

## Chamber Tickets On Sale

Tickets are now on sale for the Sonora Chamber of Commerce annual banquet, set for Saturday evening, Sept. 30.

U.S. Senator John Tower will be guest speaker for the event.

Ticket chairman Mike Hale has distributed tickets among Chamber of Commerce board of directors, and they may also be purchased at the Devil's River News.

The \$5 per person banquet includes a full course meal, served at the table.

Something new this year will be the first of annual awards to outstanding citizens.

"We will present special recognition to a man or woman as outstanding citizen of the year and a senior citizen award," Chamber president Wes Burnett explains.

These awards will be based on an individual's contributions to Sonora in a wide-variety of areas.

## BE A WINNER In the Devil's River News Football Contest Fire Auxiliary Holds Fire Poster Contest

The Sonora Firemen's Auxiliary is sponsoring a Fire Prevention Poster Contest in conjunction with National Fire Prevention Week, October 8th-14th, 1978.

All poster entries must conform to the following rules: (a) all posters must be original and may be on any phase of fire prevention. Only individual work by student and only one entry per student will be accepted.

(b) Posters must conform to the following description: (1) Size of poster-14 inches by 22 inches (1/2 of regular size poster board); (2) No

objects over 1/2 inch in height to be placed on posters; (3) Kind-Painted, cut-outs, or pen and ink work mounted on poster board. **DO NOT USE LIVE MATCHES OR GLASS ON POSTERS.**

(c) **DO NOT PUT NAME ON POSTER.** The following information must be placed in a sealed envelope attached to the lower right hand corner, on back of poster: (1) On front of envelope- Division ONLY (Divisions listed below), (2) Inside envelope on card: 1. Name of student 2. Address of student 3. Name of school 4. Address of school 5. City and Zip

Code 6. Grade of student 7. Name of teacher 8. Name and address of school superintendent 9. Sonora Volunteer Fire Department 10. Hill Country Firemen's Association

This contest is open to all students in kindergarten and grades 1 through 12 enrolled in school. There are four divisions: Kindergarten Division; Primary Division-Grades 1-3; Intermediate Division-Grades 4-6; Jr. & High School-Grades 7-12.

There will be ribbons awarded for 1st through 3rd place winners. A Rosette will be awarded to

an overall champion selected from the 1st Place winners in each division. Each entry will receive a participation ribbon.

These posters should be turned in to the Sonora Firemen's Auxiliary by October 10th, 1978.

Winners will be announced October 11th during Open House at the Fire Hall. All posters will be on display at this time.

For further information, contact Trevlin Luttrell 387-3695, Frances West 387-2807, Melissa Teaff 387-2773, Linda Odum 387-2437, Rhonda Blackman 387-2626 or any Auxiliary member.

## City Approves Utility Improvements

The Sonora City Council in its Tuesday meeting pledged \$31,000 of revenue sharing funds to the improvement of the current electrical distribution system.

Of these monies appropriated, Phase I of the overall improvement program drawn up by S and K Engineering would be implemented.

The appropriation would also

include funds for the moving of lines on the Joe David Ross property.

This would be necessary for the lines crossing IH-10, plus an additional wire must be added to meet the needs of the new Halliburton plant.

This Phase I would include running a new line from the power plant on City Hill down by the

courthouse to tie in with present lines on Water Street.

According to engineer Myrl Sudduth who presented the S and K plan, the line current would be decreased by one-third while increasing the capacity three times.

The current line is a 2,400 volt Delta system while the new line would handle 12,000 volts.

The overall plan would bring about a large improvement in the city's distribution system which, at the very least, has its problems, and as Mayor Doyle Morgan said, "We've got to make the improvements or get out of the business."

Randy Rector, also an engineer with S and K, presented proposals on the new sewer plant.

Rector informed the council the costs of the proposed plant should be in the \$275,000 to \$300,000 price range as compared to \$345,000 originally expected.

"We feel like the cost of the plant will come down even more when the final plans are complete," Rector said.

The proposed plant would include what Rector called a "racetrack system" which would discharge relatively pure water into the Dry Devil's River bed.

The discharge plan has already been approved by the state agency and lacks only approval by the Environmental Protection Agency.

Rector added once a proposal is approved by a state agency, it is seldom it will be rejected by the EPA.

The engineer explained the system was relatively maintenance-

free and that a person could be trained to operate it easily.

He said the cost of operation is average-if not below average-especially when compared with the high operating costs of the city's present system.

Council members were presented copies of the unfinished contracts to study, although the contract will not be signed until the dollar figures can be estimated.

The council agreed to again pay the utility bills for the Community Park. The bill was for \$2,464.16.

The annexation of the Bartram-Lyde property near the school was approved. It was explained part of this property was already in the city limits.

Morgan explained a 1978 Pontiac Catalina had been purchased in an emergency measure to replace a previously wrecked police car.

The aldermen also requested new city manager James Dover to check with the county about participating in the paving of the downtown parking lot.

In other action the council members talked to Dover about implementing a system of inspection for needed street repairs, street lights and other problems.

Dover reported this had already been initiated, and he was using the police force to look for problems such as these since they are on nearly every street in town daily.

The council also accepted the resignation of Walter Pope from the Planning and Zoning Commission and instructed Dover to call a meeting of the commission to discuss obtaining a new member.

Those present included Dover, Mayor Morgan, city attorney Charles Sherrill and council members Mary Owensby, Jack Kerbow, James Trainer and Hershel Davenport.

## Kappa Gamma Awarded Plaque For MDA Telethon

Members of the Sonora Kappa Gamma Chapter of Epsilon Sigma Alpha have been presented a plaque by the Muscular Dystrophy Association for their work in the recent Jerry Lewis Telethon.

The plaque reads "Presented to Epsilon Sigma Alpha Sorority with gratitude for your support in the fight against muscular dystrophy."

Holding the plaque in the above picture are Pamela Martin, the 1977 chairman, and Linda Young, the 1978 chairman.

The sorority has raised \$5,100 during the telethon the last two

years. Plans for next year is to get an earlier head start with more community involvement. A dance-a-thon is just one of several fund-raising events planned for next year.

Kappa Gamma again wants to extend a personal "thank you" to KVRN and all the businessmen and contributors who so graciously have helped "Jerry's Kids."

A production such as the Jerry Lewis Labor Day Telethon always brings to mind-it could be your child who reaps the benefits of your charity.

## Knight, Stewarts Tie in Football Contest

With 12 entries each missing three games in last week's Devil's River News Football Contest, the tie breaker came in handy.

It wasn't perfect though, as Julie and Bill Stewart's entry had the exact same score on the Sonora-Ballinger game as Rodney Knight's.

The result was a first place tie, with each entry winning \$15. Wade Hopkins took the third place prize money of \$5.

In case anyone noticed, the scores of three of the games might have been hard to find.

The reason is, we goofed. We were too blind to notice an open date for three Southwest Conference schools.

So the Boston College-Texas A&M, Oregon-TCU and Texas Tech-Arizona games were added in accidentally.

These games won't be played until this weekend, and they are in this week's contest again.

Picks on these games did not count against anyone's total in the contest with each game counting as a correct guess.

Reece Albert Construction Company of San Angelo started moving dirt on the 14-acre site for the new Halliburton Services Plant. The plant is located on

the north side of IH-10 by the airport. Abbott Building Company of Midland is the general contractor.

## Class Favorites, Officers Picked at High School

High school classes meet Tuesday morning to elect class officers and name their candidates for class favorites and Halloween Queen.

In the senior class Chase Snodgrass was named president with Billy Bob Galbreath elected as vice president. Carol Brandon will serve as secretary and treasurer.

The senior candidate for Halloween Queen will be Lorraine Creek. Dan Lawson and Kelly Ward were named class favorites and Tony Hooper and

Karen Crownover were chosen as the senior nominees for Mr. and Miss Sonora High School.

Named as most beautiful in the senior class was Carol Brandon with Mike Jones honored with the most handsome honor.

In the junior class Nora Galindo was named president; Debbie Perez, vice president; Linda Smith, secretary, and Louis Humphreys, treasurer.

Peter Gomez and Emily Elliott were named favorites of the junior class and Mary Lynch was chosen as Halloween

queen candidate. Named as nominees for Mr. and Miss Personality were Bruce Bartz and Karla Lee. Most beautiful and most handsome candidates for that class are Sandra Lilley and Kent Cagle.

