## Girl Scout fete set November 11

The Sonora Girl Scout mothers will be hosting a barbecue supper and dance at the Ford house on Friday, November 11.

Advance tickets for the barbecue supper, which begins at 5:30 p.m., are available from Sears, Sonora Floral, The Jug, or any of the mothers. The tickets are \$3.50 in advance or \$4 at the door for adults, and \$2 in advance or \$2.50 at the door for children.

Advance tickets for the dance are \$5 or \$6 at the door. Alton Baird will be playing from 8 p.m. til 12 p.m.

During the dance there will be a drawing for a Remington 222 ADL, on display now at Gibsons, and a 26" Womens bicycle, now on display at Perry's.

Raffle tickets for this drawing are on sale for \$1. You do not need to be present to win.

For any questions please call 387-5284 or 387-5345 after six.

All proceeds go to the Girl Scouts.

## Tax rebate sent by comptroller's office

State Comptroller Bob Bullock recently sent checks totaling \$38.2 million in local sales tax payments to the 974 cities that levy the one percent city sales tax.

Sonora recieved a check for \$11,273.74 for the period ending October 7, 1983 as compared to the prior years payment of \$13,013.88. The 1983 payment to date for Sonora's payments total to \$185,798.82 as compared to the 1982 totaled payment of \$292,974.32. This shows a 36.58 percent decrease for this year to date.

Bullock said this October's payments are 7.2 percent higher than October 1982 but year-to-date totals are still less than what the cities had received by this time last year.

"We're looking at areas that still have economic problems and other areas that show some economic growth. But taken as a whole, nobody's going anywhere--up or down--very fast," Bullock said.

Houston's check was the largest with a payment of \$6.7 million to bring the city's 1983 total to \$109.5 million, down 10 percent from last year. Dallas received \$4.6 million for a total \$67.5 million, up 6 percent over 1982. San Antonio's October check was for \$2.4 million for a 1983 payment total of \$33.5 million, up more than 9 percent.

Austin's payment of \$1.6 million pushed its total to \$22.3 million, a 15 percent jump over last year. Fort Worth received \$1.4 million for a \$21 million total, a 5 percent increase.

El Paso was sent \$924 thousand, making a total \$12.5 million, a drop of 7 percent.

Bullock also sent checks to the state's two Metropolitan Transit Authorities. Houston's MTA check for \$7.7 million pushed its yearly total to \$125.1 million. San Antonio's October payment was \$1.3 million for a total of \$18.5 million.

October checks were for taxes collected on sales made in August and reported to the Comptroller by the end of September.

## Annual Game Dinner slated November 15

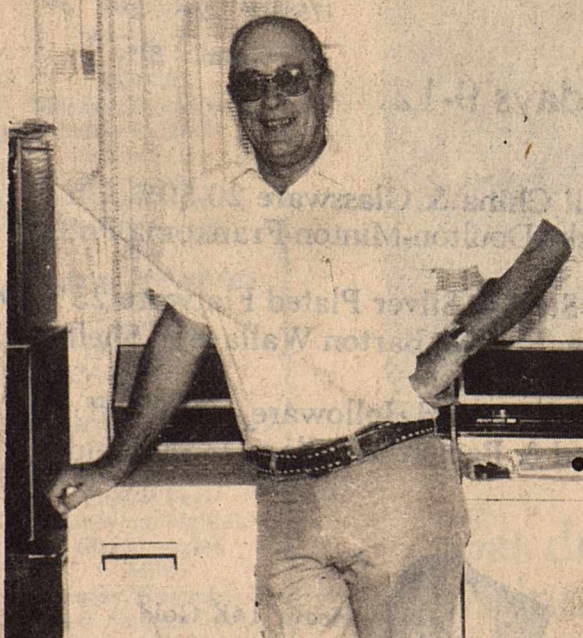

The Game Dinner is scheduled for November 15, at the 4H Barn at 6 p.m. with a promised menu that will wet the palate of any person.

The food is cooked by the local chefs and they all take great pride in turning out choice food, tasty venison chili, barbecue, buffalo, cabrito, dove, turkey, fried antelope, son-of-a-gus stew and other good food like beans, cold slaw, cobbler, coffee and tea.

A choice selection of door prizes will be on hand, going to the person holding the lucky ticket. These tickets will be \$5 for meal and \$1 for door prizes, and will be sold at the door.

This will be the 15th Annual Game Dinner and is fast becoming a tradition in Sonora. Many people from great distances come and enjoy the hospitality and good food at these Game Dinners.

If any rancher needs or wishes to have a special invitation sent out, contact the Chamber of Commerce office. A supply is available for this purpose or call 387-2880.

Earl Johnson, local manager for West Texas Utilities Company in Sonora, was among WTU employees honored at the annual District Awards Banquet Thursday night October 27, 1983 in San Angelo. Johnson received an award for 20 years of service with the company. The awards were presented by Glen D. Churchill of Abilene, WTU president, and Don Revell, manager of WTU's San Angelo District.

### PROPOSED HIGH SCHOOL A REALITY

With 990 votes cast in the proposed new high school bond issue election held last Thursday, 598 were for and 392 against. The proposed high school will become a reality in the next two-three years. School

Precinct One had a total of 327 turning out to vote Thursday at the Senior Citizens' Center with 239 voting for and 88 voting against. In School Precinct Two, a total of 507 were cast Thursday with 285 for and 222 against. Absentee voting for all precincts had a total of

156 votes with 74 for and 82 against. Watch the Devil's River News for further news as plans proceed toward the new Sonora High School building. (Contributed Photo)

## IN HEARTBREAKING 21-19 DISTRICT GAME

# C-City escapes Bronco comeback

BY CHARLIE ADAMS

The Sonora Broncos saw all hopes of a possible playoff berth diminish completely as they fell to the Colorado City Wolves, but not before putting up an almost unbelievable "come from behind" effort.

The first half entirely belonged to the Wolves. They managed 13 first downs and 21 points while holding the Broncos to 3 first downs and no points.

The entire Bronco defense seemed to lack their usual aggressive instinct. The secondary kept the game from getting entirely out of hand by getting three interceptions and two of those stopping the Wolves deep in Bronco territory. The Broncos aided the Colorado City offense by two bad snaps in punting situations, with one ending in a blocked punt on the Bronco five yard line.

The Broncos had a chance to score just before halftime as Jeff Brittain completed a 40 yard pass to Esau Ramirez setting the Broncos up on the C-City 11 yard line. The Broncos fumbled two plays later.

The second half was an entirely different story. It belonged totally to the Broncos. The Broncos had 10 first down and 19 points while Colorado City had 3 first downs and no points.

The Broncos dove 70 yards on their first possession of the third quarter behind the hard running of fullback Tino Martinez and halfbacks Victor Lira, Mike Polocsek, and Joe Mike Noriega. Jeff Brittain scored on a one-yard run and Scott Miller kicked the extra point.

