## Junior Varsity finishes season 7-1-1 after 35-6 victory

**BY CHARLIE ADAMS**  
 The Sonora Junior Varsity finished their season with an impressive 35-6 victory over the Ozona Lions this past Thursday at Bronco Stadium.  
 This makes the Broncos 7-1-1 on the season. The only loss was a 6-7 defeat at the hands of the Crane J.V. at Crane.

Manuel Duran scored three first-quarter touchdowns. The Bronco wide receiver caught scoring strikes from freshman quarterback Alex Duenes of 10 yards, 50 yards, and 75 yards.

Paul Badillo kicked two of the three PATs.  
 Sophomore halfback Ismael

Duenes scored in the second quarter on a 35 yard run on a reverse. Sammy Mata ran in the two point extra points.

The final score was a five-yard run by freshman back Robert Harris. Badillo again booted the PAT.

The Lions managed a third quarter touchdown, but the PAT failed. The Bronco reserves held their own in the second half.

The J.V. had a great season and should carry some momentum over into next year.

## Sonora P.D. Report

During the past week November 2, through November 9th at noon, officers of the Sonora Police Department have logged 249 hours.

Officers have investigated two minor traffic accidents and one major traffic accident during the week. The major accident occurred on Water Avenue at Chesnut Street and even though no one was injured, both vehicles sustained heavy damages.

Officers issued eight citations for speeding, two citations for speeding in a school zone, one citation for failure to comply with the requirements upon having a traffic accident. Officers also issued four warning tickets during the week.

Officers answered five burglar alarms, all of which were unfounded, assisted six motorists, delivered two emergency messages, provided three escorts, assisted seven needy travelers, checked 48 houses, found four different businesses unlocked after business hours, and answered 32 miscellaneous calls requesting officers during the past week.

One adult male was arrested for public intoxication.

An adult male was arrested Monday afternoon for unauthorized use of a motor vehicle by the Sonora Police Officers Wilson and House, after the officers ran a stolen check on the 1982 Datsun the man was driving. The stolen check indicated that the Datsun had been reported stolen from Bakersfield, California on October 21. The man driving the Datsun had a lengthy criminal record including two prior convictions for

auto theft and he was extradited back to California early Friday morning by California authorities.

Monday morning, November 5, Sonora Police Chief Brent Gesch and Officer Tim Wilson assisted Texas Highway Patrol Troopers Ferguson and Dickson with the arrest of two white males occupying a stolen 1963 Buick. This apprehension occurred approximately two miles south of Sonora, Texas on U.S. Highway 277. One of the subjects taken into custody was armed with a .22 caliber handgun and he is also wanted by several different states and agencies including the FBI for various felonious crimes.

Sonora Police Officers are also investigating two separate reports of criminal mischief and damage to private property which occurred in the Castle Hills Addition, the burglary of an automobile which occurred at the football field Friday night and the theft of various alphabetical letters from a portable sign in the downtown area.

Any citizen that may have information that would assist the Police in these or any investigation please call the Police Department at 387-3888 or 387-3889 and talk to an officer.

The Drivers License Patrolman will be in his office Monday November 19th.

The Animal Control officer logged 40 hours and picked up seven cats, and 5 dogs.

Municipal Court telephone number is 387-5237.

The albotross drinks sea water. It has a special desalinization apparatus that strains out excess salt.

## Pat Walker's holds Grand Re-opening

The grand "re-opening of Pat Walker's Figure Perfection Salon was held all day on Friday October 26 with many guests stopping by during the day.

Rosemary Vickers, manager of Pat Walker's, greeted each guest personally, had them register for free gifts and door prizes, and showed them to a table laden with boiled shrimp, crab claws, turkey, fresh vegetable trays, various hors-d'oeuvres, and different dips and sauces.

Pat Walker's has been in Sonora over three years but has been nationwide for 34 years. It is now international as well.

Although the salon has been in Sonora all this time, it was re-opened under new management in the spring with Rosemary managing and Edna Duran as her assistant.

Pat Walker's offers a scientific method of losing weight, firming and toning tissue, and increasing circulation. There have been untold numbers of men as well as women internationally who report reductions as a result of Pat Walker's.

According to Ms. Vickers, "The process involves no strenuous exercises, no starvation diets and no disrobing."

She added that everything is done in complete privacy, including counseling if the customers want it.

The process is done by having the customers recline on specially designed units called "Symmetricons" which do the exercising for you.

At Pat Walker's there is no initiation fee and no contracts.

