WEDNESDAY, NOVEMBER 8, 1961

BOVINA, TEXAS

VOL. VII, NO. 20

WHITTLIN'

BY DOLPH MOTEN

Two snows during first week in November, no matter how slight, are certainly enough to make us weather-conscious and willing to talk about it to a certain extent.

Possibly because of a championship football team here and maybe for additional reasons, we have a hard time locating a conversation partner on that subject. Most people we've come in contact with of late seem to have the feeling that weather's going to be all right and refuse to be upset or excited about fact that two snows have already fallen and November is only a week old.

Oh, you can get a little conversation if snow is falling all around them while you're trying to talk. But once they get a little protection from it, weather has to take a back-seat to other conversation topics.

Mark Twain figured out years ago that "everybody talks about the weather." Now what we're figuring out is that the tide may be turning in Bovina after all these many years. We said "may be."

While on weather, we'll pass along some information we picked up while overhearing Bovina Weatherman Willie Williams talking to a couple of farmers in one of few, brief weather conversations which have been conducted this week.

Willie pointed out that we had an ideal October... from harvest standpoint. Next month to compare with it, he says, will be January, which will also be pretty dry. During November and December, weather is going to have a tendency to be damp. This doesn't mean that harvest can't be completed because of wet weather. "We'll have some dry days," he promises, but when it's all over we'll have to consider this 60-day period a wet one.

Willie probably didn't know we were paying that much attention to his forecast so we may be putting him on spot by printing it here.

However, Willie's been on spot before and as good a weatherman as he is, we feel sure he won't mind.

During the conversation, one of farmers commented, "I'm not as interested in what weather is going to be like in January as I am what it's going to do this week and next."

"Oh, you'll have to wait and read that in this week's Blade," Willie informed. With that, conversation returned to football.

At our deadline time, date, time and site of Bovina Mustangs' bi-district game with Groom were still undetermined. We had hoped to be able to announce those things in this issue, but it turned out to be impossible because no agreements are expected to be reached until after this issue is out.

Administrators and coaches of Bovina and Groom schools are slated to meet tonight (Wednesday) to work out the details. That meeting will be in Canyon, which is most logical place for game to be played. However, there are some conflicts which are to be worked out tonight. There are still some 10 days left to sweat that bi-district game, and we're apt to have more to say about it in next week's paper.

Information concerning Groom team is limited here. However, Bovina's team and coaches as well as several fans are expected to go to Groom Friday night to see the Tigers end their regular season in a game with Texline.

Tigers have the district title clinched and Friday night's game, we guess, will see them just going through formalities and motions of completing their regular season. They'll be a top-heavy favorite to win the game, of course.

While we don't want to be overly-optimistic about Bovina's team, and certainly don't want to be accused of such, we couldn't choke back the thought that the score of Bovina-Vega game must have raised some eyebrows in Groom when it was read in Amarillo

(Continued on page 8.)

Mustangs Dist. Champs

Vault Vega; Sweep 2-B

Hotter than the near-freezing weather was cold, Bovina's Mustangs stormed to a tremendous 72-12 win over Vega Longhorns there Friday night.

The decisive victory gave Coach Hallie Gee's Ponies a clear-cut District 2-B title and earned them the right to represent the league in playoffs.

The Vega win was fourth top-heavy one for Mustangs against district foes and boosted their season record to 7-3. Vega was never in the contest as Ponies blared for 22 points before mid-way through opening period.

The host team received to begin the game but fumbled on second play from scrimmage. Bovina recovered on Vega's 19 yard line.

Fullback Jerry Frazier romped for 10 yards and a first down on nine. From there Halfback Buddy Turner circled right end for score and Mustangs were on their way. Turner went through right side for two extra points to boost score to 8-0.

On next series of plays, Longhorns were forced to punt. Halfback Rocky Hance gathered in the kick on Vega's 40 and returned to 30. Turner scooted for 18, Frazier made 10 to give Bovina first down on Vega's two. Hance banged across from there and score was 14-0. Pass for extra points was incomplete.

Second later, Turner gathered in a stray 'Horn aerial on 31 and sped across goal line untouched for third TD. Quarterback Don Cumpston passed to End Mac Glasscock for extra points and score was 22-0.

Fourth TD came on a 10-yard pass from Cumpston to Glasscock after being set up with a

30-yard aerial play, Cumpston to Hance. Cumpston scored extra points on a keeper and score was 30-0 at end of first stanza.

Next tally came early in second as Ponies got ball on downs on Vega's 13. Frazier lost four, but Cumpston ran for six then passed to Hance for the six points. Extra points attempt failed: 36-0.

Vega got into scoring act at this point against Mustang reserves. Johnnie Price galloped 45 yards for the TD. Ponies scored again just before

(Continued on page 8.)

DISTRICT CHAMPIONS---Front row, left to right, David Anderson, Jimmy Redden, Billy Charles, Billy Minter, Donnie Dyer, Dennis Johnston, Bobby Gonzales, Jackie Dane, and Eddie Crump. Middle row, left to right, Don Cumpston, Joe Riddle, Pat O'Brien, Gary Stevenson, Mac Glasscock, Rocky Hance, Joe Jones, Ken Horn, Dickie Clayton, Lowell Boozer,

Delbert Morris, and Coach Malcolm Kennedy. Back row, left to right, Manager Gary Beauchamp, Manager Ronnie Glasscock, Jerry Frazier, Tally Kelso, Olen Johnston, Jimmy Wright, Buddy Turner, John Sikes, Wyndol Davies, Milton Crisp, Jerry Lorenz, Phillip Lloyd and Coach Hallie Gee.

First Title In 7 Years

For first time in seven years, Bovina Mustangs are holders of a district title.

They earned the District 2-B banner in resounding fashion. They were never extended in blasting four district opponents.

Finishing touch was added Friday night at Vega as they scored at will against the Longhorns, then rated second best district team, in beating them 72-12.

Bi-district game is slated to be played against Groom, champion of District 1-B. The game will be weekend of November 17-18, but other than that, details have not been worked out.

Administrators of Bovina and Groom schools are scheduled to meet tonight (Wednesday) in Canyon to decide on date, time, and site of the bi-district contest.

Groom represented its district in last year's bi-district action, downing Lazbuddie, District 2-B champ, easily.

For the season, Coach Hallie Gee's Mustangs compiled a 7-3 record, exact reverse of their 3-7 in 1960 which was first year under Coaches Gee and Malcolm Kennedy.

