Sonora City Council Accepts Sinaloa Petition-Sets Election

The Sonora City Council met Tuesday morning to discuss and approve the numerous items on their agenda.

The approval of the April 15 minutes was made and seconded along with the ratification of the April Planning and Zoning Cases for Sonora.

Dennis Robertson, Administrator at Hudspeth Hospital came before the Council to ask them to give them a hand in the purchase of a new paging system for the hospital. Robertson called the present paging system "very inadequate" and described the merits of the new system to the Council members. The Council will provide pagers for the three ambulance personnel at a cost not to exceed \$750.00.

The three vacancies of the City's Planning and Zoning Commission

were filled at this meeting with Celeste Prugel appointed to the board along with two new members, Jerry Kemp and Gil Trainer. The Planning and Zoning Board meets on the first Tuesday of each month.

The Council then had the opportunity to look over the petition from the residents of Sinaloa calling for an election for a vote of annexation by the landowners of that addition. The election was set for June 7, 1980, and each person voting in this election must be a registered voter. The voting location was not decided upon at this meeting.

The Council then went over Ordinance 180, Article 99-6 concerning the right of the Animal Control Officer to destroy any vicious animals impounded by this officer.

Dan Farmer and Buck Bloodworth

petitioned the Council with a proposal toward the sanitation and disposal pickup service presently being offered by the City.

Farmer and Bloodworth proposed the contracting out of the sanitation service to the City of Sonora. These men would contract with the City over the sanitation services and provide them to the residents of Sonora. The proposal would mean an increase in the charges now being collected by the City Water and Sanitation Department. "The increased service would offset the increases in cost to the taxpayers of our community," Farmer commented.

The City Council will study the proposal and will meet with Mr. Farmer and Mr. Bloodworth in their next regular monthly meeting.

Dowell District Manager, Jan Brown presents Pat Campbell, EMT, with a donation from his company toward the Sutton Sonora Community Trust Fund to further the drive toward a new ambulance for Sutton County EMS. Pictured from left to right are Jan Brown, Lenore Bullock, Thomas Adkins, and Pat Campbell.

Sutton County Petro Industries Boost Ambulance Drive

The Sutton County Emergency Medical Service located in Sonora is in the process of collecting donations toward the purchase of a second ambulance. The need for the second ambulance has been demonstrated several times in the past months due to the fact that some of the patients are stabilized in Sonora and then transferred on to either San Angelo or Houston, leaving the Sonora community without ambulance service.

Money has been collected for the funds in various ways once the Sonora Jaycees began the Sutton County Community Trust Fund on February 12, 1980. Since that time, the citizens of Sonora and Sutton County have given their time and efforts in the way of basketball

games, bridge tournaments, golf tournaments, dances, and have placed donation jars in local businesses. The goal of \$31,000.00 is steadily being reached through slow but encouraging progress. At the present time, the Sutton County Community Trust Fund boasts \$5,533.19 worth of donations to this cause.

Last week, the Sonora Dowell office donated a check in the amount of \$1,000.00 to this fund. District Manager Jan Brown commented, "We are pleased to make this contribution to the ambulance fund to further safety program for our employees as well as for the entire community." Dowell challenges all other oil and gas related businesses in the Sonora area to meet their

contribution to this fund.

Dowell is not the only petroleum related company that has given monies to the drive for a new ambulance, Houston Natural Gas contributed \$500.00 and Intra Texas and HNG Propane Gas Co. joined forces to contribute a check for \$1,000.00.

Donations are still being accepted and will continue to be made at the First National Bank of Sonora until the \$31,000.00 necessary for the purchase of the new ambulance is complete. If you have some money that you would like to contribute to this drive, contact Roberta Garrett at First National Bank.

Nursing Home Open House May 22

May is the month when observance is made of National Retirement Home Month. To call attention to that observance, and to remind our community of how fortunate we are to have such an adequate Home in Sonora, the Hudspeth Memorial Hospital auxiliary will be sponsoring an Open House on Thursday, May 22, from 3 to 5.

The Open House will be in the lobby of the Hudspeth Nursing Home, adjacent to the Hospital. The public is cordially invited to drop by during the Open House for refreshments and to get acquainted with the facility. Any who have never been in the Home are particularly urged to come by.

Reba McEntire

Jaycees Plan Summer Activities

The Sonora Jaycees met last Thursday to discuss the various events that they have planned for the summer months.

On June 13, the Jaycees will sponsor a dance featuring Columbia recording artist, Darrell McCall. The dance will be held at the slab in the Sutton/Sonora Community Park from 8-12 p.m.

