Enrollment Still Climbing

The Sonora Public Schools' enrollment has climbed to 1201, which represents an increase of 44 over the enrollment at the end of school last year.

Thirty-seven new students were enrolled in the elementary grades and six in junior high during the first two days of this week. School officials anticipate that additional children will enroll after Labor Day.

The enrollment in the elementary grades is Kindergarten, 94; 1st grade,

98; 2nd grade, 119; 3rd grade, 116; 4th grade, 91; and 5th grade, 98.

Junior high enrollment is 6th grade, 99; 7th grade, 88; and 8th grade, 101.

Enrollment for high school is 9th grade, 90; 10th grade, 86; 11th grade, 67; and 12th grade, 54.

Opening day enrollments totaled 1132 with 560 in elementary school, 279 in junior high, and 293 in high school.

Rolland Storey Named Banquet Speaker

Rolland Storey of Houston, has been selected as introductory speaker for the Chamber of Commerce Banquet that will be held October 12 at 7:30 p.m. at the 4-H Center.

Keynote speaker for the banquet will be Governor Dolph Briscoe.

Storey is known as the "Father of the Gas Grill", and has been the recipient of many honors, including twice being elected president of the Sales and Marketing Association of Houston, which named him "Marketing Man of the Year" three times.

He has served as president of the five state Southwest Sales and Marketing Council; president of the Blue Flame Council, motivational and promo-

tional organization for Houston's gas industry; president of his Rotary Club to which he has been a member for 25 years; and he has been chairman of numbers of committees of the American and Southern Gas Associations.

In mid April of this year, Mr. Storey was presented the coveted George Washington Award from the Freedom's Foundation at Valley Forge, "for the most outstanding individual contribution supporting human dignity and the American Creed".

Presently, Storey heads Motivational Speaker Services, and is president of the free Market Education Foundation dedicated to the cause of Freedom in the market place.

\$900,000 School Bond To Be Voted On

The polls will open at 7 a.m. Thursday morning and voters in the county will begin to make a definite decision on the \$900,000 bond election to build a new junior high school building.

Election will be held at the courthouse and polls

will close at 7 p.m. All registered voters in the county are eligible to vote.

School officials have estimated the cost of the new junior high building will be \$1,306,000 but cash reserves will reduce the amount to \$900,000.

The bond election will

not raise property taxes but will be paid with tax dollars collected over a period of seven years. School board trustees have voted to reduce taxes per \$100 valuation for the past three years. In last week's school board meeting taxes were reduced from

the present \$1.31 to \$1.29 per \$100 valuation.

Enrollment in Sonora Schools is still growing, and it is evident that more facilities are needed, but whether you are for or against this bond election, go to the polls and voice your opinion.

Local Sorority To Man Jerry Lewis Hot line

The Kappa Gamma Chapter of Epsilon Sigma Alpha will be answering the phones for persons wishing to make contributions to the Jerry Lewis Labor Day Telethon for Muscular Dystrophy.

Phone numbers to call are 387-3881 and 387-3882. The phones will be monitored from 8:30 p.m. Sunday to 5:30 p.m. Monday, at the San

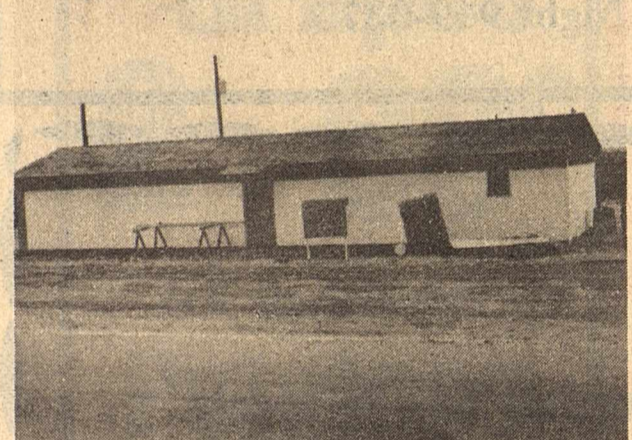

Angelo Savings Association Office in Sonora.

A Fish Bowl will be available for those persons wishing to make contributions in person.

There will be a contest for the children to enter. The child that collects the most money by going door-to-door will receive a prize.

For more information, contact Pam Martin at 387-3542.

Bible Welders Constructing New Office

Bible Welders is constructing a new office on the frontage road west of Sonora according to Danny Crowder. Also under construction is a trailer park for eight to ten company mobile homes for employees. The office will measure 16' by 70'; and construction is expected to be completed within 30 days.

SHS Elects Officers

Organizational meetings for the four high school classes were held last Friday. The following officers were elected by each class to serve during the 1977-78 school year.

Senior class: president, Ross Roberts; vice-president, Lucy Morriss; secretary, Brenda Bartz; and treasurer, Doris Hearn.

Junior class: president, Pat Street; vice-president,

Denise Neal; secretary, Carol Brandon; and treasurer, Karen Crownover.

Sophomore class: president, Kent Cagle; vice-president, Jamie Condra; and secretary-treasurer, Linda Smith.

Freshman class: president, Johnny Doan; vice-president, Cody Gold; and secretary-treasurer, Stacy Chandler.

Mrs. Rubio Buried In Monahans

Funeral services for Mrs. Marie Rubio were held last week in Monahans with burial in Monahans Cemetery.

Mrs. Rubio died September 23.

She is survived by eight children including Mrs. Ed (Elva) Martinez of Sonora.

Sept. 20 Date For Lions Auction

It is time once again to get your bids ready, folks. The annual Lion's Club auction has been set for September 20 at the 4-H Center.

The famous Mystery Package, bought last year by Haynie Davis, will be up for grabs again to the highest bidder, along with many other valuable items.

This auction provides revenue that will be used

to support many needed community activities such as the livestock show, wool show, 4-H activities, Boy Scouts, Girl Scouts, Fireman's school, hospital projects, Little League, Eye Bank, speech meet, and Concho Valley Home for Girls.

Last year, the Lion's Club spent at least \$8,518.26 on projects just like the above mentioned.

L. Finklea On UT Honor Roll

The University of Texas named 1,027 students to the 1977 spring semester honor roll in the College of Business Administration.

To qualify for this honor roll, a student must have carried 12 or more semester hours of graded

work, passing all courses, and have compiled at least six hours of above a B average in all courses taken.

Among those students was Larry Finklea of Sonora, son of Mr. and Mrs. Lawrence Finklea.

School, Zoning Commission Agree On Variance Issue

A request for variance in set-backs for the vocational building by the Sonora ISD was denied when the City Planning and Zoning Commission met August 15.

The request was to allow the building to be set closer to the property line than the required 25 feet on the corner of Prospect and 2nd streets.

Dr. Joe R. Andrews, Sonora ISD superintendent, submitted plans to the Zoning Commission, which called for the building to be 13 feet off Prospect and 11 feet off

Second St.

After discussing possible ways to move the building, and possible use of one-way streets, Commission member Mike Sipes asked Dr. Andrews why the building was not designed with the size lot

in mind.

