

### Thompson Wins DRN Football Contest

Despite all the upsets last week Gene Thompson managed to correctly pick all but two games to win the Devil's River News Football Contest and the \$20 first prize.

Jack Sharp edged Tommy Thorp for the second place \$10, each missing three games. Thorp will win \$5.

With all the upsets about the only games that weren't missed very often were Iraan over Ozona, Texas over North Texas, Texas Tech over New Mexico, Dallas over St. Louis and Houston over Buffalo.

Fifteen entries missed only four games, but most missed many more with numerous entries missing seven or eight contests.

Those missing only four games include Steve Jennings, Miguel Sandoval, Kelly Ward, Elmer Garlitz, Tom Balmos, Cody Savell, Jesse Martinez, Jesse Ortiz, Carmela Garza, William Steele, Carolyn Sorenson, Rodney B. Haltom, Dwight Hardin, Gus Eustace, Ernest McClelland and Julie Stewart.

## Surber, Van Hoozer Gold Star Awardees

# Sutton County 4-H'ers Honored

The Annual Sutton County 4-H Achievement Party and 4-H Ball was held at the Sutton County 4-H Center Monday, October 16, 1978.

4-H members were honored for their outstanding records achieved during the past year while 4-H leaders and friends of 4-H were honored for their outstanding contributions made to the 4-H program.

Winners of the 4-H Gold Star Awards were Tammy Van Hoozer, fifteen year old daughter of Mr. and Mrs. Calvin Van Hoozer and Rex Surber, fifteen year old son of Mr. and Mrs. J.C. Surber.

The Gold Star awards are presented to the outstanding 4-H girl and boy in Sutton County each year by the Texas Agricultural Extension Service.

Tammy has been a member of the Sutton County 4-H Club for the past eight years. Her most important 4-H projects and activities have included: sheep, rabbit, foods, and clothing projects, livestock judging, wool and mohair judging, and range and grass judging.

She was a member of the State Grass Judging Team that placed first in 1977 and the range judging team that placed second in 1978. She was the third high individual in grass judging in 1977 and the

second high in range judging in 1978.

In addition, Tammy was on the team that placed first in the National 4-H Wool Judging Contest this past year. Her record book in Range Management won 1st at District and 1st alternate at State Competition in 1977.

She is Parliamentarian of the County 4-H Club and is the 4-H Sweetheart for 1978-79.

Her school activities have included being a member of the Sonora High School Band, and playing basketball and track.

Tammy is an asset in assisting younger 4-H'ers with their projects and activities. Her enthusiasm and work have helped her attain many of her goals.

Rex Surber has been a member of the Sutton County 4-H for five years. His most important 4-H projects and activities have included range and grass judging, livestock judging, wool and mohair judging, market lamb project, hunters safety, and rifle team.

Rex was on the first place state grass judging team in 1977, the second place range judging team in 1978, and 1st place state wool and mohair judging team in 1978, and the first place National Wool Judging Team in 1978.

He was the third high over-all

individual at the Sonora Wool and Mohair Show. Rex is also the 4-H Beau for 1978-79.

Although Rex is involved in many school activities he always finds time for 4-H. He is well liked and is a great help with younger 4-H'ers.

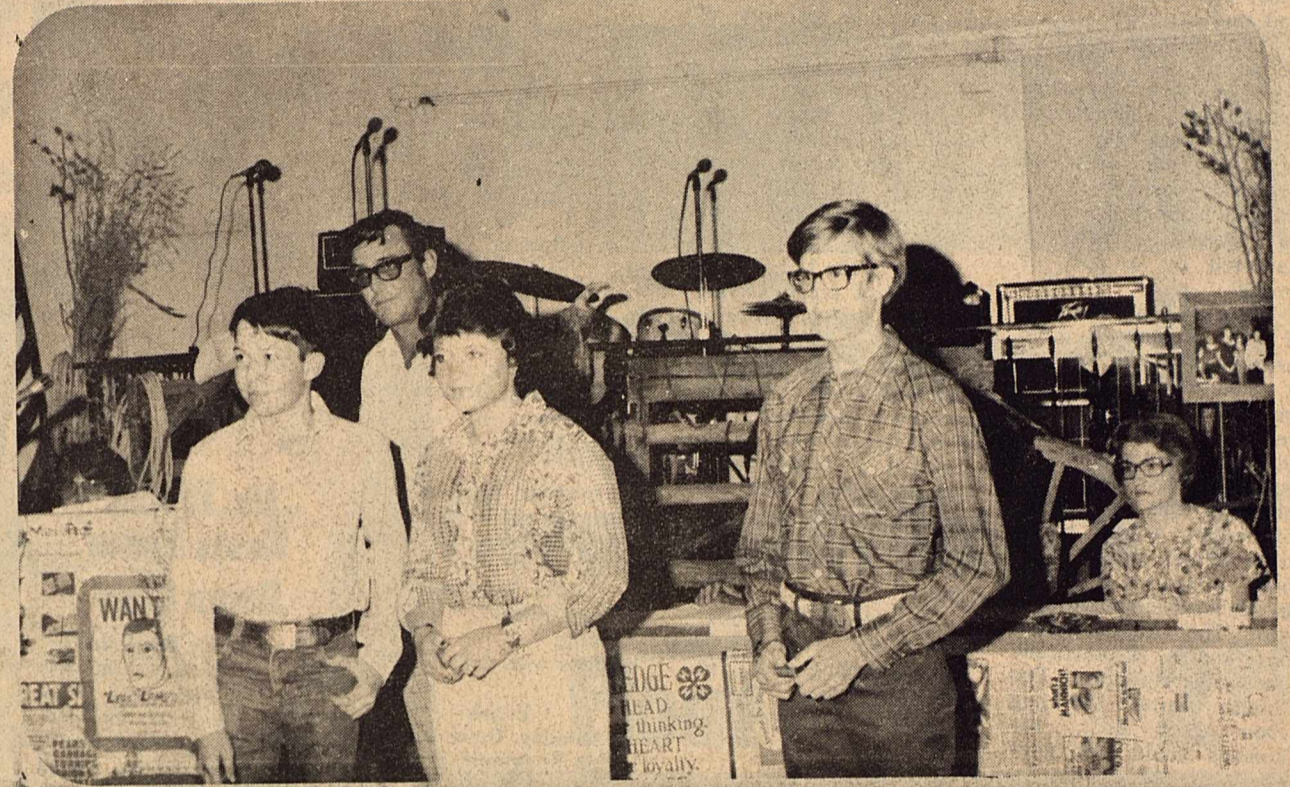

Winner of the 1978 "Fred T. Earwood Award" was Mark Van Hoozer, seventeen year old son of Mr. and Mrs. Calvin Van Hoozer.

This award is presented by an anonymous donor to a senior 4-H member who has an outstanding 4-H record and who has encouraged boys and girls to participate in the Sutton County 4-H program.

Mark has been a member of the Sutton County 4-H Club for nine years and is the club secretary. He has attended the Texas Section Range Camp in Junction, the State 4-H Congress in Corpus Christi, and the National 4-H Citizenship Short Course and Heritage Tour in Washington, D.C.

His activities have included rifle, market lamb feeding, livestock, range, plant, and wool and mohair judging. He has been a member of four State Champion 4-H Judging teams including the 1975 State Champion range, grass, wool and mohair judging teams. He was a member of the second place

Gene West, president of the Downtown Lions Club, Prissy Cook and Espy Whitehead during the annual Sutton County 4-H Awards Ball Monday night.

## Council Annexes Tract by Cemetery into City

In its regular monthly meeting the Sonora City Council annexed 10,999 acres into the city upon the request of HNG.

The tract of land, with a frontage of IH-10 by the cemetery, is in the process of being sold by HNG to Charles Graves and Tommy Thorp

for development. The annexation into the city limits along with a C-1 (light commercial) zoning were conditions of the sale, and although the council approved the annexation, it was explained the parties would have to present their case to the

Planning and Zoning Commission. Don Dooley, local manager of Television Enterprises, Inc., appeared before the council to explain the cable company's present plans.

Dooley explained within 30 to 45 days the company would drop programming by Channel 11 out of Fort Worth and would instead start airing Channel 17 from Atlanta, Ga. Dooley said the company's reasoning for the change was the current terrestrial microwave system is overloaded often resulting in poor reception.

The Atlanta station may be picked up by satellite, reducing both the number of jumps from tower to tower and the load on the receivers and transmitters, thus giving better reception on both the new channel and others as well.

Channel 17's programming is similar to that of Channel 11, showing mostly reruns and movies. Mary Bustemante was appointed tax assessor and collector for the city to replace Ava Weathers who resigned. Miss Bustemante has been her assistant and has completed most of the schooling in preparation for the job.

The council was informed by City Manager James Dover that another member was needed for the Planning and Zoning Commission to replace Walter Pope who resigned last month.

Bill Keel was tentatively approved for the position pending his acceptance.

An agreement for the responsibilities of the city manager and the city concerning the city manager's house and presented by City Attorney Charles Sherrill and approved.

Dover informed the council a grant for a Traffic Safety Study had been applied for through the state. The study would include all traffic problems throughout the city including around the school, traffic and street signs and other problems.

The study would be paid for solely by the grant from the state. The aldermen also tentatively agreed to a contract with S&K Engineering of San Angelo pending the clarification of one section and slight changes in the section pertaining to expenses.

Members present were Mayor Doyle Morgan, Mary Owensby, Jack Kerbow and Hershel Davenport.

## Homecoming Slated For Eldorado High School

Eldorado High School will celebrate Homecoming during the Menard football game, Oct. 27.

The High School Band is sponsoring the Homecoming queen contest.

