

BRONCOS LOSE SECOND DISTRICT GAME 21-15

Bearcats tippytoe past Broncos

BY CHARLIE ADAMS

The Sonora Broncos once again tasted the agony of defeat as victory escaped in the final 90 seconds of the game.

The Broncos once again took a lead into the final two minutes only to see their luck run out as the Bearcats came up with the big plays to keep their desperation drive alive. The pass was their biggest weapon.

The two teams exchanged the ball several times as they both failed to score in the first quarter but the fourth rated in the state Ballinger Bearcats got their offense rolling in the second quarter.

They scored on a four yard run and kicked the extra point to lead 7-0.

Then right before halftime Ballinger's Brent Brevard scored on a 16 yard run and after the extra point kick the Bearcats were up 14-0.

The Broncos played better in the second half as they pretty much held the Bearcat offense in check.

The Bronco offense got rolling in the third quarter and Joe Mike Noriega scored on a two yard run. Scott Miller booted the pat to make it 14-7 after three periods of play.

The Broncos put another time consuming drive together and scored with just under five minutes left in the game on a one yard run by Jeff Brittain. Instead of going for a tie the Broncos elected for the two point extra point and a win.

Quarterback Jeff Britain covered the three yards to give the Broncos a 15-14 lead with just under five minutes left in the game.

The Bearcats came back led by the passing and running of their quarterback Aaron Keesee. Maybe the biggest play being a 10 yard run by Keesee on a third down and eight deep in Ballinger's own end on the field that kept the drive alive.

Keesee completed five passes on the last drive and

scored the winning score on a four yard run.

He passed to Matt Allen for the two extra points for a final score of 22-15.

This leaves Ballinger 7-0 on the year and 2-0 in District. The Broncos fall to 4-3 on the year and 0-2 in District.

The statistics for the Ballinger game showed the offense was again carried by fullback Tino Martinez 89 yards on 23 carries, this gives Tino 668 yards on 144 carries for the year.

Jeff Brittain added 58 yards on 11 tries, Joe Mike Noriega 24 yards on 10 carries, Mike Poloczek 21 yards on 3 attempts, and Victor Lira 12 yards on 3 carries.

Brittain completed two of 13 passes and had one intercepted. Both completions were to Drew Wallace for a total of 33 yards.

Elsewhere around the district, Crane remained undefeated at 7-0 and 2-0 in district play as they beat Coahoma 28-6.

Coahoma is 3-4 for the year and 0-2 in district play. Colorado City beat Ozona 21-3 and they are 5-2 on the year but 2-0 in district play while Ozona is 3-4 on the year and 0-2 in district play.

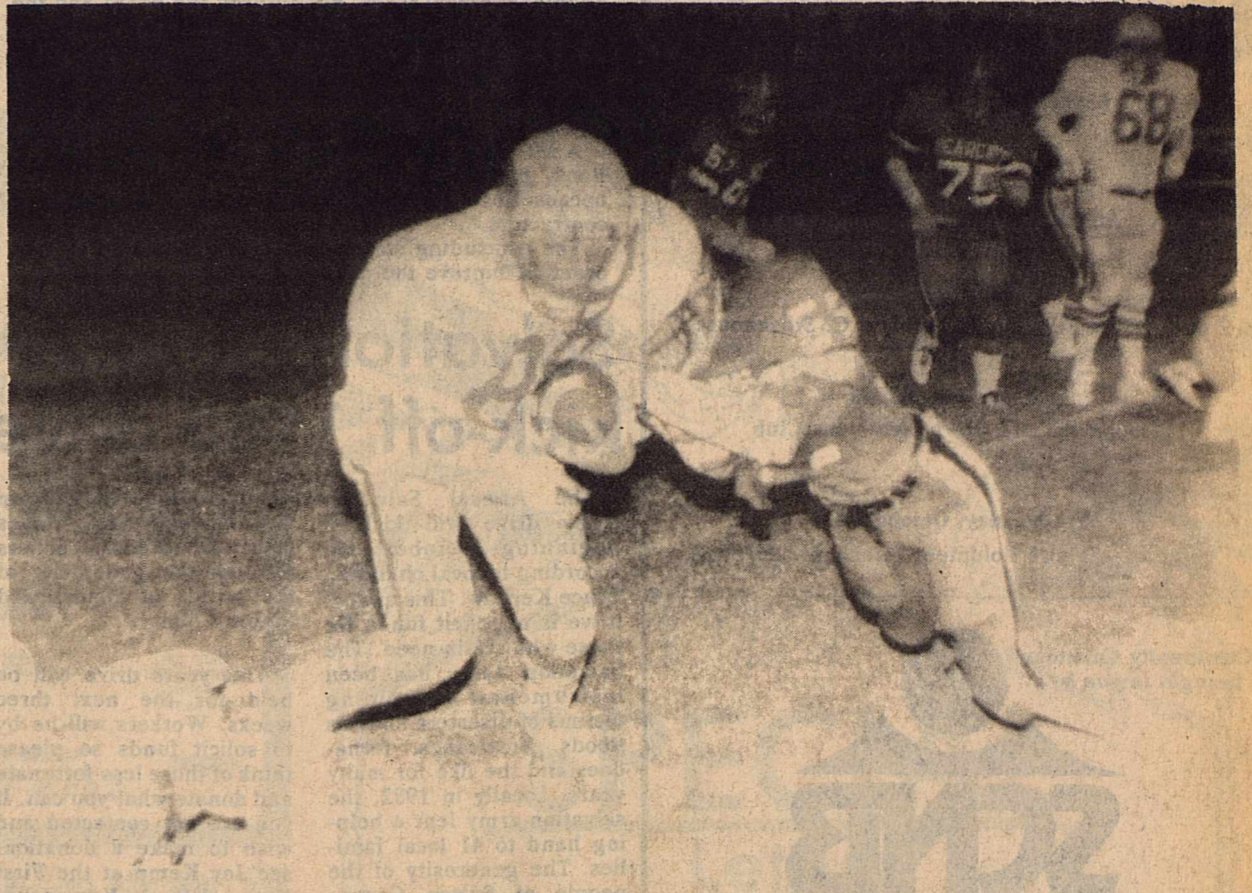

This next week Crane will play Ozona at Crane and the big game will be Ballinger at Colorado City.

The Broncos will be at home against the Coahoma Bulldogs. The Bulldogs are an "up and down" team that, at times, play extremely well and at others not so good.

