Bible named Superintendent

James Bible has been selected by the Sonora Independent School District Board of Trustees as Superintendent of Schools. Bible, currently employed as principal of Sonora High School, was selected out of over 50 applicants for the position.

Bible will replace W.A. McAndrew as Superintendent of the Sonora School System.

McAndrew, who resigned the position in February will be leaving Sonora June 30 to move to Castroville, where he has accepted the position of Superintendent of the Medina Valley School District.

JOSE ESCALANTE

Escalante brings home two gold medals from Regional meet

BY CHARLIE ADAMS

The Sonora Broncos' distance specialist Jose Escalante turned in a sterling double performance as he captured the gold medal in the 3200m and 1600m events at the Region I-AAA meet held this past weekend at Odessa's Ratliff Stadium.

Escalante's performance was hot and so was the weather. The temperature at race time was 100 degrees and 116 degrees down on the track. It didn't seem to bother Escalante as he ran easily in third or fourth place for the first six laps of the 3200 m.

He took the lead on lap seven and went on to win by 20 meters over Floydada's Ralph Espinosa (third at state, 1983). Escalante finished in 9:55.24 and Espinosa 9:58.60. The other district 6-AAA entry Jay Claxton of Colorado City was fifth.

A little over two hours later it was time for another mile in the heat. Escalante ran near the front, taking the lead on the last of four laps and came sprinting to the finish in a 4:33.22, easily outdistancing Slaton's Ronnie Jimenez who was second in 4:36.26. Coahoma's

David Ewing was third.

Escalante's next stop will be the state meet in Austin Friday, May 11. He will run the 3200m at 7 p.m. and the 1600m at 9:10 p.m.

He will enter the meet with the second best times in both events and will expect to compete quite well.

Richard Cooper from Lindale will be there to defend his title in the 3200m, and will also run the 1600m. He has the season best in both races as he has clocked a 9:28 in the 3200m, and 4:26 in the 1600m.

It will make for a great challenge for Escalante and an exciting event for all to watch.

The Broncos scored 21 points at the regional meet to place 6th in the team competition.

Sophomore Ricardo Sanchez turned in a personal best as he was 6th in the 800m, in 1:59.62.

It was a very competitive race with all eight runners bunched together from 1:57.16 for first to 1:59.75 for eighth. It is quite a feat to break the 2:00 barrier in the 800m, but for all eight runner in one race is exceptional.

It was a good meet and very exciting and rewarding season for the Bronco track team.

And "the beef" goes on.....

BY BECKY COLLINS

With the month of May in full swing, preparations are being finalized for the upcoming seventh annual Goat Barbecue Burnin' Hoot 'N' Holler and the Sutton County Bull Riding Classic.

A full day of activities on Saturday, May 19 will be preceded by a "pre-cook-off slab dance" Friday night. Music for the dance will be provided by Bill Smallwood. Dancing under the stars will be from 8 p.m.-12 midnight.

With the early dawn, "cookers" from our area will begin readying cooking sites for the annual Goat Cook-off. Registration begins at 9 a.m., with Cabrito cooking scheduled to begin at 12 noon.

A full day of activities has been scheduled, (to entertain those wishing to escape the constant vigil of the smokers) including washer pitching contests and a doubles-only horseshoe pitch-off.

The cook-off judging will be held at 5 p.m. with winners announced shortly thereafter.

Beginning at 7 p.m. the Sutton County Bull Riding Classic will thrill and entertain local rodeo fans.

Produced by Bad Company Rodeo, the bull riding classic will feature some of the meanest bulls afoot. Thirty top bullriders will compete with the bulls and each other for a purse of \$10,000.

Tickets for the event are available at Food Center and Chaparral Motors for \$5. Ticket prices at the gate the night of the rodeo will be \$7 per person. Children under the age of 12 will be admitted free.

Now for really BIG news. At 1 p.m. Friday, DRN bookkeeper Mari Sanchez drew from the hat containing 23 names, this week's winners of the tickets to the Bull Riding Classic. The winners were - Marie Luna, Gloria Luna and Lynn Evans.

For all of you who did not find that sneaky bull, it was placed in the middle of the stars on the American flag in Chaparral Motors' ad.

We'd like to congratulate this week's winners and offer condolences to those persons who found "the beef" but whose names were not drawn.

We realize that it isn't easy to find our little bull, but through this means, we hope to make our readers more aware of our local advertisers' sales and specials. For this reason, we allow our production manager to hide that mean old bull as well as she can in an ad. Good luck finding him this week! Now Kristi, go hide that little bugger!