Paula Friess was named president of the sophomore class with Cody Gold named vice president. Stacey Chandler was elected secretary and treasurer.

Cody Gold was named candidate for Halloween queen and Trina Powers and Penny Dor

named most beautiful and most handsome for that class. Mr. and Miss SHS candidates were Rex Surber and Fran Friess and David Creek and Marche Lane were named class favorites.

The freshman class elected Jessica Robledo as president with Rosa Noriega vice president and Cissy Gallegos, secretary and treasurer.

Linda Duray will be the freshmen's candidate for Halloween queen and other officers and class favorites will be elected at a later date.

## Reflections

by Jim Miles  
In a small town in far west Texas two boys stayed at home alone weekend after weekend, their only company being fat wallets and fast cars. Their parents jet setted across the country and a scoutmaster sadly shook his head and said "Those poor boys-all they have is money."

In a small panhandle community a lad was senselessly killed in a high speed automobile accident,

and when the pastor called upon the grieving family, the workoholic father cried "But I never even took him fishing."

In this small community a sad eyed youngster came up to me and said "I really want to be in Cub Scouts again this year... but mother says, she doesn't have time...."

The writer of Proverbs penned "Raise up a child in the way he should go, and when he is old he will

not depart from it."

Our children are with us such a very short time. They are with us a precious little while, yet we seem to let that time pass, so often without appreciating every stage, every phase of their young lives.

There is a great movement to curb the tide

of child abuse in this land, as there well should be. The sight of a battered child, dwarfed by a hospital bed is nauseating. But there are other words we say to children that are damaging, just as the abusers "I Hate You" are damaging. The words we use that hurt are "I'm too busy."

## Thanks...

It's about time we said thanks to all the people and organizations who helped make our Sutton County Days such a success this year!

Of course, we'd have to take up the whole newspaper if we were to list the individuals and organizations who donated time, effort and money to the cause...so we'll just say to

all of you...great job, and we just couldn't do it without you!

In fact, I don't think we could even have a Sutton County Days if the Jaycees had to go it alone...so thanks so much from all of us.

And next year, wow, we're really looking forward to working with you again.

Mike Hale  
Jaycee President

## Minister Speaks

Standards of the Kingdom by D. Dwayne Whitman  
We, as part of a society of many people, are faced each day with the demand to follow various standards

set by that society. Every area of our lives has a set of standards designed to control or guide our conduct. We have standards which control how we drive, play, eat, when we sleep and what we wear. These standards carry with them a promise of reward for obedience. They may promise safety, health, wealth, security, fame or even obscurity.

God has a set of standards to guide his people also. Very often these standards and their rewards differs drastically from the worlds. That which God holds as important and necessary to fulfillment, the worlds despises because their rewards are not of a tangible nature, but spiritual.

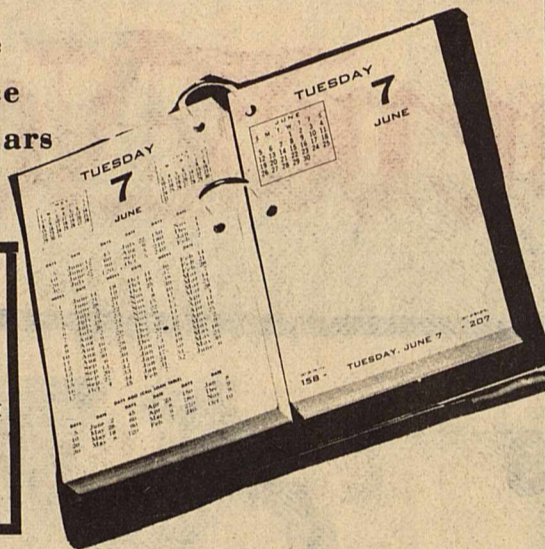

In Matthew 5, our Lord is found teaching some of these standards in what we refer to as the Sermon on the Mount. These offer special recognition and speak of rewards for; the poor in spirit, those that mourn, the meek, those that hunger after righteousness, the merciful, the pure in heart, the peacemakers, and those which are persecuted for righteousness sake.

You will find that the world does not appreciate these standards the way God does. Jesus promises much for those who remain faithful to his standards. The best part is that God has much to give and that which He gives cannot be taken away by anyone.

## Mrs. Zena Mayfield Dies Monday

Funeral services for Mrs. Zena Wheat Mayfield, prominent Sonora ranchwoman, were held Tuesday at Sonora Cemetery with the Rev. Paul Terry, pastor of The First United Methodist Church of Sonora, officiating.

Mrs. Mayfield died Monday in Schleicher County Medical Center following a short illness. She was born in Barksdale in Edwards County May 17, 1884 to Ira and Stella Wheat. She married Ed Mayfield in Eldorado December 30, 1909. He preceeded her in

death. Mrs. Mayfield was a member of the Methodist Church, a charter member of the Sonora Woman's Club and a member of the Eastern Star.

Surviving her are one son, Stanley Mayfield; one granddaughter, Gerry

Ingram; one grandson, Stanley B. (Seco) Mayfield II; and two great-grandchildren.

Serving as pallbearers were Batts Friend, Armer Earwood, Buster Jennings, John Fields, George Allison, Wesley Sawyer, Lea Allison and John Ward.

## Pedro Martinez Service Held

Funeral services were held Tuesday for 78-year-old Pedro Martinez. He died in Hudspeth Hospital September 17 following an illness.

Mr. Martinez was buried in Sonora Cemetery with services held at St. Ann's Catholic Church. The Rev. Mr. Waldron officiated.

Born in Uvalde July 17, 1900, Mr. Martinez moved to Sonora from Rocksprings in 1935.

He married Cresencia Salinas in Sonora on August 7, 1936.

Surviving him are his wife; one son, Pedro Martinez of Sonora, and one daughter Lupe Noriega, also of Sonora. Five grandchildren and two great-grandchildren also are survivors.

## Art Club Meeting Held

by Daria Fincher  
The Sonora Art Club held its first meeting of the 1978-79 year at 6:30

Monday evening in the Art Club building. After regular business meeting, Mrs. Harold

Garrett, one of our members, began her program for the year. Under the talented hand and watchful eye of Mrs. Garrett, the remaining members of the club hope to learn just a few of her oil painting techniques. Good luck Mrs. Garrett! Hostesses for the meeting were Mrs. Ira Gilbert, Pres; Travis Gordon, V. Pres; and Mike Hale, Sec-Tres; serving a delightful variety of sandwiches, along with cake, soft drinks and coffee.

Members attending the meeting were Mmes. Estes Adams, Phillip Cooper, Joe Fincher, Harold Garrett, J.L. Gibbs, Ira Gilbert, Travis Gordon, Edna Granger, Mike Hale, Clyde Hill, L.E. Holland, Roy Jones, Bobby Kinard, Nora B. Kiser, John A. Martin, Buck Skains and Travis Williamson.

## Reception At Nursing Home Honors Francis Burts

A reception was held September 11 by the Lillian M. Hudspeth Hospital Auxiliary honoring Mr. and Mrs. Francis Burt.

The Burts have recently moved here from Junction and he is the administrator for the hospital and nursing home.

Many auxiliary members and friends attended the

party. The auxiliary wishes to extend thanks to those who baked cookies and to Mrs. Jones and Mrs. Sawyer who provided punch and decorated the table.

The next business meeting will be held Monday, October 9 in the conference room at 3 p.m.

## Janice Grider, Mark Holt Plan November Wedding

A November wedding date has been set by Miss Janice Gail Grider and Elton Mark Holt, both of Sonora.

The engagement and approaching marriage has been announced by parents of the couple, Mr. and Mrs. Don Grider and

Mr. and Mrs. Elton Holt. The bride-elect is a 1978 graduate of Sonora High School and is employed by Braden Motors.

Mr. Holt graduated from Sonora High School in 1976 and is employed by Halliburton.

Mr. and Mrs. E.L. Harrell

request the honour of your presence at the marriage of their daughter

Fernando Arredondo  
Charles Andrews  
Joyce T. Dunn  
Mary Vaughan  
\*Patients dismissed during the same period.

