Bond election set for October 27

BY CAROL JONES

Members of the Sonora Independent School District Board of Trustees voted last Tuesday night to adopt a resolution to set the bond election for a new high school September 27, when they meet again, for Thursday, October 27.

Dr. Johnny Fields made the motion, with Carl Teaff seconding it, to call the election for the \$6 million project that Thursday which will be 30 days following the setting date.

The estimate for building the high school is \$6.5 million, but school officials voted to finance the rest with extra tax revenues.

If any bonded indebtedness money is left over, it may be invested or put into the interest and sinking fund for a period of three years to reduce taxes, but must be spent before the three years is up.

Bob Davis, bond consultant for the school district, advised having the bonds sell for seven years for an improvement in ratings and an interest savings of

Davis added that it is best if it is paid off as soon as comfortably possible.

In other action, the board voted to pay bills in the amount of \$258,547.63 for last month.

(See BOND page 2)

GUY CRIPPIN

here tomorrow

but just suppose

Gossip and rumor have long been touted as a very

healthy form of day to day conversation, enlightening

the listener with various forms of news and information

PROVIDING the gossip is accurate and no one is harmed. In the case of Hudspeth Memorial, gossip and

rumors have been many - accurate facts have been few.

Some of the rumors have been that the hospital would probably close; the county might take over the operation; that Shannon Hospital planned to incorporate the facility as an extension of their operation. The facts are simple - the hospital will remain open as a

privately owned, non-profit organization. Shannon

offered to come in, review procedures and offer

recommendations, free of charge. Their findings were published in an open letter to Lea Roy Aldwell from Jim

Fillpot, Administrator of Shannon, in the September 7

The hospital being a privately owned, non-profit organization is governed by a Board of Directors and members are as follows: Lea Roy Aldwell-President,

Mable Vanderstucken-Vice-President, Mike Hale-

Treasurer, John Tedford-Secretary, Al Elliot, Herbert Fields, Dr. G. C. Gremmel, Guila Vickers, James Smith, Wesely Sawyer, Bob Brockman, Ms. Polo Cervantes, Ms. Rose Mary Mathews and Dr. Fred

When asked the greatest need of the hospital, of those queried, the response was unanimous

community support and utilization. A hospital, just as any other business, needs "customers" in order to remain financially healthy. The hospital operates in the

red, and as a matter of public record, has had to borrow

money. "Our losses for this past year were less than

those in previous years," states Mr. Aldwell, "and we are very hopeful that we will continue the upward

trend. Ater the death of Dr. Brown, the community was

in a state of limbo. We only had one doctor and many people started going out of the area for medical care. This is no longer the case, we have two very fine

doctors and as a result, hope that more citizens will

utilize the medical facilities here whenever possible." The hospital is subsidized by the Hudspeth Ranch

and in the case of indigent patients, by the county.

Another method of adding revenue could come in the

form of Hospital Districting. The bill has been passed

by the legislature, however at this time, there are no

One item of major concern, to all involved, is the new

Medicare program referred to as DRG-Diagnosis Related Groups. A simplification of DRG is that each

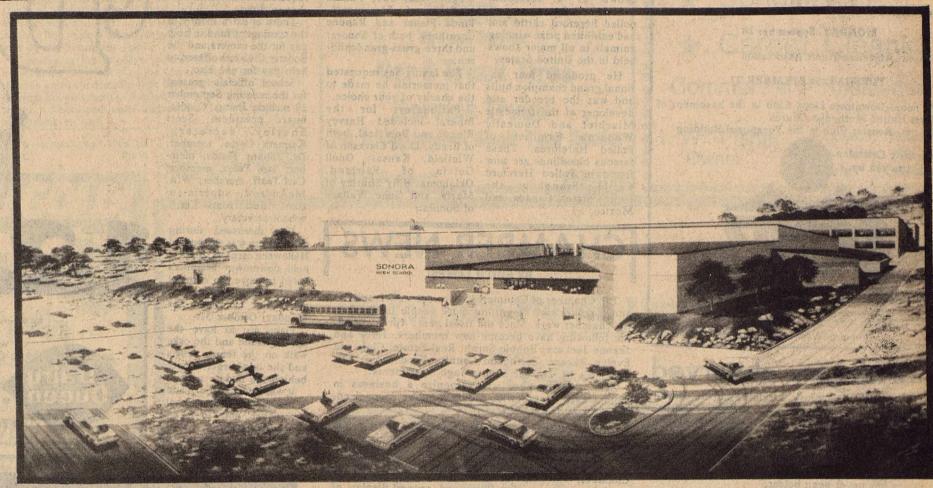

illness will be averaged, across the nation, and a

specific number of days will be assigned to the illness.