GINA HEFFERNAN

Heffernan wins 3rd at State

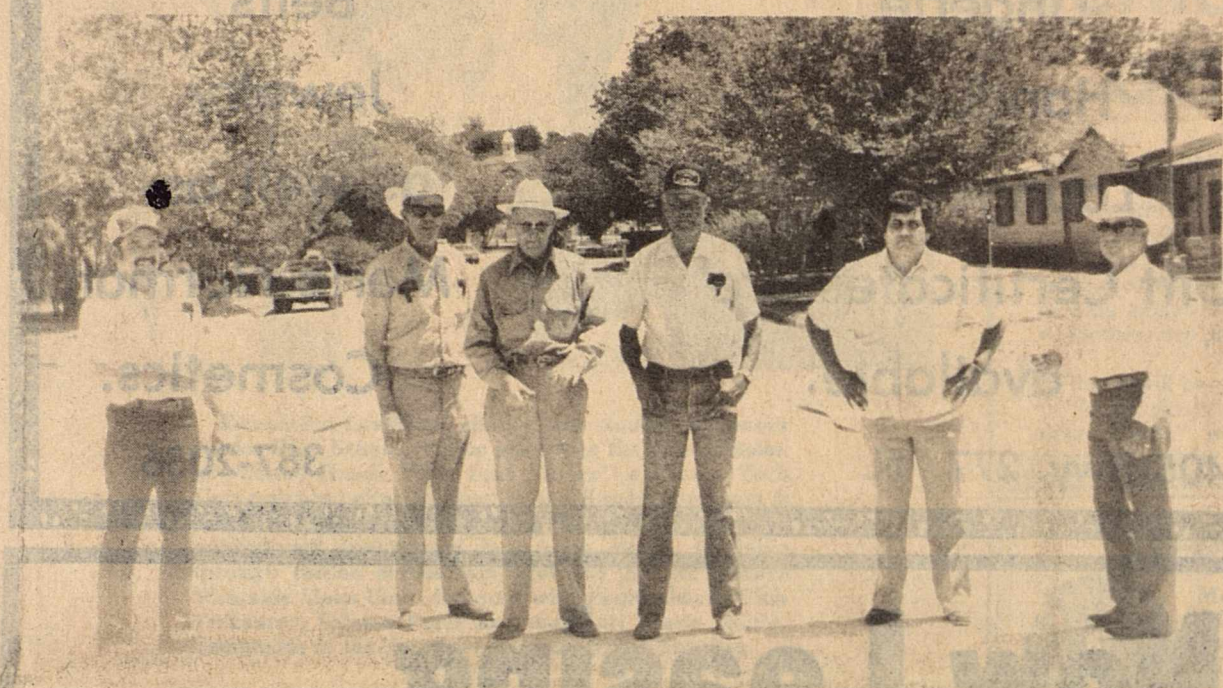

by Charlie Adams

The Sonora girls track distance running specialist, Gina Heffernan, had a very rewarding experience on her first trip to the state meet in Austin this past Friday night. The Sonora sophomore ran a personal best of 5:31.10 in the 1600m, to capture the bronze medal and third place among the state's elite eight runners in that event.

Sonora's other entry at the State Meet, Senior Lorri French, finished seventh in the 800m. She ran a personal best time of 2:20.4. It was a great season and congratulations go out to both athletes.

At the State Meet, if you're first or eighth, you're still a winner!

If you break it down, the eight competitors at the state level are the best eight left from 576 competitors that started in that event at the district level. Just to make the final eight is quite a feat in itself! Congratulations, ladies!

"IT'S HISTORY MAKIN'!" County Road Supervisor Joe Ed Harrell cuts the ribbon officially opening the newly completed intersection of E. Third and Water

Streets thru traffic. The paving project was a joint effort of both the city and county governments.

New intersection open

by BECKY COLLINS

An impromptu gathering of local government officials was held Friday, May 4 to officially open the newly completed blocks of E. Third and Water Streets.

The paving project, begun early this year, has been completed through the joint efforts of the City and County governments.

It is the first such project to be completed as a part of the intergovernmental contract between the City of Sonora and Sutton County.

According to the contract, the county road department will perform \$30,000 worth of street paving annually inside the city in exchange for the City overtaking the funding and management of the local Volunteer Fire Department.

On hand for the opening ceremonies were Commissioners Galbreath, Gonzales, Villanueva and Wade along with City Alderman James Trainer and Chamber of Commerce Manager Edith James. County Road Department Supervisor Joe Ed Harrell cut the ribbon officially opening the new intersection to traffic.

"We would like to thank both the city and county road building crews for their outstanding efforts in competition of this project," stated Commissioner Juan Gonzales.

The new intersection is expected to relieve traffic congestion around the school greatly. It will also be the home of the County EMS building, which will begin construction in two weeks.

The parcel of land which now lies beneath layers of asphalt is quite historic in itself. Until last year, it was the site of the Frisco Trailway depot which began operation in the 30's in Sonora. Following the intersection opening, Commissioners Wade and Galbreath and Alderman Trainer shared a moment of reflection of the day the "railroad came to town." With the abandonment of the line in 1978, came the end of the era of rail line shipping into and out of Sutton County.

The new intersection is a step toward the future growth of our community and an equitable working relationship between the local governments.

Texas Primary Local results analyzed

BY BECKY COLLINS

Sutton County voters once again turned out in large numbers to cast their votes in the 1984 Democratic and Republican Primaries.

Heavy voter turnout was recorded in the Democratic Primary with many of the local races being decided on that ballot. Light voter turnout was recorded in the Republican Primary.

There were some real surprises for political observers in Saturday's primary elections. Locally, voters backed J.W. Johnson Jr., as he defeated incumbent District Attorney Bill Mason in all five counties of the 112th Judicial District.

Pecos County recorded 1465 votes for Johnson, with 773 for Mason. Sutton County voters gave Johnson 609 votes to Mason's 349. Crockett County voters recorded 533 votes for Johnson, 491 for Mason, while Reagan County went for Johnson 544 to Mason's 426, and Upton County voters favored Johnson with 379 votes to Mason's 325.

David Wallace was elected Sutton County Attorney over Betsy Johnson by a vote of 681 to Johnson's 288.

County Commissioner Precinct 1 incumbent Miguel (Mike) Villanueva defeated his Democratic opponents Ed Carrasco and Tony Renfro to meet Republican Donald Patton in the November General Election.

Villanueva received a big vote of confidence from his constituents as he received 166 votes to Carrasco's 77 votes and Renfro's 59 votes. Patton received five votes in the lightly balloted Republican Primary.

County Commissioner Precinct 3 incumbent William (Billy) Galbreath was defeated by opponent Bill Keel in a hotly contested race. Galbreath received 132 votes to Keel's 191.

Running unopposed were Sheriff W.W. (Bill) Webster, receiving 872 votes and Tax Assessor/Collector Ann Hill receiving 886 votes.

Democrats chose Vivian Miears as their County Chairman with a vote total of 833, while Sutton County Republicans chose John Tedford as their Chairman with a vote of 50.

De De Doran was selected Precinct Chairman, Precinct 1 with 214 votes, Wanda Van Hoozer was selected Precinct Chairman, Precinct 2 with 203 votes, Elaine Donaldson received 283 votes to become Precinct Chairman, Precinct 3, and Vicenta Cervantes was elected Precinct Chairman, Precinct 4 with 127 votes.

Billy Galbreath received one write-in vote as Precinct Chairman, Precinct 3, while John Tedford received two votes as Precinct Chairman, Precinct 2 in the Republican Primary.