The Broncos had two more opportunities as Joe Mike Noriega found a wall of blockers and returned a punt to the Colorado City 15 yard line. The Colorado City defense stopped the Broncos.

The Broncos forced a Colorado City fumble on their next punt and got the ball on the Colorado City 40 yard line. The Wolves once again forced the Broncos to punt. Scott Miller punted well and pinned the Wolves inside the 10 yard line twice. The Broncos starting at near mid-field drove and scored with about 8:50 left in the game on a two yard up and over the top dive by Victor Lira. The Broncos chose to go for two extra points and Jeff Brittain passed to Esau Ramirez for an apparent score only to be ruled out of the back of the end zone. This left the score 21-13.

The Broncos scored again with 1:30 left to play on a one-yard run by Tino Martinez. The Broncos' Jeff Brittain tried to run for the two extra points and a tie, only to slip as he cut for the goal and fall inches short of the score.

The Broncos attempted an on-side kick and it was a wild affair. After all the dust had cleared and the ball had bounced off several players from both teams, Colorado City quarterback Doug Chitsey came up with the ball. The Wolves then ran out the clock to preserve their narrow win.

Elsewhere around district 6-AAA the big game in Ballinger between the two undefeated answered few questions! After the game there were still two undefeated teams left? Ballinger got off to a 14-0 halftime lead by Crane. Crane came up with two big plays and tied the game 14-14. If they both win their remaining game, Ballinger will be first and Crane second on the fact that penetrations were tied 3-3 but, Ballinger had a 20-7 lead in first downs. In the other

## Donations to library set November 4

William B. Wilson (Willie B.) and his wife, Monetta will be in Sonora Friday, November 4, at 10 a.m. to donate a complete set of micro-film of the Devil's River News from November 1, 1890 to July 3, 1920.

The Sonora Library has already been given a reader for this film for easy viewing of this very interesting and historical film.

In addition to this, the Wilsons will be donating to the library a partial set of the works of L. Ron Hubbard.

William B. Wilson was born in Sonora and is now a resident of Midland.

game Coahoma beat Ozona 21-15.

This next week the big game will be at Crane where the Cranes host Colorado City. The winner of this game will definitely be in the playoffs. Ballinger will play

Coahoma at Coahoma. The Broncos will host Ozona. Ozona is 0-4 in district and 3-6 on the year. They use a 4-3 defense and operate from a slot-I offense. Due to the local rivalry this is always an exciting game.

### BRONCOS BARELY MISS

Jeff Brittain prepares for one of his passes Friday night when the Broncos barely missed winning against the Colorado City Wolves in C-City. The two Broncos in front of Brittain are blocking the way of a Wolf who was attempting to spoil the pass. The Broncos came from

behind to lose by a heartbreaking two points. Friday night will see the Broncos meeting long-time rivals, the Ozona Lions, at 7:30 p.m. in Bronco Stadium. Go out and show the Broncos that they are supported. (Contributed Photo)

## IN ANNUAL TURKEY WALK SATURDAY Get ready to walk

More than 30 area walkers are expected to participate in the Turkeywalk event to be held this Saturday, November 5. The walkers will meet at the parking lot of the First Methodist Church prior to 9 a.m. to register for the event.

The participants are hoping to raise public awareness about the benefits of walking while raising funds to benefit the American Heart Association in Texas. The physical benefits of walking are many.

In addition to the obvious trimming and firming the body, it also strengthens and conditions the heart by making the body work and demand increased amounts of oxygen. Enthusiasts of the activity also say it helps relieve tension and increases the ability to relax.

Event participants walk as much of the five-mile course as they want. Prior to the event they recruit sponsors who make pledges based on the number of miles the participant completes.

After the event, participants collect the pledges to turn in to a local American Heart Association representative. The funds will help pay for research and development to prevent the premature death and disability from heart disease.

The American Heart Association urges everyone to participate in some form of a regular fitness program with the approval of their doctor, and walking is especially easy, healthy, and fun.

Walking is easy to start and easy to keep up with so it is a good system for getting into shape and staying there with all the essentials for a fitness program.

Anyone wanting to walk in the event or wishing to make a pledge in support of a Turkeywalk participant is urged to call Sam Dillard, event chairman, at 387-2529. Entry forms are available at all four school offices, the Devil's River News office, the Sonora Chamber of Commerce office, O'Bryans, Spain's, and Chaparral

### Motors. TRAVELING PLAQUE AND INDIVIDUAL TROPHY RULES

1. All walkers must specify at the beginning of the walk whether they are representing an organization, company, business or if they are walking as an individual.

2. All individual walkers turning in contributions of \$50 or more will receive a free turkey.

3. All representative walkers turning in contributions of \$50 or more will receive a free turkey for walking.

4. Walker turning in the largest amount of contributions within the 10 day limit will receive the individual trophy to keep permanently.

5. Organization, business, or company that has representative walker turning in the largest amount of contributions within the 10 day limit, will be awarded the Traveling Plaque to be hung in their place of business until the next annual Turkeywalk.

6. Contributions of only one representative walker per organization, business, or company will be calculated. Representative walker may have assistance from co-workers in getting pledges and collections.

7. Organization, business, or company may have unlimited walkers, but only one walker will be the company representative all others being classified as individual walkers.

8. All walkers must turn in their contributions within the 10 day limit to qualify for free turkey.

9. All turkeys must be picked up by deadline or will forfeit turkey.

10. The representative walker of any business organization or company will not qualify for individual trophy and will be limited to the "Traveling Plaque" competition.

## Winners told

The Devil's River News Football Contest is drawing to an end with a total of \$92.50 accumulated in the jackpot. This week's winners all missed two guesses, not counting the Ballinger-Crane tie game.

Marlin Roberts won with a tie breaker of 51 points, 7 points off of the official Dallas score. Roberts picked up the winning entry form at P.M. Office Supply and will receive \$15 for first place.

The second place entry form, also picked up at P.M. Office Supply, belongs to Glenda Lowe who was eight points off on the tie breaker. Ms. Lowe will receive \$10.

Pam Love with an entry blank from Perry's won third place with a 10 point difference in the tie breaker. She will receive \$5.

Remember that this is the last week of the contest. Be sure to get your entry form in the "pot". Go by any of the participating sponsors to pick up your form and get it into the Devil's River News office before 5 p.m. Friday.

Sponsoring merchants include P.M. Office Supply, Hurry-Up No. One, Hershel's Foodway, Perry's, Food Center, Chaparral Motors, Big Tree Restaurant, Devil's River Ranch Supply, Sutton County Steak House, State Farm Insurance, G. and T. Trailer Sales, Tim's Liquors, Image, Spain's, Modern Way Grocery, and Sonora Satellite Systems.

