### Sonora schools dismiss early

All schools in the Sonora Independent School District will dismiss at 2:30 p.m. Wednesday, November 23 for the Thanksgiving holidays. Buses are scheduled to run shortly thereafter.

Classes will resume with the regular schedule Monday, November 28.

### City Councilmen protest request

West Texas Utilities requested a 19 percent retail rate increase for the city with the city councilmen voting unanimously to deny it at the regular city council meeting Wednesday, November 16 at 9 a.m. in city hall.

WTU also placed a hearing request with the PUC and has requested a wholesale rate increase of nine percent with the FERC.

One city official stated that it would be beneficial for the Sonora citizens to get on the city's electrical system. He also said that it would help keep the money here in Sonora, get rid of the dangerous spiderweb of electrical lines, and eliminate the dual power structure.

He also pointed out that the rate increase is not controlled by the city of Sonora, but by federal standards.

In other action, the city council approved a bid from Sonora Ford Sales of \$10,930 for a 1984 four-door sedan to be used as a police vehicle. Another bid was accepted from Chaparral Motors for a 1984 Chevrolet pickup to be used by the city.

Also discussed by the council was the distribution of pamphlets concerning mobile home standards throughout Sonora. During the discussion, it was mentioned that these laws should either be enforced or not passed. It was decided that the laws could be enforced by first giving notice to the mobile home owner, then action could be taken to enforce the law that was being broken.

Other business included some general comments from E.O. Cambern and George Spivey, representatives of General Telephone, the acceptance of a plat from the Henry Mata subdivision, a discussion by Russell Adkins concerning the parking situation on Concho Street in front of the library, and the ratification of Quade Sutton for the appointment to the Sutton County Tax Appraisal Board.

The city aldermen also considered the proposals for the selection of professional services with respect to the city's participation in the Texas Community Development program.

Other business of interest was the discussion concerning the proposed drainage correction for the crossing at Cornell Street. It was decided to add another culvert and place a concrete apron in front of it to keep the weeds from growing up and clogging the drainage.

The city councilmen also discussed Ordinance Number 258 and requested bid proposals for a three year term of insurance coverage for employees of the city.

Officials attending Wednesday's meeting included Jim Dover, city manager; David Wallace, city attorney; Billy Gosney, mayor; and Aldermen Lemuel Lopez, Bill Keel, Matt Davenport, and Hershel Davenport.

635 MEAL TICKETS REPORTED SOLD

### Game Dinner draws large crowd

The 15th Annual Game Dinner was held Tuesday, November 15 at the Sutton County 4-H Barn. The dinner was a big success with several varieties of wild game on the menu. Some of the meat included buffalo, wild turkey, javelina, dove, quail, venison, and barbados sheep, along with chili, just to name a few.

Poacher of the Year award went to Bob Brockman for his donation of the major portion of meat served at the Game Dinner.

Tickets sold for the door prizes were approximately 8700 with meal tickets at 635, unofficially. This was about 75 over last year's total, and tickets sold for \$5 each.

Special recognition went to Edgar Brooks, a very special hunter from Livingston who will be 90 years old in January. Brooks has been coming to Sonora for the past three years to hunt on the Bob Brockman ranch. It was reported during the evening that Brooks is always the first to arise in the camp in the mornings and always gets the largest deer.

This year he will go back home with the trophy deer of the hunt—a 10 point buck.

Hunters of the year included Bill, Allen, and Larry Vanderhider from San Antonio; Raymond and Mark Goldman from Temple; Robert Still from Crosby; Jack Green from Beeville; and David, Mark, and Doug Ray of Temple. Congratulations go to these men who have been hunting on the Vestal Askew Ranch for the past 17 years.

Ken and Susie Rosford were honored with an Appreciation Award for the many years of service to the Game Dinner Association.

Charlie McTee from Radio Station KKYX in San Antonio along with Albert Ward were M.C.s for the door prize drawings. Lee Ann Sims, Miss Sutton County for 1983 also assisted in the drawings.

Many exceptionally generous door prizes were donated this year by businesses and individuals alike. The Game Dinner Association would like to take this opportunity to thank each and every one of those who made these donations.