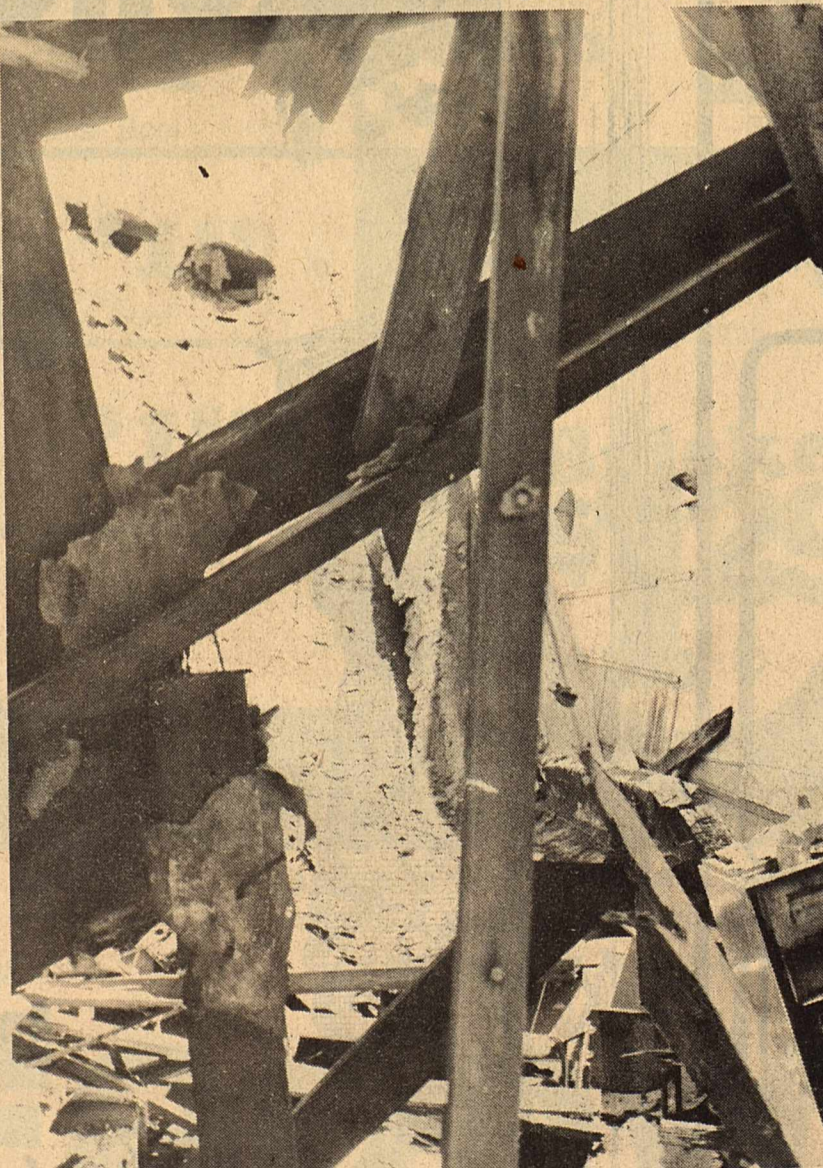

June 21, the Jaycees will sponsor "A Night Out in Sutton County." The special feature of this event will be the appearance of television star Guiche Kooke, who has appeared on Johnny Carson, Laverne and Shirley, and started on Carter Country. Mr. Cooke will be the Sheriff of the Day for Sutton County.

Reba McEntire and the Southern Comfort Band will be the main event when she comes to Sonora to take over as Mayor of the Day. Ms. McEntire has been on several of the

Country Music television shows including Pop Goes the Country, and That Good Ole Nashville Music.

Events for the project planned by the Sonora Jaycees to raise money for a new ambulance for Sutton County will begin at 1:00 p.m. and will include washer pitching, horse shoe tossing, chicken flying, and armadillo racing contests. Trophies will be awarded for first and second places in those events. Afternoon entertainment will include country music from the Sutton County Pickers, Spanish music from the Los Primos Orchestra, and Karate demonstrations from the Sonora School of Martial Arts.

Everyone is invited to attend and participate in the activities scheduled for A Night Out in Sutton County, and the Jaycees promise a good time for all.

Outside Looking In--The roof of the old La Vista Theatre fell in last week due partly to the collection of rainwater on the roof of the aging structure and created much excitement on a usually quiet Friday afternoon.

First National Offers Student Loans

The First National Bank of Sonora is offering loans to students wishing to further their educations through the Federally Insured Student Loan program.

Participating in this program are many colleges and universities and some business colleges and technical institutions. Through the student loan program at FNB, students may gain the funds necessary to go on to college.

The size of the loans issued through the bank are varied depending on the school the student elects to attend, and the expenses the

student must meet including housing, tuition, books, fees, and incidentals.

There is a one-year grace period after the student graduates, quits school, or becomes a part-time student (one with less than twelve semester hours) to pay the loan back, interest free.

Applications and more information concerning the student loan program are available through the First National Bank of Sonora. Any student interested in acquiring a loan through the bank should contact either Mike Hale or Kenneth Land at FNB.

Hospital Auxiliary-Providing Love

The Hudspeth Hospital Auxiliary held their last meeting for this year on Monday at 12:00 noon.