Also be sure to tell these merchants how much you have enjoyed the contests this year. Without them, it would not have been possible to bring it to you.

# Letters to the Editor

## LETTER TO THE EDITOR:

The Board of Trustees of the Sonora Independent School District would like to take this opportunity to express its grateful appreciation to those of you who spent many hours and worked so hard to insure that the young people of our community---all of them---will have the finest

education possible through their high school years. The passage of our bond issue last week will guarantee that.

Particular thanks go to Mary Adele Balch who graciously and very effectively acted as chairman of the Citizens' Steering Committee for Promotion of

the Bond Issue. Mrs. Balch, who also served as an able Board member for many years, has successfully performed an invaluable service to her community and especially to future generations of Sonora residents. She and each member of her committee deserve the thanks of all of us.

It is impossible here to thank each of you personally, but we must recognize the cooperation given us by the local media who kept the voting public so well and so honestly informed.

Our deepest thanks, of course, goes to the voting public itself, without whose support none of this would have been possible. We commend you on your good judgement and concern for our biggest asset---our young people and their education, both now and for many years to come.

Jimmy Condra  
FOR THE BOARD  
OF TRUSTEES,  
SONORA ISD

## Dear Editor:

Texas taxpayers have a lot to gain and nothing to lose in voting FOR Proposition 5, the school bond amendment, in the November 8 constitutional amendments election.

The amendment could save our schools and local taxpayers \$435 million in interest payments alone in just the next 17 years.

It comes as a surprise to many people that the awesome resources the State of Texas dedicates to education are not taken into account by national bond markets when setting local school district bond ratings and interest rates. Local bonds are judged solely by the local district's situation.

Proposition 5 would cure that by permitting qualified local school bond issues to be backed by the state's \$3 billion Permanent School Fund. The result would be better bond ratings and lower interest rates for our local districts.

The state's Permanent Fund would simply be lending its good name; it would not be paying off the bonds. Texas schools have a fine bond record. In the unlikely event of a default, the state would simply pick up the payments by withholding the local district's state allotments.

I urge Texas voters to approve Proposition 5.

Sincerely,  
**BOB BULLOCK**  
Comptroller of Public Accounts

# Advice to the Lovelorn Sheepshorn and the Shopworn

plus OTHER FAMILY MEANDERINGS

## THE MEANING OF FEAR

How many times have you received a piece of third class mail which bears the words that strike terror into every heart --FINAL NOTICE--LAST CHANCE--? I got one today and I don't know about you, but it really disturbs me to think that perhaps I'll no longer be allowed to leaf through the pages of this particular catalog and yearn for a handbag with 43 zippered pockets which comes in 14 lustrous shades. Am I to be chastised to the point that I'll be denied the desirous dreaming that maybe I too, could own a flowing "India print" caftan, one size fits all--3 to 44. Will Phillip be unable to drool over the simulated vinyl jacket with the plaid taffeta lining while sitting in his "reading room". I'm not too upset about missing the naughahyde hassock; I've long felt that naughah's should be placed on the endangered species list, but what of the other wondrous household items--the plastic food processor for marshmallows, or the twin curl cutter and spiral slicer. And the lovely genuine imitation turquoise jewelry or the MYSTERY GIFT. Excuse me for a moment while I fill out my order so that I won't miss the next exciting catalog...

†††

Dear Irma,

I am required to travel in my profession and expenses can add up. I have tried many motels as some are lacking in the basic comforts. My complaint is their wiring. If they were modern, the small fires they claim are my fault would never have begun. I travel with five extension cords for necessities like the crock-pot, iron, fan and/or heater, air purifier, table-top washer and ice cream freezer. Most motels have only enough plug-ins for my hair-dryer, toothbrush, foot massager, shoe-shine kit, clock radio and calculator. I feel I am an average customer and all of us should complain about building codes. I've heard nearly all the firemen say "should have known better". Don't you agree?  
Travailed Traveler

No Charge,  
Irma

Do you have a simple question which requires a simple answer? You've found a simple person to ask. Just write to me, Irma Diller, in care of this paper.

# Glasscock, Miller wed

Bobbie Jo Glasscock and Theodore Albert Miller III were united in marriage Sunday, October 30 at 6:30 p.m. in the courtyard of the Old Pecan Street Cafe in Austin.

Mrs. Louise Glasscock is the mother of the bride and the groom's parents are Mr. and Mrs. Theodore Albert Miller of Ashland, Ohio.

The bride wore a Vintage 1940 full-length satin and

chiffon dress with a train. She also wore her grandmother's lace headpiece trimmed with white roses.

Serving as maid of honor was Angela Sperandio and junior bridesmaids were Ashley Lynne and Sally Ann Gibson, nieces of the bride.

The bridal attendants wore dresses of full-length lavender moray taffeta.

Louise Glasscock, mother of the bride, wore a two

piece mauve knit and Joy Miller, mother of the groom, wore a two piece dusty-rose knit.

Serving his brother as best man was Greg Miller. A champagne reception with a dinner with a dinner was held at the Old Pecan Street Cafe in Austin.

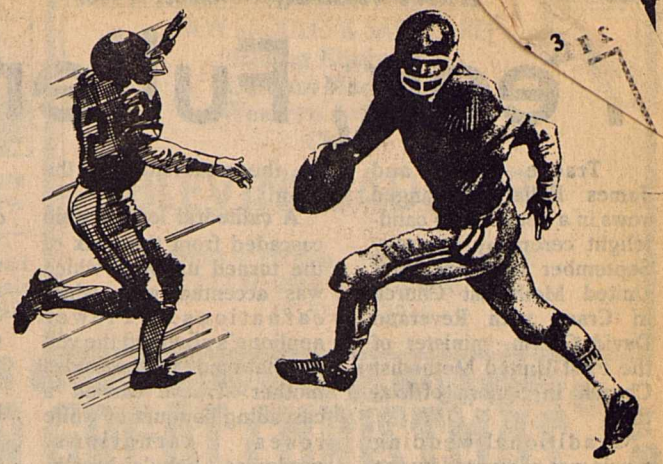

After a wedding trip to Ocho Rios, Jamaica the couple will reside in Austin.

The bride is a graduate of Kingsville High School and also attended Texas A & I

University and Austin Community College.

The groom is a graduate of Ashland High School and also attended Virginia Commonwealth and Ohio State University.

A shower was given by Angela Sperandio and Marion Green, a bridal luncheon was given by Merry Lou Gibson and a bridal-party brunch was given by Louise Glasscock and Sue Ann Flinn.

## SELECT CATTLE FOR FUNCTIONAL EFFICIENCY

Selecting cattle for functional efficiency, fertility, growthability and carcass quality--is the key to a profitable beef business, an official from the University of Pretoria, South Africa, said at the recent International Ranchers Roundup at San Angelo. Dr. Cas Maree also emphasized such factors as adaptability and physical and structural soundness as critical to production economics. Cows should not have a beefy appearance while bulls should be capable of producing live fertile sperm, have a high level of sexual drive, and be able to serve a large number of females.