## Jane Wallace, Wayne Doyle Wed In Methodist Rites

Vows were read Saturday in the First United Methodist Church of Sonora uniting Miss Jane Wallace and Mr. Wayne Doyle in matrimony.

The Rev. Kenneth Vaughan, pastor of the First Baptist Church of Comanche, officiated at the double rings rites.

Parents of the couple are Mr. and Mrs. K.G. Doyle of San Angelo and Mr. and Mrs. George Wallace of Sonora.

The bride, given in marriage by her father, chose a gown of pearl white chiffon and venise lace. The empire silhouette was enhanced with a fitted bodice lavishly appliqued with pearled floral venise lace.

The sheer V-shaped yoke of English net with cameo embroidery was topped by a wedding ring neckline of lace. Lace appliques formed the yoke which extended over the top of the full Bishop sleeves, ending in net cuffs with the same pearled appliques.

The graceful chiffon skirt softly flared in front was caught in shirred fullness at the back, creating a chapel train.

She chose a profile cap of matching lace and pearls which held the lace edged chapel length veil of illusion. Tiny flowerets adorned each side of the cap and appliques detailed the top of the veil.

The bride carried a bouquet of sweetheart rose and carnations surrounded by baby's breath.

Miss Sterling Allen of Denton was soloist and John Tedford provided organ music.

Miss Janice Grider served the bride as maid of honor. She carried a small bouquet of sweetheart roses and carnations accented with baby's breath.

Bridesmaids were Miss Becky Cavaness, Mrs. John Bishop of San Angelo, sister of the bridegroom; Miss Lucy Morris, Miss Cody Gold and Mrs. Bob Whitehead.

The bride's niece, Miss Jodie Wallace of Hereford, was flower girl. Shaun Bishop of San Angelo,

nephew of the bridegroom, was ring bearer.

James Larry Davis of Channelview served the bridegroom as best man. Groomsman were Danny Jackson of Lubbock, Jeff Doan of Sonora, Butch Sims of Mesquite, Darrell Eastman of Lubbock, and David Wallace, brother of the bride, of Dallas.

Ushering guests were Bruce Kerbow, Mike Sloan of Brownwood, Larry Kerr of San Angelo, and the bride's brother, Joe Wallace of Hereford.

Following a wedding trip to Canada the couple will make their home in Sonora where the bridegroom is manager of The Sonora Agency.

The bride is a 1978 graduate of Sonora High School. Mr. Doyle is a graduate of Eldorado High School and Angelo State University.

Following the ceremony a reception was held at the Fellowship Hall of the church.

Mr. and Mrs. K.G. Doyle were hosts at a rehearsal dinner held at the Sutton County Steakhouse. Misses Lori and Leslie Webster, daughters of Mr. and Mrs. Bill Webster, were rice bag girls.

## Band Social Termed Success

The Sonora Bronco and Colt Bands were presented in concert last week on the campus with a large number of Sonora fans coming to enjoy ice cream and cake and hear the bands perform.

All members of the bands entertained the fans with a variety of numbers with sections of the bands being featured in solos.

Flag girls and twirlers also were presented to the crowd.

Members of the band booster's club would like to thank Sonora fans for their continued support. Also a special thanks to all those boosters who provided the ice cream and cake and to those who helped serve.

## 4-H Enrollment Underway

Enrollment for 4-H projects for the 1978-79 year is under-way. All Sutton County youth between the ages of 8 and 19 may join.

Enrollment blanks are in each principals' office at school and the County Extension Office. These blanks should be filled out and returned to the County Extension Office at Box 1047, Sonora.

Projects that will be offered are: Angora goats,

beef cattle, breeding sheep, child care, clothing, foods and nutrition, horses, market lamb, market rabbit, and shooting sports.

Activities that 4-H'ers may become involved in are: horse judging, livestock judging, range and grass judging, record books, and wool and mohair judging.

For more information

call the County Extension Offices at 387-3101 or 387-3604. Enrollment blanks must be filled out and returned each year.

Educational programs conducted by the Texas Agricultural Extension Service serve people of all ages regardless of socioeconomic levels, race, color, sex, religion, or national origin.

## Briscoe Approves Grant

Governor Dolph Briscoe has approved a criminal justice planning grant for the Concho Valley Council of Governments.

The local grant, for \$31,566, was among 99 approved by Governor Briscoe statewide from Law Enforcement Assistance Administration (LEAA) funds under the Crime Control Act of 1976.

# First Neighborhood Girl Scout Meeting Held Wednesday

The first official neighborhood meeting of the Sonora Girl Scouts was held September 13 at the Girl Scout House with Mrs. Marlene Evans elected neighborhood chairman.

Also named were leaders, assistant leaders and co leaders. The Girl Scout motto, "Be Prepared", was set as Sonora's goal this year.

Leaders for troops are as follows: Troop 214, Carolyn Davis; troop 239, Edna Duren; troop 247, Lori Mohler; troop 226, Linda Perkins; and troop 231, Xuan Turnbull.

and Betty Brown were named co-leaders. All neighborhood meetings will be held the second Monday of every month at 7 p.m., at the Scout Hut, according to Mrs. Evans.

Leaders for junior troops are Susan Ammons, troop 156; Linda Cayce, troop 276; Laura Draper, troop 008; and Jean Brown, troop 173. Named as assistant leaders were Ron

Ammons, Marlene Evans and Gloria Huckaby. Sherry Krings was named co-leader. A Cadette troop for grades 7, 8, and 9 is in the

process of being formed. A senior troop will also be formed as several requests for this age level have been made. The senior troop will

involve girls in grades 10, 11 and 12. Leaders are available for the senior troop but help is still needed at the Cadette level.

Nobody was bashful when it came to digging in for homemade ice cream and cake at the Ruth Shurley ranch Monday night. Mrs. Shurley annually holds a get-acquainted barbecue for the new teachers to meet the old school staff and administration.

We reserve the right to reject any and all bids.

## PUBLIC NOTICE SUMMARY OF PROPOSED CONSTITUTIONAL AMENDMENTS GENERAL ELECTION NOV. 7, 1978

### "The Tax Relief Amendment" (H.J.R. 1)

H.J.R. 1 proposes an amendment to the Texas Constitution allowing the legislature to exempt intangible personal property, requiring the legislature to exempt certain household goods and personal effects, and allowing the legislature to exempt all or part of the personal property homestead from state and local property taxation.

The amendment requires the legislature to provide for the taxation of farm and ranch land on the basis of its productive capacity instead of its market value and allows the legislature to provide for the taxation of timber land on its productive capacity.

The amendment permits local governments to extend the present exemption of not less than \$3,000 of the residence homestead of persons 65 and older to include certain disabled persons.

The amendment grants an exemption from public school property taxes of \$5,000 of the market value of the residence homestead. It authorizes the legislature to grant an additional exemption from public school property taxes of an amount not to exceed \$10,000 of the market value of the residence homesteads of persons 65 years of age or older and certain disabled persons.

The amendment prevents local governments from increasing property taxes unless the governing body provides public notice and conducts a public hearing. The amendment requires the legislature to provide by law for each property owner to receive notice of the revaluation of his property and the amount taxes will be increased.

The amendment limits appropriations from state tax revenue to an amount not to exceed Texas' estimated economic growth rate, with the legislature authorized to make exceptions for emergencies.

The amendment prohibits the statewide appraisal of real property for property tax purposes. Enforcement of uniform standards and procedures for appraisal of property for property tax purposes is required to originate in the taxing

authority where the property tax is imposed. The wording of the proposed amendment as it will appear on the ballot is as follows: "The constitutional amendment to provide that the legislature may permit political subdivisions to issue revenue bonds to develop employment opportunities.

The wording of the proposed amendment as it will appear on the ballot is as follows: "The constitutional amendment to provide that the legislature may permit political subdivisions to issue revenue bonds to develop employment opportunities.