Dr. Andrews said that after a telephone call to the city manager's office, new set-back requirements were allegedly given to the architect.

Bob Nevill said that the school property was bounded on both streets, and as a result, Section 8-7 page 15, of the Zoning Ordinance would require set-backs to be 25 feet from the property line.

In a called meeting on August 17, the City Planning and Zoning Commission and the Sonora ISD worked out a compromise agreement.

Dr. Andrews had talked to the City Council for a short time and presented the school situation. He proposed to the Council that the vocational building be located 25 feet off E. 2nd and 18 feet off Prospect; any more than

this would cause the school to ask for a variance of 5 feet in rear because of the lack of a 5 foot set-back to the next addressing property.

The City Council discussed that proposition and felt that it was an equitable solution to all parties involved. The Council requested Bob Nevill to call the members of the Planning and Zoning Commission and get their opinions on the compromise agreement.

Celeste Prugel asked Dr. Andrews if he planned to have trees or scrubs at the corner of 2nd and Prospect, between the curb and the building. Dr. Andrews replied that probably something would be planted, but it would be of a low nature that would add to the beauty.

In further discussion, Dr. Andrews told the Commission that in checking with his architect, the building would actually be 19.4 feet off Prospect.

This request was granted unanimously.

Boy Scouts of Sonora's Troop 19 had an opportunity to practice cooking without utensils Monday night. Green bar members gave a knife and axe safety demonstration. Boys and parents are reminded that the meeting night has been changed to Tuesdays at 6:30 p.m. Interested boys are asked to contact the Rev. Jim Miles or Don Glass. Pictured left to right are Whit Paxton, Myron Halford, Don Glass, Joe Will Ross, Jody Luttrell, Darren Halford, Michael Glass and Louis Humphreys.

4-H Meeting Scheduled

The Sutton County 4-H Executive and Advisory Committee meeting will be held September 6, at 7 p.m. at the 4-H Center.

This meeting is for 4-H Leaders Association officers, 4-H Club officers, and other designated members of the committee.

Park Sets Benefit Dance

A benefit dance for the Park Association will be held Saturday from 9 p.m. to 1 a.m. at the pavilion on the park grounds.

Lots of good country and western music will be supplied by the King Peach Band of Ft. Worth.

Gate admission will be \$8 per couple, and \$4 for a single. Proceeds will go to the park.

Services Held Saturday For G. Cavaness

Funeral services were held Saturday for Glen Cavaness, 71, of Junction, father of Sonoran Milton Cavaness.

Mr. Cavaness died August 25 in Sid Peterson Memorial Hospital in Kerrville. Burial was in Junction Cemetery.

He was born October 24, 1905 in Menard County and had lived in Junction 38 years. He was a retired mail carrier and a member of the Baptist Church.

Others surviving him are two sons, Dale Cavaness of Eldorado and Mickey Cavaness of Junction; one daughter, Mrs. Marie Robinson of Farmersville; one brother, Baze Cavaness of Mason; two sisters, Arlene Wagner of Abilene and Viola Andrews of Junction; 11 grandchildren, and one great-grandchild.

Boosters Elect New Officers

New officers were elected Tuesday, August 23, at the regular meeting of the Broncos Boosters Club.

Elected to the Board of Directors were Hal Roberts and Bob Snodgrass.

Luther Creek was chosen for president, vice president is Bob Granger, and secretary will be Barbara Snodgrass.

The Booster Club meets every Tuesday night at 7:30 in the school cafeteria.

C. W. West, Jr. Awarded

Charles (Charlie) W. West, Jr., Assistant Maintenance Foreman in State Department of Highways and Public Transportation (DHT) maintenance office at 2810 Armstrong Street in San Angelo was awarded a 15 year Certificate of Service and lapel emblem at ceremonies last Thursday morning.

Charlie graduated from Sonora High School in 1959, and went to work for DHT immediately after graduation, for the Sutton County Resident Engineer Robert A. McCulloch.

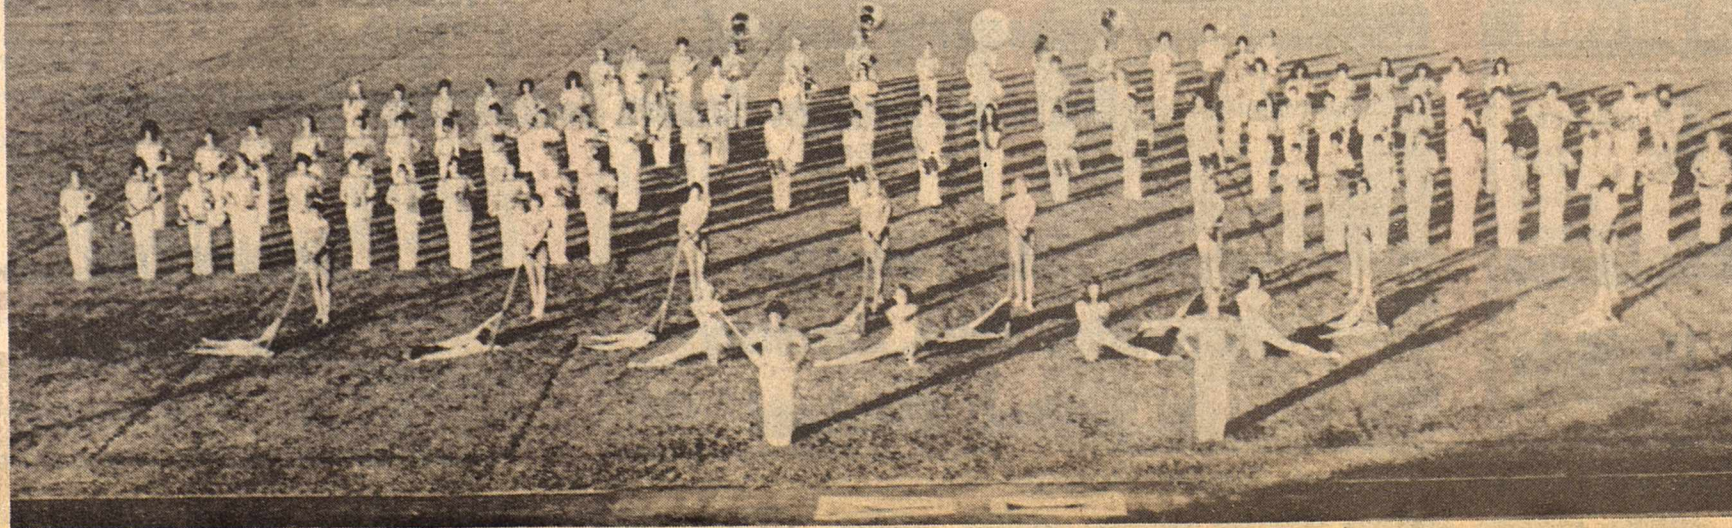

In 1960 he enlisted in the U.S. Army, and was discharged as a Specialist E-4 in 1963. He returned to State employment, and was transferred in 1964 to the San Angelo District office, then in 1975 was promoted to his present position as Assistant maintenance Foreman of the Tom Green County Section.