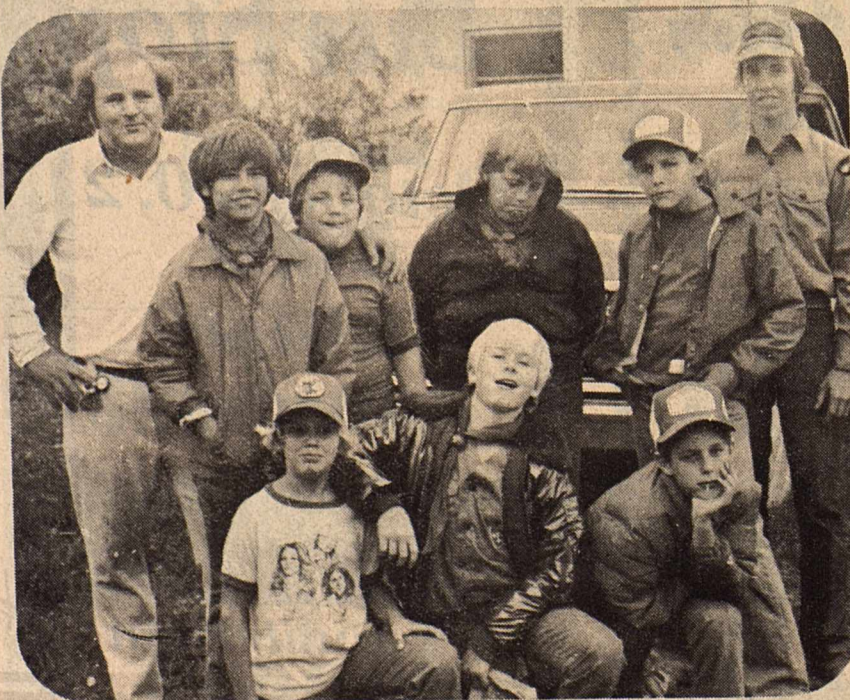

Each class will elect its candidate, and a vote may be cast for 10 cents.

The Homecoming dance will be held Oct. 26 from 8:30 til 12 p.m. at the Memorial Building. Dress is semi-formal.

Deja-Vu Productions will provide music for the dance. They are a disco group featuring special effects such as strobes, black lights, a smoke machine, audio and light chasers and a 22-inch mirror ball.

The Student Council is compiling a list of songs requested by students.

A slave auction will be held the week of homecoming, and freshmen slaves will be responsible for the dance decorations.

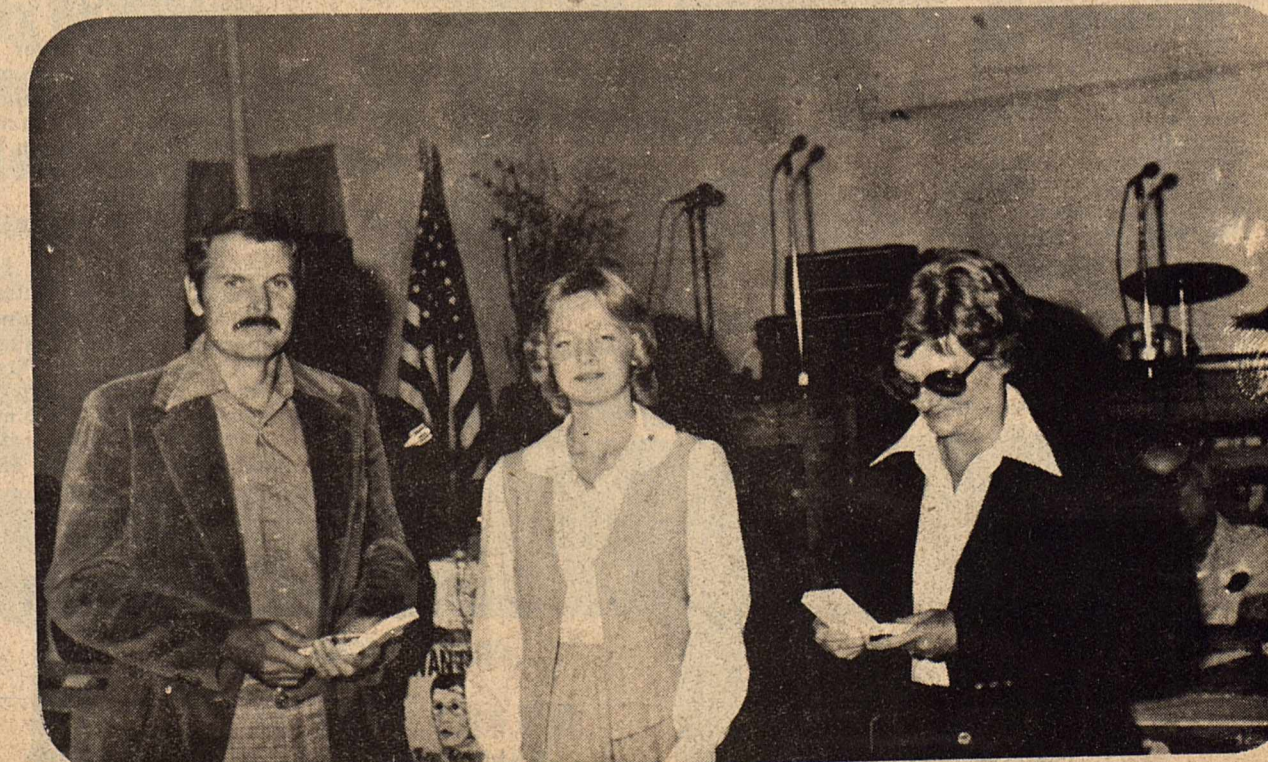

Troop 19 of the Sonora Boy Scouts, represented by the Lions Club, attended the Amangi Trails District Camporee at Camp Sol Mayer last weekend. These boys excelled in all events and brought home a first division trophy. Pictured are Scout Master Bob Kemper, Kevin West, Darin Halford, Myron Halford, Kurt Koffmann, Louis Humphreys, Jody Luttrell, John Mitchell and Joe Will Ross.

Rex Surber, Tammy Van Hoozer, Rick Powers and Mark Van Hoozer were presented the Sutton County 4-H Club's highest awards Monday night during the annual awards ball. Surber and Miss Van Hoozer were named

Gold Star boy and girl. Powers was the recipient of the Edgar Glasscock Memorial Award for the outstanding junior 4-H member, and Van Hoozer was awarded the Fred T. Earwood Memorial Trophy.

Preston O. Love and Mrs. Betty Stewart were honored as the outstanding adult leaders at the Sutton County 4-H

Club Awards Ball Monday night. Paula Friess [center] made the presentation.

# Second Thoughts

by Tom Driskell  
It is an intellectual hot potato, but much to do has been demonstrated over the recent evaluation tests given our school children. Really, there was nothing surprising about it. All you need to do is look at the programming on the national television networks in terms of program popularity and offering. If you do not like that answer, take a gander at the reading level of our adult population. When the entire horizon has been surveyed, the conclusion is not elusive. That conclusion is that more than 50% of our population is not particularly interested in reading in basic computations.

his course, and in the subsequent 1300 years, we have not changed the course more than a degree or two.  
The basic frustration is still there, teachers recognizing that they are beating their heads against a wall in a dogmatic system that requires that an auto mechanic be taught the niceties of English Literature, artists be taught sciences, linguists be taught geometry--against the students desires and inclinations. The test results just gave the answer again, a reiteration of the drop-outs of the 1950's and 1960's, to a

lesser degree the increase in middle-class teenage crime, and the inane narcotics problem. How plainly must total rejection be written for you and I to read it? Could the illiteracy of the previous generation been that high? The evidence says yes!

What should we do? It is too simple to believe we have not already started. We should evaluate our students early, and have programs which can be tailored to their individual needs and wants. Sutton, Schleicher and Crockett County should set them up a school where the three

counties come together, and orient that school to producing craftsmen. It would be expensive, hence the three county involvement, but it could produce welders, automobile technicians, electricians, concrete men, and other techniques which the society needs.

Whether or not a trade school (technical high school) is created is not important--student resistance is, and it is obviously reflecting on the entire system. The hog has to be diverted, or you and I will be run over by it.

## Reflections .....

The result of the tests given our students, therefore, becomes precisely what should have been expected in the first place--a surprising percentage of functional illiterates. Instead of putting the blame on the teachers and the school, it might be wise to look at the rigors of the educational system that is being imposed, against many of their wills, upon our educators and students alike.

The artistry of language above the level of the street is of no particular value in a craftsman's economic world. Conversely, torque tolerances and expansion coefficients are totally outside of the realm of interest which is harbored by a poet or writer.

We must recognize this, if we approach the problem logically, seeking a solution. One must believe that it is generally recognized, but it is more difficult to understand why something is not done about it. It is reminiscent of herding a hog. He is hard to get started, and once started on a course, is practically impossible to turn. The Greeks started on a course, is practically impossible to turn. The Greeks started the hog about 500 B.C., the Romans could not alter

by Rev. Jim Miles

In my profession one is constantly exposed to people and to organizations. As a father, I am also constantly exposed to those who deal with children--at school, in pee wee football, in scouting, in church school classes, etc.

In an overwhelmed by the genuine sincerity of those who work in order that the younger members of our society might grow straight and strong, I am also very grateful for the time and effort these dedicated men and women give toward these endeavors.

Last week I had the pleasure of accompanying Troop 19 and the Webelos Den of Pack 19 to the Fall District Camporee at Camp Sol Mayer. I was somewhat detached from direct responsibility to the group so I found myself free to float from one campsite to another, observing boys and leaders from units throughout the area.

On several occasions I am afraid that I saw leaders yelling and downgrading their young wards. I could see the

sadness and feel the rejection in the eyes of these youngsters, and I was very sad.

In our camp however, I observed the patience, kindness, and consideration of Bob Kemper and Jim Kimbrel. I also was quick to note the visible happiness, the elation that resulted from the positive reinforcement, from the

strokes of the leaders.

We can be very proud of these men who give of themselves so the youngsters of Sonora can have scouting with the accent on OUTING. We also can endeavor, in our own lives, to give encouragement and positive reinforcement to the young wards entrusted to our care.

## Ms. Rivers Hosts Home Demo Club

by Nancy Brockman  
Kathy River was hostess for the Stitch and Stew Home Demonstration Club when they met October 9. (By the way Kathy, we all thought your apartment was the cutest thing ever!)

Ms. Rivers introduced June Ferguson, the star of the show. Ms. Ferguson demonstrated making baskets and ornaments from flour and salt dough. She worked miracles with the dough while we all watched in amazement.