Those making donations this year include San Angelo Savings, \$25 savings account; Ruth Espy, spot light; Foxworth Galbraith Lumber Co., hunting knife; The Health Spa, one month membership; H.N.G., Ruger M77 220 Swift; Well Head Safety Control, 1/2 gallon Crown Royal; Dono Oil Co.-Fraley Butane Co., butane bottle; Industrial Specialties and Supply, water can; Republic Supply Co., water can; Hunting Party, Rem. 1100 12 gauge, Rem. nylon 66, 22 LR, Ruger 77 Light Weight 257 Roberts, Win. Model 70 25-06, and Ruger mini 14 223; Spain's, \$25 gift certificate; Image, \$40 gift certificate; Devil's River News, pocket calculator;

Kerbow Furniture, windmill; Dowell, Coleman three burner stove, one gallon fuel; Casparis Wire Line Service Inc. two big beam hand lamps; Doyle Morgan Insurance, knife set; Hill's Jewelry, knife set; Big Country Industries, campstove; Charles J. George, Inc., ice chest-50 qt.; G-6 Saddlery, custom made belt with name and initials; Silver Creek Trading Co., bacon, sausage, and hamburger gift package; Grider Trucking Co., Inc., 86 qt. ice chest; Dresser Titan, Coleman lantern; Pool Well Servicing Co., 1/2 gallon Crown Royal; Eddins Walcher, butane bottle; Morriss Brothers Const., three 48 qt. ice chests; Eastland Freightway, Inc., gun case, Teflon II campstove griddle.

Lions Club, binoculars; L.P. and Nancy Bloodworth, 22 Browning automatic pistol; Modern Way Grocery, four T-bone steaks; Teaff Oil Co., fish fillet knife; Chaparral Motors, chrome headache rack; Sonora Wool and Mohair, hunting knife; Western Auto, gun guard; Buster's Liquor Store, 1/2 gallon Chivas Regal; Food Center, one turkey, one ham; N.L. Well Service, six volt lantern, three gallon water can, set of booster cables; P.M. Office Supplies, two pen desk set; J.W. and Al Elliott, hunting knife; Circle S. Auto, flashlight; Seco Mayfield, Sonora Ford, and Sonora Satellite, tool box; Sonora Auto Parts, spot light; Sutton Speciality Elec, ceiling fan; Tims Liquors, 1/2 gal. W.L. Weller,

1/2 gal. Henry McKenna; Hurry Up Groc., 2 gal. water can and cap; Guns and Stuff, 1 case 12 gauge shells, 1 game feeder; Sonora Animal Hosp., 1/2 gal. Wild Turkey; Sutton County Steak House, \$38.00 Gift Cert.; Tedford Jewelry, gun sling, hunting knife; Quick Stop Oil & Lube Service, 1 service oil change; Jug, 1/2 gal. Old Charter; Light Electronics & Animal Care Clinic, Binoculars; Sonora-Ozona Oil Co., 1 case Oil; Carl J. Cahill, Inc., Golden Eagle 243 Rifle; Jimco & Dicon, Ruger 22-250 Rifle; G & L Tool Co., cross pen set; Canyon Air Drilling, \$100.00 gift cert. from Spain's; Haney Const., 30-30 Win. Model 94, gun case; Hooper Trucking, \$25.00 gift cert. at the Jug; Haliburton, 68 qt. ice chest; Sutton County Natl. Bank, \$50.00 cash, \$50.00; First Natl. Bank, four \$50.00 savings bonds; Dresser Atlas, turkey call; CRC Wireline, Buck knife; Tommy McKissack, \$25.00 on knife; Tom Driskell, gun case; Paschall Allison, Susan Bloodworth, Browning shotgun; A&R Disposal, deep fryer-gas; Outdoorsman, tripod grill; Bell's-La Rae's Impressions (Junction), silk vest; Hunting Party, t.v., gun vault, Browning shotgun, shotgun, rifle, rifle, Chamber of Commerce, rifle; Clay Hicks, Bob & George Brockman, Win. 22 mag.-model 9422; Cleve Jones, Larry Finklea, Bill Stewart, Tony Renfro, Ruger 22; Hunting Party, 10 1/2 gal. of Whiskey; and Sutton Brothers, Inc., 10 foot John Boat.

### Sonora receives \$28,907.04

State Comptroller Bob Bullock recently sent city sales tax rebate checks a full week early because many taxpayers paid by the 20th of last month—as all taxpayers will be required to do this month.