Charlie and Mrs. West (Shirley) have two children. Shirley is a math teacher at Central High School. He is the son of Mr. and Mrs. C.W. West of Sonora.

His hobbies are tending to some farm acreage near Harriet, and hand-crafting violins. These he takes all the way from an uncut block of wood to the finished product, spending months on each instrument.

Assistant District Engineer W.P. Harrington presented the award, wishing "many more pleasant and productive years" with the Department to Charlie.

1977 Bronco Marching Band

Chaos Club Hosted By Mrs. Walicek

The Chaos Bunko Club met Monday night in the home of Mrs. Walter Walicek. Dump cake, cream puffs, cheese log, and drinks were served to Mmes. Mollie Hite, Bill Jolly, Lila St. Clair, Rodney Knight, Walter Walicek, Doug Dubose, Scooter McMinn, Hoot Hearn, Susan Mierke, Curtis Weant, Joe Fincher, and Dwight Hardin. Winning bunko was Mrs. Fincher; hi, Mrs. Mierke; second hi, Mrs. Hardin and low, Mrs. Weant.

Oranges are classed botanically as berries.

Ms. Moore, Brent Johnson Wed

Melinda Moore and Brent Johnson, both of Ft. Stockton, were married July 30, at the Northside Baptist Church in Ft. Stockton. The Rev. J. B. Hennigan, officiated. Parents of the couple are Mr. and Mrs. J. S. Myers, Jr., of Stephenville, and Mr. and Mrs. Nolan Johnson of Sonora. Given in marriage by her father, the bride wore a gown of candlelight satin and chiffon. Clipped lace edged the U-shaped neckline, and a wide band of lace held the puffed sleeves at elbow length. Matching lace traced the empire waistline, and bordered the hem of the softly gathered skirt. A pearl necklace, belonging to the bridegroom's mother, accented the dress. The headress was

made of daisies, and she carried a bouquet of daisies, pink carnations, and baby's breath. Matron of honor was Ginger Watson of Lubbock, and best man was Nolan Johnson, father of the bridegroom. Daughter of bridegroom, Heather Johnson of Ft. Stockton, was flower girl. Tyler Moore, Ft. Stockton, son of the bride, was ring bearer. Pat Allaire served as usher. A reception was held following the ceremony at the fellowship hall of the church. Serving in the house party were Joan Myers, Terri Hill and Linda Allaire. Mrs. Johnson attended school at Wichita falls, and graduated from Stockton High School. She is employed at Havin's Jewelry. The bridegroom is a graduate of Sonora High School and Southwest Texas State University. He is a game warden. After a short wedding trip to Indian Lodge, the couple will make their home in Ft. Stockton. Parents of the bridegroom were co-hosts for a rehearsal dinner at the Alpine Lodge.

Baptists Set Special Services

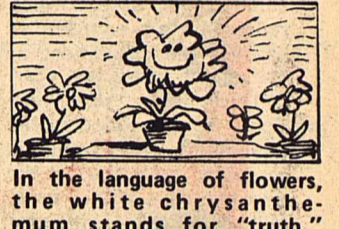

The pastor and membership of The First Baptist Church of Sonora, would like to extend an invitation to everyone to attend their services September 4. The Rev. and Mrs. Toby Walker will be speakers.

The Walkers are natives of Hobart, Oklahoma and have three children, Perry 16, Shelly 14, and Kim age 10. The Rev. Mr. Walker is a graduate of Cameron State Agricultural College and Southwest State College in Oklahoma. He earned a B.A. degree in 1964. He received a B.D. degree in 1970 from Southwestern Baptist Theological Seminary in Ft. Worth. Mrs. Walker is a graduate of Oscar Rose College, Midwest City, Oklahoma. The Walkers were appointed missionaries in 1972, after having served as pastor of South Memorial Baptist Church in Oklahoma City. They spent 1973-74 in language school in San Jose, Costa Rica.

In October 1975, The Rev. Clifton Hancock, pastor of Sonora's First Baptist Church, traveled to Argentina and preached a revival in the city of Diamante, Entre Rios. The church in Diamante was under the direction of the Rev. Mr. Walker. The Rev. Mr. Hancock lived in the Walker's home during this time and came to know and appreciate them. It was at that time he invited the Walker's to Sonora.

Night 949-0375

To the Citizens of Sonora Independent School District:

The board of trustees, after careful consideration, feel that NOW is the appropriate time to update our junior high school program; therefore, we submit for your consideration on Thursday, September 1, 1977, a proposal authorizing the construction of a new junior high school facility.

The quality of the educational program needs to be upgraded and improved from time to time. Sound and effective educational programs are dependent to a large degree upon the school plant and facilities which accomodate and support them. Because of your interest and support through the years, adequate educational facilities have been provided for our children, but we feel now is the time to construct a new junior high facility.

Based on projected school needs, we have developed a building program that will maintain a high quality and fully accredited school program for the years ahead.

We urge your support of the building program. Whether we make the improvements or continue with our present facilities is your decision.

Respectfully submitted,
Board of Trustees Sonora Independent School District

MRS. PAT MERRILL GETS MASTERS DEGREE

Mrs. Pat E. Merrill received her master of education degree during the summer sessions at Texas A&M University. Commencement exercises were held August 13.

Mrs. Jolly Hostess To Auxiliary

Mrs. Ruby Jolly was hostess August 23 when the firemen's auxiliary met at the firehall. Members present were Nova Olenick, Trevlyn Luttrell, Jinx Taylor, Edna Duren, Melissa Teaff,

Jean Humphreys, Frances West, Rhonda Blackman, Melba Stokes, and new member Loxie Huffstutler.

Guests present were Carrie Morrison, and Demo McMinn. Dips, chips, cookies, and iced tea was served; and 42 was played.

Winning 84 was Mrs. Olencik; hi, Mrs. Duren, and lo, Mrs. Huffstutler.

New Arrival

Mr. and Mrs. Roy Smith of Eunice, New Mexico are parents of a girl, Trisha Denise, born July 22, at Permian General Hospital in Andrews. Trisha weighed 7 pounds 5/8 ounces. She is welcomed by her brother, Carl Roy Smith, Jr., and grandparents, Mr. and Mrs. C.W. Cockrell of Monahans and Mr. and Mrs. Glen Smith of Eunice.

Jinger Quillian, Daniel Wagner Wed In Methodist Ceremony

Miss Jinger Sue Quillian of Waco and Daniel Haynie Wagner were united in marriage Saturday, August 27. The ceremony took place at the Wesley Chapel in the United Methodist Church in Gholson. The Rev. Charles Rice, minister of the Texas Christian University Methodist Church, She is the daughter of Mr. and Mrs. Rozell Quillian of Waco, and the bridegroom's parents are Mr. and Mrs. Harold R. Wagner of Houston. He is the grandson of Mr. and Mrs. G. H. Davis of Sonora.