Here today,

(First in a two part series)

issue of the Devil's River News.

PROPOSED HIGH SCHOOL COMPLEX

Broncos stomp Eagles 27 - 0

The Sonora Broncos beat the Eldorado Eagles 27-0 behind another super defensive effort by the entire

This is the second straight shutout for the Broncos. The defense lead by the front wall of Ronnie Munns, Jerry Jimenez, Houston Powers, Rodney Jones, Ruben Garza and Mario Sotelo held the Eagle offense to two

first downs and 49 total rushing yards.

Linebackers Jeff Brittain and Gilbert Martinez also played well. The secondary of Victor Lira, Tony Garza, John David Martinez, and Esau Ramirez held the Eagles to only 13 yards on 2 completions out of 16 attempts while Victor Lira and Jeff Brittain each had one interception.

The defensive team held Eldorado to a total of 62 yards on 39 offensive plays. The defense was projected to be one of the Bronco strong points and they seem, in the last two games, to be living up to their pre-season

projection.

This week the offense finally got all the cogs and gears in motion all at the same time. The offense rushed for 330 yards on 54 plays. The offensive line play has gotten better each week.

This week Robert Mittel started at center for injured Ronnie Pollard and did an excellent job. The rest of the line composed of guards Ruben and Daniel Garza and tackles Rodney Jones an Ismael Sanchez with ends Jeff Brittain and Tony Garza and Barry Gravaes all blocking well and providing the backs with wide open lanes to the goal line.

The rushing attack was led by Seniors fullback Tino Martinez who carred 19 times for 108 yards. Mike

Polocek added another 71 yards on 14 attempts.

Sophomore wingback Esau Ramirez carried the ball 5 times for 68 yards. Joe Mike Noriega had another consistant game with 53 yards on 11 carries.

Victor Lira carried twice for 14 yards. Quarterback Drew Wallace had 12 yards on two carries and Abel Sanchez added 4 yards on 1 attempt.

In the passing department quarterback Wallace was two out of 7 for 56 yards and one touchdown. Both receptions were made by Esau Ramirez with

one being a 26 yard touchdown. The Broncos did not score in the first quarter even

though they had a chance following an Eagle turnover. The end result was a missed 23 yard field goal. The Broncos scored on their next possession as they marched 73 yards in 13 plays to take a 6-0 lead on Drew

Wallace's one-yard run. The drive was aided on a Wallace to Ramirez pass combination of 30 yards. Scott Miller entered the game and kicked the extra point making it 7-0 in favor of the

Policies told

According to Carol Jones, publisher of the Devil's River News, there has been some criticism of the

stories printed in the Devil concerning the upcoming bond election for the building of a new high school. Also two unsigned letters to the editor have been received at the office. 'It is true that the Devil's River News is taking a pro stance in the bond election issue because we feel that the new high school building would benefit the school system and the area, but we are happy to print any "Letters to the Editor" from the opposition as long as

they are legitimate and not slanderous to anyone," Mrs. Jones stated this week. "All letters to the editor must have a signature and the name of the writer will be printed in the newspaper. Any of my staff stating an opinion in an article in the Devils River News is required to put their name on the article and we require the same from persons writing letters for publication," she added.

The policy of the Devil's River News is to print all letters to the editor, with the exception of those that are unsigned or those that are libelous or slanderous to a private individual or business.

Printing of these letters does not necessarily reflect the opinion of this newspaper.

The staff of the Devil's River News makes an attempt to cover all of the public meetings in Sonora and Sutton Conty and if the persons opposing the bond issue have a meeting and notify the office, there will be a reporter there if at all possible.

It didn't take the Broncos long to score again as Mike Polocek recovered an Eagle fumble on the kickoff return setting the Broncos up on the Eagle 26 yard line. This time it took only one play as Wallace passed to Ramirez for the score. The catch by Ramirez was a

super effort as he out-jumped and fought two Eagle defenders and came up with the ball.