"We're sending these checks early because 134,000 Texas taxpayers paid before the deadline," Bullock said. "This kind of cooperation among taxpayers is helping us avoid new and high taxes. It's obvious this change will help local governments put these tax revenues to work faster in their cities."

Starting in November, all taxpayers will be required to file by the 20th of the month instead of by the last day of the month.

The earlier deadline set by the Legislature will bring in \$500 million more for the current state budget without a tax increase.

Bullock said this month's early payments "show that Texas merchants have accepted this change in the same spirit it was suggested—to save us from a tax increase."

Bullock's office has been working with trade and professional organizations to inform taxpayers of the change.

Sonora's net payment for this period ending November 4 was \$28,907.04. The comparable payment for the prior year was \$45,815.44. The 1983 payments to date total \$214,705.86 and the 1982 payments to date totaled \$338,789.76. The 1983 figure is 36.63 percent less than the 1982 figure.

Houston received the biggest check, for \$19 million, compared with \$18.5 million for the same period last year. Dallas got \$12 million, compared with \$10.9 million last November.

San Antonio's check was for \$6.1 million, compared with \$5.2 million for the same period last year.

Austin's payment of \$4 million pushed its 1983 total payments to \$26.4 million, up 15.7 percent over the total by this time last year. Fort Worth's payment was for \$3.5 million, bringing that city's 1983 year-to-date payments to \$24.6 million, up 5.3 percent over 1982.

Bullock also sent checks to the state's two Metropolitan Transit Authorities. Houston's MTA check for \$22.4 million pushed its 1983 total payments to \$147.6 million. San Antonio's MTA check was \$3.5 million, bringing 1983 payments to \$22 million.

Climax to the hour-long waiting line at the 15th Annual Game Dinner Tuesday, November 15 at the Sutton County 4-H Barn.

# Basketball scrimmages get underway

BY CHARLIE ADAMS

The Sonora Broncos boys and girls basketball teams both participated in controlled scrimmage games with the Lakeview Chiefs in preparation for their season openers against Eldorado Tuesday, November 22.

At Lakeview gym, the Sonora freshmen girls were the first to take the ball and they came away with a come-from-behind 29-24 win.

Lakeview took a 4-2 first quarter lead and increased it to 15-11 at halftime.

They also had a 20-15 lead at the end of the third quarter. The Broncos, however, poured in 14 points in the fourth period to come out on top.

Michelle McCleery and Traci Cascadden each led the way with eight points.

Lauri Sotelo and Kathy Richter each put in four points, Alma Quiroz and Gay Ann Dobbs each added two points, and Sandy Blankenship scored one point.

In the Junior Varsity game, the Sonora team came up on the short end of the score 33-35 but played very well. They fell behind in the first quarter 9-4 and at halftime they trailed 14-10. They rallied in the third quarter for a 20-20 tie and then scored 13 points in the fourth period, only to be edged out 33-35.

Traci Cascadden led all scorers with 11 points, Bonnie Jackson had 7, Leigh French had 6 points, Kate Matthews put in 4, Michelle McCleery and Stacy Miller each scored two points and Sidonna Ridgeway scored one point.

The Varsity also found the going a little tough especially in the third quarter as the Lakeview Maidens outscored them 52-39. Lakeview took a 15-10 first quarter lead, but the Broncos pulled to only a three point halftime deficit at 29-26. The Broncos went stone cold and fell behind 28-38 at the end of three quarters.

The Broncos managed 11 points in the fourth period but couldn't catch up. They played very well and seem to be right on track for their season opener.

Lorri French led the Broncos with 12 points. Lea Whitehead added eight points, Debbie Bible had seven, Kristi Hill put in six, Della Heffernan, Debbie Shannon and Becca Powers each scored two each.

The boys played at Bronco gym and according to Coach Primo Gonzales, they played as anticipated as most players have just come off of the football field.

He said there were some bright spots and that many of the young players had a good showing, but there are still a lot of rough edges. The team does have lots of promise.

The Broncos also open with Eldorado and they will be working hard to be ready.

# Scarlet Letters

BY KATHRYN PARKER

This is not a very busy week. The biggest news in the fact that school lets out at 2:30 Wednesday because of Thanksgiving.