New officers for 1980-1981 were installed by Mary Jean Hamilton as follows: President, Leola Wiseman; Vice President, Beverly Howard; Recording Secretary, Cora Lee Campbell; Corresponding Secretary, Maxine Browne; Treasurer, Metha Trainer; Parliamentarian, Hattie B. Epps; Historian, Esther Loeffler; Ausitor, Guila Vicars.

During the past twelve months the Auxiliary has accomplished much to help socially and financially with the Nursing Home and the Hospital. Some of the things done were to

purchase a new television set, new serving trays, equipment such as shower stools, electric razors, room commodes and films for training nursing aids. The Auxiliary also gave a check in the amount of \$500.00 to help in purchasing a new ambulance for Sonora. Each month the Auxiliary has entertained the Nursing Home residents with a birthday party, honoring each member's birthday during the year. They have had special parties on Thanksgiving, Christmas, Valentine's Day and Easter. Each member has a resident as a special pal and remembers he or she on special occasions and visits then as often as possible.

Making Sonora Shine

by Becky Ponsetti

Many various clubs, civic orientated organizations and private individuals have become members of Sonora's newest fraternity, united in the cause of cleaning up their community.

Since the inception of the "Shine Sonora" beautification program, several areas of town have been revitalized through the efforts of these people.

The Sonora Little League Ball Park was the first area of town to show the efforts of Sonora citizens on the behalf of the beautification program. Bill Harle, his sons, and other volunteers including Manuel Parades and Ruben Samaniego have mowed, picked up litter, watered the grass and painted bleachers at the ball park.

The beautification of this park has greatly increased the enthusiasm of supporters and participants in the Sonora Little League program.

Nancy Johnson and family have tackled the project of cleaning up around the old Elliott School. This

Perez Honored With Baby Shower

BY LILIA HERNANDEZ
 Rosemary Perez, from Canyon, Texas, daughter of Mr. and Mrs. Mario Hernandez was honored with a baby shower, on Friday, May the 16th at the Founders Room of the First National Bank.

They had refreshments and cake to go with the shower.

Approximately 30 guests attended and the best part about the shower were all the nice gifts both she and the coming baby received.

Hosting the baby shower were: Mrs. Eva Perez, Mrs. Josephine Hernandez, Lilia Gonzales, Maura Weingart and Lilia Hernandez.

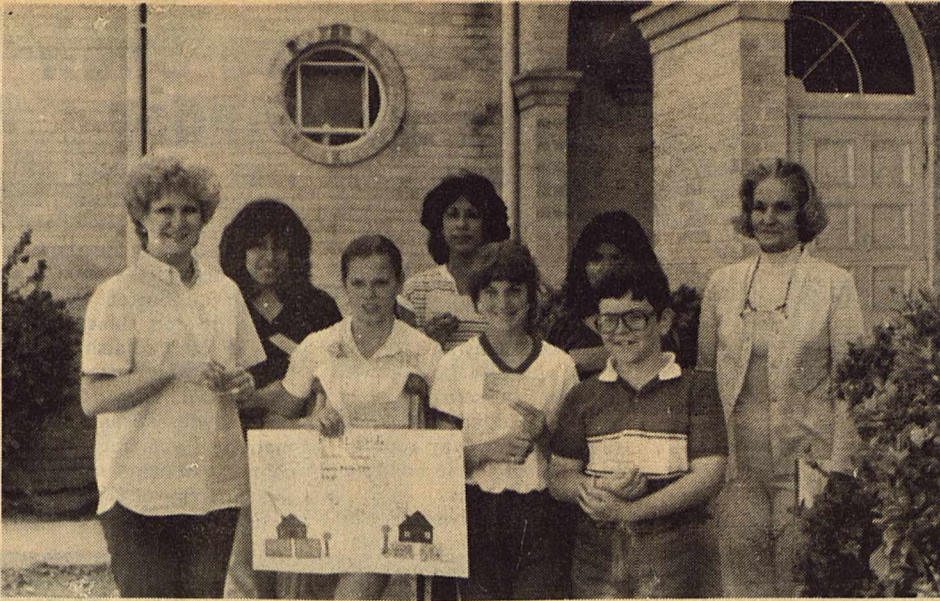

Mary Guerra and Oscar Rincon to Be Wed In June

A June 14 wedding at Our Lady of Lurdes Catholic Church is planned for Ilda Maria (Mary) Guerra and Oscar Rincon of Mineral Wells, Texas.

The bride-elect is the daughter of Mr. and Mrs. Eliseo Guerra Jr. granddaughter of Mr. Eliseo Guerra Sr. of Sonora. Parents of the prospective bridegroom are Mr. and Mrs. Tiudrcio (Ti) Rincon of Mineral Wells.

Miss Guerra is a sophomore at Mineral Wells High School.

Mr. Rincon is a 1977 graduate of Mineral Wells High School.

