Caromel

BY CAROL JONES

After being a Sutton County resident for three months now, I can honestly say, "Yes, I do like it here."

It's strange how everyone asks a new person how they like the town—just days after the person has moved there.

We're all guilty of it, and the newcomer's response is almost always, "Oh, I love it" when in all honesty, how can they know yet?

Both the newcomer and the person asking the question are usually just trying to make polite conversation.

As the regular readers of the "Devil" have discovered, I am not much on writing columns, but I feel the need occasionally, as now, to express a few thoughts of my own.

So far, everyone that I have met has been very friendly and cooperative, as well as understanding the handicaps of being new to the area.

I no longer feel like a newcomer or a stranger. Perhaps most of that is a result of the business that I am

in. There is no profession better than the news media, in my opinion, for getting better acquainted with people, businesses, and the lay-out of the town.

Thanks to the photographs that have been published of me, several people already recognize me on sight. I wish I had the same advantage.

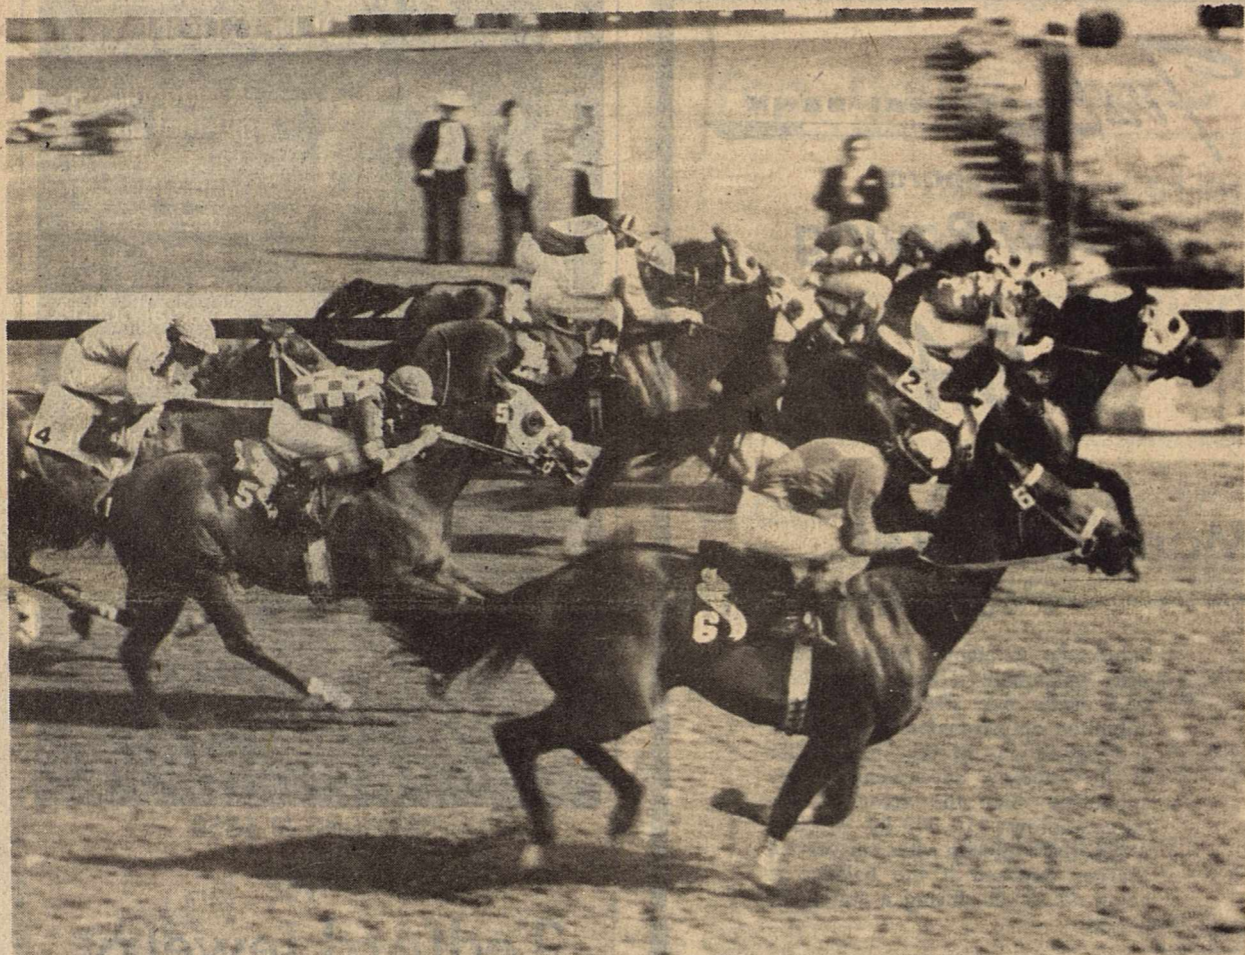

However, I may see a familiar face and not be able to put the right name with it, so please forgive me if I fail to call you by name: I'm still trying.

Give me awhile and I'll know most of you but meanwhile please feel free to introduce yourself to me. Come by the office and let's get acquainted.

Also, please let me or one of my capable staff members know if you have any type of news for the paper, I am striving to make the "Devil" a hometown, local news newspaper, but I still need your help.

I have appointed Brenda Heim as general office manager. She is also ad-director, selling and designing ads; assists in editorial coverage; and is a photographer.

SECOND PLACE WINS \$343,500

"Mr. Suspenders" loses by a nose

The 25th All American Futurity, the world's richest horse race, was run Monday, September 5, at Ruidoso Downs, Ruidoso, New Mexico. The All American Futurity is the third and final leg of the "triple crown" series for 2-year-olds. Regarded by many as quarter horse racing's most prestigious event, the All American Futurity started with 1,633 entries. On A High captured the \$2.5 million All American Futurity. On A High is owned by Jerry Rheudasil, Preston Carter and B.F. Phillips, Jr., of Lewisville, Texas. Mr. Suspenders, owned by Louise H. Morriss of Sonora, Texas, and Sue H. May of Ft. Stockton, Texas, was runner-up.

Mr. Suspenders, a Pass'em Up gelding scored an easy 1 1/4 length victory in the second trial heat and was clocked in a fine :21:92, the third best time of 90 qualifiers. Mr. Suspenders is trained by Ruidoso Downs top trainer for the 1983 season, Bill Leach of Brady, and is ridden by jockey Henry Uriegas.