The meeting was complete as we left with cookie in hand and dough baskets on our minds. Thanks June for sharing your talent with us.

Patrick Campbell, Mike Stallard and Thomas Adkins, members of the Sutton County Emergency Medical Service, are pictured showing Brownie Troop 241 emergency medical training. Girls were shown how to make and use triangular bandages, clean and cover various types of bites, and cuts, treat for shock, frostbite, burns and treatment of sprains, fractures and broken

bones. They were also given an inspection of the ambulance. Girls pictured are Raylene Porter, Jennifer Davis, Cindy Ogburn, Jennifer Adkins, Christi Farmer, Velma Lopez and Missy Jimenez. Not pictured but attending the meeting were Missy Lira and Dorothy Wilson.

## 4-H'ers Invited To Participate in Cow Camp

County Extension Agent Clint Langford invites 4-H leaders, adult and teen, to participate in the 1978 4-H Cow Camp for volunteer 4-H beef leaders, to be held at the Texas 4-H Center near Brownwood on November 11 and 12.

This weekend workshop will provide excellent training for 4-H leaders who work with youth in all aspects of beef projects.

Workshop topics include "Leader-Oriented 4-H Livestock Programs;" "Working With Kids-The Developmental Processes;" "Judging and Selection: How Leaders Can Train Teams;" "Fitting and Showing Heifers;" and "Fitting and Showing Steers."

Workshop instructors for the November 11-12 weekend workshop sessions will be: Mr. W. Dee Whitmire, State 4-H club leader, Laramie, Wyoming; Dr. Nelson Adams, Area Livestock Specialist, Fort Stockton; Dr. Larry Boleman, Area Beef Cattle Specialist, Bryan; Mr. Don Richardson, County Extension Agent, Alice; Mr. Ronnie Leps, County Extension Agent, Conroe; and Mr. Lanny Bullard, 4-H and Youth Specialist, College Station.

For registration and other information, interested persons may contact the Sutton County Extension Office located 3rd floor City Hall Building or call 387-3101.

## Alateen To Meet

The American Medical Association recognizes alcoholism as a disease which can be arrested but not cured. If the disease is not arrested, it can end in insanity or death. There are many successful treatments for alcoholism today. Alcoholics Anonymous is the best known and widely regarded as the most effective.

All kinds of people are alcoholics; young and old, rich and poor, well-educated and ignorant, professionals and laborers, housewives and mothers. Only 3% to 5% of alcoholics are "bums". The rest have families and jobs and are functioning fairly well. An alcoholic is someone whose drinking causes a continuing and growing problem in their family life, social life, or working life.

Alcoholism is a family disease because it affects all members of the family. When someone you know has cancer people do not laugh at this person or hate them. Alateen can teach you how to deal with the problem and love your suffering relative. Alateen has a program which can show teenagers of alcoholics how to achieve happiness and serenity. Others personal experiences may help you.

Anonymous writer: given for publication. "I couldn't stand my mother." "My mother is not the alcoholic but she is a sick person. My father is an active alcoholic and his disease has spread through the whole family. I think my mother was most affected by his

drinking, and she, in turn, affected me. She constantly worried and was nervous. I resented this because my friends' mothers were never like that. I resented her. I just did.

I even resented her sending me to my first Alateen meeting, but soon after that I began to understand that we were both sick.

I began to realize why I resented her and why I was scared of my father. I am much more civil toward her now. I look to her for help in a lot of things. We are still not the best of friends, but at least I can accept and love her now just the way she is. Alateen has helped me to see where I was wrong and now I am working to make it right."

Just like A.A., Alateen is anonymous. A last name is not required to be given, and nothing said at the meeting can be repeated.

We are going to meet on Tuesdays at 3:30 in the High School in Room #13.

## Chiefs Zip Raiders 30-0

In Youth Football action Monday night the Chiefs rode over the Raiders by a score of 30-0.

Cowboys and Vikings finished up the second game with a 0-0 battle.

The Chiefs are sponsored by the Dairy Mart; Raiders by Hurry Up; Cowboys by Harris Rat Hole, and Vikings by S&S Casing.

### Art Club Studies Oil Painting

by Darla Fincher  
The Sonora Art Club met Monday with Mrs. Ira Gilbert, president, presiding. During the business meeting Mrs. Clyde Hill, yearbook chairman, passed out new yearbooks. Following the business meeting, Mrs. Harold Garrett continued her

teaching of oil painting. Believe it or not, our trees look like trees. Our only hope now, is that our windmills will look more like windmills than radio towers.

Hostess for the evening were Mmes. Garrett, Estes Adams, Travis Williamson, and Terry Schenkel. Homemade cinnamon rolls, soft drinks and coffee were served.

New members welcomed into the club were Mmes. Jan Brown, Curt Schwiening, James Benson and Steve Short.

Attending were Mmes. Adams, Brown, Cecil Carre, Philip Cooper, Garrett, J.L. Gibbs, Gilbert, Travis Gordon, Edna Granger, Mike Hale, Hill, L.E. Holland, Nora B. Kiser, John A. Martin, Willie Rapplet, Schenkel, Schwiening, Buck Skains, Williamson and Joe Fincher.

### Miss Karen Harrell Weds Bob Gooch in Home Rites

Miss Karen Lea Harrell and Bob Lee Gooch were united in marriage September 23 at their home in Corpus Christi. Judge Margarito Garza officiated.

The bride was given in marriage by her father and wore a four-tiered cream crepe garden dress with lace trim. She chose an organza garden hat to match.

The bride is the daughter of Mr. and Mrs. E.L. Harrell of Sonora. The bridegroom's parents are Mr. and Mrs. Bob D. Gooch of Castroville.

Mrs. Donna Harrell, sister-in-law of the bride,

was matron of honor. Miss Stacey Gooch, daughter of the bridegroom, was flower girl.

Ralph Robinson served as best man with the bridegroom's sons, Michael, Jeffery and Brian Gooch, as ring bearers.

A reception was held following the ceremony at the newly weds' home. They will reside in Corpus Christi following a honeymoon.

Mrs. Gooch is a computer operator for a construction company and her husband is assistant truck manager for a car dealership.

### Brownies Hold Wiener Roast

Brownie troop 241 held their weekly meeting Thursday at the girl scout house.

The seven girls assisted by troop leaders Carolyn Davis and Rhonda Akins, along with three troop mothers, roasted wieners on an open fire.

Neighborhood Chairman

Marlene Evans and Publicity Chairman Pam Davenport were on hand to show the girls games, songs and brownie pledges.

Mrs. Evans talked about many interesting projects that the girls could do in the coming year.

### Complexion Care

MERLE NORMAN COSMETICS  
Complexion care instructions  
Maxine Locklin, Consultant

MIRACOL, Creamy Formula and the original Lotion formula.

To further cleanse and clear your complexion. Both consistencies provide the same function with equal efficiency. Either one is the second step in the "THREE STEPS TO BEAUTY" program. You should use Miracol three times a week. You may use it morning or evening, according to your preference.

Miracol is applied evenly over face and neck with brush. Miracol Creamy Formula is applied with fingertips. Avoid hairline, lips and eye area. Leave either product on 20 minutes. Rinse off with cool water. Pat Dry with towel. Use either form according to preference. If the time limit is up and Miracol is still moist, it should still be rinsed off with water. Follow removal of Miracol with an application of Powder Base or Aqua Base... to protect your freshly cleansed complexion.

Next week read about the Powder Base and Aqua Base or better yet call Jeanne Davenport Beauty Advisor at the Merle Norman Studio for a FREE LESSON TODAY! Phone 387-2216. Free classes booked in advance for nights or Saturdays.

### Home Demo Club To Meet

A meeting of the Happy Homemakers Home Demonstration Club will be held Friday at the home of Mrs. Barbara Arendt at 1201 Glasscock.

Christmas Food Tips will be the theme of this month's meeting.

All persons interested are urged to attend and bring the recipe and sample of their favorite Christmas food.

### Scouts Tour Fire Hall

Fire Marshall Gene West and firemen James McLaughlin and Joe Luttrell took troop 231 on a tour of the Sonora Fire Department October 12.

The eight girls and co-leader Betty Brown were given a demonstration on what causes fires and ways to control them. The tour was completed with a ride on the fire truck.

Special thanks go to the men of the Sonora Fire Department for their helpful instructions.

### Senior Citizens Plan Bazaar

The Senior Citizens of Sonora are having a Christmas Gift Bazaar. The sale will be October 16 thru Dec. 24 at the Sutton Senior Center located at the end of West Main.

Some of the many handmade crafts are quilts, afghans, pot holders, stuffed toys and dolls, Christmas decorations, ornaments, stockings, wreaths and decoupage items.

Orders for special items will be taken. Lay-a-ways will be accepted.

All items for sale are handmade by our local senior citizens. Proceeds from the sale will go towards nutrition for the elderly.

### Mrs. Brasher Hosts Monday Night Bridge

Mrs. Wayne Brasher was hostess Monday night to members and guests of the Monday Night Bridge Club. Chocolate pie, coffee, and soft drinks were served.

Attending were guests Mmes. Joe Neil Smith, Linda Johnson, Jeannie Lawson, Clayton Hamilton and Horace Hill. Guests of the club were Mmes. Nolan Johnson, Jack Kerbow and George Wallace.

Winning club high was Mrs. Hill; guest high, Mrs. Kerbow; consolation, Mrs. Hamilton; and bingo, Mrs. Wallace.

### Fire Auxiliary Installs New Officers

Officers were installed when members of the Sonora Firemen's Auxiliary met October 10 at the Fire Hall.

Vicki Cearley was hostess at the meeting.

New officers installed were Jinx Taylor, president; Trevlin Luttrell, vice president; Vicki Cearley, secretary and treasurer; Karen Ogburn, parliamentarian; Melissa Teaff, historian; and Frances West, reporter.

The auxiliary also welcomed new members Cheryl Cearley, Helen Malicoat and Donna Keese.

Following the business meeting 42 was played. Winning were Vicki Zech, high; Ms. Teaff, 84; and Mollie Hite, low.

Other members attending were Rhonda Blackman, Jane Smith, Nova Olenick, Jean Humphreys, Linda Odom and a guest, Mozelle Wright.