### Legal Notices

**Public Hearing Notice**  
The Texas Department of Water Resources will conduct a public hearing beginning at 10:00 a.m., October 19, 1978; Conference Room; South Texas Development Council; Building S-1; 600 South Sandman; Laredo International Airport; Laredo, Texas; and 1:30 p.m., October 20, 1978; West Texas Council of Governments Conference Room; Mills Building, Suite 700; 203 North Oregon Street; El Paso, Texas. In order to receive testimony concerning Volume II, Plan Summary Report, of the Water Quality Management Plan for the Rio Grande Basin. This document is the second of two volumes which comprises the Water Quality Management Plan for the Rio Grande Basin. Volume II, Plan Summary Report, presents the recommended plans for water quality management and the legal, financial, and institutional requirements of each plan. Also included in Volume II are descriptions of feasible alternatives, an environmental assessment, and a summary of the public participation activities conducted during the development of the plan. The Water Quality Management Plan for the Rio Grande Basin has been developed to satisfy the requirements of Section 26.036, Texas Water Code, as amended, and Section 208 of the Federal Water

Pollution Control Act, and pursuant to Title 40 Code of Federal Regulations Parts 131 and 132 and the State of Texas Continuing Planning Process. The public hearing shall be held in compliance with Section 26.037, Texas Water Code, as amended. The study area for this plan includes most of the Rio Grande Basin. This plan does not address the planning required in the Lower Rio Grande Valley Designated Leadwide Planning Area; detailed planning within that area is being provided through the development of the Lower Rio Grande Valley Area-wide Waste Treatment Management Plan and will not be considered at this hearing. Copies of the Volume II, Plan Summary Report, are available for public inspection. Review of Volume II, Plan Summary Report, at one of the following locations is encouraged due to the limited number of copies available for distribution: Texas Department of Water Resources Office, 1700 North Congress Avenue, Austin, Texas; Texas Department of Water Resources District 10 Office, 602 South Cedar Street, El Paso, Texas; Texas Department of Water Resources District 11 Office, 420 South Missouri Avenue, El Paso, Texas; West Texas Council of Governments Office, The Mills Building, Suite 700, 203 N. Oregon Street, El

Paso, Texas, and Bernard Johnson, Incorporated, 5050 Westheimer, Houston, Texas, or the Public Library, Administration Office, 501 N. Oregon, El Paso, Texas. Alpine Public Library, 203 W. 7th Street, Alpine, Texas. The public is encouraged to attend the hearing and to present evidence or opinions concerning Volume II, Plan Summary Report. The Department would appreciate receiving a copy of written testimony at least five (5) days before the hearing. Requests for individual copies of the Volume II, Plan Summary Report, questions about the report or the public hearing, and copies of written testimony should be addressed to Mr. Tommy R. Slaughter, Texas Department of Water Resources, P.O. Box 13087, Capitol Station, Austin, Texas 78711, or call (512) 475-3454. When requesting a copy or sending a query by mail, please include your complete return address and telephone number.

This public hearing may be continued in order to fully develop the evidence. Issue of the final plan is scheduled for the 30th day of August, 1978. Emory G. Long, Director Construction Grants and Water Quality Planning

## AVISO PUBLICO UN RESUMEN DE LAS ENMIENDAS PROPUESTAS A LA CONSTITUCION ELECCION GENERAL 7 DE NOVIEMBRE DE 1978

### LA ENMIENDA PARA ALIVIO DE IMPUESTOS (H.J.R. 1)

H.J.R. 1 propone una enmienda a la constitucion de Texas permitiendo a la legislatura que exente propiedad personal intangible; requiriendo que la legislatura exente ciertos articulos caseros y efectos particulares; y permitiendo a la legislatura que exente todo o parte de la propiedad personal del hogar seguro, de la imposicion de impuestos estatales y locales sobre propiedad.

La enmienda requiere a la legislatura que disponga la imposicion de impuestos sobre tierras agricolas y rancheras basada en su capacidad productiva en vez de su valor de mercado y permite a la legislatura que disponga la imposicion de impuestos a bosques de madera basada en su capacidad productiva.

La enmienda permite a los gobiernos locales que extiendan la exencion actual de no menos de \$3,000 del hogar seguro residencial para personas de 65 años o más de edad para incluir ciertas personas incapacitadas.

La enmienda concede una exencion de \$5,000 en el valor de mercado del hogar seguro residencial en los impuestos para escuelas publicas sobre propiedad estatal. Autoriza a la legislatura que conceda una exencion adicional de los impuestos para escuelas publicas sobre propiedad de una cantidad que no exceda \$10,000 del valor de mercado de hogares seguros residenciales de personas 65 años o más de edad y ciertas personas incapacitadas. Si la persona de 65 años o más de edad es elegible para esta exencion la cantidad total de los impuestos para escuelas publicas sobre el hogar seguro de aquella persona no puede incrementarse.

La enmienda previene que gobiernos locales incrementen los impuestos sobre propiedad a menos que el cuerpo administrativo provea aviso publico y lleve a cabo una audiencia publica. La enmienda requiere a la legislatura que disponga por ley que cada propietario reciba aviso de la revaluacion de su propiedad y la cantidad de incremento en sus impuestos.

La enmienda limita las apropiaciones de los ingresos de impuestos estatales en una cantidad que no exceda la tasa de crecimiento económico estatal que se anticipa, con la legislatura autorizada para conceder exenciones de emergencia. La enmienda prohíbe la valuación de propiedad inmueble a través del estado para los fines de impuestos sobre propiedad. Se requiere que la ejecución de

normas y procedimientos uniformes para la valuación de propiedad con el propósito de impuestos sobre propiedad, se origine con la autoridad que impone los impuestos sobre propiedad.

La terminología de la enmienda propuesta tal como aparecerá en la boleta es como sigue: "La enmienda constitucional disponiendo alivio de impuestos para hogares seguros residenciales, personas mayores de edad, personas incapacitadas, y tierras agricolas; extensiones de bienes muebles; la verdad en procedimientos locales a la imposición de impuestos, incluyendo participación de ciudadanos; de nuevo definiendo la base de impuestos; limitando los gastos del estado; y la administración de impuestos sobre propiedad."

### NO. 1 (S.J.R. 50)

S.J.R. 50 propone una enmienda a la constitucion de Texas para eliminar el Instituto de Sordos y Mudos. La enmienda permitiria al estado de Texas que compre productos y servicios de individuos incapacitados en facilidades de rehabilitacion no lucrativas sin cumplir con los requisitos de oferta que se aplican a otros contratos estatales. La enmienda tambien eliminaria la formalidad de la aprobacion de ciertos contratos estatales por el Gobernador, el Secretario de Estado, y el Contralor de Cuentas Publicas.

La terminología de la enmienda propuesta tal como aparecerá en la boleta es como sigue: "La enmienda constitucional eliminando la referencia arcaica al "Instituto de Sordos y Mudos," permitiendo que ciertos productos y servicios de personas incapacitadas sean usados por agencias y departamentos del gobierno del estado, requiriendo que otros productos y servicios requeridos en la operacion del gobierno del estado sean obtenidos por ofertas concedidas al postor responsable que ofrezca el precio más bajo, haciendo que todos los procesos de procuracion sean sujetos a las leyes establecidas por la legislatura y eliminando el requisito que el Gobernador de Texas, el Secretario de Estado, y el Contralor de Cuentas Publicas de Texas participen personalmente en tales negociaciones."

### NO. 2 (S.J.R. 55)

S.J.R. 55 propone una enmienda a la constitucion de Texas para permitir que gobiernos locales emi-

tan bonos para la reconstrucción o adquisición de facilidades (terrenos, equipos y mejoras) con la intención de desarrollar oportunidades de empleo. Estos bonos se pagarán solamente de los ingresos de la venta o arriendo de estas facilidades. Gobierno local debe determinar que la construcción o adquisición de tales facilidades es necesaria para desarrollar oportunidades de empleo.

La terminología de la enmienda propuesta tal como aparecerá en la boleta es como sigue: "La enmienda constitucional para disponer que la legislatura puede permitir que las subdivisiones politicas emitan bonos de ingresos, para desarrollar oportunidades de empleo para sus ciudadanos."

### NO. 3 (S.J.R. 44)

S.J.R. 44 propone una enmienda a la constitucion de Texas que permitira que la legislatura autorize a ciudades y pueblos la emision de bonos de impuestos incrementados para financiar el desarrollo de areas deterioradas. Solamente se pagarán los bonos de los ingresos de los incrementos en impuestos municipales. No pagos se pueden hacer de los ingresos de impuestos municipales u otros servicios.