Pony losses were to Springlake, 0-14; Farwell, 0-6; and Boys Ranch, 6-14. Wins came over Whitharral, 26-0; Amherst, 22-16; Fort Sumner, 21-14; Hart 41-6; Happy, 39-6; Lazbuddie, 54-6; and Vega, 72-12.

Mustangs scored 271 points across their 10-game schedule as compared with 94 for opposition. In four district games, Bovina made 206 points and opponents were held to 30.

Not since 1954 have Mustangs earned a district title. That year they lost bi-district game to Meadow but accepted bi-district crown by default after it was learned that Meadow had used an ineligible player. They were then defeated by Matador in regional game.

Mustangs lost services of second team quarterback, Ken Horn, in Vega game when he suffered a broken thumb. He will not be able to participate in playoffs. He will be replaced by Freshman David Anderson who has been third string signal caller throughout the season.

Aside from Horn, Mustang squad members are expected to be in good shape, injury-wise, for the bi-district tilt.

Mustang team and coaches, as well as some fans will go to Groom Friday night to see Tigers wind up their season against Texline. Groom will be heavy favorite, but no matter the game's outcome Groom will be 1-B's representative in playoff game.

Announce School Holidays

Thanksgiving and Christmas holidays for Bovina Schools have been announced by Superintendent Warren Morton.

Classes will be dismissed Thursday and Friday, November 23 and 24, for observance of Thanksgiving giving students a four-day weekend recess.

For Christmas, vacation will begin with close of regular classes Friday, December 22. School will begin again Wednesday, January 3. This will afford a total of 11 days—seven school days coupled with two weekends.

WEATHER

by WILLIE

Mostly clear for a few days. Cold front last of week but looks like it will be dry.

FOR 50 YEARS SERVICE--

Honor Hastings

MASONIC MEETING---W. G. Proctor, left, of McKinney, state M. W. Grand Master, was present for a program honoring Frank Hastings, second from left, for 50 years of continuous service in Masonry Friday night. Otho Hammonds, second from right, is Master of Farwell Lodge No. 977. At right is J. B. Nolan of Hereford, 100th District Deputy Grand Master. (Photo by O. W. Rhinehart)

Frank Hastings, pioneer Bovinian, has been paid a high tribute by fellow members of Masonic Lodge here. In a program Friday night in school cafeteria, he was honored for 50 years of continuous service in Masonry.

W. G. Proctor of McKinney, Most Worshipful Grand Master of Masons in Texas, presented Hastings with 50 year service award which included a pin and a certificate. Mrs. Hastings placed the pin on his coat lapel.

Approximately 170 people were present for the program which included an address by M. W. Grand Master Proctor. He spoke on going forward and increasing efforts from citizenship standpoint. He stressed importance of women's help and influence in this endeavor. Proctor is a 33rd degree Mason.

Mr. Hastings became a Master Mason of Farwell Lodge #977 October 11, 1911, when the Lodge was headquartered in Farwell.

This marked first time such an award has been presented in the Lodge here. It was also first time that a Most Worshipful Grand Master has visited this Lodge.

Other dignitaries present included Most Worshipful Grand Master of New Mexico, Ray Loftin of Fort Sumner; a Past M. W. Grand Master of Texas, John Kemmerer of Fort Worth; and J. B. Nolan of Hereford, 100th District Deputy Grand Master of Hereford.

Otho Hammonds is Master of this Lodge. Following the program, coffee and donuts were served.

Mr. and Mrs. Ronnie Isham of Canyon welcome birth of a son, Robbie Verban, born Sunday night October 29 at Neblett Hospital in Canyon. The new arrival weighed 6 1/2 pounds. Grandparents are Mr. and Mrs. Jack Clayton of Bovina.

WET WEATHER--

Snow Stops Harvesting

Weather -- in form of two snows in less than a week --

Fire Destroys Truck, Feeder

Several hundred dollars worth of damage were result of a fire Wednesday morning of last week at Jesse Walling's farm south of town.

Of undetermined origin, the fire destroyed a truck loaded with cane bundles and a cattle self feeder which was filled with feed. Bovina Volunteer Fire Department answered call to the blaze about 4:30 a.m.

PROGRESS SLOW--

Road Widening Plans Continue

Plans for improvements of Highway 86 and FM Road 1731 in Bovina continue to progress slowly.

Improvements include widening of pavement, curbs and gutters.

State Highway Commission recently agreed to provide additional paving for 86. Curbs and gutters for both roads are to be paid for by property owners.

Mayor Emmett Tabor received a letter this week from O. L. Crain district highway engineer in Lubbock, informing him 'the widening project on FM 1731 in Bovina was included on our 1962 Farm to Market Improvement program and submitted to our Austin

office for consideration and approval by Highway Commission sometime in near future. We will advise you immediately if this work is approved."

Tabor says that other preliminary work for the project nearing completion and contract for curbs and gutters for both roads is expected to be let soon.

Friena On '62 Football Schedule

Bovina High's football team will renew its rivalry with Friena Chiefs next season.

Announcement of the schedule change was made this week by Mustang Coach Hallie Gee. The Chiefs haven't been on Bovina's schedule since 1957. The game that year was cancelled because of a flu epidemic which left majority of Bovina's squad unable to play in the game.

Friena, now a Class AA school, will replace Fort Sumner on Mustangs' schedule, Gee says. Date of first Friena game, which will be played there, will be October 12.

In 1963, Chiefs will return here for second of the two-game series. At each game, the two schools will split the gate evenly, Gee says.

Visiting in the horn of her parents, Mr. and Mrs. Carol Steelman, are Lt. and Mrs. Charles Bradley and daughters. They have recently returned from Japan.

HROMAS SECOND, CLEMENTS THIRD--

John Wilson Tops Football Contest

Though his lead has been going up and down like a yo-yo in recent weeks, Erith Hawkins is still out front in Bovina Businesses Cotton Bowl Football Contest at end of 10 weeks. He has held the lead for eight consecutive weeks.

Hawkins named eight winners in last week's contest, but Glenn Hromas who was only two points behind the week before, named nine to move within one point of the frontrunner. Hawkins has named 78 of 100 winners while Hromas has correct-

ly predicted outcome of 77 games.