### New Arrival

Walker Libb Wallace arrived September 25 in a San Angelo Hospital weighing 8 pounds and three ounces. Parents are Mr. and Mrs. Libb Mills Wallace.

Welcoming the new arrival are two sisters, Brandy, 6 and Shawn, 3.

Grandparents are Mr. and Mrs. Gene Wallace of Sonora and Mrs. Edith James of Rankin.

### New Arrival

Mr. and Mrs. Louis Samaniego, Jr., are parents of a daughter, Olivia Marie, born October 15 in the Schleicher County Medical Center in Eldorado.

Grandparents are Mr. and Mrs. Ben Castilleja, Jr. and Louis Samaniego, Sr., all of Sonora.

Great-grandparents are Mr. and Mrs. Ben Castilleja, Sr., and Pedro Samaniego, Sr.

### Kappa Gamma Plans Bake Sale

# 4-H Awards...

cont. from page 1

National 4-H Wool Judging team. Mark has also won many honors in the local market and carcass lamb shows.

He was selected the Outstanding Junior 4-H member in Sutton County in 1974, and the Gold Star Boy in 1975.

The "Edgar Glasscock Memorial Award" is presented by an anonymous donor to the outstanding junior 4-H member in the Sutton County 4-H Club each year. The award honors a junior 4-H member who is under 14 years of age at the start of the current year.

The 1978 winner is Rick Powers, son of Mr. and Mrs. Mickey Powers. Rick is fourteen years old and has been a 4-H member for 6 years.

His activities have included range, grass, wool and mohair, and rifle. Market lambs, range sheep, horse, and hunters safety have been his projects.

Judging teams Rick has been a member of include the State 4-H Range Team, the 2nd and 3rd place State 4-H Wool and Mohair Teams, and the high Junior Team at the Sonora Wool and Mohair Show.

Also, Rick was the high junior individual at the Sonora Wool and Mohair Show in 1977-78, a member of the rifle team, and he exhibited the Grand Champion Bag of Wool at the Sonora Wool and Mohair Show in 1978.

He won the 1st place all-around horse award at the 1976 Sonora Junior Horse Show. He has won honors in many area junior rodeos and horse shows.

The Outstanding 4-H member in Home Economics is a local award that is presented by Neville's Department Store. This is the second year this award has been presented and it honors any 4-H member who has shown outstanding achievement in the 4-H Home Economics programs in Sutton County this past year.

The 1978 winner is Dorella Myers Schaefer, seventeen year old daughter of Mr. and Mrs. Paul Myers, Jr.

Dorella was a 4-H member for five years and during that time she participated in the foods and nutrition project, clothing project, and child care project. Her activities as a 4-H member in Sutton County included clothing, and child care.

She represented Sutton County at the District Dress Revue in San Antonio. Also Dorella served as the project leader for the Child Care project this summer and supervised from 3 to 12 4-H members at each project meeting.

In Edwards County she participated in the 4-H Foods and Nutrition and Clothing Projects.

She has also been an active participant in the "Make It Yourself With Wool" Competition. Dorella is now a resident of Rankin, Texas and is married to Mr. Tim Schaefer.

The Outstanding Man and Woman 4-H Leader Awards were awarded to Mrs. Betty Stewart and Mr. Preston O. Love, Sr.

Betty is the mother of four outstanding 4-H members. She has been a leader in the horse project, range and grass judging, and with the help of Bill, her husband, has conducted 4-H play-days and trail rides at their ranch.

They were also instrumental in encouraging 4-H boys and girls in the 4-H Angora Goat Project, and have taken many 4-H'ers on stock show and horse judging trips over the years.

Another area that Betty has been active in is the 4-H recreation committee, which she is chairman of this year.

Preston O. Love, Sr. has been both an Outstanding 4-H member and leader. He served as president of both the 4-H Club and the 4-H Adult Leaders Association.

As a 4-H member, he participated on many winning 4-H livestock, wool and mohair teams.

He has served as a leader in the 4-H market lamb, wool and mohair and livestock judging projects and activities and made many trips to 4-H judging events. He has also served as Chairman of the 4-H Livestock Show Committee.

The 4-H Club presented two Outstanding Contributor Awards this year.

One was presented to Mr. George Bundren of Nathan's Jewelers in San Angelo who has helped the Club for about 28 years.

He has been an active supporter of the Sonora Wool and Mohair Show, the Sonora Livestock Show and Sale, and the 4-H Club as a whole. Over the years, he has recruited San Angelo buyers for the annual livestock show and sale,

donated trophies for both events, and been a genuine supporter.

Mr. Bundren and his wife have attended many achievements programs. On several occasions they made pictures of all of the award winners and presented these pictures to the youngsters.

This year he also received an appreciation award at the State 4-H Round-Up for his contributions to the 4-H Program.

The Berger Family, and L.P. and Nancy Bloodworth were also honored as Outstanding Contributors. The family has furnished the parking lot space at the 4-H Center for the past 20 years, cost-free, and this land is now being deeded to the county.

They have also been active supporters of the Chinese Auction and Livestock Show with L.P. serving as auctioneer for the past 5 years.

The Wool Show is another special area to the family and they donate the Joe Berger Memorial Trophy each year. This award is presented to the Premier Junior Wool Exhibitor at the Sonora Wool and Mohair Show.

Mr. Oscar Galindo received a Special Twenty year Service Certificate from the Sutton County 4-H Club. He has served as a member of the Sutton County Extension Program Building Committee, the 4-H Executive and Advisory Committee, and the 4-H Building Committee.

Oscar has been responsible for the maintenance and upkeep of the Sutton County 4-H Center for the past twenty years.

Through his efforts it has been possible to maintain the 4-H center at a minimum cost because he has been able to take care of the day-to-day maintenance problems at the Center. He has been conscientious in his work, attends committee meetings regularly, and keeps the 4-H Club well-informed of needed supplies and repairs.

Oscar is largely responsible for the good condition of the 4-H Center.

Tammy Van Hoozer and Rex Surber were presented Special Awards for being the 1978-79 "4-H Sweetheart and 4-H Beau". The 4-H Ball followed the Achievement Party. The music was furnished by "Billy Green and the Texas Greats from San Antonio.

Mr. Preston Love recognized

4-H'ers and their leaders for completing 283 4-H projects and activities during the 1977-78 year.

Receiving the achievement sponsored by Ford Motor Co. were Marcie Mittel, Lance Love, Fran Friess and Marla Van Hoozer.

Receiving the Agriculture Awards sponsored by International Harvester Co. were Lee Burch, Cathy Doran, Joe Will Ross and Rick Powers.

Receiving the Bread Awards sponsored by Standard Brands, Inc. were Jackie Johnson, Terri Threadgill, Cindy Steed and Stacy Miller.

Receiving the Citizenship Awards sponsored by the Coca-Cola Co. were Paula Friess, Trudy Taylor, Mark Van Hoozer and Jeff Kimbrel.

Receiving the Clothing Awards sponsored by Coates and Clark, Inc. were Bonnie Jackson, Mary

Travis, Tessa Joy and Lori Webster.

Receiving the Awards for Conservation of Natural Resources sponsored by Deere and Company were Nancy Benson, Anita Balch, Matt Miller and Miles Miller.

Receiving the Dairy Foods Awards sponsored by the Carnation Co. were Amanda Martin, Jody Luttrell, Wayne Hill and Linda Galbreath.

Receiving the Foods and Nutrition Awards sponsored by General Foods Corp. were Darren Halford, Chad Stewart, Rebecca Powers and Sahwna Hallmark.

Receiving the Leadership Awards sponsored by Reader's Digest were Dorella Myers, Clay Friess, Prissy Cook and Espy Whitehead.

Receiving the Leadership Awards sponsored by Producers Grain Corp. were Marshall Doran, Bernardo Solis, David Love and

Brad Johnson.

Receiving the Horse Awards sponsored by the National 4-H Council were Debbie Zapata, Houston Powers, Julie Stewart and Lisa Webster.

Receiving the Dress Revue Award sponsored by Simplicity Pattern Co. was Lora Lee Kordzik. Receiving the Rabbit Award sponsored by the Sutton County 4-H Club was John Dale Woodall.

Receiving the Rifle Awards were Scott Miller, Joe Shannon, Perry Don Draper and Preston O. Love, Jr.

Receiving the Sheep Awards were Rebecca Hulsey, Lea Whitehead, Tanna Tyler, Kelly Whitehead and Marshall Tyler.

Receiving the Alumni Awards were Trevlin Luttrell, Virgil Poloccek, Allison Powers and Tommy Elaine Whitehead.

## Sales Tax Still Included On Utilities

State Comptroller Bob Bullock Friday said Texas homeowners and renters should not be alarmed if their October gas and electricity bills continue to carry the state and local sales tax.

"Under the law, the utility companies will continue adding the tax on their October bills if their billing cycle begins before October 1, Bullock said.

The Texas Legislature voted in special session earlier this year to repeal the four percent state sales tax on residential gas and electric bills effective October 1.

In addition, some 125 Texas cities have also eliminated the local option, one percent city sales tax on those bills effective the same time.

Under the law, the repeal of the sales tax actually is effective with the start of the utility companies billing period on or after October 1.

This means, Bullock explained, that a customer whose billing period is October 3 through November 3 will get advantage of the tax break as of October 3.

A customer whose billing cycle is September 25 through October 25 will continue to pay the sales tax through October 25, he said.

Bullock said that homeowners and renters need not jump on their utility companies about the sales tax on the October bills.

"They are only following the law," Bullock said. He said elimination of the state sales tax on gas and electric bills will save homeowners and renters \$150 million a year.

Weblos Den of Pack 19 attended their first outing of the year last weekend when they went to Camp Sol Mayer for the Amangi Trails District Camporee. The Weblos are sponsored by St. John's Episcopal Church. Here leader Jim Kimbrell, Jimmy Miles, Marshal Tyler, Terry Duren, Jeff Kimbrell and Dwayne Freeman are pictured cooking on an open fire. The Weblos walked the historical trail to the through Ft. McKavett and heard a talk by park ranger Bill Wright. Cub Master Jim Miles also attended the outing.