La terminología de la enmienda propuesta tal como aparecerá en la boleta es como sigue: "La enmienda constitucional que da a la legislatura el poder de autorizar las ciudades y pueblos para expedir bonos para financiar el desarrollo de areas deterioradas y prohibir cualquier ciudad o pueblo de conceder su dinero o prestar su credito para tales fines."

### NO. 4 (S.J.R. 53)

S.J.R. 53 propone una enmienda a la constitucion de Texas para permitir que la legislatura exente de la imposicion de impuestos, aparatos para energia o de viento.

La terminología de la enmienda propuesta tal como aparecerá en la boleta es como sigue: "La enmienda constitucional autorizando a la legislatura para exentar de impuestos aparatos de energia solar o de viento."

### NO. 5 (H.J.R. 37)

H.J.R. 37 propone una enmienda a la constitucion de Texas para conceder competencia exclusiva a jueces de paz en causas civiles cuando la cantidad en controversia no excede \$200, a menos que la legislatura conceda competencia exclusiva a otra corte. La enmienda concede a jueces de paz competencia concurrente con cortes de condado cuando la cantidad en controversia sea entre \$200 y \$500, a menos que la legislatura conceda competencia exclusiva.

competencia concurrente con ambas cortes, cortes de condado, y cortes de distrito, cuando la cantidad en controversia sea entre \$500 y \$1,000, a menos que la legislatura conceda a la corte de condado o distrito competencia exclusiva. La terminología de la enmienda propuesta tal como aparecerá en la boleta es como sigue: "La enmienda constitucional para extender la competencia de los jueces de paz en causas civiles."

### NO. 6 (S.J.R. 45)

S.J.R. 45 propone una enmienda a la constitucion de Texas para permitir que la legislatura aumente el número de jueces en cualquier corte de apelaciones civiles. Al presente, cortes de apelaciones civiles están limitadas a un juez presidente y dos jueces asociados. La enmienda también permitiría a las cortes que sesionen por secciones, con la concurrencia de una mayoría de los jueces en la sección siendo necesaria para decidir una causa.

La terminología de la enmienda propuesta tal como aparecerá en la boleta es como sigue: "La enmienda constitucional permitiendo que la legislatura aumente el número de jueces en cualquier Corte de Apelaciones Civiles, permitiendo que Cortes de Apelaciones Civiles sesionen por secciones, y requiriendo la concurrencia de una mayoría de jueces para decidir una causa."

### NO. 7 (S.J.R. 48)

S.J.R. 48 propone una enmienda a la constitucion de Texas eliminando la Comisión de Edificios del Estado y el Fondo de Edificios del Estado. La autoridad de la Comisión de Edificios del Estado ha sido trasladada por ley a la Junta de Control del Estado.

La terminología de la enmienda propuesta tal como aparecerá en la boleta es como sigue: "La enmienda constitucional para abrogar la autoridad constitucional de la Comisión de Edificios del Estado y el Fondo de Edificios del Estado."

### NO. 8 (H.J.R. 42)

H.J.R. 42 propone una enmienda a la constitucion de Texas permitiendo que ciertas subdivisiones politicas o distritos del estado que al presente pueden emitir bonos u otras deudas o de otra manera prestar su credito participen en actividades contra incendios y que emitan bonos o de otra manera prestar su credito para sostener tales actividades. La terminología de la enmienda propuesta tal como aparecerá en la boleta es como sigue: "La enmienda constitucional autorizando que ciertos distritos participen en actividades contra incendios y que emitan bonos o de otra manera presten credito para tales propósitos."

**Bronco Bits**  
 by Annabelle Gonzales

How about them BRONCOS! The Broncos played a great game Friday night as they defeated the Ballinger Bearcats 13-0. The Broncos improved a great deal on offense and the Mighty Bronco defense has not been scored on yet. The only time the Broncos have been scored on was on a kick off return.

The Broncos showed plenty of teamwork and spirit. They blocked for each other and complimented each other on their work. The boy's enthusiasm showed to the spectators in the stands. They in turn voiced their approval. There may not have been as many fans on the Bronco side, but they yelled just as loud as Ballinger.

I'm sure the Broncos and the Bronco band would like to thank the people of Sonora for their support. The only bad things in the game were the penalties and the loss of Manuel Lopez, senior halfback, who broke his leg in the closing moments of the game. He will be out for six weeks.

The captains for the game were announced at the pep rally. They were Bunk Galbreath and Chase Snodgrass. Oh, by the way, the Junior High won the Spirit plaque. OUR spirit plaque is on the Junior High wall! Come on sophomores! (I'm not partial). Colts aren't supposed to yell louder than Broncos!

Becky Boyd, Nora Galindo, Tonya Ridgeway, and Marche Lane performed a humorous skit at the pep rally with the help of the cheerleaders. Don Lawson served as the speaker. He pointed out that the Broncos had no excuses to lose. They have the coaches, size, strength, and depth to go all the way. The freshmen football team won their first game of the season as they defeated Ballinger 6-0 Thursday night.

The J.V. football team was rained out after the first quarter, but the Broncos were leading 13-6. This had the makings of a good game.

An ice cream social was given by the Bronco band last Tuesday night. The sixth grade and Jr. High bands entertained as well as the Stage band and the Bronco band. They served cake and home made ice cream to go along with the music.

Anna Kay Phillips, who moved Thursday, made her appearance with the stage band. Her vocal ability will be greatly missed.

Thought for the week: "No idea ever dropped into a closed mind."

**Hospital Board Supports Cost Containment**

Members of the Board of Directors of Lillian M. Hudspeth Memorial Hospital have voted unanimously to support and pledged participation in the voluntary cost containment effort of the National Steering Committee and Texas Voluntary Effort.

Part of the resolution adopted in the vote read, "It is our continued intent to contain the rate of increase in Hudspeth Memorial Hospital expenditures and incur new capital investment at levels that provide for the delivery of quality medical and hospital services commensurate with the needs of the patient community served by our hospital."

Hudspeth Hospital has always done everything possible to restrain the rate of increase in health care expenditures.

**Police Reports**

**Monday, September 11**  
 5:39 p.m., A local car dealer reported a car being test driven and not returned. Officer notified and car returned.

**Tuesday, September 12**  
 10:10 a.m., Det. Emert of San Angelo Police Department called requesting arrest of Steve Benton Luckness for felony theft. Luckness was arrested at 1 p.m., and turned over to San Angelo authorities.

7:21 a.m., Caller reported two dogs in swimming pool in Highway 290 East. Animal warden was advised.

**Wednesday, September 13**  
 9 a.m., Police advised of problem with parked vehicles in alley behind a local garage.

**Thursday, September 14**  
 5:20 a.m., Report of dogs running loose in vicinity of 305 West 2nd. Animal warden advised.

6:10 p.m., Caller reported tool box lying in road between Gulf and Elliott's Warehouse. Gone on arrival of police.

6:59 p.m., Possible burglary reported. Screen cut but no entry made.

12:38 a.m., Officer discovered door open at local restaurant.

**Friday, September 15**  
 12:22 a.m., Caller reported subject bothering waitresses at local restaurant.

3:17 a.m., Domestic disturbance investigated at local motel.

**Saturday, September 16**  
 5:29 p.m., A resident of a local mobile home park reported a minor accident on Highway 290 West.

## average monthly weather outlook

U.S. DEPARTMENT OF COMMERCE • National Oceanic and Atmospheric Administration • National Weather Service

FOR MID-SEPTEMBER TO MID-OCTOBER 1978

## Glen Fisher's Wool and Mohair Report

The mohair market has been a little soft the past two weeks. As I reported last week, we did not sell all of the mohair offered in our sealed bid sale. A sale in Uvalde last week was called off about half way through the bidding and only 50,000 pounds or so was sold out of a 300,000 pound offering. Prices on the amount sold were very good so it is difficult to analyze the situation at this point.

The 2nd sale in South Africa was held yesterday and reports are not yet in at this time, but the key to the market will be how that sale went. Buyers are holding off hoping the sale there will be down. We do know that demand for mohair is still good.

Financing has become a problem due to the amount of money involved with our high prices.

The first fall wool sale has been scheduled in Ozona for tomorrow the 21st and Del Rio has set October 19th for a sale. We plan to have our sale sometime in between the Ozona and Del Rio sales but have not picked a date yet.