"He made himself a cowboy"

Bobby DelVecchio, runner up to the PRCA World Champion Bullrider in 1983, has announced that he will be competing in the Sutton County Bull Riding Classic and Goat Cook-Off, May 19th.

Born and raised in the Bronx, DelVecchio joined the PRCA in 1979, bringing a unique background and an unusually outgoing personality to the ranks of world class bull riding.

Always flamboyant, DelVecchio's tradition of blowing kisses to his appreciative audience began in Colorado Springs in 1980. Since then, rodeo fans throughout the United States have come to expect both spectacular rides and showmanship from him.

Three times runner up to the World Title, DelVecchio's upper-body strength, quickness, and his

Bible School starts May 21 at F.B.C

Blast off the summer with Vacation Bible School! The First Baptist Church, 111 N.E. Oak, will hold Vacation Bible School May 21 - 25, from 9 a.m. - 12 noon.

There will be departments for children from three years of age through grade six. Everyone is invited to attend.

Start off your summer vacation with your friends at The First Baptist Church. There will be various activities, including games, music, crafts, refreshments and Bible study. We will be learning about the Bible, learning how we got our Bible, and studying Bible stories.

Plan now to spend the week of May 21 - 25 at Vacation Bible School.

Sonora Fire Dept. Report

On 5-2-84 there was a grass fire 15 miles East on I-10. Units 50 and 80 responded. 13 men answered the call. Time of the first was 1:15 p.m.

On 5-4-84 there was an automobile fire at 7:00 p.m.

Units 50 and 80 responded. 11 men answered the call.

On 5-6-84 there was a motor home fire at the I-10

Exxon. Units 20 and 80 responded. 10 men answered the call. The time of the fire was at 2:30 p.m.

Diabetes camp opens

Diabetes can be a lonely affliction for a child. He thinks he is "different" and he often resents the fact that he is the only one among his classmates who has to take daily insulin injections and watch his friends eat desserts in the cafeteria.

It doesn't have to be so!

He (or she) can enroll in one of the three, three-week sessions at Camp Sweeney for Diabetic Children this summer, and find new independence, new friends who share his same feelings, and a new way of eating that allows "treats" without upsetting his diet.

Camp Sweeney, located ten miles northeast of Gainesville, in North Texas, is nestled in a picturesque, 346-acre site near the Oklahoma border. It offers the diabetic child, ages six to 16 years of age, all of the camping fun and activities of a regular camp, plus the extras of learning how to care for himself.

A medical staff, skilled in the knowledge of juvenile diabetes, gives campers round-the-clock supervision and attention when needed. A dietician gives them recipes, menus and information on balancing their insulin intake and their diet, and how to substitute foods when a party is on their schedule.

Camp activities include arts and crafts, horseback riding, archery and riflery, swimming, tennis, soccer, sailing and fishing. Dances, talent shows, movies and other events give campers a full range of camp experiences.

Campers stay in one of six air-conditioned cabins, divided according to age groups. All are staffed with several counselors at all times. Some are former campers themselves, who know the problems and anxieties facing their charges.

Parents also are given tips on meal-planning and caring for their youngster, tasks that often seem awesome.

Jim Campbell, a retired school administrator, has

been director of the camp since its beginning. Camp Sweeney will open its 35th year of operation with session one on June 3, which ends June 22. Session two will be held from June 24 to July 13, and the final session is set for July 15 to August 3.

During its many years of operation, the camp has cared for 8,981 children. In 1983, Camp Sweeney served 291 children from 63 counties in Texas and from ten different states and Mexico.

For parents who cannot pay the three-weeks' tuition (costs available by contacting camp), an aid program is offered, and application forms may be obtained from the business office. A booklet answering all questions about the camp also will be sent to prospective campers.

"Children of all races and creeds are admitted to the camp and none has ever been turned away because of an inability to pay," Director Campbell stated.

Parents wishing to enroll their child for the first session should do so by May 15. Approximately 100 children attend each session and space sometimes is limited.

For more information and/or application forms, write or call: Southwestern Diabetic Foundation; P.O. Box 918, Gainesville, Texas 76240; 817-665-9502.

Commencement set for May 18

Commencement exercises for 60 graduating seniors at Sonora High School will take place at 8:30 p.m. on Friday, May 18, at Bronco Stadium. Some of the lucky grads will receive scholarships from various local organizations and high school clubs.

The David Law Scholarship is awarded annually as a memorial to their grandson by Mr. and Mrs. Jack Neill. It is awarded without regard to ethnic background to a graduating senior who has financial need, academic achievement in high school, and who has plans to attend a college or university.

The Cindy Favila Memorial Scholarship, awarded by the Los Amigos Club, is open to any graduate, and may be used for either college or a vocational institution.

For the first time this year, the Petroettes will award a scholarship to a deserving senior who plans to attend a trade school to learn a vocation related to the oil and gas industry.

Several high school clubs and organizations honor one of their own members who is graduating by means of scholarships, funds for which are raised by various projects during the year. For instance, the Distributive Education Clubs of America (D.E.C.A.) sells fruit at Christmas time each year and the profits go into a scholarship fund for a graduating member.

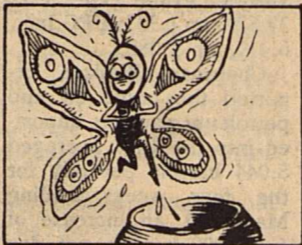

The National Honor Society, made up of the top-ranking students academically, annually honors one of its senior members by awarding a scholarship. The Home Economics Co-operative Education Club also uses this method of helping a graduating member.

(EDITOR'S NOTE: Watch for our graduate issue on May 16 which will honor all the graduates of the class of 1984.)

OH BOY, TWINS

Eloy and Nita Torres are proud parents of twin boys born Saturday, April 14 at Hudspeth Hospital. Born at 1:52 p.m., Eloy (at right) weighed 6 pounds 7 ounces and was 19 inches long at birth. Brother Ervey (at left) was born at 2:14 p.m. He weighed 5 pounds 11 ounces and was 18 1/4 inches long at birth. Dr. Frederic Taylor delivered the twins. (Staff Photo...KKN)

Butterflies taste with their hind feet.