Winners of weekly prize money were only three of 100 contest entrants to pick nine of 10 winners. John Wilson took \$5 first prize as he was 32 points off Bovina - Vega tiebreaker score. Winning second and \$3 was Hromas, who was 46 points off on tiebreaker. Jimmie Clements took \$1 for third as he missed on tiebreaker 49 points. This was second time for Wilson to be a money winner, third for Hromas and first for Clements.

Others pressing Hawkins and Hromas for grand prize, which is an expense-paid trip for two to Cotton Bowl in Dallas January 1, 1962, include Ed Hutto, and Johnnie Horn with 75 each, Wilson with 74, Mrs. Keith Garner, H. N. Turner and Mary Jane Wilson with 73 and Allen Cumpston, Ray Carter, Mrs. Ed Hutto, and James Lawlis with 72.

This week is 11th of the 13-week contest. It ends with Blade issue of November 22.

Outcome of last week's contest grading saw, in addition to three who got nine right, 18 in out-of-the-money runner-up position with eight winners right, 32 with seven correct, 23 with six right, 16 naming five, six selecting four and two picking three winners.

Contest sponsors are Bonds Oil Co., Macon Elevator, Bovina Dairy, Freeze, Sherry Grain Co., Bovina Gin Co., Bovina Wheat Growers, Inc., Cicero Smith Home Center, Three-Way Chemical Co., Bovina Auto Service, and Charles Oil Co.

DOUBLE WINNER -- John Wilson, winner of \$5 first place money in last week's Bovina Businesses Cotton Bowl Football Contest, points to two checks which are thumb-tacked to a wall in Blade office. One is for last week's \$5 prize and other is for 50 cents, which Wilson won by tying for third place in opening week of the contest in August. When he won first check, he decided to leave it on "exhibit" until "I win some more to go with it." However, he was pressured into leaving both checks on display after winning second one.

Bovina Quilting Club Hears Guest Speaker

Mrs. Tom Benedict of Plainview, service manager for Hale County Cancer Society, highlighted the meeting of Bovina Quilting Club Thursday with a demonstration on various aids to be given cancer victims. Also present at the meeting was district service manager for American Cancer Society from Lubbock, J. B. Johnson. He presented a short talk to the group on county organization.

Following the covered dish luncheon hosted in the home of Mrs. T. E. Rhodes, the ladies spent the afternoon embroidering tea towels for the hostess. Those present were Mrs. Levi Johnson, Mrs. J. R. Caldwell, Mrs. Lloyd Killough, Mrs. T. E. Griffith, Mrs. H. D. Bradshaw, Mrs. W. J. Parker, Mrs. Reagan Looney, Mrs. Mel Gunn and her sister from Lubbock, Mrs. Mattie Day. Next meeting will be announced at a later date.

Miss Nickle Woelfel, right, a Tech Junior from Bovina, was named vice-president of Texas Home Economics College Clubs at a meeting at North Texas State College in Denton recently. Miss Carolyn Vines, center, senior from Albany, is college home economist of the year in Texas, and Miss Mary Gerlach, Tech assistant professor of clothing and textiles, is state advisor. (Texas Tech Photo)

Has Kidnap Breakfast

Deborah Hawkins, daughter of Mr. and Mrs. Harold Hawkins, celebrated her ninth birthday Saturday morning with a kidnap breakfast at her home.

A "Little Miss" theme was carried out in table decorations and refreshments. Individual cupcake dolls, and ice cream were served to guests. Centering the refreshment table was a large doll. Those attending the party were Loye Christian, Jennifer Crisp, Sharon Hemke, Debra Kirkpatrick, Donna Garner, Carissa Englant, Vickie Hawkins and the honoree.

Girl Born To Majalias

Rev. and Mrs. Perferio Majalia welcome the birth of a baby girl born recently at a Muleshoe Hospital. The name chosen for the new arrival is Delilah.

Visit Parents

Mr. and Mrs. Lloyd Killough visited his parents, Mr. and Mrs. Marshall Rhoades, in Lubbock over the weekend. His step-father is hospitalized at Methodist Hospital and is reported to be in serious condition.

Caldwells Host Halloween Party

Mr. and Mrs. Tom Caldwell hosted a Halloween party for several youngsters last Tuesday evening at their home.

Following an evening of games, children were served refreshments of punch, cookies, and ice cream. Favors of hats, candy filled pumpkins, horns and halloween treats were presented.

Those present included Ken and Keith Kamanski, Jeff Grissom, Johnny and Cindy Caldwell, Mike McCallum, Dennis Willard, Dennis Bushnell and Rene Charles.

Youngsters Have Birthday Party

Al Kerby and Nancy Hutto celebrated their sixth birthday with a party Tuesday afternoon at the home of Mr. and Mrs. Ed Hutto.

Halloween theme was carried out in table decorations, favors and refreshments. Traditional birthday cake was decorated with a Halloween scene and favors of whistles, candy and toys were presented to the children.

Following the opening of gifts and refreshments, the group was taken trick or treating by Mrs. H. N. Turner, Mrs. Ed Hutto and Mrs. Al Kerby.

Those present for the party were Randy Kirkpatrick, Larry Wiseman, Margaret Minter, Candy Turner, Gaylen Carson, Bobby Wayne Englant, Terry Sherill, Jackie Adams, Kyle and Dana Harris, Tammy Twila and Beth Hutto. Others present were Mrs. M. H. Carson and Paul Kay Kerby.

Mrs. Quickel Presents Study

Mrs. I. W. Quickel presented the program, chapter II of "The Meaning of Suffering" to members of Dorcas Circle Wednesday at home of Mrs. T. J. Hoplingardner.

Miss Ellen Reminsinder opened the program with prayer after which Mrs. Mable Newberry gave the devotional.

Others present were Mrs. Frank Wilson, Mrs. Earl Richards and the hostess.

An officer who had been in Germany sixteen months received a letter from his wife telling about a prayer their four-year-old daughter made: "Please send me a baby brother so we will have something to surprise Daddy when he gets home."

Baptists Plan Week Of Prayer

Mrs. Don Murphy, president, conducted the business meeting which highlighted W. M. U. Tuesday morning at First Baptist Church.

The group made plans for community missions and scheduled their week of prayer November 27 through December 1. Plans were also made to go to Lubbock to tour Milam Girls Home and Mrs. John Ferguson presented a preview of the mission book, "Hands Across The Sea." Other reports were made by various officers.