They are very capable and will play well against the Broncos, as does everyone.

This Thursday the JV will play its final home game at 7:30 p.m. against Junction while the Freshmen will travel to Iraan to play the Iraan JV at 6 p.m.

Remember kickoff for the Broco-Coahoma game Friday is at 7:30 p.m.

OF PROPOSED HIGH SCHOOL INDEBTEDNESS

Oil companies to pay 95%

BY CAROL ANDERSON AND CAROL JONES

The oil-industry oriented businesses of Sutton County will be paying for 95 percent of the bonded indebtedness of the new high school, if the bond issue passes next Thursday, October 27, the ranchers will be paying 4 percent, and the average homeowner will pay 1 percent, according to reports in a special meeting of the Sonora Independent School District Board of Trustees Wednesday, October 12.

The meeting was held at 7 p.m. in the vocational building with over 30 persons attending including several representatives of the oil and gas related industry. According to members of the board, the major concern of most tax payers in Sonora and Sutton County is whether or not the oil companies will be here to help pay for the indebtedness throughout the seven year commitment.

"We'll still be here in seven years," stated Gavin Russo, a representative of Houston Natural Gas Co. who traveled from Houston for the special meeting.

All of the oil company representatives present were in agreement that the oil industry has slowed down to a certain extent, but that the slow-down by no means indicated that the oil fields were "giving out" in the county.

"The reserves are there regardless of gas production," stated Tom Clifton, a representative of AMOCO Oil Company out of Odessa.

Eighty three cents out of every dollar of tax revenue is paid by major oil companies and these companies do not get a vote in the bond election, although they will be paying 95 percent of the debts.

It was pointed out by the board that there has been a 50 percent cut in mineral production and out of \$500,000,000 only \$12,000,000 was lost because of that cut.

Stanley Operating Company representative, C.D. Holmes of Abilene, emphasized that the first thing an industry checks before moving into a community is the condition of the school system and the quality of the education children in the area are receiving.

According to a member of the board, the local children are not receiving the type of education that they need at this time and the state of Texas is presently working to up-grade the standards of education.

With this up-grade, the educators will be faced with extra classes which in turn will create the need for more classroom space in order to teach the new subjects.

According to reports, SISD schools are already overcrowded and there is no space in which to begin new classes at this time.

The board members also pointed out that while Sonora High School has been graduating 60-70 seniors yearly for the past three years, between 130-150 new students enter every year.

One member stated that "We cannot keep up with the influx in students. We are presently running anywhere from 900 to 1000 students per day through a cafeteria that was built to accommodate 350 students in 1950. We are educating students in science laboratories that were built back in 1937 and the graduates have trouble competing on higher educational levels."

Russo commented that his company H.N.G. has 500 gas wells in Sutton County and are drilling about 30 wells per year at this time. He expressed the opinion that production will remain level for one to two years and then will start to pick up.

Holmes added that the life of the field depends entirely on how much is pumped out and at what rate. Despite the current slump in the gas and oil market, he pointed out that the net loss in production value was only \$12 million, or a minimal loss on a total assessed valuation of over \$500 million.

Russo then told the board and the audience that the current reduced production will certainly prolong the life of the Sutton County fields, and that HNG would be in Sonora seven years hence, and longer.

Don Wooton, chief appraiser for the Sutton County Tax Appraisal District, noted that as long as the minerals were in the ground that they would be extracted.

Jessie Kring Jr. commented that the Sonora gas fields were assured a market because of the projected population increase in the Texas metro areas of Houston, Dallas, and San Antonio.

Russo agreed, pointing out that HNG supplies the Houston area, Lone Star Gas Co. supplies the Dallas-Fort Worth area, and Valero supplies the San Antonio-Austin market.

In answer to a question from Mrs. Julie Pollard concerning a fluctuating tax to pay for the high school, Wooton replied that the tax rate would fluctuate according to the overall tax base. McAndrew pointed out that the Interest and Sinking rate to pay for the junior high started out at 11 cents and gradually decreased to nothing, due to the interest earned on funds deposited.

Mary Adele Balch asked for an explanation of the homestead exemption laws and Wooton replied that at the age of 65, school taxes have a "cap" placed on them. At that time homesteaded property can have no school tax increase by state law.

Sam Perez, board member, stressed the point that

the tax increase of approximately 20 per \$100 of evaluation necessary to pay off the bonds would apply only to the school tax, not to city and county taxes, and on the average home would cost only \$6 per month--"not much for what the district is trying to accomplish."

Mrs. Charlotte Wilson, a longtime teacher and building representative for Sonora High School, took the floor to say that the bottom line of the entire question of the bond was that the high school is so crowded that the quality of education for the students is bound to suffer in the near future if something is not done.

James Bible, principal of Sonora High School, then addressed the audience and board, pointing out that the room in which the meeting was being held (in the vocational building) was the physical science classroom and that the only lab facilities were strictly makeshift.

McAndrew commented on the suggestions of the Governor's Committee on Public Education, saying that among the recommendations were a longer school day, a longer school year, computer science literacy tests prior to graduation, and more credits required for graduating from the state public school system.

(See OIL COMPANIES p. 2)

Tech interested in offering courses

BY CAROL JONES

Texas Tech University in Lubbock is still interested in establishing off campus courses in the Sonora area according to a telephone conversation Monday morning with Dr. Michael Mezack, director of continuing education at Tech.

He added that the determination of establishing courses here depended on the survey printed in the local newspapers as well as the availability of staff.

Dr. Mezack stated that he has a meeting set for November 2 with his contact persons at Tech and the subject of off campus courses in this area is on the agenda.

W.A. McAndrew, superintendent of Sonora schools, said Monday that facilities would certainly be made available at the Sonora school buildings for any continuing education program both now and in the future.

Senator Bill Sims has corresponded with Dr. Mezack and stated in his letter, "Several people from Sonora have been in contact with me concerning the possibility of off-campus courses to be taught in Sonora. I am sure that you recognize that Sonora is one of those typical West Texas towns that is not close to anywhere, and if a person wishes to continue his education he will either have to commute 70 miles to San Angelo or move."

He added, "I think it would be very beneficial to the people of that area if Texas Tech could see fit to develop a continuing education course for Sonora. I think it would also benefit the people of Ozona, Eldorado, Menard and possibly Junction."

Communication will be kept up between the Devil's River News and Dr. Mezack and any further developments will be reported.