## Sutton Among Counties to Receive Benefits For the Elderly

The Texas Department of Community Affairs announced that the Tom Green County Community Action Council agency has been awarded a \$23,430 contract under the Weatherization Assistance for Low-Income Persons Program for eligible persons residing in the following counties: Coke, Concho, Crockett, Irion, Tom Green, Kimble, Menard, Reagan, Sutton, Schleicher and Sterling.

Ben F. McDonald, Jr., Executive Director of TDCA, indicated that funding for this 12-month contract which began September 1, 1978, is made available through TDCA's Economic Opportunity Division by the U.S. Department of Energy.

Through this contract, homes of the elderly and handicapped low-income

persons will be improved through the use of storm windows, caulking, insulation and wall repairs so that energy consumption is reduced and high energy costs to the home dweller are lessened.

Additional information

on the contract may be obtained by contacting the Economic Opportunity Division of the Texas Department of Community Affairs, Box 13166, Capital Station, Austin, Texas 78711 (512) 475-6601.

## Inservice Training Session To Update Economists

Coats and Clark, Inc. and the Extension Service are offering inservice training to update home economists and 4-H clothing leaders on new sewing techniques and products. This training will be conducted at the Texas A&M University in Uvalde on Tuesday November 7. Sarah Mahon, County

Extension Agent will be coordinating efforts with the leaders and home economists from Sutton County that will be attending.

All interested persons that plan on going need to call the County Extension Office at 387-3604 by Thursday, October 19.

## Wills Family Set For Local Church

Traveling in full time music evangelism are the "Bob Wills Family Singers".

Their musical ministry has carried them from the coast to coast and to the mission fields of Mexico

and Canada. Bob Wills, manager of the group, comes from a family heritage in gospel music, started by his father, A.B. "Pop" Wills in 1938. Each of Bob's six brothers and sisters have sung and been a part of the "Singing Wills Family". He is now carrying on the family tradition with his children. The traveling group consists of his wife Betty, sons, Bobby Jr., 18, Don, 17, Ron, 16, and one daughter, Angel, 10. The group is also privileged to have traveling with them a niece, Tracia Stephens from Nashville, Tennessee.

In this time of turmoil and strife its refreshing and challenging to see a complete family dedicated to serving Christ.

We invite you to hear the Bob Wills Family at Trinity Baptist Temple on Oct. 20 at 7:30 p.m.

Rev. Gaylan McClellan, Pastor, and the congregation, cordially welcomes the public to come and hear this great singing family.

State Rep. Susan Gurley McBee is offering to anyone in her district explanatory material concerning the constitutional amendments that will be on the ballot November 7.

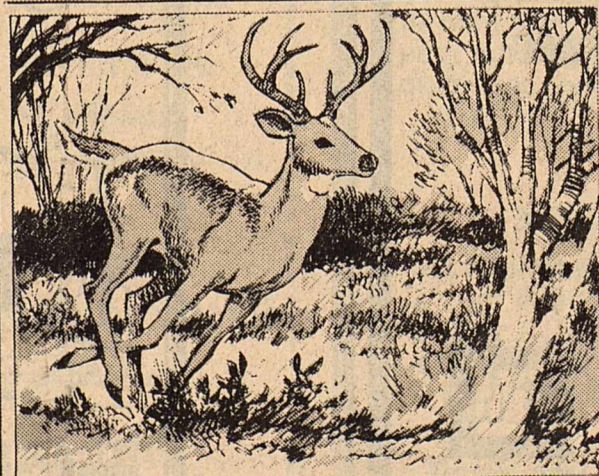

"The amendments are important, particularly the tax relief amendment; and they are complex. I will be happy to provide information on them to my constituents," McBee said.

Requests should be made to Rep. Susan McBee, House of Representatives, P.O. Box 2910, Austin, Texas 78769, telephone 512-475-2763; or P.O. Drawer Z, Del Rio, Texas 78840, telephone 512-775-5952.

## Hill backs tax relief on ballot November 7

"We've got a great opportunity Nov. 7 to take a significant first step toward tax relief in Texas. I'm urging everyone to vote for the proposed constitutional amendment to give tax relief to our farmers and ranchers, homeowners, and elderly. After this amendment is adopted, I'll be ready to take the lead in the 1979 legislature to follow through on this first step."

### County Residents

#### Receiving SS

#### Benefits Monthly

Social security benefits were being paid to residents of Sutton County at the rate of \$98,244 a month effective June, 1978, Franklin H. Upp, social security manager in San Angelo said today.

Social security benefits can be paid to retired persons age 62 and over, to workers who become severely disabled before age 65, and to survivors of deceased workers.

Monthly social security checks are also paid to certain dependents of a worker who has retired, become disabled, or died.

Of the 477 social security beneficiaries living in Sutton County, 241 are retired workers and 30 are disabled workers. Another 71 persons are receiving benefits as the wives or husbands or retired or disabled workers. Widows, widowers, and dependent parents of deceased workers number 72.

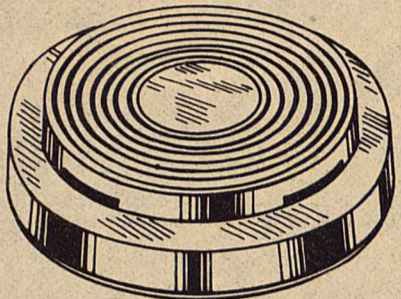

In Sutton County, 137 people under age 65 and 340 people age 65 and older are receiving monthly social security benefits. Of total beneficiaries, 188 are men, 226 are women and 63 are children.

The Corral Club Menard, Texas Dance, Sat. Oct. 21 "Bill Green and Country Greats" 9 p.m. to 1 a.m.

Sonora's Bronco Marching Band thrilled fans during halftime performances Friday night. The band played a number of selections and featured twirlers and flags. Under the direction of Ed Martinez, the band's feature number was the theme from Hawaii Five O.

## High School Principal Discusses New Driving Program

by Don Jones, Principal  
New to the Sonora High School driver education program this year is the multimedia drivocator system. This multimedia van, located in front of the new gym building, is a modern tool providing many teaching opportunities.

The drivocator system which is equipped to handle a full classroom of students, uses a dual-track tape deck to perform two tasks. One track provides the sound for the lesson units, and the second track silently alternates operation of a motion picture projector and filmstrip projector and monitors the progress of each student. Here's how the Drivocator system works:

1. The color, motion picture film with sound presents a driving situation or other instructional information on the screen. The film stops and...

2. ...a filmstrip frame appears on the screen to ask for a response based on the information just viewed. Your teenager responds by pressing the appropriate button (A, B, C or D) on the Student Responder Unit at his or her desk to answer the

question.  
3. Then another filmstrip frame appears indicating which response was correct, while the audio tape explains the reason this response was called for. Thus, all students know immediately whether they were correctly or incorrectly responding, and more important, the reason why they should have responded in a particular manner.

4. By looking at the Instructor Console, the teacher is able to check the overall responses of the class. In addition, the console provides the teacher with a cumulative record of each student's individual performance.

By scanning the instruments on the console, the teacher can immediately identify those students having difficulties. If a large percentage of the class fails to understand a point, the teacher can repeat or supplement that phase of the lesson. If only a few students are responding poorly, they can be singled out for

individual help. Thus, the instructor can establish a strong tutorial relationship that is much more difficult to achieve in a classroom without a multimedia system.

The curriculum for the Drivocator system leads the beginning driver from basic concepts through attitude development, as well as into properly reinforced driving habits. Lessons especially prepared for the Drivocator classroom cover a variety of traffic conditions, forces of nature, traffic rules and

road signs, as well as the social and emotional aspects of driving.

Teaching driver education this year is Mr. Charles Adams. Mr. Adams graduated from Texas Tech University with a Bachelor of Science degree in Education in 1976. He is a certified teacher in the fields of physical education, health, guidance and counseling, and driver education. Currently, Mr. Adams is working towards a master's degree in educational administration.

Mr. Adams' teaching assignments this year include 7th grade athletics, physical education and driver education. His wife, Gay Adams, is also a member of the Sonora High School faculty, teaching English, girls' basketball, health, and physical education.

### Energy Saving Tips on Electric Heating.

Check your thermostat setting. Recommended temperature setting for winter heating is 68°. Remember, the lower you set the thermostat in the winter the lower your energy cost.

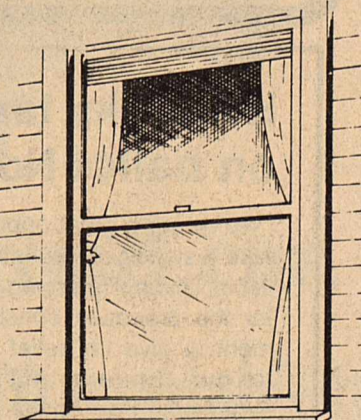

Have your heating system checked now! Proper servicing before the heating season begins is good preventive maintenance.

Keep filters clean. Check the filter every 30 days on forced-air systems. If filter is permanent, clean it by manufacturer's directions, if it's disposable, replace when dirty.

Have your home properly insulated! Adequate home insulation keeps the warmth in, cuts energy use... can pay for itself by lowering heating (and cooling) costs.

Use the warmth of the sunshine! On sunny days open the drapes. The sun shining through the glass will supply additional heat at no cost.

Remember, Reddy Supplies the Energy, only you can use it wisely!

HAPPY BIRTHDAY BILL KEEL.

**Card of Thanks**  
We wish to extend our special thanks to mothers of the Bronco football team who so generously provided refreshments and helped sponsor our victory dance Friday night.  
The Cheerleaders,  
Janie, Mary, Pam, Linda,  
Trina and Patricia

# Sporting Chance...

Well, I didn't do quiet as well this week, but maybe that Greek will quit calling me all the time now.

Actually I didn't do all that bad considering all the upsets (I did pick Notre Dame over Pittsburg and Philadelphia over Washington), hitting 12 out of 19. That makes me 93 of 119 on the season for a .782 percentage.

With that I guess I'll keep trying at least one more week.

### Mason vs. Eldorado

The Eagles are hungry for a win, and the Punchers have been anything but impressive. Eldorado 14-13.