Horses were first tamed in Asia some 10,000 years ago, historians say.

"The hand that rocks the cradle is the hand that rules the world." William Ross Wallace

## Gas dryers maintain one's appearance for less.

Saving money is important. For everyone. That's why natural gas dryers are the preference for those who know.

They cost less to operate than non-gas models. In fact, high-efficiency gas dryers dry about three loads of wash for the cost of drying

one in a non-gas dryer.

And gas dries clothes faster. And it makes them feel soft and fluffy.

So get more for your money and get a gas dryer for your home. Today. After all, in these times, looking one's best for less is something everyone can appreciate.

# Peek, Fuller exchange vows

Tracye Peek and James Fuller exchanged vows in a double-ring candlelight ceremony Saturday September 10 at the First United Methodist Church in Crane with Reverend David Griffin, minister of the First United Methodist Church in Sonora officiating.

Traditional wedding music was presented by the organist Diane Earp of Crane. Barbara McSpaden of Rankin, aunt of the bride, sang "Endless Love", "You Needed Me", and "For All We Know" during the ceremony. Theresa Clark accompanied the soloist on the piano.

The bride is the daughter of Mr. and Mrs. Robert Peek of Sonora. Mr. and Mrs. Curtis Fuller of McCamey are parents of the groom.

Given in marriage by her father, the bride wore a traditional length white gown of organza and Venesian lace. The Queen Anne neckline featured seed-pearls. French lace accented the dropped waistline with large V's of rows of Venesian lace accenting the sides and front of the full skirt and flowing into the cathedral train. Double sleeves with flower applique's and bows at the wrist set off the gown. The bride's hat was covered with ruffled Venesian lace on top and small rows of gathered lace

on the underside of the brim.

A cathedral length train cascaded from the back of the turned up brim which was accented with white carnations. Flower applique's accented the veil and hat made by the brides mother. Tracye carried a cascading bouquet of white roses, carnations, gardenias, baby's breath, greenery, and white lace ribbons.

The bouquet was enhanced by small bridal lights throughout.

Donna Hawthorn of Odessa, aunt of the bride, served as maid of honor. Gina Streety was bridesmaid.

They wore long baby blue dresses with a wide ruffle accenting the off-the-shoulder bodice and hem. Each carried a lighted votive candle with small baby blue and white carnations.

The groom was attired in military dress blues. Tommy Johnson of McCamey served as best man. Groomsman was David White of McCamey. Each was attired in navy blue tuxedos with white ruffled shirts.

The flower girl was Michelle Fuller, niece of the groom. She wore a floor length baby blue dress with wide ruffles at shoulder and hem. She carried a small white basket with baby blue and white carnations.

The mother of the bride wore a floor length navy dress of taffeta featuring a v-neckline with draping ruffle and full skirt. The mother of the groom wore a floor length turquoise dress of crape and organza with a pleated overdress.

Sean Peek, brother of the bride, was the candlelighter. Donna Streety of Crane registered guest.

Ushers were Dale Hawthorn of Crane, uncle of the bride, and Terry Harris of McCamey, brother-in-law of the groom.

Ringbearer was Steven Wade of McCamey. He was attired in navy tuxedo with white ruffled shirt.

Following the ceremony, a reception was held in the Fellowship Hall of the church. The brides table was covered by a white lace tablecloth overlaid on a baby blue cloth and held a crystal pedestal punch bowl, cups and trays, and white bridal napkins with baby blue imprints. The

three-tiered wedding cake was white with blue flowers and topped with the traditional bride and groom under glass.

The bride's bouquet, arranged in a crystal vase, graced the table. Servers were Jeanie Harrie of McCamey, sister of the groom and Donna Streety of Crane.

The groom's table was covered with a white lace tablecloth and held a chocolate cake baked and decorated by the grooms sister, and a silver coffee service, silver and blue nut dish and a crystal candy dish with white and dark chocolate bells with blue ribbon. A blue milk-glass lamp also graced the table. Mary Hawthorn, aunt of the bride, served at the groom's table.

The bride and groom wore matching blue satin western shirts, made by the bride, and jeans as they left on their honeymoon.

The bride is a 1983 graduate of Sonora High School. The groom attended McCamey High School and is a Lance Corporal in the U.S. Marine Corps. They will reside in 29 Palms, California.

## The Land Bank

## SIDES NAMED TO STATE 4-H POST

Preston D. Sides has been named to the combined position of 4-H and youth specialist with the Texas Agricultural Extension Service and executive director of the Texas 4-H Foundation. He will have primary responsibility for obtaining private sector support for 4-H, the youth program of the Extension Service. Sides fills the position formerly held by H.T. "Tom" Davison, who was named state 4-H program leader last June. During his 20 years with the Extension Service, Sides has served in county agent and 4-H specialist positions.

**Self care important**

"After school self-care beginning at age nine or ten is not necessarily a bad thing, if children are adequately prepared and ready to function on their own," says Diane Welch, a family life education specialist with Texas A&M University's Agricultural Extension Service. Many working parents feel guilty about having a "latch-key" child, yet fail to realize that all children need to learn coping skills at some point. Even the children of full-time homemakers should teach coping skills to their children before allowing them to stay by themselves, says the specialist. These skills include how to use emergency phone numbers, perform first aid for minor home accidents, escape the house or apartment in case of fire, and handle incoming phone

calls or strangers coming to the door.

**Restful sleep needed**

Getting enough restful sleep is important if a person is to feel good and function properly. Many sleep disorders have been associated with poor lifestyle habits, according to Dr. Mary Ann Shirer, health education specialist with the Texas Agricultural Extension Service, Texas A&M University System. These poor lifestyle habits include lack of exercise, inadequate meals and ineffective handling of stress. "Positive changes in these habits will improve sleep, and may even completely alleviate the problems associated with sleep," says Shirer.

**Reports from Washington**

**Ten Years Later: Aftermath Of The OPEC Oil Embargo**

Ten years ago this month, an event occurred which would profoundly affect our economy and our society. In fact, actions that autumn brought about such change and upheaval — not only within the United States but throughout the world — that one foreign policy expert reflects upon it as one of this century's "pivotal events."

I refer, of course, to the decision by certain member nations of OPEC, the Organization of Petroleum Exporting Countries, to refuse to sell any of their oil to the United States because of our Nation's support of Israel during the 1973 War.

Tragically, the aftermath of that OPEC decision, and the suffering and deprivation it inflicted upon all Americans was unnecessary. Quite frankly, OPEC's success was due to years of Federal mismanagement and poor energy policy decisions which forced our Nation into a position of overdependence on foreign sources of oil, leaving us extremely vulnerable.