In addition to the Symmetricon system, Pat Walker's now has a Eurotan unit for tanning without the damaging sun rays. The Eurotan unit is a tanning bed imported from Germany.

It complies with all FDA regulations making it safe and it is a

### Phillips services held

George W. Phillips 93, died at Hudspeth Hospital November 1, 1984 at 11:30 a.m. Funeral Services were held Monday November 5, 1984 at 2 p.m. at Kerbow Funeral Chapel with Rev. David Griffin officiating. Burial was in Sonora Cemetery directed by Kerbow Funeral Home.

Mr. Phillips was born February 21, 1891 at What Cheer, Iowa. He was engaged as a School Teacher and later as a representative of Fuller Brush Co. He moved to

Sonora from Austin in 1958 when he married Thelma Briscoe. He was a member of the First United Methodist Church in Sonora.

He is survived by his wife of Sonora, 2 sons, Wendell Phillips of Sun City, Arizona, and Harold Briscoe of Midland; 3 daughters, Bonnie Lowe of Scottsdale, Arizona, Helen Madlock of Bryan, Texas, and Louise Glascock of Austin, Texas.

He is also survived by 9 grandchildren and 6 great grandchildren.

LAURA PRESTON

### Preston serves College Senate

SNYDER—Laura Preston of Sonora has been named to serve as a freshman representative to the Western Texas College Student Senate.

A graduate of Sonora High School, Miss Preston is majoring in music at WTC and is a member of the WTC Vocal Ensemble and the WTC Instrumental Ensemble.

Mickey Baird, Student Activities Director at WTC, serves as faculty advisor for the Student Senate. The Senate provides opportunities for students to practice self government and also plans social activities for the student body.

Miss Preston is the daughter of Cathy Minatra and Charles Preston.

### Perez appointed as Scout Coordinator

Melba Perez, has been appointed the new Service Unit Coordinator for Sonora by the El Camino Council Girl Scouts of San Angelo.

Girl Scouting here in Sonora has had a few problems the last couple of years and Melba hopes to help get Scouting back in the interest of our young people. A lot of people seem to think that being in Girl Scouts is very expensive.

There is nothing that the Girl Scouts demand for you to have if you cannot afford it. This year we have a few sponsors who are willing to help those people who really want to be in Girl Scouts but cannot afford the registration and monthly dues taken at each meeting.

Registration fees of \$3 are taken to help purchase an insurance for each child so that they may be covered for any accidents that may occur during a Girl Scouting event.

Monthly dues are usually \$2-\$3 to help the leaders purchase refreshments and supplies for each of the meetings.

Girl Scouting helps the girls learn about themselves, the out-of-doors and most important, about

helping and doing for others who aren't as lucky as we are.

Anyone interested in joining, please contact Melba Perez, 387-5434 after 5 p.m. It is still not too late to begin! Adults included.

Daiseys include kindergarten girls. Brownies, 1st thru 3rd grade girls meet Wednesdays and Thursdays. Girls Scouts which are the 4th thru 6th grade girls meet on Monday afternoon. The Cadettes are the 7th thru the 9th grade girls.

Melba has been working very hard at getting the Girl Scout House improved this year. The Downtown Lions Club has offered their support in helping make the major repairs to the Hut, and the West Side Lions Club has also come forward and offered to help out in anyway they can.

Melba has asked local residents and businesses of Sonora for contributions and has really gotten nothing but results! "I am so glad to live here in Sonora. People here I know get hit quite often for donations. The people I have confronted have been more than glad to help out our local Girl Scouts," Melba stated.

Hershel's Foodway has donated an electric stove, many thanks as cooking is one of the things Girl Scouts enjoy most.

"We are really getting things off the ground and I really can't thank everyone enough for your generous efforts and support! The girls all thank each and everyone of you!!" Melba concluded.

### Pfiester rites held

Jack H. Pfiester 70, died at Hudspeth Nursing Home Wednesday, October 31 at 7:40 a.m. Grave side services were held Friday morning at 10 in Sonora Cemetery with Mr. Don Jones officiating under the direction of Kerbow Funeral Home.

Mr. Pfiester was born in Sonora February 11, 1914. He was a retired employee of Dowell. Mr. Pfiester is survived by a daughter, Mrs. Jimmy Harris of Sonora, two sisters, Thelma Briscoe Phillips of Sonora and Bertha Guthals of San Angelo. He is also survived by two grandchildren.