Given in marriage by her father, the bride wore a designer original ivory silk chiffon. Jeweled alencon lace made the molded empire bodice, high neck, sheer yoke, and bishop sleeves. The full circular skirt extended into a chapel train. A beaded and alencon lace walking length English illusion veil accented the dress. She carried a cascade of sonora roses, starburst poms, gypsophilia and English ivy.

Matron of honor was the bride's sister, Mrs. Phil Baxter of Houston. Bridesmaids were Miss Cynthia Lenefeld of Marble Falls, Miss Carol Rainer of Huntsville, and Miss Billie Ann Stewart of Sonora.

They wore apricot floor length gowns with empire waistlines, accented with apricot chiffon capes and spaghetti straps. They carried nosegays of apricot glads, gypsophilia and English ivy. Jr. bridesmaids were Miss Lora Lea Kordzik, cousin of the bride; and Miss Valerie Tedford, cousin of the bridegroom, both of Sonora.

Best man was Jim Elliott of Sonora. Groomsman were Jim Cornelison of Kingsville, and Steve Thorp and Gene Thompson, both of Sonora.

Ushers were Colvin King of Hillsboro and Larry Sparks of Waco. The reception was held in the Fellowship Hall of the church following the ceremony. Members of the houseparty were Mrs. Sue Miller of Ferris; Mrs. Bob Saunders of Waco; Miss Dixie Balley and Mrs. Linda Goates of Gholson; and Mrs. Molly Adair of Abbott.

The bride graduated from East Texas State University, and taught special education in Marble Falls. The bridegroom attended Southwest Texas University in Houston and is employed by Western Wire Lines of Sonora.

Mr. and Mrs. Wagner will reside at 100 College Ave. in Sonora.

Elephants seldom run as fast as 15 miles an hour.

CHILD FIND SERVE

The worst thing that can happen to a handicapped child is NOTHING!

Do you know of a handicapped child between the ages of 3-21 - who is not in school or receiving appropriate service?

CHILD FIND/ SERVE is looking for these handicapped children to arrange for these services to meet their identified needs. They may be mentally retarded, learning disabled, emotionally disturbed, physically handicapped and/or other health impaired.

Texas recognizes that EVERY child is entitled to a free public education. Make the call that makes the difference.
CALL CHILD FIND/SERVE.

Sonora Minister Speaks

I am convinced on the basis of the pure Word of God that I could not confront you with a more important Biblical Truth than this. "Even so Abraham believed God, and it was reckoned to him as righteousness." (New American Standard Bible.) It is this great truth that can give you the assurance that Salvation is yours, and that indeed our stay on earth is but a short pilgrimage for Heaven is our Home.

Abraham is considered by Paul to be the key figure in the Old Testament for setting forth the chief doctrine of the church; justification by faith alone, or in other words the assurance that through faith in Jesus Christ you have a right relationship with God. The defense by Paul for faith is based on history as it is recorded in the Old Testament Scriptures, and as those Scriptures are seen as fulfilled in the Promise given to Abraham, namely Jesus Christ crucified and raised from the dead. The persuasive argument of Paul comes from his treatment of history as fact, he is well aware of the Biblical record and having the facts straight he know how to use them for the sake of faith.

So then it is clearly seen faith, BELIEVING GOD, is the issue when Paul presented the historical character of Abraham. This faith of Abraham is what puts a man into that

right relationship with God. To put it another way this is the only way to be justified before God, and thus know with the fullest certainty that God's gift of eternal life is yours. Faith, according to Paul, is not to be viewed as faith in faith, or one's own sincerity of faith. No, it is faith in Jesus Christ who died for all that Paul is concerned about when he talks about the faith of Abraham.

Paul shows faith not to be a blind leap, the facts of history prove Paul's Point. Two thousand years before Christ came in humility to our earth God made a promise to Abraham and the fulfillment of that Promise has been realized in Jesus Christ, whom Paul calls the Promised Seed of Abraham. (Read Gal.3:16.) Paul truly shows how reasonable and logical it is to choose faith in Christ. Paul shows how utterly impossible it is to gain righteousness demanded by God in the Law. Now before I am misunderstood, let me say that I do not want to do away with God's Law. I believe a Christian should strive to obey the Law of God and when he or she fails to keep this Law of God, they flee to the cross of Jesus Christ and have faith in Him to forgive all sins which he or she may be guilty of. You see, the Law of God is Holy and it is good, but it does not have the power to save us. If any man seeks to obtain

eternal life on the basis of his conduct then most certainly on the day of Judgement he will find himself lacking the necessary thing to enter into God's Kingdom, and that is pure righteousness. He will be judged on the basis of how he lived and if by Law then he will have to pay the eternal consequence. Christ said, He who is guilty of one is guilty of all.

Well then what about you, where do you stand? The true question of the Bible is this, "Will you be just like Abraham and Believe God?" God is speaking to us today. He does it through the Bible for this is His Holy Word. The Word of God speaks no falsehood, it only speaks the truth, we should be able to believe on the basis of Christ alone who spoke time and time again, "IT IS WRITTEN." How does Paul dispute any false teaching? It is by consulting the Word of God and saying, "What does the Scripture say?" There is no other source of authority for Paul, and for that matter there is no other source of authority for any Christian.

The Apostle Paul wants us to make the right choice, and that is faith in Jesus Christ Who truly is righteous. Here then is our answer to obtaining with Abraham the Blessed inheritance of eternal life, "Not my righteousness I bring the Lord, but rather your righteousness which

is mine by faith." So it is this which we must believe. "THEREFORE, BE SURE THAT IT IS THOSE WHO ARE OF FAITH THAT ARE SONS OF ABRAHAM." (Gal. 3:7) To those who believe what a word of comfort God wishes to speak to you through His Son Jesus Christ. No one can say it any clearer than Jesus where His words are recorded in John 3:16-18. "For God so loved the world, that He gave His only Begotten Son, that whoever believes in Him should not perish, but have eternal life. For God did not send the Son into the world to judge the world; but that the world should be saved through Him. He who believes in Him is not judged; he who does not believe has been judged already, because he has not believed in the name of the only begotten Son of God." It is clear that only the Believer has the gift of eternal life. If you are in doubt whether you are a child of father Abraham, open the Bible and there read the mighty promises of God concerning His Son Jesus Christ. It is my prayer that the Holy Spirit will work on your heart if he has not already done so to be just like Abraham - BELIEVE GOD! Believe that Jesus Christ has paid the price of your sins, "Not with gold or silver but with His Holy precious blood."

Broncos Face Coleman in '77 Season Opener There

Bronco Head Coach Bill Bundy takes a few minutes during the Iran scrimmage to point out blocking assignments to fullback Johnny Creek. Bundy says the team has had excellent workouts and is ready for the Coleman game Friday in Coleman.