WINNING TROOP

These Girl Scouts brought home a first place in best campsite and in camp craft from Concho Valley Girl Scouts' Fall Camporee in San Angelo. The 15 girls attending include (back row, left to right) Cindy Journey, Rhonda Creek, Cydee Morris, Amy Perez,

Rita Smith, Jenny Barton, (front row, left to right) Dawn Keese, Dana Evans, Terri Craddock, Jessica Smalling, Angela Dunlap, Rosa Luna, and Valerie Perez. Not pictured but attending the Camporee were Nicole Ducloume and Jenny Luckie. (Staff Photo-DDH)

Local Girl Scouts win two firsts at Camporee

Fifteen girls of Sonora's Girl Scout Troop 256 spent the weekend of October 7-9 camping out at Pueblo del Concho and brought home two first places in troop competition.

A total of eight troops spent the weekend on the shores of Lake Nasworthy in San Angelo during the Concho Valley Girl Scouts' Fall Camporee.

The Sonora troop brought home a first place in best campsite, and another first place in camp craft. The girls won the latter by lashing a table together out of wood they found near their campsite.

Troop Leader Judy Barton, co-leader Sharon Jardee,

and Diane Craddock accompanied the girls to the Fall Camporee, which included sleeping in tents and cooking over a campfire.

Among other things, the girls learned how to read a compass, and also how to lay and follow a trail in the wilderness using only a compass.

In November, the San Angelo Cadets will come to Sonora to teach the Girl Scouts how to cook without a campfire by using solar ovens and sterno burners. The San Angelo troop will also teach the Sonora girls about backpacking.

BUSINESS OF THE MONTH

The Sonora Auto Parts Store was recently recognized as "Business of the Month" for October by the Chamber of Commerce. Bill Keel is owner and operator of the store assisted by Steve Stroud and David Sanchez. The store is well stocked with auto parts and all types of household and shop tools. Keel has been in this business six years. He and his wife moved to Sonora eight and one half years ago from San Angelo. They have one daughter, Kristin, who attends school in Sonora. Keel said he lived all his life in San Angelo and moving to Sonora was his first move. Steve Stroud has worked for Sonora Auto Parts for four years, he also came from San Angelo. He and his wife have one daughter. David Sanchez and his wife live in Sonora. He has worked for Keel for four years. The Chamber offers its congratulation to Sonora Auto Parts and Bill Keel. ***** OIL COMPANIES

Holmes, who was superintendent of schools in Port Lavaca for 14 years, noted that the public school system was the very first thing a potential incoming industry examined before making a move. The schools are considered the measuring stick of the quality of the community.

Jimmy Condra, board president, assured the audience that the board had been completely honest in presenting all facts pertinent to the bond and the construction of the high school and as to the dire need for such a project. He ended on a note that the school district was out of alternatives to passage of a bond issue for new construction.

Russo, in his closing remarks, stated that the passage of the bond issue would cost HNG about \$200,000 each year for the length of the issue in additional school taxes, but assured the board and the audience that HNG was in full support of the bond issue and felt that it would be of benefit to the community and to its employees. He added that it was fortunate that Sutton County had such a good tax base so that the cost to the resident taxpayers was very little.

A.W. Bishop, president of Sutton County National Bank, pointed out that now was the time to build because of favorable interest rates and quality of contractors.

The concluding statement of the board was that in order to improve the quality of the education that the

Salvation Army to kick-off 1983 drive

The Annual Salvation Army drive will kick-off beginning October 19, according to local chairman Bruce Kerbow. This annual drive is to solicit funds for those who are in need. The Salvation Army has been instrumental in helping victims of disasters such as floods, hurricanes, tornadoes and the like for many years. Locally in 1982, the salvation army lent a helping hand to 41 local families. The generosity of the people of Sutton County seems to be a never ending

quality unique in its own way. Annually many drives collect hundreds of dollars through the generosity of the people of Sonora and Sutton County.

This years drive will be held for the next three weeks. Workers will be by to solicit funds so please think of those less fortunate and donate what you can. If you are not contacted and wish to make a donation, see Joy Kemp at the First National Bank. Your donation is tax deductible.

Board named

At the last regular meeting of the City Council, it was decided that a new Advisory Board for the Sutton County Senior Center be formed. Members of the new board include: Loyce Campell, Ann Cates, Jeanne Davenport, Marlene Evens, Joanne Ferguson, Jesus Galindo, Lydia Galindo, Lilia Gonzales, Terry Kinard, Maxine Locklin, Lou McMillon, Juanita Mesa, Dennis Robertson, Luciano "Luke" Sanchez III, Mike Sipes, and Ray Smith.

The new Advisory Board held their first meeting on Thursday, October 13 at the Senior Center with the main order of business being the election of officers. Results of the election are as follows: President-Ray Smith, Vice-President of Sutton County Bank; Vice-President-Jesus Galindo, Vice-President of First National Bank; Secretary-Ann Cates, Hershel's Foodway; and Treasurer-Dennis Robertson, Administrator of Hudspeth Memorial Hospital.

children need in order to succeed in this time of new technology, Sonora must have the facilities to educate them.

Anyone who has questions concerning the bond election has been invited to contact one of the school board trustees or any member of the Citizens Steering Committee.

School officials attending the meeting Wednesday night included McAndrew, superintendent; Condra, president of the board; Joan Latta, school secretary; and board members Scott Shurley, Kenneth Cayce, Dr.

ENGAGEMENT ANNOUNCED

Mr. and Mrs. Richard Grear Wilson announce the engagement and approaching marriage of their daughter, Elizabeth Ann, to David Warren Wallace, son of Mr. and Mrs. George Dee Wallace, of Sonora. The bride-elect is a graduate of Louisiana State University with a bachelor's degree in speech and hearing therapy, and Auburn University with a master's degree in speech pathology. She is a graduate of South Texas College of Law and is employed by Talbert, Glessel, Stone, Barker and Lyman in Houston as an attorney. Wallace is a graduate of Sonora High School and the University of Texas at Austin with a bachelor's degree in Petroleum Land Management. He also is a graduate of South Texas College of Law. He studied law at the University of Richmond, Virginia and Cambridge University, England. He is currently practicing law in Sonora. A December wedding is planned.