Those present other than the above mentioned were Mrs. Ovid Lawlis, Mrs. J. O. Combs, Mrs. Grady Sorley, Mrs. John-

nie Horn, Mrs. Jerry Rogers Mrs. A. D. Cumpton and Mrs. P. A. Adams.

To Fort Worth

Mrs. Herman Estes and Mrs. S. E. Redden and Bobby visited recently in Ft. Worth and Dallas. They visited Mrs. Estes son and family, Mr. and Mrs. Kenneth Estes, of Ft. Worth. While there they toured Six Flags Over Texas, Carter Field, Forrest Park Zoo, Ft. Worth Star-Telegram and other points of interest. They returned home Sunday.

Bridge Club Entertained

Mrs. A. M. Wilson won high at Thursday Afternoon Bridge Club hosted by Mrs. Vernon Willard.

Others winning prizes were Mrs. Leon Grissom and Mrs. Dean McCallum.

Following an afternoon of bridge refreshments of cake topped with whipped cream, coffee and tea were served to guests.

Those present were Mrs.

Bedford Caldwell, Mrs. Jim Hemke, Mrs. Johnnie Horn, Mrs. Durward Bell, Mrs. Jimmy Charles, Mrs. R. E. Wilson, Mrs. Jimmy Clements and Mrs. Vernon Estes.

Carroll Steelman was released from an Amarillo Hospital Thursday. He is reported to be improving.

Baptist GA's Host Workshop

Approximately 285 Girls Auxiliary members from Llanos Alto Association assembled Saturday at First Baptist Church of Bovina for a workshop.

Purpose of the workshop was to instruct the girls in the various activities of their offices, according to Mrs. Ovid Lawlis.

Among the towns represented were Farwell, Friona, Littlefield, Muleshoe, Amherst, Sunnyside, Sudan and Bovina. Following the morning ses-

sion lunch was served to the girls and sponsors in the fellowship hall of the church.

Visits Burnams

Mrs. Billy Burnam and son, Ronnie, returned recently from Germany. They are visiting in the home of Mr. and Mrs. Bill Burnam and other friends.

Haunted House Highlights Youth Choir Halloween Party

Ghouls, ghosts, goblins, witches and other "haints" were among highlights of Baptist Youth Choir Halloween Party Saturday evening.

Tours through a haunted house northwest of Bovina, complete with fortune telling and weird stories were included in evening's entertainment for approximately 70 teenagers.

Following the tours through the house, the group went to roadside park for a Weiner roast and additional entertainment

and worship.

Don Cumpston and Ken Horn played "Jesus Keep Me Near The Cross" on trumpets and Mary Joyce Webb presented a devotional titled, "Giving Your All To Christ." Jeanie Ivy sang "Must Jesus Bear The Cross Alone" and the group closed the worship service by singing "My Lord Is Real."

Sponsoring the party were Mr. and Mrs. Henry Minter, Mr. and Mrs. Tommy Payne, Mr. and Mrs. Connie O'Brien, Mr. and Mrs. Harold Hawkins, Mrs. Bill Smith, Rev. and Mrs. John Ferguson, Mr. and Mrs. Billy Ray Horton, Mrs. Leslie McCain, Mr. and Mrs. Travis McPhearson and Ralph Roming.

Good Neighbor Sewing Club Elects Officers

Mrs. Jesse Sisco hosted Good Neighbor Sewing Club Thursday afternoon at her home.

During a short business session the group elected Mrs. Henry Spicer as president for the following year; Mrs. Earl Dean Boyd, vice-president; Mrs. Bill Lane, secretary; and Mrs. Bessie Webb, reporter.

Following business meeting, the ladies finished curtains for Girls Town.

Those present included Mrs. T. J. Hopingardner, Mrs. Bob McMeans, Mrs. Jesse Sisco, Mrs. Bill Lane and Mrs. Howard Cooney.

Club Has United Nations Program

"International Affairs" was theme of Bovina Woman's Study Club meeting Thursday afternoon at club house.

Mrs. A. I. Steelman, program chairman, presented "The United Nations Meets New Needs"; Mrs. Clarence Gaunt, "You and The United Nations" and Mrs. Dolph Moten gave "Latin American Scholarships."

Preceding the program, Mrs. Ovid Lawlis, president, conducted a short business session. Following the program, refreshments of pineapple sherbet and cookies were served to those present.

Others attending were Mrs. Rouel Barron, Mrs. J. R. Caldwell, Mrs. A. F. Crump, Mrs. H. L. Ivy, Mrs. Clarence Jones, Mrs. I. W. Quickel, Mrs. Earl Stevenson and Mrs. Jess Walling.

Fr. Gilligan To Present Program

Father Declan Gilligan, S. A. pastor of St. Ann's Catholic Church, will present a program on the Art of Latin American Music to members of Bovina Woman's Study Club Thursday afternoon at 3 p.m. at the club house.

Program chairman is Mrs. Jess Walling and Mrs. Dolph Moten and Mrs. J. R. Caldwell are hostesses.

McCallums Host Bridge Party

Mr. and Mrs. Dean McCallum entertained several couples with a bridge party Tuesday evening at their home.

Following an evening of bridge refreshments of pecan pie topped with whipped cream, coffee and tea were served to guests.

Among those present were Mr. and Mrs. Tom Caldwell, Mrs. and Mrs. Bedford Caldwell, Mr. and Mrs. Vernon Estes, Mr. and Mrs. Gene Izell and Mr. and Mrs. Johnnie Horn.

Blade Sawdust by SUE MOTEN

A cancerous infection which is, and has been, touring the country is the plague called "soap operas." This disease is highly contagious and affects all ages both young and old alike. The most infectious is a program called "As the World Turns." Another which has about the same amount of followers is "Love of Life." Didn't realize that these were so terribly incurable until recently.

Was meandering around the Mary Marr Shop and overheard Mary Turner carrying on a ribald telephone conversation concerning a teen age girl. Guess she thought she had better clue me in on the fact that it wasn't a lot of gossip, so she related to me the fact that she was plying her friend and vice versa with recent information gained about a certain teen age girl on one of these programs. The thing that is nice about this disease is that the fact that it is completely incurable and that no matter how long it goes unattended it can be taken up again at any time without any of the side affects having worn off. If you miss three weeks of the program it is very easily picked up again since it moves at such a slow pace. If the world isn't turning any faster than it is on that particular program we are in a real slow rut and have very little to look forward to.