May designated "Older Texans Month"

May is a month of special celebration for the state's two million citizens 60 years of age and older.

In ceremonies at the Capitol, Governor Mark White designated May as "Older Texans Month." At the special observance, White said, "Our state has been blessed with many great natural resources, but truly our human resource, our people, is our most remarkable. And except for the hard work and dedication of our older citizens who had the foresight and fortitude to create the environment and opportunity for economic growth to benefit their children and future generations, Texas would not be the great state it is today."

O.P. (Bob Bobbitt, executive director of the Texas Department on Aging, present at the ceremonies, said, "May is the appropriate month to make this special observance. Spring is the time for new beginnings, and it behooves us to remember that, without the contributions of older Texans, both in the past and present, our future would not hold so much promise."

The theme for "Older Texans Month" is "Health: Make It Last A Lifetime." "It is important that we stress to older Texans, the benefits of daily exercise and proper nutrition," Bobbitt said. "It is no secret that the cost of medical service is skyrocketing, and that preventive health practices can not only mean a longer, more productive life, but lessen the threat that a person's financial security will be devastated by the cost of a catastrophic illness."

In observing the theme of "Older Texans Month," the Texas Department on Aging is a major sponsor of the Texas Senior Games, which will be held in Arlington, May 16-19. "This statewide event and the many regional Mayfests and senior celebrations held at the local level will involve thousands of older Texans," Bobbitt said. "I urge all Texans to participate and support these events."

The week of May 6-12 is especially significant. It has been designated Texas Senior Center Week. Hundreds of senior centers throughout the state offer a broad

array of services and activities to older citizens, including: nutrition programs, health education, transportation, information and referral, outreach, arts and crafts, in-home services, preventive health services, recreation and physical fitness programs.

Senior citizens who would like more information concerning any of the events scheduled for May in their area may contact their local senior center, area agency on aging, or the Texas Department on Aging at 1-800-252-9240.

ICA holds meeting

The Independent Cattlemen's Association held its monthly business meeting with breakfast Thursday morning, May 3rd, at 7 a.m.

The cattle auction to be held on Saturday, May 12, 10 a.m. at the Seguin Cattle Company, in Seguin, Texas, was the primary topic of discussion. Eight head of cattle have been donated by several Sutton County members. Anyone wishing to donate any livestock or a check in any amount is asked to call Clay Hicks, County Chairman, or Mrs. Adele Wilson, State Director for further information.

The money from this auction is used to help the Association further the cause of the cattlemen's viewpoint on the state and national level. This association has become highly respected in Washington and is an invaluable leader "in speaking out against problems and in developing positive solutions".

The officers for the year 1984 thru 1985 were serving

another term-Chairman Clay Hicks, Vice-chairman, Larry Finklea and Sec.-Treas., Ruth Espy. The Directors are Ben Epps, Mark Hemphill, Adele Wilson, and Jaime Parker.

The convention for the association will be held in June. The 7th, 8th, and 9th. This is the tenth year celebration of the organization which was founded by T.A. Cunningham of Goliad, Texas. The members know we have come along way-but, there is along way to go.

The organization is composed of registered breeders large and small operators, commercial cow-calf producers, market operators, bankers, and many other small businesses, composing concerned citizens.

From the original 17 members in the fall of 1974 the organization has in excess of 125,000 members.

The next meeting will be held at Beto's Restaurant at 7 a.m. on June 7th. All members are urged to attend.

Wester rites held

Funeral services for Mrs. Jack (Lenora) Wester of Coleman were held Saturday, May 5 in Coleman. Mrs. Wester, 80, passed away Thursday, May 3 in West Texas Medical Center in Abilene. Services were held in Walker Funeral Chapel with Rev. Paul Smith of the Coleman Community Baptist Church officiating. Interment followed in Coleman Cemetery.

4-H Congress slated for July

The 1984 Texas 4-H Congress will be held in Brownsville, July 17-19. Headquarters will be the Ft. Brown Hotel. The theme will be international in keeping with the south Texas location. Delegates will be involved in: a visit to Mexico, seminar of international issues, tours of South Texas industries, a visit to South Padre Island, and a tour of a world famous zoo.

Congress is for 4-H'ers 15 years old at the time of Congress and not having completed your Senior year of high school. The local 4-H Club will pay the expenses for two local 4-H members to attend. If you are interested, please contact the local county extension office immediately as the applications are due in the District Office by May 15, 1984.

Production rate to continue

The Railroad Commission recently continued the Texas oil production rate for May at 100 percent of market demand.

Chairman Mack Wallace and Commissioners Buddy Temple and James E. (Jim) Nugent directed the continuation of the top production allowable after reviewing oil companies' nominations to buy a total of 2,401,616 barrels of Texas oil per day. The May nomination total, an increase of 14,416 barrels daily when compared to April purchaser nominations, indicates market demand. May 1983 nominations totaled 2,466,374 barrels daily.

Although next month's state total for the permissible rate of production is calculated to average 2,847,377 barrels per day, actual production is estimated to reach 2.3 million barrels per day. Actual production in May 1983 was 2,340,586 barrels of oil per day.

The Commission first went to the ceiling level for oil production in April 1972, and May marks the 87th month in a row for the maximum allowable. It applies to all fields in the state except those that are assigned lower legal rates of production so that reservoir pressures will not be depleted before the maximum amount of oil has been recovered.

Wallace also reported that May nominations for the purchase of Texas gas totaled 20,789,768 Mcf/d (thousands cubic feet of gas per day). April gas nominations totaled 21,310,263 Mcf/d. May 1983 gas nominations amounted to 17,695,550 Mcf/d.

The next statewide oil and gas production allowable hearing will begin at 9 a.m. on Thursday, May 17, in Rm. 309 of the Railroad Commission headquarters building at 1124 S. IH 35 in Austin.