Average taxpayers' cost told

School administrators have worked up a chart showing the cost to the average taxpayers of Sutton County for a new high school complex. The issue will be decided at the polls Thursday, October 27, when the electorate will say "go" or "no" to the question of building a new secondary facility. The chart below shows the school tax increase for the seven-year bond issue for property based on a 20 cent increase for each \$100 of assessed valuation:

PROPERTY VALUE	INCREASE PER DAY	INCREASE PER MONTH	INCREASE PER YEAR	TOTAL COST 7 YEARS
\$10,000	\$.05	\$ 1.67	\$ 20.00	\$ 140
15,000	.08	2.50	30.00	210
20,000	.11	3.33	40.00	280
25,000	.13	4.16	50.00	350
30,000	.16	5.00	60.00	420
35,000	.19	5.83	70.00	490
40,000	.22	6.67	80.00	560
45,000	.24	7.50	90.00	630
50,000	.27	8.33	100.00	700
55,000	.30	9.17	110.00	770
60,000	.33	10.00	120.00	840
65,000	.36	10.83	130.00	910
70,000	.38	11.67	140.00	980

The average lead pencil will draw a line 35 miles long.

Letter to the Editor

Dear Editor,
There have been several comments presented in The Devil's River News concerning the proposed new high school here in Sonora. In addition, many people are talking about it around town. Here, then, is another viewpoint for your consideration - a viewpoint from within.
Educators around our state, indeed our nation, are being blamed for the inadequacies of our young people. Our nation's young people are products of many influences with home, peer group, Church, school being some of these influences. Truly, while educators cannot be held blameless, they cannot arbitrarily be counted as the primary villain in the production of a less-than-literate culture. All of us must accept responsibility for this sad and dangerous situation.
"We have a good school system here in Sonora" is a fairly common opinion of our townspeople. Why? Most people will agree that the school personnel make our system as strong as it is. Few would point to our physical facilities as a major contributing factor of Sonora ISD's strength. We have heard the comment that "A good teacher can teach under a tree, but no facility will help a poor teacher."
We agree and also agree

that by-and-large we have a faculty of which to be proud. How much better then to give a good teacher good facilities in which to teach! Could not the good teacher be a great teacher with the young people reaping the benefits.
We are currently teachers in Sonora ISD, specifically teachers in the high school. This past week October 6-8, we attended the Conference for the Advancement of Mathematics Teaching in Austin. It quickly became apparent that Sonora has just stuck its toe into the river of modern technology.
We want our young people to be able to swim in this rushing current, not drown. With the existing facility, it will be quite difficult to prepare the students adequately for the technology of the future.
Our current facility then is not as technologically advanced as it could be to maximize student achievement. But in addition, our current facility cannot house additional classes.
(See LETTER Page 4)

HONORED BY FELLOW EMPLOYEES

Jack Neill (front row, center) was honored Wednesday night, October 12 with a buffet dinner given in celebration of his 65th year with the First National Bank of Sonora. The fete was hosted by the directors, officers, and employees of the bank and

approximately 75 persons were in attendance. Pictured with Neill are (back row, left to right) Jack Neill (Pepe) Law, Elizabeth Davis, Elizabeth Neill, Richard Cooper, Jane Cooper (front row, left to right) Carolyn Cooper, and Nancy Law. (Staff Photo---DDH)

*** LETTER

The Texas Education Agency is proposing a third year requirement in both English (which our district already mandates) and mathematics, as well as a course in computer literacy in order for graduation from high school.

Where are we going to teach these classes? And while these propositions are not yet mandated law, they will be probably before the seven year pay-off for a new facility is completed.

We have thus far spoken as educators--educators who want to do a good, professional job. But we can also speak as parents.

We want the best education for our children. This is fundamentally a part of our heritage as American citizens. We recognize the advantages of raising children in a small town; we also recognize the disadvantages and strive to minimize these.

We do not feel that it is the responsibility of our school system to raise our children, merely to educate them. The school district's ability to bring the young people of Sonora to their maximum capabilities is a direct reflection of commu-

nity support. This is a complex and delicate task and it requires the commitment and dedication of all segments of society, not just the school, parents, and teachers.

One of us is a property taxpayer and one of us isn't. The statement that the teachers don't care about the cost is unfair. We do care. The writer of this letter who does not pay any local property taxes does so because she owns no property.

She regrets not being able to support this bond issue except vocally.

The writer who does pay taxes feels that her children, her children's education, and the education of Sonora's young people are worth the estimated increase in her taxes.

Society today is troubled with many complexities. All institutions are threatened. These obstacles should not be an excuse for inaction rather, in the light of pressing student needs it is imperative that they be surmounted.

The complexities an obstacles of today's world make the ideal profession: role of the teacher almo:

impossible; they make it difficult to attract and retain teachers necessary to realize the outlined program.

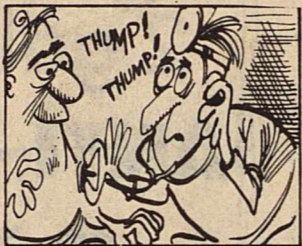

The immediate loser is the individual student, who is excluded from full participation in, and contribution to, society. The ultimate loser is society itself.

Let's not lose, Sonora. Let's give our young people the swimming skills they will need in today's world.

Let's give our teachers a good place to teach these skills. Let's vote for the bond issue October 27. Let's not lose, Sonora.

Sincerely,

Claudia Dempsey
Rita Hale

PAT WALKER'S...

we're different!
We care more!

I feel like I'm 20 again!

Pat Walker's, I love you!

Joining Pat Walker's was the greatest thing I've ever done for myself. After losing 64 pounds and 75 inches, I feel I've found the fountain of youth. For my health I had to lose weight and I was unable to stay with a diet on my own. My 18s were starting to get too tight; now I'm a size 6.

PANTS BEFORE PAT WALKER'S, MRS. MORRIS AFTER.

We now carry the ultimate in daily skin care products as well as the exciting new non-surgical face lift. SCHEDULE TODAY-your free demonstration of our new non-surgical face lift by Jene.

Cosmetically this program aids in diminishing lines, wrinkles and discolorations from your face, along with, lifting and firming.

Pearletta Morris Ozona, Texas

Virgen hospitalized after shooting

Victor Virgen was reported in guarded condition at Community Hospital Monday morning after being shot, according to a spokesman for the Sonora Police Department.

Virgen, believed to be in his early 30's, was shot by a large caliber high velocity projectile at 9:45 Sunday night.

The suspect fired one round through the kitchen window from under the carport, where the bullet entered through the right side of his abdomen and came out through the left side of the abdomen. Virgen

Bus ride planned

The University of Texas Ex-Students' Association is sponsoring a busride to the U.T. and Texas Tech game in Austin, Saturday, October 29 and tickets are still available.