Mr. Suspenders entered the All American as a long shot, despite his excellent qualifying time. "There are certain horses that you know have the potential, but you have to wait until that potential comes around and it always takes a lot of work," Leach responded to the long-shot odds. "Every horse in the All American and Mr. Suspenders is no exception, or else we wouldn't have paid the entry fees and gone through the qualifying."

Racy Roman, owned by Morris L. Stephens of Graham earned third. On A High returned \$29.80, \$16.20 and \$7.20. Mr. Suspenders paid \$8.80 and \$5.20, while Racy Roman returned \$10.40 to show. The winning time was 22.03.

In an interview with Louise Morriss, she is quoted as saying, "We were very pleased with Mr. Suspenders' race and appreciate our family and friends support. Being a part of the All American Futurity was a thrilling experience."

Proposed high school could ease situation

BY CAROL JONES

As a follow-up to last week's article "Sonora schools bulging" that appeared in the Devil's River News, an attempt will be made this week to give you, the voters and taxpayers, more information regarding the bulging school situation.

In addition to solving a great number of the traffic problems before and after school by moving the high-school drivers to another campus, the proposed new high school building would also help eliminate the cafeteria problems entailed in feeding so many students in such a crowded area under rushed and noisy conditions.

An estimated 100 high school students' cars are being driven and parked in the one-campus area at this time. With parents who must drive their children to

school, some even having to take them to the classroom, the traffic jams each morning is something that no one is very happy with.

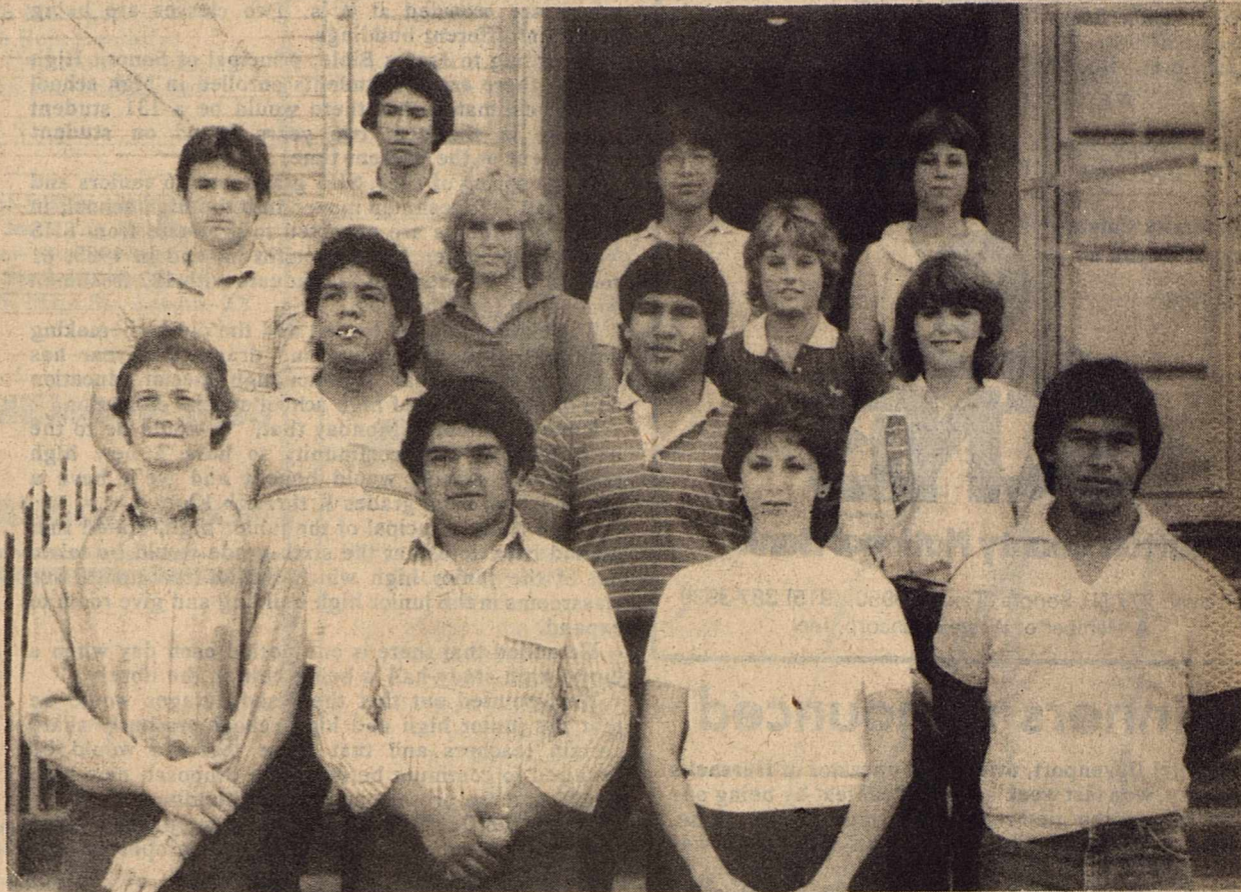

At least one city policeman is patrolling the area constantly during the early morning traffic jam, but they are not able to watch out for each small child crossing the street.

From my own observance, most drivers are very cautious during this period of the day, but it could still be a hazard.

With four grades (all of the driving-aged students) in another area, most of the long stream of traffic would be eliminated.

By voting "yes" in the bond election which was expected to be set Tuesday night, you will only be

SEE PROPOSED PAGE 2

1983-84 SHS CLASS OFFICERS

The election of class officers was held recently at Sonora High School and senior class officers include (front row, left to right) Barry Graves, president; Jerry Jimenez, vice-president; Lynn Duckworth, secretary; and Tino Martinez, treasurer. Juniors class officers are (second row up, left to right) Abel Sanchez, president; Ruben Garza, vice-president; and Rebecca Powers,

secretary/treasurer. Sophomore class officers elected include (third row up, left to right) Jim Cooper, president; Carrie Sorenson, vice-president; and Leslie Webster, secretary/treasurer. Freshman officers are (back row, left to right) Ismael Duenes, president; Gall Mesa, vice-president; and Shaumarle Scoggins, secretary/treasurer. (Staff Photo--DDH)

Broncos triumph over Junction 7-0

BY CHARLIE ADAMS

Friday night at their home opener the Sonora Broncos got back on the right foot as they blanked the Junction Eagles 7-0. The score came on the Broncos' second offensive possession. Senior running back Mike Poloczek took the handoff and ran 55 yards for the score. Senior Jeff Brittain split the uprights on the extra point kick to give the home team a 7-0 lead. It turned out to be all the Broncos needed as the defense held the Junction offense in check all night.