Major purchasers filed these floor nominations for Texas oil in May: Marathon

Petroleum Co., 66,820 barrels daily, unchanged from previous month; Amoco Production Co., 157,000, unchanged; Exxon Co., U.S.A., 265,100 up 700; Shell Oil Co., 152,000, unchanged; Chevron U.S.A. Inc., 42,500, unchanged; Texaco, Inc., 82,000, down 1,000; Gulf Oil Corp., 103,500, unchanged; Citgo Petroleum Corp., 73,000, unchanged; and Conoco, Inc., 64,000, unchanged.

Other purchasers with significant changes in oil nominations for next month included:

Arco Petroleum Products Co., 119,750 barrels daily, down 2,250; Bigheart Pipe Line Corp., 7,000, up 3,000; Charter Crude Oil Co., 19,600, up 1,100; Essex Oil Co., 2,423, up 1,205; JM Petroleum Corp., 35,365, up 2,845; Koch Oil Co. of Texas Inc., 71,555, up 1,606; Matador Pipelines of 22,909, up 1,616; Mobil Oil Corp., 178,000, down 1,100; Olympia Petroleum Inc., no nomination, 1,850 last month; P & O Falco

Inc., 19,270, up 1,082; Phillips Petroleum Co., 73,000, up 2,000; Scurlock Oil Co., 101,000, up 1,000; Sun Refining & Marketing Co., 90,175, up 3,000; Tesoro Crude Oil Co., 37,526, up 1,333; UPG Inc., 6,417, up 1,085.

Chairman Wallace reported the crude oil and petroleum products imported into the U.S. averaged 5,044 barrels per day for the four weeks ending March 30, an increase of 1,603,000 barrels per day from the same period last year.

America's first graduate school for women was at Bryn Mawr College in Pennsylvania, which opened in 1885.

Richey named director of CVHG

Sharon K. Richey has been named to replace Peggy A. Forbes as director of the Concho Valley Home for Girls, according to Suzanne Sugg, president of the Board of CVHG.

Ms. Forbes will resign on May 14 to accept a case-worker position with the Department of Human Resources and further her education in Abilene. Forbes has been director of the Concho Valley Home for Girls since January 1981.

Sharon Richey, currently serving as Crisis Intervention Coordinator with the Concho Valley Center for Human Advancement, will begin working with Ms. Forbes at the CVHG on May 1. Ms. Richey holds a BA degree in English and Psychology from Angelo State University. She was previously employed as Assistant Director of Staff Development at the San Angelo Center and as an Instructor of Psychology at Angelo State.

"Peggy Forbes has been a very capable, diligent director for the Concho Valley Home for Girls and we deeply regret her resignation to meet her career

objectives. However, we were very fortunate to locate such a highly trained and qualified replacement as Sharon Richey", Sugg stated. "The board is most grateful for Forbes service and Richey's acceptance as director."

Fugate to get honor

Mary Ann Fugate of Sonora is among 406 candidates who will complete graduation requirements from Eastern New Mexico University on May 11 and will be eligible to participate in official graduation ceremonies that night at 8 p.m. in Greyhound Arena. The commencement ceremony will also be for those who graduated during the 1983 fall semester.

Twenty-three Eastern students will receive associate degrees with 278 students receiving bachelor's degrees. There are 103 candidates for master's degrees and two candidates for education specialist degrees.

Students graduating with a cumulative grade point average of 3.8 to 4.0 are graduated "summa cum laude," while 3.7 to 3.79 grade point students are graduated "magna cum laude." "Cum laude" graduates must have a 3.6 to 3.69 GPA with 3.3 to 3.59 GPA students graduating with "honors."

Fugate will receive a master of business education degree in vocational office education.

We can cooperate with our bodies, we can help the tremendous healing power within us, by using our thoughts. Your mind can make you sick. But you can also think yourself well, if you choose.

PARENTS TALK TO THEIR TEENAGER ABOUT SEXUALITY

ADOLESCENT SEXUALITY

Adolescence is a turbulent time for most boys and girls. Change is so rapid that the young teenager often feels fragmented, wanting adult privileges, and yet behaving childlike. Parents, too, find this a difficult time.

Ironically, teenagers need information and guidance about sexuality at a time when they are least likely to admit that need. Why should parents be concerned about their teenager's understanding of sexuality? The facts are clear and alarming:

The highest divorce rate in the United States today is among teenagers.

More than 50 percent of the marriages of high school girls occur when the girl is pregnant.

More than one million teenagers become pregnant in the United States annually.

Venereal disease has escalated among teenagers, and any do not know where to go for diagnosis and treatment. Some do not know that they have it.

Adolescents are having sexual relations earlier and more frequently today than in previous generations.

THE PARENT'S ROLE

Parents and children have a special relationship. Information and attitudes from parents can be especially meaningful and more likely to integrate into a child's character than education from other sources.

There is a need to educate parents about their role in adolescent sexuality because too often the parent's embarrassment or lack of knowledge may prevent meaningful communication. Unhealthy attitudes may develop in the adolescent, leading to sex-related problems in his or her relationships with other adolescents.

Two common ideas held by parents are:

If parents provide information on sexuality to their children, this will lead to sexual activity. Actually, sexuality cannot be avoided. Even if parents attempt to protect their children from sex-related information, they will receive ideas from the media, friends, school experiences, and from impulses and desires from their growth and development that are natural and healthy.

Since the rate of premarital sex and pregnancy is already so high, adolescents do not have to be told anything about sex - they know it already. Ironically, there is a high level of ignorance among the teenagers who are most sexually active. Current research strongly suggests that the lack of knowledge of effective birth control methods does not discourage adolescents from engaging in sex.

Unfortunately, many parents remain silent about sexuality. As difficult as it may be, parents should try to maintain good communication with their teenagers. If a young adolescent cannot trust and turn to his or her parents, to whom can he or she turn? Here are steps to better communication:

1) Accept the fact that children are interested in sexuality. Not talking about sexuality only increases anxiety and misconceptions.

2) Form parent groups. Parents often can teach one another how to talk about sexuality. Sex education for children means sex education for parents first.