**"There is no greater burden than having a great potential."**

by: Rev. David W. Griffin, Pastor  
First United Methodist Church

"There is no greater burden than having a great potential." Charlie Brown of the "Peanuts" comic strip said that years ago. Charles Schultz's comic strip characters are classics in the field of exhibiting personalities with which most all of us identify.

Potential. We generally smile and feel good when someone says we have it. What really makes us feel good, however, is performance...getting the task accomplished.

Considering the words of our friend, Charlie Brown, I should as pastor avoid telling you there is great potential in the membership of First United Methodist Church of Sonora. I will say that an inventory of the gifts, graces and talents among you would surprise and excite everyone!!

These gifts, graces and talents could be left in the hold of the ship that is the church where they would spoil and lose potency; becoming a useless burden. Scripture, however, clearly invites us to the Way of life comprised of stirring up the gifts that are within us, sharing the love of Christ, and planting the seeds which in maturity will bear a hundred fold.

What are these gifts? Each person is challenged by the Christ to search and know what is within. We are also to search out and know other servants of the Lord and their gifts. The words of Jesus, "You shall love your neighbor as yourself," show our Lord's wisdom as he embraces what is within as well as what is without.

My pastoral aim, therefore, is to see performance: gifts "stirred up" and neighbors joined as a powerful force, showing to Sonora and the world the saving love of Jesus Christ.

## Diabetes '84 to air on Lifetime Cable Network

"Diabetes: Update '84", a three-hour "Information" that explores diabetes and its treatment, will be telecast by Lifetime Cable Network on Wednesday, November 14, according to Mary Alice Dwyer-Dobbin, Lifetime's vice president of programming. The program was produced in cooperation with the American Diabetes Association and is sponsored by Squibb-Novo.

"This report to the nation on diabetes comes in the middle of National Diabetes Month, and will enable viewers across the country to learn the latest information on the progress being made to prevent, treat and control this fast growing national health problem," said Karl E. Sussman, M.D., national volunteer president of the American Diabetes Association. More than 12 million Americans suffer from diabetes.

"Diabetes: Update '84" will air live from 7 p.m. to 10 p.m. (CT), and will be immediately repeated from 10 p.m. to 1 a.m. The Information will be co-anchored by Dr. Art Ulene and Joseph Benti. A panel of medical experts will be available throughout the entire six hours to answer viewers' questions. Lifetime's toll-free number, 1-800-828-LIFE, offers viewers the opportunity to receive immediate, individual and confidential answers to their questions. Consult your local cable listings for the channel in your area.

The overall goal of the program is to inform not only diabetic patients, but the general public about diabetes. Dr. Sussman stressed that "diabetes, with its many life-threatening complications such as heart disease, kidney failure, nerve damage and blindness, kills more Americans than all other diseases except cancer and cardiovascular problems. We must alert the public about dangers of diabetes, and what can be done to reduce the toll of the disease."

"Informations" are consciousness raisers that deal with vital health issues of national importance in an in-depth, participatory fashion. "Diabetes: Update '84" will inform the viewers what diabetes is, what the symptoms, risk factors and complications are, and how to tell if they might be among the nation's five million undiagnosed diabetics. They will also

learn the latest in research advances and treatment of the disease.

"Diabetes: Update '84" emphasizes the practical side of diabetes management. Viewers will learn how to make use of community services, particularly the many programs offered by the more than 700 local chapters of the American Diabetes Association in all 50 states.

"This year, the Association will raise and allocate an estimated \$30 million to support its nationwide research, community service and education programs," said Dr. Sussman.

For more information about the Information or about diabetes, contact the Texas Affiliate of the American Diabetes Association at 1-(800)-252-8233.

## Revolution underway

A quiet revolution is underway in the banking services industry, according to Dr. Richard L. Peterson, Texas Tech University banking professor. "The change is due partly to advances in technology and the historically high interest rates which our economy has experienced recently."

Peterson's article appears in the Nov.-Dec. issue of *West Texas Business*, a regional publication headed by Jerry F. Lackey, publisher.

Peterson, a former member of the Federal Reserve Board of Governors, also examines deregulation, problems of local banks and the politics of competition. He will conclude his article in the magazine's January '85 issue with ways local banks can survive and prosper.

Other articles featured in the banking section include security systems and interstate banking.

The annual Christmas Gift Guide also appears in the publication as well as a comprehensive look at the region's economic indicators.

Regular departmental offerings survey health maintenance organizations, a new solar energy firm's expansion into West Texas and the formation of a petroleum equipment and services registry.

Some people have believed that passing a child through the limbs of a dogwood tree would make him immune to childhood diseases.