By Kay Holdridge
The Sonora Broncos will have their first real taste of the 1977 football season when they face the Coleman Bluecats in Coleman Friday. Kick-off time is set for 8:00 p.m.
Coleman returns eight defensive and two offensive starters from a team that finished with a 7-3 record in 1976. The Bluecats changed coaching staffs after last season resulting in a new defensive and new offensive formation. The Broncos coaching staff can not depend on past observations to determine what Coleman can and will do offensively or defensively.
As was true last year, many of the Bronco opponents will outweigh the Reds especially on the line. Coleman is no exception. They are a

physically large unit. The Coleman offensive backfield has one runner with breakaway speed and adds a threat of a sudden, quick touchdown.
The scrimmage with Iran held at Bronco stadium last Friday showed improvement in all areas. "The defense proved to be highly improved at this point in time," summarized Coach Bill Bundy.
Offensively, the Big Red machine lacked consistency. The well blocked, well executed plays netted yardage whereas the poorly executed and poorly blocked plays went nowhere.
Bundy attributes this lack of consistency in part to an offensive line that is not blocking as well as it is capable. Bundy believes that "conditioning and

mental preparation are possible areas we must improve on in the line for our blocking to reach its potential."
One reason for offensive inconsistency could lie in the fact that the Bronco quarterbacks have not had varsity experience. As they gain confidence and experience, the offensive unit could improve in consistency. The Bronco signal callers are Bennie Granger, R.B. Alexander, and Kent Cagle.
One of the pluses for the offense is depth in talented running backs. Johnny Creek, senior fullback, has experience and ability to help any running game. Manuel Lopez, a junior halfback, gives the offense speed and quickness as does sophomore Eddie Favila. Billy "Bunk" Galbreath

has added ball carrying duties to his defensive chores and gives the Broncos added depth. Sophomore Joey Kirby proved he is capable of stepping into the backfield if he is needed.

The biggest plus of the 1977 Broncos is the outstanding attitudes of each of the players according to the Bronco mentor. Daily improvement is another factor that has Bundy optimistic about this year's season.
Swim Meet Planned
A swim meet will be held Labor Day, September 5, for all ages, from the smallest swimmer to the oldest. Divisions will be made according to age; and girls and boys will also be divided into separate groups. Trophies and medals will be awarded to each division in both the swimming and diving competition. Entry fee is \$.50 for each event. You may register at the Swimming Pool on Saturday and Sunday from 2-6 p.m., or by calling Mitzi Matthews at 387-3926. The meet can also be entered that morning at 10 a.m. Competition will begin at 10 a.m., and continue until all divisions are complete. After the competition, everyone is invited to swim until 9 p.m. Homemade ice cream and sandwiches will be served all day.

PP&K Registration Opens Today

Sonora Cheerleaders get ready for the first game of the season. Cheerleaders this year are [top row] [left to right] Janey Gold, Nancy Mooney and Mascot

Emily Elliott, [bottom row] Jane Wallace, Jan Grider and Gloria Gomez. It was a windy day Saturday when the 'Devil' photographer caught the group at the stadium.

Local youngsters will be "dusting off" their footballs and loosening up their throwing arm soon for the 1977 Punt, Pass & Kick competition.

Again this year the local level of PP&K will be sponsored by Sonora Motor Co.

Registration starts at Sonora Motor Co. this week and runs through September 30.

Nationally PP&K is celebrating its 17th anniversary. It is sponsored by the Ford Dealers of America in cooperation with the National Football League.

Since it was started in 1961, the program has attracted more than 14 million youngsters-and participation this year is expected to top the 1,300,000 mark.

Participants in the Punt, Pass & Kick program compete only against others their own age.

Any youngster 8 through 13 years of age, accompanied by a parent or guardian, may register to compete in PP&K at Sonora Motor Co.

There is no entrance fee and no body contact during competition. No special equipment is needed and participating does

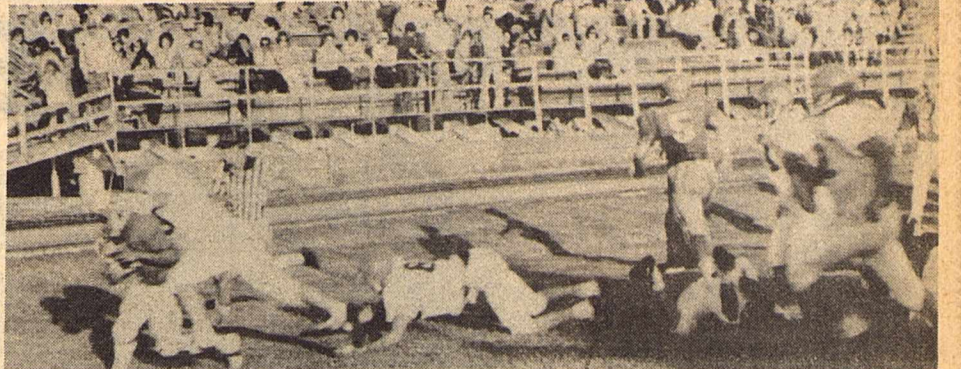

not impair a youngster's amateur standing.

Twelve national finalists will compete for the

National Championships in their age group at Super Bowl XII in New Orleans on January 15, 1978.

Varsity Runs Well

A power off-tackle play gets long yardage as Bronco running back Manuel Lopez [left] is tackled by an Iraan defender. Carrying out a blocking assignment in the play is Johnny Creek [5]. The Broncos scrimmaged the Iraan team last Friday.

Jr. Varsity Looks Good

A Jr. Varsity sweep seems to have caught the Iraan Jr. Varsity off guard in last Friday's scrimmage here. Sonora running back Ronald Berkley [32] follows blocking set up in the sweep by Robert Ponsett [44] [left to right], Pete Gomez [64], Johnny Doan [10] and Wesley Barton [72].

Sutton County Ranch News

Mohair Council of America officers (left to right) past president James Hunt, Sonora; secretary-treasurer, Herman Moore, Brownwood; President Sid Harkins, Sanderson, and Vice President Bob Childress, Ozona, met with the organization in Sonora this week.

Referendum Discussed

Mohair producers attending the Mohair Council's summer directors meeting here on Thursday, August 25, learned they will vote on a proposed 2½ cents per pound increase in the present deduction rate when Mohair Referendum is conducted early in 1978.

The announcement of the proposed deduction rate increase came during a report on collections made during the past year by the Texas Mohair Producers Board.

Board officials told the Council meeting that the present 2½ cents per pound being deducted voluntarily from the sale of mohair is providing only about half enough money needed to conduct Mohair

Council promotion programs at the present level. Board officers explained that the voluntary checkoff program, initiated in Texas in March, 1976, was originally set up to bring in about \$250,000 per year which would come from the 2½ cents per pound deducted on an estimated 10 million pound per year production.

However, it was brought out in the meeting that Texas mohair production is now estimated at less than eight million pounds per year and the present deduction rate will not provide adequate funds for future mohair promotion programs after 1978.

"We have only two choices,"

observed Board chairman Sid Harkins of Sanderson. "We either boost the deduction rate and get additional funds to pay for effective promotion of our product, or we cut our budget drastically and just try and maintain our product's image in the marketplace in whatever manner we can afford," he continued.

Harkins, who also serves as Mohair Council president, said the referendum would be held by mail ballot during the last of January, 1978, along with the biennial election of board members whose terms expire.