Senior noseguard Ronnie Munns was a defensive standout as he made many big plays that stopped the Eagles for little gains and often for losses time after time throughout the game. The defense spent quite a lot of time on the field as the offense had a problem holding on to the ball. The Broncos fumbled nine times and five times the Junction Eagles recovered.

Even with all that help the Eagles could not move the Bronco defense as they managed only 92 total yards for the entire game. Junction rushed for 67 yards and passed for 25 more. It was quite a fine job by the Bronco defense. Besides Munns, the defense was anchored in the middle by tackles Houston Powers and Jerry Jimenez and were backed up by linebackers Jeff Brittain and Gilbert Martinez. The defensive end was manned by Robert Mittel, Mario Sotelo and Ruben Garza.

The secondary of Victor Lira, Tony Garza, John David Martinez, and Esau Ramirez was much improved over last week as they allowed only 3 completions on 16 Junction attempts for 27 yards.

The entire defense though on the field for much of the night seemed not to tire as they shut-down the Eagle offense and record their first shutout of the season. On the other side of the line of scrimmage the offense did have a few problems. The main problem was that of turnovers.

The Broncos lost 5 of 9 fumbles and also had one interception. With this many miscues it was very fortunate that the defense turned in such a sterling performance or the out-come could have been quite the opposite.

There were some tight spots offensively even though all the gears are still not in complete sync. The offensive line blocking was very crisp and opened gaping holes in the Junction defense very consistently. The running backs had a good game as they totaled 210 rushing yards on 42 attempts for an average of 5 yards per play. The rushing game was led by Mike Poloczek with 90 yards on 10 carries. Fullback Tino Martinez added 80 yards on 16 carries, Drew Wallace had 1 yard on 3 attempts, John David Martinez 4 yards on 1 carry.

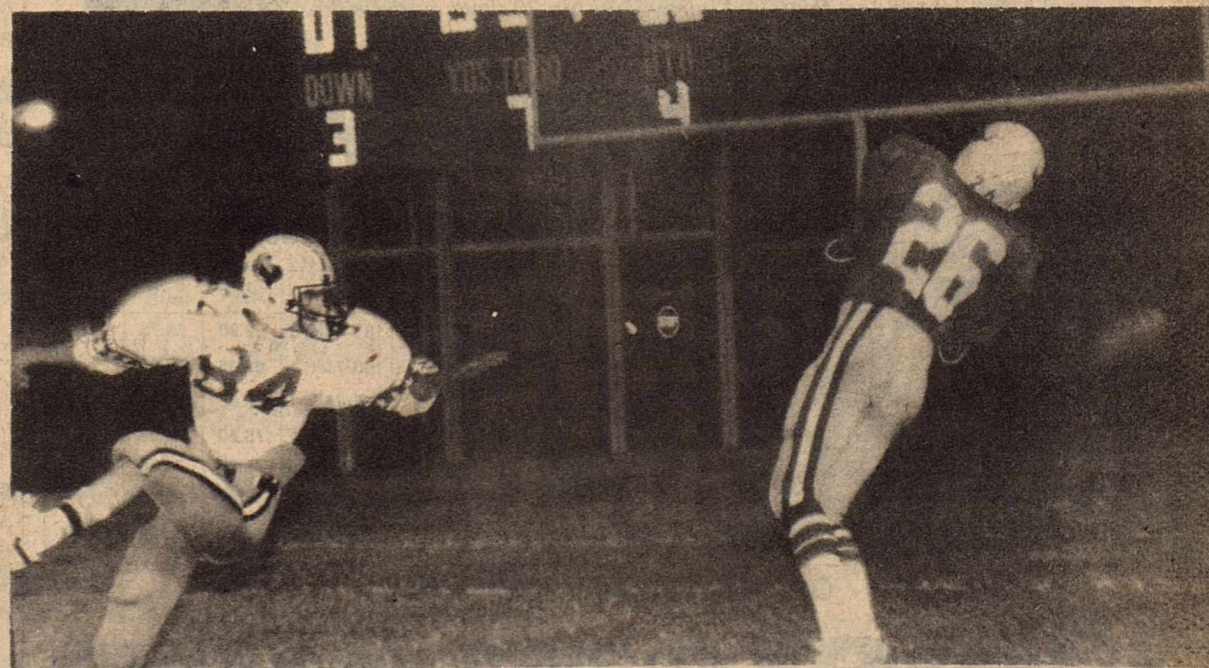

In the passing and receiving department it was a two man show. The combination of Wallace to Esau Ramirez connected 3 times for 58 yards. For the night Wallace was 3 of 11 with one interception.

In other games involving the 6-AAA district teams, Crane upset a favored Marfa team 28-6 and are now 2-0. Ballinger had another big scoring night as they beat Abilene Wylie 37-12, making them 2-0 for the season. Colorado City passed for 218 yards as they beat Seminole 34-14 to remain undefeated. Coahoma beat Stanton 13-11 to move to 1-1 for the year and the only loss was suffered by Ozona at the hands of the Wall Hawks 24-12, making them now 1-1.

Next week Crane will play Stanton at Crane, Ballinger will be at Brady, Coahoma will be home against Tahoka, Colorado City will play Denver City at home and Ozona plays Reagan County at Ozona.

The Sonora Broncos will travel 21 miles for the battle of the best team in Sutton Co. against the best team in Schleicher County. The Broncos will be trying to avenge last year's 7-2 loss at Bronco stadium. So far this year the Eldorado Eagles are 2-0. They beat Rankin 45-0 and Iraan 13-6. They are led by an offensive and defensive line with five players weighing in at 240, 245, 210, 200, and 200 pounds. This will be the biggest team the Broncos will possibly face the entire season.

The game should prove exciting as there are always fireworks in an Eldorado-Sonora game, so be at Eagle field Friday night and support the Broncos.

DOING A DANCE

Esau Ramirez for the mighty Broncos and Bobby Carpenter for the Junction Eagles appear to be doing some sort of dance at the goal line Friday night during the fourth quarter. Ramirez could have been doing a premature "Victory" dance since the "Red 'hosses"

defeated the Eagles 7-0. The Broncos are slated to meet Eldorado in Eldorado Friday night at 8 p.m. Go out and show the team what Bronco Power really is. Support them during this season. (Staff Photo--DDH)

Winners announced

Hershel Davenport, owner and operator of Hershel's Foodway, won last week's football contest by being one point off on the tie-breaker. He missed one game, picking 13 correctly, tying with Ann Cates who was seven points off on the tie-breaker.
 Davenport will receive \$15 and Ms. Cates will receive \$10.