Nationwide, President Reagan and Vice-President Bush won the Presidential election again with a landslide, coming close to the 50-state slide that the President was seeking.

Mondale and Ferraro carried Washington D.C. and three states according to the Associated Press.

Statewide, Republican Phil Gramm won the seat of retiring GOP Senator John Tower big over Lloyd Doggett, Democrat.

United States Representative Tom Loeffler had an impressive victory over Democrat Joe Sullivan. Loeffler, the incumbent, will be serving his fourth term in Congress.

Incumbent Democrat Mack Wallace defeated his opponent John Thomas Henderson for the office of Texas Railroad Commissioner.

John L. Hill, Democrat, defeated Republican John L. Bates for Chief Justice, Supreme Court. Hill will replace retiring Jack Pope.

Democrat Sam Houston Clinton defeated his opponent, Virgil Mulanax for Court of Criminal Appeals, Place One.

Unopposed state candidates winning in Tuesday's General Election include, Franklin S. Spears, Dem. Justice, Supreme Court, place one; C.L. Ray, Dem. Justice, Supreme Court, place two; W.C. "Bill" Davis, Dem. Judge, Court of Criminal Appeals, place two; Bill White, Dem., Judge, Court of Criminal Appeals, place three; Gerald Geistweidt, Rep., State Representative 67; Carlos C. Cadena, Dem., Chief Justice, Court of Appeals, Fourth District;

Six of the eight constitutional amendments proposed on the ballot statewide Tuesday were passed. Those include Proposition One, Proposition Two, Proposition Three, Proposition Four and Proposition Five.

Only Propositions Six and Eight failed to pass in the election.

# Annual Pecan Show set

The annual Sutton County Pecan Show, sponsored by the Sutton County Executive Committee will be held Monday, November 19 in the First Methodist Church of Sonora.

The Food Bake Sale will be held at 12 noon and the pecans will be displayed at 2 p.m.

Pecan divisions include plaque and rosette for champion shelling, champion in shell and champion native. First through fifth place ribbons will be awarded for every variety.

Pecans must be from the current crop and grown in Sutton County. Pecans exhibited must have been grown by the person exhibiting them. All entries become the property of the Sutton County Pecan Show.

The top two entries in each variety will be sent to the Regional Pecan Show provided the judge deems them worthy.

An entry will require a minimum of 40 nuts of one variety. An exhibitor may enter as many different varieties as he likes.

Any alterations of pecan shells by marking, filing or excessive polishing will disqualify the entry so treated. However, exhibitors are encouraged to remove all traces of husks and foreign matter from the shells.

Pecans should be free of insect and disease damage. Entries should be turned in at the Methodist Church basement between 7-9 a.m.

In the pecan bake division the rules are as follows: Open to everyone. You need not own a pecan tree or be in 4-H to enter.

All entries must contain pecans. Contestants can enter as many food categories as desired; however, all entries become property of the Bake Show upon entry.

## Game Dinner Tues.

The 16th Annual Sutton County Game Dinner has been set for Tuesday, November 20 at 5:30 p.m. in the Sutton County 4-H Center on Highway 290 West.

The annual event is sponsored by the Sutton County Game Dinner Association with assistance from several clubs in Sonora, the Lions Club, the Garden Club, the fire department, Edwards Plateau Game and Wildlife Association, the chamber of commerce, and various individuals.

The menu for the event includes barbecued buffalo, fried venison, cabrito, roast wild boar, fried antelope, barbecued barbado, country fried dove, smoked turkey, fried quail, son-on-a-gun stew, venison chili, peach cobbler, and coffee or tea.

Tickets for the dinner will be sold at the door and will cost \$5 each. Extra door prize tickets may be purchased for \$1 each.

# Annual Turkeywalk is expected to exceed goal

The annual Turkeywalk, benefiting the American Heart Association is expected to exceed the goal of \$2,700 by at least 100 percent this year.

With 23 walkers, up from last year, over \$5,400 is expected to be collected before the final tally is made.

The first person to cross the finish line Saturday, November 3 was William Burch, son of Mr. and Mrs. Billy Burch.

Ruth Shurley was the oldest walker and youngest walker was Demetrio Castro. Both Ruth and Demetrio will receive \$50 savings bonds donated by First National Bank.

Other winners will be announced at a later time since the final tabulation of winnings was not complete at press time.

Tom Clifton, vice-president of the local American Heart Association chapter, and the chairman of this year's biggest AMA fundraiser, stated that "This is the best drive we have ever had and we really appreciate everyone's support."