"SHINE SONORA" poster winners: Kindergarten through Grade 5: 1st: Dina Graves; 2nd: Mark Esche; and 3rd: Jarl Todd. High School: 1st: Nerelda Perez; 2nd: Sulema Garza; and 3rd: Martha Valdez. Prize money was awarded by the Sonora Garden Club.

project included the gathering and dumping of twelve pickup loads of refuse off the old school grounds.

Other areas of town that have shown the efforts of citizens involved in the beautification of their city include the lot across from Rogers Drive In, the triangle on Hwy. 290 west toward Junction, barditches along the highway running thru town, and the sunken garden in downtown Sonora.

"Some positive things are happening in Sonora in relation to the "Shine Sonora" project, commented committee chairwoman Effie Harle. "Not only are individuals involved in the clean up, but the city has furnished manpower to aid these individuals in the task of cleaning up our community."

City crews have shown a great interest in the city-wide beautification. They have cleaned the area around the municipal swimming pool and have begun to clear brush and refuse out of Lowrey Draw on Water Street.

City government has al-

so been involved in the clean-up. During the March City Council meeting, Council members voted to enforce any and all ordinances concerning abandoned vehicles and litter in order to assist those individuals involved in the beautification program.

The State Highway Department has ordered and will begin installing NO LITTERING signs along Hwy. 290 running through town.

"A lot of good things have been done by Sonora citizens involved in the Shine Sonora project," Harle commented. "We realize, however, that the clean-up cannot be done overnight." "It will take many months of dedicated labor and afterwards, continued maintenance to keep Sonora shining," she added.

Places and areas still in need of cleaning that have been pointed out by the Sonora Chamber of Commerce include the access road past the airport, the park behind Braden Motors, and several areas on Hwy. 277 S.

In order to salute the various clubs and individuals who have given freely of their time and equipment to further the beautification of our city, we would have a list of names a mile long. Their reward will be a cleaner, "Shinier" Sonora.

Fishers Celebrate Golden Anniversary

Mr. and Mrs. Dennis Fisher celebrated their 50th wedding anniversary, Saturday May 10th with a reception from 2 to 5 p.m. at their home at 701 Prospect, Sonora, Texas. 130 friends and members of their family registered. Dennis Fisher and Donie Agnes Thiers were married May 12, 1930 at Junction, Texas. Mr. and Mrs. Lee Walton of London, Texas and Mr. and Mrs. Alfred Thiers of Roosevelt, Texas attended the couple. A barbeque was held with family, friends and neighbors attending the dinner.

Mrs. Fisher was the daughter of the late Mr. and Mrs. Otto Thiers, Roosevelt, Texas. Fisher was the son of the late Mr. and Mrs. Burl Fisher of Junction, Texas.

Members of the family attending the celebration was a sister of Mrs. Fisher, Mr. Roy Martin (Tillie) of Sterling City, Texas. Her daughter, Mrs. Herb Floyd Jr. and husband of Rockport, Texas. Granddaughter Mrs. Jackie Waldrop and son of Uvalde, Texas. Brother, Mr. and Mrs. Alfred Thiers of Sonora,

Texas and brother; Mr. and Mrs. O.A. Thiers; their families, Mr. and Mrs. Gene Pierce, Mr. and Mrs. Jackie Haney, and son Ake, Mr. and Mrs. Ronnie Thiers, Christie and Jeremy and Wesley Thiers all of San Angelo, Texas. Fisher family present included a sister (Mary) Mr. and Mrs. Frank Johnson of Fayetteville, Ark.; a sister

(Verna) Mr. and Mrs. Leonard Augle of Junction, Texas. A backyard supper was held from 6-7 p.m. for family of the couple. Cousins were present from Junction, London, Sonora, Roosevelt, Ozona and Menard, Texas to help the couple celebrate their golden wedding anniversary.

Engagement Announced

Mr. and Mrs. Jesus Flores announce the engagement of their daughter, Delia Flores of San Angelo to Andreas Tucker, son of Mr. and Mrs. Larry Tucker of Council Bluffs, Iowa. The couple are planning to be married August 16, 1980 at St. Ann's Catholic Church in Sonora.

Miss Flores is employed at St. John's Hospital in San Angelo. Her fiancé is a ASU student.

Kappa Gamma-Remember Founder's Day

Kappa Gamma had a party May 14, 1980 at the Sutton County Strawberry Patch to remember their Founder's Day. Founder's Day is a time when Epsilon Sigma Alpha members look back and study the original leaders. E. Robert Palmer is remembered as the founder. He started Epsilon Sigma Alpha in 1941 in Loveland, Colorado.

Nelda Mayfield was the speaker. She had gone back and researched our sorority's history. She gave an interesting and

informative speech. Members exchanged gifts with their Secret Sisters' and then the Secret Sisters were revealed. Members in attendance were: Kim Cole, Cindy Dennis, Jane Doyle, Rita Hale, Delores Hodges, Sharon Hogue, Nelda Mayfield, Collen Miller, Susie Ramirez, Jan Robertson, Melissa Slusher, Diane Snider, JoAnn Wilkenson and Pam Davenport. Also three members at large were in attendance: Debbie Kemper, Sammy Sailors.