There were eight people tying for third place but the tie-breaker put Juana Mesa in the third place winner spot. She will receive \$5.

Ms. Mesa missed two games in the contest and was only four points off on the tie-breaker.

All winning entry forms were picked up at Hershel's Foodway.

Others tying for third place but not receiving cash were Rodney Knight with a 10 point tie-breaker difference; Pete Samaniego with a 17 point difference, E. Garlitz with a six point difference; Belia Reyna with a 16 point difference; Eugene Reyna with an 11 point difference; and Corky Schwiening with a five point difference.

Be sure to stop by one of the sponsoring businesses and pick up an entry form, fill it out, and return it to the Devil's River News office by 5 p.m. Friday, September 16. You could be the next lucky winner.

Contest winners may pick up their prize money at the Devil's River News office during regular business hours.

PROPOSED (cont. from page 1)

giving the taxing entity the authority to levy taxes for the bonded indebtedness for the period of time specified, seven or eight years.

If the proposed high school becomes a reality, adequate funds to pay off the bonds could be accumulated before that period of time is up and no more taxes would be levied.

In the case of the five-year bonded indebtedness for the new junior high building, the money is invested locally to pay off the bonds in September of 1984 so tax payers were not levied for the 1983-84 school year and will not be levied for the 1984-85 school year for that indebtedness.

With the proposed high school a reality, the students in the other schools would have their classes in one complex. At the present time there is not extra classroom space available system-wide.

The proposed high school would be a modern up-to-date facility with more library space, more area in the classrooms, and improvement of transfer and communication. There would be laboratory facilities for all of the science classes.

The present library is small and has no room for expansion, and the classrooms in the present high school are crowded at it is. Two classes are being taught in different buildings.

According to James Bible, principal of Sonora High School, there are 329 students enrolled in high school and he estimated that there would be a 131 student increase in the next two years based on student enrollment at the present time.

In the spring of 1983, SHS graduated 66 seniors and in the fall 113 freshmen moved into the high school; in 1984, 63 students are expected to graduate from SHS with 106 freshmen being brought in; and in 1985, 81 seniors will be expected to graduate with 122 freshmen coming up to high school.

The classrooms are loaded and the old homemaking building, used for speech and drama last year has added one-half a day of junior high special education and one-half a day of high school special education.

Bible commented Monday that, "It would be to the betterment of our community to have a new high school. All schools would benefit and we'd have a better school from grades K through 12."

Smith Neal, principal of the junior high, stated that he had been told that the sixth grade would be taken out of the junior high which would free up to five classrooms in the junior high building and give room to expand.

He added that there is one period each day when a junior high study-hall is being held in the library.

Neal pointed out that the disadvantages would be that the junior high and high school presently share certain teachers and that these teachers would be required to commute between the proposed new high school and the present junior high buildings.

Watch the Devil's River News for more information and more comments concerning the proposed high school bond election.

Some people believed that their lives were bound up with that of a tree -- if it flourished, so would they.

KVRN goes stereo

Along with the move, KVRN-FM will install the equipment necessary to broadcast in stereo. According to Mike Street, General Manager of KVRN and KVRN-FM, the move should be completed by October 1.

The transmitter and antenna move will have to come first," Street said. "KVRN-FM will be off the air a full day. We'll also have to shut down the AM for a few hours to take down the equipment off our current tower."

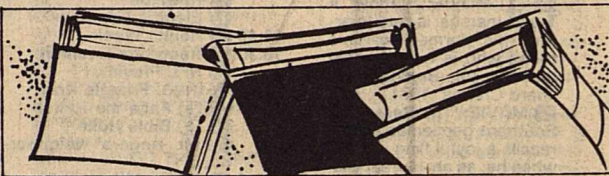

KVRN serves southwest Texas at AM980, FM 92.1, and FM 102.3 in Junction via a translator station. The Foster Broadcasters also own and operate KRCT-FM in Ozona, which broadcasts at 94.3 Mhz, and with translator stations at FM 102.3 in Eldorado and Big Lake. KRCT-FM will also go stereo at approximately the same time.

"Right now we're just waiting for the equipment to arrive," Street continued. "We've had to go as far as St. Louis to get the equipment. Once it arrives, I'll keep my fingers crossed. Anytime you do improvements of this magnitude you're going to have bugs to work out. But it'll be worth it."

Street said that KVRN-FM's coverage area will be greatly increased. "You'll be able to tune us in from Christoval half-way to Del Rio, and from near Junction to well past Ozona. The stereo equipment will greatly improve the quality of our sound."

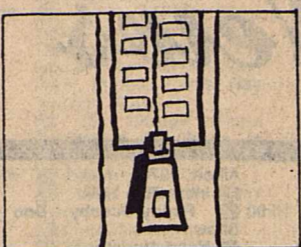

The Foster Broadcasters came to Sonora in May, 1976 with KVRN. In 1979 KVRN-FM was added, then the Junction translator signed on the air in June, 1981. KRCT-FM was purchased by the Foster Broadcasters in October 1981 complete with the translator stations in Big Lake and Eldorado.

"We're just increasing our service to Southwest Texas. Broadcasting is public service. We have to keep our listeners informed, and with the transmitter move more people will be able to hear us," Street said.

Harry Houdini, Hungarian-born American magician, left his library of magic—one of the world's most valuable—to the Library of Congress.

Blood drive slated

The community of Sonora is going to be sponsoring a volunteer drive September 14. The mobile unit will be at the First National Bank and the hours will run 1-7 p.m.

United Blood Services is your community blood service. It not only service Hudspeth Hospital, it service 34 other West Texas area hospitals.

Governor meets with council

COLLEGE STATION--AUGUST 24, 1983. Governor Mark White met with members of the Texas USDA's Food and Agriculture Council to endorse their newly initiated year-long Food and Fitness Campaign.

In line with the National program, all State USDA agencies will support the informational and physical fitness programs being developed by the Texas Agricultural Extension Service that will be made available to the general public in all communities.

The goal of this long-range cooperative venture are to emphasize the critical relationship between diet and regular exercise in maintaining total good health and physical fitness; to stress the importance of good nutrition throughout life; to promote the best use of natural, economic and human resources to assure continuance of the American food system and the furtherance of good health practices; and to demonstrate the vitality of the American agriculture system as evidenced in its ability to provide the world's most varied, abundant and nutritious food supply.