The Turkeywalk is one of four drives to raise money for the fight against heart disease in this area. Others include a business drive, a residential mail-out conducted in January, and memorials. Special events include the Turkeywalk, Home with Heart (a bake sale and rock-a-thon held at the nursing home) and a Jump Rope for Heart (an event involving younger children).

Participating in this year's Turkeywalk were Hershel Davenport, Donal Wampler, Rachel Griffin, Patricia Johnson, Carmen Burch, Clay Hicks, Carmen Sanchez, David Hooper, Susan Watkins, Peggy Street, Robin Street, Roberta James, Jody Trainer, Ruth Shurley, Connie Herrera, William Burch, Harvey DuRussell, Father Bernard Gully, Lois Laxton, Odilia Pradez, Demetrio Castro, Pat Allen, and Jesse Lynch.

Through your efforts we had a successful Turkeywalk this year and through your example we have moved one step forward in promoting lifelong cardiovascular fitness through walking.

Sincerely,  
Tom Clifton  
Vice-President  
American Heart Association  
Sutton County Division

Dear Walkers involved in the Turkeywalk,

Hershel Davenport, Donal Wampler, Rachel Griffin, Patricia Johnson, Carmen Burch, Clay Hicks, Carmen Sanchez, David Hooper, Susan Watkins, Peggy Street, Robin Street, Jody Trainer, Ruth Shurley, Roberta James, Lois Laxton, Odilia Pradez, Demetrio Castro, Pat Allen, and Jesse Lynch.

Now that your feet have rested and your blisters have started to heal and your friends no longer doubt your endurance, we would like to again express our appreciation for your enthusiasm and hard work in this year's Turkeywalk.

Sincerely,  
Tom Clifton  
Vice-president  
American Heart Association

Commissioner's Court in the very near future. If the report is favorable toward establishment, Judge Charlie Sherrill and the County Commissioners will send the proposal to the State Legislature in December.

If legislation is approved in Austin a local election will be held 90 days after approval. Local citizens will then decide whether or not the district will be formed.

Ross stressed the point that the rights of control of local water should remain in the hands of Sutton County residents. He asked for as much local input as possible.

bed-ridden persons to obtain emergency assistance via equipment attached to the telephone. The Sutton County EMS and the Committee on Aging are involved in this project.

Allocation of space in the new county annex and the old courthouse was discussed. The office of the justice of peace will be moved from the jail to the new annex building.

Offices of the county clerk and tax assessor-collector will also be moved to the annex. The probation office, now in the courthouse, will be moved to the jail.

These allocations are all subject to approval by the sheriff.

The private abstract office which is renting space in the courthouse has been asked to vacate on or before April 1, 1985.

Bids for furniture for the annex were opened and accepted. Advertisement for bids on two new vehicles for the sheriff's department was authorized.

★★ WINNER

# HNG agrees to buy Transwestern

**Editor's Note:** The following article was previously published in an issue of *The Wall Street Journal*.  
**BY LORETTA GASPER**  
 Staff Reporter of  
*The Wall Street Journal*  
**HOUSTON**--Houston Natural Gas Co. said it agreed to buy Transwestern Pipeline Co., a unit of Texas Eastern Corp., for \$390 million.  
 The transaction will extend