Chamber Chatter by Lou Thomas

The 1980 West Texas Chamber of Commerce is in the planning stages of an industrial tour which will visit selected cities in the upper Midwest, according to Bob Brummal of Lubbock, chairman of the WTCC Private Enterprise Development Committee. Brummal stated that the central program will include a WTCC luncheon for representatives of local businesses and industries in each city visited who have a potential to relocate or expand their industries to the West Texas area. At the luncheon, a briefing will be conducted telling the benefits of doing business in West Texas. Cities being reviewed at this time include Detroit, Cleveland, Cincinnati and/or Pittsburgh. Brummal stated that the probable time will be late August or early September. He added that local communities represented on the tour will have the opportunity to distribute information fol-

lowing each luncheon and that plans call for tour participants to be responsible for their own travel arrangements. Watch for grand opening and ribbon cutting ceremony dates for the Home Hardware and the Sound Shop! Friendly face around town this week was Mayor Bill Gosney.

The C of C office has received a letter from Lois Perna, Field Coordinator, Youth For Understanding International Student Exchange. Perna's letter stated that opportunities exist for families who are interested in opening their home to a teenager from another part of the world. Said students are conversant in English and are

looking forward to the experience of living with an American family. For more information contact Perna at 3563 Colgate, Irving, Texas, 75062, Phone AC 214-256-1105.

**RRG Marathon
Hearing Set
For June 10**

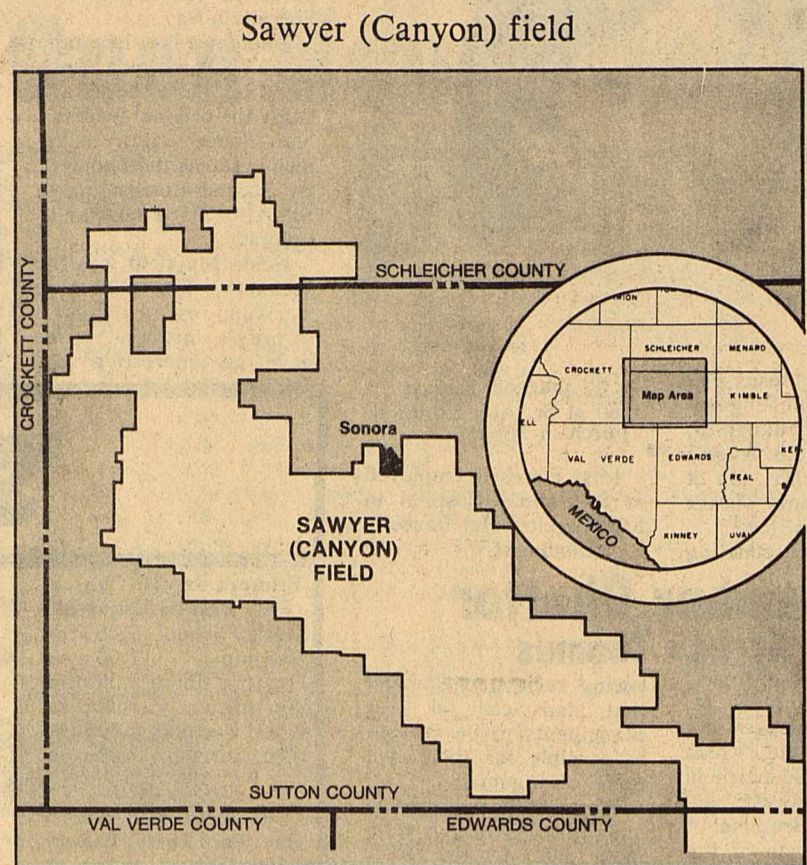

The Railroad Commission has scheduled a June 10 hearing on the application of Marathon Oil Co., operator, and working interest owners to increase the most efficient rate of production for the Yates Field Unit in Pecos and Crockett Counties to 150,000 barrels of oil per day. The unit, in one of Texas' top oil sectors, presently is producing 125,000 barrels a day, a rate authorized by the RRC in August 1978. The June 10 hearing will be held at the Commission headquarters in Austin, starting at 9 am.

Marathon and other working interest parties represent 90 percent of the Yates Field production. The Yates Field has produced more than 768 million barrels of oil since it was discovered 54 years ago.

New spacing rule could prolong production with the drilling of 50 to 100 locations.

HNG Proposal Could Promote Fresh Infill Drilling

A proposal by HNG Oil Co. to amend existing field rules for Sutton County's Sawyer (Canyon) field to provide for 660-ft. to 1,200-ft. spacing and 640-acre proration units with an optional 90-acre proration unit could result in a fresh round of infill drilling for the Sawyer field.