Working with the private sector that is involved with community activities for all age groups: schools, youth groups, parks and recreation, PTA, and senior citizens, the Extension Service promotion will involve individual and family fitness; fitness in the workplace, health fairs that feature home economics programming in the areas of foods, nutrition and health, and sports activities.

Governor White's official recognition of the program urges all citizens to join in establishing within their daily lives a responsible and proper program of nutrition and exercise, and to increase their awareness of the importance of good food and fitness.

The local ASCS office as well as all other local USDA agencies will support the plans and programs developed in the community by the Extension Service County Agent and local groups who volunteer to participate in the food and fitness programs.

No one likes to think that they may need a blood transfusion—but it happens. In this 30 county area, there are 1200 plus transfusions each month.

Blood must be readily available for everyone's use. Most people are more than willing to give blood if they know it's an emergency.

But, if the blood was not readily available, many people would die. It takes six or more hours to type and test and cross-match blood before a single drop can be transfused.

The responsibility of keeping an adequate fresh supply of blood is what your community blood service is all about.

Helping out on a good blood drive is a community affair. The entire city must back the program. We never want the time to come in this area where only if you're helped in the blood program will you receive the needed blood.

Many people are unable to physically give blood themselves, but they can ask relatives, friends and neighbors to donate. Also, people unable to personally give blood could volunteer time to greet friends at the blood drive—a friendly face is always welcomed.

Two \$50 drawings have been donated by Stanley and Nelda Mayfield.

Band social set

Monday, September 19 will be the date for the annual Sonora Band's ice cream social and concert. This event will be held on the school tennis court with serving to begin at 6:30.

The seventh grade band, eighth grade band, and the Mighty Bronco Band will perform starting at 7. A mass bands number including the sixth, seventh, eighth, and high school bands will conclude the concert.

Tickets are \$1 and may be purchased from any band student.

Arts & crafts show to be held

At least 35 exhibitors are expected at the eighth annual Arts and Crafts Show and Sale to be held here October 15. The one day event is sponsored by the women's division of the Chamber of Commerce.

Artists and craftsmen from all over West Texas, along with locals have already registered for the event. Reservations from Odessa, Midland, Rankin, Monahans, Coleman and New Mexico points have been received. The number of exhibits is limited to 35 and 20 reservations have already been made.

The array of talents to be presented include tole painting, jewelry, metal art, monogramming, needle work, painting, wood carving, and numerous other works.

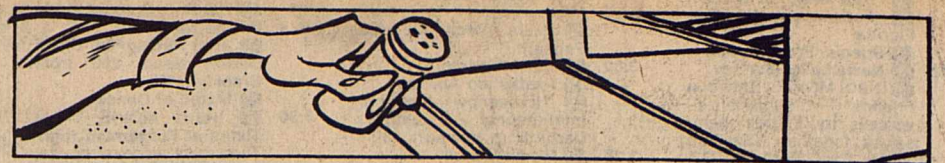

One feature will be the Sheep and Goat Raiser's Association exhibit of items made solely from wood or mohair. A pure wool bedspread, handmade by a former president of the association, will be featured in this exhibit.

Opening at 9 a.m., the show and sale will be staged in the large community building at Rooney Park. Mrs. J.E. (Ruth) Cunningham is chairperson of the arrangements committee.

Bluejeans were so named after the original cloth, first woven in Genoa, Italy.

The doughnut was brought over to America from the Netherlands more than 300 years ago by Dutch colonists.

Food spilled in the bottom of the oven? Sprinkle with salt immediately. When oven cools, brush off burnt food and wipe with damp sponge.

Scarlet Letters

BY KATHRYN PARKER

We've been busy the last two weeks! Class meetings have been held, the juniors have selected their class rings and the football teams have played again. Add this to the facts that the Halloween play has been cast and the first Driver's Ed session is about to start and you'll find that the school year is really beginning to roll.

In class meeting Wednesday, the seniors elected Barry Graves as their new president. He will be helped this year by Jerry Jimenez, vice president; Lynn Duckworth, secretary; and Tino Martinez, treasurer.

The juniors elected Abel Sanchez as president, with Ruben Garza and Rebecca Powers serving as vice president and secretary respectively. Jim Cooper was elected president of the sophomore class. Carrie Sorenson, vice president; and Leslie Webster as secretary, will also be leading the class of '86. The freshmen chose Ismael Duenas as president, Gail Mesa as vice president, and Shamari Scroggins as secretary.

The Halloween play has been cast. The play is called "Bullshot Grummond" and the speech department is looking forward to their first production. The cast is as follows, Drew Wallace, Grummond; Ronnie Pollard, Otto Von Bruno; Mike Polocek, Algy Longwart; Kathryn Parker, Lenya Von Bruno; Jari Todd, Rosemary Lenton; Greg Stewart, Professor Lenton; Craig Hopper, Scabbord; Jody Luttrell, the policeman; Steve Harrison, the waiter; and Trey Taylor, Marovitch.

School pictures were taken Tuesday, September 13.

On Wednesday the FHA will meet at 6 p.m. in the Home Economics room.

Friday the Broncos play Eldorado in Eldorado at 8 p.m. Everybody come!

New Parents Column

Frisby and Rae Ann Bible of Santa Anna announce the arrival of a daughter, Ashley Michele, born Tuesday, September 6th in Brownwood Regional Hospital in Brownwood.

She weighed seven pounds, eight ounces and was 20 and one-half inches long at birth.

Ashley was welcomed home by a sister, Brandi Rae.

Her grandparents are Don and Wanda Bible of Santa Anna and Raymond and Vallice Draper of Sonora.

Ram performance test scheduled for Sonora

The annual ram performance test at the Texas Agricultural Experiment Station at Sonora is scheduled to begin October 12, 1983. Delivery of animals to the Station should be on or before September 23.

This will provide a short adjustment period prior to the initial weigh day. The final weigh day is scheduled to be February 29, 1984, with the field day March 15, 1984.

The test schedule is as follows:
 Delivery Date-September 23, 1983
 Weigh Dates-October 12, November 9, December 7, January 4, February 1, and February 29.
 Field Day-March 15, 1984

The rams will be examined by a committee appointed by the project leader in the interim between delivery and the first official weigh day. A note will be made of any animals thought to be unsound and breeders will be given an opportunity, but will not be required, to

remove these before the initial weigh day.

During this period of time, breeders may elect to remove animals based on their own initiative. After this, the breeders are requested to leave the rams on test except for reasons of health as determined by Station personnel.

The rams will be self-fed a commercially prepared and pelleted ration. Breeders will be responsible for the costs involved in the conduct of the test including any veterinary costs.