The bus will be leaving from Public Schools Stadium on Knickerbocker Road in San Angelo Saturday morning at 7 a.m. and will return at approximately 10 p.m. that night to San Angelo.

Cost of the round trip ticket is \$23 with tickets to the game available for an additional \$12 each. All proceeds will go to the U.T. Ex-Student Scholarship Fund.

For more information contact Tom Granaghan, 915-949-4116 or Bill Lane, 915-949-8398.

was then transported to Hudspeth Hospital by Sutton County EMS and was later transferred to Community Hospital.

Witnesses stated that the suspect was a Mexican male, 5 feet 10 inches tall, 165 pounds and was reportedly wearing blue jeans, sneakers, and a medium colored shirt or jacket and had short dark hair. Suspect was seen running east of Useuses St. about 50 yards into the draw, and was last seen running south in the draw. Monday, Police Chief Brent Gesch expressed his appreciation to Sutton County Sheriff's Department, Crockett County Sheriff's Department and the local Texas Department of Public Safety for their help to the Sonora Police Department.

Beefmaster sale set for October 22

The Western States Beefmaster Breeders Assn., 2nd Annual Sale is scheduled for Saturday, October 22 at the West Texas Boys Ranch, 12 miles west of San Angelo.

The sale, which begins at 1 p.m., will offer 60 females and 10 bulls. All cattle will be screened by BBU personnel, this being a BBU approved sale.

The sale will be auctioneered by Gerald Bowie, West Point, Georgia.

This will be a wonderful opportunity to purchase and start a herd of Beefmasters, the fast growing breed of the west.

Headquarters motel will be the new University Inn, Phone: 915/658-6594.

For more information, contact sales manager, Thompson Cattle Marketing, 8603 Crownhill, Suite 22, San Antonio, Texas 78209, phone: 512/828-1680, or Benny Friend, P.O. Box 4150, Ozona, Texas 76943.

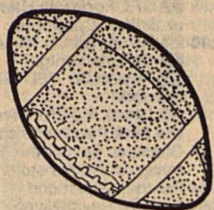

DRINK ANYONE???
Debbie Bounds (left), park board committee member, and Margaret Cascadden (right), president of the Petroettes, are shown with the water fountain recently installed in the park. The fountain was donated by the Petroettes and the money to purchase it was raised during the Junior Rodeo and Sutton County Days. After seeing the article about the chips being stolen from the rodeo concession stand, the head office of Frito Lay in San Angelo reimbursed the Petroettes for the loss. The Petroettes would like to publicly thank local salesman Earl Taylor of Frito Lay and his boss in San Angelo. "Thanks--We needed that!!!" (Staff Photo--DDH)

FOOTBALL Contest! (Plus Weekly Jackpot.)

\$15 First Prize

\$10 Second Prize

\$5 third prize!

Contest Rules Below:

1. Pick up an entry blank from one of the sponsors listed below.
2. Fill it out completely, writing the teams you think will win each week beside the sponsors' names on the entry blank
3. Each space on the entry blank must have a team entered there. FOR EXAMPLE: If Smith Hardware's ad has Sonora vs. Wall in it, and you think Sonora will win, write Sonora beside Smith Hardware's name on the entry blank. Do this for each game and remember to sign your name and choose a tie breaker.
4. Be sure and put your name and list the location where you obtained your entry blank. Entries not filled out completely will be disqualified.
5. Tie breaker pick each week is the total points you think will be scored in the Dallas Cowboy game of the week.
6. Only one Entry per person.
7. Employees of the DRN and their families are not eligible to enter.

Around Town

BY HAZEL McCLELLAND

The Hudspeth Hospital Auxiliary met Monday October 10 at the nursing home. Mrs. Mary Barrow, president, presided. Mrs. Metha Trainer gave a financial report. Mrs. W.O. Crites read the minutes.

The Auxiliary has bought new blinds for the nursing home. They try to help the nursing home and hospital get the equipment they need.

Mrs. Lena Belle Ross entertained the Tuesday Afternoon Bridge Club at her home October 11. Pie and coffee was served to Mrs. Robert Halbert, Mrs. Davie Taylor, Mrs. Dorothy Cusenbary, Mrs. Elizabeth Cusenbary, and Mrs. Ada Wynn. Mrs. Wynn won high score and Mrs. Halbert won second high.

Mr. and Mrs. Vestal Askew and Mrs. Guila Vicars were in San Antonio this past week.

Mr. and Mrs. Ben Epps and Mrs. Hattie B. Epps have returned from a trip to Canada.

Mr. and Mrs. Clay Mitchell and daughter of Sterling City were here visiting her parents, Mr. and Mrs. Calvin Van Hoozer, this past week.

Mrs. Evelyn Russell of Colorado has been visiting her sister, Mrs. Gwen Wardlaw, several days last week.

Mr. and Mrs. Nelson Stubblefield have been home from Houston where Mary Belle has been in the hospital. They left Sunday to go back to the hospital so Mary Belle can take some treatments. So glad you got to come home, Mary Belle, and hope it won't be long until you are home to stay.

Our sympathy to Mr. and Mrs. Herman Moore on the death of her mother, Mrs. Mary Stewart.

Mr. and Mrs. Harold Gene Moore and Mr. and Mrs. Billy Bob Moore were here over the past weekend for the funeral of their grandmother, Mrs. Mary Stewart.

Mrs. Guila Vicars and Mrs. Davie Taylor were in San Angelo Wednesday to visit Mrs. Vicars sister, Mrs. Marie Hoggett.

Mrs. John McClelland was in San Angelo Monday. Mr. and Mrs. Cody Savell of Waco was here over the weekend visiting his family.

Mr. Scott Savell and Jana Higgins of Big Springs were also here visiting his family and grandmother, Mrs. Bernice Savell.

Mr. and Mrs. Matt Shannon of Waco were here over the weekend visiting their parents, Mr. and Mrs. Charlie Shannon and Mr. and Mrs. A.L. Armentrout.

Mr. and Mrs. Marion Smith and son Lee were here Sunday visiting her mother, Mrs. Metha Trainer.

Visiting Mrs. Dorothy Cusenbary over the weekend were: Mr. and Mrs. Arlon Hermes, Courtney and Whitney of New Braunfels.

Dr. W.T. Hardy is in the Methodist Hospital in Houston. We hope you will be well soon.