3) As a parent, study your own attitudes. Are you able to talk about your feelings and needs in your marriage relationship? Are you able to model these feelings and attitudes?

4) Be sure you know the facts. Information about venereal disease, birth control, and other related topics is available in current books written for parents and their older children.

5) Help the younger child develop healthy attitudes about his or her sexuality. Parents can demonstrate open and loving ways of expressing affection - hugging and holding hands are examples.

EDUCATIONAL SERVICES AND RESOURCES AVAILABLE:

Texas Agricultural Extension Service - Materials and programs on parent education available through the Sutton Co. offices.

State Department of Health provides current information on sexual development.

Physicians and family doctors provide personal counseling as well as information brochures.

SHS presents Choir show

The Sonora High School Choir presented an outstanding production of a "Choral Revue of Broadway Music" on Thursday evening, May 3. The students sang selections and medleys from "The Band Wagon", "Carousel", "Camelot", "Fiddler on the Roof", "The King & I", "Gypsy", "The Sound of Music", "Annie", "Godspell", "West Side Story", "Cats", and many more.

The show was narrated by Mr. James Buchanan, theatre director of Sonora High. The choir was accompanied on bass guitar by Mr. John Gibson, Junior High Band Director. Victor Fuentes furnished the percussion accompaniment.

At the end of the concert the seniors were presented and the outstanding senior awards were presented. The recipients were:

OUTSTANDING SENIOR GIRL

Patsy Samaniego, daughter of Mr. and Mrs. Richard Samaniego.

OUTSTANDING SENIOR BOY

Matt Favila, son of Mr. and Mrs. Jessie Favila.

BEST ALL AROUND

Deanna Haltom, daughter of Mr. and Mrs. Rodney Haltom.

Horse Owners invited to A&M

Horse owners in Sutton County are invited to attend the 1984 Horse Short Course at Texas A&M University, May 17-18.

This year's short course at Texas A&M's Animal Science Pavilion will feature a number of key discussion topics, a tour of horse farms, a horse training clinic and a horse sale, points Preston Faris, county agent with the Texas Agricultural Extension Service, Texas A&M University System.

Sponsors include the Extension Service, Texas A&M's Department of Animal Science and the Brazos County Extension Horse Committee.

Discussions at the first session starting at 8:20 a.m. will deal with controlling internal parasites, feeding high performance horses, infectious and noninfectious problems in foals, and an overview of Texas A&M's horse research program, Faris says.

A tour to two Brazos County horse farms will be conducted that afternoon. These include Win-Walker Farms, which breeds, raises, conditions and trains race horses, and Granada Equine Services, a high technology, labor efficient operation providing many services to the horse industry.

John Hoyt, a professional horse trainer from Lone Oak, will conduct a horse training clinic that evening, says Faris. The clinic will include live demonstrations and in-depth discussions on riding and training the performance horse.

The second day of the short course will be devoted to tours on the A&M campus--the Large Animal Clinic (horse section) of the College of Veterinary Medicine and the Department of Animal Science (horse section)--and to a Central Texas Select Quarter Horse Sale.

Sale horse may be previewed beginning at 8:00 a.m. The 1 p.m. sale features a mixed offering of about 70 yearlings, 2-and 3-year olds, and aged horses with fashionable halter, cutting, arena performance and race pedigrees, Faris points out.

Advance registration for the short course is \$25 and should be sent by May 10 to Dr. Doug Householder, Department of Animal Science, Texas A&M University, College Station, TX 77843.

Around Town

Hazel is out of the hospital in Sweetwater, and is home with her daughter Jo. She is doing real good and should be back in Sonora before long. We all miss her.

Mrs. Joe Nell Johnson entertained the Tuesday night bridge club this week with a dinner. Members present were Allie Askew, Vivian Crites, Pat Merrill, Celeste Pruegel, Lura Sawyer, Lena Belle Ross, Guila Vicars, Ruth Shurley and Metha Trainer. Guests attending were Adele Wilson and Mae Ward. Slam prize went to Guila Vicars and bingo to Lena Belle Ross.

Battie Halbert is home from undergoing hip surgery in San Angelo. From all reports she is getting along fine. So glad you are home again, Battie.

Hanie Davis underwent back surgery in San Angelo last week. He is doing fine.

Rev. David W. Griffin is presently in Baltimore, attending the General Conference of the United Methodist Church, as a representative from this District. He will be home next Tuesday, May 8th. This is also the Bicentennial Year of the Methodist Church.

The next and last meeting for the summer of the Hudspeth Hospital Auxiliary will be Monday, May 14th. This meeting will hold the installation of officers for 1984-85. Please plan to be there.

The first subway in the U.S. opened in Boston in 1897.

SHS students participate in Student Council elections

Campaigning and representation by election are not only privileges of the adult American. The halls of Sonora High School were decked out in posters urging the student body to vote for the candidates of their choice last week.

An open forum was held in advance of the balloting on May 2 to introduce all of the candidates for office. "Boy George" Poloczek, Cindi Lauper" Merrill, and Sonora's answer to the "Rockettes" all put in appearances to plug their favorite candidates.

Candidates in this year election included Patsy Perez and Doug Martin vying for President; Jody Luttrell and Lea Whitehead both seeking the Vice-president seat; Nelish Patel, Arturo Gandar, Chad Stewart, and Cathy Doran all seeking the Secretary seat; and Scott Miller, Janice Gomez, and Anita Balch campaigning for the Treasurer seat.

The voting was done by secret ballots, and when the final vote was counted, Patsy Perez was named President; Jody Luttrell, Vice-president; Cathy Doran, Secretary; and Anita Balch, Treasurer.

Mr. and Mrs. Albert Ward, of Sonora, announce the engagement and approaching marriage of their daughter, Kelly Kate Ward, to Samuel Raphael Holder, son of Dr. and Mrs. Samuel Holder of Linden. The wedding will take place on August 4 in the First United Methodist Church of Sonora. Ward is a candidate for graduation from Texas A&M University this summer. Holder attends East Texas State University in Commerce. Mr. and Mrs. Rip Ward, of Sonora, and the late Catherine C. and G. Hix Hall are grandparents of the bride. The groom's grandparents are Mr. and Mrs. Raymond Wesley Ward and Mr. and Mrs. Boyd R. (Sam) Holder, all of Bogata. Mrs. Bessie Wicks, also of Bogata, is the groom's great grandmother.