Precautions will be taken in care and treatment of rams, but if death losses occur, the Experiment Station will not be responsible. Station personnel reserve the right to collect experimental data on the animals so long as deemed by the writer not to be detrimental to the animals.

The test is open to all breeds and registration is not a requirement. Only registered rams born after October 1, 1982, are eligible for the American Rambouillet

Sheep Breeders' Association Registry of Merit Program. No rams will be accepted which show yearling teeth. They will be checked by station personnel on arrival.

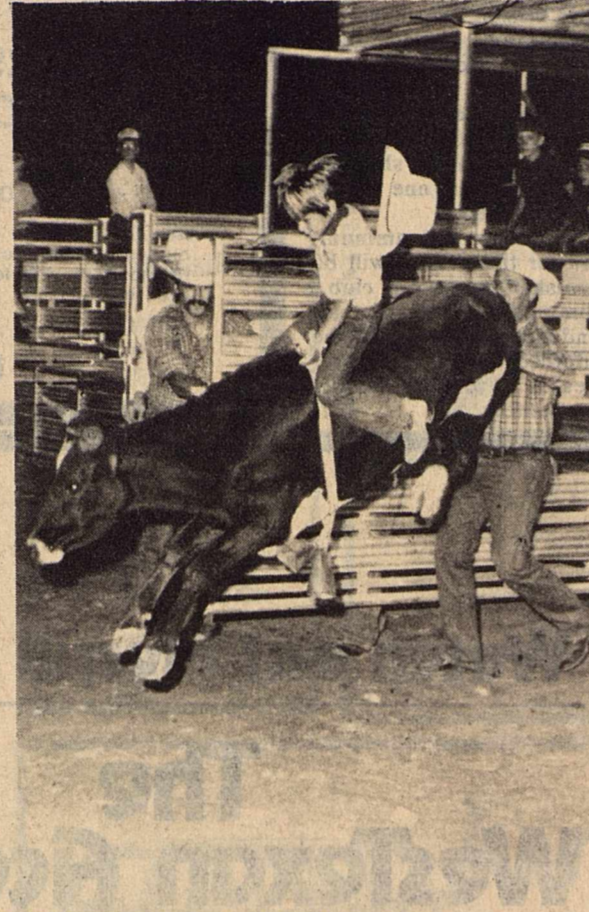

Because of lack of interest by breeders in past years, no special test period for medium wool or blackface rams is scheduled for this year. Consideration will be given to reinstate a test for blackface rams in future years if interest warrants.

The test will be on a self-sustaining basis. Due to the matter in which the feed will be purchased, the Experiment Station will not be able to handle the financing. Fred Campbell will assume responsibility for handling the funds and purchasing feeds.

An initial deposit of \$140 per ram is required. Checks should be made payable to "Ram Test Account" not the Experiment Station, and should be mailed to Fred Campbell, Mohair Council of America, P.O. Box 918, Experiment Station, and should be mailed to Fred Campbell, Mohair Council of America, P.O. Box 918, Sonora, Texas, 76950.

Any unused funds will be returned after the test is completed. A separate accounting will be made to each cooperator. Since feed purchases must be made in advance of the test, it is desirable that deposits be made in order that feed can be ordered and be on hand at the start of the test. Rams may be removed after all data has been collected at the end of the test and are not required to be left until field day.

Additional information and entry forms may be obtained from:
 Don Spiller, Texas Agricultural Experiment Station, P.O. Box 918, Sonora, Texas 76950. Phone: 915/387-3168.

MORE CAMERA ANGLES OF SUTTON COUNTY DAYS

Shrine Circus coming to Sutton County

Welcome to the first annual Suez Shrine Circus sponsored by the Tri-Cities Shrine Club.

The Shrine Circus performances held annually throughout North America are the main source of income for the Shrine's Crippled Children's Hospitals and Burn Institutes. The annual budget for 1983 is \$96 million.

The 3-ring circus will be held Saturday, September 17, at 2 PM and 7 PM in the Sonora Rodeo Arena.

Tickets may be purchased in advance for \$4 and \$5 at the entrance.

Kindergarten through sixth grades receive free tickets at school - furnished by the Sonora, Ozona & Eldorado merchants.

Pre-schoolers get in free with an adult. You may also buy a book of eight tickets for \$25, tax deductible. contact Pat Tyler for advance tickets: 387-3507.

What am I bid...

BY ANN CATES

"What am I bid....?" will be the familiar words resounding from the walls of the 4-H Center on the evening of September 20, as the Downtown Lion's Club holds their 46th Annual Auction Sale.

The traditional yearly auction was begun in 1937 by the Lion's Club and has raised "probably an average of \$5000 a year for the 46 years, I don't know if anyone knows for sure," says Hershel Davenport, secretary-treasurer for the club, "with the past few years bringing in excess of \$10,000 a year." This money goes not only to support Lion's projects such as the Crippled Childrens Camp but also adds sustenance to community endeavors like the Chamber of Commerce, Community Park, Sutton County Senior Center, to name a few, as well as providing eye exams and glasses for indigent people in the area.

Lem Jones, from Harper, Tx., will be the auctioneer

again this year and he could aptly be called an "actioneer" as he urges the crowd into bidding, not only by his gift of auctioneering, but also with his wonderful, homespun humor. Lem has become, as much a part of the Auction, having been the auctioneer for the past 27 or 28 years - no one remembers how long, including Lem-, as the Bar-B-Que beforehand. The members of the Lion's Club cook up a "lip-smacking, finger-licking spread" with plenty of brisket, goat, lamb, potato salad and beans. Not only is the food "good enough to eat" but it's FREE to the public.

Items to be auctioned off are donated by local merchants and individuals and include such items, as baked goods, handmade crafts, camping gear, livestock, meals, groceries, with the highlight of the evening probably being the Mystery Box. The Mystery

During the July 13-14 New York City "blackout," when the city lost all electric power, a record eighty million phone calls were made.

4-H SHOOTING SPORTS PROJECT TO BEGIN

A new project is slated to begin September 17 and 24 at the Clint Langford Memorial 4-H Center. The project will deal with shooting sports and will begin with .22 caliber rifles.

The initial meeting will be at 8:30 September 17 and will include a Hunter Safety Course instructed by Mr. Rodney Knight, Game Warden.

Several leaders have agreed to help with the project which will be offered initially for youngsters from sixth grade level up to their 19th birthday as of January 1, 1984.

The two principal coordinators, however, are Roy Wilson, local border patrolman, and John Ferguson, local highway patrolman.