The extra point back failed and the Broncos took a

13-0 lead to the locker room at halftime.

The second half started for Sonora in a big was as Jerry Jimenez recovered an Eagle fumble at the Eldorado 37 yard line.

This time it took the offense six plays to get to the end zone with Tino Martinez going the final four yards. Scott Miller's kick was true and the Broncos had 20-0 lead with 7 minutes left in the 3rd quarter.

The final score of the night came on a 5 yard run again by Tino Martinez and was the result of a 56 yard 8 play drive. Scott Miller added the extra point for the

final scoer of 27-0. Elsewhere around district 6-AAA Crane crushed

Stanton 27-0 upping their record to 3-0
Defending district champions Ballinger also upped their record to 3-0 with a 14-0 decision over Brady. The other 3-0 team in the district is Colorado City as they beat Denver City 14-12.

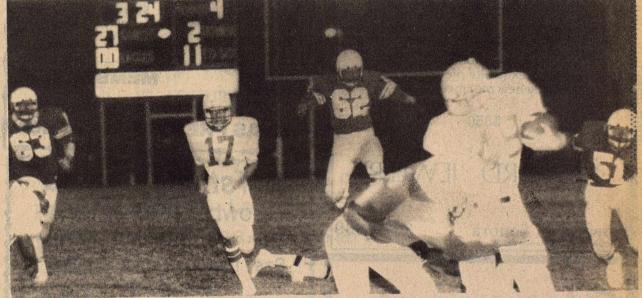

Coahoma upped their record to 2-1 as they kicked Tohoka 37-0 and Ozona beat Reagan Co. 28-13, making their record 2-1 as every team in district 6-AAA won this past week. The matchups this next week will be Van Horn at

Crane, Ballinger will play Coleman at Coleman, Coahoma will travel to Big Lake to play. Reagan Co., Colorado City will be at Abilene Wylie and Ozona will be at McCamey.

The Broncos will be at home to take on the Brady Bulldogs. The Dogs are 1-2 on the season. The Broncos will be thinking about last years' 6-3 loss at Brady in the last minute of the game.

The Bulldogs run the Veer offense and employ a 4-3

defense. It will be a good game starting at 8 p.m. in Bronco Stadium.

SONORA HOLDS THEM BACK Mike Polocek added 71 yards to the total rushing for the Broncos Friday night when they defeated the Eldorado Eagles in Eagle territory. The Broncos came home with a 27-0 victory over their long-time rivals.

The other Bronco shown is Doug Martin, number 17. The Broncos will play host to the Brady Bulldogs in Bronco Stadium this Friday. Kick-off time is 8 p.m. Show your support. Attend the games and back the Broncos. (Staff Photo---Lori Wade)

Bobbie Smith(center), owner of the Bobbie Smith Real Estate received recognition last week when the Sonora Chamber of Commerce named her business "Business of the Month." Pictured left to right are Erma Lee Turner, Edith James, Carol Parker, and Mike Street. (Staff Photo--DDH)

affect Hudspeth Memorial is unknown. While many people are aware of the financial

Medicare will pay only for that number of days, regardless of extinuating circumstances. The larger medical facilities will begin DRG on October 1, 1983, the smaller ones, including Hudspeth Memorial, will begin the program on January 1, 1984. How this will

immediate plans to act on the districting.

Halbert services held

Funeral services for Robert A. Halbert, 92, of Sonora were held at 11 a.m. Tuesday, September 21 in the First United Methodist Church with the Rev. Paul Terry of Eden and the Rev. David Griffin of Sonora

jointly officiating. Interment was in the Sonora Cemetery under the direction of Kerbow Funeral Home.

11, 1891 in Fort McKavett and was married to Battie Huggins in Brownwood July 5, 1912.

The Halberts recently celebrated their 71st wed-

ding anniversary.

Halbert was widely known as a successful breeder of registered polled hereford cattle and had exhibited prize winning animals in all major shows held in the United States.