"It might not result in an immediate boom," says a spokesman for HNG, "but it could result in prolonging activity in the

area and result in prolonging production from the field. If the spacing change goes through, we have 50 to 100 locations we could drill immediately." Spacing in the field was previously on 160-acre optional spacing but, as long as three years ago, operators began to suspect that many wells were not draining 160 acres. After extensive drainage studies, HNG found that, indeed, a majority of the wells were not capable of draining 80 acres.

Evidence was presented at a recent TRC hearing for the field rule change. No opposition was voiced by other operators in the field, indicating a probable consensus of opinion. Other major operators in the field are Amoco, Gulf and El Paso Natural Gas.

While HNG is excited about the possibilities of the new spacing rule, Amoco, which still has only one or two-well spacing per section, will take a wait-and-see position. "We will be keeping a close watch on what HNG does in infill drilling if the spacing change goes through," said Amoco district superintendent Jim York of Odessa. "If it looks like they are hitting some virgin pressures, we will probably go in and drill some wells on 80-acre spacing. We have never been bashful about going to tighter spacing to protect or improve drainage." York said that part of the reason Amoco had not gone to tighter 160-acre spacing in some of its proration units was a matter of economic priority.

"We have to look at returns," he said. "If we can drill 50 wells elsewhere that will bring Amoco a higher return, those wells have a higher priority than 50 wells in the Canyon sand. Despite that, we will be spending a record amount of dollars in the Canyon sand this year and will be drilling about 35-40 wells. We have one rig running all the time, drilling semi-infill wells."

Having 219 producing wells, 8 shut-in wells awaiting pipelines and 15-20 plugged wells in the Canyon, Amoco is obviously concerned with drainage and economics of the trend. The company has attempted several massive fracs with mixed results. While the fracs were successful to a degree in improving drainage, they were not always cost-effective, with payouts coming too late.

"I don't think the massive frac is a save-all for the area at this time," said York, "but eventually I think the economics will be there."

York said that Amoco would need more performance data to see whether it was draining everything it had before it launches a tighter spacing program.

On the other hand, Donald Hunter, HNG manager of reservoir engineering, predicts that the new spacing rule will probably affect half of HNG properties in the Sawyer (Canyon)

Field, making them candidates for infill drilling.

In arriving at its decision for an optional 80-acre spacing on the 640-acre proration units, HNG was influenced by extensive testing in the field. Long-term pressure buildup was tested at specific locations and evaluation by HNG concluded that many of the wells were not capable of draining more than 80 acres.

The areas tested were well locations which approximated 80-acre spacing and where deliverability was average or slightly above average.

"We wanted results that would be representative of the field as a whole," said Hunter. He said that the facts indicate that an 80-

acre spacing option is needed in some instances to effectively drain some areas of the field. In some instances, it was found that some wells could not even effectively drain 80 acres, while other wells were capable of draining 320 or more.

seedbed slopes on earliness in cantaloup. This is a study directed toward increasing earliness thus lowering production cost. The second stop on the tour will review the results of studies on Curbiset, a plant growth regulator, in the production of large quantities of small pickling cucumbers without pollination. Test plots to determine optimum plant population, plant arrangement and timing of chemical application and subsequent fruit harvest for successful use of Curbiset will be shown.

Next on the tour will be a discussion of the effects of utilizing corn leaves below the ear as a forage source for small grazing animals. Results from hand-defoliated corn plants to simulate grazing by small animals will be presented. The fourth presentation will be a review of the developments in the South

texas wheat breeding program and the release of a new wheat variety for the area. A short summary of small grain diseases and recommendations on varieties adapted to the area will also be given. This will be followed by a summary of five years of research on corn and grain sorghum fertility. The last stop of the day will be a study on the use of field applied growth regulators to improve shipping quality and prolong storage life of onions. A variety trial featuring 38 advanced breeding lines selected on the basis of high yield and storage quality will also be observed. At the conclusion of each tour, a slide presentation entitled, "The Extension Way, People Helping People" will be shown in the auditorium. Registration for the Field Day and Open House will begin at 8:00 a.m. Tours

will depart the registration area at 30 minute intervals, with the last tour departing at 10:30 a.m. All tours will

be completed by noon. Parking for the event will be at the baseball complex just west of the Center.

YOUR FAMILY FINANCIAL CENTER

OPEN LETTER FROM: RESIDENTS OF PRECINCT 3, SUTTON COUNTY, TEXAS:

I would like to thank you for your support that placed me in the runoff election for County Commissioner, Precinct 3, to be held on Saturday, June 7, 1980.

I feel that I must state my reasons for seeking this office, in order to justify your support on June 7th.

It has been brought to my attention that two of the most important items in the campaigning against me have been that I have "too much education and too little time" to hold the office, NEITHER of which is true. But be that as it may, when you think about it, it takes little time and little education to realize that we are over-governed, over-regulated, and over-taxed. I do, however, have the time to try to DO something for Sutton County.