Let us recall, again, what the OPEC oil embargo wrought. First, by December 1973, lines began appearing at gasoline stations all across the country — including our own State of Texas, a proud leading producer of our Nation's energy resources. For over a year many gasoline stations stayed open only for brief periods, many closed on weekends, many closed altogether. Some stations served customers only on the basis of whether their license plates were odd or even.

Then, decisions began to emanate from Washington which proceeded to exacerbate, rather than ease what became known as the energy crisis. Congress imposed the 55-mile per hour speed limit, an anathema to those of us who must drive long distances for basic necessities of life. The Department of Energy was created, and it was directed to seize absolute control over the price and allocation of all crude and crude products. Gasoline rationing schemes and a 50 cent per gallon gasoline tax were proposed; they failed to be enacted. The heinous, punitive so-called Windfall Profit Tax was proposed; it was approved. Then the final legislative policy blow occurred when Washington attempted to address natural gas supply curtailments with passage of the Natural Gas Policy Act, which set the stage for further nationwide market dislocations and price disparities.

During the Seventies, elected officials made a bad situation worse through their stubborn refusal to make the simple decisions necessary to allow American energy production to expand. America's energy industry stood ready and willing to meet the challenge, but Washington turned its back on a free market approach, which would have brought about investment of American dollars providing American jobs and producing desperately needed American energy. Thus, during the decade of the Seventies, we were rendered virtually helpless as OPEC, the cartel no one ever thought would work, absolutely dictated America's energy policy.

Long before OPEC twisted the spigot, Texans had been warning that such an occurrence was inevitable. It took the remainder of the decade, however, for others to see the wisdom of our views.

Realizing the fallacies of Federal controls over our energy resources, we are now attempting to return to the free market. In 1981, Federal encroachments in the pricing and distribution of domestic oil were lifted. In turn, domestic prices of oil have moderated and supplies have risen — an absolute manifestation that the laws of supply and demand do work.

And, at last a President has finally submitted a legislative proposal which, for the first time, seeks decontrol of natural gas. While I have serious concern about certain provisions of pending legislative proposals, I have been and always will be a very staunch advocate of responsible decontrol — which removes government from both production and marketing of natural gas.

As we move forward in our effort to eliminate Federal excesses of the past, I hope that the complacency rampant in the Sixties and the pre-embargo Seventies does not reoccur. My concern is based upon the fact that the current moderate price and adequate availability of oil may lull us into a false sense of security and divert our attention from our need to secure adequate domestic energy supplies for the future.

We must never again permit a closed foreign spigot to bring our Nation to its knees.

**Eldorado citizen awarded**

Herman Walker of Eldorado recently won a bronze award for third place with his oil painting, titled "Round Up Instructions."

Walker participated in the National Western Artists Association art show in Lubbock.

The art show was in conjunction with the annual National Golden Spur Award Weekend, centered at Texas Tech University and focusing on the presentation of a lifetime achievement award by the nation's leading ranching and livestock industries.

New Mexico artist Dave McGary, a sculptor whose main subject is Indians, won the Best of Show Award at the Second Annual National Western Artists Show and Sale.

His sculpture was titled "The Story of the Little People." Judging was by the 40 participating artists from throughout the nation and Canada.

In addition to other art awards in each category, the National Western Artists Association presented an honorary membership award to Western Horseman magazine, a publication which has continuously supported Western art. The magazine's editor Chan Bergen of Colorado Springs, Colo. accepted the award—a Western bronze sculpture, designed by artist Terrell O'Brien of Lamesa.

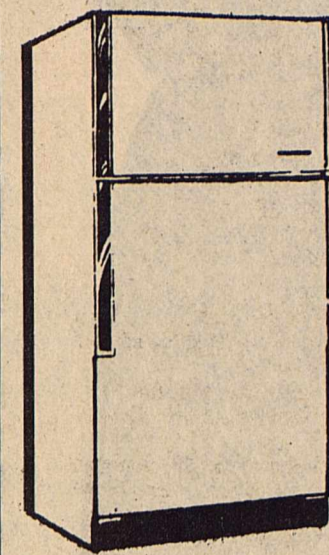

First place winners, receiving gold awards included Lee Herring of Dallas, oil, "Early Camp"; McGary of Alto, N.M., sculpture, "The Story of the Little People"; Gary Morton of Tinnie, N.M., watercolor, "Making the Outside Circle"; and Mimi Jungbluth of Ruidoso, N.M. mixed and other media, "Miranda Dawn."

Second place silver award winners included Julian Robles of Taos, N.M., oil, "The Old House at Valdez"; Juan Dell of Santa Fe, N.M., sculpture, "Charro"; Shufelt, drawing, "The Goofy Yellow Colt"; Morton, watercolor, "Takin' the Kinks Out"; and Don Doxey of Salt Lake City, Utah, mixed media, "White Man's Treasure."

Third place bronze awards also went to Stan Johnson of Mapleton, Utah, sculpture, "Minitari Warrior"; Walker, drawing, "Small Talk"; Regan Gennusa of Dripping Springs, Texas, watercolor, "Cold and Hungry"; and Robles, mixed media, "Bunkhouse Ballad."

Art show chairman was Jerry House, director of contracting and purchasing for Texas Tech. The show is coordinated by Alvin G. Davis, executive vice president of the Ranching Heritage Association, support organization of the Ranching Heritage Center of The Museum of Texas Tech.

**Stuttering not unusual for children**

While parents should not be alarmed if their preschooler stutters, they should be concerned if that speech disfluency persists as the child gets ready to start school. "Parents should be assured that 80 percent of all children between two and seven frequently stutter, but will outgrow it by adolescence," says Dr. Delores Stegelin, a family life education specialist with Texas A&M's Agricultural Extension Service. But for children whose stuttering becomes more pronounced with age, early detection and treatment is best, says Stegelin. Newer methods of intervention for stuttering actively involve the parents and include family counseling as well as speech therapy for the child. Parents who are concerned about their child's stuttering may obtain information and assistance through their local school district (which may employ a speech pathologist), health department and the county Extension office, says the specialist.

## TSTI now admitting students for winter quarter

Eleven programs at Texas State Technical Institute in Sweetwater are admitting new students for the winter quarter, beginning Nov. 30.

New classes will be starting in air conditioning and refrigeration, autobody repair, automotive mechanics, building construction, computer science technology, diesel mechanics, drafting, livestock and ranch operations, machine shop operations, technical office training and welding.

Programs range in length from six to 18 months, and many operate on an individualized basis, allowing the student to progress on his/her own pace. Also, some programs will allow students to take less than a 12-hour credit load in daytime classes held per quarter.

Early registration will be held October 31 through November 4, and regular registration is set for November 29. Classes begin November 30.

Tuition and fees for a fulltime student are \$90.50 per quarter. Tuition and fees for a parttime student are prorated based on the number of credit hours taken.