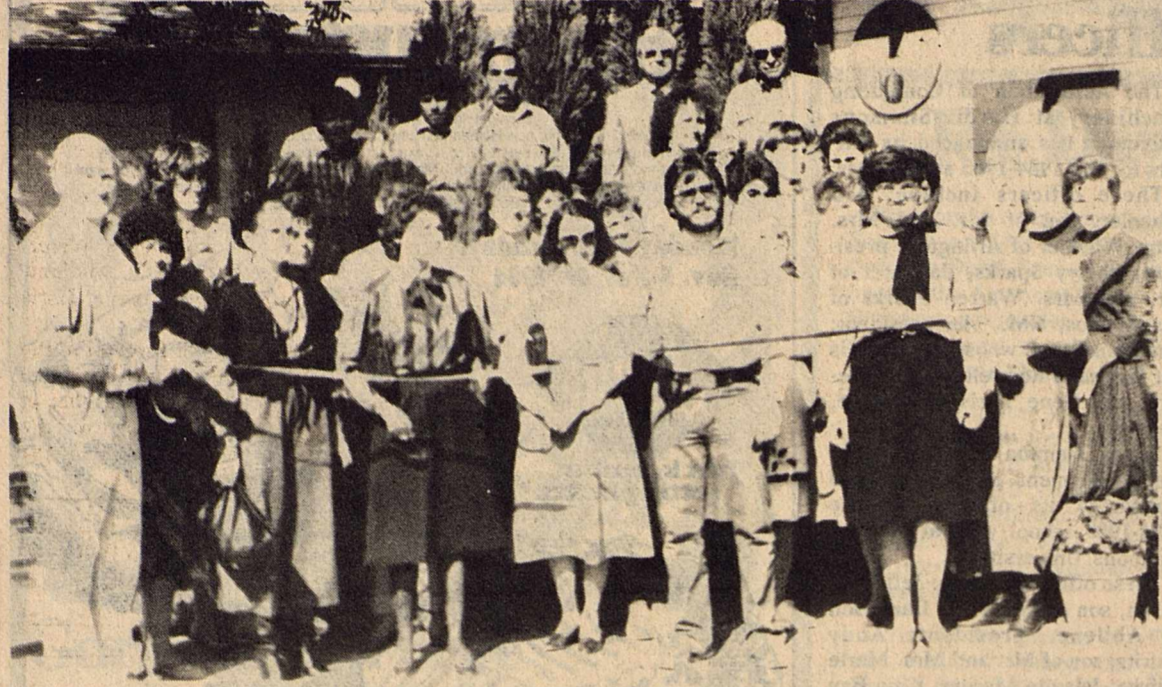

Houston Natural's huge Texas pipeline system into the interstate natural-gas market. It also will generate cash for Texas Eastern after that company's \$1.04 billion acquisition of Petrolane Inc.  
 Under the agreement, Texas Eastern will retain a small pipeline, as well as the drilling and coal gasification subsidiaries and certain real estate holdings of Transwestern. The purchase, which is

subject to federal approval, is expected to be completed by early January.  
 Transwestern's main asset, a 4,395-mile pipeline linking the Texas and Oklahoma gas fields to the California border, hasn't been a strong profit producer for Texas Eastern. It generated just \$35 million of profit in the 12 months ended June 30 on more than \$1.1 billion of revenue. Texas Eastern had total net income in the same

period of \$201.4 million, or \$3.86 a share, on revenue of \$5.7 billion.  
 The acquisition would increase Houston Natural's revenue about one-third. In its year ended July 31, Houston Natural had net income of \$141.5 million, or \$3.86 a share, on revenue of \$2.14 billion. Houston Natural lately has been shedding businesses to concentrate on its pipeline operations, which are among the nation's most profitable.

Texas Eastern noted that it would remain a large pipeline operator with its Texas Eastern Gas Pipeline Co., a major supplier to the East Coast.

In New York Stock Exchange composite trading recently, Houston Natural closed at \$44.125, up 12.5 cents; Texas Eastern closed at \$29.25, up 87.5 cents.

**RIBBON CUTTING HELD WEDNESDAY**  
 The official ribbon cutting for the re-location of The Old Shop was held last Wednesday. The Old Shop was previously located at 2140 Hunt Street in the home of

the owners, Mr. and Mrs. James T. Hunt. The new location is at 410 South Crockett. Hours are from 9 a.m. until 5 p.m. Tuesdays through Saturdays. (Staff Photo--KKN)

## Ribbon cutting held

The Sonora Chamber of Commerce held an official ribbon cutting for The Old Shop last Wednesday. The Old Shop has relocated to 410 South Crockett from 2140 Hunt Street.  
 A "traditional shop", The Old Shop is owned by Mr. and Mrs. James T. Hunt and managed by Marianne Trainer.  
 Everything will continue to be

selected by hand with every care being given to your personal needs, according to the management who added that the public was invited to make The Old Shop your shop.

Store hours are Tuesdays through Saturdays, 9 a.m. until 5 p.m. The new telephone number is 387-5323.

Texas Eastern could use proceeds of the sale to help reduce debt incurred in the recent purchase of Petrolane, a marketer of liquefied petroleum gas. Texas Eastern wouldn't comment on that speculation.

Some pipeline stock analysts said Houston Natural probably could make more money from the pipeline than Texas Eastern has. Houston Natural, which is a major natural gas producer as well as the biggest in-state pipeline operator in Texas, could bring less expensive gas to the Transwestern system, making the pipeline more competitive with other suppliers of natural gas to California.

