne Dillard; treasurer, Nancy Mooney; Publicity director, Debbie Crowover; and box office manager, Jane Wallace.

Tryouts for Interview by Jean-Claude vanTallie were held last week. The play is from vanTallie's "American Hurrah". It will run 35 to 40 minutes and be performed in the basement of the Methodist Church at the Halloween Carnival. This play is a social comedy to be enjoyed by all ages.

Presented by the Speech Club, the cast will include: Brenda Boyd, Robert Mounce, Toyah Jones, Bo Carroll, Paula Monroe, John Morman, Peggy Lynch and Stephen Terry.

Each character is as important as the next one, which is called ensemble casting, also a new type of theatre will be called Theatre-in-the-round in which the audience will sit on all sides of the actors to bring the two closer together. Directing the play is Lynne Vaucil; assistant director, Suzanne Dillard; stage manager, Tony Adkins; light coordinator, Gary Wuest; sound coordinator, Jimmy Waters; costume and property coordinator, Pattie Merrill; and the stage crew is the cast and the entire speech club.

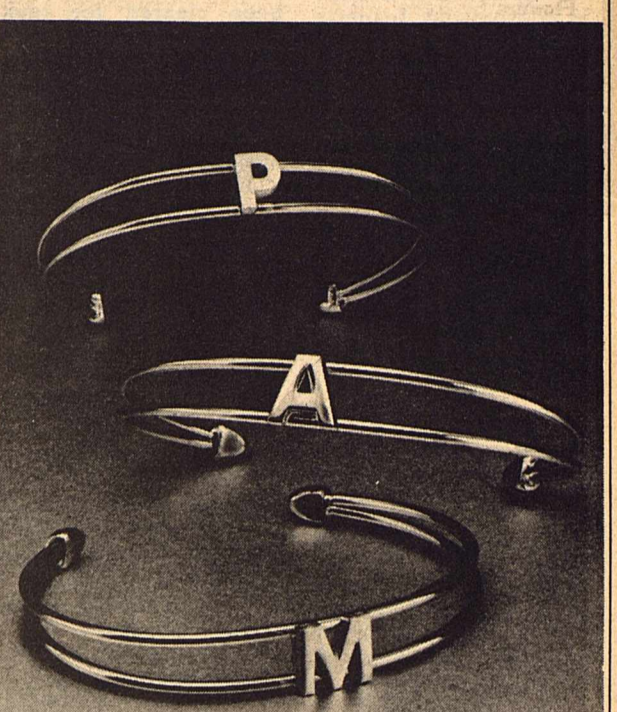

Mrs. Lynne Vaucil, the drama-speech director, attended the Texas Speech Communications Association convention September 30-October 3 in Austin.

Membership of this association is 355. They meet to share current trends and experiences by attending different sessions on various areas of speech and drama.

Ideally, men should be brothers. But it doesn't always work that way. Race, language and sometimes even a difference in ideas can be a barrier.

Throughout the world, there is a force that unites man. Always the Church has proclaimed the dignity of each person, as well as the true meaning of togetherness.

We especially need that unity today. On Worldwide Communion Sunday, go to church and pray for tolerance, for understanding. Join with the millions who will be praying, even as you are.

These are the things that make for peace.

Ronald Sutton Seeks 216th Judgeship

Ronald L. Sutton, Democratic candidate for District Judge of the 216th District Court has an excellent record of public service. He has served his community in many capacities from civic endeavors to elected positions of public trust. In each instance he has demonstrated an ability of leadership and integrity. The people of his home county have given him their endorsement and support in four elections where he sought to serve the public.

He is a graduate of Baylor University and was an honor law student at St. Mary's University where he received a Doctor of Jurisprudence degree Magna Cum Laude. He is highly qualified in legal research and writing and has served as a briefing attorney for the Supreme Court of Texas.

He is licensed to practice law before the Supreme Court of Texas, United States District Courts for the Western, Southern, Northern and Eastern districts of Texas and the U.S. Court of Appeals 5th Circuit. Sutton is a member of the Texas Bar Association, Hill Country Bar Association, Texas District and County Attorneys Association and the Texas Trial Lawyers Association.

He and his wife, the former Judy Mahler, are parents of two children, Robert and Randi, and live at 318 S. 14th Street in Junction.