## 4-H building Committee To Meet September 26

The fall meeting of the Sutton County Extension Program Building Committee will be held at the Sutton County 4-H Center at 1:15 p.m., Tuesday, September 26.

The purpose of the meeting is to review the County Extension Program for the past year and to give local people an opportunity to suggest needed revisions in the program.

Reports will include 4-H Work, Adult Agricultural programs, Home Economics, Community Resource Development and the Sutton County 4-H Center.

All Sutton County Extension Program Building Committee members are urged to be present at the meeting.

Educational programs conducted by the Texas Agricultural Extension Service serve people of all ages regardless of socio-economic level, race, color, sex, religion, or national origin.

## Governor Names October Farm Demonstration Month

Gov. Dolph Briscoe has proclaimed October as "Cooperative Farm Demonstration Month" in Texas and called upon all citizens to join in the observance.

The first farmer-conducted demonstration of the use of scientific research in farming—as an educational tool for improving agriculture—was inaugurated near Terrell, Texas, in 1903. A 70-acre tract on the Walter C. Porter Farm was selected for the farm demonstration site by Dr. Seaman A. Knapp, a longtime educator and special agent for the U.S. Department of Agriculture.

This educational method employing the principle of "learning by doing" is an expression of the procedures of democracy, wherein the individual puts forth his efforts voluntarily to learn the practical use of new ideas for the benefit of himself, his family and neighbors, the proclamation indicates.

"From this beginning in 1903, when Dr. Seaman A. Knapp proved that farm demonstration educational programs are successful, the county agent system operated by the Texas Agricultural Extension Service has grown. Extension work is now cooperatively supported by county, state and federal government.

Today, as in 1903, the chief teaching method for both adults and youth continues to be the demonstration technique," says Dr. Daniel C. Pfannstiel, Extension Service director.

Observances of the 75th anniversary of farm demonstration work are scheduled in each of the 14 Extension Service districts. These will follow the Oct. 12 kickoff meeting in Dallas at the Texas A&M Research and Extension Center and a program that afternoon at the Porter Farm near Terrell. The Dallas meeting is set for 11 a.m. and the Porter Farm tour and program will start at 4 p.m.

Representatives of the families of the late Dr. Seaman A. Knapp and Walter C. Porter will participate in the Dallas program, along with state and national dignitaries.

"At the district and county observances, long-time farm demonstrators will be recognized and honored. The public is invited to participate in the programs," reminds Pfannstiel.

## Utility Sales Tax Dropped

The state's four per cent sales tax on utility bills for residential customers will be dropped after Oct. 1, but an overlap for billing periods beginning during the month of September will cause the tax to appear on all bills received during October and on some received in November.

Co., said that instructions issued by the State Comptroller are specific on how the recently approved tax exemptions are to be applied.

"A lot of people apparently think that October billings will not include the tax," Foy said, "but his is not the case."

"The law states that the exemptions shall apply to each regular monthly billing period beginning on or after Oct. 1. This means that if we bill a customer

for service from any time prior to Oct. 1, the four percent sales tax will be applied to the total bill."

Citing an example, Foy said that if a meter is read on Sept. 29, that particular customer will be taxed on the bill he received in October and also on the bill he receives in November, since his November bill is for service from Sept. 30-Oct. 29.

The tax exemption was enacted during the special session of the Legislature this summer and applies to residential use of electricity and natural gas. Residential use is defined as "a family dwelling, a multi-family apartment, a housing complex, or building or portions of a building occupied as home or residence."

The Legislature provided a local option on the one percent city sales tax on utilities, but most of the towns in the West Texas Utilities service area have indicated they will continue the tax. Foy said that so far, Junction is the only WTU town which has announced it would abolish the tax.

"Our company will continue to collect the tax for the cities that wish to keep it," Foy said.

Fred Foy, supervisor of statistics and state taxes for West Texas Utilities

## TSGRA Directors To Meet

The Texas Sheep and Goat Raisers' Association's fall directors' meeting will be Saturday, Oct. 7 at the Menard High School, Menard.

Registration will begin at 8 a.m. Committee meetings will be split, beginning at 9 and 10:30, followed by a dutch treat meal.

Members are urged to attend if at all possible. We may not be able to solve all the world's problems at one whack, but we'll darn sure give it a try.

It'll also give us an opportunity to advise you how things went during the Sept. 18 and 19 tour of West Texas ranch and farmland by top EPA and USDA officials.

# Uranium, Coal Should Be Given Priority

The development of alternative energy supplies should be given the highest priority on both the industrial and governmental levels, Railroad Commissioner John H. Poerner said here today.

Poerner, in a speech before the South Texas Uranium Seminar conducted by the Mining Division of the American Institute of Mining and Metallurgical Engineers, stated that the day is coming when uranium and coal will be "full partners in the production of energy with the oil and gas industry."

The energy and transportation regulator noted that decreasing domestic reserves and increasing prices for imported oil and gas have forced Texas and the nation to a "turning point in the history of energy resource production and utilization."

Poerner told the engineers they should join with "resource managers and planners, mining operators, scientists and chemists in addressing the complex task of making the transition to new fuel sources, while protecting our country from a crippling dependence on foreign crude."

The Commissioner stressed that Texas, with 16.9 million short tons of lignite mined last year and production expected to reach more than 70 million short tons in 1984 and uranium production of 985,000 tons of ore last year projected to reach almost two million tons of ore in 1979, need not fear the switch to new fuels.

But, he added, the increased mining activity must be controlled with enlightened regulation designed to protect the natural resources of our state.

"As citizens of Texas," Poerner said, "we must develop our natural resources to meet our needs, but we must also prevent the exhaustion of our minerals and the spoilage of our land."

"The challenge to industry is to mine our solid fuel energy reserves; the duty of the Railroad Commission of Texas is to see that the mining is orderly, with the least possible damage to Texas land, forests and streams."

To accomplish this two-fold purpose, some thorough and far-sighted planning in the use of energy resources needs to be undertaken now,

Poerner maintained. The investigation should include not only lignite and uranium mined for export but also nuclear power plants in Texas, he urged.

"While no one would argue that all the questions surrounding nuclear energy have been answered," the Commissioner observed, "this is one more area which must be thoroughly investigated and studied as a possible solution to our ever-increasing demand for energy."

Poerner emphasized that the day of cheap energy is over and that only immediate research and planning can insure continued supplies in the future.

"The cheap, easily accessible fuel supplies that we once knew are a thing of the past today; we must give highest priority to research programs, on both the industrial and governmental levels, aimed at developing alternative energy supplies."

"We must not abuse nature; we need to follow well thought out rules which are too restrictive, but, at the same time, we must restore our earth to some degree."

## John Hill is attacking State Budget waste . . .

"I've already started my search for waste in the state budget. I want to be ready to tackle overspending the minute I take office as Governor in January. My budget office already is paring down big state agency budget requests, to keep spending within available revenues. We'll have to live within our means, because I'll veto any new taxes."

. . . because he knows our taxpayers need relief from inflation.

## RRC Approves Gas Sale

The Railroad Commission today authorized H&W Enterprises of Midland to sell gas produced on Texas public lands to El Paso Natural Gas Co., an interstate customer. RRC approval of such sales is required by statute.

The sale involved sour casinghead gas produced on five University of Texas leases in the Farmer (San Andreas) Field in Crockett County.

Chairman Mack Wallace and Commissioner Jon Newton acted on the recommendations of Senior Legal Counsel J. Brooks Peden and Senior Petroleum Engineer Eugene W. Day during the weekly conference on Oil and Gas Division matters. Peden and Day conducted a public hearing on the application on July 19. It was unopposed.

Today's action will permit H&W to turn its gas into an established casinghead gas gathering system that delivers gas to the Big Lake gasoline plant for processing with the ultimate sale of gas to El Paso at \$1.20 per thousand cubic feet (Mcf).

Casinghead gas production ranges from 14 to 54 Mcf per well per day on the five leases.

The casinghead gas gathering system is in the immediate vicinity of the H&W wells whereas it is 14 miles to the nearest gas line and 24 miles to the next nearest gathering system, according to evidence presented at the July hearing.

## Texas Oil Producing 3,603,724 Barrels

Average calendar day allowable of Texas oil production as of September 15 totaled 3,603,724 barrels, the Railroad Commission's Oil and Gas Division reports.