Housing is available on campus. The cost is \$390 per quarter per student, and a \$100 housing deposit is required before housing is assigned.

To enroll at TSTI, persons must complete the application packet, provide an official transcript from the last high school and all colleges previously attended, and take the Differential Aptitude Test. The test is given every Monday and Friday at 9 a.m. and 1 p.m. in the Student Center.

For further information, contact the Public Information Office or the Admissions and Records Office at TSTI, Route 3, Box 18, Sweetwater, Texas 79556 or call 915/235-8441.

## Health Fair to be held

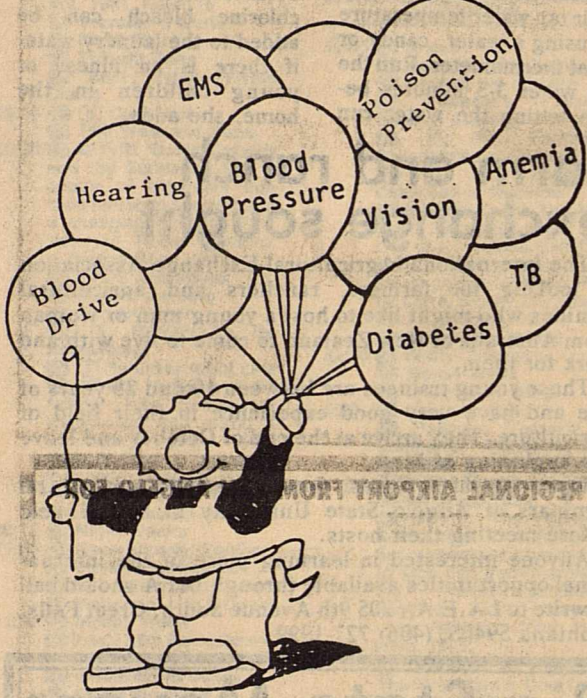

The Sutton County Family Living Committee - Texas Agricultural Extension Service and the Texas Dept. of Health are sponsoring a health fair.

The health fair will be held November 9 at the Clint Langford Memorial 4-H Center from 10 a.m. to 12 noon and from 2 - 4 p.m.

The public is invited to attend and the admission and screenings are free. Only those age 18 and over will be screened without parental consent. Screenings for diabetes, blood pressure, and anemia will be done. Height and weight will be measured. There will also be tables throughout the 4-H Center with pertinent health information from the American Cancer Society, American Heart Assn., March of Dimes, Arthritis Foundation and various other organizations.

There will also be Hearing screenings, dental, and possible Glaucoma testing.

## We're having a Health Fair!

## Comptroller representative to visit Sonora

State Comptroller Bob Bullock will have a representative from his San Angelo office in Sonora November 17 to assist local taxpayers and answer questions about state taxes.

Bullock said Enforcement Officer Dru Beck will meet local taxpayers in the County Clerk's office at the County Courthouse from 1 to 2 p.m.

"If Sonora area merchants, or anyone else for that matter, have any questions about state taxes or need help in preparing state tax forms, Ms. Beck will be there to assist them," Bullock said.

"We're trying to cut the red tape in this office, and we believe these face to face sessions with taxpayers help do just that," Bullock added.

The San Angelo office, headed by Ron Parish, serves San Angelo and surrounding counties.

A seal can swim steadily for eight months, sometimes swimming as many as 6,000 miles without once touching land.

## French on "Duster" squad

The Western Texas College Westerners and Dusters will play their first basketball doubleheader of the 1983-84 season Thursday November 3 in the Scurry County coliseum.

Both teams will be hosting Weatherford College. The women's game will begin at 6 p.m. with the men's game to follow at 8 p.m.

The Dusters will host the second annual WTC Classic on Nov. 25-26 in the coliseum.

Barry Davis is starting his second year as coach for the Westerners. Women's coach is Joe Cushing, who is beginning his sixth year at WTC.

Lyndy French, 5'11 forward from Sonora, will be on the Duster squad this season.

"We're looking forward to getting our season underway," Cushing said. "We've worked hard and I think we're ready to get underway."

Tickets for all home games will be available at the box office.

Bob Krueger's Congressional District Tour will be in Sonora for a tour of the county Courthouse and the local businesses from 2:40 to 3:20 p.m. on Thursday.

## UMYF to meet

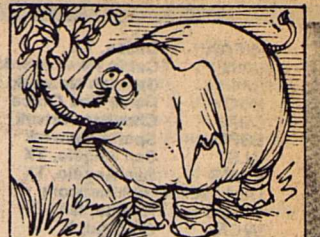

Almost 200 youths from the San Angelo District will be attending what may prove to be one of the largest UMYF district gatherings in many years.

It has been made possible to travel as a district and have chartered four 46-passenger busses. The busses will leave from the front of the First Methodist Church in San Angelo at 7 a.m. on November 5.

Persons wishing to go, please be present and ready to go no later than 6:30 a.m. Busses will return no later than 7 p.m. on Sunday, November 6.

While in the Dallas-Fort Worth area, we will stay at the Ramada Inn located in Irving. We plan to have one adult for every seven youths.

Participants are encouraged to bring a sack lunch, including a drink, and enough money for two meals.

To satisfy his understandingly huge appetite, an elephant can spend up to eighteen hours a day feeding.

Hot tap water hazardous

Tap water that's too hot can be hazardous to your health, says Dr. Mary Ann Heussner, a health education specialist. Each year, thousands of people are scalded by tap water, says Heussner, who is with the Texas A&M University Extension Service. Those most likely to be scalded are pre-schooler, the elderly and handicapped.

Electric hot water heaters have more exact control with an adjustable temperature range of 110 to 170 degrees F. This control is inside the cover plate of the heater. Lowering the thermostat requires turning off the electric power, removing the cover plate, adjusting the thermostat, replacing the cover and turning the power back on.

Some people become concerned that lower water temperature will decrease the sanitation in their homes. "But it should be remembered that the spread of illness occurs mostly from touching or personal contact and by breathing cough and cold germs. Laundry and dishes are not significant disease spreaders," Heussner says.

Farm and ranch exchange sought

The International Agricultural Exchange Association is looking for farmers, ranchers and agricultural families who might like to host a young man or woman from Australia or New Zealand to come to live with and work for them. These young trainees are between 19 and 28 years of age and have very good experience in their field of agriculture. They arrive at the end of October and leave the beginning of May.

Upon arrival in Texas, they will attend agricultural seminars at Angelo State University in San Angelo before meeting their hosts. Anyone interested in learning more of the international opportunities available through IAEA should call or write to I.A.E.A., 205 9th Avenue South, Great Falls, Montana 59405, (406) 727-1999.

Big State Movers advertisement with contact information: House moving & leveling, Mobile home moving & leveling, AREA Junction, (915) 446-3678, Texas.