### Fabens vs. Kermit

The Yellowjackets get harder to figure out every week. There's as much discrepancy in their performance as there is between a woman's age and what she puts on a job application. Kermit 31-14.

### Alpine vs. Ozona

If the Lions want to win a game this year they better do it now. There sure won't be any victories for them in district. Alpine 21-14.

### Crane vs. Van Horn

The Cranes' defense could be suspect after their narrow victory over Reagan County, but a week of rest should help. Crane 28-7.

### Texas vs. Arkansas

Neither of these teams have played as well as expected this year. My head says the Razorbacks will win, but my heart says the Longhorns will. The Memorial Stadium crowd and Russell Erxleben's toe will be the difference. Texas 21-14.

### Texas A&M vs. Baylor

The Aggies are fresh off an upset so there's no way they would allow another one--would they? A&M 31-21.

### SMU vs. Houston

The Cougars could be in the driver's seat for the Southwest Conference Crown, but the Ponies want to try their learners permits some more SMU 35-33.

### Rice vs. Texas Tech

The Owls are still celebrating their first SWC victory in two years, while the Red Raiders crash the party. Texas Tech 28-3.

### Tulane vs. TCU

If the Horned Frogs couldn't beat Rice, they might as well forfeit the rest of their games. Tulane 17-14.

### Howard Payne vs. Angelo State

The only thing the Yellowjackets have is a quarterback (the only reason I say that is because he's from my hometown), and the Rams are steamrolling. Angelo State 42-14.

### Abilene Christian vs. East Texas

Both teams are fighting extinction in the Lone Star Conference race. The Lions will be an endangered species. Abilene Christian 27-17.

### Dallas vs. Philadelphia

The Cowboys' overtime win over St. Louis may be just what they needed to start clicking again. They may not have to worry about their kicking game so much any more, either. Dallas 31-20.

### Pittsburg vs. Houston

This will probably be the down week for the Oilers, but never be surprised at what can happen in a Monday night game. Pittsburg 21-17.

### Other Picks...

Minnesota over Green Bay 24-14, New England over Miami 28-24, San Diego over Detroit 14-10, Washington over New York Giants 17-14, Cincinnati over Buffalo 28-17, St. Louis over New York Jets 34-20, and Chicago over Tampa Bay 28-13.

# Bronco Bits

by Annabelle Gonzales

If there happens to be a shortage of teenage cars on the drag in the next few days, it's because report cards were issued today. This year the students will have to have their report cards signed by their parents and returned to their teachers. This means that the students can't get away with showing their parents only their passing grades and throwing the rest away.

It was nice to see a few familiar faces at last Friday night's game. Coach Kelso was here scouting Wall for the Reagan County Owls. Mr. Lemmons was here for a weekend visit. Coaches David and Marsha Patton were here also for a weekend visit. Several of the college students were also home to support the Broncos and visit their friends and relatives.

The Mighty Bronco Band and the Sonora Broncos out-did the Wall Hawks both band and football wise.

The Broncos defeated the Wall Hawks by a score of 28-0. Captains for the game were Steve Alley, Ralph Gonzales, and Mike Jones. David Reyna was the Bronco standout both on offense and defense. Dan Lawson was also a defensive standout.

The Broncos will be open for the next two weeks. They will be preparing for the first district game against Kermit here on November 3. Kick-off time will be 8.

Manuel Lopez, who broke his leg against Ballinger, will be back. Wayne McLaughlin and Dan Lawson will also be back and healthy for the Broncos.

The students should keep the spirit up. Don't let it drop because of two open dates. Most of the student body is participating in the yell at the pep rally. There are still quite a few who seem to be bumps on the log. When the cheerleaders say to stand up, that's what they mean. If you don't show spirit and pride in your school, who will? So stand up and yell for the next pep rally.

Winning the spirit plaque this week were the Freshmen.

The J.V. football team travelled to Brady and were defeated 13-8. Robert Noriega scored a 65 yard touchdown for the Broncos. The J.V. team has an open date this Thursday. Their next game will be here October 26 against Big Lake. Kickoff time will be at 5:30 p.m.

Suelema Esquivel, Peter Gomez, and Eddie Noriega were chosen as FHA representatives. They traveled to San Angelo to discuss plans for an area meeting. The meeting was held in the Holiday Inn. The students left last Friday and weren't back until Sunday afternoon.

Thought for the week: "Honesty is the best policy."

# Sutton County Ranch News

## Glen Fisher's Wool and Mohair Report

The fall wool sale here at Sonora last week produced good prices for our fall wool both ewe and lamb. About 32,000 pounds of fall lamb sold ranging from 76 1/8 cents to 91 3/4 cents per pound. The bulk of the lamb wool went between 87 5/8 and 91 3/4.

ranging from 88 1/4 to 91 5/8. The total weight here was about 37,000. One line of fall ewe with paint (3500 pounds) sold at 87 1/4. Also sold was about 1,700 pounds of mixed blackface wool at 78 1/4. The mohair market has been fairly active the past week as Uvalde sold the rest of their fall adult at \$5.00. There should be very little if any adult or

kid hair left in Texas, but a large volume of yearling hair still remains unsold at Rocksprings, Uvalde, and here at Sonora. The next South African sale will be October 24th and demand appears to be good. Some contracting of spring hair has started but no large sales have yet occurred. Most of the contracting has been around \$4.50.

## Caruthers, Brockman Attend Meet in Corpus

Bob Caruthers and George Brockman directors from the Edwards Plateau Soil and Water Conservation District will be in Corpus Christi October 17-19 to attend the Thirty-Eighth Annual State Meeting of Texas Soil and Water Conservation District Directors.

The theme of this year's meeting is "Strong Directors-Strong Districts". Approximately 800 are expected to attend.

The purpose of the meeting is to review developments effecting conservation programs and to plan future conservation district programs and activities.

Dignitaries to address the group include: Dr. Jarvis Miller, president, Texas A&M University; Lyle Bauer, president, National Association of Conservation Districts; John Hill, Attorney General of Texas and Congressman Jack Hightower.

Other speakers include Kenneth Kuykendall, president, Association of Texas Soil and Water Conservation Districts and Bill Clements, former Deputy Secretary of Defense and Chairman of the Board of Southeastern Drilling Company.

Bill Clayton, Speaker, Texas House of Representatives is also expected to participate in a portion of the meeting.

Range specialist Darrell Ueckert (top right) leads a group while explaining various methods of brush control during a field day at the Hudspeth Hospital Ranch. The field

day was held in conjunction with the election for a director of the Edwards Plateau Soil and Water Conservation District. Albert Ward was re-elected to the post.

## Farm Demonstration Methods Honored in Uvalde Friday

Farmers and ranchers from this area will pay homage here Friday to a special method of learning they have used for years to successfully produce food and fiber in Southwest Texas.

During a noon luncheon in Uvalde Friday, area

agriculturists will honor the farm demonstration method, the man who discovered it and the many people who have used it over the years.

It was 75 years ago that Dr. Seaman A. Knapp, a special agent with the U.S. Department of Agricul-

ture, put together the first successful farm demonstration project near Terrell, Texas. Since that time, the practice has spread into almost universal use around the world.

The luncheon at the Uvalde Civic Center will feature farmers and ranchers from Southwest Texas, who have cooperated and used this teaching method to learn many new techniques over the years.

Among these people will be Charlie Ward, Kinney County, rancher; Ray Kelling, Uvalde County, farmer; Ralph Mayer, Medina County, rancher; and Henry Lee Keller, representing home economics and 4-H and youth respectively are Mrs. Dawn Kirkpatrick, Uvalde County, and Ms. Roxanna Tom, Atascosa County.

Dr. John E. Hutchison, consultant for the Texas Department of Agriculture, and Director-Emeritus of the Texas Agricultural Extension Service will be the main speaker during the event.

# Sutton County Accepted For National Flood Insurance

The U.S. Department of Housing and Urban Development announced today that effective October 4,

1978 Sutton County (Uninc. Areas) has been accepted into the National Flood Insurance Program.

This means, said Federal Insurance Administrator, Gloria M. Jimenez, that property owners here

are now eligible to buy flood insurance protection at affordable rates subsidized by the Federal

Government. Policies are effective immediately during the first 30 days the insurance

becomes available. After the first 30 days, there is a 15-day waiting period.

The policies can be purchased from any property insurance agent or broker licensed to do business in the area in which the property to be insured is located. Agents and brokers may obtain policy forms, rates, flood insurance manuals, and any other necessary information on the insurance aspects of the program from the servicing agent for the National Flood Insurance Program, at the following address: National Flood Insurance Program, P.O. Box 34294, Bethesda, Maryland 20034.

"Since flood insurance is now available," Mrs. Jimenez said, "owners of property in areas shown on maps by HUD as being flood-prone must, according to the law, buy flood insurance when seeking any form of Federal or federally-related financial assistance for the acquisition or construction of buildings in those areas."

"This would include grants from Federal agencies, FHA, VA, and FMHA mortgage loans, loans from the Small Business Administration, and conventional mortgage

loans from any federally-regulated or supervised banks and savings and loan associations."

While flood insurance is available to all residents of the community, Mrs. Jimenez emphasized that the Federal requirements to purchase flood insurance as a condition for receipt of federally related financial assistance do not apply to property outside the danger zones.

Under the program, coverage can be obtained for all buildings and their contents. The available limit of insurance for single-family homes is now \$35,000 and \$100,000 for other residential buildings, at the subsidized rate of 25 cents per \$100 of coverage. The rate goes to 40 cents per \$100 for nonresidential buildings.

The contents of all residential buildings can be insured up to \$10,000 per unit at 35 cents per \$100 of coverage, and the rate goes to 75 cents per \$100 for contents of all nonresidential structures up to a maximum of \$100,000 in coverage per unit.

The Federal Insurance Administration, Mrs. Jimenez explained, will also prepare additional maps showing the elevation of the base flood (i.e., the flood having a one percent chance of being equaled or exceeded in any given year) in approximately 20,000 communities

across the Country. When this Flood Insurance Rate Map is published for the community, an additional increase in the present limits of coverage will be made available under actuarial rates.