Addition to Richard Sanchez obituary

Not listed in the Richard Sanchez obituary last week in the Devil's River News were the pallbearers, Arturo Serna and Louis Rodriguez of Fort Worth; Hector Sanchez, Victoriano Chavez, Juventino Martinez, and Ruben Velez, all of Sonora. Sam Castillo of Fort Worth was an honorary pallbearer.

A memorial service was held in Kerbow Funeral Chapel for Sanchez Saturday, October 8.

Also John McLaughlin of Dallas read the scriptures at the funeral Mass October 9.

Addition to Timotea Sanchez obituary

Pallbearers not listed in the Timotea Sanchez obituary in the Devil's River News October 5 include Carlos Sanchez, Erasmo Lumbreas, Jr. Espinosa, Ruben Castelleja, Ramiro Perez, and Mario Sanchez. Honorary pallbearers include Demetrio Castro, Tryon Fields, Chano Sanchez, Manuel Sanchez, Ruby Sanchez, Jessie Gomez.

Deer tags to go on sale

Texas Parks and Wildlife Department will issue special antlerless deer tags for Sutton County October 21 from 8 a.m. to 12 noon and 1 p.m. to 5 p.m. in the Sutton County Courthouse.

The special deer tags are required for any antlerless deer harvested in this county during the upcoming hunting season.

To qualify for tags, a landowner must own or control acreage in Sutton County.

After the opening of the hunting season, tags will only be available through Regional Offices located in Rockport, San Angelo, Tyler, Waco and the State Office in Austin.

Tags will not be issued by local department personnel.

Winners announced

Don E. Poston was the winner of this week's Devil's River News Football Contest with a total of four misses. Poston will receive \$15 for his first place entry which was picked up at P.M. Office Supplies.

Kathy Knight placed second in the contest, also with four misses, but was 7 points farther off on the Dallas-Philadelphia total score which was 44 points. Ms. Knight will receive \$10 for her entry form which was picked up at Food Center.

Tying for third in the Football contest were Francisco McGee and Jeanne Davenport with four misses each. Both were 10 points off on the tie-breaker.

McGee, who picked up his entry form at Food Center, and Ms. Davenport, who picked up her entry form at Foodway, will each receive \$2.50, splitting the \$5 prize money.

Tom Loeffler Reports

THE GERMAN-AMERICAN TRICENTENNIAL YEAR

On October 6, 1683, the first German immigrants to the New World landed on North American shores. Thirteen Mennonite families from Krefeld on the Rhine had crossed the Atlantic on the sailing ship Concord in search of a better life. They established a colony where the Concord had landed and named it Germantown, larger city eventually grew up beside Germantown, known as Philadelphia.

During the next three centuries, seven million Germans would choose America as their homeland and today, some 60 million Americans in every state in the union claim German ancestry.

Earlier this year, by a joint resolution of the Congress, the President was authorized to designate 1983 as the Three-hundredth Anniversary Year of German Settlement in North America and to appoint a National Tricentennial Commission to foster its celebration throughout our country in recognition of the contributions and friendship shared. Cities and towns all across the land responded to this Presidential proclamation and the year of celebration is underway.

The official anniversary week, however, is of special significance.

Revival scheduled

The First Assembly of God will host its first annual Fellowship Revival starting Sunday morning, October 23 at 11 a.m. according to Pastor Louis Halford.

This year's theme will be "Celebrating the Presence of Christ..." and will give different people that make up the Church an opportunity to minister instead of being ministered to. "It also helps the people to realize the awesome responsibility of ministering and brings about the realization of the Humbleness and Holiness that transpires as a person stands behind the pulpit to deliver the word of God," added Halford.

Sunday morning at 11 a.m. Pastor Halford will minister on "Celebrating the Presence of Christ in Worship;" Sunday night at 6 p.m. Rev. Wynette Halford will minister on "Celebrating the Presence of Christ in the Spirit;" Monday night at 6 p.m. Rev. Wynette Halford will minister on "Celebrating the Presence of Christ in Death" with a communion service to follow; Tuesday night at 7 p.m. Robert Garza will preach on "Celebrating the Presence of Christ in Fellowship with God;" and Wednesday night at 7 p.m. Paul Depugh will minister on "Celebrating the Presence of Christ in Witnessing."

Thursday night at 7 p.m. Gereld Gartman's subject will be "Celebrating the Presence of Christ in Marriage" followed by a renewal of wedding vows exchanged "as we realize that the families of America are falling apart and we believe God would have husbands and wives to recommit themselves to Christ and to one another."

Friday night Francisco Gomez will be preaching on "Celebrating the Presence of Christ with the Brethren". This will be done in Spanish and Saturday night Myron Halford will preach on "Celebrating the Presence of Christ in the Word."

According to Pastor Halford, there will be good singing and worship, so the public is invited to come out and celebrate the presence of Christ at First Assembly of God, 203 East Pecan, October 23-29.

Voting continues

Absentee Voting continues in the Sonora Independent School District Bond Election at the school administration office, with the final day to voice being October 21 at 4:00 p.m.

If you are unable to appear at your regular polling place on election day, Thursday, October 27 to cast your vote "for" or "against" a new high school, you may vote from 8:00 a.m. until 4:00 p.m. at the school administration building located at 807 South Concho.

With the arrival of Dr. Karl Carstens, President of the Federal Republic of Germany on October 3, out two nations' official celebrations are formally joined. On October 4, President Reagan attending along with other Members of Congress of German descent. On October 5, President Carstens breaks ground for the German-American Friendship Garden, to be located near the Lincoln Memorial, and plants the first tree.

This garden will symbolize the contributions of German-Americans and the strength of the partnership between the United States and the Federal Republic of Germany. It also expresses our faith in the continued friendship of the two countries.

Finally, on the actual anniversary date, October 6, President Carstens and Vice President Bush will journey to Philadelphia to participate in special ceremonies. Following this festive week, the President of West Germany then travels to other cities throughout the country. His stops in Texas coincide with German Day at the Texas State Fair.

As a fourth generation Texan of German descent, I take special pride in this celebration and in the contributions of the German community to Texas and to the nation.

According to Glen Lich of Kerrville, author of *The German-Texans*, the first German pioneers arrived in Texas over 150 years ago, settling in 1831 in the Small East Texas town of Industry. The idea for Texas Hill Country settlements began with the 1842 formation of the League of Nobles. Members of this German League wished to provide the opportunity for people to better themselves and, naturally, they looked to settlements in America to provide this opportunity. In 1845, farmers, intellectuals, and artists from Frankfurt, Mainz, and Wiesbaden founded New Braunfels. The following year Fredericksburg was settled and other settlements soon followed.