## "More the Merrier" set next month

BY MARIANNE TRAINER

Shoppers will again be offered a wide variety of homemade foods and craft items when "The More the Merrier" sponsors its fourth annual bazaar to be held Saturday, December 3 from 10 a.m. to 4 p.m. at The First Baptist Church in Sonora. Everyone is invited to attend.

Creative artists from Sonora and surrounding areas will offer a wide array of handmade quality products designed to make your Christmas shopping easier and add a more personal touch to your holiday gift giving.

Among the many items available for sale are: quilted wall hangings for baby spaces, gorgeous dolls with smiling faces and counted cross stitch for those special places. Personalized gifts for kitchen, bed and bath, wood crafted items that will make you laugh. Hand smoked clothes for that precious little girl, more and more dolls with heads full of curls. Western scenes all built by hand which reflect the artist's love of the land. Ceramics are fun to use in your home, you'll find lots of these if only you'll come. Pen and ink drawings and watercolors, too and lots of good food made especially for you. There's gift wrapping there, if you find that a bore, just make a left turn when you come through the door. Needlepoint pictures to grace your walls, you're sure to find something for one and all. So make out your list and check it twice, it's here you'll find plenty that's awfully nice.

Much interest has been expressed in the upcoming bazaar which has strived to maintain a reputation of offering quality products with reasonable prices. Plan now to attend on December 3 and see for yourself how much fun shopping can be.

Lightning strikes the Earth a hundred times every second, from the 1,800 thunderstorms in progress at any given moment.

## FOOTBALL Contest!

(Plus Weekly Jackpot.)

\$15 First Prize

\$10 Second Prize

\$5 third prize!

### Contest Rules Below:

1. Pick up an entry blank from one of the sponsors listed below.
2. Fill it out completely, writing the teams you think will win each week beside the sponsors' names on the entry blank
3. Each space on the entry blank must have a team entered there. FOR EXAMPLE: If Smith Hardware's ad has Sonora vs. Wall in it, and you think Sonora will win, write Sonora beside Smith Hardware's name on the entry blank. Do this for each game and remember to sign your name and choose a tie breaker.
4. Be sure and put your name and list the location where you obtained your entry blank. Entries not filled out completely will be disqualified.
5. Tie breaker pick each week is the total points you think will be scored in the Dallas Cowboy game of the week.
6. Only one Entry per person.
7. Employees of the DRN and their families are not eligible to enter.

## Public Notice

The City of Sonora will accept bids on a 1984 Pickup Truck until November 11, 1983 at 5:00 p.m., in the office of City Secretary. Specifications can be obtained from the office of City Secretary between the hours of 8:00 A.M. and 5:00 p.m., Monday thru Friday. Sealed bids will be opened at the regular meeting of the City Council on November 16, 1983 at the City Hall Council Chambers. The City of Sonora reserves the right to accept or reject any and all bids submitted.

Becky Covington City Secretary

The Sutton County appraisal District will accept bids on a computer and software until November 16, 1983, at

2:00 p.m. in the office of the Chief Appraiser at 222 N.E. Main St., Sonora, Texas.

Specifications may be obtained from Don Wootan at the Appraisal District office.

Sealed bids will be opened at 3:00 p.m. on November 16, 1983.

The Sutton Appraisal District Board reserves the right to accept or reject all bids.

Don O. Wootan Chief Appraiser

The City of Sonora is soliciting proposals from qualified individuals or firms for management, administrative, planning engineering, and architectural services required by the City for implementation of the Texas Community Development program should it be funded by Texas Department of Community Affairs.

Proposals will be considered by the City at a meeting to be held at 9:00 a.m. on the 16th day of November, 1983. In order to be considered, proposals must be submitted prior to 10:00 a.m. on the 11th day of November, 1983. The City reserves the right to reject any or all proposals.

Upon receipt, all proposals will be thoroughly evaluated by the City. Once this evaluation has been completed all responsible offers will be placed in rank order. All offers will be notified of these results and of the City's intent to initiate negotiations with its first choice. Should negotiations with the City's first choice fail to produce a satisfactory agreement, all negotiations with the first choice will be terminated and the City's second choice will be notified, and so on. These procedures will be followed until a satisfactory agreement and contract has been approved and executed.

It is the City's intention to ultimately contract with the responsible offerer whose proposal and subsequent negotiations are determined to be the most advantageous to the City, all factors considered, including but not limited to a) understanding of the project, b) qualifications of key personnel, c) services proposed, d) prior experience with projects of this type, e) City's past experience with the offerer, and f) price.

A complete Request for Proposal outlining services required by the City, submission requirements, and evaluation criteria has been prepared. Interested

parties may obtain copies of this Request for Proposals by contacting the person below:

James Dover City Manager City of Sonora 210 N.E. Main Sonora, Texas 915-387-2558

## Household inventory important

"A household inventory is important to estimate your need for insurance, and to settle insurance claims quickly and efficiently," says Nancy Granovsky, a specialist in family resource management with Texas A&M's Agricultural Extension Service. "Your memory may fail you, especially under the stress of a natural disaster or a burglary, but an inventory will have information needed for a claim" she says. An inventory should note the date or year of purchase and purchase price for each item. If you don't know when you bought an item or what the purchase price was, says Granovsky, you can estimate the replacement cost. This information can help you specify exactly what was lost and its worth, she explains. It's critical to store your household inventory in a safe deposit box or some other secure place away from your home, notes the specialist.

## KNOW WHO REPRESENTS YOU

Your representative in state and national government wants and needs your opinion.

State Representative Jerry Gelstweidt- House of Representatives, Box 2910, Austin, Texas 78769.

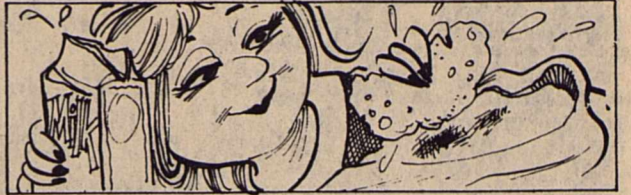

State Senator Elect Bill Sims- 115 South Randolph, San Angelo, Texas 76901.

Congressman Tom Loeffler-33 East Twohig, Suite 301, San Angelo, Texas 76903.

Senator Lloyd Bentsen- Box 502, Austin, Texas 78767.

Senator John Tower- U. S. Senate Washington, D. C. 20510.

# JV gets revenge against Eagles

BY CHARLIE ADAMS

The Sonora Junior Varsity got some revenge at the expense of the Eldorado Eagles last week. Three weeks ago the Eagles took advantage of seven Bronco turnovers and went on to beat the Broncos 23-0 at Bronco Stadium.

The Broncos made the 21 mile trip to the north and topped the team's record to 5-2 with a 14-0 win.