First Snow Blankets Area - Harvesting Delayed Again

THE HIGH PLAINS FARM AND HOME

WHITE HEADS . . . of grain stood in sharp silhouette against a jet black sky at midnight Thursday. The blowing snow stuck to the laden stalks but did very slight damage to the grain fields during the four-hour snow storm.

LIKE SPARKLING JEWELS . . . A combine stands glistening in the early morning sun with snow plastered to its sides. Continuing wet weather has prevented the resumption of harvesting in Parmer County during the last week. Many machines wait at the turnrows while farmers look for warm weather to return to the area and dry the fields.

A combine stands idle in the middle of a half cut field of grain -- a cotton stripper glistens in the early morning sun at the edge of a cotton field -- a farmer peers out through a foggy window -- a blanket of blinding white snow covers waiting fields.

These have been the usual scenes in Parmer county during the past week as cold mist, rain, and snow prevented the resumption of harvesting. Warming weather at the middle of last week raised the hopes of many farmers with crops waiting in the field, but a clinging snow Thursday night smashed any chance of returning to the fields with the combines and cotton strippers for a few days.

From two to four and one-half inches of snow blanketed the county Thursday night, according to county-wide reports. The heaviest fall was in the northern part of the county with four and one-quarter inches in Friona.

From .4 inch moisture in the Rhea community to over an inch in other parts of the county were registered. Friona measured .99 inch while Black and Hub reported a little over one-half inch.

"Never since I can remember, have I seen summer come to such an abrupt end," everyone agreed. Several oldtimers could not remember seeing a comparable snow fall before the first freeze of the season.

The continuing wet weather during the past two weeks has probably damaged the cotton grade enough to lower the price by at least one cent per pound, according to Deryl Coker, county agent.

When applied to the projected cotton production of 65,000 bales for the county, the loss to the county will be over \$90,000 in farm income from the cotton alone.

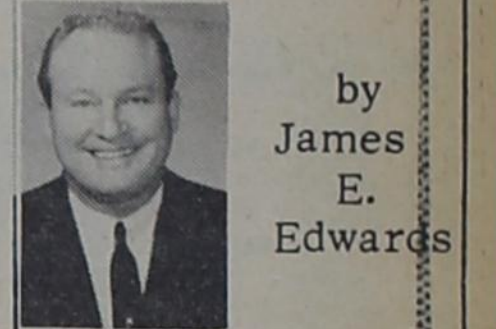

"Water will squirt from some green bolls when they were squeezed," Gilbert Kaltwasser, Lariat, commented Monday.

Grain harvesting is reported to be about 70 per cent completed according to Coker. Most

of the grain is still standing and can be gathered with little trouble providing the weather dries enough to allow the crews to return to the field. Some of the grain is leaning after the snow and strong winds but can be harvested with the use of Hestands.

Clearing Skys and brilliant sunshine Tuesday again raised hopes that harvest crews could return to the fields by the end of the week.

FOOTSAVING EDUCATION

by James E. Edwards

Why Can't I Find Cheap Play Shoes That Fit As Well As Good Shoes?

There are two concepts of shoe fitting. One looks at the foot as it stands; the other as it works. The front of the standing foot is the toe end but the front of the working foot is the heel. Correct walking is heel and toe.

"Good" shoes are made to be fitted from the heel forward through the arch, to the ball of the foot. A properly fitted "good" shoe does not sit on the toes; it must be roomy ahead, on the sides and above the toes. With this desirable roominess up front, the arch and heel sections must fit well to keep the foot from sliding forward and popping out of the shoe. Such construction requires better, slower shoe-making and that costs money.

The other concept of a shoe fit regards only the toes. The one criterion is that the toes must be at or very near the end of the shoe. The heel won't slip because a short shoe exerts enough pressure to hold it on. After a short time the toe - fitted shoes give enough to allow the great toes to hit the ends of the shoes. Then every walking step is crowding those toes forward with a lever action which exerts pressure that is six to eight times the weight of the child's body.

Unfortunately there is no pain at the time but selective service examinations, the lost-time records of industries, and the millions of dollars America spends in foot treatment are ample evidence that we sabotage the future health and happiness of Americans more effectively than any enemy could hope to.

200 Attend Program

Approximately 200 4-H Club members, parents, and friends attended the Annual Parmer County 4 - H Achievement Awards Program Saturday night, November 4, at 7:30 in the Oklahoma Lane Community Center. Eighty - one 4-H Club boys and girls received achievement awards medals and result demonstration completion year pins.

Linda Gleason, County 4-H Council chairman, served as mistress of ceremonies for the program. Reba Lesly, Gold Star Girl, led the group in the pledge of allegiance to the United States flag. Gary Foster, Gold Star Boy, led the 4-H Club motto and pledge. Guests were introduced by Linda. Those attending were Judge and Mrs. Loyde Brewer and Mr. and Mrs. Joe W. Jones, Cooper Young, District 4-H Council secretary - treasurer thanked and gave recognition to many friends of 4-H who support the 4-H program in the

county. Those recognized were parents, adult leaders, home demonstration clubs and council, business people, Farm Bureau, Farmers Union, County Commissioners Court, Grain Sorghum, Producers Association, Cotton Improvement Association, school administrators, community leaders, donors, Friends of 4-H, and Extension Service Agents.

Achievement Awards, medals and year pins were presented to each of the forty-five boys and girls who had the most outstanding project completions. Due to a limited number of achievement medals donated by national industries and manufacturers other club members who entered their record books received year pins. Presenting these medals and pins were County Judge Loyd Brewer assisted by Miss Ettie Musil and Deryl L. Coker, County Extension Agents.

Gold Star Awards for 1961

were presented to Reba Lesly of Farwell and Gary Foster of Oklahoma Lane Community. Reba is the daughter of Mr. and Mrs. U. L. Lesly and Gary is the son of Mr. and Mrs. Nelson Foster.

Richard Chitwood was presented the Santa Fe Award Honor of Recognition. Joe W. Jones former County Agricultural Agent, presented him with this award stating, "Richard has come a long way in his 4-H Club work." Richard will attend National 4-H Club Congress in Chicago later in November. He was among the four in the state who won a \$400 scholarship by entering his record book in the Santa Fe Railroad Award.

For the program a 4-H Club movie, "Man Enough for the Job", was shown. Richard Chitwood introduced the program and Deryl L. Coker, County Agricultural Agent, operated the movie projector.