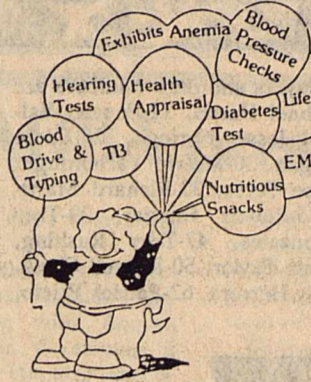

Houston Natural is the third largest supplier to the Transwestern system.

The acquisition also would give Transwestern access to Houston Natural's Bammel storage field in Houston; Transwestern currently doesn't have any storage capacity.

Houston Natural said the California natural gas market, second in size to that of Texas, has "significant" growth potential. Analysts noted that California has become a leading user of natural gas for electricity co-generation, a process in which waste heat is recycled to generate energy.

The acquisition would make Houston Natural's earnings more stable, according to the company.

## GTE apologizes to customers

Toll (long-distance) service in Christoval, Eldorado and Sonora was interrupted for about one and a half hours Tuesday, October 30, according to General Telephone officials.

Construction crews working at Highway 277 South and Loop 306 in San Angelo accidentally severed a toll cable, preventing long-distance

calls into and out of the affected communities. The outage was reported shortly after 1 p.m. and service was restored by 2:30 p.m. the same day. Local (in-town)

calling was not affected. General Telephone knows this brief outage was inconvenient and apologizes to customers affected by it.

## Joe David Ross replaced as AAGBA president

Rocksprings ranchman Tooter Shanklin replaced outgoing president Joe David Ross of Sonora as head of the American Angora Goat Breeders Association during the group's annual meeting in Rocksprings in mid-October.

Edwin Hipsher of Brownwood was elected first vice-president and Hayden Haby of Rocksprings was elected second vice-president. Secretary and office manager of the AAGBA is Mary Jane Glasscock. The association is headquartered in Rocksprings.

Prior to the election of officers and business session the group heard from Ford Oglesby, a rancher and mohair buyer. Oglesby explained the costs involved from the buyers' end of the mohair business.

Dr. Maurice Shelton of the San Angelo Research and Extension Center also addressed the gathering and complimented growers on the progress they have made in

making Texas mohair a quality fiber.

He also touched on a program being conducted to develop fine-haired goats.

"Traditionally the smaller the goat the finer the hair," Shelton said. "But I don't know that there

is any reason we can't raise a big fine-haired goat."

Shelton and other representatives of the mohair industry are currently working with Angora goat producers in developing a fine-haired goat. He also encouraged producers to conduct pro-

jects of their own. He said in other countries it is common for groups of livestock producers to combine their resources to undertake these sorts of experiments.

Former U.S. Rep. O.C. Fisher of Junction was an honored guest at the annual AAGBA meeting.

## Public Notice

Pursuant to an order of the Public Utility Commission of Texas in Docket No. 5926, notice is hereby given that Southwestern Bell Telephone has filed a Feature Group "E" (FGE) Access Service as a new tariff offering to meet the needs of Cellular Mobile Radiotelephone Common Carriers.

The new tariff offering will also be available, on an optional basis, to Radio Common Carriers authorized to provide domestic public land mobile radiotelephone and paging services.

FGE Access Service will be provided as trunk side switching with line treatment at suitably equipped Telephone Company electronic end offices and other end offices where equipment is available. The proposed rates for FGE Access Service are on a minutes of use basis.

A number of common switching optional features will be available with FGE Access Service, including Class of Call Screening, up to 7-digit outpulsing of called party telephone number of customer, delay dial start-pulsing signaling and dial pulse address signaling. Certain additional optional features will be offered in connection with FGE Access Service under other tariffs of the Telephone Company, including blocks of telephone numbers and Billed Number Screening.

Southwestern Bell Telephone Company customers interested in participating in this hearing or needing additional information, should write to the Public Utility Commission of Texas, 7800 Shoal Creek Blvd., Suite 400N, Austin, Texas 78757. Further information may also be obtained by calling the Commission's Consumer Affairs Division at 512/458-0223, 512/458-0227 or teletypewriter for the deaf at 512/458-0221.

## Aviso Público

En conformidad con una orden de la Comisión de Servicios Públicos de Texas bajo el Docket No. 5926, se anuncia mediante el presente aviso que Southwestern Bell Telephone ha registrado un Servicio de Acceso para el Grupo de Clasificación "E" (o sea Feature Group "E", o FGE) en una nueva opción tarifaria destinada a responder a las necesidades de las Empresas de Telecomunicaciones Radiotelefónicas Celulares Móviles.