School resumes Monday at the regular time.

Other than that, things

are dull. Play tryouts for Grease were Thursday and Monday at 7 p.m. Mr. Buchanan announced the cast on Tuesday.

Congratulations to all. Have a happy and safe holiday--and don't eat too much!!!

# PTA to start regular meetings in 1984

On November 14 a meeting of teachers and interested parents was held in the Sonora Jr. High snack bar to discuss organizing a local (PTA) Parent-Teacher Association. Mrs. Cookie Roberts, District sixes PTA president and Mrs. Ann Grant of San Angelo PTAs were present to address the group on the importance and purpose of the PTA--that being to help members to become better parents and the school to do a better job.

Bylaws for the organization were adopted and officers were elected as follows: President, Bill Cascadden; Vice President, Mike Ramos; Secretary, Ruth Ann Dickenson; and Treasurer, Clara James.

Membership is open at all times and the public is encouraged to attend and become a member.

The first regular meeting will be held January 9, 1984 at 7 p.m. in the Jr. High snack bar.

# AHA reports the effect of cigarette smoking on heart disease

The American Heart Association in Texas recently applauded the Surgeon General's latest report for highlighting the

effect of cigarette smoking on heart disease. This is the first time that the Surgeon General's

Report has focused exclusively on smoking and heart disease. Jere H. Mitchell, M.D.,

President of the Texas Affiliate of the American Heart Association, said the Surgeon General's latest report examines research evidence on the harmful effects of smoking on the heart and point out why cigarette smoking leads to more deaths as a result of heart disease than any other disease caused by cigarettes.

"Cigarette smoking is the single most preventable cause of premature death in this country," Dr. Mitchell said. "An estimated 325,000 Americans die prematurely each year because

of the cigarette habit, and more smokers die of heart disease than other smoking-related disease."

He noted that smoking is often associated with lung cancer and chronic lung diseases because the link between cigarette smoke and those diseases has been known for years. Knowledge of the relationship between smoking and heart disease is more recent.

The first official statement by AHA on smoking issued in 1956 emphasized that "much greater knowledge is needed before

conclusions can be drawn concerning possible relationships between tobacco smoking and increased death rates from coronary heart disease."

After reviewing scientific evidence over a period of 25 years, AHA's latest statement issued in 1980 said that "evidence incriminating smoking in heart and blood vessel diseases is substantial and unequivocal."

Dr. Mitchell said there is considerable evidence now that cigarette smokers are more likely than non-smokers to have hardening of the arteries of the heart

as well as the main artery, the aorta. The disease in smokers is more likely to be worse than in non-smokers.

"Also there is evidence now to show that persons who smoke a pack of cigarettes a day have more than twice the risk of heart attack than a person who has never smoked. And the risk for a smoker of more than a pack of cigarettes a day is three times greater," Dr. Mitchell said.

Dr. Mitchell is professor of medicine and physiology at the University of Texas Health Science Center in Dallas. He also is the director of the Harry S.

Moss Heart Center and of the Weinberger Laboratory for Cardiopulmonary Research.

"Giving up the cigarette habit," said the American Heart Association president, "can substantially reduce the hazard of heart disease. And 10 years after quitting, the risk of death from heart disease is almost the same as if the person had never smoked."

He urged government, industry and health groups to make vigorous efforts to assist adults in giving up the cigarette habit and to prevent children from taking it up.

## July oil production

Railroad Commission Chairman Mack Wallace has announced that 60 refineries in Texas processed 142,885,084 barrels of crude oil and hydrocarbon blends during July. For the first seven months of 1983, Texas refineries processed 897,847,101 barrels of these materials.

The July volume compares to 133,569,068 barrels in June and 137,

174,565 barrels in July 1982. Texas refineries ran 109,233,682 barrels of crude oil in July compared to 101,865,395 barrels in June and 103,139,235 barrels in July 1982.

Products manufactured in July totaled 142,172,571 barrels, up from 134,820,827 barrels in June and up from 138,875,614 barrels in

July 1982. July manufacture of motor gasoline totaled 62,954,393 barrels, compared to 60,003,302 barrels in June and 62,064,389 barrels in July of 1982.

Texas refineries manufactured 10,294,123 barrels of home heating oil in July—a decrease of 1,150,068 barrels from the June volume. July 1982 output was 11,569,142 barrels.