Boardmen seeking new terms of six years are Bob Childress

of Ozona, Dan Davis of Uvalde, J.W. Adams of Hamilton, and Austin Millsbaugh of San Angelo. Davis, appointed to the board in May, 1977, replaced the late Ed Young of Uvalde.

In other business, Council directors approved the financial report and audit for the year ending June 30, 1977; heard reports on the mohair market situation; and approved a proposal to change the Council by-laws to allow for redistricting.

The by-law change will be presented to the annual membership meeting on Jan. 19, 1978, at the Holiday Inn Convention Center in San Angelo.

Range Fires Pose Problems

Northern California isn't the only part of the country suffering from devastating fires, though their holocausts are more widely publicized, maybe because housing timber and recreational parks mean more to the general public than the food they eat.

That food, however, comes from the land, too as does the livelihood

of those who grow and raise food. Consequently, it would appear that the loss of grazing land to range fire would be at least as newsworthy as the loss of timber land to forest fire.

It's unfortunate that this is not necessarily the case, that indeed the major notice of range fires is taken by those whose range is threatened, and often not all of them.

As our western society has changed from that of a rural, agriculture-oriented land to that of an urban, agriculture-ignoring land, the heart-stopping effect of range fires has diminished.

The once fire conscious migrating settler has been replaced by the careless traveling tourist, and ranchers and rangeland have paid the price.

Thousands of acres of grazing have been recently lost to range fires in West Texas alone, and dry weather and cured grass are both still with us.

Still, the unthinking traveler is not the only cause of range fires; most of the recent West Texas losses have been blamed on lightning fostered by blustering but unproductive thunderstorms.

If traveling and tourism went out of style overnight, ranchers would still face range fires and they would

still be the ones to swallow the losses.

They then are the ones who must work the hardest to prevent or control such disasters.

Bill Sims, executive secretary of the Texas Sheep and Goat Raisers' Assn., asks that landowners work with their county and state highway officials to see that right-of-ways are mowed, and fireguards constructed either inside or outside fencelines.

Basically nothing more than strips of cleared ground, fireguards have been recognized as effective in preventing the spread of fires generated by thoughtless travelers.

In-pasture roads can in much the same manner control the spread of range fires already established, as can careful planning and preparation.

Sims suggests that ranchers keep their livestock sprayers "tanked up" with water to douse any fires that occur, and that they remember that "the best things ranchers have going for them are city, community and county fire departments."

County maps or those made up by ranchers themselves can aid such firefighters in locating roads, trouble spots, likely containment areas and probably most importantly, sources of water.

All this information can be essential in controlling range fires, not only on the rancher's own land, but on that of his neighbor. After all, the rancher is our last bastion of neighborliness.

Fred Campbell's
Wool and Mohair Report
The Australian wool auctions opened August 16 and have continued on a sluggish note. Japan and Poland (Eastern Europe) have been the most active buyers, while other countries have been buying on a limited basis. Prices have been generally lower than those paid in the spring and the Australian Wool Corporation has from 15 to 30 percent of the offerings.
In the U.S. the wool market countries in the summer slump and will likely be slow until after the Labor Day holidays. Traditionally, the textile trade has been inactive during the summer and this year has been no exception. Some lamb wools have moved at prices generally from 60 to 75 cents depending on the amount of burr content.
Mohair buyers have been scarce the past two weeks. Most of the companies wish to wait until after the opening of the South African market on September 6 in Port Elizabeth. Our warehouse has sold about 150,000 pounds of adult mohair at prices from 2.45 to 2.47. There have been no confirmed sales of yearling or kid mohair in the past few weeks.

TRU-TEST PAINTS FRESH FROM OUR OWN 3 MODERN PAINT FACTORIES!
LABOR DAY SALE LASTS 10 DAYS ONLY
LATEX HOUSE PAINT
Tru-Test "Select" Quality is a real money-saving value. Produces a smooth, uniform, low sheen finish to hide imperfections; resist blistering, stains, fading. Goes on easy; dries fast. Water clean-up. Ideal for primed or painted exterior wood, brick, stucco, etc. White and four popular colors!
6.44 GAL. Custom Colors Higher
WeatherAll ACRYLIC LATEX HOUSE PAINT
Our finest house paint! Contains newest acrylic resins for extra durability. The paint film itself resists weather, smog, stains — even mildew! Applies smoothly with a buttery-slip that makes painting easy. Dries fast. Water clean-up for wood, concrete, stucco, etc. White & 35 colors.
8.97 GAL. Custom Colors Higher
WOODSMAN SOLID COLOR LATEX STAIN
Perfect for rough-cut and smooth wood: shingles, shakes and siding. Hides like paint; protects like stain! Keeps its color twice as long as oil stains. High-hiding paint film has excellent resistance to erosion and mildew. It dries fast; water clean-up.
6.99 GAL. 21 rustic colors! Custom Colors Higher

Gas Shortage Could Hurt WTU

editor's note: We asked West Texas Utilities to help us determine what will happen to Sutton County and Sonora residents and businesses if the proposed energy plan recently passed by the House of Representatives becomes law.

WTU almost totally relies on natural gas for its electric generating power, therefore, allocation of natural gas from Texas to energy-short areas of the midwest and the northeast will have a direct affect on our supplies of natural gas and electricity.

The current energy plan if passed by the U.S. Senate, will give the president the power to "allocate" gas from producing states to other parts of the country. This plan will create gas shortages in Texas.

West Texas Utilities Co., like all other electric service companies in the Southwest, depends mainly on natural gas for boiler fuel at its power plants.

Some of its generating units are capable of burning residual oil for varying lengths of time during periods of extremely cold weather when the gas supply is curtailed.

But no other forms of fuel is used, or can be used at the company's eight major generating stations. Therefore, any drastic cutback in the supply of natural gas could have a damaging effect on the people and businesses in West Texas Utilities service area.

A look at the WTU territory is enough to explain why natural gas has always been the best fuel for the company.

The WTU generating system evolved logically. It was designed to make use of the most available and most economical boiler fuel.

Since the area, which extends from the Red River to the Rio Grande, had, and still has, one

of the largest supplies of natural gas in the world, this clean, efficient and for many years cheap, fuel was ideal.

But the energy crisis, which first surfaced in 1973 and was dramatically publicized last winter, has changed the course for WTU and the other electric generating companies in Texas.

WTU's Fort Phantom Hill Unit Number Two, located near Abilene, was completed this past spring and will be one of the last gas fired generating plants to be built in the United States.

From now on, by orders of the Railroad Commission of Texas there will be a gradual phase-out in the use of natural gas for boiler fuel.

By 1981, the amount of gas being used to generate electricity must be cut to 10 per cent below the 1975 level. By 1985, it must be cut to 25 per cent below the 1975 level.

This means that WTU, and other electric utilities in the state, must start turning away from their

traditional, and most plentiful source of boiler fuel and go to other fuels, such as coal or nuclear power.

But for a long time to come, WTU will continue to rely chiefly on natural gas, and fluctuations in the supply and the price of natural gas will directly affect WTU and its customers.