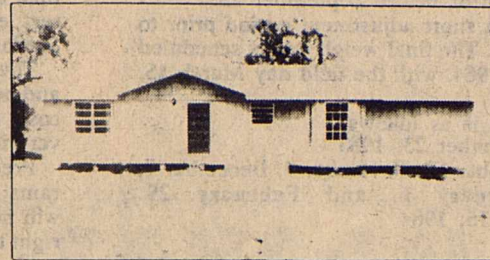

These leaders offer a great deal in shooting knowledge and in shooting safety which is one of the major concerns.

The rifles and ammunition for the project will be furnished by the 4-H club. Eliminations and strict attendance standards will be enforced as the year progresses to identify District competitors.

Saturn, although the second largest planet, is the least dense. It would float in an ocean if there were one big enough to hold it.

Around Town

BY HAZEL McCLELLAND

Mr. and Mrs. Johnny Morris, Stephany, Tommy and Jeffery of Marfa were here over the Labor Day weekend, visiting his parents, Mr. and Mrs. James Morris.

Mr. and Mrs. Johnny McClelland, Trey and Jesso of Houston, and Mrs. Jan McClelland Glasscock and J of El Paso spent the long weekend with their parents, Mr. and Mrs. John McClelland.

Mrs. Rande Caruthers who is in the Shannon Hospital, is improving-we are so glad for you Rande-and hope you get to come home soon.

Mr. and Mrs. Joe Neil Smith and Mr. and Mrs. Bill Savell have returned from a vacation in Colorado.

Our sympathy to the family of Dorsy Archer who died Aug. 24th in Brady, Texas.

Mr. Russell Oliver of Van Horn, Texas was here this past week, visiting his daughter and family, Mr. and Mrs. Ray Flinn and Terry.

Visiting Mr. and Mrs. Buster Jennings over the weekend were: her brother, Carley Ivy and Virginia Mote of Corpus Christi, Texas; and Miss Susan Ivy of San Antonio. They also visited Mrs. Flora Ivy who is in the Hudspeth Nursing Home.

Mrs. Cynthia Ward entertained the Tuesday Sewing Club at her home Sept. 6th. Juices, coffee, cookies, sweet rolls, and cake was served to the members when they arrived. Those present were: Mrs. Odessa Fields, Mrs. Vickie Shannon, Mrs. Joan Cusenbary, Mrs. Lucy Ward, Mrs. Bernice Savell, Mrs. Barbara Savell, Mrs. Julie Pollard, Mrs. Marti McLain and Mrs. Benny Gail Hunnicutt of Ozona. Hazel McClelland was a guest. Lunch was served at Pearls Pizzeria, after lunch the club went back over to Cynthia's and worked on several different sewing projects, from quilting to crocheting and other things. The Sewing Club is donating a beautiful quilt, made by the club members to the Lions Club to be raffled off at the Lions Auction sale this month. Whoever gets this quilt will really have a treasure.

Mrs. Vestal Askew entertained the Tuesday Night bridge club at her home Sept. 6th. Members present were: Mrs. Davie Taylor, Mrs. Guila Vicars, Mrs. Metha Trainer, Mary Barrow, Mrs. W.O. Crites, Mrs. Robert Halbert, Mrs. Jo Nell Johnson, Mrs. Leo Merrill, Mrs. Lena Belle Ross, and Mrs. Ruth Shurley. The guests were: Mrs. Rip Ward and Mrs. A.W. Bishop. Mrs. Merrill won the high score prize. Mrs. Shurley won the slam prize and Mrs. Vicars binged. Mrs. Bishop won the high score prize for guests. A salad plate was served.

Visiting Mr. and Mrs. James Alexander over the holidays were their son R.B. and Miss Brenda Schafer of San Angelo. R.B. is moving to Dallas where he will be employed with the Ford Parts and service-Good luck R.B.

Mrs. Vestal Askew, Mrs. R.A. Halbert and Mrs. Guila Vicars were in San Angelo Wednesday, visiting with Mrs. Rande caruthers, Bob Caruthers and Mrs. Bobby Fawcett. We are so glad Rande is better.

Happy Birthday, Randeel -- September 8th.

Mr. and Mrs. Warren Hemphill have returned from a vacation in Colorado.

Mrs. Gwen Wardlaw has returned home from Houston where she has had surgery. So glad you are better, Gwen.

Mrs. Marie Hoggett of Mertz is visiting her sister Mrs. Guila Vicars.

Mrs. Dorothy Colin of Adrian, Texas is visiting her sister Mrs. Davie Taylor.

Mark Van Hoozer was visiting friends in San Angelo the past weekend.

Mrs. Belle Steen is in the Hudspeth Hospital. Hope you will be home soon, Steen.

The Sonora Art Club held a meeting at the home of Mrs. Gloria Gordon, September 12th to plan this year's work.

Mrs. Ruth Richardson is in the Hudspeth Hospital. Hope you are better soon, Ruth.

Clint Reagor rites held

Clint Reagor, 83, died at his home at 3 p.m. Sunday afternoon, September 11.

Funeral services were held in Kerbow Funeral Home at 2 p.m. Tuesday, September 13 with Don Jones officiating. Interment followed in the Sonora Cemetery under the direction of Kerbow Funeral Home.

Reagor was born April 29, 1900 in Llano County and was married there to Mary Margaret Carson in 1922.

He was a retired carpenter and farmer who moved to Sonora from Valley Springs July 20, 1977.

Survivors include his wife; three daughters, Lila Lee Spott of Bandara, Mildred Joyce Davidson of Big Springs, and Linda Carta of Sonora; two sons, Verlon of Burnett and Hollis of Sonora; 16 grandchildren; and 27 great-grandchildren.

Grandsons served as pallbearers.

DRN adds calendar

The newest addition to the Devil's River News is the "Community Calendar" brought to you courtesy of Sutton County National Bank.

This column of upcoming events is designed for the citizens of Sonora and Sutton County and all input for it is encouraged.

To get your club or organization's meeting time and location published, please call Carol Jones or Brenda Heim at the Devil's River News office, 387-2507 by Mondays at 10 a.m.

The calendar is a public service to the community and your cooperation in keeping it updated will be greatly appreciated.

The editorial department of the Devil's River News would also appreciate information regarding upcoming or past meetings for news articles. Call the office or bring the information to 220 N.E. Main.

All articles used are subject to editing by the DRN staff and for accuracy should be typed or printed.

The news deadline for each Wednesday edition is the previous Monday at 10 a.m.