He produced four national grand champion bulls and was the breeder and developer of the Domestic Mischief and Domestic Woodrow Families of Ringer and Bob Neal, both Polled Herefords. These of Brady: Lloyd Clarkson of famous bloodlines are now found in Polled Hereford Cattle throughout the United States, Canada, and

community affairs, serving on boards of the Methodist Church, Farm Loan Association, school board, Hudspeth Hospital Board,

and others. He was a lifetime director of the Texas Sheep Goat Raisers Association, a 50 year member of Masonic Lodge and 32nd degree Mason Halbert was born June and a member of the Sonora Downtown Lions Club for 52 years.

Survivors include his wife: two daughters, Mrs. Vestel Askew and Mrs. Lee Fawcett, both of Sonora: four grandchildren, Robert Michael McBride of Stephenville, Joel Patrick McBride of Sacramento, Linda Fisher and Randee Caruthers, both of Sonora: and three great-grandchild-

BY EDITH JAMES

The Chamber of Commerce welcomes new members and looks forward to getting more people involved in the chamber work. Since the fiscal year, April 1, 1983, the following have become new members, Jerry and Jeanne Jackson: Bobbie Smith, Real Estate: Clois and Evelyn Rogers: Town and Country Food Store: The Travelers III: and the Sonora Sage Apartments.

Also, the Chamber will recognize a business in Sonora each month with the first to be recognized, Bobbie Smith, Real Estate.

A list of businesses has been compiled and from this list one will be drawn each month and recognized.

Our congratulations to Bobbie Smith. A new office building is being considered for the Chamber, with some estimates being made, the office needs more space for filing and proper display of brochures. New brochures are being made for Sonora and the bids are being made on new highway signs.

The Chamber office is receiving many calls for hunting leases and if any rancher needs to update lease information, call the office at 387-2880 for this service.

In the superintendent's report Wendall McAndrew eported a remaining \$40,000 to be collected in taxes for the 1982-83 year.

Principals gave enrollment reports during Tuesday night's meeting. Clay Cade, elementary principal, reported 356 students; Mike Ramos reported 317 for the middle school; Smith Neal reported 331 for the junior high and James Bible reported 329 in the high school.

In other action the board voted to buy a new camera for filming the football games. The present camera has failed to get good film-strips at any of the games this year and it is a requirement that schools change films.

There is extra money in the contingent fund to help pay for the camera and the Booster Club has offered to help pay for one also. School officials present

for the meeting September 13 include Jimmy Condra, board president; Scott Shurley, secretary; Kenneth Cayce, member; Dr. Johnny Fields, member; Sam Perez, member; Carl Teaff, member; W.A. McAndrew, superintendent; and Joan Latta, school secretary.

Also discussed during the meeting was the annual Halloween carnival, usually held downtown. Members voted to move the carnival to the school grounds and set the carnival for Monday, October 31.

Plans are to have the spook parade and the cake walk on the tennis courts and the hamburger supper behind the middle school.

It was also decided to add a newsletter to the school newspaper and to print

"Consistency is the last refuge of the unimaginative." Oscar Wilde

(Cont. from page 1)

1000 copies each time this year to be distributed around town. Revenue from the advertising in the newspaper would go to help pay the added printing charges.

The CVAE will build a house with approximately 1100 square feet of area close to the present teacherages. The classes containing 14 junior high boys and 12 high school boys will build the house on site with Don Cook as the area supervisor.

Letters to the Editor

Dear Editor and Citizens of Sonora:

Sometimes one needs more help than one community can provide in a charity fund for hospital bills. Therefore, I am going to appeal for your help for a very deserving woman's daughter of Eldorado. Mrs. Delores Gibbs sits with my father, Frank Reed in the nursing home there, and Delores is going through a terrible

Her 17 year old daughter was terribly injured in a Labor Day wreck, but if faith in God and hope can help, it will be that child. Mrs. Gibbs asked only one thing of me, that she have her sitter's job back after staying with her daughter at Community Hospital! She has one more child at home that the Baptist women are caring

This woman asks for nothing than she herself can do, and can't we all be inspired by her and lend a helping hand? She is also a widow and a sitter's salary isn't much. Please send whatever you can to her fund at the First National Bank of Eldorado or the First Baptist Church of Eldorado. ICU costs are expensive, and Mrs. Gibbs is one of the few people I know to deserve man's

I know of nothing more to do than to appeal to Sonora citizens for Mrs. Gibbs. Help her, please? and thank