## Public Notice

In order to implement the Modified Final Judgment entered in United States v. American Telephone and Telegraph Co. and the Plan of Reorganization which was approved by the United States District Court on August 5, 1983, Southwestern Bell Telephone Company and AT&T Communications of the Southwest, Inc., have jointly filed with the Public Utility Commission of Texas an Application for and Notification of the Transfer of Facilities and Voting Stock.

This application affects the provision of interLATA service throughout the State of Texas. Effective with the implementation of this transfer of facilities, which is expected to be on January 1, 1984, Southwestern Bell will offer telephone service only within certain geographical areas defined as LATAs (intraLATA) in Texas. Concurrently, interLATA communication service presently provided by Southwestern Bell will be provided by AT&T Communications of the Southwest, Inc.

For purposes of this application, AT&T Communications of the Southwest, Inc., has filed a Tariff with the PUC containing rates applicable to all of its services in Texas at the same level as Southwestern Bell's current Tariffs. Certain adjustments necessary to implement divestiture have been made to the structure of the Tariffs.

Persons who wish to intervene or otherwise participate in these proceedings should notify the Commission as soon as possible. A request to intervene, participate, or for further information should be mailed to the Public Utility Commission of Texas, 7800 Shoal Creek Boulevard, Suite 400N, Austin, Texas 78757. Further information may also be obtained by calling the Public Utility Commission Consumer Affairs Division at (512) 458-0223 or (512) 458-0227 or (512) 458-0221 teletypewriter for the deaf.

## Aviso al Publico

A fin de cumplir la Decisión Final Modificada registrada en el caso de los United States v. American Telephone and Telegraph Co. (Compañía Americana de Teléfonos y Telegrafos) así como el Plan de Reorganización que fue aprobado por la Corte de Distrito de los Estados Unidos el día 5 de Agosto de 1983, Southwestern Bell Telephone Co. y AT&T Communications of the Southwest, Inc., han presentado en forma conjunta ante la Public Utility Commission of Texas (Comisión de Servicios Públicos: PUC) una Solicitud y Notificación de la Transferencia de Instalaciones y Acciones Votantes.

Esta solicitud afecta la administración de los servicios interLATA en todo el estado de Texas. Con vigencia desde el cumplimiento de esta transferencia de instalaciones, presuntamente el 1° de Enero de 1984, Southwestern Bell solamente proveerá servicios telefónicos dentro de ciertas áreas geográficas, denominadas LATAs (es decir, servicio intraLATA) en Texas. Concurrentemente, los servicios de comunicación interLATA que actualmente provee Southwestern Bell serán provistos por AT&T Communications of the Southwest, Inc.

Para el propósito de esta solicitud, AT&T Communications of the Southwest, Inc., ha registrado un Arancel ante la PUC (Comisión de Servicios Públicos) que incluye las tarifas aplicables a todos sus servicios en Texas, al mismo nivel que el Arancel actual de Southwestern Bell. Se han realizado algunos ajustes en la estructura arancelaria, por ser necesarios para llevar a cabo el desposeimiento.

Toda persona que desee intervenir en el proceso o comentar la demanda debe dirigirse a Public Utility Commission of Texas, 7800 Shoal Creek Boulevard, Suite 400N, Austin, Texas 78757, o llamar a Public Utility Commission Consumer Affairs Division (512) 458-0223 o (512) 458-0227, o al (512) 458-0221 si requiere teletipo para sordos.

# Railroad Commission continues Texas oil rate at 100%

The Railroad Commission recently continued the Texas oil production rate for December 1983 at 100 percent of market demand.

Chairman Mack Wallace and Commissioners Buddy Temple and Jim Nugent directed the continuance of the top production allowable after reviewing oil companies' nominations to buy a total of 2,381,804 barrels of Texas oil per day. The December nomination total, a decrease of 5,074 barrels daily when compared to October purchaser nominations, indicates market demand.

Although next month's state total for the permissible rate of reduction is calculated to average 2,857,249 barrels per day, actual production is estimated to reach 2.3 million barrels per day. Actual production is

December 1982 was 2,351,610 barrels of oil per day. December 1982 nominations totaled 2,463,231 barrels daily.