Those who left their homeland suffered hardships and loneliness on the Texas frontier. However, they persevered and enriched the American melting pot. The first surgery with anesthetic in the Southwest, for example, was performed by a German physician in San Antonio. Techniques to improve the sheep and goat herds of the Hill Country were perfected and shared by these early Germans who also brought to Texas the waltz, barbed wire and-in concert with the Czechs-Bar-B-Que.

Like all immigrants, these German pioneers came to America in search of a better life-to live the American Dream. And, like those who had come before, they found not only a better life but also worked to make America a better place.

We pause, in this German-American Tricentennial Year, to reaffirm not only the contributions of these German immigrants but also to reaffirm the American Dream, which still flourishes in the minds and hearts of all who look for opportunity in a free, independent society.

Juniors offer prizes

Monday night, October 31, there will be three very happy individuals in Sonora. These will be the lucky winners of the junior class raffle at the Halloween Carnival.

The junior class of Sonora High School is selling raffle tickets and offering the best prizes ever. For \$1 you can buy a ticket that may entitle you to a weekend trip for two at the Hilton Palacio Del Rio in San Antonio.

Another prize you may win is a one day deer hunt at the Duke Wilson ranch where you can bag a buck, a doe, and a turkey.

Or you may win your very own home computer.

These raffle tickets sell for \$1 and can be purchased from any member of the junior class at Sonora High School. The tickets are on sale now and will be on sale

through the carnival. The ticket holder does not have to be present at the Carnival to win. Hurry and buy all you can!

Public Notice

Southwestern Bell, in accordance with rules and orders of the Public Utility Commission of Texas, hereby gives notice of its intent to re-file evidence and appropriate tariff(s) in support of a request to establish rates for the use of certain complex inside telephone wiring in the amount of \$54.5 million annually. This request was previously a part of the considerations in Docket 5141 and now has been re-docketed as Docket 5420.

Customers who do not own the Complex Inside Wire associated with their Customer Premises Systems (such as PBX and Key Systems), and who utilize Southwestern Bell's wiring after January 1, 1984, could be affected by this request. On January 1, 1984, all of the Customer Premises Systems presently provided by Southwestern Bell Telephone Company will be transferred to a subsidiary of AT&T and that subsidiary of AT&T will be almost exclusively responsible for the charges pursuant to the proposed tariff on January 1, 1984. After January 1, 1984, customers who purchase their Complex Customer Premises Equipment and do not purchase, but continue to use, Southwestern Bell Telephone Company's inside wire will be subject to the charges proposed in the tariff.

The proposed effective date for these new rates is January 1, 1984. Persons interested in intervening in this matter should file a written motion expeditiously with the Public Utility Commission of Texas, 7800 Shoal Creek Boulevard, Austin, Texas 78757, as the Hearing on the Merits in Docket 5420 is set for November 21, 1983.

Letter to the Editor

Carta dirigida a los Mexicano-Americanos de nuestra comunidad:

Si alguien les preguntara, "Que es la mejor cosa que le puede dar uno a sus hijos, que contestarian?" Las respuestas serian varias-ropa, un carro "sports", juguetes, etc. Personalmente, yo dijera que la mejor cosa que podemos ofrecerles a nuestros hijos en estos tiempos en ciertos y duros es "la oportunidad para educarse lo mejor posible." Una buena educacion dura para siempre y se puede usar en muchos aspectos de nuestras vidas. Ropa, carros, juguetes, etc. son cosas que duran nada mas que una temporada.

Pues, el dia 27 de Octubre de 1983, se nos presentara la oportunidad para ofrecerle a nuestros hijos "la oportunidad para educarse lo mejor posible." Bueno, estamos hablando de la educacion que podran recibir en "high school." El 27 de este mes, debemos decidir si queremos que se construya una high school nueva. Este ha resultado ser un tema controversial por varias razones.

Una de las razones es que subiran los "taxes." Tengan presente los siguiente: Aunque los taxes subiran, recuerden que las companias de aceite y gas que ahora se encuentran en nuestra ciudad pagan la mayor parte de los taxes colectados. Mientras esas companias esten aqui, nosotros nada mas pagaremos una parte chica de los taxes. Y fijense que las companias grandes estan dispuestas a que se construya esta escuela. Asi que mientras se encuentren, aqui debemos tomar esta oportunidad de que ellos ayudaran a nuestros hijos atender clases en edificios nuevos y modernos.

Esto trae consigo otro argumento: "Pues, que tiene de mal esa escuela?" Como saben, nos encontramos en una era de ciencia y computadoras. Esa escuela no tiene los laboratorios e instrumentos que se necesitan para que nuestros hijos no se queden atras en los temas modernos que deben estudiar y aprender para que no batellen al llegar al colegio o en algun trabajo. Es logico decir que esa escuela vieja es como un carro viejo. Primero empiezan a fallar cosas chicas, despues siguen las composuras mayores que cuestan mucho. En fin, sale mas barato y menos latoso comprar un carro nuevo.

Bueno, si es cierto que he simplificado esos argumentos, pero es para que despues de todos los argumentos contra o por esa escuela nueva, los resultados son los mismos: La escuela es vieja; los

cuartos son chicos para el numero de estudiantes; cada ano se gasta dinero componiendo esto o el otro; y mas importante, no se puede ofrecer a nuestros hijos la oportunidad adecuadamente para una educacion moderna.

En fin, hay personas en nuestra comunidad que siempre tratan de culpar a los Mexicanos-Americanos de ser irresponsables por no votar en elecciones. Todos los que estamos registrados para votar debemos hacerlo para que despues no vayan a decir: "Por culpa de los que viven al otro lado del arroyo nuestros hijos tienen que seguir atendiendo esa escuela vieja. Como siempre, prefirieron quedarse en casa en vez de tomar diez minutos para votar." VOTEN. Si no quieren una escuela nueva, de todos modos voten para que todos sepan que aunque sea, les importo ir a votar. Si ya no tienen hijos en la escuela, piensen en sus parientes y amigos que si tienen.

Recuerden algo mas: Nada es dado a nuestros hijos. Tienen que ganarse todo en esta vida. Asi que piensen en esto: Al recibir ellos una buena educacion una educacion moderna-usted les estara abriendo muchas puertas en su lucha para ganarse la vida.