Sincerely, Nancy Dannheim

"Hoss" Power! Call 387-6016

Hi!!! To Sonora, Texas from Hawaii. I am an all around U.S.A. surfer. I was born in Sonora, Texas in 1956. I would like to correspond with anyone who love's the OCEAN. John Castillo

Safety hazards told

EDITOR'S NOTE: Sonora Chief of Police Brent Gesch was approached by the Devil's River News editorial staff last week with a request for his comments on possible safety hazards at the Sonora Independent School District complex. Chief Gesch wrote the following article which we feel is of interest to every citizen who drives or has a child in the school system. In reply to your request, several Safety Hazards come

to mind each year as our schools began to get into full

swing. Our biggest concern here at the Police

drivers pose to the school aged child. The average driver that operates a motor vehicle on a

RC COLA

2-Liter Bottle

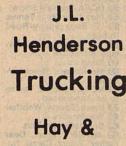

(Similar to illustration)

daily basis, in a School Zone, has developed certain driving habits which may seem correct to that particular individual, but could also place a child in a very hazardous and life threatening situation.

Department, however, is the hazards that the unsafe

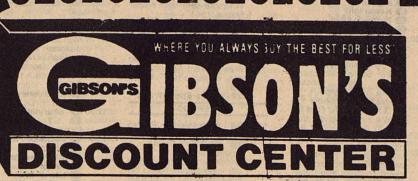

It is doubtful that the driver who has left his or her vehicle parked in a traffic lane with the engine running,

i Mr. and Mrs. Billy Kring have returned from Arkansas where they visited her parents.

The Hudspeth Hospital Auxiliary met Monday, September 12 at the home of Mrs. Louis Trainer. Mary Barrow, President, presided. The minutes were read by Mrs. W.O. Crites, Secretary. A financial report was given by Mrs. Trainer, Treasurer. Mrs. Ruth Shurley, Vice-President reported on the new shades at the nursing home. Punch and cookies were served to 20 members.

Mrs. R.A. Halbert entertained the Tuesday afternoon bridge club at the home of her daughter, Mrs. Vestal Askew. Members present were: Mrs. Ada Wynn, Mrs. Davie Taylor, Mrs. LenaBelle Ross, Mrs. Dorothy Cusenbary and Mrs. W.T. Hardy. Guests were: Mrs. Dorothy Colen of Adrian, Texas and Hazel, McClelland. Mrs. Wynn won high score prize. Mrs. Colen won second high and Hazel McClelland won the bingo prize. A dessert was served.

Mrs. Dorothy Colen of Adrian, Texas is visiting her sister, Mrs. Davie Taylor this past week.

Mrs. James Morris has returned from Dallas where she visited her son, Jimmy Morris.

Mrs. Bobbie Smith and Mrs. Erma Lee Turner flew to Las Vegas last Thursday and came home Sunday. While they were in Las Vegas they visited Dr. and Mrs. David Owensby, who took Bobbie and Erma Lee to see lots of interesting places and they enjoyed visiting with the Owensbys.

Randee Caruthers has returned home from the hospital in San Angelo. We are so glad for you, Randee.

Rev. and Mrs. James Weber of Talahassee, Florida are here visiting Mrs. Marguret Galbreath and Mrs. Belle Steen and other friends.

Mr. and Mrs. Dewitt Blanton of Dallas were here visiting with the Rev. Weber family and other friends. Mrs. Lossie Kelly of San Angelo was here visiting

this past week. Our sympathy to the family of Mr. Robert Halbert who died Sept. 16. He is the husband of Mrs. Battie Halbert and father of Mrs. Allie Askew and Mrs. Bobby Fawcett. Grandfather of Mrs. Linda Fisher and Mrs. Randee Caruthers; Mr. Pat McBride and Mickey

Visiting Mr. and Mrs. Charles Shannon this weekend were their sons; Savell and Mr. and Mrs. Matt Shannon and Miss Shelly Hofacket of San Angelo. The Matt Shannons also visited her parents, Mr. and Mrs. A.L. Armentrout. Matt and Terry live in Waco.

Mr. Scott Savell was home from Big Springs where he is in college.