The Commission first went to the ceiling level for oil production in April 1972, and December marks the 82nd month in a row for the maximum allowable. It applies to fields in the state except those that are assigned lower legal rates of production so that reservoir pressures will not be depleted before the maximum amount of oil has been recovered.

Wallace also reported that December 1983 nominations for the purchase of Texas gas totaled 21,281,050 Mcf/d (thousand cubic feet of gas per day). November gas nominations totaled 20,530,672

Mcf/d. December 1982 gas nominations amounted to 22,382,896 Mcf/d.

The next statewide oil and gas production allowable hearing will begin at 9 a.m. Tuesday, December 20, in Room 107 of the Railroad Commission headquarters building at 1124 S. IH 35 in Austin.

Major purchasers filed these floor nominations for Texas oil in December:

Amoco Production Co., 158,000 barrels daily, down 1,000 from the previous month; Arco Petroleum Products Co., 124,000, unchanged; Citgo Petroleum Corp., 73,000, unchanged; Conoco Inc., 64,000, unchanged; Gulf Oil Corp., 102,100, down 900; Marathon Petroleum Co., 66,820, unchanged; Mobil Oil Corp., 172,300, up 1,700; Phillips Petroleum Co., 72,000, unchanged; Shell Oil Co., 153,000, unchanged; Texaco Inc., 85,000, down 1,000; and Union Oil Co. of California, 25,000, unchanged.

Significant changes in December nominations were submitted in writing by these purchasers of Texas crude oil:

Exxon Co. U.S.A., 265,400, down 3,200; Geer Tank Trucks Inc., 9,275, up 1,045; Getty Trading and Transportation, 28,512, down 1,013; Howell Crude Gathering Co., 3,100, up 1,055; Koch Oil Co., 63,878, down 2,995; Matador Pipelines, 85,949, up 3,605; and P. and O Falco Inc., 16,701, down 1,614.

Chairman Wallace reported that crude oil and petroleum products imported into the U.S. averaged 5,185,000 barrels daily for the four weeks ending November 4, up 266,000 barrels per day from the same period a year earlier.

## IT WILL SAVE YOU MONEY....

**The Heat Pump**  
the most efficient system  
for heating and cooling.

A heat pump can actually produce more than 2 units of heat for every unit of electricity used, in a properly insulated home.

Unlike a conventional furnace, the heat pump doesn't make heat. It transfers or "pumps" heat. Even on cold days, there is some warmth in the air. The heat pump transfers this heat into your home to warm you and your family.

THE ELECTRIC HEAT PUMP WILL SAVE YOU MONEY! If you have plans to buy, build or remodel, or need a new heating and cooling system for your home, call a local factory trained HEAT PUMP DEALER or talk with WTU. We will arrange for a WTU heating and cooling specialist to contact you.

Energy savings may vary according to home construction, family size, or energy usage habits.

dips and bits, coffee and tea was served when members arrived. They had lunch at the M & M cafe in Ozona. The Ozona members were: Mrs. Arlidge, Mrs. Mary Lou Lilly, Mrs. Luetta Kost, Mrs. Jeanett Bailey, Mrs. Sammie Pierce, and Mrs. Benny Gail Hunnicutt. Sonora members were: Mrs. Lucille Coleman, Mrs. Bernice Savell, Mrs. Vicki Shannon, Mrs. Barbara Savell, Mrs. Marty McLain, Mrs. Leona Bishop, Mrs. Joan Cusenbary, Mrs. Midge Shurley, and Mrs. Elizabeth Hemphill. The members sew on their own projects and have made some beautiful things.

Mr. Fred Adkins was in San Antonio last Wednesday. Mrs. Clay Mitchell and baby Sarah of Sterling City were here visiting her parents, Mr. and Mrs. Calvin Van Hoozer this past week. Mr. and Mrs. Pat Wade and son Joseph have moved to Rankin. Mrs. Wade worked at the Devil's River News office. We are going to miss you Lori. Mr. and Mrs. James Morris were in San Angelo last Friday. Mrs. Guila Vicars and Mrs. Davie Taylor spent Thanksgiving in Ballinger with Davis brother and family. Mrs. Gwen Wardlaw spent the Thanksgiving holidays in Houston with her daughter and families. Mr. and Mrs. Bill Stallworth, Suzanne Ward and with Mr. and Mrs. Don McLardy, Gwen and Leah. Mr. and Mrs. Wade

Stokes, Matt and Cody spent Thanksgiving with his mother, Mrs. Nonie Scroggins in Carlsbad and then went to Menard to visit Susans parents Mr. and Mrs. Joseph Decker. Mrs. Pauline Thompson has returned from Austin where she visited her daughter Mrs. Anita Stokes.