The above letter was written in Spanish not to exclude any one group but to include a section of our community that may not comprehend totally in English what the bond election itself is for. Because I feel the need for a new high school exists, my letter therefore takes that stand. The time is right for the building of a new school. Taxes will go up, but in reality who pays the major part of the taxes? The major oil and gas companies here do. In addition they are in agreement to back this bond. The school does not adequately house our students much less provide with the necessary things towards an education representative of our modern times.

I have simplified the pros and cons and have only mentioned a couple because in the end the answer is the same: The need for a new high school exists. Besides others with more knowledge on the specifics wrote letters last week.

Finally, I have stressed to the Mexican-Americans of this community, the importance of their voting. Traditionally, M-A have always been accused of staying at home rather than voting. Therefore, they should vote-yes or no-in order that their voice and strength be heard in this community. If they vote no, it'll be accepted, but no one will be able to say that because "the ones who live across town didn't bother to vote the election was a failure." Carmen Vela

Book-a-Thon program being conducted

The Texas Easter Seal Society is now conducting its annual Book-a-Thon program in Sonora Middle School.

Book-a-Thon is an educational program in which children become actively involved in reading and enlisting sponsors to pledge a specific amount of money for each book completed during October. Students are currently contacting neighbors and friends, relatives and local businesses to sponsor them in their reading efforts. When participating students complete their reading, they will return to each sponsor to collect the total amount of money pledged.

Money raised through the Book-a-Thon will be used by the Texas Easter Seal Society to provide equipment and services to handicapped children and adults in this area.

At the conclusion of the Book-a-Thon, students who have read the most books and those who have collected the most money will be recognized and prizes will be awarded.

The Texas Easter Seal Society, now in its 53rd year, has developed this educational program not only to encourage students to read but also to heighten their awareness of the needs of the handicapped. Last year, Texas Easter Seals helped over 16,000 Texans receive necessary

rehabilitative services and therapies. For more information on service call toll free 1-800-492-5555.

4-H winners announced

The Annual Sutton Co. 4-H Achievement Banquet & Ball was held Saturday evening, October 8 at the Clint Langford Memorial 4-H Center. The function began at 7 p.m. when Senior 4-H Club President, David Love, called the banquet to order.

The invocation was given by Jody Luttrell. Christi Spain and Todd Keller led the group in the 4-H Club Motto and Pledge. All were adjourned for the meal prepared by local leaders.

Lea Whitehead continued with the program by introducing the honored guests.

The members select an outstanding man and woman leader each year. Named for their support and educational contribution to the young people were Barbara Powers and Bobby Doran.

The 4-H Sweetheart and Beau for 1983 were named as a result of a selection by the club's membership. Receiving these honors were Lea Whitehead, daughter of Mr. and Mrs. Bud Whitehead, and Jim Cooper, son of Mr. and Mrs. Don Cooper.

Key supporters are important to every organization and 4-H is certainly no exception. Each year the club recognizes one or more persons who have given of their time or resources to make the club better.

This year two men were honored who have been faithful supporters for several years. They were chiefly responsible for a record setting auction sale during the livestock show.

This enabled the club to make a double payment on the new 4-H annex. They are always willing to help when called upon.

Tremendous appreciation is expressed to M.L. Bounds and Bill Keel.

The Home Economics Award presented annually by Spain's Dept. Store to the outstanding 4-H member in home economics was won by Mary Barron, 14 year old daughter of Mr. and Mrs. Juan Barron. She has been in 4-H for the past four years going to district in clothing for two years and food and nutrition last year.

The Edgar Glasscock award recognizes the outstanding junior member each year. This years recipient is Cindy Doran, daughter of Mr. and Mrs. Bobby Doran.

Cindy is past president of the junior members and presently serves her club as reporter. She is a fierce competitor in all of her projects which include foods and nutrition, sheep and horse.

The recipient of the Fred T. Earwood Award which is presented annually by an anonymous donor to the outstanding senior 4-H member was Lora Lea Kordzik, daughter of Mr. and Mrs. Kenneth Kordzik.

Lora Lea is an outstanding junior leader who has served as reporter and council delegate of the senior

4-H project group. She is a member of the new shooting sports project group and has excelled in the past in both foods and nutrition and clothing. A willing worker, she was the 1981 recipient of the gold star award.

The coveted gold star award in 4-H is the highest organizational award which can be bestowed upon a 4-H'er at the county level. The award honors those 4-H members who have shown outstanding development in well rounded 4-H careers.

A variety of projects, leadership skills, good mental attitudes and good records are just some of the selection criteria.

This years winners were Cathy Doran, daughter of Mr. and Mrs. Bobby Doran, and Jim Cooper, son of Mr. and Mrs. Don Cooper.

Cathy is a strong junior leader in the horse project and sheep project. She is a willing worker and extremely active not only in 4-H but in school and other projects.

Jim is a participant of many judging activities, the goat project and is most involved with his beef project. He has truly shown remarkable growth and is a dependable leader. Jim also excels in sports and many school activities.

Following the presentation of project awards and some special leader awards the group enjoyed a dance from an excellent country and western band from Big Lake.

Other award recipients were:

ACHIEVEMENT
 Anita Balch, and Rebecca Powers.

CITIZENSHIP
 Zane Dunnam, Clay Graves, and Nelda Castenada.

FOODS & NUTRITION
 Robbie Dickenson, Mary Barron, Lora Lea Kordzik, and Donny Heffernan.

CLOTHING
 Laura Lee Barlemann, and Holly Estep.

AGRICULTURE
 Tracy Love, and Keith Wallace.

LEADERSHIP
 David Love.

SHEEP & GOAT
 Jim Cooper, Christi Spain, Brandy Wallace, and Shanna Patton.

TEXAS SHEEP & GOAT RAISERS ASSN. WINNER
 Joe Will Ross.

HORSE
 Christi Adkins, Stephanie Powers, Cindy Doran, and Allison Schwiening.

Rabbit
 Cleve T. Jones, David Mirike, and April Spiller.

When you find the best buy we've got the best loan

The 1984 cars and trucks are coming out, and the 1983 models are going on sale, and that means now's the best time to find the best buy on a new or used vehicle.

Sutton County National Bank can help with financing when you find a good buy on the car or truck you've been thinking about. We've got competitive interest rates you can live with, and we'll work with you to set up a payment plan you can afford.