Mr. and Mrs. W.B. McMillan, Mrs. Guila Vicars, Mrs. Davie Taylor and Mrs. Elsie Schweining were in San Angelo this past weekend, visiting with the Halbert

I had a call from Mrs. Eulah Newell in California Sunday. She said tell all her old friends hello. Johnny McClelland will leave Thursday for Saudi

Arabia. He will be gone 3 months. He works for a company in Houston. He is the son of Mr. and Mrs. John McClelland.

Mr. and Mrs. Howard Kirby were in San Angelo last week visiting. They celebrated their 45 wedding anniversary.

Happy Birthday, Nora Kiser! We heard you had a

nice birthday dinner at the Sutton County Steak House. Helping her celebrate were A.C. and Reba Hudson, Mrs. Clyde Hill, Coby Moenning, and Mary Jo

** LIBRARY (Cont. from page 2) and the Woman's Club gave the books and furnishings. September 21, 1981, the Sutton County Library opened for business in the new quarters after several years of operation in the city hall building.

The library is a part of the Texas State Library Association. It is staffed with two certified librarians. Sandra Cooper is the head librarian and Judy Edmonson is the assistant librarian. Policy is set by the governing library board made up of six members of which Doris Rousselot is the president.

The library is open 30 hours a week and special programs are planned in addition to library hours for the benefit of area residents.

In the past two years, the library has offered a summer reading program for children, puppet programs, and movies. Bridge lessons have been given in the evenings. Special tours are planned for school children and other interested groups and the story hours and Saturday morning programs have also been

The patrons of the library may look forward to another year of progress. Plans are being formed for an audio visual section. Read-along books, tapes, and players will be added soon to the reserve section and will be at the disposal of children and adults.

Children's Story Hour will begin again in October on Tuesdays at 10 a.m. Other programs to watch for will be a book fair, Saturday morning programs, and

hopefully speed reading.

The library hours are Monday, Wednesday, Friday, 9 a.m. until 5 p.m. and Tuesdays 12 noon until 5 p.m. You are invited to go by the library and get acquainted if you never have.

'The facility is tops for a county this size," a spokesperson for the library stated.

standing of the hospital, not every one is aware of the expanded lab facilities which are most impressive. Hudspeth Memorial has the distinction of being the smallest hospital in the area to have an ACA II-Automated Clinical Analizer. The ACA, computerized and fully automated, can preform some forty-seven blood tests. "With the ACA, we can diagnose a heart attack within minutes by the electrolyte count", says Mr. Robertson. Recently a donor, who wishes to remain anonymous, presented the hospital with a cell Dynamic Hematology Analizer. This sophisticated piece of equipment can provide a complete blood count in less than a minute. The lab is also staffed by highly trained technicians with Dr. Taylor being Lab Director

and Dan McWhorter as Lab Supervisor. (to be con't next week)

The residents of North Carolina consume more soft drinks than any other state in the nation-an average of 39.9 Devil's River News, Wednesday, September 21, 1983 9

Local citizens' committee meets

BY CAROL ANDERSON

Two sub committees were formed Wednesday, September 14 to help advise the community on the pros and cons of building the proposed new high school in a meeting of the Citizens' Steering Committee. Earlier this year the Sonora Independent School

District board of trustees felt the need for a committee made up of a cross section of citizens to advise them (the board) and the citizens, and out of this need the Citizen's Steering Committee was formed.

The steering committee is headed by Mary Adele Balch, chairman, and other members include Irene Arredondo, Donna Benson, Nancy Brockman, Virginia Burch, Ed Carrasco, Maria Carrasco, Ronnie Cox, Matt Davenport, Glen Fisher, Gina Gamez, Jim Garrett, Mary Lou Garrett, and Ralph Gonzales.

Also Michael Hale, Bill Keel, Bruce Kerbow, Erasmo Lumbreras, Estella Lumbreras, Trevlin Luttrell, Joe David Ross, Norm Rousselot, Doris Rousselot, Julio Samaniego Jr., Pat Tyler, and Jessie L. Wardlaw.

Other members include Mike Street, Claire Powers, Carol Jones, Janet Patton, Donna Hill, Anita Lane, Alice Cox, and Charlotte Wilson.

The steering committee was divided into a finance committee and a publicity committee Wednesday with Mike Hale and Bill Keel serving as co-chairmen of the finance committee and Mary Adele Balch serving as chairman of the publicity committee.