WITHOUT strong and capable LOCAL leadership, it is clear to me that the State and Federal governments will have us continue down this road to total regulation. I believe that I can offer this leadership at the local level. I strongly believe that government should be run like an efficient business, with maximum benefit returned for each dollar spent..I have NO particular special interest group to support and thus be obligated to, nor do I believe that any part of our Sutton County government should be singled out for unreasonable restrictions. My only wish is to provide the level of government that YOU, the voters, desire - - no more, no less.

Because I am a lifetime resident of Sutton County, I have broad local and West Texas business experience, and mostly because I have a genuine interest and strong belief in all of Sutton County, I believe I can provide the entire County with capable representation, and pledge to be open to listen to and consider anyone's ideas on the subject.

I would appreciate your support in the election on June 7th. But whichever candidate you support, your vote is essential in determining future Sutton County policies. So PLEASE vote.

If for any reason you think that you might be out of town, or unable to get to your polling place on that date, just call the County Clerk, and she will mail you an absentee ballot, which you can mark in your home and return to the Clerk in the mail or in person, at your convenience. Absentee voting must be requested by June 2nd, so please remember that date.

Again, thank you for your consideration, and I would be glad to answer ANY specific questions that any of you might have, if you are undecided about your vote.

JOHN DAVID FIELDS

My travels of the past three weeks have carried me in and through some 25 Texas counties. A couple of those trips were extra nice because I drove in rain, yet after making it back a week later, I found little comfort in discovering the moisture did any good. We must brand the rains teasers! After an inch or even two fell, a drying wind sucked all the moisture away. And there have been usually cold nights...grass can't grow if the soil don't remain warm day and night. JOE PAT JONES of Eden says, few folks believe him when he talks of the four inch snow there on April 13. "But it was on the ground I know because I had some new pigs and went to the barn at 4 a.m. to check them and shut the barn up. However, my family don't believe me either because when they woke up after daylight the snow was melted." About 2,500 people me the white stuff in the Texas Hill Country the same weekend as they departed from a wild blowout at the YO Ranch at Mountain Home. The celebration was the 100th anniversary of the Charles Schvheiner ranch in Kerr County. The party went on but not in the planned setting. While that was all going on, I was chaperon to some 25 Colonial Rehab Rangers on a trip to Arlington and a baseball game between the New York Yankees and Texas Rangers. It was rained out and my little rangers were cold and wet by the time we got back to the bus. To say this has been a different kind of spring and winter, for that matter, would be an understatement. The whole world has been upside down from the weather to the economy to government at home and abroad. It just seem like everything nailed down is coming loose. Many in ranch country will remember JAMES GRAY, for many years the sheep and goat specialist with Texas A & M. Well, I had supper with Gray in Sonora the other night. He is retired from the Extension Service and practicing on his own. Reporting a 120 percent Angora kid crop this season...he smiled and added: "It hasn't been easy. My wife and I have sit up with the little kids to get them started." ODUS WITTENBURG, well known lamb buyer and sheep dealer, was on the baseball game trip. He predicts the lamb market will be back inline by summer and wool prices better too. I can see the wool buyers problem...they can't buy this stuff with 18 to 20 percent interest on their money. They would rather the old rancher pay for storage and gamble that the interest rate will come-down by the time the mills will need more natural

fibers." CHESTER BANNOW SKY who ranchers near Cleo on Bear Creek in Kimble County thinks rain. rain... a good soaker and rise on the creeks will come before May is June." THOMAS MORRIS, Sutton County ranchman, is equally as optimistic. And bumping into RUFUS COUEY and DAMON EVANS in a Junction coffeshop recently..I witnessed the same kind of talk from some old-timers who have hit it right lost of times. Just the same, in visiting with SHELLEY V. SMITH, on rounds at the Fairways Oaks Gold Club in Abilene the other day as we made final plans for the La Jet Classic May 5 and 6, seeing all that watered green grass amde matters at the ranch worse! Smith, who ranches near Abilene and Snyder besides running the West Texas Rehabilitation Center, says it will take four inches of rain "just to get caught up.. then we will need some regular showers along." I attended a regional meeting of the Texas & Southwestern Cattle Raisers Association at the invitation of General-Manager DON KING.

Garcia; Jacinto Guedea and Caytano Lombana if living, and if any or all of the above named defendants be dead, the unknown heirs of each or all of said above named persons who may be dead, and the unknown heirs of the unknown heirs of said above named persons, and the unknown owner or owners of the hereinafter described land, and the executors, administrators, guardians, legal representatives, legatees and devisees of the above named persons, and any and all other persons, including adverse claimants owning or having or

claiming any legal or equitable interest in or lien upon the following described property, delinquent to Plaintiff(s) herein, for taxes, all of said property being located in said County and State, to-wit: The following property being located in the Original Townsite of the City of Sonora: Part of Lot 1 (24'6"x100'), Block E, NE 1/2 of Lots 11 and 12, Block Z, Lot 7 (100' x 100'), Block W 38, Lots 1 and 2, Block 28 E; The following property being located in the Hermosa Addition to the City of Sonora: Lot 6, Block D; The following property being located in the Riverside Addition to the City of Sonora: Lots 24 and 25, Block AC; The following property being located in the South Heights Addition to the City of Sonora: Lot 8, Block 49A, Lot 5, Block 65A; The following property being located in the Mexico AKA West Mexico Addition to the City of Sonora: Lot 3A (17' x 100'), Block 1, Lots 2, 3 and 4, Block 2, Lot 4, Block 5 (Tract 30); All of the above property being located in the City of Sonora, Sutton County, Texas.