La nueva tarifa estará disponible también, en forma opcional, para las Empresas de Radiocomunicaciones autorizadas para proporcionar servicios nacionales públicos de radiotelefonía móvil terrestre y de altavoces.

El Servicio de Acceso FGE se proporcionará mediante conmutación de cable troncal con tratamiento especial de la línea telefónica en centrales terminales electrónicas de la compañía de teléfonos que estén debidamente equipadas, y en otras centrales terminales que tengan disponible el equipo. Las tarifas propuestas para el Servicio de Acceso FGE se computan por minutos de uso.

Junto con el Servicio de Acceso FGE se ofrecerán varias opciones de conmutación central, incluyendo Investigación de la Clase de Llamada (Class of Call Screening), representación visual de hasta 7 dígitos del número telefónico llamado por el usuario, retardo de la señal para transmitir y señalización de la dirección para marcar. También se ofrecerán algunas opciones adicionales en relación con el Servicio de Acceso FGE bajo otros sistemas tarifarios de la Empresa Telefónica, incluyendo restricciones a bloques de números telefónicos e Investigación del número al que se carga la cuenta (Billed Number Screening).

Los usuarios de Southwestern Bell Telephone Company que estén interesados en participar en esta audiencia, o que requieran mayor información, deben dirigirse por escrito a: Public Utility Commission of Texas, 7800 Shoal Creek Blvd., Suite 400N, Austin, Texas 78757. También puede obtenerse información adicional llamando a Public Utility Commission Consumer Affairs Division al 512/458-0223, al 512/458-0227, o al 512/458-0221 si requiere teletipo para personas con impedimentos de audición.

### Tutoring sessions offered

Sonora High School students have a very good opportunity. The Texas State Legislature has made it necessary for tutoring sessions to be made available to all students failing, and our own teachers have been providing the tutoring services.

Tutoring sessions for high school students are offered every Tuesday and Thursday from 7:45 to 8:15 a.m. These sessions are not only for those students failing, but for those who just need a little help.

These sessions have been going on for quite a while now. Very few students are bothering to be present at the tutorial classes. In the spring, if a student is failing one class, he is not eligible for extracurricular activities. Most students will need all of the help they can get. These students need to take advantage of these tutoring sessions now before the teachers give up.

One of the teachers, Mr. Bobby Sosa, feels that the students are not taking advantage of the tutoring sessions for one main reason. The kids will think that other students assume they are failing just because they attend the tutoring sessions.

This is not so. These tutorial sessions are made available to ANYONE who needs help.

It may mean getting up 15 or 20 minutes earlier, but passing a class is much more important.

NOT QUITE THE REAL THING- Sonora High students vote in the mock Presidential election held Monday, Nov. 5 in front of the high school. The election was made possible by one of Coach Anderson's government classes. After the votes were counted, President Reagan was declared the winner, with Democratic

challenger Walter Mondale and Independent Lyndon H. LaRouche coming in second and third respectively. "Voting in the mock election really made me feel like I was voting in the real thing," said freshman Curtis Howard.

### Varsity, JV gear up for basketball season

Basketball is just around the corner, and all the players are looking forward to it. Around 10 to 12 players will probably be on the Varsity, while the JV will have at least 15 players. There will also be a Freshman team. The varsity

coach will be Primo Gonzales, and the J.V. & Freshman coach will be Stan Anderson.

Sonora will have the first tournament, so look forward to seeing a variety of good teams showing up.

RAP SESSION-The varsity girls basketball team takes a breather during a time out in the scrimmage Thursday night against Del Rio. No score was kept, but Sonora did make more

baskets in the scrimmage. The team is coached by Clyde Duke and Terie Campbell.

### Broncos end season at 7-3

The Sonora Broncos' football season came to an end last Friday as the Broncos crushed the hapless Ozona Lions 37-7 in Ozona.

The Broncos end the season with a mark of 7-3 overall and 3-2 in district action. The only losses in district play came against the two district playoff representatives, Colorado City and Ballinger.

### Escalante goes to state meet

At the Regional Cross Country Meet held in Lubbock last week, senior Jose Escalante placed second which qualified him to run at the state meet in Georgetown.

The girls team also attended, with Gina Heffernan placing 24th in the meet.

### Escalante finishes 15th at State Meet

Jose Escalante, Sonora's long distance specialist, came in 15th out of about 75 or 80 participants in the State Cross Country Meet at Georgetown Saturday.

"He felt bad, and he did not run

very well," said Coach Roy Evans. "He was in fourth place most of the way, but on the last mile, he started to cramp, and he lost ground," Evans replied.