Bronco JV wins 8 - 0

The Sonora J.V. upped their record to 1-1 Thursday as they traveled to Junction and recorded an 8-0 victory. The Broncos moved a 65 yard drive on their second possession behind the running of Ed Mata, Sonny Samaniego, and Martin McGee. The two big plays were passes from Mike McBride to Danny Samaniego. The first was for 30 yards and the second was an 11 yard toss for the touchdown. On the extra point attempt, Junction blocked the kick but were called offside, giving the Broncos a second chance. This time the Broncos faked the kick and back Ed Mata took a pitch back and ran untouched for the 2 points.

The Broncos threatened on their next possession only to get to the 3 yard line and have a pass intercepted in the end zone. The Broncos kept the pressure on the Eagle defense all night but did not score again. They had several chances only to fumble or drop passes.

The defense played a very good game. They held the Junction offense to only 2 first downs for the entire game.

They were called on late in the 4th quarter when after a turnover, Junction got the ball on the Bronco 15 yard line. On the first down the Eagles moved to the 7 yard line. On the second down, they made 1 yard moving the ball to the 6 yard line. The defense dug in and on the third down Junction managed only 2 feet. This brought up the biggest play of the game for the Bronco Defense. Fourth and one foot for a first down for the Eagles just outside the Bronco five yard line. The Eagles tried a sweep to the right only to meet Ricardo Sanchez knifing through with help from Danny Samaniego. John Paul Noriega and Martin McGee, to stop the Junction back for no gain. This gave the ball to the Broncos and probably decided the game.

The entire team was much improved from last week's Ozona game. This next week the J.V. is open but will resume play on Thursday, September 22 with the 9th grade and J.V. games at Brady.

Halloween Dance Club to meet

The Halloween Dance Club has called a meeting to plan their Halloween dance.

The meeting will be at 7:30 p.m. on September 28 at 465 Poplar, the Freeman Mears home.

All members are urged to attend this meeting. The Halloween dance will be held October 29.

Move up to 500 lbs.dump it where you need it with a handy Heald Hauler

Hauler handles hundreds of toting jobs on farm, ranch, construction site, golf course. Speeds delivery of parts or tools, hauls feed, seed, dirt, fertilizer. Carries a 500 lb. payload plus driver and passenger to save time and labor. Hauler features an 11 H.P., 399 cc. 4-cycle, Synchro-Balanced Briggs & Stratton electric start engine or a 16 H.P., two cylinder opposed, 656 cc. 4-cycle Briggs & Stratton electric start engine, forward and reverse gears and an automatic torque converter transmission. No shifting, yet you get the

right speed or power gear for any job. Metal side and bottom panels welded to 2" tubular steel frame protect engine, gears and driver from mud, etc. Two telescoping front shocks, full, back support double seat, and wide, low pressure tires smooth the ride. Less than 4' wide. Hauler's bed measures 44 1/2" x 40" x 11". Tailgate, hinged top and bottom, swings free to dump or can be locked to extend bed to 4 - ft. for longer loads. Square corner holes allow side racks. Hydraulic disc brakes with parking brake standard. Many options.

As seen in "Mechanics Illustrated" & "Progressive Farmer" Haulers, Trykes & Bikes in Stock

Chamber News

Sutton County Days 1983 have come and gone, and on behalf of the Chamber of Commerce and the Sutton County Days Association, we extend our gratitude to all the community for outstanding cooperation and support given to this event.

We do want to express our appreciation to the "Miss Sutton County" contestants for representing Sonora and the entire community in such a beautiful dedicated effort. The contestants were really an asset to making this a profitable endeavor. Their financial contribution were as follows: Rebecca Powers, sponsored by the Independent Cattleman's Association--\$1,525.00, Anita Balch, sponsored by the Womens Club--\$1,393.00, Trudy Dell Taylor, sponsored by the Ladies Golf Auxiliary--\$1,309.00, Bonnie Jackson, sponsored by the Sutton County National Bank--\$1,309.00, Janice Gomez, sponsored by San Angelo Savings--\$1,086.00, Lee Ann Sims, sponsored by the Historical Society--\$1,063.00, Rachel Chavez, sponsored by GTE--730.11, Casey Crites, sponsored by the Lions Club--544.64 and Kristi Hill, sponsored by the First National Bank--440.00 making a total of 9,339.75.

The overall gross amounted to \$26,677.75 less expenditures making a total net of \$10,387.48. Many out-of-town people helped contribute to making this Sutton County Days celebration the biggest and best celebration ever.

The Chamber of Commerce and the Sutton County Days Association are both non-profit organizations, so this money will be channeled back into the community.

Sonora Chamber of Commerce

There are no permanent rivers in the country of Yemen.

Mel Tillis to perform

Mel Tillis, nationally known for his country music hits, is also well known for his speech impediment. When asked why he does not stutter when he sings.

Hal Noelke, chairman of the Ranchers Against Cancer, announced today that a benefit will be held for the American Cancer Society October 1. Mel Tillis and the Statesiders will be performing a concert in the San Angelo Coliseum at \$10.00 per ticket.

When planting a flower garden, be sure to find out the mature height of the plants and place low-growing ones in front and tall varieties in the rear.

Tillis replied, "I think it's the beat, the rhythm and also the identity. When I'm in front of the microphone I become Mel Tillis The Singer--almost like being another person--and that person doesn't stutter."

Mr. Noelke will have tickets on sale in many locations for the October 1 event. For further information, call the American Cancer Society office at (915) 944-2509 or write to Ranchers Against Cancer, 3228 College Hills Blvd., San Angelo, TX 76904.

A body will float in quicksand much as it does in water unless the person makes a frantic struggle to release his feet.

FOOTBALL

Contest!

(Plus Weekly Jackpot.)

\$15 First Prize

\$10 Second Prize

\$5 third prize!

**DEADLINE FOR
ENTRIES:**

5 P.M. Each Friday At The
DRN Office

Contest Rules Below:

1. Pick up an entry blank from one of the sponsors listed below.
2. Fill it out completely, writing the teams you think will win each week beside the sponsors' names on the entry blank
3. Each space on the entry blank must have a team entered there. FOR EXAMPLE: If Smith Hardware's ad has Sonora vs. Wall in it, and you think Sonora will win, write Sonora beside Smith Hardware's name on the entry blank. Do this for each game and remember to sign your name and choose a tie breaker.
4. Be sure and put your name and list the location where you obtained your entry blank. Entries not filled out completely will be disqualified.
5. Tie breaker pick each week is the total points you think will be scored in the Dallas Cowboy game of the week.
6. Only one Entry per person.
7. Employees of the DRN and their families are not eligible to enter.