Through the company's requirements in terms of cubic feet of natural gas appear huge, WTU President Durwood Chalker points out that the company actually is a net producer of energy.

On an average day, WTU burns about 114,500,000 cubic feet of gas in its boilers. On peak days, which occur usually in July or August, it uses about 160 million cubic feet. This adds up to almost 42 billion cubic feet per year.

But these amounts, when compared to the total production of natural gas in WTU territory, are almost infinitesimal.

WTU creates much more energy in the form of electricity than it expends

in the form of gas and oil. Probably no other electric utility firm in the nation is more closely linked with the petroleum industry than WTU.

There has always been a natural mutual dependency between the two. Each finds the other necessary in its own operation. WTU buys gas and oil and converts it into electricity. It then sells electricity to the petroleum producers, who use it to produce and transport oil and gas.

The electricity is used for many purposes. Most oil and gas fields have been completely electrified for at least a decade.

Pump jacks, formerly powered by gas engines, now are run by electricity. Waterfloods, gasoline plants, refineries, pump stations and other oil field operations depend on electric energy.

But faced with the Railroad Commission order calling for a gradual reduction of natural gas, and realizing that even stricter orders may come from Washington, WTU is making plans for some coal-fired generation.

These plans include sharing the cost of a new coal plant being built near Tulsa by Public Service Co. of Oklahoma, which is one of WTU's sister companies in the Central and South West Corp.

There are also plans for a huge coal-fired plant to be built within WTU territory and jointly owned by other members of the Central and South West System.

But the Oklahoma power purchase is at least several years away, and the new

Utility Seeks Better Price

Austin utility consultant Joe K. Wells Jr. told a Railroad Commission examiner today that Gas Utilities Inc. has an annual revenue deficiency of almost \$20,000 on its Campbellton system and is seeking to charge an average of \$7.04 per Mcf to collect what it needs to earn an eight percent return.

Wells, a senior consultant with the firm of H. Zinder and Associates, testified at the Gas Utilities Division hearing called July 5 when the Commission suspended the firm's statement of intent to change rates in the unincorporated areas of Campbellton, Pettus, Tuleta and Tulsita for 120 days.

Examiner Jeffrey Hill presided at today's hear-

ing on the Campbellton rates as well as at a Monday hearing on the Pettus, Tuleta and Tulsita system for which Gas Utilities Inc. is seeking a rate increase to an average of \$5.67 per Mcf. The revenue deficiency on that larger system totals some \$55,000.

Wells and Austin attorney Frank Youngblood represented the gas company at both proceedings.

Wells also testified that the cost per Mcf he cited for both the Campbellton system and the Pettus system, which included Tuleta and Tulsita, represented amounts needed before necessary steps are taken to comply with requirements of the safety section of the Gas Utilities Division.

The lost and unaccounted for gas ratio to total purchases in 1976 totaled 38.89 percent on the Pettus system and 27.88 percent on the Campbellton system, Wells testified.

After taking steps to reduce the unaccounted for gas figure to 10 percent of sales, Wells said the per-Mcf cost on the Campbellton system would be \$7.48 while the Pettus system would drop \$4.90 with the decrease coming from the value of the gas previously classified as unaccounted for.

Oil and Gas Ratio Called Too Rigid

Calling Oil and Gas Division-ordered gas-oil ratio (GOR) testing too rigid and broad, Austin consulting petroleum engineer Max F. Powell urged three Railroad Commission examiners to limit the District 10 program to as few wells as the Commission feels necessary to achieve its testing goals.

Powell, appearing Monday afternoon in behalf of Panhandle Producers & Royalty Owners Association (PPROA) told Examiners George F. Singletary Jr., Brooks Peden and James C. Herring the association was not complaining about the requirements to file oil well status reports annually but rather about provisions of a June 7 memoranda to all District 10 operators from Phillip R. Russell, director of field operations.

Krueger Announces Approval of Contract

Congressman Bob Krueger has announced federal approval of an energy contract 13 years in the making. The Federal Power Commission has approved contracts for two South Texas electric cooperatives, which have agreed to finance the development of hydroelectric power from Amistad Dam. The plant will be built 12 miles upstream from Del Rio, and will generate enough electricity to supply a community of 20,000.

"That may sound like a small start," Krueger said, "but consider that we're talking about the

equivalent of 482,000 tons of coal, or 458,500 barrels of oil, or 3.1 billion cubic feet of natural gas a year."

The Federal Power Commission has approved rates set out in a contract between the South Texas Electric Cooperative, of Victoria, the Medina Valley Cooperative, of Hondo, and the United States Bureau of Reclamation.

The utilities have agreed to pay enough for the power generated by the

plant, to finance its design, construction and maintenance. The Army Corps of Engineers estimates construction costs will be approximately \$28 million.

The project was in danger of being overlooked by the federal government because it had no sponsor. Krueger took up the cause of hydroelectric power at the Amistad Dam in 1974, when he learned the original calling for construction of the dam

allowed future construction of a power plant.

"The catch was that Congress had dictated the project must pay for itself. The search began for financial backers willing to bank on this valuable energy alternative," Krueger said.

"This is one of the most satisfying events of my career," Krueger added, "to see how one idea with someone to push it through, can still make a difference."

"It has been a pleasure, too, to work with people who are willing to do more than just talk about our energy problems. By the time this plant is completed, in 1982, it will have a real impact on utility customers of the South Texas and Medina Co-ops, and indirectly, on all of South Texas," Krueger said.

Firemen's News

August 23--7:30p.m.-- Fire calls to five grass fires started by lightning; fires were located on the Cahill Ranch, Scott Shurley Ranch, Robert Halbert Ranch, Johnny Fields Ranch, and Bill Fields Ranch. Units 30, 60, and 70 responded.

August 24--7:45a.m.-- Fire call to a grassfire started by lightning on the Mayer-Rousselot Ranch and Hospital Ranch. Units 30 and 70 responded.

Men on unit 30 were Gene West and Jerold Zech. Men on unit 70 were Frank Guerra and James McLaughlin.

Upon returning to the fire hall, they were called to the Lea Roy Aldwell Ranch. Units 30 and 70 responded. Men responding were Gene West, Jerold Zech, Tim Thorp, Bobby Huffstutler, Frank Guerra, and James McLaughlin. Louis Olenick and David Flores went out later to help.

A later return call to Aldwell Ranch was a false alarm.

August 25--No fire calls.

August 26--No fire calls.

August 27--1:30p.m.-- Fire calls to Aldwell Ranch, Mayer-Rousselot Ranch in Ozona, and L.P. Bloodworth Ranch in Eldorado.

Thanks to Mr. and Mrs. James Blackman, Mrs. Gene West and Joe Luttrell who went to the Aldwell Ranch with sandwiches and cold drinks.

Thanks also go to Cahill and Pool for support with water and dozers, and Joe Fincher, Dick Jones, Bill Webster and dispatcher Bo Trainer who covered each fire.

August 28--4:15p.m.-- Fire call to L.P. Bloodworth Ranch. Units 30, 60, and 70 responded. Men responding were Gene West, Jerold Zech, James Blackman, Sam Odom, Jr., Bobby Huffstutler, Tim Thorp, Frank Guerra, and Robert Stokes.