Mrs. Myrtle Bridges was in Austin over the week end visiting.

Thank you God for America. Mrs. Hazel McClelland spent Thanksgiving in Sweetwater visiting her daughter and family Mr. and Mrs. George Thompson, Tracey and Terrell.

Mrs. Juanita Gandar was in Sweetwater over the Thanksgiving visiting her family.

Mr. and Mrs. Marion Smith and Lee of San Angelo were here visiting her mother, Mrs. Metha Trainer, over the Thanksgiving holidays. Mrs. Belle Steen is in the Hudspeth Hospital-hope you are better and home soon Steen.

Mr. and Mrs. Matt Shannon of Waco and Mr. Savell Shannon were home for Thanksgiving-visiting their parents, Mr. and Mrs. Charlie Shannon and Mr. and Mrs. A.L. Armentrout. Mr. Chip Savell of Pleasanton, Mr. and Mrs. Cody Savell, of Waco and Mr. Scott Savell of Big Spring were here for Thanksgiving visiting their family, Mr. and Mrs. Bill Savell.

Mr. and Mrs. Charles Cusenbary of San Antonio were here last week visiting his mother, Mrs. Elizabeth Cusenbary.

**"Texas Public Campgrounds" released**

From sandy beach sites fronting the Gulf of Mexico to craggy heights of the Chisos Mountains, Texas campers may choose from among 357 sites to chart back-to-nature excursions. Their options are detailed in a revised, free folder, "Texas Public Campgrounds," just released by the State Department of Highways and Public Transportation.

The folder is strictly informational (no pictures), but is replete with details about where to pitch a tent by a dinosaur trail, park an RV by an 18th Century Spanish mission, or bed down in an Indian campground.

Listed information includes precise directions from the nearest town, facilities available, and recreational activities that may range from hiking and biking to fishing, swimming, boating, golf or nature study.

The folder's 357 campgrounds are those administered by federal, state, or local governmental authorities. The state's "public" campgrounds directory is designed to supplement other available guides that list commercial campgrounds.

A free copy of the new Texas Public Campgrounds folder is available at any Texas Tourist Bureau, or by mail from P.O. Box 5064, Austin 78763.

**THREE BLIND MICE?**  
These three blind mice visited the junior high school snack bar Halloween day. Students purchasing snacks there had to beware of "nibbled on" food. Shown left to right are Josie Emilano, Mary Tabarez, and Frances Moore. (Staff Photo---KKN)

Northwestern University conferred an honorary degree on ventriloquist Edgar Bergen's dummy, Charlie McCarthy.

The typewriter was patented in 1869.

On the average, there are five right-handers for every left-hander.

A poorly packed luggage rack can raise fuel consumption by 12 percent at 20 mph and by 25 percent at 70 mph.

**Timetable presented**

A projected timetable for completion of staff work on an amended Texas Water Plan was presented to the Texas Water Development Board recently by the Executive Director of the Texas Department of Water Resources.

The Department intends to present the amended plan to the Board for consideration and adoption by September, 1984.

Currently, staff are revising the draft document, "Water for Texas: Planning for the Future" in response to comments

made during a series of public meetings held during the summer of 1983.

In addition water conservation action plans, recommended policies, and possibly proposed legislation and rules will be developed. Staff work on this phase is expected to be completed during the spring of 1984.

Review of the draft plan is expected to be completed by the end of April, 1984 and a hearing on water rights issues associated with an amended plan is contemplated for June of 1984.

In the Seventeenth and Eighteenth centuries in Spain, the bath was forbidden as a heathen abomination.

Scientists have discovered growth rings in dinosaur teeth that probably resulted from seasonal temperature changes.

## Brought To You By The Devil's River News

## Some "gift" mail-order meats okay

Mail-order gift packages of smoked cured ham, bacon, sausage or turkey are increasingly popular holiday gifts.