Meeting held

Mr. and Mrs. Ramiro Perez hosted the Los Amigos Club monthly meeting at the Sutton County National Bank Community Room. A hamburger luncheon was served.

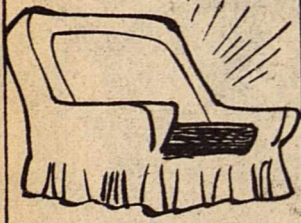

Those attending were Mr. and Mrs. Frank Gallagos, Mr. and Mrs. Sam Hernandez, Delia and Linda Samaniego, Rosa Noriega, Harvey Villanueva, Joyce Coorsman, Raul Escamilla, Pete Samaniego, Maura Wein-

and Blanca Virgen. Business discussed was a Mothers' Day raffle of a wine set, a bake sale to be held on May 26, and also the Sutton County Days booth and a dance for September 1.

The scholarship chairperson reported that eight applications had been received. More applications for the scholarship offered annually by Los Amigos Club are expected to be received before the May 29 deadline.

It's best to wash fresh vegetables just before cooking, and eat them as soon as possible after cooking.

If your slip covers are getting dusty, tumble them in a cool dryer for a few minutes.

The longest running variety show on television was Ed Sullivan's, from 1948-1971.

Local blood drive proves successful

The community blood drive sponsored by the local Kappa Gamma Chapter of ESA was a great success according to sorority member Marlene Evans. Evans reported 59 donors and two deferrals. "Out of the 61 people participating in the drive, 19 were high school students," she noted. As a special thank-you to all the participants, a registration for two \$50 door prizes was held. Winners of the cash were Carol Faircloth and Martin McGee. Money for the door prizes was donated by Nelda Mayfield. The drive, held Wednesday, May 2 took place in the Community Room of the First National Bank. Kappa Gamma would like to once again thank the community for their response to the local drive and remind everyone that the gift of blood is the gift of life.

Students need work during the summer

Many of the students at Sonora High School, about 60 of whom will graduate on May 18, need the help and support of local businessmen, industry, ranchers, and anyone else who might need temporary help during the summer months.

According to Mrs. Jeryl Fields, counselor at Sonora High School, there is a acute financial need among the high school student body for summer jobs, and due to the current slowdown in oil and gas related industries, they may be hard to find during the summer of 1984. Anyone who may be able to use a high school student for any job, either full or part time, during June, July or August may find just the person you need by calling Mrs. Fields at 387-2124. If that number is busy or doesn't answer, call the high school office at 387-3055.

Grand opening slated tomorrow at Beto's

Everyone is invited to join in celebrating the Grand Opening of Beto's Restaurant Thursday at 10 a.m. Try the Fajetas, the "specialty" for the day. "We are proud of 'Beto's' and stand ready to serve the public with the best food and service possible," the owners stated.

Texbooks available at school for inspection

The State Board of Education on January 14, 1984, issued proclamation No. 60 and a list of books that publishers intend to offer for adoption in November, 1984.

The State Textbook Committee will make its recommendations from the list on August 20, 1984. The list of books that the publishers intend to offer is available for public inspection at the Sonora Junior High School Principal's office and may be examined from 8 until 4 each school day.

Legend has it that the great, early American artist Benjamin West made his first paint brushes out of hairs plucked from the tail of the family cat.

Rubber received its name when, in 1770, English chemist Joseph Priestly found it would rub off pencil marks.

Silver and Green Banquet held

One of the most special events in Girl Scouting was held Thursday evening at the 4-H Center. Girls from our area who are involved in the scouting program received achievement badges and praise commending them for all the hard work necessary to attain them. The annual Silver and Green banquet and awards ceremony began with a supper provided by parents of the scouts and adult leaders.

A short program by each of the local troops was presented to and enjoyed by parents of the scouts. Local Girl Scout coordinator Judy Barton opened the awards ceremonies by recognizing several local businesses and private individuals who have been helpful in aiding and promoting the scouts during the past year. Senior Scout Tammy Duren then spoke to the girls on the value of friendships made through the scouting program. She became a scout at the age of seven, and will be leaving the program this year as she graduates from high school. She thanked her mother, Edna

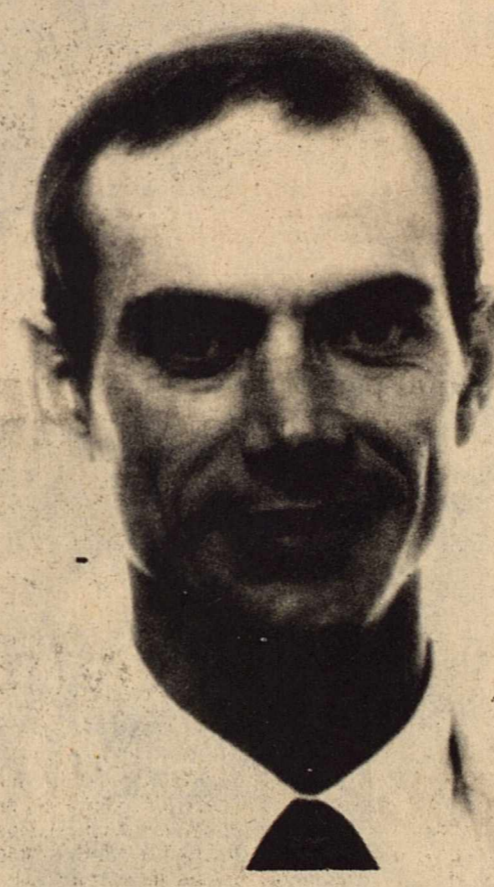

Duren, and all of the adult leaders and fellow scouts for their support and encouragement during her years as a scout.