Which said property is delinquent to Plaintiff(s) for taxes in the following amount: \$2519.09, exclusive of interest, penalties and costs, and there is included

in this suit in addition to the taxes, all said interest, penalties and costs therein allowed by law up to and including the day of judgment herein.

You are hereby notified that suit has been brought by City of Sonora, a Municipal Corporation and the Sonora Independent School District Plaintiff(s), against the above named persons, as defendants, by petition filed on the 25th day of July, 1979, in a certain suit styled City of Sonora, a Municipal Corporation et al vs. G.G. Stephenson et al for collection of the taxes on said property and that said suit is now pending in the District Court of Sutton County, Texas, 112th Judicial District, and the file number of said suit is 2376, that the names of all taxing units which assess and collect taxes on the property hereinabove described, not made parties to this suit are NONE.

Plaintiff(s) and all other taxing units who may set up their tax claims herein seek recovery of delinquent ad valorem taxes on the property hereinabove described, and in addition to the taxes all interest, penalties, and costs allowed by law thereon up to and including the day of judgment herein, and the establishment and foreclosure of liens, if any, securing the payment of same, as provided by law.

All parties to this suit, including Plaintiff(s), defendants, and intervenors, shall take notice that claims not only for any taxes which were delinquent at the time this suit was filed but all taxes becoming delinquent at any time thereafter up to the day of judgment, including all interest, penalties and costs allowed by law thereon, may, upon request therefor, be recovered herein without further citation or notice to any parties herein, and all said parties shall take notice of and plead and answer to all claims and pleadings now on file and which may hereafter be filed in said cause by all other parties herein, and all of those taxing units above named who may intervene herein and set up their respective tax claims against said property.

You are hereby commanded to appear and defend such suit on the first Monday after the expiration

of forty-two (42) days from and after the date of issuance hereof, the 25th day of April, 1980, same being the 9th day of June, A.D., 1980, [which is the return day of such citation], before the honorable District Court of Sutton County, Texas, to be held at the courthouse thereof, then to show cause why judgment shall not be rendered for such taxes, penalties, interest and costs, and condemning said property and ordering foreclosure of the constitutional and statutory tax liens thereon for taxes due the Plaintiff(s) and the taxing units parties hereto, and those who may intervene herein, together with all interest, penalties, and costs allowed by law up to and including the day of judgment herein, and all costs of this suit.

Issued and given under my hand and seal of said Court in the City of Sonora, Sutton County, Texas, this 25th day of April, A.D., 1980.

Erma Lee Turner
Clerk of the District Court
Sutton County, Texas, 112th
Judicial District
Vivian Crites
Deputy

Public Notice

PUBLIC NOTICE
The following Notice is being re-published at the request of the Public Utilities Commission of Texas in order to more fully comply with Section 43 of the Public Utility Regulatory Act. It is NOT notification of new or additional adjustment of current rates. This Notice was last published in March 1979 and refers only to the adjustment at that time.

"We are seeking authority from the Public Utility Commission for an upward adjustment of rates to recover part of the (approx-

mately) 19 percent increase we have experienced in our costs for equipment, labor and utilities with which we serve our subscribers. If granted, the adjustment will be effective April 19, 1979."

"Any opponents: [1] may file a written complaint with the PUB, 7800 Shoal Creek Blvd., Suite 450N, Austin, Texas 78757 [512]458-0100, stating the reason for the opposition; [2] may file with the Commission and with Applicant Utility notice of intent to participate in public hearings.

"Either file should be made prior to the effective date of the proposed date of rate change."

Although this Notice is a re-publication and the dates contained therein it has expired, opposition is again applicable and may be filed as described as above within 45 days.

We pay 10^{3/4}% on as little as \$100 or as much as \$100,000.

Our 11.51% effective annual yield is over 1/4% more than any bank pays.

Heart O' Texas SAVINGS ASSOCIATION
Established 1890

Heart O'Texas 2 1/2 year Money Market Certificate pays the highest interest any savings and loan ever paid on amounts as low as \$100. Put as much as you like into our Certificate and lock up your high rate for 2 1/2 years.

Federal law requires a substantial interest penalty for early withdrawal, but your deposit is insured and its interest is compounded daily. That's why you actually earn 11.51%.

So let your money make money in our 2 1/2 year Money Market Certificate. Come by your nearest Heart O'Texas and we'll give you a better deal for 2 1/2 years than any bank can. We guarantee it. Available through May 31, 1980.