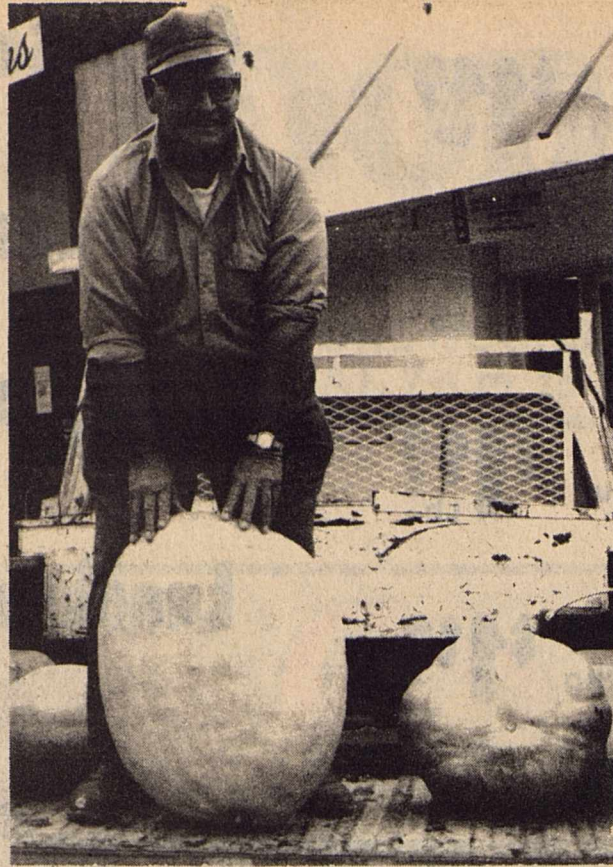

The Broncos got an excellent game from halfback Edward Mata. He had a 55 yard run in the second quarter that set up the first score. The score came on a four yard run by fullback Martin McGee. McGee also booted the extra point.

Mata had another 40 yard run in the fourth quarter down to the 2 yard line. McGee again did the scoring on a two yard run. He also kicked the extra point.

For the game, Mata had 142 yards rushing, he caught one pass for 38 yards, and he threw one pass for 25 yards.

It was a good over-all game for the Broncos especially for the defense as they held the Eagles to only six first downs.

The Broncos will close out the season Thursday at Ozona at 6 p.m.

**OVERGROWN PUMPKIN RAISED LOCALLY**  
James B. Whidden of Sonora raised these huge pumpkins out of town. He brought them by the Devil's River News last week to see if any of the employees had ever seen any that large. Whidden planted the seeds, bought locally, last spring. (Staff Photo---CLJ)

# Check presented to Chamber

The Sutton County Days Association President, Bob Scroggins, recently presented a check in the amount of \$2,000 to the Chamber of Commerce President, Mike Street.

This money will be part of the building fund and will help with the expenditures of the new office building. A check in the amount of \$1,000 was received by the chamber from the Sutton County Days Association last year.

The Sutton County Days Association is a non-profit organization and is a co-sponsor for the Sutton County Days. All money received from the rodeo and Sutton County Days activities are being put back into the community.

People on hand for the presentation were: Bob Scroggins, Les Robertson, Martha Sims, Jeanne Jackson, Rhonda Wilson, Debbie Rhinehardt, City Manager Jim Dover, Mayor Bill Gosney, President of the Chamber of Commerce Mike Street, Nancy Johnson, Harold McEwen, Roberta James and Edith James.

The oldest apple orchard in the United States was planted by Franciscan fathers in 1636 near what is now Manzano in central New Mexico. Its trees are still growing.

# Lawn work can pay dividends

A little time spent on lawn work now can pay dividends next spring, says Dr. Richard Duble, turf-grass specialist with the Texas Agricultural Extension Service, Texas A&M University System. Tasks include controlling insects such as chinch bugs, white grubs and armyworms; controlling diseases such as brown patch; and applying a herbicide to keep weeds in check. It's also important to apply a complete fertilizer in the fall at a rate of 1 or 2 pounds of nitrogen per 1,000 square feet of lawn area. Removing excess accumulations of grass clippings and tree leaves also helps lawns make a good recovery next spring.

# SHS Cross Country Team wins

The Sonora Girls Cross Country team defeated the young ladies from Ozona for the district title last Wednesday, October 26. Gina Heffernan placed first with a time of 12:49 over the two mile course. Lesli Webster placed third and others placing were Mary Ann Rogers, fourth; Debbie Moore, fifth; Lori Webster, sixth; and Alma Zapata, seventh. Twelve girls participated from the two schools. The Broncos totaled 19 points to Ozona's 40, with the fewer the points the better the score.

This was the fourth meet this year for the team. They began on Saturday, October first. Gina Heffernan placed 13th with a time of 13:16 and Lesli Webster placed 15th with a time of 13:25. Lori Webster placed 6th in the JV division with a time of 15:16. Others attending were Gina Black, Mary Ann Rogers, Debbie Moore, Alma Zapata, and Natalie Holguin.

On the 8th of October the team traveled to Kerrville. Gina Heffernan led the way by placing 2nd with a time of 12:30. Others participating were Lesli Webster, Debbie Moore, Stacy Snider, Lori Webster and Alma Zapata.

Gina Heffernan and Lesli Webster went to Bandera on the 22nd of October. Gina ran a personal best of 12:25 finishing 3rd in AAA division. Lesli also ran one of her better times of the year.

The team will next be in action on Saturday, November 5th, in Lubbock at the regional cross country meet. These young ladies are to be commended for their excellent work.

**Public Notice**  
Southwestern Bell, in accordance with rules and orders of the Public Utility Commission of Texas, hereby gives notice of its intent to re-file evidence and appropriate tariff(s) in support of a request to establish rates for the use of certain complex inside telephone wiring in the amount of \$54.5 million annually. This request was previously a part of the considerations in Docket 5141 and now has been re-docketed as Docket 5420. Customers who do not own the Complex Inside Wire associated with their Customer Premises Systems (such as PBX and Key Systems), and who utilize Southwestern Bell's wiring after January 1, 1984, could be affected by this request. On January 1, 1984, all of the Customer Premises Systems presently provided by Southwestern Bell Telephone Company will be transferred to a subsidiary of AT&T and that subsidiary of AT&T will be almost exclusively responsible for the charges pursuant to the proposed tariff on January 1, 1984. After January 1, 1984, customers who purchase their Complex Customer Premises Equipment and do not purchase, but continue to use, Southwestern Bell Telephone Company's inside wire will be subject to the charges proposed in the tariff. The proposed effective date for these new rates is January 1, 1984. Persons interested in intervening in this matter should file a written motion expeditiously with the Public Utility Commission of Texas, 7800 Shoal Creek Boulevard, Austin, Texas 78757, as the Hearing on the Merits in Docket 5420 is set for November 21, 1983.