## Hill backs tax relief on ballot November 7

"We've got a great opportunity Nov. 7 to take a significant first step toward tax relief in Texas. I'm urging everyone to vote for the proposed constitutional amendment to give tax relief to our farmers and ranchers, homeowners, and elderly. After this amendment is adopted, I'll be ready to take the lead in the 1979 legislature to follow through on this first step."

# Eldorado Eagles Prepare For District 9-A Title

by Jym Trimble  
The enthusiasm is mounting in Eldorado as the Eagle Varsity spent all last week conditioning themselves in preparation for a shot at the District 9-A title.  
Coach Jimmy Marshall says that his toughest opponent will probably be Junction and that Eldorado has as good a chance as any other team.  
"We've lost some that we could have just as easily won because we didn't have the momentum," Coach Marshall continued. "A lack of individual pride hurt us a lot on certain plays."  
But things are looking a lot better in Eldorado. Coach Marshall rests assured that the return of Coach Williamson will have a positive effect on the team. Head Coach

Williamson is recovering from Bullian Barre Syndrome and has been hospitalized in San Antonio.  
Coach Marshall persists that no one on the team is doing a really great job, with the exception of linebacker Todd Swift who has been averaging 15 to 20 tackles a game.  
Eldorado, 1-4 for the year, will be entertained by Mason Friday following two weeks of preparation.  
The next home game is on October 27 as the Eagles play host to Menard. This game has been designated as this year's Homecoming game.  
Although the Eagles record is not too bright, both students and Eldorado-exs will be behind the Eagles at Homecoming.

Noseguard Chase Snodgrass [60] comes to the aid of another Bronco defender in dropping a Wall Hawk runner for a loss. Mike Jones [80] trails the play. The Bronco defense limited the Hawks to only 70 yards rushing and 59 yards passing.

## Broncos Start Distict After Two Open Weeks

The Sonora Broncos will take two weeks off before tackling Kermit in the first game of District 7-AA play Nov. 4.

The Broncos finished preseason schedule undefeated Friday night, walloping the Wall Hawks

28-0.

Benny Granger scored the first touchdown on the Broncos' initial possession, then connected with Eddie Favila for a 27-yard scoring toss to give the Broncos a 14-0 first quarter lead.

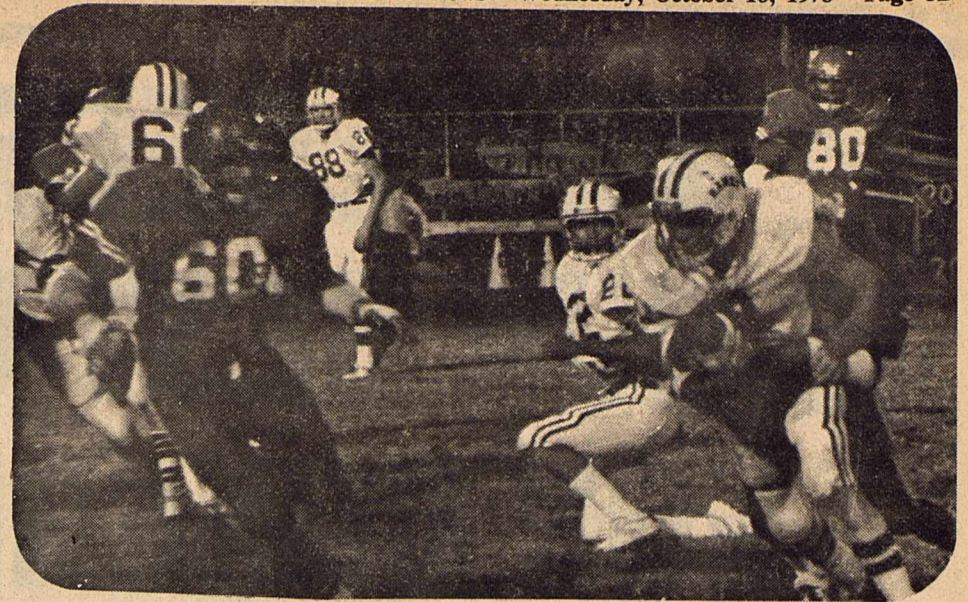

Joey Kirby booted the ball across twice in the second quarter on runs of six and 10 yards to finish out the Sonora scoring. Mike Jones kicked all four extra points. Reserves finished out most of the second half,

still managing to shut down the Wall offense.

Most of the second half was slowed down by fumbles and penalties on both sides of the line of scrimmage. In other district action

Ozona was thrashed by Iraan 61-0 and Kermit upset Andrews 23-12. Crane was idle.

This week Kermit tackles Fabens, Ozona tries Alpine and Crane takes on Van Horn.

Bronco quarterback Benny Granger (30) drops back to pass as the offense provides a solid wall of blocking in Friday night's 28-0 win over Wall. Granger hit on four of 11 passes for 77 yards and one touchdown.

## Eagle Seventh Graders Zip Rankin Red Devils

by Jym Trimble

The Eagle seventh grade paced by Sammy Santellano rolled past the Rankin Red Devils last Thursday night, 46-0.

Santellano led the Eagles' scoring with 28 points to his credit. He scored twice in the first quarter on bursts from one and 42 yards out.

In the second half Santellano returned two punts from 54 and 51 yards out for touchdowns. He also scored on two two-point conversions.

Fullback Bill Clark also had a great night as he dashed from 10 and 61 yards out for two touchdowns. Also scoring for the

Eagles was Bill Caulley with 3:23 left in the game. The Mean Green defense, who have been scored on only once this year, held the Red Devil offense to virtually nothing.

Receiving defensive honors this week was the whole defensive team. "I thought my whole

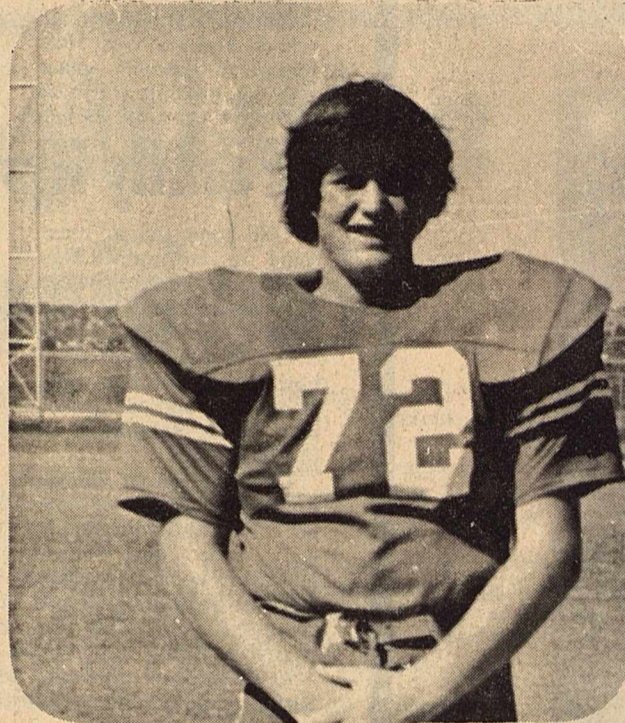

seventh grade offense and defense did a great job. If any special credit should be given, it goes to the linemen who really did a superb job," coach Ken Thomas said.

However the eighth grade was not as fortunate. The Red Devils, behind tailback, Dennis Black,

trounced the Eagles 72-0. Black had a hand in eight of the Red Devil's 10 touchdowns—two by air and six on the ground.

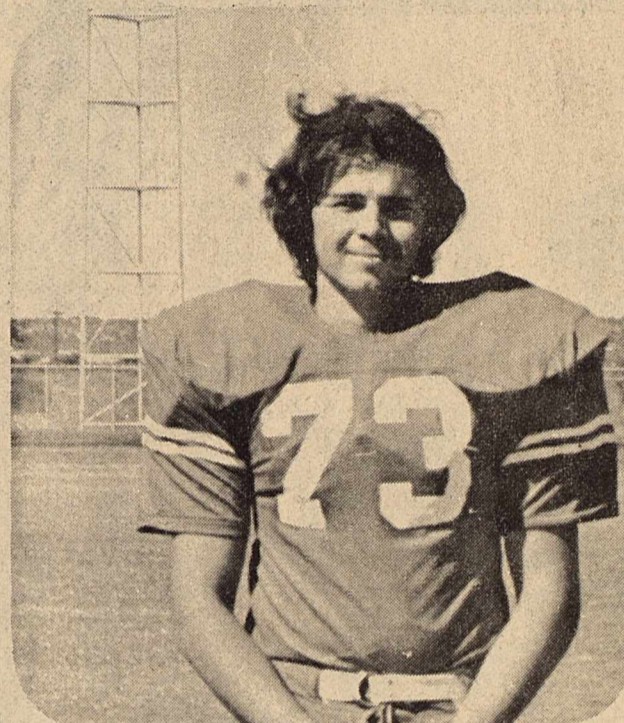

The junior high Eagles take on Mason next week at Eagle Stadium with the seventh grade scheduled to be at 5 p.m. on Thursday.

# Meet The 1978 Sonora Broncos

Wesley Barton

Wesley Barton is the son of Mr. and Mrs. Frank E. Barton and has lived in Sonora seven years. At 6-0, 206 pounds he plays offensive and defensive tackle. A 15-year old sophomore, this is his first year on the varsity and football is his only sport.