But those receiving smoked meats may wonder about its quality and edibility after weeks in storage and transit, says a Texas A and M University Agricultural Extension Service nutritionist.

"Mail-order gift packages from reputable dealers are safe for consumption, so you need not worry about giving them as gifts or using them yourself," advises Marilyn Haggard, a foods and nutrition specialist.

"The products are highly processed and contain preservatives, allowing them to be mailed without refrigeration," she explains.

But the meats should still be inspected before eating, cautions Haggard. After opening the package, look for signs of spoilage such as a rotten or putrid smell. Foods with a questionable odor should not be used or even tasted.

Also inspect the food for signs of surface mold growth. Mold of this type is not poisonous but must be removed before the meat is used, says the specialist.

According to Haggard, you can trim off any mold and the meat directly under it, or scrub the mold off with a brush and vinegar wash. A vinegar wash can be made by mixing one part vinegar to three parts water. Rinse the wash off with plain water.

For maximum flavor from smoked cured meat, Haggard recommends rapid use. Bacon can be stored in a refrigerator at 35 to 40 degrees F for seven days. A whole ham can be refrigerated for seven days, a half for three to five days and slices for three days.

Smoked sausage keeps well when refrigerated for up to seven days and dry or semi-dry sausage and cured smoked turkey will keep for two to three weeks.

Since frozen cured meat loses quality rapidly, you should not plan on long freezer storage, says Haggard. Bacon should be frozen at zero degrees F for one month or less and ham for only one to two months. Turkey can be frozen for three to six months, but freezing is not recommended for sausage.

Cured meats are safe when frozen for longer periods of time, but there may be a drop-off in taste that makes the gifts less enjoyable, notes the specialist.

**TURKEY PRICES STABLE**—Consumers shopping for the traditional holiday bird will be pleased to find that it's just as economical as last year says a Texas A&M University Agricultural Extension Service poultry specialist. Retail prices should be the same or only slightly higher than last year, says Dr. David Mellor. A larger than usual red meat supply is helping to keep prices stable, says Mellor, in spite of turkey from last year.

## Letter to the Editor

**To the editor:**

It seems that there are critical comments circulating on the subject of the bond rating trip to New York and the fact that all seven Board members plus the superintendent went. I hope this letter will explain just why we all had to go. Let me assure you that a hurried trip to a cold climate four days before Thanksgiving to attend a series of business meetings is NOT my idea of a vacation.

Our financial advisors, Kidder, Peabody & Co., Inc., made all the trip arrangements, and thanks to their strong corporate image, were able to get special rates and discounts which cut the cost of the trip almost in half. Also, our contract with this respected firm morally binds us to seriously consider their advice, and their advice was that the entire Board make the trip in order to demonstrate strong community backing, thus insuring the highest possible bond rating for the district. In simpler terms, the higher the bonds are rated by Moody's and Standard & Poor's in New York, the lower the interest rate the district must pay over the seven year life of the issue.

In an honest effort to bring about a substantial savings to the taxpayers for their new high school, approximately \$3,000 was spent in order to save about 50 times that amount in interest. Speaking both on behalf of the Board of Trustees and as a businessman, I would call that an excellent investment.

Bear in mind that representatives of two oil companies, both among the top 10 taxpayers in the County, made the trip at their companies' expense

solely to add their support to our united effort to get the best possible bond rating. Our thanks to HNG and to El Paso Natural Gas for their long-term active support of this community.

I sincerely hope that this explanation makes very plain that common sense, and not a desire for big city lights, dictated the necessity for this trip. It's nice to be back in Sonora--for that we all give thanks. May all of you have a happy and safe Thanksgiving.

**Jimmy Condra, president  
Board of Trustees  
Sonora Independent School District**

## Auxiliary meeting held

The regular business meeting of the hospital auxiliary was held November 14 at the nurses' lounge with 15 members present.

The meeting was called to order by Mary Barrow, president, and the minutes of the previous meeting were read and approved.

A motion was made by Lura Sawyer and seconded by Harva Cooper to give the old drapes from the nursing home to the Salvation Army and the motion carried.

Discussion was brought up about the Christmas party. It was decided to have it Friday, December 16. A treasurer's report was given by Metha Trainer stating that all of the bills had been paid.

It was decided not to have a business meeting in December since the Christmas party will be held then.