The girls then received their badges and awards earned during this past year. A list of the girls receiving badges and awards presented to businesses and individuals will be published in next week's Devils River News.

New Parents Column

BRANDON ERNESTO ADKINS born April 26 at 9:52 p.m. The baby, named Brandon Ernesto Adkins, weighed six pounds, five and one-half ounces and was 20 inches long at birth.

Russell & Tamara Adkins of Sonora announce the arrival of a baby boy

I want to personally thank my friends, the voters of Sutton County for nominating me as the district attorney in the democratic primary. I am looking forward to serving as your next district attorney of the 112th Judicial District.

Sincerely,
J.W. Johnson, Jr.

Notice to Creditors

Notice is hereby given that original Letters Testamentary for the Estate of Mildred Cauthorn, Deceased, were issued on April 23, 1984, in Docket No. 829, pending in the County Court of Sutton County, Texas, to: J.W. Elliott.

The residence of the Executor is in Sonora, Sutton County, Texas, the post office address is:

P.O. Box 586
Sonora, Texas 76950

All persons having claims against this Estate which is currently being administered are required to present them within the time and in the manner prescribed by law.

DATED the 4th day of May, A.D. 1984.

J.W. Elliott
Attorney for the Estate

NOTICE TO CONTRACTORS OF THE FOLLOWING WORK FOR SUTTON COUNTY, TEXAS

Receipt of Bids:
Sealed proposals will be received by County Judge Charles Sherrill and the Sutton County Commissioners Court at the Sutton County Courthouse, Sonora, Texas, until 9:00 a.m., May 24, 1984 for the Construction of a New Sutton County Annex Building in Sonora, Texas.

Bids shall be addressed to County Judge Charles Sherrill and the Sutton County Commissioners Court, and will be publicly opened and read at the time and date above mentioned. Bids may not be withdrawn or modified after the time set for receipt of bids.

Bid Requirements:
A Cashier's Check or Certified Check on a state or national bank in the state of

Texas, payable without recourse to the Sutton County Commissioners Court, or an acceptable Surety Proposal Bond in an amount not less than five percent of the largest possible total bid, including consideration of alternates, must accompany each bid as guarantee that, if awarded the contract, the bidder will promptly enter into a contract and execute bonds in forms provided as outlined in the Specifications and Instructions to Bidders. A Performance and Payment Bond in the amount of one hundred percent of the contract price shall be required.

Prime Contract:
All work including general construction will be awarded under a single contract.

Bidding Documents:
The General Contractor may obtain Plans and Specifications from Gary Donaldson Architects & Planning Consultants, 223 S. Bryant Blvd., San Angelo, TX 76903, (915) 655-4805, upon deposit of \$150.00 for each set of Plans and Specifications. The full amount of the deposit will be returned to each bidder immediately upon return of the Plans and Specifications, prepaid and in good condition; except refund for documents returned later than ten (10) days after date of bid opening will not be obligatory.

Bid Acceptance:
In compliance with House Bill #1612, 66th Legislature, Regular Session, the Owner reserves the right to reject any or all bids. The Owner reserves the right to waive any formalities in bids or bidding. The Owner may accept any bid deemed advantageous.

I have the lawnmower and the fuel and I want to mow your yard. Reasonable rates. Call 387-6019.

STIR-FRY CHINESE SUPPER

1/2 lb. raw medium shrimp, shelled and deveined
2 tbsp. vegetable oil
1/2 lb. ground lean pork
1/3 cup finely chopped scallions
2 cups thinly sliced mushrooms
1 cup chicken stock
1 tsp. soy sauce
1 pkg (7 oz.) frozen snow pea pods, partially thawed
Preheat pot to 350°. Add vegetable oil. Cut shrimp in half lengthwise, rinse well. Stir-fry ground pork until lightly browned. Stir in shrimp halves and scallions. Stir-fry 2 minutes. Stir in mushrooms. Blend chicken stock and soy sauce. Pour into unit. Turn heat to 400°, stirring constantly for 3 minutes. Add snow pea pods, cooking until thawed and warmed but still crisp. Serve immediately with steamed white rice. Serves 4 to 6.

"Great ideas come from the heart." -Vauvenargues
The first traffic light in the U.S. was installed in Cleveland, Ohio, at the intersection of Euclid Ave. and E. 10th St., on August 5, 1914.

Need help with Math? Call Ron 387-3857.

Helping Your Doctor

Keep You Alive

Cholesterol: Does Your Diet Contain Too Much?
Like hypertension and smoking, high cholesterol is an important risk factor of heart disease.
If your diet contains too much cholesterol or fat you increase your chances of getting deposits on the walls of the arteries (blood vessels).

Wanted: Hunting leases, 500-10,000 acres. Deer, quail, dove, turkey. Dubar Corp., Box 370, Coleman, Texas 76834. 915-625-2161.

Oranges and lemons first entered the average American's diet in 1833. They had been a delicacy for the rich before the first shipment of cargo direct from Sicily.

meats, like fish, chicken, turkey or veal. Use vegetable oils instead of butter.

Knowing the coronary risk factors and working with your doctor to eliminate or control them can help combat heart disease. See your doctor regularly.

This information comes from Smith Kline and French Laboratories, a leader in high blood pressure research and therapeutics.

call 387-2507 for your classified needs

If your diet contains too much cholesterol you increase your chances of getting deposits on the walls of the arteries.

To cut down on your cholesterol, replace red meats, like beef, with lean

My Thanks to all my supporters in

Precinct 3, Sutton Co. Also, my appreciation to Billy Galbreath for the gentlemanly manner in which he conducted his campaign.

Bill Keel

Pol. ad pd for by Bill Keel

I would like to Thank all the Citizens of Sutton County for their support and consideration shown in Saturday's Election.

Betsy Johnson

Pol. ad pd for by Betsy Johnson

THANK-YOU

from Ed Carrasco

to all of you who got out and made the effort to vote Saturday. A special thanks to those who supported my Campaign and voted for me. Also, thanks to a very special little boy (Joe Sanchez Yorba) for his letter to the Editor.