This legal rate of flow from 181,919 wells on allowable schedules compares with 3,592,032 barrels daily on September 1 when 181,284 wells were listed.

Texas oil allowable in September 1978 is pegged statewide to a 100 percent market demand factor. Estimated actual production in September is approximately 2,857,000 barrels daily and compares

with actual production of 2,978,030 barrels daily in the same month last year.

Stretch your energy dollars - Install an energy-efficient electric heat pump

A heating system that's more than 200% efficient may seem like something out of the future. But it isn't. It's yours today, with the electric heat pump. Because when correctly installed in a properly insulated home, the heat pump produces two units of heat for each single unit of electricity it uses. It transfers heat that's always present in sun-warmed outside air into your home during the winter. And reverses the process, pumping heat outdoors during the summer.

If you have plans to buy, build, or remodel, or are looking for a new heating and cooling system for your home, call a local FACTORY CERTIFIED heat pump dealer or talk with WTU. We will arrange for a WTU heating and cooling specialist to contact you. Learn more about the easy-to-install, economical electric heat pump - your most energy-efficient heating and cooling system buy.

Mike Jones [80] stops a Ballinger runner Friday night as David Reyna [83], Wesley Barton [72], Dan Lawson [64] come to the rescue. The Broncos upped their season record to 1-0-1 with their 13-0 victory. Sonora will meet the Mason Punchers at 8 p.m. in Mason.

# Sonora to Meet Mason

The competition just keeps getting tougher for the Sonora Broncos as they travel to Mason to play the Punchers Friday at 8 p.m.

"Mason has probably as good an offensive team as we will see all year," Bronco coach Jerry Hopkins said. "And as far as I can see they are probably pretty solid on defense," he added.

Mason is one of the favorites to unseat defending District 9-A champion and state semifinalist Wall.

New coach Don Abbott is one of the primary reasons, along with his son, Danny.

Abbott came to Mason after being an assistant at San Angelo Central for several years, and his son was a part-time starter for the 4-A Bobcats last year.

Hopkins describes the junior Abbott as a quarterback who both runs and throws well.

Fullback Lee Heinrich has been the mainstay of the Puncher offense this year along with halfback John Watson and wingback Tommy Haines. All

three are returning starters.

Bobby Tatch at guard and Eli Castillo are also offensive mainstays.

Heinrich, Tatch, Castillo and Tommy Haines will handle the linebacking chores with Danny Martinez in the secondary.

Mason does not have the size they possessed in past years but overall team speed is better.

The Punchers dropped their first outing of the year to a tough Llano club, 26-14, but pulled out a 33-19 come-from-behind victory over San Saba last

week.

The Broncos were extremely impressive last week in thumping Ballinger 13-0.

The Red Hoss offense had its best game in several years, picking up nearly 400 yards total offense, including 305 on the ground.

Fullback Wayne McLaughlin took over the district rushing lead with a 125-yard running performance, including a 54-yarder.

Over 90 yards in penalties kept the Broncos from putting more points

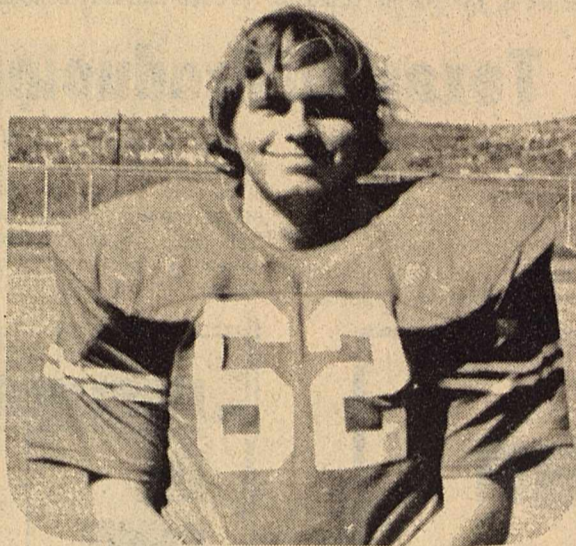

on the board, and two lost fumbles also stopped one sure touchdown and possibly another.

Defensively the Broncos almost shut down the speedy Ballinger offensive machine completely, limiting them to 111 yards total offense and only allowing them to cross midfield twice.

The only real Bearcat threat was set up when Ellison Portis returned a kickoff 44 yards. The Bearcats quickly moved downfield with the mo-

## Meet The 1978 Sonora Broncos

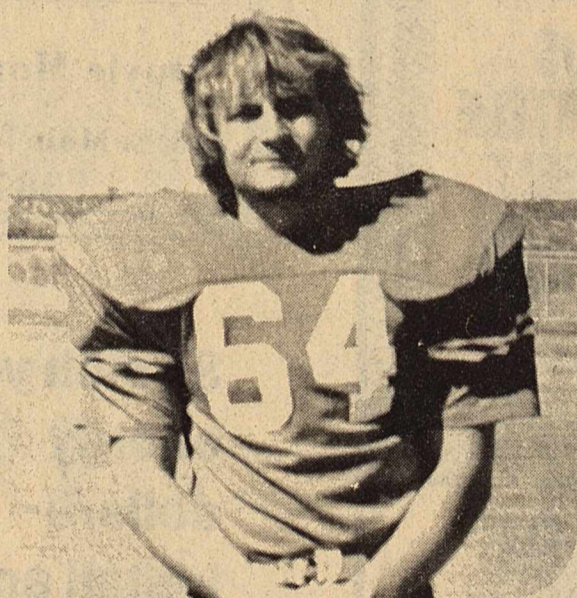

Steve Alley

Steve Alley is a 17-year old senior for the Broncos. At 5-7, 165 pounds he plays offensive guard and defensive tackle. Steve is the son of Derrel Alley and Sue Taylor and has lived in Sonora seven years. This is his first year on the varsity.

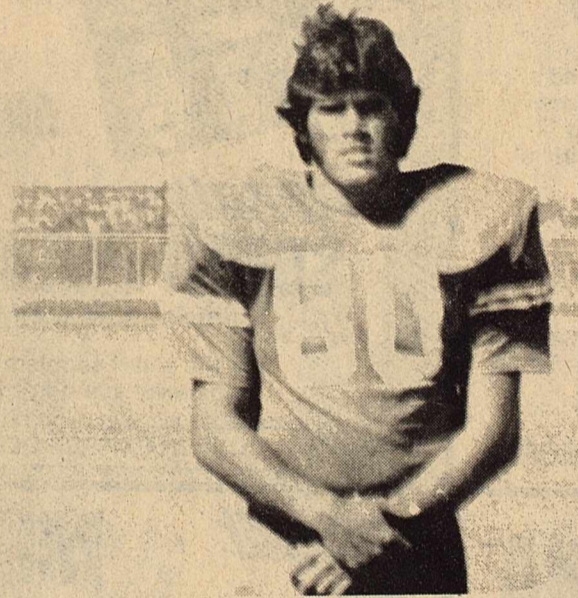

R.B. Alexander

R.B. Alexander is a 5-9, 165 pound center and linebacker for the Broncos. An 18-year old senior he has lettered two years and is also a member of the golf team. He is the son of James and Jane Alexander and has lived in Sonora 13 years.

Mike Jones

Mike Jones is the 17-year old son of Ray and Twillia Jones and has lived in Sonora six years. Mike, 6-0, 191 pound senior, plays defensive end and tight end on offense. He also handles the Bronco kicking and is in his third year on the varsity. He is also on the basketball and track teams.

Dan Lawson

Dan Lawson is a 6-0, 180 pound linebacker and offensive guard for the Broncos. The son of Mr. and Mrs. Don Lawson, he is a 17-year old Senior with two years varsity experience. Dan has lived in Sonora eight years and also plays basketball.

Mike Jones [80] recovers a fumble at the five-yard line to stop the only serious Ballinger scoring threat of the night. Also celebrating the recovery are Benny Granger [30], Billy Bob Galbreath [20], Wesley

Barton [72], Manuel Lopez [40], Chase Snodgrass [60], and R.B. Alexander [51]. The Broncos travel to Mason for an 8 p.m. contest Friday.