August 29--No fire calls.

Red Sox Finish Season

The Sonora Red Sox played their last game of the season Sunday in Ozona.

Sonora skunked the San Angelo Reds for a score of 6-0.

Team members came home with a third place consolation trophy, but the pitcher received the trophy for being the best pitcher.

The manager is proud of all of his players and wishes to see them all again next year.

Medical Transportation Needed

Linda Hendrix with fire station. September 2, at 1 p.m. All persons interested in

offering non-emergency medical transportation to the elderly or disabled who are SSI recipients; or to children who receive AFDC; to and from doctors office, hospital, dentist, drug store, etc., are urged to attend.

Mileage will be paid to the provider for services. Provider must have a valid driver's license and own transportation and must contract with the Department of Public Welfare.

In Sutton County there are 15 providers at the present time, but more are needed to meet the demands of our growing population.

For additional information, contact Elvira Holquin, Sutton County Senior Citizen Outreach worker, at 387-3497.

"No man does anything from a single motive."
Samuel Taylor Coleridge

CLASSIFIED

Gosmic Signs

- AQUARIUS** (January 20 - February 18) You will have a big surprise when someone returns money to you. Revise your attitude toward this person and give of your friendship.
- PISCES** (February 19 - March 20) You may feel sluggish and unable to do anything much. Worrying will not help matters.
- ARIES** (March 21 - April 21) An in-law for whom you have much affection may be worried about your circumstances. Be very affectionate with this person.
- TAURUS** (April 22 - May 21) You may feel down in the dumps and uncomfortable physically.
- GEMINI** (May 22 - June 21) A big decision must be faced and made. You may not want to talk about it as yet.
- CANCER** (June 22 - July 23) You may be thinking of someone far away whom you can't see for a few months. You may want to show your appreciation to this person.
- LEO** (July 24 - August 23) Trust someone whom your intuition tells you is honorable. Be kind and altruistic.
- VIRGO** (August 24 - September 23) Work slowly. Do all things efficiently and thoroughly. Avoid making a telephone call on impulse.
- LIBRA** (September 24 - October 22) You may come to new realizations about certain relatives. You know that they have always been good to you, so show your appreciation.
- SCORPIO** (October 23 - November 22) Consider things before you do or say anything. More time may have to pass before anything final is spoken. Be reserved about expressing yourself now.
- SAGITTARIUS** (November 23 - December 22) You may work too hard and too fast. Exhaustion may result. You must be in good shape for this evening, so rest for awhile.
- CAPRICORN** (December 23 - January 19) Worry may suddenly develop. You seem to sense where things are falling apart.

Sorority Hosts Social

Kappa Gamma Sorority had their summer social last Friday night at the home of Glenda Short. Their families were included in the hamburger cook-out.

R. Andrews, addressed the group on the school bond election.

The next regular meeting will be September 6, at 8 p.m. at the HNG Building.

Guest speaker, Dr. Joe

Dee's Notes

Labor Day Weekend will find most Sonora business places closing Monday to observe the last official holiday of the summer, or perhaps early fall, however you prefer to think of it. A golf tournament at the local grounds will keep many Sonorans busy.

Visiting with his parents, Mr. and Mrs. John Eaton, is LTC and Mrs. John Dan Eaton, III and children, Terissa, Alicia and Tom. Recently returning from a three-year stay in Germany, Col. Eaton has served as Chief of the U.S. Army Dental Clinic at Maniz, treating military personnel and their dependents in all phases of general dentistry. The Eatons will soon be moving to Killeen, where Col. Eaton will be stationed at Fort Hood.

Two new businesses should open soon. One, the Wilderness Taxidermy Studio, is located on Hwy 277 North at IH 10, and is being operated by Charles (Chuck) Bartum. His family also operates a studio in Phoenix. "Chuck" has beautiful work on display. We welcome him here.

Another service being offered is the "Learn and Play" Day Care Center opening at 114 SW Plum (across from Thorp's Laundry). Nell Kinney and Diana O'Dell are co-owners, and pre-enrollment is planned Thursday, September 8, from 7:30 to 5:30, with the official opening scheduled Sept. 12. Telephone numbers are: the school, 387-3941; Mrs. Kinney, 387-3277 and Mrs. O'Dell, 387-2234. They say that all children must be pre-enrolled.

President Sid Harkins of Sanderson, presided when the Mohair Council con-

NO SCHOOL MONDAY

School will be dismissed at 2:30 p.m., Friday and the pep rally is scheduled for 2:00 p.m. The football team will leave at 2:30 p.m.

School will be closed Monday for Labor Day.

Dr. J. Nevill Named To Hospital Com.

A frequent visitor here, Dr. Joyce Neville, niece of Tom Nevill, has been named by the Governor of Colorado, to the three-member board of Colorado's Hospital Rate Commission. A resident of Denver, Dr. Neville's appointment is a four-year tenure. The newly-formed commission will attempt to control rates in 103 hospitals in Colorado, in an effort to curtail rising hospital costs in that state.

Dr. Neville, a Certified Public Accountant, attended the University of Texas at Austin, and received the doctorate in Finance and Business Management at Boulder University. She has been teaching at Metropolitan College in Denver, as well as operating her accounting firm.

vened here last week. Over 100 people attended the August 25th barbecue which was prepared by Dee Tyler of Branding Iron, and all reported the food to be excellent. A steak supper was served August 24 to directors, and it too was most enjoyed. Council members disclosed they always look forward to the "Sutton County hospitality". Local directors of the Mohair Council are James T. Hunt and Thomas A. Morriss.

Sonora Woman's Club members are to hold a meeting Thursday, Sept. 1 at 12:30 at the club building. This is the annual business meeting, and members are urged to be in attendance.

KVRN now has Dee Wooten formerly of KPBB, here to serve as manager since Joe Lombardi has gone to San Angelo to KIXY as announcer. We welcome Wooten to Sonora and will miss Joe, who has done a fine job out at the radio station KVRN.

Our Sutton County Queen, Janice Grider, wishes to express appreciation to all the Chamber of Commerce members for their support and to all those folks who purchased rodeo tickets assisting her

to win the title. She wishes the Chamber organization to know that she was pleased to represent them in the contest. To all of you, Janice says "Thanks!"

We continue to be bombarded with hunting requests. If you have an opening, either season or day, our office will assist by passing the information to prospective lessons.

Chamber officers and directors will meet at noon Thursday, Sept. 8, at the Commercial Restaurant. All are urged to be

present -- we need to get our banquet ticket sales UP, UP!

Things are shaping up out West of town as some of the people who purchased land from the deBerry Estate are beginning to build homes. The Bill Webster home has framework up, and home-site is located on a spot with a lovely view. The VanHoutons have moved in a house and are completing work. Diana Keller was painting the entrance Sunday, over a cattleguard to their acreage as Dr. Mike lent encouragement (?)

NOTICE
Due to my building being vandalized, I will be moving to
218 Main
I hope to be open for business in one week