Other members of the finance committee include Ms. Arredondo, Davenport, Fisher, Ms. Gamez, and

Members of the publicity committee besides Ms. Balch are Ms. Benson, Ms. Burch, Ms. Carrasco, Erasmo Lumbreras, Street, Ms. Powers, Ms. Jones, Ms. Patton, and Ms. Garrett.

Also during the meeting Wednesday several questions were raised concerning the proposed new shigh school such as the tax rate of Sonora compared to surrounding area school districts.

According to neighboring district tax rates, out of 17 districts Sonora ranks 17th with a 1982-83 rate of .488 per \$100 assessed value. San Angelo leads the list with a 1.40 percent tax rate according to a report from the steering committee.

If the bond election should pass, the tax rate for the Sonora Independent School District would be levied at approximately \$.1977 per \$100 value. According to the schedule provided by the school office, a property assessed at \$35,000 would be levied at \$69.20 if the tax was levied at \$.1977.

The school also provided a list of the top 10 tax payers in the school district. These tax payers include HNG Oil Co., AMOCO Production, El Paso Natural Gas Co., Mitchell Energy Corp., Windsor Gas Corp., Lively Exploration Co., Intratex Gas Co., ARCO Oil and Gas ENSERCH Exploration Inc., and Valero

Eighty three percent of the taxes paid in Sutton County comes from the petroleum related businesses according to school officials who added that four years ago Sutton County's oilfield was expected to have a life of 12-15 more years.

Another concern of the public is apparently the use of the remaining facilities. Information provided by the

steering committee includes the following: By removing the high school from the present congested area, Kindergarten through third grade

students would have their own cafeteria. They would also have gym space; an elementary library; a media center for special teaching; and an audio visual room.

Another benefit would be more centralized areas for special programs such as special education, speech therapy, and other programs that are sure to come in the future such as a computer center.

By placing grades four, five, and six in the present high school complex, and leaving grades seven and eight in the junior high building, grades four through eight would have room for expansion in the future.

They would also have two gyms; more room for fine rts activities; and their own dining facilities with the conversion of part of the vocational building into a serving cafeteria.

The snack bar would remain "as is" for these grades and be available for use by the public.

Finally, the traffic problem around the campus would be reduced with the removal of all high school activities from the area.

The \$6 million bond issue would cover the cost of the proposed high school only, and any improvements made to pre-existing buildings would be funded from the Sonora Independent School District's regular

Election scheduled

An election for a director to serve in Zone 5 on the Edwards Plateau Soil and Water Conservation District Board is scheduled for October 3, 1983 in/at the Clint Langford Memorial 4-H Center announced Albert Ward, chairman of the board. The election will be held

State law decrees that to be eligible to vote in a soil and water conservation district director's election, a person must own agricultural land within the subdivision where the election is being held. The person must also live in a county all or any part of which is in the district and the voter must be 18 years old.

Legal qualifications state that a candidate for the office of a soil and water conservation district director must own land in the zone he represents, be 18 years of age and be actively engaged in farming or ranching. He must also live in a county all or part of which is in the

Current members of the board of directors of the Edwards Plateau SWCD are Bob Brockman, Bob Caruthers, Armer Earwood and Glen Fisher all of

The purpose of the Edwards Plateau SWCD, with headquarters in Sonora City Hall is to promote sound soil and water conservation programs on farmers and ranchers on conservation matters and other issues affecting private property rights of landowners.

The district board of directors coordinates the

conservation efforts of various local, state and federal agencies and other organizations and has authority to enter into working agreements with these governmental agencies and private concerns to carry out its

All conservation programs managed by the district are of a voluntary nature to the landowner or operator.

** SAFETY

the door opened, and is blocking traffic for two city blocks while he or she goes to their child's room to pick up from the teacher, has ever stopped to think about what type of Safety Hazard they have created.

(Cont. from page 5)

How will this driver feel when he or she receives a traffic citation for such violations? They are usually very angry with the Policeman because he doesn't understand "But Officer I was only gone for a minute. I had to pick up my child at his room.'