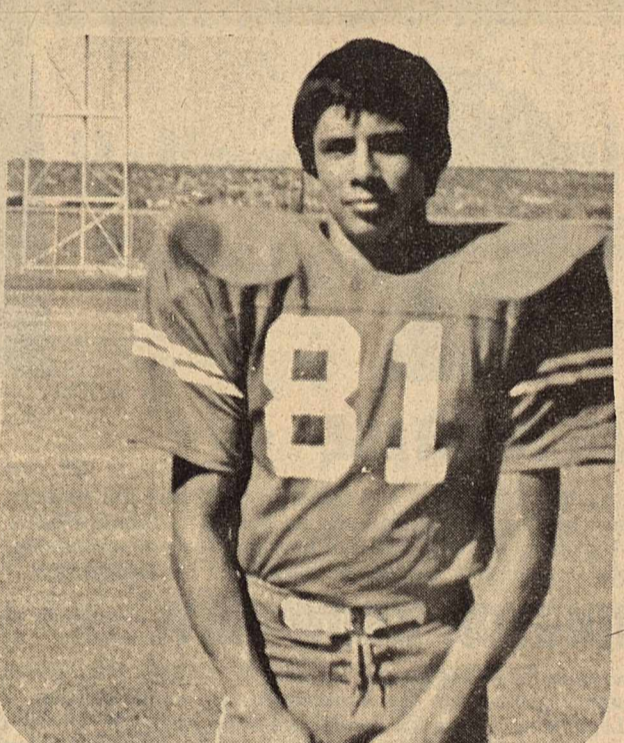

Jesse Vela

Jesse Vela is a 6-0, 185 pound offensive and defensive tackle. A 16-year old junior, he is in his first year on the varsity. Vela also plays basketball. The son of Mr. and Mrs. Reyes Lumbreras, he has lived in Sonora for eight years.

David Creek

David Brian Creek is in his first year on the varsity and also plays basketball. At 5-10, 155 pounds he plays quarterback and free safety. The 15-year old sophomore is the son of Luther and Mary Creek and has lived in Sonora eight years.

Enrique Sanchez

Enrique Sanchez is a 16-year old junior in his first year on the varsity. At 5-6, 136 pounds he plays cornerback and split end. He is also a member of the track team. He is the son of Mr. and Mrs. Enrique T. Sanchez and has lived in Sonora his entire life.

# TOM LOEFFLER IS OUR BEST CHOICE FOR CONGRESS!

### ★★★ TEXAN HERITAGE ★★★

Tom Loeffler is a fourth-generation, Texan born and raised in the Texas Hill Country. He has the solid value and uncompromising character of this land and its people. A former Mason High School football star, Tom went to the University of Texas on a full four-year football scholarship, then earned his law degree there. Today, he is a working rancher in addition to his law practice.

### ★★★ WASHINGTON KNOW-HOW ★★★

Tom Loeffler was chosen to serve as Chief Legislative Counsel for Senator John Tower, then was appointed Deputy for Congressional Liaison for the Federal Energy Administration, and finally, served as Special Assistant for Legislative Affairs for President Gerald Ford. He has the experience, the day to day knowledge of how our government runs and is run, to be an effective representative right from the start.

### ★★★ FREEDOM TO FIGHT FOR US ★★★

Tom's wealthy Democratic opponent would be a "freshman" congressman, if elected—dependent on the liberal Democratic leadership of the House. He would be powerless to do other than add one more vote in favor of national liberal policies, as orchestrated by Speaker of the House Tip O'Neill of Boston.

Tom Loeffler has the knowledge and experience in legislative affairs to be free to pursue the best interests of the people of the 21st District.

### ★★★ THE CHOICE OF KNOWLEDGEABLE LEADERS ★★★

Tom Loeffler has gained the respect and support of the working man, farmers and ranchers, small businessmen and homemakers. He also has the endorsement and active campaign support of such knowledgeable and respected leaders as former President Gerald Ford, former California Governor Ronald Reagan and former Texas Governor John Connally.

**WORK FOR, VOTE FOR, SUPPORT THE CHOICE OF  
RONALD REAGAN, JOHN CONNALLY and GERALD FORD.**

Paid for by Rande Caruthers and authorized by the Tom Loeffler for Congress Committee.

## Taxpayers Oppose New Taxes

There is a renewed concern by citizens about their constantly increasing tax burden. City, County, State and National governments all seem to be taking a larger percentage of the working man's income.

Driven by the now famous Proposition 13 in California, taxpayers throughout the country have risen up in opposition to new taxes, and many times they have demanded tax reductions from their public officials.

The course will focus on a number of these issues; stressing the mechanics of the tax system and what the citizen can do about it.

The course will last four weeks will be offered just prior to the November elections in which tax issues will be central. The course will meet from 7-10 p.m. on four successive Thursday evenings. Classes will start Thursday, October 19, 1978, and end Thursday, November 9, 1978. Registration will be \$10.00 and all materials will be furnished.

**Tentative Schedule**  
Session #1: What has caused our taxes to go up?  
Session #2: What is the Texas tax situation and what is being done about it?  
Session #3: What is the

local tax situation?  
Session #4: What are the future implications of government spending vs. citizen's complaints?  
This seminar will be conducted by Dr. Bruce Ball, Government Department, Angelo State University. Classes will meet in the Academic Building, Room 221, Angelo State University. Please register before Wednesday, October 18, 1978. Register in the office of the Adult and Continuing Education Division, Houston Harte Center, Angelo State University.  
For further information call: 915/ 942-2339.

## Bonnie Jackson Wins Poster Contest

Bonnie Jackson was championship winner in the Sonora Volunteer Fire Department's Fire Prevention Poster Contest held last week.

Bonnie was picked from the four first place winners.

Placing first in the high school division was Nato Hinojosa. Second place was won by Lidia DeHoyas

and third place by Maria Navarette.

In the junior high division Kevin West placed first followed by Michael Dunn in second place and Jody Luttrell in third.

Bonnie Jackson placed first in the intermediate division. Maurice Vickers was second and Janice Lee Lowe third.

In the primary division

winners were Daria West, first; Tana Churchill, second, and Traci Teaff, third.

Winning posters will be carried to Rowena in April for district judging. Winners in district competition will be judged at the state convention in June.

Judging locally were Mrs. Hershel Davenport, Mrs. Wayne Brasher and Mayor Doyle Morgan.

## Family History Section Closed

"All good things must come to an end." This statement is true where the Sutton County History Book is concerned.

The family history section of the book has come to a close, and all stories have been submitted to the publisher.

There is still a chance to purchase all of the books you and your family will want and need. However, book sales, like all other good things, must come to an end. This end is now in sight.

At the present time, the Sutton County Historical

Society is busy working on compiling material for the general history section of the book.

After this material is submitted to the publisher for the final time, you will not be able to purchase a book. No copies will be available for love nor money!

Do you realize the Sutton County History Book will truly be a legacy of memories for your children and grandchildren?

If only one copy of this potential collector's edition is purchased for your entire family, which child

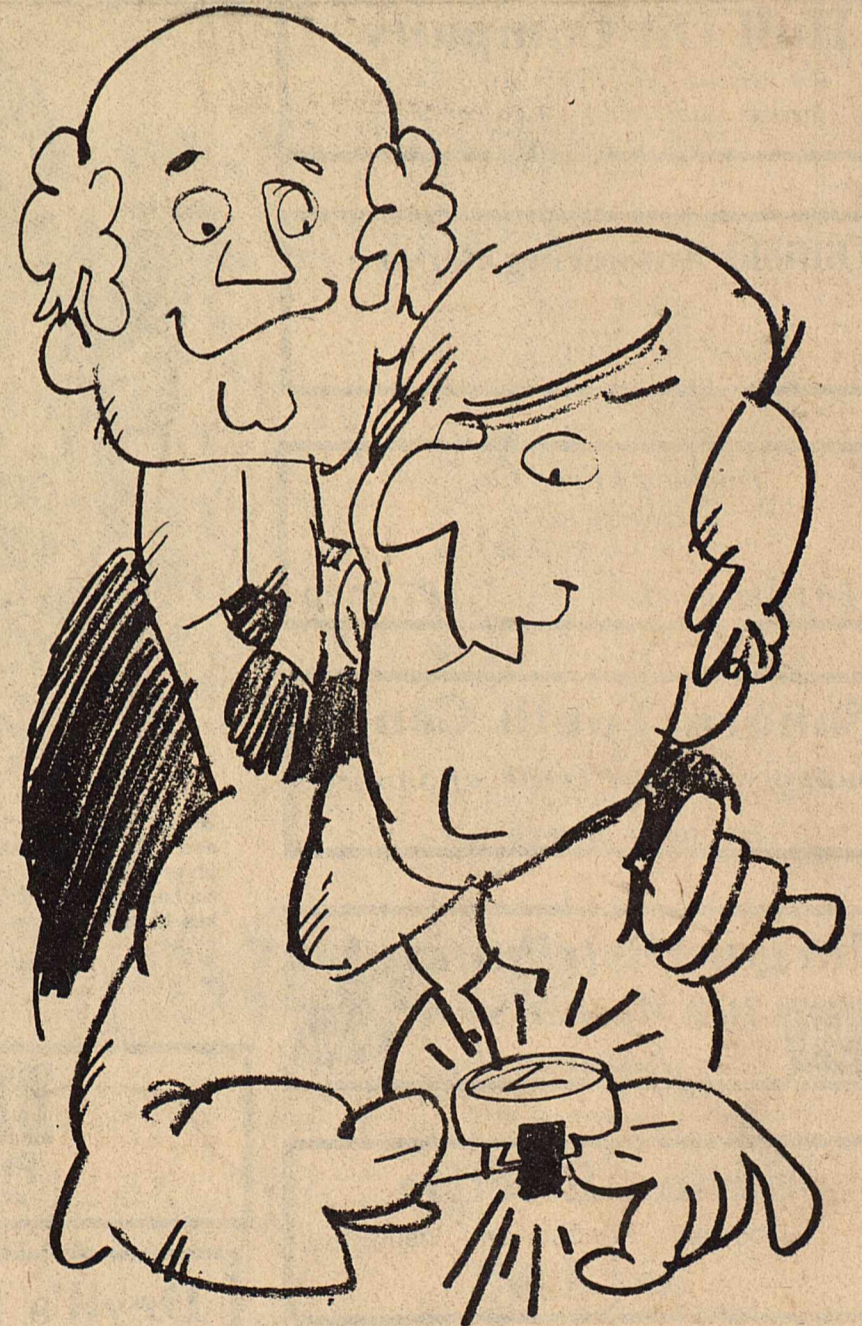

inherits the book? Who decides? And after how many family arguments?

These are all questions which must be answered while there is still time to avoid future family dissension.

Before the pre-publication book sale comes to an end, order enough books for each member of the family to have their own personal copy.

Do it today by contacting the Sutton County Historical Society, P.O. Box 1145, Sonora, Texas 76950, before this good thing comes to an end!