To complete the program everyone said the 4-H Club prayer in unison led by Judy Koelzer, County 4-H Council treasurer. After the program boys and girls took part in recreation led by various 4-H members. Games were led by Katie Blackstone, Viane Lesly, and Patricia Tannahill.

Punch and cookies were served by the Lazbuddle 4-H Club adult leaders. All 4-H Club girls brought cookies to be served.

Farwell Sr. 4-H Club Girls served on the decoration committee. Club boys and adult leaders cleaned up the building. Judy Billingsley registered the guests as they arrived.

Receiving awards medals and completion year pins were: Citizenship -- Cooper Young, Achievement -- Richard Chitwood, Beautification of Home Grounds -- Bruce Billingsley, Agricultural -- Gerald Foster, Steven Young, Daryl Foster and Danny Miller, Beef -- Charles Shulk, Jerry Cass, Terry Parham and Kirby Burch, Garden -- Dale Blackstone and Frank Hinkson, Leadership -- Timmy Foster and Mike Hinkson, Swine -- Ronald Mayfield, Bobby Gleason, Jack Walker, James Wilson and Marvin Wilson, Tractor -- Gary Foster and Ronald

Ashford. Year pins -- Charles Morton, Mike Smith, Floyd Schlenker, Curtis Drager, Raymond Drager, Danny Schueler, Wayne Schueler, Johnny Broyles, Jimmy Broyles, Lyndon Foster, Mike Riethmayer, Johnny Gulley, Don Hoover, Mike and John Ward, James Schlenker, and Larry Davis. Girls receiving awards medals and completion year pins are: Clothing -- Reba Lesly, Viane Lesly, Debbie Jarecki, Brenda Woodruff, Nedda Foster, Dress Revue -- Judy Billingsley, Pat Tannahill, Judy Koelzer and Connie Schlenker. Home Economics -- Peggy Lesly, Katie Blackstone, Sherri Tannahill, Carol Miller, Janis

Billingsley, Marsha Schumann, and Sharon Martensen, Home Improvement -- Vicki Kaltwasser and Greta Mears, Food Preparation -- Linda Gleason, Leadership Carolyn Anear. Receiving year pins -- La Nell Christian, Connie Dennis, Kandy Meeks, Rayma Lemons, Deborah Hargrove, Janice Miller, Charlotte Davis, Linda Ashford, Shelia Vaughn, Karene Milner, Crista Evans, Terri Schueler, Shirley Schueler, Vicki Vaughn, Connie Vaughn, Carolyn Johnston and Cheryl Ramage.

1962 Cotton Quota Vote Is Set

Tuesday, December 12, is the date set for the referendum on marketing quotas for the 1962 crop. At least two-thirds of the upland cotton farmers voting must approve the quotas if they are to become effective.

The national acreage available for distribution to growers for the 1962 upland cotton crop totals 18,101,718 acres, this includes an allocation of 100,000 acres from the national acreage

reserve to take care of minimum farm allotments. The national acreage allotment is apportioned to States, the State allotments to Counties, and the County allotments to farms according to the provisions of law. Individual farm allotments will be made available to producers prior to the December 12 referendum.

If marketing quotas are approved in the referendum, price support will be available to

growers who comply with their 1962 upland cotton farm allotments at a level within the range provided by law—between 65 and 90 per cent of parity. If quotas are not approved for the 1962 upland cotton crop, the allotment program will remain in effect, and price support will be available to cooperators at 50 per cent of parity, as provided by law.

Under a quota program, growers who exceed their 1962 farm acreage allotments would be subject to penalties of 50 per cent of the cotton parity price as of June 15, 1962, on the farm's excess production of the crop. In addition, none of the cotton produced on the farm would be eligible for price support.

Cotton producers are urged to keep the date of the referendum in mind. A list of polling places will be announced at a later date.

Farmers Union Elects New County Officers

New officers were elected at a county wide meeting of the Farmers Union Monday at 7:30 in the Hub Community House. Resolutions were passed for presentation to the state convention in Waco on Dec. 7-8, following the election of officers and state delegates.

Officers elected were: T. O. Lesly, county president; Robert Calaway, vice president; W. M. (Sam) Bradley, secretary-treasurer;

Delegates chosen to represent Farmer County at the state convention were: Dee Johnson, Wayne Clark, W. M. Bradley, from Lubbudzie; Wes Long, Clyde Weatherly, John Renner, from Friona; Robert Calaway from Bovina; and Glen Lesly from Farwell. Alternates are Leon Grissom

NEWS FROM THE FARM BUREAU

BY RAYMOND EULER

President Harry Hamilton expressed himself as well pleased with the leadership Monday night. Plans to make this an outstanding year for the local Farm Bureau are in the making, and it appears that it will be.

The fact that Texas Farm Bureau has fifteen hundred more members now than it had a year ago is indicative of the fact that Texas farmers generally are interested in the Farm Bureau program. Texas now has in excess of 82,000 members.

The weather situation which has interrupted harvest makes the number to attend the state convention in Galveston next week from this area questionable. However, it appears that several may go. Farmer County is entitled to five voting delegates this year. Aside from the business sessions, there are some very well known and interesting speakers slated for the program.

Wayne Poucher, radio minister, Life Line Foundation, Inc., Washington, and Bill Kennedy, editor, Farm and Ranch, Nashville, are two good examples.

The Vesper Service Sunday evening will be conducted by W. F. Munnerlyn, Jr., assistant pastor, Berachah Church, Houston. We notice that these first three men are also on the program for the Freedom Forum being held in Amarillo this week.

Also speaking in Galveston will be Governor Price Daniel, TFB President J. H. West and AFBF President Charles Schuman.

We are glad to see these guest speakers listed, as they are all proponents of conservatism and, more important, Americanism and patriotism, which are two of the most important ingredients of Farm Bureau.

Consider this: "He that soweth iniquity shall reap vanity; and the rod of his anger shall fall." Proverbs 22:8.

WITH THE COUNTY AGENT

DERYL COKER

Well, they say only new comers or fools will predict the weather in West Texas and the recent weather we have had should prove this statement to some extent. In talking with several of the old timers, they tell me this is the first time that we have had a snow before we have had a real good general killing frost or freeze. Although we could have used some more warm weather to a good advantage, especially on cotton, I guess we are fortunate to have had the growing season we had. It would have been a big advantage to the farmers, if we could have had a dry freeze instead of a wet freeze. The wet freeze could delay the opening of cotton and thus hurt the quality and quantity of cotton in Farmer County. I know we are hurt, but the only way we have of knowing how much is to wait a month or two and see.

what I can do today. A lot of us are doing just this thing with Civil Defense. Every person in Farmer County should know what an atomic war would do to our way of living and how it would affect our family, especially during the critical period or first two weeks or a month after bombs were exploded. The County Agents office has a good supply of bulletins available for all families in Farmer County. An hour or two of studying these on a rainy or bad day would be well worthwhile and could mean whether or not you and your family survived an atomic attack.