# Sporting Chance

by Don Holdridge

In all truthfulness I had fairly respectable picking week, that is if you can have any respect for someone who can't read a schedule.

I failed to notice three Southwest Conference open dates, and instead used the Texas Tech-Arizona, Oregon-TCU, and Boston College-Texas A&M games which won't be played til this weekend.

As it was I hit 12 of 17 games, raising my season percentage to .676. The previously mentioned games will be added in next week.

### Mason vs. Sonora

Mason, with a new coach and a new quarterback, may have its best team in several years, but quite a few Sonorans are already talking playoffs after the Broncos performance against Ballinger. Sonora 24-7.

### Ozona vs. Eldorado

The Eagles finally get to pick on someone their own size. Look for a tough defensive battle. Eldorado 7-6.

### Crane vs. Coahoma

Crane has made me look dumb the last two weeks. I may make the same mistake twice, but I'm not totally stupid. Crane 21-17.

### Kermit vs. Lovington, N.M.

Kermit is 2-0, but was less than impressive last week. The Yellowjacket nest gets swatted this time around. Lovington 21-17.

### Sam Houston vs. Angelo State

Almost nobody is dumb enough to want to play Lone Star Conference teams, so now they're having to play each other twice. The Rams double their pleasure, double their fun. ASU 34-7.

### Oklahoma State vs. Arkansas

If Arkansas's defense can give up 17 points against Vanderbilt, the Razorbacks may not be as tough as predicted. Enough though. Arkansas 21-10.

### Kentucky vs. Baylor

Baylor lost a heartbreaker in their opener. They're

# Junior High Gridders Fall To Ballinger

by Kay Holdridge  
The Sonora Colts debuted in Ballinger Thursday night. Both teams came up short, but did well for the small amount of practice they got because of rainy weather.

The seventh grade, under Coach Charles Adams and Charles Russell, managed to score a lone touchdown in the third quarter. The two-point PAT failed and the Colts trailed 14-6.

The Colts had an opportunity to score on their first possession as Terry Vickers ground out three first downs, but a 15 yard penalty took the wind out of the Sonora sails until Jeff Brittain could punch in the score in the third quarter.

Defensively, Mike

Polocek turned in a fine effort.

Defensively, Zeke Duran, De Voe Smith, and Chris Reynolds were outstanding for the eighth grade Colts. Ballinger was a much physically larger group of boys and the Colts did well in holding them to two touchdowns.

The offense had problems maintaining control of the ball and getting near the endzone.

Eddie Vallejo scored the lone tally for the Colts with a short run on one of the few Colt drives.

Eighth grade coaches are Oliver Wuest and Virgil Burge.

The Colts will host Big Lake here on Thursday. The first game will begin at 5:30 with the eighth grade contest scheduled for 7:00.

Both the Bronco freshman and junior varsity teams wrapped up their first victory of season against Ballinger Friday night. Defense was one of the prime reasons for the wins. Here Scott Savell [47], Charlie Carroll [52], Jorge Sanchez [62], Robert Ponsetti [68]

and John Blankenship [9] converge on a Bearcat runner. Also pictured are Rick Powers [11] and Rodolfo Ramos [21]. The junior varsity travels to Big Lake for a game tomorrow night.

# Sales Needed on Sutton History Book

The Sutton County Historical Society wants to thank those who have submitted their family histories for inclusion in the upcoming Sutton County History Book.

There is still something you can do to help this project. The number of books ordered governs the number of printed pages in the book, and, at this time, not enough orders have been received to assure the number of pages we want for the book.

There must be more book sales to accommodate all the interesting material which will make this

beautiful volume the pride of Sutton County.

If your check for as many books as you will need is not in the hands of the Historical Society, will you please take care of it

right away?

The history book will contain chapters on all facets of life, but the ones on which work is focused at this point include businesses, churches,

clubs, and other organizations.

A charge for this space will have to be assessed to insure that we will have enough pages in the book. Money from selling

this space will allow us to buy more pages for other history if needed.

Old time businesses should tell when their business came into existence, why they wanted to

establish their company in the county, how long they have been in business, and what their contribution to the growth and development of the county has been.

For example, an old time business may have extended credit to early settlers to help them get on their feet. If so, tell about those times.

Certainly these things and the people who were able to stay in the county are what makes it the place it is to live and work today. Submit photos of early days and current photos.

New businesses or organizations should tell why they have chosen to go into business or come into being, how they feel growth and development in the county in the past has provided an opportunity for the business or organization to succeed.

If these business people came from outside the county, they should tell us about their background. Submit photos of business or products. The book committee does not want advertising copy, but wants your history told as outlined above.

Cost for these pages will be \$45.00 for a quarter page, \$80.00 for a half page, and \$150.00 for a full page.

For additional information, contact the Sutton County Historical Society, P.O. Box 1145, Sonora, Texas 76950.

## Sporting Chance

cont from page 5B

a good football team, but the competition is too tough. Kentucky 21-14.

### Houston vs. Utah

Houston was on the receiving end of a big upset last week. If they want to salvage their season, the Cougars better get in the groove in a hurry. Houston 14-10.

### Oklahoma vs. Rice

Rumors have it that Rice is looking for a church to affiliate with. Having to play Texas and Oklahoma back to back, they need a lot of prayers. Oklahoma 42-0.

### Penn State vs. SMU

The Mustangs have convinced me they are a solid team, but the Nittany Lions convinced me they are a super team. Penn State 35-21.

### Texas vs. Wyoming

The Longhorns get a little more competition this week, but not much. Fred Akers just hopes the ghosts of his past don't come back to haunt him. Texas 35-7.

### Alabama vs. Southern Cal

Bear Bryant is shooting for another national title, and he's not about to lose at home. Alabama 35-28.

### Notre Dame vs. Michigan

The Irish may have regrouped from their upset by Missouri, but Michigan is already rolling. Michigan 27-10.

### Dallas vs. St. Louis

The Cowboys couldn't compete in a Pop Warner League last Sunday, but Dr. Tom Landry will find a cure for that this week. Dallas 28-17.

### Houston vs. Los Angeles

The Oilers have just been squeaking by, while the Rams looked almost unbeatable last week. Los Angeles 17-10.

### Baltimore vs. Buffalo

Baltimore has changed from champion to chump this year. The upset special of the week. Buffalo 20-14.

### Oakland vs. New England

The week after a Monday night game seems to be a jinx, especially when the Raiders are the opponent. Oakland 27-14.

### Pittsburg vs. Cleveland

The Browns get their bubble burst this week. It's really a toss-up, but the home advantage is as good as a reason as I can come up with. Pittsburg 21-17.

### Seattle vs. Detroit

The Lions had some bright spots against Chicago last week despite losing. If they can sparkle a couple of times, they might just win one. Detroit 13-10.

### Philadelphia vs. Miami

I'm in an upset mood for some reason. The Dolphins are riding too high while the Eagles have been playing too well to keep losing. Philadelphia 24-21.

To the boss, I'm a  
"Communications Consultant."  
But to most people, I'm the  
guy from  
the phone  
company.

Officially, I'm a "General Telephone Communications Consultant, specializing in increasing customer profits by maximizing communications efficiency."

Whew!

We consultants would rather say we're people who know a lot about how to solve your phone system problems so you make more money.

So, you'll find us in offices, plants and stores. Analyzing phone bills and equipment needs and . . .

Looking for ways to help our business customers do their business better.

For example: How much do you lose if your phones are busy and a prospect hangs

up? Or if you can't answer letters fast enough because you can't find a typist?

If these have a sadly familiar ring (or remind you of other problems) . . .

You need us!

Even if you think your system is pretty good right now, we bet we can make it even better.

There's no additional charge for our help, by the way. And it's very easy to get. Simply call our business office.

mentum on their side in the closing minutes.

A pass interference call on the Broncos in the endzone moved the ball to the one-yard line with a first down, but Ballinger quarterback Jimmy Burns fumbled on the first snap from center and defensive end Mike Jones recovered. Hopkins credited defensive tackle Jessie Vela with having a very consistent game, while quarterback Benny Granger who hit on four of six passes for 61 yards and one touchdown was the offensive highlight. Granger also added 31 yards rushing.

Halfback Manuel Lopez was the only casualty of the game. Lopez suffered a broken leg late in the contest and will probably be out of action at least six weeks.