On the other hand however, how would this same driver feel if the vehicle had accidentally slipped into gear, as some vehicles have been known to do, and pinned a child to a properly parked vehicle. Or if their vehicle ran over and killed a child walking across the street in a cross-walk, which is a protected area for pedestrains according to State Law. Or perhaps their vehicle rolled backwards striking the vehicle just behind it with enough force to cause bodily injury to the

How will the driver feel now? Will he or she realize

that this also can happen in just one minute? What about the driver who is making the improper left turn and during the entire turning movement a child sitting in the front seat beside the driver is saying,

"Mommy, you are not supposed to turn left here."
"It's against the Law." "Can't you see that sign?"
This driver is not only placing herself and her child in an unsafe situation, but is also teaching the child that Laws do not need to be obeyed all of the time and it's okay to make left turns if there are no Policemen watching. This type of example will never be forgotten

How about the parent that finds a parking space in the middle of the block? Instead of getting out of the vehicle and walking down to the nearest corner where there is a cross-walk the parent remains in the vehicle. The parent's child gets out of class and walks to the curb opposite where the parent has parked. The parent

calls for the child to hurry.

How about the parent that finds a parking space in the middle of the block? Instead of getting out of the vehicle and walking down to the nearest corner where there is a cross-walk the parent remains in the vehicle. The parent's child gets out of class and walks to the curb opposite where the parent has parked. The parent calls for the child to hurry.

The child obeying the parent steps off of the curb, into the path of an oncoming vehicle strikes the child. That child was placed in an unsafe situation by the parent. Any adult parent should know what cross-walks are and should teach their children to use them. A parent that teaches a child that it's okay to Jaywalk as long as you don't get caught by the Police or you don't

get hit by a car is a Safety Hazard. How about the driver of the School Bus that was in such a hurry a couple of years ago. He had to get the Band members back to the School grounds before lunch and was driving 35 miles per hour in posted 20 miles per hour School Zone. His excuse to the Officer was "I was in a hurry to get these kids back to School so that

they wouldn't be late for lunch."

Did that bus driver consider the increase in distance needed to stop the bus traveling at the increased speed? Did he consider himself a Safety Hazard?

NO! NO! NO! This driver said "Officer, I just wasn't thinking," when asked all of the questions at the time he was stopped.

Then there are the school aged drivers. They think they have to drive to school even if they live two blocks away. They think that they have to be the very first one to the field house in the afternoon. They think that they have to be the first one at the Dairy Queen or Sonic at lunch time. They think whatever?

I doubt very seriously if any of them have ever thought about coping with the fact of losing control of their motor vehicle just as they spin their tires around the corner of the School grounds. I doubt they thought about hitting the curb and their vehicle flipping end over end two or three times.

Or, they thought about their vehicle coming to rest on its top in the middle of the School playground, which was full of fourth grade children at the time. Or even thought about walking away from the vehicle without a scratch. And, have they thought about stopping to look back at their once fine looking, fast running set of wheels---HAVE THEY THOUGHT ABOUT---coping with the small, blood covered hand, that is exposed from underneath the overturned vehicle?

Was it that important to be the first one there? There is no way to describe the sickening, disgusted feeling that a Policemen experiences when he is called to the scene of a fatal accident. Most especially when the fatal victim is a child or young person.

Saftey is learned and you are the teachers. Hazards are created and you are the creators.

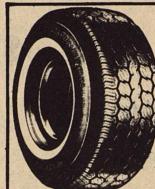

You, the driver, are the biggest Safety Hazard of all and until you realize it you will continue to experience

A motor vehicle is a dangerous machine when it's driver is thinking about anything except driving the

A motor vehicle parked on the roadway is an accident waiting to happen.

Common sense will promote Safety. Drive friendly, safely, and courtiously, but above all else WATCH THAT CHILD.

Football Contest winners announced

David Wallace, local attorney, won last week's Devil's River News football contest by not missing any guesses on the games played. However, Wallace did not guess correctly on the tie breaker so the jackpot will be \$15 next week.

Wallace will receive \$15 for taking first place this week. His entry form was picked up at the DRN office. Four persons missed only one game in the contest, but the tie breaker put Hazel McClelland in second place and Eche Samaniego in third. Ms. McClelland will receive \$10 and Samaniego will receive \$5. Contest money may be picked up at the Devil's River

News office on Wednesdays. Also in the tie with only one miss were Edward Mata and Daniel Garza. Ms. McClelland's point difference was seven; Samaniego's was nine; Mata's, 14; and

Garza's was 16 points. All four of these entry forms were picked up at