If you are interested in sugar beet production, there will be a meeting in Hereford on November 14 at the Bull Barn.

The Honorable Robert Poage, Vice Chairman of the House Agriculture Committee, will participate in the panel discussion on the Sugar Act on Tuesday, November 14th, in Hereford, Texas. With Congressman Poage will be the Honorable Walter Rogers, Honorable George Mahon and Honorable Thomas G. Morris, (New Mexico). Acceptances from several other Congressmen are pending. Moderator of the panel will be Loran Walker, Manager of the Agriculture Department of the West Texas Chamber of Commerce.

The forum will follow a barbecue luncheon to be served by the Hereford Rotary Club at the large exhibition hall known as Bull Barn. Presiding over the meeting will be Mr. Henry Sears, President of the First National Bank of Hereford, and Vice President for Region One of the West Texas Chamber of Commerce. Sears, with Lee Benefield and James Witherspoon, have served as the legislative representatives of the Texas Sugar Beet Growers Association.

"Good heavens!" cried Whistler as he saw his mother on her knees scrubbing the floor. "Have you gone off your rocker?"

Orders should be made as soon as possible because first come, first served. Shipments will be made in mid January and mid February. Order blanks are available in the County Extension Agents Office.

People always have a tendency to put off things, or always put off till tomorrow

Species available are Australian pine, black locust, black walnut (seed), catalpa, Chinese elm, cottonwood, loblolly pine, mulberry, asage orange, ponderosa pine, red cedar, rosa multiflora, slash pine, sycamore, Russian olive, euonymus, and buffaloberry.

Orders should be made as soon as possible because first come, first served. Shipments will be made in mid January and mid February. Order blanks are available in the County Extension Agents Office.

Producers Reminded Of Final Sign-Up

A great number of wheat growers have not been in to the ASCS Office as yet to sign their intention to participate under the 1962 Wheat Stabilization Program and these persons are reminded that in order to receive a diversion payment, avoid a penalty, or be eligible for price support on wheat produced in 1962, it is required

that each wheat grower file his intention with the local ASCS Office prior to December 1, 1961.

All wheat producers, who have not already done so, are urged to come in and sign up as soon as possible in order to avoid the last minute rush during the last day or two of the sign-up period.

Area Farmers Seek Higher Beet Acreage

Efforts to gain a larger sugar production allotment for Farmer County and surrounding areas will be renewed at a meeting of the Sugar Beet Growers Associations and several congressmen in Hereford Nov. 14.

illies are invited to attend the day-long program which is intended to show appreciation to the attending congressmen for their part in initiating favorable legislation and to encourage them to continue their efforts in this area.

SOIL CONSERVATION DISTRICT NEWS

OUR SOIL ★ OUR STRENGTH

Congressmen Walter Rogers, George Mahon and W. R. Poage are scheduled to attend the affair and additional legislative representatives from New Mexico, Oklahoma and other states are expected to attend.

The congressmen will furnish the program following a barbecue. Tickets for the barbecue will be \$3.50 per person.

The West Texas Chamber of Commerce and other area service clubs will take part in the meeting.

The group hopes to gain a sugar allotment which will allow the increase of sugar beet acreage in this area sufficient to support a processing mill.

Group Studies Screw Worm Control Plans

Farmer County cattlemen, agriculture teachers and county agents will meet at the Bovina School Cafeteria Thursday night to begin the organization of a screwworm eradication group.

The county meeting is part of a state-wide drive by the Southwest Animal Health Research Foundation to organize the entire state and remove the costly parasite.

All interested cattlemen are invited to attend. The main purpose of the meeting is to have the screwworm control program and what it means to the people of Texas explained and to start the organizational wheels rolling.

Beef cattle producers in Texas estimate that screwworms drain at least \$25 million each year from their combined income. The parasite kills more calves than any other disease in the southern fourth of Texas, according to reports from the Foundation.

In addition to labor, more money is spent for screwworm medicine than for treatment for any other single disease of beef cattle.

Sterile flies will be used under the present system of control and if previous patterns hold true, the flies will breed themselves out of existence.

Another of life's mysteries: Not all wives are stenographers, but they all seem to know the touch system.

One chorus girl to another: "Did you get that mink coat to keep you warm or quiet?"

HD Agent's Notes

BY MISS ETTIE MUSIL

Fall is the time of year when you have many, many salesman coming around to your home selling magazines and what have you. We could summarize this type of salesmanship as "Beware!"

4-H achievement awards medals and year pins last Saturday night. This was our special 4-H activity of the year. Yes, the County 4-H Achievement Awards program is an event boys and girls work hard each year to be eligible to receive awards for their projects.

It's too bad that there are so many salesmen who really are not selling magazines for the magazines' companies. Some even use the magazine companies to hide behind just to take a few of your precious dollars out of your purse.

Yes, it's too bad these salesmen go around from house to house impersonating war veterans who are crippled and "can't do anything else" or for veteran's credit. Later these same salesmen are in perfect physical condition.

When in doubt about any salesman just get rid of him before he rids you of your subscription money. In the last few weeks there have been several salesmen in the county. We do not know how many are truly authorized company salesmen, and how many are frauds. So, beware!

We are so proud of all the 81 boys and girls who received

We would like to thank all the girls and everyone who had any part in decorating, serving refreshments, cleaning up, registering guests, flowers, cookies, making the delicious punch, and anything else that was needed to aid in the success of the program. We are indeed grateful for the hard work Leon Billingsley did in bringing more chairs from the Oklahoma Lane Methodist Church. Of course, we are so grateful for the use of the Oklahoma Lane Community Center.

Next week, Monday and Tuesday, I shall be in Amarillo for a two day small equipment appliance training. We home demonstration agents in the state were trained last year in large appliances, so now we will add small electrical appliance to our list of helps for you. If you need any assistance in trying to decide about any appliance do call on

Bovina Businesses Cotton Bowl Football Contest is going down the stretch in an exciting manner. You just have three weeks left to win that \$5 first prize or that expense-paid trip for two to Cotton Bowl. Get your entry in. There's nothing to lose but a lot of fun if you don't try!

Bright lights and the sound of music are sure signs of a party. A beautiful Pastel Pie served with cups of quality instant coffee are also party fare. Let guests make their own brew by setting out electric water pot, cups, spoons and Maxwell House Coffee in its new jar. Elegantly styled, this jar is an asset to any table... easy to handle, too. When coffee is gone, it can be used for fruit juice, left-over foods, or as a candy jar.

Party Pastel Pie

- 1 regular size package (3 ounces) orange flavor gelatin
- 1-1/4 cups boiling water
- 1/2 cup sugar
- 2 tablespoons Instant Maxwell House Coffee
- 1 pint vanilla ice cream
- 1/2 to 3/4 cup coarsely chopped walnuts
- 1 teaspoon grated orange rind
- 2 tablespoons raisins
- 1 tablespoon chopped maraschino cherries
- 1 baked 9-inch pie shell, cooled

Dissolve gelatin in boiling water in 2-quart saucepan. Add sugar and instant coffee and stir until dissolved. Add ice cream by spoonfuls, stirring until melted. Then chill until thickened but not set (15 to 25 minutes). Fold in nuts, orange rind, raisins, and cherries. Pour into pie shell. Chill until firm (20 to 30 minutes). Garnish with whipped cream.

Sawdust--

are already full of pictures and ideas for all the usual Christmas activities, foods and decorations. And, of course, the usual gifts for the "people who have everything." Thought the best were mink golf tees and fur lined shaving mugs. Seems like a person would really have to have EVERYTHING if he were to want one of these little items.

Have you ever thought about all the different kinds of food available for those who have to, or need to, diet? There are sugar substitutes, either tablet or liquid, all types of canned dietary fruits and vegetables and, of course, broiled lean meat isn't fattening anyway, so if one just consumed these expensive little items this would be a relatively slim nation instead of a lazy overweight group that scientists proclaim we are. My curiosity is aroused as to whether these scientists and food economists are plagued by the problem of obesity or if they do their daily exercises and eat exactly the right amount of protein and calories every day. You notice they never show a picture of people who write the articles, but one is led to believe they are of the slim variety. However, I have my doubts.

With Halloween upon us there will be the usual abundant supply of spooks, ghosts and trick or treaters. Can remember that last year the Willie Williams fed candy and treats to quite a number of youngsters. Will have to wait and see what their score tallies this year but I'll bet they are prepared, since according to last year's story they had to make extra trips to the store for more goodies.

SURGEONS performing delicate heart or lung operations now can be aided by a new machine called the Anesthalung which automatically controls a patient's breathing when he is not able to breathe for himself because of heavy anesthesia. The unit regulates both rate and volume of respiration.

MYSTERIOUS UPS AND DOWNS of a radio - controlled garage door at a Colorado home, caused by an outside radio signal, worried employees of a nearby plant which conducts test firings of missiles. They reasoned that if a radio signal could open and close garage doors it might also trigger a missile. But plant management assured workers and neighbors that the firings require a complex coded signal which cannot be reproduced by a simple transmitter.

Vault Vega--

fore half on a five-yard drive by Fullback Tally Kelso. Pass for extra points failed. Receiving second half kickoff, District 2-B champs wasted little time getting still another score. Pat O'Brien returned kickoff to 34-yard line. From there, Bovina launched an 11-play drive which covered 66-yard distance with Turner doing the honors from three yards away. Turner's attempted conversion for extra points was blocked. Led by Fullback Charles Davis, Vega added its second tally after receiving the kickoff. Davis carried five of six times in the 79-yard drive and went over double stripe from seven yards away to make score 48-12.

After receiving kickoff, Mustangs marched to another touchdown in a drive which covered 51 yards and nine plays. Turner plunged over from the one. Cumpton passed to Hance for extra points and it was 56-12. Final two TDs came in fourth period. Cumpton passed long to Hance for one, a pass and run play which covered 71 yards. Cumpton teamed with Glasscock for extra points and it was 64-12.

Dennis Johnston put frosting on cake late in game with a 12-yard scoring scamper. Kelso banged over left side for extras and it was all over: 72-12.

Turner and Hance led Mustang scorers. Turner made 26 points and Hance 20. Glasscock made 10, Kelso eight, Johnston six and Cumpton two. In rushing yardage, Turner was leader with 88 in 15 carries. Frazier ran 11 times for 64 yards. Cumpton carried three times for 36 yards and Kelso had five for 31.

Cumpton continued his spectacular pass completion average with four out of six. Hance caught three for yardage of 30, 11, and 71. Glasscock caught a 10-yarder.

Delbert Morris led Mustangs defensively as he made four unassisted tackles and assisted on nine. Lowell Booser had two unassisted and seven assists, O'Brien made two unassisted and assisted on five defensive stops, John Sikes had seven assists, Cumpton six, Dickie Clayton four, Joe Jones four, Jimmy Wright made two unassisted and had two assists, Ken Horn had one unassisted and two assists, Joe Riddle had two and two, David Anderson one and one, Johnston had two unassisted and Donnie Dyer had four assists and one unassisted. Horn, reserve quarterback, suffered a broken thumb in the game and is unable to play in future football action this season.

The U. S. has a population density of 50.5 persons per square mile. The world's most densely populated country is the Netherlands, with 893 inhabitants per square mile, followed by Belgium with 769. The least densely populated countries are Lybia with 2, Australia with 3, and Canada with 4 persons per square mile.

WHAT IS A PROMISSORY NOTE?

A promissory note is a written promise, signed by the maker, to pay another party a stated amount of money at a fixed future time. Our bank will make such unsecured loans if the borrower may be credited as financially responsible. This means that it is possible to borrow from our bank without pledging property. See us whenever you need cash. Our bank rates are always the lowest.

LET'S LAUGH

Winner of the Touch Luck Award for the month of April: The man who paid his psychiatrist \$50 to cure him of his inferiority complex. Next day he was fined \$50 for talking back to a traffic cop.

She (in poetical mood)--What are the wild waves saying?
He--Sounds like, "splash."

Neighbor: Say, have you folks got a bottle opener around here?
Parent: Yes, but he's away at college.

The only place that a dollar is still worth 100 cents today is in those problems in the arithmetic book.
